ROTARY CLUB LOVING CUP RETURNED

The Spur-Ralls-Floydada Rotary Clubs loving cup, which was taken to Ralls several weeks ago when they won tennis matches at Spur, was returned to the local club last Friday. Sam Clemmons and Ty Allen defeated the Ralls team at tennis 6-4, 6-4, at Ralls.

Rotary-Old Timers Banquet Tonight

The annual Spur Rotary Club's banquet for old settlers will be held at the Spur Inn next Thursday evening. Lester Ericson is chairman of the committee on arrangements and has sent out 50 invitations to old timers of this section the first of the week to be guests of the club.

The speaker of the evening was elected last year and will be here according to word received this week and will be Judge A. P. Dixon of Seymour. Judge Dixon is an excellent speaker and is a real old timer himself having traveled over the South Plains when there wasn't anything but trails to follow.

Spur To Be Center Of Wheat Market

Spur with one of the largest wheat crops in its history will furnish one of the best markets in West Texas if the plans of those interested materialize. A number of buyers have stated that they would be in the market this year and would all solicit the farmers business.

The Wichita Valley Railroad is planning to gravel their loading yards here to make it easier for the truckers to get to the cars. In addition the city plans to grade the adjacent streets and this part of town will be the busiest that it has ever been in the month of June.

Commissioner of Agriculture McDonald has been requested to send a scale tester to Spur and the work is expected to be finished next week providing correct weights are first essential.
One leader here and this year for several years there has been one leader here and probably two more located at the tracks.
With adequate facilities for moving the crop and a ready market with a large number of buyers Spur will be a center for shippers from all over this territory.

AFFILIATION GRANTED IN HOMEMAKING

Tuesday, Mrs. O. C. Thomas, Homemaking teacher submitted material to Miss Esther Sorenson, District Supervisor of Homemaking Education, for affiliation in third year homemaking. The extra credit was granted. This was the first year that the third year work has been offered in Spur high school.

The department now holds 3 1-2 credits of affiliated work. Mrs. Thomas received the extra half credit last summer in special summer project work.

June Jubilee Days, Next Tuesday and Wednesday, To Bring Largest Number To Spur In History of Town; Beauty Contest and Car Given Away Features

Citizens of Spur territory will see on parade over 50 of the most beautiful young ladies in this part of the state next Tuesday for the Gala Beauty Show at the opening of the Spur municipal swimming pool. Each girl entered is sponsored by some merchant or individual.

On Wednesday another big event, a feature of the two day June Jubilee trades days, will be the giving away of a new Ford V-8-85 by the Palace Theatre. This event will take place at 9:30 in the evening. The car is on display in front of the theatre daily.

The merchants of Spur will feature special prices on high quality merchandise for the two days. The event was planned to illustrate that Spur can sell quality merchandise at a price lower or equal that to be found in larger towns. It is the purchaser's opportunity to stock up on summer necessities.

Sale of season tickets to the swimming pool are on sale at the City light office and are being offered at the following prices: Children up to 16 years of age, \$4.00 for the season; adults from 16 to 65 years of age, \$6.50 for the season. The daily admission price is 15c and 25c. Richard Godeke, manager last season, is here and has the pool ready for use. Assistants to Mr.

Godeke will be announced next week.

Girls entered to date are: Grace Foster, Mary Louise Lisenby, Helen Hale, Martha Nichols, Peggy Hogan, Pauline Shugart, Miriam Reed, Sammy McGee, La Juan Woods, Noema Smith, Opal McGlathery, Isabelle Campbell, Mary Jo Collier, Winnie Blair, Bettye Lynn Brown, Wynelle McClure, Laveris Lee, Helen Lee, Mac Barnette Johnson, Billie Burke Hisey, Emily Cowan, Winifred Lee, Maggie Harwell, Lois Jo Fallis, Nell Mecom, Elizabeth Powell.

Merchants sponsoring entries are: Texaco, Kinney Funeral Home, Gruben Drug & Jewelry, Spur Security Bank, Bryant-Link Company, City Drug Company, Palace Theatre, Rita's Beauty Shop, Dickens County Times, Engleman Truck and Tractor Company, Spur Motor Company, Safeway Stores, Spur Creamery, Brazelton Lumber Company, Speer's Variety Store, Spur Bakery, Spur Tailors, West Texas Utilities Company, Red Front Drug Store, Spur Laundry-Cleaners, Foodway, Clemmons Insurance Agency, Sanders & Chastain Pharmacy, Glover Leaf Store, Henry Alexander & Company, B. Schwarz & Son, Tri-County Lumber Company, Mission Service Station, Leon Ice, Company.

Patton Springs Granted Additional Credits

Recent information from the State Department of Education states that credit in General Mathematics, 1 unit; third year Vocational Agriculture, 1 unit; and second year Home Economics, 1 1-2 units, have been granted the Patton Springs High School. These additional credits brings the total number held by the Patton Springs school to 24 units.

The Patton Springs school is perhaps unique in the history of the schools of the state in that it became fully accredited in the first year of its existence, securing 16 units the first year, including Fourth Year English, and in addition had a student win first place in Essay Writing at the State Meet of the Interscholastic League.

REUNION GROUNDS BUILDING NEARS COMPLETION

Stamford, May 25—Rapid progress is being made on the construction of the new buildings and other betterments in the \$10,000 improvement program at the Texas Cowboy Reunion grounds. The work will be completed well in advance of the eighth annual Reunion which will be held on July 1, 2 and 3.

Work is well advanced on the \$5,000 pavilion and exhibit building, a two story structure 60x100 feet. First floor of this building will be used for ticket offices and commercial exhibits, while the second floor will be used for sponsors' dances and other gatherings. Two modern rest rooms are included in the building.

Another important improvement still to be completed is a new lighting system for the rodeo arena, designed to make it the best lighted outdoor arena in Texas and remove the handicap under which night rodeo contestants have labored in the past.

Mack Wilson and W. R. Weaver were attending to business in Stamford and Abilene Thursday and Friday.

New Agriculture Teacher Selected

Cecil Ayers of Tahoka, has been selected by the Spur School Board to teach Vocational Agriculture next year. Mr. Ayers graduated from Texas Technological College in 1936 and has spent the past year teaching at Tahoka where he had been re-elected. He was reared on a farm near Tahoka and is unmarried. He will come to Spur July 1 to begin work here.

Boy Scouts To Leave Sunday for Post Camp

Seventeen Boy Scouts from Troop 35 plan to leave Sunday afternoon for Post for the annual summer camp. The boys will be accompanied by Coach Blackie Wadzeck, Scoutmaster.

Coach Wadzeck will remain at the camp three weeks teaching camping, pioneering, campcraft, keep the camp records and assist in teaching swimming.

The Spur troop will compete against 15 other troops of the South Plains Area for camp honors. The record of the small number attending camp last summer indicates that with the large number this year that the Spur boys have a good chance to bring home the major honors.

The National Scout Jamboree at Washington, D. C. will start June 26th and to date no Scouts from Spur have registered to go. Coach Wadzeck has been asked to make this trip and be in charge of one group of South Plains Scouts but his plans regarding the trip have not been announced.

A group of Cub Scouts left Wednesday for camp to remain until Sunday.

INFANT DIES AT MCAODOO

Carmie Dale, infant daughter of Mr. and Mrs. C. L. Findley was buried Sunday at McAdoo cemetery. Services were in charge of Rev. Frank Beaucamp, pastor of the Methodist Church. Burial was in charge of Spencer Campbell, Jr.

SUMMER SCHOOL STARTS MONDAY

High school Principal O. L. Kelley announces that a summer school will be conducted at the high school building starting next Monday. All students interested are asked to see Mr. Kelley and arrange classes.

McAdoo Graduation Exercises Friday

The graduation exercises for the McAdoo Senior High School class will be held Friday evening, 8:00 in the high school auditorium. The following program will be given.

Professional — Mr. Yeats

The Commencement sermon was delivered last Sunday evening by Rev. R. C. Tension with a capacity crowd in attendance. Supt. Smith presided at the program Sunday evening and will preside Friday evening.

Notice To Home Making Students

Homemaking students of Spur High School who are interested in obtaining an extra half credit in Homemaking by doing Summer Project work are requested to see Mrs. O. C. Thomas at the High School Building anytime from 8 to 5 o'clock either June 4 or June 5.

These summer projects grow out of and are directly related to the long session classroom work. Mrs. Thomas feels that in this way practical Homemaking can be more effectively taught and the work more nearly become an actual part of each girl's life. Every student of Homemaking is urged to participate in the summer work.

The work will consist of few classroom meetings. The greater part of the work will be individual supervision by Mrs. Thomas. In this way, girls who live in the rural districts can plan their conferences and class work with Mrs. Thomas for Saturdays.

HINDENBURG DISASTER TO BE SHOWN AT PALACE

The Palace Theatre, with its regular program, "Three Smart Girls" Thursday and Friday, also brings the news-reel scene of the Hindenburg Disaster. News camera men risk their lives to obtain most sensational films ever made as the huge dirigible explodes before the eyes of the camera.

Geo. S. Link is reported improving in a Lubbock hospital although suffering with pneumonia. Mr. Link was taken to Lubbock Saturday for treatment, developing pneumonia Monday. He reacted favorably to the serum. He has been ill for several weeks.

Mr. and Mrs. W. R. Weaver spent the week end at Amarillo visiting relatives.

Methodist Church Revival Starts Sunday Morning

The First Methodist Church of Spur will begin a revival next Sunday morning at the eleven o'clock hour. Rev. P. H. Gates, serving his first year as pastor, will bring the messages twice daily. Bob Watkins of Fort Worth, well known singer, will conduct the singing and look after the young people's work.

Rev. Gates will preach the gospel, he states, from the start and will bring a series of messages that will do every one good whether they are a member of the church or not.

Bob Watkins is a well known soloist and has worked in a number of revivals with the Spur pastor, making an excellent revival team.

The morning services will be from 10 to 11 a. m. in the church auditorium. The evening services will begin at 8:00 and will be held in the grove east of the church.

The public is cordially invited to attend all the services.

Patton Springs Graduation To Be Held Friday Night

Friday evening, May 28, at 8:30, graduation exercises of the Patton Springs High School will be held in the auditorium of the school at Abilene.

The principal address will be delivered by J. D. Wilson, Deputy State Superintendent of this area.

The largest class thus far in the history of the school will be graduated. Miss Nell Williams is the valedictorian and Miss Edith Baxter, the salutatorian. Other members of the class are: Clarice Hughes, Howard Richey, Marvin Rogers, W. J. Hamm, Lillie Belle Hamm, Roberta Bowman, Ruth Goodwin, Evie Guyer, Vera Livingston, Freddie Middlebrooks, Conrad Middlebrooks, Laura Belle Earnest, and Gordon Clisenhall.

The public is cordially invited to attend.

.96 Inch Rainfall Recorded Monday

Spur received .96 inch rain Monday night for the second good shower in May. The rain came slow and no damage was reported to growing crops. The entire county received some moisture varying in different parts.

The rain this week was thought to be too late to help wheat much but was of considerable benefit to cotton and row crops. A much better spirit among the farmers was noticeable following the rain.

ALLEN AUTO SUPPLY MOVED THIS WEEK

The Allen Auto Supply was moved this week from the Perry Building on the corner of Burlington and Fifth Street to the Nugent Building, second door north of the Palace Theatre. Mr. Allen recently purchased the building following the expiration of his lease on the old building.

The firm will continue to handle besides the large supply of parts for automobiles, Crosley radios and Gibson refrigerators. They also maintain a radio repair shop as well as a piston grinding and block re-boring shop.

Supervisor Reports On Patton Springs School

The work of classifying and accrediting the public schools of Texas is under the direction of the State Committee composed of eighteen members representing the high schools and colleges of the State. This Committee, by establishing educational standards, determines the conditions upon which high schools are classified and accredited and is interested in encouraging schools to attain these standards and in certifying those that have attained them so as to facilitate the transfer of students to any other school or college.

The regulations as prescribed by this Committee are administered by the State Department of Education through high school supervisors. In the visit of the supervisors and in their reports to school authorities, recommendations are offered in the spirit of cooperation and helpful suggestion, with the earnest desire that all school authorities will join with the State Department of Education in their efforts to maintain the necessary standards of secondary education in Texas.

In order that the schools may be properly certified it is essential that minimum requirements be met. To that end the supervisor who recently visited the Patton Springs School makes the following report to Supt. O. C. Southall.

1. The buildings and equipment are in excellent condition.
2. The school is properly organized and administered.
3. The course of study fits the needs of this community.
4. The teachers are well qualified and are working under favorable conditions. The school atmosphere is conducive to a high type of work. Some very outstanding work is being accomplished in this school.

5. The school authorities are to be congratulated for having a good rural school.

The supervisor enjoyed visiting this school and appreciates the courtesies extended to him by Superintendent Southall and his faculty.

JUDGE ALTON B. CHAPMAN VISITS IN LUBBOCK SATURDAY

Judge Alton B. Chapman of Spur, who began duties Monday as district judge of the 110th judicial district, was a visitor in Lubbock Saturday.

Judge Chapman was appointed by Gov. James V. Alfred, to succeed Judge A. J. Folley, who was elevated to associate justiceship of the Amarillo Court of Civil Appeals. Both Chapman and Folley took oath of office Saturday, May 15, and began duties Monday.

A five-weeks term of the district court began Monday in Floydada. The past week was grand jury week. The next three weeks will be devoted to civil cases, and the fifth week to criminal cases.

A visiting judge will preside for several cases over which Judge Chapman is disqualified to preside, since he investigated the cases while district attorney. He was district attorney when appointed judge.

John A. Hamilton, who was practicing law in Matador with his father, is the new district attorney. He is a former student of Texas Technological college.

Miss Billie Burk Hisey Wins Artaban Award

Miss Billie Burk Hisey was the first recipient of the annual Artaban Award presented by the Artaban Club of the Homemaking Department of Spur High School. The announcement of the winner of the award was made public at the High School Commencement Exercises held at the Charles A. Jones Stadium, May 21, 1937. The name of the winner was held in complete secrecy until that time.

The basis for judging the winner of the award was approved by the Club in September. Mrs. O. C. Thomas, Teacher of Homemaking, has checked students by that scorecard throughout the year.

- The scorecard reads as follows:
1. Honor roll (5 points per 6 Weeks) — 30%
 2. Dependability, Cheerfulness, Neatness — 30%
 3. Faithful performance of duty as officer or committeeman — 5%
 4. Winner of place in local Rally tryout (Food, Clothing, or Exhibit) — 10%
 5. Enter enthusiastically into all Club activities — 15%
 6. On the Club Programs — 5%
 7. Initiative and originality — 5%

Miss Hisey has served faithfully as the Club president for the past two years. Artaban Club regrets losing her very much. The Club, however, wishes her much luck wherever she goes.

Miss Mary Louise Lisenby fell only a few points behind Miss Hisey in total score. They have both been excellent students in the Homemaking Department.

The Artaban Award, a silver engraved loving cup, has as its objective the encouragement of the Homemaking Department to pro-

duce well rounded, independent, forceful future citizens.

SYLVAN GOLDING GRADUATES FROM MILITARY SCHOOL

Sylvan Golding, son of Mr. and Mrs. M. C. Golding, graduated yesterday from Shreveport Institute at Kerrville. Mr. and Mrs. Golding left Monday to attend the Commencement exercises returning last night. Sylvan attended Spur schools until last fall when he entered the Kerrville institution for his last year in high school.

HOMEMAKERS NOTICE

There have been several inquiries concerning an adult Homemaking Class for the summer. I would like for all women who are interested in such a course, whether in the foods or clothing field, contact me before June 3. My telephone number is 126 and my P. O. Box 817. If the course is offered, there will be no fee. Adult Classes are interesting, wholesome and educational! Show your interest by getting in touch with me.

Outlook Justifies State Participation In New York Fair

Whalen Voices Opinion In Inviting Governor and People to the 1939 Exposition

NEW YORK, (Special).—In a letter of invitation to the governors of 47 states, Grover Whalen, President of the New York World's Fair 1939 Corporation, points out that the commercial consequences of the international exposition under construction in New York City are so great and important that they alone would justify the active participation of every state in the nation.

"Fifty million persons from every walk in life, from every state in the United States, from every country in the world, are expected to attend the Fair," writes Mr. Whalen. "The great American market with its tremendous consumer purchasing power will be represented by these visitors. They will comprise a true cross-section of America."

The World's Fair, according to Mr. Whalen, will be a magnificent spectacle, entertaining and instructive. It will attempt to answer the questions: "What kind of a world have we built? What kind of a world are we building? What kind of a world can we build?" With collateral improvements, it will represent a total investment of more than \$25,000,000 by the Fair Corporation and the governmental, industrial and other participants. The Fair site park is a tract of 121 1/2 acres, almost at the geographical and population centre of New York City.

Construction of buildings and roads, grading, dredging, planting and landscaping are already under way, based upon a schedule which calls for completion of all construction operations before January 1, 1939, to allow four months for final decorations and installation of exhibits preparatory to the opening of the Fair on April 30.

The opening date commemorates the inauguration, on April 30, 1789, of George Washington as the first President of the United States.

In the government area, and near an imposing federal hall to be erected by the United States Government, the Fair will provide a "Hall of States" in which the significant contributions of each state in laying the foundations for the better World of Tomorrow can be proudly displayed, says Mr. Whalen.

His letter supplements an invitation to participate in the Fair extended to the governors on November 30 by Governor Herbert H. Lehman of the host state of New York. Governor Lehman pointed out that the State of New York has already appropriated, to date, \$2,130,000 for commencement of construction of boulevards, service roads, bridges, and certain other basic improvements the State will make at the exposition site or its approaches. The New York legislature, further, during 1936 passed an act creating the New York World's Fair Commission of 18 members and providing funds in aid of this body's preparation of plans for a state building and exhibit and for active state participation in the Fair.

McCormick-Deering Mowers Have Always Been Good and the No. 7 Enclosed Gear Mower Is the Best Yet

Come in and go over the entire mower. You'll agree that you have never seen anything like it.

WE are anxious to have all our friends see the new McCormick-Deering No. 7 Enclosed-Gear Mower. We think it is one of the finest pieces of farm equipment we have ever sold!

For example: The entire operating mechanism, including drive gears, differential, and countershafts, is assembled compactly in an oil-tight gear housing and runs in a bath of oil. There are four high-grade roller bearings. Operation is so smooth and noiseless that you can scarcely hear the light hum of the sickle! Special oil seals at the ends of the main axle and fly-wheel shaft, and the oil-tight gear box prevent leakage and protect all working parts against the entrance of dirt and other abrasive materials. Floating action of cutter bar provides ample play without disturbing knife registration.

This compact nest of enclosed gears runs in a bath of oil—a full gallon. The cover, B, makes the gear case dust-proof and oil-tight. Clutch is thrown in and out by lever, A.

HOME DEMONSTRATION CLUB NEWS

HOME AGENT GIVES NINE DEMONSTRATIONS FIRST MONTH IN THIS COUNTY

Miss Jean Day, County Home Demonstration Agent, has given nine demonstrations to 200 women in the county the past month. The demonstrations were on making biscuits and muffins using recipes from the farmers bulletin on home baking.

Miss Day stressed in her demonstrations the use of tested recipes and accurate measurements and especially urged the women to use only fresh products as ingredients of the biscuits and muffins. She also served a casserole dish at each demonstration employing the use of whole grain cereals which are inexpensive and nutritious.

The agent distributed approximately 800 booklets on bread making and 200 cans of baking powder. Additional work showing how to make quick breads will be given at the home food supply school for demonstrators next Saturday.

The above listing of the work of the new home agent is only a part of the duties of the office. There are a large number of other details

connected with the office that takes up a large amount of time including office work and office calls. Miss Day has also had to become acquainted with the people of the county and adjust herself to the work in this county.

"TABLE MANNERS ESSENTIAL OF EVERY HOME" McADOO 4-H CLUB GIRLS LEARN

"Table manners are one of the most important phases of every day life," Miss Hazel Moore, Club Sponsor told the McAdoo 4-H Club Girls in their meeting at the school building on Friday afternoon, May 21.

Miss Moore gave each of us a list of "do's" and "don'ts" on table manners. Some of them are:

1. Everyone should stand at the table until the hostess gives the signal for all to be seated. They are seated, and should arise from the left side of the chair.
2. The napkin is unfolded and placed on the lap. If the napkin is large, unfold halfway, if the napkin is small it should be unfolded entirely.

BARBARA READ, DEANNA DURBIN, AND NAN GREY AS THEY APPEAR IN "THREE SMART GIRLS" AT THE PALACE THEATRE TODAY AND FRIDAY.

3. Never put your elbows on the table while eating.
4. Food should be eaten slowly and quietly, never talking while food is in the mouth. The mouth should be closed while chewing.
5. In eating soup the spoon should be dipped away from the individual and sipped from the side of the spoon. All other foods are eaten with the spoon being dipped toward the individual.

6. The knife and fork when not in use or when the meal is finished should be laid diagonally across the plate with the tines of the fork up.
7. When bread is taken, place it on butter plate outside of dinner plate. Break off and butter only small pieces as needed.
8. Meats are cut only as the bite is taken, not all of it cut up at one time.
9. It is best not to break bread or crackers in the soup.
10. Bread, celery, cookies, dry cake, candy, corn, radishes, pickles, olives, potato chips, or nuts may be taken from the plate or dish with the fingers.
11. Spoons are used to stir sugar into tea or coffee. They are then placed on the side of the saucer or plate never left in the cup or glass. Always stir quietly.
12. When food which is not liked is served it is left on the plate untouched.
13. When accidents occur, they are not given under attention.
14. When the tables is set for serving, spoons should not be placed in dishes from which food is served, but should be placed by the side of the dish.
15. All passing of the food at the table should be to the right.
16. Food should be served to the left of the person, except beverages which are served from the right.

Miss Moore and other members were present were: La Rue Holmes, Wanda French, Leona Harris, Effie Ford, Alicia Butler, Francis Woolley, Gwendolyn Allen, Pauline Cox, and Katherine Ward.

"Man cannot live by bread alone; however, Southern people could live on quick breads alone if they had to," Miss Day told the Espuela Home Demonstration Club when they met with Mrs. W. F. Foreman for a demonstration on making and scoring quick breads. "Quick breads contain butter and eggs and milk which are rich in valuable food-stuffs."

Baking powder biscuits and whole wheat muffins were made by the agent and were later scored by the club members. Twelve members and 4 guests attended.

Refreshments were served to the following: Mmes. W. A. Harris, F. B. Crockett, Roy Johnson, S. P. Mosley, John Sharp, T. C. Sandlin, R. C. McMahon, Tom Martin, Murl Foreman, G. L. Delisle, T. A. Lee; Misses Jean Day, Eula B. McMahon, Eloise Sharp, Virginia Crockett, Nadine Foreman, and the hostess.

The next meeting will be with Mrs. Roy Johnson on June 3rd.

"Don't knead your biscuit dough like our forefathers did but beat it and handle the dough as little as possible so it will stay cool and be flakey when cooked," Miss Day told the Highway Home Demonstration Agent, last Thursday in their meeting at Mrs. English's.

When you want to make bread with sour milk always remember 1/2 teaspoon soda equals 2 teaspoons of baking powders.

There were five visitors and 17 club members present: Mrs. H. C. Draper, Mrs. Beryl Bilberry, Mrs. Sue Delle Hahn, Mrs. Forest Mar-Estep, Dixie Williams, Mrs. Jim tin, Mrs. W. R. George, Mrs. Alton Cross, Leona Wells, Mary Lou Wright, Mrs. T. L. Denson, Mrs. J. C. Garrett, Mrs. R. L. English, Mrs. Lester George, Miss Bettie May Whitford, Miss Lorene Roberts.

The 4-H Club clothing demonstrators, enrolled in the 4-H clubs of the county, will complete their work this week and will hold their annual achievement programs beginning June 2 and continue through June 10th. The demonstrators with their cooperators will climax their year's work with the annual contest June 12 when the county winner will be selected.

4-H CLUB ACHIEVEMENT DAYS TO BE HELD IN JUNE

At each of the achievement programs the cooperators in clothing work will submit a report on the number of goals completed and will enter their dresses and slips for judging to compete for the honor of being the winning cooperator in the club.

The county clothing contest for girls will be held in Spur and will be the principal feature of a county wide lawn party. The girls will wear the cotton dresses made by them during the year.

The clothing demonstrators are as follows: Della Dean Baxter, Pauline Ford, Monez Woods and Jackie Young of Patton Springs; Eva Lee Goolsby, and Ardell Pierce of Wichita; Melba Robinett of Prairie Chapel; Maxine Sandlin of Wichita; and Katherine Ward of McAdoo.

Dear Friend:—
Why have a metal grave vault?

Sometimes we are asked the question: Why have a metal vault? Strangely enough the best answers we have ever found was given us by persons who once asked this same question.

Oftentimes, they have come to us afterward and said, "I cannot thank you enough for the great satisfaction you have given me ever since I acted upon your suggestion to buy that metal vault. It affords me a lot of comfort on cold, rainy nights to know that no matter how much it rains or snows, a strong iron vault will keep the casket and its contents just as dry and clean as the day they were laid away."

It's a matter of good sense, too, when you look at it from the other angle. Considering the care with which the casket is selected and the exquisite beauty of its appointments, as well as the money you spend for it, is it not good judgment to protect and preserve it after it is placed beneath the earth.

One of the greatest developments in the burial receptacle field, is the durable metal vault, because it brings the assurance of positive protection within reach of practically every one of our patrons.

Would you like to see one of these modern vaults? Just drop in, anytime, and see the one on our display room floor.

Yours most cordially

Taxes! Tax Eaters!

Where and how shall we get the money?

As it is well known and generally conceded the homes and other real estate cannot bear this burden. How are other tax monies to be raised? I leave this question up to you Mr. citizen.

Just now let us concern ourselves with the problem confronting the taxpayers of Dickens County. Only 47% of taxes due in Dickens County were paid for 1936. Perhaps 50% of this amount was paid by three large land owners who had income from outside sources. Dickens County depends alone upon two sources of income—cattle and farm products. All her people are poor. Very few have resources to carry them farther than 90 days, if they should lose their jobs or business or have serious sickness.

When the farmer loses three crops in succession—1934-5-6—not to go back to 1928—too much rain in August and September brought worms in cotton and 1929-30 almost total failures on account of drought—31-2-3 not much over half crop. How could they meet their living expenses and interest and deferred payments on land—homes—and have anything left to pay taxes? However, it seems the Commissioners' Court thought they had been hiding money—and if the pressure

was put hard enough they would dig up.

Therefore, an outside "Shylock" was hired to write nasty letters over them. Pay up or I will write and hold the sword of Damocles the holder of mortgage on to your home.

Our mortgage holders know we had these crop failures and could not pay. Most of them had big hearts and said you have done your best—not your fault about the drought—and they canceled the payments past due—said go ahead, do your best, it will come around all right some time.

Yea! Verily! We can get along all right with out mortgage holders! But our Tax Eaters! They must have theirs although it pulls down the roof over our heads and sweeps to the winds our life time savings—Shylock's pound of flesh—though it takes the lifeblood of the helpless victim.

The worm is turning, is being forced to turn, in order to preserve a spark of life.

Mr. Candidate for next election look out!

As this writer sees it, we are forced to have a sales tax—and why not? If everyone pays a tax they become more conscious of the cost of government—and will be more careful how they cast their vote. Abolish the poll tax, since all who pay taxes should have a right to vote.

There are some strong organized opposition to a sales tax—with plenty of money to spend. Their pretense is it hurts business. Such is false, as it does not cost the merchant one cent. They assert it is a tax on the poor. This is hypocritical bunk. What does any of these high ups care for the poor widow. They would force her to sell her last cow and chick to raise tax money to pay their salaries. And how these tax eaters have combined to gether to have their salaries raised!

Enough for the present. The fight is on. There shall be an honest adjustment.—A Busted Taxpayer.

Editor's Note—The above article is to be taken as in no way the policy of this paper. The writer's name will be made known to any one on personal request.

Just what does it all mean to me?

- That is the question that naturally comes to your mind when you think of or talk to your neighbors about the rather bewildering activities of the federal government in Washington.
- Fragmentary news reports of congressional action or administration policies often are confusing, but if you will read William Bruckart's interpretative WASHINGTON DIGEST, which is published each week in this paper, you will know more about what all the moves on the capital checkerboard mean to you.
- Through long service as a Washington correspondent, Mr. Bruckart is particularly well qualified for this particular job. He gives you an illuminating interpretation of what Congress is doing or is expected to do, and what is happening or is expected to happen in other departments of the government.

Winchell-Bernie Feud A Riot In New Musical Hit

SOCIETY

1917 STUDY CLUB

Today's flash from the motion-picture front is a good news flash, for "Wake Up and Live," the film-musical featuring Walter Winchell, Ben Bernie and Alice Faye which will show at the Palace Theatre preview Saturday night, Sunday and Monday, is by all odds the sweetest, hottest, most glamorous and gaudy musical ever made by Twentieth Century-Fox, the studio which also turned out "On the Avenue," "One in a Million" and "Sing Baby, Sing."

A sweetheart of a show, as Mrs. Winchell's boy Walter might put it, "Wake Up and Live" carries the famed Winchell-Bernie feud to new heights of merriment, with Your New Correspondent and the Old Maestro engaged in a furious vendetta in the midst of one of the most eye-filling musicals of the year.

In addition to the spectacle of Winchell and Bernie feuding face-to-face, "Wake Up and Live" offers Alice Faye, singing, dancing and acting her way to new laurels; Patsy Kelly, Ned Sparks and Jack Haley piling up new laughs; and nine swiftest new song hits by Gordon and Revel, the tops in Hollywood tunesmiths.

Against the hilarious background of l'affaire Winchell-Bernie, "Wake Up and Live" tells the story of a timid vaudeville performer, Jack Haley, who muffs his big radio opportunity when, at an audition, he gets "mike fright" and faints. His partner, Grace Bradley, deserts him for Water Catlett, an agent, who books her into a night club.

Through the influence of his sister, Patsy Kelly, who is Winchell's "Girl Friday," Haley gets a job as a uniformed guide at Radio Center. There he follows the artists around, sells an occasional "rag" to Ben Bernie, and meets Alice Faye, the "Wake Up and Live" girl of radio, who tries to help him overcome his mike fright.

Listening to Bernie's program one night, Haley is inspired by the music, steps to a microphone in a deserted control room, and sings. Unknown to him, the song is broadcast, and a flood of fan mail deluges the station.

No one, however, knows the "Phantom Troubadour," and Haley even joins in the search himself. Bernie attempts to pass off the sensation as something of his own, and tries to put over a voice impersonator as the Phantom on his next program, but Winchell exposes the hoax. The rivalry between Winchell and Bernie becomes even hotter as each strive to capture the Phantom for his own program.

Alice Faye discovers by accident that Haley is the Phantom, but he is abducted by Catlett and Bradley, who have guessed his identity. A whirlwind chase ensues, winding up in Bernie's night club, where Winchell, in a rapid-fire news broadcast, announces the hectic moments of the finale over the air as they occur.

A tuneful picture, "Wake Up and Live" is given melodious aid by Gordon and Revel, who turned out nine smash hits for the film. "Never in a Million Years," "It's Swell of You," "I'm Bubbling Over," "There's a Lull in My Life," "Wake Up and Live," "Oh, But I'm Happy," "I Love You Too Much, Muchacha," "Red Seal Malt" and "Bernie's Love Song."

Leah Ray, Joan Davis, Douglas Fowley and Miles Mander are also featured in this hotcha-topps musical, for which Darryl F. Zanuck, vice president in charge of production at Twentieth Century-Fox, chose Sidney Lanfield to direct, with Kenneth Macgowan as associate producer. Curtis Kenyon wrote the original story, based upon Dorothea Brande's book, and Harry Tugend and Jack Yellen (of "Love Is News" fame) did the screen play.

Mr. and Mrs. Brown Smith and children were visiting relatives and friends in Memphis the first of the week. Miss Emily Smith, who has been here teaching, returned home.

Mrs. W. H. Atkeison left Sunday for Fort Smith, Arkansas, to visit relatives. Mr. Atkeison accompanied her as far as Wichita Falls, returning home Monday.

Douglas Meador, editor of the Matador Tribune, and Jack Bradshaw, Manager of Bob's Oil Well, were attending to business in Spur Monday.

James Bumpus left last week for San Angelo where he will work for an uncle this summer.

Pershing Lee left last week for Louisiana to accept employment with the Gulf Oil Company.

Powell. Several vocal numbers were rendered by Misses Miriam Reed, Lillian Grace Dickson and Joyce McCully. Those present were: Misses Margaret Mae Weaver, Billy Louise Powell, Opal McGlathery, Marian Dickson, Mrs. C. H. McCully, Mrs. Hale, Miriam Reed, Lillian Grace R. E. Dickson and the hostesses.

HANKINS - WOLF

Miss Alma Lee Hankins, daughter of Mr. and Mrs. Hankins of 1721, 27th Street, Lubbock and Mr. Cecil Wolf, son of Mr. and Mrs. Lloyd Wolf of Spur were married on April 25th at the home of the brides parents. Rev. McCarty read the ceremony in the presence of a few friends. Both of these young people are attending Texas Tech. Cecil will receive his A. B. degree from there in June. He is a graduate of Spur high school and spent most of his life in Spur.

MRS. PARR HOSTESS WITH CHICKEN BARBECUE

A delightful chicken barbecue at the home of Mrs. V. V. Parr on the Pitchfork ranch North of Dickens provided entertainment for members of the 1917 Study Club when they closed their year's work on Tuesday, May 18.

The barbecue and all that goes with it including ice cream and cake was served in the shade of a large tree in the yard at one o'clock.

The day's program dealt with "Divisions of Art." Roll call was answered with "Masters of Pencil, Brush and Chisel." Mrs. M. L. Jones gave a paper on Benevento Cellini, Florentine of the Florentine." Mrs. J. E. Berry gave the life of James McNeil Whistler, and Mrs. L. H. Perry gave a paper on "Reburrant, from a Psychological Standpoint."

The president Mrs. W. F. Godfrey, presided in a brief business session and Mrs. Pauline Clemmons and Mrs. Alexander of Jayton were voted membership in the club.

Those attending were Mesdames E. L. Adams, Atkison, J. E. Berry, Nellie Davis, R. C. Forbis, M. L. Jones, Foster Jones, R. E. Dickson, M. C. Golding, W. F. Godfrey, and Anna McClure.

1931 STUDY CLUB

The leading newspaper and movie fan magazine writers agree that Eddie Cantor is right. Recently the scribes were foregathered at the Hotel Pierre in New York, to meet Deanna Durbin, radio and screen discovery, upon her arrival from Hollywood after completing her role in Universal's "Three Smart Girls," which shows at the Palace Theatre today and Friday.

Eddie Cantor was the master of ceremonies at the party given for Deanna. Addressing the writers, he surprised them by saying, "If you fellows think that we are inviting you here to get publicity for Deanna Durbin—you're right!"

When the laugh which greeted this sally was ended, Eddie continued. "But Deanna has done something to warrant telling the public about her. The radio listeners who have heard Deanna Durbin sing on our Sunday night program know about her lovely voice. But they don't know that she possesses more charm, more poise, more personality than half a dozen of the biggest feminine stars in Hollywood today.

"To hear that girl sing is to adore her. But to see her and hear her is to take her to your heart for all time."

A short time later critics were able to see Deanna Durbin's performance in "Three Smart Girls." That they agreed with Eddie Cantor's evaluation of Deanna is indicated in their opinions. One of them said "This is young Miss Durbin's first picture. She does an extraordinarily good job. Not only has she a voice with a quality that is astonishing for her tender age, but she also has on her credit side acting ability that surprises."

There are also 100 other good reasons why you should see this picture at the Palace today and tomorrow.

BAPTIST WOMAN'S MISSIONARY SOCIETY

The Woman's Missionary Society of the Baptist church met in Circles on Monday afternoon for a study of the "New How and Why of W. M. S. Work."

Mrs. J. H. Swan was hostess to the Northwest Circle. The meeting was opened with prayer led by Mrs. J. D. Powell and Mrs. E. J. Cowan taught the lesson. Eight members were present. This Circle will meet with Mrs. M. D. Ivey next Monday.

Six members of the Bagby Circle met in the home of Mrs. Homer Cargile and Mrs. A. M. Walker taught the lesson.

Members of the East Circle met at the church and Mrs. C. B. Middleton was in charge of the study for the afternoon. The book will be finished in each circle next Monday.

METHODIST WOMAN'S MISSIONARY SOCIETY

Twenty members of the Methodist Woman's Missionary Society met at the Methodist Church on Monday at one o'clock and motored to the J. M. Foster ranch where they held the regular W. M. S. meeting. The society has been studying the mission book "Out of Africa" for the past six weeks and the teacher, Mrs. D. H. Sandidge, completed the book Monday afternoon. A social hour followed the program. Bacon and eggs were cooked over an open fire and a delightful picnic supper was spread.
