THE WINTERS ENTERPRISE

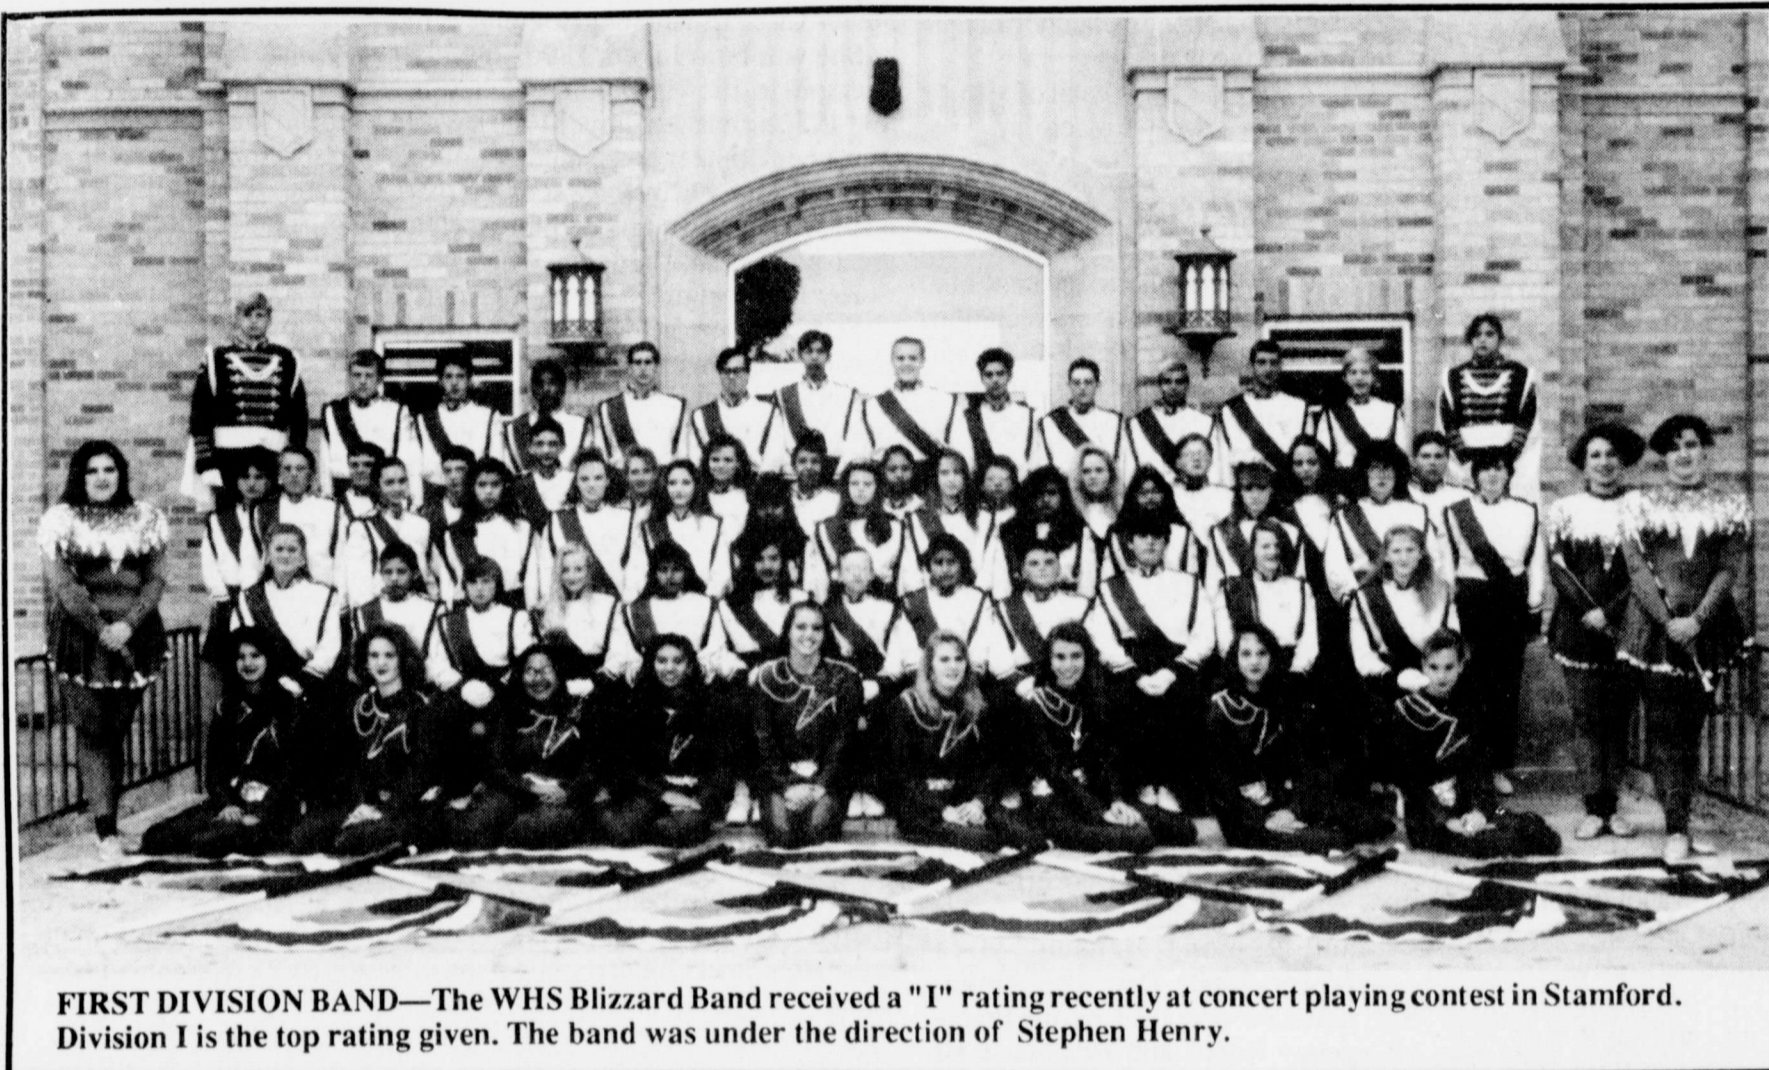

VOLUME FOUR

WINTERS, TEXAS 79567

THURSDAY, APRIL 29, 1993

PRICE 50 CENTS

NUMBER 17

FIRST DIVISION BAND—The WHS Blizzard Band received a "I" rating recently at concert playing contest in Stamford. Division I is the top rating given. The band was under the direction of Stephen Henry.

Expect a good time at Mayfest

The Winters Area Chamber of Commerce welcomes everyone to the annual Mayfest, Saturday, May 1 from 10:00 A.M. - 5:00 P.M.

Arts and crafts will be housed in the Community Center and some outside. Food and games will be in the park and entertainment is being planned. Mike Madden will be Master of Ceremonies this year.

The day begins with a very special opening ceremony at 10:00.

A "turkey calling" contest is planned and participants are still needed, so please call the Chamber office at 754-5210 and sign up.

Also needed are participants in the "Big Muscle Drag", volleyball and tennis tournaments.

Egg toss, sack races, washers and horseshoes will be held during the day.

Come early, enjoy the food, fun, games and entertainment.

W. H. S. athletes to compete at Regional

Winters High School athletes who will be competing at regional level this week are:

Women's Golf—Mary Mostad, Natasha Snuffer, Gayla Clough, Brandi Gray and Julie Lancaster

Men's Golf—Russell Parramore, Jay Cowan, Chris Dry, John Paul Belew and Stephen Herrington

The golf tournaments for both women and men will take place at Maxwell in Abilene on Thursday and Friday.

Tennis—Jamie Sims and Jennifer Boles will play in doubles competition Thursday and Friday at Abilene Christian University.

Track and Field—Rabbit Smith (300 M Intermediate Hurdles and 200 M Dash), Erika

Vega (3200 M Run), John Paul Belew (Shot Put) and Chane Reagan (800 M Run). Competition will take place Friday and Saturday at Abilene Christian University's Elmer Gray Stadium. The 3200 M Run final will be at 10:00 a.m. on Friday. The running preliminaries will be at 5:00 p.m. on Friday and the running finals will begin at 2:00 p.m. on Saturday. Field events, which will include Shot Put, will begin at 10:00 a.m. on Saturday.

These young people deserve considerable respect and support. They have devoted hours of hard work, sometimes in less than pleasant weather conditions, to develop their individual skills.

Congratulations and good luck to all participants.

Local crop consultant to serve on state committee

Mandie England, a private crop consultant from Winters, has been named by Agriculture Commissioner Rick Perry to a position on the 11-member Boll Weevil Advisory Committee.

England is one of three entomologists who will serve on the special rules committee along with three farmers, three members of the Texas Water Commission, a representative from Mr. Perry's office, and a representative from Governor Ann Richards' office.

The advisory committee was established as part of the boll weevil eradication law that will go into effect June 1. Their role is to advise on the rulemaking process designed to protect individuals, livestock and wildlife, and advise on the criteria for the boll weevil foundation to follow in developing rules and methods of treatment.

Mandie England

The eradication legislation allows farmers to vote on creating a Texas cotton foundation that will administer eradication efforts by zones. Cotton producers in each

zone will select board members and vote on the eradication plan.

Mandie England is the former Mandie Armstrong. She received a bachelor's degree in entomology from Texas A&M University in 1977, and a master's degree in 1979, having specialized in boll weevil studies.

Beginning in May of 1979, Mandie served as County Entomologist for Rannels and Tom Green Counties for the Texas Agriculture Extension Service. She was the first female county entomologist in Texas. She served in that capacity until April 30, 1988, and is currently an independent crop consultant.

Mandie is married to Lanny England and they have four children, Loren, Landa, Luke, and Julie.

Two students qualify for state in UIL

At Saturday's regional UIL literary events competition, two Winters High School students earned the right to advance to state competition in their respective events.

Qualifying in Prose Interpretation is Rachel Edwards, a freshman.

Qualifying in Keyboarding is Jimmy Hernandez, a senior. Jimmy will be attempting to win at the state level for the second time, having achieved this honor as a freshman.

"Community Economy" by Aref Hassan, City Manager

Revitalization of the community economy and redevelopment of small cities are the crucial topics for many theoreticians and practitioners in the field of Public Administration in recent years.

The community leaders, business owners and civic organizations in small cities are striving to help the economy of their area.

They all realize that the petroleum and agriculture, along with other related industries, were the main sources of the local economy which has declined drastically. They agree on the causes, symptoms, and diagnoses of the problem. In remedying the problem we can notice a diversity of approaches.

One point that all communities agree upon is to bring outside funds into their cities. In most small cities the city managers, with support of their mayors, city councils, and community leaders, take over the implementation of movement.

Fortunately, in some areas, we are already active and receiving the results of our efforts. Since April of 1992, the City of Winters has applied for different kinds of Federal, State, Local and Independent Foundation grants. We have contacted every source available, received the directions, guidelines and criteria, filled out the applications, submitted our applications, and reapplied for some of them that were turned down.

Some of the grants for which we have applied are as follows:

1. Texas Community Development Program Grant
- a-Renewal of water lines -----\$107,500
- b-Renewal of sewer lines -----\$88,000
(Both of these funds have been approved and the projects will start this summer.)
- c-Housing rehabilitation -----\$680,000
(We will know the status of this application by the end of May and if it is approved, the project will start this summer.)

2. Texas Parks and Wildlife Grant for park development around Elm Creek Lake -----\$307,700

The Parks and Wildlife Commission, in its Public Hearing on January 21, 1993, considered our application for grant funding. Due to funding limitations, a number of projects were not funded. Our application was among those which were not approved. On February 4, 1993, we resubmitted our application. In August of 1993, our application will be reconsidered. Hopefully, the Parks and Wildlife Commission will have enough funds this time to approve our application, inasmuch as we meet all the requirements.

3. Concho Valley Resource Conservation and Development (RC&D) Grant for repairing the rip-rap damage at Elm Creek Lake Dam -----\$400,000
4. Texas Water Commission Grant for solid waste clean up -----\$60,000
6. Texas Commission on Fire Protection Grant, for our Volunteer Fire Department -----\$25,000
7. State of Texas Office of the Governor Criminal Justice Division (CJD) Grant for Police Department -----\$29,000

Downtown Revitalization is another project that we are working on at this time. We have scheduled several meetings concerning reactivating the "Main Street" program.

The City Council has already approved the Tax Abatement Policy for the businesses to take advantage of which will allow a tax break for reinvestment.

Hopefully, by receiving outside funds and through other joint efforts, we will be able to help the employment, purchasing power, and eventually the economy of our area.

OIL BUSINESS . . .

By Reg Boles ©1993

It seems that many of you have been in the dark as far as reading the record of completions and stakings that appear near this column each week. I hope to shed some light upon this cryptic subject this week.

As I have mentioned before, there are a lot of abbreviations and slang associated with the oil patch. The legal side of the profession is no different. And, "legal" is really just what the record of completions and such is.

After all, it is something that is required from each operator by Texas law and it is often prepared according to legal specifications, complete with a legal description of the real estate and the particular well's location.

So, there are many abbreviations, short-hand oil lingo, short-hand legal lingo and just plain mysterious stuff in those staking and completion descriptions.

For instance, you may have noticed that near the end of the particular well's listing, there are some capital letters such as FNL and FEL, etc. These are part of the legal description of the location of the well in question.

FNL means From the North Line of the survey, and FEL means From the East Line of the survey. FSL, FWL, FSWL, etc. stand for the respective directions, South, West, Southwest, etc. The rest of the location description is kinda mysterious, as well. The language here is that of the map location of a particular lease, with the section, abstracts, etc. being field surveyor's language referring to the designation on a map.

You might see a lot of "H&TC RR" and the like. This results from the railroads doing most of the surveying, especially in west Texas. H&TC RR Survey would be one recorded by the H&TC railroad.

These surveys are often broken into Blocks (Blk.), Subdivisions (Subd.) or Sections (Sec.). There are also County School Lands (CSL), which were those surveyed by the state for a school entity at one time or actually are (or were) owned by a particular school district.

There are also labours (lbr.), leagues (lgs.) and such that are a different type of surveying that was done in Texas at one time or another.

Another aspect of the listings is the notations for a staked well, including field name, distance from some town and a depth. These are pretty much self-explanatory, but beware the depth notation--this is simply the planned total drilled depth. It may not relate at all to the target. Many shrewd operators actually list depths other than their target just to throw competitors off the trail.

If a well is listed as a wildcat, the operator is stating their belief that the new completion is in a reservoir that has never previously been completed into. Sometimes, the definition of a wildcat is little loose and can be manipulated by an operator for their own gain.

Much of the same information

appears in a completion listing, but there is also the initial rate notation. This shows oil (BOPD--barrels of oil per day) or gas (MCFPD--thousand cubic feet per day) that the well made on its first full test of productivity. These can be misleading depending upon the conditions of the test, so never assume that a quoted test is completely representative of a well's productivity.

In a completion report, a zone or formation or reservoir is usually listed. This refers to the zone in which a well was completed.

And, finally, there is a mention of the operator's name on any type of listing. This name is the name of the company that applied for a permit to drill and complete a well, unless it has changed hands before a final completion was made.

It should be noted that Texas requires that all operators apply for a drilling permit and must report a completion on a successful well and/or file a plugging report on an unsuccessful well. This paper trail is created so that the state can monitor the goings on in the oil patch, but it also provides a trail for other companies to track their competition.

It makes for a fun 'cat & mice' game for profit.

HIGHLIGHTS OF AREA DRILLING ACTIVITY COMPLETIONS

Coleman County

Patton Exploration has completed the Graves -21A- #26 in the Ed&Patsy Field (3 miles E of Silver Valley) at an initial rate of 38 BOPD & 1 BWPD in the Morris Sand (perms 2788-96). Loc. is 2094 FNL & 2230 FWL of Sec. 21, Blk. 2, GH&H Sur., A-346.

Nolan County

R.L. Adkins has completed the Bridgeford -C- #1 in the Group West Field (4 miles SE of Maryneal) at an initial rate of 85 BOPD in the Ellenburger (perms 6977-94). Loc. is 887 FSL & 1124 FEL of Sec. 115, Blk. 1A, H&TC Sur.

Taylor County

Holden Oil & Gas has completed two wells in the Reddin Field (5 miles NE of Merkel). The H. McCoy -B- #1 (deepening) potential at 71 BOPD & 32 BWPD in the King Lime (perms 2600-10) and is loc. 4000 FSL & 990 FWL of J.A. Nabors Sur. No. 8, A-822. The H. McCoy -B- #4 (plug back) potential at 63 BOPD in the Frazier Sand (perms 2446-48) and is loc. 4000 FSL & 330 FWL of same Sur.

STAKINGS

Callahan County

Jones Co. has staked the Herr-King Field Unit #433 in the Herr-King Field, 9 miles NW of Putnam (Depth 2900). Loc. is 345 FWL & 4609 FSL of Sec. 2, Blk. C, T&NO RR Sur., A-1818.

Coke County

Oryx Energy has staked two wells in the Jameson Field, 2 miles NW of Silver (Depth 6400). The H.L. Bloodworth #9 is loc. 1755 FWL & 2194 FSL of Sec. 326, Blk. 1-A, H&TC Sur. The W.I. Tubb -C- #3 is loc. 467 FWL & 617 FNL of J.A. Shaffer Sur.

Concho County

Verdad Oil has staked the Luedeke #1 as a Wildcat, 8 miles SW of Eden (Depth 3900). Loc. is 150 FEL & 2150 FNL of Sec. 74, Blk. 8, H&TC Sur., A-1902.

Runnels County

Delray Oil has staked the C.L. Hobbs et ux -A- #1 in the Bull Field, 9 miles NE of Winters (Depth 4750). Loc. is 330 FNL & 1648 FEL of T.J. Thomas Sur. No. 61-1/2, A-1142.

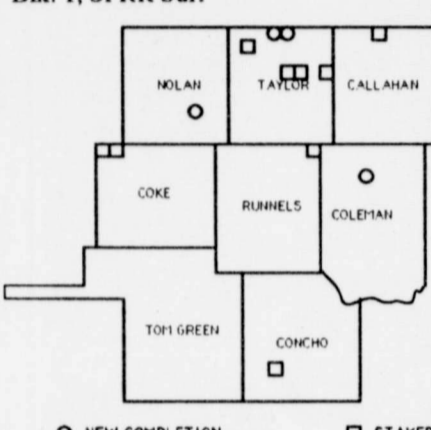

Taylor County

3-M Energy has staked the Y. Brown #1 as a Wildcat, 2 miles NW of Merkel (Depth 3000). Loc. is 1409 FWL & 1898 FNL of Sec. 18, Blk. 18, T&PRR Sur.

Barbee Inc. has staked the Childers #1 in the El Caballo Blanco Field, 1 mile NW of Buffalo Gap (Depth 2500). Loc. is 5651 FNL & 630 FWL of BHHB Sur. No. 60.

Bayou Operating has applied to re-enter the Wagstaff #1 in the Kirby Field, 2 miles W of Buffalo Gap (Depth 3200). Loc. is 600 FNL & 1270 FEL of Sec. 114, H.J. Kleburg Sur.

Enrich Oil has staked the Texaco-Henson #1 in the Cedar Gap Field, 5 miles E of Buffalo Gap (Depth 2400). Loc. is 492 FSL & 1352 FEL of Sec. 9, Blk. 1, SPRR Sur.

Card of Thanks

The Winters Food Pantry, which is sponsored by Central Texas Opportunities, Inc. would like to express sincere thanks to everyone who has assisted with the Community Garden.

A special thank you to the following for seeds, plants, water, labor, and a lot to house the Community Garden.

Alderman-Cave
The Ballinger Green House (Mary and Dan Burns)
Lawrence Bros. IGA
The City of Winters
Lonnie Fowler for plowing the ground

In addition, we would like to thank all the volunteers that are always there when needed. Thanks to all above, the needy of Winters will be supplied with fresh vegetables this summer

Card of Thanks

We would like to take this time to thank those of you who have said prayers, come by to visit, called, sent cards, sent flowers, and sent food during mother's stay in the hospital and while she is at home recuperating. Your show of concern means a great deal to all of us.

We would also like to thank the staff of North Runnels Hospital. We feel that if it wasn't for their prompt and professional actions, things would not have turned out the way they did. The staff is very dedicated to their profession and for that we all should be thankful!

People can say what they want to about a small community, but we feel very fortunate to live in the Winters community. Thanks again!

Gladys Mathis and family

Card of Thanks

The Winters Multi-Purpose Center, sponsored by Central Texas Opportunities, Inc. would like to thank A-J's Grill. For the past three weeks, A-J's Grill has been supplying the needy residents of Winters with an evening out and a free dinner. During the past three weeks, 30 individuals have been served.

If you know anyone who might benefit from this new volunteer program, please contact Alice Hale at the Winters Multi-Purpose Center, 754-4443. It is a wonderful thing to see local businesses develop innovative programs to help meet the needs of the community.

Card of Thanks

I would like to say thank you to the many friends and family for their visits to the hospital, for the cards, and phone calls, and prayers for my recovery.

May God bless each of you,
M.B. Folsom

Card of Thanks

We would like to express our sincere thanks and appreciation for the prayers, cards, visits, phone calls and flowers during Clarence's stay in the hospital. May God bless each of you.

Clarence and Liz Huckaby

Card of Thanks

We wish to extend our heartfelt thanks and appreciation for the acts of kindness, the prayers, cards, visits, flowers and messages of sympathy received during the illness and death of our loved ones, Serena and Erwin Ueckert.

A special thanks to Pastor Jim and Ramona Hanson, Mike Meyer, Linda Dry, The Ambulance Service, Dr. Lee, the Emergency Room and Hospital staff for your help, care and concern shown during the loss of our loved ones.

The family of
Erwin and Serena Ueckert

Card of Thanks

The family of Hermon "Slim" Bredemeyer would like to say a special "Thank You" to Nina Hoppe, Dr. Y.K. Lee, staff of North Runnels Hospital and Senior Citizen's Nursing Home, Pastor Jim and Ramona Hanson, Pastor Mike Madden, Mike Meyer and Linda Dry for all of their support and thoughtfulness during our recent loss.

To all of our many friends and relatives who gave of themselves through memorials, food, flowers, telephone calls and your prayers of comfort, we cannot thank you enough for your love and concern. May God bless each of you.

Minnie Bredemeyer
Helen & E. R. Wessels
Freddie & Juanita Bredemeyer
Margaret & J. C. Wessels
Juanita & Johnnie Wilson
Bobby & Jeanne Bredemeyer

Obituaries

Hermon (Slim) Bredemeyer

Hermon (Slim) Bredemeyer, age 93, son of Fritz and Augusta Bredemeyer, a Runnels County Pioneer family, died Wednesday, April 21, 1993, at the Senior Citizens Nursing Home in Winters.

He was born May 1, 1899, in Milam County, Texas and came to Runnels County as an infant and was a lifetime resident. He married Minnie Minzenmayer on April 17, 1922, at St. John's Lutheran Church in Winters. He was a stockfarmer, a member of the Winters Livestock Association, and a member of St. John's Lutheran Church in Winters.

Survivors are his wife, Minnie Bredemeyer of Winters; two sons, Freddie Bredemeyer of Winters, and Bobby Bredemeyer of Austin; three daughters, Helen Wessels (Mrs. Ervin), Juanita Wilson (Mrs. Johnnie) both of Winters, and Margaret Wessels (Mrs. J.C.) of Bryan; 15 grandchildren; and 20 great-grandchildren.

Services were held Friday, April 23 at St. John's Lutheran Church with Rev. Mike Madden officiating. Burial was in the Lutheran Cemetery under the direction of the Winters Funeral Home.

Lillie Helen Krempin

Lillie Helen Krempin, age 96, died Saturday April 24, 1993, in the Senior Citizens Nursing Home in Winters.

She was born July 6, 1896, in Giddings, Texas. She married Fritz Krempin in 1914 in Giddings. They moved to the Lowake area in the mid 1920's and then moved to the Winters area in the mid 1930's. She was a homemaker and a member of St. John's Lutheran Church.

She is survived by three sons, Herbert, Clarence and Ervin Krempin all of Abilene; five grandchildren, eight great-grandchildren; and two great-great-grandchildren.

Her husband preceded her in death January 5, 1963.

Services were held Tuesday April 27, 1993, in the Winters Funeral Home Chapel with Rev. Glenn Shoemaker officiating. Burial was in Lakeview Cemetery directed by Winters Funeral Home.

Pallbearers were Bob Pruser, Freddie Bredemeyer, L.W. Kettler, George Pruser, Jr., Delbert Kruse, and Edward Bredemeyer.

Noe Martinez, Sr.

BALLINGER—Noe Martinez, Sr. age 52, died April 20, 1993, at Ballinger Memorial Hospital.

He was born November 10, 1940, in Ballinger. He was a carpenter and a member of St. Mary's Catholic Church in Ballinger.

Survivors include three sons, Noe Martinez, Jr., Ronnie Martinez, and Lloyd Martinez all of Ballinger; one daughter, Molly Case of South Dakota; one sister, Irma Mata of Ballinger; his mother, Theresa Martinez of Ballinger, one brother, Joe Martinez of San Angelo and two grandchildren.

Services were held Thursday, April 22 at St. Mary's Catholic Church with Father Louis Moeller officiating. Burial followed in the Latin-American Cemetery under the direction of Rains-Seale Funeral Home.

Frank Meacham

BALLINGER—Frank Meacham, age 85, of San Angelo died on April 23, 1993, at Heritage Oak Estate.

Graveside services were held at Moody Cemetery, officiated by Rev. Marion Ford and arranged by Rains-Seale Funeral Home. Burial followed in Moody Cemetery.

Frank Meacham was born on September 1, 1907, in Oklahoma and married Sybil Alene Alton in October of 1928 in Moody. Mrs. Meacham died on August 3, 1983. Mr. Meacham was a farmer and a member of the Veribest Baptist Church.

Mr. Meacham is survived by one daughter, Juanita Burkett of Houston; one son, Kenneth Meacham of San Angelo; one sister, Bertha Payne of Moody; one brother, Paul Meacham of Altus, Oklahoma, four grandchildren and two great-grandsons.

Thomas Edward Whitehead

ABILENE—Thomas Edward Whitehead, age 47, died Sunday, April 25, 1993, at Abilene State School.

He was born August 27, 1945, in Abilene. Mr. Whitehead had been a resident of Abilene State School for the past 11 years.

He is preceded in death by his parents, Clyde and Eunice Whitehead and by one sister, Marva Durham.

He is survived by three brothers, Clyde Whitehead of Clyde, Jim Whitehead of Albuquerque, New Mexico, and Bennie Whitehead of Westbrook; two sisters, Loretta Stephenson of Ballinger and Dorothy Gregory of Abilene.

Graveside services were held Monday, April 26, 1993, at Westbrook Cemetery with Chaplain Chuck Weber officiating. Burial followed under the direction of Kiker-Seale Funeral Home of Colorado City.

Eyvonne Kirby Smith

TEMPE, ARIZONA—Eyvonne Kirby Smith, age 41, of Tempe, Arizona died on Monday, April 19, 1993, at her residence.

Mrs. Smith was born in Winters, lived in San Antonio from 1970-1980, moving to Arizona in 1986. She was a mortgage banker and a member of St. Andrew The Apostle Catholic Church in Chandler, Arizona.

Survivors include her husband, Gerald F. Smith of Tempe; three sons, Tommy D., Jeremy R. and Kyle B., all of Tempe; her mother, Jean Holdman of San Antonio; her father, Elvis Kirby of Ballinger; two sisters, Kelly Patterson of Helotes and Donna Gorzell of San Antonio; two brothers, Dane and Dale Kirby, both of San Antonio; her grandmother, Eunice Shellhouse of San Antonio; numerous aunts, uncles, nieces, nephews and friends.

Funeral services for Eyvonne Smith were held on April 22 in Chandler, Arizona with burial in Green Acres Cemetery in Scottsdale, Arizona.

Vogler descendants hold tenth annual reunion

The descendants of Carl and Louise Vogler held their Tenth Annual Reunion Saturday, April 17, 1993, at the Winters Community Center. Carl Vogler came to America from Schlesian, a German Province, in the Fall of 1892. His port of entry was Galveston. He worked on a ranch in DeWitt County until the Spring of 1893 when Louise and the children came. The family farmed near Yorktown and Buckholts. In December 1900, Carl, Louise and family moved by train arriving in Ballinger, Texas on Christmas Eve. The family farmed in the Cochran Community then moved to the Dale Community. Louise died in 1937, and Carl in 1948.

Mrs. Ethel Hantsche was the only one of two living children to attend. Mrs. S. S. Siebel of Dallas was unable to attend.

Sharon Buckley of Oklahoma City, Oklahoma and Patrick, Susan, and Taylor McGregor of Yukon, Oklahoma all traveled the longest distances. Aaron Hantsche and Brianna Land were the youngest descendants attending.

Family members attending during the reunion were: Arliss and Helen Hantsche, Bryan,

Lauren and Lindsey Hantsche, Peyton Foster all of Arlington. Jerry Baumann, James, Becky and Nicole Vaughan, Fred and Jean Onken, Edith Onken, Kenneth Onken all of Fort Worth. Wanda and Vanner Voss, Erwin Voss all of San Angelo. Sharon Buckley of Oklahoma City, Oklahoma. Patrick, Susan and Taylor McGregor of Yukon, Oklahoma. Marvin and Lucille Menzel of Shallowater. Harvey and Carol Hantsche of Mansfield. Gary Onken, Dwain, Volene and Karen Vogler, Dennis and Trisha Bailey, Donny and Connie Vogler, Angie and Keri Burns all of Abilene. Andy and Bertha Dörner of Ballinger. JoAnn Ely of Brownfield. M. L. and Anna Rose Standefer, Rinehard and Lenda Vogler all of Lamesa. Henry and Rosalie Vogler of Brownwood. Pat, Linda, Cara and Brianna Land of Gardendale Byron, Marcia and Aaron Hantsche of Waxahachie. Alan and J'Lynn Cooper, Doyle and Ruth Cooper, Helen Onken, George and Eris Beard, Mrs. Ethel Hantsche all of Winters. Visitors attending were: Betty Jo Brown of Winters and Mike Baskett of Abilene.

Chamber Memo

By Cecilia Kniffin

The dedicated workers who turned out for the Chamber of Commerce Clean-up Day did a great job. They were Jimmy Butler, Charles Kidwell, Dr. Tommy Russell, Aref Hassan, Melanie Wade and Cecilia Kniffin. Our thanks to all of them. Also, a special thanks to BFI for providing a trash container.

Please look around at the progress just a few people made in just a few hours. With more volunteers next time, we can make a clean sweep of Main Street.

In expressing our thanks to the contributors to the Bass Tournament we failed to include AmWest. Please forgive us and accept a "Thank you" from the Chamber.

Ya gotta have faith!

On April 18, Ellen Meyer of Winters was participating in the women's state bowling tournament in Arlington when she was faced with the "big four" split. Mrs. Meyer rolled her ball, then turned and walked away, not expecting to pick up the spare.

When the crowd began to cheer, she looked around to find she had been blessed with some fancy pin action, picking up all four.

Also a member of the Early 5 team from Triangle Lanes in Abilene is Beth Hamilton of Winters. Results of the tournament are expected at the end of June.

Winters residents receive awards from Hospice

Three Winters' citizens received awards at The Volunteer Fiesta Appreciation Banquet given by Hospice of Abilene. The banquet was held Tuesday, April 20, 1993, at the Abilene Country Club.

Kathi Edwards received The Outstanding Volunteer Award for completing the Clinical Pastoral Education Course offered by

Shannon Medical Center in San Angelo; Bereavement Care for Families, and for working with patients.

Nelan and Celesta Bahlman received an award for being the Most Creative in their volunteer services. They do have a quiet way of doing kindnesses for others.

Senior Citizens Employee of the Month

Phyllis Schaefer is Employee of the Month for Winters Senior Citizens' Nursing Center. Phyllis has tried several jobs, but she says nursing is the most rewarding and worthwhile job she has ever had. She graduated nine months ago from TSTI in Sweetwater as an LVN. She hopes to go on to school and become an RN, saying she enjoys small children or elderly patients the most.

Raised in Wingate, Phyllis is the daughter of Martha and Suvern O'Dell. She is married to J.R. Schaefer and has two children, Trient and Kelly.

Her hobbies are painting on everything and reading.

Thanks, Phyllis, for caring for our loved ones in our local facility. The Family Group says, "Thanks."

Golf tourney to benefit ACS

The Singing Winds Golf Course in Bronte will be hosting a golf tournament benefitting the American Cancer Society on May 8. The tournament will be a two team scramble and will offer cash prizes. A concession stand will be available.

Entry fee is \$35.00 a person of \$70.00 per team. For more information, contact Richard Hembree at 743-2156 or 473-2013.

Senior Citizens Nursing Home News by Billie Ruth Bishop

Thanks to all the following: Georgia Gibbs for the magazines and books; Katie Minzenmeyer and Pauline Mayhew for the beautiful irises.

Harrell Watkins and Alva Talley are in North Runnels Hospital at this time. We hope and wish a good day for them.

Ruth Phillip and Ruby Walker are new admissions in the Nursing Home. Ruth is in Rm. 24B and Ruby is in Rm. 14B. We welcome them to our midst.

Our heartfelt sympathy is extended to the families of H. F. (Slim) Bredemeyer, who passed away Wednesday morning, and Lillie Krempin, who passed away on a Saturday morning.

Aviation exhibit at Carnegie

The Carnegie Library of Ballinger will feature a traveling exhibit during the month of May. The exhibit is entitled "Reach for the Sky: Aviation in Texas."

Produced by the Institute of Texan Cultures at San Antonio, this exhibit traces the story of aviation in Texas in four major

sections, "Those Who Led the Way," "Warriors and War Birds," "The Culture of Flying," and "The Future of Flying."

The library is open from 10 a.m. to 5 p.m. on Monday and Wednesday and from 10 a.m. to 7 p.m. on Tuesday and Thursday.

An Aggie's Guide to Baseball Lingo

This week's phrase is: "That ball had eyes"—The ball could only go in one place to qualify as a hit and it found that one place. Hence, that ball had eyes. Sometimes used to refer to an extremely bald person with glasses.

TAAS Testing to be completed for 1992-93

All 4th, 8th and 10th grade students at Winters Independent School District will be involved in completing the TAAS testing for 1992-93 next week. Testing will include reading and math; writing was done during testing in March. All parents are encouraged to be sure that students are in school on Wednesday, May 5 and Thursday, May 6 for this testing. Results will be reported as soon as possible. This testing date is also the date for exit level TAAS and TEAMS. If students fall into this category, they will also be testing on these two days.

These businesses proudly support and encourage all the Blizzards and Lady Blizzards at the Regional Competitions—golf, tennis, track and field, softball—and to the State competitors in prose interpretation and keyboarding.

FAREWELL SPEECH—Coach Dan Slaughter says goodbye before a capacity crowd at the Sports banquet on April 22. Slaughter has been Head Coach and Athletic Director at Winters for the past twelve years.

NEWLY ELECTED PTA OFFICERS—(L to R) standing: Nancy Davis, Treasurer; Bobbie Calcote, Vice-President; Marquet Mathis, president; Deb Pritchard, historian; Rhonda Joeris, parliamentarian; Troylene Lincycumb, co-vice-president.

Direct mail advertisers target seniors and brides

"Senior citizens and new brides continue to be the target of scare tactics and misleading solicitations from direct mail advertisers," said Franklin H. Upp, Social Security manager in San Angelo.

Upp said the organizations that target senior citizens generally ask for money because they claim the Social Security system is in serious financial trouble or that Social Security's trust funds are being mishandled. "The special interest groups who conduct these mailings are entitled to their opinions and can solicit contributions in order to pay lobbyists to voice those opinions to Congress. But sometimes their requests for donations are misleading and troublesome to many senior citizens," Upp said.

According to Upp, Social Security's headquarters in Baltimore, Maryland receives hundreds of letters weekly from senior citizens across the country expressing confusion over such mailings. One elderly woman wrote: "This organization was mailing me for payments twice a month. I'm in the low income bracket and their letters to me stated \$5 was not enough. So I tried to send them \$10." Other seniors express contempt for such

direct mail practices. This opinion comes from a typical letter: "I think it's wicked to send seniors such scary letters. Social Security is my only income to pay my rent and buy my food."

Upp said another deceptive mailing practice targets women who have recently married offering to change their name on Social Security records for a fee. Pointing out that the Social Security Administration provides the same service free of charge, he said, "People can choose to pay for the service through a private business if they wish, but they should know that if a direct mail advertiser implies that they are in any way connected with or working for the government or the Social Security Administration, that organization is breaking the law and the advertiser will be referred to the authorities."

Upp offers this advice: If you think you are being harassed by direct mail solicitations, or if you receive an offer from a private organization that implies a connection to the government, you should refer the complete mailing, including the envelope to: Social Security Administration, Office of Public Affairs, Misleading Information, P. O. Box 17740, Baltimore, MD 21235.

Boy of the Month

April's Boy of the Month is Greg Evans. Greg is 13 years old and in the 7th grade. David and Nancy Evans are his parents.

Greg recently received 6th place honors in UIL Number Sense and says that math is his favorite school subject. He has also achieved the rank of Star Scout.

Greg has many hobbies which include collecting baseball cards, building models, drawing, working on cars, painting, and trampolining.

His pastimes are playing football, baseball, soccer, wallball, riding his bike, helping people and reading.

His jobs include mowing lawns. Greg admires Jose Canseco.

Greg Evans

Greg has many goals, which are: to go to college, find a cure for AIDS, to live to be 100, to meet his hero and to be a millionaire.

Girl of the Month

Karen Oats is Girl of the Month for April. Karen, age 13 and a 7th grader, is the daughter of Linda and Donnie Oats.

Karen's favorite school subjects are history, science and keyboarding and she has received several awards for her performances on the track field this season.

Karen enjoys watching TV, playing basketball and baseball and running track. Her duties include helping her mom clean house.

Karen, who admires her mom and dad above anyone else, hopes

Karen Oats

to graduate from high school and go on to college.

Blizzard Band receives "I" rating at district contest

The Blizzard band received a Division I Superior rating at the district band concert contest in Stamford last Thursday, April 22.

The program included three pieces of music. It began with "Miss Liberty March," an old King step march in the style of "good old-fashioned style marches."

The second selection was a moving rendition of the black American spiritual "They Led My Lord Away." This music was arranged by Fred J. Allen, Director of Bands at Abilene Christian University.

The final number was "Glen Canyon Overture." Although this was the easiest of the three, one judge commented, "I'm giving you

a division one because of the musicianship you exhibited in your interpretation of the last tune."

Another judge commented that the march was "one of the best marches we have heard today..."

The band will be presenting its Spring Concert along with the Junior High Band on Thursday evening, May 20 at 7:00 p.m. The High School Band will play their selections from contest, along with a few other selections. The elementary concert will be on Sunday afternoon, May 16 at 2:00 p.m.

Just a reminder... The High School Band uniforms are to be turned in *dry-cleaned* on May 13th.

Project Graduation meeting called

There will be a very important Project Graduation meeting on Wednesday, April 28 at 7:00 p.m. in the high school Media Center (library).

This meeting is for the purpose of making final plans for Project Graduation. Your help is needed to make this project a success, so

please plan to attend.

Please contact one of the following for donations of money, services or merchandise for prizes: Melanie Wade, 754-4385 or 754-5025; or Karen Thorpe, 754-5275. Cash donations can be mailed to 402 Meeks, Winters, TX 79567.

Fish available from SCS

Catfish, bass, bluegill, hybrid bream and minnows for stocking or restocking farmponds can be purchased through May 7, 1993, from the Runnels Soil and Water Conservation District. Also available are applications for purchasing grass carp for aquatic weed control.

For information contact the SCS office in Ballinger at 365-3415.

If it's more convenient, you can take the entire package to your local postmaster or send a complaint that includes the package to the: Chief Postal Inspector, United States Postal Service, 475 L'Enfant Plaza SW, Washington, D.C. 20260-2100.

You also should advise the Texas Attorney General's Office or the Consumer Affairs Office and the local Better Business Bureau.

Winters Immunization Clinic

The Texas Department of Health will hold an Immunization Clinic on Thursday, May 6, from 9:30 a.m.-noon and 1:30 p.m.-3:00 p.m.

Location is in the Professional Building, Suite 108 on Grant Street Entry.

For more information call 754-4945 between the hours of 9:00 a.m. - noon Monday-Friday.

Cinco de Mayo fun day planned for May 5th

The TIPS staff is happy to announce the upcoming Cinco de Mayo-Family Fun Day celebration on Wednesday, May 5. The event was a huge success last year, and everyone expects it will be a success again!

All events will take place between 5:30 p.m. and 8:00 p.m. Food will be sold between 5:30 p.m. and 7:00 p.m.

Activities will include:
• a volleyball tournament for the high school students and adults
• "water-balloon" volleyball for all ages
• piñatas to break
• a Bicycle Rodeo for ages 6-12

• a Tricycle Race for ages 6 and under
• sack races
• three-legged races
• egg race and egg toss
• various relays

Children will receive ribbons for participating.
Tacos will once again be sold for 25¢ each and cakes for 10¢ a piece.

All TIPS kids and their families are welcome to participate in our Cinco de Mayo—Family Fun Day celebration!

For more information contact Mrs. Shields or Mrs. Kidwell at 754-5577.

Voice of the Candidates

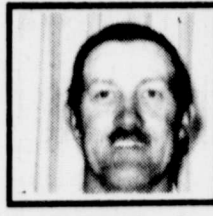

Each candidate for election to the WISD Board of Trustees was given the opportunity to complete a questionnaire concerning the position of Trustee. Below are the responses. The candidates comments are given in the same order in which their names are listed on the ballots.

Candidate Place 3

Joe Bryan

1. Personal Information (i.e. family, occupation, etc.)
 A. I am a stock farmer and land owner. My wife, Glenda, works at Dry Manufacturing. I graduated from Winters High School, as did our four children.
2. What leadership skills do you offer to the citizens of Winters?
 A. I have served on the WISD School Board for twelve years and have served as vice-president of the Board. I also have twelve years experience on the Board of the North Runnels Water Co-op and have served as its vice-president and was both secretary and director on the Gin Co-op.
3. What do you believe is the role of the School Board?
 A. To work as a team to direct the administration in school affairs.
4. What are your goals for the WISD and how would you accomplish these?
 A. To see that facilities and quality education are provided for all students in Winters School District.
5. What is the one issue that you think the School Board must address during the next three years and how would you handle it?
 A. I think the Board needs to watch the tax structure but provide the needs of the district. Help try to limit state mandates - vote for amendment #2.
6. Other comments
 A. State mandates make it impossible for the Board to function as you would like for it. This is one thing that makes local taxes increase. We need less government control so that we can get back to some of the basics of education.

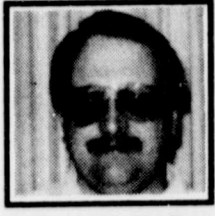

Candidate Place 3

Jack Davis, Jr.

1. Personal Information (i.e. family, occupation, etc.)
 A. I am married to Teresa Wright Davis, and have two children, Jennifer and Brandon. I am employed by the City of Winters as Water/Waste Water Superintendent. I began working for the City in December of 1976. I graduated from Winters High School in 1973. I have been a member of the Winters Volunteer Fire Department for 15 years, serving as recording secretary, assistant captain, second assistant chief, captain, and currently serving as assistant chief. I am also a member of Fort Concho Water Utilities Association and attend St. John's Lutheran Church. I coach girls little league.
2. What leadership skills do you offer to the citizens of Winters?
 A. I oversee the operation of the city's water and waste water department and am responsible for budgeting and all expenditures of this department totaling in excess of a quarter of a million dollars. I assist in applying for grants from different state organizations. I have taken management classes through Texas A & M Extension Service. I deal with state and federal regulation on a daily basis.
3. What do you believe is the role of the School Board?
 A. To oversee all issues that affect the WISD. To search for solutions when problems arise within the school. To use tax dollars as efficiently as possible and to investigate different ways to use these dollars.
4. What are your goals for the WISD and how would you accomplish these?
 A. To be able to operate the school budget without raising taxes. Searching for ways for the school to continue to offer programs within our school if state funding is reduced or eliminated.
5. What is the one issue that you think the School Board must address during the next three years and how would you handle it?
 A. To implement programs to keep our students interested in school and help them to obtain all the knowledge possible. Install suggestion boxes in our school in order to get input from our teachers and students. Our students are our future and the decision makers of tomorrow and need to be equipped with the best knowledge possible.

Scotty Belew, cont.

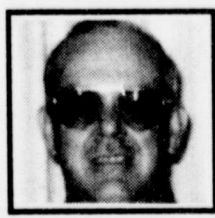

child. I feel they are interested enough to put forth the effort and I would like to see them commended for this. Whatever our students are involved in, whether it be academics, athletics, band, etc., we should strive to be the very best. We should try to make the learning experience as much fun as possible so the students enjoy what they are doing.
5. What is the one issue that you think the School Board must address during the next three years and how would you handle it?
 A. One of my main concerns is our outdated cafeteria. Since we have a closed campus policy, I feel we need to upgrade our facilities in the near future. The space that the cafeteria workers have to use is very limited and much of their equipment is outdated. The cafeteria is used for many school activities and functions. We need to look at the problem from every angle and determine what solutions are available. This might be accomplished by visiting other schools with similar problems and see what type of solutions they came up with that might apply to WISD.
6. Other Comments:
 When I filed for a position on the Winters School Board, I was unaware that the incumbent was going to run for another term. I felt it my responsibility as a concerned parent and taxpayer to offer my time and experience to the WISD. I would like to thank all the people who have encouraged me to run for this position. I think the students of WISD are some of the finest in the country. They are the type of students that you can be proud of, and they deserve the best education that we can possibly give them.

Candidate Place 3

Michael C. Davis

1. Personal Information (i.e. family, occupation, etc.)
 A. I am a 32 year old Winters native. After graduating from Winters Schools in 1978, I attended Texas Tech University and received a Bachelor of Business Administration degree in May, 1982. I married Nancy Wheeler from Ballinger. We currently live on the family farm north of Winters in the Drasco Community. We have two daughters, Stefanie, age 8, and Rachel, age 6. I am currently employed as comptroller for Alderman-Cave Feeds.
2. What leadership skills do you offer to the citizens of Winters?
 A. (1) I have served as a director of the Winters Chamber of Commerce
 (2) I have served in many leadership roles at the First United Methodist Church
 (3) In my career I have served in management and financial planning positions and I understand how to work with others and operate within a budget.
3. What do you believe is the role of the School Board?
 A. (1) To promote the best atmosphere for learning and teaching for all students and teachers.
 (2) To provide the best teachers who will challenge our students.
 (3) To listen to all sides of issues and make unbiased informed decisions.
 (4) To be good stewards of the tax money that is received.
4. What are your goals for the WISD and how would you accomplish these?
 A. (1) To make sure academics are the #1 priority in our school system. Parents, students, administrators and faculty need to be reminded and encouraged to promote academic excellence above all else. When these parties all work together, they will create the best atmosphere for our children to grow and learn in. Extracurricular activities are good and do serve a purpose, but for the largest majority of students, only academics can lead to a better life, and a better life for our children is what I am striving for.
 (2) To utilize our facilities to their maximum. Our school has wonderful facilities but I would like to see them used for other things also since they sit idle for approximately half of the time. With so many people out of work and job demands always changing we need to have programs developed and implemented to help retrain people who are jobless. Even though the school may not be able to administer these programs, we can however, provide the facility. Programs such as these will, in turn, benefit all the children of this area, both in their school and home lives.
5. What is the one issue that you think the School Board must address during the next three years and how would you handle it?
 A. With education requirements changing constantly it is almost impossible to list just one issue that is a must to address and being new to this position I cannot give exact details on how certain situations would be handled. What I can say without a doubt is that whatever situation occurs I will do my best to hear all sides of the issues and make informed votes. I believe this to be the only personal guarantee that I could make.
6. Other comments
 A. I would appreciate your vote.

Candidate Place 5

Charles Allcorn

1. Personal Information (i.e. family, occupation, etc.)
 A. I am a graduate of Texas Tech University, am employed by Alderman-Cave Feeds and operate the family ranch at Talpa. My wife, Jane, is an Educational Diagnostician with Small Schools Cooperative. We have two daughters, Allison Randolph, who is a Speech Therapist with the Coahoma ISD and Ashley, a senior at Winters High School.
2. What leadership skills do you offer to the citizens of Winters?
 A. I taught Vocational Agriculture at Blackwell for two years and at Winters ISD for eleven years. I have been on the WISD School Board for nine years and have exceeded the minimum number of hours required for school board training by attending short courses and conferences.

Candidate Place 3

Marrienne Woffenden

1. Personal Information (i.e. family, occupation, etc.)
 A. I first moved to Winters in 1949 and am a graduate of Winters High School. My parents are Andres Rocha (deceased) and Anita Rocha. I have two sisters and brothers. I married Clayton Woffenden in 1967 and have four sons; Rene, Marc, Chris and Lee. Following my marriage I lived in Abilene and then New Mexico, returning to Winters in 1983. In August of 1984 I became employed by the Winters Child Development Center operated by Central Texas Opportunities, Inc. Head Start Program.
2. What leadership skills do you offer to the citizens of Winters?
 A. I feel that a very important leadership skill is to have the ability to work within our community. I have always been active in community activities in Winters. I have served as Parish Council President of the Mount Carmel Catholic Church and served three years as president of the Altar Society. These activities have assisted me in learning appropriate procedures in presiding over church meetings. I have assisted in organizing the Mexican cultural activities during our recent centennial celebration. I have been a member of LULAC for the past 10 years, serving as president for two terms and secretary for one term. I also feel that I can relate well to all residents of Winters fairly. During my nine year tenure with Head Start, I have worked with a great number of families of all ethnic origins, religions and backgrounds. In addition, I feel that I am very dependable and know the importance of a quality education for our children.
3. What do you believe is the role of the School Board?
 A. As elected representatives of the Winters School District I feel that the School Board is entrusted with the responsibility of ensuring that the students of WISD receive the best possible education. They should ensure that administrative staff monitor and evaluate new programs that would benefit our school system. The school Board is mandated to ensure that WISD not only meets requirements set by state and federal government, but in addition, that WISD exceeds them.
4. What are your goals for the WISD and how would you accomplish these?
 A. I would like to see more community involvement and coordination with the School Board of Winters I.S.D. I would attempt to accomplish this by encouraging attendance and input from students, parents, and staff members of W.I.S.D.
5. What is the one issue that you think the School Board must address during the next three years and how would you handle it?
 A. I feel that one issue that the school must address during the next three years is to provide quality education for all students within the Winters I.S.D. by promoting continued education for personnel.

Charles Allcorn, cont.

3. What do you believe is the role of the School Board?
 A. To provide the best possible education for Winters students with the funds available. To assist in making decisions in the operation of one of the largest businesses in Winters that would provide quality education without undue stress on the taxpayer. To be supportive of the administration and teachers in the performance of their duties.
4. What are your goals for the WISD and how would you accomplish these?
 A. 1. To see an improvement in Achievement Test scores as compared to state average.
 2. To continue with the upgrading of the physical facilities.
 3. To be competitive in U.L.L. literary and sporting events.
 4. To know that graduates of WISD have had an opportunity to receive a quality education, and will become assets to their community.
5. What is the one issue that you think the School Board must address during the next three years and how would you handle it?
 A. The main issue the School Board will need to address for the next three years and longer will be how to provide the education that the youth of Winters deserves with the money that is available. With uncertainty as to how the Legislature will fund school districts such as ours, long range decisions made by school board members would be ones that were most beneficial to the district.

Candidate Place 4

Gary Don Pinkerton

1. Personal Information (i.e. family, occupation, etc.)
 A. I am married to Martha. We have one son, Scott and one granddaughter, Danielle. I was raised in Winters, graduating from Winters High School in 1967. I am a member of North Main Church of Christ. I am employed by a local car dealership, am a licensed funeral director and am involved in a small farming operation and am a partner in a local oilfield supply firm.
2. What leadership skills do you offer to the citizens of Winters?
 A. I view myself as inquisitive, concerned, dedicated, open minded, goal oriented and experienced as school trustee.
3. What do you believe is the role of the School Board?
 The role of the School Board is to establish policies and ensure that they are carried out and to set goals for the district and work to see that these goals are met.
4. What are your goals for the WISD and how would you accomplish these?
 A. My goal for the district is to provide the best possible education for our young people and provide them the skills to meet the challenges of their futures can best be accomplished by using whatever means are at our disposal to teach them how to learn as opposed to simply providing information. I feel we presently do a good job of this but must constantly strive to do better.
5. What is the one issue that you think the School Board must address during the next three years and how would you handle it?
 A. There is no doubt that funding public education will be the biggest problem facing Texas public schools. At the local level we must provide the best educational opportunities possible and ensure that the taxpayer gets full value from their tax dollars.
6. Other comments
 A. If elected, I pledge to meet my obligation to the children and to make decisions based on what is best for them, even when those decisions may not be popular or politically correct.

Candidate Place 5

Robert Garza

1. Personal Information (i.e. family, occupation, etc.)
 A. I have two children; Stephen Paul, 13, and Shyla Felice, 6. I am employed by the Runnels County Sheriff's Department.
2. What leadership skills do you offer to the citizens of Winters?
 A. I've always felt that I make good, sound decisions based on what resources are available at the time. I feel that I'm an assertive person, but not to the point that I do not listen to other comments or ideas. I feel that, given the opportunity to serve on the School Board, I would work very hard toward the progress of the school district and community.
3. What do you believe is the role of the School Board?
 A. I believe a School Board member has many functions. To begin with, one must oversee all areas of the school system, such as being able to meet the academic needs as well as the athletic needs. Another area I believe is important is being able to meet the needs of the students, as well as ensuring the teachers are doing their jobs adequately. I feel it is important to be able to find a solution to problems faced by the school district that will benefit both the community and the students.
4. What are your goals for the WISD and how would you accomplish these?
 A. I would like to see the school gymnasium expanded to better handle the increase in traffic during games. I believe that a larger gymnasium would also generate additional funds to the school district during post season play. I would like to see that our present facilities are properly maintained.
5. What is the one issue that you think the School Board must address during the next three years and how would you handle it?
 A. In reference to what issue the school must address within the next three years, I really could not be sure. Since problems arise constantly, issues handled now were most likely presented to the School Board within the last couple of years.

Candidate Place 4

Sealy Bryan

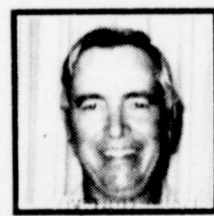

1. Personal information (i.e. family, occupation, etc.)
 A. I have been married to Nancy Kennedy Bryan since 1966. We have four children: Michelle Wood, 25; Grady, 24; Richard, 21; and Janabeth, 15. Our three older children graduated from Winters High School and Janabeth is a 9th grader in WHS. I graduated from Norton High School in 1959, was in 4-H and FFA. I attend the Old Norton Church of Christ. I have farmed since 1962 and am an oil well pump.
2. What leadership skills do you offer to the citizens of Winters?
 A. I believe that I can make fair and reliable decisions and stand behind them.
3. What do you believe is the role of the School Board?
 A. The Board should set policy for the Superintendent and see that the carries it out, not the Superintendent telling the Board what to do.
4. What are your goals for the WISD and how would you accomplish these?
 A. The main goal should be education of all children. Proper instruction and rules for all children. No changing of rules for a select few.
 We should have a safe and healthful school system.
 I believe in the no-pass, no-play system. It should be enforced to the full extent. It should be fair to all, if you want to play sports, make the grade.
 We have some students that can't go on to college from high school. I would like to see the building trades class back in the Winters School.
5. What is the one issue that you think the School Board must address during the next three years and how would you handle it?
 A. School finance is a big issue. We should plan ahead—have building and expansion plans so, at the last minute, the school does not have to build or add to the system to meet regulations.
6. Other Comments:
 A. There are some positions in the school system that need change and I will vote to get them changed if I am elected. I believe that a trustee should vote yes or no. If we are going to let two or three persons do the voting, why be on the Board?
 I believe that a trustee should have children in the school system.

Candidate Place 5

Robert Parramore

1. Personal Information (i.e. family, occupation, etc.)
 A. I was raised in Winters, attending school here for the first eight grades. I went to high school in Hamlin and graduated there in 1965. My wife, Rhea Sue, is from Hamlin. We married in 1970 and returned to Winters. Rhea and I have two children; Russell, a senior at WHS and Robyn, an 8th grader. I served four years in the Air Force and was an instructor in air cargo school for two of those years. I am the owner of Winters Service Co. and am a stock farmer.
2. What leadership skills do you offer to the citizens of Winters?
 A. As a member of the First United Methodist Church, I have served on the Board of Trustees, Pastor/Parish Relations Committee and Finance Committee. I served six years on the Board of Directors of Texas Farmers Union and was Scoutmaster for troop 249 from 1986 - 1992.
3. What do you believe is the role of the School Board?
 A. I believe the role of a School Board member is to make policies that pertain to students and employees of the school district.
4. What are your goals for the WISD and how would you accomplish these?
 A. My goals for WISD are to continue to make progress in academics and extra-curricular activities. We should always strive for the best for our school district.
5. What is the one issue you think the School Board must address during the next three years and how would you handle it?
 A. The one issue that I feel will be important for the School Board to address will be the funding of public education in WISD. I am willing to work with fellow members of the board to make decisions that will be in the best interest of our school district.
6. Other Comments
 A. As a member of the School Board, I will be willing to listen to your concerns and to convey these ideas to the Board. I am here to serve you and our community of Winters.

Candidate Place 4

Scotty Belew

1. Personal Information (i.e. family, occupation, etc.)
 A. My wife, Peggy, and I have three children: Tami Richards, a senior at Texas Tech in Lubbock; Billy Frank, a sophomore at Angelo State; and John Paul, a freshman at Winters High School. I have lived in the Winters community all my life, except the three years I attended college. I have farmed in this community for 25 years.
2. What leadership skills do you offer to the citizens of Winters?
 A. I served as president of the state Young Farmers of Texas in 1982. I served as president and member of the Runnels/Tom Green Counties Pest Management Committee for 10 years. I was a board member of the North Runnels Water Supply Corp., the Wingate School Board, the Winters Little League Association and past director of the Peoples National Bank. I have served as president, vice-president and am currently secretary of the Wingate Lions Club. I am also vice-president of the board of directors of the Southern Rolling Plains Cotton Growers Association.
3. What do you believe is the role of the School Board?
 A. I believe a School Board member should be active in school activities and attend as many as possible. He should be willing to listen to the people, and be aware of the actions of the school system and all those involved. He should be able to work closely with the Board members, the superintendent and principals by making suggestions and working out solutions to any problems that might arise. I feel the WISD must be more efficient than it has been in the past. The school should be treated as a business and run like one.
4. What are your goals for the WISD and how would you accomplish these?
 A. My goals for WISD would be for our children to get the very best education possible with the capital that we have available. There are many things that can be done without a tax increase. We need to utilize the personnel and the facilities we have to the fullest extent. The teachers and faculty need to do the job they are expected to do, and enjoy doing it. I think sometimes we emphasize the needs of the lower percentage of a class of students when in reality, the top percentage of the students should be recognized for their needs also. I feel the honors program should be extended to include more classes. As a parent I appreciate the teachers who take the time to send letters to report on my

VOTE - MAY 1, 1993

Voice of the Candidates

Each candidate for election to the Winters City Council and the office of Mayor was given the opportunity to complete a questionnaire concerning the position being sought. Below are the responses. The candidates comments are given in the same order in which their names are listed on the ballots.

Candidate Mayor

Joe Gerhart

1. Personal Information (i.e. family, occupation, etc.)

A. I was born and raised in Winters. I am currently married to Theresa West. I own and operate Milton's Hardware and Auto Supplies and Gerhart Cleaners, both in Winters. I graduated from Winters High School in 1984.

2. What leadership skills do you offer to the citizens of Winters?

A. I have operated a business in Winters since 1988. I am a member of and served as a director on the Chamber of Commerce. I've served as a director and officer of the Lions Club since 1988. I am currently on the Winters Area Economic Development Committee, am serving my second term on the St. John's Lutheran Church Council and am the Airport Manager for the Winters Municipal Airport.

3. What do you believe is the role of the Mayor?

A. To be a representative of the city of Winters and to promote harmony in the community of Winters.

4. What are your goals for the city of Winters and how would you accomplish these?

A. Winters is in dire need of economic development. No single person will be able to accomplish this, it will require the commitment and cooperation of every organization and individual in Winters. I would hope to coordinate everyone together so that we may work toward the improvement of Winters. If everyone pitches in, Winters will prosper beyond anybody's expectations.

Candidate Mayor

Dawson McGuffin

1. Personal Information (i.e. family, occupation, etc.)

A. I was born in Eden, Texas, and attended school there until 1953 when I entered the U.S. Navy. I retired a Senior Chief Petty Officer in 1976 after serving as Aircraft Maintenance/Production Control Supervisor and Quality Assurance Chief. I completed high school while on active duty and attended Cisco Junior College on the G.I. Bill following my retirement, receiving an AAS in Midmanagement in 1981.

My wife, Pat, and I moved to Runnels County in 1976 and have lived in Winters since 1980. We have three children and four MAGNIFICENT grandkids.

I worked for Dry Manufacturing for seven years and have been with the Winters Independent School District for the past ten years.

2. What leadership skills do you offer to the citizens of Winters?

A. To be a representative of the city of Winters and to promote harmony in the community of Winters.

3. What do you believe is the role of the Mayor?

A. Winters is in dire need of economic development. No single person will be able to accomplish this, it will require the commitment and cooperation of every organization and individual in Winters. I would hope to coordinate everyone together so that we may work toward the improvement of Winters. If everyone pitches in, Winters will prosper beyond anybody's expectations.

4. What are your goals for the city of Winters and how would you accomplish these?

A. I feel tax rates are too high, water rates are too high and cable TV rates are too high. There must be a way to lower these by refiguring the water rates. We have the water to sell and by lowering the rates, we sell more water. I would talk to the TV cable company. No one that I know of is happy about their cable bills.

5. What is the one issue that you think the City Council must address during the next three years and how would you handle it?

A. Taxes. We have to find a way to not only not raise taxes but to lower them. Winters has the highest tax rate of any town around!! We need to look close at every item in the budget. No frills.

6. Other comments

A. I have been a resident of Winters since 1978. My wife, Nancy, and I both teach at Winters High School. We have two sons; Dean, 15, and Greg, 13. We are members of the First United Methodist church.

7. What leadership skills do you offer to the citizens of Winters?

A. I have been chairman of the Administrative Board and Staff/Parish Relations committee and am lay delegate to the annual conference of the Methodist Church. I am past-president of the Winters Chamber of Commerce and past-president of the local chapter of Texas Classroom Teachers Association.

8. What do you believe is the role of the City Council?

A. The role of the City Council is to serve the people of the city of Winters and to make Winters an even better place to live.

9. What are your goals for the city of Winters and how would you accomplish these?

A. To bring in new businesses and to broaden the support needed for a growing community by increasing the advantages in establishing new businesses here rather than another community.

10. What is the one issue that you think the City Council must address during the next three years and how would you handle it?

A. I feel we must begin some type of recycling program. There are many groups in town who could benefit from this program by collecting recyclable goods and taking them to a larger center.

11. Other comments

A. While no one solution is apparent, the city must make every effort to attract and keep young people in the community.

Candidate City Council

Joe Frank Guajardo

1. Personal Information (i.e. family, occupation, etc.)

A. I was born in the City of Winters in 1965. My parents are Frank Guajardo (deceased) and Irene Rios, formerly Irene Meredith. I am a 1983 graduate of Winters High School, and a 1987 graduate of McMurry University. I received a Bachelor of Business Administration degree majoring in Management. While attending McMurry University I was employed by our local Heidenheimers Department Store. For the past five years I have been employed by Central Texas Opportunities, Inc. at the Administrative Office which offers a variety of social service programs to the residents of Brown, Callahan, Coleman, Comanche, Eastland, Runnels, and McCulloch Counties and operates the local Winters Multi-Purpose Center and Child Development Center. I am a member of Somebody Cares Ministries and serve as a member of the Board of Directors, Co-editor of the Church Bulletin, and Church Activities Coordinator. In addition, I am a member of the Runnels County LULAC Council and have served as Vice-President since 1990. In 1992, I received appointment to the position of Secretary for District V which covers a 52 county area in West Texas.

2. What leadership skills do you offer to the citizens of Winters?

A. I feel that majoring in management has been a great asset to me. It has given me a basic background in the following: Personnel, Planning, Marketing, and Finance. In addition, my work history has allowed me to experience, firsthand, submitting applications for grant funds from Federal and State Government agencies, preparing and maintaining program budgets, and adhering to federal and state requirements. Through participation on the Somebody Cares Ministries requirements. Through participation on the Somebody Cares Ministries Board of Directors and League of United Latin American Citizens, I have learned proper protocol at business and public meetings. I feel that I can effectively relate to all residents of Winters in a fair and equal manner, and I am willing to listen to input from the people of Winters and take action that is best for our City.

3. What do you believe is the role of the City Council?

A. The City Council is the Governing Body which is elected by You and I, the residents of Winters. Their role should be to serve and protect the interest of those that elected them. The City Council must set and monitor Ordinances, City Policies, City finances, and a variety of other functions. The Council must evaluate the effectiveness of set procedures and guidelines, and be willing to make improvements as necessary for the benefit of the residents of Winters. I feel that Members of the City Council should maintain an open dialogue with local businesses, organizations, and citizens. I would like to see the City Council work hand in hand with other local Organizations such as the Chamber of Commerce, the newly formed Economic Development Board, and other Civic Organizations to combine to meet the needs of the Community.

4. What are your goals for the City of Winters and how would you accomplish these?

A. I would like to see an improved appearance of older buildings and cleaning of properties in the business area. I think that this will improve our city's image and promote local growth. I feel that this can be achieved by the City working with our local Chamber of Commerce which has been attempting to improve the overall appearance of Winters. In addition, I would like to see continued improvement in our local Police Department. I feel that this can be done by providing more training for our Officers. In addition, I would like to see our Law Enforcement Officers offer programs to the Local Schools as I feel that this would give students a better understanding and respect for Law Enforcement. I would also like to see the City make attempts to improve the conditions of City streets.

5. What is the one issue that you think the City Council must address during the next three years and how would you handle it?

A. I feel that the City of Winters ECONOMY is the most important issue that the City Council will be facing during the next three years. During the past several years there has been a steady decline in the number of businesses and manufacturing companies. These are our City's major economic strength. If elected I would like to see the City Council work with local Churches, Organizations, and Businesses to focus our efforts. We must learn to promote our

Joe Frank Guajardo, cont.

City's Assets. We must take advantage of being located on one of the biggest highways in the United States: Highway 83. I would like to see the City Council support the efforts of the Chamber and work hand in hand with businesses to attempt to clean up areas along the highway and downtown area. We should also take advantage of the fact that we are a small rural community that is within an hours' drive of Major Cities such as San Angelo and Abilene. We have many residents that commute back and forth to work from major and rural cities and yet live in Winters because we provide a safer environment for their families. In an effort to impact our economy, we must continue to actively pursue federal grants such as park and recreation grants, economic development grants, and any other available monies that will have a positive effect on our Community.

6. Other Comments

A. I am very thankful to live in Winters and I would like to have this opportunity to do something positive for our Community. I feel that I can do a good job as a Council member and it would be an honor and privilege to serve as your representative on the Winters City Council.

Candidate City Council

Manuel Esquivel, Jr.

1. Personal Information (i.e. family, occupation, etc.)

A. I am married to Cathy and have three children, Manie, Bradley and Kendra. I graduated from Winters Schools and was born and raised in the Dale community southeast of Winters. I served in the U.S. Army and was stationed in Germany. I am a Catholic and a member of the Winters Area Chamber of Commerce.

2. What leadership skills do you offer to the citizens of Winters?

I have served on several advisory committees in the Winters School system and am past-president of the Chapter I committee. This past summer I served on the Winters Independent School District Site Base Decision Making Committee. I have worked with the Boy Scouts and was Cub Master for several years. I like to fish and cook and am an artist, but most of all I enjoy being with my wife and children.

3. What do you believe is the role of the City Council?

A. The Council is here to oversee the city and its operation. They make decisions while keeping in mind our citizens and how you as a citizen can benefit from it.

4. What are your goals for the city of Winters and how would you accomplish these?

A. TAXES, TAXES AND TAXES. My goal is, if there is a way to keep taxes down I would like to know. I'm still working on a solution to this problem. We may still have to trim the budget down some more if it means keeping the taxes down. This is a matter we will have to strongly consider on our next budget, which is just around the corner.

5. What is the one issue that you think the City Council must address during the next three years and how would you handle it?

A. Again we need to keep taxes down in order for our citizens to be able to make a living. We need a more tight budget and a strong hand in the control of its usage.

6. Other Comments

A. I would like to thank all of the citizens that supported me these past two years and am asking for your support again. Those of you that have contacted me on several occasions know how I work, and I will continue to do so with your support.
LET'S ALL GET OUT AND VOTE FOR THE CANDIDATE OF YOUR CHOICE!

Candidate City Council

Jimmy Matthews

1. Personal Information (i.e. family, occupation, etc.)

A. My wife, Glenda, and I have two children. Our son, Chris, is 20 and lives in College Station. Our daughter, Jennifer, is 17 and a junior at Winters High School. I work for Dry Manufacturing in the tool and die department. We are members of the First United Methodist Church of Winters.

2. What leadership skills do you offer to the citizens of Winters?

A. I have served on the finance committee and am currently on the Board of Trustees for our church.

3. What do you believe is the role of the City Council?

A. The most important role of the City Council is to be the representatives of the citizens of Winters in matters of city government. Too often people want to represent their own view points and not the overall best interest of those that they represent.

4. What are your goals for the city of Winters and how would you accomplish these?

A. Goals for economic growth and cultural improvements are very important but city government can do very little to influence these areas. They are better served by civic organizations and the Chamber of Commerce. My goal for city government is to be the most efficient and best run business in town. To accomplish this, I would strive for better management. Also it is important to remember that the goal of city government is not to be a profitable business but, rather, one that provides the best and most services at the absolute lowest cost.

5. What is the one issue that you think the City Council must address during the next three years and how would you handle it?

A. The one issue to be addressed in the next few years is that of large ticket improvements such as the community center and water tower repairs. These things didn't become problems overnight and the solutions will not be fast either. I will strive to make plans for long term improvements before they become necessary.

6. Other comments

A. When I am elected to the City Council I will work hard to represent the citizens of Winters. I will try to be objective and informed and make the decisions that you would make.

7. What leadership skills do you offer to the citizens of Winters?

A. The experience I gained this past two years in the Council. I have been involved in the making of two major tight budgets for the city. I gained experience in court proceedings in the water case in Austin. I've had a part in the hiring of two city administrators, plus all of our Police force with the exception of one. I was involved in the purchasing of our fire truck which has to meet strict state regulations in order to be approved and also in the purchase of a much needed street sweeper. I am still involved in the 911 system. We still have several areas that we need to study and make some final decisions in order for the system to work as it should.

8. What do you believe is the role of the City Council?

A. The Council is here to oversee the city and its operation. They make decisions while keeping in mind our citizens and how you as a citizen can benefit from it.

9. What are your goals for the city of Winters and how would you accomplish these?

A. My goal for the city of Winters is to make this a better town for young and older people.

10. What is the one issue that you think the City Council must address during the next three years and how would you handle it?

A. I strongly believe that if we would vote in the way to help everyone, not just in order to get along, we will have a better place. The way I will go about this is to vote the way I believe, and not the way the others do. Soon everyone will vote the same way.

11. Other Comments

A. I will appreciate your support and vote.

Candidate City Council

Sandy Griffin

1. Personal Information (i.e. family, occupation, etc.)

A. I was born and raised in Rochester, New York. I moved to Winters with my husband W.A. (Bill) Griffin 23 years ago. I enjoy playing Bridge and most outdoor activities, especially golf. Taking an active part in community functions and organizations is something I've always done. I believe that the involvement and the experience are well worth while.

2. What leadership skills do you offer to the citizens of Winters?

A. I first came to the Winters City Council in 1986, seven years ago. At that time I was appointed to fill the unexpired term of June Hays. After filling the unexpired term I was elected in 1987 and 1989 as a Councilmember and in 1991 as Mayor. I've come to know the people of Winters and want to represent them to the best of my ability, within the framework of our democracy.

3. What do you believe is the role of the City Council?

A. The most important role of a Councilmember is to remember the taxpayer and to always act in their best behalf. Any council action will eventually effect the taxpayer and as a Councilmember you must be accountable to that individual.

4. What are your goals for the city of Winters and how would you accomplish these?

A. Getting back to the taxpayer, Winters must attract new residents because everyone benefits from the influx. Jobs are created, ideas and responsibilities are shared and financial burdens are reduced. In my opinion stimulation of this nature is not only healthy but it is necessary.

5. What is the one issue that you think the City Council must address during the next three years and how would you handle it?

A. Having served on the City Council since 1986 I've seen first hand that long term issues are hard to address because of unknown factors. But without goals we have dampened our promise for the future. I would like to see Winters as a progressive part of the 1990's. This issue is not just for the City Council to address. It will take every taxing entity, every organization, and every citizen working and pulling together. UNITY is putting a name on this issue. Making it a reality takes desire, communication, sacrifice and lots more.

6. Other comments

A. I'm most comfortable taking things one day at a time, being available to represent the City to the best of my ability, for the length of my term.

Candidate City Council

David Evans

1. Personal Information (i.e. family, occupation, etc.)

A. I have been a resident of Winters since 1978. My wife, Nancy, and I both teach at Winters High School. We have two sons; Dean, 15, and Greg, 13. We are members of the First United Methodist church.

2. What leadership skills do you offer to the citizens of Winters?

A. I have been chairman of the Administrative Board and Staff/Parish Relations committee and am lay delegate to the annual conference of the Methodist Church. I am past-president of the Winters Chamber of Commerce and past-president of the local chapter of Texas Classroom Teachers Association.

3. What do you believe is the role of the City Council?

A. The role of the City Council is to serve the people of the city of Winters and to make Winters an even better place to live.

4. What are your goals for the city of Winters and how would you accomplish these?

A. To bring in new businesses and to broaden the support needed for a growing community by increasing the advantages in establishing new businesses here rather than another community.

5. What is the one issue that you think the City Council must address during the next three years and how would you handle it?

A. I feel we must begin some type of recycling program. There are many groups in town who could benefit from this program by collecting recyclable goods and taking them to a larger center.

6. Other comments

A. While no one solution is apparent, the city must make every effort to attract and keep young people in the community.

Candidate City Council

Jerry Sims

1. Personal Information (i.e. family, occupation, etc.)

A. I have been a postal mail carrier in Winters for 17 years. My wife, Jan, and I have one daughter, Jamie. My parents are Darlene and Wayne Sims.

2. What leadership skills do you offer to the citizens of Winters?

A. I have five years experience as a member of the Winters City Council.

3. What do you believe is the role of the City Council?

A. To serve the people of Winters.

4. What are your goals for the city of Winters and how would you accomplish these?

A. I feel tax rates are too high, water rates are too high and cable TV rates are too high. There must be a way to lower these by refiguring the water rates. We have the water to sell and by lowering the rates, we sell more water. I would talk to the TV cable company. No one that I know of is happy about their cable bills.

5. What is the one issue that you think the City Council must address during the next three years and how would you handle it?

A. Taxes. We have to find a way to not only not raise taxes but to lower them. Winters has the highest tax rate of any town around!! We need to look close at every item in the budget. No frills.

6. Other comments

A. I have been a resident of Winters since 1978. My wife, Nancy, and I both teach at Winters High School. We have two sons; Dean, 15, and Greg, 13. We are members of the First United Methodist church.

7. What leadership skills do you offer to the citizens of Winters?

A. I have been chairman of the Administrative Board and Staff/Parish Relations committee and am lay delegate to the annual conference of the Methodist Church. I am past-president of the Winters Chamber of Commerce and past-president of the local chapter of Texas Classroom Teachers Association.

8. What do you believe is the role of the City Council?

A. The role of the City Council is to serve the people of the city of Winters and to make Winters an even better place to live.

9. What are your goals for the city of Winters and how would you accomplish these?

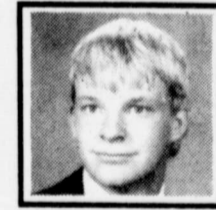

A. To bring in new businesses and to broaden the support needed for a growing community by increasing the advantages in establishing new businesses here rather than another community.

10. What is the one issue that you think the City Council must address during the next three years and how would you handle it?

A. I feel we must begin some type of recycling program. There are many groups in town who could benefit from this program by collecting recyclable goods and taking them to a larger center.

11. Other comments

A. While no one solution is apparent, the city must make every effort to attract and keep young people in the community.

Candidate City Council

Scott Pinkerton

1. Personal Information (i.e. family, occupation, etc.)

A. I have been a resident of Winters for 17 years. I graduated from Winters High School in 1988. I have a daughter, Danielle, who is 15 months old. I am employed by North Runnels Hospital and own a small sign manufacturing business.

2. What leadership skills do you offer to the citizens of Winters?

A. Enthusiasm for the future and a desire to help make Winters a nice place to live and raise a family.

3. What do you believe is the role of the City Council?

A. To provide the best possible service to the people it represents.

4. What are your goals for the city of Winters and how would you accomplish these?

A. All efforts must be made to make Winters attractive to businesses and provide the residents with the service they need at a price they can afford.

5. What is the one issue that you think the City Council must address during the next three years and how would you handle it?

A. While no one solution is apparent, the city must make every effort to attract and keep young people in the community.

Poe's Corner

by *Charlsie Poe*

Wayne Stark, man of vision

"Winters native brings culture to A&M, doesn't that sound like a good story?" said a voice on the telephone early one morning last week.

"Of course," I answered, with only one eye open, "but we don't have anyone like that."

It was Lucy Kitrell, retired school teacher, who keeps me posted on story material. She also has relatives scattered around the state. "Did you know Wayne Stark?" she asked.

"Yes, but I thought he died."

"He did, but I had a letter from my cousin Jim Roninger, president of Citizens National Bank in Breckenridge. He enclosed this month's A&M alumni magazine. He rememberd how fond we were of Stark, but didn't realize all of the things he had accomplished until he read the magazine."

All I could remember was that Wayne lived on Main Street with his parents, Mr. and Mrs. P.J. Stark. He had two distinctions in his youth: he was the champion tree sitter in town and also won the yo-yo contest when it was held in the building over Owens' drugstore. Wayne delivered papers for Buford Owens.

In true school teacher fashion, Miss Lucy said, "I want you to have this article and since I can't drive, I'll send it by the gardener."

The following information is taken from a story by Jerry C. Cooper, '63, in the alumni magazine.

When J. Wayne Stark, '39, (the "J" stood for John) died on January 18 at the age of 75, the Texas A&M University family lost one of its greatest champions.

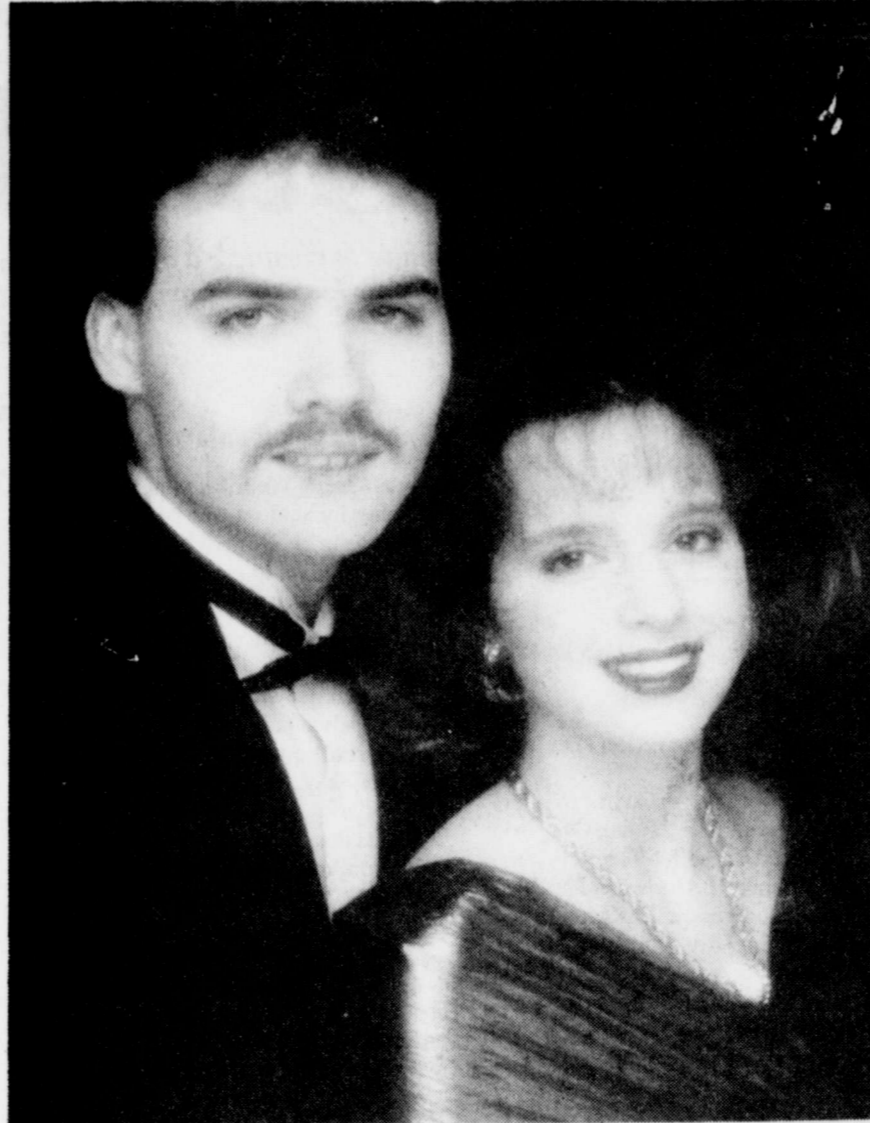

At the time of Stark's retirement in 1990, he had spent 47 years of his life as a student or employee at A&M. He came to Aggieland in 1934 from the plains town of Winters and earned a bachelor's degree in history. After graduation, Stark enrolled at the University of Texas Law School, but withdrew to serve with the U.S. Army in the European Theater during World War II.

In 1947, he returned to the A&M campus with the mandate to build the best student union facility and program in the nation. For three years he studied student centers in other colleges and universities across the nation. He then helped plan and build a facility second to none. Texas A&M's Memorial Student Center was dedicated on Aggie Muster Day, April 21, 1951, with Wayne Stark as its first director.

For the next 33 years, with the help and support of his wife Jean, he developed programs that put Aggies to work organizing projects that would have tested seasoned professionals. In activities such as the annual Student Conference on National Affairs (SCONA), the Great Issues program and Political Forum, he gave students unique opportunities. They learned to contact business executives and ask them for funding. They gained the confidence to approach dignitaries with invitations to address the conferences.

A memorial service held on February 6 filled the Memorial Student Center Flag Room and included remembrances from Texas A&M President William H. Mobley and more than a dozen A&M graduates.

President Mobley said Wayne Stark should be measured by the vision he gave to hundreds, if not thousands, of Texas Aggies through the years. "He was well ahead of his time in recognition of the global village shrinking around us and in teaching us to enjoy and appreciate the visual arts."

Robbie Galloway—Brandy Halford

Halford—Galloway to marry

Louis and Wynette Halford announce the engagement and approaching marriage of their daughter, Brandy Michelle, to Robbie Wayne Galloway, son of Mr. and Mrs. John Galloway.

The couple will be united in marriage on Saturday, May 8, 1993, at 2:00 p.m. at Somebody Cares Ministries located at 123 Main Street in Winters. A reception will follow the ceremony.

Following a short wedding trip the couple will make their home in Winters.

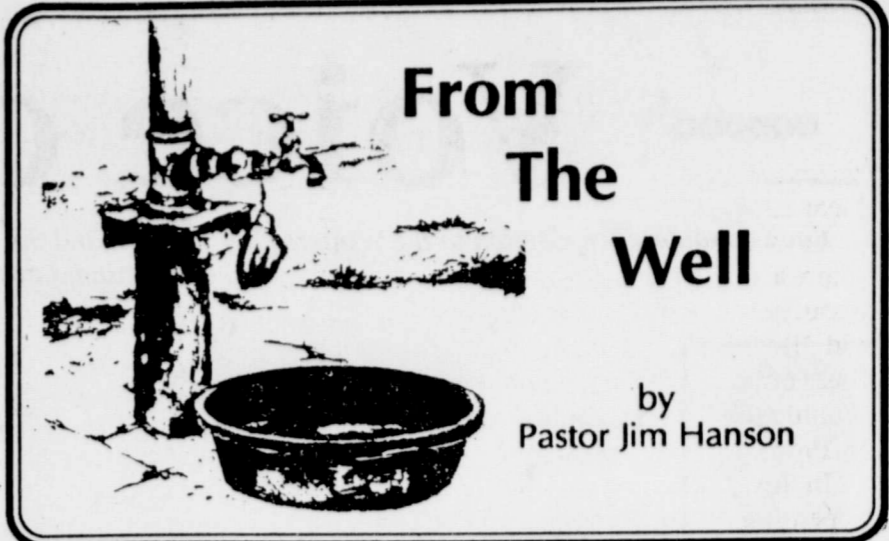

Sandra Singleton—Christopher Young

Engagement of Sandra Singleton and Christopher Young announced

Mr. and Mrs. David Singleton of Portland, Texas announce the engagement and approaching marriage of their daughter Sandra Faye to Christopher James Young, son of Mr. and Mrs. Joe Young of Winters.

The couple will be married October 2, 1993, at First Baptist Church in Portland.

The bride-to-be is a 1992 graduate of Gregory-Portland High School and is currently attending Del Mar College in Corpus Christ. The prospective groom is a 1988 graduate of Winters High School and a 1989 graduate of Lincoln Tech. He is currently serving in the U.S. Navy aboard the USS SCOUT homeported in Ingleside, Texas.

It's such a pretty day today. The sun is shining bright in the sky. The sky is blue. The air is fairly still, just a faint stirring of the wind. The grass is growing. The earth is green and green is a God color. And this morning, as if to announce to me and tell me in a deep and personal way, "It's really April, Jim", for the first time, the snap dragons are in bloom.

I guess I've always been a flower person. Oh, I don't mean one who grows flowers and can name them and is an authority on flowers. I just deeply appreciate flowers and can enjoy someone else's flowers as well as my own. I guess I am a flower lover. When we begin to see some flowers on Main Street in Winters, it warms my heart. Somebody cares! No wonder Memorial Day was started when some dear lady decided to place flowers on the graves of soldiers from both sides of the Civil War. Something far deeper than who was right and who was wrong. The beauty of the flowers, decorating the graves said. And as the advertisement says, "Say it with flowers."

Come to think of it, I think my love of flowers came first of all from my dad. Every Mother's Day, he would buy six carnations. Five were red and one was white. The white one he wore, because his mother had died. The red ones were for the rest of us, my mother, whose mother was still alive, and for his four sons. I think I was four when I got my first red carnation on Mother's Day. For a while Ramona and I continued the tradition in our family. We wore those flowers like flags, we were so proud of our mothers and the flowers said so.

When Ramona and I got married, out budget was pretty tight. Ramona's parents had died the previous year, so we did it the economical way. When it came time to decide what flowers with which to decorate the church Ramona said, "At that time, peonies will be in full bloom, and I know several of our neighbors will let us have some." so, when I think of our wedding, I think of that Wednesday afternoon in mid June when Ramona and I went from farm yard to farm yard picking peonies and arranging them in baskets and bringing them to the white frame church in the open country where we were to be married that night.

When dad died, I promised mother I would stay with her the week following the funeral and help her with all those things one must do when a loved one dies. I fully expected we would be spending our time in a lawyer's office, and tending to "business affairs." Fortunately, I had taken along some jeans, a work shirt, and a pair of boots. For on the morning of the day after the funeral, mother said to me, "Jim, the first thing I want to do is to move my mums." Of first importance. Of course.

And you can be sure that on the day of our daughter's wedding, Ramona and I will be busy arranging daisies and other cut flowers decorating the church. For how can you say it, without flowers.

Congratulations & Good Luck to the Boys & Girls Golf Teams

Letters to the Editor

Dear editor:

I too noted with a great deal of interest a story in a recent issue about new lights being installed at old Blizzard Field. I also noted that you stated that the new lights would replace old lights installed in 1948.

In his "Letter to the Editor" appearing in the April 1, 1993, issue of the *Winters Enterprise*, J.R. Lacy states that the old lights were first installed in 1938. Since he was personally involved in the installation of the original lights, his recollection may very well be better than mine. However, it is to the best of my recollection that the original lights were installed in 1936. Of course at my age (71) my memory isn't what it used to be, I sometimes can't remember if I just put mail to go in the mailbox or took mail out of the mailbox. Anyway, 1936 sticks in my mind as the year the lights were first installed, that was the year that Winters played two football games against our old arch-rivals, the Ballinger Bearcats. In those days games between the Blizzards and the Bearcats always filled the stands and as I recall the reason for the two Winters/Ballinger games that year was for the extra revenue to help pay for the newly installed lights at Blizzard Field. My old life-long friend, Ellis Zane Moore and I played on the Blizzard varsity teams of 1938 and 1939 and we definitely played our home games under the lights during the 1938-39 seasons. I am sure that night football games were being played at old Blizzard Field during the 1936 and 1937 football seasons. I seem to recall that a white football was used for the first night games instead of the regular light brown football. It was then thought that the teams could see a white football better on passes, punts, and kickoffs. Ellis Moore or Homer Hodge (both still living in Winters) may also recall the white football being used in those days. I remember that an oil company had donated the pipe to be used for the light poles, but I didn't know it was Gulf Oil Company that had donated the pipe until I read J.R.'s letter. I also remember J.R. Lacy and Bill Bailey working at the old Gulf Service Station and Roy Young, the Gulf Oil agent. I believe that old Gulf Oil Service Station (we called them "Filling Stations" then) was located just about where the Peoples National Bank now stands.

I wonder how many people still living in Winters are old enough to remember that one night, shortly after the lights were installed at Blizzard Field, we had a storm with very high winds. Next morning after the storm the light poles

at Blizzard Field were leaning in every direction. To correct the problem, the light poles were straightened to the perpendicular position and then anchored in place with a system of steel cable guy wires with part of the guy wires running across the field from the light poles on the west side to the light poles on the east side of the field. Those old guy wires were still there when I saw my last Blizzard football game at Blizzard Field (vs the Cisco Lobos) in October, 1985, and still in place when I attended the Pageant celebrating Winters' 100th Birthday in the summer of 1990.

J.R. Lacy said he was making \$60.00 a month working at the Gulf Station, back then I would have thought that was mighty good pay. Like J.R., I also left Winters in 1940 - shortly after graduating from Winters High School. I joined the U.S. Navy as an Apprentice Seaman making \$21.00 a month with room and board, making next to nothing up until then. I retired as a commissioned officer after over 21 years active Naval Service. After my active U.S. Navy service I went to work for a company in Salt Lake City, Utah and retired again in May of 1986.

I still enjoy reading the *Winters Enterprise*. I really enjoy Charlsie Poe's "Poe's Corner" in each issue of the *Enterprise* (maybe Charlsie could confirm the year the lights were first installed at Blizzard Field). I still try to visit Winters once a year. My wife and I visit with my old friend and former classmate, Ellis Zane Moore his wife La Moyne. We were in Winters last October and I was hoping to see a football game but the Blizzards were playing Stamford at Stamford the Friday we were in Winters. My wife and I were in Winters in 1990 for the big Centennial celebration and for my 50th High School class reunion.

To the Editor:

I am a Member of The Seniors Coalition and I oppose the Clinton tax on Social Security. I have written my U.S. Senators and my Congressman urging them to sign The Seniors Coalition "CONGRESSIONAL PLEDGE" that says: "I Pledge to Oppose Any New Taxes or Cuts in Social Security."

Social Security is not adding to the federal deficit—it's running a surplus. It's unfair to balance the budget on the backs of Seniors.

For more information please call The Seniors Coalition's Washington office at 703-273-5449.

Garland Brock
Mr. & Mrs. Connie Gibbs

I hope I am correct in my contention that the football lights were originally installed in 1936. If I am wrong, I'll buy coffee for J.R. at Main Drug Store in Winters next time we are both in Winters.

Sincerely,
John B. (Johnny) Oliver
Winters High School
Class of 1940

Through the medium of this newspaper I should like to offer my congratulations to the Winters Lions Club on the success of their Farm Night.

However, I understand special appreciation should go to the Rev. Jim Hanson and Mac Sayles for their efforts and enthusiasm. The party was a huge success and most enjoyable in every detail.

So I say thank you for a great idea and a fun evening.

Alise Middleton

Runnels Baptists to meet May 10

The regular meeting of the Runnels Baptist Association will be held on May 10, 1993, at Seventh Street Baptist Church in Ballinger.

The W.M.U. and Executive Board will meet at 5:30 p.m. and the evening meal will be served at 6:00 p.m.

The program, beginning at 7:00 p.m., will be on annuity emphasis. Bryan Ross, Association Annuity Board Chairman, is in charge of the program. The speaker will be Bruce Sides, a representative of the Annuity Board of the Southern Baptist Convention.

The public is invited.

Charles Berry to speak at St. John's

Mr. Charles Berry of Ballinger will be guest preacher at St. John's Lutheran Church in Winters this coming Sunday, May 2, at the 10:40 a.m. service. Mr. Berry is a well-known speaker, having previously spoken in Winters at the Lions Club and at the Chamber of Commerce Banquet. His heart-warming story of personal faith

during a time when he was gradually growing blind has inspired many folks. He will be telling his story of faith and also the story of Gideons International, a worldwide Bible Distribution organization of which he is a member. The whole community is invited to come and participate.

Crews News by Hilda Kurtz

Some people are like buttons—always popping off.

Hopewell Baptist Church congregation enjoyed friendship and dinner on Sunday. Visitors were Ruby Jackson of Robert Lee, Amantina Faubion and Billie Drake of Winters, Shawn Kraatz, Shawn O'Mara, Kirk Conner and Ginger Test. Janie Fanning presented a special program honoring Brian Faubion featuring the story of his life, a sock and cookie shower and the gift of a Bible from the church. Brian will be graduating from Winters High School soon. By the time you read this, Brian Faubion will have had another birthday. Happy birthday, old man.

On the sick list are Claudia Hill and Hazel Dietz.

Jeremy Prater caught his first big channel catfish. I asked him what kind of bait he used and he answered "A weiner."

Walter Pape of Santa Anna and Gladys Cotton of Ballinger had a short visit with Harvey Mae and Noble Faubion. Ruth Pape called her son David and wished him a happy birthday. Ruth had an enjoyable visit with Bernie Faubion before going to Ballinger on business.

Ray and Ellie Pearce of Los Angeles, California called to see how their Texas kin were.

The Bill Mathis family were in Denton over the week end with Marque's parents, Charlotte and Alvin Whaley. They also visited with Marque's brother, John Whaley and his wife, Mauri and children of Denton and her aunt, Koleta and Uncle Baxter Hunt of Burleson.

Marque has been in touch with

Missionary Day at Wingate Baptist Church

Sunday, May 2, will be "Missionary Day" at the Wingate Baptist Church. The church will have as guests Rev. & Mrs. Marvin Thompson, missionaries to Burkino Faso. They live in the city of Bobo. Their three children Michelle, Laura and Troy will be visiting with them.

The Wingate church has sent money to this mission field for the construction of a church building in Bobo. Their pastor and wife spent some time on this mission field working with the Marvin Thompson and Bill Dean families.

We will also have as missionary guest, Rev. and Mrs. Charles Dickson. They spent thirty-three years as missionaries in Brazil. The Wingate church has also helped with the work there for many years.

We would welcome all who are interested in missions to come and visit the services.

Dinner will be served at the church following the morning service.

her sister, Debbie Buddruss, of Tulsa, Oklahoma. The recent tornado in that area narrowly missed their home.

Karen McGallian spent Wednesday with Nila Osborne doing some sewing. Wesley, John and Stefanie joined them for supper.

The Crews Community Supper will be at 7 p.m. on Saturday, May 1. Bring your favorite dish and visit with your neighbors.

Mrs. Felda Schaefer of Miles and Margie Jacob met in Ballinger on Tuesday. After enjoying lunch, they visited friends in Canterbury Villa Nursing Home.

Bryce Busenlehner honored his mom, Sharon, with a birthday supper at Casa Cabana on Wednesday night. Father Zientek of Brownwood brought the birthday cake. Others attending were Margie Jacob and Justin Busenlehner.

Margie Jacob was in Rowena to visit the 8 day-old twins, Danae and Mason Charles, of Mr. and Mrs. Bruce Mateschek. The twins' other grandmother, Sherline Struble also spent the day.

Mrs. Jo McWilliams, once a Crews resident, was buried in the Talpa cemetery on Thursday.

Naomi and Milton Gerhart were Sunday dinner guests of Theresa and Joe Gerhart and Jordan. They also celebrated Jordan's 5th birthday. Happy birthday and many more, Jordan.

On Tuesday Marque Mathis and Eileen Prater attended the Winters P.T.A. meeting. Marque was again elected president. Eileen won a door prize donated by Alderman-Cave.

Jeremy Prater celebrated his 12th birthday on Wednesday. His

Wingate Church of Christ "Feeding the Flock"

Wingate Church of Christ Gospel Meeting "Feeding the Flock" will be May 2-5. B. McCown will be the Sunday speaker. Following the service will be a pot luck lunch. An area wide singing will be held from 2:00-4:00.

Alvis Fisher will be the speaker Monday thru Wednesday at 7:30 p.m. Don Richard will be the song leader.

Church of Christ Teens

by STEVE HORNE

This past Sunday COCT and friends went skiing at the lake. We were crazy, we know, but we just couldn't wait for summer to get here. Special thanks to Paul and Becky Airhart and Lanny and Brenda Bahlman for supplying their time and boats.

Upcoming events:

May 1.....Mayfest (yea!)...see you there!

May 9.....Second Sunday Fellowship; watch for details.

Special thanks also to the *Winters Enterprise* and their staff for their help and involvement in the community life of Winters. Keep up the good work!

Because He lives,
Steve Horne

Canterbury Villa News

by Margie Clough

The staff and residents of Canterbury Villa would like to extend our sympathy to the family of Hattie Culp. She will be dearly missed by all of us.

We would like to thank Barry's of San Angelo for the house shoes they brought for the residents, and Chapter 7, of Disabled American Veterans for delivering them to us. We appreciate your thinking

of us, and thank you very much.

Our birthday party for April was held on the 15th. Everyone enjoyed the cakes provided by the AARP, Chapter 221 of Ballinger.

The ladies of the chapter were also a great help to me with serving. Thank you so much for your time and help. The birthday gifts were provided by the Stitch N Time Club of Ballinger. Thanks

to you, also, ladies. You are all such a big help, and the residents really enjoy the birthday party.

Kay Russell has been here for Arts and Crafts. We have had a good turnout for her activity, and thank her for her help with the project. The ladies really enjoy the activity, and love working with Kay. Their last project was candy baskets. They all turned out really well. All of the ladies did an excellent job. We look forward to Kay being back.

We have several new residents we'd like to welcome to the facility. They are Leora Richardson, Rm #49, Winona Watson, Rm #50, and John Gottschalk, Rm #43. They would appreciate your visits and letters.

I would like to thank Tommy Parks for bringing some story tapes for the residents to enjoy. We look forward to hearing them.

We would also like to thank the Ninth Street Church of Christ for taking time out to come and sing for us every month. We appreciate your time, and enjoy the singing.

As always, volunteers are needed and appreciated. Anyone interested please call Margie Clough, Activity Director, at 365-2538.

30 YEARS OF SERVICE—Dwayne Lange, Runnels County ASCS Committee Board Member, presents a certificate for 30 years of service to Sue Gray.

NEW MEMBER—Carolyn Cozart, director of the USDA ASCS presents a certificate to Bud Busher, a new member of the Runnels County ASCS Committee.

10 YEARS OF SERVICE—Honored by the Runnels County ASCS for 10 years of service was Angie Halfmann. Presenting the certificate is Dwayne Lange, Runnels County ASCS Committee Board Member.

American Legion Post 261 brings awards from convention

On April 16, 17 and 18 the American Legion of the 21st District held their convention in San Angelo at the Holiday Inn. Nineteen posts were represented at this yearly convention, the largest convention ever held for the 21st District.

The Winters American Legion Post 261 was represented by Commander Walter Durham, Adjutant Billy Ray and delegate John Schaffrina. Wanda Snuffer represented the Womens Auxiliary.

Commander Walter Durham was placed on the rulers committee and the oratorical trustee fund

committee for three years.

The American Legion Post 261 brought back from the convention two trophies, one plaque, one certificate and one ribbon. One of the trophies is a traveling one, given each year to the post with the highest percentage increase in membership during the year. Post 261 had an increase of 135%.

The members of Post 261 are working to help all veterans and their families, as well as the community.

All veterans of war are welcome to become involved and help one another.

AMERICAN LEGION AWARDS—Commander Walter Durham stands with awards received by American Legion Post 261 at the 21st District Convention held in San Angelo.

Human Lice

Human lice appear to be increasing in the United States. Head lice spread easily, and infestation often occur at all social and economic levels, especially among school children who are in close, daily contact.

A louse cannot hop or jump. They are usually transmitted through close personal contact. They can also be transmitted through the use of sharing personal items such as combs, brushes, hats, caps, other headgear, or by storing these items in shared lockers.

Head lice and body lice which are different forms of "pediculus humanus", are similar in appearance. They are bloodsuckers and can cause considerable skin irritation and itching when they feed or crawl on the body. About 2 or

3 mm. long when mature, lice are wingless insects whose legs have claws that are adapted for clinging, giving the insect a strong grip on hair shafts. Their color, which varies from dirty-white to greyish-black, usually approaches the hair color of the host. Head lice almost always occur on the head where they attach their eggs (nits) to the hair; body lice prefer to live in the seams and linings of clothing, blankets and sheets from which they periodically crawl onto the skin to feed. Although body lice usually deposit their nits on clothing fibers, they are sometimes found on body hair as well.

Female head lice produce from 50 to 150 eggs (nits), which they attach with a waterproof, cement-like substance to the hair shaft at

the scalp; behind the ears, on the nape of the neck and occasionally to other body hairs. Although these are the most common sites for nits, they can be found anywhere on the scalp. The greyish-white nits, (1 mm. long) are shaped like an elongated football with a cap at one end to admit air and allow the young insect to escape. Nits may also be found in headgear, a common means of spreading. The eggs hatch in 5 to 10 days, and the young, which resemble the adults except for size, mature in 8 to 10 days during which they undergo three skin molts to allow for body growth. Adults normally live about three weeks. Lice feed frequently, usually every 3 to 6 hours, and do not usually survive more than 48 hours away from the human body.

Safe and effective over the counter medications are available at most pharmacies. The most widely accepted are those based on natural compounds called pyrethrin, A-200 Pyrinat® and RID®. Others containing different medications include Cuprex® and Bomate®. Prescription treatments include Topocide, Kwell® Shampoo, Kwell® Lotion and Kwell® Cream. Always read and follow carefully the instructions on the container label.

Prescription and non-prescription medications are highly effective in killing lice, but some eggs may survive. Retreatment in 7 to 10 days is necessary to kill

any newly hatched lice. This second treatment is very effective in killing the newly hatched lice before they have a chance to lay eggs. The newly hatched lice do not play a role in transmission. School children with head lice may return to class as soon as they have received their first treatment with an effective medication.

Combs, brushes and similar items can be treated by soaking for 1 hour in one of the special medicated shampoos or by soaking them for 5 to 10 minutes in a pan of water heated on the stove to 130 degrees F. Soap and water will kill lice in bedding if the water is hot enough (130 degrees F.). All clothing and bedding used during the 2-day period prior to treatment should be laundered. Washing in cold or lukewarm water will not kill lice, so sufficient time between loads of laundry should be allowed for the water to reheat. Drycleaning will also kill lice or an alternative method is to seal clothing in a plastic bag for two weeks. This will kill all lice and their nits.

Persons who think they are infested with lice should seek assistance from a physician, the health department or school nurse and follow their instructions. The entire family and school contacts should be inspected and undergo simultaneous treatment if necessary.

Your TV set can warn you of approaching tornado

The advent of spring also brings tornado season. The community of Winters has, in recent years, seen its share of tornado-inflicted destruction. Everyone who lives in the "tornado belt" should be prepared—know what to look for and how to look for it.

A *tornado watch* means that tornado development is possible. Keep a watchful eye on the sky for threatening weather and stay tuned to radio, television or NOAA Weather Radio for the latest weather information.

A *tornado warning* means a tornado has been sighted or indicated by weather radar. Persons in the path of the storm should seek shelter immediately, preferably on the lowest floor of a substantial building.

Here's a tip on how to use your television set or radio to detect tornadoes when such a danger has been broadcast for your area.

Using your television

First, warm up your set, tune in Channel 13 and darken the screen to almost black, using the brightness control. Then, turn to Channel 2 and leave the volume down.

Your tornado detection device is now in operation. Lightning will produce momentary white bands of varying widths across the screen. (Color sets produce color bands.) A tornado within 15 to 20 miles will produce a totally white screen which remains white, or one color on color sets. Should this occur, turn off your TV set, take a portable radio and seek a place of shelter immediately.

This system was discovered by Newton Weller of West Des Moines after 12 years of study. It works because every TV set has a Channel 2 at 55 MHz. Lightning and tornadoes generate a signal near this frequency which overrides the brightness control. Channel 13 is at the high end of the frequency band and is not affected. This is why the darkness must be set on that channel.

Using your radio

Use a portable radio for emergency instructions and in case of power failure. If the radio is turned to the 550 kHz band, lightning will cause intermittent static. A tornado will cause steady, continuous static.

Poems wanted for new contest and anthology

Poems are now being accepted for entry in Sparrowgrass Poetry Forum's new "Distinguished Poet Awards" poetry contest. Cash prizes totaling \$1,000 will be awarded, including a \$500 grand prize. The contest is free to enter.

Poets may enter one poem only, 20 lines or less, on any subject, in any style. Contest closes May 31, 1993, but poets are encouraged to

send their work as soon as possible. Poems entered in the contest also will be considered for publication in the Winter 1994 edition of "Treasured Poems of America," a hardcover anthology to be published in December 1993.

Poems should be sent to Sparrowgrass Poetry Forum, Inc., Dept. EM, 203 Diamond St., Sistersville, WV 26175.

The average shower uses between 25 and 50 gallons of water.

Cubs have blue ribbon effort at Scout Show

The Chisholm Trail Council held its annual Scout Show on Saturday, April 17 at the Navy and Marine Reserve Training Center in Abilene. This year the theme for the show was Advancing Our Environment. It was a hub of activity as groups of Cubs, Boy Scouts and Explorers had booths and displays with information from conservation to recycling.

Winters Cub Scout Pack 249

participated with a booth on Recycling Plastic. Information was given on the need for recycling as well as ways to reuse plastics. Crafts made from reused plastics by the scouts over their years in scouting were displayed. The pack received a blue ribbon for its booth efforts.

Scouts helping with the booth presentation at the show were Justin Laird, John Heathcott, Nick

Haussecker, Robby Heathcott, Wade Parramore, Jeremy Hope, Joseph Joeris and Christopher Kraatz. The booth was designed, prepared and presented by adult leaders Barbara Heathcott, Jeanine Laird, Sarabeth Heidenheimer and Chris Parramore.

Many of the scouts from the pack sold Scout Show tickets and trees in conjunction with the show. Jacob Goetz was the top tree seller in the pack. The trees purchased

will be delivered to Winters around May 15, and will then be distributed by the individual scouts.

HARD WORKERS—These concerned citizens rolled up their sleeves, got out their hoes and donated their time last Saturday as part of the Clean Up Campaign sponsored by the Chamber of Commerce. Working in 95 degree heat were (L to R) City Administrator Aref Hassan, Chamber President Melanie Wade, director Dr. Tommy Russell, director Jimmy Butler and Chamber secretary Ceelia Kniffen.

REQUEST FOR SERVICES-ENGINEERING

The City of Winters, Texas has been awarded a grant from the Texas department of Housing and Community Affairs in the amount of \$220,000 which represents approximately 87% of the total project cost. The project involves the construction of water and sanitary sewer improvements in portions of the city. The city is interested in contracting with a professional engineer to provide all required engineering services necessary to make the needed water and sewer system improvements.

If you are interested in providing engineering services regarding this project, please send three (3) copies of your proposal to City Manager, City of Winters, 310 S. Main Street, Winters, Texas 79567 no later than May 14, 1993. All proposals will be scored on the basis of (1) Project Approach-10 points, (2) Qualifications of the engineer- 40 points, (3) Experience of the engineer- 50 points. A listing of previous projects where similar services have been provided must be included in your proposal. Should you have any questions, please contact the City Manager at 915-754-4424.

The City of Winters reserves the right to negotiate with any and all contractors according to the Texas Professional Services Procurement Act and to waive all informalities. The city is an equal opportunity employer.

Winters Masonic Lodge to hold 1993 open house

Winters Masonic Lodge will hold its 1993 Open House on Saturday afternoon May 1, 1993, from 2 to 5 p.m., according to an announcement made by Wilber Waggoner, the Master of the Lodge. The Lodge is located at 136 West Dale St., Winters, Texas.

The public is cordially invited to attend and view the lodge room and its unusual furniture and equipment, much of it looking exactly the same as it looked when Masonry first came to Texas in the early 1830's. Light refreshments will be served during the afternoon.

Winters Masonic Lodge was founded in 1892, and has been in its present location since 1973. The lodge has a membership of 72.

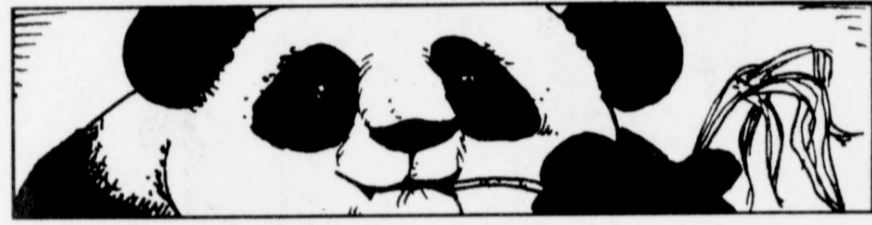

Waggoner noted that the lodgeroom will be set up in museum fashion, with guided or self-guided tours available as desired. Explanatory cards set out at all places in the lodgeroom will describe everything in the room. Thus, the visitor can receive information on everything from the Tiler's place at the door to the

Bible at the altar.

In outer lobby areas, will be found displays reflecting the work of the Knights Templar Eye and Education Foundations, Texas Scottish Rite Hospital in Dallas, the Shrine Hospitals for crippled and burned youngsters, and many other charitable endeavors to which Masons contribute every day of the year.

Waggoner also noted that a special effort is being made in the Open House program to refute the mistaken notion that Freemasonry is some kind of secret society, and that Masons cannot talk about Masonry. Nothing could be further from the truth. He added that while Masonry, like any other fraternity, maintains privacy with regard to its ritual; the membership, business affairs and activities of the Masonic fraternity are open to anyone interested.

Waggoner added "It is hoped that all citizens of this area will join in this exchange of good will and friendship, to the end that all citizens will be more aware of our Fraternity, and of the many ways we serve the community."

The giant panda eats mostly bamboo shoots.

Law Officers—dunk'em booth

The Runnels County Law Officers Association will be conducting a fund-raiser on Saturday, May 8, 1993 at the Ballinger Walmart store from 10 a.m.-5 p.m.

The county wide group will be conducting several activities on the store parking lot. The highlighted event will be the dunking booth where residents will get a chance to dunk their favorite or non-favorite lawman into the water filled booth.

Currently chances are being sold by the group at \$1 per chance or six for \$5 for a 12 hp Murry riding mower. The winner will be announced at 5 p.m. Hamburgers, hot dogs, and drinks will also be sold.

A total of 14 lawmen representing Ballinger and Winters police departments, Runnels County Sheriff's Department, and Texas Department of Public Safety will be on hand.

Local homemaker to receive award

Dinell Jacob of Winters will be honored for outstanding contributions to the Texas soil and water conservation program at a Region II Awards Banquet on May 6 in San Angelo.

Dinell will represent the Runnels Soil and Water Conservation District at the event and will receive recognition for Runner-up in the category of Outstanding Conservation Homemaker.

Region II consists of 44 counties in central Texas.

REDS SHOW THEIR COLORS—Members of the Runnels County Reds Special Olympics team participated in the Area 14 Track and Field Games recently in Abilene. Shown with their ribbons and medals are, from left, front row: Larry Horton, Sammy Little, Jamie Calaway, Albert Grohman, Billy Bennefield and Scott Danford. Back row: Samm Martin, Shannon Cowan, Rhonda Williams, Shelley Barnes, Carmen Rodriguez and Stephanie Brunson.

Runnels County can be proud of "Reds"

The Area 14 Track and Field Games for Special Olympics was held on April 17 at Abilene Christian University. Over 400 athletes from 24 area counties were in competition at Elmer Gray Stadium.

Opening ceremonies and Dance-A-Thon were held at the Hunt P.E. Center at McMurry University. Runnels County Reds raised a total of \$822.93 to finish as the top group in the event.

The Runnels County Reds were well represented in 50 M Dash, 100 M Dash, 400 M Walk/Run, Running Long Jump, Softball Throw, Shot Put and 400 M Relay. The athletes returned with medals and ribbons in all events.

Members of the Reds are, from Winters: Scott Danford, Albert Grohman and Larry Horton; from Ballinger: Sam Little, James Calaway, Billy Bennefield, Stephanie Brunson, Shelly

Barnes, Rhonda Williams, Carmen Rodriguez, Shannon Cowan and Samm Martin. Coaches for the team are Leticia Ramos, Jenny Carothers, Shannon Caughron and Freda Perez.

Rhonda Williams of the Reds was selected Athlete of the Year for Area 14. Rhonda participates in basketball and track.

Ten athletes will be entered in Texas Special Olympics to be held in May in Denton.

Winters Police Beat

The information below is taken from reports on file with the Winters Police Department. Some of the information is provided to police by citizens, and in some cases, police have not finished investigating the reports.

Winters Police Department reports received and/or investigated from Monday, the 19th of April thru Sunday, the 25th of April, 1993. Winters Police Officers:

- investigated an attempted burglary of a building in the back alley of the 100 block of South Main. Entry to the building was not gained.
- investigated a burglary of a building in the 100 block of S. Magnolia in which some micrometers and other tools were taken. Also investigated was a

theft at the same location. Taken in the theft were three five ton jack stands.

- investigated a criminal mischief case in the 300 block of E. Dale in which persons unknown three eggs up against the side of a 1992 Prowler R.V. trailer.

- investigated a burglary of habitation and an attempted burglary of a habitation, both in the 700 block of Bowen. One house was vacant at the time of the offense and the owner of the other house has not yet provided a list of items stolen.

- investigated an assault in the 600 block of Tinkle in which one man assaulted another over a dispute about the happenings in Waco. The victim of the assault does not wish to file charges at this time.

- investigated an incident in which some Highway Department signs were run over near the north city limits on U. S. 83.

- investigated a Class C assault, family violence, in the 300 block of N. Fannin. A citation was issued to Jose Rodriguez for the offense.

- investigated a reckless conduct in the 300 block of N. Fannin in which the complainant alleged that an individual pointed a pistol at the complainant.

- investigated a criminal mischief and criminal trespass in the 100 block of North Main. persons unknown entered a building and broke out numerous windows in the building.

- investigated a burglary of building in the 400 block of E. Poplar in which persons unknown entered a trailer house and stole the thermostat control.

- investigated a family disturbance in the 200 block of Spill. No charges were filed.

- investigated a fight at the corner of Rogers and E. Dale Street in which eight or more people were involved. Charges are expected to be filed on the participants.

- investigated a runaway juvenile report in which a 15 year-old has not been heard from in the past two days.

- investigated an accident in which a 1972 Toyota being driven by a juvenile failed to yield right-of-way to a 1988 Chevrolet pickup at the intersection of N. Melwood and W. Parsonage.

- responded to a fight call in the 400 block of State Street and upon arriving, a suspect in the call got into his 1988 Chevrolet Beretta and left the scene. A Winters Police unit attempted to stop the vehicle and the vehicle fled from the officer. The vehicle came to a stop about a half mile south of the north city limits sign on U.S. 83. Arrested for evading arrest was Phillip Mata, 20 years of age, of Abilene.

We would like to remind the citizens that the streets around the school, other than North Main and the Novice Highway, are school zones between the hours of 7:30 a.m. and 4:00 p.m. and that the speed limit is **15 M.P.H.** There are numerous drivers exceeding the posted 15 M.P.H. zone. Within the school zones, drivers should use extra care to yield the right-of-way to the pedestrians.
