Castro County Milking Shorthorn Breeders Only Texas Winners At Fair

Castro County Milking Shorthorn Breeders again demonstrated the superior quality of their herd this week when they won first places at the Dallas State Fair. Castro County animals were the only ones exhibited by Texas breeders to win top awards.

Duallyn Mary Lou, a mature cow owned by Harry Rothwell won first place in her age class. Mary Lou is Texas finest show cow and before winning first place at the State Fair she was judged Grand Champion of the Castro County Fair, Panhandle Plains Fair at Lubbock and Tri-State Fair at Amarillo.

The other first place winner from Castro County was Rotin Acres Sharon Road IV owned by Herbert Howell. Sharon Road took the first place honors in the senior yearling heifer class.

Both breeders live west of Dimmitt in the Bethel community.

VICE-PRESIDENT CANDIDATE TO SPEAK IN PLAINVIEW

Fielding L. Wright, candidate for Vice-president of the United States, on the States Right ticket, will speak in Plainview Friday afternoon, October 22 at 3:00 o'clock, in behalf of the States Right ticket. Announcement of the speaking engagement was made this week by Joe Jinkins of Plainview who declared that everyone had a cordial invitation to attend.

Pinto Bean Price Support Program For 1948 Given

Producers in Castro County who have pinto beans that they are going to harvest should contact the Castro County A.C.A. Office immediately if they desire support price on the beans. The support price for pinto beans is \$8.45 per hundred pounds.

CASTRO COUNTY DRESS REVUE WINNER GOES TO DALLAS FAIR

This year since we had no State 4-H Rally it was decided to hold a State Dress Revue at the Dallas Fair on October 15th and 16th. Miss Lois Book of the Nazareth Senior 4-H Club was the one to represent Castro County on this occasion. Lois was among the top 21 out of the 97 entries. She modeled a red plaid gingham with red accessories.

An electric iron was given Lois because of the above honor.

Miss Book's expenses were paid by the Castro County Home Demonstration Council.

The experience gained from this trip has given Lois encouragement to go further in her clothing demonstration.

Rebekah Lodge Meeting Held

Dimmitt Rebekah Lodge met in its regular meeting Thursday Oct. 14, with 23 members and 13 guests present. We felt rather honored by having as our distinguished guests Mrs. Jesse Ross, Past President of the Rebekah Assembly of Texas, Mr. John F. Ross, Past Grand Master of I.O.O.F. Grande Lodge, Mrs. Georgia Ford, Assembly Marshal and District Deputy of District No. 6, Mrs. Davidson and Mrs. Pearl Thweatt all of Amarillo Lodge No. 222, Mrs. Edna Bowe of Hereford Lodge No. 228 and eight Rebekah members from the Muleshoe Lodge No. 114.

We especially appreciate Mrs. Ross' and Mrs. Ford's constructive criticism and the compliments they each gave our lodge. There was general discussion of rules and order between our lodges and these officers. After lodge was adjourned Dimmitt Lodge entertained with their floor work. A most enjoyable social hour was enjoyed by all. A lovely salad plate was served by Dimmitt Lodge to the members and visitors.

We will meet each Thursday night at 7:30 in the I.O.O.F. hall and invite all members and visiting Rebekahs to meet with us.

Dimmitt P. T. A. Holds Meeting

The Dimmitt P.T.A. met Tuesday evening in the High School auditorium in a regular meeting. The program was on Girl Scouting in Dimmitt with the Brownie Program offered by the Brownie Troop, Investiture Service by Girl Scout Troop I, and the Badge Ceremony by Girl Scout Troop II. Mrs. Ray Sheffy discussed Girl Scouting.

Awards of \$3.00 each were given on attendance, based on the count by room of mothers present. For the Grade School the winning room was Mrs. Ray Bearden's fourth grade; for the intermediate grades, Mr. Nolan Froehner's eighth grade; and for the high school, the ninth grade.

At the next regular meeting there will be an out-of-town speaker, and there will be music by the Civic Music Course.

The Juniors and Seniors served ice cream to approximately 200.

CASTRO CO. SINGING CONVENTION TO MEET IN DIMMITT

The Dimmitt Methodist Church will be host to the Castro County Singing Convention Sunday afternoon beginning at 2:30 o'clock, according to an announcement by Alvin Frazier, president of the organization. Everyone is invited to attend.

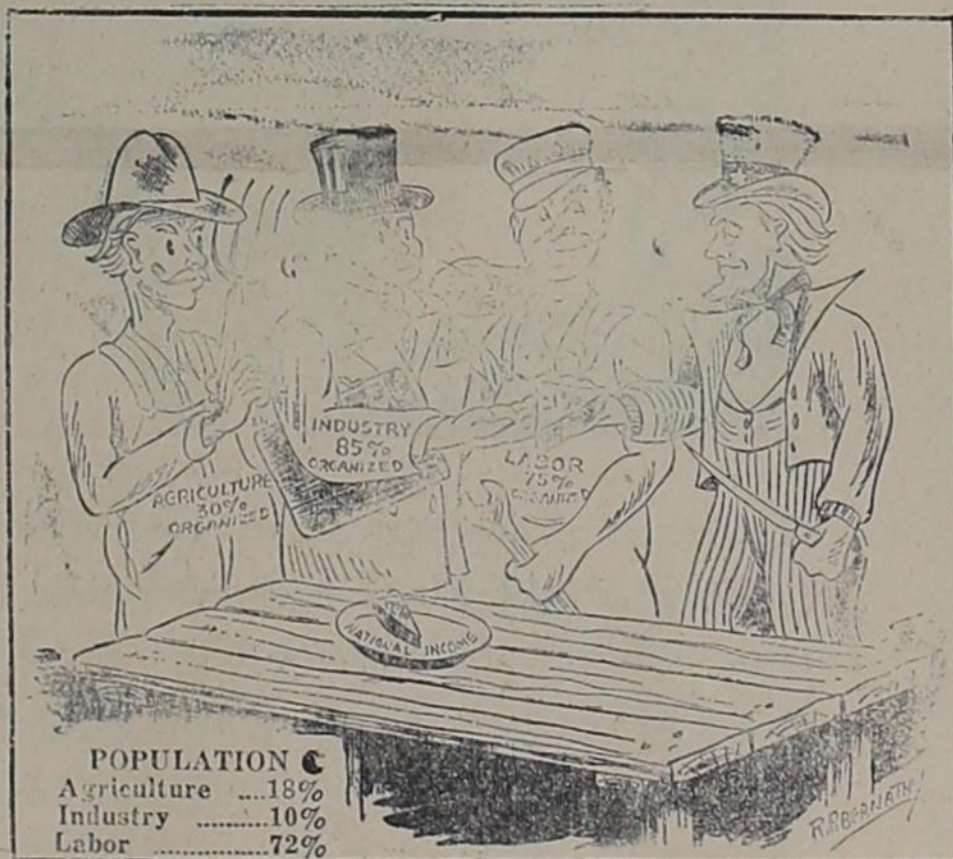

Buckner Orphan's Home Box Is Being Prepared Here

The women of the Baptist church are packing boxes for Buckner Orphan's Home. If you have any good used clothing, please leave them at church. The new articles that are being asked for are sheets, 72x99, pillow cases face towels, bath rags. Everything is needed for the nursery. Mrs. Norris Wesson is the Benevolence chairman, and will be packing the boxes the last of the month.

Mr. and Mrs. Leo Witkowski left Sunday for Dallas where they are attending the State Fair.

Mrs. Joe Cowen and Mrs. Swain Burkett made a business trip to Tulia today, Thursday.

Castro County Farm Bureau Observing Farm Bureau Organization Week

POPULATION
Agriculture 18%
Industry 10%
Labor 72%

The Castro County Farm Bureau, in cooperation with other Farm Bureau Organizations of the Nation, is observing Farm Bureau Organization week October 21-28. During organization week a major membership recruiting campaign is conducted each year in an effort to enlist the help of as many of the farmers of the Nation as possible in the organized effort to promote Agricultural interests.

The following community chairmen have been appointed to head the membership drives in their communities:

We're in Favor of This Give-Away Program

Jack Trimble, left, and L. G. Youts, both of Dimmitt, boost the merits of prime Castro County lettuce and carrots. Trimble, secretary of the Castro County Chamber of Commerce, and Youts, one of the area's leading vegetable producers, brought several crates to Mr. Tack and The News-Globe staff. The county, now in peak of its vegetable harvest is, packing three cars of lettuce and three to four cars of carrots daily. Yields for both products are near a car to the acre, Trimble reports. "Cold weather?" the secretary was questioned. "Won't hurt us a bit. In fact, we'll welcome it. Help to firm up the lettuce," he replied.

GARDEN CLUB TO MEET

The Garden Club will meet Tuesday afternoon at 4:00 in the District Court Room in a regular meeting. The program will include a discussion of the making of corsages by Mrs. E. B. Wright, who has attended a school for making corsages in Amarillo, and a discussion by Mrs. Robert Singer on "Houseplants from your Border." Yearbooks will be distributed, and there will be material for making corsages for sale.

Dimmitt Winners in Hereford Flower Show

Several women from Dimmitt had winning entries in the Hereford Fall Flower Show Friday and Saturday. Mrs. Frank Easter was awarded the Grand Champion ribbon for her Douglas McArthur rose, and Mrs. Horace Brooks was a Grand Champion award winner with her miniature dahlias. Mrs. H. E. Hershey took a blue ribbon for an arrangement of white gladioli and foliage. The following were winners of red ribbons: Mrs. D. Neumayer for Margaret McBride rose, Mrs. Brooks for asters, Mrs. Louis Ellison for Ida Belle Warner dahlia, and Mrs. Hershey for an arrangement of yellow chrysanthemums for Thanksgiving table.

Those who attended the show from Dimmitt were Mrs. B. J. Brannan, Mrs. Homer Newton, Mrs. Ray Sheffy, Mrs. Joe Benson, Mrs. T. A. Singer, Mrs. Robert Singer, and Mrs. H. E. Hershey.

WEEK OF PRAYER AT M. E. CHURCH

The Woman's Society of Christian Service of the Methodist church will observe the Week of Prayer and Self Denial at the church Friday, October 29, with an appropriate program beginning at 10:30 a. m. A covered dish lunch will be served at the noon hour. All ladies of the church are urged to attend and visitors are welcome.

WSCS Meeting

The WSCS of the Methodist church met Monday afternoon in a regular meeting at the church, offering the second in a series of lessons on Frontiers of America, with Mrs. Horace Brooks in charge of the series. The specific lesson for this meeting was on Hawaii, presented by Mrs. Sam Hunter and Mrs. Brooks. Mrs. John Blaine gave the devotional. Approximately 15 members were present.

BOBCAT INN TO OPEN FOR BUSINESS SOON

The Bobcat Inn, a new cafe being equipped in the Coffey building just east of the Rio Theatre, will be open for business the first of next week, according to an announcement made this week by Mr. and Mrs. M. B. Jowell, proprietors. The building has been remodeled and repainted, and all new equipment will make the new cafe modern in every respect. Mr. and Mrs. Jowell are experienced cafe operators and declare that their new cafe will be one of the finest they have ever operated. With counters arranged in a U shape the cafe is designed for maximum efficiency in the dispensing of lunches, short orders, sandwiches and drinks. An electric steak tenderizer has been installed, and according to the cafe operators, will make the serving of steaks faster and more palatable.

Airport News

Another flyer has joined us, Mrs. C. M. Smith from Great Falls, Montana. During the war she survived a bomber crash which did nothing to dampen her ardor for flying and Ruth is now a commercial pilot with over 200 hours in the air in a wide variety of aircraft. Welcome to Bobcat Field.

Flying activity is increasing as the weeks progress. Garnet Holland has been flying the 450H.P.-BT13 and is finding it quite enjoyable, not having flown one since army days. Austin Mobley has been flying his Aeronca Chief locally, and Jess Wright had his Taylorcraft out for a short flight this week. Sunday's cold snap dampened the enthusiasm for the Breakfast Flight to Plainview sponsored by the Hale County Pilots Association, none of the local pilots attended.

Ground school is progressing rapidly as we begin the study of warm and cold fronts, thunderstorms, and icing conditions. We hope to have some movie films on "Weather forecasting" and "Weather Flying" in the near future.

Flying visitors this week have been Mrs. A. C. Hendricks and son, Clement, in their new 4 place Stinson station wagon flown by their personal pilot, Travis Maples from Roswell; Judge Dean from Plainview flew in twice in his 4 place Aeronca Sedan. Tuesday Judge Dean and T. A. Singer flew to Roswell and back on business. Total flying time for the trip 3 hours and 20 minutes. Quick business trip.

Dry Land Hegari Makes Record Yield

Pictured above is Louis Coke in the hegari field on his farm 6 miles south of Dimmitt. Coke, who operates a dry land and an irrigated farm declares that, due to spotted and timely rains, the grain yield is as great on his dry farm as is the irrigated crops. The hegari pictured above, dry land farm, is producing sixty bushels per acre.

Castro County Agriculture and Livestock raising has gained much favorable publicity for this area with specimens winning many of the top honors at various fairs throughout the state. Local boys this month have demonstrated that local farmer-stockmen have the know-how.

After winning top honors at the State Cattle Judging contest the Dimmitt team, composed of Wade Thompson, Bob Simpson, and Bobby Warren won the right to represent Texas at the National Cattle Judging contest at Columbus, Ohio on October 12. Robert Davidson of Grand Saline, was the fourth member of the Texas judging team. The Dimmitt team was awarded second place in the National Contest.

Panhandle To Be Featured In Holiday Magazine Article

The Panhandle will be featured in a 4,000-word article in the December issue of Holiday, the third issue of the magazine devoted principally to Texas.

Written by Lewis Nordyke, well-known Amarillo newspaperman, the article traces the region's colorful history and tells of the vast wealth in its modern oil industry, cattle raising and wheat farming.

The current November Holiday, second in the Texas series, carries five articles on the State, dealing Texas Rangers, the Magic Valley, with Austin, San Antonio, and the one on the State as a whole, written by J. Frank Dobie.

Books In the Library "A Russian Journal"

This book by one of the world's most famous writers and one of the world's most famous photographers, it is about one of the most important parts of our world, but it is one of the least pretentious books ever presented.

Steinbeck and Capra decided that while ordinary citizens as well as experts were telling each other all about Stalin's plans and communist intentions, no one was trying to find out what the 190,000,000 human beings in the U.S.S.R. were really like as people. They decided to try to take a trip that would avoid the mighty and concentrate on the ordinary man and woman, that would avoid political discussion and editorial comment and try to limit itself to an examination of how people live, what they think, what they eat, how they spend their time—in short, what they are like. This book is the result.

The travelers saw not only Moscow and Stalingrad and other cities, but they traveled through the countryside of the Ukraine and the Caucasus. They spent much time in small villages. They visited workers in factories and peasants in the fields, discussed literature with intellectuals and agriculture with farmers. With almost everyone they talked about the state of the world and the problems which today agitate the minds of men everywhere. Capra managed to get, despite difficulties, an astonishing collection of photographs (He brought home four thousand to choose from).

Steinbeck took voluminous notes each day. Here the results are condensed into a completely informal but remarkably informative journal. The serious-minded may be startled to find that so gay a book could be written on a subject which is treated usually by passionate pundits.

Those who, whether they have been there or not, have unalterably fixed views about Russia, whether as a paradise or an inferno, will be annoyed and upset by much that is reported. Those who want to read a fascinating and intelligent account will find that Steinbeck's great talent lends itself as well to reporting as to the other forms he has used with distinction.

Delmond Neumayer left Wednesday for Rochester, Minn., where he will receive treatment.

Do You Want To Sell?

Land Prices are higher than at any time in our history. The demand is good. Sales are easy for cash or credit.

If you want to sell, list with me. I have a wide circulation in advertising, and I am in contact with many prospective buyers.

If you want to buy land, I may have just what you want.

If you want low price Colorado land, I have it. Wheat land and ranch land.

If you want a farm loan, I have is.

Texans are tremendously proud of their state and other people are proud of their states, too—though of course with much less reason than we Texans have!

Think of the proud Kentucky "colonels", the Virginians, suh. It is even rumored that Californians have state pride.

So why not a book containing the humor of all the different states? Such a book would have entertainment as varied as the climate, topography and philosophy of states as different as Oklahoma and Maine or Illinois and Massachusetts.

Well, such a book has been

written. The author was born in Arkansas, spent his boyhood in Texas, Arizona, Missouri, Mississippi and Tennessee; and heard such laugh-provokers as Will Rogers, Bob Burns, William J. Bryan, Jeff Davis of Arkansas and Bob Taylor, the "fiddling governor".

The book is entitled "Laugh Parade of States" (Naylor Company, San Antonio, publisher) and it includes 70 Texas stories that have never appeared in a book before—750 jokes in all.

The author? Well, I reckon you'd already guessed it was written by that "I Give You Texas" man.

Would you like to look at a sample or two from "Laugh Parade of States"? Just room here for some mighty short ones:

Massachusetts—The complacency of the people of Boston is shown by the remark of a matron there who, replying to a question, said, "Why should I travel when I'm already here?"

Tennessee—Gov. Bob Taylor used to declare, "The mountains of East Tennessee are so tall that you can stand tiptoe and tickle the feet of the angels as they go flying by."

Oklahoma—An Indian who had ordered a ham sandwich at a soda fountain, lifted the top slice of bread and then asked the attendant, "You slice-um ham? "Yes". "Ugh-nearly miss-um."

Texas—Recipe for a barbecue: Just set a forest on fire and drive a herd of cattle through.

The government today submitted to the legislature Yuan, a bill which would fix president Chiang Kai-Shek's salary at \$20,000 (U.S.) a year.

There will be 8 amendments submitted to the voters of Texas at the November general election. Do we as voters know how to vote on these intelligently?

The United States will have about 95 million eligible voters in November. Many of these won't actually vote. Which of Truman's or Dewey's supporters will stay away from the poles?

Petrillo said he was going to support Truman because he is a piano player.

The heart is a garden
 Where thought flowers grow;
 The thoughts that we think
 Are the seed that we sow.

Every kind of loving thought
 Bears a loving deed;
 While a thought that is selfish
 Is just like a weed.

WHEAT KINGS CROWNED

Wheat and Kings held the spotlight at Amarillo Oct. 20 when the Tri-State Fair and cooperating agencies announced the winners of the various milling and baking, identification, and long-time wheat record contests. Here are the trophy winners (l. to r.): Wilbur P. Axe, Hereford, with the Tex-O-Kan and Pillsbury awards for Championship in the Open class plus \$60. in cash; Leonard Wright, Perryton, Reserve Champion with his Tex-O-Kan Flour Mills trophy and \$25. cash; Joe Ray Goodin, Claude, TEXAS FFA WHEAT KING, trophy and trip awarded by the Texas-Oklahoma Wheat Improvement Program and \$100. cash from the Amarillo Grain Exchange; Wayne Howard, White Deer, TEXAS 4-H WHEAT KING, youngest but biggest winner whose Comanche wheat had the top score of 96 1/2 points, won the trophy, an all-expense trip to Fort Worth to study the marketing and processing of wheat, and \$100. cash from the wheat improvement group plus \$100. more from the Amarillo Grain Exchange, for a total value of \$350; Dickie Hall, Perryton, TEXAS 4-H WHEAT PRINCE, winner of a trophy, trip and \$50; and Pat Bannister, Spearman, FFA Prince, who won a trophy, trip and \$50.
 Other wheat winners included Richard Laubhan, Lipscomb, and Billy Turner, Spearman, who won trips for 3rd and 4th in the 4-H division, while in the FFA department Everett Reeder, Muleshoe and Joe Earl Pyle, Kress also won trips to Ft. Worth for 3rd and 4th. Another big winner was Donville Moore of Crosbyton whose four-year wheat production record in FFA work earned him a \$100. college scholarship from the Texas-Oklahoma Wheat Improvement Program which is sponsored by the flour mills of the two states. As a reward for outstanding activity in wheat improvement the eight county agents and vocational agriculture teachers of each of the winners were also awarded trips to accompany their boys to Ft. Worth as the guests of the flour mills.
 Over 3,500 boys and girls and their parents gathered in the Sports Arena at the Tri-State Fair to see the Kings crowned by Dr. Ide P. Trotter, Director of the Extension Service and to watch and listen to an exciting program under the able direction of "Uncle Jay" of KGNC. "This is the first year for the wheat contest. A party to crown the Kings so next year it should be even bigger and better," says Keats Soder, Director of the Texas-Oklahoma Wheat Improvement Program.

NEW DEMANDS

SOARING COSTS
 WAGE INCREASES

48 hours pay for 40 hours work
 Penalty pay for weekends & holidays
 25¢ an hour increase
 Total 1 1/2 BILLION DOLLARS

1 1/2 Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year.

Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employees.

They want 48 hours pay for 40 hours work — in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25c an hour for every employe!

You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give one million employes an annual raise which would average \$1500 per employe!

The total cost of this would be no less than 1 1/2 billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased costs are forced on the railroads,

they must have still further rate and fare increases.

Demands Unreasonable

These employees have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48c an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10c an hour.

Railroads Run for Everybody— Not Employes Alone

The railroad industry must serve not one but many groups—producers, businessmen, shippers, passengers and the general public—night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. *Everybody who enters railroad employment knows this.*

Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. *But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!*

Lack of Refrigeration Contributes To Disease Outbreaks

Austin, Texas—From statistics compiled by the State Health Department, Dr. Geo. W. Cox, State Health Officer has disclosed that a lack of proper refrigeration contributes materially to the total disease outbreaks for one year, caused from foods other than milk and milk products. During the year, there were 299 outbreaks of diseases from contaminated foods, incapacitating 12,526 persons, 17 of whom died.

"The food poisoning was usually caused from contamination through insanitary conditions, infections of food handlers, or of even more significance, lack of early and adequate refrigeration," Dr. Cox said. "Even when contaminated, foods will seldom develop toxins sufficient to cause poisoning if properly refrigerated promptly after preparation. Outbreaks caused from foods have totaled nearly six times the number caused from water of milk."

The State Health Officer pointed out that the consuming public is, in many areas, protected by proper enforcement of sanitation standards for eating establishments such as are set up in the United States Public Health Service Milk Ordinance and Code. The public is entitled to a good clean, safe and wholesome food supply, including milk which has been produced under strict sanitary conditions and properly refrigerated. This is a great protection against disease outbreaks caused by contaminated foods of various kinds, and Dr. Cox said this was especially obvious in view of the fact that no disease outbreak has as yet been traced to pasteurized grade A milk, which had been adequately refrigerated.

RALLS BANKER TO HEAD COUNCIL SCOUT FINANCE DRIVE

Dr. F. B. Malone, President of the South Plains Council, Boy Scouts of America, announced today that Mr. J. Edd McLaughlin of Ralls, Texas, has accepted the Chairmanship of the Scout Council's coming Campaign for their 1949 Budget.

Mr. McLaughlin is well known in business and banking circles all over the state and has been prominent in Rotary Club affairs for many years. Mr. McLaughlin is well versed in the Boy Scout Protective Board of the South Plains gram. He has served on the Executive Council for over twenty years, and has been a member of the Regional Scouting Committee for several years.

The Council's Campaign to raise their budget of \$46,605.00 for the year of 1949 is scheduled to kick off in every community in the twenty county Council on November 8th.

The Steering Committee assisting Mr. McLaughlin in the organization of the Campaign includes: Henry Miller, Tulia; Jim Hunter, Plainview; C. D. Bass, Levelland; Sam Privitt, Brownfield; H. G. Cook, Wilson; Dr. J. C. Loveless, Lamesa; R. B. Shahan, Denver City; Edgar Hays, Lockney; Jack Godfrey, Spur; Alvin Redin, Silvertown; and Joe Hutchinson of Littlefield.

The Council is a participating agency in the Community Chest in Lubbock, Lamesa and Littlefield.

W. T. S. C. Preparing For Home Coming

Canyon, Oct. 21.—West Texas State College is taking on its yearly long-hair look. Which means the annual homecoming is not far away, and that students are growing whiskers, mustaches, and going without haircuts in order to look the part. Western garb will be required of students and faculty alike for two days, Friday and Saturday, Oct. 29 and 30. The homecoming celebration actually will be held one day—Oct. 30, but the Western clothes, a bonfire on Friday night and a football game after the bonfire will sort of get everyone in the proper mood.

The game will be played between West Texas State's freshmen and the Texas Tech freshmen. It will start at 8 o'clock Friday night, Oct. 29.

There are more than 25,000 former students of West Texas State living in the area served by the institution. Thousands annually come back to the campus to meet old friends, eat barbecue, attend dances, and otherwise have a good time. This year's climax will be the football game between the West Texas Buffaloes and the Cougars of the University of

Houston. This game will start at 2:30 Saturday afternoon, Oct. 30. Tickets for the game may be reserved by writing to Clark Jarnigan, College Bookstore, West Texas State, Canyon, Texas.

I'm Lonesome

girl grew tired of waiting. She married someone else. Jack's little business didn't get along well without him. It was liquidated by the creditors.

We need something to take our minds off our problems... someone to tell us how the world is changing from day to day... to explain its problems... to tell us what people are doing and thinking and saying out there on the other side of our blank, white walls.

There are moods, too, that music helps, but it has to be MY kind of music. The kind that Joe likes drives me batty—torture to the ears, I call it. Joe feels the same way about the kind I like.

Radio would be a swell thing if we could work it so that every man could get what he likes. It would keep us in touch and bring in a little of the things for which we are most lonesome—life and the world outside.

And you can't imagine how it picks us up when a traveling theatrical unit makes an appearance in our ward—a pretty girl, a soft ballad, a lilting melody batted out on our ancient piano, perhaps a magician or a dance team or an acrobat. We need those morale boosters.

We're lonesome. We're all lonesome. But you can help us—if you will!

Yes, YOU can help!

You can help provide greater comfort, happier hours and lasting entertainment for the nation's hospitalized heroes by contributing to the Hospitalized Veterans Foundation.

This nationwide non-profit, non-political, non-sectarian organization and its many state chapters reaches into ex-servicemen's hospitals from coast to coast.

Among its founders are Sammy Kaye, Tom Breneman, Louis Bromfield, Perry Como, Joseph Cotten, Art Linkletter, Herbert Marshall, Walter Pidgeon, Ginny Simms, Rudy Vallee and 65 other prominent Americans from all walks of life and nearly every state.

Have you ever been in a hospital? Remember how the days drag? ... the nights—so endless? Particularly if you're in a hospital a long way from home.

You might be completely surrounded by people—doctors, nurses, orderlies and a lot of other patients—yet you find an agonizing loneliness gnawing at your soul.

I'm in a ward with 50 other men but I'M LONESOME! Joe and Jack and Jim and Tom are just as lonesome as me.

Outside our ward are other wards with other Joes and Jims. Outside our hospital are other hospitals and veterans' homes—more than 140 of them. They house some 125,000 guys like me for whom the war didn't end on VJ Day. I'll stake my one good eye that they're all lonesome, too.

Take Joe there. He's an old-timer—spent nearly three years in hospitals since he lost his right leg in the Battle of the Bulge. He got so much shrapnel in the other leg it finally had to come off, too—by inches. Six separate amputations because they tried to save enough of the stump to hold an artificial leg.

Joe just kids about it. He puts up a terrific front. Says he'd save the doctors a lot of trouble if he'd sprout wings.

Yet, once in a while, the fog of loneliness engulfs him. He'll say: "For Pete's sake, pipe down!" Then you know it's best to leave him alone. You see, they amputated Joe's dreams, too—and that hurts more than losing a leg.

We all started dreaming a long time ago. About the girls we were going to marry when we got back... the colleges we were going to attend... the jobs we were going to get... the houses we were going to build—the whole glorious new world that would be waiting for us when the fracas was over.

But those dreams were shattered for most of us who wound up in hospitals. Tom's

Your contribution to the Hospitalized Veterans Foundation will help provide disabled heroes with:

- Individual bedside radio receiving sets of types best suited to their needs.
- Television receivers to keep them in touch with the changing world.
- Special record-playing and sound equipment to meet their entertainment requirements.
- Other entertainment equipment which may be requested from time to time by their chaplains.
- Network and transcribed radio shows designed especially for their enjoyment.
- And eventually a group of traveling theatrical units to tour their wards after the wartime USO-Camp Show organization is disbanded.

Make your contribution today. Do it NOW! Be as generous as you can, won't you? Thanks.

GET YOUR DIRT MOVING and LAND LEVELING done This Fall

Quickly at LOW COST

with an EVERSMAN AUTOMATIC LAND LEVELER and DIRT MOVER

Have you been planning to improve the surface of your fields? Eliminate humps and hollows, smooth out old fence rows, fill in small gullies or put new land under irrigation. Fall is the best time to do this work. The best machine to handle the job is the EVERSMAN AUTOMATIC.

Only the EVERSMAN has the eccentric (crank) axle—when wheels go on a high place the blade AUTOMATICALLY lowers to gather a load—when wheels go into a low place the blade raises to release enough dirt to fill.

The EVERSMAN breaks clods, pulverizes the soil, smooths and packs the surface, forming a fine seed bed while AUTOMATICALLY LEVELING.

Also excellent DIRT MOVER with patented wheel lift which raises and lowers the whole machine and gathers or releases a big load of dirt wherever you wish. After dirt is moved with the EVERSMAN it can be graded down and AUTOMATICALLY LEVELED with the same machine. One inexperienced man driving your present tractor handles this ALL-PURPOSE machine. Moves fast on rubber tired wheels. Comes in four sizes. Inexpensive to buy.

Study Hall Madness

(By Charlotte Lippard)
 Madness! That's what it is all right, when you come straggling out of study hall, your hair down over your eyes, your nails bitten off, and a frenzied, wild-eyed look on your face.
 You get that way by associating (against your will) with all the characters I will now intro-

duce to you. (Though I doubt they need an introduction.)
 First, there's Agitated Agnes, the girl who is nervous and keeps knocking her knee against the leg of the table, so that when you write, your composition looks like nothing you've ever seen.
 Then there's Daring Dick, the sho-off, who has a crush on the girl at the next table. All during the period he keeps you ducking paper wads and airplanes until your neck feels as if you had just auditioned for an Egyptian dancer.
 Of course, the practical joker, Worrison Willie, is always on hand. You walk into the study hall and you are immediately confronted by a freckle-faced kid showing you a new ring he has. You bend trustfully over for a better view and, swish, you get your face washed with no trouble at all. Wiping your face off so you can see to get your place, you lower yourself wearily into a chair when all of a sudden you get a feeling that something is missing.

Sitting on the floor, you look up into the face of that same card of a fellow, his face convulsed with laughter, and it takes all the strength you can muster not to get up and tear him limb from limb.
 When you finally get seated you are so exhausted that when the other pests, I have mentioned formerly in the article, proceed to go to work, you are a complete nervous wreck.
 Of course, all of this goes on behind the teacher's back and how they get away with it I don't know. I never could.
 (That last was just for the record.)

Dimmitt-Mavericks Split Two Games

Two junior football teams went to Amarillo Saturday to play the Mavericks. Score of the first game, between the youngsters whose weight limit was 85 lbs., was 6-0 in favor of the Mavericks.
 The game between the 105-lb youngsters was a very good game. Dimmitt came home with a 45-0 victory. Merle Leasure, Weldon Warren and Jackie Copeland all played a nice game. Each boy made a score of 12 points.

Says Mrs. Stone

"I like all my students and particularly those who work willingly and pleasantly. I feel that if teachers and pupils would convey their thoughts to each other they would understand both sides of the problem.
 "As a teacher I know that there are times when I'm more or less on the gloomy side. As a student, do you have times like this too? If you do, why don't you take into consideration that we all must cope with one another?
 "It is up to the students, teachers, and school authorities with home and church backing to make school an enjoyable and a successful enterprise."

District Champ'shp To Be Settled In Tournament

The District 5B tournament will be held at Kress on the week ends of Feb. 12 and the 19 to determine who will represent the district. Trophies will be awarded to the first, second and third place winners. Miniature basketballs will be awarded to ten all-tournament players.
 The following eleven teams are in district 5B: Kress, Dimmitt, Olton, Springlake, Hale Center, Happy, Petersburg, Cotton Center, Nazareth and Hart.
 Mr. R. S. Vestal is chairman of the district and O. T. Loyd is secretary.
 The tournament will be a double elimination affair, and the following pairings were drawn for the opening rounds: Upper bracket: Kress vs. By; Wayside vs. Nazareth; Hale Center vs. By; Hart vs. Olton. Lower bracket: Dimmitt vs. Happy; Cotton Center vs. Springlake; and Petersburg vs. By.

Student's Prayer

By Tate
 Our teachers who art in high school,
 Mud be to thine name.
 Our assignments come,
 Thy will be done,
 Thru school hours as well as noon.
 Give us this day
 Our daily grades,
 And forgive us our complaints
 As we forgive those who complain against us.
 Lead us not into more homework,
 But deliver us from lessons.
 For thine is the power and the power
 And the power forever (to force us to do what we don't want to.)

Keyhole Kourtship

Here we are again after an exciting week end. It seems that the kids have got the party fever again. Friday night brought out quite a few couples at Rueline's party, such as Mona and Jr. Cluck, Lavita and Hoyt, Ruth and Don Ray, Melvin and Bobby Wooten, and Margaret Truelock and Robert Ballard.
 Running around in town, we saw Thelma and Ivan, Jo Anne and Wade, Jo Beth and Howard, Thelda and Bob, and Betty and Clyde.
 Wednesday night we saw a lot of the school crowd at Pat's house for a chile supper—Floyce and Jimmy, Charlotte and Standlee, Ruth and Wayne, Twila and Loyd, Rusty and Babe, Lavita and Murry, Tiny and Lonnie, Mona and Sammy, Betty and Don, and Pat and Harry.
 Carroll, Charles, and Loyd for some reason or other. They seem to like Springlake real well were seen with Jolene Kirkpatrick, Addie Martin and Jeri Pat Hudson Saturday night.
 Did you know that Jimmie Singer has a new name? What does this L.S.M.F.T. mean Jimmie?
 Lavelle and Kenneth have been seen together quite often lately. Could this be getting serious?
 Freckles Lippard really gets around doesn't she? She has been seen with Tom Barron, James Aury, Harold Johnston, Standlee, and Willie John this week.
 Thelda and Bob, and Clyde and Betty were seen together Thursday and Friday nights.
 Betty will be leaving us, or at least we won't be seeing her in the halls of D. H. S. very often. We'll take this opportunity to wish her lots of luck and happiness.
 Ladell was with that "Casanova", Harold J. at the Drive-Inn Theater in Plainview Wednesday night.
 Jo Beth and Howard are on the go again. Fun! and more fun!
 The old saying, "We saw them making the rounds Friday night", applies, in this case to Lavelle and Murry.
 Whose eyes shine like stars in the night and whose countenance is brimming over with happiness? —Marlene's — Bobby came home Saturday night.
 Lavita and Ruth were seen with those two Okies again Friday night. Lavita and Hoyt were also together Saturday night.
 What is this we hear about Jo Anne attending a family reunion besides the Godfrey's over the week end?
 A large bunch of D.H.S. kids were seen at Betty and Don's Saturday night for a supper in honor of Jr. and Willie. Those attending were: Jr. and Tiny, Willie and Charlotte, Bob and Phyllis, Pat and Harry, Babe and Rusty,

Standlee, Ruth, Floyce, Mona, Fred and Bettye and Don. After the party Ruth was seen with Harold Johnston. They were also together Sunday night.
 So long kids.....We'll be seeing you next week.

We All Want to Vote For **JACK PORTER**

We can!
 Article 2981 of the Laws of Texas (enacted 1905) specifically provides for the voting of a split ticket in a GENERAL ELECTION.

Scratch all candidates for U. S. Senator except the name of JACK PORTER. Your vote will be counted, and your choice for Senator, JACK PORTER will be seated.

The so-called loyalty pledge does not apply to the election on November 2. It is a GENERAL ELECTION all over the United States. It is not a state primary.

This has been so held by courts and by the Texas Attorney General's Department 4 years past.

Here it is! A long look ahead!

The modern design for '49

new Hudson

Come in and see the new Hudson—the lowest-built car on the highway, with beauty, riding qualities, comfort and safety only possible because of a new "step-down" design, offered by no other automobile!

Only once in a blue moon does a car step so far ahead that it is a *protected investment* in motor-car value! You are invited to see just such a car—the New Hudson with "The modern design for '49"—and for years to come!

Here is truly streamlined beauty—a stunning combination of free-flowing, low-built lines that develop naturally out of a recessed floor which is the key to a basically new and exclusive design principle. The New Hudson is the only car you step down into.

The development of a "step-down" zone in an exclusive, all steel Monobilt body-and-frame* permits Hudson to build the *lowest car on the highway*—only five feet from ground to top—while maintaining more interior head room than in any mass-produced car built today!

But streamlined beauty isn't the whole story of Hudson's modern design.

Hudson has a hug-the-road way of going on every conceivable kind of highway. The way in which this car takes even the sharpest curves makes it a "stand-out" for roadability in any year!

These remarkable riding qualities are largely due to the fact that the New Hudson provides the lowest center of gravity in any American stock car—yet road clearance is ample! It is a widely recognized fact that the *lower to the ground a car can be built, the more stability it will have and the safer it will be.*

Such a delightful conformity to the road, coupled with the protection of riding encircled by a sturdy box-section steel frame, gives to everyone who rides in a New Hudson a grand feeling of safe well-being! This feeling is further enhanced by the ease with which this car is operated, and by the restful quiet with which Hudson glides along—thanks to the superb sound control engineered into this advanced automobile.

See "The modern design for '49" today! Come in and let us show you the many advantages of Hudson's fabulous "step-down" design principle.

HUDSON FLOORS are recessed down within the frame (as shown above), full-height seats are lowered, so you get ample head room in this car with the new, lower center of gravity.

YOU RIDE down within a base frame (as shown above), and rear seats are positioned ahead of the rear wheel so that full body width becomes available for wonderful, roomy seats. Box-section steel girders completely encircle and protect the passenger compartment.

TRY AUTOMATIC gear shifting in forward speeds as provided by Hudson's Drive-Master transmission—by far the easiest of all ways to drive. You can accelerate as long and as fast as you like in pickup gear, then lift your toe momentarily, and you're in high. The shift into high comes *only* when you are ready! Button control on the instrument panel provides instant change to conventional driving if ever desired. Drive-Master transmission is optional on all New Hudsons at small extra cost.

*Trade-mark and patents pending.

The only car you step down into **NEW Hudson**
