WISD election structure settled with LULAC

The Winters Independent School District has been advised by the United States Department of Justice that its new single member district plan for election of school board trustees has received the necessary preclearance required under the Voting Rights Act of 1965.

Under the Voting Rights Act, the Department of Justice is responsible for reviewing all election changes made by political subdivisions in Texas, including school district changes.

Winters ISD's precleared plan calls for five of the members of the board to be elected from single member districts within Winters Independent School District and the remaining two positions to be filled by at-large elections run on a school district-wide basis.

The change in the election structure will be implemented at

the next regularly scheduled elections in May of 1994. The new board will be elected in staggered years, according to the provisions of the Texas Education Code.

The plan was adopted by the Winters ISD Board of Trustees on July 27, 1993, and was then submitted to the Department of Justice for voting rights act review.

By letter dated November 1, 1993, the Department of Justice advised the School District that it had performed the requisite review of the plan and that it did not have an objection to the proposed changes.

Jimmy Butler, WISD business administrator, reports the cost to the Winters school district to be \$31,006.01 in settlement of this suit issued by the League of United Latin American Citizens (LULAC) against WISD.

TALENTED LADY—Brenda Briley is shown with her winning entry in the city logo contest which was sponsored by the Chamber of Commerce. Her design uses red, white and blue colors on a flag-stripe background with the Lone Star and Winters, complete with the Blizzard logo, featured with a large #1.

Industrial Corporation to pursue application for prison

The Winters Area Business and Industrial Corporation met November 3, 1993. Members attending were Nelan Bahlman, Joe Gerhart, Aref Hassan, Harold Andrews, Randall Conner, Tommy Russell, Mac Sayles, Gary Moore and Jim Hanson with president Nelan Bahlman presiding.

Members discussed the decision to apply for a prison and Mr. Hassan stated he would work up a proposal toward that end. The City has applied for a grant to offset the costs of applying for the prison.

Citizens are urged to contact State Senators, Representatives and prison board officials to voice support for this issue.

A survey of Winters utilities has been done and water and sewer facilities were found to be adequate.

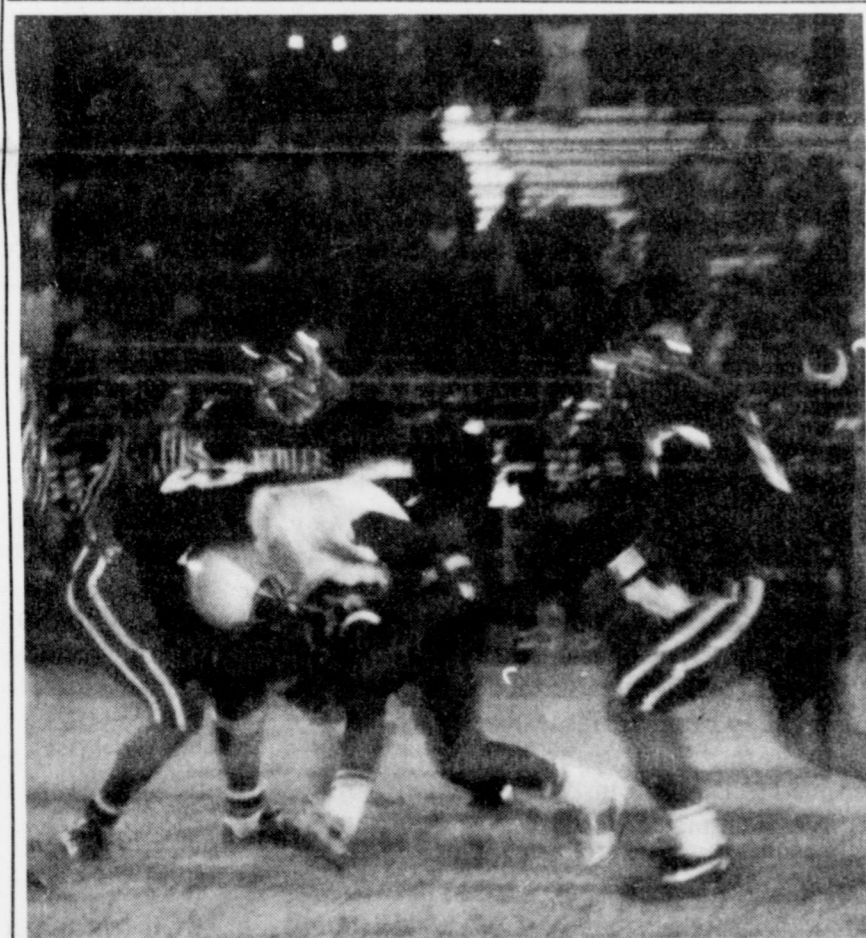

In other business, renovation

of the Community Center has begun. The building has been painted and further work is scheduled. President Bahlman appointed a committee to study the need for a Community Center use fee policy and setup service. Harold Andrews, Randall Conner and Jim Hanson make up the committee. Following their study, recommendations will be made to the City Council.

Plans are underway for the repair of City sidewalks and the installation of ramps.

Tommy Russell suggested to the corporation that use of vacant downtown buildings by local organizations should be promoted.

It was agreed that the local industrial corporation should meet with their counterparts in Ballinger. Winters and Ballinger working together should be mutually beneficial.

PLOWING AHEAD—Robert Silva ducks his head and struggles for yardage during the final showdown with the Jim Ned Indians. Silva made a key fumble recovery on the 24 yard line which set up the Blizzards' only touchdown of the evening.

Jim Ned edges Blizzards, '93 season ends

On another cold Friday night the Winters Blizzards lost to the Jim Ned Indians 6-7. Had Winters' missed extra point kick been successful, it would not have helped the Blizzards' playoff hopes. Head Coach Robin Byrd stated, "A defensive game that could have gone either way for either team. A game that was decided by the play in the trenches."

The Blizzards needed a win to be the runner-up in district 7-2A. With a tie, Jim Ned would still be the representative with their win-loss record. Winters ended up 4-2-1 in district play and 4-5-1 for the season. The Indians finished with a district record of 6-1 and a season record of 8-2-0.

Winters battled well most of the night but could not muster any offense the second half. The Blizzards had only two first downs and 70 yards total offense the entire second half.

Winters took the early lead on its first series after Jim Ned fumbled on the opening kickoff. The Indians tried a razzle-dazzle play on the kickoff but the Blizzards played it well and caused the fumble. Robert Silva's recovery gave Winters the ball just 24 yards from the end zone.

Six plays later, Brock Guevara followed the blocking of center Kevin Conner and guard Jesus Sanchez on a one yard touchdown run 2:45 into the game.

Larry Trevino of Jim Ned fumbled again later in the quarter at the 35. The Indians had four more fumbles, but the Blizzards failed to take advantage, producing only 60 yards offense in the first half after the initial scoring drive. Coach Byrd: "Anytime you get the ball at your opponent's 30 on a turnover you have got to put the ball in the end zone."

The Jim Ned offense finally began to threaten the Winters end zone in the second quarter. The Indians drove from their own 11 yard line after a punt to the Winters 18 before the Blizzard de-

fense stiffened. Conner sacked Indian quarterback Jade Lamb on second down for a loss of 12 and Sanchez made a key third down tackle to force a field goal attempt. Mark Deike then ended the drive by tackling Lamb, who was to hold for the apparent field goal attempt.

Winters couldn't move the ball and punted into the strong north wind. The ball went only 7 yards, leaving Jim Ned only 47 yards from the end zone.

Key tackles by Presiliano Sanchez and Cody Whittenburg forced the Indians into a fourth and four. Jake Pemberton ran around left end with half of his team out front blocking to make the Jim Ned score.

"This game should be used as a stepping stone."
Coach Robin Byrd

The point after kick was good, making the score Winters 6, Jim Ned 7 with 37 seconds left in the first half.

"The third quarter was very frustrating in that we had one possession," Coach Byrd said. "Jim Ned was able to control the 3rd quarter. A positive side of the game was that we never gave up. Late in the 4th quarter it would have been easy to do so. I think that was a sign of how far we have come this year."

The Blizzards battled against the wind in the fourth quarter and could never put together a drive that would threaten to score.

Coach Byrd summed up, "The results of the game and what the game meant was very disappointing, but I think one needs to remember where we started and just how close we came. This game should be used as a stepping stone for our younger players. I think they understand what it means to seize the moment.

We are a young ball club and

we have a lot to look forward to. We must go to work now and not wait till next year. Hard work in our off-season program is a must.

I would like to thank the following people for being a part of our success: the cheerleaders, band, administration, Booster Club and the parents for your sons. I look forward to 1994."

ALL GOOD THINGS MUST END—Last Friday night ended on a sad note for several Blizzard fans, including senior Jennifer Matthews who not only found losing the game to be upsetting, but also felt the emotions of watching her final football game as a WHS cheerleader.

Fall blood drive

United Blood Services will hold its fall blood drive on Friday, November 12 from 3 to 7 p.m. in the lobby of North Runnels Hospital.

We appreciate your participation.

OIL BUSINESS . . .

By Reg Boles ©1993

I'm probably not the first one to break the news to you, but the federal government has very little interest in the independent oil woman or man, i.e. "Mom and Pop", as it were.

Hazel O'Leary, Secretary of Energy, used these words to describe domestic oil companies to a group of European technocrats at a meeting in Brussels last week. Her remarks included lauding the fact that the oil and gas business is a "high technology" industry, now, and she wasn't sure how to get that idea across to the "Mom and Pop" businesses back home.

Several things wrong with that remark. The thing that has made the U.S. domestic industry so mad about the incident involves the characterization of the domestic industry as a haphazard, almost part-time, group with less impact than selling frosted Christmas cookies. Kind of made me mad, too.

Even though I spend a lot of my time working with international oil and gas companies, I have always thought of the U.S. domestic petroleum business as the founding member of an elite group interested in making a living producing oil and gas. Furthermore, I regard the group as the cement that provides this country with whatever measure of energy security we do have by producing approximately 35 percent of the WORLD's consumed petroleum (about 50 percent of the U.S. demand). That seems like a big role in the affairs of the United States, some might even say pivotal.

Also, the remark concerning "Mom and Pop" businesses was an insult to the small businesses that are in fact Mom and Pop that provide most of the new jobs in this country each year. The remark was truly disparaging to those it was directed toward and those that were used as a metaphor in the statement.

But, I have another quarrel to pick with it.

If you read the press report closely concerning this O'Leary event, you noticed she was speaking to transportation company representatives, as well as government officials. She wasn't speaking to anyone who is truly in the oil and gas producing business.

Her remarks remind me of how a slavemaster spoke of his slaves. The slavemaster didn't respect his slaves very much, but he sure needed them to make a profit or run his plantation.

The same situation occurs here. Some are very fond of putting things into nice neat boxes in our lives. The oil business is one of those things that can be chopped up into nice neat little pieces (at least in someone's mind) and placed in appropriately labeled boxes.

When such a person sees a messy pumping unit, they place that part in a box labeled 'ugly and worthless.' When they pick up that plastic Superman lunch box for their kids, they place that in the 'precious and fun' box. When they operate a computer in their

job or to send out letters to save the whales, they place the idea of that computer in a box labeled 'necessary and important.'

The deal is that all of those items have in their origin—guess what—petroleum.

Ms. O'Leary, was trained in the end-user part of the energy market. (She worked for utilities.) She sees the benefit of electricity and all of the energy products for the people and their productivity. She places those in the 'good' box. The people she spoke to in Europe are also at the end of the pipeline. They have a lot in common with the Secretary of Energy.

So, I can see it must have felt very natural to refer to the domestic oil and gas business as something a little less important than those guys at the end of the pipeline. Unfortunately, one won't exist without the other.

Can you hear me Ms. O'Leary or should I just have my Mom and Pop call you and let you know how I feel?

Senior Citizens Nursing Home News

by Billie Ruth Bishop

Charlie Stephens is a patient in North Runnels Hospital at this writing. We wish him a good day today.

"Thank you" goes out to Berniece Casey from Novice, who came in each day and played the piano for the song services while I was on vacation. Thanks to all you other wonderful volunteers who are so faithful week after week.

Also, I would like to say a word of appreciation and thanks to Vicky for writing the newsletter last week and to Sandra for writing in the new calendar and putting up the Thanksgiving decorations.

Our monthly Birthday Party will be November 18. The hostesses will be the Wilmethe Friendly Helpers Club. We have three honorees for the month of November. They are Eva Burns, Ruby Miller, Eduardo Villanueva.

Canterbury Villa News

by Margie Clough

The residents of Canterbury Villa enjoyed a popcorn social Tuesday afternoon. They had a great time visiting with one another while munching on plenty of hot buttered popcorn. Ice cold lemonade was also served and enjoyed. The residents always look forward to this activity.

Ann Patterson was also here Tuesday afternoon for the hymn sing. Tweety Warren wasn't able to be here to play the piano, so we would like to thank Barbara Levens for sharing her talents on the piano with us. The residents really enjoy singing hymns along with Ann, and we would like to thank her for being so faithful to us.

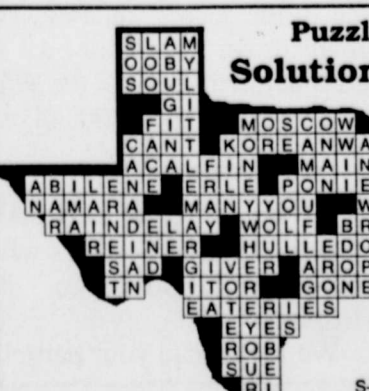

"Story Time" was enjoyed by several residents Wednesday morning. Our story for this week was "Someday Soon" by Kathleen Eagle. Tommie Parks is so thoughtful of our needs to provide the story tapes for our residents. We really appreciate all that you do for us, Tommie.

Newman Smith was here Wednesday afternoon for his "Days Gone By" program. He puts on a very interesting program about Texas history, and especially the history of Runnels County. The residents always look forward to hearing him speak, and watching his films or slides. They are very enjoyable and informative. We thank you, Mr. Smith, for everything you do for us.

Remember, Thursday November 11th is Veterans Day. All our veterans at Canterbury Villa invite you out to have some coffee and visit for awhile.

As always, volunteers are needed and appreciated. Anyone who is interested may contact Margie Clough, Activity Director, at 365-2538. Volunteering is very rewarding for the resident and the volunteer.

The Bourn Texaco Station

On June 3, 1941, a few months before Pearl Harbor, gasoline at the pump was selling for an average of 13 to 15 cents per gallon. The next year by midsummer, the same gasoline was selling for 42 cents per gallon.

Added to the rise in prices, service station owners had to cope with gasoline rationing and shortages. On May 15, 1942, gasoline rationing came into effect nationwide. Gasoline ration books were issued to those owning automobiles. One coupon was redeemable for five to seven gallons of gas, depending on the type of work one did. Those in high priority work, such as defense work, agriculture and medical, received more gallons per stamp.

Catherine Franklin sold her business to John W. Carlisle in 1943. Carlisle was bookkeeper for Texaco stations in Winters and half owner of Hines and Carlisle Gin, which was directly behind the little station. Winters residents say he used the little station for a gin weight station and did not operate it as a service station.

It was when J.S. Bourn became owner that the station became a Texaco station. He was already a Texaco dealer, having purchased a Texaco consignment from T.A. (Autrey) Smith in 1936. He operated the station with hired help until May of 1947. He then leased the business to Laurence S. Brown for one year.

Bourn relinquished his Texaco consignment soon after the close of World War II in 1945. He then used the little station building as an office for a used car lot. His son, Jimmy, recalled how the place looked.

"The building faced Main Street where the Texaco station is now (1990)," he said. "It had a

striped awning across the front. The lot had a high cyclone fence around it to keep all used cars locked in. The area all around the station was graveled."

Bourn decided to go back into the service station business. He again acquired a Texaco license and opened for business. The Texaco people suggested building a new station. After it was constructed, the awning was torn off the original little building and it was retired to the back of the lot.

In 1956, Bourn leased the business to the Texas Co. (Texaco) for a ten-year term.

J.S. Bourn died on February 7, 1968, at age 62 years. At his death, the property was acquired by his son, Jimmy. On February 15, 1988, Jimmy sold to Bagwell Enterprises in Ballinger.

For 32 years the little station held a place of prominence fronting Main Street, but it stood on the lot a total of 63 years. It was used as an office, a used car lot, a gin weight station and a grocery store, as mentioned; and, in the early 1950s, as an office for Johnson's Well Testing Service. Finally, it was used as storage for old tires and baled hay.

Franklin owned the property 13 years; Bourn owned it 25 years and collectively, the Bourn family owned it 45 years.

In 1989, Dr. R. Lee Rode of Abilene bought the building from Bagwell Enterprises and moved it to Buffalo Gap Historic Village, where it was restored.

Restoration workers discovered the Dr. Pepper sign on one end of the building. E.A. Vanmeter, a Dr. Pepper official, and Bill Dry, veteran sign painter of Abilene, formerly of Winters, were sent out to repaint the sign.

GETTING THE SHOT—"Mimi" Cain, left, has just received her flu shot from J'Lynn Cooper during the shot clinic conducted recently by the Department of Health at the Senior Citizens Activity Center. Mrs. Cain, who lives in Muenster, was in Winters for a visit with her daughter, Debbie White, and family.

England's quilt takes Best of Show

Filled with colorful quilts and other handwork, the Rock Hotel resembled a rose garden Friday and Saturday. This was the sixth year in succession the Quilt Show has participated in the annual Arts and Crafts Festival.

A new feature this year was an attractive quilt made and given to the museum by Bobbie Bowman for the purpose of making money. Chances were sold and Billie Brown of Ballinger, North Runnels Hospital employee, was the proud winner.

Another center of interest for both days was the lap quilting demonstrated by Edna England.

Edna won Best of Show with her appliqued quilt of flowers and hearts design in colors of burgundy and hunter green.

Place winners in appliqued quilts were: 1st, Mandie England; 2nd, Sylvia Wilson.

Cecil Adami took first place in painted quilts with her antique cars of all descriptions from Cadillac-1903, Hupmobile-1904, Ford-1909, to Stearns-1910. Other winners were Nina Hale, 2nd with her quilt made by her third grade pupils who graduated in 1993. Third place went to Alvina Ambrecht.

In antique quilts, first went to Mandie England for a quilt made by her great-great-grandmother 150 years ago. Second, Dianna Billups, quilt made in 1938 by Elizabeth Cummings for Lynn Billups, her great-grandson; 3rd place, Mary Ellen Moore; 4th, Kay Colburn. Honorable mention-Mary Margaret Leathers.

Embroidered quilts: 1st, Sylvia Wilson and 2nd, Dottie Lou Marks.

Most unusual quilted items: 1st, Wanda Smith with a farm wall

hanger; 2nd, Sylvia Wilson.

Baby quilts: 1st, Bobbie Bowman; 2nd, Alicia Wyatt; Honorable mention, Lucille Virden.

Pieced and machine quilted: 1st, Emily Pendergrass with a log cabin pattern in red and white; 2nd, Nina Hale; 3rd, Lucille Virden.

Pieced quilts: 1st, Christine O'Dell with eight pointed stars of blue, white and mauve with blue and white flowered border; 2nd, Wanda Smith; 3rd, Nina Hale; 4th, Maudie Barteo with a quilt made for C.R. Pinkerton as a gift. The quilt was of red, white and blue designs centered around a Marine Corps handkerchief. She also received honorable mention for her green tree pattern.

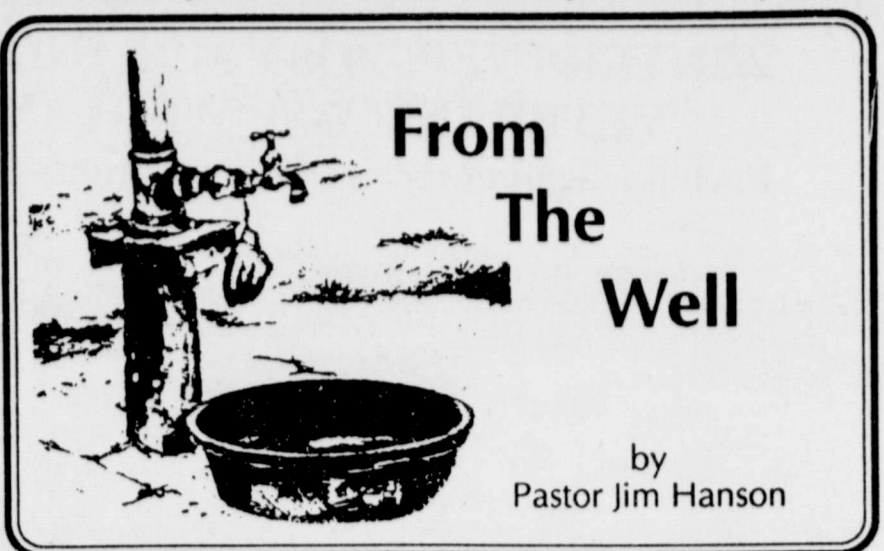

Crocheted afghans: Gloria Poehls, 1st place with a triangle pattern of graduated shades, starting with ecru and ending with dark brown. She also placed 2nd and 3rd. Diana Billups received 4th place and honorable mention.

Legionnaires and Auxiliary attend convention

On October 23 and 24 District 21 of the American Legion held their convention in Kerrville. Out of 43 posts in Texas, representatives from 16 posts attended, including Roy Scoggins Post 261 and Women's Auxiliary.

The main topic of discussion concerned health care for veterans.

All veterans are urged to join the American Legion and show support for the V.A. Hospitals in order to keep them open for veterans.

From The Well

by *Pastor Jim Hanson*

When I was a kid, growing up in Brookings, we used to have what was called "play day." It was a Saturday, in late spring, when all the kids gathered at the athletic field. There were contests of all kinds, for everybody. Anybody could try. There were running races, three legged races, wheel barrow races, water balloons, you name it. It was fun. Everybody got a prize, usually a ribbon. Nobody went home a loser. Everybody was a winner.

The thing that strikes me when I look back at that day is that there were hardly any folks in the bleachers. And the field was full of players. There were no watchers. Just participants. Play day was not a spectator sport. You had to get into it and play if you were going have any fun at all. I loved play day.

This last Saturday was a wonderful day, a real play day for me and two of my sons. The two youngest Paul and Timothy. Paul teaches slow learners in Odessa, and Timothy right now is working three jobs. I'm not exactly sure what his title is. All I know is that he's making a lot more money than I am. And that's great!

They both have their heads on straight. They are believers. And they are "in" to life. Both have marvelous wives, good looking too. Both are expecting to be fathers for the first time this coming year. Both are buying their homes. Both are active in their churches, teaching Sunday School, singing in the choir. Good members.

When they were little boys, they were something else! One Christmas when they were three and four, we put up our Christmas tree in the middle of the living room. They were so excited! They literally danced around the tree. And they hugged each other for sheer joy. When their mother asked "What are you doing boys?" they replied "Hugging." And when Ramona asked why, they answered, "Because Christmas is for hugging."

They were not perfect. At times they stuffed their pockets with candy bars and walked out of the super market with out being caught, because they were just small enough so that they could walk right through the check out lane and not be seen. And they fought. Did the things that little boys do.

But Saturday, the big boys and their dad had a day together. It was a beautiful day. We climbed into the Suburban and drove out to a friend's place. We helped him move a tractor, then we went fishing. All caught at least one nice bass. Had a lunch of home made bread and smoked fish, a real "tail gate" party. Joined our friend in singing some gospel tunes, each of us sang a different part, made up a quartet. The cab of the pick up was our studio, and we really did blend well. Decided to sing a couple in church on Sunday. (Which we did.)

About a hundred miles from nowhere, our pick up broke down. No problem. A very fine neighbor kind of person came by and took our friend back to the farm to get another vehicle. We stayed with the broke down one. And just enjoyed each other. No telephone, TV, cards, or distractions. No anxious pacing of the turf. Just the three of us.

We talked, shared, listened, and loved each other and each moment. Paul said, "I feel so good, just being here with you two." Timothy said, "Dad, we had a great day. We just played all day." I said, "Amen." Because it was a little bit of heaven. And we were like the children that day, the ones Jesus talked about when He said, "Except ye become as children, ye cannot enter the Kingdom of Heaven." Well, last Saturday we were. And we did.

Alzheimer's Support Group offers seminar

Franklin Upp, District Manager of the Social Security Administration-Concho Valley Region, will speak on Social Security benefits for Alzheimer's Disease victims at the Concho Valley Alzheimer's Disease Family Support Group seminar, "Progress in Alzheimer's Disease Care," on Tuesday, November 16.

Registration for the three-hour seminar will begin at 5:30 p.m. and the program will get under way at 6 p.m. in the Auditorium of the Angelo State University Administration Building, 2601 W. Avenue N, San Angelo.

The seminar keynote speaker, Dr. David Freed, will offer the first public discussion in the Concho Valley of the drug Cognex, from Parke-Davis Pharmaceuticals. Currently being dispensed by some Concho Valley

area physicians, Cognex has been shown to improve the ability of some A.D. victims in the mild-to-moderate stages to remember words, commands and objects.

Jan Weaver, former Adult Day Care of San Angelo executive director, will discuss trends in long-term-care services. A four-person panel will consider patient care, legal and financial planning and ministering to caregivers. Panelists are San Angelo neurologist Dr. Michael Michaelis, attorney Cynthia O'Bryant Caldwell, Department of Human Service social worker Ella Nichols and the Rev. Dr. Craig Meyers.

The seminar is open to the general public without charge. A \$5 fee will be charged for Continuing Education Units.

I would like to thank everyone who braved the cold and came to the Arts and Crafts Fair this past weekend. We had wonderful stew and cornbread on Friday and chicken spaghetti on Saturday. Thanks to everyone who brought stew and dessert on Friday. I would like to thank Rhonda Cook and Jamie Reyes for their help in setting up the Arts and Crafts booths. Also, thanks to all the directors who helped out. Our city logo contest was a huge success. We had seven entries and the winner, announced Friday, was Brenda Briley. Again, thank you to everyone who helped to make the week end a lot smoother.

1993 Fearless Football Forecasters

Jerry Hood	Barron Guy	Lanny Bahlman	Bill Cathey	Kathi Edwards
68-31	71-28	66-33	68-31	73-26

Ain't it been fun! by Jean Boles, editor

They say that "friendly competition" is good for folks. With that being the case, these past ten weeks must certainly have done a world of good. These five football fans have done a great job! Guess you might have noticed by now that the winner among our "Fearless Forecasters" is Kathi Edwards. Not only is Kathi the overall winner, she has consistently held the lead for several weeks (of course, a small typographical error inadvertently gave her two extra games which just happened to be placed in the 'win' column a couple of weeks ago, which was quickly brought to my attention. O.K., Barron, again I apologize). In all seriousness, I would like to thank Jerry, Barron, Lanny, Bill and Kathi for being great sports, and on such a consistent basis. I doubt that you'll miss our Sunday night telephone calls to gather your picks and I want you to know that I appreciate your contribution to our publication and our community. I would also like to thank my #1 assistant who patiently tries to explain much of the technical aspects of football to me and who doesn't laugh too much when I write things like "defensive center". Thank you, Randall, for calling our Forecasters each week, helping take pictures in all sorts of weather, scouring other papers for facts, and writing stories. Yes, teamwork is something special!

8th grade caps off season with win

The Winters 8th grade football team ended its season last Thursday on a winning note, defeating Jim Ned 32 to 7. The young Blizzards finished the year with a 6 win, 3 loss record. The three losses were by a combined total of 8 points.

Eric Bernal opened the scoring for Winters early in the second quarter on a 14 yard quarterback option. The kick by Scates failed.

Jim Ned scored on a trick play and kicked the extra point to lead 7 to 6.

The Winters 8th graders then marched down the field and Bernal again kept the ball on an option for a touchdown. The two-point conversion pass fell incomplete.

On the opening series of the second half, the Breeze's drive was completed with Marshall Scates plunging across the goal line and Bernal scoring the two-point conversion to make the score 20-7.

Andy Yancy intercepted a pass to stop a Jim Ned drive and Dennis Conner scored on an end-around to raise the score to 26-7.

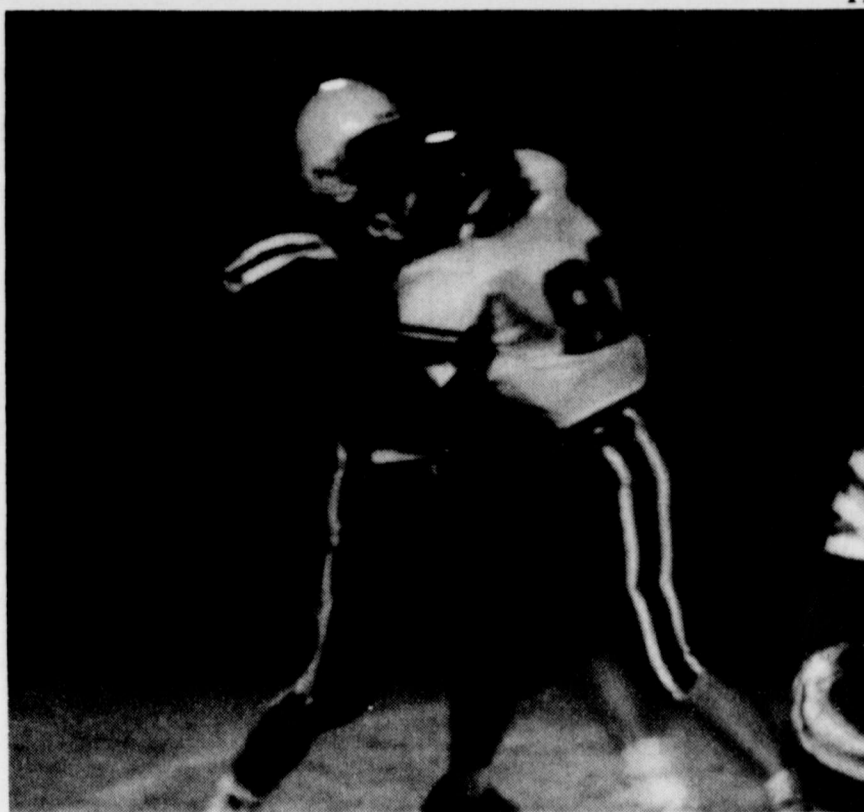

Marshall Scates scored on a 37 yard pass play to end the scoring at 32-7.

Defensively, the Breezes were led by Dennis Conner, who caused two fumbles and recovered one. Tony Torres caused a fumble and recovered one. Michael Sanchez had two fumble recoveries and Chris Aguero had a fumble recovery.

Scates, Bernal, Conner and Bear Nitsch led the team in tackles.

For the year the Breezes scored 198 points and allowed 69. The kickoff team allowed 24 of the 69 points.

"This was a fun group to coach. They have a lot of depth and ability. It was enjoyable to watch these young men develop and grow as players," Coach Ron Yancy said.

STANDOFF — Junior varsity defensive halfback J.W. Angel (in dark jersey), goes against a Jim Ned Indian during the final game of the season last Thursday night.

7th grade loses championship game

The 7th grade Breezes lost 22-7 to Jim Ned last Thursday night. Jim Ned scored in the 1st, 2nd and 3rd quarters to win, but the score could easily have been reversed. Coach Biff White stated, "It seemed we had all the bad luck in this game and that Jim Ned was playing with horse shoes and rabbit's feet."

The Breezes recovered the opening on-side kick, but it was called back. Later, Winters recovered two fumbles which were nullified by the referee calling the ball dead prior to the fumble. A costly "no-call" came when Winters' cornerback was clipped during a Jim Ned scoring run.

Jeremy Alvarado of Winters made a touchdown which was called back. The Breeze's only score to count came when Raul Marrero scored on a 65 yard touchdown pass from Michael Prewit.

Coach White continued, "I'm not looking for excuses because these boys played real hard. I'm well pleased with their total effort."

Coach White also mentioned the following outstanding qualities of this particular 7th grade team: 1) were never scored on in

the 4th quarter, 2) didn't give up when 14 players were lost to grades, 3) never quit - continued to fight until the end, 4) no Winters Breeze 7th grade player got an "unsportsmanlike conduct" call and 5) always believed in the Blizzards Pride.

"Moms, Dads and fans saw a group of unskilled players work hard to come from nowhere to the final championship. My hat's off to a fine group of ball players for a great and successful season," Coach White concluded.

Captains for this game were Kenny Whittenburg, Chip White, Cody O'Dell, Jeremy Alvarado and Michael Prewit.

J.V. Blizzards

The junior varsity Blizzards ended their season with a 1-9 record after falling to Jim Ned by a score of 43-0.

Coach Chuck Lipsey stated, "We had a lot of young kids with no experience playing starting positions. They will go through a good off-season and will be faster and stronger next season. As long as these young men keep their heads up and work hard they will contribute in the future."

Council changes meeting place, several items approved

The Mayor and City Council of the City of Winters, Texas met in regular session on November 8.

After a brief discussion, a motion was approved to approve the votes cast for directors for the Runnels County Appraisal District for 1994-95. Bud Busher and Joe DeLaCruz each received 145 votes.

A motion was passed to approve the contract between the City and Tony Torres. The contract concerns the leasing of the house located at the water plant.

The republishing of the City Code with Government Services Agency was approved. Cost of 8 copies of the new code is \$3,000 with \$1,500 due after approval and the remainder upon completion of the project.

City Administrator Hassan recommended hiring certified inspector John Voller with Hibbs and Todd to inspect the city water tanks. According to Hassan, the inspection should not exceed \$400. The motion was approved.

Mr. Hassan reported the efforts that had been made to meet the requirements of the American Disabilities Act for the council's meeting place. No space on the

first floor of the City Hall met requirements. Mayor Gerhart and Mr. Hassan made the decision to use the Housing Authority building for the November 8 council meeting. A motion was approved to hold all future meetings of the council at the Housing Authority.

At 6:30 p.m., the meeting was called into Executive Session for the purpose of discussing the re-assignment of a Water Department employee.

At 6:45 p.m. the meeting reconvened into regular session. A motion was approved to reassign Tony Torres from Grade I Step 2 to Grade II Step 9 in order for Mr. Torres to assume the responsibilities previously assumed by Jerry Mac Jackson.

Mr. Hassan reported to the council that he is encouraged about funding for sidewalks and ramps according to ADA requirements and has made a grant application for \$75,000 to the U.S. Department of Justice to be used for the Police Department. Also, he showed the council a request to the Texas Department of Transportation for a grant to purchase a vehicle for the Senior Citizen Center.

CALL FOR APPLICATIONS FOR THE SECTION 16 GRANT PROGRAM ELDERLY AND/OR DISABLED GRANTS TO ASSIST WITH PUBLIC TRANSPORTATION

Pursuant to Title 49, United States Code, Section 1612 of the Federal Transit Act, the Texas Department of Transportation (TxDOT) issues this notice for solicitation of proposals and/or applications from private and public nonprofit organizations serving elderly and/or disabled persons to utilize funds available under the Section 16 grant program, administered by TxDOT.

Notice of Invitation: The Texas Department of Transportation (TxDOT) is issuing this request for applications for the Section 16 grant program. The Section 16 grant program provides capital assistance to nonprofit organizations which provide transportation services to elderly and/or disabled persons in Texas.

Funding for the Section 16 grant program is appropriated by the Federal government under the Federal Transit Act as described in FTA Circular 9070.1C, December 23, 1992. Fiscal year 1994 appropriations for Section 16 grant program are expected to be announced in October.

Eligible capital expenses under the Section 16 grant program include: (1) the replacement of vehicles such as buses, vans, trolleys, etc., currently used to transport elderly and/or disabled persons; and such auxiliary equipment as is normally acquired with vehicles of this type; (2) the purchase of vehicles for service expansions and new services to elderly and/or disabled persons; and such auxiliary equipment as is normally acquired with vehicles of this type; and (3) the purchase of radio equipment only, i.e. equipment that is not part of a vehicle allowed categories 1 and 2 of this paragraph. Section 16 funds must be used for transportation projects serving elderly and/or disabled persons.

Each project will be evaluated in the appropriate category in accordance with the stated selection criteria. However, TxDOT reserves the right to establish minimum required scores.

Projects must meet Federal funding criteria included in Circular 9070.1C and must also comply with property management standards set out in Title 43, Chapter 31.57 of the Texas Administrative Code, relative to the replacement of vehicles. To be eligible for consideration, each 16 proposal must include the following documents and information:

- (1) Successful completion of the pre-application interview and on-site visit with the District public transportation coordinator.
- (2) A complete Section 16 grant application, copies of which are available at TxDOT District offices. Applicants requesting funds for multiple projects should group them within the application by funding category (replacement vehicles, expansion vehicles, new starts, and radios). The narrative should demonstrate the need for the equipment, the capability to maintain and operate the equipment, and the involvement of the applicant and the community in requesting funding for the equipment.
- (3) A budget for each category of equipment which shows the unit cost of each item and total equipment costs. The federal dollars and local match dollars provided by the applicant should be noted.
- (4) Compliance with the Americans with Disabilities Act to provide transportation services that are accessible to disabled persons.
- (5) Provide proof of demonstrated coordination efforts with other transit systems within the applicant's immediate service area in the application.
- (6) Proof of local match ability to pay a minimum of 20 percent of funding for said equipment. No federal dollars may be used as local match unless authorized by the federal agency that awards those monies.
- (7) The latest annual one-way passenger trip figures for the applicant agency, with the source of the information shown (such as TxDOT reports, etc.).
- (8) The latest annual administrative/operating budget for the transportation services provided by the applicant agency. Equipment costs should not be included.
- (9) The latest population estimates for the applicant's authorized service area and agency clientele served, with source of the information shown.

Agencies requesting Section 16 funds for the purchase of vehicles (replacement or expansion) must also submit the following information:

(a) A complete inventory of the current vehicle fleet, with the following information provided for each vehicle:

- type (bus, van, etc.)
- license of serial number
- size (length)
- passenger capacity
- special equipment on board (radio, lift, ramps, etc.)
- model year
- odometer reading, date of odometer reading, and whether vehicle is a spare or is used regularly to provide service

Agency contact: Questions concerning the request for proposals should be referred to the Public Transportation Coordinator with the local TxDOT District Office.

Response date: Written proposals must be received by the Public Transportation Coordinator, Mr. Tommy Robinson, Texas Department of Transportation, at 4502 Knickerbocker Road in San Angelo, on or before January 18, 1994.

Selection criteria: TxDOT will select projects for Section 16 funding on quantitative measures such as demonstrated coordination efforts, ability to operate present equipment on an annual basis where applicable, local match ability, ability to meet service needs of elderly and/or disabled persons based on passenger trips per vehicle per month in urban or rural areas, hours of services, ability to maintain equipment, average fleet mileage where applicable, and average fleet age where applicable. Only those measures appropriate to a specific funding category will be used in evaluating projects within that category.

Winters Police Beat

The information below is taken from reports on file with the Winters Police Department. Some of the information is provided to police by citizens, and in some cases, police have not finished investigating the reports.

Winters Police Department reports received and/or investigated from Sunday, October 31 through Saturday, November 6, 1993. Winters Police Officers:

- investigated a theft in the 800 block of W. Parsonage in which a cutting torch was stolen. The investigation continues.
- investigated an Aggravated Robbery in which a 1987 Chevrolet Camaro was stolen from the 700 block of Majestic Street. The owner attempted to stop the theft and was injured. The investigation continues.
- investigated a Criminal Mischief case in the 300 block of E. Pierce Street in which three tires were cut on two vehicles. The investigation continues.
- investigated an Assault in the 400 block of Poplar in which an individual was hit in the mouth with a beer bottle. Charges are expected to be filed this week.
- investigated an Injury to a Child in the 400 block of Poplar in which an individual was reckless about whether a beer bottle he threw might hit a child. A 10 year-old boy was struck in the head by ricochet beer bottle.
- investigated a Telephone Harassment case in the 300 block of E. Pierce. The investigation continues.
- investigated a Criminal Mischief case in the 300 block of E. Broadway in which a window was broken out of a motor vehicle. The investigation continues.
- investigated a Criminal Mischief case in the 200 block of N. Main Street in which a door was damaged by a vehicle. The investigation continues.
- investigated a Criminal Mischief case in the 200 block of N. Cryer in which a 1993 Mitsubishi was damaged by persons throwing eggs. The investigation continues.
- investigated a Telephone Harassment case in the 400 block of E. Broadway. The investigation continues.
- investigated an accident in the 800 block of West Dale in which a 1983 Ford, driven by Gilda Moreno, was struck from the rear by a 1988 Chevrolet pickup driven by Jerry Baker.
- searched a bathroom in a house in the 300 block of Jewel Street for a snake that had reportedly bitten a lady in the bathtub. The snake was located and was not poisonous.

4-H Stock Show Clinic a success

The Winters 4-H Club met October 25 at 5:30 at the Winters Livestock Show Barn. Amy Heathcott called the meeting to order. Brent Jacob led the Inspiration. Chris Hoppe led the U.S. Pledge. Travis Grohman led the 4-H Motto and Pledge. Chanda Hoppe called the roll with 30 members being present. Jana Jackson was given special recognition as a member of the winning Horse Judging Team.

Amy Heathcott reported that 14 families attended the annual Achievement Banquet. 4-H members were recognized for various accomplishments such as Bike-A-Thon participation and Angela Jacob and Desiree Mathis as Silver Star Award winners. A special "thank you" went out to the moms that volunteered to bake goodies for businesses during 4-H week. Fourteen businesses were recognized for their contributions to 4-H.

4-Hers were busy selling chances for a smoked turkey to be given away November 23. Price per ticket is 50¢. Proceeds will go toward the purchase of fruit baskets for the elderly.

Amy Heathcott closed the business meeting and Misty Pritchard introduced the first guest speaker, Jay Henderson, Bronte Ag

teacher. Mr. Henderson gave advice on caring for, grooming and feeding show animals. Mike Mauldin spoke about the major Stock Shows and Lance Raush gave the schedule of dates for the shows.

The 4-Hers then participated in a Stock Show Clinic. There were stations set up with individual specialists: Greg Donica at the rabbit station, Jay Henderson with the swine, Ed Bredemeyer at the sheep station and Mike Mauldin with cattle.

The Club had on display their booth from the Educational Exhibit at the West Texas Fair.

Tables were set up displaying equipment needed for showing animals.

Door prizes donated by Denny Heathcott were given away.

The Clover Kids colored pictures of show animals and were awarded blue ribbons. These were displayed at the program.

Calvin Jackson gave a tour of the Show Barns.

This was a very informative program which was, as with all 4-H programs, enjoyed by the whole family.

Thank you to all the hard-working people that made our first Stock Show Clinic a huge success.

"BA-A, BA-A"—Ed Bredemeyer, Sr., of Winters explains the fine points of showing sheep while Jana Jackson, center, and Amy Patterson listen intently.

Top Limousin bulls to sell in San Angelo

"Texas Best" is the perfect description of the Texas Limousin Association's annual West Texas Classic Limousin Bull Sale scheduled for Saturday, November 13 at the Producers Livestock Auction in San Angelo. The sale will begin at 1 p.m. and will consist of 150 working age, red and black Limousin bulls.

James Birdwell of Fletcher, Oklahoma will serve as auctioneer.

Bulls sell fully guaranteed, structurally sound, fertility tested and have met all health regulations for shipment. All bulls are registered, top performing individuals that are sired by many of the top bulls in the Limousin breed.

Producers Livestock Auction is located at 1131 North Bell Street in San Angelo.

To receive a West Texas Classic Sale catalog or additional information, contact the Texas Limousin Association, P.O. Box 239, Crowley, Texas 76036 or phone (817) 297-2462.
