NUMBER 26

Dog Law Effective Sept. 15

Designed to reduce the danger of a possible outbreak of rabies in the community, and to bring some type of control over the ever-increasing population of dogs—and cats—an animal control ordinance recently was approved and passed by the Winters City Council.

The ordinance will become effective Sept. 15, with strict enforcement to follow, it was stated.

The new ordinance calls for licensing of pets—dogs and cats—and vaccination of those animals, and also sets the limit of the number of pets a resident may keep, however setting regulations for kennels.

Dog and cat owners must have their pets vaccinated for rabies, and must register the animals with the Animal Control Officer. The ordinance also calls for euthanization (humanely killing) of all animals not licensed and running at large.

An animal shelter is presently under construction at the city farm, and should be completed and ready by Sept. 15, when the ordinance becomes effective. The council also is interviewing prospective persons for the position of Animal Control Officer.

The ordinance was written to provide protection for the general public, and yet allow pet owners to keep their animals. However, there "are teeth in the ordinance," according to the council, to maintain that protection. A "restraining" section has been included in the ordinance, called the "leash law," which states that "it shall be unlawful for any person owning a dog or cat or other pet animal to permit such animal to run at large." For violation of the provisions of the ordinance, a person "shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine not to exceed \$200, or by confinement . . . for not more than 30 days, or both . . ."

The "leash" provision, according to

city officials, means that no pet owner may allow his animals to roam at large in the community, but must see that they are confined or on a leash at all times.

The ordinance—excerpts of which are published in this issue of The Enterprise—should eliminate the many stray dogs and cats which populate the community, and lessen the danger of an outbreak of rabies and other diseases which could be most harmful to everyone, officials said. The recent outbreaks of rabies in wild animals in this section of the county played a big part in bringing into focus the necessity for the ordinance, in addition to the nuisances caused or provoked by animals running at large. This has been a problem which has caused much discussion locally for many years, it was said.

Registration and licensing of pets will begin Sept. 15, it was stated, and the general public will be informed regarding location of the office of the Animal Control Officer, and other necessary steps to be taken before licensing.

Animals owned by people who do not live within the city limits also will come under provisions of the ordinance, if they are found within the city limits, it was stated.

The council August 21 set the licensing fees for individuals and kennel owners, as follows:

Individual licenses: \$2.00 per year for all dogs and cats. (Vaccination required).

Kennels: \$25.00 per year, plus license fee per animal for more than three or less than 10 animals; \$50.00 per year plus license fee for each animal for more than 10 and less than 20 animals.

In the event a pet owner's animal is impounded by the Animal Control Officer, a charge of \$5.00 per day, plus license fee (if applicable) will be made.

KINDERGARTNERS in Winters Public Schools begin their public school careers, as the school bells rang Monday morning, with expressions of delight, wonderment, suspicion, and just . . .

Labor Day Golf Tourney

A Labor Day best ball golf tournament will be held at the Winters Country Club Monday, Sept. 4, with tee off at 10 a.m. for nine holes in the morning.

A covered dish lunch will be served at noon, with nine holes of golf afterwards.

Golfers may register with Sandy Griffin or at the country club.

School Enrollment Up Over Last Year

First-day enrollment in Winters Public Schools took a 24-student jump over the figures for the first day last year, according to Tommy Lancaster, superintendent of schools.

This year's total enrollment was 806 on the first day. In 1977, 782 enrolled on the first day.

A few more students—perhaps 10—are expected to enroll following the Labor Day holiday, it was said. This has been the experience of past years, although the number waiting

until after Labor Day to enroll has been decreasing during the past few years.

A total of 536 students were enrolled in the Primary and Elementary Schools on the first day. By classes, enrollment was:

Kindergarten—48
Grade 1—79
Grade 2—63
Grade 3—53
Grade 4—53
Grade 5—63

Grade 6—67
Grade 7—48
Grade 8—52
Special Education—10
HIGH SCHOOL
Freshmen—81
Sophomores—76
Juniors—61
Seniors—52
Total—270

Girl Injured On First Day Of School

Lee Bobbie Baker, 9, daughter of Mr. and Mrs. Kenneth Baker, received a broken leg when she was involved in a pedestrian-auto accident on North Main St. Monday a few minutes after 8 a.m.

She was taken by ambulance to North Runnels Hospital, and then transferred to Hendrick Medical Center in Abilene.

Driver of the car involved was Duncan Franklin Frame, of Abilene.

Investigating officers said the girl apparently was attempting to cross the street between moving cars and misjudged distance and ran into the side, or possibly the rear bumper, of the Frame auto.

Revival At Church of God Starts Sept. 3

Owen Childers will be the evangelist for a revival at the Pentecostal Church of God, 608 N. Cryer, beginning Sept. 3 and continuing for two weeks.

Services will be held at 7:30 each evening.

The public is invited.

Labor Day Holiday

Most businesses and the schools, and government offices will be closed Monday, Sept. 4, for Labor Day.

This is one of the several days during the year suggested by the Winters Chamber of Commerce

Will Charter Bus To Water Board Hearing

Winters' hearing before the Texas Water Development has been scheduled for Sept. 19, and the Winters Chamber of Commerce will charter a bus for those wishing to make the trip to Austin to attend the hearing for a show of solidarity.

Cost of the round trip to Austin and return will be \$12 per person, which does not include meals or other expenses.

The bus will be in front of the First

United Methodist Church to load, and departure time will be announced at a later date.

The chamber and city officials are encouraging everyone who can to make the trip to Austin to attend the hearing, at which Winters will make application for a permit for additional water and also for funding assistance.

Reservations for the chartered bus may be made by calling the chamber office, 754-5210.

Blizzards To Hawley For Scrimmage Friday

In a last practice outing before the beginning of the regular season Sept. 8, the Winters High School Blizzard varsity and junior varsity grid teams travel to Hawley for a scrimmage session Friday. Play will begin at 6 p.m.

Coach Les Fisher indicated this would be the last opportunity to observe the players before regular game action, and to give them experience which will be needed as the season rolls. Although general assignments already are in the making, it was indicated, there may be changes in the lineups after the Hawley scrimmage, and even up to the first game of the season, against Clyde Sept. 8.

The coach said at the present there will be 26 Blizzards on the traveling varsity squad. He expressed pleasure at the turnout for the scrimmage session on Blizzard Field last Friday, and urged a turnout for the Hawley

outing this week, to give an example of community support for the Blizzards.

Hodnett Sells Chick-Inn

The Chick-Inn, restaurant and drive-in on US 83 south of Winters, has been sold by J. C. and Tommy Hodnett to Mr. and Mrs. Artie Teague.

The business will be open from 5 a.m. to 12 midnight weekdays, and from 8 a.m. to 6 p.m. Sunday. They will specialize in short orders.

Teague was reared in Wingate, and has been farming in that community for the last two years. He previously was employed in the oil fields. Mrs. Teague (Patsy) has been employed in a local restaurant until recently.

Mr. and Mrs. Hodnett purchased the Chick-Inn from Mr. and Mrs. L. F. Wilson in 1966. He has been Justice of the Peace since 1975, and has moved the J.P. office to 203 S. Main.

ANN McDORMAN

New Supervisor Assigned To Winters Post Office

Ann McDorman, formerly of Abilene, has been assigned as Supervisor of Postal Operations in the Winters Post Office, succeeding Donnie Gibbs, who was promoted to postmaster at Menard recently.

H. M. (Jiggs) Nichols, Winters postmaster, said Mrs. McDorman assumed duties Monday of this week.

Mrs. McDorman began her Postal Service career as secretary to the Postal Inspector in Abilene, in 1970. In November, 1971, she became secretary to the Sectional Center manager at Abilene, and in March, 1977, became Customer Service Represen-

tative for the Abilene Sectional Center. She was Officer In Charge at the Giddings Post Office from March to June, 1978. From June to the time of the present assignment, she was a Customer Service Representative for the Sectional Center at Midland.

Mrs. McDorman and her husband, Royce McDorman, have two sons, Jeff 13, and Todd, 10. They are living at 611 West Dale in Winters. He is a retired postal employee, and is in real estate and other interests.

A graduate of Coleman High School, Mrs. McDorman has attended Cisco Junior College.

SPECIAL DAY—Mrs. Lillie Marks was honored during a special service at the First United Methodist Church Sunday, recognizing her for 30 years service as nursery attendant at the church. The pastor, Dr. Thomas Tribble, presented her with a plaque expressing the gratitude of the congregation. The Friendly Ladies Sunday School Class presented her

with a money gift. Mrs. Marks has been nursery attendant at the church since 1948. Present for the special occasion were her children, R. Q. Marks of Winters, Kenneth Marks of Midland, and Lena Rae Marks Dorst of Sunnyvale, Calif., and grandchildren, Lane Marks and Julie Marks, of Midland.

Poe's Corner
 BY CHARLIE POE

EUREKA SPRINGS
 Back in my college days there was a song that we liked to sing when we were gathered in the dining room at the dorm or at summer camps where we had large eating tables.

One group at a table would begin by asking a musical question and another would answer. For example:

"What did Tennessee boys, what did Tennessee? I ask you again as a personal friend, What did Tennessee?"

And the answer:
 "She saw what Arkansas boys, she saw what Arkansas. I'll tell you again as a personal friend, She saw what Arkansas."

Other states used were: What did Delaware? She wore a New Jersey. What did Iowa? She weighed a Washington. Where has Oregon? She went to her Okla-home. What did Idaho? She hoed a Maryland. And this could go on and on.

Another thing that reminded me of college days was having roommates on a recent KRUN sponsored tour to Arkansas and Tennessee. They were Hattie Minzenmayer, Hallie Sims and Bertie Bell McNeil, B.B. for short.

I'm not going to tell tales out of school but can you imagine four women in a room who are constantly dressing to go somewhere? One sprained her ankle and required first aid treatment, one had the "tummy ache" and one was always digging in her suitcase to see what she had brought, or didn't bring. And one lost the trousers to her best pants suit and I, I mean she, didn't know where she left them.

Anyway, I never learned what Arkansas, but I know what I saw in Arkansas—especially in Eureka Springs which was the most unique and inspirational stop on our journey.

By far, the most outstanding

JUNIOR HIGH students in Winters Public Schools swarm through the doors as they began another year Monday morning.

event at Eureka Springs, the little Switzerland of America, is the presentation of the Passion Play. This outdoor drama depicts Christ's last week in Christian history and is staged in natural scenery with an amphitheatre seating 4,400.

This drama is shown every night except Mondays and Tuesdays from the last of May until the last of October. Since we arrived on Monday, many things transpired before we saw the Passion Play on Tuesday night.

The Pine Mountain Jamboree on Monday night was highly entertaining and set the mood for Tuesday's sightseeing. Some of the jokes we heard were remembered and used by the tour group for the rest of the time. We started early the next morning in order not to miss anything.

Our first visit was to see Christ of the Ozarks, this giant statue is built on Magnetic Mountain. It stands seven stories high and portrays the Master with outstretched arms in such a way that even at a great distance, He appears as a giant cross. The statue may be viewed the year around. There is no fee and no denominational relationship, so it may be enjoyed by everyone of Christian faith.

This Statue of Christ, the largest in North America, is a gift to the Christian world from the Elna M. Smith foundation.

The Christ Only Art Gallery contains the life-time collection of the Smith family with nearly 500 portrayals of

Christ in every known art form—wood, metal, paint, embroidery, ivory, marble, porcelain, alabaster, ceramics and gold and silver. The gallery, built in the Mediterranean style of architecture, stands near the entrance to the Passion Play amphitheatre located on Mount Oberammergau.

The Smith Chapel houses the Bible Museum. Among the 7100 rare volumes, in 625 languages, are books and manuscripts written by hand centuries before the printing press was invented.

The greatest attraction at the Miles Mountain Musical Museum was the miniature animated mechanical circus with all the characters and animals one sees under the Big Top. There were all kinds of musical instruments: the old time cylinder and disc music boxes, the Hurdy Gurdy, key wind gramophones, the nickelodeon and many kinds of pianos. Many organs were displayed from the parlor variety to the German beer garden organs, military band and merry-go-round organs that were explained and played for us.

The Castle at Inspiration Point was another treat. Built by a German Immigrant, who discovered the spot while out hunting, in the 1900's. Lonesome for his homeland, he built his own "Castle on the Rhine." He employed masons and specified "point rock" construction that distinguishes the castle—triangular shaped stones that shade each other from the sun—creating a natural air-conditioning ef-

fect with the sun's heat radiating off the pointed tips of the rocks. Changing hands many times, the castle is now furnished with furniture and fixtures of early day fine homes as well as displays on the grounds.

Imagine our surprise and delight to learn that our guide was a Texan named Beth Cooke. She is the wife of Raymond (Stormy) Cooke and the sister-in-law of Mattie, Earl and Sam.

Following an afternoon of rest, we attended the Passion Play presented by Robert A. Hyde, director, actor and world adventurer, who had always wanted to present a drama based on the greatest moment in history, staged in natural scenery where exact replicas of the streets of Jerusalem have been reproduced. The cast numbering into the hundreds wear costumes which duplicate the colors and fabrics in the time of Christ. Elaborate equipment

has been installed for sound and lighting effects and the acoustics are perfect.

Beautiful Arabian horses, camels, sheep, doves and donkeys furnish realistic atmosphere for the sacred

presentation.

The drama of Christ's trial, crucifixion and ascension is so gripping that only muffled sobs broke the silence at the Tuesday night's performance.

Children Can Fix After-School Snacks

Children can fix their own nutritious after-school snacks.

Raw cauliflower with a tomato catsup dip is an easy snack for kids to fix themselves, suggests Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

To prepare the cauliflower, wash the vegetable and place on a cutting board.

Hold the head firmly with the left hand. Using the right hand, cut each floweret off the stem with the point of a sharp knife being careful to cut away from your hand, the specialist says.

Serve catsup seasoned with mustard, mayonnaise-based salad dressing or any favorite commercial dip with the cauliflower floweret.

Cold milk and crackers add nutrition to this favorite snack, she points out.

Cauliflower is an excellent source of vitamin C needed to hold cells together and to keep the walls of blood vessels strong.

Milk furnishes calcium needed for building bones and teeth.

Crackers contain energy producing carbohydrates, Miss Reasonover adds.

English Visitor Writes Letter of Appreciation

Annette Ramplee of Southampton, England, who visited a month during the summer with Vonda Webb of Winters, has sent the following note to The Enterprise, expressing her thanks for the "Winters hospitality" shown during her visit:

"To the Editor:
 "I would like to thank everyone who was so kind to me on my visit to Winters, Texas, through your newspaper if it is at all possible.

"I would like to thank everyone for their acts of kindness and their gifts that I received (during) my stay in Winters (June 27th to July 25th). I will never forget my wonderful visit.

"I would like to thank the Lions Club for the gift they gave me, and special thanks to the Webb Family who were wonderful hosts.

"I am most appreciative. Annette Ramplee (the English girl who stayed with Vonda Webb).

"P.S. Thank you for publishing a picture and write up on me on my stay in Texas (Winters). It's a really nice souvenir."

CARD OF THANKS
 We want to take this means of expressing our appreciation to the people of the surrounding areas for the food which was brought in and all the thoughtful acts shown during our recent sorrow. A special thanks to Dr. Lee and the nursing staff of North Runnels Hospital during the short time they were needed. Thanks also to Ted Meyer and his staff for the beautiful services. —The Langston Family. 26-1tc.

County, Texas, holding and claiming the same in fee simple, to-wit: Being all of Lot No. Six (6), and the West one-half (1/2) of Lot No. Seven (7), all in Block No. One (1), Forbus Addition to the City of Winters, Runnels County, Texas, according to the map or plat of said Addition now of record in the office of County Clerk, Runnels County, Texas, to which reference is hereby made for a more complete description. That after wards on the day and year last aforesaid defendants unlawfully entered upon said premises and ejected plaintiff therefrom, and unlawfully withheld from him the possession thereof, to his damage Twenty-Six Hundred and no/100 (\$2,600.00) Dollars. Plaintiff prays judgment of the court that defendants be cited to appear and answer this petition, and that plaintiff have judgment for the title and possession of said above described land and premises, and that writ of restitution issue, and for his damages and costs of suit, and for such other and further relief, special and general, in law and in equity, that he may be justly entitled to.

As is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Ballinger, Texas, this 15 day of August A.D. 1978.

Attest:
Myrt Jobe Clark,
District Court, Runnels County, Texas. 25-4tc.

ORDINANCE NO. 24
An ordinance providing for rabies control; reporting of animal bites; licensing of dogs and cats; restraint of animals running at large; restraint of vicious animals; impoundment of animals; licensing of kennels; prohibition of certain species of animals; prohibition of inhumane treatment of animals; and describing penalties for violating such provisions.

Be it Ordained by the City Council of Winters, Texas, that the places of the residents of each of the defendants are unknown. That on or about January 15, 1970, plaintiff was lawfully seized and possessed of the following described land and premises, situated in Runnels County, Texas, to-wit: Plaintiff is a resident of Runnels County, Texas, that the places of the residents of each of the defendants are unknown. That on or about January 15, 1970, plaintiff was lawfully seized and possessed of the following described land and premises, situated in Runnels County, Texas, to-wit: Plaintiff is a resident of Runnels County, Texas, that the places of the residents of each of the defendants are unknown. Krueger Sponsoring Bill To Help Texas Farmers

U.S. Rep. Bob Krueger is co-sponsoring legislation to "help Texas wheat farmers whose profits have plummeted, and aid consumers whose grocery expenditures have skyrocketed, through labeling which includes the cost of farm products on loaves of packaged bread."

"Currently, consumers can eat toast in the morning, sandwiches at lunch, more bread at dinner, and still

never know exactly how little the wheat farmer gets for supplying the ingredients contained in this valuable food staple," Krueger said.

The legislation co-sponsored by Krueger, the "Bread Labeling Act," would require bread labels to indicate the cost of farm products contained in each packaged loaf of bread sold in the United States. The cost listed on the label would be based on the average cost for the previous marketing year.

Young Farmers Will Meet Next Tuesday

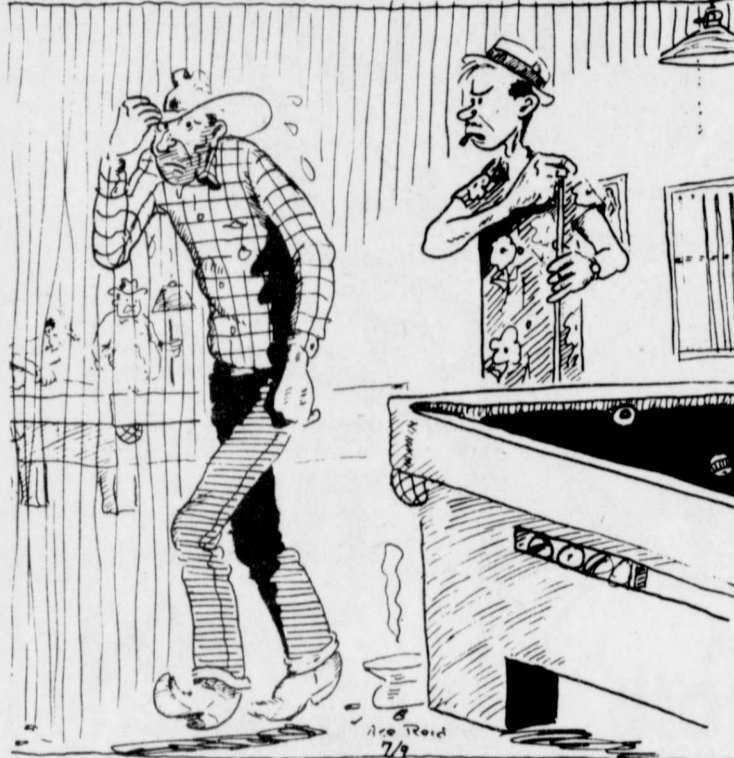

Because of Labor Day, the regular meeting of the Winters Young Farmers will be held Tuesday, Sept. 5, at 8 p.m., in the vo-ag building, instead of on Monday.

The Agricultural Extension Service will present a program on small grains.

Runnels County Beef Cattle Field Day Set

A Runnels County Beef Cattle Field Day has been scheduled for Sept. 12 and 13. The Field Day is sponsored, according to Dale C. Brandenberger, County Extension Agent, by the Runnels County Beef Cattle and Range Subcommittee and the First National Bank of Ballinger.

It will involve an evening session starting at 7:29 in the Runnels County Courthouse in Ballinger. Dr. Jerry Cowley, Area Beef Cattle Specialist with the Texas Agricultural Extension Service stationed in San Angelo, will discuss supplemental feeding based on Range Forage Quality. The program will also feature Dr. J. N. Wiltbank, of the Texas Agriculture Experiment Station in Beeville, Texas. Dr. Wiltbank will discuss nutritional needs for reproduction; effects of heifer weight on breeding; measuring pelvic width of heifers (to predict calving difficulty) and calving 1st calf heifers (methods, techniques and management).

The evening program will be the basis for the demonstrations that will start at 9:30 a.m. Sept. 13 at the Otto Gottschalk Ranch, 1 mile East of Ballinger. (9:15 a.m. leave the Runnels County Courthouse).

Dr. Wiltbank will be selecting bulls for fertility, discussing cow condition as it affects rebreeding and demonstration of pelvic measurement. This should be an excellent program and of great interest to area beef producers.

The program will conclude with a noon bar-b-que lunch - Dutch Treat - at the ranch.

Emergency Loans Available From Farmers Home Administration

Emergency loans for farmers, ranchers, or aquaculture operators are available through county offices of the Farmers Home Administration (FmHA), Thomas E. Hill, FmHA County Supervisor, said this week.

Mr. Hill asked that those who need farm credit as a result of drought, January 21, 1978 through August 2, 1978, and heavy rain August 3, 1978, make their needs known at the Farmers Home Administration office at the Runnels County Courthouse, Ballinger, Texas, each Tuesday.

Applications for assistance in the disaster stricken counties will be accepted by Farmers Home until May 21, 1979 for physical losses and August 23, 1979 for production losses.

FmHA loans covering actual physical and production losses may be used to replace installations, equipment, or buildings, (including homes) lost through this disaster. Funds may be used to buy feed, seed, fertilizer, livestock, or to meet interest and depreciation payments on current real estate and chattel debts. Other loans, beyond actual losses, can be made for annual operating expenses or to make major adjustments in a farming or ranching operation.

"Funds can be used for essential operating and living costs," Mr. Hill said.

Loans covering actual losses are made at an interest rate of three and five percent and are scheduled for repayment as rapidly as feasible consistent with the applicant's reasonable ability to pay. Loans beyond actual losses have various maturities, depending upon the purpose of the loan.

The interest rate for short-term loans for farm operating purposes is three (3) percent. Long-term loans

are being made at an interest rate of 8 1/2 percent. To be eligible for an emergency loan, an applicant must have suffered losses from the disaster and be unable to get credit from other sources.

Emergency loans can be used to help the farmer restore damaged farm operations and additional loans based upon the emergency designation can be used to reorganize the farm for greater efficiency and better production.

Free Tickets To WT Fair Now Available

The West Texas Fair this year will have free days for area school children. Free day for all Big Country School children, except Abilene, will be Tuesday, Sept. 12. Abilene children will get in free Sept. 11.

Children will be admitted to the fair free all day until 7 p.m. After 7 p.m., regular gate admission will be charged. A coupon admitting the children into the fair is being run in The Enterprise, and other area newspapers.

Fertilize For Quality Fall Hay

With the right growing conditions, high quality hay can be produced as late as September and early October. And a forage specialist says producers can help Mother Nature provide the right conditions.

Don J. Dorsett, with the Texas Agricultural Extension Service, says a high quality last cutting of hay requires fertility and prime growing conditions, especially moisture.

Dorsett says production from residual nitrogen fertilizer which was applied in April, May or June should not be expected.

"If additional hay or pasture is needed and can be used, an application of nitrogen fertilizer is the main control an individual has to increase production," the specialist says. He suggests applying at least 50 pounds of actual nitrogen per acre (150 pounds of ammonium nitrate.)

VISITED PARENTS

Lt. Col. and Mrs. Gerald K. Terhune visited Wednesday with her parents, Mr. and Mrs. Jake Presley. Col. Terhune is retiring from the U.S. Air Force after 20 years, and the family will live in Arlington. They have two sons, Chris and Steven, who visited two weeks with their grandparents.

Levels of production, protein and digestibility of fall-produced pasture and hay can be near spring levels if sufficient fertilizer is applied and timely rains fall.

"The probability of September rainfall is good and should be used in planning forage activities," says Dorsett. "Take advantage of these improved forage production conditions by planning pasture and hay land fertility now."

RETURNED HOME

Mr. and Mrs. B. W. Vick have returned from Hale Center where they visited Mr. and Mrs. Perry Vick and new daughter, Melanie Renee, born Aug. 11 at the High Plains Hospital. The baby weighed 5 pounds 4 1/2 ounces, and was 19 inches long. Great-grandmother is Mrs. Parrie Carwile of Winters.

Miss Morton and Mr. Roach Wed Recently

Miss Susan Diane Morton and Mr. Mark Roach were united in marriage on August 11, at 8:00 p.m. by Rev. Stanley M. Brown at Handley Baptist Church.

Parents of the bride are Mr. and Mrs. Victor Morton of 7105 Meadowbrook Drive. Mr. and Mrs. Donald E.

Roach, formerly of Winters, are parents of the groom.

Both the bride and groom graduated from Eastern Hills High School. She is employed at Cox's on East Lancaster, and he works for Arlington Off Roaders Association.

Crews

If you don't have bad days you won't recognize the good days.

We're glad to hear Jack Beagg is doing real well and came home Thursday from the San Angelo hospital. Mr. and Mrs. Carl Bull of Tow are staying with him a few days.

Mrs. Marion Wood returned home from Fort Worth after staying with her mother, Mrs. Katie Bodine, who fell while she was visiting

her daughter, Mrs. Jean Huffman in Temple. She didn't break a bone but lots of bruises. Mrs. Bodine came home with Mrs. Wood to stay a few days.

Mrs. Ralph Lopez had a real good turn out of ladies at her Tupperware party Saturday afternoon.

Hilda Kurtz visited with the Monroe Kurtzes at Winters Wednesday.

Mrs. Effie Dietz visitors were Ira Klutts of San

Angelo, Cecil Hambricht, Clara McKissack, Corra Petrie, Mr. and Mrs. Alfred Colom of Friendswood.

After church services dinner guests in the Sam Faubion home were Mr. and Mrs. Fred Tyree, Jana and Sammie, Bro. Ken Jenks and family of Brownwood, Dr. Charles Jenks and family of Concord, Calif. Their parents, Rev. C. P. Jenks of Kansas. Jana wishes me to say there were 62 in Sunday School Sunday.

Mr. and Mrs. Rodney Faubion had lunch Thursday for the Charles, Ken and C. P. Jenks families. Also Mrs. Nila Osborne.

The Burley Campbells visitors were Mr. and Mrs. Bob Irving of Winters, Mr. and Mrs. Jack Warren of Lamesa, Mrs. Marvin Hambricht of Ballinger, Marvin Gerhart.

The Jenks families were dinner guests with the Noble Faubions on Friday.

Mrs. H. P. (Mildred) Morrison has gone to San Antonio where she will start her 5th grade teaching. She will make her home here for a while.

Sorry to hear Mrs. Lillie Osborne is ill and in the North Runnels Hospital as of Thursday. She was some better on Sunday morning.

During the week with the Doug Bryans were Mr. and Mrs. Dewitt Bryan, Mr. and Mrs. Leland Bryan, Brent and Vicki, Cheryl Bryan, Susan, Angel, Joe Bryan, Mr. and Mrs. Bob Booth were supper guests Friday night.

Mr. and Mrs. Bill Grissom and sons of Hamlin spent the weekend with the Boyd Grissoms. The John Sims family joined them for Sunday dinner.

Mr. and Mrs. Johnny Mathis and Mark of Abilene, Mr. and Mrs. Johnny Denson, Jennifer, Aaron and Issac of San Angelo, Mr. and Mrs. J. B. Denson, Sharon Wilson and daughter attended the Hopewell Revival and visited Mrs. Amber Fuller. Some for dinner and others for supper.

Mrs. Amber Fuller attended the funeral of her old friend, Mrs. Willie Terrell in Winters Friday.

Mrs. Alta Hale spent part of Thursday with Mr. and Mrs. Ralph McWilliams in Winters and part of Wednesday afternoon with the Play Brevards in Ballinger. Also had a nice chat with Mr. and Mrs. Frank Patardige of Talpa.

Mr. and Mrs. Horace Stokes of Talpa and Mrs. Alta Hale attended the musical in Echo Saturday night.

Mr. and Mrs. Calvin Hoppe were in Liberty Hill to see the Jack Zillers and granddaughter Anricka.

Mr. and Mrs. Andrew Michalewicz, Mr. and Mrs. Roy Schaefer, Mr. and Mrs. Herbert Jacob and Mark, Mr. and Mrs. Walter Jacob had a picnic at Hord Creek Lake Sunday. Lots of food and 42.

Back to school kids?

The first known newspaper story on baseball appeared in the New York Mercury in 1853.

Erin Pentecost Died Wednesday Of Last Week

Mrs. J. B. (Erin McWilliams) Pentecost, 90, widow of the late Dr. J. B. Pentecost, longtime Winters physician, died at 12:05 p.m. last Wednesday in North Runnels Hospital after a lengthy illness. Services were at 10 a.m. Saturday in First United Methodist Church.

Dr. Thomas Tribble, pastor, officiated. Burial was in Lakeview Cemetery, directed by Winters Funeral Home.

Born March 21, 1888, in White Chapel, near Glen Cove, she married Dr. Pentecost in 1906, at White Chapel. They moved to Winters in 1915. She was a member of First United Methodist Church.

Dr. Pentecost died in 1958. Survivors include two daughters, Mrs. Hollis Bennett of San Angelo and Mrs.

Houston Self of Abilene; two grandchildren; and four great-grandchildren.

Pallbearers were Jack Self, Roger Robinson, John Gardner, Bill Pentecost, Kenneth McWilliams, Weldon Brown, H. M. Nichols, David Banner and Buford Baldwin.

Honorary pallbearers were Dr. C. T. Rives, Dr. Yung Kee Lee, Dr. Ronald McWilliams, Edd Martin, Eddie Voelker, Leland McWilliams, August McWilliams and Rankin Pace.

D. Whittenburg Got Degree From ASU

Debra Helen Whittenburg of Winters was among 191 students receiving degrees during summer commencement at Angelo State University Friday evening.

Featured speaker for the evening's program, which was held in the Physical Education Complex, was Alan W. Ostar, the executive director of the American Association of State Colleges and Universities.

Debra graduated with a B.S. degree, majoring in Elementary Education.

NEWCOMERS

Mr. and Mrs. Frank O. Deike of Abilene announce the birth of a daughter, Julie Darleen, born Aug. 21, 1978, in Abilene. The baby weighed 8 pounds 6 ounces. Maternal grandmother is Mrs. Billie Boswell of Paint Rock. Paternal grandmother is Mrs. Fritz Deike of Winters. Paternal great-grandmother is Mrs. O. K. Paschal of Winters.

Mr. and Mrs. Bobby Briley announce the birth of a son, Kevin James, born Aug. 22, 1978, in San Angelo. The baby weighed 7 pounds 14 ounces. Grandparents are Mr. and Mrs. O. G. Davis of Raymondville, and Mr. and Mrs. W. J. Briley of Winters.

CARD OF THANKS

Your business has been appreciated. We want to thank all the customers and friends of the Winters area for their business during the 12 years we have operated the Chick-Inn. We hope you will continue to patronize Patsy Teague, who has purchased and is operating the business. -Tommy and J. C. Hodnett. 26-1tp.

K. W. King Got Degree From STSU

Kelly Wayne King of Winters was among the 755 students who filed for diplomas awarded in summer commencement ceremonies August 19 at Southwest Texas State University.

The commencement address was delivered by State Treasurer Warren G. Harding, a former resident of Dallas.

Degree candidates included 227 seeking master's degrees, 722 seeking bachelor's degrees and 32 associate degree applicants.

Miss King, daughter of Mr. and Mrs. Wayne King of Rt. 3, received a bachelor of science in criminal justice degree.

She was a member of Phi Theta Kappa fraternity.

Laundry Detergent Cost Per Load

Figure cost per load for economical laundry detergent buys, advises Lillian Chenoweth, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Many consumers become confused when trying to compare laundry detergents by price, she says.

Although price is not the only factor involved in selection, it's an important consideration.

One problem is label directions that call for using a cup or so of detergent—volume measurement—while the net contents of the box is given in weight measurements.

To calculate the cost per load of a powdered detergent, first, determine its density—the weight per unit volume, the specialist suggests.

For example, the label of a box of powdered detergent states these facts:

—Net weight: 49 ounces
—Price: \$1.48
—Recommended use: one cup per load

Now, determine the weight of one cup. Assume this sample cup weighs 2.2 ounces. Divide this 2.2 ounces into the net weight of detergent in the box, 49 ounces, resulting in a figure of 22.3 loads per box.

The cost per load is then determined by dividing total cost, \$1.48, by 22.3 giving a cost of about six cents per load.

Don't confuse distinctions between fluid ounces—volume—and ounces avoirdupois—weight.

This confusion is not present with liquid detergents since both the contents and the use suggestions are in liquid measurements, the specialist points out.

Be Busy Sewing Club Meeting

The Be Busy Sewing Club met Monday in the home of Mrs. Lilly Shott. Handwork was done for the hostess.

Present were Mmes. M. H. Hogan, Bill Millior, Louis Blackmon, James Torrence, Becky Poe, Eura Lloyd, Nadeen Smith, Etta Bryant and the hostess.

The next meeting will be in the home of Mrs. Louis Blackmon Sept. 11.

BEDFORD INSURANCE AGENCY

Not Satisfied? Are You Career Disturbed? Do You Have the Desire to Build Your Own Business?

Shaklee Corporation (along with Owl Drug Store in Coleman) can help you build a business that has all of the essential ingredients:

- You will have a superior product line that is timely and has been proven.
- You will have a proven marketing plan. Our program is unique—no territories—outstanding incomes.
- You will have the guidance and assistance of one of the fastest growing leaders in the company.
- You will have a non-contributory retirement—not based on your age or 20 years with the company—based solely on performance.
- You will have security.
- You will have a car program—earn a bonus car in our business. Your performance will determine what you drive—Monte Carlo - Olds Cutlass - Granada - Continental - Cadillac of your choice.
- Deduct \$1000 - \$2000 as business expenses each year on income tax.

Shaklee is 2nd in direct sales only to Avon and is closing in fast—Shaklee has largest fleet of cars in the world—You will have occasion to travel. Shaklee has paid for trips for entire families to Hawaii, Puerto Rico, Acapulco, London. You could go with us on our trip in the future, and also earn a beautiful bonus car. Incomes vary from a few dollars per month to over \$25,000 per month. The variables that determine the income are desire, effort, commitment, vision, persistence and time in business.

The gentleman that got Owl Drug Store in the Shaklee business quit a \$48,000.00 a year insurance job to go full time into Shaklee sales. This is no gag or joke. Don't judge us by stories on Amway, Fuller, Avon, etc.—we are here to stay and to help, and encourage and develop Shaklee distributors and Shaklee products.

Retailers as well as individuals invited. [We will do over \$60,000 business this year in Shaklee alone, and a projected \$125,000.00 in 1979 out of a retail pharmacy].

Where will you be and what will you be doing in five years if you continue to do the same things you are doing today:

FOOTBALL—Some of the action on the field Friday night, as the Winters Blizzards engaged in a scrimmage session with Jim Ned. Coach Les

Fisher said the team showed the lack of technique, in running plays from formations new to them, but they will gain experience and the needed

technique before the 1978 season is very old. He expressed great confidence in the team, however on the light side weightwise.

Blizzards Show Promise In Scrimmage With Jim Ned

The Winters Blizzards hosted the Jim Ned Indians Friday night for the first scrimmage of the 1978 season.

The junior varsity started the scrimmage with the offense running 20 plays against the Indians junior varsity defense then 20 plays on defense. The offense was held inside the six yard line after a 60 yard run by quarterback Rusty Allen on a keeper off the option.

The junior varsity moved the ball well on the inside veer on the option but were unable to score. Rusty Allen was the leading ground gainer with his 60 yard run. Mark Whitlow picked up 45 yards on six carries. Toby Gerhart gained 24 yards on the outside option.

The offense moved the ball with more precision than was expected this early in

the season. In order to move the ball, the passing game will need some improvement which Coach Fisher says they will work on this week.

Stand outs for the Blizzards junior varsity were Tommy Silas at right offensive tackle and Wayne Green at center.

The varsity ran 20 offensive and 20 defensive plays against the Jim Ned varsity. The Blizzards defense held the Indians inside the 20 yard line twice and Jim Ned held Winters twice inside the 20.

The offense was able to move the ball although the passing game was not smooth. The dump pass to the tight end worked though. Coach Fisher said, "The team was really high for the scrimmage and therefore made many mistakes with the new offense. This offense

is difficult to run smoothly after two weeks workout." The varsity failed to score.

Varsity standouts were Chuck Evans who had the longest yardage gain of 55 yards. Pat Silas had a 45 yard run. Jim Bob Webb stood out at offensive center and defensive tackle. Donald Baize had a good game on defense and Nathan Tekell played good on offense and defense. Two other standouts on the varsity squad were sophomores Scott Hall and Brian Davis.

The second team varsity wrapped up the evening for the Blizzards. Scott Billups completed a long pass to Robert Johnson for Winters only score of the scrimmage.

Coach Fisher stated, "Needless to say, we didn't look as smooth as we

anticipated offensively. We tried people in different positions and we're still looking at one more move before the next scrimmage.

Defensively, playing out of the straight five, without stunting, we had good effort but we had some technique breakdowns at defensive ends and linebackers. If we can keep the confidence and excitement going that we have now, we will have a good scrimmage next Friday. By then we'll have all the personnel changes made and this week we'll be adding some more offense as we only ran four offensive running plays against Jim Ned. We're looking forward to this week's workout to correct the mistakes we made last week."

The next scrimmage will be at Hawley starting at 6:00 with the junior varsity. "We plan to take all 61 players to Hawley and hope to be able to play all of them and take another look at each one," Coach Fisher said.

Articles By Students In Book

The goal of West Texas Schools' American Heritage Project has been to give the young people an appreciation and understanding of their great American Heritage.

For several years, a banquet was held at Abilene Christian University, with area junior high students and teachers invited to hear an outstanding speaker. However, according to Mrs. Raymond Schwartz, the group wanted something more permanent, and the idea of capturing bits of history that might otherwise be lost forever resulted in publication of the 61-page Vol. I, "Big Country, Places, Events and People."

High school students from a 15-county area submitted articles. College professors, superintendents and high school teachers screened these articles, and articles about people in the Winters area include "Audra Mercantile Store and Bradshaw," by Tye Rougas and Terry Sneed; "Belitz's Bakery," by Darrell Kurtz; "Mechanic, Farmer, Architect, Inventor—That Was Adolph Pruser," by Malcolm Brede-meyer. Other titles include "Don't Spit In the Courtroom," "Jump Back, He's Gonna Get You Again," and "They Hung Santa Claus!"

Copies of this book sell for \$1.50, and are available at the Winters State Bank during the next week. Or those desiring copies may call Mrs. Raymond Schwartz at 754-4262. Proceeds from the sale of the book go to the local high school Historian/Genealogy Group.

Blizzard Boosters Are Organizing

A wave of enthusiasm engulfed members of the Blizzard Boosters Club Monday evening, as they met to make further plans for the football season.

Where only 21 had shown up for the initial meeting last week, 91 signed in Monday night, and promptly began laying a framework for an active association this fall.

Bob Browning, president, and Diana Billups, treasurer, reported a total of 124 individual members and 41 business memberships had

been signed up, and plans are to add another 100 members within the next few days.

Members voted to order Blizzard Booster caps—blue and white, with the Blizzard emblem—to properly mark Blizzard team boosters during the season. Caps may be purchased for \$5 each when they arrive, hopefully in time for the opening football game with Clyde.

Members of the coaching staff and their wives were introduced, and Head Coach

Les Fisher showed films of the scrimmage held last Friday night. He told the Boosters he and the other coaches were excited about the season and prospects, and encouraged an air of enthusiasm among members of the booster organization.

He said response has been good among community residents in the call for a solid backing for the WHS athletic program and team members.

Coaches' wives provided cake and coffee for the membership, and team mothers will furnish refreshments for the next meeting, to be held next Monday night in the school cafeteria, at 7 p.m. Cheerleaders served the refreshments. Browning expressed the special thanks of the organization to Van Ray Whittenburg for donating the coffee maker.

Football Schedule
