Baptist Church Calls Pastor

Rev. C. R. Joyner has been called to serve as pastor of the First Baptist Church at Spur. The membership made the selection last Sunday.

The Baptist minister, about 45 years of age, was highly recommended as a pastor and evangelist. For the past five years he has served as pastor at Merkel and the Sunday School under his pastorate has been given the rating of Advanced Standard, one of the very few in the state. He is a college and seminary graduate with degrees.

There are six children in the family, three living at home. The new pastor on acceptance is expected to begin his work here about October 1st.

Missionary To Speak At Presbyterian Church Plan For Revival

On Wednesday, September 15th, at eight o'clock in the evening, Rev. Baker, a missionary from South America, will speak to members of the church and all their friends who care to be present for the occasion. Mr. Baker's life is filled with rich experiences of Christian service and those who plan to hear him have a right to look forward to a very interesting discussion of his work.

It is not often that we have men of this type to come to us and for this reason everyone should plan to hear him. The general public is invited and assured that their effort to attend will be repaid. Remember the date, Wednesday, September 15th at eight o'clock in the evening.

Another announcement of interest to many friends of the churches in Spur is one which concerns an old friend of practically everyone who has been in Spur as much as eight years. The Rev. Mr. M. H. Applewhite will begin a series of revival services on Sunday, September 26. The meeting will continue through the week which follows.

Mr. Applewhite served the Spur church for several years and made a host of friends during his stay here. We feel sure that these friends will welcome this news of his planned visit. It is our desire that everyone in the city who is interested in the Christian movement will begin now to make plans for their participation in what we believe will be one of the most successful meetings ever held in the Presbyterian Church here.

Miss Hazel Moore, A Leader In Club Work

"Once a demonstrator, always a demonstrator" could well be said of Miss Hazel Moore of the McAdoo community in Dickens County, whose varied activities as cooperator and demonstrator in 4-H and Home Demonstration Clubs have made her an outstanding club woman and have led to her first year in college as a home economics major.

Until she resigned her positions to go to school, Miss Moore was sponsor of the McAdoo 4-H and Farm Food Supply Demonstrator of the Friendship Home Demonstration Club. As sponsor for the past two years, Miss Moore has accomplished all the cooperator's goals right along with the girls, and this year set out 20 berries, 150 strawberries, 24 grape cuttings, and a number of peach and cherry trees. In 1936, the McAdoo Farm Fruit Plot demonstrator won first place in the county, and this year the Clothing Demonstrator from her club won first place in the county. One of the Gold Star girls of Texas this year was a former member of the McAdoo club. Miss Moore may be congratulated on her excellent leadership in helping the girls to such accomplishments.

In the Home Demonstration Club, Miss Moore has worked to complete her food budget as nearly as possible before she leaves for college. From her spring and summer garden and orchard, she has canned 264 quarts of vegetables, fruits, pickles, preserves, jelly and preserves, and has stored one bushel of onions and one bushel of popcorn. Her fall garden has already been planted in order that she might complete her budget of green and leafy vegetables and tomatoes. The Moores also have adequate poultry and dairy cows to the

Hairgrove To Operate Crouch Mill Plant

Announcement is being made this week that Dee Hairgrove had leased the Crouch Milling Plant. Mr. Hairgrove stated that he would operate the crushing plant and handle concentrates for mixing with other feeds.

Louis-Farr Prize Fight Picture Coming

The Palace Theatre will bring to Spur for an extremely early showing the Joe Louis-Tommy Farr Championship fight pictures next Sunday and Monday. The picture will show the fight which went 15 rounds to a decision, in slow and regular motion, giving the customer close ups and a chance to make his own decision as to who the winner was. Louis retained the championship on points.

SPRING CREEK SCHOOL OPENED MONDAY

The Spring Creek school opened Monday with an enrollment of 22 pupils. Miss Virginia Elliot is the teacher and stated that there were only 22 scholastics in the district, having a very high per cent enrollment the first day. The school will operate nine months term.

Two Weeks Until South Plains Fair Open

LUBBOCK.—With only two weeks left before the gala opening of the 24th Annual Panhandle South Plains Fair September 27 to October 2, work crews are swarming over the fairgrounds whipping things into ship-shape order.

Fair officials report a marked interest being shown in every department, including those new departments added this year. A flood of requests have been pouring in for the new premium catalogue, which is already in the mails, several being sent to county agents and home demonstration agents throughout the Panhandle and South Plains country.

One of the big features of this year's fair is the six-day race meet. Following the posting of over \$3000 in purses, entries from race horse men throughout the state have been received at the Association's office. C. H. McMillan, well known race starter, will be at the barrier this season. Mason King, of Amarillo, will officiate as presiding steward. Every indication points to the most successful race meet ever to be held in this section of the state, a number of outstanding racing thoroughbreds participating.

A Million Dollar Midway, featuring the T. J. Tidwell shows, one of the largest carnivals to invade West Texas, will greet the visitors. Plenty of free attractions in addition to the racing program have been added this year. Fireworks, band concerts, vaudeville acts and other spectacular displays, will make this year's exposition one of the best.

Extent that products sold from these two sources pay for practically all groceries purchased, Miss Moore began improvements on the cellar in 1936; it is cement lined, has adequate shelf space, dry storage space, and the shelves are labeled.

For the past three years, Miss Moore and her mother have been cooperators in the Yard Improvement Demonstration being conducted in the county. Through their landscaping and improving, their yard has been brought to a demonstration status, and is now one of the most attractive yards in the McAdoo community.

At the county Clothing Fair in July of this year, Miss Moore won first place and a trip to short course, for having the three best entries of dress, candlewick bed spread, and pillow cases. Since Short Course was cancelled, the money allotted to her for the trip will be applied to a home project related to the demonstration conducted in the county.

Miss Moore began her "career" in club work as a 4-H girl in Arkansas, where she won honors in her Clothing and Poultry projects. Her many accomplishments in club work will greatly aid her in the college course she has chosen, and all her many friends wish her continued success.

SCHOOL OPENED MONDAY WITH 833 ENROLLED; PLAN WORK OF ORGANIZATIONS

The best start in years, was the report of school officials on the opening of the Spur Public Schools Monday morning. Registration of high school students took place Thursday and Friday of last week, making it possible for a full days class work to be given Monday.

Appropriate opening exercises were held in each school at the assembly period. Late registrations and assignments were made following the assembly programs in the Junior high school and East Ward School.

Supt. O. C. Thomas reported 833 registrations in all the schools Wednesday morning. The high school had registered 315, junior high school 265, East Ward school 177 and the colored school 75. Other registrations were expected through the week.

School activities were already underway with various groups meeting and perfecting organization.

Miss Crystelle Scudder, voice and piano teacher, was organizing classes and reports those that desired to enter would have to see her in the next few days as her classes were already pretty well filled.

Miss Marguerite Herren was named as sponsor of the pep squad. The student leaders are: Opal McLaughlin.

McAdoo FFA Chapter Elects Officers

The Future Farmers of America Chapter at McAdoo met August 31 and elected the following officers: Rudolph McLaughlin, President. Nuge Rose, Vice President. Weldon Jones, Secretary. W. H. Moore, Treasurer. John Campbell, Reporter. Jack Graham, Parliamentarian. Reid McLaughlin, Historian. Claud Gregory, Farm Watch Dog. J. W. Grist is the vocational teacher in the school and serves as advisor to the FFA Chapter.

The McAdoo aggie boys have 20 lamb projects, 16 pig projects, six calf projects and four crop projects that they are working on at this time.

BULL DOGS OPEN SEASON FRIDAY NIGHT AT SNYDER; PLAY ROTAN HERE SEPT. 17

Coach Blackie Wadzeck and his Spur High Bull Dogs will leave immediately after noon Friday for the opening game of the 1937 football season with Snyder at Snyder. The coach will entrain with 22 men. He will appreciate as many fans going that can but no concerted effort will be made to get the fans to make the trip as the game will be a warm up with quite a bit of shifting during the contest to see what winning combinations can be developed.

The tentative opening line up is as follows:
LE Pete Willhoit, Capt.
LT Willie York.
LG Victor Arrington.
C Jim Bumpus.
RG George Murphy.
RT Spencer Lisenby
RE Presley Powell
QB J. B. Haralson
LB Bob Harrell.
RB Roger Bingham
FB Elton Garner.
Billie Hahn reported to the squad a couple of days ago and has developed speed and shiftness and will be used Friday if he is in shape.
Doyle Bingham and T. J. Horner, tackles may be shifted to starters

Christian Church Revival To Continue Through the Week

Rev. A. L. Haley of Colorado, is bringing messages to large crowds daily at the First Christian Church as the revival goes into the second week. Some excellent singing is being done by the choir and congregation.

The services will continue through the week and the public is cordially invited to attend the services.

H. D. Council Sponsors Educational Event-Tea

The Dickens County Home Demonstration Council is again sponsoring a social and educational event for all Home Demonstration club women and their friends and neighbors. This time it is a tea, featuring educational displays on various phases of the quick bread demonstration, to be held Saturday, September 18, from two to five o'clock in the building recently occupied by the Kinney Funeral Home. Each club in the county is responsible for setting up an exhibit or display showing the use of quick breads in different menus, the equipment needed for quick bread cookery, and the nutritional value of quick breads. The committees in charge of these club exhibits will have them completed by one o'clock on the date set.

The hostesses to serve tea are: Mrs. R. C. Alexander, Prarie Chapel; Mrs. Murray Lea, Dickens; and Mrs. Foster Jones, Soldier Mound. 4-H club girls will assist. Mrs. Fred Barnett, chairman of the Council will supervise the arrangements of the exhibits.

This tea is part of the Extension work of the Home Demonstration clubs in the county, and the Council urges all women who do not attend the demonstrations in quick breads to come to the tea. All business men and women of Spur are cordially invited to come any time during the afternoon.

CCC Enrollment Set For October

A call for approximately 11,000 white boys and 1,200 colored boys to be enrolled into the Civilian Conservation Corps during October has been issued by Adam R. Johnson, Director of the Texas Relief Commission, to the various County Welfare Boards.

This number far exceeds any former enrollment and will give almost all the boys in the State an opportunity to enroll if they are unemployed, 17 to 23 years of age, in need, and whose parents or themselves, due to financial limitations, are not in a position to secure or provide comparable training. Full strength of the Texas quota is 16,000 white, and 1,700 colored and due to discharge of enrollees reaching the age of 24 and-or completion of the maximum enrollment of two years, replacements will be necessary.

TAKE OVER MANAGEMENT OF QUEEN CAFE

Mr. and Mrs. Robert Boyer took over the management of the Queen Cafe in the south part of town September first after being out for several months. The cafe has been remodeled throughout and will continue to run at night. They plan to operate the cafe until the first of the year when they will move to Anson.

Robt. Nickels, County Democratic Chairman, of McAdoo, was attending to business in Spur Monday.

Variety Store To Open Here Soon

Work of remodeling the O'Reilly Building on Burlington Avenue began Monday when T. E. Milam of Slaton, rented the building. Mr. Milam plans to install a variety store opening in the next three or four weeks.

Mr. Milam has been employed at a variety store in Slaton and has had several years experience in the business.

George Mahon To Visit Spur Soon

Colorado—Congressman George Mahon returned from Washington Friday and opened his Colorado office Saturday. His Secretary, Lloyd Creslin, will remain in the Washington office in order to maintain direct contact with the Government Departments. Mahon stated that after about ten days in his Colorado office he would spend much time in various portions of the District conferring with the people.

In referring to the past session of Congress, Mahon stated that his chief concern had been farm legislation. He said that Congress was still friendly toward agriculture and the next Congress would no doubt enact a substitute law for the present AAA. He pointed out that this year Congress appropriated \$500,000,000 for AAA payments to farmers who cooperate in this year's program. This will tend to counteract the injury done agriculture by the tariff which for many years has accorded special privileges to industry and raised the prices to the consumers. This will be in addition to the subsidy payments on cotton, provided in the closing days of the session, which will tend to guarantee the former a total of about 12c per pound for cotton.

In adopting a substitute for the present farm program, Mr. Mahon stated that great care would have to be exercised in order to prevent discrimination against West Texas because the problem here is different from that of the old South.

Mahon said that the farm tenancy program which was adopted would be of little effect for some time, but he praised the expansion of the vocational education program in the schools which was made possible this session.

In commenting on the probabilities of the United States becoming involved in war, he said, "I join others in deploring the treatment accorded American citizens in Shanghai and other parts of the Orient, but I have no fear that we are going to rush into war. The cost is too great for us to go to war to protect the Shanghai dollar of the American investors. We learned something from the last war, I am confident that the President, the Congress, and, above all, the people are determined to keep out of war."

FUNERAL SERVICES FOR MRS. ALBERT JORDAN 2:30 TODAY

Funeral services will be held this afternoon at 2:30 for Mrs. Albert Jordan at the First Baptist Church. Rev. J. V. Bilberry, pioneer Baptist minister, will conduct the services. Burial will be in Spur cemetery under direction of Spencer Campbell.

Mrs. Ola Jordan, 49, died Wednesday morning following a long illness. She was born in Erath County and was married to Mr. Jordan 29 years ago, moving to Dickens County two years later. The family were pioneers of this section.

Survivors besides the husband are five children: Marion, the oldest son Mrs. Abb (Creola) McClanahan, Mrs. J. D. (Nadine) Hopkins, George and Mrs. Evelyn Marshall; five sisters: Mrs. Matthews and Mrs. Emma Loden of Fort Worth; Mrs. Billie Fox, Mrs. Milton Fox and Mrs. J. M. Moore of Dublin and one brother, Carl Turnbow of Dublin.

MURPHY-COX

Miss Lessie Cox and Mr. Lawrence Murphy were united in marriage at two o'clock by the pastor of the First Church of Christ in Clovis, N. M. They were accompanied by Bill Sauls. They will make their home here.

TAPPING RUBBER TREES ON FIRESTONE PLANTATIONS IN LIBERIA

From the Firestone plantations in Liberia comes an ever-increasing supply of the world's finest rubber. Money saved here and in manufacturing and distribution enable Firestone to sell a safer, first-quality tire at lower prices.

Here's Why FIRESTONE STANDARD TIRES GIVE YOU MORE FOR YOUR MONEY

DON'T take chances on your Labor Day trip. Protect yourself and family by equipping your car with a set of new first-quality Firestone Standard Tires. Firestone builds extra quality and extra safety into these tires and sells them at lower prices because Firestone controls rubber and cotton supplies at their sources, manufactures with greater efficiency and distributes at lower cost.

YOU GET EXTRA PROTECTION AGAINST BLOWOUTS—eight extra pounds of rubber are added to every 100 pounds of cord because every fiber of every cord in every ply is saturated with liquid rubber by the Firestone patented Gum-Dipping Process. This counteracts the internal friction and heat that ordinarily cause blowouts.

YOU GET EXTRA PROTECTION AGAINST PUNCTURES—because there are two extra layers of Gum-Dipped cords under the tread.

YOU GET EXTRA PROTECTION AGAINST SKIDDING—because the tread is scientifically designed.

YOU GET LONGER NON-SKID MILEAGE—because of the extra-tough, long-wearing tread.

You need all of these features to make your car tire-safe on your Labor Day trip. Firestone gives them to you at lower cost. Join the Firestone SAVE A LIFE Campaign today by equipping your car with a set of new Firestone Standard Tires—today's top tire value.

DON'T RISK YOUR LIFE ON SMOOTH WORN TIRES!

DO YOU KNOW

THAT last year highway accidents cost the lives of more than 38,000 men, women and children?
THAT a million more were injured?
THAT more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to smooth, worn, unsafe tires?

At right is section cut from a new Firestone tire. Note the thick, non-skid protection against skidding, blowouts and punctures. Come in and see by actual demonstration.

At left is a section cut from a smooth, worn tire, with non-skid protection worn off. Tires in this condition are liable to punctures, blowouts and skidding.

McCORMICK-DEERING Semi-Deep Furrow Drill for Planting Winter Wheat

McCormick-Deering 12 x 10-inch double-run feed, single-disk semi-deep furrow drill, equipped with a large capacity all-steel, rust-resisting non-warping hopper; steel wheels; and tractor hitch.

THE McCormick-Deering semi-deep furrow grain drill is an outstanding achievement in drill design and construction. It answers the need of wheat growers for a drill that plants winter wheat at the proper depth where the seed has more than an even chance for quick germination and rapid growth. The feed is the double-run type. The all-steel, rust-resisting hopper combines with

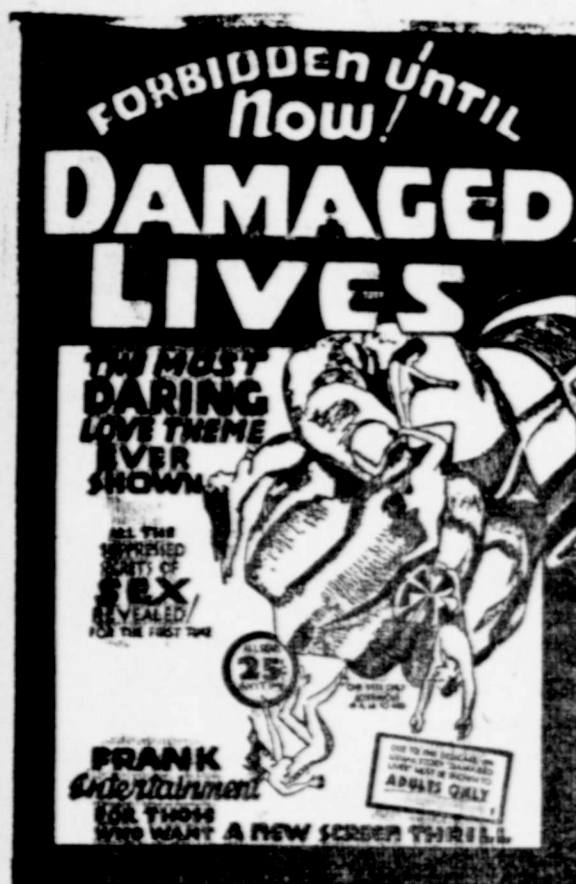

the steel bridge-type main frame to hold the feeding mechanism in proper alignment for long drill life. Axle boxes, gear yoke bearings, and disk bearings are equipped with Alemite hydraulic lubrication fittings. Two sizes available—12 and 16 disks with 10-inch spacings. American Boy Introduces A New Football Game

In the early fall issues of THE AMERICAN BOY there'll be presented the story of a new game—six man football—fast as professional football, wide open as basketball,

thrilling as hockey!

The game came to life through the need of small schools for some substitute for 11-man football which was too expensive. Stephen Epler, a Nebraska graduate student in athletics, developed the game of six-man football to meet this need. In six-man football anybody can score, the possibility of injury from mass plays is minimized, and the game is open enough for spectators to follow every exciting development.

The new game is a hit. New schools are taking it up every day. In coming issues THE AMERICAN BOY tells the world about this practical new game. In addition, it pre-

sents The American Official Handbook, which can be obtained from the magazine at 20 cents a copy, or 15 cents when bought in bulk.

NOTE: Subscription prices of THE AMERICAN BOY will be raised in the near future. Send in your subscription order at once to take advantage of the bargain rates now in effect: one year at \$1.00 or three years at \$2.00. Foreign subscriptions 50c a year extra. Send your name, address and remittance to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Mich. On newsstands the price is 15c a copy.

THE METHODIST CHURCH

This has been a very busy summer with many of our people, so many things to do, and so many places to go, that we have not had time to attend Sunday School and preaching and it has been so hot that one could not stand to be inside on Sunday. I hope that you have had a good time this summer on your vacation. Now that Fall of the year is here, school has opened, gins are humming, cotton is coming, business is on the run, people are smiling, Church bells are ringing, don't you hear them?

Now let's fold up the old vacation suit case with all the old excuses why we have not been in Sunday school and preaching, and let's get right in on time Sunday morning 9:45 for Sunday school. And remember, preaching at 11:00 and 8:00 Sunday night.

Will you be found in your place
