Postal Officials Study Possibility Of Bringing City Delivery to Dimmitt

The Dimmitt Junior Chamber of Commerce, sponsors of a project to bring city mail delivery to Dimmitt, Thursday heard a talk by Mr. A. W. Phamiller, U. S. Postal Inspector of Amarillo speak on requirements which must be met.

"Apparently Dimmitt meets the requirements we have so far checked into," Mr. Phamiller said. Minimum postal receipts required is \$10,000 a year and Dimmitt had \$31,000 last year. A population of 2,500 in the area to be served is also necessary and postal officials are checking this out at present. All of Dimmitt will not be included in city delivery if it is approved. Mail carriers will not go where there is no paving or sidewalks and this rules out random portions of the town plus virtually all of East Dimmitt. Consequently Mr. Phamiller could not state definitely whether or not this requirement could be met. Another thing to be checked out is whether or not the area is fifty percent developed. This means that half the lots in the area to be served must form all or part of a mailing address.

Also, Mr. Phamiller said, there must be street signs and houses and businesses must be numbered, a requirement which Dimmitt either has met or could easily meet.

In case the measure does go through, Mr. Phamiller pointed out that there would be no more three-cent stamps for city delivery. Letters mailed in Dimmitt to Dimmitt residents would require a four-cent stamp with city delivery.

House mailboxes or slots must be at least thirty inches above the ground or floor on which the Postman would stand.

Anyone can still maintain a post office box, he said. Mail will come to where it is addressed. If it has a box number instead of street address it will go into the box. It is also expected that boxes relinquished by many people on city delivery routes will be used by people now getting their mail general delivery, thereby cutting down clerical time.

"It's a tremendous transition," Mr. Phamiller said. "The post office can no longer deliver illegible addressed mail, and some of the other marginal services will have to be curtailed somewhat."

He also said no rural routes would be affected. Dimmitt has only star routes—routes served by contractors instead of postal employees—and these will continue as before.

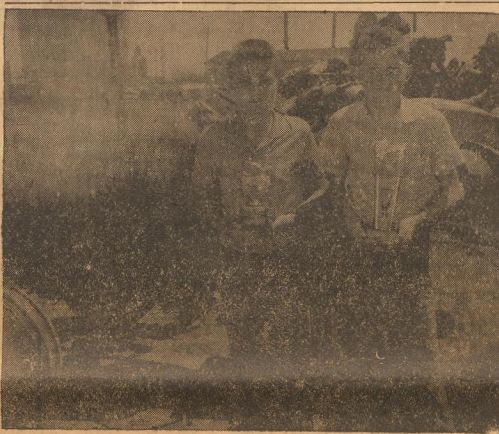

Retman Completes Army Course

Army Pvt. David W. Retman, 22, whose wife, Karol, lives at 408 N. W. Sixth, Dimmitt, Tex., completed the eight-week supply specialist course at Fort Carson, Colo., March 2.

Retman was trained in Army supply procedures, including supply administration, storage, handling and stock procedures.

He entered the Army last October and completed basic training at the fort.

The son of Carl A. Retman, Route 1, Hereford, he is a 1957 graduate of Hereford High School and was employed by Perry-Morse Seed Co., in Hereford, before entering the Army.

TIE FOR FIRST—Elgin Brooks and Bobby McLain tied for first place in the Senior Boys Division of Tractor Maintenance at the 4-H Achievement Awards program last Saturday afternoon.

Two Senior 4-H Boys Tie for First In 4-H Tractor Maintenance Contest

Two senior 4-H boys tied for first place in the 1962 Tractor Maintenance contest in the senior division. They are Elgin Brooks and Bobby McLain.

In the first year junior division, they are Elgin Brooks and Bobby McLain.

In the first year junior division, Billy Sharp was first and Jerry Aberant was second. Second year junior division winners were Charles Kuntz, first, and George Ed Bennett, second.

Betsy Simpson and Carolyn Simpson were chosen in the competition at Dimmitt High School Saturday afternoon for first place in the Team division of vegetable production and marketing. The senior Safety Team first place winner was Sherlon Petty and Connie Sheffy. Peggy Godfrey won the first place Senior Safety Individual first place award.

First place Junior Safety Team was James Edd Hughs and O. R. Hughs. Second was Mickey Simpson and Gerald Witkowski and third place was Robbie Sheffy and Kathey Sheffy.

Byron Hutto and Arlie Petty

were first in the Soil and Water Conservation Team division.

Lou Ann Witkowski was first in public speaking.

In the Junior Dairy Foods Team division, Edlana Vinson and Sammie Ann Vinson were first place winners and Debra Hochstein and Loyne Brockman were second place.

Diana Adams was first and Kathy Sue Griffin was second in the Junior Dairy Foods Individual division.

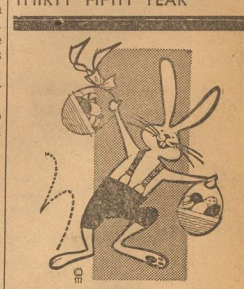

The team of Jane Witkowski and Patty Simpson were first place in the Junior Vegetables Preparation division. The second place team was composed of Jana Cole and Carol Robbins; third place team by Debra Summers and Cecilia Vandiver; and the fourth place by Linda Huseman and Sharon Hochstein.

LaNell McClenny and Allene Beavers were first in the Senior Vegetable Preparation Team judging.

The winners will participate in the District Contest in Canyon on April 28.

WINNERS—in Tractor Maintenance at the Annual Castro County Achievements 4-H Awards program last Saturday at Dimmitt High School were (left to right) Jerry Aberant, second place in Junior Div.; Billy Sharp, first place, Junior Div.; George Ed Bennett, second place, second year Junior Div.; Bobby McLain, tied for first in senior division; Elton Brooks tied for first in senior division; and Charles Kuntz, first place winner, in second year Junior Div.

Hey Kids! Don't Forget the JAYCEE EASTER EGG HUNT SUNDAY AFTERNOON 2 p.m. - City Park

Application Deadline Near for Diverted Acres

Monday, April 30, is the final date for producers of hybrid grain sorghum or corn to make their application for diversion payment on hybrid seed.

Anyone who produced hybrid grain sorghum in 1960 and 1961, or hybrid corn in 1959, 1960 and 1961, should contact the ASC office for information on the program.

Northside Baptist Revival Services Begin April 27th

Revival services are scheduled to begin at Northside Baptist Church April 27 at 8 p.m. and extend through May 6th.

Rev. A. M. Kay of Lamesa will be the visiting speaker. Ed Lovell of Plainview will direct the music.

Rev. Kay is a graduate of Howard Payne College of Brownwood and has had considerable experience in pastoring.

Rev. Lovell has been an evangelist and singer for the past twenty years and is capable in both fields.

Weekday services are set for 8 p.m. each evening. Climaxing the service on April 27 will be the dedication of the new auditorium.

The public is invited to attend all services.

Charles Armstrong Named Area Veep Of State Jaycees

Charles Armstrong of Dimmitt was elected last weekend to the post of Texas Junior Chamber of Commerce Area Vice-president, one of five in the state. These vice-presidents are second-in-command to the state president, Bob Sheehy of Waco.

Armstrong, a Dimmitt resident who has farming and ginning interests here, has also been regional vice-president before the state Jaycees revamped their organizational structure recently. Armstrong is active in local and area Jaycee work and was elected at the state convention in Galveston. Six persons from Dimmitt attended the convention. They were Mr. and Mrs. Ewing Mathis, Mr. and Mrs. Raymond Smithson, Pete Wright and Armstrong.

Bobcat Band To Appear In San Antonio

For the second time in three years, Ralph Smith's Bobcat Band had been invited to appear in the fabulous Battle of Flowers held annually in San Antonio.

There are only five guest bands invited to participate in the event, and they are usually considered the five best in the state.

The Bobcat Band will give an eight minute marching exhibition in Alamo Stadium on April 26, and will march in the five-mile Fiesta parade on April 27.

They will leave here on Tuesday, April 24 and return home Sunday, April 29.

The 105-piece band, one of the largest among the medium-size towns in the Panhandle area, has won 43 first place trophies and sweepstakes trophies. The Bobcat Band won the Outstanding Concert Band award in Enid, Okla., in 1957 the Battle of Flowers in 1960, and was one of five guest bands at the Cotton Bowl in 1961 during which it won the Coronation Parade Award.

Smith has directed the purple, white and gray uniformed band members for the past ten years.

At the Battle of Flowers the band will give an eight minute marching exhibition in Alamo Stadium on April 26, and will march in the five mile Fiesta Parade on April 27.

New Method Of Weed Control Used on Cotton

Studies to determine more efficient methods of controlling weeds in cotton at the Southwestern Great Plains Field Station and on South Plains farms has resulted in a pre-emergence weed control herbicide for cotton, steed A.F. Wiese, Agronomist. The herbicide is trademarked Karmex DL. Karmex DL has been used as a pre-emergence herbicide in cotton producing areas of the United States. Introduction into this area was prompted by rapidly rising labor costs and a series of wet years which intensified weed control problems in cotton.

In an intensive testing program on a total of 12 farms in the past 2 years, Karmex DL proved superior to many other herbicides tested.

Preliminary results in 1960 indicated that Karmex DL would control weeds satisfactorily if rain occurred shortly after application of the herbicide. In 1961 applications were made to a total of 8 farms. On 3 of these farms, where weeds were quite abundant, rainfall occurred shortly after application and weed control was excellent. On these farms hoe time was reduced to a minimum in that practically no weeds were in the bands treated with Karmex DL. On a fourth farm, fair weed control was obtained. However, rain did not occur until after two weeks allowing application of the herbicide. Weeds were very severe on this farm and hoe time on the untreated portion of the field was ten hours. Where Karmex DL was applied to a 10 inch band, hoe time was reduced to 5 hours per acre. On 3 other farms weed control was excellent. However, there were practically no weeds in the untreated portions of the fields where the farmer has used normal rotary hoeing and cultivation procedures.

Consequently, the application of the Karmex DL was not profitable for these farms. In one field, Karmex DL was applied where there were very deep lister furrows. It was never evident that any application of herbicide had been made. It was surmised that as the lister furrows were filled, the herbicide was covered and rendered ineffective. The results on the 8 farms indicated that Karmex DL will be profitable on fields that have a history of weediness and if rainfall occurs shortly after application of the herbicide.

In order to reduce the amount of testing time required to fully evaluate the potential value of Karmex DL in the area, rainfall records were analyzed. Rainfall records from Amarillo, Lubbock, Big Spring and Wichita Falls indicate that the most rain occurs in May. In view of the fact that abundant rainfall causes weed germination, the most serious weed control problems will occur shortly after cotton planting. This indicates that a weed control method which will control weeds early in the season will be most useful to farmers.

The seventy year rainfall record at Amarillo was evaluated to determine how often at least 1/2 inch of rainfall could be expected within two weeks after any planting date to activate Karmex DL. (See WEED CONTROL, Page 8)

Community Judges To Be in Bethel

Judges for the Texas Community Improvement Contest will be in Bethel at 4 p.m. Thursday, April 26.

They will tour the community to observe the achievements of the past year and will be back in the Community building at 6:30 p.m. to hear reports from members of the community club. A covered dish supper will be held at 8 p.m. All residents of the community are invited to attend this meeting.

Two Charged With Car Theft Here

Two 18-year old youths have been charged with car theft here. They are Harold Presley and Jerry Johnson, who allegedly stole a 1955 Plymouth belonging to Alvin Hunt about midnight Wednesday. After driving it around for a while, the car left the road and plunged floorboard deep into mud in a ditch just outside the west city limits. They left the car where it was found the next day. They had not made bond by Thursday afternoon. Sheriff Jack Cartwright said the car's owner was a relative of one of the boys.

Junior Legion Auxiliary Makes Toys for Hospital

Members of the American Legion Junior Auxiliary met for their regular meeting Thursday afternoon April 12. Eleven members and two guests were present.

Present club project is the making of stuffed toys to be given to children's hospitals and they are also writing "thank you" letters to Mrs. J. Ferguson, department chairman of Houston for making their yearbooks.

The next meeting will be April 19th instead of the regular meeting time of April 26.

Miss Elaine Davis furnished refreshments of cakes and cookies for the group.

Doris McDermitt to Play Basketball for Wayland College

Doris McDermitt, outstanding forward for the 1962 Dimmitt Bobcats, has received a scholarship to Wayland College where she will play basketball for the Wayland Queen Bees.

BROWNWOOD VISIT

Mr. and Mrs. Ray Bearden took their daughter, Mrs. Leonard Fry and two children to Brownwood Tuesday where they will visit Mr. Fry's parents a few days before returning to their home at Port Neches. Mrs. Fry and children have spent the past three weeks here with her parents.

Piggly Wiggly Grocery Name To Be Changed

Ben Hill, owner of Piggly Wiggly Grocery here, this week announced he had relinquished the trade name "Piggly Wiggly" to nothing more than a change in name. Hill said, "We will change nothing else. We had a franchise on the Piggly Wiggly name and we are turning it back to the organization."

Hill said he did not know what he would rename his store, although Thriftway is currently receiving serious consideration. He plans to change store names formally on or about April 29. This will have no effect on Hill's buying procedures as he remains a member of Panhandle Associated Grocers which is in turn a member of Affiliated Food Stores. The Piggly Wiggly Corporation was not involved in any way other than in name in his business operations, Hill emphasized.

County Fair Date Set Sept. 6, 7, 8,

The Castro County Fair will be held this year on September 6, 7 and 8 at the Fair Grounds in Southeast Dimmitt. Officers this year are Doyle Underwood, president; Glenn McKinney, vice-president; R. W. Pearson, vice-president; Stanley Schaeffer, treasurer; and Charles Hottel, secretary.

The officers were selected at a meeting of the association Thursday night.

Last Rites Held For Mother of Mrs. W. R. Gibson

Mrs. O. A. Hefner of Graham, mother of Mrs. W. R. Gibson, passed away Tuesday morning in the hospital at Graham where she has been since suffering a heart attack several weeks ago.

Funeral services were conducted Wednesday at 2 p.m. in the First Methodist Church at Loving with burial in the Loving Cemetery. Mrs. Gibson has been with her mother since her illness.

Mrs. Hefner is survived by her husband and several children and a number of grandchildren.

Mrs. W. R. Gibson and family attended the funeral services.

GULF COAST FISHING

Mr. and Mrs. Claud Forson are visiting relatives at Temple this week. They also plan to do some fishing on the gulf coast before returning home.

GOP Primary to Be Held Here For First Time

The first Republican Party primary to be held in Castro County will be in the Rawlings Hotel on May 5.

Since a voting box will not be set up in each precinct, all county republicans may vote in the Rawlings Hotel polling place. Fred Brugel, Castro County Republican Party Chairman, said this week that he would furnish supplies to any Republican wishing to set up a voting place in his own precinct.

Polls will be open from 7 a.m. to 7 p.m.

There are no county candidates in the Republican Primary. However, J. Frank Ford, Jr., of Deaf Smith county is running for state representative of the 91st District. Jimmy Singer's name is on the ballot for Republican County Chairman. Mr. Brugel is not seeking reelection.

William Jones of Wilson County and Jack Seale of Potter county are on the ballot for Congress, seeking the post now held by Democrat Walter Rogers.

Jack Cox of Stephens County and Roy Whittenburg are seeking the Republican nomination for governor and O. W. (Bill) Hayes of Bell County and Kellis Dibrell of Bexar County are running for Lieutenant governor.

John Zahn of Parmer County is running for the State Senator nomination.

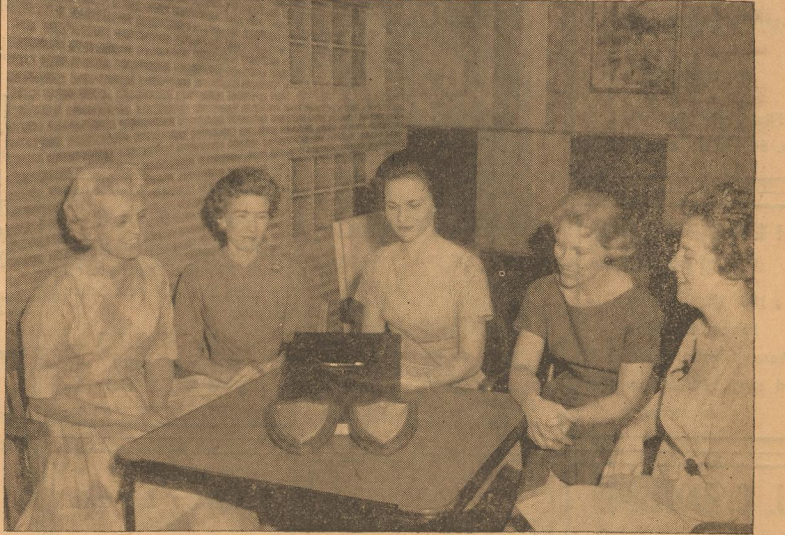

These candidates and the others on the Republican Party primary ballot will oppose a slate of Democratic Party candidates in the November elections.

Skiprows Can Qualify Now as Diverted Acres

Charlie Hill, ASC secretary, said this week that "we have now allows strips of four normal rows or more in skip-row planting patterns to qualify as diverted acreage."

To qualify the field must be planted in a regular pattern, the idle rows in the strip-row planting must be the same width as the crop planted, and be four rows or more wide to count as diverted acreage.

Hill listed as examples that a field planted two rows of cotton and four rows idle would be considered as two rows of cotton and four rows of diverted acreage. Also a field planted four rows grain sorghum and four rows idle would be considered as four rows grain sorghum and four rows diverted acreage.

JAYCEE-ETTE OFFICERS—shown here with their recent awards received at the State Jaycee-Ette Convention are left to right, Mrs. Jean Byrnes, president of the club who received the "Outstanding President" of local clubs in the state of Texas award which is the bronze and walnut plaque on table at left; Mrs. Marge Mathis, state director; Mrs. Gloria Isaacs, vice-president; Mrs. Bonnie DuLaney, treasurer; and Mrs. Bobbie Brugel, secretary. The plaque on the right is the award received for being the outstanding club of the region. Book in back of awards is the club scrapbook used for compiling activities and other information concerning the organization and was also submitted for judging.

Jean Byrnes 'Outstanding Jaycee-Ette President'

At a Jaycee State Convention held last week in Galveston at which local Jaycee and Jaycee-Ette organizations all over the state were given recognition for outstanding work, Mrs. Jean Byrnes, president of the local Jaycee-ettes was selected as "Outstanding Local President in the State".

Local clubs all over the state, if it is their desire to do so, submit a letter to the state organization nominating their president for this title. The letter contains an outline of the work achieved in the community during her administration, percent of members participating on each project, and comments describing her personality, family and other activities. Mrs. Bonnie DuLaney drafted this letter of recommendation for the Dimmitt Jaycee-Ette entering Mrs. Byrnes as a candidate for the state honor.

A group of women made up of Jaycee-Ettes picked from all over the state composed the judging committee. Mrs. Byrnes was picked as one of the six finalist and announcement of the award was made at the awards luncheon held Friday of last week in Galveston. Mrs. Marge Mathis State director, and Mrs. Mary Lou Smithson local member, who were in attendance accepted the plaque for Mrs. Byrnes was unable to attend the convention.

Stanton Calvert On Dean's Honor Roll

Stanton Calvert, a 1961 graduate of Dimmitt High School, is listed on the Dean's Honor Roll at Abilene Christian College for his outstanding grade point average last semester.

Calvert, the son of Mr. and Mrs. Carlos Calvert of Dimmitt, is a freshman student at ACC.

Recent new comers to Nazareth were: Leon Richard Huseman son of Mr. and Mrs. Philip Huseman and David Joseph son of Mr. and Mrs. Louis Huseman. Both babies were baptized Sunday. Leon Richard's sponsors were Miss Caroline Huseman and Robert Ringo; little David Joseph's sponsors were Mr. and Mrs. Denis Huseman.

Mr. and Mrs. Florence Albracht, Mrs. Walter Schulte Mrs. Anna Albracht, Mrs. George Brockman of Umbarger and Frank Ball left Monday to attend the funeral of Mrs. Charles Schacker in Lindsey Nebraska, Mrs. Schacker was a sister of Mr. Joe Albracht.

Mr. and Mrs. Raymond Annen attended their annual Palm Sunday dinner with Mr. and Mrs. August Huseman.

Agnes Brockman's family had their Easter get-together Sunday at Mr. and Mrs. Cyril Brockman and family enjoying dinner were Mr. and Mrs. Jerome Brockman and family, Mr. and Mrs. Ralph Steffens and family, Mr. and Mrs. James Wilhelm and family, Mr. and Mrs. Rita Book and family. Mr. and Mrs. Tom Brockman, Mrs. Agnes Brockman and Philip.

Miss Judy Schulte has been selected to represent Nazareth at Girls State and Dicie Schacker has been chosen for Boy's State.

Ladies attending the bridal shower in Happy on Sunday honoring Miss Leona Venhaus bride to be of Arnold Fangman were; Mrs. Elmer Kleman, Mrs. Agnes Hollenstien, Mrs. Vincent Huseman, Mrs. Lawrence Huseman, Jennette and Vickie Huseman, Mrs. Paul Venhaus, Mrs. Helen Backus, Mrs. Hubert Backus, Mrs. Elmer Huseman, Miss Alvin Kleman and Norma and Neleeta Venhaus. The shower was in Mrs. Loyd Venhaus home.

Guests for several day with Pohlmeier relatives were Mr. and Mrs. Zack Harsh and family, they are on their way from California where they had been living going to Nebraska to make their home.

Some of the Nazareth 4-H club members that placed at the county 4-H method demonstration in Dimmitt Saturday are Jerry Abrant took second place in tractor maintenance.

Red ribbon winners among the girls were Lorraine Brockman and Debra Hochstien in a dairy food demonstration and Linda Huseman and Sharon Hochstien in a tossed salad demonstration.

Guest speakers for the regular P.T.A. meeting Monday night were the exchange students living in Dimmitt from Australia and Japan.

They were thoroughly enjoyed by all members present. At this Mr. Hillock music director for the band stated he would have an instrument salesman at the next P.T.A. meeting as well as having the band perform for the P.T.A. members.

Senator YARBOROUGH'S REPORT

Our bill for a Padre Island National Seashore Recreation Area has passed the United States Senate. Four years of work on it has now moved it past the half-way mark on the road to becoming a law.

I owe thanks to hundreds and thousands of you who have helped me guide it through the committees and on to passage by the full Senate, with your letters, your phone calls, your petitions, your telegrams and your messages. Together, we are opening a door for Texans to march through into a new recreational era and a new era of economic gain, too. Together—and in increasing numbers—we have worked since 1958 for this bill to establish a national seashore recreational area on Padre Island.

The bill passed the full Senate in the same form in which it was approved by the Senate Interior and Insular Affairs Committee for the full 88 1/2 mile park, and with oil and gas mineral rights held by the State of Texas and other owners protected and with all crippling amendments defeated, without a single word changed. Now that the Senate has ap-

proved the Padre Island park bill, it goes to the House. There, Congressman Joe Kilgore of McAllen, Congressman John Young of Corpus Christi and Congressman J. T. Rutherford of Odessa will have an important say on this vital bill.

Padre Island extends across parts of the districts of Congressmen Young and Kilgore. Congressman J. T. Rutherford of Odessa is chairman of the House Committee where the bill now goes. I will be working with these three Texans for creation of a National Park on Padre Island. Congressman Rutherford's Committee is the next key body which holds the fate of the Padre Island bill. A Texan sits in judgement on this Texas bill.

There was some opposition to the Padre Island bill when it came before the Senate, as had been expected. An effort was made by one group to seize this bill, for which we have worked so long and hard, and to go racing back into the past with it. They tried to send it back to committee—they tried to bury it in committee—where three complete hearings had already been held, one at Corpus Christi in 1959, others at Washington in 1960 and 1961. Then they tried without success to amend the bill to death. But just as the sands of Padre Island have withstood hurricane and treacherous tide, so did the Padre Island bill withstand all these assaults.

Senator Clinton B. Anderson of New Mexico, chairman of the Senate Committee on Interior and Insular Affairs, gave me valiant support in the Senate debate. So did Senator Alan Bible of Nevada, chairman of the Public Lands Subcommittee. As it passed the Sen-

King Wedding Plans Announced

Mr. and Mrs. John B. King of Dimmitt announce the engagement and approaching marriage of their daughter Jean to James Hale, son of Mr. and Mrs. Roy L. Hale of Floydada.

The wedding will be Sunday June 10 in the First Methodist Church of Dimmitt at 3 p.m. All friends of the engaged couple are invited to attend.

Miss Mary Jane Trego Engagement Announced

Mr. and Mrs. E. R. Trego of Lubbock, announce the engagement and approaching marriage of their daughter, Mary Jane to Lee DeLozier, son of Mr. and Mrs. George H. DeLozier of Summerfield.

The wedding will be May 26 in the Second Baptist Church of Lubbock.

Miss Melba Curry, Robert McIlroy Marry in Lubbock

Miss Melba Curry and Robert McIlroy were united in Marriage Saturday, April 14th at 4:00 p. m. at the First Baptist Church in Lubbock. The Rev. J. Ralph Grant, pastor, officiated at the double ring vows.

ate, the Padre Island bill will set apart 88 1/2 miles of the 117 mile long Padre Island as a National Seashore Recreation Area, where the Federal government would build a headquarters building, a Ranger station, rest rooms and many other facilities and would police the park and keep it safe for visitors.

Fellow Texans, our Padre Island bill could never have advanced through the Senate without your help and without help from men like Senator Anderson, Senator Bible, the Senate majority leader, Secretary of the Interior Udall—who endorsed the bill wholeheartedly—President John F. Kennedy, who sent a message to the Senate recommending the bill, and many others including many newspapers in Texas and radio and television stations in the Magic Rio Grande Valley.

I'm deeply grateful for their support, and for yours. There is still much to be done; Fellow Texans, I promise you I will do everything within my power to help create a magnificent tourist attraction on Padre Island and to preserve this public beach for use for all the people for generations to come.

CUNNINGHAM GUESTS Mr. and Mrs. Fletcher Carter and Mr. Walter Carter of Childress were guests of Mr. and Mrs. P. L. Cunningham Wednesday and Thursday.

The bride was attired in a beige suit of pure silk with matching accessories. She wore a single strand of pearls, a gift of the groom, also the traditional blue garter and a penny in her shoe. She carried a white orchid surrounded by carnations atop a white Bible.

Maid of honor was Miss Janice Curry of Dimmitt sister of the bride. She wore blue, complemented with blue and white accessories. The bride's mother was dressed in navy. Dale Dillingham Jr. of Lubbock was best man.

The bride, daughter of Mr. and Mrs. Cecil Curry of Dimmitt, is a graduate of Dimmitt High School, and has been employed as a teller in the American State Bank in Lubbock.

The groom is the son of Mr. R. M. McIlroy of Vernon.

After a honeymoon to Galveston, the couple will make their home at 2209 Hines St., Wichita Falls, Texas where the groom is a Senior at Midwestern University.

NEWS FROM BETHEL

The Abbott Circle of the Baptist Woman's Missionary Union met Tuesday morning with Mrs. Jack Howell. Other members present were Mrs. Elbert Smith, Mrs. Gaines Neill, Mrs. Curtis Beavers and Mrs. Doyle Underwood.

PHYSICALLY FIT???

Since the earliest history of civilization, men have been unable to live peacefully together in the world. You can find accounts of wars on nearly any page in a history book; you can see moving and talking pictures as war and death are portrayed on movie screens and on television; you can hear about war by listening to practically any conversation by anyone in America today.

The thought of war in the United States is one of horror, destruction, death of those you know and love, hunger, desolation, sickness, and the most horrible of all is the thought that there would be the possibility of having to live in a Communist United States. We need to remind ourselves often that Krushchev has said the Red Flag will fly over the United States in his life time. This month he will celebrate his seventieth birthday. He has said his grandson will live in a Communist United States. His son is ten years of age. Never forget that you can trust a Communist to do exactly as he says. That is, of course, unless we, the American people, choose to see that it happens otherwise. We have remained a rather complacent race of people. We have sat contentedly at home behind our two oceans and thought "Oh, well, there has never been a battle from foreign oppressors on our soil, and it is highly unlikely that it will happen now."

Meanwhile, back in the Soviet Union, they are making ready their plans to overthrow the government, stamp out the life of democracy, and set up another Soviet satellite on what was once free soil. They will promise many things to the masses of people. Yes, we would hear stories of equality for everyone, peaceful existence in a world of a people of a superior race.

The Soviet people rely, to a large extent, on physical fitness. This is because their society depends to a great extent on the strength of its subjects. People are expected to work doing manual labor if they do not have enough intelligence to warrant the government's time to develop it. They have commented that the American people are a soft, lazy nation, and thus they believe it will be even easier for them to take over.

Americans must become more physically fit, and it is for this reason that a national program has been started to promote physical education in schools. With cooperation this can be a highly successful project. It will enable the school-age citizens of the United States to get the exercise they miss in normal everyday life.

P. S. Don't forget to write your letters to your congressman concerning better movies.

What Is Success?

The people of America today are more success conscious than ever before. Different people measure success in different ways. For instance, some measure success by worldly possession and prestige; while others measure success by good health and able bodies.

A summary of the different people's opinions about success was written into a poem by Ralph Waldo Emerson.

"To laugh often and love much;
To win respect of intelligent people and the affection of children;
To earn the approbation of honest critics and endure the betrayal of false friends;
To appreciate beauty;
To find the best in others;
To give one's self;
To leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition;
To have played and laughed with enthusiasm and sung with exultation;
To know even one life has breathed easier because you have lived;
This is to have succeeded.

Winners Receive Awards at Banquet

Estacado Cafeteria, Plainview, Texas was the scene of the Plains American Heritage Awards Banquet held April 10, 1962. Wayland Baptist College acted as host for the occasion. The purpose of this banquet was to pay recognition to those who from each school whose essays, projects, and posters best portrayed our American Heritage. The first place winners in each division received \$25 bonds; second place winner were presented books entitled, "The Naked Communist" and third place winners were awarded merit medals.

Winners in the essay division were Mike Burkett, first; Rubye Clingsmith, second; and Carole Norris, third. Those submitting winning posters were Linda David, first; Judy Bock, second; and Jeanette Holbrooks, third. Eva Giles won first in projects division; Benjy Hill won second; and Dilbert Redwine won third.

The social science teachers, the administrators and the foreign exchange students, Motoe Terami and Garry Huntingford attended the banquet.

Wanda Stine's "Ideal Boy"

Smile - Harley Daniel
Hands - James Cowell
Neatest - Gary Morrison
Car - Jim Killingsworth
L. Q. - Scott Martin
Most Likely To Succeed - Scott Martin.

CAMPUS CHAT-

I'm a tumble weed. I've been blowing around Dimmitt for about a week, and what I saw!

Friday night I was blowing down N.W. 6th when I saw a white Chevy at the Devises. It seems Bill Shirley and Suzie Davis were going out on the town. When I got to Bedford I saw just gobs of people at the Baptist Church. Gerald S. and Sharon S., Gary M. and Carlanne C., Eldon Howell and Deborah B., Denny Rickman and Kaye W. Janice C. and Kelton C., Dwight C., and Suzanne D. were all there. It was Youth Night. I also saw Martha Taylor and Glenn H.

Saturday was all a buzz. The F. A. banquet was on that night. Sandra M. and Steve H. seemed to be having a swell time. Jim Axe and Linda S. were very disgusted when I blew up at their table and got sticker all over them. Romoa H., Don Minchew, Chuck Mc. Sue H., Alice A. and Ronald B., Linda H. and Eugene O. just to mention a few. I left there just in time to see Kaye and Dennis Eldon and Deborah go out of town toward Hereford. Ask Kaye and Deb how the boys take them out to supper. Speaking about supper, Geogene and Va. ate Mexican food before going home to spend the night at the Millsaps. Gerald and Suzie were seen Saturday night.

Sunday was windy and I did just bundles of blowing. I saw Kaye and Denny, Kathy C. and Virgil Strange, Deborah and Eldon all going to Pala Duro Canyon. Speaking of Canyon I saw Gene B. buzzing back from there Sunday night. I think it was Janice C. and Kelton K. in the back. I blew back to Dimmitt just in time to see Mike B. heading toward Butlers pasture only to find out he was just taking Geogene B. home.

The wind got me then and blew me clean out of town and I've been rolling ever since.

THE WINNING SIDE

It has been said of Americans that we hear about America with our ears, but not with our hearts. Too many times Americans, especially the present generations, tend to live only for today and never look back to the wonderful world of yesterday and our American Heritage.

People who do not hold in reverence the accomplishments of yesterday won't accomplish anything worth remembering by their posterity. We must keep an eye on the shrines of yesterday if we would rock the cradles of tomorrow.

Such ideas as these were brought out in a forceful speech by Dr. Walter Kerr at the Plains American Heritage Awards Banquet. Dr. Kerr has traveled throughout Russia and had an opportunity to see Communism at work. He has talked with and observed the Russian youth. These are some of his observations.

The Communist youth are wholly dedicated to the idea of world-wide communism. They are at work day and night at this task. They have been trained from childhood in the Communist movement. But as hopeless as this situation may seem, there is still hope for their conversion. For the Communist youth of today want to be on the winning side. If we, the youth of America, could convince these Russians that our God and our freedom are worth more than their Communist ideal then we could have them as our allies instead of our enemies.

There are some vitally important traits that we, as the youth of this land, must accomplish if we are to withstand the pressure of Communism. First, we must be more physically fit. We have to get tougher. In Russia there are 600,000 qualified gymnasts in comparison with 6,000 in America. Second, we need to be better educated. We need to improve our minds so that we can correctly evaluate right from wrong. Third, we need to grow spiritually. We need to let our belief in God be prevalent in our thoughts and actions. Next, we need to hold dear the principle on which our nation was built. We need to believe in our government and Constitution, and be proud of the rights and freedoms that we possess. Also, we need to talk to our friends and let them know how we feel, so that our opinions and ideas can be instilled in them.

If we, the youth, would combine our vitality and energy with the maturity and experience of adults, we could convince these Communist youth that ours truly is the winning side, for there is no substitute for belief in God and individual freedoms.

- Sports Spectacular -

Last Saturday James Cowell, 173 pound junior, won the 890 yard dash in the regional meet. His time of 2 minutes and 10 tenths of a second won him the first place rating, which entitles him to a trip to Austin to run in the State finals, Friday, May 4, at 8:00 p.m. James won over Fort Stockton who won 2nd, and had the best 1-AA time in this area. James is the first regional winner Dimmitt High has had in over eight years, Coach Covington said.

Don't forget to enter the Basketball girls volleyball tournament which is taking place May 4th. Get your entries in now and avoid the rush. If you wish to enter contact one of the basketball girls or Coach Culpepper.

Doris McDermitt received her scholarship for Wayland College last week, where she will play basketball for the Wayland Queen Bees. Everyone in this High School is extra proud of Doris and we want to congratulate Doris on winning this scholarship.

Little Visitors In D.H.S.

On Monday, April 16th, the Homemaking I class had little visitors to share the following activities: stories, puzzles, clay masterpieces, pipe cleaner figures, coloring Easter bunnies, marching to records, etc.

No, it was not an invasion from another planet, the Homemaking I class kept children graciously lent by parents, for the observation of children. All in all, I think the girls had at least as much fun as the children.

The following 34 children visited class:

3rd period - Danny Thornton, 5 Stephen Anthony, 3 Kathy Lowe, 3 Virginia Sheffey, 5, Kim Lindsey, 5, Lynn Hilburn, 6, Terry Culpepper, 5, Tommy Cleavinger, 5, Jimmy Cleavinger, 3, Lee Cole, 6, Melissa Glaysmore, 2, Pattie Page, 3, John Cook, 5, Troy Kell, 3, Luther Kelly, 5, David Lee Patterson, 2, Patsy Peterson, 2, Jo Ann Smith, 5, Michael Hammons, 6.

5th period - Donna Kay Nixon, 5, Christi Byrd, 1, Pam Heard, 3, Kelly Birdwell, 4.

6th period - Mark Shadden, 5, Kevin Lankford, 2, Holly Kay Fuller, 6, Cathy Lowe, 3, Donnie Newton, 3, Paul Parson, 2, Mike Odum, 2, 1/2, Cobey Gilbreath, 2, Cynthia Easterwood, 1 1/2.

THE SHADOW-

Well, here I am again. This week I haven't been very busy.

I started out Monday morning and the sun was shining real bright so I didn't have much trouble keeping up with my mistress. It was a dull day and we spent it studying and doing everything else that popped into our mind. Then we decided that we needed a little excitement so we went to town after school and had fun instead of staying home and studying.

Tuesday was more dull than Monday. We just studied in school and we studied more when we got home. It was so dull we finally dropped into bed and dreamed about a certain person.

Wednesday we went to school as usual and we thought that it was going to be another dull day. We had the surprise of the day when Billy K. came over and asked us to ride around with him. Also accompanying us was Gerald T. and Alene B. We had a wonderful dream that night after we went to bed.

Thursday was a let down after Wednesday, when I got up I thought that we would have a wonderful day but it turned out just like Tuesday.

Friday we had a ball. We went to school as usual and didn't worry about a thing. Friday night I had a little trouble following my mistress because I was in the dark most of the time. Once or twice I followed the wrong car but I finally got on the right track. My mistress and Billy K. went to Plainview. They had company, Gerald T. and Alene B. I lost them and couldn't find them so I gave up and came home.

I guess that my mistress was tired after Friday night because she stayed at home all day Saturday. Saturday night she perked up a little and went to the show with Barbara H.

Sunday my mistress went to Texaco. Since I couldn't run 50 miles an hour I was left at home. But she came back that night. By this time I wasn't speaking to my mistress, so I just followed her. She went riding around with Billy K. again. I lost them in the dark and couldn't find them.

I got so mad this time that I decided Karen Goldsmith was going to have to find another shadow.

Does anybody happen to need a new shadow?

WHAT D.H.S. THINKS ABOUT OUR PRESENT MOVIES

Mr. Neuman - They Stink.
Sandra McColum - I think that we ought to have better movies.
Jerry Morris - They are the living end.

Mr. Shackelford - I only go to see upstanding and noteworthy movies so I can not give an opinion on those that are not good.
Mrs. Shackelford - Some are pretty good others are not.
Arnold Acker - they are good.
George Froehner - I am for the movie that is being made.

Sheri Walker - I think that the shows that have been coming from Hollywood in the past few years have been lower and lower in their moral standards. I don't think that movies like this should be shown to any one under 21 years of age.
Donald Smithson - I guess they're all right.

Steve Wesson - Good enough.
Jacky Nichols - I think some of them are good.

Lowell Neumayer - Some are good and some not so good.
Miss Sue Duvall - The movies coming from Hollywood have not changed much since I was in high school. At that time I was rather shocked a few of them as one becomes older their ideas change. Some of the movies could have something happen to them and the world would be better off. If I think a movie will be good I go. Movies could do with less sex and violence other than that I think they are good entertainment.

Steve Wesson - Good enough.
Jacky Nichols - I think some of them are good.

Lowell Neumayer - Some are good and some not so good.
Miss Sue Duvall - The movies coming from Hollywood have not changed much since I was in high school. At that time I was rather shocked a few of them as one becomes older their ideas change. Some of the movies could have something happen to them and the world would be better off. If I think a movie will be good I go. Movies could do with less sex and violence other than that I think they are good entertainment.

"Corny Corner"

Once there was a man who was terribly unhappy because he was so short. His inferiority complex became so bad that he sought the help of a psychiatrist. The good doctor convinced him that height was no obstacle and that many short men had gone on to be millionaires. So now the man feels twice as bad as before because he is not only short...but poor!

There was a family that was very unhappy because the mama and papa did not love each other and were only staying together for the sake of the children, and they were always fighting, and home life was awful. So the children left home for the sake of the parents, who are still together, fighting, because now they have no one but each other.

Once there was a little boy who loved to sit in the bird bath in his parent's garden. No matter of persuasion could break him of this practice. And so one quiet evening, his parents removed the bird bath from the garden. The next morning when the boy discovered what they had done, he flew away!

The story is told of a young commercial artist who, after years of starving, became an overnight success. His work was constantly in demand, and he commanded a fee of \$30 an hour. However, not being used to earning so much money, he soon discovered that a one-hour lunch cost him \$30, a six-hour nap cost him \$180, and a ten-minute coffee break cost him exactly \$5. So he gave them all up and worked himself to an early death, but he left a huge estate.

Senior Activities-

Friday, May 11th Baptist Party
Saturday, May 12th Junior-Senior Banquet

Monday, May 14th - Senior party
Tuesday, May 15th, Senior Class Assembly.
Wednesday, May 16th Senior Class Trip.

Thursday May 17th Awards Assembly.

Band News--

Last Thursday at 6:00 in the morning two buses and a number of cars left Dimmitt. There was no mystery concerning their departure because everyone knew that the Band was going to Concert and Sightreading Contest in Canyon.

The kids arrived about 8:00 and they warmed up until the time of their performance. They played "Coat of Arms March," "Zuindzed," and "Overture for Winds." Everyone said the performance was wonderful and the kids really tried. Then they went to the sight-reading room where they played one overture. They received a II in concert and a I in sight-reading. Everyone was thrilled at their performance and very proud of it.

Interscholastic League

Dimmitt High School was well represented in the regional interscholastic League meet held in Lubbock, Texas at Texas Tech on Saturday, April 14. James Cowell, Rubye Clingsmith, Russell Slough, and Mac Strother represented us in the meet.

Russell and Mac were entered in the science division. Both boys represented us well. Russell won second place, and Mac won fifth. Russell will represent our region in Austin at the state meet, held on May 5.

Rubye represented D.H.S. in the Readywriting contest. This involved writing a theme on a subject given at the meet. Rubye wrote on the topic, "Is Our School's Student Guidance System Adequate." The contestant had two hours in which to write his theme.

James Cowell won first place in the 880 yard dash, running it in 2 and 8/10 seconds. This means that he will represent our region at the state meet in Austin, on May 5.

In behalf of the entire student body we wish to express our sincere thanks and congratulations on a job well done. We will all be cheering for you when you go on to the state meet!!

Lyre Club Officers Meet in Band Hall

The officers of the Lyre Club met on the afternoon of Monday, April 16, in the band hall.

The purpose of the meeting was to discuss several details concerning the trip to San Antonio on April 24.

Plans were made for the Band Banquet which will be on Wednesday night, April 25, in the Gunter Hotel at San Antonio. The guest speaker will be Mr. Bobby Giesler, the president of the Texas Band Masters Association, from Burbank High School in San Antonio. The program will be as follows:

Invocation - Mike Goodwin
Welcome - Martha Nell Taylor
Response - Michael Calvert
Entertainment

Introduction of Speaker - Mr. Ralph Smith.

Benediction - Gary Morrison
They also made plans for a short Sunday School service on April 29, in San Angelo. There will be a devotional, prayer, scripture, songs, and the benediction. All others making the trip are invited to attend the Sunday service with the band members.

Bus monitors are:
Bus 1 - Wanda Hrabal and Russell Slough

Bus 2 - Susan Youts and Steve Hutton

Bus 3 - Penny Hays and Tommy Nichols

Limelight Lassie--

Our Limelight Lassie has light brown hair, blue eyes, and is 5'4 1/2". That's right, it is Linda Schreck.

Linda first visited this planet on June 5, 1947, and liked it so well she decided to stay. Gallon, Ohio, was the site of this landing.

A blue Pontiac is Linda's favorite means of transportation. She goes for "Gidget Goes Hawaiian." Troy Donahue and Debbie Reynolds make any movie a success for Linda. All I Have To Do Is Dream" is the song that Linda loves to hear. Wonder what she dreams about?? Connie Francis is her favorite singer.

Linda's hobby is a very useful one. She likes to sew. If she can find any spare time she'll probably be found twirling or participating in sports.

People who give up get no sympathy from Linda. Other than that, she seems to be easy to get along with.

Linda plans to take it easy this summer by going swimming and just loafing in general, but all her time will not be wasted, for she is enrolled in summer Home Economics. Fried chicken will be an ideal way to lure Linda away from sewing this summer.

Thanks Linda, for being our Limelight Lassie of the Week.

Mass Confusion

Yes, lately it's been mass confusion around the halls of Dimmitt High School. The reason is quite simple; the new schedule change. It all started last Thursday when we went on Schedule B. The only difference is that instead of having a fifteen minute study hall at the beginning of school and a thirty minute study hall after lunch, we pool all the time and have one after 6th period. Now that isn't too bad if you get your lessons for sixth period. Monday we started one that lets you get your sixth period lessons. Instead of having the study hall after, we have it before. That was sporting of them. The Seniors don't have to worry too much because these are experiments for next year. The only thing bad about these schedules are that now we'll have more time to study.

-Movie Reviews-

THUR. and FRI. APRIL 19.20
"Twist All Night" (musical)
Stars: Louis Prima, June Wilson, Sam Butera.

Originally set for release by Koolha Productions under the title of "The Continental Twist." Storyline concerns a struggling nightclub whose efforts are hindered by a crooked art gallery operating above the club, which tries to drive him out of business. The gallery is ultimately exposed and the nightclub is reopened, which becomes a huge success after introducing the new Twist dance craze and several Twist tunes.

SAT. APRIL 21
"Three Stooges Meet Hercules" (comedy)

Stars: The Three Stooges
Comedy during which the Stooges find themselves in trouble with two-headed monsters and a very unfriendly strong man.

SUN. MON. TUES. APRIL 22, 23 24.
BREAKFAST AT TIFFANYS (comedy)

Stars: Audrey Hepburn, George Peppard, Patricia Neal, Buddy Ebsen, Martin Balsam, Mickey Rooney.

The fantastic story of New York playgirl Holly Golightly who is dazzled by Tiffany's window displays and paid handsomely for dining with wealthy men and visiting an ex-mobster at Sing Sing. A young writer helps her out of her manifold difficulties, which include her arrest for carrying narcotics information from Sing Sing, and all ends happily. In color.

THUR. FRI. APRIL 26, 27
Stars: Paul Newman, Piper Laurie, George C. Scott, Jackie Gleason, Myron McCormick.

Story revolves around a lonely girl who falls for a hustler (pool shark) who picks her up in a bus terminal, and a vicious, corrupt gambler's evil influence goes unheeded until too late; the girl commits suicide.

SAT. APRIL 28
Mysterious Island (science fiction)

Stars: Michael Craig, Joan Greenwood, Michael Callan, Gary Merrill, Herbert.

Filmed in Europe. Based on a Jules Verne story, which tells of the adventures of a group of Union soldiers who escape from a Confederate prison in a balloon, landing on a tropical island, where they encounter weird experiences with a giant land crab, enormous rooster, high bees, and an erupting volcano in Super-Dynamite and Color.

Continuing Methodist Church History

(This is a second in a series of articles on the First Methodist Church of Dimmitt, taken from the Master's thesis of D. C. Lawrence, minister of the Falls Church of Christ.)

Early Years
During the period 1908-1928, little information concerning the church and its preachers was found. Preachers "came" and "went" with clock-like regularity, and remained on an average less

than two years. A shortage of ministers may have been one factor contributing to the rapid turnover of Methodist preachers. Each pastor usually was in charge of two or more churches, and as the memberships grew, more and more preachers entered full-time work. Also, the Dimmitt Methodists had no building of their own, and this probably was discouraging to preachers because of the serious lack of necessary facilities. Then again, these preachers may have inherited the free moving characteristics of the "Circuit Riders," who were sometimes called the "light calvary". This turnover of preachers was in no wise restricted to the Methodist Church. The Baptists and Presbyterians in Dimmitt had similar experiences. This condition was not restricted to the locality, but was prevalent generally in the state and nation.

Two pastors served the Methodist church during the years 1908-1911. G. H. Bryant succeeded Edwards in 1908. G. S. Hardy was presiding elder at that time. Other church members serving in official

capacities were Mr. and Mrs. John Smith, who were among the first to serve as church secretaries. Others to follow were Bob Hastings, C. W. Mick, B. G. Ramey, D. C. Younger, and Dr. M. M. Landrum. J. T. Ross served the Dimmitt Church during the years 1909-1911. Trammel, Edwards, Bryant, and Ross served all the charges of the Dimmitt circuit, which included Parrott (now Jumbo), and Big Square. In addition to the above mentioned preachers, I. A. Lightfoot, 1916, L. R. Fee, 1916-1917, C. W. McNeely, 1917-1919, Preston Florence, 1919-1921, G. R. Fort, 1921-1923, H. K. Monroe, 1923-1924, W. C. Coughran, 1924-1926, and E. L. Naugle, 1926-1928 all served the Methodist Church before they had a building of their own. They preached and conducted services in the Presbyterian building, or the little "white church," as it was commonly known.

Only a few short notes were found regarding the list of preachers mentioned above and their work in Dimmitt. A brief mention of L. F. Fee appeared in the Herford Brand: "Rev. L. R. Fee, new-

ly appointed pastor of the Methodist Church, arrived in Dimmitt Monday. He was warmly welcomed by the people of Dimmitt as a "pounding." Another news item reported the departure of Preston Florence. He "... was transferred to Bovina, Texas. We regret very much to learn of his departure, as he was a fine man and a good preacher, and the community will surely miss him."

During the first year of the ministry of J. R. Bright, the basement, which later was purchased by the Masons, was begun by the Methodists. In January, 1929, ground was

broken for the basement of an \$18,000.00 Church building. The original plans by R. E. Lane, Architect, called for an edifice consisting of ten rooms and a main auditorium. After a temporary standstill in October of 1929, the Methodists did some reorganizing, along with some additional planning and then forged ahead with their building program.

"At a meeting of the new Board of Stewards Wednesday night, who were elected last Sunday afternoon by the Methodist Church of this city, \$700. was subscribed and plans

discussed for the resumption of work on the new edifice, corner of Ninth and Etter Streets, basement of which has been placed. A roof will be placed over the basement, to be used later as the floor on the second unit, and the basement will be utilized for services in the future. Work will begin on this at an early date.

Approximately \$2500.00 has been expended on the building, and according to the committee in charge it will require about \$5,000.00 additional to complete the work out-

ed above." Announcement was made early in 1930, that the work would soon be resumed on the basement. Ten cars of brick and other materials had arrived. The cost of the basement was reset at \$7,000.00, and the estimate for the completed edifice was raised to \$70,000.00. The basement was completed in April, 1930, and a special invitation was extended to the community, to attend the cornerstone laying ceremonies, with the pastor, J. R. Bright, presiding. Interest was high as the new place of worship was opened, and a record for Sunday School attendance was established at the initial service with a total of 212 present.

J. R. Bright had a reasonably fruitful ministry as pastor of the Dimmitt Methodist Church, 1929-1930. As a result of his dedicated labors, twenty-one members were added to the local church in 1930. As a result of his dedicated labors, twenty-one members were added to the local church in 1930, which brought the total to 158. There were financial gains as well during Bright's pastorate. The basement church building had a \$9,000.00 evaluation, and all indebtedness was reduced to \$4,000.00. The church had purchased a parsonage valued at \$1,200.00, and secured other property amounting to \$300.00. Bright's salary for 1930 was \$895.00. Contributions of the church members averaged \$16.18 for the year.

RETURN FROM EL PASO

Mr. and Mrs. Bill Graham have returned from a business trip to El Paso and Jaurez.

Jaycee-Ettes Get Outstanding Club Title in Region

Mrs. Marge Mathis, a state director for the local Jaycee-Ettes and Mrs. Mary Lu Smithson, a club member attended the Jaycee-Ette State Convention in Galveston last week in conjunction with the Jaycee Convention and received on behalf of the local club a bronze plaque naming the Dimmitt Jaycee-Ette Club as the outstanding club in the region.

Scrapbooks are entered in four divisions for judging. The local club won two firsts on civic activities and on money making projects. Two second places were won on aid to local Jaycees and other Jaycee-Ette activities.

Mrs. Marge Mathis was chosen to serve on a committee to judge scrapbooks in divisions and regions other than the ones in which the Dimmitt Club was entered.

The Jaycee-Ettes as a group have expressed their thanks and appreciation to the whole town for helping in their work during the past year, stating that without the help received from the town and the activities of the local Jaycees, they could never have received such high honors in the state.

GOOD YEAR SUPER-TORQUE COSTS YOU NOTHING

...if it doesn't outpull and outwear any other tractor tire in America...

OUR PLEDGE
The Super-Torque rear tractor tire is guaranteed to have better traction longer and to wear longer than any other rear tractor tire you have ever owned, including the original tires on your tractor.
If in a full season's use from date of purchase, the Super-Torque tires do not prove to have better field traction and show less tread wear than other tires when used under the same conditions for a like period of time, your Goodyear Dealer or Goodyear Service Store upon return of the tires will refund in cash any payment made plus any allowance made for your traded-in tires.
(This guarantee excludes comparison with special purpose Rear Tractor tires.)
Like all other Goodyear tires, the Super-Torque is also guaranteed by Goodyear against defects in workmanship and material without limit as to time or mileage. Any Goodyear tire dealer will make allowance on a new tire based on original tread depth remaining and current "Goodyear Price."

PROVE IT TO YOURSELF

Try the Super-Torque. If it doesn't outpull and outwear any other rear tractor tire you've ever used, regardless of tractor, soil, or farming job, we'll give you your money back. Every red cent!

There isn't a better tractor tire value than Super-Torque! Field tests by more than 1,000 farmers have proved this. It digs deeper... pulls harder... wears longer than any other tractor tire. "Angle Braced" lugs are the reason—an engineering breakthrough which allows extraordinary lug length and depth. So much more length and depth that after a full year's use a Super-Torque will probably have more wear and traction left than a brand new conventional tire.

EXCLUSIVE ANGLE BRACED LUGS MAKE THE DIFFERENCE!

LUGS DEEPER OVERALL THAN ANY OTHER TIRE IN AMERICA* Sheer pulling power from a deeper, more positive soil bite. * Comparison with rear tractor tires other than special-purpose tires.	LUGS LONGER THAN ANY OTHER TIRE IN AMERICA* Greater frontal area to grip more soil, assure greater traction longer.	AVERAGE LUG WIDTH GREATER THAN ANY OTHER TIRE IN AMERICA* More rubber on the road for longer wear, far smoother riding.	MORE RUBBER PER LUG THAN ANY OTHER TIRE IN AMERICA* This is the "working" rubber... and the more there is, the longer the tire delivers peak traction and wear.

... all this without lugs tearing or folding under!

NO MONEY DOWN — UP TO A FULL YEAR TO PAY!

GOOD YEAR

About Your HEALTH

A weekly public service feature from the Texas State Department of Health.

The year 1961 was a banner year in one respect. For the first time, the accident rate in the United States was as low as 50 per 100,000 population.

Biggest decrease was registered in the death toll column of accidents in and around the home. Approximately 26,500 persons were killed in such accidents during 1961.

HART NEWS

Mr. and Mrs. Worth Jones have purchased the Hart Tractor Supply store from Mr. and Mrs. Elmer Gray and will now sell farm supplies and PAG feed seed.

Mr. Elmer Gray will remain as manager. The store will be known as the Jones Seed and Farm Supply and will be located next door to the Hart Post Office and the Longhorn Barber Shop.

Lewis Smith has begun working at the Hart School as assistant custodian.

Mrs. D. E. Layman of Earth visited Sunday evening with her sister Mrs. O.L. Beavers.

The first graders rode the train from Tullia to Plainview Tuesday and Wednesday.

Mr. and Mrs. Lester Richburg visited Mr. Tom Myers in the veterans hospital Saturday in Amarillo and visited Mrs. Tom Myers in Earth Sunday.

Visiting in the Lee Harris home this weekend were Mr. and Mrs. Ralph Flecher of Spade, Mr. and Mrs. Lee Shumate of Amarillo, Myrtle Brand of Lubbock, Mr. and Mrs. Pete Brown of California.

Mr. and Mrs. Jerry Kittrell visited over the weekend in Lubbock. Mrs. Judd Davis is visiting in Holdenville, Oklahoma.

Dianna McCarley daughter of Mr. and Mrs. Bill McCarley was honored with a birthday party on her fourth birthday by her mother and father Saturday.

Next meeting will be April 30 for business and social. LUNCHEON Mrs. Paul Brooks was hostess to a luncheon for the former members of the Hart Senior Home Demonstration Club which has disbanded.

Those present were Mrs. Buster Aven, Mrs. Mable Aven, Ms. Ray Bennett, Mrs. T.R. Davis, Mrs. E. E. Foster, Mrs. Fred Hamm, Mrs. Percy Hart, Mrs. W. A. Hawkins, Sr., Mrs. Bill Swindle, Mrs. J. D. Murry, Mrs. Lee Harris, Mrs. T. B. Cox and the hostess Mrs. Paul Brooks.

HONOR ROLL ALL 'A'S' Senior Jack Witten, Juniors, Carol Futrell, Dwaine Hardy.

ALL 'B'S' Senior Larry Lee Freshman, Ann Leonard

HONOR ROLL Eighth grade, all 'A's' Rene Brooks, Retta Henderson Seventh grade, Sheryl Morrison, Sixth grade, Lynda Shive, All 'b's' David A. Harris

HONOR ROLL First grade, Consuela Gonzalez, Rita Heck, Dick Rambo, Deborah Hansen, Cathy Nelson.

Second grade, Lisa Crouch, Richard Atweed, Steve Cox, Kirk Hansen, David Harris, Randy Smith, Keith Lemons, Beverly Hill, Silvia Gonzales, Vickie Newsom.

Third grade, Martin Atweed, Sharon Brooks, Joan Dudley, Mark Jaitner, Sharon Aven, Donal Shive.

Fourth grade Harold Bob Bennett, Barbara Hansen, Mike Armstrong, Randy Crouch, Bill Sanders.

Fifth grade, Rebecca Futrell, Randy Gaitner.

Mrs. Wescott of Semnole is visiting her son Mr. and Mrs. J. V. Scott.

Mr. and Mrs. Joseph Bauman of Nazareth visited Sunday with Mr. and Mrs. Lyndall Warren.

Visiting recently with Mr. and Mrs. Joe Bailey were her sister Mr. and Mrs. Sherwood Selix, Stan and Brent of Ottumwa, Iowa.

Mrs. N. A. Curry of Bovina visited Mrs. W. C. Lacy and Mrs. H. E. Loman last week.

Mrs. M. A. Martin fell last Monday and broke some bones in her foot and some ribs.

Mr. and Mrs. E. I. McLain visited in Amarillo Sunday with their children.

CHEELEDERS ELECTED FOR TRYOUTS for the Hart cheeleaders were held Tuesday April 17 in the gym. Elected were freshman Rene Brooks; Sophomore, Connie Baller; Junior Connie Bowden, Senior Joy Taylor. With Connie Popejoy as carryover cheeleader as has been the custom in the past.

Cheeleaders for Hart Junior High School are Robbie Kay Rice, Rosemary Lee, Sheryl Morrison, Linda Popejoy and Martha Sharp as Drummer and Linda Shive as alternate.

Members of the Hart F.F.A. team took top awards in the ninth annual land judging contest held in Plainview Saturday under the Sponsorship of the Plainview Chamber of Commerce Agricultural Committee.

Members of the team are Jack Witten, Ronnie Gardner, David Gardner and James Mitchell.

Individual awards in the F.F.A. Division were presented to James Mitchell, David Gardner and Jack Witten.

Tuesday - Ground beef steak and gravy, lettuce and tomato salad, green beans, spiced apples, hot rolls, butter, milk.

Wednesday - Brown beans, sour kraut, cream style corn, dill pickle,

cornbread, butter, milk, cherry cobbler.

THURSDAY Turkey and dressing, french fry potatoes, lettuce and tomato wedge, chocolate cake with pink icing, hot bread.

FRIDAY Salmon croquettes, buttered potatoes, seasoned spinach, hot rolls, butter, milk, apricots.

PINK AND BLUE SHOWER Mrs. Ben Kennedy was honored with a pink and blue shower recently at the home of Mrs. Andy Wieber, west of Edmondson.

Guests were registered in a baby book by Mrs. Dwight Miller, Mrs. Gerald Cole led the group in several games.

Mrs. W. O. Berry and Mrs. E.C. Freeman presided at the serving table, laid with lace over pink. White cake squares topped with pink roses and green nuts were served. The centerpiece was formed

of a white tree, tiny pink dolls in diapers and a miniature stork on a styrofoam base of pink. Hostesses were Mrs. Gerald Cole, Mrs. W. O. Berry, Mrs. E. C. Freeman, Mrs. Derryl Clevenger, Mrs. Dwight Miller, Mrs. Terry Hardy, Mrs. Lee Jones, Mrs. B.W. Homby and Mrs. Andy Wieber.

JUNIOR RIDING CLUB A Junior Riding Club organizational meeting was held Monday night April 16 at the Steak House.

Officers elected were Joe Johnson, president; Donna Carmichael, vice-president; Carolyn Dunn, secretary-treasurer; Ken Campbell, reporter.

There will be a meeting of the club at the rodeo grounds Friday evening April 20 at 4:30 p.m. All boys and girls under the age of 16 who are interested are urged to be present at this meeting.

THE RIGHT NAME

(By Harold F. Savely)

The name of Christ is commensurate with his official dignity and authority. By inheritance (Heb. 1:4) and exaltation (Eph. 1:19-23) is his above every name. Every tongue must confess it (Phil. 2:9-11), for there is none other whereby we are saved (Acts 4:12). Obedience to it is imperative (Matt. 28:19, 20; Lk. 24:47; Acts 2:38), for whosoever shall call upon it shall be saved (Acts 2:21; 22:16; Rom. 10:13). Every word and deed must be in that name (Col. 3:16).

God called his ancient people "Israel", meaning "prince of God", to honor his name (Gen. 32:27,28). His prophecy to call his people by a new name (Isa. 65:15), better than of sons and daughters (Isa. 56:5), after the gentiles came to know him (Isa. 62:2), in David's restored tabernacle (Amos 9:11,12), was fulfilled at Antioch when gentiles were called "Christians" in honor of Christ (Acts 11:26; 1 Peter 4:16).

His divine institution is called: (1) church (1 Cor. 4:17), (2) my church (Matt. 16:18), (3) the church (Eph. 3:10), (4) the church of the Lord (Acts 20:28, ASV), (5) the church of God (1 Cor. 1:2), (6) the churches of Christ (Rom. 16:16), and (7) church of the first born—literally, first born "ones" (Heb. 12:23).

The name is important. What mother would name her daughter "Jezebel"? Whence came, and what meaneth denominational names? Would their members as soon call them "Churches of the Devil"? Might as well—one anti scriptural name is as good as another!

Your invitation is to each of the services at Northside Church of Christ.

Orchids & Onions

ORCHIDS

To those who can adjust to the new schedule changes.
To those seniors who read Ivanhoe each night.
To those students who keep up their grades and work toward the end of school.
To those who get all their projects and term themes in on time.
To those who made a Science project for the fair.
To those band members who act like ladies and gentlemen while at San Antonio.
To those who go to church on Sunday night as well as Sunday morning. There is a time for movies and cokes afterwards.
To those seniors who know what

they are going to do after graduation.

ONIONS

To those who are confused and never know which class to go to.
To those seniors who do not keep up with their assignments.
To those who fall down in their work and studies because of Spring fever or senioritis.
To those who always put everything off until the last minute.
To those who were too lazy to put forth any effort.
To those who may not be kind and courteous to the people in the hotel.
To those who do not go to church on Sunday night, but go to a movie or somewhere else instead.
To those seniors who are still

undecided about plans after graduation.

—Menu—

Monday - Beef Stew, Cabbage Salad, Cinnamon Rolls, Corn Bread Crackers, Butter, and milk.
Tuesday - Sandwich plate with potatoe chips, lettuce, pickles, apple sauce cake and milk.

Senior Class News—

The senior class received invitations last week announcing the Baccalaureate and Commencement exercises which will be held at the last of this school year. They also received a memory book. In this book there is a place for name cards, class favorites, banquets and other school activities.

Senior Girl of the Week

Our Senior girl of the week is the very active F.H.A. president. She stands 5' 3 1/2" tall and has brown hair and green eyes. She is known as Rubye Mae Clingsmith, as she was named by her parents, Mr. and Mrs. G. I. Clingsmith, when she came into this world on February 18, 1944, in a town called Dimmitt.

Besides being in F.H.A., Rubye is also secretary of the Pand, a member of the Junior Classic League, Science Club, Lyre Club, National Honor Society, Student Senate secretary, and she is the Betty Crocker Homemaker of the Year.

Eighteen-year-old Rubye's favorite movie is "Cimmaron" and Paul Newman and Janet Leigh rate first on her list of actors. "Exodus" is Rubye's favorite song, while the Everly Brothers are tops in the singing field. She is especially fond of the color gold, and steak is by far her favorite food. The Grand Prix Pontiac is her favorite car, and Rubye's hobbies are riding horses and dancing. Rebecca is her favorite reading material. Sewing and reading take up lots of Rubye's spare time. On top of her pet peeve list, she has named people who never do anything but gripe.

Rubye's ambition is to live an honorable life. Good luck to a very intelligent girl.

JANE WITKOWSKI and PATTY SIMPSON—team up and win first in the Junior Vegetable Preparation Team Saturday afternoon at the Annual 4-H Achievement Awards program.

NEWS FROM FRIO

Henry Webb of Canyon preached at the evening service at the Frio Baptist Church Sunday. Webb is a science instructor at Hereford Junior High School and plans to enter Baptist Seminary at Ft. Worth next fall.

Rev. and Mrs. B. H. Baldwin left Sunday afternoon by train for Chicago, where he will attend a teachers meeting for Counselors. Mrs. Baldwin was visiting their daughter and family the Wesley Earps at Whitewater. Wis. Rev. Baldwin expected also to join her there later in the week and they expected to be home by the weekend.

Those from the Frio Baptist church attending vacation Bible School Clinic at Muleshoe on Monday were Mrs. Weldon Stephan, who will be principal here, Mrs. Floyd Cole, Mrs. Jack Rogers, Mrs. Buck Stringer, Mrs. Clark Andrews and Mrs. James Dobbs.

Andrews relatives from here have visited Ralph Hart in a Clovis hospital during the past few days report that he is very seriously ill. Mrs. Hart is a sister of J. E. and W. H. Andrews. Hart underwent surgery on April 6th.

Owen Andrews and Lloyd Schultz were in Lubbock, Monday where Schultz bought some black Angus cattle at the West Texas Angus Association's annual spring sale.

Mr. and Mrs. Olin Parris went to San Antonio, last week. Parrises parents, Mr. and Mrs. H. A. Parris are visiting a daughter, there. Also the Parrises are visiting a brother at Ft. Worth and another brother from Chicago who was at Ft. Worth to visit the family.

Mr. and Mrs. John Simpson had all their children for a family gathering on Sunday April 8th. Their children are J. C. Simpson, Robert Simpson, Mrs. Sam Lindley of Brownwood and Mrs. Leon Roberts of Wellington. Others of the family there were Mr. Simpson's brother, Joe Simpson and Mrs. Joe Simpson of Rogers, Ark. Mrs. Pat Ford a granddaughter and her baby of Wellington, Mrs. Robert Simpson, Mrs. J. C. Simpson and Shirley and James and Mr. and Mrs. Billy Gene Cotton and children.

Mr. and Mrs. T. L. Sparkman visited her brother F. J. Springer in a Plainview hospital Sunday. Springer had undergone surgery a few days earlier and was improved so that he has since been released from the hospital.

Mrs. Herbert Haseloff of Abilene visited several days last week in the home of her daughter, Mrs. Joe Andrews here and with friends in Hereford. They took lunch with the Owen Andrews on Saturday. Mrs. Joe Andrews and Elizabeth accompanied Mrs. Haseloff home to Abilene where they expected to remain and visit this week. Joe was planning to go after them during the Easter week end.

Mr. and Mrs. Clark Andrews

Weed Control...

(Continued from Page 1)

For sunshine decomposes the product and renders it relatively ineffective against weeds. The results indicated that cotton plantings made the last half of April would receive 1/2 inch of rain approximately 50 percent of the time within 2 weeks after planting. However, in May, when rainfall amounts increase, the likelihood of receiving rainfall to activate Karmex DL increases to 3 years out of 4 when cotton is planted on May 10 or about 2 years out of 3 for the remainder of the May and June planting period.

Based on this research and research from other areas, the following recommendations can be made for reducing weed control costs in cotton. In fields where annual weeds are a problem and hoeing costs have exceeded \$3.00 an acre, Karmex DL applied pre-emergence offers one possibility of reducing hoeing costs. Karmex DL should be applied pre-emergence to cotton and weeds to a 10 inch band over the cotton row at the rate of approximately 1/2 gallon per acre. This costs about \$1.75 per acre and is equivalent to 1 pound per treated acre. The chemi-

cal should be applied prior to rain after the cotton is planted because germinating weeds are killed by absorbing the chemical through their roots. If the chemical is applied after a rain, the weeds may germinate and grow while the chemical remains ineffective on the soil surface. When utilizing a pre-emergence herbicide it is very important that a stand of cotton is obtained or the entire venture will be a failure. Consequently, cotton should be planted flat, with a plateau profile planter, or in very shallow lister furrows. Delaying planting until the soil temperature at an 8 inch depth averages 60 degrees for 10 days will improve cotton stands. Best results will be obtained if rain occurs within two weeks after chemical application. If rain crusts the soil, rotary hoe lightly to aid cotton emergence. Care should be taken not to move soil from the treated band. After cotton emergence, proceed with normal cultural operations. However, do not move soil over the treated band until late in the season. If attempts to obtain a cotton stand fail after an application of Karmex DL, replanting should be done in the middles to avoid placing the seed in the previously treated area. Retreatment with Karmex DL.

If weeds remain after application of a pre-emergence herbicide, lateral oiling or flame cultivation may be useful in further reducing hoeing costs.

WESTFALL GUESTS

Mr. and Mrs. C. D. Westfall had as guests in their home Saturday night, Mrs. Westfall's brother and family Mr. and Mrs. Bill Ewing and Mrs. Edna Hembree of Sunray. Other guests present for the afternoon were Mr. and Mrs. Arlon Ewing and family, Mr. and Mrs. E. R. Waggoner and girls, Mr. and Mrs. Harace Ewing and daughter, Mr. and Mrs. Robert Yates and boys, Mr. and Mrs. Houston Ewing of Dimmitt and Mr. and Mrs. Earshall Dallas and girls from Tulla.

JAMES EDD HUGHS and O. R. HUGHS won first as a team in the Junior Safety division of the Annual 4-H Achievement awards program at the high school Saturday afternoon.

NEWS FROM SUNNYSIDE

Kevin, Doyle, and Chet Henderson of Dimmitt spent last Friday with their Grandparents, Mr. and Mrs. J. C. Holbrooks while their parents attended a funeral in

Brownfield. Mr. and Mrs. Earl Phelan and Larry Don visited last Sunday in Dimmitt with Mr. and Mrs. Jack Powers and some of their child-

ren. The Brotherhood conducted a Prayer Meeting at the church each week day morning at 6:30 A.M. Worship Service for men Thursday morning, 21 attended.

Mrs. W. E. Loudder, Mrs. Alton Loudder, and Mrs. L. B. Bowden sit with Mrs. Lillie Daniels in Littlefield Monday afternoon. They also visited a few minutes with Mrs. Lowell Westmoreland and girls. Mrs. James Powell and children visited with her while the rest was with Mrs. Daniels.

Mr. and Mrs. Earl Ray Skipper of Fort Worth and Mrs. Jesse Skipper of Monroe, Louisiana arrived Monday afternoon to visit with Mrs. Bird Skipper and the J. T. Holcomb family. Mr. and Mrs. Earl Ray Skipper returned to their home in Fort Worth Thursday. Mrs. Jesse Skipper remained for a longer visit.

Rev. and Mrs. M. D. Durham, Rev. H. F. Scott, and Kenneth Bennett were dinner guests of Mr. and Mrs. Earl Phelan Monday. They had supper at the Parsonage Monday night.

Mrs. Troy Blackburn and Mrs. Roy Phelan attended the Association of WMU meeting in Amherst Monday night. It was the regular Quarterly meeting.

Monday night was Sunday School night in the revival services. All Sunday School Teachers and leaders were recognized.

Donnie Lilley left Tuesday for induction into the Army. He was sent to Fort Smith, Arkansas.

Mrs. J. E. Shirey and Mrs. Roy Phelan were honored with a birthday party in the home of Mrs. Howard Bridges by the Birthday club Tuesday afternoon. Those present were Mrs. Phelan, Mrs. Shirey, Mrs. Bridges, Mrs. R. A. Axtell, Mrs. Irving King, Mrs. Milton Ott, and Mrs. Cecil Curtis.

Mrs. Troy Jones became ill while visiting her mother last week and is still convalescing in her home this week.

Rev. and Mrs. M. D. Durham, Rev. H. F. Scott and Kenneth Bennett were dinner guests of Mr. and Mrs. J. Paul Waggoner Tuesday. Mrs. Hedrick of Quannah spent Tuesday night with Mr. and Mrs. Charles Hedrick and Brent. Brent went home with her for a few days visit. His parents went to Turkey to get him Sunday.

23 attended the Spanish Story Hour at the church Tuesday afternoon.

Mrs. R. V. Bills and Mrs. L.B. Bowden visited in Littlefield with Mrs. Lillie Daniels and in Amherst with Mrs. Bird Skipper Tuesday afternoon.

Mrs. Bird Skipper was moved from the rest home in Amherst to the J. T. Holcomb home Wednesday for an indefinite period.

Mr. Weldon Bradley testified in Plainview Wednesday in the Will Wilson investigation of the Billie Estes case. Mrs. Bradley and Mr. and Mrs. Tex Conard also attended.

Tuesday night was Training Union night for the revival. All Training Union Leaders and workers were recognized.

Rev. and Mrs. Bill Ware from Hereford were among the visitors in the Revival Services Tuesday night.

Jeanette Holbrooks attended the American Heritage Banquet in Plainview Tuesday night. She placed 3rd with her poster.

Rev. and Mrs. M. D. Durham, Rev. H. F. Scott, and Kenneth Bennett were dinner and supper guests of Mr. and Mrs. Raymond Lilley Wednesday.

Wednesday night was family night for the revival. Families sit

together and were recognized if the complete family was present.

Molly Bradley and Carolyn Holcomb participated with the Dimmitt Band in the tea contest in Canyon Thursday.

Mrs. Howard Bridges visited with Mrs. Bud Jones of Springlake Thursday.

Rev. and Mrs. M. D. Durham, Rev. H. F. Scott, and Kenneth Bennett were dinner guests of Mr. and Mrs. Alfred Crisp and supper guests of Mr. and Mrs. Howard Bridges Thursday.

Theo Campbell of Dimmitt, a chalk talk artist, gave a portrait in chalk of a man at the end of the road, during the Thursday night worship service. His father, Mr. Pat Campbell and other relatives, Mrs. Willa Wakeland and Miss Gladys Kirtley all of Wilson were among the many visitors in the services.

Mr. and Mrs. Rex Jenkins and Mr. and Mrs. Jimmy Lackey went to El Paso Friday to receive their El Paso Natural Gas Company Awards. They will return Tuesday.

Construction began this week on a leg elevator in the north part of the community by Farmers Grain Co. of Hart. The elevator will be located on a tract of land on Highway 385 purchased from Mr. W. W. Gilbreath.

Mr. Weldon Bradley, Mrs. Tex Conard, and Mr. Sandy Sanders of Springlake went to Pecos Friday evening to attend the Billie Sol Estes hearing in Pecos Saturday. They learned while there that Ammonia had been selling for 6 cents a lb. there for the last 2 years before that it had been selling for 1 cent a lb.

Rev. and M.D. Durham, Rev. H. F. Scott, and Kenneth Bennett were

dinner guests of Mr. and Mrs. L. B. Bowden Friday. They had supper at the parsonage.

Mr. Earl Miller and the Kingsmen quartet from Wayland College gave two special numbers in the Friday night revival services. Church fellowship was enjoyed after the Friday night services with the quartet rendering several numbers. Coffee, cakes and sandwiches were served. Rev. and Mrs. R. C. Guest of Dimmitt were among the visitors in the services Friday night.

Mr. and Mrs. Roy Phelan and Mrs. Earl Phelan attended the bridal shower of a cousin in Tulia Saturday.

Bobby Cummings, Delbert Cooper, and Steve Jackson went to Abilene with the Cub Scout Band for contest Saturday. Mrs. Billy Cooper, Mrs. Jack Jackson and Mr. Howard Cummings accompanied them. Mr. Cummings drove the bus.

Mrs. L. B. Bowden and Mrs. W. E. Loudder sit up with Mrs. Lillie Daniels in Littlefield Saturday. Mrs. Alton Loudder also helped out in the afternoon. She and Mrs. W. E. Loudder also visited awhile with Mrs. Lowell Westmoreland, and girls.

Eugene Oldham and his parents Mr. and Mrs. A. O. Oldham and children attended the FFA Banquet in Dimmitt Saturday night.

Mike and Buz Bailey of Plainview visited with Mr. and Mrs. Weldon Bradley and families over the week-end.

Mrs. Leslie Loudder and girls attended a birthday party for a sister near Odessa Saturday and Sunday.

Mr. and Mrs. Happy Sparkman of Houston and Mr. and Mrs. James Gammage of Plainview visited

Sunday with Mr. and Mrs. J. Paul Waggoner and boys.

Rev. and Mrs. M. D. Durham, Rev. H. F. Scott and Kenneth Bennett were dinner guests of Mr. and Mrs. Roy Conard Saturday. They had supper at the parsonage.

Date night was observed in the revival services Saturday night. Several visitors attended most every service.

Mrs. Howard Bridges visited with Mrs. John Bridges and boys Friday afternoon. Mr. and Mrs. Percy Hart of Hart visited with the Howard Bridges Friday night and attended the services with them.

Mr. and Mrs. E. R. Sadler and Mrs. Pearl Sadler of Dimmitt returned from their visit at Rockport Friday night. They visited with Mr. and Mrs. Aurelio Garza and children on the way home.

Mr. and Mrs. L. B. Bowden sit up with Mrs. Lillie Daniels in Littlefield Sunday afternoon and evening. Mr. and Mrs. Duke sit up with her Sunday night.

Rev. and Mrs. M. D. Durham, Rev. H. F. Scott, and Kenneth Bennett were dinner guests of Mr. and Mrs. Noah Spencer Sunday and were supper guests of Mr. and Mrs. Troy Blackburn and family Sunday night.

124 attended Sunday School with 64 in Training Union Sunday. The revival closed out Sunday night with 5 conversions and 5 additions by letter. Two of the candidates, Russells Johnson and Jon Townsend were baptized. The other 3 will be baptized later.

GUEST OF MRS. BRADFORD.

Mrs. Bess Jones of Amarillo visited her friend Mrs. George Bradford last week-end.

Christian Church Minister Conducts Earth Funeral

Funeral services for Thomas N. Myers, who has been a resident of Earth and vicinity for over twenty-five years were conducted by Bedford W. Smith, Minister of the First Christian Church of Dimmitt at the Methodist Church in Earth on Thursday, April 19 at 2:00 p.m. Mr. Myers, a retired farmer was born at Ennis, Ellis County, Texas, October 4, 1889 and after a six weeks illness in the Veterans Administration Hospital at Amarillo, expired at 12:30 noon on Tuesday April 17. He was married to Mary O. Ellis Myers on April 30,

1925. Before moving to Earth the family lived at Childress where he worked in the Ft. Worth and Denver Railroad shops for twelve years.

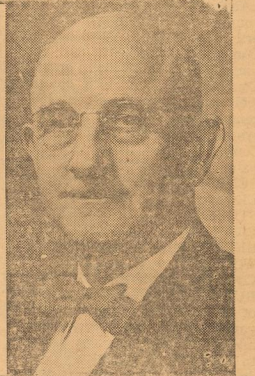

Mr. Myers was an active member of the First Christian Church serving as a Deacon at the time of his death. He was a World War Veteran, having served in France and as a member of the American Legion of Amherst.

He is survived by the widow of the home; four married daughters: Earline Keller of Earth, Artie Fay Praul of Lubock, Ima Jene Buser of Reading, Penn., and Christian Simons of Moore, Okla.; by seven grandchildren; and by a sister, Mrs. Myrtle Blackburn of Clovis, N. M.

Interment was in the Earth Cemetery with Payne Funeral Home of Amherst.

RE-ELECT
Judge Meade F.
GRIFFIN
to
Supreme Court
PLACE NO. 1

Endorsed by the lawyers of Texas in their Bar Poll by a vote of 5,155 to 643. The lawyers in Judge Griffin's home county of Hale voted unanimously for him. Lawyers in his opponent's home county of Potter voted 75 to 17 in favor of Judge Griffin. Ask your attorney who is best qualified to serve on the Supreme Court.

"I Like DeKalb's Replant Offer"

Last year Hershel Wilson of the Sunnyside Community had to plant over about 95 acres of DeKalb because of heavy rains. "I got my replant seed without argument from my DeKalb dealer, he just loaded it on! I have good yields with DeKalb and I like their excellent standability."

You too, will be proud when you plant DeKalb.

Get your DeKalb Seed from

SUNNYSIDE

Drive to Eradicate Screwworms In Texas Aided by Winter Freeze

"This winter's hard freeze helped us to get the drop on screwworms. Now the warming weather and increased humidity may cause us to lose it." This statement was made jointly today by Dr. R. C. Garrett, Executive Director of the Texas Animal Health Commission, and Dr. John L. Wilbur, Animal Disease Eradication Division of the United States Department of Agriculture.

Early activation of the Screwworm Eradication Program was to try to take advantage of the deep killback on the screwworm flies in Texas due to extreme freezes in January and February. "We knew

we were working with a short supply of sterile flies, and with some unseasoned personnel. However, we did have a significant nucleus for sterile fly culture, and an adequate backlog of trained, experienced people," they said.

"By now, we have increased fly production through 10 million to 14 or 15 million per week. By April 24th, we will be producing well over 20 million sterile flies per week. Then we will have to work with this amount until early July. At that time, the new 75 million per week sterile fly plant at Mission will be in production. This completion date is 90 days ahead of our best expectations of just 45 days ago. The manpower situation is shaping up equally as well, and by July 15, the show should be well on the road," Dr. Garrett said.

Dr. Garrett mentioned all this to put the Screwworm Eradication Program in its proper perspective, and to emphasize that livestock owner and handler cooperation now is of utmost necessity and importance. He said, "There are many ways they can help us, and by so doing, these people will be helping themselves."

Dr. Garrett says, "Actually, these people should exercise a selfish motive in this. They have contributed generously to the three million dollar fund requested by the Southwest Animal Health Research Foundation, to get the Screwworm Eradication Program started. Now it is started, and reasonable cooperation will help us get rid of screwworms at an earlier date; and thereby, save millions of dollars that will otherwise have to be spent."

"Officials of the program request that every case of suspected screwworms be reported, and that samples of the worms be sent to P.O. Box 969, Mission, Texas. Your County Agent will help you with this, and will furnish a free mailing kit with data sheet and bottle of preservative. Or, worms may be put in a small bottle with plain water," Dr. Garrett said.

Worms should be taken from deep in the wound, for this is where the true screwworms will be found. Also, State and Federal Livestock Inspectors will be glad to help owners with this task.

In addition, owners should practice "do it yourself" screwworm eradication by the following means:

1. Close and frequent observation of all animals.
2. Early and intensive treatment of screwworm infested animals and frequent re-treatment.
3. Pretreatment of all wounds before they become infested with screwworms.
4. Co-Ral or Korlan spraying of flocks and herds in which screw worm infestations are found or expected.

Dr. Garrett emphasized, "Every case of screwworms you put out of commission now will prevent thousands of cases three to five weeks later. We are working short-handed and with short supplies, and we need all the help we can get."

"In the case of livestock in transit out of South and Southwest Texas, we need real cooperation by shippers and haulers. By cooperating, they can save themselves much

delay and added work at the Screwworm Transport Control Line."

This line is across Texas above the areas of known and confirmed screwworm cases. All livestock crossing this line must have point of origin certification, or they are subject to detention, unloading, examination, and treatment and spraying when necessary. This applies to any livestock crossing the line by any means of conveyance—railroad, truck, trailer, pickup, or on foot.

Point of origin certification may be obtained by using the services of one of a great number of inspectors authorized to inspect, treat, and certify to livestock being made up for shipment. This will be done at livestock markets, railroad shipping pens, or on ranches—anywhere that livestock shipments are originating.

Your County Agent can tell you who in your area can help you, and you should give the inspector several days notice. This will enable him to plan a schedule and thereby service more demands. Groups approved to provide point of origin certification are listed below:

1. Accredited Veterinarians
2. Livestock Inspectors employed by the Texas Animal Health Commission and Animal Disease Eradication Division, United States Department of Agriculture.
3. Supervisors, Field and Brand Inspectors employed by the Texas and Southwestern Cattle Raisers Association.

Sterile screwworm flies are now being released in about 55 southern counties in Texas at the rate of 200 per square mile. Releases will be increased as necessity demands and increasing production permits. If your area has screwworms, we have to know about it before we can advise you provide area treatment.

Dr. Garrett added, "We have a good start on a good Screwworm Eradication Program; but we will never have enough scientists and technicians and sterile flies to fight this battle alone. We must have the cooperation of the home folks. We are not asking them to go much out of their way; but they can be assured that every little bit they do to help us will be a big help to their benefit, and I know we can count on their help. Contact your

County Agent, local Southwest Animal Health Research Foundation County Committeemen, livestock inspectors, veterinarian, or Texas and Southwestern Cattle Raisers Association employees for screwworm control information."

Dr. Garrett repeated, "This is a critical time for this program. Natural conditions are right for the annual northward migration of screwworms. We need the help of everyone to keep screwworms below the Control Line, and bring this program to an early and successful completion."

Kirkpatrick's Honored On 45th Anniversary

Mr. and Mrs. W. E. Kirkpatrick were honored by friends Sunday night, April 15th on the occasion of their 45th wedding anniversary.

The serving table was laid with a pink net cloth over pink satin. Table appointments of silver and china were used. Blue sapphire and pink were carried out in the floral arrangement, which was a gift of their daughter, Mrs. John Koonce of Hillsborough, California. The anniversary cake was iced in pink with blue letters 1917-1962. Mrs. J. E. Burch poured coffee and Mrs. Hugh Evans served the cake.

Mrs. E. L. Morrison played the organ and accompanied Johnny Burnett as he sang "I Love You Truly". Two of the Kirkpatrick's granddaughters, Meri and Kerri Kirkpatrick escorted their grandparents to the place of honor, where lovely gifts were opened by the honorees.

Rev. M. A. Smith gave a word of congratulation and offered prayer for continued years of happiness. Attending to the hostesses duties were Mes. Raymond Hance, E. H. Youts, J. E. Burch.

Guests present were: Rev. Bob McGinnis of Dallas, Mr. and Mrs. E. C. Caudle, Mr. and Mrs. R. W. Pearson, Mr. and Mrs. E. L. Morrison, Mr. and Mrs. Hugh Evans, Meri and Kerri Kirkpatrick, Mr. and Mrs. Raymond Hance, Mr. and Mrs. Gaines Neil, Rev. and Mrs. M. A. Smith, Floyd Copeland, Mrs. Willie Waggoner, Lois Bartlett, Nettie Graham, Faye Kenmore, Cecil Dennis, J. E. Burch.

Greetings were also extended to Mrs. M. A. Smith who celebrated her birthday.

ATTENDS LUNCHEON

Mrs. Margaret Boren attended a luncheon Tuesday honoring a friend Mrs. Joe Ross of Chicago at Hemphill and Wells dining room in Lubbock.

Stevenson Speaks For His Candidacy Here Next Week

Charles H. Stevenson Jr. of Corpus Christi, candidate for Congressman-at-large expects to visit Dimmitt as well as Hereford, Adrain, Vega, Canyon, Claude, Panhandle Happy, Friona, Farwell, Clarendon McLean, Shamrock, and Wheeler this week during a campaign swing through the Panhandle.

Stevenson, 42, is a practicing attorney, a graduate of Texas A & M who was an outstanding baseball player for that college in the Southwest Conference.

Stevenson has keyed his race primarily to the need to revive the Texas oil industry by curbing foreign oil imports.

Stevenson has keyed his race primarily to the need to revive the Texas oil industry by curbing for-

eign oil imports.

"Every person in Texas is feeling the fierce effects from the floodtide of foreign oil that is covering our nation," he says.

"The Texas oil industry is drying up—and with it we are losing jobs, tax revenue, and business vitality."

Stevenson also has pronounced himself in favor of a strong exercise of states' rights, a reduction of the national debt, a balancing of the federal budget, and a comprehensive study of Texas water problems.

Stevenson is a former post commander of the disabled American Veterans and a former commander in the Knights of Pythias. He is a member of the American Bar Association, The Texas Bar Association, and the Nueces County Bar Association.

Dr. Garrett says, "Actually, these people should exercise a selfish motive in this. They have contributed generously to the three million dollar fund requested by the Southwest Animal Health Research Foundation, to get the Screwworm Eradication Program started. Now it is started, and reasonable cooperation will help us get rid of screwworms at an earlier date; and thereby, save millions of dollars that will otherwise have to be spent."

"Officials of the program request that every case of suspected screwworms be reported, and that samples of the worms be sent to P.O. Box 969, Mission, Texas. Your County Agent will help you with this, and will furnish a free mailing kit with data sheet and bottle of preservative. Or, worms may be put in a small bottle with plain water," Dr. Garrett said.

Worms should be taken from deep in the wound, for this is where the true screwworms will be found. Also, State and Federal Livestock Inspectors will be glad to help owners with this task.

In addition, owners should practice "do it yourself" screwworm eradication by the following means:

1. Close and frequent observation of all animals.
2. Early and intensive treatment of screwworm infested animals and frequent re-treatment.
3. Pretreatment of all wounds before they become infested with screwworms.
4. Co-Ral or Korlan spraying of flocks and herds in which screw worm infestations are found or expected.

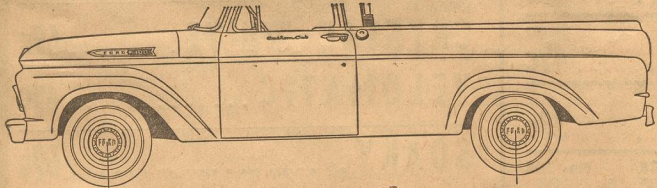

Dr. Garrett emphasized, "Every case of screwworms you put out of commission now will prevent thousands of cases three to five weeks later. We are working short-handed and with short supplies, and we need all the help we can get."

"In the case of livestock in transit out of South and Southwest Texas, we need real cooperation by shippers and haulers. By cooperating, they can save themselves much

Natural Gas tops a...

TOWERING SYMBOL OF ENERGY

The towering "Space Needle" at the 1962 Seattle World's Fair symbolizes a new era of progress for man in space.

The 60-story needle, topped by a 40-foot torch of natural gas, also symbolizes an era of energy: energy which increasingly in recent years has given impetus to the economy of the Pacific Northwest, California, and other states of the West, served by El Paso Natural Gas Company.

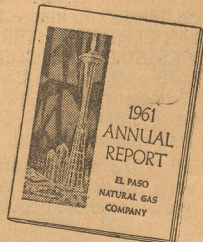

Millions of visitors to the Seattle fair will see, during the next six months, what has been described as "the most extensive scientific display ever assembled."

More than that, they will visit—many of them for the first time—one of the nation's vital economic frontiers: a growing, vibrant, northwestern region, attracting new business and new industries, a land of the future.

The record total of more than 1.34 trillion cubic feet of natural gas delivered to the markets by El Paso's 18,000 miles of pipelines in 1961 is the equivalent of more than 10 times the electric power energy delivered by all the federally financed electric power generators (including the Bonneville Power Administration and Hoover Dam) in the 11 western states served by El Paso.

Our 1961 Annual Report, mailed to more than 110,000 stockholders throughout the nation, reports on El Paso Natural Gas Company's progress in providing energy from natural gas to the 11 states of the West. For more details, write for a copy of the annual report to: El Paso Natural Gas Company, El Paso, Texas.

And for a look at Century 21, in the land of the future, visit the Seattle World's Fair (April 21—October 21, 1962).

EL PASO NATURAL GAS COMPANY

El Paso Natural Gas Company provides natural gas to industrial customers and distribution companies in Arizona, California, Colorado, Idaho, Nevada, New Mexico, Oregon, Texas, Utah, Washington, and Wyoming.

BOWLING STANDINGS

INDUSTRIAL LEAGUE Team Standings

Team	won	lost
Cashway	45	15
Taylor Harrison	39	21
Bob's Supermarket	28	32
Dub's Motor Co.	27	33
Big T. Pump	27	33
Higginbotham	18	42

High individual game, Edward Ewing 247. High individual series Edward Ewing 703. High Team three game series Cashway 2620.

Dub's Motor and Higginbotham split with 2 apiece. Bob's took three out of four from Taylor Harrison. Cashway took all four from Big T Pump.

Cash Way Wins First; Bob's Take Second Place Win Over Taylor-Harrison

Cashway, the winner of both halves of the Industrial League, took undisputed first place of the League.

Bob's Super Market, the winner of second place in the first half, and Taylor-Harrison, the winner of second place in the second half, had the play off for second place Tuesday night, April 17. Bob's Super Market came out on top with a 2320 series to Taylor Harrison's 2284.

High individual series for the night went to Frank Thornton with a 559. High game went to Gene Mickey with a 222.

EDLANA VINSON and SAMMIE ANN VINSON—took a first place as a team in the Junior Dairy Foods Team at the Annual 4-H Achievement Awards program Saturday afternoon.

EASTER NEWS

By Mrs. Sam Scarborough
The Easter Community Club met Thursday April 12 at 2:30 p. m. in the home of Mrs. Melvin Barton. The program was on "The Meaning of Flowers". We answered the roll call by giving a flower we like to grow. Refreshments were served to the following members: Mrs. S. T. Walton, Emerald Epperson, Mary Flood, Anna Moss, Linda Welty, Naomi Scarborough,

Nadine Hall, Anna May Burnett Mildred Garrison, Rosiline Markley, one guest Mrs. C. N. Land, the hostess Violet Barton and her four children. The next meeting will be April 26 in the home of Mrs. John Burnett. The program will be a book review given by Mrs. Epperson, everybody in the Community is invited.

Miss Gail Layman To Marry in June

Mr. and Mrs. Eddie Lee Layman of Dimmitt announce the engagement and approaching marriage of their daughter, Paula Gail, to William (Bill) Lloyd Dunning, son of Mr. and Mrs. Raymond Dunning of Miami, Oklahoma.

The wedding is planned for June 10 in the First Assembly of God Church, Hereford.

Miss Layman, a graduate of Southwestern High School, Waxahachie is now employed by Allie-I Finance Company in Dallas. Mr. Dunning, a graduate of Miami High School is attending Southwestern Assemblies of God College, Waxahachie preparing for the ministry.

News from the Castro County ASC OFFICE

The 15-acre marketing quota exemption does not apply to the 1962 wheat crop, Charlie Hill, secretary of the Agricultural Stabilization and Conservation County Committee, reminded farmers this week.

"This is a change from marketing quota program for previous wheat crops," Hill declared, "and we want all growers—especially those with small wheat acreages—to understand fully just how the program differs for this year. Since the quota exemption has been lowered for 1962-crop wheat, the quota will affect many more growers this year."

Under previous programs, farms which produced no more than 15 acres of wheat for harvest were not subject to wheat marketing quotas, Mr. Hill explained.

Under the 1962 wheat program, farms subject to marketing quotas are those on which the acreage of wheat exceeds the smaller of (a) 13.5 acres, or (b) the highest acreage the farm had for harvest in the 3-year period 1959, 1960 and 1961. Wheat farmers may therefore avoid marketing quota penalties on their 1962-crop wheat by complying with (1) their farm wheat allotment or (2) their wheat quota exemption (if this is larger).

For 1962 the penalty will be 65 per cent of parity as of May 1, 1962; previously, it was 45 per cent. And the amount of wheat subject to penalty will be twice the farm's normal yield on all of the acres in excess of the wheat allotment (or the wheat quota exemption if the farm has no wheat allotment). This amount may be reduced if the less and a request is filed by a stipulated deadline.

Hill also reminded farmers that price support on 1962-crop wheat will be available only to those wheat growers who have filed applications to participate in and who then actually comply with provisions of the wheat stabilization program. Diversion payments are also available to wheat growers who participate in the 1962 wheat program.

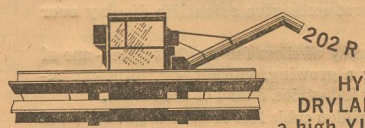

Always remember that a bargain is a bargain only when it fits the wardrobe plan and budget. To buy anything because it is reduced in price is a waste of money.

LIVE PEACEABLY AND LOVE

- ROMANS 12:1-21**
- I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy acceptable unto God, which is your reasonable service.
 - And be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect will of God.
 - For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith.
 - For as we have many members in one body, and all members have not the same office:
 - So we, being many, are one body in Christ, and are one members one of another.
 - Having then gifts differing according to the grace that is given us, whether prophecy, let us prophesy according to the proportion of faith;
 - Or ministry, let us wait on our ministering; or he that teacheth, on teaching;
 - Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness.
 - Let love be without dissimulation.
 - Be kindly affectioned one to another with brotherly love; in honour preferring one another;
 - Not slothful in business; fervent in spirit; serving the Lord;
 - Distributing to the necessity of saints; given to hospitality.
 - Bless them which persecute you: bless and curse not.
 - Rejoice with them that do rejoice, and weep with them that weep.
 - Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits.
 - Recompense to no man evil for evil. Provide things honest in the sight of all men.
 - If it be possible, as much as lieth in you, live peaceably with all men.
 - Dearly beloved, avenge not yourselves, but rather give place unto wrath; for it is written, Vengeance is mine; I will repay, saith the Lord.
 - Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head.
 - Be not overcome of evil, but overcome evil with good.

To live is to love,
To love is to breathe,
To breathe is to have
Jesus in your heart
For all mankind. Give
Not that which is deceitful,
But love in Him.
