D.H.S. SINGERS PREPARE FOR "AUTUMN MOON, A CHORAL CONCERT" . . . Set for Oct. 25 in the high school auditorium

**DHS Singers set Concert Oct. 25**

The Dimmitt Schools' Choral Department will present "Autumn Moon, A Choral Concert," Oct. 25 at 7:30 p.m. in the high school auditorium, with admission set at \$1 for adults, 50 cents for students.

popular selection "Born Free." Proceeds from the concert will go toward expenses for

the DHS Singers' trip to the Tri-State Music Festival in Enid, Okla. in May and for the Junior High Choir's trip to

the Greater Southwest Music Festival in Amarillo in April. Tickets will be available at the door or may be purchased in advance from any choir member.

**More about: Chatter ...**

[Continued from Page 2] Brother Marvin Roark and the children. Cindy Scoggin Ballew of Amarillo was honor guest at a baby shower Saturday at Martha Dannevik's home, with Martha's two daughters, Leisa Smith and Debbie Dannevik, and Debbie Althof, all from Lubbock, as co-hostesses. Special guests were Cindy's mother Babe Scoggin and grandmother Lois Bartlett. From out of town was Katy Thomas and Cindy Lyle of Amarillo, Sue Hawkins of Hart and Jessica Blount of Amarillo, who drove down with Cindy. Pumpkin rolls, coffee and spiced tea were served to 24 guests. Leisa is going to send the roll recipe to me. It is very good and can be frozen. Cindy and her husband Major are building a new house in Amarillo.

**Mexican food supper slated**

A Mexican food supper will be served at Richardson Elementary School cafeteria from 5:30 to 9 p.m. today (Thursday), sponsored by the Guadalupanas Club of Immaculate Conception Catholic Church. Tickets for the supper are on sale by club members at \$2.50 for adults, \$1.25 for children of 12 and under. The menu includes enchiladas, tacos, tamales, Mexican rice, fried beans, tea or coffee.

**White is candidate for attorney general**

Secretary of State Mark White resigned Monday to seek the Democratic nomination for attorney general. White, 37-year-old Houston lawyer and former assistant attorney general, has served as secretary of state since January, 1973. In announcing his candidacy, White said he views the office of attorney general as one of extreme responsibility to the people of Texas.

"Texans deserve an attorney general who is qualified and determined to lead the way to justice for all—not one who just wants to satisfy personal ambition," he said at press conferences in San Antonio, Austin, Houston and Dallas.

"The chief legal officer of this state should be a man who has the ability to stand on his own two feet, basing his decision on the law, legal precedents and common sense instead of on political considerations, past or present, direct or indirect," said White.

White said many people confuse his main opponent, Price Daniel Jr., with his supreme court justice father, Price Daniel Sr.

"I am proud to run on my own name and my own qualifications," he said. "I think the voters of this state are fed up with cases of mistaken identity and they want to vote for the best candidate, not the best known name. . . . Fortunately, we live in a country where high offices cannot be passed from father to son."

White said he intends to begin campaigning immediately and that his wife, Linda Gayle, will help in the campaign "as much as time—and our three children—will permit." The three children are Mark W. White III, age 7; Andrew, 5, and Elizabeth Marie, 3.

A 1958 graduate of Lamar High School in Houston, White received a business administration degree from Baylor in 1962 and his law degree

from Baylor Law School in 1965. He returned to Houston and entered private law practice. In 1966, White entered public life as an assistant attorney general in the insurance, banking and securities division.

As secretary of state, he has expanded services, especially in connection with election laws and voter registration. White has returned to the treasury more than \$4.2 million of the approximately \$27 million appropriated to his office.

White wrote and won passage of legislative measures making it easier to prosecute election law violations and providing stiffer penalties for such violations, also election code changes that make absentee voting easier. White initiated measures to improve communication between state government and citizens, including toll free information numbers and public listings of which officials are responsible for what and how to reach them.

As attorney general, he pledged to "eliminate as much red tape as possible and open up government operations to public view."

*How many pivot companies tailor lease payments to crop prices?*

**A New Lease from Lindsay.**

Lindsay's Zimmatic Crop Lease is a revolutionary leasing program. If you don't take a long, hard look at it, you'll be shortchanging yourself. The Zimmatic Crop Lease is unique in the industry. When you study this offer you'll see that Lindsay is ready to go the distance with you and share some of the same risks you face every year.

**Here are the details:**

- Term: 12 years
- Payment: Arrears
- Security Deposit: 5% of equipment cost
- Rate: Depends on corn price
- Option: Conversion to standard 10-year lease

Consider the features of the Zimmatic Crop Lease. First of all, if corn prices plunge, so does your lease payment. But also consider the low security deposit (lowest in the industry) . . . both fact that it's a 12-year lease (longest in the industry) . . . both features improve your cash flow each year of the lease. Your Zimmatic is out there raising your first year's crop before your first payment is due. And you'll be getting an annual interest payment on your security deposit to use as you wish. Whether you raise corn, alfalfa, wheat, sugar beets, potatoes, soybeans or whatever, the Zimmatic Crop Lease can work for you. Although the lease payment is based on the changing price of corn, Lindsay designed the program considering that over the long-term other crop prices generally fluctuate with corn. Come in and see us soon. When we put a pencil to this program, you'll see that no other center pivot irrigation company has a finance program that can compete with the Zimmatic Crop Lease.

ASCS Notes

Committee nominations for ASCS end Oct. 31

By CHARLEY E. HILL County Executive Director

Nominating by petition—Time is running out for farmers to turn in nominations for ASC committee election candidates.

The names of six eligible farm committee nominees must be received in the county ASCS office by Oct. 31, otherwise, the present ASC committee will have to add the names of enough nominees to complete the slate.

Farmers should continue to turn in nominations for ASC committee election candidates until the Oct. 31 deadline. When six candidates or more are nominated by valid petition, no further nominations will be necessary.

Farmers will be allowed longer repayment terms—an 8-year maximum instead of the current five—on new farm storage facility loans from the US Department of Agriculture, Charley E. Hill said.

problems of farmers obtaining new loans, and will substantially increase the size of the average loans," Hill said.

He mentioned other loan changes made earlier: (1) Increasing the maximum loan amount from \$25,000 to \$50,000; (2) Allowing storage needs to be based on two years' production rather than one; and (3) Decreasing the farmer's required downpayments from 30 percent to 15 percent of the cost of structures and equipment.

By increasing the number of installment payments, each installment will be smaller, thus allowing farmers more flexibility and lessening the possibility of delinquent or defaulted loans, according to a department spokesman.

The farm storage loan program is administered by the Agricultural Stabilization and Conservation Service through its county offices. From 1949 to 1976, over \$1 billion has been loaned to farmers through the program to farm facilities with storage capacity of over 2.4 billion bushels.

Sunnyside

Rites held for Mrs. Gilbreath's father

By TEENY BOWDEN

Dennis A. Barnett of Olton, the father of Mrs. John Gilbreath, passed away in Lubbock Wednesday. Funeral services were in the First Baptist Church of Olton Friday afternoon. He was 88. He became ill Tuesday and Mr. and Mrs. Gilbreath spent Tuesday night with him. They have been in Olton most of the rest of the week with relatives.

Mrs. Jack Clark was admitted to Plains Memorial Hospital in Dimmitt last Tuesday evening and underwent an emergency appendectomy Tuesday night. She was in satisfactory condition Sunday.

The Lions Club met for its regular meeting Monday night. They recently put in new windows on the north and east of the community building.

Tammy and Rhonda Ross were in Amarillo Thursday for their medical check-up. Tammy learned she will have to continue to wear her brace two or maybe three years longer. Rhonda was put in a new cast which is six pounds lighter and cut down considerably. Both were healing satisfactorily.

Carrie Sadler was honored with an enchilada birthday supper in her home Friday night. Present were her family, Mr. and Mrs. David Sadler and Karla and her grandparents Mr. and Mrs. Tex Conard of Dimmitt.

Mr. and Mrs. Cliff Brown attended the Running Water Arts and Crafts Festival in Plainview Friday and visited with his brother Mr. and Mrs. Hylton Brown, Tim and Gayle

Ann.

Mr. and Mrs. Alton Lounder attended the birthday party of Paula Sue Ivey. Baptist Women met Tuesday morning for the missionary program. Mrs. Raymond Jones, president, had charge of the meeting.

Correction: Mrs. Bruce Bridges is Mission Friends director not mission action as reported last week.

Francis Bryson took Daneen Wilson and Clint Dawson and the other members of the Springlake-Earth Drama Club to a theater production in Lubbock Wednesday night.

Daneen Wilson went with the Springlake Lions Club on a tour of Girltown at Whiteface last Sunday. They attended the worship service with them and had dinner with them. Daneen is the Lions Club sweetheart.

Mr. and Mrs. Winston Waggoner, Quint, Holly and Gay spent last weekend vacationing in Colorado.

The GA's met with their leaders, Mrs. Carl Dean Carson and Mrs. Lonnie Wilson, after school Thursday afternoon. They will be trick or treating on Halloween night for canned goods for Buckner's Children's Home in Lubbock. It cannot be home canned food except pickles and jelly and jams.

with Mrs. Sue Ivey and attended the birthday party of Paula Sue Ivey.

Mr. and Mrs. H. F. Moore and Mr. and Mrs. Lenoyd Moore of Weatherford spent last Sunday night through Tuesday with their aunt, Mr. and Mrs. Roy Phelan. Mr. and Mrs. Loyd Morris of Tulia visited with them Wednesday.

Mr. and Mrs. J. Paul Waggoner went to Houston last Thursday to visit with Mr. and Mrs. Mickey Waggoner, Jason and Julie. They all attended the Huntsville Prison Rodeo, and also visited with his sister Claudia while there. They returned home Wednesday.

Karla Sadler, Crystal Derrick and Christie Fields were initiated into the Brownies in the Investiture Service in Dimmitt Tuesday afternoon.

Melody Sadler spent Friday night in Dimmitt with a friend, Ja Cameror.

Mr. and Mrs. L. B. Bowden visited in Plainview Friday afternoon with Mancill McWilliams.

Mr. and Mrs. Embree Roy Sadler visited the last part of the week with Dr. and Mrs. Myles Sadler, Gregory and Amy. Cindy Sadler visited with them Thursday.

Mrs. Floyd Ivey visited in Canyon last Friday afternoon.

# Hornets upend Swifts in 2-B showdown

By PATRICIA KERN

Joel Williams broke away on a pair of long touchdown runs, and teammate Bob Graves added two more to give Sudan a 33-8 victory over the Swifts in Nazareth's Homecoming Friday.

Williams, the leading rusher of the night for Sudan, scored on runs of 47 and 82 yards.

A holding penalty which wiped out a 25-yard pass play was the first bad break for the Swifts. After punting from their own end zone, the Swifts gave Sudan the ball on the 5-yard line, and Ricky Stanford gave the Hornets a 7-0 lead with 9:37 left in the first quarter.

Nazareth drove to Sudan's 29-yard line on its next possession, but the powerful Hornet defense stopped the Swifts' fourth-down effort. When Sudan took over, Williams posted a 31-yard gain on a pass from Darren Pro-

vence, then broke through and scampered 47 yards to cap the 78-yard drive.

Two minutes into the second quarter Bob Graves added a 3-yard TD after Sudan recovered a Swift fumble on Nazareth's 31-yard line.

Williams, a 9.5 sprinter for Sudan, scored his second touchdown after the Hornets recovered another fumble on the 18-yard line. His 82-yard scamper gave Sudan a 27-0 halftime lead.

Graves added the last touchdown, a one-yard run, to give Sudan the last of its five TD's.

Chris Book scored the only Nazareth touchdown from one yard out, and Jimmy Huseman caught a pass from Kenny Brockman to give the

Swifts their 8 points.

Derwin Huseman, punter and leading rusher for Nazareth in its first seven games, was unable to play most of the game because of a sprained ankle.

The win gave Sudan a 6-1 record on the year and 2-1 in loop play, and command of

second place in the District 2-B race. Nazareth is now 3-4 for the year and 1-2 in district.

The Swifts will travel to Silvertown Friday, where they will try to even their record against the Owls, who are winless in district play.

## NAZARETH DITCHING SERVICE

Underground Irrigation and Pipe Repair

### KELVIN KLEMAN

945-2550 Days  
945-2535 Nights 945-2228

**GOTCHA!**—Nazareth's Jimmy Huseman [12] drives Sudan's speedy Joel Williams out of bounds at the Swifts' 10-yard line in the second quarter of NHS's Homecoming game Friday night. Also pursuing the Sudan runner are Neal Wilhelm [32], Frank Acker [62] and Alan Acker [42]. The explosive Williams broke loose on touchdown runs of 47 and 82 yards as the Hornets won the District 2-B contest, 33-8.

## Winning streak unbroken as 7-A beats Olton

It's now an unbroken string of five wins for Dimmitt Middle School's 7-A boys after they met another undefeated team, the Olton seventh graders, and beat them 14-0 Thursday night. Olton had a 3-0 record going into the game.

"Again, our defense really played well," Coach Shott Miller said as he praised the offensive effort of a backfield that used both running and passing plays effectively.

Dimmitt's 7-A defense has given up only 18 points in five games while the offense has scored 118.

After a scoreless first quarter against Olton, Fermin Gonzales recovered an Olton fumble at their 20. David Ogas ran 18 yards off tackle to the 2-yard line, then Richard Guzman ran in for the TD. Gonzales ran a two-point conversion to give Dimmitt an 8-0 lead through the scoreless third quarter.

Olton drove to the Dimmitt 10-yard line in the fourth, but Guzman intercepted a pass and returned it to the 25 to stop that threat. Tommy Gibson passed to Kevin Cleveland and the play carried 74

yards before Cleveland was finally hauled down just a foot from Olton's goal line. Gibson scored on a quarterback sneak.

Again Olton drove to Dimmitt's 10, but at the buzzer

## Dimmitt 8-A victors over Olton by 14-6

Dimmitt's 8-A boys won their first game of the season Thursday night when they dumped Olton 14-6. Their record is now 1-4 for this fall.

Olton struck first with a TD on an interception in the first quarter, but their 6-0 lead was short-lived as Kyle Neely took the Olton kickoff and ran 72 yards to the opponents' three-yard line and Deke Cearly scored on the next play to knot the score at 6-6.

At the start of the third quarter Larry Espinosa returned a punt 50 yards to the Olton 10, but the Dimmitt Middle School boys couldn't punch it on in.

After exchanging turnov-

ers, Dimmitt got the ball on Olton's 35, drove to the 12 and from there Neely raced in for the winning points. Mario Marino added the 2-point conversion for the final 14-6 victory.

Miller cited the offensive action of Steve Martinez and Troy Ellison, and on defense, Gonzales, Steve Lunsford, John Smith and Lonnie Robb.

"Our defense was excellent," Coach Jerry Durham said, "it didn't allow a gain of over 15 yards all night, and caught their ball carriers behind the line of scrimmage several times. On offense it was an overall good team effort."

TEXAS is divided into four federal judicial districts and each district is composed of several divisions.

There are five major American banks working actively to establish banking relations with the People's Republic of China. But one of those banks, the First National Bank of Chicago, is going after the Chinese hot and heavy.

The First of Chicago last week confirmed rumors that it is discontinuing any new loans to Taiwan in hopes of getting in the good graces of the mainland Chinese and becoming, someday, the lead bank for the People's Republic of China.

The withdrawal of the nation's ninth largest bank from Taiwan will be a complete break. The bank has about \$100 million in loans and credit in Taiwan. There is no plan to sell the loans to any other bank but the First of Chicago admitted that it had told the Nationalist Chinese Government last week that it did not intend to make any more loans in Taiwan. It also indicated a "scaling down" of banking activities to a limited correspondent relationship.

There can be no direct lending to the Communist Chinese by any American bank until the dispute over \$80 million in Chinese assets which were frozen in 1950 is resolved. In addition there is \$200 million in private American claims against the People's Republic of China which must be settled. Even if those two major items are settled, there can still be no banking activity until the PRC is granted diplomatic recognition by this country.

Other American banks with

active international branches wonder if the First of Chicago may have made a key blunder by cutting off Taiwan. There is a prevalent feeling that banking can be done with both Chinas. The PRC is well aware than any American bank with which it does business also does business in Taiwan. There is another angle. It is whether the mainland Chinese will take the attitude that the Taiwanese were on good terms with the First of Chicago and friends do not run on friends.

The First of Chicago spokesmen believe that the mainland Chinese offer a far greater potential for business. They point out that the PRC has 25% of the world's population and vast mineral resources which now are just being developed.

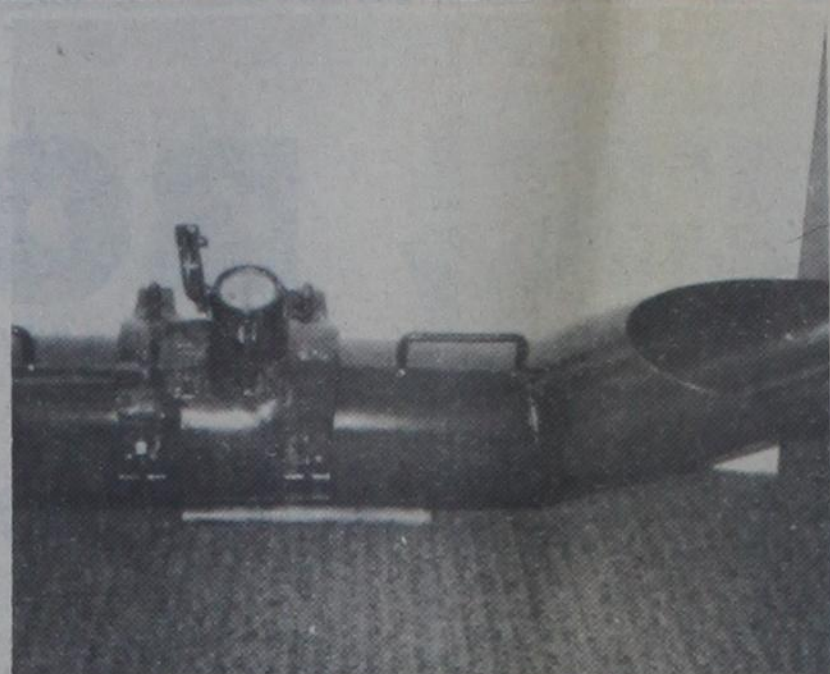

**NHS names officers, will sell greenery**

The Dimmitt National Honor Society has elected new officers for the 1977-78 school year and is selling Christmas greenery again for one of its money-making projects.

Cindy Wakefield is the new president of the club; Tobin Touchstone, vice-president; Becky Hand, secretary; Heidi Bruegel, treasurer; and Jean Bradford, reporter.

The members will be going from house to house, taking orders for wreaths, swags and centerpieces on Oct. 25.

If no one comes by your home, call 647-4539.

IRRIGATION SYSTEMS HELP  
... With water meter purchased by SWCD

**Conservation**  
Change 'inevitable' in fuel conservation

Change is inevitable in the farmer's search for ways to conserve fuel and maintain yields in the wake of petroleum shortages and higher prices, the national leader of the Soil Conservation Service says.

"Some farming systems will increase rapidly and others will be virtually abandoned," R. M. Davis, Soil Conservation Service administrator, said in the October issue of "Soil Conservation" magazine.

Minimum tillage, including no-till, is emerging as the most promising fuel saver for farmers. "This practice," said Davis, "has especially high potential for feed grains, cereals, soybeans, and cotton—the crops most in demand on the world market."

In Texas, a switch from conventional tillage to minimum tillage saves an average of about five gallons of tractor fuel per acre per year. Since some 456,000 acres were farmed with minimum tillage last year, this amounts to a saving of some 2.3 million gallons of tractor fuel.

USDA predicts that by the year 2000, minimum tillage could account for annual fuel savings of 850 million gallons in machinery operations.

Another energy saver is better management of irriga-

tion water. According to Davis, SCS estimates that by increasing the efficiency of both delivery systems and on-farm irrigation, farmers could save more than 230 million gallons of fuel each year.

"Although we can save a substantial amount of petroleum using the knowledge we have now," Davis said, "USDA and private groups are researching ways to save even more. And USDA is researching other energy sources, such as solar energy for drying crops and livestock wastes."

Davis appealed to soil and water conservation district officials to stay abreast of continuing research on new energy-saving practices and of all the possible benefits and drawbacks involved.

"By keeping informed of current developments in agriculture, SCS and district people can help farmers use fuel more efficiently without cutting agricultural production," Davis concluded.

The Running Water Soil Conservation District has purchased a water meter to help farmers in the district plan irrigation systems on their farms that will make more efficient use of energy. By applying the proper amount of water at the proper time, very little water will be wasted and production can be maintained.

**Annual reading lecture slated**

The second annual Ruth Lewes Lecture sponsored by the Panhandle Council of the International Reading Association will be held Saturday at Tascosa High School in Amarillo.

Dr. Reach Van Allen, professor of education at the University of Arizona, will be the lecturer. His subject is "Learning to Read Through Experience."

Pre-registration is required, closing Friday. Registration will begin at 8:30 a.m. Saturday when coffee will be served. A catered luncheon will close the session. A \$5 fee will cover registration and the lunch, and is to be sent to Bettie Seward, 910 West 8th, Amarillo.

The featured speaker holds BA and MA degrees from West Texas State University and an EdD degree from the University of Texas. He received the 1977 Faculty Recognition Award from the Tucson, Ariz., Trade Bureau.

THE NUMBER of workdays lost annually due to on and off the job deaths, injuries and work slowdowns and stoppages caused by accidents is equivalent to an annual one-week nationwide strike of all businesses and industries.

**Group from Egypt study Co-op system**

Four officials from the Egyptian Ministry of Electricity and Energy recently observed the way Deaf Smith Electric Cooperative conducts the business of providing electricity to an area of roughly 4500 square miles in size.

For more than 27 years, Egypt has been trying to accomplish rural electrification, but with little success, according to James Hull, manager of DSEC which serves parts of Castro County.

For the past 20 years, such effort has been, more or less, directed by the USSR. Design and technology for rural systems in the United States has never been presented to the Egyptian authorities.

The National Rural Electric Cooperative Association (NRECA) in Washington, D.C., the national association of Deaf Smith Electric, has been working with the Egyptian government to assist in solving the power problems of their country.

Fourteen engineers, financial and administrative personnel were sent to the United States for training. A part of this training included spending a week at electric cooperatives such as Deaf Smith Electric to view first hand the operations of a distribution electric cooperative.

**FIFTY-YEAR MEMBERS** of the Bethel Home Demonstration Club were honored last Thursday morning at a joint meeting of the Bethel and Town and Country Home Demonstration Clubs. They are [seated, from left] Millie

Lust, Buena Shwen and Robertha Bagwell, and [standing, from left] Grace Lust, Myrtle Williams and Zelma Smith. All are charter members of the Bethel Club.

## Six HD Club members honored

At a joint meeting last Thursday of the Bethel and Town and Country Home Demonstration Clubs, six charter members of the Bethel Club were honored for their fifty years of membership.

They are Robertha Bagwell, Grace Lust, Millie Lust, Buena Shwen, Zelma Smith and Myrtle Williams. The Lusts were both also members of a home demonstration club at

Claude for about ten years before moving to the Bethel Community.

The ladies said that the Bethel Club must have started around 1926 with the help of County Extension Agent Lotie Drennen. When asked if the club and its activities had changed much since then, the ladies replied, "Oh, yes! We used to really work."

The 26 present at the joint

meeting then heard reports from those who attended the Texas Home Demonstration Association State Convention in Galveston Sept. 22-24.

Bea Acker reported on a session about a rehabilitation school for young runaways and criminals. Naomi Scarborough reported on the delegates' session and the cultured arts and recreation workshop she attended.

Onida Hutto told of the health and citizenship workshops, and Margaret Womack spoke on the sessions about ethnic groups and safety, while Edith Graef related incidents from the banquet and awards program held the last night.

Certificates from the state organization honoring the fifty-year members, received at the convention, were presented to them at the meeting.

Refreshments were provided jointly by the two clubs.

## Clothing workshop offered

Interested in saving money on clothing? Want to have a well planned wardrobe? For the answers to these questions a basic clothing construction workshop will be held, beginning at 7 p.m. Tuesday in the assembly room of the courthouse.

This workshop is part of the educational programming sponsored by the County Family Living Committee and Texas Agricultural Extension Service. It is open to anyone regardless of race, color, socio-economic level, age, sex, religion or national origin.

In this workshop each participant will learn how to select patterns and fabrics, pattern alterations and how to construct a simple basic dress.

If any interested residents have any questions or want more information they are invited to call the Extension office, 647-4115 or 647-5219. Irene Keating, County Extension Agent, will be the instructor for the course.

### PLAINS MEMORIAL

Mr. and Mrs. Joaquin Gallegos of Hereford are the parents of a girl, Maria Isabel was born Oct. 14 and weighed 8 pounds, 11 1/4 ounces.

Mr. and Mrs. Roberto Garcia of Hart are the parents of a girl, Raynea. She was born Oct. 12 and weighed 5 pounds, 10 ounces.

Mr. and Mrs. Seth Ralston of Dimmitt are the parents of a boy, Wesley Ray was born Oct. 15 and weighed 8 pounds.

## Carnival booth plans formed by YHC board

Final plans for the Young Homemakers booth at the Lions Club Halloween carnival were made at a projects committee meeting last week. The booth will sell helium-filled balloons and stage tricycle races for pre-school children.

Members will plan their part in its operation at the regular meeting at 7:30 tonight (Thursday) at Dimmitt High School homemaking room. FHA members will babysit during the meeting. Vicky Smithson and Sherri Matthews will serve refresh-

ments and Kay Wardlow will give a dried flower demonstration. Members who plan to learn tole painting may pick up boards for the lessons.

Three new members, Kathy Urnick, Janie Winfrey and Debbie Hobgood, were welcomed at the last meeting. Any young woman out of high school and between 18 and 35 years of age is invited to YH meetings, the first and third Thursday of every month.

## 4-H leaders plan carnival booth work

A work schedule to operate the booth which Castro County Junior 4-H Leaders will man at the Lions Club Halloween carnival Oct. 31 was outlined at the Junior Leaders Club meeting Thursday.

A spook house will be the club's part at the carnival, and members plan to begin decorating it at 10:30 a.m. Oct. 29. The "spooky" story to be related to visitors at the booth will be made up during the decorating.

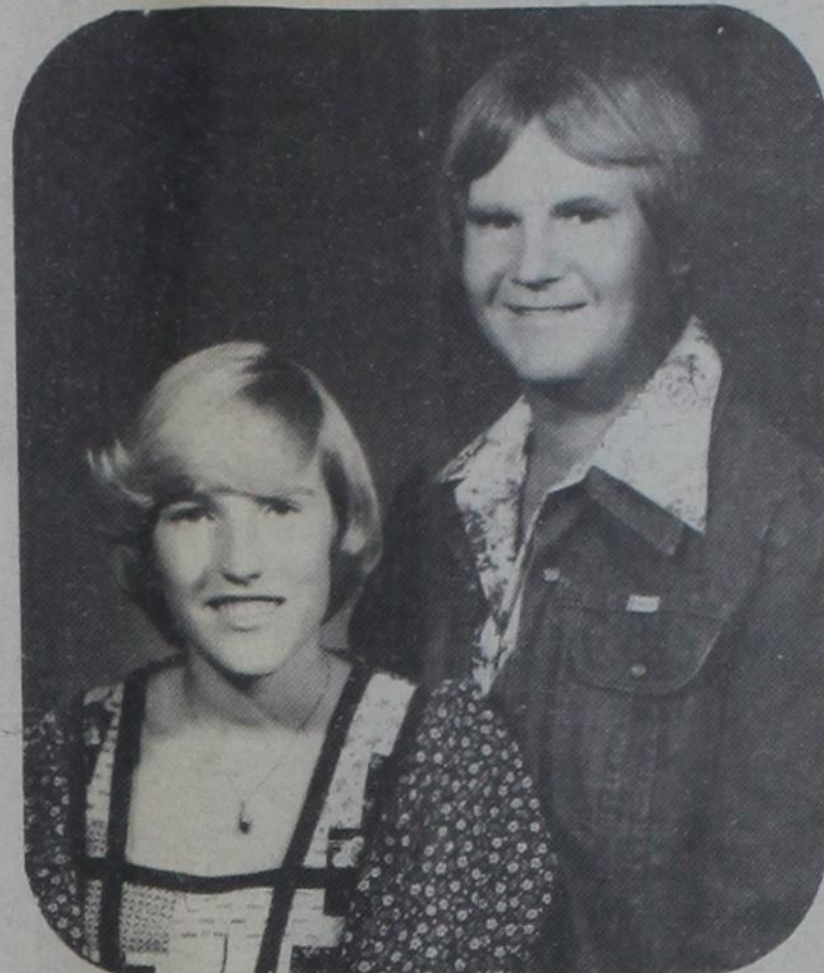

All 4-H clubs of the county are asked to have their materials at the carnival site, the La Mantia, Cullum & Collier Co. vegetable sheds, by 10:30 a.m. The work schedule for the night of the carnival will be mailed to members.

The club's next meeting will be Nov. 10, when the junior leaders will tour the Cowgirl Hall of Fame at Hereford.

## Art Club sets Monday session

The Nazareth Art Club will meet at 7:30 p.m. Monday in the basement of the Holy Family Church at Nazareth.

The program will feature the presentation of a surprise guest artist, according to Beth Schulte, president. She invites visitors to this or any of the monthly meetings of the club.

**DECEMBER VOWS SET**—Mr. and Mrs. James N. Smith of Dimmitt announce the engagement and approaching marriage of their daughter, Anita Neil, to Stephen Lloyd Bagwell, son of Mr. and Mrs. Milton Bagwell, also of Dimmitt. The couple will exchange wedding vows on Saturday, Dec. 3, at 7 p.m. in the First Baptist Church of Dimmitt. Miss Smith is a 1976 graduate of Dimmitt High School. Bagwell is a 1973 graduate of Dimmitt High School and is engaged in farming.

**TO BE MARRIED**—Mandy Jean Griffin of Olton and Billy Dean Hill of Hart plan to be married Oct. 29 in a ceremony at the home of the bride's parents, Mr. and Mrs. Leon Griffin, at Olton. Friends of the couple are invited to the wedding at 4 p.m.

### Irene's Ideas

## Just get the picture

All of us are becoming more aware of the high cost of living.

So many of our household possessions are accumulated over a period of years. Yet if something were to happen today we probably couldn't remember just exactly what we had. It is a good idea for us to photograph our property.

Pictures help you have proof of your possessions when a loss occurs. They also help the claims adjuster identify property lost or destroyed and determine quality and condition of the property in question.

Take exterior shots, too, making sure that the pictures include the entire house plus trees, shrubs and any special landscaping treatments.

On the inside, photograph every room. Include the ga-

rage, basement, attic, closets and cabinets as these may contain valuable household items. Be sure to get close-ups of such valuables as art objects, jewelry or silver.

Put the finished inventory and pictures in your safe deposit box or some other secure location away from your house. Review the adequacy of your home insurance coverage with your insurance agent.

## Henderson-Sears vows are spoken

The marriage of Vicki Lynn Henderson and Ronnie Sears was solemnized Friday evening in a simple ceremony at the Lee Street Baptist Church and the couple is at home in Dimmitt.

The bride is the daughter of Mr. and Mrs. Roy Henderson of 304 SW 5th and the groom's parents are Mr. and Mrs. Alvie Sears of 510 S. Broadway.

Rev. Ronnie Travis, pastor

of the church, conducted the service in which Mr. Henderson gave his daughter in marriage.

Only attendants to the couple were Mrs. Mike Dodson of Hereford, matron of honor, and Randy Powell, best man.

The newlywed couple will make their home at 604 NW Allen St. Mrs. Sears is employed as secretary-bookkeeper for Henderson Foundations and Sears is a gin employee.

## Historical romance reviewed for club

The Dimmitt Book Club and guests heard a review of the historical novel "Maria" at its October meeting last Wednesday in the assembly room at Rhoads Memorial Library.

Ruth Coleman gave the review, introduced by Maxine Tidwell, who presided at a preceding business meeting. The book is a historical romance set in South Carolina, concerning a woman who was "blessed with beauty from her mother and energetic intelligence from her father."

Her marriage to David Fenwick, who came to her home

state with the army and then was sent to Cuba, involved her with political life there and later in Florida, at that time a beautiful and primitive land, the reviewer said as she told the story.

Two later marriages, the last to an old friend who gambled away her fortune, were recounted as was Maria's service to her neighbors as a nurse and midwife.

Mary Jo Brown and Betty Patterson, hostesses, served cookies and coffee from a table appointed in fall colors, with bronze mums as a centerpiece, to about 45 persons.

## HEATING-COOLING COST TOO HIGH?

**Can save you approximately 30% to 50% on your heating and cooling cost due to no insulation or poor insulation.**

With foam insulation from the Homefoamers, you can start cutting fuel consumption on home heating and cooling bills right away. The Homefoamers foam insulation is much more efficient than conventional insulation.

And unlike conventional fiber glass and rock wool insulation, our new foam insulation fills in around pipes, outlets, windows and door jams.

In addition, foam insulation won't burn up to temperatures as high as 1200° F and won't settle to the bottom of your walls, either.

With the cost of energy going up every day, the sooner you insulate... the more you save. And the Homefoamers can save you the most.

Letter to the editor

Writers urge water-bond passage

Dear Editor: I signed the petition calling for an election on the "Water Issue." I have always believed in "government by the people, for the people." I believe the people will do the right thing for themselves. As for the Amstar Corporation, I believe the city makes money from the water sold to Amstar. I know that Amstar does not get any tax break and pays a big sum to the city, school district and county. Indirectly, Amstar has been a factor in our property holding a good value. It has generated a good sized sales tax, created jobs, and other

good things for us all. The only issue in this is whether or not we need future water. We do need a source of future water. I will vote for the issue. E. B. NOBLE Former City Manager

Dear Editor: I am extremely interested in the efforts of the City of Dimmitt in trying to obtain additional water. The plan you are now pursuing is, in my opinion, a good plan—a workable plan. The site is in the very strongest water and the project should materialize with a minimum of compli-

cations. IT SHOULD BE ALLOWED TO DEVELOP AND BE PUT INTO SERVICE WITHOUT ANY FURTHER INTERRUPTIONS. Now my wife and I are NOT qualified voters since we live out on the farm, but DIMMITT IS OUR HOME TOWN and has been our home town for 54 years. We are directly affected by Dimmitt's actions, the same as all other farmers who live in the Dimmitt trade area. Every business, every institution and every industry serves us the same as it serves you who are within the city limits. Let me repeat—DIMMITT IS OUR HOME TOWN and even though we can't vote, we want to encourage all qualified voters to cast their ballot IN FAVOR of the bond issue Saturday. GEORGE A. BAGWELL

water to spray farmers' crops. 9. Contractors can haul water for their jobs. 10. We all can have water for fire protection and to keep down our fire insurance rates. 11. Those who want water for lawns, gardens or shrubs will have it available. 12. If Dimmitt runs out of water, 50% of the residences will drop \$20,000 in value. 13. It is perhaps cheaper now than it will ever be. Imagine what 5% inflation would mean on this project, or one-half of a percentage point in interest over 30 years. Water for the homes and businesses of Dimmitt is not a political question or debate. It is an actual need. I will vote for these water revenue bonds to meet this need. It will not cost me anything. ELMER YOUTS Mayor

Scout-o-Rama plans shaping

Scouts from Castro County will have a part in the annual Scout-o-Rama with others in the 20-county Boy Scout Council, which will stage the "Wonderful World of Scouting" show in the new Lubbock Civic Center and the Hale County Building in Plainview. More than 200 different booth demonstrations of scouting skills will be presented at the Scout-o-Rama. Tickets are priced at \$1 each and are available from any Scout, Cub or Explorer in the council. Requests to participate have been received from 47 Packs, Troops and Posts over the area. Members can earn prizes for ticket sales and their groups receive a commission to be used for camping equipment, field trips or local activities.

BOB SIMPSON [right], Democratic candidate for the State Senate, and his wife, Linda, speak with [from left] Dimmitt businessman Ronnie Parker and Castro County Democratic Chairman Oscar Wylie. The Simpsons were the guests of honor at a reception hosted by

Reta Welch Monday morning in the Colonial Inn dining room from 10:30 to 11:30 a.m. Mrs. Welch said about 40 persons were in attendance, including Simpson's Campaign Chairperson, Wander Daugherty, and a campaign aide, Terry Johnson, both of Amarillo.

Bob Price talks to Kiwanis, 26 guests

Twenty-six guests outnumbered the 18 members and club sweetheart present at the Monday Kiwanis meeting, where Republican state senatorial candidate Bob Price of Pampa was the guest speaker. Price, who served in Congress for eight years, spoke in favor of cutting state taxes, raising teacher salaries and long-term planning on the water situation. He also spoke in favor of deregulating the price of oil and natural gas. In the area of crime, he said that first-time youthful offenders should be rehabilitated, while those committing "heinous crimes" should be given stiff sentences. In introducing Price, program chairman Carl Bruegel quipped, "He's been in politics, then went back to farming, and now he wants back in

politics. Right now, even that would beat farming." Price said that if state taxes are cut, the money saved by the people would most likely be spent for goods and services, thereby stimulating the economy and generating greater sales tax and other revenues at the same time. "I'm for increasing teachers' salaries in proportion to the educational level they have attained," Price said. "Our taxes pay for the educational institutions that turn out teachers, then the teachers move to other states that pay higher salaries." He said he believes that someday soon the water situation will be just as critical as the energy situation now is, and that we should start planning and acting now to solve the problems before they get worse and more costly to alleviate.

Dear Editor: Here are the reasons why I will vote for the bond issue Saturday: 1. These bonds will be paid off with revenue from water sales. 2. If my neighbor wants water, I will help him get it. 3. If the merchants want water for their businesses, we will have it available. 4. People who are looking for a nice, clean small town to buy a home and live will have water. 5. If the schools need water, we will have it. Or if our churches want water, they should be able to just turn on the faucet and get it. 6. The more industry we have, the cheaper our taxes will be. 7. The people who stay in our motels or play in our parks can use water. 8. Spray pilots can get

Frio

Homemakers study yeast quick breads

By MRS. OWEN ANDREWS

Frio Homemakers Club met Tuesday in the Pioneer Natural Gas community room. Hostesses were Mrs. Eugene Baldwin, Mrs. T. L. Sparkman Jr. and Mrs. Jerry Richardson. The program was a demonstration in making yeast quick breads and was given by Joyce Shipp of Deaf Smith County Extension Service. Others attending the meeting included Mmes. D. F. Yandell, J. E. Warrick, Annie Springer, Bobby Kendrick, Gary Hathaway, Gerald Harder, Billy Warrick, Frank Robbins, Elton Fortenberry, Owen Andrews, A. T. Jones and Miss Alma Andrews.

Several from here attended the funeral for Mrs. J. B. Zetsche Oct. 9 at Friona. The Zetsches have been visitors in the community from time to time since their middle son, George, was married to Frances Andrews in 1956. The Zetsches spent most of their life in the Wichita Falls-Bowie area, both graduating from Wichita Falls High School. She attended TCU and graduated from Wichita Junior College. They were married in 1924 and reared their five children there, all of them graduating from Bowie High School. The Zetsches moved to this area in 1962, to a farm 24 miles west and south of Frio. In 1967 they sold the farm to son George and family and moved into Friona to the present family home. All of the children were able to be here and also Mr. Zetsche's two sisters from Wichita Falls came. Mrs. Zetsche had only distant relatives and most of them live in Illinois.

Visiting Mrs. H. M. Mobley and others of her family during the weekend were her brother J. W. Taylor and Mrs. Taylor of Odessa, her daughter Mrs. Earl Reno and Mr. Reno of Midland, and a niece Mrs. Iona Walker of Lubbock. Frio WMU held its monthly luncheon following a mission study program at the church Thursday morning. WMU president Mrs. Earl Harkins was in charge of the meeting and program. Others taking part were Mmes. Frank Robbins, Floyd Cole, J. E. Warrick and Clifford Hargrove.

Rev. Johnny Tims went to McCamey Sunday to preach this week in a revival in McCamey Baptist Church. This was the Tims' church home before coming to Frio last year. Rev. Leonard Lee is pastor there.

Visiting the Ralph Packards Sunday were her parents Mr. and Mrs. Roy Clark of Muleshoe, Mr. Clark's brother John Clark and Mrs. John Clark of Ukiah, Calif. Also there to visit the Clarks were the Packards' children Mr. and Mrs. Terry Watson and Cherri Packard and Mrs. Packard's sister Mrs. Norene Stallings and son Roy.

Mrs. Leona Packard has moved into South Hills Manor in Dimmitt in recent weeks. Her friends could contact her there.

Mrs. E. F. Vogler went with relatives to Copperas Cove the first of the week. They were attending funeral services for a relative there.

Mrs. Annie Springer received a call from Mrs. J. W.

Berry in Oxnard, Calif. about the death of Mrs. Berry's sister Mrs. Floy Grant Oct. 13. The funeral was Oct. 14 at Oxnard. Both Mrs. Grant and Mrs. Berry are former residents of this area, moving to California during the 1940's.

Gospel song hour planned

A gospel singing will be sponsored by the Church of God of Prophecy, beginning at 6 p.m. Sunday at the church's regular meeting place, city hall community room. Featured singer will be Hershel Wilson of Sunnyside. There will be no admission charge and anyone who likes to hear gospel singing is invited, according to Donald Price, pastor.
