

# THE WINTERS ENTERPRISE

VOLUME ONE

WINTERS, TEXAS 79567

THURSDAY, OCTOBER 11, 1990

PRICE 25 CENTS

NUMBER 42

Blizzard number 33, Jody Guy, runs for a 14-yard touchdown during the second quarter of the Jim Ned game last Friday night. Guy was the leading rusher for the Blizzards.

## Slow starting Blizzards roll over Jim Ned; Hawley next

After falling behind the Jim Ned Indians following an intercepted pass runback for 57 yards and a touchdown, the Blizzards came back in the second quarter, scoring 27 points. The game, last Friday night in Tuscola, has become more like the old Winters Blizzard-Ballinger Bearcat games from years past as the neighboring school districts fight for supremacy on the football field.

After falling behind on the first quarter Indian touchdown, the Blizzards settled down to mixing running and passing plays and driving the ball up and down the field. The first Blizzard score came on a 1-yard run by Timothy Torres and the extra point kick by Billy Wallar. The Blizzards led at halftime 27-6 following three more touchdowns. The second score of the night came with 5:41 left in the half on a 43-yard pass from Craig Slaughter to Johnny Rodriguez. The point after by Wallar was good.

With 3:30 left in the half, Jody Guy ran 14 yards into the end zone and Billy Wallar's extra point kick was good to make the score 21-6. Two minutes and 56 seconds later, Quarterback Craig Slaughter plunged over the goal from the one yard line to make the halftime score 26-6. Wallar's point after attempt failed.

Scoring for the night was finished with 4:24 remaining in the third quarter when Timothy Torres scored for the second time on a 1 yard run, followed by Wallar's point after attempt which was good.

Leading ground gainer for the Blizzards against Jim Ned was Jody Guy with 12 rushes for 109 yards for an average of 9.1 yards per carry. Quarterback Craig Slaughter completed 3 of 6 passing attempts for a total of 71 yards. Receivers were Brandon Boles with 1 catch for 14 yards, Johnny Rodriguez, 1 catch for 43 yards and a touchdown and Scottie Rodriguez, 1 catch for 14 yards.

Scottie Rodriguez punted 3 times for 132 total yards, averaging 44 yards per punt.

Defensively, Bodie Collins led the Blizzards with 6 solo tackles, 3 assists and 2 quarterback sacks. David Roman also had an outstanding defensive game with 6 solo tackles, 3 assists and 1 quarterback sack.

The Blizzards had 201 yards rushing while holding the Indians to 51. The Blizzards passed for 71 yards and held Jim Ned to 9 yards passing. Ten first downs for the Blizzards and five for Jim Ned told the story for the night.

The game was ended with 34 seconds left to play after a fight

broke out on the field and both benches emptied onto the field. Coaches from both teams moved in quickly to break up the altercation and referees terminated the game at that point. Many Blizzard fans remained at the field as the Indians' Javier Landeros was attended after being injured on the final play. Landeros was removed from the field on a stretcher after it was determined that he had severely torn ligaments in his left knee.

The Blizzards are preparing to face a Hawley team that is undefeated in district play and has the same season record, 3 wins and 2 losses. Blizzard Head Coach Dan Slaughter says Hawley has a much better team than either Haskell or Jim Ned. They have a strong running game and the Blizzards will have to contain that to be able to defeat the Bearcats. Hawley has never won a district championship, so they have a great incentive to work hard to continue winning. They returned 6 starters from last year's 6-4 team, with two of them making the all-district team. Their team strengths are touted to be their size and strength and an outstanding quarterback.

The Blizzards face the Hawley Bearcats at home this week at 7:30 p.m. Come out and support them!

## Commodities to be Distributed at new time this month

Central Texas Opportunities, Inc. will distribute USDA Commodities at the Winters Multi-purpose Center, 601 West Pierce, on Thursday, October 11, from 2:30 p.m. to 4 p.m.

CTO has no control over what items are available or the quantity of the items. Allocations of all commodities depends on the availability of food items from USDA.

All eligible persons will receive this emergency food assistance without regard to race, sex, age, political beliefs, national origin and/or handicap. Shut-ins are encouraged to designate an authorized representative to pick up for them. Commodities will be distributed on a first come/first served basis.

Volunteers are greatly needed and appreciated to help with this much-needed program. Please bring large paper sacks.

## "Lonesome Dove" plans progressing

The "Lonesome Dove" benefit dinner for the Rock Hotel and Z. I. Hale Museum is progressing nicely according to Mac Sayles, chairman of the Rock Hotel Restoration Committee. Ticket sales are going better than expected for the dinner to be held Saturday, October 20, at an undisclosed location. The only information given as to the location is that attendees will depart the Winters Community Center by horse-drawn carriage.

A live western band will provide entertainment and those attending are encouraged to come dressed as a character from the television movie "Lonesome Dove." More information concerning the event may be obtained by contacting Mac Sayles at 754-5526 or calling *The Winters Enterprise* office at 754-4958.

Go Blizzards!

## Ranch Heritage Roundup here Saturday

The 4th Annual Ranch Heritage Roundup and Cowboy Campfire Cook-off will be held this Saturday, October 13 at the Winters Rodeo grounds north of town. Activities start at sunup when the cook-off begins and continue through the day. At 8 a.m. a Youth Playday will begin, followed by the Ranch Rodeo at noon.

Those in charge emphasize the Ranch Rodeo is different from a regular rodeo in that the participants are usually working cowboys from ranches around west Texas. Roping events are different in that the animal to be roped is actually cut out of a herd and then roped, rather than turned out of a chute.

At 1 p.m. the Bluff Creek Dischords, a local band, will begin playing and continue until 3 p.m. At that time Dennis Gaines of Matador, cowboy poet and storyteller will begin telling western stories and quoting

western poetry.

Throughout the day and until 9 p.m. a Cowboy Trades Day, Bit & Spur and Western Artifacts Show will be going on. At 3:30 p.m. the Texas Goat Ropers Association sanctioned goat roping competition will begin. This event is expected to attract some of the leading goat ropers in the world. Finals for the Ranch Rodeo and Goat Roping will begin in the rodeo arena at 7:30 p.m.

Following the finals, a dance will begin at 9 p.m. and continue until 1 a.m.

For the price of \$1 admission, which will go to West Texas Boys Ranch of San Angelo, the Campfire Cook-off, Youth Playday, Ranch Rodeo, Cowboy Poets Gathering, music by the Bluff Creek Dischords, the Cowboy Trades Day can all be enjoyed. The public is invited and encouraged to attend.

## Parents night set

Parents Night will be held Friday, October 12, at Blizzard Field.

Varsity football players, cheerleaders and their parents will be introduced before the Winters vs. Hawley football game.

Parents need to meet at 7 p.m. at the football field. Pictures will be made at this Parents Night.

**National Fire Prevention Week**  
Oct. 7-13

## Enchilada Supper set for October 12

The Women's Service League will be sponsoring an Enchilada Supper before the Winters vs. Hawley football game, Friday night, October 12, 1990. The supper will be held in the School Cafeteria from 5:30 to 7:30 p.m. The menu consists of Enchiladas, cole slaw, beans and dessert. Tea will also be included.

Tickets are \$4.50 for adults and \$3.50 for anyone under 12 years of age. Tickets may be purchased from any Women's Service League member or Springer's Pharmacy.

## KIDS' KORNER

Learning about fire safety during National Fire Prevention Week was this group of kindergarten students.

Back row: Brandon Davis and Jena Bahlman  
Front row: Mark Bowden, Sarah Speegle, Lauren Hogan and Reynaldo Torres

Mike Meyer, pictured above, member of the Winters VFD, aided by Johnny Merrill, fire chief, gave a short program on firetrucks, firefighters, rules and safety tips to kindergarten, pre-kindergarten and deaf education classes.

## Winters City Council meets Monday night

The Winters City Council met for their regular meeting Monday, October 8. The Council voted to appoint five persons to the Winters Municipal Airport board in accordance with stipulations of a recent grant received from the State for improvements at the airport. Appointed to the board were David Bradley, Joe Gerhart, Wes Hays, K. W. Cook and Morris Robinson.

The Council went into executive session to discuss police personnel and employment. Upon emerging from executive session, Councilpersons Sandy Griffin and James Spill were appointed to a Police Chief Interview Committee to participate in the interview process in search of a new chief of police for the city.

City Administrator Charles Ludwick reported to the Council that an engineer from the State Department of Health had toured the landfill in the past week and noted deficiencies in the covering procedures.

He also reported he had been in a meeting with North Runnels Water Supply Corporation during the day and hoped to have an answer from them on the settlement offer by the City on water rates by the deadline of October 15.

Ludwick also reported that police officer David Wheeler had resigned from the force and was reportedly going to work for the Irion County Sheriff's Department.

Just prior to adjournment, Councilman Steve Byrne reminded those present of the economic development meetings to be held on Wednesday and Thursday at 7:00 p.m. at the Community Center.

## WHAT'S HAPPENING?

- Oct. 11-Free Blood Pressure & Blood Sugar clinic at the lobby of North Runnels Hospital 9 - 1
- 2:30-4 pm Commodities distributed
- 4:45 pm Hawley (7-8-JV) there
- Community Development Workshop 7:00 pm
- Oct. 12-Pep Rally 3 pm
- Enchilada Supper 5:30 - 7:30 Cafeteria
- 7 pm Parent's Night at Blizzard Field
- 7:30 Hawley here
- Oct. 13-Ranch Heritage Rodeo
- Last cheerleading clinic in the gym 9:30-12
- 9 to 5 Sports Card Show St. Mark's Episcopal Church in Abilene
- Soccer Games in Ballinger
- Oct. 14-ABC Tourney 1:30
- Oct. 15-RS & WCD Directors Election & Field Day
- Eastern Star meeting
- Oct. 16-National Bosses' Day
- TAAS test (writing) grades 3,5,7,9 & exit level
- Noon Lions Club
- 7 pm Booster Club Meeting
- Oct. 17-TAAS test (reading) grades 3,5,7,9 & exit level
- Oct. 18-TAAS test (mathematics) grades 3,5,7,9 & exit level
- Oct. 19-

## HOMECOMING

- Homecoming Pep Rally 3 pm
- 5:30-7:30 Turkey & Dressing Dinner at the WHS Cafeteria
- 7:30 Anson here
- Oct. 20-UIL Marching Band Contest time TBA
- Soccer Games in Ballinger
- Homecoming Dance
- Lonesome Dove Benefit Dinner

## OIL BUSINESS . . .

By Reg Boles

This week, I will continue to comment on some of the "goings-on" at the Society of Petroleum Engineers Annual Meeting.

In the technical presentations held each day, an enormous amount of information changed hands. Everything from computerized field operations to oil gathering facility design to highly mathematical computer simulation models were covered—and several items in between. Economics, acquisitions, reservoir optimization techniques, drilling methods, and even compensation trends were highlighted during the meeting.

Of course, horizontal drilling was a big topic, with each session mentioning the word "horizontal" in their title being attended at full capacity. The location of horizontal candidates, the drilling, the completing, the stimulation, and the production of horizontal wells were topics of presentations. In addition, computer simulation, pressure transient analysis, and production rate forecasting were reviewed by leaders in the industry. Questions were many by spectators, but most speakers kept inside information to themselves by not directly answering questions that might compromise proprietary data. There were a few hints about the best places to eat and sleep in Dilley, Texas, though.

Projections for the near-future of the oil industry were made almost obsolete by the happenings in the Middle East, since the technical presentations are based on papers written several months ago for review purposes. But, as I mentioned last week, most oil industry personnel view the current oil price situation as a temporary thing. So, very often, the portion of charts or graphs showing pricing trends, oil supply and demand, and job market supply and demand during the 3rd and 4th quarters of 1990 were just ignored. Instead, everyone looked at the long range trends that say overall demand for petroleum will gradually increase through this decade. In any case, booms and busts were not considered to be worth worrying about.

The environment was also a big topic for technical sessions and vendor exhibits. Consultants for environmental situations, computer software to keep up with environmental regulations in the U.S. and California, equipment to clean up onshore and/or offshore spills, and case histories of good and bad environmental-sensitive behavior were topics of discussion and of exhibits. This important and emerging market was almost overshadowed by the Middle East situation and horizontal drilling, but that industry segment made an impact at the meeting.

For the first time in my memory, the vendor exhibits featured more computer software companies than equipment manufacturers and representatives. The emergence of the computer, especially desktop PC's, as a daily tool of the engineer and geologist is really phenomenal. Regardless of the nature of the exhibit, a computer terminal was at almost every booth, available for retrieval of data from the home office, a demo of a tool, or even re-runs of the Carol Burnett show on slow afternoons. Technology has the capability to allow an oil company to leap ahead of its competition at relatively low cost, and only now are small and medium size companies realizing that.

Finally, I couldn't keep from being impressed by the international nature of the conference. One day at lunch, I sat down to eat with two Venezuelans, one Frenchman, one Canadian, and one Texan. What a combination. It made for interesting conversation—translated as best as we could, of course.

It did drive home the point that Americans are way behind in the understanding that the business world of today is truly global. Us Texans were the only single-language folks at the table. Everyone else could, at least, speak two languages, and some could speak as many as four. I have been inspired to learn another language as a result. I'll keep you updated on that.

### HIGHLIGHTS OF AREA DRILLING ACTIVITY COMPLETIONS

#### Callahan County

Three Aces Production has completed the Three Aces #312 in the Three Aces Field (5 miles N of Clyde) at an initial rate of 12 BOPD & 280 BWPD in the Flippen (OH 1667-80). Loc. is 2400 FNL & 1305 FEL of Sec. 56, BBB&C Sur., A-944.

The Jones Company has re-completed the Odom -165- #1 in the Northeast Oplin Field (16 miles S of Baird) at an initial rate of 295 MCFPD (AOF) in the Caddo (perfs 3370-80). Loc. is 2635 FNL & 2810 FWL of Sec. 165, Blk. 2, GH&H Sur.

#### Coleman County

B. Wagman has completed another horizontal well, Rhone -A- #3H, in the Burt-Ogden Mabce Field (2 miles N of Talpa) at an initial rate of 114 BOPD & 246 BWPD in the Palo Pinto (3120-4486 MD). Loc. is (surf) 500 FSL & 1400 FEL of Clark Sur. 118 & (BH) 500 FSL & 960 FWL of Sec. 68, BBB&C Sur., A-1275.

Cedar Oil has completed the G.M. Vaughn -B- #1 in the Hrubetz Field (3 miles W of Novice) at an initial rate of 26 BOPD & 20 BWPD in the Ellenburger (perfs 4466-76). Loc. is 4677 FSL & 467 FEL of H. Kegans Sur. 520.

#### Runnels County

Green Oil & Gas has completed the Hord #G-1 in the Fenel Field (5 miles W of Winters) at an initial rate of 48 BOPD & 168 BWPD in the King Sand (perfs 2808-14). Loc. is 667 FNL & 2195 FEL of Sec. 72, Blk. 63, CTRR Sur., A-690.

#### Tom Green County

Mortimer Exploration has completed the Holik #1 as a new field discovery (5 miles SE of Vancourt) at an initial rate of 36 BOPD & 33 BWPD in the Harkey (perfs 3998-4024). Loc. is 750 FSL & 450 FEL of Sec. 911, M. Franz Sur., A-1678.

#### STAKINGS

#### Callahan County

Putnam Oil has staked the McWhorter #1 as a wildcat in the Parsons Field area 14 miles S of Baird (Depth 3500). Loc. is 2310 FNL & 330 FEL of Sec. 142, GH&H Sur., A-1651.

Schkade Brothers Drilling has staked the Snyder #2 as a wildcat 8 miles SW of Moran (Depth 1990). Loc. is 2187 FNL & 2095 FEL of Sec. 141, BBB&C Sur.

Schkade Brothers Drilling has also applied to plug back the Snyder #1 in the Callahan County Regular Field 8 miles SW of Moran (Depth 850). Loc. is 2307 FNL & 2095 FEL of Sec. 141.

Petro-Starr has staked the Boren -B- #3 in the Scranton Field 1 mile NE of Atwell (Depth 2000). Loc. is 912 FNL & 1160 FWL of Subd. 18, A. T. Bumley Sur., A-10.

#### Concho County

Bowman has staked the H. Hurst #1 as a wildcat 8 miles SW of Eden (Depth 4000). Loc. is 897 FNL & 1021 FWL of C.A. Ford Sur. 2, A-1710.

H.R. Sullivan has staked four wells as wildcats in the Lone-some Dove II Field area 3 miles SW of Eden (Depth 3999). The W. & R. Pfluger #6 is 375 FSL & 1217 FWL of Sec. 2086, A. Sator Sur., A-786. The #7 is 550 FSL & 731 FEL of Sec. 2087. The #8 is 1591 FSL & 731 FEL of Sec. 1087. The #9 is 375 FSL & 731 FEL of Sec. 2086.

Natural Energy has staked the L. Loveless #1 as a wildcat 1 mile S of Eden (Depth 3700). Loc. is 2110 FSL & 467 FWL of Fisher & Miller Sur. 2855, A-176.

Conquistador Petroleum has staked the Emst #1 in the Walker-Grant Field 9 miles NE of Millersview (Depth 3300). Loc. is 693 FNWL (river) & 5090 FSL of J. Waldschmidt Sur. 1713, A-1484.

#### Coleman County

Fargo Exploration has staked the J. Hunter #1-A as a wildcat in the South Glen Cove Field area 3 miles SE of Glen Cove (Depth 3500). Loc. is 330 FNL & 1739 FEL of Sec. 2, T&NO Sur., A-753.

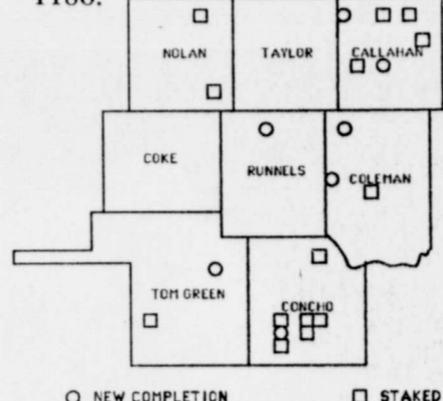

#### Nolan County

L. Bryans has staked the Opal #1 as a wildcat 15 miles NW of Nolan (Depth 5800). Loc. is 2050 FSL & 4130 FEL of Sec. 110, Blk. X, T&P Sur., A-545.

Inland Gas has applied to re-enter the W.L. Shedd #1 in the Hylton-Moore Field 3 miles NE of Hylton (Depth 5200). Loc. is 671 FNL & 1929 FEL of Sec. 180, Blk. 64, H&TC Sur.

#### Tom Green County

C. F. Lawrence has staked the E.D. Jones -A- #9 in the West Atkinson Field 5 miles SW of Knickerbocker (Depth 1250). Loc. is 2310 FNL & 1650 FEL of Sec. 11, Blk. 20, H&TC Sur., A-1186.

### Sports Card Show to be held Oct. 13

St. Mark's Episcopal Church in Abilene will host its 3rd Sports Card Show October 13 from 9 a.m. until 5 p.m. at the church, located at 3150 Vogel.

Thirteen dealer tables have already been reserved and collectors will be able to get the best prices in Abilene on cards, card storage supplies and unopened packs of cards at the show. Admission to the show is \$1.

To find the church, take Mockingbird North off North 1st until it dead ends, turn left, church is two blocks on the right.

Door prizes will be given and parents may leave their children and pick them up later. A few dealer tables remain and more information is available by calling Cloy or Joey Richards at 915-928-5172/4072.

### Lions' Roar

The Winters Lions Club heard Bob Prewit, administrator of North Runnels Hospital report on the status of the hospital at their meeting on Tuesday, October 9. Prewit reported that the hospital is in good fiscal shape and that taxes have not been increased in four years for the tax-supported hospital. He also emphasized that if and when North Runnels Hospital decides to pursue an emergency service for north Runnels County, there would be no tax increase requirement from the hospital district.

In other Lion news, Murray Edwards has been appointed chairman of the highway cleanup committee for the club. He announced that the club will clean up their section of Highway 83 north of Winters on Saturday, October 13 beginning at 8 a.m. The club has been divided into two teams headed by Ken Slimp and Joe Gerhart in order to introduce a little competition into the job. Any Lion who has not been contacted by either of the team captains is encouraged to do so quickly and to be at the cleanup site at 8 a.m. Saturday, October 13.

### Animal Control Help! Save me!

Below is a list of animals available from Animal Control for a limited period of time:

- 1) One large male Chow and Shepherd crossbreed dog. It is red and black.
- 2) One female Black Lab puppy.
- 3) One red, female, full-blood Chow.

Any of these animals will make good pets. If you are interested, hurry and call Curtis at City Hall, 754-4424, before it is too late.

Pictured above are members of Winters Volunteer Fire Department teams which won trophies at the Hill Country Firemen's Association convention in Brownwood last Saturday.

Front row, left to right are Oleta Webb, Teresa Davis, Joanna Pinkerton, Debra Lindsey, Tina Smith and Debbie Lindley. In the rear are Scott Pinkerton, Kenneth Doty, Raymond Lindsey, Andy Smith, Jack Davis, Jr., and Bob Lindley.

### Winters VFD teams compete at Brownwood

Teams from the Winters Volunteer Fire Department competed Saturday, October 6 in Brownwood at the Hill Country Firemen's Association convention. Twelve teams from the Association competed in the events in which Winters teams won a first, a second and two third place trophies.

Winning first place in the water polo contest was the team of Debra Lindsey and Joanna Pinkerton. Second place was won by the three lady pumper race team of Tina Smith, Teresa Davis and Debbie Lindley with a time of 12.5 seconds. Third place trophies were won by the 6 lady pumper team of Teresa Davis, Tina Smith, Debbie Lindley, Oleta Webb, Joanna Pinkerton and Janice Merrill with a time of 20.44 seconds. In the six man pumper races, the team made up of Raymond Lindsey, Andy Smith, Jack Davis, Jr., Scott Pinkerton, Bob Lindley and Kenneth Doty, came in third with

a time of 22.02 seconds.

Also during the convention, officers were elected of the Hill Country Firemen's Ladies Auxiliary. Teresa Davis was elected vice-president and Debra Lindsey was elected parliamentary of the group.

Attending from the Winters Volunteer Fire Department were Johnny and Janice Merrill; Tina and Andy Smith; Jack, Jr. and Teresa Davis, Jennifer and Brandon; Raymond and Debra Lindsey; Darcy and Teri; Bobby and Pat Staggs; Oleta Webb; Betty Easterly; Scott and Joanna Pinkerton; Kenneth and Mildred Doty; Bob and Debbie Lindley; Billy and Pauline Sherman.

Teams from Winters will compete again in April at El-Dorado and then in October 1991. Winters will be hosting the convention.

### Local Chapter of American Diabetes Asso. to meet

The Abilene Chapter of the American Diabetes Association will meet Thursday October 11, 1990 at 7:00 p.m. at the West Texas Rehab Center. Any one interested in attending and in need of a ride may contact Jeanene Laird or any member of the North Runnels Hospital Diabetic Support Group. Call 754-5097 for more information.

North Runnels Hospital Diabetic Support Group will meet at the Winters Housing Authority Monday, October 15, 1990. The program will concern glucometers. Jim Sayre of Lee Medical Supply, Abilene will be on hand with examples to try.

**Letter to the Editor**

As the Board of directors of North Runnels Emergency Service, Inc., we would like to respond to a "Letter to the Editor" appearing in *The Winters Enterprise* last week written by Rosemary Bennie.

In her first paragraph she stated the hospital could have two people on duty around the clock. Two people on duty is not enough. It takes four people on duty around the clock, as our service maintains. Two people for emergency calls, and two people for back-up and transfers to Abilene and San Angelo. The North Runnels County area must not be left without emergency coverage at any time. In the past six years we have had as many as six people out on the ambulance all at the same time on several occasions. The hospital must maintain a minimum staffing level at the Hospital at all times. This minimum staff cannot be pulled off of the floor to make calls at the expense of in-house patient care. This means they are going to have to have a surplus of staff on payroll each day to maintain proper ambulance staffing.

Mrs. Bennie also stated that it took our service 18 minutes to respond to a call at the Senior Citizens Center on September 28, 1990. After checking the Winters City Police call log, we found that they received the call and dispatched an officer immediately and notified our service within 3 minutes. Our service was on the scene 2 minutes later. This is a total elapsed time of 5 minutes and not 18. Had the calling party dialed the ambulance direct, the response time would have been 2 minutes. The City police department handled the call as rapidly as possible. The ambulance service has an emergency phone number. Calling the Police Department when you need an ambulance means someone else has to make a call response. We hope every one has the EMERGENCY AMBULANCE phone number by their phone. A person does not go to the hardware store to buy groceries. So please call the police if you need an officer and the ambulance service if you need an ambulance. We understand that in a crisis 5 minutes seems like 18 minutes but the police department's records and ours verify the ambulance response time of 2 minutes with a total elapsed time of 5 minutes.

In the second paragraph of her letter the county subsidy was quoted as being \$57,500 per year. The actual figure is \$57,000 per year. Mrs. Bennie also stated "...the least we can do is think about just accepting assignment for senior citizens." Since this service began in 1984 we have not only accepted assignment for Medicare, but also CDIC, Medicaid, Champus, ChampVA, and all other insurances. We not only file all of these insurances for the patient at no extra charge, but we also re-file denied claims and represent the patient in the fair hearings process when needed to collect denied claims. The fair hearings office in Abilene was closed because our service was the only one filing for fair hearings in the area. We re-file an average of 5 claims a month and file for an average of 2 Fair Hearings a month. As you can see from our track record we go the extra mile to collect all of the money from the insurance companies that we can, rather than the patient.

Mrs. Bennie accuses this ambulance service of picking her daughter up at Super Duper, with only a driver and charging \$145.00 for a band-aid. This board has reviewed this ambulance transport and found that there was a driver and one ambulance attendant, making a total of two trained people on the ambulance, as required by state law. All of our ambulance transports are recorded on State run sheets with a copy going to the Texas Department of Health on the first of each month following the transport. We have reviewed this specific run sheet and have found the names and social security numbers of two ambulance personnel that were on this transport. This board has also found no charge for a \$145 band-aid. In fact the total charge for this transport was billed at only a few dollars more than the figure claimed as a charge for the band-aid. All of our charges are regulated by Medicare and are public record. A complete list of charges will be provided to anyone requesting them.

This board realizes that we cannot please all of the people all of the time, but we pride ourselves on trying to. It is odd that there were no complaints made until well over a year after this ambulance run occurred. If there is an operational problem with this service we need to hear any and all complaints as soon as possible after the transport in order for us to correct any operational deficiencies. It is hard to correct any problem if you do not know it exists.

We wish to thank everyone for their continued support and the opportunity to service this community. Respectfully yours, Joe Conner/EMT/SS, Executive Officer North Runnels Emergency Service, Inc.

So how did you get a reading of 259 previous and 295 present from a meter that hasn't been read in months (years?) that reads 259 present? Also how did I get a bill for 36000 gallons of water at \$75.60 that wasn't used? So I guess you can just send me a refund check in the return mail and we will all be happy.

Paul Michaelis P.S. Oh, by the way, you can't draft on my bank account any more, I stopped that when I got this bill. You will just have to send me the bill and wait for me to get around to paying it after I check it.

Editor's Note: Mr. Michaelis reports that an apology was received from the City and a refund check mailed. The matter has been satisfactorily resolved, but notes the City was in error.

**Letters to the Editor Policy**

Letters to the editor on issues of general interest are welcomed by *The Winters Enterprise*.

Please write your name and address on the letter and include a phone number for verification. Letters submitted without signatures will not be published. We will consider requests to include initials only or a pseudonym in the published letter, but the letter with signature and phone number will be kept on file in the *Enterprise* office.

Letters to the editor do not necessarily reflect the opinion of *The Winters Enterprise*.

Letters should be addressed to: Editor, *The Winters Enterprise*, 104 North Main Street, Winters, Texas, 79567.

**Memo from the Chamber**

The 20th Annual Arts and Crafts Show will be held at the Community Center November 9 and 10. Booths are still available, contact the Chamber of Commerce to reserve your booth or for more information.

Ranch Heritage, sponsored by the Winters Rodeo Association, will be held this coming Saturday, October 13. This day has become more popular each year with the addition of events and activities. Support the association with your attendance.

Please start decorating for Halloween. The earlier the decorations are put up, the longer everyone will have to enjoy them.

It has been called to our attention that there are owners and employees working downtown and parking in front or beside other businesses. We would urge you to be considerate and aware of this problem. There are plenty of vacant lots behind buildings that should be utilized by the workers and owners.

A new list of Government supported opportunities has been received in the Chamber office. This week's opportunities include opportunities to bid on printing jobs, large vehicle hauling jobs, upgrading a track course at Dyess, pest management services, construction of spillways. If you would like further information, come by the Chamber office and look them over.

**FROM A GOLDFISH BOWL**

BY PASTOR STEVE BYRNE

I learned something the other day. I have written before about integrity, a virtue which I value and try to emulate. I believe I saw an example of "radical integrity."

It was our first football game ever as parents of one of the players. The seventh grade game. At Goldthwaite. Which means you have to leave before lunch is fully digested to travel a not-so-scenic highway to make it before the 5:00 kickoff. The return trip promised an equally unpleasant two-hours home, retracing the same highway, but in the darkness. How I had looked forward to such an opportunity!

Needless to say, I wasn't in the best of moods when we arrived. Twenty minutes before the scheduled kickoff.

We parked, approached the gate. It was so early that the gates were all opened, and the ticket takers hadn't even arrived. We just walked through. With another parent family, Bobby, Connie, Aunt Lou, and a couple of younger ones. I thought, "Well, at least we didn't have to pay admission after driving all this way."

We talked with our comrades who had arrived about the same time. Pleasant company. In fact, I was enjoying myself.

Then it happened. The ticket takers walked past us. But no one said anything to us. As we walked around, Bobby made his way to the ticket stand. I wondered what he was doing.

He bought tickets after he was already in! Nobody was hassling us, or even mentioned anything. I followed suit and did the same thing.

It wasn't a big thing. Goldthwaite's athletic program didn't hinge on the less-than-\$15 we paid out. I never thought of it as being dishonest to have arrived before the ticket help, and not paying. It was just a fringe benefit of getting there early.

Bobby exhibited what I call "radical integrity." Perhaps just because it was "radically right." No one expected us to go back and pay. I didn't see any one else (and there were quite a few before us) make a bee-line to hand over their money. I wouldn't have if Bobby hadn't. As much as I hate to admit it.

I've never had any business dealings with the man. But, if called on, I doubt I would have many reservations, personally.

That example of "radical integrity" gave me an insight into the depth of integrity that Jesus must have been referring to when he saw Nathaniel approaching and said, "Here is a true Israelite, in whom there is nothing false."

It is one thing to have integrity when nobody is looking. It is another thing to do the right thing around others who don't even see the act as either right or necessary. Adiaaphora, no less!

I'm going to have to work on that.

## First Baptist's Beat

### Baptist women held meeting

The women of First Baptist Church met in fellowship hall Tuesday for their regular business meeting and installation of officers for the new year.

Beth Bradley, program chairman, introduced the program "Empowered" with a quote by Lounette Templeton, missionary to Hong Kong, from her recent article in the *Royal Service*: "The most innovative proclaimer of all was Jesus—just as Jesus did, we must recognize the ungivenness of people—and their needs—and then respond accordingly."

Three different women and their work were discussed by Tooter Harrison, Jeri Speegle and Sarabeth Heidenheimer. Charlsie Poe read the prayer calendar of the missionaries with birthdays that day and led the group in prayer.

The program was opened with pledges to the flags and Bible led by Sarabeth with Susan Conner at the piano and Jeri Speegle leading the singing.

Jo Olive Hancock, director, announced the women were about \$730 away from a goal of \$3500 for state missions.

A heart theme was used to install incoming officers following the program. The officers were W.M.U. Director, Jo Olive Hancock; Vice-Director, Sarabeth Heidenheimer; Secretary, Charlsie Poe; Mission Program, Beth Bradley; Mission Study, Susan Conner; Mission Action, Lillian Eubanks; Mission Support, Carolyn Slaughter; Assistant Mission Support, Darlene Sims; Chorister, Freida Robertson; and Pianist, Louise Waggoner.

Circle Chairmen are Dortha Lawrence and Hortell McCaughan. Youth workers are Mission Friends, Marci Webb and Sarabeth Heidenheimer; G.A.'s, 1, 2, 3, Karen McGallian; and G.A.'s 4, 5, 6, Marsha Shoemaker.

**The Pirates' Log**  
Craig Shepard, from England, is a seven year old boy who has a tumor in his brain and has a very short time to live. It is the young child's wish to be entered into the *Guinness Book of World Records* as the individual having received the largest number of Get Well cards. All our students wrote cards to Craig in order to help him fulfill his last wish.

Students are working hard on the "Book It" program. After they have read and reported on a designated number of books, they receive a certificate for a free pizza at Pizza Hut. Those students who have already earned their first certificate are, Trint Bearden and Erin Ewing.

P.E. students are participating in bean bag activities this week. These activities incorporate following directions, eye-hand coordination, language association, right/left discrimination and sequence of movements. It's also lots of fun.

Six weeks tests will be given during the week of October 8-12. Study hard and let's have a long honor roll list next week.

### Dorcus Class met

The Dorcus Class of the First Baptist Sunday School met in the home of Nadeen Smith Tuesday, October 2, for the regular monthly business meeting and social.

Roll Call was answered with a favorite Bible verse, business was discussed and the treasurer's report given. Beatrice Harris, a new member, was welcomed.

"By their fruits ye shall know them" was the theme of the installation of officers.

Officers installed were, Charlsie Poe, president; Lillian Roberson, vice-president; Lillian Eubanks, teacher; Nadeen Smith, assistant teacher; Ella Mae Sawyer, secretary; assistant secretary, Dorothy Long; treasurer, Verlene Anthis; Carolyn Slaughter, pianist; assistant pianist, Virginia Schwartz; choister, Freida Robertson; assistant, Verda Smith; benevolence, Dortha Lawrence and Verlene Anthis.

Group leaders are as follows: No. 1, Parrie Carwile; No. 2, Linda Morrison; No. 3, Eunice Polk; and No. 4, Alice Traylor.

The diversion was to name trees and shrubs of the Bible led by Verlene Anthis. The social hour followed.

### Sew and Sew Club held meeting

The Wingate Sew and Sew Club met at the Lions Building October 2, 1990. A quilt was finished for Oma Lee Overman and one also made for Annie Faye King.

The minutes were ready by Martha O'Dell and approved. Ethel Polk presided over the meeting.

Refreshments were served to: Pauline Huckaby, Annie Faye King, Martha O'Dell, Oma Lee Overman, Mildred Fatton, Ethel Polk, Lucille Pritchard, Lessie Robinson and Grace Smith.

Lucille Pritchard will be hostess for the next meeting on October 16.

## The Methodist's Message

This Sunday the sermon will be "Soldiers of Christ" with 2 Timothy 2:1-10. The anthem will be Whispering Hope.

Please remember our Lord's Acre on November 11 at the Community Center. Dinner will be served 11:30 to 1:30 and tickets are \$4.50 for adults and \$3.50 for children under 12. It will be Laity Sunday and the message will be brought by a lay member. It will also be Veteran's Day and we will honor all the Vets.

**Youth news:** The youth will be having an afterglow fellowship after UMYF this Sunday. It will be from 7 to 9 at Jim and Glenda Matthews' house for 6th grade through 12th grade. UMYF begins at 5pm at the church. Transportation from the church to the Matthews' will be provided.

On October 27-28 the 6th graders through the 12th graders will be involved in a spiritual life retreat at Lake Brownwood Baptist Encampment. For more information call Travis at 754-5213.

**Wee Care News:** We have completed our first month of preschool, and are off to a great start. The children are settling comfortably into the routine of

the day, and each seems to be excited and eager to learn.

For the month of October, our theme will be "Fall Is Here." We will focus on the fall season, the things that we do, and the changes we experience at this time of year. Our studies will include learning of God's plan for day and night, the cycle of seasons, and the special gifts each season brings.

Our colors for October are orange and brown, and our new shape is the square. This month the children will be learning the letters D,E, and F. This week we will be talking about fire safety, and the children will receive a visit from the fire truck.

We have started a Growth Tree. The children will be making and doing things to hang on the tree throughout the year. This helps the children to see ways they are growing and changing, and at the end of the year we will put all of the items into a book.

The children will learn Halloween songs and finger-plays this month, as we prepare for Halloween. We will carve a pumpkin later in the month, and make Pumpkin Cookies for our cooking project. A Halloween party is being planned for Monday, Oct. 29.

### Card of Thanks

Thanks to the Methodist and Baptist Churches for all they did for Harold while he was sick and when he passed away.

I don't know what my family and I would have done if it wasn't for people like you.

Lucille Paschal  
Dwayne Wood  
and family  
Brenda Barrigan  
and family

### Card of Thanks

My wife and family join me in saying Thank You to all our friends and loved ones who visited, sent cards, brought food and for all your prayers. For all that was done for us during my illness. May God bless you.

R. Q. Marks.

### St. John's Hosts Germanfest

Less than a week after the reunification of Germany, St. John's Lutheran Church celebrated its German heritage by providing to the Winters Community a German Sausage buffet, this past Sunday. More than 500 people were served at this biennial Germanfest celebration.

Germanfest began in 1982 when the congregation sought to share its rich ethnic heritage with the community in which it serves. The men of the congregation prepared the meat, the women baked and cooked, the children waited on guests, keeping tea glasses full and helping with carry-outs. It is an event in which each member of the congregation is given an opportunity to contribute and serve.

St. John's began as a German Lutheran congregation in 1904, with the first decades of its existence seeing the congregation worship in the German language. Many changes have occurred over the years as the church became acculturated into the American way of life. Today, St. John's membership is ethnically diverse.

### Card of Thanks

Thank you so much for the calls, cards, food and visits while Marion was in the hospital.

Thanks also to Brother Shoemaker and First Baptist Church for the prayers and prayergrams.

Sincerely,  
Marion and Doris Wood

The Rev. Steve Byrne, pastor of St. John's, illustrated, "They even have an Irishman for a pastor who can't even spell 'Vee Gates.'" It is important that we remember where we came from, even the Irish get to be German for one day, at least."

At the Germanfest, quilts were given away in a drawing by the Young Women's Circle and by the Ladies' Aid. Winners were Frances Holle and Nadine Bedford, respectively.

St. John's also announced that its youth committee is planning a youth retreat for Jr. High and High School age youth titled, "CHOICES." The event will be held November 23-25 at Christ the King Retreat Center in San Angelo. In addition, an invitation is issued to community members to attend an in-depth Bible Study, CROSSWAYS!, which the congregation is offering to adults. The study is led by the pastor and is offered twice a week. Sunday evenings from 6:30 to 8:00 or Wednesday afternoons from 2 to 4:30. Come and bring a Bible.

### Domino Party slated for Shep

There will be a Domino Party in the Shep Community Center Saturday, October 20, at 7 p.m.

Bring your dominos and snacks and come enjoy the fun and fellowship.

# What's an Energy Saving Plan Home?

It's a home that gives you extra comfort plus lower energy bills. So check out the features an ESP home can offer.

**Attic Ventilation**  
Proper ventilation controls summer heat build up and moisture accumulation in winter. This adds life to the building and its components.

**Insulation**  
Insulation in the ceiling and walls in the amount appropriate for this area and climate keeps ESP homes cooler in summer and warmer in winter.

**Air Distribution System**  
Correctly sized air ducts and proper placement of supply and return air are important considerations for an ESP home.

**Heating and Cooling Equipment**  
Equipment is properly sized to the structure for highest efficiency. WTU recommends the all-season electric heat pump that heats in the winter and cools in the summer for year-round savings. Call WTU for details.

**Air Infiltration Control**  
Air infiltration control helps stop uncomfortable drafts with weatherstripping, caulking, and insulation.

**Windows and Doors**  
Insulated or storm doors and windows greatly improve both efficiency and comfort by reducing heat gain and loss in both summer and winter.

**WEST TEXAS UTILITIES COMPANY**

## Crews News

By Hilda Kurtz

It's sad to realize that 20 years from now all of today's beautiful young women will be five years older.

\*\*\*\*\*

Our sympathy to the Pete Sudduth family due to the death of their son James, Jr. The Sudduth family at one time were our neighbors.

I received word during the week that Haeward Morrison has been a patient in the VA Medical Center in Kerrville since September 12. He has been having trouble with his toe, finally had to have it removed. He would like to hear from folks back home. His address is: VA Medical Center, Ward B-Room 569, Kerrville, Texas.

The Crews Community Center Garage Sale will start Saturday, October 13 from 8 a.m. till 5 p.m. in the home of Bobbie Calcote at 310 South Magnolia Street in Winters. In case of rain it will be re-scheduled for later.

WMU met Monday morning in the Hopewell Fellowship Hall, with six members present.

Corra Petrie had some cousins visiting her Sunday afternoon, Lonnie Norris of Coleman; Alma Ray Norris of Valera; and LaJuan Norris of Ft. Stockton.

A few I saw at the Germanfest Sunday in Winters from here were, Walter, Margie and Brenda Jacob, Chester McBeth, Sally Mae and Wilmer Gerhart. It was a real good day in ever respect. Nadine Bedford's name was drawn for the double ring quilt. Frances Holle won the log cabin quilt. Congratulations girls.

Mike and Ronald Hill, Sweetwater, spent the weekend with their mother, Claudia, and did odd jobs for her.

Pat Cooper's brother, J. R. Lacy, of Bloomfield, New Mexico, spent Friday night. Lanny Eacy, Granbury, also spent Friday.

Helen and Norval Alexander attended the Jenkins' reunion in the Lawn Community Center Saturday. Around 40 were in attendance. Folks came from Big Spring, Alice, Lawn, San Angelo, Abilene, Eldorado, Cen-

ter Point, Oklahoma, Novice, Midland, San Antonio and Crews.

Harvey Mae and Noble Faubion, Eileen, Jeremy and Tiffany Prater spent the weekend in Ft. Worth with Carol and Lynn Faubion. They also visited their great-grandson, Dillon, son of Wes and Claudette Carter. While there they attended church with the Lynn Faubions at the Harvest Baptist Church in Haltom City. Lavina and Jim Webb, Dallas, had supper Friday night with Harvey Mae and Noble. They came for the Ballinger School reunion on Saturday.

Adeline Grissom, Katherine and Luke Thomas spent the weekend in Abilene with Phyllis and Von Byrd. Saturday night they had a birthday fish fry party for Mrs. Eva Jolly in her home. The Jr. Guy family of Winters also came, so did Steve, Jan and Whitney Grissom of Ft. Worth.

Katherine and Luke Thomas of Dallas spent several days here with Adilene Grissom.

Walter and Herbert Jacob spent Wednesday and Thursday in San Antonio for Walter's checkup.

Netha Kirby and Selma Dietz attended the Ballinger School reunion Saturday.

After several weeks in the Shannon Hospital, San Angelo and recovering nicely at home, Doris and Marion wish to thank each and ever one for their prayers, phone calls, cards, visits and ect. A special thanks to L. C. Fuller for taking care of their chores and sowing grain.

The Wood's visitors over the weekend were Frances Mincey, Big Spring, Bobbie and Larry of Winters, Odie Mathews and Arville Mathews of Odessa.

Nila and Therin Osborne enjoyed supper and visited with Karen, Wesley, John and Stefanie McGallian. The McGallian family and Louise Osborne spent Sunday with Nila and Therin.

There probably won't be any Crews News next week, I'm going to have company from out of state.

## School Days, School Days

Susie Johnson  
School Counselor

Ms. Johnson is presently employed by WISD as the school counselor. She is responsible for counseling and testing kindergartners through seniors. She has been with the school system since 1987 and is originally from Veribest.

Susie has a bachelor of science degree in Math from West Texas State University. She also has a master of education, with post graduate study in counseling and guidance. Her previous experience includes 5 years of teaching math and 15 years of counseling K-12 in Winters, Rankin, Coahoma, and Azle Junior High.

Ms. Johnson is single and enjoys farming, motorcycle riding and vacationing in Hawaii. She feels that the future of the youth is very important and it is her privilege to work with the young people of Winters. She is committed to the Winters community and values the friendships that she has made here.

Cindy Cathey  
3rd Grade Teacher

Mrs. Cathey is originally Cindy Antilley from Wingate and has been with the Winters ISD since 1973. She is a graduate of McMurry College with a bachelor of science degree in education and a minor in history.

Cindy is a 3rd grade teacher and the UIL Oral Reading Coach. Her previous teaching experience includes one year in the Blackwell ISD.

She is married to Bill Cathey, who is Dean of Students at WISD. They have three girls, ages 15, 11, and 10. Cindy enjoys sewing and refinishing old furniture.

Mrs. Cathey finds teaching very rewarding and she thinks it's a fun experience to teach children of former students.

## 4-H Food Projects Workshop

L to R: Jaime Bahlman, Jennifer Prewit, Hollie Cathey, Leader-Linda Mitchell, Linsey Brown

## 7-2A Football Review

Following last week's defeat of Anson by Albany, just three teams are left with an undefeated record in District competition. Albany, Winters and Hawley, each with 2 wins and no losses stand atop the District. One of those is bound to fall from the undefeated ranks as Winters and Hawley meet this week on the Blizzards' home field.

DISTRICT	W			L			T		
	W	L	T	W	L	T	W	L	T
Albany	2	0	0	5	0	0			
Anson	1	1	0	4	1	0			
Hamlin	0	2	0	2	3	0			
Haskell	0	2	0	1	4	0			
Hawley	2	0	0	3	2	0			
Stamford	1	1	0	2	3	0			
Winters	2	0	0	3	2	0			
Jim Ned	0	2	0	0	5	0			

This week's Harris Rating System picks:  
Albany over Stamford by 10  
Anson over Hamlin by 5  
Haskell over Jim Ned by 7  
Winters over Hawley by 8

Last week's results:  
Albany 13, Anson 10  
Stamford 15, Hamlin 14  
Winters 34, Jim Ned 6  
Hawley 33, Haskell 22

## TAAS vs TEAMS

For the past five years the Texas Educational Assessment of Minimum Skills (TEAMS) has measured minimum basic skills in mathematics, reading, and writing for students in Grades 3, 5, 7, 9 and 11 (exit level). Beginning in October 1990 the TEAMS testing program will continue for those students who did not master the exit level in the 1989-90 school year, and a new testing program, the Texas Assessment of Academic Skills (TAAS), will be implemented. The TAAS program measures a broader range of essential elements than the TEAMS program. It also better addresses the academic goals of the 1990s, which stresses the importance of teaching students higher-order thinking skills.

As required by Section 101.1(c) of the Texas Administrative Code, the assessment instruments in mathematics, reading, and writing will be administered for Grades 3, 5, 7, 9 and 11 in all school districts in the state. TAAS for all levels the writing test will be administered on October 16, the reading test on October 17 and the mathematics test on October 18. Students who are eligible to take exit level TEAMS will be administered the English language arts test on October 17 and the mathematics test on October 18. NO MAKE-UP sessions will be allowed for any TAAS or TEAMS test.

Section 101.2 of the Texas Administrative Code sets forth the requirements for the TAAS and TEAMS testing programs at the exit level. It states that any individual must demonstrate mastery of each section of the exit level examination in order to receive a high school diploma.

The exit level TAAS test will be administered to all non-exempt students who are classified as eleventh graders for the first time for the 1990-91 school year. Non-exempt students who were classified as eleventh graders for the 1989-90 school year or before will take the TEAMS.

The tests will begin as soon as possible after the first tardy bell. Parents can help by assisting the student in getting plenty of rest and in getting to school on time. This is an important test and all efforts should be made to help the student do his best.

Students in grades 2, 4, 6, 8 and 10 will be taking the "Practice TAAS" test at the same time. WISD officials feel that this is important for all students.

## Last TASP Test date set

The last TASP Test date is set for November 17. Deadline to register is October 18. Registration booklets may be picked up at any college or your high school counselor's office.

## Cheerleaders give side of beef away

The Winters Breezes Cheerleaders would like to thank everyone that bought a ticket for the side of beef that was given away.

Congratulations to Nancy Randolph on winning the beef!

Remember there is one more session of cheerleading Saturday morning, October 13, 9:30-12 in the gym. Girls must participate in two sessions to get to cheer at a junior high pep rally.

**Poe's Corner**  
By Charlsie Poe

Enjoying the beautiful flowers on their trip were: Mary Jim Currie, Paint Rock, Nina Hale, Jo Olive Hancock, Omega Priddy, Charlotte Miller, Hortell McCaughan, Jerry Lloyd, Gladys Swofford, Clyde, Emily Pendergrass and Charlsie Poe

**Beyond Glorieta**

The annual trek of the First Baptist senior adults to Glorieta was made in September, a little earlier than usual this year. The aspens were not as golden nor the red leaf maple as crimson, except in spots, but an added bonus made up the difference.

The bonus was a side trip to Glorieta Forest—several thousand feet higher in the mountains—where the young people go skiing every year at Spring Break. It was amazing how much more brilliant the aspens were in the higher altitude.

Some were brave enough to take the ski lift to the mountain top while the remainder of us waited at the concession stand near the entrance. Omega Priddy, Hortell McCaughan, Nina Hale and Jo Olive Hancock said the view from the mountain top fully rewarded them for their bravery.

The Senior Adult Chautauqua began each morning at 6:45 with coffee served in New Mexico Hall lobby. Morning Watch was conducted by Calvin Metcalf, pastor, Central Baptist Church of Fountain City, Knoxville, Tennessee. At Morning Watch he dressed in Biblical costumes, made by his wife, and dramatized the lives of Judas, Peter and others. He also preached the night sermons.

Some lazy heads couldn't arise until just in time for breakfast at 7:30. The mountain air is a great appetite stimulator if one is needed. Frank Smith, pastor of the Hyde Park Baptist Church in Austin, conducted the Bible Study after breakfast and delighted us with his jokes. He said he had been a Texan for a long time and usually kept his temper, but once he was in New York and tried to call home, he and the operator could not understand each other. This went

on for several hours and he lost his temper. "In Texas, I could have called Hades quicker than I'm making this call."

"Yes," the operator shouted, "but from Texas it is a local call."

As far as is known, no one missed lunch at noon. With 642 people attending from 17 states and Bermuda it would be hard to tell. There was a special interest conference before and after lunch each day: Reaching Senior Adults, Caring for Families in the 90's, Crafts Workshop, Writing and Tours.

The last three years were difficult ones for our trek to Glorieta. The weather had been icy and many of the plants on the grounds were killed from the freeze. Our bus was declared unsafe for the trip and we rented one that was less than satisfactory. The last year was better, we had a new bus that was a beauty, but I had surgery and couldn't go. Perhaps that is the reason this trip seemed perfect.

The warmth of the sun had brought out the rich purple of the kale, or decorative cabbage, the dahlias and marigolds bordered by candytuft added a bright array of gold, rose and pink to the grounds bordered by greenery.

David Speegle, our bus driver and mentor, was asked to sing a solo and this pleased us greatly. Also three members of our choir sang in the Glorieta choir. They were Charlotte Miller, Emily Pendergrass and Jerry Lloyd.

These girls as well as Mary Jim Currie from Paint Rock and my sister, Gladys Swofford, from Clyde, were interested in the history. David and I told them all we could remember, but I came home and looked up my notes. The history of Glorieta is unusual and we'll tell about it next week.

**Winters City Police Report for September**

Acting Police Chief Patrick Coggins reported that a total of 18 persons were taken into custody during the month of September by Winters police officers.

Leading the list of offenses committed was Driving While Intoxicated with 9, followed closely by Disturbances with 8 cases. In third place with 4 cases each was Family Violence, and Accidents. There were three cases each of Public Intoxica-

tion and Driving While License Suspended, followed by 2 each of Criminal Mischief, Criminal Trespassing, Fleeing from a Peace Officer, Theft and Disorderly Conduct. One case each of Burglary of a Motor Vehicle, Harassment and Felony Retaliating were investigated.

Winters police officers also responded to two alarms, assisted citizens on two occasions and also assisted four stranded motorists.

Hatchel 1912

**Hatchel Community Homecoming**

by Neuman Smith

The Hatchel Community Homecoming will be conducted from 2 to 5 p.m. Saturday, October 13, at St. Mary's Hall on Crosson Avenue, Ballinger.

A catered meal will be served at 5 p.m.

All residents, former residents are urged to attend. Visitors will be welcomed.

The first store and post office was built in 1904. Elijah Hatchel, an early-day landowner, saw a need for a store and post office. The business served the community until 1909.

The Abilene and Southern Railroad was built at that time, from Abilene to Ballinger by way of the Hatchel community.

A town lot sale was held near the railroad two miles southwest of the Hatchel store, and a thriving little city sprang up very quickly.

In a short time the little city

had everything except a bank. There were several grocery stores, a drug store, doctor's office, barber shop, blacksmith's shop, lumber yard, and cotton gin. Also, three churches, a school, and dwellings.

A great asset was the depot and stock pens.

The Parramore ranch north-east of Hatchel employed several cowboys. Also there were numerous smaller ranches including the Vancil, Allen, Wood, Milligan, and Gillum holdings, as well as many stock farms.

The livestock had to be driven to the stock pens. This required several cowboys. It was the highlight of the year. It was quite a chore to get the cattle into the pens and load them on the cattle cars to be shipped to market.

Hatchel served the community until good roads and fast transportation put it out of business.

**VETERINARY UPDATE**

by Jimmy Smith, DVM

**Small Animal Vaccinations**

We are continuing with our discussion of vaccination programs for dogs & cats.

A very serious problem and a big misunderstanding that most people have is concerning rabies vaccinations. Rabies vaccinations are to be given at three months of age and again at one year of age and yearly thereafter. These recommendations are given to us by the World Health Organization. It is through their recommendations that we encourage you to have your pet vaccinated at these specified times.

A lot of times people tell me they were under the impression that rabies vaccine should not be given until the dog is six months or a year old. This is entirely false. We do recommend, however, that your puppy or kitten be re-vaccinated at one year of age. At this time it is simply a yearly vaccination booster.

I will say that our vaccine for rabies is a vaccine that gives protection longer than a year. However, we are in an endemic area for rabies. We are seeded down twice a year by the bats as they migrate from and back to Mexico. So it's important, I think, that you keep your pets vaccinated for rabies.

We also have a rabies vaccine that is approved for horses and other large animals so we have some protection to offer you in that area.

There is no vaccine that is approved for wildlife. I'm talking about raccoons, foxes and skunks. There are a lot of people who attempt to make pets of these

animals. I would encourage you not to do this because we cannot assure you that we can give you any protection for rabies.

In kittens, we follow basically the same procedure with beginning immunization at weaning. However, it's not so imperative that you have a combination of a multiple series of shots. We recommend an initial immunization at weaning and another at three months of age for distemper and upper respiratory diseases and also a rabies vaccination at that time.

Leukemia vaccinations can be administered to healthy cats and kittens at nine weeks of age and older, with a booster to be given in 3-4 weeks. A yearly vaccination booster is also recommended.

There is one disease that we have no vaccination for. It is Feline Immunodeficiency Virus, or FIV, a disease that is devastating and we are seeing more and more of it.

As you know from a previous column, there is now a vaccine out for Lyme disease. We feel like this is a disease that we will be seeing more and more of all the time because we have a tick problem here in this area.

So we're going to be on the lookout for that disease also and incorporating a vaccine for Lyme disease into our program.

This just about wraps it up as far as the schedule for vaccinations. If you have any questions about this, I will be happy to talk to you about it in the office or feel free to contact *The Winters Enterprise*, and we'll be glad to print a reply.

**Pharmacy & Your Health**

by James L. Cross, Pharmacist

Main Drug Co.  
754-5557

**How Safe are Oral Contraceptives?**

According to a recent report in the medical journal, *American Family Physician*, more than 13 million American women now take oral contraceptives - more commonly known as "birth control pills." Despite the widespread use of these products, women should be and are concerned about potential short-term and long-term adverse effects. A study conducted in 1985 indicated that three-fourths of women interviewed thought that the use of oral contraceptives could lead to stroke, cancer, and heart attacks. Were these women correct in their beliefs?

The safety of oral contraceptives is reviewed in a recent article in the *American Journal of Obstetrics and Gynecology*. According to this article, research has shown that the use of oral contraceptives actually *decreases* the risk of uterine and ovarian cancer.

New studies of healthy women taking contraceptives containing low-dose estrogen (35 micrograms or less) have failed to show an increased risk for stroke or heart disease. Results of other studies suggest that oral contraceptives can provide several health benefits. For example, they may reduce the risk of iron deficiency anemia, follicular cysts, dysmenorrhea, and PMS (premenstrual syndrome).

**Health Hint:**

When it comes to vitamins and getting the optimum benefit, timing is everything. The fat-soluble vitamins (A,D,&E) and multivitamins ought to be taken along with the largest meal of the day, because that's when more fat is in the stomach to aid absorption.

The water-soluble vitamins (C & the B's) should be taken either during a meal or within a half hour before or after. Vitamin C is absorbed better if you take it in a few smaller doses during the day rather than one big dose.

Lonesome Dove is on the way! Coming Oct. 20!

# Obituaries

## Mary Brown

Mary Irene Brown, 72, of Elm Mott, Texas, died Tuesday, October 2, 1990, in Hillcrest Hospital, Waco.

Born October 31, 1916 in Flat, Texas, she married James Irvin Brown.

Mrs. Brown was a LVN and a member of First Presbyterian Church of Talpa.

Survivors include one daughter, Deanna J. Winburn of Mansfield; two sons, Jimmie Brown of Abilene and Mickey Brown of Winnie; a sister, Fern Wilson of Waco; six grandchildren; and two great-grandchildren.

Graveside services for Mary Irene Brown were held Friday, October 5, in Talpa Cemetery with the Rev. Winford Gore officiating. Arrangements were made by Rains-Seale Funeral Home.

## Willie Sudduth, Jr.

Willie James Sudduth, Jr., 36, of Big Spring, died Wednesday morning, October 3, 1990, in Midland Memorial Hospital.

Born August 15, 1954 in Ballinger, he attended school in Winters. He moved to Big Spring in 1986 and was employed at Wal-Mart.

He was a member of Southside Baptist Church in Winters.

Survivors include his father and step-mother, Pete and Edna Mae Sudduth of Winters; one sister, Becky Drake of Winters; two step-sisters, Joyce Choate of Abilene and Patsy Pate of Merkel; and two nieces.

Services for Willie James Sudduth, Jr. were held at 2 p.m. Thursday, October 4, in Winters Funeral Home Chapel with the Rev. Gayland Broadstreet officiating. Burial was in Lakeview Cemetery under the direction of Winters Funeral Home.

Pallbearers were: Terry Hancock, Sammy Hancock, Johnny Wilson, J. B. Guy, Jr., Cecil Sudduth and Randall Sudduth.

## Bessie Gates

Bessie Mae Gates, 82, of Paint Rock, died at 2:10 a.m. Sunday, September 30, 1990, in River Oaks Nursing Home, San Angelo.

Born September 5, 1908 in Concho County, she married Hubert Alfred Gates September 14, 1929 in Eden. Her husband preceded her in death October 11, 1979. She was also preceded in death by a daughter, Joyce Marie Gates in 1955.

Mrs. Gates was a homemaker and a member of First Baptist Church, Paint Rock.

Survivors include two sons, H. W. (Hoss) Gates of Midlothian and John Charles Gates of San Angelo; three grandchildren; and two great-grandchildren.

Services for Bessie Mae Gates were held at 10:30 a.m. Tuesday, October 2, in Rains-Seale Funeral Home Chapel with the Rev. Billie J. Swindler, pastor of Paint Rock Baptist Church, officiating. Burial was in Paint Rock Cemetery under the direction of Rains-Seale Funeral Home.

## Robert Diehl

Robert Eugene (Bob) Diehl, age 71, of Brady, died Saturday, October 6, 1990.

He was born in Valley Springs to John Diehl and Dora Price Diehl, on September 16, 1919. Shirley Bailey and Robert E. Diehl were united in marriage October 29, 1956 in Fredericksburg.

He served in the U.S. Army during World War II and was a member of First Baptist Church, Brady.

Survivors include his wife, Shirley Diehl; one son, Robert Diehl; six daughters, Judy Palmer of Winters, Gywen Wilson of Midlothian, Nancy Diehl, Jannette Caudle, Regenia Freasier, and Nickie Diehl; one brother, Dick Diehl; 11 grandchildren; and one great-grandchild.

Services for Robert E. (Bob) Diehl were held at 2 p.m. Monday, October 8, with Reverend Mike McKinney of First Baptist Church and Reverend Mills Caraway, Bronte Baptist Church, officiating. Burial was in Voca Cemetery.

## Carlos McGuire

Carlos B. McGuire, 80, of Comanche, died Monday, October 8, 1990, at a De Leon hospital.

Mr. McGuire was a lifelong resident of Comanche County. He was a farmer and a member of Gartman View Free Will Baptist Church.

Survivors include his wife, Nona McGuire of Comanche; a son, Dixon McGuire of Comanche; two sisters, Edith Nichols of Austin and Freida Robertson of Winters; three grandchildren; and four great-grandchildren.

Services for Carlos B. McGuire were held at 2 p.m. Tuesday, October 9, at Gartman View Free Will Baptist Church with the Rev. D. H. Rudd officiating. Burial was in Oakwood Cemetery under the direction of Comanche Funeral Home.

## Opal Brown

Opal M. Brown, 74, died Thursday, October 4, 1990, at a Brownwood hospital.

Mrs. Brown was born in Crews and had lived in Brownwood for the past eight years, was a homemaker and a member of First Baptist Church.

Survivors include her husband, Richard "Doc" Brown of Brownwood; a sister, Dorothy Hagin of Redwood City, California; four brothers, Doyle Lee of Abilene, Edman "Peck" Lee of Merkel, and Raymond Lee and Troy Lee, both of Fort Worth; and several nieces and nephews.

Services for Opal M. Brown were held at 1:30 p.m. Saturday, October 6, at Davis-Morris Funeral Home Chapel, Brownwood with Dr. Don Williford officiating. Burial was in Santa Anna Cemetery.

# SAMPLE BALLOT (BOLETA DE MUESTRA)

## GENERAL ELECTION (ELECCION GENERAL)

(Condado de) RUNNELS COUNTY, TEXAS

No.

NOVEMBER 6, 1990 (6 de noviembre de 1990)

## OFFICIAL BALLOT (BOLETA OFICIAL)

INSTRUCTION NOTE: Vote for the candidate of your choice in each race by placing an "X" in the square beside the candidate's name. You may cast a straight-party vote (that is, cast a vote for all the nominees of one party) by placing an "X" in the square beside the name of the party of your choice. If you cast a straight-party vote for all nominees of one party and also cast a vote for an opponent of one of that party's nominees, your vote for the opponent will be counted as well as your vote for all the other nominees of the party for which the straight-party vote was cast.

### Homecoming October 19

#### Band Notes

by Stephen Henry, Director

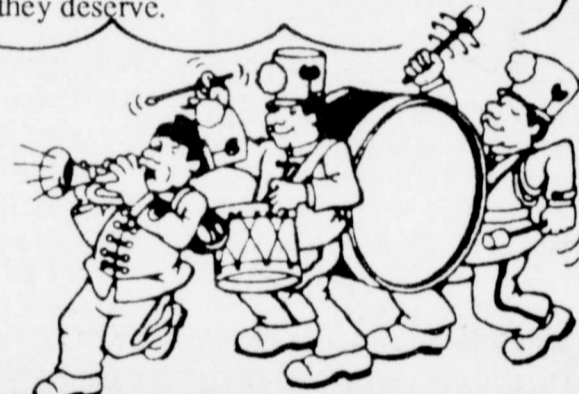

This week I would like to talk about the future of the Band. You see, the future of the program does not rest entirely on the director, rather the burden is shared by the students, parents, and teachers.

Our musical future is in the hands of the 5th, 6th, and Junior High bands. According to the numbers enrolled, our future looks very bright.

We should all encourage the younger kids. Let them know how important they are to us. We need to make them feel that they are a significant and direct boost to the whole program.

This past week's spirit award went to the flag corps. Their extra hard work and dedication earned this honor.

Marching contest is on Saturday morning October 20. Please come and encourage the Blizzards to a victory that they deserve.

## These sponsors are proudly backing the Blizzards!

## Twain Talk

by Twyla Twain

### Saturday Scarecrows

Do you frighten easily? If so, maybe you'd better skip this week's topic cause it can sure scare the wits out of some folks. And if they're only half-wits to start with, then we've got problems.

Anyway, you've probably been a victim of exposure by these unique creatures. At least you have if you've ventured out on any Saturday, between the hours of 9 a.m. and 4 p.m. These beings can be found almost anywhere and never fail to make people stop in their tracks.

It might happen something like this. You are minding your own business. So glad it's the weekend. You might even be smiling and whistling (I doubt it, though, because it's tricky to do at the same time). You go to the supermarket, which is probably the most popular haunt for these individuals. You whip past the gold mine of lettuce and on to the canned goods. Just about the time you're trying to decide whether to get whole or sliced water chestnuts, it happens. You can't avoid it. You come face to face with ... a SATURDAY WOMAN!

Now you might not recognize her immediately. She could be your child's talented teacher, the pretty lady at the bank, the prim-and-proper woman in the church choir, or even your neighbor. It's just too difficult to identify her at first glance.

After all, she's wearing Ray Charles sunglasses indoors, has skin the color of paste with special chenille bedspread dots on her face, and hair that was fixed with a weed-eater.

She's wearing a T-shirt or sweatshirt (definitely a one-size-fits-all kind) that sports several colors of paint, grease stains, and

possibly a hint of flour or bathroom cleanser (I never could keep them straight).

She might be wearing shorts (age and fabric unknown), and you can't believe those are real legs because they've obviously been well-hidden from any sunlight for years.

The Black-and-Decker hairdo is contained by just about any contraption - old newspaper rubber bands, twist-ties off of bread wrappers, or even possibly pantyhose with one-too-many runners. And the hair color seems just a shade or two darker than usual.

Her skin tone almost prompts you to ask how serious her illness was, but you reconsider. Smart move.

I know, because I happen to be one of these Saturday Women. Not by choice, mind you. It just happens.

Maybe because for the past six days we ladies have showered, shaved, shampooed, moussed, gelled, blow-dried, curled, clipped, filed, polished, masked, plucked, flossed, brushed, highlighted, contoured, powdered, blushed, mascara-ed, eye shadowed, eye lined, lash curled, perfumed, and possibly even dieted.

Saturday is our day of liberation. The time when we can throw caution, curlers, and makeup to the wind.

We need this special time. Like the posts on a car battery. All the corrosion has to come off occasionally. Bare exposure is necessary before enough energy can be received to go forward.

So don't let our looks deceive you - we're only charging up for the next six beautiful days!

--And Ne'er the Twain Shall Meet--

## 45th Girl Scout National Council/Convention

The Girls Scouts of the U.S.A. will hold its 45th National Council/Convention in Miami Beach, Florida October 20-23, 1990. The Heart of Texas Girl Scout Council will be represented by two delegates and five visitors. The delegates are Council President Janice Smith, Weatherford and Council Executive Director Muriel Beamish, Brownwood. The visitors are Kathryn Simmons, Cadette Girl Scout-troop 152, Ellen Smith, Cadette Girl Scout-troop 152, Amanda Walters, Cadette Girl Scout-troop 156, Helen Taaffe, board member and Jenny Walters, volunteer, all of Weatherford.

The meeting starts with the opening ceremony at 10:30 a.m. Saturday, October 20. The keynote speaker will be Maya Angelou, an internationally recognized author and lecturer. There will be morning, afternoon and evening sessions of the meeting each day with the closing scheduled for noon on Tuesday, October 23. The three Cadette Girl Scout visitors will attend a special

luncheon on October 20, for girls only and all delegates and visitors will attend a special event on Monday evening, October 22, called "Celebrating Our Future."

The purpose of the meeting is the setting of direction for Girl Scouting nationally for the next three years. There are 15 proposals, election of national officers, other members of the national board of directors, national nominating committee and amendments to the national Girl Scouts of the U.S.A. constitution to be discussed and decided on at these meetings. New adult uniforms, both a "classic" and an "active wear", will be introduced at this meeting.

It is anticipated there will be 1,800 delegates representing 333 Girl Scout councils, troops on foreign soil and national board of directors members. 6,000 visitors from councils and international guests are also expected to attend. This meeting is held every third year and the location is moved to a different section of the country each time.

## October-Energy Awareness Month

Your car runs on it. Your house cools with it. Your lights glow with it. In sum, your life depends on it. Energy—important to our lives, but often taken for granted.

Rarely do we think about our energy sources or where they come from. During October, Texans are encouraged to learn more about energy during National Energy Awareness Month. This year's theme is "Energy: Plan It for the Planet," emphasizing the need for global, as well as national, awareness.

This year energy awareness is especially important. Events on the other side of the world are directly affecting each of us. Iraq's invasion of Kuwait and the ensuing crisis have caused our gasoline prices to rise dramatically over the past few months. Again, we are reminded of the extent of our energy dependence on other countries. Energy Awareness Month is designed to help Americans remember the importance of using energy wisely and efficiently.

Each year, government organizations sponsor events to observe Energy Awareness Month. In addition, businesses, schools, private organizations, and civic groups statewide are encouraged to promote energy awareness and education to their groups or associates through contests, recycling programs, lectures or similar activities.

You also can make a difference. First, learn about energy efficiency and renewable energy sources. Second, put this knowledge to use by initiating energy conservation measures in your home, car, recreational vehicle, school, or work place. Practicing energy conservation measures also will save you money.

For more information about sponsoring an event or ways to save energy, contact the Texas Energy Extension Service on the

toll-free Energy Hotline 1-800-643-SAVE. Publications, speakers, audio/visuals, and Energy Awareness Month posters are available from the Texas EES also. The Texas EES is a program of the Governor's Energy Management Center.

Make Energy Awareness Month the start of a more energy-efficient decade—for yourself and for the planet.

## Meeting last week in Chamber office

A group of Chamber of Commerce Managers met in Winters, October 3 at the Winters Area Chamber of Commerce.

Attending were Bobbie Shelton of Ballinger; Susan Arrott, Bronte; and Bonnie Lee of Winters; Guest was Nikki Harle of KRBC-TV in Abilene.

Nikki recently attended a conference in El Paso on Tourism and its promotion in West Texas. She brought this information back to this area and is helping work through local Chambers to join together in promoting this area.

If Coleman, Ballinger, Bronte, Robert Lee and Winters join in a campaign to promote this area, there is a much better chance for succeeding than if each one tries to promote their town alone.

The towns represented were excited about the possibility of getting this area recognized. More will be forthcoming, the group meets every month in cluster meetings to work out the details.

7th grade Breezes offense huddle for the next plan of action under the leadership of quarterback, John Paul Belew #12. The 7th grade team is undefeated with three wins, and will travel to Hawley on Thursday.

Defense! Defense! Zane Guy #50, Michael Hernandez #8, and Robert Silva #24 chase down a Jim Ned Indian during last Thursday's game. The 8th grade Breezes lost 6-0, and will play the Hawley Bearcats this week.

The Blizzard JV defensive line readies for action against the Jim Ned Indians. Winters lost 20-7, and will meet the Bearcats of Hawley on Thursday.

Special Pow Wow - members of the Blizzard varsity football team met briefly Thursday evening in preparation for Friday night's game. The Blizzards rumbled over the Indians 34-6 at Jim Ned stadium.

### Breezes win battle over Jim Ned

The 7th grade Breezes had another hard fought ball game Thursday and finally came out on top with a score of 14-6.

In the scoring category, Jerry Esquivel ran 40 yards for the first touchdown and Joe Reyna added the final score on a 10 yard run. Esquivel added the two point conversion. "We had little trouble moving the ball due to good blocking up front and hard running from our backs," stated Coach Lipsey.

In the second half the defense spent most of the time on the field. The Breezes had one long drive but fumbled on their 20. The rest of the half the defense got a work out. The defense, led by Kevin Connor, stopped the Jim Ned offense when it counted.

The 7th graders are 3-0 and are looking forward to another victory Thursday against the Hawley Bearcats.

### 8th Breezes lose 6-0

The Winters 8th Breezes lost a close 6-0 decision to Jim Ned. The game was a tremendous defensive battle by both teams. The Breezes had two opportunities to score in the first half but failed to take advantage of them.

The Breezes played well on defense, but the offense is still inconsistent. "We just need to develop some continuity on offense," stated Coach Henley.

The Breezes play Hawley there, October 12.

### Jim Ned scalps Winters J.V.

Jim Ned defeated the Winters J.V. last week 20-7. The Indians scored quickly on their first play from scrimmage after a Winters fumble. Both offenses struggled throughout the rest of the first half. Jim Ned scored again on the last play of the first half when they returned an interception for 20 yards and a touchdown. The score at halftime was 12-0 in favor of Jim Ned.

In the third quarter the Blizzards began to move the ball. Fine runs were made in this drive by Jeffery Waller, Ron Jones, Billy Wayne Thomas and Lee Reyes. The Winters offensive line also did a fine job on this drive, they are Billy Clough, Gabriel J. Ortiz, Ben Barker, Wes Hart, Scott Thorpe and Ahmad Griffin.

The Blizzards scored early in the 4th quarter on a 10 yard run by Bruce Reyes. Ahmad Griffin made the extra point which made the score 12-7 in favor of Jim Ned.

The Indians came back to score again in the 4th quarter to make the final score 20-7 in favor of Jim Ned. Gabriel L. Ortiz played a fine defensive game for the Blizzards.

The next action for the Winters J. V. will be Thursday in Hawley.

### WEAR BLUE ON FRIDAYS!

### Senior Citizens Nursing Home News

By Billie Ruth Bishop

Mrs. Theresa McKalleb brought an interesting devotional Wednesday. We enjoy her visits each time.

We had a new volunteer this week to help our residents play bingo. He is Walter Durham. Thanks for your help. We would welcome anyone who would like to share their time or talent with us. Give me a call and we'll find a place for you. Jewell Denny came Monday morning and played the piano for us in the absence of Betty Pinkerton. We appreciate her taking the time out to help us out.

We had some pretty flowers on the nurse's desk, thanks to George and Cleo Brown.

Among our visitors last week were J. S. Brown and Melvin Mapes. It was good to see them again.

### Sheriff's Report

Ermon Wayne Fenwick of Winters was stopped on suspicion of DWI by Sheriff Bill Baird and Officer Allen Cole. He was in the 800 block of Hutchings Ave., Ballinger, on Saturday, October 6, at 11:20 pm when the arrest occurred.

He is charged with driving while intoxicated and assault of a peace officer with a bond of \$5,000, and unauthorized use of a motor vehicle with a bond of \$20,000. He is presently being held in the Runnels County Jail.

Don and Virginia Thomas "The Don Thomas Singers"

### Guest singers to appear at Assembly of God

The Don Thomas Singers from Tulsa, Oklahoma will appear at Winters Assembly of God, 304 Wood Street this Saturday, October 13, at 7 p.m. The Don Thomas Singers are Don Thomas and his wife, Virginia.

The Thomas' have recorded 19 albums and make numerous appearances each year in churches, auditoriums and on television and radio broadcasts

across the country. Don Thomas formerly was associated with such country music stars as Buck Owens, Johnny Cash, Tex Ritter, but for the past nineteen years has dedicated his efforts to a full-time singing ministry.

The public is invited to enjoy the warm humor and country gospel style of the Don Thomas Singers on Saturday night.

Quarterback Craig Slaughter crosses the goal for a touchdown in the Jim Ned game last Friday night.

### Jerre Heathcott leaving Enterprise

Jerre Heathcott of Hord's Creek is leaving the staff of The Enterprise as of Wednesday, October 10. The staff of The Enterprise held a party in her honor on Tuesday, wishing her the best of luck in her future endeavors.

Jerre became a part of the 'new' Winters Enterprise in January of 1990. She had been employed by the former Winters Enterprise for several years prior to that.

Susan Ripple will be a new employee to replace Jerre.

### North Runnels Hospital Regular Board Meeting

The acceptance of Dr. Richard Y. Thorpe III's resignation brought about a great deal of discussion from the Board of North Runnels Hospital. Most of the discussion centered on what could be done to obtain another physician for Winters.

"Winters and the hospital need another doctor," stated hospital Administrator Bob Prewit. The group agreed it would be no easy task.

In other business, the Board heard from controller Sandy Moore that the hospital was in its slow period of business but the financial status was still very good.

The Board accepted the Quarterly Report of the Quality Assurance Plan and heard a status report on the Texas Department of Health October survey of the hospital. Administrator Prewit reported that the overall report was excellent.

The pharmacy consultant contract was tabled until the next meeting of the Board.

Dr. Fusselman from Abilene was appointed as an associate to the medical staff. He is a radiologist and reads x-rays for North Runnels Hospital. Following that action the meeting was adjourned.

Healthnotes

### Walk Your Way To Health

Aerobic exercise is one of the best ways to improve your health. And brisk walking is an excellent form of aerobic exercise.

Walk at least three times a week. If you can walk more often, that's even better. Check with your doctor before you begin a walking program and then start out slowly.

- Start with 5 minutes at a slow pace to warm up.
- Next, give yourself a brief workout with 5 minutes of brisk walking.
- Finish with 5 minutes at a slowed pace to cool down.
- Add 2 minutes to the brisk part of your walk every week.

You will be surprised at how quickly your walking program becomes a regular part of your day—and at how much you look forward to it.

So put on those walking shoes and get ready to feel and look better.

**Stock cows:** Pregnancy tested, large frame No. 1, \$600-750; medium frame and aged, \$550-655.

### Albany to hold OctoberWest

The Albany Chamber of Commerce has announced that their 4th annual OctoberWest has been set for Saturday, October 13, 1990, in downtown Albany. The gala event will begin at 9:30 a.m.

The downtown merchants are making this their "sale of the year" with bargains galore for the Christmas shoppers and bargain hunters. Various door prizes will be awarded by participating merchants.

Booths on the sidewalks and in the park will be selling crafts, antiques, arts, decorations and jewelry as well as various items of food.

A full day of entertainment will be high-lighted. Starting at 7:30 a.m. and at 9:30 a.m. A country breakfast will be cooked in the FNB Park. There will be a live Country Western Band, a tricycle parade for all ages with prizes for the fanciest and most unique, a gymnastics show by the Albany Aerials, a Jack-O-Lantern contest for already decorated pumpkins and hay rides by Hawk Bales.

For more information about the OctoberWest, contact the Albany Chamber of Commerce at 915/762-2525.

### Local students given opportunity to study abroad

"Qualified high school students are offered a unique opportunity to spend an academic year or summer holiday in Scandinavia, Germany, France, Italy, Switzerland, Britain, Holland, Spain, Mexico, New Zealand or Canada (French or English speaking) as part of the ASSE International Student Exchange Program," announced Andrea Culbert, Southern Director of ASSE.

"Until a few years ago, only a fortunate few could afford to spend a school year or summer abroad. Now, ASSE has changed all that," continued Culbert.

Students, 15 to 18 years old, qualify on the basis of academic performance, character references and a genuine desire to experience life abroad with a volunteer host family from Europe, Canada, Mexico, New Zealand or Australia.

"ASSE families abroad are carefully screened to provide a caring environment in which students can learn the language and culture of their host country," explained Culbert. Summer exchange students live with a family abroad who usually speaks some English. Year students need not have learned a foreign language as they receive language and cultural instruction as part of the ASSE program. ASSE students attend regular high school classes along with their new teenage friends. "ASSE exchange students learn by living the language and culture of their new host country," added Culbert.

The nonprofit, public benefit ASSE International Student Exchange Program is affiliated with the national Swedish and Finnish Departments of Education, and is approved by the Australian and New Zealand Departments of Education.

ASSE also provides international opportunities for families to host students from Scandinavia, Germany, France, Switzerland, Britain, Italy, Holland, Mexico, Spain, Japan, Canada, Australia and New Zealand. These select students are 15 to 18 years old and will attend the local school for an academic year. Students or families interested in more information about the ASSE program should contact (915) 658-8155 or 800-333-3802.
