### Wait a minute... By Kerry Craig

Will they never stop trying to come up with a new news angle to top all the others? Those super-star news folks are really getting the mileage out of whether the head guy uses the horrorscope (however you spell it).

News-wise there sure must have been some slow days on Capitol Hill.

Since Watergate, newsfolks have been doing their best to come up with something nobody else knows, or something not quite right or something odd.

If you run, as a candidate, for a political office, you might be able to squeeze by. It is quite another thing to be subjected to a political appointment.

For appointees, congress uses the highest power on the microscope. The big-time news media then takes a closer look at the victim.

The way things are going, if some doting parent or grandparent happened to take a snap shot of a baby on a blanket with no diaper, it would be enough to cause congress to find major fault with the victim of appointment and tell the world of his loose morals.

The very idea, being caught without a diaper. Such a thing could cause really big problems on down the line.

The reader on the island state will probably write saying I should leave that little snake alone—again.

After all the to-do about the Concho River Snake was settled, I was in hopes that we would not have to worry about any more snakes-in-the-grass.

Well, leave it to a species that is not officially endangered, the ecologists, to find another poor, oppressed, and endangered critter. They did!

This time, they have gone further than too far.

Environmentalists, 26 groups of them, went on the warpath about rattlesnake roundups.

One of these educated guys, whose elevator must not make it to the top floor, said that rattlesnakes are part of the ecology.

Ecology. Lets see what Brother Webster has to say about the word. It is defined as being "the science of the relationships between organisms and their environments." Now this could get deep.

I would think that a rattle snake is made up of many organisms. He has a bunch of organs, a few rattles, and generally two very sharp fangs with a substance in them that can kill you.

Let us assume that a whole rattlesnake is an organism. To do this, we would have to equate Homo Sapiens (humans) as being organisms, too.

To walk up to some guy on the street and call him an organism just might get you in trouble. If you called him Homo Sapiens, you might get hurt.

Our study has now revealed that we are not dealing with the relationship between an organism and its environment, but dealing with the relationship between two different organisms. This could lead us to the conclusion that this educated guy just doesn't know what he is talking about.

He probably lives, and works, in some hi-rise building in the big city and has never had the opportunity to meet a rattlesnake in the snake's own environment.

Now we are back to big words at  
(See Wait page 10)

## Mayfest '88 Biggest ever

Parking was at a premium at Winters' Ted Meyer Park and Community Center Saturday during Mayfest '88.

Chamber of Commerce officials said that the number of people attending the Mayfest was the largest ever. At midday Saturday, the nearest parking places to the park were some two blocks away.

Inside the Community Center was a Health Fair, sponsored, in part, by North Runnels Hospital and North Runnels Emergency Service. In excess of 500 people took advantage of the health fair to have their blood pressure checked, blood sugar checked, oxygen concentration and other checks.

Also in the Community Center were a number of art and craft displays with numerous items for sale.

In the park, activities ranged from a day-long fiddling contest to a pint-sized tractor pull, tennis, volley ball, soft ball, soccer, dunking booths, exotic animals, and many food booths.

The Winters Area Chamber of Commerce wants to thank you for attending Mayfest 1988.

Your enthusiasm, attendance and participation made it a very successful event. We would like to take this means of thanking our chairpersons Mike Kozelsky, Mitzie Deike, and Brenda Briley for their hard work in getting this planned. To all who had Food Booths, Game Booths, Arts & Crafts, Petting Zoo, Horse Rides, and directed tournaments. To all of you who worked so hard that day in making it possible for everyone to have a good time.

The Chamber is grateful to so many of you it is hard to be able to mention each of you by name.

We are proud to list the winners of the events.

### Lulac charges denied by Ballinger officials

The Runnels County Lulac Chapter 658, meeting last Thursday in Ballinger discussed the recent Ethnic Festival in Ballinger and heard comments from the Ballinger Police Department concerning allegations made by Lulac about the police department singling out minorities.

The League of United Latin American Citizens, last week, said that it had asked for an attorney general's investigation of the alleged practice of singling out minorities for minor violations.

Lulac officials said that the Ballinger Police Department denied the allegations as well as defending the allegations of a conflict of interest on the part of Constable Juan Reyes who also operates the only licensed wrecker service in south Runnels County.

Lulac officials said that they have already retained legal counsel and that they will pursue their requests for investigations by both the Texas Attorney General and the U. S. Justice Department.

In other business, Lulac members heard reports on the Ethnic Festival and the large

numbers of people that enjoyed the festivities.

Special thanks were extended to the Ballinger Chamber of Commerce and the Citizens of Runnels County for making the festival successful.

### Student Council elects officers

Student Council Officers for the 1988-89 school year are as follows:

\*President: James Self  
\*Vice-President: Houston Guy  
\*Parliamentarian: Tommy Selby  
\*Secretary: Marie Pritchard  
\*Treasurer: Richard Bryan

### Social Security sets May visit to Winters

Garland Gregg, representative for the San Angelo Social Security Office, has scheduled his May visit to Winters. He will be at the Housing Project Office on Monday, May 23, between 9:30 a.m. and 10:30 a.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

### Runoff set for City Judge in Ballinger

Voters in Ballinger will have the opportunity to return to the polls to settle a runoff election for the Ballinger City Judge's office.

On the runoff ballot Doug Wadsworth will be facing Ruby (Mrs. L. V.) Johnson for the judge's post which is being vacated by Charles Bradshaw.

Wadsworth attracted the most votes, 278, while Mrs.

Johnson received 148 votes.

Two other candidates in that election were Bud Everett, with 94 votes, and Edra Horn with 60 votes.

For the Ballinger City Council, Stan Bickel defeated Cecil Darby Jr. 307 to 207 for the Place 3 council seat.

Weldon Brevard, who was unopposed in his bid for reelection, received 487 votes.

### Winters voters elect three councilmen

Voter turnout seemed light in Winters Saturday, however there were more votes cast in this election than were cast in the last city election.

Voters elected restaurant owner Gene Bernal to serve on the Winters City Council. A new-comer to city government in Winters, Bernal received 130 votes to win his at-large seat on the council which was vacated by Rick Dry.

Voters returned incumbents Jerry W. Sims and Dawson McGuffin to their council seats. Sims received a total of 131 votes while McGuffin lead with 145 votes.

A total of seven names were on the Winters City Council Ballot for three at-large council seats. The three top vote-getters were elected.

In fourth place in the race was James A. Lincycomb with 78 votes followed by Gary D. Goff with 58, Lisa L. Nitsch with 44, and Charles Wearden with 35 votes.

### Winters girls tennis players first to go to state since 1968

Two 17 year-old Winters High School girls will be the first to go to a State Tennis Finals since 1968.

Tami Belew won 3rd in district as a freshman in singles and teamed up with Missy Poehls, a senior, her sophomore year to win district doubles. They placed 4th at the regional meet. Landa England has been a very strong singles player and has been playing since junior high. They teamed up as a double team this year. They won the Santa Anna tournament and took 3rd place in the Rotan tournament.

They compliment each other by Landa being such a strong baseline player and Tami being a very strong net player. They won the district tournament by defeating Cross Plains in a hard-

fought match 6-7, 7-5, 9-7 which lasted three hours and 20 minutes. At the regional tournament the defeated Marfa 6-0, 6-1 and Morton 7-6, 6-2 to advance to the semi-finals there they defeated Canadian 2-6, 6-4, 6-3 and defeated Stratford in the finals 4-6, 6-4, 6-4.

Their ability to come back after losing 1st sets has kept their fans on the edge of their seats. In their finals match with Stratford they were down 0-4 on the third set and came back to win six straight games to win the set 6-4.

Their first match at Austin will be against Mason's #2 team Friday morning at 9 a.m. Mason is returning two teams to the state meet again this year after winning first and second in State last year in girls doubles.

### Winters Farmers Market planning another year

The Winters Farmers Market Association will have a meeting on Thursday, May 12 at 7 p.m. in the Education Building at St. John's Lutheran Church in Winters.

Paul Richwine from Munday Research Center will have a program on over wintering onions, new vegetables, such as chinese cabbage, and his research on vegetables.

Ann Granquist, of Odessa, Marketing Specialist with the Texas Department of Agriculture, will come and have a program on marketing your vegetables.

Billy Henderson, Abilene, In-

spector with the Texas Department of Agriculture, plans to come and talk about the rules and laws of selling different agriculture products, such as eggs, rabbits, chickens, plants, etc.

We encourage everyone interested in raising vegetables and/or the Farmers Market to come to this meeting.

The opening date for the market will be Friday, May 27. The market will be held every Tuesday, 8 a.m. until 1 p.m. and every Friday, 4 p.m. until dusk at Peoples National Bank Parking Lot in Winters.

**New officers installed for Z. I. Hale Museum**

Virginia Schwartz used the Olympics as a theme for the installation of the Z. I. Hale Museum officers at a meeting held in the Rock Hotel Tuesday, May 3, 1988.

Using the official motto of the Olympics—"Swifter, Higher, Stronger," Mrs. Schwartz said this organization has proved itself to be strong, never slowing down, never giving up, and always striving to reach its goals. She challenged the group to continue the search for gold to make the museum better this year and presented each of the officers a gold medal.

As president, Jo Olive Hancock, was challenged to find her gold in service to the group, Kay Colburn, as vice-president, will know from history that the process of working for the gold is time consuming but always rewarding.

Nina Hale, secretary, will keep the golden book of records. Jewell Kraatz is to help us show our love and service by the way we spend money. Charlie Poe, reporter and historian, has a golden opportunity to show the tremendous work this organization is accomplishing; also encourage each member to take an active part. Mary Margaret Leathers, as exhibit director, will perform many tasks in reaching out to the community—"Go For The Gold," said Mrs. Schwartz.

As building coordinators and directors, Bettye Byrns, Dolly Airhart and Billy Alderman will have a shining opportunity to work for the museum and will be

**Senior Citizens News**

We want to thank everyone who came out for our Open House on Mother's Day. Jim and Judy Lanning held our church service and it was very nice. The church gave a gift to our oldest mother and the mother with the most children. Annie Mayo was the oldest mother. Lena Bahlman and Flora Burton were the mothers with the most children. These ladies were honored with a corsage during our Open House reception.

We would like to thank Helen Crenshaw for coming in and taking care of our plants inside and outside. She has been a great help with all of our beautiful plants. Mary Watkins and Pauline O'Neal donated some hanging plants and we sincerely appreciate them. They help to brighten up our home. Mrs. Maudie Bartee brought us some quilt squares and even took the time to cut them and separate them. We thank her for her time and energy she spent for us. They will keep our ladies busy for a while.

Mrs. Oletha Elder signed up at our Mayfest booth Saturday for the oldest mother. She won and was awarded a bouquet of roses. We thank her and the other ladies for signing up for our contest.

John Haley and Jo Miller came in Friday night the 6th and entertained us. We enjoy them and look forward to seeing them again the 27th. Richard Watkins was here Monday and played his organ. We had a special treat Monday afternoon. Charlie Poe came in and gave a slide show presentation on her book "Runnels is My County". We thank her for coming and we really enjoyed it.

Judy Lanning will be here Wednesday at 3:00 for her Bible story time and we are looking forward to it.

Our family night will be held Friday night the 13th starting at 5:30. Our families will come and join the residents at this time for supper and then the community is invited to attend the music festival at 6:30 out in our yard. We hope you will try to come and join in all the fun we are sure to be having.

We are still needing donations for our garage sale. We will be having it June 4. If anyone has anything we could use please bring it by the nursing home.

**Keep up with the latest happenings in the Winters area. Subscribe to the Enterprise.**

Margaret Baldwin, Jimmie Earl Whittenburg, Mamie Dell Reed, Launa Brand, of Abilene and Mary Margaret Leathers will serve as hostesses.

**Nursing Home receives fogger**

Ferrel Dean Brown presents a room fogger to Glenda Graham DON on behalf of the family council at Senior Citizens Nursing Home.

**Crews**  
 By Hilda Kurtz

Some people are proud of their parents because they are the father and mother of such a fine person.

Linda and Dale Duggan, Brenda and Fred Watkins will be the hosts for Saturday night, May 14 at 7 p.m. and are looking forward to a good size crowd, so bring your friends, neighbors, and relatives, if they would like to come, and a favorite dish.

Our sympathy to Doris and Marion Wood due to the death of her sister, Mrs. Jean Huffman, of Temple, who passed away Wednesday and was buried on Thursday after several days in a Temple hospital and three days in a Waco hospital.

The Wood's children were home for Mom's Day on Saturday, the Maloy Bryants of Abilene; Jeff Camron and Steve, Coleman; the Larry Calcoets, Winters; and Frances Mincey, Big Spring.

Ronald Hill spent Wednesday with the Robert Hills, Mike Hill also from Sweetwater came Sunday.

Hazel Mae Bragg's children surprised her Sunday evening on Mother's Day, brought loads of food. Surprising her were, Mr. and Mrs. Glen Bragg, Hondo; Mr. and Mrs. Harold Bragg, Glen Cove; and Mr. and Mrs. Larry Bragg, Ashley and Kelli of San Angelo. On Saturday Hazel Mae and Cindi Bragg of San Angelo attended Joy's graduation at ACU in Abilene. Afterwards had supper at Zentner's Cafe. Others attending were Mr. and Mrs. Harold Bragg and Mike Bragg, Mr. and Mrs. J. W. Harrison (cousins of Dallas) came awhile Sunday evening.

Mothers of Hopewell Church wish to thank the boys RA Class, Gene and Brian Faubion, and Keith Gerhart for the Mom's Cameo box violet candy. Janie Fanning's class, Bernie Faubion was in charge.

Katie and Bill Minzenmayer and their guests, Mr. and Mrs. Ernest Minzenmayer, of New York, visited Marie Kurtz on Sunday.

Adeline Grissom spent Saturday afternoon and night with the Von Byrd family in Abilene. The John Sims family joined them on Mother's Day and all ate Mexican food out.

With the Noble Faubions on Mom's Day, with Bernie cooking dinner, were Rodney Faubion, Lynn and Carrol Faubion, Dallas, Carolyn, Chad and Melinda Kraatz, Kyle Kraatz of Dallas, Karen Tischler. Visiting during the week were Nila and Therin Osborne and Margie Jacob.

On Mom's Day I met daughter, Hildegard and W. A. Asbury, of San Angelo, at Simply Taylors in Ballinger. Afterwards we spent sometime in the Ballinger Park and had a nice visit. Mary and R. C. came by later to see me.

Brenda, Richard, Dodie and Gina Chambliss of Hawley spent Mother's Day in the Earl Cooper home, dinner included.

Attending Sucas and Chauncey Mansell's barbecue supper Saturday night were Paula and Ken Baker, Bernie, Rodney, Gene and Brian Faubion, Linda and Dale Duggan and children, Becky and Elwood Brown.

Paula, Ken and Dee Bnea

**Family Planning Clinic to be held**

The regular Family Planning Clinic will be held Tuesday, Thursday, May 26, 1988. Applications are taken from 10 a.m. until 5 p.m. Dr. Thorpe is the physician in charge. Family Planning services available in this clinic will include: consultation, physical exam with a Pap test, laboratory examination, appropriate methods of birth control, birth control supplies and education regarding birth control and continuing supervision.

This program provides free exams for Medicaid clients and charges a small co-pay fee to those who are income eligible. Private patients are welcome to participate.

The clinics are held at 601 Pierce and Central Texas Opportunities, Inc. of Coleman, Texas is the provider for the Texas Department of Human Services.

For more information concerning this clinic please call 754-4443.

**Dear Betty Crocker**

Q. Why does pancake or waffle batter turn blue/green when stored in the refrigerator?

E. A. S. Little Rock, AK

A. Leavening (baking soda or baking powder) reacts with the bran in flour causing discoloration. The Betty Crocker Kits do not recommend storing batters.

Q. What's the secret for evenly distributing raisins in breads?

R. W. Wall, NJ

A. For breads add raisins with the second addition of flour, allowing 1 cup per 2-loaf batch. For batter recipes, finely chop raisins. Batter isn't strong enough to support whole raisins.

**Tip Of The Week**

To microwave biscuits, brush biscuit surface with butter and sprinkle with paprika to stimulate browning. Microwave on a paper towel, uncovered.

Q. Why won't yeast dissolve well in whole milk?

Mrs. C. S. Orland Park, IL

A. Fat in whole milk tends to coat yeast and prevent it from softening. For best results, use water or skim milk for dissolving yeast.

over the Mother's Day weekend, reward if found, Talpa Route.

Fairy and Wilbert Alcorn spent Sunday in Abilene and ate out. Later Fairy talked to both daughters on the phone.

**DEADLINE NEARS FOR FmHA COUNTY COMMITTEE NOMINATION**

Taylor county and Runnels county farmers interested in election to the Farmers Home Administration county committee have until May 19 to get their nominating petitions signed and turned in. FmHA County supervisor Don M. Newhouse said today.

One person will be elected for a three-year term to the three-person committee at the June 30 election. Newhouse said anyone who has an interest in a farm in Taylor county or Runnels county as owner, tenant or sharecropper is eligible to run for the committee seat and to vote in the election. A spouse of an eligible farmer also is considered to be a farmer for these purposes.

Nominating petition, which must be signed by the nominee and two eligible farmer voters, and other information can be obtained at the FmHA county office at 2203 Federal Building, Abilene, Texas, Mr. Newhouse said.

FmHA county committees perform a variety of duties including making decisions on applicants' eligibility for FmHA farm loans. Two committee members are elected by county farmers, and the third is appointed by FmHA. (May 12, 1988)

**NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT**

Delray Oil, Inc., A-107 Petroleum Center, San Antonio, Texas 78209 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the Palo Pinto "A" Formation, Smith-McGee Lease, Well Number 2. The proposed injection well is located 1/2 mile NW from Talpa, in the Burt-Ogden-Mabee Field, in Runnels County. Fluid will be injected into strata in the subsurface depth interval from 3051 to 3056 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/463-6790). (May 12, 1988)

**Back checks are limited**

People who delay applying for Social Security retirement or survivor benefits for some time after they become eligible may miss out on some checks, Franklin H. Upp, Social Security manager in San Angelo, said recently.

This is because the number of months for which back payments can be made is limited.

In general, people who apply for retirement or survivor benefits after they reach 65 can get back benefits for up to six months before the month they apply, but not before the month of their 65th birthday.

People who apply for reduced benefits before 65 generally cannot get benefits for any month before the month they apply.

People who apply for benefits because they are disabled—workers, adult children, widows, and widowers—can get benefits for up to 12 months before the month they apply if they are eligible in all other ways.

People can save time when they do apply for benefits if they have the necessary documents ready, Upp said. This includes the person's Social Security card or record of the number, birth or baptismal certificate, W-2 forms or self-employment tax return for the past year, and marriage and death certificates, if appropriate.

More information about applying for benefits can be obtained at the San Angelo Social Security Office located at 2214 Sherwood Way. The telephone number is 949-4608. The people there can suggest other documents if those listed are not available.

**health hints**

A new report on nasal sprays contains information about squeeze bottles and a new metered one-way pump that may prove valuable this winter if you or your children catch a cold or the flu.

The "Special Consumer Report" gives highlights of a scientific study conducted by Dr. Raymond W. Ryan, associate director of microbiology at the University of Connecticut Health Center. Dr. Ryan's findings include:

- When a squeeze spray bottle is released, its drawback action pulls nasal fluids into the decongestant solution.
  - Viruses in the fluids survived in some of the solutions for more than 50 days.
  - The unique one-way pump—available only on Nostril™ and 12-Hour Nostril™—nasal decongestants—prevents drawback contamination of the solution.
  - A metering device delivers precise, uniform doses of the medication.
- The report is available at most pharmacies or from: Boehringer Ingelheim Ltd., P.O. Box 1110, Danbury, Conn. 06810.

**Railroad Commission of Texas Oil and Gas Division**

District 7C Case No. 104.450  
Date of Issuance: May 6, 1988

Notice of Application  
NOTICE IS HEREBY GIVEN THAT THE Applicant, Satanta Oil Company, P O Box 4335, Midland, Texas 79704, has made application for a spacing exception permit under the provisions of 16 Texas Administrative Code §3.37 (Railroad Commission Statewide Rule 37). Applicant seeks exception to the lease line distance requirement to re-enter Well No. 1, Rogers/Jones Lease, 300 Acres, E. Mathers #535 Survey, Nora (Gardner) Field, Runnels County, being 5 miles in a southeast direction from Winters, Texas.

The Location of this well is as follows:  
330' from west line and 330' from south line of lease.  
6200' from south line and 4100' from northeast line of survey.  
Field Rules for the Nora (Gardner) Field are 467/1200, 40 Acres.  
This well is to be completed at an approximate depth of 4200 feet.

PURSUANT TO THE TERMS OF Railroad Commission Statewide Rule 37(h)(2)(A), this permit may be granted administratively if no protest to the application is received. An offset mineral interest owner and lessee is entitled to request a hearing on this application. They must be prepared to appear at the hearing either in person or by qualified representative and protest this application through cross-examination or presentation of direct case subject to all applicable rules of evidence. If a hearing is called, the burden of proof of the need for an exception is placed on the applicant. A protestant should be prepared, however, to establish your standing to protest as an affected person, if challenged. If you have questions regarding why the applicant is seeking this exception, contact the Applicant's representative, C. W. Harman, at (915) 682-8442. If you have any questions regarding standing or other matters, please contact the Commission at (512) 463-6718. RULE 37 CASE NUMBER 104.450

IF YOU WISH TO REQUEST A HEARING ON THIS APPLICATION, YOU MUST FILL OUT, SIGN AND MAIL OR DELIVER TO THE AUSTIN OFFICE OF THE RAILROAD COMMISSION OF TEXAS NOTICE OF INTENT TO APPEAR IN PROTEST. A COPY OF THE INTENT TO APPEAR IN PROTEST MUST ALSO BE MAILED OR DELIVERED ON THE SAME DATE TO APPLICANT AT THE ADDRESS SHOWN ABOVE. THIS INTENT TO APPEAR IN PROTEST MUST BE RECEIVED IN THE RAILROAD COMMISSION'S OFFICE BY June 10, 1988. IF NO PROTEST IS RECEIVED BY SAID DATE, THE REQUESTED PERMIT WILL BE GRANTED ADMINISTRATIVELY, TO BE EFFECTIVE THE FOLLOWING DAY. (May 12, 1988)

**PRINTS FOR HOMEOWNERS**

**Power Surges: How To Protect Your Home**

Voltage surges and power line noises can disrupt and damage solid state equipment such as radios, television sets, VCRs and computer systems. Voltage surges—also known as spikes or transients—are caused by utility transformer switching, air conditioner operation and static discharges. Fortunately, many homeowners and electronics buffs have discovered an economical and easy way to protect their expensive electrical equipment from power surge damage.

A new device can keep expensive equipment from being zapped by voltage surges.

A new device, the Voltage Surge Suppressor and Noise Filter from General Electric, plugs into a standard duplex grounded 125 VAC wall outlet and protects up to three electronic systems. The GE Voltage Surge Suppressor can effectively guard solid state components against power surges by clamping high voltage spikes to safe operating levels. The three-outlet model also features a highly efficient noise filter that dampens program scrambling and audio disruptive effects. A red pilot light lets you know that the surge suppressor is functioning properly and protecting your equipment. The new device is available at leading discount, mass merchant or hardware home center stores nationwide.

**FREE LITERATURE**  
For free literature about voltage surge suppressors, write: BOX VNS, General Electric Company, Wiring Device Department, 225 Service Road, Warwick, RI 02886.

**Wait if check is late**

A person whose Social Security check does not arrive on the day it is expected should wait for two more mail deliveries before contacting the San Angelo Social Security Office, Franklin H. Upp, Social Security manager in San Angelo, said recently.

This will take care of a good share of delayed checks. If the check still has not arrived after two days, the people at the San Angelo office can begin action.

The most common cause of failure to receive a check is failure to report a change of address. Many people fail to notify Social Security when they move, even though they rely on their Social Security checks as their primary source of income.

Some people think it is enough to report their change of address to the post office. The post office, however, will forward mail to the person's new address for just one year. After that, they will send the check back to the U.S. Treasury.

If the person's check is returned and the new address provided, it usually takes about four or five days for a new check to be sent. If the check was not returned, a stop order will be put on it, and the matter will be transferred to Washington, D.C. to see if the check has been cashed.

If it has not been cashed, a new check will be sent right away. This process can take up to three weeks. If it has been cashed, a new check cannot be sent until the person who cashed the check is identified.

Even though a person's check is deposited directly into his or her account in a financial institution, he or she should notify Social Security of any change in address.

More information about social security checks can be obtained at the San Angelo Social Security Office located at 2214 Sherwood Way. The telephone number is 949-4608.

**Town & Country Food Stores, Inc. is seeking individuals for full time or part time positions in Winters. Town & Country is a progressive company with over 135 stores which currently provides the following benefits to our employees:**  
Company paid life and health insurance

**Western Heritage Classic--Texas' brand of excitement**

Skills, thrills, and spills. The action will be non-stop in the Taylor County Expo Center Friday, May 13, and Saturday, May 14.

On these two evenings, teams of Texas' best working cowboys, representing 13 well-known ranches, will compete in the Western Heritage Classic's "wild and woolly" ranch rodeo. Sponsored by Budweiser and Ben E. Keith Beers of Abilene, the Western Heritage Classic is a four-day event, May 12-15, saluting the heritage and traditions of the great Texas ranching lifestyle.

In addition to depicting the gritty but glamorous, rough but romantic experience of real working cowboys, the Western Heritage Classic will also feature events for "cowboys" of a different sort. Here's more:

**LIKE FATHER, LIKE SON-** Before the "big" cowboys challenge each other Saturday night in bronc riding, penning, roping and branding, "little" cowboys will have the opportunity to test their "cowboying" skills.

The Western Heritage Classic, in conjunction with KTAB's For Kid's Sake, will conduct the For Kid's Sake Stick Horse Rodeo Production. One hundred children from Abilene and Wylie will take part in pole bending, barrel racing, flag racing, bronc riding and bull riding...on stick horses and stuffed bulls.

The Stick Horse Rodeo, which will also feature demonstrations by the Six White "Stick" Horses (first cousins to the real Six White Horses from Hardin Simmons University), will take place at 3:30 p.m., Saturday, May 14, in the Griffin Horse Arena of the Taylor County Expo Center.

**CHILDREN'S REGISTERED STICK HORSE SALE AND STUFFED BULL AUCTION-** Man O' War, Old Blue or Queeny? Children of all ages will have the chance to purchase registered stick horses "foaled" (hand made) on the pitchfork Ranch near Guthrie. The sale will take place immediately following the For Kid's Sake Stick Horse Rodeo. Any child

participating in the rodeo will have a preferential right to purchase his pony for \$20, complete with official "registration" papers.

After the bull riding event at the children's rodeo, a special "registered" stuffed bull live auction will be conducted. All proceeds from both the stick horse sale and the stuffed bull auction will benefit Hospice of Abilene, Inc., an organization that strives to meet the physical, spiritual and psychological needs of terminally ill patients and their families.

**WHIPLASH...THE WORLD'S SMALLEST COWBOY-** While the children participating in the Stick Horse Rodeo will be some mighty tiny cowpokes, there is one even smaller. Dressed in western attire, the cowboy monkey Whiplash sits high in the saddle on the back of a working Border Collie to round up flocks of sheep. Presented by the Tommy Lucia Revue, Whiplash will perform during both ranch rodeos.

**DYESS DOGIE DRESSING-** "Flying by the seat of the pants" takes on new meaning as teams from Dyess Air Force Base squadrons race the clock to "pilot" a calf into lacy pantaloons. Famous for steel nerves, split-second timing and teamwork, the USAF's finest meet this challenge with hilarious and wild results.

Other events and activities of the Western Heritage Classic include an authentic cattle drive; exhibits of Western art; a pre-rodeo gala called the Rhinestone Round Up; a championship cowboy campfire cook-off with ranch cooking straight from the chuckwagon; a Bit & Spur Show; Australian Shepherd Dog Working Trials; professional bull fights; and appearances by the world-famous Budweiser Clydesdales and the Anheuser Busch sky-diving team.

Not only does the Western Heritage Classic pay tribute to a way of life, but it also helps raise funds for two worthwhile causes: Hospice of Abilene, Inc., and the Taylor County Expo Center, a non-profit public arena that works to bring millions of dollars to the Abilene economy.

**Obituaries**

**Dimas Rico**

Dimas S. Rico, 84, of Ballinger, died Wednesday, May 4, 1988 in a San Angelo hospital.

Born in Mexico, he lived in Ballinger most of his life. He was retired from Santa Fe Railroad and a past member of Masonic Lodge.

Survivors include his wife, Julia Rico of Ballinger; four daughters, Herminia Flynn of Crete, Greece, Monica Reed of Goldsboro, North Carolina, Emma Aguilera and Maria H. Connolly, both of Ballinger; three sons, Felix Rico of San Antonio, Joel Rico of Ballinger and Francisco Rodriguez of Fort Worth; two sisters, Maria Cortez and Selia Diaz, both of Mexico; 25 grandchildren; and 19 great-grandchildren.

Services for Dimas S. Rico were held at 10 a.m. Saturday, May 7, at Avenue B Church of Christ with Dr. Bill Hart officiating. Burial was in Garden of Memories Cemetery, directed by Rains-Seale Funeral Home.

Pallbearers were: Norval Meredith, Lynn Becker, Jack Fry, Mike Fry, Steve Caldwell, R. D. Travis, Mike Riley, and Fred Harwell, Jr.

**Stella Greening**

Stella Castillo Greening, 61, of Winters, died at 2:35 p.m. Monday, May 9, 1988 in Abilene.

Born January 5, 1927 in Winters, she had lived in California since 1958, returning to Winters in January 1988.

She was a certified nurses aid and a member of the Baptist Church.

Survivors include two daughters, Linda Benitz of Winters and Rose Greening of Sacramento, California; one son, Paul Greening of Sacramento, California; four brothers Benitez Castillo of Winters, Frank Castillo of Abilene, Eddie Castillo of Santa Clara, California, Susano Castillo of Sunnyside, California; two grandchildren; and one great-grandchild.

Services for Stella Castillo Greening were held at 2 p.m. Wednesday, May 11, at Winters Funeral Home Chapel with the Rev. Jim Lanning officiating. Burial was in Lakeview Cemetery under the direction of the Winters Funeral Home.

**Shauna and Cisco Bredemeyer**  
**Area resident's grandchildren qualify for National Championships**

Shauna and Cisco Bredemeyer of Austin, Texas, grandchildren of Mr. and Mrs. H. F. Bredemeyer of Winters recently qualified for the National Gold Cup BMX Bicycle Championships. At the Southwest Regionals in Austin, Shauna won second and Cisco won first in their classifications.

Shauna is enrolled in the talented and gifted program for the fourth grade in Round Rock ISD. Her favorite subject is science, and her hobbies include reading, stamp collecting, and collecting. She is a member of the Anderson Mill Barracuda Swim Team. Shauna hopes to become a pediatrician.

Cisco is an 'A' student in the second grade. His favorite subjects are math and recess. Cisco's hobby is sports. He is a member of the Anderson Mill Barracuda Swim Team, Town and Country Pop Warner Football Stallions, T & C Basketball Bobcats, and T & C Soccer UFO's. As a member of the UFO's he was high scorer and Most Valuable Player. He also attained the rank of green belt in Austin Society of Karate. Cisco's goal is to become an Air Force pilot.

The teachers, staff, trustees and their families had an enjoyable time at the Pot Luck Supper held at the Abilene Recreation Park Friday, May 7. Mrs. Derington decorated the hall bulletin board for May - Woody, Woodpecker waves goodbye from a rocket ship. Mrs. Sneed's classes will be taking video pictures of downtown Wingate Friday, May 13, to send to their pen pals in Branchland, West Virginia.

The fifth and sixth grades recently received pictures of their pen pals from Germfask, Michigan. Mrs. Meyer and the fifth and sixth grade students are tentatively planning an afternoon fishing trip for their end-of-school activity. As previously stated, Mrs. Derington and the seventh and eighth grade students will travel to LBJ National Park, Johnson City, Texas, Friday May 13, for their graduation trip.

Two students received certificates for reading and reporting on library books, Mary Vidales read 40 books; and Steven Sneed read 120 books. Congratulations Mary and Steven!

The eighth grade graduation exercises have been scheduled for Thursday, May 26, 7:30 p.m. in the Wingate school auditorium. Pastor Steve Byrne will address the graduates. A short awards presentation will follow the graduation ceremony.

**Storing and handling "boxed drinks"**

The aseptic packaging of drinks has some consumers wondering about safely storing and using these products, says Texas A&M University Agricultural Extension Service specialist.

According to nutritionist Marilyn Haggard, aseptic packaging involves sterilizing the product and container separately. Then the product and package are brought together in a sterile environment where the container is filled and sealed.

Aseptic packaging is now used for a variety of products, including boxes for juice or milk and foil pouches for juice and fruit drinks.

"The aseptically packaged milk does not have to be stored those bought first are used first, says the specialist.

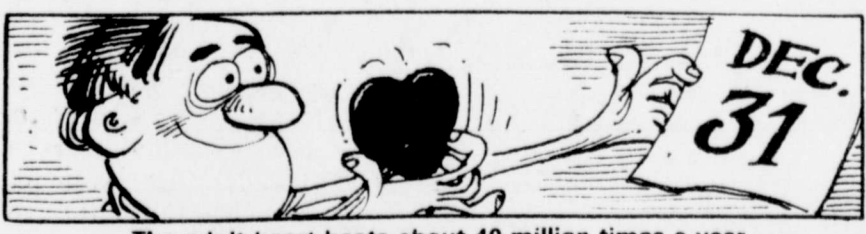

in the refrigerator, and can sit on your shelf for up to 6 months," she says.

"While it's safe and wholesome, aseptically packaged milk does have a slightly different taste, which is often described as 'richer' than regular milk, even after it's been chilled," adds the specialist.

Haggard notes that aseptic juice boxes or pouches can be special convenience for sack lunches.

"The cartons can be stored overnight in the freezer without the multilayered packaging tearing as the freezing juice expands. Then if you pack the frozen carton in a lunch, it should thaw, but still be cool by lunch time," she explains.

The aseptic juices have a shelf life of 6-8 months, and like canned food, should be rotated so

Mrs. Shawn Blair McCowen  
**Anniesa Carol Hill, Shawn Blair McCowen marry**

The First United Methodist Church Sanctuary was the setting for the April 23 wedding ceremony of Anniesa Carol Hill and Shawn Blair McCowen. Leading the couple in repeating the double-ring vows was the Rev. Lane Boyd of Sweetwater.

The bride is the daughter of Mr. and Mrs. Ronald Hill of Sweetwater. Parents of the groom are Mr. and Mrs. Clint McCowen of Snyder. Grandparents are Mrs. Leona Voss and Mr. and Mrs. Robert Lee Hill, all of Winters.

Vows were repeated at the altar which was centered by two white wrought iron candelabras each holding nine hurricane lamps with candles and white carnations. The altar arrangement was of white gladiolas, roses and daisies. Eight pew markers lighted the bride's path to the altar.

Mrs. Bob Bratton of Odessa coordinated and directed the wedding and reception. Mrs. Bonnie Walter played appropriate wedding selections as the guests and family members were seated and as the bridal party entered.

Given in marriage by her father, the bride wore a dress she designed and made for herself of snowy peau de soie and schiffli embroidered lace. The entire bodice was lace covered and featured a high Victorian collar and illusion yoke. The long sleeves were of lace.

The skirt had a lace applique front and trailed into a lace cathedral length train, topped by a large self bow with long flounces. She wore a three-quarter wreath of rosebuds, stephanotis, pearls and ribbon in her hair and carried a cascade of rosebuds, stephanotis, and English ivy.

For something old, the bride wore a 1904 wedding ring belonging to her maternal great-grandmother, the late Mrs. A. G. Hoppe. Something new was her dress; borrowed was a pair of diamond earrings from the groom's sister. Blue was her lace and pearl garter made by her maternal grandmother. She wore birth-date pennies in her shoes.

Angie Strickland of Snyder, sister of the bride was matron-of-honor. Bridesmaids were Neika McCowen, Clint Lester, and Jereme Lester, all of Snyder.

They wore dresses in sapphire blue satin that were tea length, featuring continuous flounces from the waist to the hem in the back. The bodices were highlighted by lace covered yokes and half sleeves.

They each carried long stemmed arrangements of white roses.

Scott Warren of Snyder served as best man. Groomsmen and ushers were Curtis Stipe, Darrel Lester, Mark Strickland and Bill Wilson, all of Snyder. They were all dressed in black western style tuxedos and white shirts. The groom wore a silver grey western tuxedo.

Guests were registered by Andrea Morris of Lubbock.

Following the ceremony, a reception was held in the Fellowship Hall of the church hosted by the bride's parents. The room was adorned by round and square white covered tables, each topped with a hurricane lamp and tied with Country Blue bows. Greenery complimented the room.

The bride's table was centered by a three tiered white cake made and decorated by Mrs. Brett Clements of Rotan. A silver punch bowl and the bride's bouquet were also used. Serving was Miss Ahlona Dahlberg of Lynch, Nebraska and Mrs. Allan Carter of San Angelo.

The groom's table was set with a chocolate cake decorated with cotton boles. An enamel coffee pot, sugar and creamer created a country effect. A work boot arrangement with cotton, maize and wheat was the focal point. Serving at the groom's table was Miss Amy Walker and Mrs. Darby Scott of Snyder.

Rice bags were arranged in a white basket and distributed by Jereme Lester.

Members of the houseparty were Mrs. Van Baucum, Mrs. Pat Donowho, Mrs. Doyle Burleson and Mrs. Stanley Morris.

After a wedding trip to points of interest in New Mexico, the couple makes their home at 700 E. 37th, #112 in Snyder Townhouse Apartments.

The rehearsal dinner was hosted by the groom's parents at K-Bob's Steak House in Sweetwater.

The bride graduated from Sweetwater High School in 1986 and is employed by the Sweetwater Branch of Southwest Savings and Loan. The groom graduated from Snyder High School in 1982 and is engaged in farming in the Snyder-Hermleigh area.

A lingerie shower and brunch was hosted by Andrea and Phyllis Morris in their home near Lake Sweetwater.

A surprise shower was held March 26 at Southwest Savings Community Room hostesses were Frances Keiner, Anna Burton and Sandy Smith.

## Runnels Baptist to hold meeting

The regular meeting of the Runnels Baptist Association will be held Monday, May 16 at Robert Lee Baptist Church.

The meeting begins with the W.M.U. and Executive Board at 5:30 p.m. The evening meal begins at 6 p.m.

The program begins at 7 p.m. The program is a Vacation Bible School Clinic. The leaders for the Clinic are: Associational VBS Director, Charles Woodward; Middle Preschool, Melissa Fabion; Older Preschool, Mary Beth Malkowski; Younger Children, Kathy Howe; Middle Children, She're Heinze; Older Children, David Woods.

Roger and Joan Hammonds will have a book store exhibit at the VBS Clinic.

The public is invited to attend.

## Methodist ladies held meeting

On May 4, the new circle of the United Methodist Women met in the fellowship hall of the church.

Travis Franklin continued his study of Acts. He will conclude his study on Wednesday, May 25 in the fellowship hall with Nancy Randolph as hostess. On Wednesday Melinda Meyer and Mary Wilderson served as hostesses. Mary was there in spirit as her dessert was served.

In attendance were: Travis Franklin, Laurie Franklin, Kandy Sheppard, Nancy Davis, Melinda Meyer, Debra Rice, Troylene Lincycomb, Nancy Randolph, Helen Grantham, Jan Melton, and Kathi Edwards.

## Eastern Star to have regular meeting

Winters Chapter #80, Order of the Eastern Star, will have its regular stated meeting Monday night, May 16, 1988 at the Masonic Lodge Hall on West Dale, at 7:30 p.m.

We will have our Memorial Program.

Hostesses are Lois Jones, Darlene Sims, and Katty and Grif Brown.

All members are urged to attend.

## Ketta Walker graduates from ACU

Ketta Lou Walker, daughter of Mr. and Mrs. Carlos Walker of Route 2, Wingate, was one of eight co-valedictorians to graduate from Abilene Christian University on May 8, 1988 with a perfect 4.0 grade point average.

She received a certificate from Alpha Chi National Honor Society during the ceremony and graduated with a B.S. Ed. degree in English and computer sciences.

While at ACU she has been a member of W Club women's honor organization, Sigma Tau Delta English honor society, Phi Eta Sigma freshman honor society and Alpha Chi.

Walker is a 1984 graduate of Winters High School.

ACU is the fourth largest private university in the Southwest and the largest university affiliated with the Churches of Christ.

## Card of Thanks

The Winters Band Boosters would like to thank all the mothers who prepared food for the luncheon. We also would like to express our appreciation to the Church of Christ membership for allowing us to use the fellowship hall. We send thanks also to Mac Oil Field Company, Peoples National Bank and Winters State Bank. Many thanks are sent to the boys who helped set up and to all the mothers who helped serve and clean up.

Keep up with the latest happenings in the Winters area. Subscribe to the Enterprise.

A gift tea was held March 27 at First United Methodist Church Parlor. Hostesses were Neta Baucum, Mary Baker, Lady Hooper, Frances Keiner, Jo Deer and Nancy Donowho.

A bridal shower was hosted April 7 in Snyder at the Texas Electric Community Room by Nell Walker, Donna Wilson, Anna Mae Perry, Flora Gladson, Sue Warren, Pauline Strickland and Patty Lester.

## NEWCOMERS

Kyle Mark Hegi was born April 19, 1988 in the Methodist Hospital in Lubbock. He weighed nine pounds and one ounce and was 22 inches long.

His parents are Mark and Cheryl Hegi of Petersburg. He was welcomed home by a brother, John, and a sister, Sarah.

Maternal grandparents are W. T. and Betty Colburn of Winters. Paternal grandfather is Don Hegi of Petersburg.

Maternal great-grandparents are George and Pearl Aduddell of Winters. Paternal great-grandmother is Mary Lucy Hegi of Petersburg.

Bill and Sheri Minzenmayer are happy to announce the arrival of their daughter, Keeli Ann, who was born May 6, 1988, in a Chandler, Arizona hospital. She weighed six pounds and three ounces.

Grandparents are Mr. and Mrs. Stanley Yost of Chandler and William and Charlene Minzenmayer of Tempe, Arizona.

Great grandparents are Mr. and Mrs. Don Young of Bosque Farms, New Mexico and Bill and Katie Minzenmayer of Winters, Texas.

## Card of Thanks

The family of Margaret E. Mitchell wish to express their appreciation to friends and relatives for their kind deeds and words of sympathy at the time of Margarets death. May God Bless each of you.

Karen and Phil Colburn are proud to announce the arrival of a son, Aaron Blake Colburn, born May 2, 1988 at Hendrick Medical Center. He weighed seven pounds and three ounces and was 20 1/2 inches long.

He is welcomed home by a brother and sister, Shane and Kayla.

Paternal grandparents are Mr. and Mrs. W. T. Colburn of Winters.

Paternal great-grandparents are Mr. and Mrs. George Aduddell.

## Card of Thanks

To our relatives and friends, we wish to Thank all who called and sent cards at the death of our sister, Emma Goetz.

Lovingly,  
Bill and Katie Minzenmayer

## Card of Thanks

We wish to express our most sincere thanks for the flowers, food, cards and especially the prayers, during the loss of our father.

Family of Miguel Aguilar

## Hospital

## Don't let your electric bill STAMPEDE this summer!

### Help pull in the reins on your Summer Electric Bill with these horse-sense tips.

Don't overcool. Keep your thermostat at the highest comfortable temperature — 78° or higher.

Check your filter every month. A dirty filter clogged with dust and lint reduces the cooling ability of your unit.

Keep drapes closed and minimize outside door openings to keep the cool air in, heat out.

Proper insulation helps to keep out heat in the summer. Your insulation supplier can help you check and choose the right amount of insulation needed.

Many smiling faces of the Pre-School of from the Lutheran Church along with some helpful Kindergartners.

These kids visited Kindergarten last Tuesday. They will enter Kindergarten next year.

### St. John's Lutheran Preschool closed out the school year

St. John's Lutheran Preschool had their closing program and graduation on May 5 and May 6.

The preschool this year was under the direction of Zanette O'Dell and her assistant was Diann McMinn. There were 42 students this year. There were 20 three-year-olds and 22 four-year-olds.

On April 19 the three year-olds went to Ballinger Park for a play day and picnic. The mothers going along for the fun were, Keri Lynn Burns, Janet Melton, Emily Hall, Diann McMinn and Zanette O'Dell. On April 27 the four-year-olds went to the "Fun Farm" in Ballinger. They got to see some zebras, llamas, chickens and a mule. They help feed the llamas and their babies. There was a miniature golf course and a play ground and train for the kids to play on. The mothers along for the fun were Fran Walker, Karen Colburn, Vicki White, Jan Jordan, Malynda Moulton, Tammy Dunlap, Dinell Jacob, Connie O'Dell, Diann McMinn and Zanette O'Dell, Kay Smith, Jill Bredemeyer and Margaret Marks.

The three-year-old class was made up of the following students, Ryan Bland, Whitney

Rogers, Tracey Burns, Juanita Armendariz, Amber Hall, Kalene Lincecomb, Savanna Reyna, Isha Lara, Christopher Kraatz, Jaci Smith, Scarlet McMinn, Justin Young, Mark Waldrop, Estela Cisneros, Tanya Melton, Dee Bnea Baker, Danielle DeLaCruz, Travis Grohman, Christopher Hoppe, and Michelle Burton.

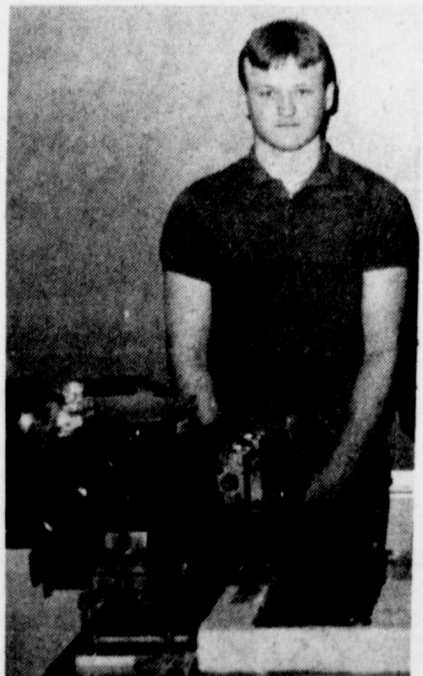

The graduating class for 1987-88 were: Lori Bredemeyer, Taylor Brown, Justin Calcote, Kayla Colburn, Jacqueline Dexter, Tanner Donica, Luther Dunlap, Craig Jacob, Jeffrey Jordan, Joshua Minzenmayer, Kelli Moulton, Stefanie McGallian, Tiffany O'Dell, Michelle Paschal, Fallen Perrie, Aaron Pritchard, Rebecca Scates, Ambar Smith, Ryan Smith, Cole Torres, Colby Walker, and Kimberly White.

Preschool is now accepting applications for next fall. If you have a child that will be three-years-old by September 1 and would like to enroll him or her, please contact Zanette O'Dell at 743-2190, Fran Walker at 743-8326, or go by St. John's Lutheran Church between 9 a.m. and 12 a.m. Monday thru Friday.

### ICT VICA member places at Olympics

Several Fort Stockton ICT/VICA club members attended the Fortieth Annual VICA Leadership and Skill Olympics in Fort Worth on April 15 and 16. James Hord was an third place award winner in the Auto Machinist Technical Contest.

James Hord is a senior student at Fort Stockton High School and his third place finish entitles him to a \$2,000 tuition scholarship from the Automotive Wholesale of Texas. James is currently receiving his training from American Car Parts where his supervisor is Warren Sheelar. James also received a very good ribbon in the Auto Machinist job display. James is planning to attend Texas State Technical Institute in Sweetwater upon graduation in May where he will be studying diesel mechanics. James is the son of Mary

James Hord

Hord of Fort Stockton and the grandson of John and Vivian Hord of Winters and Ovella Lindsey of Brady.

### Four-year-olds get a good look at kindergarten

On May 4, 1988, St. John's Lutheran Preschool Class of four-year-olds visited kindergarten. The children were in two groups. Each group went into a class and participated with the kindergarten children.

Everyone had a nice time and it helped the children get ready for their first year in a regular school setting.

The children that went to kindergarten were: Lori Bredemeyer, Taylor Brown, Justin Calcote, Kayla Colburn, Jacqueline Dexter, Tanner Donica, Luther Dunlap, Craig Jacob, Jeffrey Jordan, Joshua Minzenmayer, Kelli Moulton, Stefanie McGallian, Tiffany O'Dell, Michelle Paschal, Fallen Perrie, Aaron Pritchard, Rebecca Scates, Ambar Smith, Ryan Smith, Cole Torres, Colby Walker, and Kimberly White.

### Supplements needed

Lecithin is a common fatlike substance which is now being promoted as a cure-all for Alzheimer's disease. "Nobody sets out to eat lecithin," says nutritionist Dr. Mary Kinney Sweeten. "It's found naturally in eggs, liver, peanuts, soybeans and many other foods." Lecithin is also a familiar term on food labels, she says, since it's added to ice cream, cooking oil sprays, margarine, chocolate and other foods as an emulsifier. Sweeten, who is a nutrition specialist with Texas A&M University Agricultural Extension Service, says that the health claims being made for lecithin are based on the fact that it contains choline. According to the nutritionist, a lack of choline has been implicated in Alzheimer's disease because large doses of it may, in some circumstances, increase levels of chemicals that help control nerve impulses. However, researchers have found that choline treatment for Alzheimer's victims produces only very small improvements in memory, if any. Choline or lecithin supplements have not been shown to protect healthy people against memory disorders either.

### New Extension Entomologist appointed

Rick Minzenmayer, 31, has been named Bi-County Extension Entomologist for Runnels and Tom Green Counties effective May 1 according to a recent announcement made jointly by District 7 Extension Director, Ken Cook and Texas A&M Extension Service Integrated Pest Management Coordinator, Dr. Ray Frisbie.

The new entomologist will be headquartered on the third floor of the Runnels County Courthouse. His duties will range from overseeing the two counties cotton pest management program to conducting educational programs on entomology. He will also be heavily involved in applied research with San Angelo based District Entomologist, Dr. Tom Fuchs and cooperating Extension Agricultural Agents in both counties.

Prior to his new appointment, Minzenmayer served in the same capacity in Midland, Howard and Martin Counties.

There he felt his greatest contribution was in making cotton producers, especially those with irrigation, more aware of insect problems in their crop. With this knowledge he related that they could then go ahead and implement an early season insect control program.

The new entomologist is a 1985 graduate of Texas Tech University at Lubbock. There, he earned a B.S. in entomology and graduated with honors.

He is married and his wife Mary, a Midland native, have two children, Joshua, 8 and Meagan, 2. The family will make their home in Ballinger. Minzenmayer takes the position vacated by Amanda "Mandie" Amrstrong England, a leader in the agricultural communities of both counties resigned April 30 following her marriage to Lanny England. The couple reside in the Winters area of Runnels County where they have farming interests.

### Governor establishes task force to develop Texas agriculture

Governor Bill Clements has signed an executive order establishing the Governor's Task Force on Agricultural Development to ensure that Texas remains an international leader in the industry.

Clements has asked that Texas remains an international leader in the industry.

Clements has asked the task force to develop short- and long-term recommendations for state and federal review to protect and enhance the vitality of Texas' agriculture industry in the coming decades.

Named by Clements as chairman of the task force was Jerry Harris, a cotton producer from Lamesa who also serves as chairman of the Texas Agricultural Stabilization and Conservation Committee.

Other seats on the 26-member panel will be filled by farmers and ranchers serving in leadership positions in Texas commodity groups and agricultural organizations, as well as leaders in private agribusiness and education.

The following individuals have agreed to serve on the Governor's Agricultural Development Task Force:

- Jerry Harris of Lamesa (Chairman)**
- Dr. Perry Adkisson of College Station**
- Allen Anderson of Raymondville**
- Jay Anderson of East Bernard**
- John Birdwell of Muleshoe**
- Othal Brand of McAllen**
- Bill Bob Brown of Panhandle**
- Dr. Neville Clarke of College Station**
- D. V. Guerra of Edinburg**

- Libo Hinojosa of Mercedes**
- Dale Hunt of Garwood**
- Bob Josseland of Hereford**
- Worth Matteson III of DeKalb**
- James Neal of Pearsall**
- Dave Nix of Lamesa**
- Robert Parker of Paris**
- Bo Pilgrim of Pittsburg**
- Jimmy Powell of Fort McKavett**
- Bill Seov of Clint**
- Don Smith of Sulphur Springs**
- Keith Spears of Vernon**
- Jane Ann Stinnett of Lubbock**
- S. M. True of Plainview**
- Clark Willingham of Dallas**
- J. D. (Des) Woods Jr. of Katy**

"Our farmers and ranchers are key to the Texas economy with agribusiness constituting the second-largest industry in Texas," Clements said. "We must reward their contributions to our state by ensuring they remain a competitive force nationally and across the world in the years to come," he said. "By bringing knowledgeable individuals to the same table we can help make that happen."

The governor said that Texas leads the nation in the number of farms and ranches with about 150,000 of both, totaling 133.2 million acres devoted to agriculture use. In addition, Texas is currently the leading producer of cattle, sheep, goats, wool, mohair and cotton. Clements asked the task force to submit its report by September 30 so the report can be reviewed in advance of the 1989 Texas Legislature.

The task force report will ensure that Texas' agriculture needs are considered in the next federal farm bill to be debated by the U.S. Congress.

### Norton 4-H met

The Norton 4-H Club met Tuesday, May 3, at 7 p.m. in the Norton Community Center with president Sanford Bryan presiding. Angela Burris led the club members in the 4-H Prayer and Motto.

The main order of business was the election of officers for the year '88-'89. The new officers are as follows: President-Deron Robinson; Vice President-Sanford Bryan; Secretary-Neal Niehues; Treasurer-H. A. Belk; Reporter-Amanda Harrell; Council Delegates-Deron Robinson, Neal Niehues and Chris Kreager; Refreshment Committee-Jill Halfmann and Angela Burris; Telephone Committee-Herbert Harrell and Tammy Strube.

In other business it was reported that the "Dunking Booth" was a real success at the recent Runnels County Ethnic Festival. The club would like to thank everyone who participated.

The club decided to have their annual summer party at Shakeys in San Angelo, July 8.

The second trash pick-up day will be on June 30. They will meet at the Norton Post Office at 6 p.m.

The meeting was adjourned and everyone enjoyed refreshments provided by Jill Halfmann.

### Hormone Herbicide Regulated area

The Northwest part of Runnels County will be in a Hormone Herbicide Regulated area again this year, according to Allen E. Turner, Runnels County Extension Agent. The law and the area are the same as they were in 1987.

The dates that this regulation are in effect is May 26 to October 1, 1988. All persons within the designated area are asked to abide with these regulations.

The regulation reads as follows:

That portion of Runnels County beginning on the west county line at the point of intersection with the Colorado River, east southeasterly along the Colorado River to its intersection with U.S. Highway 83, thence north along U.S. Highway 83 to its intersection with the north county line, thence westerly along the north Runnels County line to the northwest corner of the county, thence southerly along the west county line to the Colorado River, the point of beginning, is regulated by the Texas Herbicide Law.

In regulated areas, no permit is required from October 1 to May 26 of the year following. Use of regulated herbicides is prohibited between May 26 and October 1, 1988. And further, amine and other non-volatile formulation may be used in the regulated area between the days of May 26 and October 1, provided that the user obtain a permit as prescribed by the law prior to such use.

tra calories," she remarks. Hunt also notes that few frozen meals provide enough calcium to reduce the risk of osteoporosis. So drinking a glass of skim milk with the meal or getting at least two servings of dairy products a day is important.

### Choosing frozen dinners for nutrition

Over 177 new frozen dinners and entrees were marketed last year, giving shoppers an even greater choice among ethnic cuisines, "light" meals, dinner "classics," - and nutritional value. "Frozen dinners can be party of a balanced diet, but only if you know what they do and don't offer nutritionally," says Dr. Alice Hunt, a nutrition specialist with the Texas A&M University Agricultural Extension Service. To make a balanced meal out of a frozen dinner or entree, the nutritionist advises adding raw or cooked vegetables, fruit or a salad. "These foods will provide vitamins A and C plus some fiber, without adding a lot of ex-

### Haskell Rodeo and Annual Frontier Days Celebration set

The annual Frontier Days Celebration in Haskell will be May 12-14 at the rodeo grounds and in downtown Haskell. The celebration is sponsored by the Haskell Horse Club.

A parade on Thursday, May 12, will launch the activities. The parade begins at 5:30 p.m. Individuals and organizations wishing to have entries in the parade should contact Charles Thornhill (864-2686) or Buddy Lane (864-2629).

Runt Sloan of Newcastle will again furnish the stock for the three night rodeo, which will begin each evening at 7:30 p.m. Books will be open from 7 a.m. to 6 p.m. May 11th, or entries may be made by calling 864-2629.

The rodeo will include: bareback riding, saddle bronc riding, calf roping, team roping, open and junior barrel racing, bull riding, and merchant's calf tying on Friday night. A new event will be the stick horse buck out on Saturday night for children 6 years old and

## From A Goldfish Bowl

By Pastor Steve Byrne

Cruise controls are a great invention. I've got one on my pick-up. With Sean's and Ryan's grandparents all living in Levelland and our new Synodical headquarters in Dallas, I am using it a lot. Four lanes most of the way on both trips.

It is not perfect, my cruise control. It is between five and seven miles per hour off. For instance, if you get on the interstate and want to cruise along at 65, you have to get up to about 72 and set the cruise. Then, when you back off the accelerator, the motor drops back to 65 and holds the speed pretty steadily.

This particular cruise control has a memory. Can you believe that? If you are driving along and for some reason you need to slow down or go back to manual (or maybe the word is "pedal," if there is such a word) driving, you just hit the brake and you are driving the way we all learned how.

Later on as you drive on, if you decide you want to turn your speed control back over to Mr. Cruise, all you do is press this button to the position marked, "resume," and it remembers exactly what speed you had been cruising on.

Even if you come to a complete stop, get out and take a walk, or whatever you need to do, when you continue your journey, you can hit "resume"

and the cruise control will attain and hold your speed at your former pace. But, if you turn off your motor for any reason, Mr. Cruise forgets. You have to start all over.

I was thinking the other day how great it would be if we could be like a cruise control. We have this memory inside us. Especially a memory of mistakes we have made, times when we were hurt or hurt someone else. Wouldn't it be nice if we could just turn the motor off and our memory would forget? And we could start the process over?

In this life, that is impossible. That collection of microchips we call the brain simply doesn't function that way.

With God it is a different story. The author of Hebrews restates God's promise through Jeremiah in the 8th chapter. "For I will forgive their wickedness and will remember their sin no more."

Imagine that! For God's people, for those who know Him, he just switches off the motor, and He can't remember for the life of Him what it was he was supposed to be upset about. We get to start the whole process of living all over again, as far as He is concerned.

Like the loss of memory of the cruise control, God remembers the sin no more, and gives us another chance to set the cruise. That's grace.

### Senator Gramm announced loans to aid farmers

U. S. Senator Phil Gramm of Texas has announced that family farmers in several Texas counties are eligible to apply for low-interest loans to help recover from the freeze of 1987.

For those who are unable to obtain credit through normal channels, the U.S. Farmers Home Administration will make loans available at below-market interest rates to agricultural producers.

The primary counties are Coke, Falls, Karnes and Throckmorton Counties.

Contiguous counties, which are also eligible for assistance, are Archer, Atascosa, Baylor, Bee, Goliad, Haskell, Knox, Limestone, Live Oak, McLennan, Mitchell, Milam, Nolan, Robertson, Runnels, Shackel-

### Bill Wheat named to Dean's List

For the fall 1987 semester, 764 students at Baylor University were named to the Dean's Academic Honor List and the Dean's Distinguished Academic Honor List.

To be named to the Dean's List, a student must be an undergraduate with a minimum grade-point average of 3.6, be enrolled in a minimum of 15 semester hours and rank in the top third to seventh percentile of his or her school or college.

To qualify for the Dean's Distinguished List, a student must be an undergraduate with a minimum grade-point average of 3.9, be enrolled in a minimum of 15 semester hours and rank in the top two percentile of his or her school or college.

The two lists include 148 freshmen, 221 sophomores, 191 juniors, 200 seniors and four postbaccalaureates.

Included these two groups was Bill Wayne Wheat, a senior, of 615 Tinkle, Winters, Texas.

### Dear Betty Crocker

Q. How can I prevent my custard pie crust from softening?

M. W.

Upper Sandusky, OH

**A. Most custard pies have a moist crust. However, the most effective method to prevent a soft crust is to bake crust and filling in separate pie plates. Loosen edges of cooled custard with a knife and gently shake pie plate. Slide filling into a cooled crust.**

Q. Please suggest desserts for children that are sweet but still nutritious.

P. S.

Bettendorf, IA

**A. Milk and egg desserts as well as fruit and custard style yogurt are rich in nutrients. Fresh or canned fruit also is a good choice. Dessert suggestions include: pudding, custard, tapioca, Angel food cake, baked apples and fruit compote.**

### Read the Classifieds

The areas were designated as eligible for disaster assistance by the FmHA, Gramm noted, due to freeze and flood damage between March 28 and April 3, 1987.

Farmers and ranchers in these counties will now be able to apply for low-interest, multi-year loans to help cover up to 80 percent of their actual losses, the senator said. The maximum loan available will be \$500,000.

The FmHA, which will supervise the loan program, is charged with providing aid to the farmers and ranchers in order to assist their economic recovery from natural disasters.

### Wait — again.

These ecologists have proven to most of us that they are not in favor of humans.

To use some of their six-bit words on them. These learned scholars, if allowed to continue, have the potential of destroying the aesthetic and ecological qualities of our environment, not to mention trying to keep us from being able to walk across the street without being bitten by a pit viper loaded with a double-barreled, or should we say double-fanged, shot of a hemotoxic poison loaded with enzymes that destroy our skin and muscles and just might leave us dead or hurting very badly and scarred for life.

### 51st Annual Coleman Rodeo Parade

The 51st Annual Coleman Rodeo Parade will be held on Saturday, July 9, 1988, commencing at 5 p.m. Line up time will be at 4:30 p.m. at the South end of Commercial.

### Runnels County Small Grain Demonstration Tour and Field Day set

The 1988 Runnels County Small Grain Demonstration Tour and Field Day will be Wednesday, May 18, starting at 10 a.m. on the Bredemeyer Farm just West of Winters on Highway 438. (Same location as last year)

In addition to being able to view wheat, oats, barley and rye varieties, those attending will have an opportunity to hear Dr. Travis Miller, Extension Small Grain Specialist, speak on soil fertility and phosphorus placement in wheat production.

Charles Stichler, Area Agronomist from Ft. Stockton, will talk about varieties and Dr. Tom Fuchs, Area Entomologist,

### Band Boosters elect officers

Officers of the Winters Band Booster Club for the 1988-89 school year are as follows: President, Lorene Halfmann; Secretary, Rhuenell Poe; Treasurer, Theresa Patterson; Chairman of the Concessions, Glenda Matthews; and Chairman of the Phone Committee, Lavelle Killough.

Band Boosters meet the first Monday of each month of the school year at 7 p.m. in the Band Hall.

**Walkers—(marching group, clowns, dancers, bands etc.)**—1st - \$40.00; 2nd - \$20.00; **Riding Clubs**—Trophies for: 1st, 2nd, and 3rd places.

For more information and to enter the parade contact the Coleman Chamber of Commerce at P.O. Box 796 Coleman, Texas 76834. Entry deadline is July 5.

**Rodeo Time is—8 p.m. each evening.**

**Rodeo Dance starts at 9 p.m. each evening.**

will address the insect situation.

This will be an excellent program and Allen Turner, County Extension Agent, encourages all interested persons to attend.

dividuals can provide care and assistance in this situation. The counsellors will share ideas on how to help in non-judgmental ways.

The ministers in the Ministerial Alliance invite ALL community members to attend. There will be no cost. And one does not have to be a member of a church to be welcomed.

Following the session, the local chapter of Alcoholics Anonymous will host an open house at their new facility on Truett Street.

The seminar leaders will speak to Winters Area youth in an assembly at the High School at 2:30 p.m. that Tuesday afternoon.
