Blizzard Relays Here Saturday

The annual Blizzard Relays, hosted by Winters High School, will be held at the school track and field Saturday, March 24, with a scratch meeting to begin at 9 a.m.

There will be seven boys' teams entered in the relays, and eight girls' teams. Schools accepting the invitation to participate in the Blizzard Relays include Jim Ned, Wylie, Anson, Baird, Coleman, Haskell, who will send boys' teams, and Clyde, Jim Ned, Wylie, Anson, Baird, Coleman and Brady, who will send girls' teams. Field events will begin at 9:30 a.m., with the long jump, shot put, high jump and pole vault events. Girls' triple jump event will begin at 10:30.

At 9:30, the discus event will be held.

Prelims in the running events will begin at 9:30, with the following schedule:

440 relay, girls; 440 relay, boys; 220 dash, girls; 100 dash, boys; 440 dash, boys; 86 low hurdles, girls; 330 intermediate hurdles, boys; 880 relay, girls; 220 dash, boys; and 100 dash girls.

Following the lunch period, finals will get underway at 2:30, with the following events sequenced: 440 relay, girls; 440 relay, boys; 440 dash, girls; 120 high hurdles, boys; 100 dash, boys; 80 low hurdles, girls; 440 dash, boys; 880 relay, girls; 330 intermediate hurdles, boys; 100 dash, girls; 220 dash, boys; 880 dash, girls; mile run, girls; mile run, boys; mile relay, girls; and mile relay, boys; scheduled for 5:15 to end the contests.

Trophies will be awarded to first and second place teams, and for first place relays. Medals will be awarded to the first three places in each event.

Air of Secrecy Surrounds Appointment of Official

A cloak of secrecy has been drawn around the probable appointment by Runnels County **Commissioners Court of a person** to the office of Runnels County Treasurer, to fill the vacancy created by the death last Friday of Otis Jacob, who had been in that office since 1959.

The Commissioners Court will meet Thursday, March 22, at 10

there were several – maybe 15. It was learned Tuesday afternoon that eight persons had applied for the appointment.

In refusing to release the names of those who had applied for the position, Judge Stultz said that "the commissioners want it that way." He also said, when reminded that there was no time for adequate information to reach the public, that the commissioners did not "care about a lot of publicity."

However, he did say he knew the names of at least two of the persons applying. He said that as he understood the matter, the Commissioners were not against releasing the names of the candidates, and that he believed much study should be made before the appointment is actually made.

The Enterprise was not suc-

Winters City Lake was filled, with water running deep over the spillway Tuesday morning.

County Commissioner David Carroll, Prec. 2, reported some of

a.m., "in 'executive session," ac cording to the county judge, to discuss candidates and to make the appointment.

The Enterprise was informed Monday by Runnels County Judge Bill Stultz that the Commissioners Court will have a called meeting Thursday of this week to make the appointment.

The Enterprise contacted Judge Stultz Tuesday morning to obtain additional information, including names of potential candidates for the office. Judge Stultz refused to divulge the names of those who have applied for the appointment, but did say

Commissioner David Carroll, Prec. 2, told The Enterprise later Tuesday that he was in favor of notifying the public of the possible appointment of a county official; that the public had a right to know about the plans in plenty of time for others who would like to be considered to make application. He also said he was in favor of releasing the names of the candidates who had submitted applications, but that he could not obtain all of them himself.

The called meeting at 10 a.m. today (Thursday, March 22) probably will be held in the commissioners court room in the courthouse in Ballinger, although the judge did not say where it was to be held. The commissioners will meet in executive session to discuss only the qualifications of those applying for the position; voting on the appointment and other announcements will be an open meeting.

Revival Set At Pentecostal Church of God

Ed (Bubba) Johnson of Fort Worth, a native of Winters, will be the evangelist for a revival at the Pentecostal Church of God, March 23, 24 and 25.

Special gospel music will be featured, Leon Lorton, pastor, said.

Services will begin at 7:30 p.m. each evening of the revival. The public is invited.

Most of the terraces in fields in the vicinity of Winters and North Runnels were full following the heavy downpour, and some reports of terrace losses were

School Tax **Exemptions** Due April 1

Applications for filing for the new \$5,000 homestead exemption for 1979 in the Winters Independent School District is April 1, J. B. Smith, WISD tax assessorcollector, has reminded.

The exemption application forms were sent to all taxpayers in the district some time ago, and must be completely filled out and returned by April 1 to qualify for the exemption, Smith said.

School Plant Insurance Increased

The board of trustees of Winters Independent School District last week accepted the low bid of \$17,073, submitted by Norman Insurance Agency, for a three-year policy covering all school buildings.

The policy is for a value of \$1,729,630, with the premium \$4,667 more than it was three

the county roads damaged, with at least one bridge requiring extensive repair, which was underway Tuesday.

Monday's rainfall brought to total moisture received in March in Winters to 4.69 inches. Total for the year is 7.21, according to Roy Rice.

Revival At **First Baptist Starts Sunday**

The Rev. Randy McDonald, evangelist of Arlington, will preach during a revival at the First Baptist Church, beginning Sunday, March 25, and continuing through April 1.

His wife, Jacque, will be featured as a soloist each night during the revival.

Services will be at 11 a.m. and 7 p.m. Sunday, with weekday services at 10 a.m. and 7:30 p.m.

Bill Denton will direct the music for the services.

The Rev. McDonald has been in the evangelist field for several years. His wife traveled the nation for six years as a soloist for evangelistic crusades.

This will be a return engagement for Mr. Denton. He directed the music for a revival in the church last fall.

The public is invited to attend these services.

County Treasurer Otis Jacob Died

Otis K. Jacob, 66, treasurer of Runnels County since 1959, died at 10:40 a.m. Friday, March 16, in Ballinger Memorial Hospital.

Funeral services were held Sunday afternoon at Ave. B. Church of Christ in Ballinger, with Rex Kyker, Church of Christ minister of Abilene, officiating.

Burial was in Evergreen Cemetery in Ballinger under direction of Rains-Seale Funeral Home.

Born Dec. 8, 1912, in Temple, he married Mildred Fulcher Aug. 18, 1934, in Ballinger.

Jacob served in the U.S. Navy during World War II, and was a member of the Veterans of Foreign Wars, the American Legion, the Ave. B. Church of Christ, and the Ballinger Noon Lions Club.

Survivors include his wife; a daughter, Kay Mills of Goldthwaite; a sister, Mayola Cathey of Wingate; three brothers, Roy Jacob of Ballinger, W. A. Jacob of Abilene and E. B. Jacob of Austin; two grandchildren, Sheri Mills and Kyla Mills, both of Goldthwaite.

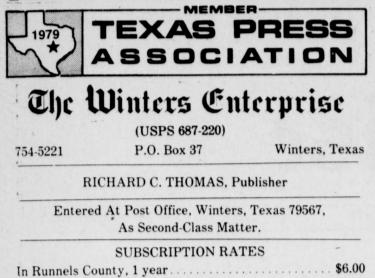

The Runnels County courthouse was closed Friday afternoon in honor of the longtime county treasurer.

WHAT IS ITS FUTURE?-For more than a year, the building which originally had housed the Winters City Light Plant, has remained empty. There have been several suggestions for its future, including a building for the fire department, additional office space and shops, another community center, or a museum. According to most opinion, the building is structurely sound, and with some work could be

remodeled for just about any use. There are some deep pits in the floor, but these could be filled. Winters City Council has been studying suggestions. If you have a suggestion, let the council know.

Rankin Pace has the most vivid memories of Wagon Tire Flat as he accompanied his father on the two-day wood hauling trips to the area. He said that they crossed the flat which included several creeks and went on to the Odom ranch, later known as the Wylie ranch, and gathered their wood.

A sixteen wagon caravan usually went, al the available men and boys from the Pumphrey Community, and some carried two wagons.

Standard equipment on most wagons was one or more singletrees and a doubletree-as the wagons loaded with wood on the return trip had a difficult time. Two teams would be hitched to a wagon to get it across a creek, and in this way the drivers helped each other. Some were too ambitious

In some Scottish Universities there is a traditional holiday at the beginning of the year called "Meal Mon-day." The name goes back to the old days when students from the Highlands went to the universities in the south, taking with them a bag of oatmeal and a barrel of salt

herring. It was the tradition in the Highlands that, no matter how poor the family, at least one son must be sent to the university so that he could qualify as a minister or a teacher.

The oatmeal and the herring were to keep the student going through the session, so that his diet for months would be mainly porridge and fish, explains Teacher's Scotch Information Centre.

The Scottish Lowland students became accustomed to seeing Highland students arriving with their bag of meal and their barrel, and that was how "Meal Monday" got its name.

In old China, it was believed powdered jade would strengthen the heart, lungs and voice.

Historians claim that the game of cat's cradle goes back to the Stone Age.

The top 3 sorghum hybrids for the Rolling Plains are all from **Pioneer.**

That's a mighty bold claim, we admit. But in farmers' fields, county agent test plots, wherever they're grown in Central Texas, these grain sorghum hybrids from Pioneer consistently out-perform competitive hybrids. Each of our hybrids is bred to meet specific growing conditions. When thoughtfully selected and managed to meet the conditions, Pioneer brand sorghums deliver winning performance.

Don't take our word for it. Ask your Pioneer dealer about yield data in your area. You'll see for yourself, the consistent performers on the Rolling Plains are all from Pioneer.

Still a favorite after all these years! Drouth tolerance puts 846 ahead of the pack under stress conditions. It doesn't have all the disease tolerance of some newer hybrids, but where it can be grown, 846 is the hybrid many farmers stick with.

Drouth tolerance with high yield potential. Hard textured, heavy test weight grain. Hard seed coat provides excellent weathering qualities. Some greenbug tolerance.

Greenbug tolerance without sacrificing yield! Better early-season vigor than many 8451 competitive greenbug tolerant hybrids. Exellent stress tolerance makes 8451 a good hoice for dryland.
