VOLUME SEVENTY-FIVE

WINTERS, TEXAS 79567, THURSDAY, APRIL 19, 1979

PRICE 16 CENTS

NUMBER 6

**CITY FATHERS**—Left to right, E. J. Bishop, mayor pro tem; Alderman Randy Springer; City Secretary Buford Baldwin; Mayor W. Lee Colburn; Aldermen Charles Hudson, Jimmy Hatler and Ted Meyer.

## New Mayor, Two New Aldermen

W. Lee Colburn, who was elected in the city election April 7, took the oath of office as Mayor of the City of Winters at a regular meeting of the City Council Monday night, and Charles Hudson and Ted Meyer, also elected April 7, were administered oaths of office.

Mayor Colburn succeeds Homer Hodge, who is stepping down after 12 years' service on the council as an alderman and mayor. Retiring Mayor Homer Hodge administered the oath to Charles Hudson, and then administered the oath to the new mayor. Mayor Colburn then administered the oath to Ted Meyer.

Retiring aldermen were Al Scates and Earl Roach.

Upon taking office, Mayor Colburn told the council and others present that he was stepping into the public office "with a sense of

humbleness," and was grateful for the support and confidence shown by the public in placing him in office. He said he would lean heavily upon the experience of others on the council, the city secretary, the legal counsel, and would be "calling upon the outgoing mayor for advice and support."

Mayor Hodge, upon leaving office, expressed thanks to all who have lent him support over the 12 years he has been in public office, six as an alderman and six as mayor. He said Winters has come a long way since he became a public official, and much has been accomplished, through the efforts of many people, and the determination and cooperative attitudes of the city council members and other community leaders. He pledged his support and help in the future, to lend any

## Two New Members On School Board

Two new members took their seats on the board of trustees of Winters Independent School District Tuesday night during a regular meeting, following election to office April 7.

Freddie Bredemeyer is a new member, serving in Place 6, and Randall Conner will serve in

Place 7.

The board was to organize and elect officers Tuesday night.

Other members of the WISD board of trustees are Delbert Kruse, Roscoe Morrison, Gene Wheat, Gary Pinkerton and W. M. Hays.

## Heart O' Texas Assn. Open House Saturday

Heart O' Texas Savings Association will hold open house at their Winters branch office Saturday, April 21.

A ribbon cutting will be held at 11:30 a.m., with city officials and Chamber of Commerce representatives present.

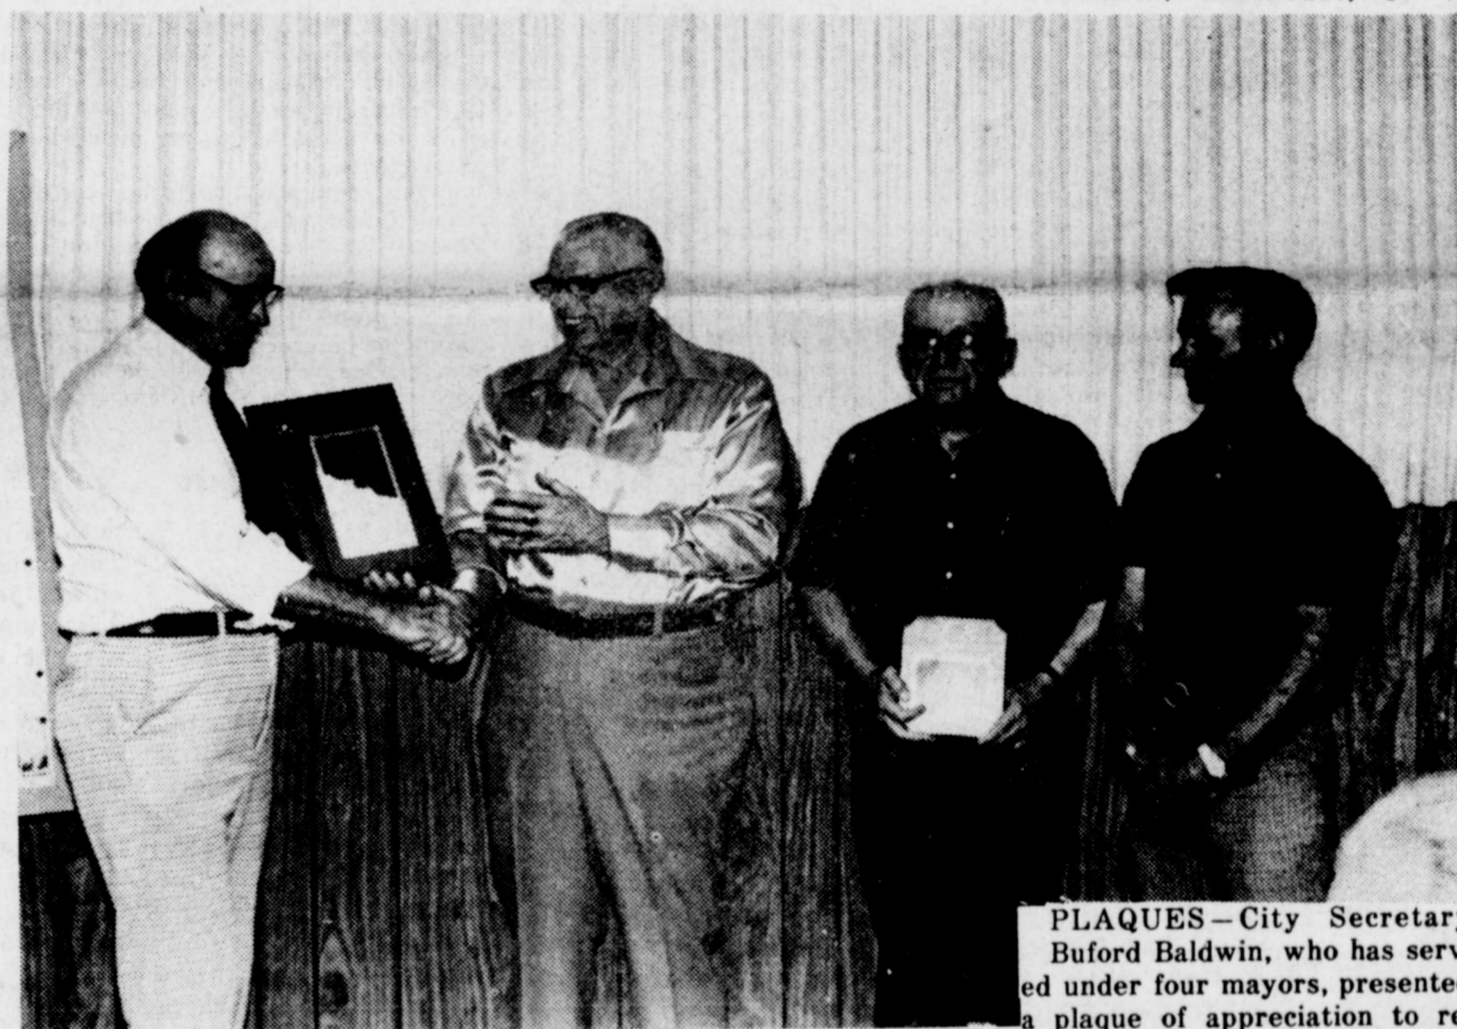

The Winters High School Blizzard Band will give a concert during the open house celebration, from 10:45 to 11:30.

Most of the directors of the association will be present for the open house affair. Mrs. James (Sue) Spill of Winters is branch manager. She said refreshments will be served, and has invited everyone to visit the Winters branch office, located adjacent to

Winn's and Piggly Wiggly stores.

Heart O' Texas Savings Assn. was established in 1890, and is the third oldest such association in the state, Mrs. Spill said. Home offices are at San Saba, and the association has another branch office in Ballinger. The Winters branch office was opened only a few weeks ago.

Directors of the association are Reuben Senterfitt, chairman; Wade White, Winters; Frankie Berryman, Ballinger; and G. P. Adams, B. J. Park, George Amthor, Lee Ray Eckert, Jesse Miles, Paul Golding, Joe Allen Roberson, Harry Shapiro, Harry Trimble, Jack Miller, Tim Stern and Keith Shahan.

**PLAQUES**—City Secretary Buford Baldwin, who has served under four mayors, presented a plaque of appreciation to retiring Mayor Homer Hodge at Monday night's council meeting. Hodge was mayor for six years, following six years as a councilman, and had just presented plaques to retiring councilmen Earl Roach and Al Scates, in appreciation of their contributions to the city's governing body.

## Golf Tourney Benefits ACS

A twin-city golf tournament, to benefit the 1979 Cancer Crusade of the American Cancer Society, will be played on the golf course of the Winters Country Club Sunday, April 22.

Winters and Ballinger have teamed to produce this tournament, and golfers from both towns have been invited to take part.

Tee-off time will be 1:30 p.m. Golfers are asked to register no later than 1 p.m. on the afternoon of the tournament.

Winters tournament chairman is George Brown, and John McAdoo, assistant. Golfers may register with them, or with Pat Wood or Jiggs Nichols. Entry fee will be \$5 per player.

Prizes will be awarded to the top three teams in the tournament.

All area golfers are being encouraged to take part in this tournament, with the Runnels County units of the American Cancer Society to receive all the proceeds.

## "Operation Clean Sweep"

A cleaner, more attractive, and more healthful town... that is the goal the board of directors of the Winters Chamber of Commerce had in mind when they developed the idea for this year's spring clean-up, paint-up, fix-up campaign, top-titled "Operation Clean Sweep."

Saturday, April 21, is the main day for the clean-up campaign... but, according to the chamber committee pushing the project, Saturday will be neither the climax nor the beginning of the campaign, but has been designated as a special day to put emphasis on the effort, which the committee hopes to be continued until the town is "spruced up for spring!"

For the clean-up campaign, the town has been quartered, with quadrant captains named for each section to be responsible for pushing the project in their respective areas. Randy Springer is the quadrant captain for the northwest section; Halley Schwartz, northeast; J. W.

Bahlman, southwest; and Jerry Wayne Harwell, southeast.

Each of the quadrant captains will scout their area for problem spots, such as vacant lots, dilapidated buildings, weedy or trashy areas. The captains will enlist persons living in their quadrants to clean up these areas on the designated clean sweep day, Saturday.

City and county vehicles will be made available to haul trash away. Large items that cannot be taken to the Winters landfill, which are of metal, may be taken to the salvage yard in Ballinger, with proceeds to go into the beautification fund.

Individual residents or businesses which accumulate trash in this clean-up effort may

## Bloodmobile To Be Here Next Tuesday

The bloodmobile from the West Texas Blood Service in San Angelo will be in Winters Tuesday, April 24, from 2 p.m. to 6:30 p.m., at the First United Methodist Church.

Sponsors hope to better the results of the last visit to Winters, when many people donated blood.

Sponsors are urging that those who can give blood "take the responsibility of a human life by donating on this special day. Who knows? Tomorrow we may be asking someone to donate for ourselves."

Persons between the ages of 17 and 66 are eligible to donate blood.

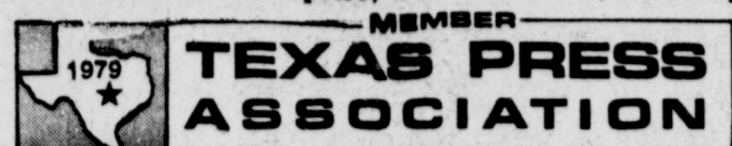

West Texas Blood Center serves 35 hospitals, including North Runnels Hospital. They said "each community served must take the responsibility of meeting their blood usage. We plan our blood drives for each community based on how much blood is used by that community." According to the center, 82 units of blood were used in the Winters community during 1978. This does not reflect the number of units used by patients who had to receive medical care outside this community. In 1978, there were two blood drives in Winters for a total of 91 units. Plans are to conduct two drives this year, unless receipts do not meet the needed usage.

**HATS HAD IT!**—These were the winners in the hat show held at the Senior Citizens Center on Wood St. last week. Laughable,

practical, and just plain (?) hats were displayed and worn. Front row, left to right, Stella White, Hallie Sims and Clara Fisher.

Back row, Rankin Pace, Bertie Nell McNeill, Mr. and Mrs. T. A. McMillan.

**EASTER HAT PARADE** hat parade was staged by Spring was "busting those attending. The style show was Citizens Activity Center divided into three sections: the prettiest hats, Friday when an Easter

the most useful and the funniest. First and second places were awarded in each division.

Those entering the prettiest hat category led the procession and were judged first. Hallie Sims was the winner with a blue taffeta, veiled hat trimmed with taffeta flowers of various colors. She had made the hat.

Second place was awarded Clara Fisher for a "Minnie Pearl" type straw hat trimmed in spring flowers and sporting a dangling price tag.

Many and varied were the hats in the practical section. There was everything from a cowboy hat to straw hats of all sizes and shapes. Stella White received first place with a large hat of blue and white flowered material that would shade the wearer from the West Texas sun and rain. When not in use it could be folded into a small flat object and carried in a purse or pocket, which she demonstrated.

Bertie Bell McNeil placed second with an accoridian type hat which she displayed first as a flower vase. She then turned it upside down on her head and it expanded to make a coolie type covering.

The T. A. McMillans, a husband and wife team, won the funniest hat awards. Ella Mae wore a large, floppy straw hat trimmed with bunny rabbits chasing each other over the brim and crown. They were edible and could come in handy in case of sudden hunger. T. A.'s small straw hat sported a flag for the 19th golf hole, a small rabbit perched on top surveyed the proceedings.

James Gehrels, better known as Pee Wee, judged the event and he gave Mrs. McMillan first place saying "us married men know better than to give the man first place."

The ceremonies began with Gehrels awarding a special prize although there was no category for this type. Rankin Pace received this award for wearing an oriented cap with a pointed top which Pee Wee said "fitted his pointed head perfectly." He also acknowledged Pace as his former boss and added, "if I were employed by him today, I'm sure I wouldn't be tomorrow."

The contest was concluded by Gehrels speaking on the meaning of Easter. There were 102 people attending the dinner which followed.

Noon meals are served at the Activity Center at 601 Wood on Monday, Wednesday and Friday each week. A total of 272 people were fed last week.

The Runnels Nutrition program became official August 1, 1978 and meals began on Aug. 15. "But we spent the summer getting ready by wielding paint brushes and training. We conduct ongoing training sessions," said Rosemary Bennie, director.

Mrs. Bennie says that the nutrition program is one of the greatest things that has ever come to Winters. "It is one of the

benefits of being the social security generation. One must be 60 or above or married to someone 60 or above to take advantage of this program," she adds.

These meals are served at the low cost of \$1.00 each and are tasty and well balanced. Those wishing to be served should be registered or call by 10 a.m. to be assured of a place.

"We have no funding nor permission to deliver food," says Mrs. Bennie, "but trays may be ordered if ordering is done by 10 a.m. and picked up by 11:30."

The West Texas Central Council of governments is the funding and advisory agency that directs this work.

"We are funded for 52 meals and must maintain this average or above or we will lose some of our help," says Mrs. Bennie, who is anxious to keep her very capable staff.

Marie Allen is the van driver and assistant to Mrs. Bennie. Hattie Minzenmayer and Anna Nunez are the cooks. Zola Mae Lacy is the Wingate site leader and also assists at the Winters Center.

The next project is more space for the dining area. "We need 20x40 feet more space," says Mrs. Bennie, who has applied for a grant. "There is not much chance of getting help with new construction now, but there is no harm in trying."

Mrs. Bennie gives all the credit to the Runnels County Commissioners Court who has put more money into the aging services program than any other county. Also to the City of Winters for cooperation and assistance.

Although intangible, but perhaps the greatest benefit is the fellowship that is provided for older people. There is a lot of talking that goes on around the tables. And, of course, this aids the digestion.

In order for them to become acquainted with the program that their parents enjoy, children of these senior adults will be honored guests throughout the month of May.

**Lewis Family Reunion Here**

The Lewis family reunion was held Saturday and Sunday, April 14-15, in the reception room of the Winters Housing Authority.

Present were Mrs. Viola Lewis and Neva; Mr. and Mrs. Clifford Lewis, Kerry and Renna of Dimmett; Mr. and Mrs. Terry Lewis and Vance of Midland; Mr. and Mrs. Ronnie Willingham and Jeff and Shana of Waco; Mr. and Mrs. Otis Kirby of Clyde; Mr. and Mrs. Elvis Kirby of Ballinger; Mrs. Olga Meyers; Mrs. Ronnie Donham and Louis of Fiona; Mr. and Mrs. Travis Downing; W. T. Downing and Myron of Brownwood; John McMillan of Portland; Mr. and Mrs. Bo Evans, Chuck and Lee; and Mr. and Mrs. John B. Hudson.

**Reports from Washington**

**New Reform Committee**

The House of Representatives has voted to set up a new Select Committee on Committees. The assigned task of this committee is to study the existing committee system and to propose ways to reform and streamline the present cumbersome maze of overlapping, duplicative jurisdictions.

The Speaker of the House has appointed me to serve on this new committee, and it is a role I gladly accept. In my campaign, I pledged to do everything in my power to reduce the cost of government and to decrease the control and regulation of our lives and our businesses by the Federal government. There is no better place to begin this work than with the House of Representatives.

The entire committee process has gotten entirely out of control. Huge increases in the number of staff and in funding for these committees have occurred, especially since 1974.

In 1968, it cost \$44 million to operate all House committees. In 1978, that cost to the American taxpayer has grown to over \$167 million. The number of committee staff members grew over 300 percent in the same period of time, yet the number of bills enacted remained virtually the same!

**A billion \$ Congress**

This year, for the first time, the cost of running Congress, with congressional staff salaries, operating office expenses, committee staff salaries and expenses, and other items, will cost about one BILLION dollars.

I, for one, do not believe the American public is getting anywhere near a billion dollar's worth of government out of the Congress, and I am committed to cutting the cost of government in any way I can.

That is one reason I am most pleased to have been appointed to the Select Committee on Committees. As a member of the committee, I promise that I will ask the hard questions, rattle all the skeletons in the House's closets, and insist upon meaningful reform.

No longer can America tolerate a system such as that which operated in the last Congress when the vital question of energy policy was referred first to five different standing committees, and then to an ad hoc conglomerate committee before limping weakly to the floor for consideration of the full House.

The current legislation relating to implementation of the Panama Canal treaties is another example of the kinds of scattering of responsibilities, so designed as to allow members to avoid exposing their actions to their constituency. The Panama Canal legislation has been parcelled out to four different committees, in the Merchant Marine and Fisheries, Foreign Affairs, Post Office and Civil Service, and Judiciary Committees.

What happens, under these circumstances, is that a great number of Congressmen are involved in making decisions on the treaties. With so much diffusion of responsibility, it is virtually impossible to write good legislation, and pass it through all the hands which want to modify it, simply for the sake of making changes, and have the final version of the legislation reflect the original intent when it reaches the floor of the House.

In this same way, it will be very difficult for voters to actually know who has done what, when and how, to the Panama Canal treaty legislation. And, a clear-cut vote on the basic issue will probably not ever be made.

The American people deserve more for their money than they are presently getting. I look forward to the challenge of cutting the bureaucracy in the House of Representatives to a sane, productive and reasonable level, and I have hopes we members of the new Select Committee on Committees will be successful in meeting this goal.

**Buying, Fresh Top-Quality Fish**

Fresh, top-quality fish offers the alert shopper several characteristics for making wise selections, says Annette Reddell, a seafood consumer education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

One of these characteristics is lack of odor. Fresh seafood has only a mild, pleasant odor.

If it passes the sniff test, check to be sure that the flesh is firm and springs back when gently pressed with the finger, she recommends.

Look the fish in the eye. The eyes should be clean and bright and the fish should have that "just caught" look to it.

Fillets or steaks should appear shiny and moist with no tears in the meat. These cuts of fish are the most popular market forms since they are 100 percent edible. Boneless fillets take the worry out of serving seafood to children, Ms. Reddell points out.

Going fishing at a local supermarket or fish market is the easy way to shop for seafood dividends.

The eating will be top quality—when the alert shopper can spot freshness and quality, the specialist adds.

It was once believed bad luck to transplant parsley.

**Winters TV Viewers Can Now See Congress In Action**

Congressional action . . . now you can see it on television, if you're a cable television subscriber in Winters.

Texas Cablevision this week announced that the cable company has started carrying, on Channel 10 in Winters, activities taking place on the floor of the U.S. House of Representatives. The House opens at 11 a.m. Mondays and Tuesdays; 2 p.m. on Wednesday; and 10 a.m. Thursdays and Fridays.

Texas Cablevision is providing the service through Cable Satellite Public Affairs Network and a newly constructed Earth Receiving Station on Concho St. in San Angelo.

The development of C-Span, a unique public affairs service of the cable industry, Texas Cablevision said, is rooted in a 33-year old effort to televise congressional proceedings. Initially, the new network program will confine itself to delivering the House proceedings. Later, if the Senate allows cameras in its chambers, C-Span will have the option of adding Senate sessions to its service.

A 1.75 liter bottle (59.2 fluid ounces) for distilled spirits is less than one-half gallon (64 fluid ounces), reports Linda McCormack, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

## Blackwell

The United Methodist Women of the Blackwell United Methodist Church met Monday afternoon, April 9, at 3 o'clock, in the Fellowship Hall of the church with ten members attending and with Mrs. Abe Lanier as hostess. Mrs. Alderman was to have been hostess but due to illness in her family she was unable to serve. Mrs. Abe Lanier, president, presided for the meeting and called the meeting to order with a prayer which was voiced by Mrs. Austin Jordan. A business session was held in which the reading of the minutes were read by the secretary, Mrs. Josie Hipp, and they stood ap-

proved as read. The treasurer, Mrs. John McRorey gave the treasurer's report. Mrs. John English gave the program entitled "The Resurrection - The Message Of Life," which was very interesting and enjoyed by all very much. Mrs. English also voiced the dismissal prayer. Refreshments of cookies, snack crackers with cheese spread, tuna salad, potato chips, coffee and punch were served to Mmes. Jordan, Hipp, McRorey, English, Barrett, Cecil Smith, R. Q. Spence, Savannah Thompson and James Jones by the hostess, Mrs. Lanier. The next meeting will be April 23 in the Oak Creek Lake home of Mrs. John English, with Mrs. English as hostess. The program entitled "Wake Us Up, Lord," will be given by Mrs. Lee Alderman.

The Euterpean Club of Blackwell will meet April 19 at 3 o'clock (this time only), instead of their regular meeting date of the third Thursday of each month, in the home of Mrs. Cecil Smith.

The Women's Missionary Union of the Blackwell First Baptist Church met at the church Tuesday afternoon at 2:30 o'clock with Mrs. Buddy Trull presiding in the absence of the president Mrs. Billy Burl Holland, with five ladies attending. Opening prayer was voiced by Mrs. Thelma Smith. No program was given as the ladies wrote Easter notes for the patients in the Bronte Nursing Home. The dismissal prayer was voiced by Mrs. Ninnie Kinard. Those attending were Mmes. Trull, Smith, Kinard, Willie Burwick and Doris Brown.

The Challenging Sunday School Class of the Blackwell First Baptist Church met Thursday afternoon, April 12, in the Fellowship Hall of the church, for their social with eight ladies attending and with Mrs. Arnold McRorey and Mrs. Bill McRorey serving as hostesses. Refreshments were served by the hostesses to Mmes. Eula Nabors, Thelma Smith, Lawrence Lemons, Grady Patterson, Ninnie Kinard, Cecil Lewis Smith.

Recent visitors in the home of Mrs. Vivian Taylor were her niece, Mrs. Frank Cleckler of Roscoe and her friend, Mrs. Faye Suggs of Sweetwater.

Mrs. Fannie Mae Wilson is visiting in Austin with her son, the Charles Wilson family, and her grandson and his wife, Mr. and Mrs. Phillip Wilson and another grandson and his family, Mr. and Mrs. James Wilson and children, Clint and Whitney of Florida where James is stationed.

Funeral services for H. C. (Buster) Hartgraves, 64, of Blackwell were held at 11 o'clock in the First Baptist Church in Blackwell, Thursday morning. The Rev. Buddy Trull, pastor of the church, officiated. Burial

was in the Fort Chadbourne Cemetery directed by the Schaffer Funeral Home of Bronte. Mr. Hartgraves was taken to the Robert Lee Hospital, by ambulance, late Monday evening, where he died Tuesday morning at 3:45.

Mr. and Mrs. Leroy Chew had as their visitors their daughter and her family, Mr. and Mrs. Frank Hartgraves and children, David Calvert, Carla Denise, Diane Elizabeth and Connie Rhee of Albuquerque, New Mexico; their sons, Mr. and Mrs. Elvis Chew and children, LeRoy Jr. and Debbie of Abilene, Mr. and Mrs. Johnny Chew and son Jody of Odessa and another daughter, Mrs. Ansel (Melba) and daughters, Milisa Ann and Brenda Jane also of Abilene, and they all attended the funeral services of their brother-in-law's father, H. C. (Buster) Hartgraves. Mr. and Mrs. Frank Hartgraves stayed over the Easter weekend holidays for a longer visit with her parents, Mr. and Mrs.

LeRoy Chew and his mother and her husband, Mr. and Mrs. Jake Scott of Bronte, other relatives and friends.

Mr. and Mrs. Terry Oden and daughters, Stacy and Becky visited Thursday and Friday with his parents and brother, Mr. and Mrs. T. J. Oden and other relatives and friends.

Mrs. Vivian Taylor is a patient in the Shannon Hospital in San Angelo. T. A. Carlisle is a patient in the Hendricks Hospital in Abilene after suffering from a fall in his home last Tuesday night and is reported to be some better and no broken bones. Mrs. Daisy Henderson is back in her home in Blackwell after spending a few days last week in the Rollings Plains Memorial Hospital in Sweetwater.

Mr. and Mrs. Bill Wilson and daughters, Brenda and Beth of Sweetwater visited Saturday morning with her parents, Mr. and Mrs. Ray Lee and her sons, Bruce, Brad, Bluford and Blake. Brenda and Beth

remained over the weekend for a longer visit. Other visitors in the Lee home were Mr. and Mrs. Ted Sims also of Sweetwater. Mr. and Mrs. Junior Taylor and sons Buck and Wes of Roscoe visited over the weekend with his grandparents, Mr. and Mrs. Ray Lee and his grandmother, Mrs. Vivian Taylor, his brothers, Bruce, Brad, Blake and Bluford and Mr. and Mrs. Vance Taylor and daughter Karen.

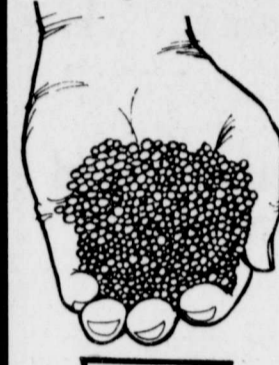

The First Baptist Church in Blackwell will hold its Spring Revival beginning on Monday, April 23 and continuing through Sunday night, April 29. The Evangelist will be the Rev. Bob Parrish from Duncanville. The singer will be Dale Ellis from the First Baptist Church in Bronte. Services will be at 7 p.m. each night. A nursery will be provided for each service. Everyone is invited to attend.

The earth revolves at a speed of about 1,000 miles an hour.

## New NK 2266 Greenbug Resistance Grain Sorghum

This new hybrid grain sorghum from NK was bred to deliver. An NK 266-type, new 2266 delivers high yields of yellow endosperm grain. It has excellent greenbug resistance... MDMV tolerance... downy mildew resistance... and anthracnose resistance. 2266's big, semi-open heads thresh cleanly and easily for more profitable harvests. It's a medium maturing hybrid that grows 48 to 50 inches tall.

**Fertilize Farm Ponds**

An inorganic fertilizer, properly applied now, will more than double the pounds of fish a pond will produce in a year, says a fisheries specialist.

Dr. Joe Lock with the Texas Agricultural Extension Service says fertilization is effective in ponds stocked with bass, bream or catfish.

The increased fish production results from more

phytoplankton (tiny green plants), explains Lock. The phytoplankton's increase provides more food for small fish and insects. In turn, they are eaten by larger fish, resulting in bigger fish for the fisherman, he adds.

Any fertilizer formulation high in nitrogen and phosphorus, such as 20-20-5 or 16-20-0, will work, says the specialist. He recommends 100 pounds per surface acre of water. Broadcast the fertilizer for water less than six feet deep.

For maximum fish production, Lock suggests a similar application of 50 pounds per surface acre in May.

Using more than the

**CHILD FIND/SERVE**

The worst thing that can happen to a handicapped child is NOTHING! Do you know of a handicapped child between the ages of 3-21 — who is not in school or receiving appropriate service? CHILD FIND/SERVE is looking for these handicapped children to arrange for services to meet their identified needs. They may be mentally retarded, learning disabled, emotionally disturbed, visually handicapped, deaf or hard of hearing, physically handicapped and/or other health impaired. April 5, 1979

TO: GSPA DIRECTORS  
TGSPB MEMBERS

FROM: ELBERT HARP

SUBJECT: ACTIVITIES OF GSPA - TGSPB

**WE WON!!!**

Since the 1979 Feed Grain Program was announced last fall, I have been trying to get an explanation from USDA as to how they justified raising corn targets ten cents per bushel and sorghum targets only two cents per bushel. I contended it was a violation of the law. We received little response until I sent letters documenting the intent of the law to members of the House Agricultural Committee.

Last Tuesday, April 3, Dr. Howard Hjort, USDA's architect of farm programs appeared before the House Subcommittee. I made arrangements for Congressman Kent Hance and Congressman Charles Stenholm to question Dr. Hjort about USDA's inconsistency. Dr. Hjort admitted before the Congressional Committee that they had "erred" and would adjust sorghum targets to about \$2.35 per bushel. This will raise prices to \$4.20 per hundredweight (now \$4.10 cwt.). It is still shy of corn's increase, but closer. This could add as much as 35 million dollars to producers' income this year, or \$1,000 per million-pound producer. ANOTHER PLUS FOR THEIR \$25 GSPA MEMBERSHIP!!! For a million-pound producer this increase alone will pay membership dues for 32 years or more.

**HOUSE AGRICULTURAL SUBCOMMITTEE PASSES BILL TO INCREASE TARGET PRICES**

The Subcommittee on Grains and Livestock passed a bill to increase targets on grain by 7% this year. Should this become law, on top of our \$4.20 target, it will raise targets to about \$4.50 per hundredweight.

**1979 UTILIZATION CONFERENCE**

The 1979 bi-annual Grain Sorghum Utilization Conference which GSPA has been sponsoring since 1957, was held in Wichita, Kansas on February 28 - March 2. Over 100 people attended. The conference consisted mostly of reports on research work that is being conducted through the Sorghum Belt. Proceedings should be available later.

**GRAIN SORGHUM TARGET PRICES WILL BE INCREASED**

Lubbock, Tex.--The 1979 grain sorghum target price will be increased as a result of a challenge by the Grain Sorghum Producers Association. The new target price will be approximately \$2.35 per bushel or \$4.20 per hundredweight, according to Dr. Howard Hjort, USDA's director of economics, policy analysis, and budget.

After the announcement of the 1979 feed grains program, GSPA challenged the 1979 target price of \$4.10 per hundredweight. When corn received a 10 cent per bushel increase in the 1979 target, sorghum received only a two cent increase. GSPA contended this was a direct violation of the law.

After making several appeals to USDA and receiving no encouragement, Elbert Harp, executive director of Grain Sorghum Producers Association, documented to the members of the House Agriculture Committee that the 1979 target prices are in violation of the Agriculture Act of 1977. When Dr. Hjort appeared before the Subcommittee on Livestock and Grains on April 3, 1979, several congressmen questioned him about this problem.

When Congressman Charles Stenholm of Texas questioned Dr. Hjort, he said, "There seems to be a discrepancy in the final level of the grain sorghum target. Would you care to comment on how the formula was used to establish the grain sorghum target price for 1979?"

Dr. Hjort responded by saying, "There is, in fact, a discrepancy. The target price that was announced for grain sorghum was too low. The \$2.30 will have to be increased, very likely to \$2.35 in order to be consistent with the law." In addition to Stenholm, Congressmen Kent Hance, (D.-Texas) and Keith Sebelius, (R.-Kansas) were prepared to pursue this same line of questioning.

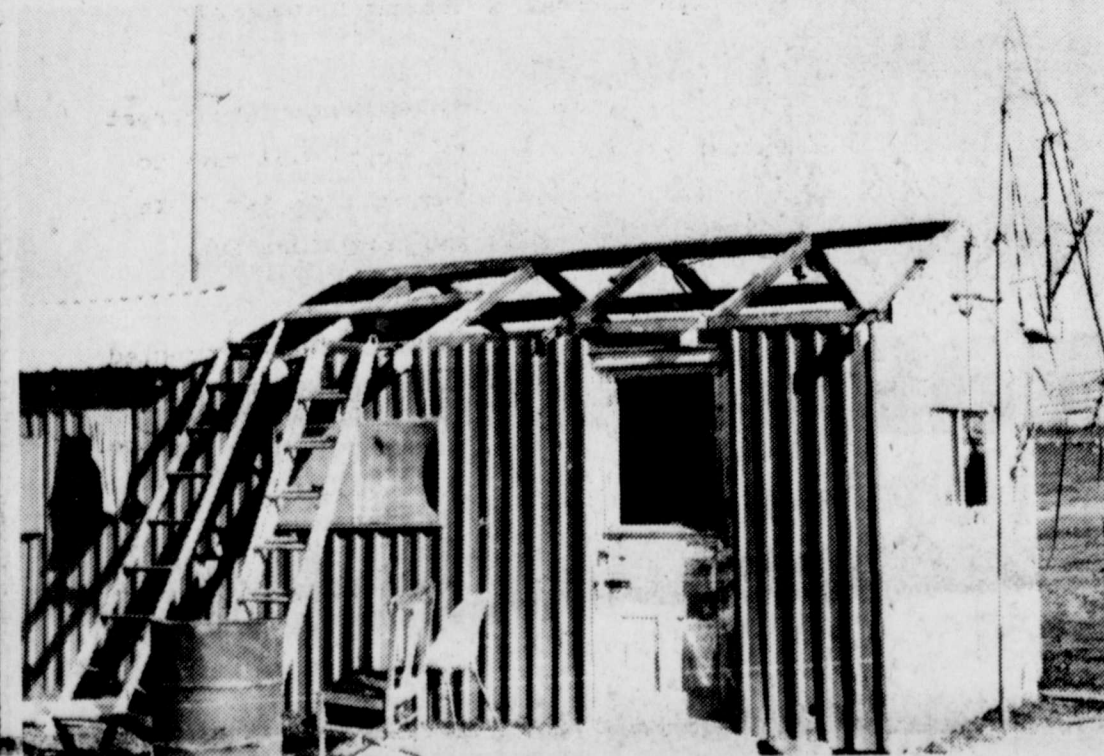

Dr. Hjort's acknowledgement of the error and his pledge that it will be corrected assures the grain sorghum farmers of the nation of an increased target this year. This increase will give grain sorghum farmers up to \$35 million additional income.

The Grain Sorghum Producers Association is the grain sorghum farmers' representative in legislative and market development activities. Their executive office is in Lubbock, Texas.

# Twisters Hit Runnels County

SCENES ON THE E. E. BROWN RANCH

Though not as large or as devastating as the tornadoes which hit Vernon and Wichita Falls last Tuesday night, the twisters which hit Runnels County on the same night did a considerable amount of damage. And had they hit in a thickly populated area, the results could have been much worse.

A twister hit the ground east of US 83 about five miles northeast of Ballinger, between that city and Winters, knocking down utility poles, destroying farm outbuildings, and otherwise creating havoc. Several farmsteads were hit, according to reports.

Another—or perhaps the same one—traveled northeast to the E. E. Brown ranch in the Crews community, and did a large amount of damage. Luckily, no injuries were reported from these twisters.

ON THE GROUND — east of US83 between Winters and Ballinger, and did considerable damage to farmsteads in the area. Power and telephone service were out for some time.

#### VISITORS

Visiting Mrs. Harold Wilson, Billy and Joyce recently were Mr. and Mrs. Calvin King of Abilene, Mr. and Mrs. Denzil Riggan and Angelia of Sweetwater; Mr. and Mrs. Winford Reel, Mr. and Mrs. Kenny Reel and Heather and Doug Goetz of Winters.

#### FROM ABILENE

Joe Nell Chism and Mike Provost of Abilene visited Mrs. Ted Eoff over the weekend.

#### TO MIDLAND

Mrs. Ted Eoff of Winters and Mrs. Brad Winchester of Copperas Cove visited Mr. and Mrs. Fred Dumas and family of Midland recently.

#### CARD OF THANKS

What more can I say than thanks to all of you and that I love you all very much for all the get well and birthday cards, for your prayers, the lovely flowers, the visits and telephone calls. They all meant so much to me and my family while I was in the hospital. —Thelma Ledbetter and family. 6-1tp

## Aggies Will Have County Muster At Rowena Saturday

Ex-students of Texas A&M University who live in Runnels County will meet Saturday, April 21, at Rowena, for their annual Texas Aggie Muster. The Muster will begin at 7 p.m. in the dining room of Zentner's Steak House.

The Muster, as always, is open to all ex-students of A&M, students, and their families, and friends of Texas A&M. The Muster dates back to the mid-1880s, and since that time it has been held annually to pay respect to all Aggies who have died since the last Muster. This April 21, there will be more than 350 Aggie Musters held throughout the world.

In past wars, Aggies have Mustered in foxholes, on battlefields, aboard battleships, in airplanes and medical hospitals. During World War II, a Muster was held on Corridor shortly before its capture by the Japanese.

#### CARD OF THANKS

It is with deep gratitude that I say thank you to my friends, neighbors and family. Also to Bro. Thomas, Dr. Y. K. Lee and the hospital

staff for the many prayers, kindnesses, cards, gifts and flowers while I was a patient in North Runnels Hospital and since I have returned home. My doctor and the nurses could not have given me better care. God bless each of you is our prayer. —Mrs. Ella Phipps and family. 6-1tp

#### CARD OF THANKS

We wish to take this opportunity to thank everyone for being so kind and thoughtful during my surgery and stay in the North Runnels Hospital. To the doctors, nurses and hospital staff we say thanks. To the ministers and special prayers that were lifted for my recovery, for the flowers, cards, visits and food we say many thanks. There is no place like our great little town of Winters and its loving care for it's own. —George Garrett and family. 6-1tp

## What does it take to feel secure?

### 1. A place to hang your hat.

Actually it's much more than a place to hang-up. Or hang-out. It's where the heart is, and whether a castle or a cottage, there's just no place like home.

### 2. A chicken in every pot.

In most cases, one chicken and one pot are sufficient. Unless, of course, you have a very large family. Then, a turkey in the pot is even better. Best of all — a

brother in the grocery business.

### 3. First Texas Savings.

Security is more than peace of mind. It's a plan of action — designed to meet your needs today, and grow with your goals for tomorrow. And a savings plan at First Texas Savings can really help.

Our Regular Saving Accounts earn at the rate of 5.25% and keep your money readily available. Your account begins earning interest from the day of deposit. And, at First Texas, your interest also earns interest every day, to increase your annual yield.

For longer term investments at higher interest rates, Certificates of Deposit are ideal. Here too, First Texas gives you the benefit of earnings from day of deposit and daily compounding of accumulated interest. And you can choose from a variety of different terms and rates.

#### Certificates of Deposit\*

Annual Rate	Minimum Term	Minimum Deposit	Annual Yield**
5.75%	3-Months	\$ 500	5.92%
6.50%	1-Year	\$1,000	6.72%
6.75%	2½-Years	\$1,000	6.98%
7.50%	4-Years	\$1,000	7.79%
7.75%	6-Years	\$1,000	8.06%
8.0%	8-Years	\$1,000	8.33%

Certificates above are automatically renewable unless the Association gives written notice of cancellation at least 15 days prior to the maturity date. Earnings are compounded daily and paid quarterly. \*Federal regulations require a substantial penalty for early withdrawal. \*\*Annual yield based on accumulated interest of one year.

Of course, your savings can be insured safe, up to \$40,000 for single accounts, to \$200,000 for couples, and to \$560,000 for a family of four by the Federal Savings and Loan Insurance Corporation. And First Texas Savings makes it easy and convenient to save too. With services like postage-paid Save By Mail, direct deposit of Government Checks, Checkmatic money transfer to simplify loan payments, and Read-Check, to put idle checking account funds to work, earning for you.

Why not get all the details from a First Texas Savings Counselor? It's the smart way to get your savings growing. And get the confidence that comes with real financial security.

Federal regulations require a substantial penalty for early withdrawal.

## Loeffler Sponsoring Beef Labeling Bill

Congressman Tom Loeffler has co-sponsored H. R. 1051, a bill which would require all imported meat and poultry products to be so labeled. "For over a year and a half, I have proposed that we should have legislation requiring labeling of foreign meats, and especially foreign beef," Loeffler noted. "I have studied all the proposals relating to this problem, and have decided that this bill, introduced by Cong. Kazen, meets all my criteria."

The bill would require

that imported meat and meat food products, in whole or in part, be so labeled. Additionally, such meat and meat products, and poultry products, as well, would be inspected by the Department of Agriculture for grading. The exporters of such products would have to pay all costs for such inspection and labeling.

"This legislation has long been needed to protect both consumers and our meat producers," Loeffler said. "We shall work to secure swift action on this bill."

## Up-For-Adoption Books On Review May 1

Beginning May 1, copies of textbooks in six high school subjects that are candidates for the 1979 state textbook adoption will be on review to interested persons at the Education Center, Region XV, 100 N. Magdalen, San Angelo.

Sample books in the areas of beginning typing, advanced typing, health education, computer mathematics, civil government and automotive trades will be on display in Room 107 at Region XV, according to Mrs. Vonell Huit at the Education Center.

Every year, the State Textbook Committee receives different school textbooks submitted by various publishers and studies the materials, holds public hearings and

submits an opinion before the State Board of Education makes the final text selections.

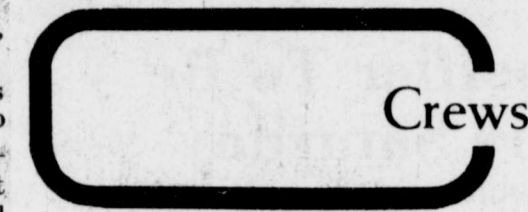

This year there are no elementary materials call for in the 1979 adoption.

The new books will be adopted for a maximum of six years.

This summer the State Textbook Committee will study in detail the six submitted texts.

A series of public hearings will be held in Austin starting August 13 to garner citizen input and opinion before the State Board adopts at its Nov. 10 meeting. New materials will be made available to Texas students Sept. 1, 1980.

The 1979 textbook purchases will cost around \$6,821,669.

Happiness is like a kiss, it isn't any good unless you give it to somebody.

## H. O. Abbott Died Friday In NR Hospital

Horace O. Abbott Sr., 83, of Winters, died at 3:35 p. m. Friday in North Runnels Hospital after a brief illness.

Services were at 10:30 a. m. Monday in the First United Methodist Church. Dr. Thomas Tribble, pastor, officiated.

Burial was in Bradshaw Cemetery, directed by Winters Funeral Home.

Born May 3, 1895, near Georgetown, in Williamson County, he moved to Taylor County in 1902, settling in the old Audra Community, now Bradshaw. He farmed in that area until retiring in 1972.

Winford Carrey and family of Midland, Mr. and Mrs. Bill Villers, Jimmy and Peggy of San Angelo, Rena Reeves of Merkel, Randy Dillard of Cross Plains, Allen Phillips, Cindy Johnson of Ballinger, Mrs. O. K. Paschal. An egg hunt followed in the afternoon.

Mrs. Helen (Hays) Killam and son, Mr. and Mrs. Wilton Killam of Lufkin were to see Mrs. Corra Petrie on Easter Sunday. Mrs. Petrie attended the Winters Methodist Church and had dinner with the Clarence Hambrights.

She stopped in to see Mrs. Enoch Johnson who is in the North Runnels Hospital since Thursday. Mrs. Truman Deike and Pastor and Mrs. A. R. Wolber came over to see me on Wednesday.

Folks in the path of the storm Tuesday night experienced quite a shock. It had dirt, hail, wind, tornado that took everything in its path. Mentioning a few I heard. Grissoms car shed and patio roof, Lewis barn and windmill, Kurtz cow barn, barns and sheds, Sims hen houses, Browns shed, trees, Gerharts side barn. We wish to thank everyone who helped us clean up the mess later. Sorry to hear Mrs. Lewis broke her arm next morning getting up her stock that got out because the fences were down. Had from .04 to 1.02 inches of rain.

- You can program the oven to start baking or roasting at the time and temperature you desire, — even tell it when to stop — thanks to automatic Cookmaster controls.
- Put the drudgery of oven cleaning behind you. The Electric-Clean oven can clean itself automatically.
- For better, more uniform broiling, a self-cleaning Broiler Shield reflects heat from the broiler unit away from the top of the oven and back across the broil area.

**Frigidaire 40" Range**

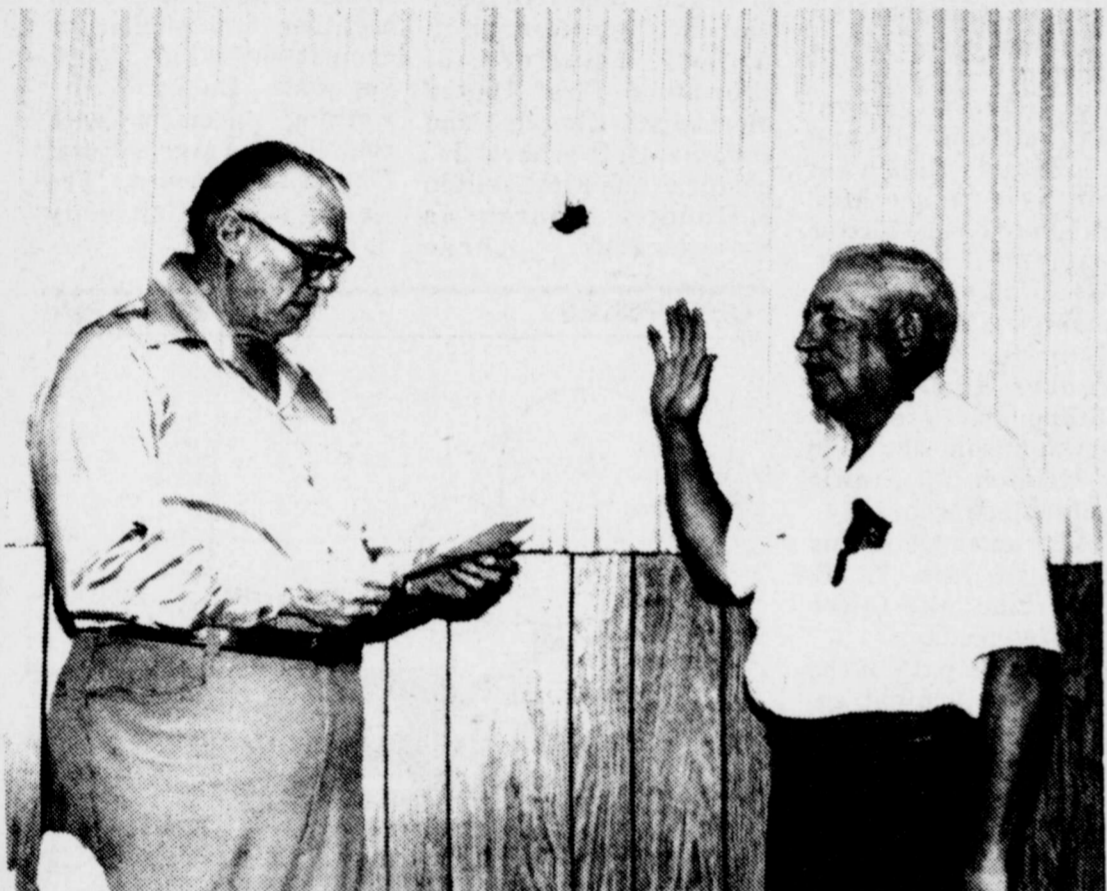

- The Electric-Clean oven can clean itself automatically, electrically, reducing baked on food spatters to a trace of ash that can be wiped away with a damp cloth.
- To help radiate heat upward, — and provide positive contact with your pots and pans — the exclusive Radiantube surface units are V-shaped . . . with wide, flat tops.
- To help you find room for those pots, pans, and other large utensils you need for big-family cooking, this Frigidaire Range offers a roomy waist-high storage drawer — as well as a full-width drawer underneath.

### Cong. Loeffler To Be In Winters Saturday

Cong. Tom Loeffler, 21st District, will be in Winters, Saturday, April 21, during the Congress' Easter holiday break, to confer with local public officials and community leadership regarding problems which are being confronted by official departments or districts. The congressman will meet with public officials at a coffee in the reception room of the Winters Housing Authority at 10:45 a.m. Saturday. This will not be a general-public type of meeting this time, spokesmen for the congressman said, but has been formatted to include discussions with public officials of the cities, school districts, counties, and others.

Congress is taking a 10-day break to allow Congressmen time to relax, or visit their districts. Cong. Loeffler will be kept busy, however. "I've got a district the size of the State of Pennsylvania. It is very difficult to visit with all the people I'd like to see throughout the district, especially in the far-flung West Texas portions. That's why, during this break, I plan to travel over 1,000 miles to 22 towns and cities to meet with many I have not been able to hear from since I've been in office," he said.

### Little League Bulb Sale To Begin Friday

Winters Little League Assn. will begin a light bulb sale Friday, April 20, Betty Kruse, campaign chairperson, announced. Members of Little League teams will sell an assortment of light bulbs. The sale will continue through next Monday. Sharon McGinnis is president of the Winters Little League Assn.

### CLEAN SWEEP

(Continued from Page 1) call the Chamber of Commerce office—754-5210—to have it picked up and hauled away. The city landfill will remain open all day Saturday for pick-up crews and individuals wishing to haul their own trash, at no charge for that day only. The city has reminded that trash to be picked up must be sorted according to landfill requirements, and that 1 p.m. will be the deadline to have items in the alleys or other pickup areas to be hauled away by city trucks. The following rules apply for the landfill: Pit No. 1—Metal, tin; Pit No. 2—brush, leaves, limbs; Pit No. 3—household

All cotton and grain sorghum producers have been urged to attend Tuesday's meeting. A uniform planting date for cotton also will be discussed.

refuse that needs to be covered daily; Pit No. 4—roofing. There also is an area designated for dirt and rocks at the landfill.

### PAINT-UP

The "Clean Sweep" committee of the chamber is encouraging downtown businesses to paint-up and fix-up their premises during this spring campaign. The Winters Lions Club will undertake to clean up and paint some of the downtown area, if property owners request the assistance. The Winters State Bank had donated \$100 to buy paint if needed downtown; also, Winters Farm Equipment has donated \$100 to buy paint. Members of some of the women's clubs will wash windows downtown the committee said.

## Animal Ordinance Amended By City Council

The ordinance controlling the six-month-old animal control program in Winters was amended by the city council Monday night, to further clarify and specifically spell out responsibilities of pet owners within the city. The amendment calls for revaccination and re-registration of all pets on an annual basis, on or before the anniversary date of the last registration of the animal, instead of specifying the months of July and August each calendar year. Council felt that restricting vaccination and registration to two months would cause confusion.

The amendment changes to "annual" any other dated requirement. Council also authorized deputizing the animal control officer to enable him to carry out his duties in enforcement of provisions of the animal control ordinance. Council indicated that the ordinance would be strictly enforced, in order to rid the town of stray dogs, and to prevent owned dogs and other animals from running at large and creating disturbances.

The council also was

told that the City Commission of Ballinger had expressed an interest in joining Winters in the control of animals, particularly dogs. It was indicated that Ballinger might be interested in contracting with the City of Winters in such a project, because Winters already has an animal shelter, has an animal control officer on duty, and has realized some amount of experience with the project. Randy Springer, city councilman who has been working with the project, was to meet with the Ballinger commission Tuesday to discuss such a proposed joint program. It also was suggested that eventually the entire program might be turned over to the county, if certain state legislation now before the state legislature is approved.

The council again stressed the importance of vaccination of all pets in the city, and the strict requirements of the ordinance regarding animals allowed to run loose in the city. The rabies season is rapidly approaching, it was indicated, and care should be taken to prevent any type of rabies outbreak

which could endanger the health of the entire community. The animal control ordinance will be strictly enforced, council said.

### MAYOR

(Continued from Page 1) assistance he could provide in ongoing projects and those to come. He pointed out that an adequate water source was most important to the future progress and growth of Winters, and that he would continue to work to obtain additional water.

E. J. Bishop was elected mayor pro tem. Other aldermen are Randy Springer and Jimmy Hatler.

Do not "warm up" home canned fruits and vegetables in a microwave oven—it might not destroy the fatal botulism poison, advises Mary K. Sweeten, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Researchers do not know the length of time required for a microwave oven to kill the dangerous toxin, the specialist explains.

### City Gets \$4,173 From Sales Taxes

The City of Winters has received \$4,173.03 from the local one percent sales tax rebates for April from the State Comptroller's office. This payment brings 1979 total receipts to \$27,580.88, a 29 percent increase over the same period last year.

The 1979 payments to date to cities in Texas reached \$135.2 million this month, compared to \$121.6 million over the same four-month period last year, State Comptroller Bob Bullock said. The sales tax is collected by merchants and other tax permit holders along with the state sales tax and is rebated monthly to some 916 Texas cities in which it is collected by the Comptroller's office. Comparable receipts by other area cities were:

Anson	\$ 1,096
Ballinger	5,441
Cisco	6,985
Coleman	10,437
Eastland	6,368
Hamlin	4,322
Haskell	5,019
Stamford	4,878
Winters	4,173

### Pest Control Meeting Set Next Tuesday

A pest management program will be presented at 8 p.m., Tuesday, April 24, at the Wingate Lions Club building. Manley Armstrong, bi-county entomologist, will be available beginning May 1 to provide leadership and technical assistance for a pest management program. He will have an office in Ballinger.
