

## Bicentennial Celebration This Week End

**GAZEBO**—This gazebo-type band stand, an exact replica of the old band stand which used to be located in Tinkle Park, will be dedicated in a ceremony at the City Park at 8 p.m.

Friday. The band stand was sponsored and built by the Winters Lions Club. The Senior Citizens String Band will provide music at the dedication.

### Winters Bicentennial Community Service

A unique feature of this week's celebration of America's two hundred years will be the Bicentennial Community Christian Service. Sponsored by the Winters Ministerial Alliance this all-community worship service will include all churches, even those not members of the Alliance.

Some good old Gospel singing, including "The Church in the Wildwood," will start the service. The Rev. David Crooks, president of the Winters Ministerial Alliance, will bring words of welcome, the Rev. Mel Swoyer will lead in the Pledge of Allegiance, and the Rev. Charles Steinberg will give the call to worship. Song leader will be Kirke McKenzie, with Randy Stevens at the organ, and

Mrs. Randall Conner at the piano. Special songs will be sung by Mrs. Deanna Lehr of Eola, daughter of Mr. and Mrs. Joe Kozelsky of Winters. The scripture reading will be by the Rev. Robert Lindsey and the offertory prayer by Sister Martha Woelke. The message of faith in God and country will be delivered by Paul Wallace.

Witnessing to "One Nation Under God" will be Kevin Hall, Sister Bertha Tharp, and Gattis Neely. Concluding the all-community service will be patriotic songs, "America," and a fireworks display.

#### History Project Winners To Be Recognized

Special recognition will be given to winners of the Bicentennial History Project during the community-wide celebration at Blizzard Field Sunday, July 4.

The project was sponsored by the Runnels County Historical Commission to encourage interest and research in local history. The contest was open to members of the American history classes of Winters High School.

More than 40 papers were received and judged in this contest. The top five papers will be recognized Sunday evening. First, second and third place winners will receive plaques.

Twenty-five of the papers are now on display in the reading room of the Winters Public Library. Three maps by students are on display in the windows of the library.

#### Winters Riding Club Elected Officers June 24

Glenn Hoppe Jr., was elected president of the Winters Riding Club at an election meeting Thursday, June 24.

Rodney Richards was named vice president, and Pat Cooper, secretary-treasurer.

Members will meet at 8:30 p.m. July 9, to discuss plans for the annual Trail Ride to Coleman, and dues will be collected.

The Trail Ride will be held July 14.

The whole community is invited to this Bicentennial Community Christian Service at 9:00 P.M. Sunday at the high school football field.

#### Thursdays Will Be Adult Nites At Swim Pool

Beginning July 1, Thursday nights will be reserved for adults only swimming at the Winters Municipal Swimming Pool, Randy Loudermilk, manager, has announced.

Hours reserved for adults will be from 8 to 10 p.m.

This policy will continue through the remainder of the summer.

"Something for everyone" is the theme of Winters' Bicentennial weekend celebration, which begins with a hamburger supper Friday evening, and winds down with a community service and fireworks display at the football field Sunday evening.

The weekend's celebration is being sponsored by the Winters Bicentennial Committee, with arrangements for the several events directed by various sub-committees.

In conjunction with the Bicentennial celebration, several Winters merchants are promoting sales events with a "Sell-A-Bration."

Weekend activities will begin with a public hamburger supper, sponsored by the Winters Lions Club. Serving will begin at 5:30 p.m. at the school cafeteria. Tickets will be \$1.25 per person.

At 8 Friday evening, the dedication ceremonies for the new gazebo-type band stand in the City Park will be dedicated, and the Senior Citizens Band will provide music. The band stand was built under sponsorship of the Winters Lions Club.

For the younger set, the Junior Olympics, for all children from grade school age through junior high, will be held at the school track field beginning at 9 a.m. Saturday.

Free swimming will be offered at the Winters Municipal Swimming Pool from 1:30 to 6 p.m. Saturday.

Highlight of Saturday's celebration will be a parade in downtown Winters, beginning at 4 p.m. The several school bands will take part in the parade. Businesses, individuals, clubs, and organizations have been urged to enter floats in Saturday's parade.

Following the parade, a barbecue supper will be served by the Volunteer Fire Department in the Winters Community Center. Serving will begin at 6:30 p.m., and tickets will be \$2.50 per person. Children under 6 will be admitted free of charge.

#### Former Winters Resident To Sing Sunday

The former Deana Kozelsky, now Mrs. Stuart Lehr of Eola, will be the featured soloist for the community service held at the football stadium Sunday at 9 p.m. Among her numbers will be "One Day At a Time," and "Pass it On."

Mrs. Lehr, the daughter of Mr. and Mrs. Joe Kozelsky of Winters, was the featured soloist with the Winters Blizzard Band until her graduation from High School in 1964. She sang for almost every function while she was in Winters and has continued her musical career.

Active in her church, Mrs. Lehr is a member of the Catholic Daughters of America and the Young Homemakers. She is president of the Altar Society. She is a 4-H leader and a past president of the Parent Teachers Association.

#### Marijohn Wilkins Unable To Attend Winters' Celebration

Marijohn Wilkins, country-western singer and composer, who had been booked to sing during the Winters Bicentennial community service Sunday evening, notified the Bicentennial committee Monday that she will be unable to attend the celebration because of illness.

Miss Wilkins, who spent much of her childhood in Winters, is the daughter of the late Karla Melson, and the niece of Buford Owens of Winters. She calls Winters "home."

#### IN COUPLAND HOME

Recent visitors in the home of Mrs. Lora Coupland were her sister, Mrs. J. H. Oliver of Los Angeles, Calif., and her niece and husband, Mr. and Mrs. Ken Morales and son John of San Diego, Calif.

**QUILT MAKERS**—These have received a great deal of enjoyment—and some profit—from their hobby of quilting, and examples of their work are scattered from Winters to Australia. The Winters Senior Citizens meet regularly in the reception room of the Winters Housing Authority to work on their quilts. Left to right, they are Mittie Rice, Ettie Bryant,

Bertha Davis, Claudia Pounders, Lucille Hill and Bertha Tharp. Standing is Eda Cranford. The quilt being worked on here was ordered by the Governor's Committee on Aging, and will be on display in the committee office in Austin. It is a "string" quilt, with a "Log Cabin" design. The special order was from Mrs. Billy Page, a member of the Governor's committee. The

Winters group has made quilts which were purchased and are now in Seattle, Wash., Sydney, Australia, Atlanta, Ga., and in a private home in Georgetown. This group has been invited to attend a quilting workshop in Abilene July 15.

#### Revival Slated At Wingate Baptist Church

Dr. David Ray of Hardin-Simmons University, Abilene, will preach during a revival beginning July 7 and continuing through July 11 at the Wingate Baptist Church.

Singing will be led by Steve Walker, a music student at H-SU.

Weekday services will begin at 7:30 p.m. Wednesday through Saturday. The regular Sunday schedule will be followed, with Sunday School at 10 a.m., morning worship at 10:55, and evening worship, 6 p.m.

The Rev. Charles L. Myers of Abilene is pastor of the church.

The public is invited to attend these services.

#### Enterprise Won Texas Press Picture Award

In the annual Texas Press Association newspaper contest, The Winters Enterprise was awarded third place in the "News Pictures" division, for weekly newspapers with circulation 1500-2500.

Awards were presented during an awards breakfast Friday, June 25, during the Texas Press Association convention in San Antonio.

Newspapers entered in the news pictures contest were judged on composition, news value, number of pictures in each issue, and reproduction.

**America: Past, Present And Future. Here's To Our Next 200!**

Our Bicentennial! It means more to Americans than just a celebration. It serves as a stepping stone to the future. It's a door leading to bigger and better achievements.

Most important, it enables us to see that the future of America now lies in OUR hands. And all of us, as Americans, have the knowledge and foresight to make the next 200 years even better than the first. Happy birthday America!

## Miss Proctor, Mr Sneed Married Here June 26

Miss Cheryl Lynn Proctor became the bride of Randall Lee Sneed Saturday evening at seven-thirty o'clock in a double ring ceremony in the Winters First Baptist Church.

The Rev. David Crooks performed the wedding ceremony.

The bride is the daughter of Mrs. Laura Carr of Ranger. The bridegroom is the son of Mr. and Mrs. L. Q. Sneed of Route 1, Winters.

Church decorations included twin candlebras with white tapers entwined with greenery and white ribbon bows, and two baskets of white gladiolus.

Mrs. Randall Conner of Winters was pianist, selecting Whither Thou Goest, More, Sweet Sweet Spirit, and the traditional Processional and Recessional. The bride sang Eternal Life as the wedding prayer.

Flower girl was Amy Crooks of Winters.

Louis Sneed Jr., of Aledo, brother of the bridegroom, was best man. Ushers and candlelighters were Lanham Bishop of Winters and Greg Buchanan of San Angelo, brother-in-law of the bridegroom.

Groomsmen were Bill Sneed of Coleman, Lanny England of Winters and Jimmy Smith of Winters.

A reception was held following the ceremony in the Fellowship Hall of the church, hosted by the bride's mother. In the house party were Miss Carol Dahlbert of Brady, at the register; Miss Karla Grosse of Mason, who served the bride's cake; Miss Linda Sneed of Winters, who served the bridegroom's cake. Miss Judy Sneed, of Winters served the punch. Also in the house party were Miss Jan Klose of Lampasas, and Miss Donna Barker, Mrs. Wayne Sims, Mrs. Mike Mitchell, Mrs. David Crooks, Mrs. Richard Davis and Mrs. Michael Condra, all of Winters.

The bridegroom's parents hosted the rehearsal dinner at Huffman House, Winters.

The bride is a graduate of Ranger High School, and received her bachelor of science degree in elementary education and a minor in music from Tarleton State University. She is employed with the Winters Independent School District as a Special Education teacher.

The bridegroom is a graduate of Winters High School, and served four years in the U.S. Air Force. He attended Abilene Christian University. He farms in the Drasco Community.

Following a wedding trip, the couple will be at home on Star Route, Ovalo.

## WINGATE NEWS

Mr. and Mrs. John Ibera are the parents of a son, Johnny Rene.

Mrs. Nellie Adcock is a patient in Ballinger Hospital.

Mrs. Clarence Talley is recovering from surgery in North Runnels Hospital.

Mrs. Leck Byrd is back in the Hendrick Memorial Hospital.

Mrs. I. G. Hensley and children had a get together last week.

The Mapes families met at Robert Lee Sunday for a reunion.

The Devore families met for a reunion at the home of Merral Walkers.

Mr. J. R. Minor passed away in Abilene at the home

of his son, Jimmie and was brought to Winters for services. Burial was in the Wingate Cemetery.

Some of this news may be late as the reporter has been on a short trip.

Mr. and Mrs. Alva Talley were sick Sunday.

Grace Smith and her brother Boyd and Mrs. Gilbert and family attended the funeral of her nephew in Odessa Saturday.

A bridal shower was given in the Baptist Church Annex to honor Martha Pritchard, bride-elect of Lynn Smith of Ballinger. A large crowd attended and lots of pretty gifts were displayed. There were 21 hostesses. Refreshments of red punch and cookies were served. Red and white flower arrangements decorated the tables. A pantry shower was given by Dr. and Mrs. Koen in Ballinger Saturday, for Martha and Lynn. Groceries of different kinds were brought and several attended.

**GOLDEN ANNIVERSARY**—The 50th wedding anniversary of Mr. and Mrs. L. B. Hensley of Walnut Springs, formerly of the Winters, Wilmeth, and Wingate areas, will be celebrated with a reception hosted by their children and their families Sunday, July 11.

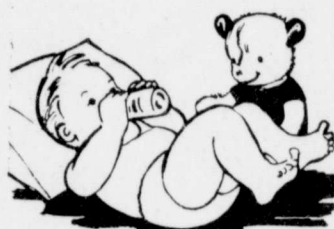

The reception will be in the Memorial Methodist Church in Walnut Springs from 2 to 5 p.m.

L. B. (Buck) Hensley and Mozelle Davidson were married July 11, 1926, in her parents' home at Wilmeth.

Their children are Mrs. W. H. Williams of Freehold, N.J.; L. B. (Corky) Hensley

of Waco; Marion E. Hensley of Burleson; Mrs. Ted Magness of Farwell; and Leldon Hensley of Odessa.

Mrs. Hensley is the daughter of the late Mr. and Mrs. Elgin Davidson, early-day settlers in the Wilmeth Community. She graduated from Winters High School, and later taught school in the county. Mr. Hensley grew up in Wingate, the son of pioneer parents, Mr. and Mrs. M. T. Hensley. He graduated from Ballinger school. The couple moved to Walnut Springs during the Christmas holidays of 1946, having resided in Runnels County all their lives to that date.

## When utilities get squeezed too hard the local economy feels the pinch.

Right now, Lone Star, like all Texas gas companies, is caught in a squeeze. The average cost of the gas we buy from over 500 suppliers has skyrocketed. Yet we're meeting some strong resistance to recovering these costs from our customers.

Today, most cost recovery has to come through the gas cost adjustment. But, even with this pass-through, we have been forced to initially absorb 15% of every price rise. This is a serious loss that must eventually be recovered.

So ask yourself: what will happen if Lone Star is unable to recover its costs?

The answer: we won't be able to buy the future supplies of natural gas this area needs. Already Lone Star is unable to add reserves of gas at the same rate it is being used. The thought of running out of reserves is not as far-fetched as you might think.

What will happen if this area runs short of natural gas? First, industry would be affected, since natural gas supplies about 50% of the energy for industry nationally, and even more in this area. With insufficient energy, industry could have to curtail production. Jobs could begin to disappear. Economic growth could slow down, even halt.

What can you do about it? Discuss it with friends, neighbors and business associates. Write to your local officials. Support a fair rate of return for your gas company, to which it is entitled by law.

Think of it as your own problem. Because when you get right down to it, it is.

Dr. Fred Tinkle was one of the most civic minded and public spirited citizens that Winters has ever had.

He practiced medicine from 1900 until his death in 1951, and contributed in other ways to the well being of the town.

Despite the dark days and a severe drought in 1918, the golf bug bit the sportsmen of Winters and Dr. Tinkle donated the use of several acres east of the City Lake for the first golf course. The club had 50 members to play the nine-hole course, the nucleus of the present country club, of which Dr. Tinkle was a charter member.

It was only natural that he should contribute land for a City Park when one was needed.

Dr. Tinkle was born Nov. 29, 1874, in Senatobia, Miss.

After obtaining a common school education there, he entered the medical school of the University of Tenn., graduating April 27, 1899.

He was not a stranger to illness himself. The day he graduated from medical school, he went to the hospital where he remained for 18 months, undergoing operations and treatments for abscesses of the liver.

After leaving the hospital, he went, at the request of the head of the Tennessee medical school to serve timber camps and plantations along the Mississippi River. He traveled mostly on a skiff along the river, hiring a Negro to propel the skiff from place to place. Much of his early practice was done among the Negroes in the lumber camps and on plantations.

He contracted malaria

which nearly cost him his life and, in February 1900, he came to Winters to seek a restoration of his health and to continue his practice. At that time he weighed, including his overcoat, "about 75 lbs."

Winters then had a population of 35 people. He bought a town lot on Main Street for \$12.00, and put up an office. He remained there until the office burned eight years later. It is now the site of Winters Flower Shop. As there were no drug stores, he kept a supply of drugs in his office.

People didn't come to the doctor's office in those days and calls were made over long distances by horseback and buggy. Among his supplies were tools to cut fences in order to reach the patient.

In addition to serving the Winters area, he frequently was called to the community of Shep, Hylton, Norton and Content, and north beyond Guion.

He and Mrs. Tinkle, the former Lee Meek, were married June 19, 1910. And about that time he purchased his first automobile. It was a Maxwell—a two-seater equipped with carbide lamps. The couple began house-keeping in a small house on the site of their present home—the original seven acres cost the Tinkles \$62. Dr. Tinkle had lived on this land in a dugout with his parents and a house was not built until he married.

Dr. Tinkle had Winters' first two telephones. He retained the numbers one

of the old gazebo-type band stand. The park has long since become a site for residences.

**St. John's Scene of Hoppe-Ziller Wedding June 12**

On June 12, at 8 o'clock in the evening, St. John's Lutheran Church was the scene of the marriage ceremony uniting Shelia Rhanae Hoppe of Liberty Hill and Jack Leslie Ziller of Austin.

Parents of the couple are Mr. and Mrs. Calvin Hoppe of Winters and Mr. and Mrs. Jack W. Ziller of Austin.

Officiating for the ceremony was the Rev. Mel Swoyer, pastor of the

church. Organist was Mrs. Gerald Terhune, cousin of the bride, of Bossier City, La. Trumpeters were Lisa Canady and Charles Canady of Liberty Hill. Vocalists were Mrs. Delbert Kruse, cousin of the bride, Erwin Henniger, and Jeanene and Fran Hoppe, sisters of the bride.

Candlelighters were Dawn Miller and Francene Miller.

The bride, escorted by her father, wore a full-length gown of white bridal satin and lace, with an elbow length veil of illusion. Her colonial bouquet was of daisies, lilies of the valley, and baby's breath, centered by a corsage of gardenias. The bride wore pearls and carried a handkerchief which belonged to her grandmothers.

Attendants Joy Gilmore of Liberty Hill, Mrs. Marvin Gerhart, Jeanene Hoppe and Fran Hoppe, sisters of the bride, wore dresses of green knit with white sheer capes. White floppy hats and daisy baskets were trimmed with royal blue ribbons.

Best man was Joe Ed Canady of Liberty Hill. Ushers were Glenn Hoppe Jr., cousin of the bride, Travis Gilmore of Liberty Hill, and Byron Jobe.

Shelia Mathis registered guests.

A reception was held in the Fellowship center of the church, hosted by the bride's parents. Mrs. Delbert Kruse directed the reception, assisted by Mrs. Jake Presley and Mrs. Wilma Gerhart, aunts of the bride.

The bride's table, laid with white knit and lace used

crystal appointments. The wedding cake, baked by Mrs. Erwin Ueckert, was topped with doves, bluebells, and cupid musicians. Serving at the bride's table were Anne Holland of Abilene, Martha Harris and Barbara McDaniell of Grants, N.M.

The bridegroom's table, laid with navy knit trimmed with lime green and white, used silver appointments. German Chocolate cake and coffee were served by Mrs. Joe Ed Canady of Liberty Hill, Mrs. Henry Floyd of Brownwood, and Sandi Carlisle of Liberty Hill. Assisting with the reception were Sheri Gerhart, Angelia and Carol Hill of Sweetwater.

After a wedding trip to Colorado and Wyoming, the couple will be at home in Liberty Hill, where the bride is employed as band director by the Liberty Hill School District. The groom is employed as a clerk by the North Austin Postal Station.

The rehearsal supper was hosted in the home of the bride's parents by the bridegroom.

GRAND ENTRY—Shown are a few of the horses and riders in the grand entry to open afternoon activities during the Winters Rodeo Association Play Day in the association's arena

Saturday. Association spokesmen said this first Play Day was a huge success, and others are being planned.

## "Play Day" A Big Success

The first "Play Day" for young cowboys and cowgirls of the area, sponsored by the Winters Rodeo Association, has been termed "highly successful" by association officials.

The "Play Day" was held in the

association's new arena north of Winters Saturday.

James West, president of the association, said there were 141 entries for this first outing, with six events run for boys 13 and under, girls

13 and under, boys 14 through 19, and girls, 14 through 19.

West also said spectator interest was high, with gate receipts very satisfactory for this first time.

Originally announced and planned as a "co-ed" competition, sign-ups were so good a decision was made Saturday morning to separate the boy and girl events, resulting in four divisions, actually. This last-minute change proved to be very satisfactory, association spokesmen said.

Association officials said there are plans in the making for another Play Day, to be held in the near future.

### Results of Recent Golf Tournament

Mary Louise Bauer retained her Ladies' City Championship title in the recent ladies city golf tournament. Runner-up in the championship flight was Joanie McAdoo.

Winner of the first flight was Lois West, with Lottie Cummings runner-up.

Melba Jo Emmert was winner of the second flight, and Vinnie Knight, runner-up.

notables spoke as Governor Oscar B. Colquitt, when he was campaigning and Cyclone Davis, Sr., once made a speech at the park. A meeting of the Klu Klux Klan was held there.

The Fireman's annual barbecue was begun in Tinkle Park. Harris Mullins prepared chickens for members of the company only. Now many people attend.

The community band played concerts on Sunday afternoons and practiced on Friday nights. Three of the band's main numbers were "Stars and Stripes March", "Poe and Peasant" and the "Anvil Chorus." Mr. Owens recalled that a real anvil was always used and John Curry, the drummer boy, would hit the anvil.

Mr. Owens also said that the park was a good place for children to play and even after it was discontinued that they often played there. And while it was available there was also horseback riding in the park.

Three attractive, modern homes now grace the park site, that of the George Garretts, W. F. Byrns and Clifton Poes.

## Lions Club Completes Band Stand Project

BY CHARLSIE POE

The Lions Club project of erecting a replica of the gazebo type bandstand used for so many years by the community brass band, has been completed and will be dedicated at a ceremony in the City Park Friday night, July 2, at 8 o'clock. Kirke McKenzie, president, will be in charge of arrangements. The Senior Citizens Band will also perform.

It is fitting that it be named the Tinkle Band Stand in honor of Dr. Fred Tinkle who contributed an acre of land, east of his home, for park when one was needed.

He gave the park to the city through the Lions Club if they would maintain it, and it was known as the Tinkle Park. H. O. Jones, Buford Owens and Carl Davis were on the park board.

The original band stand, erected in 1910, was on the north side of Dale Street, across from the E. E. Thormeyer farm equipment company. It was later moved down to the east corner of the block and from there it was transferred to the Red Gin lot, back of the present Huffman House.

When it was decided that the old structure could not withstand another move, Dr. Tinkle engaged Charlie

Roberts and two other men to build a new gazebo in Tinkle Park. This band stand now has a home on the Tinkle farm. First plans were to move it to town, but upon investigation it was deemed impractical. Hence a more permanent type reproduction has been built, put together with iron pipe, which should last for year to come. Interested citizens and members of the Bicentennial Committee have contributed to this project.

The Tinkle Park was maintained until the depression came along in the early 1930's, and the Lions Club couldn't afford to hire a keeper. At one time it had 75 steel benches, the band stand, a wading pool, concession stands; rides, slides and swings for the children. There was an arch over the entrance, sidewalks and croquet games were also provided.

Each business house provided two or more of the park benches which cost \$5.00 a piece. When the Lions Club failed to supervise it vandals took over and would stack the benches, and finally they were carried off and all disappeared.

There was a celebration when natural gas came to town in November of 1927, and a gas torch was placed at each entrance to the park. Such

"termites" aren't really winged ants.

C. T. Parker, a county agent for the Texas Agricultural Extension Service, says winged ants are often mistaken for termites, but there are several ways to tell them apart.

Winged ants are pinched in at the abdomen and their front pair of wings is much larger than the rear pair. Termites are not pinched-in at the abdomen and both pairs of wings are about the same size.

"If you think you've definitely got termites, call a licensed pest control operator as soon as possible," he advises. "You can usually control ants yourself but termites require the services of a professional."

Ants, which damage trees and shrubs by boring into rotten wood, are attracted to shade and fruit trees and ornamental shrubs. They are also attracted to trees that have insects that excrete honeydew or trees that are exuding sap. They may enter trees through wounds, scars or decayed limbs, says the county agent.

"To control ants, pour insecticide down the ant's nest and within a foot radius of the nest area. Then soak the entire area with water to wash the insecticide into the soil and nest," Parker says.

**CRAPE MYRTLES ARE POPULAR**

The crape myrtle, an old Texas standby, is getting more and more popular every year. This is mainly because the hardy plants are so attractive and easy to grow, says Parker, a county agent for the Texas Agricultural Extension Service.

Crape myrtles, which produce flowers ranging from purple to red to white in color, will bloom through long periods of the hot Texas summer. The shrubs are grown mostly in the southern United States and are considered a nearly ideal plant by many nurserymen, homeowners and landscape architects.

He says crape myrtles should be planted in warm sunny locations in a good, well-drained soil. Planting in a sunny place will usually prevent powdery mildew, a common disease of crape myrtles, which can be treated with applications of Actidione PM or Benomyl.

Annual applications of a complete fertilizer will speed up growth and blooming.

Dwarf crape myrtles make excellent borders along buildings or walkways and are also good for use in mass plantings. Heavy pruning of dwarf varieties during the winter results in increased blooming in the spring.

However, tree type crape myrtles should be pruned lightly, the agent says. "Remove only the small branches of tree type crape myrtles so the tree's sculptured trunk can be seen."

Crape myrtles can be propagated from cuttings taken in mid-winter and placed in damp garden soil, says the county agent. "It's best to move large shrubs or trees when they are dormant, but container grown plants can be moved any time," he says.

Increased interest in sportswear, along with need and practicality, has influenced toddlers' garments sizes one through four. A recent retail survey revealed best sellers for both toddler boys and girls are polo shirts, slacks, slack sets and overalls, Mrs. Becky Culp, area clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System, points out.

Indians liked carrots so well they would steal them from the early settlers' gardens when they stole nothing else, notes Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

### Miss White and Capt. Gerner Were Married June 26th

In a double-ring ceremony in the Chapel of Bergstrom Air Force Base, Austin, at two-thirty o'clock in the afternoon, June 26, Miss Susan Jere White became the bride of Captain John Charles Gerner.

The bride is the daughter of Mr. and Mrs. Wade W. White of Winters. The bridegroom is the son of Mr. and Mrs. Rowland D. Gerner of Kalaeo, Kauai, Hawaii.

The Rev. Ralph A. Brennan performed the ceremony before an altar flanked with two large fern baskets decorated with aqua, violet and white flowers to coordinate with the bridal bouquet. Beside these baskets hung two large banners of red, with the lettering, We Are One In the Spirit, and Come Holy Spirit, Be Our Guide.

Mrs. Trudy Rea, organist, played while Mr. Dickie Ingram sang The Twelfth of Never, and For All We Know.

Best Man was Lt. Danny Clark of Oklahoma City, Okla. Ushers were Jimmy White of Fort Worth, and Biff White, of Stephenville, both brothers of the bride.

Groomsmen were Lt. Ed Yielding of Florence, Ala., and Flight Lieutenant Tony Garton of Nottingham, England.

Mrs. Sherry Bryant of Nacogdoches was matron of honor. Bridesmaids were Mrs. Beth Ingram of Austin and Mrs. Christy Lucksinger of Pawnee, Okla.

The bride's attendants wore taffeta-lined sheer jersey gowns in aquamarine with an orchid and lavender floral print. The gowns had V necklines, long angel sleeves and highrise waistlines. Bouquets were crescent-shaped with aqua apple blossoms, violet poppies, and white orange blossoms.

The bride was given in

marriage by her father. For her wedding the bride wore an elegantly simple gown of white chiffon. Falling straight from a halter neckline, the gown was fashioned from three separate layers that formed a tiered effect in the hemline area. One tier ended just below midcalf, another at the ankle, and the third at the floor. Over the gown an elbow-length white chiffon capelet was worn that featured a softly rolled collar. A picture hat decorated with venise lace and illusion completed her ensemble. For flowers, she carried a cathedral cascade of silk peonies interspersed with aquamarine apple blossoms and violet-colored orange blossoms.

Following the ceremony, a reception was held in the Bergstrom Officers Club, hosted by the bride's parents. Betty White of Austin, sister of the bride, served the champagne punch. Donna Falk of Houston served from the three-tiered white cake with aqua blue outlining, the names of the couple and lillies-of-the-valley. Floral arrangements of aqua blue, lavender, and white flowers highlighted the table covered with white lace tablecloths.

The couple departed for San Francisco and Lake Tahoe on a wedding trip.

The bride is a graduate of Winters High School, where she was salutatorian of the Class of 1968. She was a member of the Blizzard Band and the varsity basketball team. She graduated summa cum laude from Tarleton State University in 1972. At Tarleton, she was twice elected to Who's Who In American Colleges and Universities, was ROTC company sponsor, and 1971 Military Ball Queen, and a member of the Parents Day Queen's Court. She was a

MRS. GERNER

member of Alpha Chi, Eternas social club, and student senate. She earned a master's degree in English in 1974 from Stephen F. Austin University. She has been an English instructor at San Antonio College.

The bridegroom is a 1967 graduate of Mid-Pacific Institute, and the Northrop

Institute of Engineering and Technology in Los Angeles, where he earned a bachelor of science degree in aerospace engineering. He is an aircraft pilot in the U.S. Air Force, stationed at Bergstrom AFB, Austin.

The couple will make their home in Honolulu, Hawaii.

### Miss Davis and Mr. Long Announce Plans To Wed

Mrs. Joan Howard announces the engagement and approaching marriage of her daughter, Dana Davis, to Mr. Stacy Long.

The prospective bridegroom is the grandson of Mr. and Mrs. T. A. Smith of Winters, and the son of Granville Long of California and Mrs. James Carter of Kentucky.

Miss Davis is a 1976 graduate of Winters High School and plans to attend Southwest Texas State University at San Marcos.

Mr. Long is a 1975 graduate of Winters High School and is attending the

University of Texas at Austin.

The couple will exchange marriage vows August 14 in the First United Methodist Church.

### Former Minister Now Veep of Pepperdine

Dr. James R. Wilburn, a former minister of the Main Street Church of Christ in Winters, was named vice president for university affairs at Pepperdine University by university President William S. Banowsky, Friday.

Dr. Wilburn, a 1953 graduate of Abilene Christian University, was minister of the Winters Church of Christ in the mid-1950's. He went from Winters to Wichita Falls.

Pepperdine is a university of 9,000 students with campuses in Malibu and Los Angeles, Calif.; a campus at Heidelberg, Germany; and a law school at Anaheim, Calif.

Wilburn's new responsibilities will be to coordinate the external activities of the university, including alumni, public and press relations; university publications; university support groups; development research; foundations; governmental and civic affairs; and special events.

Before going to Pepperdine in 1971, Wilburn taught economic history at Midwestern University, California State University at Northridge and at UCLA.

One of the greatest points of confusion following a major storm is whether damage has been caused by wind or water or both. No one insurance policy covers all these situations—so it's good advice to find out ahead of time to what extent and for what perils the policy provides protection.

### Geraniums For A Brighter Summer

Geraniums are an excellent choice to brighten summer landscapes, contends a landscape horticulturist for the Texas Agricultural Extension Service.

"Geraniums are easy to grow and will tolerate a wide range of conditions," says Everett Janne. "All that you need is a good soil mix and a well lighted area. Geraniums can be planted in a garden or grown in tubs, pots or hanging containers."

Janne notes that there are two disease-free varieties available from most garden centers and nurseries—Care-

free and Sprinter. They produce flowers with colors ranging from deep red to white.

"Locate geraniums where they will receive plenty of light," points out the Texas A&M University System specialist. "However, some mid-afternoon shade is helpful."

"When preparing the soil, add a complete fertilizer at the rate of one or two pounds per 100 square feet."

"Space geraniums about 15 inches apart so that they will have plenty of room to grow and won't need pinching. They'll also flower earlier."

With proper care, geraniums will thrive and brighten up any landscape or outdoor area, believes Janne.

### Keep Mower Blades Sharp

One of the most important maintenance procedures on rotary lawn mowers is keeping the blade sharp, says Lambert Wilkes, professor of agricultural engineering at Texas A&M University.

"It is important from the standpoint of energy conservation," Wilkes points out. "If the blade is sharp enough to slice the grass rather than beat it off, the engine is under less load, and therefore uses less gasoline to perform an equal amount of work."

Wilkes notes that a sharp blade is less hazardous than a dull one since "most

accidents occur due to the constant pushing and pulling when using a dull blade.

"Another reason for keeping a blade sharp is simply that a lawn will look better when the grass is sliced rather than beaten," Wilkes explains.

Mower blades are made of high carbon tempered steel.

"These blades can be sharpened with grinders so long as care is taken to avoid getting the metal too hot when sharpening," the agricultural engineer explains. "If discoloration of the metal is noted, the temper is lost."

"A sharp blade will probably last a full mowing season if it is used on one lawn only," says Wilkes. "It will need sharpening more often if used for custom lawn mowing."
