

## SPECIAL TRAIN LOAD DICKENS COUNTY SCHOOL CHILDREN ATTEND DALLAS CENTENNIAL THIS WEEK

A special train load of school children from Dickens County left Monday night for the Centennial Exposition at Dallas. The Wichita Valley reports 174 children loaded at Spur and 65 at Jayton with the total running well over 400 by the time the train reached Stamford. This one train had fifteen coaches in use when it rolled into Wichita Falls where it met several other specials from this district headed for the exposition. The train was delayed a short time between Fort Worth and Dallas.

Arriving at Dallas Tuesday afternoon the children were to stay at Tent City Tuesday night, spend Wednesday at the Centennial and leave there last night with arrival at Spur some time this morning. The holidays were declared by Gov. Allred for the school children of the entire state with each district taking certain days.

Accompanying the children from Spur were O. L. Kelley, Principal of Spur High School in charge of the high school children; H. C. Foote, Principal in charge of the Junior High School; and Mrs. Madge D. Twaddell, general supervision. Mrs. Minnie Lewis, County School Nurse, also made the trip as special nurse for the children.

The special train was arranged by Mrs. Twaddell cooperating with the Fort Worth & Denver officials after it was found there would be more children make the trip than could be accommodated on the regular train. The Fort Worth & Denver handled the several thousand children from this district with very little trouble running their specials into Wichita Falls from the outlying counties. At Wichita Falls some of the trains were combined for the run to Dallas.

This was the first train ride for a number of the children.

## McArthur Trial Nears Close At Floydada

The trial of Everett McArthur indicted in Motley County last year on a murder charge was nearing the end with adjournment of court Wednesday at Floydada. The case is being tried in Floyd District Court on a change of venue.

The jury was selected Monday. The state took testimony Tuesday, finishing Wednesday morning. The defense used a long list of witnesses Wednesday and the argument of the attorneys was expected to begin this afternoon.

The case grew out of the death of J. B. Speegle, tourist camp operator at Matador last year following a football game between Spur and Matador at Matador.

## Patton Springs School Resumes October 30

The Patton Springs School Board decided at a meeting last week to recess the school until Friday, Oct. 30, in order to enable the pupils to assist in the gathering of the cotton crops. The school will resume its regular work on Friday, Oct. 30. The resumption on Friday is due to the fact that the Deputy State Superintendent, Mr. J. D. Wilson, will be in the school that day, and it is necessary to have the school in session on the date of his visit. The School Board is very desirous that all pupils be present on the date of Mr. Wilson's visit, Friday, October 30.

## PALACE EMPLOYEES ADVERTISE PICTURE

The employees of the Palace Theatre are pulling a unique stunt this week in helping to advertise "The Texas Rangers," feature picture showing next Sunday and Monday. Misses Clytie Collier, Kathleen Dollins and Oleta Dell Reed are wearing special cow girl costumes, cowboy boots and big hats while John Hopkins, Dial Phelps and Wesley Britton are dressed in bright colors with big hats and boots.

## Commissioners Ask For Highway Aid

County Judge Jim Cloud and Commissioners Austin C. Rose, E. N. Johnson, W. F. Foreman and Lee Mimms were in Austin Monday for a hearing before the State Highway Commission. The full court made the trip to seek aid for both Highways 24 and 18 in Dickens County.

Highway 18 was graded to the Kent County line south and east, but nothing had been done toward placing an all weather top on the road. The need for this all weather top was clearly demonstrated in September when the heavy rains placed the highway in an impossible condition practically tying up mail and freight transportation since the railroad could not be used because of high waters and bridge wash outs for two days.

Highway 24 is one of the main arteries of traffic from the Plains to Fort Worth and Dallas. A grading contract on seven miles of the road was completed this summer and the new route through the Pitchfork Ranch is open but is not an all weather route. There are still several miles of the Highway between Dickens and the ranch that need improving badly, the short curves and narrow road making it perilous for heavy traffic. This highway has been the scene of several accidents the past few years because of the lack of improvement.

## Team Demonstrations In Saturday Program

Canned string beans will be served three or four ways Saturday afternoon when Mrs. O. S. Harvey and Mrs. Price Brownlow of McAdoo home demonstration club give their team demonstration at the Food Fair which will be held in the Masonic building next door to the Palace Theatre.

Each home demonstration club will have a team demonstrating the use of canned food in the menu. Mrs. F. B. Crockett and Mrs. Merl Foreman of Esquola will prepare meat loaf using canned ground meat. The cooked loaf will be served with vegetables.

A chicken roll will be prepared by Mrs. Matt Howell and Mrs. Jim McArthur of Red Top using canned chicken.

Chicken salad and sandwiches will be prepared by Misses Gladys McMeans and Elizabeth Williams of Twin Wells club.

That canned tomatoes may be served for breakfast, dinner and supper, will be shown by Mrs. Foster Jones and Mrs. John Bachman of the Soldier Mound club.

Mrs. Earl Murchison and Mrs. Roy Dunavant of Wichita will prepare canned spinach for serving.

Mrs. R. C. Alexander and Mrs. B. F. Middleton of Prairie Chapel club will serve canned peaches 3 ways.

Mrs. John Gay and Mrs. Pete Wingo of Dickens will prepare a picnic lunch using five or six canned foods.

The demonstrations will begin at 1:30 and each is to be fifteen minutes long. The morning program will be at 10:30 at which time Miss Lida Cooper, our district agent will give a judging demonstration.

Each club woman is expected to be present and the public is invited to attend.

## OCTOBER 1 CINNINGS ARE HIGHER THAN LAST YEAR

The census bureau's report for cotton ginned to October 1 in Dickens shows 873 bales ginned in 1936 to that date compared to 582 bales in 1935 on the same date. The November report will be much higher since the Spur gins have already ginned over 2,000 bales of this year's crop.

## PROCLAMATION

Texas history is the story of its heroes, men of valor who fought and gave their all to develop this great state of ours. All through this history the Texas Rangers played an important role in defending the boundaries of the growing settlements against the Indians and rustlers, making the country safe for those who would establish homes.

Now, therefore, I, E. J. Cowan, mayor of Spur, in honor of Texas' heroes and as part of the celebration of the 100th birthday of the state, do hereby proclaim Saturday, October 24th, 1936, as "Texas Day" in this city.

Witness my hand and the seal of the City of Spur, this the 19th day of October A. D. 1936.

E. J. COWAN, Mayor

## County Sends \$207 To Campaign Fund Bull Dogs Win First District Game, 13-6

Dr. M. H. Brannen and E. S. Crider, committee collectors for the Democratic campaign fund to re-elect Roosevelt and Garner, sent \$207 to the State Committee at Austin this week. The fund was raised last week in this county. The committee has not finished their work and are still taking donations to the fund as there are some precincts yet unreported.

The county quota was set at \$484 which the committee has felt from the start was more than their part but have made every effort to raise the quota. A number of counties have sent in above their quota, Lynn county being one of these with \$604.00 reported. Any one desiring to make a donation can leave it with E. S. Crider at the Spur Cafe and it will be forwarded to the state campaign committee at Austin. Texas is still short of its quota but reports the first of the week indicated that it would go over the ton this week.

## Stage Play At Palace Tuesday

The first stage play of the season, "The Charm School" will be presented by the Speech Department of the High School at the Palace Theatre next Tuesday night. The play is a comedy in three acts and all the characters will be high school students.

The following will be in the cast: Austin Bevans, Haney Nugent; David Mackenzie, Carl Arthur; Geo. Boyd, Bill Gruben; Jim Simpkins, Fred Kinney; Tim Simpkins, Elvis Holly; Homer Johns, Edward Carroll; Miss Hays, Helen Hale; Miss Curtis, Billie Burke Hisey; Girls at the school, Nell Arthur, Naoma Smith, Lillian Grace Dickson, Sarah Ann Crider, Mozelle Arthur, Miriam Reed, Marian Hale.

## George Mahon To Speak for Party in N. Y.

Colorado, Texas, Oct. 21—According to word received by his office in Colorado, Congressman George Mahon went to New York this week to spend a short time at Democratic National Committee headquarters before going out on another speaking assignment in the interest of President Roosevelt's campaign for re-election. He spoke in several cities of New Mexico last week on a similar assignment. He spent Monday of this week in Washington, stopping over en route to New York.

Mr. Mahon proceeded to New York at the request of Congressman Sam Rayburn, Member of Congress from Texas and candidate for Majority Leader in the next Congress, who is serving as Chairman of the Speaker's Bureau of the National Committee. He has asked Mr. Mahon to give his full time to the National Campaign until the election, November 3rd. Immediately after the conclusion of the campaign, Mr. Mahon will return to his Colorado office.

The Spur Bull Dogs opened the District 4-B Conference race Friday at the Charles A. Jones Memorial Stadium by decisively defeating Matador, last year's champions, 13 to 6. Presenting both a strong running and passing attack the proteges of Coach Blackie Wadzeck couldn't be stopped. For 60 minutes they played heads up football that was another step for a team that has shown improvement in every game this season.

Matador received on the kick off but were held for downs and forced to punt. The Bull Dogs began a steady march down the field that netted them the first count when J. B. Haralson circled right end to score. Red Garner booted the ball squarely between the uprights for the extra point.

Matador again received and worked the ball to their own 40 yard line when Chas. Scaff, fleet full-back for the visitors, broke through the right side of the line and raced the 60 yards to pay dirt, going over standing up. The place kick try for point was blocked.

Spur pushed deep into Matador territory in the second quarter but didn't quite make it over. In the third quarter they again took the ball in their own territory and worked it down to the goal line with Haralson going over for the count. The try for point was blocked.

Coach Wadzeck had eleven men on the field working in unison throughout the game. Captain Red Garner was the star with his defensive work and blocking on the offense. Haralson called a good game at quarter and received some fine praise from the stands for his passing and running. Kinney drew extra praise when he was on the receiving end of several passes that meant first downs and helped work the ball down to scoring position. Kinney also came in for some praise for his defensive work. James Bumpus at center was in every play and showed easily that he is one of the best linemen in the district. In fact the entire Spur team was clicking with every man doing an assigned job that made it possible for the backs carrying the ball to make yardage when it was needed.

Matador presented two fine backs in Brian and Scaff. Grove, star back in other games was stopped cold. L. Rattan was the line star for the visitors.

Spur made sixteen first downs to eight for the visitors. Penetrations for Spur were six to three for Matador.

Paducah defeated Floydada at Paducah 7 to 6. This puts Paducah and Spur on the spot Friday week when Spur goes to Floydada and Paducah plays Matador. Turkey is still the No. 1 team in the north half of the district and have an almost cinch to play for the district championship with one of the big four from the south.

On Thursday evening of last week Mesdames A. M. Walker, P. C. Nichols, Minnie Lewis, Miss Jennie Shields and Miss Clara Pratt attended the Gypsy Smith revival in Abilene.

## CENTENNIAL MARKERS PLACED AT SOLDIER MOUND AND SPUR CEMETERY; SOLDIERS HONORED

### Plan Repairs On County Court House

The Commissioners' Court at its last meeting passed an order calling for bids for repairing and making certain additions to the court house. The entire building will be renovated and a new roof placed on the building. The contract will be let at the next meeting of the Court November 9th. The work is to be paid for with permanent improvement warrants not to exceed \$1700.

This remodeling program of the court house received the attention of the Commissioners' Court at nearly every meeting for several years due to complaints of occupants of the various rooms. In the winter no room in the building can be made comfortable because of the old fashioned high ceilings and the cracks in the walls. This alone has almost doubled the fuel costs of the county each year it has been reliably estimated.

In the summer the entire building is infested making it very disagreeable for the occupants and visitors. The roof leaks badly in a number of places despite numerous repairs in the last few years. The roof foundations are of wood and these have rotted away in many places creating a hazard that might eventually result in loss of life.

There was quite a bit of talk and some plans made in the spring for building a court house but the plans did not work out and the Court faced with dire necessity decided to make the repairs which would solve the court house problem for many years. In fact the Commissioners put off the matter for many months because of their desire to be as economical with county funds as possible.

### Mrs. T. A. Rogers Buried Saturday

Mrs. Minnie G. Rogers, a resident of Spur for 23 years, died at her home Thursday, October 15, after only a few hours illness. She suffered a paralytic stroke about 8 A. M., this was followed by another about noon, then a third stroke at 4 P. M. which resulted in her death. The only relatives present at her bedside were a daughter and son-in-law, Mr. and Mrs. B. Street of Dickens.

Mrs. Rogers was born in Georgia, November 28, 1878 but moved with her family to Knoxville, Tenn., where she spent her girlhood days. She was affiliated with the Methodist church. Later, moving to Texas, she was married to Taylor A. Rogers in 1904 at West, Texas.

To this union were born three children, Kyle, Pat and Louise, all of whom were present at the funeral. Although every effort was made Mr. Rogers, who has been working away from home, could not be located.

Relatives attending the funeral were Mr. and Mrs. Louis Garrison, Mr. and Mrs. Leslie Garrison, all of West, Texas; Mr. and Mrs. Harry Garrison and Mrs. Claud Landrum of Waco; Mrs. Pat Rogers of Harlingen, Texas.

Other survivors are Raymond Garrison, a brother and Mrs. E. N. Garrison, mother of the deceased, West, Texas.

Funeral services were held at the Spur M. E. Church with Bro. Yeats officiating. Kinney Funeral Home had charge of the body. Pall bearers were: Charlie Street, Roscoe McCombs, J. I. Mecom, Larry Burrow.

Flower Girls were: Louise Ince, Nita and Mary McCombs, Elaine Morrow, Margaret Berry, Lucille Henderson and Margaret Bird.

Judge E. J. Cowan and daughter Ruth left Tuesday for a trip to Mart, Waco and the Centennial exposition at Dallas.

Two Markers, commemorating the early day soldiers in Dickens County, were erected by representatives of the Centennial Board of Control this week. The markers are of Texas granite, one being placed at Soldiers Mound and the other at Spur Cemetery.

The Soldier Mound monument was placed on top of the mound at the site of old Fort Anderson. The Fort was used by a regiment of soldiers for headquarters in the last drive against the Indians of this section in the 70's. Suitable inscription describing the reasons for the erection of the marker are on the monument.

The monument at the Spur Cemetery was placed at the grave of W. H. Kilpatrick, early day soldier who was buried on the banks of Duck Creek. Kilpatrick's grave was moved to Spur several years ago on order of the Commissioners' Court when the old grave was in danger of being washed away from cave ins of the creek bank. The marker not only honors Kilpatrick but other soldiers who lost their lives in this country in defense of the settlers.

Clifford B. Jones, Centennial commission representative in this county, assisted in the erection of the markers and conferred with the Board of Control on the proper inscription to be used. Mr. Jones has been very active in keeping an accurate historical record of the county and for many years corresponded with those familiar with the history of the county in the days of the Indians and probably has compiled one of the best and most authentic county histories to be found in West Texas.

## DEMONSTRATION ON CHICKEN SALAD

The use of canned chicken made into a salad served different ways, also made into sandwiches in the menu will be demonstrated by Gladys McMeans and Elizabeth Williams of the Twin Wells demonstration club in the contest of team demonstrators at the Food Fair October 24th when the club met at the home of Mrs. Tom Gilmore October 2, 1936.

In the Texas Dad program some interesting articles were given by Mrs. Ella Merriman, Mrs. Tom Gilmore and Mrs. C. C. McCombs found in the Hollands magazine.

Miss Pratt Home Demonstration Agent gave some high points pertaining to the exhibit of the Food Fair.

The next meeting will also be with Mrs. Gilmore October 21, 1936.

Those present were Mrs. Tom Gilmore, Mrs. Della Merriman, Mrs. C. C. McCombs, Mrs. C. F. Waters, Gladys McMeans, Mrs. Ella Merriman, Miss Pratt, and Elizabeth Williams, reporter.

## DEMONSTRATOR TELLS OF YARD IMPROVEMENTS

"Early in the year we rearranged our yard, making it larger, taking out a cross fence that separated the yard and garden and removing rubbish. After that we built a yard fence. That made the place look better. We were then ready to start our planting," said Mrs. F. B. Crockett, yard improvement demonstrator for the Espuela Home demonstration club in her achievement program last week.

"The planting plan as drawn by Miss Onah Jacks, Landscape Specialist of the Extension Service called for ten Chinese elms to be planted in groups at the sides and back of the house. We put these out and nine have grown nicely. The plan called for native and nursery shrubs to be used for foundation planting. We planted the north and west sides and they have made a good growth in spite of the drought.

"My planting plan has not been completed but we mean to put out more shrubs this fall and start a rose garden. My yard looks much better even though we do not have all the shrubs and grass growing yet."

## CLUB GIRL TELLS OF ORCHARD WORK

"One of the most important things in being a farm fruit plot demonstrator is in the selection of the orchard site. I selected a plot of ground just north of the house. It is well fertilized and free of nematodes," said La Rue Holmes, who is farm fruit plot demonstrator for the McAdoo 4H club.

"Selecting the varieties of fruits suited to this section of the state was the next consideration. I selected the following as a start for our orchard: 2 Arps Beauty peaches, 1 Jonathan apple, 1 Golden Beauty plum, 2 Compass cherry plums, 2 Opata cherry plums, 2 Montmorency cherries, 2 Early Richmond Cherries, 8 Concord, Aqua and Niagara grapes and 12 Austin Mays dewberries and Young berries. I also set four grape cuttings and three dewberries. I lost several plants because of the dry weather but most of them are growing nicely.

"I learned in making the 18 containers of jam and jelly that I made that one must be careful to not cook them too long and to be sure that the juice is free of pulp in making jelly."

## TEXAS MUSIC AND ART

A very interesting program on "Texas Music and Art" was given when the McAdoo club met in the home of Mrs. M. A. Graham Tuesday October 3rd. Mrs. Price Brownlow read a paper on Centennial songs, Mrs. Johnnie Wooley gave the life of Miss Gladys Talch and Mrs. M. A. Graham read a paper on the life of Elizabeth Ney. Mrs. Amos Isaacs told of the many paintings of Onderdonk. After the program a Columbus Day party was greatly enjoyed by all present. Miss Mary Wooten favored the club with several piano numbers which was a real treat to the club members and was enjoyed immensely.

A refreshment plate of pumpkin

pie with whipped cream and coffee was passed to Miss Mary Wooten and Mrs. John A. Allen, visitors, and to the following club members: Mrs. Johnnie Wooley, Price Brownlow, Jim Earley, Vanderford, Amos Isaacs, N. Eldredge, G. W. Allen, O. S. Harvey and the hostess, Mrs. M. A. Graham.

The club will meet October 27th with Mrs. J. J. Griffin. All club members are urged to attend this meeting and bring someone with them. —Reporter.

## Star Loses a Fortune, Finds Love, in New Film

"Spendthrift" Presents Henry Fonda in High-Speed Tale with Pat Paterson, Mary Brian and George Barbier

Henry Fonda, who won widespread acclaim for his roles in the full-color Paramount picture, "The Trail of the Lonesome Pine", and his co-starred part with Margaret Sullavan in "The Moon's Our Home," is the leading character of Walter Wangers "Spendthrift," scheduled to open at the Palace Theatre, Thursday and Friday, October 29-30.

Fonda is a young millionaire gone broke in "Spendthrift." Owner of a string of polo and race horses, he is believed by his society neighbors to have \$23,000,000. Actually, he is without cash.

With the aid of his trainer and the trainer's daughter, Pat Paterson he manages to stall off bill collectors until after the Kentucky Derby, promising that his horse will win. His last cent goes toward reaching Kentucky and then the horse fails.

At the Derby, however, he meets and falls in love with Mary Brian. Southern belle who later is revealed as a fortune-hunter and gold digger. They marry and she gets him further in debt.

Only after the Fonda fortune is gone entirely and after the ex-millionaire gets a job does he learn where real romance lies. Pat has stuck to him through thick and thin. Into the story has been worked a balance ration of comedy and romance, plus the thrills of the track. George Barbier, Halliwell Hobbes, Richard Carle and J. M. Kerrigan join in providing the laughs; June Brewster and a number of other feminine screen lights aid Miss Brian and Miss Paterson in providing romantic appeal.

### New Leading Role For Rochelle Hudson

A story of courage, adventure and blazing love on the Northland Trail comes to the Palace, Saturday, October 24th in the stirring Fox picturization of James Oliver Curwood's novel, "The Country Beyond."

Featuring the screens new dog hero, Buck, with an all-star Hollywood cast, the picture follows the adventures of a Canadian "mountie" pursuing a killer on a trail that leads him to love.

Rochelle Hudson, Paul Kelly and Robert Kent are the principal players. Kent and Kelly are "mounties" who take Miss Hudson's father Alan Hale, in custody for a killing. But Hale, who is innocent, eludes the officers with his daughter and sets out after the real criminal.

Directed by Eugene Forde from Lamar Trotti's exciting adaptation

## TEXAS PLAINS ARE FILM SET

The vast deserts and rocky plains of New Mexico and Texas were used as a background by King Vidor in directing his historic film of the old Southwest, "The Texas Rangers," coming to the Palace, Prevue Saturday Night, Sunday and Monday, October 25-26 with Fred MacMurray and Jack Oakie in leading roles. The picture, second made for Paramount by Vidor, immortalizes the band of men who made Texas safe for the pioneer settlers of the 1880's.

Combining a sweeping panoramic view of early Texas history with a romantic, action-filled story of high adventure and romance, "The Texas Rangers" is based on true records of the exploits of one of the world's most famous organizations of peace officers.

Jean Parker has the leading feminine role, appearing as the daughter of a commander of a Rangers unit which MacMurray and Oakie join. Lloyd Nolan is cast as a famous Texas "bad man" of the time, Sam McGee. Others heading the list of supporting actors include Edward Ellis, Bennie Bartlett and a score of outstanding character players.

Wars of the Rangers with wild Indian tribes, and their exploits in driving cattle thieves, stage robbers and outlaws of all kinds from the state, are a part of the plot. One of the most thrill-packed sequences records the final Indian battle which resulted in complete submission of the marauding tribes which had harassed settlers throughout the early eighties.

Jack Oakie and Fred MacMurray sign the Ranger's Oath, while Edward Ellis looks on. It's an important scene from "The Texas Rangers," coming to the Palace, Prevue Saturday Nite, Sunday and Monday, October 25-26

T. C. Ensey and son, Jack, were Hamlin visitors Wednesday. Jack remained in Hamlin to work for his brother, A. D. Ensey, in a grocery store.

### JUST HUMANS

By GENE CARR

"She Quit Because She Wasn't Paid Overtime When She Was Kissed After Hours!"

Notwithstanding man was made of dirt.  
We still think he ought to wear a shirt.  
And not dress out in a thin short skirt.  
With him some old guy might try to flirt.  
He ought to stay in his place.

Now its all right for ma to sew,  
Keep the kiddies clean and tie up buddies sore toe.  
And make the pies and biscuit dough  
And in her flowers and garden hoe  
If she does we almost know  
She'll stay in her place.

Now it's o. k. for Pa to plow  
And weild the ax and grubbing hoe,  
And feed the mules and hogs and cow.  
And stack the hay up in the mow.  
If he does all this we'll take a vow,  
He will stay in his place.

Just judging from the things we see  
It's hard to tell the He from She?  
He dresses like some Pee-wee.  
She wears long pants and boots up to her knee.  
Such immodesty ought not to be,

They ought to be in their place.  
But now right here our pen has stuck.  
We can't see out dog-on the luck.  
Unless Pa gives the babes their suck  
And lets ma ride the bronco that buck.  
We are all out of place.

### SEQUEL

It may be Satan still tries to deceive  
Just like he did Adam and poor old Mother Eve.  
But let us not that wicked one believe.  
Let's all our good character try to retrieve.  
Let's get in our place.

**New Film Has Experiment In 'Girl Values'**

An experiment in "girl values" for a straight dramatic production is seen in "Girls Dormitory," Twentieth Century-Fox production coming to the Palace Thursday and Friday, October 22-23, starring Simone Simon, the brilliant French star, making her American debut with Herbert Marshall, and Ruth Chatterton.

SIMONE SIMON

Ordinarily this thing called 'girl values' is restricted to musical productions, where it is shown in the form of fantastic dance routines featuring the feminine form.

But Darryl Zanuck, believing the values were the same, whether in musical or dramatic productions, engaged 100-odd girls—none over 18 years of age—for the picture.

The girls are in formation, as in musical productions, but this takes the form of marching to and from class rooms, exercises and mass gymnastics in simple dresses of like cut, color and design.

Under the direction of Irving Cummings, the 100 girls are an integral part of the drama. Indeed, the picture couldn't do without them yet apart from this they perform a second function of pleasing the eyes without the artificial aid of bare legs and intricate dancing.

## NEW YORK ADOPTS "WELFARE OF MAN" AS THEME OF FAIR

\$125,000,000 Exposition to Depict Building the World of Tomorrow

New York.—The New York World's Fair of 1939, which, according to Grover Whalen, President of the Fair, will be a \$125,000,000 show, will have a theme—"Building the World of Tomorrow."

This was announced for the first time by Mr. Whalen, following the adoption of the theme and the design by the Board of Directors.

"The Theme," said Mr. Whalen, "encompasses the well-being of man, the betterment of life. It will be carried out in our exhibit zones, in our amusements, and in a beautiful Theme Tower. We will display to the visitors all the goods, all the materials, all the resources and powers man has amassed, to the end that by studying them, one may learn how to plan and to attain a more admirable future."

The design, a simple and practical one that is motivated by consideration for the hundreds of thousands of people expected every day, divides the main section into ten zones. These zones will display exhibits of clothing, shelter, the arts, the basic industries, health, sustenance, recreation, government and co-operation, education, and public and social services. Each exhibit will be allocated to its proper zone. There will be no haphazard or scattered display. For the first time, visitors need not walk all over a fair grounds to see what they want to see, and only what they want to see.

### Focal Exhibits

In each zone there will be a focal exhibit to explain, in dramatic fashion, the nature of the sector, its history, and its potential future.

The zones will be laid out around the "Theme Tower," in the heart of the main section, a 250 foot structure that will dominate the park. In this tower will be a panorama to show what strides America has made in the 150 years that have passed since George Washington strode into New York's old Federal Hall and took the oath of office as our first president.

The opening of the Fair, April 30, 1939, commemorates the 150th anniversary of that day.

This panorama will also show the interdependence of the 48 states born of the 13 original Colonies, and the interrelation of the big cities and the country districts of the United States.

The site of the Fair, Flushing Meadow Park, will be a permanent park after the Fair is done. It comprises 1216 acres—twice the space ever before given over to a Fair.

The work of converting the site into a Fair Grounds and a park requires engineering and artistic skill of the highest, the employment of hundreds of men, and the expenditure of millions of dollars.

Great mounds of debris must be shifted. Great depressions must be filled in. A river must be canalized and its tidal inlet dammed. Two great swamps must be dredged and made into beautiful lakes. Six thousand trees or more must be planted, tens of thousands of shrubs, millions of flowers. Roads must be built—and bridges must be built to span them. Sewers must be installed.

### Cost to Run \$125,000,000

The Fair officials estimate that \$125,000,000 will have been spent before the first visitor is admitted to the grounds. The city and the state of New York and the Federal government are spending millions, and the buildings they erect will be permanent. The Fair Corporation will spend \$30,000,000. Exhibitors, concessionaires, commercial groups, and other governmental agencies will spend at least \$50,000,000. The city, state and Federal governments will expend about \$35,000,000 for buildings, exhibits and collateral improvements.

Mr. Whalen believes that at least 50,000,000 people will visit the Fair in 1939, and arrangements are being made to handle them all in comfort. Eight hundred thousand people can be well cared for on any one day.

Three subway lines, the Long Island Railroad, buses and autos will be able to bring 160,000 people to the Fair Grounds every hour when arrangements are completed; though, in order to do this, it will be necessary to extend one subway system a distance of two miles.

Roads are being built, extended, or widened, for the streams of cars that will pour into the park from the Triborough and Queensborough bridges. There will be a huge bus terminal, parking spaces for 30,000 autos and facilities for trailers.

A boat basin is being prepared in Flushing Bay; and plans are under way to dredge a channel in the harbor for the use of deep-draft ships that will bring Fair visitors from all parts of the world. There is also some discussion as to the advisability of developing an airport for those coming to the Fair by plane.

### Comfort the Keynote

There will be buses inside the Fair Grounds as well as outside so that those who do not wish to walk may have cheap transportation to any part of the grounds they desire to visit. There will be thousands of tree-shaded benches for those who are weary. There will be restaurants and amusements of various kinds all over the 1216 acres. Beside this there will be a mile-long stretch of amusements east of the main lagoon—amusements that will not imitate Coney Island or Broadway.

An amphitheater for opera, plays of all kinds, and other forms of entertainment will be built on the shore of the big lagoon. And there will be water sports on the lagoon.

A children's village, a "Hall of Nations"—for the Fair will be international in flavor, and most every government in the world will be represented—and other buildings, have been submitted to the Board of Design. But as yet the style of architecture to be employed has not been decided. A competition open to all the young architects of Greater New York may establish the style. It is the opinion of the board that most of the structures will be of only one story, and will depend upon beauty and originality instead of height.

"TRUE TO NAME"

## Jesse James In Person At Palace Saturday

"I am still alive. I was not shot, as history records, on April 3, 1882. Charles Bigelow was Bob Ford's victim."

Thus says Jesse James, who claims to be the original Missouri outlaw and who will be seen in person on the stage of the Spur Theatre on Friday, October 30, matinee and night.

James maintains that the shooting by Ford was a frame-up and that he exchanged marks of identification with the slain man and escaped. His hiding lasted fifty-one years, during which time he went under the name of "Jim Williams."

Hale and hearty at the age of 89, James has a remarkably clear memory, and in his appearances at the Spur Theatre he will tell the inside facts about his notorious career.

In addition to Jesse James in person, the Spur Theatre will offer Hank Farris and Ann Alexander, cowboy entertainers, in a thrilling fancy roping and Australian whip-cracking presentation.

## CITY FEDERATION MEETING

"Looking Forward" was the theme of the program of the City Federation of Womens Clubs in regular meeting at the Spur Inn with Mrs. A. M. Walker, President, presiding.

The highlight of the afternoon was "A Glimpse of Washington" by Miss Clara Pratt. A colorful picture of farm women, many of whom came from foreign lands and wore their native costumes, was presented by Miss Pratt. One of the interesting events was a tea on the White House lawn with President Roosevelt as speaker.

Mrs. Murray Lea, from the 1931 Study Club, gave as their aim, making Spur a better place in which to live. The 1917 clubs project is a bigger and more complete library.

This was explained by Mrs. Nellie Davis. Mrs. E. J. Cowan called attention to the miscellaneous program of the 20th Century Club and their desire to assist in civic undertakings. Mrs. F. F. Vernon of the 1933 Study Club gave a resume of the program "A Journey to the Land of Culture" and stated that the major project was their junior club.

During the business session Mrs. E. F. Laverty and Mrs. Jack Rector were appointed to collect clippings on the State Federation Convention. At the next meeting, which will be open to all members, reports from delegates to San Antonio will be the main topic of the afternoon.

Those attending were: Meses. A. M. Walker, G. J. Lane, E. C. McGee, C. Powell, H. Swan, J. Koonsman, Charles Fisher, J. E. Berry, B. C. Johnson, O. C. Arthur, R. C. Crockett, Jack Rector, J. Willard, Weldon Grimes, M. A. Jea Jr., Fred Arrington, Nellie Davis, B. F. Hale, Foy Vernon and Miss Clara Pratt.

## NEW BOOKS IN CITY LIBRARY

The following books have been added to the City Library, and more will be added in the near future. Two Western fictions, "A Ranger Rides Alone," by Amos Moore and "The Last Wagon Trail," by Zane Grey.

Three late popular fiction books added are:

"Gone With the Wind," by Margaret Mitchell.

"Great Laughter," by Fannie Hurst.

"Maid of Honor" by Jane Randall.

A new travel book is "Around the World in Eleven Years," by three children, Pataience, Richard and John Abbe.

A new biography is "A Portrait of An Era," by Fairfax Downey. This is about Dona Gibson. The library also has the book from which the picture, "The Gorgeous Hussy" was taken. The price of membership is \$1.50 a year or you may join for two months for 25c.

Tingling excitement, glorious romance are theirs in "The Country Beyond", new Fox adventure drama featuring BUCK, the dog star. ROCHELLE HUDSON and ROBERT KENT are starred in the romantic leads.
