

# Daniel heading drive for Texas Boys Ranch

Robert Daniel of Dimmitt is heading a county-wide fund drive to establish a Texas Boys Ranch near Matador.

color or creed who are considered by the courts to need a new environment. Daniel reported that the citizens of Lubbock became concerned in December of 1972 when they observed the large

number of delinquent boys going through the courts. Many of these boys were homeless and neglected.

"Approximately 752 boys in Lubbock alone went through the juvenile courts as a result of bad environments during 1972," said Daniel. "The idea of Texas Boys Ranch is to give boys who come from a bad environment a place to go. These boys can be taken care of now, rather than waiting to take care of them in prison when they grow up," he added.

Daniel pointed out that many of the boys do not need the restrictions of a penal institution, but need a place where they will have firm supervision and controls, tempered with affection and guidance. According to Daniel, the problem of innocent boys being sent to reformatories, simply because there isn't any place else to send them, grows in magnitude each year.

"IT WILL cost approximately \$3000 per year per boy to keep them in the new Boys Ranch program, compared to a cost of \$5000 per year or more for the state to keep a prisoner," said Daniel. "In a financial sense it's a matter of society protecting itself, but the main concern is to help these boys," he added.

Under the proposed Texas Boys Ranch system, five separate facilities would be set up in different cities. These facilities would eventually house 500 boys by 1985.

The original plan calls for ten boys, with expansion up to 100 boys within five years. Boys between the ages of eight and 14 will be accepted by the ranch.

According to Daniel, the basic concept of Texas Boys Ranch is to house the boys in cottages which will house 10-12 boys and a couple that will serve as Cottage Parents.

"THE STATE Welfare Dept., as a result of investigations of child care institutions downstate, is going to make all such facilities, public and private, meet state standards," said Daniel. "The Welfare Dept. says we have to raise \$100,000 before we can open our doors, and 80 percent of all donations must be refundable to the donor in case we fail to meet our goal," he added.

The ranch will also accept material gifts such as crops, livestock, clothing, equipment and food. Daniel reported that the ranch is currently seeking property on which to locate its facilities.

"The land has to be donated because we can't pay for it out of our capital funds," said Daniel.

Residents of Motley County are considering buying a site near Matador for the proposed ranch, which would be the first in the Texas Boys Ranch system.

"BOYS WOULD attend public school in the school district where the ranch is located, and remedial classes would be established and held at the ranch.

"Individuals may donate \$1 or more to the ranch by bank drafts, or they may simply make a regular contribution," said Daniel. "All those who donate \$100 or more will receive Texas-shaped plaques," he added.

Individuals who wish to make contributions may contact Daniel, or they may mail their contributions to Texas Boys Ranch Inc., P. O. Box 6575 Lubbock, Texas 79413.

**ROBERT DANIEL**, Castro County fund drive chairman for Texas Boys Ranch Inc. displays one of the Texas-shaped plaques which will be given to individuals who donate \$100 or more to the new ranch. An inscription on the plaque reads "Texas Boys Ranch Century Rancher." The first Texas Boys Ranch will probably be located near Matador according to Daniel.

## ACT Assessment dates are listed

Students at Dimmitt High School who plan to attend college or some type of school following graduation will have five opportunities to take the ACT Assessment during the 1973-74 year according to Kenneth Ringo, counselor.

THE FIRST of five dates on which the ACT Assessment will be offered is Saturday, Oct. 20.

Students planning to take the test on that date must have registered by no later than Oct. 1 according to Ringo.

Although the ACT Assessment Program has been expanded this year to provide students with additional information, the student fee remains \$6.50.

Also as in the past, it will take students about 3½ hours to complete the examination and questionnaire that makes up the ACT Assessment. Resulting information reports are of valuable use to students and counselors in planning for post-secondary education.

RINGO ALSO announced the schedule for 1973-74. The national test dates with registration periods in parenthesis are:

Oct. 20 (Aug. 20-Oct. 1); Dec. 8 (Sept. 24-Nov. 12); Feb. 23 (Nov. 5-Jan. 28); April 27 (Jan. 21-April 1); and June 15 (March 25-May 20).

## Art club slates meeting tonight

The Nazareth Art Club will meet tonight (Thursday) at 8 in the basement of Holy Family Church.

FERN HOLT of Silverton will present the program on "Color Value." Anyone interested in art is invited to attend.

## Nazareth PTA slates meeting

The Nazareth PTA has scheduled a special meeting for Oct. 15 at the Nazareth school cafeteria.

THE MEETING will give members an opportunity to vote on a resolution adopted by the PTA at the last meeting, stating the intention of dissolving the PTA.

The organization will then be renamed and will become an independent organization.

Meeting time is set for 8:30 p.m.

## Lions to sell brooms two days

Dimmitt's Lions will conduct their annual "broom sale" Friday and Saturday, to sell blind-made products to local residents and businesses.

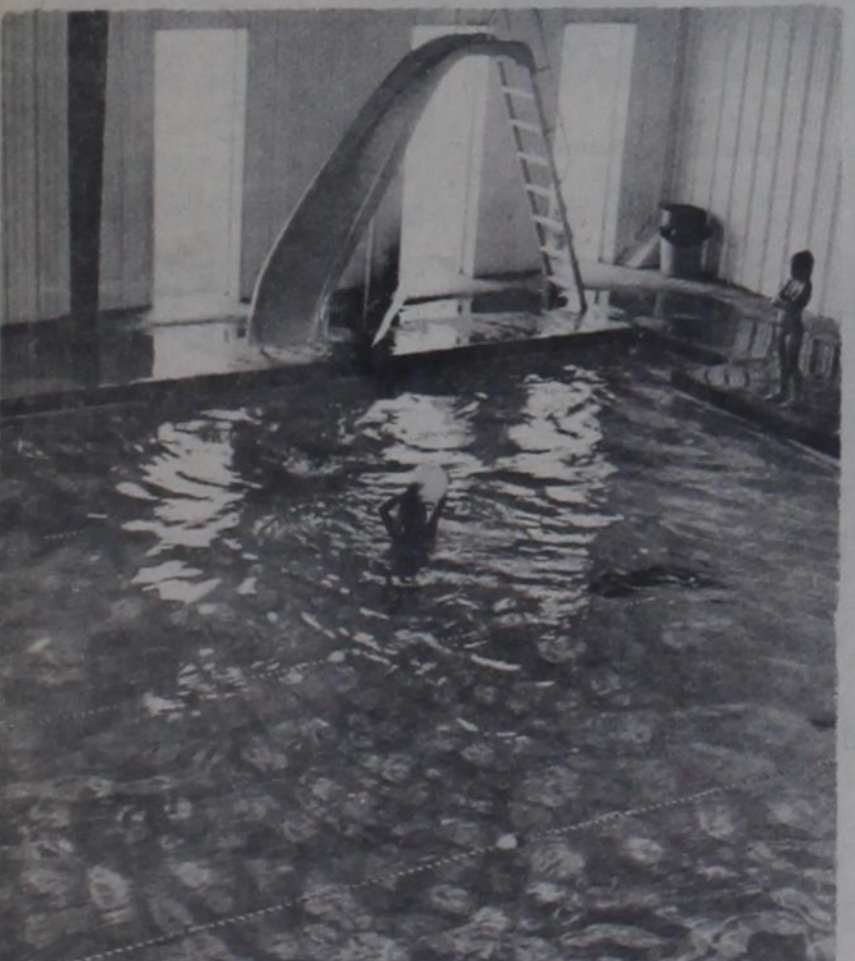

"WE'RE EXPANDING our broom sale to two days this year so we can reach more people and cover more residential areas in town," said chairman Weldon Skinner said.

In the past, the broom sale has always been a one-day event. All products sold by the Lions are manufactured by blind workers in Lighthouses for the Blind.

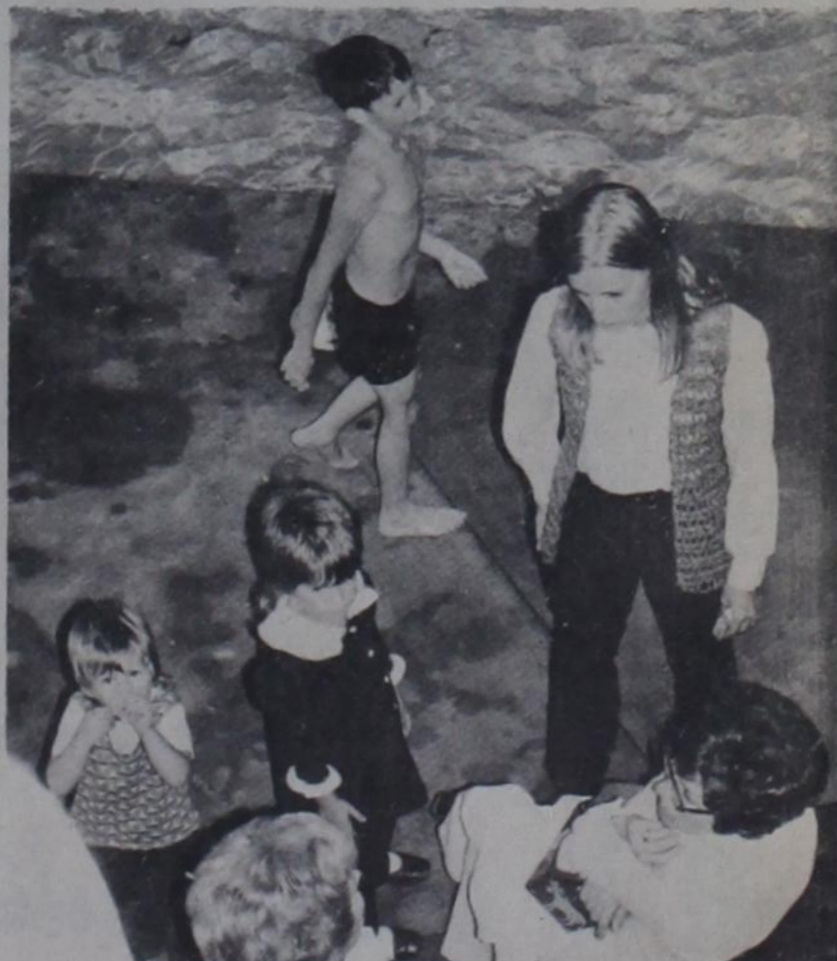

The Lions will set up shop on the courthouse square Friday morning, and members will fan out from there in teams to call on businesses and homes.

Products for sale include brooms of all types, brushes, mops, door mats, dust cloths, dish cloths and towels, sponges, bottle washers, ironing board covers and pads, damp-iron bags, washing bags, garment bags, rakes, wax applicators and fly swatters.

## Swim Club opens

THE ENCLOSED POOL in the new Ruskin Circle Swim Club is L-shaped, heated, constantly filtered, and features a diving board on one end and a waterslide on the other. For the club's grand opening last week, floating lane-markers were in place to show how the pool could be used for timed swimming and races.

FROM THE UPPER DECK—This is the view of poolside from the observation deck on the second-floor level of the new Ruskin Circle Swim Club. Also at deck level is a sunlamp room where members can maintain their tans year-round. Below the deck are the entrance foyer, all-purpose meeting room and bathrooms.

# City burglary ring broken

City and county law officers apparently cleared some 13 burglaries at Dimmitt stores and offices with the arrest of five teenage boys early this week.

ACCORDING TO Deputy Sheriff Jim Cooper, the burglary ring was broken Sunday night when Police Chief W. W. Jones arrested a 17-year-old Dimmitt youth on charges of receiving and concealing stolen property. The arrest of the other four youths followed.

The other youths involved are all transients. Two are 14 and two are 15.

Jones reported that the arrest of the youths has cleared up burglaries at Big T Pump Co., High Plains Parts & Supply, Farmer's Supply Co., Hays Implement Co., Gulf Wholesale, Harley's Car Wash, Redi-Fuel Inc., Chem-Tex Farm Supply, Castro County Agricultural Housing Association, Castro County Grain Co. and W&C Grain, Inc.

Over \$400 was taken in a burglary at the Castro County Agricultural Housing Association, and officers said that most of the money has been recovered. A portion of the property stolen from several Dimmitt businesses has also been recovered.

The 17-year-old is being held on charges of felony theft and receiving and concealing stolen property. Bond was to be set Wednesday afternoon.

County Judge Raymond Wilson conducted a detention hearing Monday afternoon and set bond for the other four youths at \$500 each.

Jones reported that property damage and losses at five Dimmitt firms totaled more than \$840.

"The damage amounted to more than the merchandise that was taken was worth," Jones said.

According to Jones, more stolen merchandise had been recovered late Tuesday.

## Discussion meet set for tonight

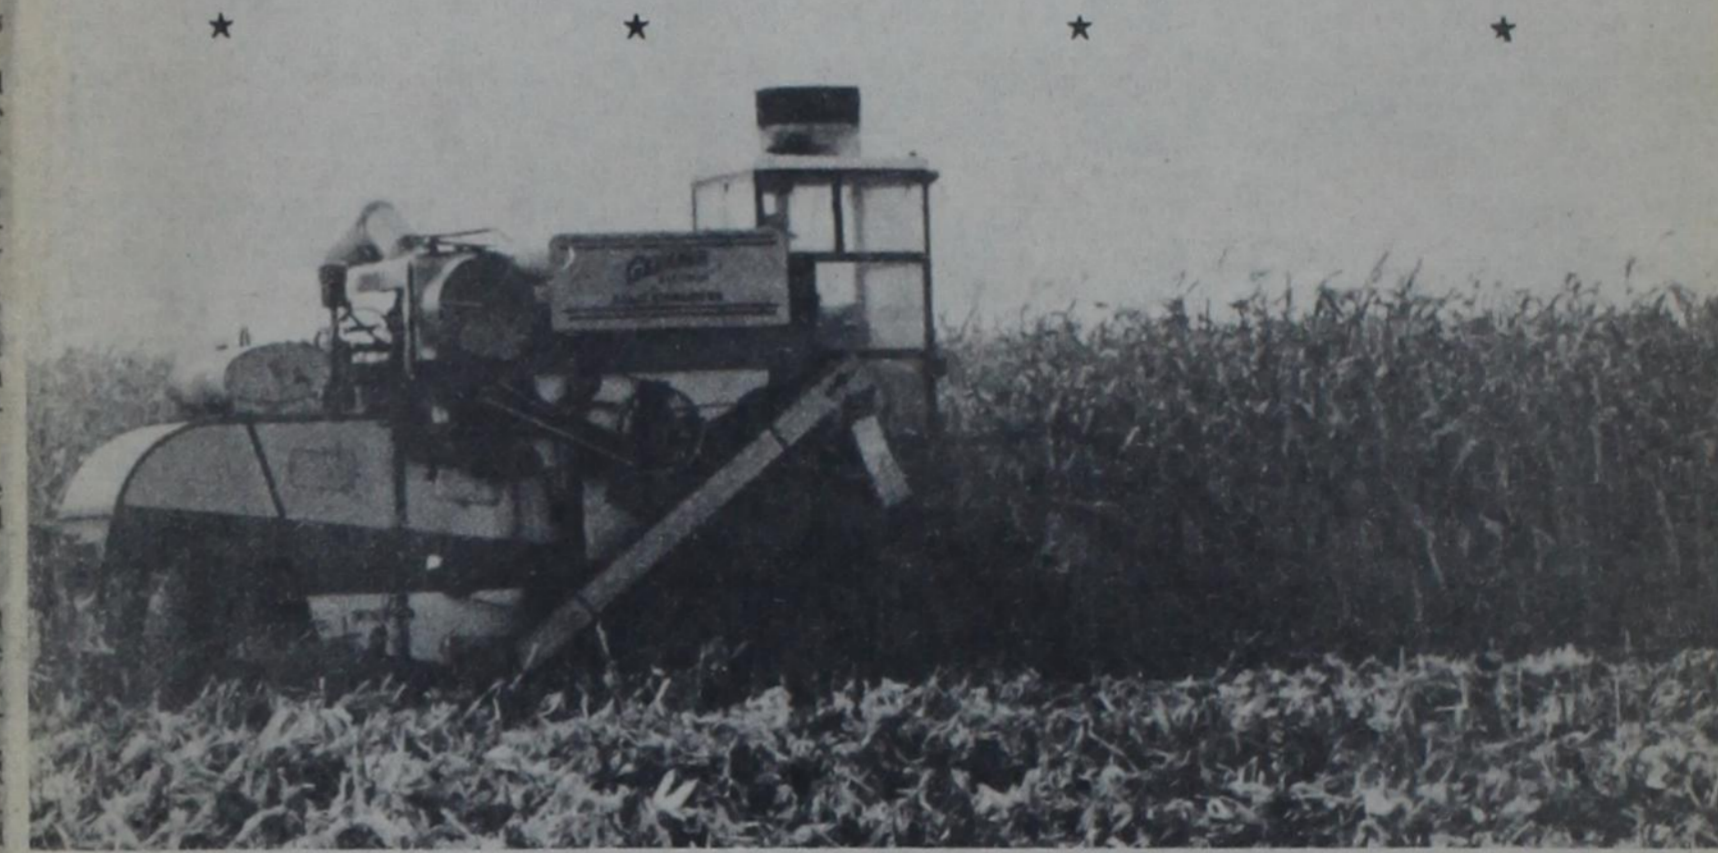

Dimmitt businessmen are urged to attend a special meeting sponsored by the Castro County Chamber of Commerce tonight (Thursday) at 7:30 at City Hall.

THE MEETING is being held to discuss possible solutions to a break-in problem which has faced Dimmitt businessmen in recent weeks, according to Bill Behrends, chamber president.

"Merchants will be given the opportunity to express their ideas for improved protection at the meeting," said Behrends.

"City and county law officers will be in attendance and will speak to the merchants on ways in which they can prevent their businesses from being broken into," he added.

Behrends pointed out that the meeting is not intended to be a gripe session, but will give merchants and law officers an opportunity to exchange ideas.

GOOD DRYING CONDITIONS allowed farmers to get a good start on the county's corn harvest early this week. High winds Monday and Tuesday caused much of the corn to go down and combines will be moving slowly through the fields as farmers attempt to pick up the fallen corn.

# Winds cause downed corn as harvest gets good start

With favorable conditions farmers again moved into their fields to begin harvesting the county's huge corn crop early this week.

ELEVATOR operators expect harvesting of the yellow grain to hit peak in 10 days to two weeks, and most report that high winds Monday and Tuesday have caused a good deal of the county's corn to go down. rains which fell early Wednesday morning will slow harvesting.

Bill Clark of Dimmitt Agri Industries reported that the corn harvest got a good start this week, but most of the corn coming in is still wet. He estimated that the corn harvest should run about 30 days.

"High winds have caused more corn to fall this year," said Clark. "In some areas the yields may be down due to the weather and spider mites," he added.

Clark reported a current average yield of 165 bushels per acre following shrinkage and said yields are running about the same as last year.

BILL GREGORY of Castro County Grain Co. reported that he has not received enough corn to determine yield figures yet, and added that moisture content is still running from 25 to 30 percent.

Gregory also reported receiving 8-10 loads of milo from northwest of Dimmitt.

"The milo is fairly good, although some of it had a little spider mite damage," he said.

Fred Bruegel Jr. of Bruegel & Sons Elevators reported that some of the corn he is receiving now is "a little light due to spider mite damage."

MR. CATHREN died Sept. 15 of a heart attack.

Survivors include his wife, Sue; and two sons, Jody and Terry, all of the home. His parents, Mr. and Mrs. Cal Cathren Sr. of Heber Springs, Ark.; two other sisters, Mrs. Helen Towell of Colorado Springs, Colo. and Mrs. Doris Tharp of Pangburn, Ark.; and three brothers, Chester of Indianapolis, Ind., and Cal Jr. and Jack, both of Heber Springs, Ark.

Burial was in Elmwood Cemetery under the direction of Harris Funeral Home.

Burial was in Elmwood Cemetery under the direction of Harris Funeral Home.

BRUEGEL REPORTED dry weight yields ranging from 140-160 bushels per acre and said he expects some 180-190 bushel corn later.

"The corn that's ready now will be the lowest yielding," he said.

Most of the corn in the Nazareth area is still coming to Dimmitt according to Kenneth Slough of the Nazareth branch of Dimmitt Agri Industries.

Slough reported that the Nazareth facility cannot accept the corn, as it is still too wet, and it is being sent to Dimmitt for drying.

"Quite a bit of the corn in the Nazareth area has fallen," said Slough.

ANNEI. Billingsley of Grain Handling Corp. in Hart reported that only a small amount of corn has come in in the Hart area.

"Most of the corn is running pretty wet, but one load came in at 18 percent," she said.

"The corn is late and spider mites have been bad in several areas," she added.

Doug Adams of W&C Grain Inc. reported that his elevator is "real busy" but added that yields have not been determined as yet.

"It's real good corn and is drying down to an average of 21-26.5 percent moisture," said Adams.

OPERATORS REPORT that the corn market is fairly steady, but Tuesday afternoon the market had risen somewhat, giving county farmers new incentive to pick up their fallen corn and hurry it to the market place.

"BEFORE SCHOOL is out in May, the parents of each high school student will be invited to attend a similar "rap session". Our plans are to have one of these informative meetings each month and invite about 50 sets of parents each month," said Ryan.

Parents will be invited from an alphabetized list beginning with the seniors' parents.

"We feel that this will give the parents of seniors an early opportunity to learn about college requirements, and so forth," said Ryan.

Each "rap session" will begin with refreshments, then move into a general explanation of current school activities, problems, etc. and conclude with a question and answer period.

RYAN POINTED out that no individual specific problems will be discussed.

Supt. Charlie White, counselor Kenneth Ringo and Ryan will be the school's primary representatives at the first meeting.

Sheffy's chatter

By MYRTLE SHEFFY

The annual meeting of Texas Home Demonstration Workers was in Waco last week. The theme was "Home, a Beacon of Light." Several good speakers talked about the home and the importance of a good family working together.

One of the best speakers was a 19 year old black man, a former FFA student. He told the group how much the program had meant to him and his family. He was a musician, played the piano and sang.

A HAPPY birthday was sung to Richard Bales. His day was Sunday. Richard is band director of the junior bunch.

Raymond and Mary King of Lubbock were Sunday guests of the Russel Morans, and were greeting former friends at the evening service at the Methodist Church. They say they still read the Castro County News. Well! doesn't everyone? We hope so, anyway.

What a ball game that was Friday evening! That Mayberry boy, number 22 is a race horse, four touchdowns. All the kids play a good game.

Our grandson Randy Bills is number 50 on the Springlake-Earth team. He is good too. After the game probably a hundred people went out to the Frank Wises' home where Houston and Doris Lust, M. L. and Polly Simpson served food and coffee.

LAST TUESDAY a group of band mothers went to Mary Lou Smithsons for hamburgers and to work on berets for the kids carrying the big horns and also talk. The girls say go to football games.

Flo Lust was the 8-year-old birthday girl Saturday, so she and Virginia Sheffy went to Lubbock just to see the town. Said they went to a fancy hamburger place to eat.

Barber and Mable Eubanks of Afton, Okla. are here this week tending to farm business. Their place is southeast of town. They visit the Fred Hamms of Hart and many friends in Dimmitt.

MR. AND MRS. Dutch Cleavinger of Canyon were Sunday guests of brother M. E. and Marge and sister-in-law Gladys Cleavinger. I saw them at church.

Albuquerque was the town last week that had Dimmitt

visitors. B. M. and Viola Nelson went out to visit daughter Mary and Herb Burnham and boys Rex, Mike and Jay. Clara Neumayer and son Lowell and Judy and sons from Hereford went out for the big New Mexico Fair.

NEVA HICKEY and sister Era Heckerson went to Amarillo Thursday to see a showing of new spring suits. Mrs. Dale Lewis of Glendale, Ariz. is here for a visit with her sister Mrs. Travis Campbell and Truvis. They all plan to go this week to Annahuac, near the coast, north of Galveston where they will join several relatives for a visit.

Mr. and Mrs. H. B. Rials went to Denver City last weekend to visit son Harvey Lee

George and Barbara Hudson visited their daughter Mr. and Mrs. Jim Fillpot in San Angelo. Jim is administrator of the Harris Hospital.

George and Bonnie Heard have moved to their farm nine miles north and east of here. They came from Lubbock. George is a brother of Dan and Kenneth Heard. They are Baptists.

LOUISE CARSON GEORGE and Lee Bradley were married Sunday, Sept. 16 in the home of Lee's brother Carl Bradley, who lives south of town on the Elmer Dixon place.

GOODWIN AND Jeannie Miller, Anita Morris and Edna Riley went to Clovis last

weekend to play in the big bridge tournament. They hoped to be in the swifts, whatever that is.

ALICE SEPULVADA of Mercedes has written to Ruby Stone saying they would not be in Dimmitt this fall. Her husband Romero has had a stroke. Romero has helped at the vegetable shed and Wheat Growers for the past ten years.

VETERANS' SERVICES

By BEDFORD W. SMITH

G. I. Bill training is still available for some veterans who were discharged from military service as much as 12 years ago, but not for long.

JACK COKER, VA Regional Office Director, pointed out that Post-Korean veterans — those who were discharged between Jan. 31, 1955, and June 1, 1966 — have two more years to take flight training, farm or on-the-job training under the G. I. Bill. But their eligibility for other types of schools and colleges expires May 31, 1974.

In spite of the array of dates, the formula for computing an individual's eligibility is fairly simple. Coker said. The law gives each veteran eight years to use his G. I. Bill eligibility, and for most, this means until eight years after discharge. But the Post-Korean group had no G. I. Bill eligibility until June 1, 1966, when the current G. I. Bill became effective. Thus, they have until eight years after the date of the law. The following year (1967), other forms of training were added to the G. I. Bill, so the eight years of eligibility for these benefits starts from the date of the amendment — Aug. 31, 1967.

Post-Korean veterans have been slower in taking advantage of their G. I. education benefits — a 34 percent rate compared to 42 percent for veterans discharged after enactment of the current G. I. Bill. The 34 percent rate is considered reasonably good, because as Administrator of Veterans Affairs Donald C. Johnson pointed out, "Some of these veterans had been out of service for as long as 11 years before the current G. I. Bill gave them entitlement. By that time, many had found other means of financing their education, or found it impossible to take advantage of the G. I. Bill because of family or other responsibilities."

Age and education level also played roles in preventing many Post-Korean veterans from returning to classrooms. Average age for the Post-Korean group is six years older than Vietnam Era veterans and only two of three had finished high school before entering service, compared to four out of five for Vietnam Era veterans.

**ALL CLEAR**—One Springlake-Earth tackler has just turned on a dive at Dimmitt's Robert Mayberry—and that turned out to be the Wolverines' last chance to stop the fleet Bobcat halfback on the fourth play of Friday night's game. Here, Mayberry reverses his field to get in the clear. His run ended 50 yards later with Dimmitt's first touchdown. Mayberry scored four touchdowns, Gene Veals and Jimmy Furr added one apiece, and kicker Ricky Wright drilled nine points through the uprights as the Bobcats blanked the Wolverines, 45-0.

By GERALD BROADSTREET  
Greetings Comrades,  
First I want to mention that we are having a dance at the post home this Saturday night, the 29th. We have hired a band from Amarillo, "The Crystal Aires." They have played for us before and were proven to be real crowd pleasers. They are a most versatile group, for they can play just about any kind of music you want to dance to. Admission price is \$2.00 each and the dancing starts at 8:45 and ends at 12:45.  
Make plans now to attend, you'll be glad you did, but you'd better come out early if you want to get your favorite table. We have big crowds when this group plays for us.

COMRADES, our next regular meeting will be this coming Monday, the first day of the new month, October. The meeting will start at 8 p.m. Please make an effort to attend and bring a member with you. We like big crowds. Your presence is mute testimony that you support the officers you have elected and you can see the kind of job they are doing.

BY THE WAY people, our membership renewals have slowed down quite a bit lately. If you have not paid your 1974 dues please do it today. You will be doing me, your Post and District 13 a big favor. I think some members are under the impression that their renewal is not due until Dec. 31, 1973. This is wrong. Your renewal is due in August and you have a grace period to Dec. 31 to pay it. It's just like buying license plates for your car. If you get them when they are due every year you avoid the last minute rush. Also, Comrades, when you pay early you save me a lot of unnecessary work.

YOU ALL probably noticed I didn't have a column last week. The reason was I had to attend a meeting in Dallas. My wife Linda and Florene Leinen, Dist. 13 Auxiliary president, went with me and they attended auxiliary meetings. I must say the meetings were very informative and I really did enjoy them. The main thing I found out is that the competition on the District Commanders contests is going to be very rough. I have never seen a group of more professional or dedicated men as were assembled in Dallas. I had better not pause to look up this year or I'll be out of the running for sure. I know that this is going to be a record year for all phases of our VFW programs and membership. This is good, for we are celebrating our 75th anniversary and we most definitely want to shine brighter than we ever have.

State Commander, W. K. Huber, had much praise for the amount of work already accomplished this year and hoped that the pace would be maintained all year long.

OUR GUEST speaker from National VFW was Cooper T. Holt, Asst. Adjutant General and Executive Director of the Washington Office. Cooper stressed unity and growth if we must maintain our benefits for ourselves, widows and orphans. He presented proof that our elected politicians are attempting to take our veterans' benefits away from us little by little.

Cooper pointed out the importance of District Commanders as a vital link between the State Commander and the Post Commanders. Needless to say Comrades, membership is our strength. sign up a new member today.

**Tour-bug bites local families**

By MRS. OWEN ANDREWS  
Several residents of this area have taken late summer vacations during the past few days. Mr. and Mrs. David Yandell, Mr. and Mrs. Olin Parris returned the last of the week from a two weeks tour, going as far as Jasper and Calgary in Alberta, Canada. They went northwest into the edge of the "Twilight Country". They traveled in three other provinces, Manitoba, Saskatchewan, where Winnipeg was an interesting city, and British Columbia. Returning home by the more easterly route through the Great Lake area and Iowa, where "The Little Brown Church in the Vale" was a point of interest to them.

MR. AND MRS. Harlan Barber, Mr. and Mrs. Lloyd Shultz traveled to Mexico for a ten day tour, with a Travel, Inc.

group. About 100 persons made up the group. They drove to San Antonio and met Mrs. Barber's brother, Jim Franklin, and Mrs. Franklin of Lenorah and Mrs. Shultz's brother, Mike Smith and Mrs. Smith of Corpus Christi. Three other couples from Lenorah also made the tour. They flew to Mexico City, where tours were planned for interesting scenes and events, including bull fights, museums, ballet performances, pyramids and floating gardens. The group rode by bus to Taxco, a mining ca itol, and to the resort city of Acapulco, flying back to San Antonio from there. The only problem reported was a fall suffered by Mrs. Barber as they were entering a restaurant in Lubbock on the return home. A rock on the sidewalk caused a turned ankle, resulting in a fractured elbow from the fall. They returned home Sunday evening.

Mr. and Mrs. Kenneth Frye, Mr. and Mrs. John Washington went as a part of a group on a flying trip to Hawaii recently. Texas Fruit and Vegetable Growers Association was having a convention in Honolulu. Several from the local area went. Frye's cousin, Lance Frye and his wife from Davenport, Iowa came to go from here on the tour.

Mr. and Mrs. E. F. Vogler and the Harold Voglers, of Lamesa, spent a long weekend going as far as Manhattan, Kas. where they visited a sister of the Vogler brothers and her family. They also visited relatives in the Oklahoma City area.

MR. AND MRS. J. E. Warwick spent several days vacationing in the Northern New Mexico mountains. Her daughter, Mrs. Don Weems, Mr. Weems and baby of Tucson met them in Albuquerque for the time, together in the mountain resort areas.

Dee Taylor suffered a fractured wrist and collarbone, as well as less serious injuries, in a motorcycle accident last Sunday. It occurred during a scheduled racing event. He has been in Clovis Memorial Hospital this week.

A report has been received by friends here that Mrs. D. W. Allman of Wickes, Ark. remains in very critical condition after having undergone surgery for a brain tumor in recent weeks. She has been paralyzed and at the time of the report had not regained consciousness several

days after the surgery at a Little Rock hospital. Mrs. Allenman and her daughter, Wanda, visited in this community and with friends at Hereford and relatives at Dimmitt in April. They left here to live in Arkansas more than 20 years ago.

MRS. CARLTON Dobbins and her granddaughter, Carleta Vinson attended the golden wedding anniversary reception for her sister and brother-in-law Mr. and Mrs. J. C. Belew, on Sunday, the 16th. The party was held at Wingate Baptist Church. Others from the area attending were a brother, Joe Scott and Mrs. Scott of Dimmitt and a nephew Ben Scott, Mrs. Scott and family of Hereford. Mrs. Dobbins and Carleta remained for the following week to visit the Belews and others of family and friends in the area.

On Sunday Mrs. Dobbins was with the Edgar Vinson family in Hereford, as their daughter Mrs. Wayne Betts and Mr. Betts of Euless were there. The Betts and Vinsons had just returned from a long vacation trip, going to Yellowstone Park and the Grand Canyon among the many points of interest.

GOOD rains recently throughout parts of the state have relieved short-range conditions and replenished stock water. Range conditions are described as generally quite good.

**Gilbreath wins post with TGSPB**

John Gilbreath of Dimmitt is one of three men who were recently re-elected to six year terms with the Texas Grain Sorghum Producers Board.

OTHERS re-elected include A. W. Anthony Jr. of Frio and E. C. Witten of Edmonson. Don Nelson of Tullia was elected to his first term. Outgoing member of the board was Don Marble of South Plains.

The TGSPB was set up in 1969 by producers who voted in the sorghum referendum. They voted a five cent per ton assessment on sorghum produced in 29 High Plains counties.

The purpose of the board is to administer assessment funds to improve overall sorghum production. Each year it carries out research to combat sorghum disease, insects and other problems. It is also committed to worldwide market development and promotion of sorghum.

Meeting bimonthly, the board determines immediate and long-range goals. Directors serve six year terms on the 12 man board without salary, and are called on frequently to give their time and energy to special projects that benefit area farmers.

**Mrs. Huseman surprised with party Wednesday**

By IRENE WILHELM  
The children of Mrs. Frank Huseman surprised her with a birthday party Wednesday evening. Mr. and Mrs. Pat Dulsky (Corinne) of Denver and Mr. and Mrs. Buddy Huseman of Dumas visited with her for several days.

MRS. GEORGE Huseman went to North Carolina to visit her folks.

The Nazareth FHA Chapter held a meeting last Thursday to discuss their annual banquet. Bonnie Sein, an area officer, spoke to the girls about the new "Impact Program" for FHA. They will have a style show Oct. 9 to be presented by the Village Shop of Dimmitt. Proceeds will go to the Satellite School in Dimmitt.

Agnes Brockman and Mr. and Mrs. Bert Venhaus left Friday to visit relatives in Lawrence, Nebr.

Gene and Anne Kern have gone to Switzerland with a tour for 8 days.

BAPTIZED SUNDAY was little Bridget Elaine, daughter of the Leslie Birkenfelds. Enjoying dinner with Leslie and Donna were Fr. Ralph Zinser, Rose Birkenfeld and Mr. and Mrs. Carol Birkenfeld, the sponsors.

Rose and Mr. and Mrs. Carol Birkenfeld drove to Lubbock Monday to visit her son Brian.

Some young people from here are going to Amarillo once a week to take some night courses. Going are Virgil Wilhelm, Bruce Warren, Dennis and Jerry Kern, Kelvin Kleman and Jimmy Birkenfeld.

MR. AND MRS. Lee Meeks have moved to Houston after having lived in Nazareth for quite a few years.

Mr. and Mrs. Warren Norris and family of Dallas were here over the weekend visiting her parents. The Frank Hoeltings. Having Sunday dinner with their parents were the Cecil and Dickie Hoeltings and Byard Keyes of Plainview.

Members of the Christian Mothers Society took turns manning the Right to Live booth at the fair in Amarillo Thursday.

**Society to hold meeting tonight**

The Castro County Genealogical Society will hold their first meeting of the fall season tonight (Thursday) at 7:30 in the Jack Patton home, 1005 Maple Street.

All members and interested persons are urged to attend. Plans will be made for the year's work.

**What's cooking at the schools**

The school lunch menu for Dimmitt Public Schools Monday Oct. 1 through Friday Oct. 5 will be:

Monday — Texas hash, broccoli, sliced tomatoes, applesauce, rolls, butter and milk.

Tuesday — Charburgers, pork and beans, sliced tomatoes, lettuce, onion, pickles, banana cake and milk.

Wednesday — Beef stew with vegetables, cabbage salad, cinnamon rolls, cornbread, crackers and milk.

### Shower honors Mrs. Springer

Mrs. David Springer, the former Hally Fuller, was recently honored with a bridal shower in the home of Mrs. William Bellinghausen.

MRS. BELLINGHAUSEN presented the guests to the honoree and her mother, Mrs. W. H. Fuller. Mrs. Carolyn Jones registered the guests.

An heirloom brass vase filled with wildflowers provided the centerpiece at the serving table and the room was decorated with antique baskets of wild flowers.

Leslie Harsh and Rhonda Dowse served miniature sweet rolls, fruit, coffee and tea from a table covered with a gold linen cloth.

MRS. JOHNNY BECK

### Couple at home after ceremony

Mr. and Mrs. D. H. Odom of Dimmitt announce the marriage of their daughter Danna Evelyn to Johnny W. Beck, son of Mr. and Mrs. Byron Beck of Lubbock.

THE COUPLE exchanged vows in the bride's home Sept. 14.

The bride wore a street length dress of white meremist over satin, accented by an empire style bodice and long cuffed sleeves. Irish lace scattered with seed pearls decorated the neck, bodice, sleeves and hem of the dress.

The headpiece, made by Margaret Parks, sister of the bride, was formed by a band of white roses and a shoulder length veil.

### Recent bride is feted at shower

Mrs. Clyde Damron III was honored with a shower and party in the home of Mrs. Fred Kuntz at Flagg Saturday.

MARY DAMRON registered the guests. Others in the receiving line included Mrs. Clyde Damron Sr. and Mrs. Harold Clyde Damron Jr.

Jeannie Damron of Amarillo, sister of the groom, and Mrs. Danny Bruton served punch and cakes from a table covered with lace-trimmed white linen. The centerpiece was an arrangement of Gloriosa daisies, grown and arranged by Mrs. Alice Anthony.

Mrs. Charles Gallaway and Margaret of Olton and Mrs. Art Tollett of Hart were guests of their sister, Bobbie Damron.

Assisting Mrs. Kuntz with hostess duties were Ruby Wooten, Blanche Ginn, Marge Acker, Mildred Bradford, Rosetta Bellinghausen, Darlene Wooten, Vernice Hill, Phyllis Mooney, Frankie Reed and Linda Kuntz.

**PRIZE WINNER**—Teresa Broadstreet of Dimmitt captured first prize with her German Chocolate cake at the South Plains Fair in Lubbock and also won the medallion for the best cake in the fair. Miss Broadstreet is the daughter of Mr. and Mrs. Harold Broadstreet and is a junior at Dimmitt High School where she is active in FHA.

## Try these pear recipes

By IRENE KEATING

Last week I forgot to mention some of our 4-H'ers who took items to the fair in Amarillo. I am truly sorry that I omitted these names, Tammy and Kylene Behrends and Deanne Merritt.

**WE HAVE** some packets of patterns for items to make for Christmas gifts. For \$1.00 you may purchase a packet and get 45 ideas for gifts and decorations.

Oct. 2 will be the Home Demonstration Club salad luncheon and report of the state THDA meeting that was held in Waco last week. All club members and prospective members are invited to attend this meeting.

**PEARS ARE** in season now and this year's crop is one of the best. Pears are good served fresh or try one of these recipes.

#### ALASKAN PEARS

Place scoops of raspberry sherbert on fresh pear halves. Make meringue with 2 egg whites beaten until stiff with ¼ cup sugar. Fold in 1 cup miniature marshmallows. Cover sherbert completely with meringue; bake at 450 degrees for 5 minutes. Serve immediately.

#### SALAD OR DESSERT

Fill cored fresh pear halves with softened cream cheese to which a few chopped maraschino cherries and nuts have been added. Serve as salad or dessert.

#### FRUITFUL PEARS

Mix one package (3 oz.) softened cream cheese with ¼ cup real mayonnaise; stir in ¼ cup chopped candied fruit. For each salad arrange 2 fresh pear halves on crisp outer leaves of lettuce; top with cheese mixture.

#### BARTLETT-ORANGE BAKE

Place 5 fresh pear halves in a shallow baking dish; sprinkle with ½ teaspoon cardamon, spoon ¼ cup orange juice combined with ¼ cup brown sugar over pears. Bake at 350 degrees for 30 minutes. Serve hot or chilled, garnish with whipped cream and grated orange rind.

#### HERE ARE some hints that you might enjoy.

Recipes often call for chopped, grated, diced or minced ingredients. Do this time-consuming work ahead of time — then freeze the various ingredients until needed.

Grate cheese, a pound or two at a time. One pound makes about four cups grated cheese. Measure it in one-cup units, or in the amount wanted most often. Place cheese in air-tight containers or wrap in moisture-vapor-resistant plastic wrap, and freeze. American process cheese freezes well.

Chop a pound or two of onions at a time, either with a knife or in a blender for finely chopped pieces. Wrap in ½ cup or ¼ cup units in air-tight plastic wrap. Place packages in a glass freezer jar that can be tightly closed, to keep the

onion odor from escaping, and freeze.

#### GREEN PEPPERS

also can be chopped and frozen. Mince parsley and then put in the freezer. Both should be packaged in convenient-sized units, then placed in air-tight containers.

Keep bread crumbs on hand in the freezer, too. Save bread heels until you have several. Crumb them in the blender, or between two sheets of wax paper with a rolling pin. Store in an air-tight freezer container. If preferred, lightly butter the heels before crumbling to make buttered crumbs.

### Garden Club to hold flower show

The Dimmitt Garden Club met in the Fellowship Hall of the United Methodist Church last Wednesday.

MRS. DOUG Adams presented a program on the preservation of fresh flowers.

Mrs. Bill Behrends presided over the business session. Club members discussed plans for the Rhoads Memorial library yard, and also set the flower show for Oct. 21 in the Rhoads Memorial Library.

Mrs. George Rush and Mrs. Bill Behrends served cream puffs, coffee and spiced tea from a table covered with velvety linen and decorated with preserved daisies.

### The view from your library

By MARY EDNA HENDRIX

We are still moving the library!!!

WOULD YOU believe it has taken about six weeks to move? We have had lots of help and we appreciate it very much.

Milton Moore brought his Vocational Education class by to show them the new library and we put them to work. One class worked on Thursday and another on Friday.

Those who worked are: Randy Furr, Ronnie Sears, Chuck Pevehouse, David Patterson, Jeffery Patterson, Rolando Tapia, Craig Turner, Eddie Cheshire, Jessie Oltivera, Gilbert Herrera, Danny Garcia, Roger Chance, Richard Ewing, Oscar Gutierrez and Arnold Fernandez.

MRS. NORMA Conard and the students from the Satellite school helped move some big boxes of books from the old library to the new one. One little girl carried boxes almost as big as she, but she smiled and went right on carrying it to the bus. Thanks, Norma, for remembering that we needed help!

The Junior Friends of the Library are still helping. Saturday they sponsored a bake sale and made \$9.42 for the library. Three more helped this week: Ydolina Sepeda, Tomasa Flores and Martha Zarazua. These girls are just in junior high school, but they are doing a good job for the library.

Helping move are: Virginia Hansen, Edna Riley, Jack Miller, Hazel Merritt, Greg and Marie Howell, Robert and Roy from the courthouse.

**MORE DONATING** books: Walter Maynard brought a new book in to give in memory of a friend and Bea Hawkins brought several good books for the library. One is the "History of Art" by H. W. Janson. We appreciate all these good books!

KEEP MILK cartons tightly closed so the milk won't absorb odors or flavors from other foods, advises Mrs. Gendolyne Clyatt, consumer marketing information specialist, Texas Agricultural Extension Service.

**Dimmitt Agri Industries, Inc.,**  
has helped shape history here

Dimmitt Agri Industries, Inc., has come a long way since its founding in 1934. It has grown steadily through the years, and today it ranks as one of the largest grain growers' cooperatives in Texas.

The local cooperative has played a major role in shaping the history of Castro County agriculture. Originally formed as Dimmitt Wheat Growers, Inc., it kept that name even after milo replaced wheat as the main crop here. But the name was changed three years ago, after the cooperative converted a dramatic dream into reality by building Texas' first corn milling plant here. That action put Castro County into the corn business, and now our county is No. 1 in Texas in corn production.

Since last year's harvest season, the cooperative has leased the corn milling plant to the Amstar Corp., and is now devoting its full efforts to its original business—handling grain and providing farm supplies for its 663 member-owners.

Dimmitt Agri Industries, Inc., has more grain handling facilities than nearly any other elevator company in the Texas Panhandle, with seven receiving points to serve the county's farmers.

These grain receiving points are the Main Facility in Dimmitt, managed by Bill Goldsmith; the South Elevator in Dimmitt, managed by James Slough; the former White's Elevator in North Dimmitt; the Nazareth facility, managed by Kenneth Slough; North

Point, six miles north of Dimmitt, managed by Donald Carmichael; Tam Anne, nine miles west of Dimmitt, managed by Ewell Kelley; and the Flagg point, six miles west and seven south, managed by Junior Lawson.

General Manager of Dimmitt Agri Industries, Inc., is Bill Clark, who has had 20 years' experience in cooperative grain marketing, management and financing.

Through its affiliation with regional cooperatives and associations, Dimmitt Agri Industries, Inc., has direct lines into all major grain markets. For instance, as a member of Producers Grain Corp., the local cooperative has storage and shipping facilities in Houston to put local members' grain directly into the export market.

And of course, the cooperative also is set up to ship your grain in any direction for the domestic market.

One of the main goals of the cooperative's directors is to continue to improve members' marketing opportunities. Members of the senior board are Jerome Brockman, president; Carl King, vice-president; George Sides, secretary-treasurer; Dick Reinhardt, assistant secretary-treasurer; and Milton Bagwell, Elbert Summers and Glenn Odom, directors. Ed Dawson, Ernest Sammann and Carl Lee Kemp make up the associate board.

# Lions Club votes to help purchase ice maker for HHS

By MYRT LOMAN

In a business session Monday the Hart Lions Club voted to help purchase an ice maker to be located at Hart High School. The Lions Club also sponsored the re-painting of the football scoreboard.

Bob McIntire of Texas A&M University presented a slide program on control of green bugs.

Three new members were added to the roster. They include Roy Taack, J. D. Murray and Jerry Jansa, the new Hart High School band director.

Charles Hottel, the Castro County agent of Dimmitt was also a guest.

"THE MEANING of the Cross" was the topic of a devotional by Harold Smith at the Sunday evening worship service at the Golden Spread Nursing Home.

Special music was provided by a group of Dimmitt ladies accompanied by the piano by Mrs. Leon Sanders. Singers were Mmes Sandy Odum, Guy Walörop, Butch Strickland, George Hudson, Joe Wall and daughter Reta Wall.

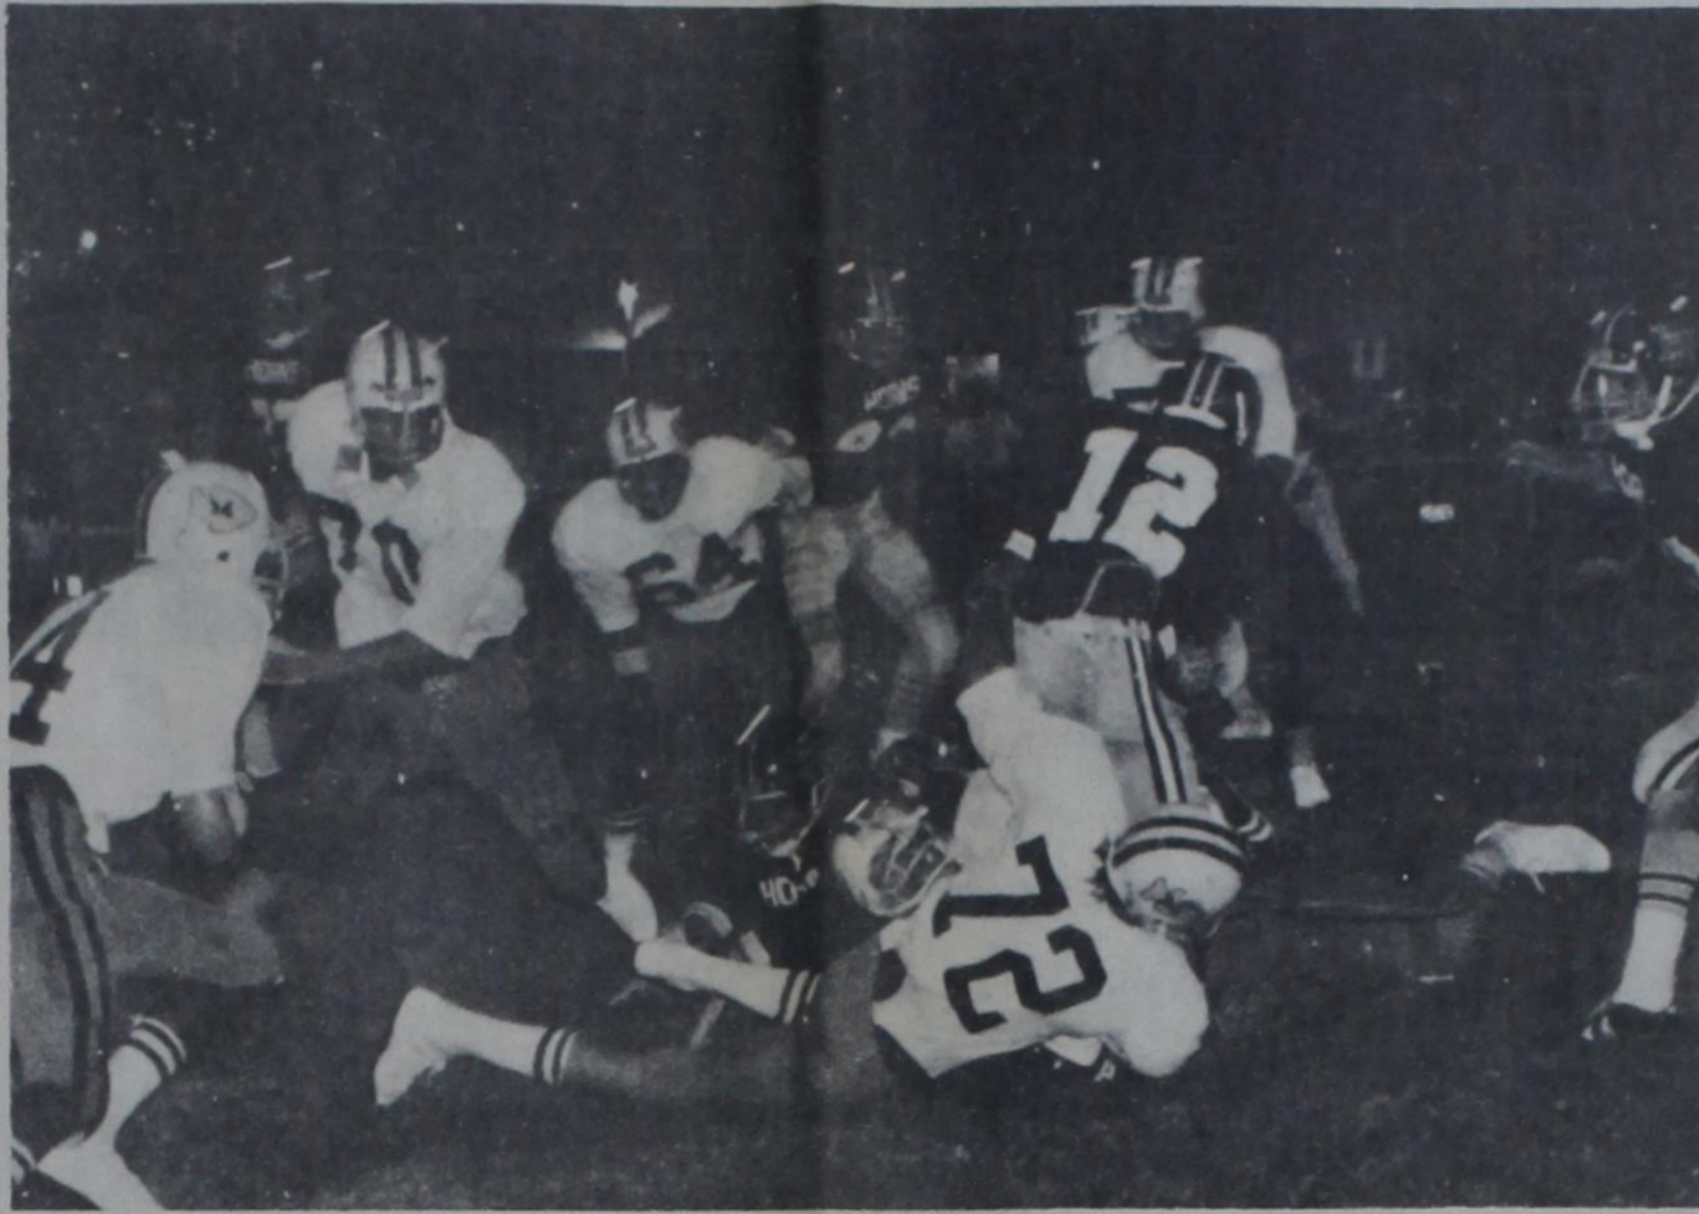

Mrs. Leonard Griswold and Myrt Loman also attended the service.

The program was dismissed with a prayer by Smith.

The Hart Baptist Church sponsors a program each second and fourth Sunday of the month. J. D. Rogers will be in charge of the next program at 4 p.m. on Sunday, Oct. 7.

"MUSIC IN Missions" was the lesson studied at the Wednesday afternoon meeting of Girls in Action in Fellowship Hall of the First Baptist Church.

Jennifer Davis, Connie Bradley, Darla Russell and LaDon Bousal presented a short ra-

dio skit on "Music in Missions."

Teresa Mapp read the prayer calendar.

Following the lesson, the 18 girls and leaders visited Mr. Houston Sullivan, a shut-in, with a basket of fruit and presented a program in song and prayer for Mr. and Mrs. Sullivan.

Mmes. Mac Davis and Curtis Snitker are leaders of Girls in Action and each cordially invite all girls in grades 1 through 6 to attend each Wednesday after school meeting at the Baptist Church.

THE CITY of Hart has new trash haulers and people should not burn trash on Friday or Saturday.

MEMBERS of the Goodneighbor Club will meet on Tuesday, Oct. 2 at B&K Grocery and market and go to Plainview for a Dutch luncheon.

Mrs. John Rice will host the Golden Ones for a covered dish luncheon in her home Friday. Each member is to invite a guest.

THE FOLLOWING students from Hart High School have

been selected Who's Who for the 1973-74 school term:

James McLain and Suzanne Holley, Seniors; Danny Carson and Cindy Hill, Juniors; Carol Armstrong and Karen Foster, Sophomores.

Elected Best Citizens of Hart High School for 1973-74 were Brent Lemons and Nelda Henderson.

Elected Mr. and Miss Junior High School, Jesse Logoria and Miss Jackie Ritter; Class Favorites, 7th grade, Stacey Averitt and Pat Ritter; 8th grade favorites, Sherry Booe and Jesse Longoria.

## Nazareth FHA holds discussion

Bonnie Sain, 6th vice president of the area FHA, demonstrated the "Impact" program to the Nazareth FHA Thursday.

The "Impact" program involves the discussion of school or community problems. A plan is then devised for improvement.

Miss Sain aided the Nazareth chapter in setting up plans for solving group problems.

Refreshments were enjoyed by members and guests following the discussion.

## Happy Helpers hold banquet

The Happy Helpers 4-H Club of Easter held its local awards banquet hursday night at the Easter Community Center.

ROYCE THOMASON was named the "Most Outstanding Boy" for 1973 and Kylene Behrends was named "Most Outstanding Girl."

Project leaders awarded certificates for work completed in sewing and foods and nutrition to Annette Thomason, Kylene Behrends, Sandy Harkins, Terri Harkins, Pat Salazar, Sonia Markley and Tammy Behrends.

Woodworking certificates were presented to Royce Thomason, Terry Lewis and Robbie Dobbins.

Willie Salazar was recognized as one of the top ten contestants in the Tri-State Wheat King Contest.

NEW OFFICERS installed at the banquet include Romanda Young, president; Kylene Behrends, vice president; Annette Thomason, secretary-treasurer; Tammy Behrends, reporter; and Jim Feldman, council delegate.

Other officers include Royce Thomason, ritual chairman; Sandy Harkins, inspirational chairman; Terry Harkins and Sonia Markley, song leaders; and Robbie Dobbins, recreation leader.

Mr. and Mrs. Martin Young are incoming adult leaders.

"FAITH, HOPE and love", the first chapter from a study was the lesson taught by Mrs. Leonard Griswold at the Thursday meeting of the United Methodist Women at the church.

Mrs. Griswold, the president, gave the devotional on "Christians Have a Purpose". The program closed with Mrs. Griswold reading a poem, "Let Us Dare to Try". All ladies are invited to attend each Thursday afternoon meeting at the Methodist Church.

MRS. GLYN Reed was hostess on Thursday night to members of the Xi Mu Iota chapter of Beta Sigma Phi for the first meeting of the fall.

"The Face of the Earth" and "The Polar Regions" was the program given by Mrs. Reed.

In the business session, conducted by Mrs. Reed, members voted to sponsor another girl this year from Girlstown at Whiteface.

Eight members were present. New officers are: Mrs. Reed, president; Mrs. J. D. Myrick, vice-president; Mrs. Theron Morrison, recording secretary; Mrs. Jerry Allen, corresponding secretary; Mrs. Clinton Billingsley, treasurer; Mrs. Weldon Jones, historian; Mrs. Billingsley, parliamentarian; Mrs. Ed Bennett, publicity chairman; Mrs. Ronnie Farris, chairman of ways and means; Mrs. Morrison, social chairman; Mmes Jones and McLain, yearbook chairmen; Mrs. Black, program service; Mrs. Jones and Mrs. Myrick, membership; and Mmes. Farris, Bennett and Reed, co-ordinating committee chairmen.

THE CHI Psi chapter of Beta Sigma Phi met at the Farmers State Bank community room Thursday night for the first regular meeting. A lovely fall scene was the theme set up by the hostesses, Mrs. Don Moore and Mrs. Harold Bennett.

A program was presented by Mrs. Glen Gleghorn and Mrs. Don Moore on "Manners on Any Day." They demonstrated how to set a table for several occasions. By way of reviewing manners, each member participated in an etiquette test. A helpful hint was shared — freeze candles before you burn them to give them a longer burning period.

A surprise pink shower was given for Mrs. Steven Hanes and baby Sherri.

The area convention for Beta Sigma Phi will be in Hereford Oct. 20-21. Interested members should contact Mrs. George Bennett for reservations. The annual volleyball tournament is scheduled for March 14-16, 1974. It was postponed from fall to spring due to school activities.

There were 19 members present.

New officers who will be serving this year are Mrs. George Bennett, president; Mrs. Doug Martin, vice president; Mrs. Mike Burnam, recording secretary; Mrs. Daryl McLain, corresponding secretary; co-ordinating committee, Mrs. Frank Barnes and Mrs. Harold Bennett; Mrs. Mack Steffy, historian; Mrs. Linda Richardson, parliamentarian; Mrs. Mike Burnam, publicity chairman; Mmes. ## BOOSTER CLUB FOOTBALL CONTEST

### CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. The contestant with the prediction closest to the actual score of the tie-breaker game will then be the winner.
6. Contest winners will be announced at the next meeting of the Booster Club at 7 p.m. Monday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

### PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club. In case of a second-place tie, prize money will be divided equally.

SEASON prizes will be awarded as follow: Two tickets to the Dallas Cowboys vs. Washington Redskins game Dec. 9 and \$50 expense money for First Grand Prize; two tickets to the 1974 Sun Bowl Game and \$25 expense money for Second Grand Prize.

The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winners.

# Lockney is spoiling for a win, and Cats make a tempting target

Lockney's Longhorns, you will recall, take their football seriously.

THROUGH MANY campaigns in the old District 3-AA and

three seasons in the realigned 4-AA loop, the Longhorns have nearly always finished in the top division. But the big prize — the district championship — has

always eluded them. This year, Coach Jerry Cannon's Longhorns were the pre-season favorites to finally capture their district's throne.

But so far this season, the Longhorns have suffered two setbacks at the hands of non-conference opponents. In their first outing, they dropped a 29-20 decision to Post, the still-undefeated surprise team of District 5-AA. In their second game they scored a 13-12 win over Frenship, then last week they were upset by the Olton Mustangs, 26-21.

SMARTING FROM their two losses, the Longhorns may be a little hard to herd on their home grounds Friday night.

Lockney uses a multiple offense. You'll see the Steers run out of the Straight-T, Slot-T, Tandem-I and an I formation with a wingback on the left or right.

The Longhorn back considered most dangerous by Dimmitt's coaches is tailback Dart Car-

thel, 170-lb. senior who returned a kickoff 85 yards for a touchdown against the Bobcats last year. Carthel also is considered one of the best punters in District 4-AA.

FASTEST MAN in the Longhorn backfield is John Clark, a 6-4, 190-lb. senior who can step off the 100-yard dash in 10 seconds flat. A college prospect, he doubles as safety on defense.

Guiding Lockney's multiple offense is quarterback Zack Cummings, a 160-lb. junior. Rounding out the Longhorn backfield is Robert Delgado, a 170-lb. senior.

Coach Cannon considers his experienced backfield and Carthel's kicking game to be the Longhorns' strongest points. Only one starting lineman from last year — split end Willie Phillips, a 155-lb. senior — returned for the 1973 campaign, but Cannon says he has "good kids back to fill in at the other positions." The Longhorns' starting lineup includes six seniors and five juniors.

LOCKNEY POSTED a 5-5 record last year, with a 3-2 mark in district play. One of the five losses was a 20-7 setback in Bobcat Stadium during DHS Homecoming Week.

Friday night's game will be the longest road trip for the Bobcats, who have only four out-of-town bouts on their schedule.

"I hope Lockney is tough," Bobcat Coach Deane Wright said this week. "I don't want them to test us, of course, but I hope they push us. Our boys need some harder games to help them improve." Wright still considers the 16-0 win over Muleshoe in the season opener to be the Bobcats' biggest trophy to date.

THE BOBCATS have come through their first three games with one of the most enviable records in the territory. They've outscored their opponents 99-0 so far, and their long-strike offense has rolled up 699 net yards while the Demolition Defense has yielded only 235 yards.

All this will put the Bobcats in the favorites' role against Lockney Friday night. But it will also make them a tempting target.

Kickoff time in Lockney's stadium Friday night will be 8 o'clock.

ALL insect-eating birds have a special membrane on the eye retina to enable them to see the smallest flying insect.

## small talk from south hills manor

By CATHRINE EASTER

On Wednesday evening Mr. and Mrs. Cecil Boyer, Mr. and Mrs. Gene Streuv, and Mr. and Mrs. J. B. Noland came from Hereford to sing for us. Mr. Streuv has a grand solo voice. Mrs. Noland brought an inspiring devotional. We enjoyed the quartets; we enjoyed their visit.

Mr. C. W. Boothe celebrated his birthday on Tuesday, Sept. 18. Our men's quartet sang "Happy Birthday" at breakfast. Twelve members of Mr. Boothe's family came to bring gifts and wish him happy birthday. Mr. and Mrs. Burkett sent a lovely arrangement of bronze and yellow chrysanthemums. Mr. and Mrs. Seale sent a potted plant in full bloom.

MRS. ARTIE Nance of Amarillo and Mrs. Lenabel Martin from Denver, Colo., a former classmate at college, visited Mrs. Fannie Mahan on Sunday afternoon.

Mr. R. L. Gunn enjoyed a visit from his daughter Mrs. Lula Burnett of Sudan and his son R. H. Gunn of Dimmitt on Wednesday.

Mrs. Floy Hart has been visiting her sister-in-law Mrs. Gunnels in Tulsa. They did some shopping. Her brother-in-law and his nephew from Odell, Tex. stopped by to see her while passing through Dimmitt.

Mr. Joe Dunn brings his violin and mandolin when he comes to see his mother who is ill here. How we enjoy his music!

## Floyce George top forecaster

Floyce George was announced Monday night as the top football forecaster in the second week of the Dimmitt Athletic Booster Club's football contest.

BOBBY ADAMS came in second this week, the Booster Club's tabulators reported.

## Blantons return from Hawaii tour

Mr. and Mrs. George Blanton of Dimmitt returned last week from a three-week wedding trip to Hawaii.

THEY FLEW over via Braniff 747 on a direct flight from Dallas to Honolulu, and returned to the continent aboard the luxury liner SS Monterey of the Far East Lines.

Mr. and Mrs. Blanton spent 11 days in Hawaii and visited all four islands. They were on Oahu five days, Maui one day, Kauai two days and the Island of Hawaii two days.

They saw sugar cane being planted and harvested, and also saw the pineapple harvest.

"WE WERE surprised to learn that it takes two years to raise a crop of sugar cane," Blanton said. "Their pineapple harvest is about like harvesting cabbage."

Other highlights of their island visit included a tour of Pearl Harbor and "A Night in the Philippines."

Their voyage from Hawaii to San Francisco aboard the SS Monterey took seven days, "and they told us it was the smoothest crossing they had had in 12 years," Blanton said. The oc-

ean voyage — which is scheduled to be discontinued within the next two years because of the rising cost of operation — featured luxury accommodations, international menus, band, theater, etc.

"WE LEARNED that the Hawaiian people have a different philosophy of life than we do," Blanton said. "They seem just as happy as they can be to be

a part of the United States; they kept calling us their cousins."

After docking in San Francisco for a day, the SS Monterey went on to Los Angeles, where the Blantons were met by his sister, Mrs. Jack Spence. She took them on a tour of Knott's Berry Farm and other tourist spots in the area. The Blantons also attended a Giants-Dodgers game in Los Angeles before returning home.

Mr. and Mrs. Blanton are now at home at 703 Grant St.

## Mr. Robert Gunn — This Is Your Life!

Mr. Robert Gunn has lived in Castro County for only about two months, but he already is thoroughly familiar with the farming practices of the Panhandle, having spent several years farming in the Sudan area.

Mr. Gunn was born in Arkansas in 1886. He grew up in Arkansas and at the age of 22 moved to Oklahoma where he lived until 1930. He married in 1912 while living in Oklahoma and came to Texas during the "Dust Bowl" days. He took up farming in the Sudan area and began raising cotton and milo.

"There wasn't much irrigation farming in the Sudan area when I came there," says Mr. Gunn. "When I first came to Sudan all the farming was done with teams."

Mr. Gunn left the farm in 1943 after spending a major portion of his life there. He says that it's hard to tell how much farming has changed over the years. "It has changed a wonderful lot," said Gunn. "When I was farming we didn't have the equipment like farmers do now," he says.

Mr. Gunn has also done sev-

eral other types of work, and has been employed at grain elevators, produce sheds, a lumber yard, school, and even the Post Office.

"I did any kind of work there was to do at any of these places," says Mr. Gunn.

Mr. Gunn has three children. They include Hershel Gunn of Dimmitt, Loula Burnett of Brownwood and Zethel Bradshaw of Ardmore, Okla. He also has eight grandchildren and 14 great grandchildren.

Mr. Gunn feels that South Hills Manor is a fine place to stay and he likes the people who work there. "They are all good people and very nice and the food they serve here is good too," he says.

Although new to the county Mr. Gunn has already made himself at home here and he is thoroughly familiar with the aspects of farm life that keep Castro County humming, as he has spent most of his life on the farm and knows all the phases of farm life.

Why not drop by South Hills Manor the next time you're in Dimmitt and pay Mr. Gunn a visit. He lives in Room 7, Hall F and will be glad to talk with you.
