Local Crop Prospects Are Looking Lean

Winters proper has received only 6.50 inches of rainfall during the year, according to Roy Rice, official weather observer for the Weather Bureau, and the countryside in the immediate vicinity has been equally dry.

Crop prospects have been bleak in the immediate area. Some of the row crops which had been planted, and

which did come up, are suffering from the lack of moisture. Much of the farm land in this area has not been planted, because of the lack of rain, and time is growing short, according to farmers.

There are a few fields of milo which look fairly good, but are beginning to show the lack of water. If rains do

come before it is too late to plant, this year's harvest season will be long. There will be no heavy harvest rush, as is the case in normal years.

Most of this year's wheat crop already has been harvested, and what remains should be cut within the next few days.

WILL IT MATURE?—This milo has headed out, but the grain is not maturing as it should, because of the lack of moisture in the Winters area.

Dry Weather Inviting Grass Fires In Area

Hot, dry weather has conditioned the countryside so that grass and brush fires are becoming more frequent, and Winters Volunteer Firemen have been kept busy during the past few days answering alarms.

On Sunday night, grass and brush fires swept the dam area of the old Winters lake north of town. Firemen could not reach the main blazes on the dam, and were forced to allow the fires to burn themselves out. Firemen made two calls to the lake fire, which was thought to have been started by fireworks.

Winters firemen were called out again Monday night to fight a range fire in South Taylor County, north and west of Bradshaw. One unit from the Abilene fire department was dispatched to this fire, which was

contained in about five hours after burning over a wide area. Because of darkness, firemen had difficulty in reaching many places, and some fire fronts burned themselves out.

Two tank trucks from Mac Oil Field Co. of Winters were dispatched to the South Taylor range fire, and Halliburton sent a pump truck.

Members of the Winters Firemen's Auxiliary took sandwiches and cold drinks to the firemen fighting the fire Monday night.

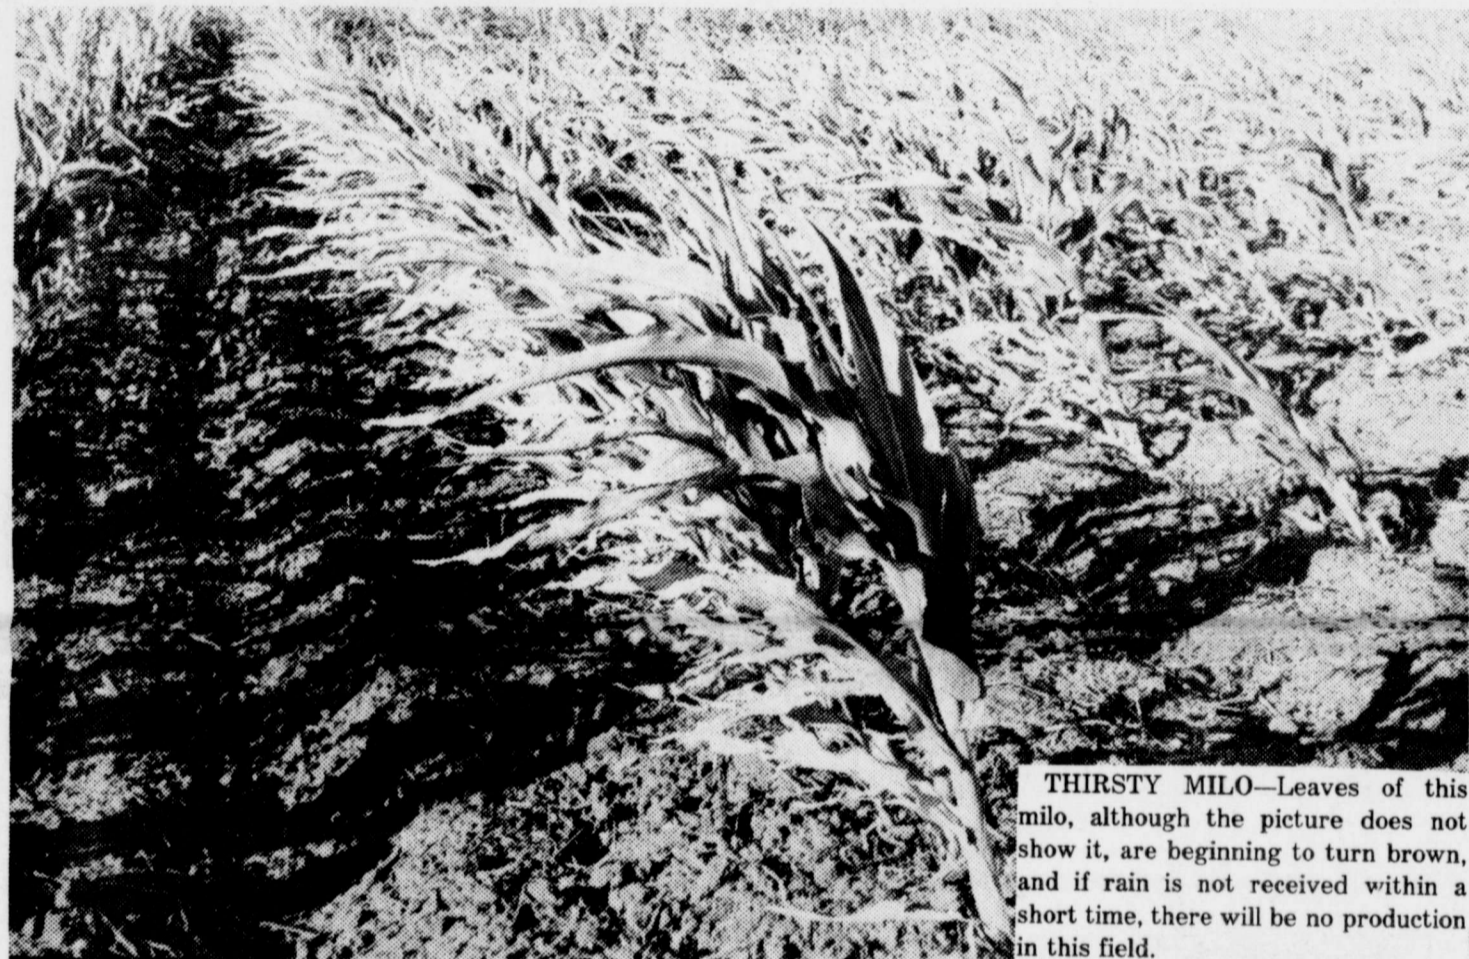

Winters Fire Chief Marvin Bedford again issued a warning to everyone to be very careful during this dry, rainless weather. Fires can be started by a hot vehicle exhaust pipe in dry grass, and any burning of trash could start destructive fires in the community, he said.

Fireworks

Dangerous

City officials and firemen have warned that shooting of fireworks in the city limits is not only illegal, but can be very dangerous, especially at this time.

Because of the long hot, dry period, conditions are ripe for destructive fires which could be started with fireworks.

THIRSTY MILO—Leaves of this milo, although the picture does not show it, are beginning to turn brown, and if rain is not received within a short time, there will be no production in this field.

City Of Winters Digs Water Wells

The dry, hot weather is helping to lower the water level in Winters City Lake day by day, and one can almost see the level drop. Even though it is low, and getting lower, it is felt there will be water available for many weeks yet, if conservation measures are continued.

However, the City Council is taking no chances of being caught unprepared, and forced to haul in water by truck or rail—if the weather continues hot and dry.

The council authorized drilling of wells in several places to check the level and production, in the event the water in the lake becomes so low it is not usable. Drillers have sunk ten wells, with at least seven of them non-producers, and three which could provide emergency water if needed.

Three producing wells were drilled on the Van Whittenburg farm about six miles east and south of Winters. Indications were the first of the week

that these three wells combined could produce up to 300 gallons a minute, if they did not run out. Pump tests are being made this week to determine just how much water can be taken from these wells. The water also has been sent to State laboratories for testing. If these wells produce as well as anticipated, production could be as high as 12,900,000 gallons a month, which would make a big addition to the lake water.

City officials were also checking this week with the Army, with plans to borrow lines and pumps to transport the water from the wells to the main line which runs from the lake to the water plant in town. In 1974, pumps and lines were borrowed from a surplus department of the Army, to be used in the event of an emergency. However, a short time after the pump was installed near the intake tower at the lake, heavy rains came and filled the lake. There was barely time,

in 1974, to move the pump to prevent it being covered by water.

A well was located several days ago on the Pete Davidson place on the east side of town, and water is being pumped into the system from that source. It is not known just how long that well will continue to produce. Five other wells were drilled in that vicinity, but were non-producers. Also, two wells were drilled on the city farm, but were non-producers.

The three wells on the Whittenburg place, which the council will rely upon if necessary, were drilled to 60 feet. The driller said the were the best wells he had seen in Runnels County.

Meanwhile, residents have cut back on water usage, and many people have dug wells of their own on their property, in an effort to keep yards and gardens alive during these hot, dry summer weeks.

WAITING—This farmland has been plowed and ready to be planted, if moisture is received before it is too late.

July 4th Will Be Holiday

Most businesses of Winters will be closed next Tuesday, July 4.

July 4 is one of the several holidays suggested by the Winters Chamber of Commerce.

The Post Office will be closed, as will the bank, and city and county offices.

No special celebration has been planned for Winters this year.

L. L. Ice Cream Supper Set

The Winters Community Little League Association will have an ice cream supper at the Little League field Saturday, July 1, at 7 p. m.

Members of the teams will be recognized during the program, and All Stars will be announced.

Each player is to attend in full uniform, and each family attending is asked to bring a freezer of ice cream and cookies, and card tables.

Officers for 1979 will be elected. All Little League members and their families have been urged to attend.

Local Young People Won Dance Contest

Janet Bruns and Craig Gehrels of Winters won a dance contest in San Angelo and were awarded a three-day expense-paid trip to the Nashville Music Festival, plus \$100.

The contest has been in progress for about three months, and the finals were held Sunday night.

Because Miss Bruns will be unable to make the trip to Nashville, Scott King will accompany Gehrels to Nashville. They will leave July 2.

Local Cancer Society Unit Won Award

North Runnels Unit of the American Cancer Society received a gold ribbon award for "bettering our best," in the recent Cancer Crusade, during a district American Cancer Society meeting in San Angelo last week.

The local unit also had the most volunteers attending the district meeting.

Those attending the meeting and workshop from Winters were Dr. Tom Tribble, incoming president; Mrs. C. R. Pinkerton, special events chairperson; Maudie Bartee, Dickie Lloyd and Addie Beth Stanley.

The North Runnels Unit expressed thanks to the public for helping to make the Crusade and rummage a success.

Annual July 4th Golf Tourney At Country Club

Tea off time for the annual Fourth of July golf tournament at the Winters Country Club will be 10 a. m. Tuesday.

Golfers will play nine holes in the morning, and nine holes in the afternoon, in the best ball tournament. Golfers are asked to pre-register at the Country Club or call Sandy Griffin, 754-5171, for the tournament.

Players should bring a covered dish for lunch.

All golfers in the Winters area are invited to take part in this annual event.

The Ladies Golf Assn. will meet Thursday, July 6, for a salad supper and business session. All members have been urged to attend.

Copy Needed Early For Next Week

Although The Enterprise will be distributed at the regular time next week, early preparation and printing is necessary because of the Tuesday, July 4, holiday.

All news and advertising copy must be in by noon Monday, so that the paper can be made up and ready for the presses. Cooperation by contributors and advertisers will be appreciated.

Rose Dryden's letter to her mother during the Civil War continued:

Minzenmayer Retires From U. S. Air Force

Senior Master Sergeant Henry Minzenmayer, Jr., son of Mrs. Hattie Minzenmayer of Rt. 1, Winters, has retired from the U. S. Airforce at Kelly AFB, Tex., after more than 26 years service.

During the retirement ceremony, Sgt. Minzenmayer was presented his second award of the Meritorious Service Medal for outstanding duty performance as a

ground radio communications superintendent. The sergeant, who has served in Alaska, Pakistan, Taiwan and Vietnam, includes among his decorations two awards of the Air Force Commendation Medal and the Republic of Vietnam Cross of Gallantry with Palm.

Sergeant Minzenmayer is a 1948 graduate of Winters High School.

were getting very scarce and high and wardrobes did not resemble Miss Flora Neflumsey's, the next best thing for him to do was to make his family comfortable in that respect, he got us all he thought we would need with care for two or three years. He then had to leave and go down to the pass to take charge of the Medical stores at that place.

Sibley, or rather the men, fought several battles and then he, Sibley, after taking from the citizens everything there, a horse, mule, oxen, wagon or carriage, evacuated the country. The citizens getting away the best they

could, leaving everything behind them, we among the rest leaving clothing, furniture and our hard earned home behind.

We were two months on the road and at last reached San Antonio. Here we found it impossible to rent a house and we had to get board. Robert was then ordered to Marshall, Texas. I remained in San Antonio. From Marshall he was ordered to Galveston. After the fight, he remained there for several months and then the Arizona Brigade formed. Robert got transferred to Baird's regiment when instead of being sent up country as he expected, they were sent to the Nation and Arkansas.

As our purse by this time did not tire us of its weight and we were offered transportation, Robert did not really make up his mind to take us but I made up my mind to go thinking that we could get board cheap among the farmers on Red River but O what a mistake. They wanted men to fight and protect their property but did not want to take the money of our government. May they never see silver dollars again. I think that the whole United States were scraped and the most contemptuous of its white inhabitants sent to swell settlements on the part of Red River.

At last Robert succeeded in getting board with a rich old hypocrite until the regi- they thought to do in a few months. Robert was gone two months when from fatigue and exposure he was taken very ill. He was then sent to take charge of the wounded as far as Boggy Depot, about 40 miles from where he had left me. He had grown worse by this time instead of better and meeting General Steel, our General Steel, he applied for leave of absence which was granted.

At that time, Robert thought he would go to Shreveport to have Dr. Haden operate on a tumor on his stomach which by this time from being so constantly on horseback had assumed the form of a cancer, but as soon as he reached the place where he had left me, I suppose they thought Robert might die, they told him to get some other place to board.

Sick as he was, he rode all over the country but without success. At last he went to Bonham where he was not any more successful. He then tried to rent a house, he found that impossible also. At last he got a shed that had been put between two houses, there we all went. Fortunately Robert had brought back his mess chest and blankets. I made a bed out of cotton and we had one camp chair. In this place, we had been about a month and Robert's leave of absence was drawing to a close and we were nearly crazy. To get back to San Antonio was impossible. We saw nothing to do but for him to leave us as we were when one morning Robert started to walk a short distance when O joy for us, he met the Lt. Col. of his regiment who told him that the regiment would be in that day. Robert had left our Mexican boy that we brought from Arizona with the regiment to take care of his tent and all his clothing.

The regiment made their camp a mile from Bonham and Col. Showalter sent to town for us. Robert pitched our tent and over that he had a heavy hospital fly put. It was now the last week in

Wingate Sew and Sew Club Met

The Wingate Sew and Sew Club met with Mrs. Nolan Cave and Mrs. Mayola Cathey as hostesses in the Lions Club Building recently. Quitting was done for the hostesses. This was the last meeting until September and was an all day affair. Members went to the cafe for lunch.

Twenty members and four visitors were present, including Mmes. Verge Byrd, Marie Bradford, Nolan Cave,

Ed Kinard, Flossie Kirkland, Eura Lloyd, Doris Pinegar, Dock Rogers, E. J. Talley, Minnie Williams, Jack Patton, Nellie Adecock, Mayola Cathey, L. R. Hancock, Madeline King, Raymond Lindsey, Mildred Patton, Pete Polk, Grace Smith, Bernard Vick, Jack Woodfin, Kim King, Ila Mae Cotten, and Dean Holder.

The next meeting will be on Sept. 12 with Leila Harter and Mrs. L. R. Hancock as

all stayed under the blankets that day and three or four others besides except poor Robert. He had to be up as so many of the men were taken with pneumonia. On the fifth day, the Col. received orders to march and then such a time as there was in making fires around the tents to melt the ice in order to strike them. Many of them caught fire but at last we were off to where no one knew. We only knew we were leaving that part of the country. My last prayer for the people was that the Yankees would make a raid on them and clean them all out or that the bulk of our own army might encamp among them and eat them out of house and home.

Now Is The Time To Join Farmers Union

It has never been more important that you be a part of a hard hitting farm organization. The reason is simple. Other segments of the economy are organized and they're getting stronger. Also, our so-called "friends" don't always help us. For example, the Farmers Union stood alone in its fight for higher farm prices. We didn't get all we asked, but other organizations were asking for even less. Farmers Union is fighting back, but we need your help in this fight! We can only be as strong as the combined strength of our members. Back during the revolutionary war, Benjamin Franklin told the American colonies "Either we all hang together or we all hang separately." That's just as true today for farmers as it was for freedom fighters then.

The only Farm Organization run entirely by Farmers.

MRS. J. D. WILSON, JR.

Miss Hall and Mr. Wilson Were Wed

Karen Sue Hall and Johnnie David Wilson, Jr., were united in marriage in ceremonies in St. John's Lutheran Church in Winters at seven o'clock Saturday evening, June 24.

The Rev. A. R. Wolber, pastor of the church, performed the double-ring ceremony. The bride is the daughter of Ed Hall of Wingate and Elaine K. Hall of Dallas. The bridegroom is the son of Mr. and Mrs. Johnnie David Wilson Sr., of Winters.

For the wedding service, the church altar was adorned with arrangements of white carnations in brass vases, flanked by candleabra. Two baskets of white, gladiolus and delphinium blue carnations marked the steps to the altar. A matching arrangement was placed on the organ.

The organist, Emma Heninger, played traditional wedding music.

Candlelighters were Karla Hall of Dallas, sister of the bride, and Kay Lee Wessels of Monahans, cousin of the bridegroom. Tammy Modisett of Winters was flower girl.

Best man was Roger Ahrens of Austin. Ushers were Don McGallion of Palestine, Dennis Wessels of Monahans, cousin of the bridegroom. John Darby of San Angelo and Perry Poe of Winters were groomsmen.

Charlotte Anderson of Dallas was maid of honor. Bridesmaids were Michelle Grindstaff of Ballinger and Jeannie Walker of Winters.

The bride's attendants wore formal length dresses with scoop necklines, made of satin knit of sky blue with patterned florence collars. They carried colonial nose-gays of heritage white and delphinium blue carnations, gypsophelia, springeri and

accented with wheat and cocoa ribbon.

Given in marriage by her father, the bride wore a gown with an empire waist with standup collar, lace over satin on collar and bodice, voile puffed long sleeves, with lace on fitted cuffs. The skirt and train had voile over net over satin, with a bottom ruffle inset with a row of lace. Her fingertip veil was net, edged with lace.

The bride carried a cascade of white gladiolus, white roses and stephanotis in a cloud of gypsophelia, accented with trailing springeri and pearl strands. Following the ceremony, a reception was held in the Fellowship Hall of the church. The bride's table was adorned with two large hurricane glasses and blue candles, surrounded by springeri and gypsophelia. The bridegroom's table was finished with an arrangement of dry and silk flowers in his hand hat.

In the house party were Mrs. Gerald Black, Sandy Parker, Mrs. Robert King, Anna Marie Black, Mrs. Robert Gamble, Mrs. Hamp Byler, Lisa Rogers.

The bride is a 1975 graduate of Woodrow Wilson High School of Dallas.

The bridegroom is a 1972 graduate of Winters High School.

Following a wedding trip to Mexico and New Mexico, Mr. and Mrs. Wilson will be at home at 1010 Sugar Lane, Pine Valley Apt. No. 318, Palestine.

HOOD REUNION

The Hood family reunion will be held Sunday, July 9, at Stone Haven Center, Georgetown. Food will be catered. All relatives of Aaron, Isaac, Joseph, Andrew Jackson Hood and their sisters' families are invited.

Miss Plumley, Mr. Pilkington Wed

Bernice Rebecca Plumley and Mr. Rocky Lynn Pilkington were united in marriage in ceremonies at the Wilmett Baptist Church at six o'clock in the evening, Saturday, June 24.

The Rev. Temple Lewis was officiating minister.

The bride is the daughter of Mr. and Mrs. Virgil L. Plumley of Rt. 3, Winters. The bridegroom is the son of Mr. and Mrs. Billy Joe Pilkington of Junction.

Church decorations included yellow and white daisy baskets and unity candles.

Mrs. Glenn Hoppe, Jr., and Belinda Hill played traditional wedding music.

Sheri Pilkington of Belton was flower girl. Albert Horton of Winters was ring bearer.

Best man was Bobby Joe Pilkington of Brady. Ushers were Wayne Putman of Mineral Wells and Steven Plumley of Wilmett. Groomsmen were Johnny Plumley of Winters and Monty Pilkington of Junction.

Mrs. Dianne Putman of Mineral Wells was matron of honor. Bridesmaids were

Mary Jo Plumley of Wilmett and Mrs. Barbara Plumley of Winters.

The bride's attendants wore long gingham check dresses. The matron of honor and the flower girl wore green dresses, and the bridesmaids' dresses were yellow.

Given in marriage by her father, the bride wore a princess style white satin dress with long ruffled lace sleeves, with white satin wrist band. The long veil was fastened to a satin headband with white flowers.

A reception was held in the Fellowship Hall of the church. In the house party were parents of the bride; Gloria Poehls, Genevieve Denson, Rosalee Albro and Eva Wright.

The bride is a 1978 graduate of Winters High School.

The bridegroom attended Junction schools and is employed by a drilling company in Abilene.

Mr. and Mrs. Pilkington will be at home at Rt. 3, Winters.

CHEERLEADERS: These members of the Winters Junior High Cheerleaders practice a routine, in preparation for the fall school activities. They are, left to right, Betty Graham and

Robbie Cole, Melinda Kvapil and Kim Wood, and Rosalinda Vera and Ketta Walker. Rosalinda, Robbie, Kim and Ketta last week returned from Southwest Cheerleading Camp at Cisco

Junior College. At the camp, they won eight ribbons and a spirit stick. Classes were conducted by members of the National Cheerleaders Assn.

Nursing Home

In spite of the hot dry weather, we have not allowed ourselves to get into the "summer slump." We have planned a picnic and fish fry on July 4. This will be outside under the trees. However, we won't be disappointed if it is raining and we have to remain inside. We wish to thank American Supply for the nice fish provided for us.

We have enjoyed Rhanae Blackwell and Gloria Isaacs with their guitar, also Kath-

erine Porter and her four daughters have been so kind to come down and entertain us. We also appreciate Scott and Margie Bell of Plano, who come by about once a month and bring a message in songs, words and deeds.

Three new residents have come to make this their home away from home. They are Effie Nichols, Alma Hughes and Alma Witkowski. We hope they can improve in health and will enjoy living here.

Masonic Installation Friday June 30

A Little Town

(Author Unknown)
A little town is where you don't have to guess who your enemies are. Your friends will tell you.

A little town is the only place on earth where people past middle age are called by their first names when they saunter down the street.

A little town is where everybody knows everybody else's car by sight—and also where and when it goes.

A little town is where few people can get away with lying about the year they were born. Too many people can remember.

A little town is where people with various ailments can air them properly to sympathetic ears.

A little town is where, when you get the wrong number, you can talk for 15 minutes anyhow.

through Sunday with Mr. and Mrs. Lowell Fuller and girls.

Mr. and Mrs. Doug Bryan had supper with Bob Booths Tuesday night in Ballinger.

Mr. and Mrs. Dewitt Bryan and Mr. and Mrs. L. Bryan, Vicki and Brent were out with the Doug Bryans Saturday night.

Mr. and Mrs. Joseph Busnsenlehner and son of Olfen and Brenda Jacob of San Angelo were home with the Walter Jacobs Sunday.

In the afternoon Mr. and Mrs. Herbert Jacob and Mr. and Mrs. Andrew Michalewicz dropped by on their home from visiting relatives and friends, Mr. and Mrs. Chris Winkler in Waco.

There was a birthday outing at Hords Creek over the weekend. Those attending Mrs. Louis Wood's birthday were Mr. and Mrs. Jerry Kraatz and family, Mr. and Mrs. Rodney Stenard, Mr. and Mrs. Louis Wood, Debbie, Lisa and Butch, Mr. and Mrs. Denny Heathcott and Wayne's friend, Doyle Baxter, and Mr. and Mrs. Robert Kraatz.

Congratulations to Melinda Sims who won the belt buckle in the Play Day in Winters as the all around cowgirl.

Mr. and Mrs. Kat Grissom, Mrs. Kathrine Thomas of Dallas and Max were Tuesday night supper guests of the John Sims.

A little town is where the ratio of good people to bad people is something like 100 to 1. That's nice to remember.

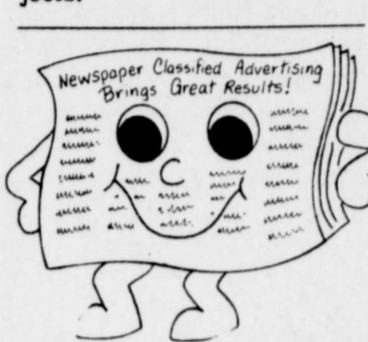

A little town is where it is hard for anybody to walk for exercise because it takes too long to stop and explain to people in cars who stop, honk, and offer a ride.

A little town is where city folks say there is nothing to do, but those who live there don't have enough nights in the weeks to make all the meetings and social functions.

A little town is where everyone becomes a "neighbor" in time of need.

A little town is where businessmen struggle against city stores and shopping centers.

A little town is where those same businessmen dig deep many times to help countless fund-raising projects.

A little town is where it's nice to be when rearing a family.

A little town is where you don't have to lock your door every time you leave the

house. A little town is where many teenagers say there's nothing to do—and then are surprised to learn their big-city friends are saying the same thing.

A little town, when all is said and done, is a very nice place to live.

Forever is...

- A. The last inning in your son's baseball game — with his team ahead one run
- B. Most blind dates
- C. Winter
- D. The five minutes between 4:55 p.m. and 5:00 p.m. on a workday
- E. The Friday afternoon line at the drive-in teller
- F. Being fifteen years old
- G. The customer in front of you at the grocery store asking for six price checks
- H. A long time

Forever has a different meaning for different people, but all of us accept forever as "a long time." This is especially true in terms of wasted energy — once it's gone, it's gone forever. West Texas Utilities Company urges everyone to use all forms of energy as wisely and efficiently as possible. Make sure your home is properly insulated and weatherized; turn off unnecessary lights and appliances; and keep a careful check on the thermostat setting.

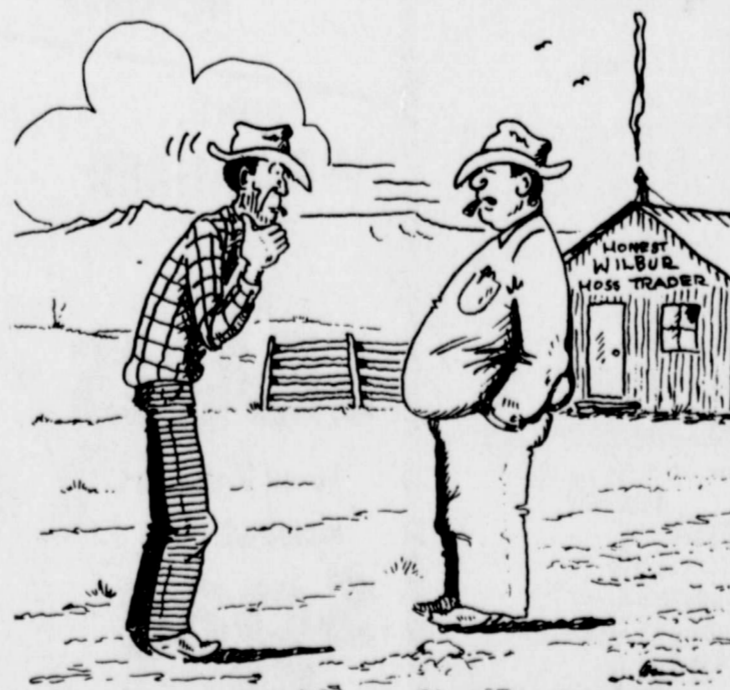

Just remember, wasted energy is lost forever — and forever is a long time.

Happy Birthday Jeremy
