DENNA DANFORD

Denna Danford To State UIL Event

Denna Danford, daughter of Mr. and Mrs. Gerald Danford, placed second in Poetry Interpretation at the regional University Interscholastic League Literary contest last week in Lubbock. She had won first place in District 6-AA competition prior to the regional meet.

Miss Danford will compete in the state literary meet to be held in Austin May 4-5. She is the first Winters student since 1972 to compete in the state UIL literary meet.

Miss Danford was named "Miss Winters 1979," in the Lions Club pageant held several weeks ago, and was to have represented Winters in the Lions District 2-A1 beauty contests. However, because the Lions convention and the UIL state meet are held on the same weekend, she had to step down from the Lions event to attend the UIL contests. The first runner-up in the Miss Winters pageant, Jerree Isbell, will represent Winters in the Lions contest.

Bank Planning New Building

Charles Hudson, president of the Winters State Bank, and Kirby Robinson, chairman of the board, have jointly officially announced the proposed construction of a new banking facility. The new construction is to be located at 500 South Main St.

The new facility is scheduled for ground breaking in June, with completion in June, 1980. Architects are Boone and Pope, Inc., of Abilene.

The new banking building will contain 11,177 square feet, and is designed to add more convenient banking services for the bank's customers and for future expansion of these services, the announcement said. Exterior will be of face brick, glass and metal panels. The building will be energy-efficient in that a minimum of glass is planned for the east and west exposures and where it does occur, it will be protected by deep roof overhangs. Interior finishes include carpeting, terrazzo and ceramic tile floors, wood paneling, glass and vinyl wall covering.

Five inside paying and receiving teller windows will be provided, plus a separate department for the loan department, with a special note counter for receiving note payments. A drive-in facility will contain four modern pneumatic tube customer units under roof cover for rapid drive-up service, entering and leaving from Main or Grant streets. A night depository is included near

the main entrance on the Main Street side.

Convenient, spacious customer off-street parking will be provided on the west side of the building.

Heavy Rains, Hail Harvest Wheat Crop

Heavy rains and hail prematurely harvested much of the wheat in the Winters area of North Runnels Tuesday morning.

Extent of the damage could not be determined Tuesday, but observation indicated that many hundreds of acres to the west and northwest of Winters, on into the Wingate community, were hit hardest. Heavy rainfall, from 2 to 3 inches in some areas, also broke many terraces and did much wash damage to plowed fields, in addition to the damage of the headed wheat.

The storm, which included a brilliant electrical display and heavy, unusually loud, thunder, hit Winters proper about 4 a.m. Tuesday. For at least ten minutes, rainfall was so heavy it was impossible to see more than 15 feet, at least one observer said.

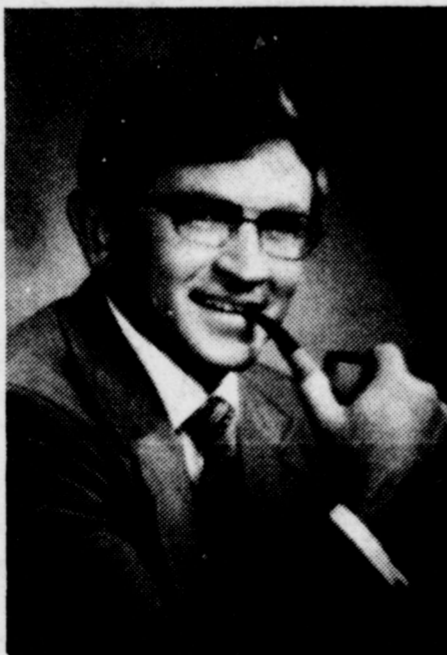

Some hail fell in Winters, but damage was not as high as that received to the west and northwest. Official rainfall measurement for Winters was only 1.17 inches, according to Roy Rice, official weather recorder, but it came within such a short space of time all gutters and streets were filled to overflowing.

To the west of Winters, along FM 53, hail had been washed by runoff into culverts, which were clogged, and into ditches. As late as midmorning Tuesday, drifts of hail still were in evidence along the highway and in the fields. Some drifts were as deep as 18 inches in places.

Actual total damage to the crops in the hail-hit areas probably will not be known for several days.

Sports Banquet Saturday Night

Dr. W. C. Newberry, the "Sage of Southwest Texas," of the education department of Southwest Texas State University, will be the principal speaker at the all-sports banquet in the school cafeteria Saturday, May 5, at 7:30 p.m.

DR. W. C. NEWBERRY

The banquet, themed "Reflections," is being sponsored by the Winters High School Cheerleaders and the Winters Booster Club, and will be honoring the 1978-79 Blizzard athletes and the coaches.

Bob Browning of the Booster Club will be master of ceremonies, and the welcome will be by Penny Springer, a member of the cheerleaders. Coach Les Fisher will introduce the speaker, and members of the coaching staff will introduce the athletes, boys and girls.

Tickets for the event have been on sale at Main Drug, Smith Drug, Winters State Bank and Bahlman Jewelers. There are only 200 tickets available, and parents of school athletes were asked last week to get their tickets immediately.

The banquet will honor the coaching staff, Les Fisher, Gary Ledford, Phil Swenson, Murray Golson, Bill Cathey, Butch Porter and Kerry Hibbitts, and members See **BANQUET** Page 8

JOHNNY CURBO

Curbo Advances To State Golf Contests

Johnny Curbo, a senior in Winters High School, was top medalist in Class AA division golf in regional play at Lubbock last week, advancing to the state UIL contests, to be held May 10-11.

Curbo shot 74 on a par 71 course the first day at Lubbock,

and was tied with two others for medalist honors. On the second day, he hit 75 for a two-day total of 149, to take medalist honors and the opportunity for state play.

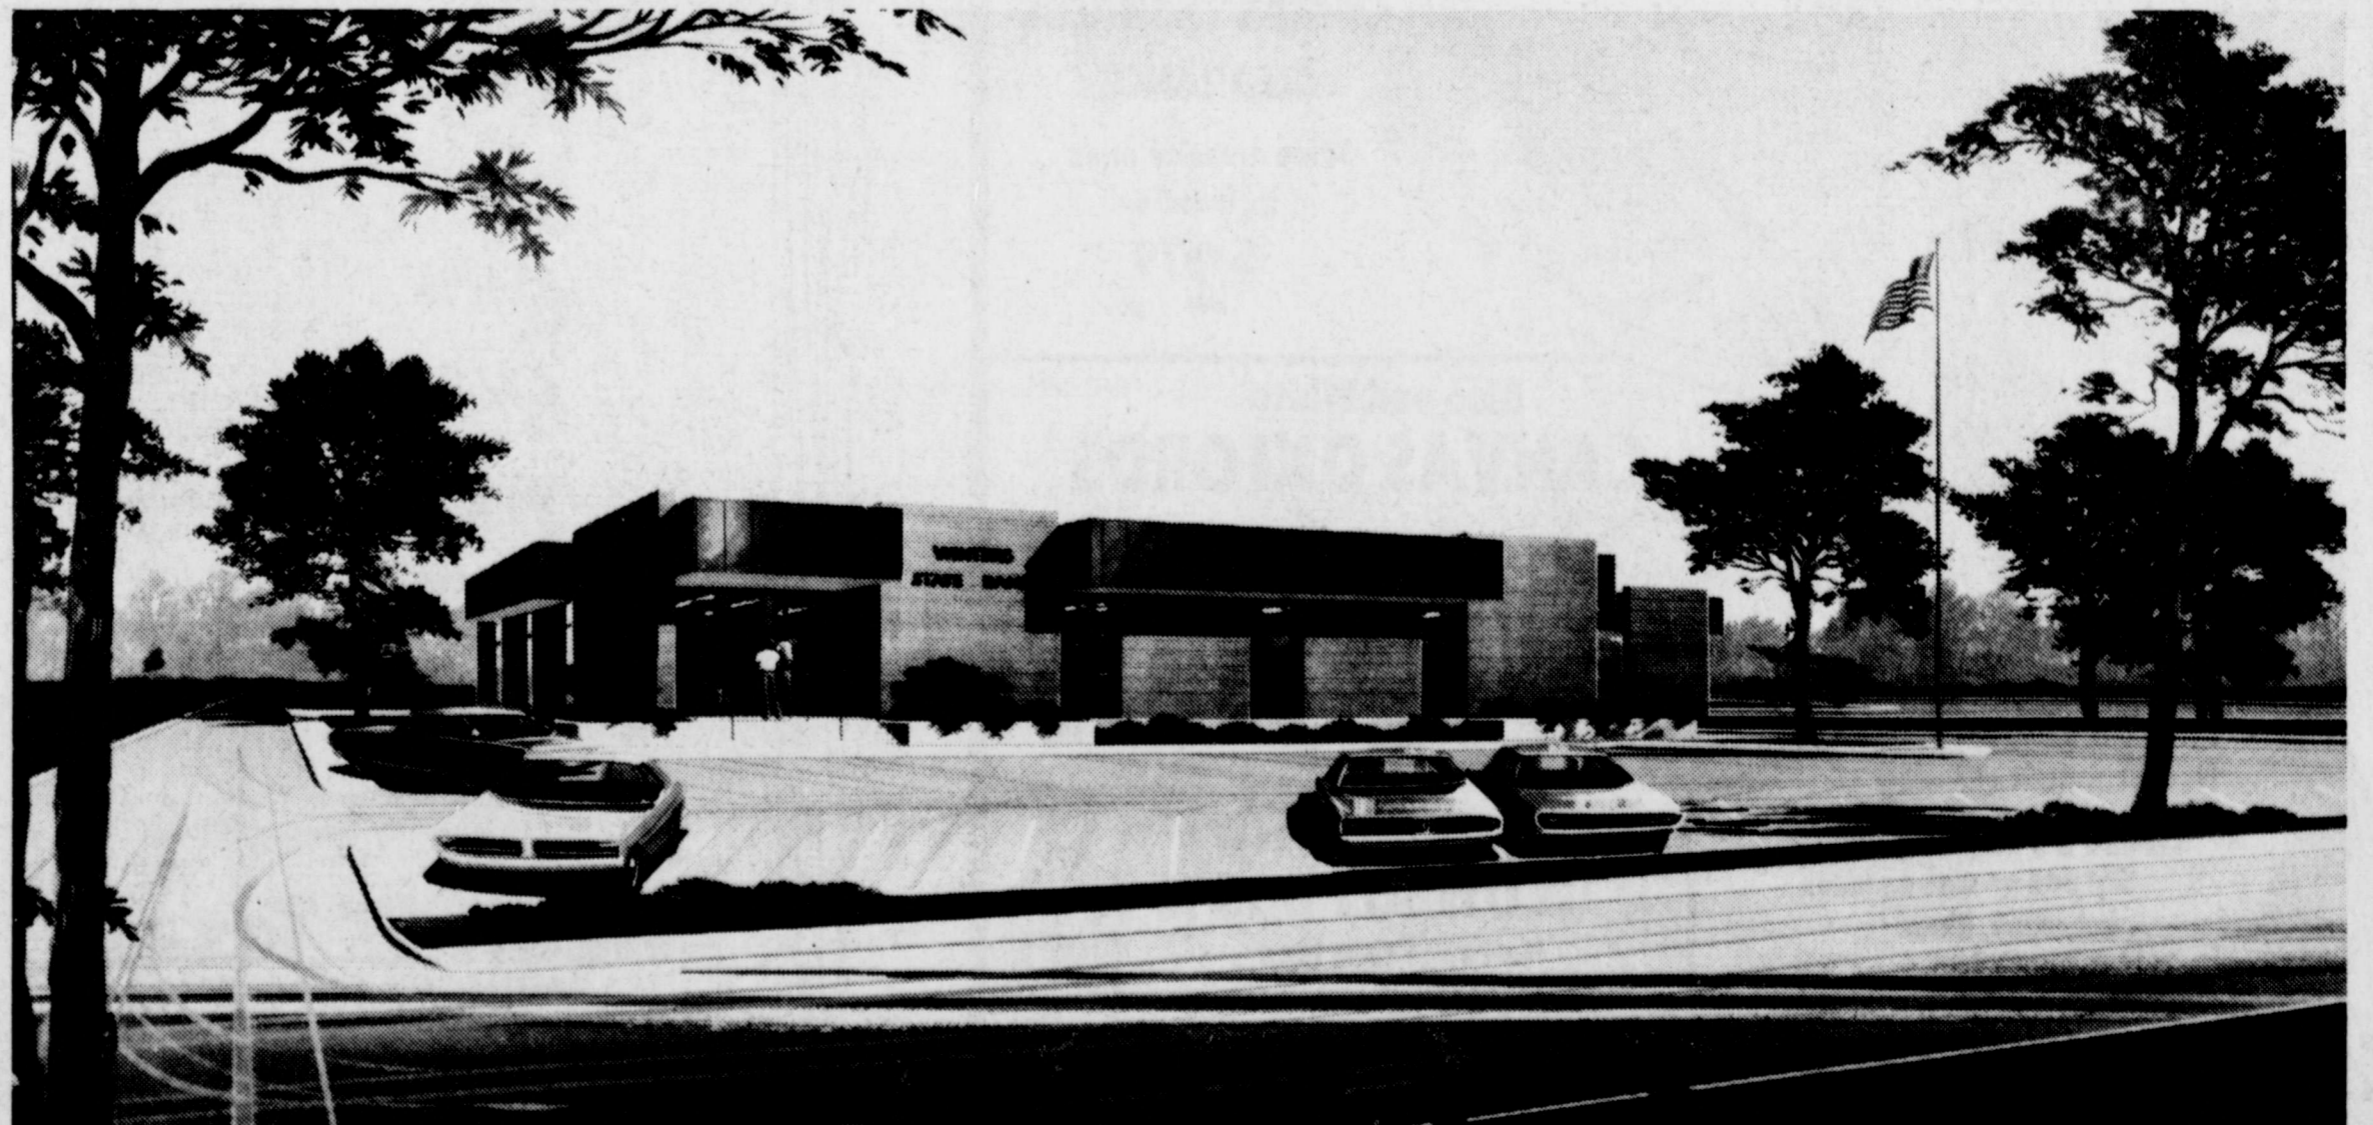

Curbo is the son of Mr. and Mrs. Pat Wood of Winters.

Jerree Isbell Represents Winters At Lions Event

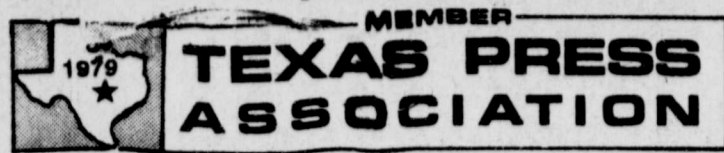

Jerree Isbell will represent Winters and the Winters Lions Club in the Lions District 2-A1 beauty contests to be held this week.

Miss Isbell had been named first runner-up in the Miss Winters 1979 pageant recently, when Denna Danford was chosen

Miss Winters. However, Miss Danford will be unable to attend the Lions convention contests because of a conflict of dates with UIL state contests, in which she will compete. Under the rules, the first runner-up in the local contest becomes Winters' representative See **LIONS EVENT** Page 8

Points To Ponder

James Roberts, Andrews publisher, hit a public tender spot so squarely in the center recently we thought the folk in this neck of the woods would like to read what he wrote:

In 31 years of filing tax returns, we have never heard of so many coughing up so much so quick.

And we've never heard taxpayers as frustrated, as bewildered, as hurt, and as angry as they are this year.

And well they should be! Abraham Lincoln freed the slaves in his Emancipation Proclamation over a hundred years ago. In the space of 65 short years, Congress has managed to legally enslave 130 million people.

Those 130 million signed returns this past week to kick in an estimated 200 million dollars . . . and the nation's corporations will add another 70 billion.

Since the income tax was passed in 1914 it has grown 676 times in amount collected, the taxes collected by IRS amount to 17 cents of every dollar spent in the nation, and the average tax has climbed from \$114.68 to \$2,060.64.

In all, the IRS expects to collect from income taxes, social security, excise and estate and gift taxes something like \$420 billion this year and \$620 billion in 1982.

We have lost our freedom and become slaves of the federal government without firing a shot. The French Revolution came about because the emperor assessed taxes that amounted to 18 percent on the peasants . . . and they led their leaders to the guillotine and chopped off their heads.

In this country, two hundred years ago, the colonists revolted from England because of taxes that amounted to less than 10 percent.

We are taxed in this country approximately 37 percent of the wages and salaries earned—without firing a shot.

From January 1st until May 6th, the average worker in this country performed solely for the government . . . May 7th he can begin working for himself and his family. It's an extremely high price to pay for the privilege of residing in this country.

There's something wrong with the system when a couple with three children in the local schools tries to put back a few dollars to save for their children's education—only to have the nest egg wiped out each April 15th.

There's something wrong with the system when a wage earner struggling to meet ever-rising costs must work 127 days out of the year to support the various taxing agencies of government.

There's something wrong with the system when

D. E. Gray Completed CG Training

Coast Guard Seaman Apprentice Donald E. Gray, son of Betty S. and J. C. Gray, Jr., of Winters, has completed recruit training at the Coast Guard Training Center at Alameda, Calif.

During the nine-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training leading toward his qualification in one of the

"Spring Party" Scheduled At Teen Center May 12

A "Spring Party" for all Winters and Wingate

Coast Guard's 26 basic occupational fields.

Included in his studies were first aid, seamanship, Coast Guard history and regulations, close order drill and damage control.

Gray attended Winters High School prior to reporting to the Coast Guard Training Center at Alameda in February, 1979.

the British can save 13 percent of their disposable income, the West Germans 15 percent, and the Japanese 25 percent...and Americans can manage only 6.5 percent—and pay heavy taxes on that!

There's something wrong with the system when the middle-income American cannot get his message of desperately needed tax relief across to Congress.

There's something wrong with the system when all across the land wage and salaried workers are screaming for relief . . . and Congress has the audacity to consider a bill that would exempt the Congressman's first \$50,000 of income from taxes.

There's something wrong with the system when our President can bring about a peace treaty in the Middle East by promising to pay \$6 billion a year to the Israelis and another \$6 billion to the Egyptians to buy armaments with which not to fight each other—while the Andrews couple needs to save money to pay for higher education.

There's something wrong with the system when our government leaders have the gall and audacity to scream about windfall profits of the oil companies . . . and the biggest windfall in the history of mankind falls each year into the federal treasury because of government-caused inflation.

There's something wrong with the system when a majority of Americans want permanent relief from oppressive and excessive taxation and finds that little hope exists as long as the elected representative can keep getting elected by spending other people's money.

There's something wrong with the system when we have 87 million people drawing checks from the federal treasury and only 86 million sending money to the treasury.

There's something wrong with our system when Britain can topple and change their government immediately when the party in power fails to get a majority vote, or an Idi Amin can be toppled from power after only six despot years—and the American people cannot get rid of its enslavers in 65 years.

There's something wrong with our system when three IRS commissioners have testified before Congress that a 10 percent across-the-board tax on everyone, corporations included, with no exemptions or deductions would yield current revenues with less fuss and bother than now—and yet Congress refuses to act!

There's something wrong with the system and it needs to be changed. Moses came down the mountain to lead the Israelis out of bondage to the Egyptians. We need a modern day Moses who believes in the 10 percent tax to lead heavy-burdened Americans out from under the blood-sucking, parasitic leeches in the Sodom and Gomorrah of Washington.

It's considered high treason in this country to advocate the overthrow of the government. Personally, we think it a God-given patriotic duty.

Wingate Sew and Sew Club Meeting

The Wingate Sew and Sew Club met April 24 in the Wingate Lions Club building. Quilts were quilted for the hostesses, Mrs. Eura Loyd and Miss Mildred Patton.

Miss Knight and Mr. Hamner Wed Saturday

Mary Evelyn Knight became the bride of Michael Ray Hamner in a double-ring ceremony in St. Mary's Catholic Church, Ballinger, at three o'clock Saturday afternoon, April 28.

The bride is the daughter of Mr. and Mrs. W. T. Knight of Ballinger. The bridegroom is the son of Mr. and Mrs. Jim Hamner of Winters.

Father Nissen of the church officiated for the ceremony.

Randy Stevens was organist. Candlelighter was Andy Knight of Ballinger. Ring bearer was Stevie Gray, Jr., of Ballinger, and best man was Jim Hamner of Winters.

Ushers were Steven Gray and Jeff Heidenheimer, both of Ballinger, and Jimmy Hamilton of Clyde.

Theresa Gray of Ballinger was matron of honor. She wore a yellow

floor-length dress, with U-shaped neckline.

Given in marriage by her father, the bride wore a white floor length gown with train, lace fitted sleeves, with matching veil, made by the bride and her sister, Theresa Gray. Her bouquet was of white and yellow daisies with lace streamers.

A reception was held at the Texas Grill in Ballinger. A three-tiered cake decorated with white daisies dominated the white cloth covered bride's table. Theresa Gray served the cake, and Shelley Hamner served the punch.

The bride is a graduate of Ballinger and is assistant manager of the Texas Grill in Ballinger.

The bridegroom is a graduate of Winters High School and is employed by the Ballinger Unit of the Runnels County Emergency Service.

SPRING SALAD BOWL

3 fresh pears, peeled and diced or
1—1 pound can pear halves, drained
1—12 ounce can apple juice
1—3 ounce package lemon flavored gelatin
2 medium bananas, sliced

Arrange pears in bottom of loaf pan. Heat 1 cup apple juice to boiling; dissolve gelatin in the hot liquid. Add water to remaining juice to make 1 cup. Add to gelatin mixture. Add sliced bananas to gelatin and pour over pears. Chill. Makes 6 servings.

LOW-CALORIE FRUIT SALAD DRESSING

1 minced clove garlic
¼ cup vinegar
½ cup orange juice
¼ teaspoon paprika
1 teaspoon sugar
½ teaspoon salt
1/8 teaspoon pepper

Let garlic stand in vinegar for 1 hour. Strain and add remaining ingredients. Shake or beat well and refrigerate. Shake before serving. Makes about ¾ cup.

A physician once discovered a way of pinning down an ailment called iridagnosis. He swore he could tell the affliction by the appearance of the iris of the patient's eyes.

HAIL—At mid-morning Tuesday, ice was still piled up in the ditches west of Winters, following the devastat-

ing hailstorm at about 4 a.m. the same day. There was almost a complete loss of wheat and other small grain

crops in a wide strip which extended north and west of Wingate.

What does it take to feel secure?

1. A place to hang your hat.

Actually it's much more than a place to hang-up. Or hang-out. It's where the heart is, and whether a castle or a cottage, there's just no place like home.

2. A chicken in every pot.

In most cases, one chicken and one pot are sufficient. Unless, of course, you have a very large family. Then, a turkey in the pot is even better. Best of all — a

brother in the grocery business.

3. First Texas Savings.

Security is more than peace of mind. It's a plan of action — designed to meet your needs today, and grow with your goals for tomorrow. And a savings plan at First Texas Savings can really help.

Our Regular Saving Accounts earn at the rate of 5.25% and keep your money readily available. Your account begins earning interest from the day of deposit. And, at First Texas, your interest also earns interest every day, to increase your annual yield.

For longer term investments at higher interest rates, Certificates of Deposit are ideal. Here too, First Texas gives you the benefit of earnings from day of deposit and daily compounding of accumulated interest. And you can choose from a variety of different terms and rates.

Certificates of Deposit*

Annual Rate	Minimum Term	Minimum Deposit	Annual Yield**
5.75%	3-Months	\$ 500	5.92%
6.50%	1-Year	\$1,000	6.72%
6.75%	2½-Years	\$1,000	6.98%
7.50%	4-Years	\$1,000	7.79%
7.75%	6-Years	\$1,000	8.06%
8.0%	8-Years	\$1,000	8.33%

Certificates above are automatically renewable unless the Association gives written notice of cancellation at least 15 days prior to the maturity date. Earnings are compounded daily and paid quarterly. *Federal regulations require a substantial penalty for early withdrawal. **Annual yield based on accumulated interest of one year.

Of course, your savings can be insured safe, up to \$40,000 for single accounts, to \$200,000 for couples, and to \$560,00 for a family of four by the Federal Savings and Loan Insurance Corporation. And First Texas Savings makes it easy and convenient to save too. With services like postage-paid Save By Mail, direct deposit of Government Checks, Checkmatic money transfer to simplify loan payments, and Read-Check, to put idle checking account funds to work, earning for you.

Why not get all the details from a First Texas Savings Counselor? It's the smart way to get your savings growing. And get the confidence that comes with real financial security.

Leroy Castillo In Best USAF Supply Sqn.

Staff Sergeant Leroy Castillo, son of Mr. and Mrs. Pedro D. Castillo of Winters, is a member of the "best" supply squadron in the U.S. Air Force in Europe.

Sergeant Castillo is a material facilities technician at Lakenheath RAF Station, England, with the 48th Supply Squadron which recently won the coveted USAFE Daedallan trophy. The award is presented annually to the supply squadron that is judged

best in competition with all other units in the command. The sergeant is a 1967 graduate of Winters High School. His wife, Mary, is the daughter of Mr. and Mrs. Eloyd Casias of Winters.

Are you one of those persons who has failed to get their private pesticide applicators license in order to purchase pesticides and various other chemicals? If so, be sure to attend the training program Tuesday, May 8, at 2 p.m. in the district courtroom on the second floor of the courthouse, Allen E. Turner, county extension agent said. By attending and participating in this program, a person can receive his license and certification to purchase restricted chemicals that he is probably going to need.

Freshman Orientation Meeting Set Tuesday Night, May 8

An orientation meeting relating to their high school years. In addition, 1979-80 Winters High School freshman class will be held in the high school auditorium next Tuesday, May 8, at 7:30 p.m.

At this orientation meeting the students and their parents will be informed of requirements for graduation, courses offered, recommendations for math for the first year, and other problems relating to their high school years. In addition, the school counselor will discuss the standardized tests the students have taken this year. Pre-registration materials for next year will be given to the incoming freshmen and will be explained in detail. Parents are urged to attend this meeting, to gain a better understanding of the students' needs.

Tribbles Will Host European Tour

Dr. and Mrs. Thomas Tribble of Winters plan to host an eight-day Alpine Tour highlighted by attending the famed Abernammargau Passion Play, in Oberammargau, a small village in the Bavarian Alps.

The tour will include Bavaria, the Swiss and Austrian Alps, Innsbruck, Salzburg and Oberammargau.

Departure date for the tour will be July 26, 1980. Dr. Tribble said, "Although 1980 seems a long way off, it is necessary to do advance planning. Also, registrations need to be secured." Additional information may be obtained from Dr. Tribble, who is pastor of the First United Methodist Church of Winters.

SERVICE AWARD—Rankin Pace, chairman of the Runnels County Historical Commission, accepts the Texas Historical Commission's Distinguished Service Award for outstanding achievement in the field of historical preservation by the county commission. THC vice chairman Barney Davis, right, made the presentation during the annual Historic Preservation Conference in Kerrville recently.

CARD OF THANKS

The WHS Blizzard Cheerleaders would like to express their appreciation to all who helped make their charburger supper a success. We thank Coach Porter, Mr. Alcorn, Mr. Lancaster, Mr. Grantham, our parents and Vickie and Phil Harrison. We also thank Smith Drug and Main Drug for selling tickets. We are especially grateful to Mr. and Mrs. Haupt, and we sincerely thank all of you who came and supported us. The drawing was won by Willene Gerhart. --1978-79 Varsity Cheerleaders 8-1tp

CARD OF THANKS

I would like to thank Dr. Rives and the hospital staff and especially the nurses for the care I received. Thank you for the flowers, cards, visits, and all the good wishes I received while in the hospital. For all this I'm truly grateful. --Earline London 8-1tc

Farmers Urged To Attend Boll Weevil Control Meet

North Runnels cotton farmers are being urged to attend a meeting at the Wingate Lions Club building Tuesday, May 8, at 8:30 p.m., to hear Dr. Nick Wilson, area extension entomologist speak on the use of a uniform delayed planting date as a means of management and control of the boll weevil population.

Dr. Wilson believes that 1979 may be a heavy weevil year, and producers should use every measure possible to manage boll weevil populations, Allen E. Turner, county extension agent, said. Dr. Wilson will be discussing the biology of the boll weevil, as well as growth and development of cotton plants.

Farm Union Meeting Set Thursday

Zandy Good of Rising Star will present a program on fertilizer at a meeting of the Farmers Union Thursday, May 3, at 8 p.m. in the reception room of the Winters Housing Authority.

Also on the program will be Foy Mitchell of Roby.

All members and other interested persons are invited to attend this meeting.

Bride-Elect Honored At Gift Tea

Miss Judy Sneed, bride-elect of Marci Grun, was honored with a gift tea Saturday in the Fellowship Hall of the Drasco Baptist Church.

Miss Sneed's chosen colors of the rainbow were used in party decorations and daisies and iris were used on the serving table. Mrs. Lanham Bishop was at the register and Mrs. Douglas Williams and Mrs. Stan Tatum were at the serving table. In the receiving line with the bride-to-be were her mother, Mrs. L. Q. Sneed and the prospective bridegroom's mother, Mrs. Russell Grun. Tammy Walters and Paula Hicks played piano selections.

Approximately 75 guests attended. Hostesses were Mesdames Omer Hill, Robert Conner, R. Q. West, Melvin Williams, Milton Gerhart, Dick Bishop, Stan Tatum, W. L. England, Luke Pennington, Alton Ballew, Jo Wilson, Lloyd Giles, Albert Lewis, Travis Downing, Douglas Williams, Bud Hicks, Calvin Walters, Lanham Bishop and A. T. Williams.

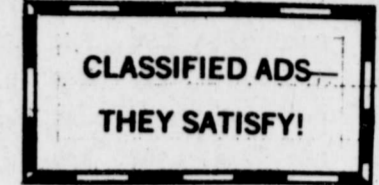

Lutheran Church Produced Four-Part TV Series

Gary Burghoff, "Radar" on the television series "M*A*S*H", will be featured in the second part of a four-part television series, "We're No. 1," which was produced by the American Lutheran Church.

The Rev. A. R. Wolber of St. John's Lutheran Church, Winters, said the second part of this series, to be shown on Channel 9 Saturday, May 5, at 12:30 p.m., is being presented "not only to offer us a better than average program for our entertainment, but also to give us some help in trying to answer the questions, Who am I/Why am I here, what should I be doing with my life?"

CARD OF THANKS

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses, we are deeply grateful. --Mrs. H. O. Abbott and Family. 8-1tc

Certified Seed Pays

In side-by-side field tests, cotton researchers have proven that certified seed produces higher yields than farmer-saved or select seed of the same varieties. And the extra production — as high as 18% more lint — is more than enough to pay for the cost of planting the certified varieties.†

Before you plant another row of non-certified seed, consider the advantages you get from Pioneer® brand certified cotton planting seed:

- Certified cotton planting seed from Pioneer has not undergone genetic deterioration in the field. Volunteer plants and undesirable cross-pollinations have been eliminated.
- Certified cotton planting seed from Pioneer is free from pests and weeds which often accompany non-certified varieties. You can be sure of the purity and uniformity in the seed and the crop it produces.
- Certified cotton planting seed from Pioneer is carefully handled and stored to avoid contamination by other varieties. Then, if it doesn't meet high standards for germination and purity, it's not used.

Certified LX571*

Your hedge against drought. Produces top yields of high quality cotton even under tough, dry conditions.

Certified Lankart 57

Long-time favorite on dryland. Consistently good yielder with excellent fiber qualities.

Certified Lankart 611

Early-maturity favorite. Vigorous plants produce large bolls of high quality lint. Good stripper.

WHS Golfers Sixth In Regional Competition

The Winters High School golf team shot 674 to place sixth in a field of 16 teams, in UIL regional 2-A golf at Lubbock last week, as one member of the team turned in the top medalist score to advance to state.

Plains April norther, pushed by high winds, whipped the golf course, dropping the temperature within seconds and threw sand into the faces of the golfers.

Kermit won the top spot in the two-day competition.

petition with 634, while Slaton turned in a 647 for the two days.

Scores for the first day for Blizzard golfers were: Johnny Curbo 74; Mark Whitlow 83; Scott Billups 90; and Chuck Evans and Brett Billups, each 92. On the second day, Curbo hit 75; Whitlow 99; Scott Billups 82; Evans 84; and Brett Billups 85.

Murray Golson of the WHS coaching staff is golf coach for the Blizzards.

Boy Scout Parents Nite Last Friday

Winters Boy Scout Troop 249 hosted a parents night Friday at the Scout Hut. District Executive Dave Doughty of the Chisholm Trail Council presented a film of highlights on Camp Tonkawa.

Seven Scouts signed up for summer camp on the week of July 1-7. Doughty and assistant Jeff Faulbacker conducted an Order of the Arrow election. The Order of the Arrow is an honor group of scouts. Ralph Austin, senior patrol leader of Troop 249, was elected, and will be inducted into the Order of the Arrow July 6.

Doughty presented the troop with a blue ribbon for their Indian dance at the super Scout show. The troop also was awarded the Honor Unit ribbon for having passed the 15 tests of a successful troop for 1978.

TROPHY—Students of Winters High School industrial arts classes entered projects in the Regional Industrial Arts Youth Conference in Abilene recently, and brought home a second place trophy for overall points scored

by a school with one industrial arts teacher. Top three places in each classification qualified for the State Youth Conference in Waco this weekend. Several of the students will attend the conference. Shown with the trophy

they won at Abilene are, front row, left to right, Arnold Gonzales, Billy Sherman, Frank Murphy, and Debbie Nix. Back row, left to right, Roman DeLaCruz, Chris Gehrels, Elmer Buckelew and Rene Martinez.

**J. A. Powers
Now Pastor At
Drasco Church**

James A. Powers has accepted a call by Drasco Baptist Church to serve as pastor, it was announced this week.

The Rev. Mr. Powers is a graduate of Centennial High School, Valera, and Howard Payne University, where he majored in education, English and religion. He also has done graduate work at Abilene Christian University and Angelo State University.

He was ordained and licensed to preach in 1954 by the Glen Cove Baptist Church, and has pastored several area churches.

He teaches sixth and seventh grade English and spelling in Winters Public Schools. He has been on the Winters school faculty for 19 years, and is past president of Winters Classroom Teachers Assn., and is currently president-elect of Runnels County Unit of Texas State Teachers Assn. He has coached Little League baseball in Winters for 15 years.

He married the former Virginia Roberts of Brownwood, and they have four children.

**Wallace Murray Reports
Record First Quarter Earnings**

Wallace Murray Corporation (NYSE-WMC) has reported first quarter earnings of \$7,665,000, up 33 percent from the \$5,759,000 reported in the first quarter of 1978. Sales were \$143,941,000 compared with \$123,728,000 in the prior first quarter. Earnings per share were \$1.26 versus \$.97 in the first quarter of 1978, which is a 32 percent improvement. According to Charles V. Myers, president and chief executive officer of

Wallace Murray, these record earnings represent the 17th consecutive comparable quarter of record earnings for the corporation. He attributed the results to the superior performance of the Schwitzer Division due to the strong demand for turbochargers, and the excellent showings of

U.S. Cutting Tools and the Gear Divisions. The Plumbing Divisions also had improved earnings despite the modest turn-down in housing starts as compared to last year.

Mr. Myers said, "It is too early to project how the rest of the year will go because of the large number of question marks, including government economic policies and the long awaited recession and its degree of severity. In addition, the corporation must negotiate several labor contracts in 1979, including one at a plant which has been on strike since its contract expiration on March 31, 1979. As a result," Mr. Myers said, "we face an uphill battle to continue this momentum, but on balance, we are cautiously optimistic."

**Pasture Short
Course Set
May 7, 8, 9**

Livestock producers are reminded of a pasture short course to be held in the Winters school vo-ag building Monday, Tuesday and Wednesday, May 7-9, at 7:30 p.m.

Tom Bowers, pasture specialist with the Texas Education Agency and Texas A&M University, will conduct the short course.

Subjects to be covered in the short course will be: maintaining quality in forages; systems of harvesting hay; kinds of fertilizers and optimum rates to be used in pastures; weed control in pastures; and intensive grazing systems.

Additional information may be obtained from Stanley Blackwell of the school vo-ag department.

**Reading Hour
Saturday At
Public Library**

The monthly Children's Reading Hour, sponsored by the Junior Culture Club, will be held Saturday, May 5, at the Winters Public Library. Reading will be from 3 to 4 p.m.

Refreshments will be served, and children will hear stories and participate in other activities.

The Children's Reading Hour is for all children 3 to 8 years old, and is held the first Saturday of each month. All children are invited to attend.

THEY'RE OFF!—Bike riders—and two joggers—begin the cystic fibrosis bike-a-thon ride Saturday morning. Some of the riders went 30 miles, and two young men jogged 25 miles.

Bike-A-Thon Pledges Over \$1200

More than \$1200 was pledged Saturday for the cystic fibrosis bike-a-thon, to support the Texas programs of assistance and education to help national programs of research and care which ultimately benefit all the children with lung-damaging diseases, Mrs. James Bomar, chairman, said.

About 30 young people and children took part in the bike-a-thon, riding up to 30 miles. Two entries jogged 25 miles instead of pedaling. Prizes were awarded to children age 4 to 10, and 11 up. Libby Bedford received a prize for most money pledged, and Archie Austin received a prize for most miles pedaled, in the 4-10 group. Gene Yates received a prize for the most money turned in in the 11 and up

group, and Frank Murphy, Bill Wheat and Joe Eubank received prizes for most miles ridden.

Prizes were donated by Bahlman Jewelers, Milton's Hardware, Western Auto, Pool Well Service, and Dairy Queen. Drinks were donated at Triple J, West Dale Grocery, Super D, and Woody's Stop & Go.

Mindi Wade, 4-year-old daughter of Mr. and Mrs. Donald Wade, pedaled two miles on her bike which was fitted with training wheels, and had brought in pledges for \$50. Five-year-old Kimberly Dieke, daughter of Mr. and Mrs. Michael Dieke, rode 10 miles with her family, and had pledges of \$30.

Bike riders going 30 miles were Frank Murphy, Bill Wheat and Joe Eubank. Gena Yates, DeAnn Deaton, Ketta Walker and Archie Austin biked 25 miles.

Two young men, Ralph Austin and Lindsey Bredemeyer, jogged 25 miles during the morning.

Those who worked on the bike-a-thon included Charlotte Lancaster, Lois West, Melanie and Donald Wade, and James Bomar.

Mrs. Bomar said the committee was very pleased with the response, and expressed thanks to all who assisted in the event, and to the bike riders who collected the pledges.
