PRICE 50 CENTS

NUMBER 31

THAT'S A LOT OF BULL—Royce Jennings of Wingate appears to have a pretty good grip on the situation as he completes his bull ride during the AJRA and Open Junior Rodeo held this past weekend in Winters.

Approximately 200 boys and girls from ages 9-19 participated in the second annual AJRA event sponsored by the Winters Rodeo Association.

CLOWNIN' AROUND—Devery Rosenquist of Oplin, far left, takes a breather from his rodeo clown duties to pick up some advice from Ray Guevara, Raymond Cisneros, and Bobby Palmer who spent many warm hours cooking fajitas during the three day rodeo.

Elementary registration scheduled for August 10

Registration for elementary school students will be held on Monday, August 10, from 8 a.m. until 12 noon.

Pre-Kindergarten and Kindergarten students will need their immunization records, birth certificates, and social security cards.

Elementary students, grades 1-6, will need their immunization records, social security cards, and last year's report card.

Students who were in attendance at Winters at the end of school will not be required to register.

7th grade orientation and schedule pick up August 10

Winters Secondary School will have 7th grade and new student orientation on August 10, 1992 at 8:30 a.m. in the high school auditorium.

Seventh grade students will pick up their schedules at this time and also be familiarized with first day of school procedures.

Other students will pick up their schedules for the 1992-93 school year on August 10 at the following times:

- Seniors - 9:00 a.m.
- Juniors - 9:30
- Sophomores - 10:00
- Freshmen - 10:30
- 8th graders - 11:00

Recreational vehicle parking available at Wes-T-Go

Overnight recreational vehicle parking is available at Wes-T-Go at the intersection of Hwy 83 and SH153. There will be electrical hookups as well as water but no dumping facilities.

It is for RVs only. There will be no tent camping or other type of camping.

Wes-T-Go provided the land,

the city leveled the land and installed the water. West Texas Utilities provided and installed the hookups for electricity. The Chamber of Commerce will pay the utilities.

The Chamber of Commerce looks forward to having many guests in town.

WEST TEXAS UTILITIES MEETING—Gary Moore (right), local WTU manager, stands with WTU President Glenn Files who spoke at a dinner honoring WTU area managers and members of the news media. The dinner was held in San Angelo at the Holiday Inn on July 17.

WTU serves 177,000 customers covering 72 counties and 53,000 square miles of West Texas.

Barbecue meal planned for August 6th in Ballinger

The annual Runnels County Farm Bureau barbecue will be held Thursday, August 6, 1992 in the Ballinger City Park at 6:00 p.m. Each Farm Bureau membership is entitled to two free adult plates.

All non-members are invited to attend. Tickets for non-members will be \$5.00 and a child's plate will be \$1.00 each.

In case of bad weather, serving will take place in the Community Center.

Local farmers gather and prove small town advantage

"You know you're in a small town when you dial the wrong number and talk for 15 minutes anyway." That is just the way it is in a small town, everyone knows everyone.

On Friday, July 24, the "small town" advantage became evident as friends of Dennis Poe gathered to lend support to their dear friend.

Dennis Poe has recently been diagnosed with cancer, and many friends began asking if they could help in any way possible.

People met and discussed the situation and approximately 29 farmers assembled at Poe's Corner early Friday morning to farm the land Dennis is now unable to farm.

Farmers donated time, tractors, and support to the family, but they were not alone in the efforts. Local businesses also offered their support to the cause.

Hollis Dean furnished a brisquet lunch for the men, G.W. Sneed donated farm equipment parts, and Gene Wheat sent diesel trucks to fill the tractors.

The following men all contributed Friday morning: Pyburn Brown, Delbert Kruse, Gilbert Minzenmayer, Edwin Deike, Mike Deike, Mark Deike, Suvem O'Dell, Thurman Self, Brent Mikeska, Red Barnes, Jim Bar-

nes, Vecinte Martinez, Jack Burton, Jerell Walker, Scotty Belew, Edward Bredemeyer, Bill Bredemeyer, Bobby Wayne Bowen, George Mostad, Benny O'Dell, John Paul Belew, Billy Frank Belew, Billy Joe Walker, Bud Busher, Jim King, Cecil Tekell, Ronnie Denton, Marvin Gerhart and C.R. Dean.

A special thanks should be

given to everyone who helped Friday morning. It is always nice to see a "small town" uniting for a single cause.

Because of the big cities, many people now believe that small towns have nothing to offer. The "small town" advantage *does* exist and you can see it working through your very own friends and family every day.

READY TO HELP—Scotty Belew is one of several farmers who helped farm the Dennis Poe land on Friday, July 24.

Approximately 29 men and three businesses donated support, time, and parts for the effort.

Public pool to open at night

The Winters Public swimming pool will be open Tuesday and Thursday nights beginning July 28 from 7:00-9:00 p.m.

Regular admission will be charged, so everyone come on out and enjoy the pool after hours.

Girl Scout sign-up swim party August 3

The Winters Girl Scout Service Unit is hosting a sign-up swimming party on Monday, August 3 at the City Pool. Swimming will be from 7:30 to 8:30, with refreshments immediately following.

All currently registered Girl Scouts are invited to come swim and sign-up for another year in Girl Scouting. Also, any girl entering kindergarten or older, who is interested in becoming a scout, is invited to come sign-up and

enjoy the swimming. A parent must accompany the daughter to sign her up.

Leaders will be available to discuss the program with you, and answer any questions you might have.

Any adult interested in a leadership role is invited to come talk with the leaders. You do not need to be a parent to volunteer.

For more information call Easter Walden at 754-5394 or Chris Parramore at 754-4917.

OIL BIDNESS

By Reg Boles ©1992

There is a significant story developing that highlights the contrast between the U.S.'s and other countries' attitude toward petroleum exploration and production.

The story involves a new, potentially major discovery offshore Cuba.

The interesting thing about the discovery is the role geography plays in the whole thing.

But first, some history. (Sounds like school—history... geography?)

The state of Florida wants no drilling within 100 miles of its coast. Tankers are fine, but drilling wells are a no-no. This nonsense is based on faulty logic, because tankers spill more oil than offshore wells ever could.

So great was the state's desire to prevent drilling, that it was able to win a moratorium off both its coasts in Congress.

Unfortunately for Florida, Cuba is only 90 miles offshore.

And, Cuba has just announced a seismic find that could possibly be a very large oil field, and that discovery is located north of Cuba. North of Cuba is south of Florida, and the find is right smack dab between Cuba and Florida.

A French company has the concession on the find, and it will very likely begin exploration drilling in the near future to ascertain the feasibility of the find. That will mean drilling off of Florida, within the 100 mile forbidden zone.

The most significant thing that is coming out of this development is the response by the U.S. and Cuba. They are quite different and really point up the differences in philosophy held by the rest of the world as opposed to the U.S. position when it comes to oil and gas.

Cuba says development of the prospect is very welcome, and would be pleased if work were to start immediately.

The U.S. and Florida are horrified at the thought of the development actually taking place. Most of the members of each Congress believe that it means impending doom. At least, that is the way it seems based on their pleadings with the French company not to develop the prospect.

One might say that Cuba is in dire need of oil, and we are not. Therefore, it is easier for them to want development in spite of potential environmental hazards.

After all, Cuba's energy situation is much different than ours, right?

Let's review.

Cuba is smaller than the U.S., and their reserves are also small. But, they do have about 100 million barrels of reserves, and they do have domestic production. The ratio of production to inhabitants of Cuba is not that much different than the ratio of production to inhabitants of the U.S.

As a matter of fact, they import about 60% of their petroleum requirement. We import about 55%.

As you see, the only real difference between us and them is that their government feels that domestic production is something that should be supported and allowed to increase. In the U.S., that is obviously not the case.

There is hope for the U.S., though. When the I.R.S. hears that we may be able to claim part of the reservoir as U.S. property, it will salivate at the opportunity to get the thing producing. After all, with all of the taxes that can be collected on oil and gas properties at stake, the I.R.S. won't stop until the thing is producing. Death and taxes...

LONE STAR STATE HISTORY by DAN BROWN

INSTANT TOWN ... Henry H. Campbell established his Matador Ranch in 1879, in present-day Motley County. By the late 1880's he had built it into a half-million-acre empire. In order to organize a county seat the General Land Office required a town to have at least 20 businesses. Matador County had no town. What to do? Answer, create one. With borrowed supplies from the ranch commissary the cowboys created an "instant town," Matador, which was designated as a county seat.

From The Well

by
Pastor Jim Hanson
St. John's Lutheran Church

It is a wonderful thing to hold a baby in your arms. And this past week on two different occasions, I've had the privilege of doing just that! To feel, under your fingers, new life, wiggling and squirming, discovering new movements and making new motions. To look into new eyes, eyes eager to see brand new sights. To hear the coos and cries of pre-speech. Babies are wonderful.

I wonder what would happen if we were to take babies to the old folks home, and put them in the laps of the people there. Those two little boys that I picked up surely picked me up. They breathed new life into me. I do believe it is contagious.

I remember a movie I saw years ago. There was a scene that I'll never forget. A ninety two year old lady, wrinkled, nearly blind, and hard of hearing was sitting on the front porch in her rocking chair. People were coming and going, and nobody paid her attention. But a little boy, about six years old, came up to her and gave her a "little boy" kiss on the cheek. The little old lady could hardly believe it, that someone so young, and a boy at that, would love her in this special way. She put her hand to her cheek, almost as if to rub that kiss right into her skin so she would never forget. And then she said, "I've been reborn!"

Rebirth is like that. We wouldn't know anything about rebirth if we didn't know about birth. And a brand new spanking baby. And new life. No wonder the greatest story on earth begins in the womb of a virgin, and the little child to be born is called "wonderful." And the angels sang. And kings came bringing gifts.

So, let's bring on the babies. In the deepest part of our hearts there is no such thing as an unwanted child. We all want them. We all need them. Without them, we are left with the worst in us. But, with them, they bring out the best in us!

Preschool applications now being accepted

St. John's Christian Preschool is accepting applications for the 1992-93 school year.

Classes will be held on Tuesday mornings from 9 to 11:30 a.m. The classes will be held September thru May for children who will be three or four by September 1, 1992.

Children of all races and religion are invited to attend. Enrollment is based on a first come, first serve basis.

Enrollment fee will be \$80 for the year, plus \$5 supply fee. This may be paid yearly, quarterly, or monthly.

For more information call Mary Kurtz, Director/Teacher, at 754-5182 or St. John's Lutheran Church office on Monday, Wednesday, or Friday from 9 a.m. to noon.

Pioneer Church of God News

by Dixie Leverett

We cry out "bless me" when we have a need. We cry out "help me" when the trials come. We cry out "forgive me" when we've done a wrong. We cry out "be merciful" when we are in pain. We cry out "Oh Lord" when we need his hand.

We are faithful when we receive what we want. We are faithful when things go smoothly. We are faithful as long as we suffer no pain. We are faithful as long as we have his hand. Why don't we say "thank you" when we have no need?

Why don't we say "Praise your Holy Name" when we have no trials? Why don't we say "I love you" at all times? Why don't we "smile more" when we have no pain? Why don't we raise our eyes, our hearts, our voices and our hands "to praise the one from whom all good things come?" God is so good, he loves us no matter what we do. He deserves all we have to give him.

Thessalonians, 5:18 "In everything give thanks: for this is the will of God in Jesus Christ concerning you."

Friday, July 31, our youth group will go to Abilene State Park for some fun and fellowship. Paul and Maria Bellinger will accompany this group. Also the teenagers class along with teacher Johnny Plumby will go bowling.

We have a wonderful group of young people and they deserve the time.

Spirit Filled Happenings

THE ROCK OF RESTORATION

We have talked about the Rock of Redemption and now let us look at that same Rock and think of Restoration. First let us read Isa. 32:2 "...And a man shall be as a hiding place from the wind, and a covert from the tempest; as rivers of water in a dry place, as the shadow of a great ROCK in a weary land.

Take a look at this text with me and this part of the verse, "...And a man shall be...as the shadow of a great Rock in a weary land..." As a true child of God, can you see what is being said here? Christ (THE ROCK) is the Christian's protection. When the storms of life are raging, He is our ROCK in whose shelter we can safely hide. He has said that all can come to him in a time of trouble. And so many take him up on that only, in time of trouble, not any other time. Can we not come to Him just because we love Him?

When we are so tired and given out, we can come to Him and find the peace and rest we so badly need. So often I have just come to Him to find rest and quiet. It is His pleasure to give you that rest when you need it most. Rest from the storms that have wearied you, rest from the hardness of others that has come your way. REST in the Rock. Christ is the true Christian's Rest. When we become exhausted by the hurry scurry of busy times, we can find healing through prayer and the promises found in the Word.

Read Ps. 37:7 with me. "Rest in the Lord and wait patiently for Him: fret not thyself because of him who prospereth in his way, because of the man who bringeth wicked devices to pass."

Christ restores our strength in time of need. He is the Rock of restoration to those trust in Him completely. Take a close look at Ps. 23:3 "...He restoreth my soul..."

We of Guiding Light Spirit Filled Baptist Church extend a welcome to one and all to come worship with us. Pastor Thompson preaches the ole fashion message of Redemption and Salvation as it was preached in the beginning. You will not leave as you came.

Next week be sure to stay with this series as we look at THE ROCK of RESOLUTION.

Medicare can help pay for mammogram cost

Breast cancer is among the top health concerns of American women. In fact, more than 40,000 will die of breast cancer this year. Fortunately, more and more women have learned that early detection through mammography could allow effective intervention and treatment of the disease.

However, many women may not know that part of the costs of mammography screening may be paid for by Medicare. Since January, 1991 Medicare Part B has paid for up to 80 percent of the lowest of these three amounts — (1) the physician's charge; (2) the amount allowed under the Medicare physician's schedule; or (3) the established fee limit. (The 1992 fee limit is \$56.76 of which Medicare would pay a maximum of 80 percent or \$45.41.)

Who is eligible? Women must be age 65 or older, or receiving Social Security disability benefits to be eligible.

Medicare will help pay for diagnostic mammograms for women who have any signs of a problem — such as a lump or mass in the breast — any time they're ordered by the attending physician and are considered necessary.

If a woman is 65 or older, Medicare helps pay for a mammogram every other year. For women aged 35-39 who are dis-

abled, Medicare will help pay the cost of a baseline mammogram. For women who are disabled and aged 40-49, payment is for one screening every other year.

Women aged 50-64 who are disabled are covered for a yearly mammography screening. And, so are women aged 40-49 who have been diagnosed as high risk for breast cancer.

For information about this coverage, consult the Medicare carrier responsible for processing Part B claims. In Texas, that is Blue Cross-Blue Shield, 1-800-442-2620.

Information on cancer detection and prevention is available through the Cancer Information Service's toll-free number. Contact them at 1-800-4-CANCER.

Vacation Bible School studies "Caring for the Earth"

TREE PLANTING—Justin Laird helps leader Brenda Watkins and others during St. John's Lutheran Church VBS.

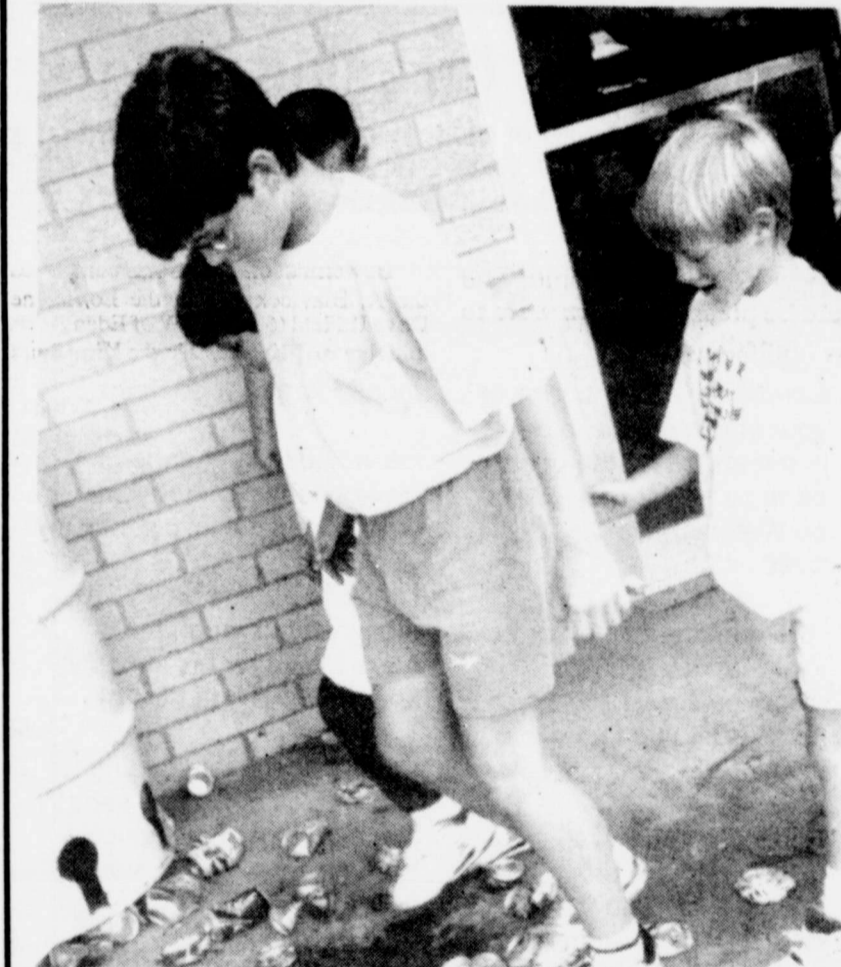

During the week of June 29-July 3, St. John's Lutheran Church was filled with excitement.

The theme of this year's Vacation Bible School was "Caring for the Earth." Each day the children studied a lesson in the Bible on caring for the Earth. Their teacher was Peli, a Pelican, who taught the stories of Creation, Noah and the Ark, Zacchaeus, and the Good Samaritan.

The children enjoyed working with their hands by making Terrariums, Egg-Shell caterpillars, windsoxs, Pelican puppets, and individual T-Shirts. Also, they enjoyed hula hoop relays, ball tosses, and Jumping the Creek.

The week was highlighted by a program at the Nursing Home, planting trees at the North Runnels Hospital and hot dogs at the church.

Special projects included a donation to the food pantry and the offering of money was sent to Bangladesh for trees and water pumps.

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

Guidelines For Screening Mammography Established by the American Cancer Society.

- I. 35-40 years of age - One baseline mammogram.
- II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
- III. 50 years of age and over - An annual physical examination and annual mammogram.
- IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$70.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

Time out for good deed

The following is a copy of a letter sent by Mrs. Odessa Dobbins of Winters to the Southwest Coca-Cola Bottling Company, Inc. The letter appears in the Employee Newsletter "Classic Comments."

Dear Sir:

I would like to let your Company know that one of your employees is to be commended for the good deed he performed for me on Wednesday, May 20, 1992.

After arriving home from Wal-Mart in Ballinger, I discovered my billfold was no where to be found in my car.

Within an hour, your Company truck drove up in my driveway and the driver, Daniel Martinez, had found my billfold—with everything intact!! He

would not accept any money for his good deed.

He is to be commended for his honesty and for taking time to help his fellow man.

I think he should be recognized through the news media for his honesty and good deed to help me. I would appreciate getting his address so I could send him a card of appreciation. He only gave me his work address.

Thank you!

Respectfully,
 Mrs. Odessa Dobbins

Winters Chamber membership campaign off to great start

The Winters Area Chamber of Commerce membership campaign is off to a great start! A special thank you goes out to individuals who have joined the Chamber of Commerce to help improve the economic conditions of our community.

New members include James and Ramona Hanson, Joanie McAdoo, Jimmy and Bonnie Walker, R.W. and Nancy Bradshaw, Therea L. Powers, Bendina Spill Ashburn, Lucille B. Hill, K.W. and Geneva Cook, Judith A. Cook, Walter Durham, and Aref Hassan.

As the Chamber Directors can not see or visit with each of you personally, they would like to give you the opportunity to join The Winters Chamber of Commerce by filling out the application below and returning it to the Chamber Office.

You may bring the application to the office in person or mail it to 118 West Dale St., Winters, TX 79567.

The Chamber needs your support and you would enjoy being a member of the Chamber family. The fee is \$15.00 for a family or individual.

Poe's Corner

by **Charlsie Poe**

On! Sail on!

A little jingle that I read ten years ago keeps ringing in my mind as I read about the First Baptist Church Vacation Bible School members taking a Fantastic Journey back 500 years to the time of Christopher Columbus. Carl Grenwelge, dressed as "admiral" stood guard as the crew set sail. The jingle said:

In fourteen hundred ninety two Columbus sailed the ocean blue And that's more than you can do in nineteen hundred eighty two.

(This is just about as true in 1992).

Three little boats rest on the church lawn as a reminder of the three sailing vessels: the Nina, the Pinta and the Santa Maria. Columbus used these vessels as he set sail from Palos, Spain on August 3, 1492.

This was perhaps the bravest exploit ever undertaken, for Columbus was sailing not along the coast, but into the "Sea of Darkness," as the Atlantic was then called.

The crew did not share his belief as to the outcome of the voyage. They sailed for weeks, often with no sign of land and the crew wanted to turn back, but the captain remained firm and according to the poet said, "Sail on! Sail on! and on!"

Finally, signs of land began to appear, such as broken branches and land birds. On October 12 triumph arrived. Early in the morning they landed on an island which Columbus called San Salvador, now known as part of the Bahamas. He colonized Haiti, which he named Hispaniola. Columbus left a fort and 37 men and then began his return voyage. He took with him gold and a few Indians.

Columbus was given an enthusiastic reception by the King and Queen and by the people, for had he not opened up to them the wealthy Indies?

For his next voyage, Columbus had no difficulty in securing ships, money and men.

When Columbus set out September 25, 1493, he had 17 ships and 1,500 men. After touching at Dominica, he went on to Hispaniola but found his colony had disappeared. The natives, cruelly treated by the Spaniards, had put them to death. A new colony called Isabella was founded where Columbus spent two years.

In 1498, Columbus landed at Venezuela. He then proceeded to Hispaniola where he found a new town, Santo Domingo. Columbus was arrested and sent home in chains, but the King and Queen had him freed. In 1502, they allowed him to set out on another voyage--his fourth and last. Everything he attempted seemed to fail. Disappointed and worn out, Columbus died at Valladolid on May 20, 1506.

As far seeing as he was, Columbus had no conception of what his discovery really meant to the world. Because of his journey, the course of history would be entirely changed; prosperous nations would grow up in the new hemisphere which he had discovered.

Other navigators were convinced that the dangers of the open sea were not so great. They made the voyage, and one, Americus Vesputius, had the honor of giving his name to the great new continent.

Vesputius had been a friend of Columbus, and withheld nothing due his memory. Efforts were once made to change the name of the western world to give honor where honor was due and call the western world Columbia, but the name had become too firmly fixed to be changed.

On the 400th anniversary of the first voyage of Columbus, the World's Columbian Exposition was held in Chicago.

It has come to my attention that many of you are not aware of the services Browning-Ferris, Inc. (BFI) provides with their garbage pickup.

On a weekly basis, customers are allowed up to 12 plastic bags or receptacles with a capacity of greater than 20 gallons but not more than 32 gallons. The weight of the container and its contents shall not exceed 60 pounds.

On a monthly basis, customers are allowed one bulky waste item per month. Bulky waste is defined as waste generated by a single family residence which is too large, heavy, or bulky to pick up on the regular collection day.

Examples of bulky waste are: stoves, refrigerators, sofas, or other large appliances. Bulky waste should be placed at curbside and will be picked up at the first opportunity when space is available in the garbage truck.

Pick up of extra items, other than those mentioned above, will be provided by BFI subject to an

extra charge. BFI will also pick up limbs, provided they are cut in 4' lengths and bundled in no more than 50 pound bundles.

The City also has a Convenience Center located approximately 1-1/2 miles West on S.H. 153 West and 1/2 mile South on County Road 334 (across from Pool Well Service). It was created to act as a controlled dump area and all citizens may bring trash to the Convenience Center.

You are responsible for unloading your own trash with a fee being collected for using the Convenience Center. Charges are based on a per trash bag (\$1.00 per bag) or per pickup/trailer (\$5.00 and up) basis.

The Convenience Center is open on Tuesday and Thursday from 2:00 p.m. to 6:00 p.m. and Saturday from 10:00 a.m. to noon and 1:00 p.m. to 5:00 p.m.

Sorry, but no tires, barrels, chemical containers, or brush that is not cut up and/or bundled, will be accepted.

"Oliver" performance at McMurry Dinner Theatre

The popular musical comedy "Oliver," based on the Charles Dickens novel "Oliver Twist," will conclude McMurry University's Summer Dinner Theatre season with performances July 30-August 1, August 6-8 and 13-15.

Oliver tells the story of the hapless orphan, Oliver, who is "sold" from a workhouse to an undertaker and escapes to London only to fall in with a band of pickpockets headed by Fagin and his assistant, the Artful Dodger. They introduce him to the seedier side of London including the villainous Bill Sikes and his girl Nancy. Oliver passes from one hard scrabble existence to the next before he finally finds a home and someone to love him.

Well-known songs from the score include "Where is Love," "Consider Yourself," "As Long As He Needs Me," and "Who Will Buy This Wonderful Morning."

Tickets are \$17 per person for dinner and show and \$9 per person for show with dessert only. All Thursday tickets are discounted by \$1.

Tickets may be purchased at the McMurry Theatre Box Office in the Amy Graves Ryan Fine Arts Center between 1 and 5 p.m. Monday through Friday throughout the summer and from 10 a.m. to 5 p.m. on all performance dates including Saturdays.

Phone reservations can be made during the box office hours by calling 915-691-6302. Menu for the dinner includes a choice of prime rib of beef or poached salmon Roulade with dill cheese sauce, baby new potatoes, sweet peas and carrots, fresh-baked rolls, double chocolate torte, and iced tea or coffee.

For more information on "Oliver" or McMurry Summer Dinner Theatre, please call (915) 691-6302.

CONGRATULATIONS—Ramona Gonzales, from Ballinger, was honored with a retirement party in the Stamp Department of Dry Manufacturing Division of Eljer. Ramona has worked for the Company over 15 years and is retiring August 10th.

Crews News by Hilda Kurtz

"Age is only a matter of mind. If you don't mind, it doesn't matter."

The community of Crews expresses sympathy to the Braggs families due to the death of son and brother, Russell. He passed away in Shannon Hospital in San Angelo. Graveside services were held at the Glen Cove cemetery on Thursday. Russell was born and raised in our community and was 57 years old.

Lawan and Coleman Foreman had their 21st wedding anniversary on Friday. Congratulations to both of you and many more anniversaries.

The Therin Osbornes are putting a new roof on their house this week. Helping put on the roof are the Roy Mathis and Wesley McGallian families.

On Sunday Bro. Oscar and Janie Fanning were dinner guests of the Therin Osbornes.

Gary Hill of Eastland spent the weekend with Claudia Hill. Mike of Sweetwater came Saturday and

Mr. and Mrs. James Lanham of Abilene also visited.

As I'm writing this I'm missing a good rain to the north. I only had a sprinkle.

Helen Alexander and grandson Brandi Alexander visited her sister Lavonda and her husband Weldon Foreman in Kerville this week. Others attending the small reunion were Margie, another sister, and her daughter, Lamoyne of San Antonio; and her uncle Charles and Aunt Annie

Mae Bowlin of Boerune.

Adeline Grissom and I attended the REA meeting in Ballinger Friday night. Others I saw that came were the Alexanders, the Gibbs, Praters, Selma Deitz, John Johnson, Coleman Foreman, Margie Jacob and grandsons, Jeremy and Tiffany Prater and Desiree Mathis. The 4-Her's helped serve ice cream and cookies.

Cookie, Cory and Brad Vandant and Brenda Jacob of San Angelo spent Sunday with Mar-

gie Jacob. Claudia Hill came Friday afternoon.

Adolph and Natalia Minzenmeyer came during the week and took Marie to town.

Those attending the Parker reunion Saturday and Sunday at Fort McKavett were Melvena, Marvin and Keith Gerhart; Brett, Sherri, Bryant and Braden Mike-ska; and Scott Gerhart of Temple. Fifty-five attended the event.

Ray, Sherri, Amanda and J.T. Cooper spent Sunday with Pat and Earl Cooper. They enjoyed swimming in their pool.

Those attending the Texas and Oklahoma Faubion reunion Saturday and Sunday at the Presbyterian Camp Briarwood near Denton were Noble and Harvey Mae Faubion and grandson; Bernie, Rodney, and Brian Faubion; Sam and Dee Faubion; Carl and Sybil Faubion; Pat Aurbey; and Chris and Melessa Faubion. WTU sells bonds

West Texas Utilities Co. sold \$25 million of 7-3/4% first mortgage bonds due June 1, 2007 to underwriters in a negotiated offering. The proceeds from the sale of the bonds will be used to refund \$25 million of 9-7/8% bonds due May 1, 2009.

According to Paul Douty, WTU's vice president of finance, this transaction will produce over \$2.5 million of total savings for WTU which will help keep the company's costs down.

Morgan Stanley & Co. Incorporated is lead manager for the offering with Smith Barney, Harris Upham & Co. Incorporated as co-manager. The bonds are offered to the public at 99.329% to yield 7.826% to maturity.

The proceeds to WTU were 98.579%, resulting in a cost of money of 7.913%. The new bonds are rated Aa2 by Moody's, Aa- by Standard & Poor's and Aa by Duff & Phelps' bond rating services.

Mrs. Kyle Hersey

Graves - Hersey united in marriage

Jana Lynn Graves and Kyle Shannon Hersey, both of Houston, were married July 11, 1992 at the First Baptist Church of San Angelo. Dr. Jerold McBride officiated.

Parents of the bride are Mr. and Mrs. Bill G. Graves, of San Angelo, formerly of Winters. The bridegroom is the son of Mr. Marvin Hersey of Atlanta, Ga., and Mrs. Sylvia Johnson of Houston.

Maid of honor was Laura Graves. Bridesmaids were Melissa Sherrod of Hale Center, Andrea Book of Miles, Sally Cook of Irving and Helen Cochran of Fort Worth.

Best man was Miles Hersey of Carrollton. Groomsman were Ted Johnson Sr. of Houston, Ted

Johnson Jr. of Boulder, Colo., Allan Graves and Andrew Graves.

Ushers were Greg Sherrod of Hale Center and Jeff Tankersley of Mertzon.

Mrs. Hersey is a graduate of San Angelo Central High School and received a bachelor's degree in education from Texas Tech University in 1991. She is employed with the Tomball Independent School District.

Her husband is a graduate of Westfield High School in Houston and received a bachelor's degree in advertising from Texas Tech University in 1991. He is employed with the H.G. Pappas Corp. in Houston.

After a wedding trip to the Grand Cayman Island, the couple will live in Houston.

Norton Notes

by Janice Lange

"Often the roughest road may be the best way to where you want to go."

Friday night Norton was well represented at the Coleman Electric annual meeting. At least three of the prizes given away were won by Norton folks.

The Norton 4-H members participated in serving ice cream, cookies, and punch at the Coleman Electric annual meeting.

Children from violent homes

In homes where domestic violence occurs, fear, instability and confusion replace the love, comfort and nurturing that children need.

Children of domestic violence live in constant fear of physical harm from the person who is supposed to care for and protect them. These children may feel guilt at loving the abuser, or they may blame themselves for causing the violence.

For the children whose mothers are abused, more than half are also likely to be victims of physical abuse. Older children are often injured while trying to protect their mothers from harm.

Whether or not the children are physically abused, they suffer emotional trauma and psychological scars from watching their fathers beat their mothers.

Children from violent homes may experience stress-related physical ailments, as well as hearing and speech problems. Children from these homes also have higher risks of alcohol or drug abuse and juvenile delinquency.

If you or anyone you know is a victim of domestic abuse, call the ICD Family Shelter 24-hour toll-free hotline. The Shelter also offers free counseling for victims of domestic violence. For more information about the Shelter and its services call 1-800-749-8631.

Information for this article was taken from the brochure "Domestic Violence: Understanding a Community Problem," printed by the Department of Human Services.

More Rodeo Action . . .

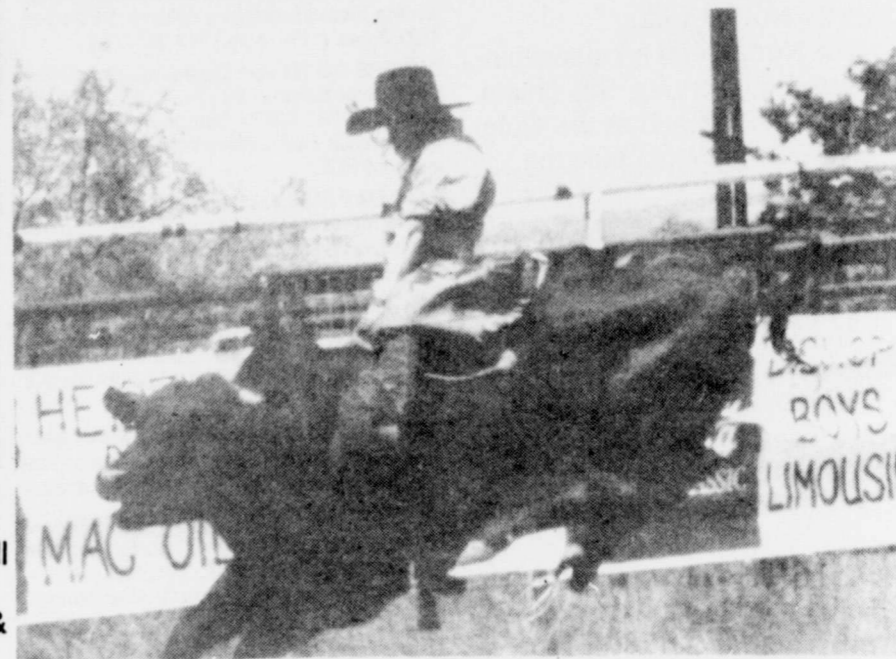

RODEO ASSISTANT—Latricia Palmer of Winters spent three full days in the saddle as she helped clear stock from the arena during the Winters Rodeo.

A TRUE COWBOY—69-year-old Connie Gibbs of Winters still sits tall in the saddle after almost fifty years of rodeoing. Gibbs was on hand at the Winters rodeo held July 24, 25, & 26.

FOUR FAMILY "HORSEMEN"—Enjoying the second annual Winters AJRA rodeo last weekend were Tabatha, Travis, Trenton and Tamara Grohman, children of Freddie and Landa Grohman of Winters.

UP IN THE AIR— This unidentified cowboy made it to the buzzer for an exciting bull ride.

USDA announces wool & mohair support prices

B.J. Colburn, Chairman of the Runnels County ASC Committee, announced that the support prices for wool and mohair for 1992 marketing will be \$1.97 per pound for shorn wool and \$4.613 per pound for mohair.

Mohair is being supported at 85% of parity at which shorn wool is being supported.

Wool on unshorn lambs will be supported, as in the past, at a level determined by a formula based on the hundredweight on live, unshorn lambs marketed.
