

Jury selected; trial underway

The murder trial of Mrs. Joyce Kemper got underway in 64th District Court here Tuesday afternoon after the seating of a nine-man, three-woman jury.

MRS. KEMPER, 33, is charged with murder with malice in connection with the Aug. 14, 1969 death of her husband, Clois Wayne "Bud" Kemper. The state charges she murdered her husband by running over him with the family car on a dirt road near their farm home in eastern Castro County.

Mrs. Kemper has pleaded innocent to the charge, stating that her husband's death was an accident.

First witnesses for the prosecution Tuesday afternoon were Texas Highway Patrolman James Gilbreath and Deputy Sheriffs Granville Martin and Rex Cowart, who investigated the scene of the incident after Kemper's death.

ALSO called to the witness stand by the prosecution was Dale Wallace, Tullia funeral director who took Kemper to Swisher Memorial Hospital by ambulance. Kemper was pronounced dead on arrival there.

Prosecuting the case are District Attorney Tom Hamilton of Plainview and Dee Miller of Amarillo, former Potter County district attorney who has been retained as a special prosecutor. County Attorney Robert Buntyn is assisting with the prosecution.

Mrs. Kemper's defense attorney is George S. McCarthy of Amarillo.

JURY selection started Monday morning with 99 veniremen called. After 40 were excused by the court for valid reasons, attorneys called the remaining 59 into the courtroom one by one for questioning until the final selection was announced at 11:15 a.m. Tuesday.

The individual examination of prospective jurors stemmed from a motion by the defense attorney for a change of venue. District Judge John T. Boyd of Plainview, who is presiding at the trial, took the defense motion under advisement and called for the individual examinations to see if an impartial jury could be agreed upon by prosecution and defense attorneys.

With the seating of the jury Tuesday morning, the defense motion was denied.

THE CASE could go to the jury as early as today or Friday. The state has subpoenaed six witnesses and the defense 11.

Hamilton has waived the death penalty, and is seeking a maximum sentence of life imprisonment.

Tuesday's testimony ended when prosecuting attorneys sought to admit into evidence photos of the death scene taken by Deputy Sheriff Cowart. The defense attorney objected, saying he had not been shown the photos. Judge Boyd recessed the trial until Wednesday morning to allow McCarthy to study the pictures.

LINDA GONZALES
... Fiesta queen

Fiesta marks independence of Old Mexico

Hundreds of local residents joined this week in the traditional Fiesta de la Independencia Mexicana, the celebration of the historic Independence Day of the Republic of Mexico.

WEDNESDAY was the 160th anniversary of Mexico's independence from foreign rule.

The fiesta took many forms here as church and family groups gathered during the week to commemorate the holiday.

The fiesta climaxed with a two-hour celebration on the courthouse square Wednesday afternoon, featuring music by artists from both Mexico and Texas, with a special appearance by Senorita Blanca del Rosal, vocalist from Chihuahua, Mexico, accompanied by an 11-member group performing traditional songs and dances.

LINDA GONZALES, daughter of Mr. and Mrs. Ramon Gonzales of Dimmitt, was crowned Tuesday night as queen of the fiesta, and reigned over Wednesday's celebration. Her princess was Elsie Ulloa, daughter of Mr. and Mrs. Felix Balderas.

The crowning was held at la Estrellita Dance Hall, where celebrators rang in Mexican Independence Day with a dance Tuesday night and concluded the celebration with another dance from 7 to midnight Wednesday.

Master of ceremonies at Wednesday's gathering on the courthouse square was Cruz Alvarado of Tullia, who gave the traditional "grito," or cry of independence — similar to the "Rebel yell."

WEDNESDAY'S festivities were broadcast over both KDHN Radio Station in Dimmitt and KTUE in Tullia.

Sept. 16, 1810, is recognized as the date of Mexico's independence. It was on that day that Father Miguel Hidalgo y Costilla, a priest in the city of Dolores, launched an insurrection against the Spanish rulers. The insurrection led to the establishment of the Republic of Mexico 14 years later.

Nazareth schools adopt dress code

Students in Nazareth Public Schools are now governed by a dress code similar to the one adopted two weeks ago for Dimmitt students.

THE Nazareth School Board adopted the new code on dress and hair styles last Thursday night, and the code went into effect Monday.

Here's the complete dress-and-hair policy for Nazareth students:

GIRLS
"Skirts are not to be worn shorter than four inches above the kneecap. Hair should be worn in a neat, clean and well-groomed manner that does not obstruct vision."

BOYS
"No mustaches or beards are permitted. Hair is not to curl up in back due to excessive length. Hair should be trimmed in the back so as not to reach the shirt collar, the front should be no longer than one inch above the eyebrows, sides are not to overlap the ears, and no sideburns are to extend below the earlobes."

BOYS AND GIRLS
"No conspicuous or ridiculous costumes can be worn that will distract other students' attention and distract from a learning environment."

"The main purpose of the dress code is to see to it that no student will attract undue attention because of irregularity in dress. Any boy or girl who repeatedly disregards rules on grooming or dress is guilty of insubordination and will be subject to suspension."

FFA boys sell magazine subs

Members of Dimmitt High School's Future Farmers of America chapter started selling magazine subscriptions Friday to help finance their year's activities.

THE BOYS are selling new subscriptions and renewals to more than 100 popular magazines, and receive a commission on each sale. They are going house-to-house in Dimmitt and the surrounding area.

Enrollment records tumble

Dimmitt Public Schools reached an all-time high enrollment of 1,991 students Friday.

THE FIGURE topped the previous high of 1,985 posted Oct. 3, 1969, and prompted Supt. Charlie White to predict, "I think we'll top 2,000 in October this year." School officials were expecting a record number of students this year because of industrial growth in the school district, but enrollment off to a slow start during the first two weeks, waiting until after Labor Day to reach record proportions.

HERE ARE Friday's enrollment totals by classes:
Special Education: 49
Head Start: 55
Pre-School Migrant Program: 33
First Grade: 185
Second Grade: 247
Third Grade: 178
Fourth Grade: 173
Fifth Grade: 157
Sixth Grade: 148
Seventh Grade: 167
Eighth Grade: 134
Freshmen: 144
Sophomores: 99
Juniors: 126
Seniors: 96

AT HART, public school enrollment set a new record Monday with 780 students on the rolls.

Supt. Ted Averitt reported that enrollment was 470 in elementary school, 118 in the junior high grades and 192 in high school.

Because of the increased enrollment in elementary school — especially the fifth grade — the Hart School Board voted Monday night to spend \$9,880 for a new steel classroom building.

The school plans to house its special reading program in the new building so the present reading room can be used for a third section of the fifth grade.

YOUTH FAIR CHAMPS—Norman Acker (left) of Nazareth, champion farmer, and Larry Duke of Flagg, champion gardener, display the products that won them their championships in the annual County Youth Fair Saturday. Norman, 12-year-old son of Mr. and Mrs. David Acker, won blue ribbons on six of his farm products. Larry, 13, son of Mr. and Mrs. Robert Duke, won six blue ribbons with his vegetables.

Acker, Duke tops in youth fair

Norman Acker of Nazareth was named the Grand Champion Farmer and Larry Duke of Flagg earned the Grand Champion Gardener title in the Castro County Youth Fair Saturday.

ACKER, 12, compiled 37 points with his farm products, including blue ribbons on his sunflower, sorghum sheaf, wheat, corn, maize and popcorn to win over 14 other entrants. He is the son of Mr. and Mrs. David Acker.

Second place in the farm products division went to Norman's older brother, Steve, and third place was won by Larry Hochstein of Nazareth.

Duke rang up 58 points with his garden products to capture the grand championship in that division over 15 other participants. He won blue ribbons with his pumpkin, acorn squash, cantaloupe, tomatoes, banana peppers and grapes. A member of the Flagg 4-H Club, he is the son of Mr. and Mrs. Robert Duke.

Second place in the gardening division went to Steve Acker, while Raymond Warrick and Kenneth Adams of Frio tied for third place.

IN THE rabbit show, held as part of the Youth Fair for the first time this year, Randy Powell won the championship ribbon with a white doe that won first place in the senior division and best in show. Randy is the son of Mr. and Mrs. James Powell.

Debbie Acker of Nazareth was the top winner in girls' home-making events. She won the sweepstakes in canning, baking and senior clothing, with 13 blue ribbons in all. Miss Acker, 16, is the daughter of Mr. and Mrs. David Acker.

Steve Acker was the champion in the Youth Fair's other new division, the crafts show. He racked up four blue ribbons with such varied home projects as a model sailing ship, lawn chair and decorations to win the sweepstakes. Debbie and Norman Acker tied for second, and Agnes Acker placed third.

The David Ackers' children won most of the Youth Fair's awards, including all but three first places.

WINNERS in the girls' home-making events were:
Household Linens—Agnes Acker first, Debbie Acker second, Elaine Acker third.

Canning — Debbie Acker first, Elaine Acker second, Agnes Acker third.

Baking — Debbie Acker first, Donna Acker second, Elaine Acker third.

Senior Clothing — Debbie Acker first, Agnes Hanson second, Diana Adams, third.

Junior Clothing — Patty Hochstein first, Agnes Acker second, Angie Wilhelm third.

TOP GIRL WINNER in the annual County Youth Fair Saturday was Debbie Acker, 16, Nazareth 4-H'er who became a triple champion in the show. She won six blue ribbons in canning, four blue ribbons in

baking and three in senior clothing to capture the sweepstakes award in all three divisions. She also placed second in the linens and crafts divisions. Debbie is the daughter of Mr. and Mrs. David Acker.

'Sandburg' to play here

Local residents will have the opportunity of watching the nation's most active repertory theater group Wednesday evening when the Alpha Omega Players present "The World of Carl Sandburg" in the First United Methodist Church.

THE performance will begin at 7:45 p.m. Admission will be \$1.50 for adults and 75 cents for students, and baby-sitting service will be available in the church nursery at a fee of 50 cents per child.

Ticket information may be obtained at the church office or from any member of the United Methodist Youth Fellowship.

"The World of Carl Sandburg" includes the best known of Sandburg's poetry and music, along with several notable prose selections, including President Lincoln's touching farewell to his hometown of Springfield, Ill. It is a fully staged production, not a dramatic reading.

SANDBURG, who was born of a Swedish immigrant family in 1878 in Galesburg, Ill., recorded the sprawling country of prairies and small towns, the slums of the big city, the struggle of labor to improve itself, and America's people from the poor to the great. His observations of his fellow-

men portray the shifting scene of America in the growing industrial years, and are filled with pathos and humor. During his lifetime he was the most widely and admired poet in America's history.

Before his death several years ago, Sandburg distinguished himself in five fields: poetry, history, biography, fiction and music. His skill in letters earned him numerous awards, including two Pulitzer Prizes. He authored a multi-volume biography of Lincoln, and was known as America's foremost authority on the great President.

PRESIDENT John F. Kennedy said of Sandburg, "He is the interpreter of the nation's traditions and shaper of its myths."

The play is a collection of Sandburg's songs, poetry and prose. It features excerpts from Chicago Poems, Cornhuskers, Smoke and Steel, The American Songbook, Good Morning America, Remembrance Rook, Always the Young Strangers, Abraham Lincoln, and The People, Yes.

Norman Corwin is the editor of the sprawling country of prairies and small towns, the slums of the big city, the struggle of labor to improve itself, and America's people from the poor to the great. His observations of his fellow-

year in churches, schools and military bases and covered more than 200,000 miles in their travels to some 45 states.

The players include Melanie Farrell Walters of Atlanta, Ga., Cheryl Home of Stamford, Conn., Paul Pryor of Austin, and Cliff Samuelson of Newberg, Ore.

A reception for the players will be held in the church's Lamar Fellowship Hall after Wednesday night's performance, and will be open to all attending the play.

PTA to meet Tuesday night

The Dimmitt Parent-Teachers Association will meet at 7:30 p.m. Tuesday in the west cafeteria of South Elementary School for a music program and discussion.

THE PROGRAM will be presented by the music departments of both North and South Elementary Schools.

In calling the meeting, Mrs. Jack Patton, president, said, "We are trying to keep our PTA going and plan to continue as an elementary PTA. . . . We need the parents at this meeting if the PTA is to continue effectively in Dimmitt."

National Merit Scholarships within reach of two DHS'ers

Principal Ike Moore announced this week that two seniors in Dimmitt High School have been named semifinalists in the 1970-71 National Merit Scholarship Program.

THEY ARE Sharon Welch and Kent Bradford.

The 14,750 semifinalists appointed this week are among the nation's most intellectually talented high school seniors. They will compete for some 3,000 Merit Scholarships to be awarded in 1971.

The semifinalists were the highest scorers in their states on the National Merit Scholarship Qualifying Test (NMQST), which was given last February to some 710,000 students in 17,000 schools nationwide. They constitute less than one percent of the graduating secondary school seniors in the United States.

THE semifinalists show high promise for leadership in their adult careers, according to Edward C. Smith, president of the National Merit Scholarship Corporation (NMSC).

"They have already demonstrated both high intellectual capacity and a readiness to develop their abilities," he said.

"These students deserve credit and honor," he added. "They bring honor to their families, who deserve much credit, as do their teachers, and their communities. The future success of these young people, will, however, depend upon their ability to become productive at the high intellectual levels that they are capable of attaining."

MISS WELCH is the daughter of Mr. and Mrs. James Welch. Bradford is the son of Mr. and Mrs. James Bradford.

Semifinalists must advance to finalist standing to be considered for the Merit Scholarships to be awarded next spring. Semifinalists become finalists by receiving the endorsements of their schools, substantiating their high NMQST performance on a second examination, and providing information about their achievements and interests.

ABOUT 96 percent of the semifinalists are expected to become finalists, and each will be considered for one of the 1,000 National Merit \$1,000 Scholarships which are allocated by state. Many will also be considered for the renewable four-year Merit Scholarships provided by some 500 corporations, foundations, colleges, unions, trusts, professional associations, other organizations and individuals.

Winners of four-year Merit Scholarships may receive up to \$1,500 a year for four college years, depending on their individual need. Winners of the National Merit \$1,000 Scholarships will receive their non-renewable one-time awards upon enrollment as full-time students in accredited US colleges or universities.

HIGH SCHOOL grades, accomplishments, leadership qualities and extracurricular activities of the finalists are evaluated, along with test scores, in selecting Merit Scholarship winners.

Names of the winners in the 1970-71 Merit Scholarship Program will be announced in the spring of 1971. Some 24,800 students have received Merit Scholarships in the 15 annual programs to date. About \$74 million in financial assistance to Merit Scholars and their colleges has been expended or committed through the Merit Program.

Soybean producers to decide on 'check-off' plan Sept. 26

Castro County soybean producers, along with those in other producing areas of Texas, will decide in a Sept. 26 referendum whether or not a check-off program will be initiated for their commodity.

THE proposed check-off would be one-half cent per bushel on soybeans sold, and would be deducted at the point of the first sale.

Working under the provisions of the Texas Check-Off Act of 1969, the Texas Soybean Association has petitioned for and been granted permission to hold the Sept. 26 referendum, said County Agent Charles Hottel. All soybean producers, including farm owners, tenants and sharecroppers, are eligible to vote.

The referendum will be conducted under the supervision of the Texas Commissioner of Agriculture and he will announce the results after receiving the returns from the counties.

THE referendum will carry if the commissioner finds that two-thirds or more of those voting voted "yes," or that those voting "yes" produced at least 50 percent of the total production in the area during a designated period. Producers must report their production at the time of ballooning for the designated period, Hottel explained.

At the time of the referendum, a producers' commodity board will also be elected. If the pro-

gram is adopted by voters, the board members elected will be certified, and will meet and organize. One-third will have two-year terms; another third, four-year terms and others, six-year terms decided by drawing lots. Successors will hold office for six years. It will be the responsibility of this board to handle all phases of the program's operation.

According to provisions of the proposed check-off program, money collected must be used only for developing and carrying out research, education, promotion and disease and insect control programs designed to encourage production, marketing and use of soybeans. This, Hottel explained, makes it a self-help program.

PRODUCERS who do not wish to contribute to the program through the check-off may ask for a refund on paid-in assessments. A written request must be made within 60 days of the date of the check-off payment on a form provided by the producers' commodity board.

The program may be terminated at any time by a simple majority vote of qualified producers.

Hottel said the voting place for Castro County producers would be in the assembly room in the basement of the courthouse, and that polls would be open from 8 a.m. until 5 p.m. on Sept. 26, with a representative of the Texas Soybean Association in charge.

First football game officially ushers in fall season

By MYRTLE SHEFFY
Fall is in the air "and the band plays on." Football time is here again and Dimmitt has a fast-playing group of boys.

has made the grass grow and the cattle fat.
I was chatting with C. W. Boothe in the store. He tells me he will be 50 years old the 18th of September.

MR. AND Mrs. Richard Wooten went to Vinita, Okla., last weekend to take care of some business. They say it has rained so much there this year.

a chemist at the Corn Mill. They moved here to the Harpole house on Oak Street from Kansas City, Mo. Adeline has pretty golden red hair. Their children are Barbara, a sophomore at Baker University at Baldwin, Kan., Patt, a son a junior and Alice a freshman in Dimmitt High School.

president, Mrs. Sara Hill, first vice-president, Mrs. Glenda Sims, second vice-president, and Mrs. Carl Bruegel is secretary-treasurer. Mrs. Wilson tells me that a 50 attended. Mr. Verle West was introduced to the group and spoke for a minute on some of the needs of the hospital.

summer vacation was shorter than usual, all but four or five of the 80 faculty members of South Grade School attended either summer school or professional workshops. We appreciate the fact that these people are so interested in their profession that they continue to try to improve their efficiency.

some sightseeing too while there.
PARTIES a d parties this week! Thursday afternoon Mrs. Ray Riley was hostess to her bridge group. I heard that Edith won high score at that one and also at the night party.

Sheffy, Katy Burkett, Maxine Tidwell, Ceal Carlile, Joe Eddie Riley and Maurine Bice.
Mrs. Roy Cluck was hostess on Thursday evening with bridge. She and daughter Billie served chicken salad, that good fresh apple pie cake and ice cream.

DAVID AND Sue Vaughan and little daughter Shannon of Dallas were at the game Friday night. They have been here for two weeks visiting their parents, Mary Edna Hendrix and Charles and Betty Vaughan.

MR. AND MRS. Lawrence Aldaco of San Pedro, Calif., have been visiting his parents Mr. and Mrs. Aldaco and Ray and Jetty Sheffy this week. Lawrence finished school in Dimmitt.

Mr. and Mrs. Jack Cartwright were hosts at a dinner for Betty's mother Mrs. Addie Miller recently, celebrating her 85th birthday. Mrs. Miller lives in Amarillo. About 35 members of the family came, bringing gifts and good wishes.

RUIDOSO and the races was the place for several people last weekend. I heard that N. C. and Betty White, Bob and Martha Myers, Richard and Janie Walker and Bo and Joy Mercer were among the many who went.

Mr. and Mrs. Cecil Ginn and their relatives the Perrys of Dalhart, left this week for Winfield, Ala., and Mississippi to visit the ladies' sisters, then on to Florida for a sightseeing trip.

MR. AND MRS. Bob Baker and family attended the funeral services for her father, Carl Burrows, in Sayre, Okla. last Saturday. Mr. Burrows died unexpectedly last Thursday following an apparent heart attack.

There is a land of beginning again. A Christian is a baptized believer raised to walk in NEWNESS of life. (Rom. 6:3-4) Jesus calls it being BORN AGAIN. (Jn. 3:5) Paul says "all things have become new." (II Cor. 5:17). A New name (Acts 11:26); new speech (Col. 4:6); a New way of life. The born again Christian has new attitudes toward his neighbor, a new spirit toward his enemy, new business and social rule, a new way to spend the Lord's day, and a new way to use his money.

Will you obey Jesus? Will you begin again? The Christian has hope because of his wonderful life. Do you?

MR. AND Mrs. Richard Wooten went to Vinita, Okla., last weekend to take care of some business. They say it has rained so much there this year.

Danny Newton, son of the Buford Newtons, and a student at Tyler Junior College came in with Jerry Cartwright and his friends Jim Barr and Rod Scoggins, all students at St. John's F. Austin. They visited Jerry's parents Sheriff Jack and Betty Cartwrights, Rod and Jim are from Killeen. Danny visited his parents Buford and Dorothy and sister Terrie.

Mr. and Mrs. Jack Cartwright were hosts at a dinner for Betty's mother Mrs. Addie Miller recently, celebrating her 85th birthday. Mrs. Miller lives in Amarillo. About 35 members of the family came, bringing gifts and good wishes.

Kathy Jo Calhoun is starting to work at the Carousel Beauty Salon. She has just recently passed her state board examination.

NANCY ROSS reviewed the book about the depression years in our part of the country Wednesday. This was a story told through the eyes of a ten-year-old boy. It made us remember the dirt, the dry weather, no rain, wheat blew out of the ground, and on and on. We had no irrigation then. We had eggs and milk to pay the bills, but we had good times too - "42" parties, the chicken fries, the sing songs with Connie and Gene Ivey at the piano and leading the songs. Mrs. Ross did a fine job reviewing the book. Mrs. John Merritt and Mrs. Glen Merritt served coffee, spiced tea and homemade cookies to approximately 35 ladies. We met Mrs. Adeline Rush at the Book Club meeting. Her husband George is

Bible Thoughts
"BEGINNING AGAIN"
By RONNIE PARKER
A Poet has given us these lines.
I wish there were some wonderful place
Called the Land of Beginning Again,
Where all our mistakes and all our heartaches,
And all our selfish grief
Could be dropped like a shabby coat at the door
And never put on again.
There is a land of beginning again. A Christian is a baptized believer raised to walk in NEWNESS of life. (Rom. 6:3-4) Jesus calls it being BORN AGAIN. (Jn. 3:5) Paul says "all things have become new." (II Cor. 5:17). A New name (Acts 11:26); new speech (Col. 4:6); a New way of life. The born again Christian has new attitudes toward his neighbor, a new spirit toward his enemy, new business and social rule, a new way to spend the Lord's day, and a new way to use his money.
Will you obey Jesus? Will you begin again? The Christian has hope because of his wonderful life. Do you?
YOU ARE ALWAYS WELCOME AT THE FOURTH AND BEDFORD CHURCH OF CHRIST

"I DON'T SEE ANYTHING"
THERE IS ONLY ONE WAY TO SEE THROUGH A CAMERA
Did you ever try to look through a camera from the front side? Yes, most of us have... out of curiosity... but we would not even consider trying to take a picture in such a manner. There are many though, who go through life never giving themselves a chance to really see God. In order to see God, one must look at him through faith. Attend church regularly, seek God where others can help direct you in your search for God.
"So then faith cometh by hearing, and hearing by the word of God."
The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
Coleman Adv. Ser.

ASTEROIDS are small planets between Jupiter and Mars whose diameters range from a fraction of a mile to nearly 500 miles.

AMBROSIA is a word from the Greek language meaning immortality. It was the food of the Roman and Greek gods.

TOUCHDOWN!—Dimmitt's Jay Stanton (24) falls across the goal line with two Muleshoe tacklers wrapped around him for the Bobcats' second touchdown in the season opener Friday night. Stanton's two-yard plunge came with 8:31 remaining in the third period, and Hoyt Hestand followed up with a point-after kick to boost Dimmitt's lead to 15-0. Blocking for Stanton at right is Dimmitt's David Nino (26), and assisting in left background is Max Newman (88).

Farwell's straw boss still rounding 'em up

By JIM MILLER

If the opening game for the Farwell Steers is any indication of the season to come, it may be a long campaign for them. While the Steers greeted 11 lettermen and seven starters back from last year's edition they were roped and tied in their first outing as the Friona Chiefs blasted them, 27-16.

FRIDAY night's Dimmitt-Farwell clash in Farwell should be a thriller as both ball clubs have similar problems and expectations. Although the Dimmitt Bobcats must be given a slight edge on the basis of their fine showing in the Muleshoe clash.

Coach Brown L. Smith's Cats played heads-up, other than a missed snap on a conversion attempt, and gave the Mules a lesson in the potency of the Veer-T offense with the various options off of it. The Cats' man under — Mark Wohlgenuth — ran the sophisticated offense as the Bobcats moved the ball well against the rejuvenated Mule forward wall.

The Steers, however, can be expected to have a bit more on defense than was encountered in the Muleshoe contest. At the conclusion of the Friona-Farwell fray, Friona Coach Bob Owen commented, "I feel like our offense was the key since we got a good lead early. They could have made it a long night for us if we hadn't got that big lead (27-0). We stored their big backs over the middle and they really didn't hurt us much after that."

Coach Booth rates Haseloff, who is an excellent blocker both on the line and downfield, as the best bet to gain post-season honors, although he feels Williams also has a shot for the dream-team lists.

WHILE Coach Smith is still doing a certain amount of experimenting with starters, his lineup is fairly well set. The same starting lineup that began the Muleshoe clash will most likely start Friday night including senior tackle Robert Woolbright, who has overcome a knee injury. The swift Dimmitt attack accounted for 22 points against Muleshoe with Dan Frierson, Jay Stanton and Max Newman notching touchdowns. The Bobcats will be looking for more of the same Friday night — but they shouldn't expect it to be a simple task.

Games coming up

Letter to the Editor

Why no respect for cemetery?

Dear Editor:

To "respect" the Webster dictionary says, is "to esteem, regard with deference; to concern, have to do with regard; esteem."

THE WORD means so much more when we can go especially to the Hart Cemetery and find faucets removed from hydrants, and water left running, water hose cut, flowers and containers removed from graves and not to be found, beer cans, bottles and beer cartons all over the cemetery.

It breaks the heart of one who has a loved one placed there. Many survivors can and do care and respect the dead, by visiting graves and trying to keep flowers there, and make the cemetery a place of beauty, if beauty can be in a place of the dead.

Why anyone would want to desecrate, mar or destroy property in a cemetery, is beyond my thinking.

Our loved ones there do you no harm, and probably never did. Won't you please help us to keep the place nice, and don't destroy our efforts and faith in mankind?

HART READER
(Name on File)

(Editor's Note: We hope your plea is heeded. How saddening that it is necessary!)

TUESDAY

5:00 — Dimmitt Seventh and Eighth Grades vs. Springlake, at Springlake.

Gridders expected to add spice to the Farwell attack are quarterback Gene Sheets, tailback Gary Erwin, tackle Mike Haseloff and fullback Barry Williams — all are seeking their third varsity letter.

The Steers have made two key changes as Larry Erwin, Gary's brother, has been switched from a backfield spot to an end. Haseloff has been moved from guard to tackle. In addition to Sheets and Gary Erwin, the offensive returnees are fullback Williams, end Johnny Franse and tackle Clint Deeds.

By AL FORRESTER
Club Professional

George Gabel took low net honors in the Labor Day Handicap Golf Tournament with a net 65. Second place went to Punk Gilbreath with a net 68; with third low net going to Harry Hauf with a net 70. James Wohlgenuth carded an 87 for low gross honors.

Some other holiday players were Bill Williams, James Bradford, Gene Latham, Judge Baldrige and Bob Vilas.

RALPH GLOVER, Castro County left-handed flash, took home the Granddad's Putter Trophy by shooting a four-over-par 40 this past week. H. B. Thomas, 1969 defending champion, just barely missed the Granddad title with a gross 41. Other Granddad players were Swain Burkett, Bill Williams, Judge Baldrige, Punk Gilbreath, Joe Butler, B. M. Nelson and Bob Vilas.

CCCC members are reminded that the 1970 Member-Guest Golf Tourney is scheduled for Saturday and Sunday. This will be a 1/2 handicap up to 18-strokes affair; flighted according to total handicap. Any member of the club can invite a non-member to play, and if you do not have a partner in mind, call the pro shop as we have several area golfers who would like an invitation. \$10 per player is the entry fee. Deadline for entry is Friday.

The ladies have a partnership Golf Tourney scheduled for Wednesday. You do not have to be a member to enter this tourney. \$5 per person is the entry fee. Lowest handicap of team determines flight pairings. The tourney will be 18-holes medal play with a special nine-hole flight for beginners. Deadline for entry is Monday.

There was a three-way tie for first place in Sunday afternoon's Scotch Foursome between Jimmy Butler and Mary Bechtel; Bob and Bobby Vilas; and the team of H. B. and Kathy Thomas. All three teams carded a 36 in the nine-hole selective shot Scramble Tournament.

Other teams competing were James Wohlgenuth and Janie Walker; E. and Carol Bryant; David Bechtel and Jerry Butler; Ola Mae Trimble and Harold Stephens; Ben and Bernice Hill; Jimmy and Nancy Ross; Doc Render and Bobby Vilas; and Richard Walker and Janie Walker.

LARGEST coral formation in the world is the Great Barrier Reef which is 1,350 miles long.

Summers-Schreck vows read; Colorado Springs new home

Miss Debra Sue Summers became the bride of Arthur Dewey Schreck III in an evening ceremony Sept. 5 in the First United Methodist Church of Dimmitt.

THE BRIDE is the daughter of Mr. and Mrs. William T. Summers of Dimmitt. The groom's parents are Mr. and Mrs. Arthur D. Schreck Jr. of Tulsa, formerly of Dimmitt.

Rev. Weldon McCormick of the First United Methodist Church of Midland, former pastor here, officiated at the ceremony.

The church altar was decorated with two seven-branch candelabra and a three-branch candelabra which were enhanced with greenery, flowers and coral bows. The altar was flanked by Grecian pedestals holding cascade bouquets of coral gladioli, ivory and yellow pompons, and blue cornflowers. The church pews were decorated with coral bows and greenery.

ELAINE DAVIS of Dimmitt was the maid of honor. Bridesmaids were Mary Hays of Dimmitt and Joan Maroney of Houston. The bride's attendants wore formal length double-breasted coat dresses of coral shantung with candlelight satin lapels and buttons. The backs were belted in satin at the waist, and a kick-pleat extended to the floor. The hemlines were banded with candlelight satin.

The maid of honor and bridesmaids carried nosegays of coral gladioli, yellow pompons, ivory roses and blue cornflowers, fashioned with wide coral streamers.

The groom's father served as best man. Groomsmen were Sp-5 A. J. Sieker of Fort Carson, Colo., and Jay Nelson of Amarillo, cousin of the groom. Ushers were Charles Summers of Dimmitt, cousin of the bride, and George Nelson of Amarillo, the groom's cousin.

THE AISLE carpet was laid by Danny Cunyuc of Lockney, cousin of the bride. Candlelighters were Mark Summers of Dimmitt, the bride's brother, and Jerry Schaeffer of Dimmitt.

Sandra Land of Clovis, the groom's niece scattered rose petals along the bridal aisle. The flower girl wore a floor length gown of candlelight satin and organza, with bishop sleeves and a sash of coral shantung.

Janice Mooney, organist, presented traditional and sacred music, including a special organ arrangement of "O Perfect Love."

MRS. ARTHUR DEWEY SCHRECK III
... The former Debra Sue Summers

GIVEN IN marriage by her

father, the bride wore a formal length gown of candlelight slipper satin with a cathedral length train. The bodice of organza was appliqued with re-embroidered Alencon lace with a sheer overlay that was enhanced by strings of pearls. The wedding dress also featured a Camelot neckline of lace, full bishop sleeves of organza with satin cuffs accented by strings of pearls, and a skirt that was paneled with Alencon lace and strings of seed pearls.

The bride's floor length veil of imported illusion was secured by a Camelot caplet of satin, encrusted with pearls.

The bride carried a bouquet of ivory roses, pastel coral gladioli and pastel yellow stephanotis with candlelight streamers.

FOR something old, the bride wore her great grandmother's diamond pin. Something ev was her bridal attire; something borrowed was a sapphire belonging to Paula Morgan of New Orleans, La.; and something blue was the traditional garter.

A reception at the Castro County Country Club followed the ceremony. The bride's and groom's tables were covered with ecru lace cloths and centered with bouquets of coral gladioli, white and yellow pompons and

blue cornflowers. The bride's table featured a three-tiered wedding cake decorated with bells and coral and yellow roses with coral punch. Served from the groom's table were coffee, tea, assorted finger sandwiches and chocolate groom's cake.

After a wedding trip to Colorado Springs and Denver, Colo., the newlyweds are now at home in Colorado Springs. The groom, a specialist in the US Army, is presently stationed at Fort Carson, Colo., following his recent return from a tour of duty in Vietnam. Sp-5 Schreck, a Dimmitt High School graduate, attended West Texas State University two years before entering military service.

THE BRIDE, a former honor graduate of Dimmitt High School, is a junior at the University of Texas in Austin. A math and economics major, she was named to Alpha Lambda Delta freshman women's honorary scholastic society, and is a member of Phi Kappa Phi and Alpha Delta Psi, education honoraries.

Nazareth ladies win Tops honors

Doloris Schulte of Nazareth was named the "Queen of the Week" for August as Agnes Brockman, who lost nine pounds during the month. She received a charm.

Another member of the club reached her weight-loss goal last week. Mrs. Jeanie Johnson, president, is now a "KOP," with her goal now to "Keep Off Pounds."

At the Aug. 31 meeting, 24 members weighed in with a total loss of 20 pounds. Mrs. Doris Lust was crowned "Queen of the Week" with a loss of 4½ pounds.

THE CLUB voted to pay only three members' way to the state meeting in Abilene next May. They will be the new club leader for 1971, the "Queen of the Year," and the member with the best weight loss record. The queen will be a KOP.

The SOS Tops Club meets each Monday at 7:30 p.m. in the First United Methodist Church. Meetings and membership are open to all ladies interested in a sensible diet program to "Take Off Pounds Sensibly." The club has a program once a month, and a sing-along every fourth Monday.

Couple united in home wedding

Fay Wilkinson and M. L. "Dub" Cline exchanged marriage vows Aug. 21 in the bride's home, 311 NW Third St., Dimmitt.

THE WEDDING ceremony was performed by Justice of the Peace T. E. Harrison.

MINERALS FOR BEEF CATTLE

Beef cattle are hardy individuals and can take care of themselves in most situations. They do, however, need help when pastures and ranges fail to provide needed minerals and vitamins, and says U. D. Thompson, Extension beef cattle specialist, the stockman must give his cattle assistance. He must determine the deficiencies and then, from the many sources available, supply these in short supply. The county agent can provide information on many subjects dealing with proper nutrition for the beef herd.

Hereford to host Homemakers

The ninth annual Young Homemakers Convention will be held in the Hereford High School auditorium Saturday. This year's theme is "Shape up for the 70's."

MORNING registration will begin at 9:30 with the House of Delegates meeting at 10 a.m. Each chapter is to send two voting delegates. Afternoon registration begins at 1 o'clock and the general session at 1:30. The program features Mrs. Liz Tankersley, television personality from Lubbock; the Young Homemaker slide story; and the installation of new area officers. Attendance prizes will be given to the two chapters with the most members present, and door prizes will be given by Hereford merchants.

The awards banquet will be at 6:30 in the Hereford High School cafeteria. All Young Homemakers and Young Farmers and their husbands and wives and chapter advisors are invited. Bill Sarpolis of Canyon will be guest speaker.

Homemakers install officers

Mrs. Linda Roberts was installed as the new president of Dimmitt's Young Homemakers last week.

A **SALAD** supper preceded the installation ceremony.

Other officers installed to serve with Mrs. Roberts during the coming year were Mrs. Mareta Smithson, first vice-president; Mrs. Carolyn Watts, second vice-president; Mrs. Genell Craig, secretary; Mrs. Dickie Holcomb, treasurer; Mrs. Judy Moore, reporter; Mrs. Brenda Bruton, parliamentarian; and Mrs. Melva Kittrell, historian.

MRS. THOMAS JEROME CONRAD
... The former Brenda Dorothy Pohlmeier

Couple establish home in Nazareth

Mr. and Mrs. Thomas Jerome Conrad are now at home in Nazareth, following their marriage Aug. 22 in Holy Family Catholic Church.

THE BRIDE is the former Brenda Dorothy Pohlmeier, daughter of Mr. and Mrs. LeRoy Pohlmeier of Nazareth. Parents of the bridegroom are Mr. and Mrs. Leonard Conrad, also of Nazareth.

Rev. Stanley Crocchiola, pastor of Holy Family Church, officiated at the double ring ceremony.

Maid of honor was Mcnette Pohlmeier, sister of the bride. Bridal attendants were Mrs. James Self of Earth, Mrs. Jim Hoelting of Nazareth, Mrs. Lyn Bogle of

Colorado and Karen Pohlmeier of Nazareth, all sisters of the bride.

SERVING as best man was Dave Niese of Olton. Groomsmen were Mark Gerber and J. C. Pohlmeier of Nazareth, Lyn Bogle of Colorado and Henry Ramaekers of Umbarger.

A reception in the Nazareth Community Hall followed the wedding ceremony. The newlyweds took their wedding trip to Red River, N.M., and points in Colorado.

The bride is a student vocational nurse at Plains Memorial Hospital in Dimmitt. The groom is a junior at West Texas State University.

Socially Yours

Mrs. Butler is shower honoree

Mrs. Joe Bill Butler, the former Janet Benedict of Oklahoma City, was the honor guest at a tea and shower in the home of Mrs. J. C. Gilbreath Saturday afternoon.

IN THE reception line with the bride were her mother, Mrs. Harriet Benedict of Oklahoma City; and the groom's mother, Mrs. Joe Butler of Dimmitt.

A special guest was Mrs. Sam Butler, the groom's grandmother. Paula Birdwell registered the guests. Mrs. J. M. Wright, Mrs. O. B. Trimble, Mrs. R. E. Wil-

son and Mrs. Anita Morris served a decorated sandwich cake, punch and coffee from a table that was covered with a silver lame cloth with deep floor-length ruffles of pink and silver. The floral centerpiece featured a red magic lily.

SHARING hostess duties were Mmes. Kent Birdwell, W. W. Gilbreath, Aural Davis, G. L. Willis Jr., Doris Smiley, Truman Touchstone, Ben Hill, Joe Benson, Tom Davis, Swain Burkett, Bill Potts, Glen Render, James Burnam and Ruth Wesson.

Getting The Jump On School Wardrobes

For the young back-to-school set, jumpers have the jump on all other children's wear styles this fall.

Always a favorite with school girls — from kindergarten age to college co-ed — the jumper is especially appropriate for the fast-growing grade-schooler.

For one thing, it's designed for roomy comfort, and has easy-fitting lines. Moreover, one jumper can turn into a wardrobe of school outfits when it's worn with switch-about blouses in crisp white cotton or colorful plaids and calicos.

Simply designed jumpers are among the easiest styles to stitch up at home.

The latest patterns offer many variations on the basic jumper theme. For instance, you'll see pattern versions of the jumper with deep-cut armholes, a currently popular design and one that's ideal for active youngsters.

Then there's the zip-front jumper, easy for the very young back-to-schooler to put on. Scoop-neck styles are also quite new-looking, and they're perfect for showing off ruffle-front blouses.

Favorite fabrics for sewing fall jumpers are comfortable, easy-to-care-for cottons. Corduroy and quilted cotton are

at the top of the list this fall. New types of corduroy — like "thick 'n thin" — are stylish sew-it-yourself choices, as are the quaint "country" or peasant motifs in quilted cottons.

When sewing with any kind of corduroy—whether it's wide wale or no wale — remember that corduroy is a napped fabric. It's important to lay pattern pieces out so that all are running in the same direction. This insures that the fabric pile will go in the same direction on every pattern piece. The direction of the pile in napped fabrics affects the color of the completed garment.

When the pile runs up, the fabric will have a dark rich color. When it's running down on the garment, you will see a lighter, shadowy color.

To determine the direction of the pile, run your hand down the corduroy's ribs or wales. If they're smooth to the touch, the pile is running down. If rough, the pile is going up.

Sewing with quilted cottons also calls for special cutting instructions. Pattern pieces should be laid out and cut so the stitching lines of the quilting match at the side seams. All pattern pieces should be cut running the same direction, and matched line for line at all joinings before sewing.

Newlyweds choose Levelland

Mr. and Mrs. Thomas Darrell Walker are now at home at Route 2, Levelland, following their recent marriage in Dennis Chapel in Dimmitt.

THE BRIDE is the former Toni Mae Teague, who attended Dimmitt High School. She is the daughter of Mr. and Mrs. Arthur Lee Teague of Abilene.

The groom, a 1970 graduate of Dimmitt High School, is the son of Mr. and Mrs. John W. Walker of Route 2, Happy. He is engaged in farming at Levelland.

The couple exchanged vows in a formal evening ceremony Aug. 12 in Dennis Chapel.

REV. W. J. Childress, uncle of the groom, performed the double-ring ceremony before an arch covered with greenery and flanked by seven-branch candelabra.

Maid of honor at the wedding was Vicki Teague of Abilene, Mrs. Ricky Flippin of Canyon served as bridesmaid. Both are sisters of the bride. They wore floor-length formals of pastel blue crepe, with Empire waists encircled by blue velvet ribbon. They wore headpieces of blue carnations and carried blue carnation nosegays.

Joe Mike Myers of Dimmitt served as best man. Groomsman was Jimmy Childress of Farmington, N.M., cousin of the groom. Mike Armstrong of Harj and Johnny Vick of Dimmitt served as ushers and candlelighters.

THE bride's cousin, Mitzi Dawn Reed of Arlington, was the flower girl.

MRS. THOMAS DARRELL WALKER
... The former Toni Teague

Common and Rare

Of the 90-odd elements in the earth's crust, nickel ranks 24th in abundance. Yet, it is estimated that nickel ranks 11th or 12th in abundance in the cosmos.

Nickel Helps Cool Gotham

Because it resists high-temperature combustion gases, 700,000 pounds of nickel will be used in alloy form for the fabrication of 102 gas turbines that will provide 20 per cent of New York's electricity requirements. This is the quantity of electricity needed to operate Gotham's air conditioners during peak summer usage.

Mrs. Andrea George, organist, provided traditional wedding music and accompanied the groom's brother, John Ned Walker, who sang the theme song from "Romeo and Juliet" and "More."

Given in marriage by her father, the bride wore a wedding gown of Chantilly lace graced with a triangular chapel train and a veil of silk illusion which was accented by a two-tiered crown of seed pearls and crystal. The fitted bodice featured bracelet length sleeves and a Sabrina neckline. A controlled skirt with scalloped hemline was attached to a contoured midriff. Spaced satin bows highlighted the back of the skirt.

THE BRIDE's bouquet was a

white orchid surrounded by French-frayed white mums, with streamers of stephanotis. She carried her bouquet atop a white Bible.

A reception in the community room of the First State Bank followed the ceremony. Jane Ann Mooney, Vicki Winters and Marla Mayfield served the guests from a table that was covered with a lace cloth over blue satin. The three-tiered wedding cake was topped by a miniature bride and groom, and punch was served from a crystal bowl.

For a wedding trip to Colorado, the bride chose a linen suit of burnt orange and white, with white accessories.

H-D Notes

Artificial eggs have many uses

By IRENE KEATING

This week we're going to talk about something new on our grocery shelves. I'm sure you are quite aware that we're constantly having new product and new prices almost weekly.

A new imitation whole egg powder will enable those on fat and cholesterol controlled diets to include egglike foods in their meals. The powder, called Chono, was developed by a major food company.

Chono, when prepared in scrambled or omelet form, has a taste and appearance similar to whole eggs. It can replace whole eggs in baked custard and eggnog, cakes, pancakes, French toast, breadings dips and many other preparations.

Chono combines natural dried egg albumin with an artificial yolk formulated from safflower oil, rich in polyunsaturated fatty acids.

AIRDRIED mushroom pieces, having a flavor comparable to that of freedried mushrooms selling for twice as much, is a recent development of USDA's Agricultural Research Service.

Air-dried mushrooms are dehydrated pieces that retain the distinctive flavor and light color of fresh mushrooms. The mushroom pieces will keep for at least seven months without flavor loss. The mushroom pieces were developed to enable the domestic mushroom industry to compete with imported mushrooms.

High school classes elect officers and sponsors

By MYRT LOMAN
New class officers and sponsors have been elected for the 1970-71 school term of Hart High School.

Heading the senior class are Ralph Bell, president; Lonnie Davis, vice-president; Becky King, secretary; Janet McLain, treasurer; Gaylene Hawkins and Ricky Farris, historians; Jeton Jones and Sharon Brooks, reporters; Ray Keller and Doug Higgins, sponsors; and Sandy Bennett and Greg Crosby, Student Council representatives.

Representing the junior class will be Johnny Ethridge, president; Keith Lemons, vice-president; Kathy Crawford, secretary; Lisa Lacy, treasurer; Dee Cleverger, historian; Johnny Ethridge and Cidy Dyer, Student Council representatives; Lanny Tucker and Barry Hughey, sponsors; and Heading the sophomore class are David Barham, president; Rita Heck, vice-president; Delores Diaz, secretary-treasurer; Cathy Nelson and Stanley Dyer, Student Council representatives; and Mrs. Ronnie Farris and Vaughn Ross, sponsors.

Elected by the freshman class were Tommy Cunningham, president; Albert Guzman, vice-president; Pauline Hernandez, secretary-treasurer; Kathy Cheves and Harley Malone, Student Council representatives; and Glen Glegghorn and Sherry Scott, sponsors.

Eighth grade class officers are Juanita Rios, president; Danny Carson, vice-president; Julia Jalamo and Jim Clifford, Student Council representatives; and Mr. and Mrs. Leon Kendall, sponsors.

Seventh grade officers are Terry Hill, president; Barry George, vice-president; Larry Cox, secretary-treasurer; Sheri Daubert and Blair Morrison, Student Council representatives; and Mrs. Frank Barnes and J. V. Westcott, sponsors.

Student Council officers are Gary Six, president; Keith Lemons, vice-president; and Roni Cox, secretary-treasurer.

MRS. Leonard Griswald, vice-president of the First United Methodist Church WSCS presided at the Thursday morning meeting in the absence of Mrs. T. H. Taylor, president.

Mrs. Griswald gave the devotional from the 23rd Psalm, using the topic, "Whom Should I Fear?" and led the program discussion of the subject of "The Risk of the Human Touch."

Assisting with the program were Mmes. Hubert Maples, W. C. Crick, L. L. Swindle, and Mrs. Mabel Aven.

The members voted to send \$20 to Girlstown to help buy school clothes for the girl whom the WSCS helps sponsor. They will also help Saturday night with the "Progressive Supper" for the members of the MYF of the church.

The new time of meetings of the WSCS is 9:30 each Thursday morning at the church. All ladies are urged to attend.

A GROUP of 25 Hart High School and junior high students have organized a "Christian Crusade" to meet each Wednesday evening at 6:30 in homes in Hart. Officers elected were Ricky Farris, president; Becky King, vice-president; and Roni McGill, secretary.

Contact one of the officers if you would like to host the group some Wednesday night for a 30-minute service and serve them soft drinks. They bring the cookies. Youth of all faiths are invited to join in with this group.

HART HAS just received its first load of milo, delivered to the Farmers Grain Co.

The milo was raised by Max Marble on the Nanny Farm, east of Hart.

The yield was 6,000 pounds per acre, moisture test was 15.10, and the test weight was 57 pounds per bushel.

"GOLDEN ONES" Club met Friday in the home of Mrs. H. E. Loman for a covered dish luncheon, business meeting and program.

Mrs. Charles Rickerd of the Bethel community spoke to the members on the subject of aging. Mrs. Rickerd is the Castro County forum coordinator on aging, and has recently returned from a week's stay in Austin, where she attended an orientation for members of the Texas Governor's Committee on the Aged, in conjunction with the White House Conference on the Aged.

Community forums are scheduled for Senior Citizen Week, Sept. 26-28, throughout the US.

Questionnaires are to be answered nationwide by older citizens of all ethnic groups, concerning legal and finance areas, retirement, and dental problems.

At the White House Conference on Aging to be held in Wash-

ington, D.C., next year, some 1,000 questionnaires will be compiled, with delegates from all 50 states to meet "as the older Americans speak to the nation."

Medicare and Medicaid were developed as a direct result of the 1960 White House Conference on Aging. It is hoped that a low-cost housing program for the aged will result from the next conference. Mrs. Rickerd said in outlining the 1971 conference goals.

Mrs. Rickerd was appointed recently to be the Castro County Forum coordinator. She pointed out that of the 200 million citizens of the United States 20 million are 65 or over and one-fourth of this number are living in poverty.

"Approximately 900 Americans per day are reaching the age of 65," she said.

She stressed that all citizens who are not yet 65 need to be concerned with the problems of the aged.

Mrs. Lillian Carson of Sunnyside gave each lady a free facial. Ladies present for the luncheon or calling in the afternoon were Mmes. Vasca Kittrell, Iva Stanton, Irene Hacker, Nora Ray, Ma-

bel Aven, Jewel Kanady, Ellen Cox and Mrs. M. J. Mortzen of Kirby (all widows) and Mrs. T. H. Taylor, Mrs. Leonard Griswald and the two ladies who gave the programs. Each lady was given a questionnaire to be filled, cut and returned to Mrs. Rickerd.

Mrs. Mabel Aven will host the next meeting of the "Golden Ones" Friday, Sept. 25.

THE WOMEN'S Missionary Union of the First Baptist Church met in fellowship hall Monday for a special prayer service, the "Mary Hill Davis State Mission" program and covered dish luncheon.

An offering for state missions will be taken during September.

LADIES of the First Methodist Church furnished refreshments for an hour of fellowship for youth Friday night following the football game between the two Longhorn teams of Hart and Lazzbuddie.

The fellowship was held in the Hart Elementary Gym. Ladies from the Baptist Church

will furnish refreshments at the next home game Sept. 25, when the Hart Longhorns host Amherst. Following each home game, a local church will sponsor an hour of fellowship for the youth.

THE Brotherhood of the First Baptist Church sponsored a worship service Sunday afternoon at the Golden Spread Nursing Home in Dimmitt.

J. D. Rodgers was in charge of the program, with Rev. and Mrs. Harmon Bishop leading in group singing and Rev. Bishop bringing a short devotional.

Rev. C. T. Cunningham, local pastor, gave the benediction. Others attending from Hart were Mrs. Jim Dalton and Myrt Loman.

NEWLON ROWLAND, president of the Hart Athletic Booster Club, urges all who are interested in sports to attend the weekly meetings in the Hart High School science classroom.

Membership cards are now available at \$2 per person or \$4 per family. The new officers are Cleve Mc-

Lain, president; Garland Crosby, vice-president; and Mrs. Claude Cox, secretary.

The Booster Club will have charge of the concession stand during each home football game and workers are needed. They also are selling vests and stadium bags this year.

A film of the previous game will be shown at the weekly meetings.

HERE'S THE Hart school lunch menu for next week:

Monday — Corn dogs and mustard, whipped potatoes, pineapple and cabbage salad, hot rolls, peanut butter cookies, milk.

Tuesday — Meat loaf and catsup, English peas and potatoes, lettuce wedge, kitchenmade bread milk.

Wednesday — Brown beans and ham shanks, chopped turnips and orange sheet cake, milk.

Thursday — Fried chicken and creamed potatoes, tossed salad, hot rolls, buttered rice with lemon sauce, milk.

Friday — Sloppy Joes, French fries and catsup, lettuce and tomatoes, plain Jello with whipped topping, milk.

Letter to the Editor

'Please don't race your car Within 10 feet of my child'

Dear Editor:
I commend you on your "Face of Dimmitt" series. I do believe another Face of Dimmitt should be considered. It is not a piece of land or property, but actions of some of our young drivers of Dimmitt.

NOW THAT school has started, we have a great many activities to attend. I want to ask these young drivers to assume an adult's responsibility in handling their cars in residential sections of our town.

There are approximately 20 children in six or seven houses right around our home. About 10 of these children are between 1 and 5, and the rest from 5 to 9. These children play in their yards and on the sidewalks in the afternoons and early evening hours. Only a few feet separate them from the cars on the street. We have a few vehicles parked on the sides of this street, and a driver's vision is greatly obscured from seeing a child.

I believe most older people with families realize their responsibility to drive cautiously when children are playing. They know full well that a child forgets to look and may run into the street to play at a friend's house.

IT HAS been less than 10 years ago that I was a teenager, and I realize the thrill of having a fine car and wanting to show it off to friends. But I believe there are better places to do it than just 10 feet away from a child.

We lived in a neighborhood just three years ago where a classmate of my son was killed in the street by a car. He was 7, and an only child. He simply forgot to look.

I do all I can to teach my children to watch for cars as they walk to and from school, and to stay out of the street. But, they are only children and I have seen them forget to look, and I have thanked God no cars were coming then.

NO policeman can sit everywhere and watch. You drivers will have to police yourselves. If I step on your toes, take them off the accelerator. In an extra minute or two, you can be at your destination and not endanger the life of a child more than necessary. Most of you know where young children live and are playing. I beg you to look out for them and slow down.

A Very Concerned Mother on Oak Street

(Editor's Note: We couldn't agree with you more. You have eloquently defined a potentially dangerous situation that perplexes many Dimmitt residents — we assume, in all neighborhoods. You have also hit upon the best solution, if the "dragsters" will only realize it and heed your advice. "Responsibility" isn't just a worn-out ideal — with a car, it's a matter of life and death. Young people HAVE been killed on Dimmitt's residential streets.)

WHATEVER you want or need, somebody probably has one. Try a "Wanted" classified ad in the News.

ALMOND tree is a tree of the rose family with flowers.

A BABY has about 9,000 taste buds; an adult about 3,000.

Financial Facts
By Willis A. Hawkins, Jr.

Did you know that not too long ago we used postage stamps as money?

Enclosed in a round, brass metal frame with a transparent mica front the Encased Postage Stamp was born of necessity. It was introduced, like Fractional Currency and Compound Interest Treasury Notes, to alleviate the coin and currency shortage of the Civil War.

The Encased Postage Stamp was the invention of J. Gault, who patented it in 1862. In denominations of 1, 2, 3, 5, 10, 12, 24, 30, 90 cents, the stamps were used for money as well as their normal function of postage. They became very popular because any type of small denominational currency was very welcome at the time.

The denominations and quantity of the Encased Postage Stamps were, of course, limited to the then current issues of the Post Office.

WATCH NEXT WEEK FOR "SAVE MONEY ON FOOD"

Let's hope that the rain doesn't interfere with our corn harvest.

THE 1971 CHEVROLETS are the most luxurious the division has ever built, with greater glass area for improved visibility, more rounded glass and body contours, and flush lift-up door handles. This is the Caprice Coupe, which gets added distinction with a special large grid grille, deep ribbed wheel cover and standard rear fender skirts. Wheelbase of regular Chevrolet models is extended 2 1/2 inches for added riding comfort and increased rear leg room. The body has a new flow-through ventilation system and greater strength double-panel roof construction. The new chassis and suspension system give improved ride and handling. A power disc/drum brake system is standard. The new Chevrolets will be unveiled Tuesday, Sept. 29 at Webb-Mears Chevrolet, Inc., in Dimmitt.

Teacher, editor, student attend 'J-Day' at Tech

Three from Dimmitt attended "J-Day" at Texas Tech Saturday, sponsored by the university's journalism department.

LOCAL delegates to the all-day conference were Johnny Thomas, Dimmitt High School student; Jim Miller, DHS journalism instructor; and Don Nelson, managing editor of the News.

Some 300 high school journalism students and teachers from North and West Texas attended the conference and took part in problem-solving sessions on school newspapers, yearbooks, photography, business and advertising.

J-Day also included an awards luncheon at noon, a student business meeting of the Southwestern Council of Student Publications, and attendance at the Texas Tech-Tulane football game Saturday night.

THOMAS and **MILLER** attended several of the problem-solving sessions for school publications. Nelson, as president of the Panhandle Press Association, met with faculty members to discuss ways in which the Tech journalism school and area newspapers could work together to train more young journalists for newspaper careers. At present, only 20 percent of the nation's graduate journalists are going into the news paper field; the majority are choosing careers in radio-TV, public relations, magazines, wire services, agencies and industrial publications.

Nelson also was one of the speakers at Saturday's awards luncheon. He urged the high school students to consider careers in journalism and to check with their local newspapers and radio stations for part-time or summer jobs.

ALSO representing the Panhandle Press Association at the J-Day activities was Bill Ellis, publisher of the Friona Star, a Tech graduate.

HOSTS FOR J-Day were Dr. Billy Ross, head of the Tech journalism department, and Ralph Sellmeyer, journalism professor. Members of Tech's journalism faculty helped plan and conduct J-Day activities, and all were introduced during the awards luncheon.

Dr. Ross explained during the luncheon that Tech has expanded its journalism faculty from five to 11 members, and that the department is on its way to becoming a school of communications, with separate departments of electronics media, printed media, advertising and marketing.

Tech's journalism department is one of only 55 accredited J-schools in the US. Dr. Ross said, and last year graduated more advertising majors than any other journalism school in Texas.

THE 1971 FORDS will be unveiled Friday by Bob Goss Ford in Dimmitt. This is the new LTD two-door Brougham, which is highlighted by a new front end treatment featuring a forward-thrusting center grille section and dual exposed headlamps. The LTD Brougham includes a new, standard high

back bench seat which eliminates the need for separate headrests. Ford's new side impact protection system, flush door handles, concealed windshield wipers and a new two-tiered, coved instrument panel also are standard features of the 1971 Ford.

THE American Indian was the product of one of the divisions of the Mongoloid stock.

Folder gives home-fire tips

"Every 47 seconds a home fire breaks out somewhere in the US. Every 43 minutes, one of them claims a life, and a third of the victims are children," Bennie Harper of Taylor-Harrison Agency noted this week. "These statistics should make everyone in Dimmitt realize the importance of planning ahead for a home fire emergency," he added.

HARPER said he is offering to the public a free folder containing valuable tips on how to set up an emergency home escape plan. The folder was prepared as part of a campaign to encourage home fire drill planning.

"We hope to make families much more fire-drill conscious," he said. "This could prove to be a life saver for householders and apartment dwellers in our community."

Lt. Hammonds finishes course

Second Lieutenant Ronnie D. Hammonds, son of Mr. and Mrs. completed the Finance Officer Basic Course at the US Army Finance School, Fort Benjamin Harrison, Ind.

HAMMONDS graduated from Cotton Center High School in 1963 and Texas Tech University in 1968, before receiving his commission. He is assigned to Headquarters, US Army, Military Traffic Management and Terminal Service, Oakland, Calif.

Hammonds is married to the former Kay Standerfer, daughter of Mr. and Mrs. E. K. Standerfer of Hale Center.

AMPHION, a son of Zeus, but the walls of Thebes by charming the stones into place with a lyre according to Greek mythology.

Here are week's best food buys

Here are the food bargains that may be found at local markets this week, according to Gwendolyn Clyatt, extension consumer marketing specialist:

AT retail meat counters, best beef values include chuck roasts and steaks, short ribs, ground beef and round steaks and roasts. Pork values include hams, picnics, end-cut loin roasts and chops, shoulder roasts and steaks and pork liver.

Fryers are still an excellent bargain in most retail meat departments and grade A large size eggs continue to offer the best combination of quality and economy.

Items of special interest in the dairy sections include milk, yogurt, cottage cheese and a variety of cheddar cheese.

FRESH fruit and vegetable items in good supply at the most economical prices include apples, bananas, lemons, grapes, bartlett pears, prunes, plums, cantaloupes, watermelons, potatoes, celery, cabbage, carrots, squash, purple hull peas, tomatoes and dry yellow onions.

OLDEST known written text is the cuneiform expression of Sumerian speech of about the 4th millennium b.c.

...bundle

for winter

CONVERT YOUR HOME TO COMFORT ELECTRIC HEATING NOW... AND WE'LL INSTALL STORM WINDOWS...

Free!

Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating because, right now, with every qualifying electric home heating installation, we'll install free a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families! ... a most 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the comfort it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating! ... and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down

inner heat loss and contributing to lower heating costs. The storm windows now offered free with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?

This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installation, do not despair—we have a special, most attractive plan for you, too.

Comfort ELECTRIC Heating

DAVID NINO HITS THE TURF AFTER THREE-YARD GAIN IN FOURTH QUARTER ... Closing in are Muleshoe's Rand Baker (74) and Don Heathington (70)

Last-half splurge gives Lazbuddie 38-8 victory

By DAVID BASS

The Lazbuddie Longhorns broke open a tight game in the second half to down the Hart Longhorns, 38-8, in a non-district game Friday night at Lazbuddie.

THE TWO groups of Horns are old rivals, as they were in the same district for many years. Lazbuddie beat Hart twice in the last two years for the district championship.

The game began with Hart receiving the opening kickoff. Lenny Davis took the ball on his own 30-yard line and made a good run, ending up on the Lazbuddie 30, but the Hart drive ended on downs at the 25.

Lazbuddie could do no better as they fumbled the ball away at their own 45. The Hart Horns' next drive was not much better than the first as this drive also ran out of gas with an incomplete fourth down pass.

LAZBUDDIE found the going lot better on their next set of plays as Arthur Graves broke open and raced 65 yards for the first score of the football season.

A run for the extra points failed and the first quarter ended with the score standing at 6 for Lazbuddie and 0 for Hart.

Neither team could move the

ball well in the second quarter until, with about 3:10 remaining in the half, Erasmo Castillo recovered a Lazbuddie miscue deep in Lazbuddie territory. A short

time later, Johnny Ethridge ran six yards for the only Hart score. Dirk Rambo passed to Erasmo Castillo on a fake kick for the extras and the score at halftime stood at 8 for the Hart Longhorns and 6 for the Lazbuddie Horns. Lazbuddie came out of the dressing room after the half and caught fire. They moved the ball well and finally found themselves on the Hart 25-yard line, where Arthur Graves proceeded to score his second touchdown of the night on a 25-yard run. Charles Lee ran the extra points. This left the score at 14-8 in Lazbuddie's favor.

BOBCATS
Rivera

Henry Rivera is 'Bobcat of Week'

Henry Rivera, senior guard and linebacker, turned in a sparkling performance against Muleshoe Friday night to earn the first 'Bobcat of the Week' honors.

WORKING from his middle linebacker post, Rivera was all over the field as he made eight unassisted tackles and helped with five others, scoring a high 76 on defense.

And from his guard post on offense, Rivera made three key downfield blocks to spring Dimmitt runners loose for long gains, in addition to doing a good job at his regular chores of blocking in the line, trapping and pulling cut to lead the Bobcats' power sweeps.

Dimmitt coaches gave Rivera a good score of 74 for his offensive play against the Mules.

Rivera, a 5-8, 159-pound senior, stays busy both before and after school. He delivers the Lubbock Avalanche-Journal before sunrise every morning, and finishes each school day on the football practice field.

Dimmitt varsity coaches pick a 'Bobcat of the Week' after every game as a tribute for an outstanding individual performance.

Bobcats corral Mules, 22-8

Although the Muleshoe Mules scored as many points in their Friday night encounter with the Dimmitt Bobcats as they did in the entire '69 season, they were still outgunned by the Cats, 22-8, in the opening contest for both teams in Bobcat Stadium. The near capacity crowd enjoyed perfect football weather while watching the Cats get off to the right start.

THE CATS, behind the nifty running of a bevy of swift backs including Jay Stanton, Dan Frierson and David Nino, were never headed as they got on the scoreboard early in the first quarter and led all the way.

With Mark Wohlgenuth directing the Pro Set and the Houston Veer-T offense while hitting his swift backs with short down-and-out patterns, the home team struck swiftly.

Jay Stanton, DHS fullback, moved the team into scoring position with several long gainers and left it to Frierson to hit for the first touchdown of the season. The trim Bobcat halfback took a Wohlgenuth pitch-out and zipped 10 yards for the score. Toe-man Hoyt Hestand was unable to convert as the snap flew over Wohlgenuth's head.

STANTON and David Nino dazzled the crowd with several long runs in the first half. Stanton's second long scamper of the evening, a 35-yard gainer set up a field goal try, but Hestand missed on the shot, which was kicked into a slight breeze.

The Mules, operating out of the Texas Wishbone-T, relied primarily on the running of backs Bobby Hayes and Don Wheat. The Mules' man-under, Mike Riley had great difficulty with the Cat defense as it forgot about the pass and stacked up tight to shut off the Mules' running attack. Pat Barries and Henry Rivera repeatedly blitzed the hapless Riley to throw the Mules for losses. Robert Woolbright, Dimmitt interior lineman, was also praised highly by Coach Brown Smith for his head-up defensive efforts. The huge tackle logged as much time in the Mules' backfield as Riley did.

The half ended with Dimmitt cwinning a six-point edge as Wohlgenuth completed three aerials out of five attempts. Riley failed to hit on his lone attempt, and failed also to get the Mules' running game established.

THE SECOND half opened with Randy Field returning Frierson's kick to the Mules' 25-yard stripe. Seconds after the kickoff, Fields was dumped in his end zone by a host of Dimmitt defensesmen to give the Cats an 8-0 margin.

The second Cat touchdown came after Jay Stanton's 35-yard ramble on the halfback trap play. Stanton added the touchdown on the next play as he dived in, an Hestand covered to make the Dimmitt margin 15-0.

The final Dimmitt score of the evening came in the third quarter — again due to the fine running of Stanton, Nino and Frierson.

The slashing backs moved the purple crew to the Muleshoe 18 where Wohlgenuth hit split end Max Newman on a rollout pass to make the score 21-0. Hestand again supplied the extra point. This was the final scoring drive for the host team.

THE Muleshoe touchdown came in the fourth stanza with 2:33 left

in the game. Bobby Hayes notched the touchdown on a pitchout from Riley. Muleshoe decided to go for the two-pointer, and on the next play Donny Wheat swept wide to make the score 22-8.

Dimmitt finished the evening with Wohlgenuth attempting six passes and hitting on three of them, one for a touchdown. Riley failed on his only passing attempt. Dimmitt gathered six penalties while picking up 12 first downs. The Muleshoe team racked up seven first downs while being accused of one penalty.

Penalty costly; Swifts lose 8-0

By "THE SWIFT"

Penalties were the order of the night as the Nazareth Swifts fell to the Hereford B team Saturday night in Swift Stadium.

A TOTAL of 105 yards in penalties was doled out by the officials as Nazareth, in its season opener, was defeated by a score of 8-0.

Nazareth was penalized seven times for 65 yards and Hereford four times for 40 yards.

The first half seemed destined to be a scoreless defensive battle. Nazareth took the ball on the opening kickoff from the 20-yard line and marched for some good gains by Neil Dobmeier, junior fullback, and Gordon Wilhelm, junior halfback. However, Nazareth failed to make a first down and had to punt.

Hereford took the punt and marched for three straight first downs before losing the ball on a fumble caused by the hard hitting of senior Ralph Pohlmeier and sophomore Stanley Gerber.

NAZARETH gained three consecutive first downs from the passing arm of Keith Gerber; one to Randy Schilling for seven yards and one to Ben Huseman for nine yards. After this spurt of offensive energy, spurred by tackle Mickey Gerber, Nazareth failed to make another first and was forced to punt.

Hereford was stunned by the hard blows of the Nazareth defense, led by senior linebacker Sidney Birkenfeld, sophomore Dennis Kern, who dropped the quarterback twice for a loss, and Kelvin Kleman, who dropped the quarterback once for a loss.

When Nazareth regained the ball with only seconds left in the half, the Swifts seemed to come alive. Quarterback Gerber used his able passing and excellent calling to move his Swifts within five yards of paydirt.

THEN CAME the play that left many Nazareth fans grumbling: Gerber passed to senior end Ben Huseman for six points as the gun sounded. In the midst of a lation, someone noticed a red flag. Could it be? Yes, it was — a penalty. The official felt that Huseman had used too much hitting in receiving the ball. Offensive pass interference was called, and the half ended in a scoreless tie.

IN THE third quarter, Hereford mounted a 50-yard touchdown drive and the Swifts found themselves eight points behind.

From then on, the game went from penalty to pass interception. Neither team could muster enough power to score.

However, in the last few seconds of the game, Nazareth's outlook seemed brighter as senior cornerback Melvin Wethington intercepted a pass and bounded 56 yards before being brought down from behind by four of the Herd. With 30 seconds left in the game, Gerber called time to consult with Coach R. B. Christian. A long pass to Huseman was the call but it was knocked down by Hereford's alert secondary.

The game ended 8-0. CHRISTIAN was pleased with the work of the Swift defense. Three Whitefaces were seen gasping for air after being hit by the Nazareth defenders. Outstanding defensive men were linebacker Sidney Birkenfeld with seven tackles and three assists; Raymond Huseman, 4T and 4A, Sammy Birkenfeld, 2T and 2A, Dennis Kern, 4T and 2A, Kerry Brockman, 3T and 3A, Kelvin Kleman, 2T and 2A, Kent Birkenfeld, 3T, and Arnold Ehly, 1T.

Nazareth will play New Home Friday night at 3 on the Swifts' home field.

State seeks help in dove survey

Texas dove hunters who received questionnaires from the Texas Parks and Wildlife Department for the current statewide mourning dove harvest survey are reminded they should not pass the question cards along to other hunters, even though they might decide not to hunt.

TED CLARK, project leader for the survey, said the cards should be filled out only by the 44,000 potential hunters selected by the computer.

"Passing along the computer card tends to inflate the kill ration," he said. "But if each hunter keeps his own card we can determine the average number of times he hunts during the season, which is an important part of the survey."

If you received questionnaires cards and don't hunt at all, just throw the cards away, Clark said.

THE survey is the first of its kind for the state, and biologists hope the statistics gathered from the project will provide a much clearer picture of Texas' dove population and movements.

The hunters were mailed computer cards on which they are asked to record the date of each hunt, county hunted, number of doves bagged and number of hours hunted.

The test group was selected first by taking every 15th resident hunting license issued in the state. Then another mail survey was made to determine which of the hunters drawn actually planned to hunt.

America, your new cars are ready! The 1971 Fords.

New Ford Pinto
Priced and sized like little imports, but roomier. Quiet and stable. Goes a long way between gas stops, service intervals, even styling changes. Put a little kick in your life.

Mustang Mach I

'71 Mustang
How does a nice homegrown Mustang stand up to the great road cars of Europe? Beautifully. With great looks and handling, at a fraction of the cost. With six models, seven engines and a long, long list of options.

'71 Ford
Outside, it's getting noisier. Inside a '71 Ford LTD, it's a quiet world born of strength wrapped in luxury. Take a quiet break. In the 1971 Ford. Ford gives you better ideas.

CLINICAL REPORT:
"I Saw Wrinkles Vanish or Diminish in 2 Weeks"

NEW YORK (Special):—"Disappearance of small wrinkles was accomplished . . . even the very deepest wrinkles showed very great improvement." This dramatic report on the ingredients in Genava was made by a noted physician, specializing in dermatology, after tests made on a selected group of women. He saw these results with his own eyes.

With this substance new to cosmetics, named Genava, aging skin can start looking younger and younger—not older and older.

The physician also commented, "The small superficial wrinkles responded dramatically." And he adds that the skin was "more translucent and smoother in appearance."

These results are nothing short of amazing. And it took a new cosmetic compound to do it.

Developed by the trustworthy Nina laboratory, Genava is designed to be used under make-up and as a night cream. It is absorbed instantly. In two weeks time wrinkles will vanish or diminish greatly. That is the promise now made possible by Genava. Skin will become more translucent, younger-looking. Now available in selected stores—1.65 oz. \$3.50; 4 oz. \$5.00.

Young Farmers to have 'week'

Sept. 20-26 has been officially proclaimed Young Farmer Week in Texas by Gov. Preston Smith.

The proclamation signed recently gives additional recognition to the rapidly growing farm group. The State Association of Young Farmers of Texas is sponsored by the vocational agriculture departments in Texas high schools and by the Texas Education Agency.

Over 260 Young Farmer chapters have been organized on local school district or countywide basis to carry out educational activities which help members keep abreast of technological advancements in the field of agriculture and to develop greater efficiency in management, production and marketing.

Gov. Smith pointed out in his proclamation that Young Farmers also incorporate in their planned chapter programs civic and community service projects and leadership activities designed to improve their communities, state and nation, and to promote good citizenship.

President of the Young Farmers of Texas, which has a membership of over 4600, is James Beaver, crop farmer and beef cattle producer of Fluvanna. Ben Holcomb of Dimmitt was the state president last year.

Conservation

Grass waterway is best answer to rain runoff

By CLAYTON JOBE

Farmers, how do you control your runoff water? When heavy rains fall the soil cannot soak up a 11 runoff. Some of this water must run off on sloping land. This water gathers in the channels in the lower parts of the field and carries with it good topsoil. Therefore, good farmers protect their land by building waterways and seeding them to grass.

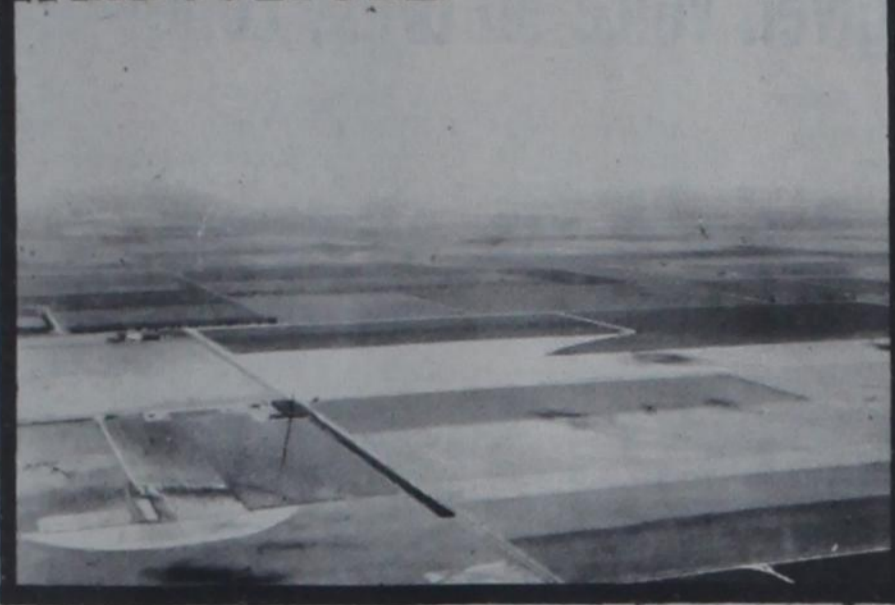

BY KEEPING gullies from forming, grass waterways on many fields protect the valuable irrigation pipeline laid underneath. They also serve as outlets for terraces. In fact, grass waterways are one of the most generally needed measures against soil erosion.

The farmer can harvest the grass and make hay from it to feed his animals. The waterway is also a good place for pheasants and quails to build their nests.

FARMERS who are interested can contact the Soil Conservation Service for assistance, both technical and financial in building such waterways on their farms.

LAUGHING sickness, or Kuru, affects only the Fore tribe of New Guinea and is 100 per cent fatal.

MODERN AGRICULTURE

No acreage restrictions seen for 1971 sugarbeet plantings

The US Department of agriculture announced Monday that proportionate shares (farm acreage allotments) will not be established for the 1971 crop of sugarbeets.

PLANTINGS in 1970 totaled about 1,445,000 acres. At average sugar yields per acre, sugar production would amount to about 3,306,000 tons, raw value — or about 300,000 tons less than this year's marketing quota.

The effective inventory on Jan. 1, 1971 (sugar on hand plus 1970 crop beet sugar produced after that date) will likely be about 2,525,000 tons — a quantity well below the desirable level.

The 1967 through 1969 crops were unrestricted. Proportionate shares were established for the 1970 crop, initially at 1,450,000 acres, and later increased to 1,550,000 acres. Restrictions were removed, altogether in April 1970 because of lower than anticipated sugar recovery from the 1969 crop and indications that total plantings would be less than the acreage allotted for the 1970 crop.

AT A public hearing in Boise, Idaho, last July 29, spokesman for a majority of growers and all of the beet sugar processors recommended that the 1971 crop of sugarbeets not be restricted.

The Secretary of Agriculture is required by the Sugar Act to establish proportionate shares in each domestic sugar-producing

RURAL CHURCH CONFERENCE Opportunities in the church area or "Merchandising the Church Program From a Full Wagon" is the overall theme for the 25th annual Town and Country Church Conference Oct. 8-9 at Texas A&M University. Discussions at the conference will center around positive programs that are working in rural areas, says Kenneth Wolf, conference publicity chairman and Extension agribusiness economist.

4-H rabbit show 'small but good'

The 4-H Club Rabbit Show, held in conjunction with the annual Youth Fair Saturday, was small as rabbit shows go, but it was a huge success for the youngsters who showed their rabbits.

RANDY POWELL'S junior doe took top honors, winning first place in her division and best of show.

Stephen Acker's junior buck took first place in his division and best opposite sex.

Other honors went to Randy Powell, senior doe, first place; Pam Oldham, junior doe, second and fourth; Mark Oldham, junior doe, fifth and sixth; Norman Acker, junior doe, third and seventh; and Stephen Acker, junior bucks, second, third and fourth.

The view from your library

By MARY EDNA HENDRIX

Did you miss my column in the paper last week? I hope you DID! I had it typed and forgot to take it by the News office before I left town.

My daughters, Mary Lynn Lankford and Sue Vaughan, and their daughters, Laura and Shannon from Dallas, have been biding me. I went with my brother-in-law, Jess Hendrix, and his wife, to take Mary Lynn and Lauren home.

WE WENT on to Waco to see another relative. We attended church at the Columbus Avenue Baptist Church, and in the afternoon we drove around to see the interesting places in and around Waco. We saw the Baylor Bears on the campus of Baylor University, and also the beautiful Armstrong Browning Library.

Dr. A. J. Armstrong, who was chairman of the English Department at Baylor University for 40 years (1912-1952), presented to the University, soon after joining its faculty, his personal collection of books. He also brought to the University his enthusiastic and inspiring interest in Robert Browning. This was the beginning of the collection, and of the Armstrong Browning Library.

For many years the collection was maintained in the "Browning Room" of the Carrol Library. During all these years, Dr. Armstrong was locating, purchasing, and frequently receiving as gifts, many additions to the collection — books, paintings, furniture, other mementos of the poet and his poet-wife, Elizabeth Barrett Browning. Gradually conceived and painstakingly planned, the present Armstrong Browning Library Building (costing over \$1½ million) was dedicated on Dec. 3, 1951.

I SPENT the night in Post after driving in from Waco. Since I am more interested in books now that I am a librarian, I noticed that my brother-in-law had a number of Zane Grey books, 63, in fact. As I have a few readers who are interested in this author, my sister-in-law typed the list of books so I could check them against the Zane Grey books we have in our library.

Saturday afternoon we had a special visitor in the library, Phillip Dimmitt of Australia, who is living in Connecticut now. He was in Sweetwater on business and noticed "Dimmitt" as he was looking at the map. He came by to get some information on the origin of Dimmitt. Since I did not have very much information in the library I called Mrs. Dorothy Magness, Hazel Merritt and Bob Huckabay. I hope he found the information he wanted before he left town!

Thought for the week: Honesty is not only the best policy; it is basic in character building.

CHAMPION RABBIT in the county's first 4-H Rabbit Show Saturday was exhibited by Randy Powell, 11, son of Mr. and Mrs. James Powell and a member of the Dimmitt 4-H Club. Here, Randy shows his junior doe which placed first in the senior division and best in show. Twelve rabbits competed in the show, which was supervised by Thurman Oldham.

Baylor schedules parents' weekend

Parents of Baylor University students will be the honored guests during a weekend of specially planned activities when the university is host for the 10th annual Parents Weekend, Sept. 25 and 26.

MORE THAN 800 parents are expected to visit the Waco campus during the weekend, sponsored by the Baylor Chamber of Commerce, Parents League and Ex-Students Association.

The weekend of activities has been planned to acquaint parents of Baylor students with university life.

"Best of Baylor," a student talent show sponsored by the Baptist Student Union, will open the weekend activities at 8 p.m. Sept. 25 in Waco Hall. The talent show will be the first of several events, including a parent-faculty coffee at

9 a.m. Sept. 26 in the drawing of Baylor students with university ing.

BAYLOR President Abner V. McCall will welcome parents at a general parents' meeting at 1 that afternoon in Waco Hall. During the meeting, Baylor head football coach Bill Beall will be introduced to the parents, as will the officers of Baylor Parents League. Kurt Kaiser, vice-president and director of music for Word, Inc. of Waco, will provide entertainment.

An award to the parents who have traveled the greatest distance for the weekend will be presented at the 7:30 p.m. Baylor-Pittsburgh football game in Baylor Stadium.

CITY OF New York was incorporated in 1665.

Warm, Fresh Air

... direct from the manufacturer

Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat — you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.

New dress code is lenient -- so why are you complaining

We have heard many students complain about the new dress code. But why should they? This new dress code is probably the most lenient rule in our area.

WE SHOULD feel very honored that our administration has enough foresight and student concern to seriously evaluate the situation and come up with an appropriate answer.

Let's take each part of the dress reform and discuss it.

Patty Gross's Ideal Boy

- Most handsome — Mark Wohl-gemuth
- Cutest — Andy Mays
- Personality — Mark Wohl-gemuth
- Meanest — Jim Bob Ellis
- Smile — Hoyt Hestand
- Laugh — Ricky Bell
- Hands — Bobby Martin
- Hair — Shannon DeVaney
- Walk — Mr. DuBose
- Best Dressed — Mark L. Simpson and Kenny Doss
- Physique — Andy Mays
- Best all around — Max Newman
- Friendliest — Stanley McDaniel
- Most likely to succeed — Byron Hutto

First, let's look at the rules concerning girls. The school board generously allowed girls' dresses to be any length which they desire. What could be more fair? The only restriction that concerns girls is not being allowed to wear scooter-skirts unless they look like skirts.

THE RULES concerning boys' dress are very complete. They are simply that each boy must wear a belt and have the shirt inside the pants. And the rules concerning hair for boys have been lengthened for the few students who feel that the old rules were too strict.

The dress code has never been threatened in court, so apparently the students felt that the new dress code is adequate.

FTA to number curbs of homes

FTA (Future Teachers of America) will be painting house numbers on curbs Sept. 19, from 8 a.m. to 6 p.m.

THE CHARGE for this service will be \$1. The money from this project will help send the Future Teachers to their convention at Houston in February.

Ex-cons speak on drugs, crime

A full high school auditorium, consisting of junior and senior high students, heard Jerry and Les talk about crime and drug addiction. Both men are ex-convicts, currently employed by Southern School Assemblies.

JERRY AND Les commented on the crime and drug situation as it now exists across America. The men stated that small town inhabitants make up a large percent of prison inmates.

currently the prison population of the United States totals three million, or the population equal to that of Wyoming.

"Poverty has nothing to do with crime and drug use," according to Jerry. All segments of society are found in prison.

THE ASSEMBLY held Sept. 9 was the first in a series of interesting convocations sponsored by the Dimmitt High School.

DHS Pep Club picks officers

"Hey, Susie, are you going to join the Pep Club?" asks a DHS member. This club is one of the very active clubs on campus.

MRS. Nancy Alexander and Mrs. June Parker, the sponsors of this club, called a meeting Monday to elect officers for the coming year. The club elected Martinia Dones as president, Mary Garza as vice president and the secretary and treasurer is Delores Waggoner.

The members of this very active organization hope to make this the best year ever. The club has now recruited 75 members. The membership drive is still open so that a student can still join.

THE Club hopes to have a season end banquet with the football team. The club has changed the uniforms from the traditional skirts and blouses to purple bell bottoms.

Clyde Damron's Ideal Girl

- Most beautiful — Vicki Carpenter
- Cutest — Alice Rush
- Personality — Debbie Hansen
- Meanest — Marla Mayfield
- Smile — Susan Parish
- Laugh — Teena Proffitt
- Hands — Pattie Gross
- Hair — Sharon Welch
- Walk — Linda Ellis
- Best dressed — Sherri Bruegel
- Figure — Debbie Beames
- Best all around — Debbie Hansen
- Most likely to succeed — Sharon Welch

SPEAKERS at last week's Southern Assemblies program were Jerry (Standing) and Les, ex-convicts, who spoke from first-hand knowledge about the twin social problems of drug abuse and crime. They said small-town youths, accustomed to leniency and protection by their law enforcement officials, are the ones most likely to get into serious trouble when they move into a large city.

(Photos by Mike Elder)

Campus Chatter

School is off to a roaring start and students are once again getting back in the grind of classes. Freshmen are getting broken in to the daily drudgery of old Dimmitt High. Just ask almost any freshman girl about initiation.

LABOR DAY weekend took many of our fellow students out of town. Here are what some people found to pass the time:

Debra Hasley went to New Mexico and Colorado, Keith Ackert went to Red River.

Teena Proffitt went to Canyon to visit friends. Linda Malone stayed home and missed Gary. Max Newman spent his weekend at Weatherford Lake with relatives.

Beverly Smith went to Ute Lake. Katy Thomas went to Carlsbad.

Debbie Hogue, Janet King, Sandra Robertson and Sharon Gowdy made a flying trip to take Judy White back to West Texas State.

I hear they met two cute boys riding a motorcycle while stopped at a stop sign.

Diane Dyer went to see her sister, Ruth, at Tech. Treva Shugart went to San Marcos to see her fiancée, Earl Smith. Janet Smithson went to Lake Altus, Okla.

Julie Hottel, Debbie Underwood and Cynthia Henderson went to Dumas to visit Cynthia's parents. Ask them what they did Saturday night!

Beverly Hill and Bo Myers, Vicki Winters and Mark L. Simpson, Susan Parish and Jeff Myers went to the Boys Ranch Rodeo in Amarillo.

Rebecca Stanford stayed at home?

Rita Vick flew up to Michigan and went through the Kellogg cereal factory in Kalamazoo and also toured the Fisher Body Plant.

Terrie Newton went to Amarillo shopping and to visit her aunt.

That was what some folks did over the Labor Day weekend.

Sandra Robertson got a new Volkswagen. Some of us got to take a thrill ride around A&K Manor the morning she got it. Is it true, Sandra, that you have to sit in the back seat to drive?

Mrs. B's art classes went downtown to do some sketches of the carnival last week. How was the ride on the boats, Poch?

Jill Braafladt is having to spend some time in the hospital. We hope she's feeling better.

Some of our new students entering the school system this year are Cindy, Julie, and Kyle McDermitt, moving from Hereford; and Patt and Alice Rush.

For what strange reason was the top hit to Alice censored before it got to the press?

Mrs. Alexander, our new American history teacher is giving a physical fitness course. Is jogging really that necessary? Is it to keep the students awake, or is it for Mrs. Alexander's own benefit?

Letter to the Editor

Why wasn't Student Council given voice on dress code?

Dear Editor:

Students of Dimmitt High School at the beginning of each year elect new Student Senate representatives. This year, 18 students make up this organization which represents the whole student body, Mark Wohl-gemuth and Larry Langford were elected president and vice-president.

Mark seems to have the leadership abilities that he is expected to have, but a question remains: "Will he be allowed to represent the students as they expect him to?"

Yes, the Student Senate's powers are limited to a certain extent. This is, of course, a dilemma. How much power should the Senate have?

THE COUNCIL members' feelings were mixed last week when they read the front page of the Castro County News. This page contained the dress codes of the new school year. Shocked and upset described the reactions. For they had been told by the administration that they would be able to voice their opinion on these rules. However, they had not been included in the discussion.

Student Senate is not just a "club" to raise and give money away. The president of our student body should have more clout than merely opening assemblies. We, the students, elected him, and he represents us.

Just as Congress and the Senate

benefit?

The Bobcats started off to a good season by winning Friday night's opening game against Muleshoe. Keep it up, Cats!

These are some of DHS's graduates who make it to the first home game: Bill Sanders, Gary Langford, Joan Braafladt, Kathy Markley, Ruth Dyer, Carl Dean Carson, Rex and Sue Lust, David Seale, Ronald and Donald Goldson and their wives, Vicki and Delores, Suzanne Merritt, Terrie Dowty, Ann Vardell, Doris and Arlie Petty, Toni and Darrell Walker, Roger and Sherry Jones, Sharon Barker, and Lee and Tommie Buchanan.

The twirlers did a real fine job and we want to congratulate them on this. With the exception of Leisa Dannevik, it was the first time for the other twirlers.

Baby, a group from Dallas, provided entertainment after the game at the American Legion.

FTA sponsored a car wash all day Saturday at the vegetable plant. Everyone worked hard, and I believe we came out with a little over \$50.

See you next week.

Ielp run this country, so should DHS Student Senate be allowed to voice its opinion on the governing of "our" school.

As adults of this country and law abiding citizens, you have elected the President, the congressmen and the senators of this country. As students of DHS, we have the right to elect fellow students to represent us. However, the representatives of our Student Council have been overrun severely. Trampled may be the correct word.

What's your opinion? RICKY BELL

Player of Week:

Pat Barrios

Pat Barrios, starting tackle for the Bobcat varsity, is this week's Fourth-Hour Player of the Week.

PAT STARTED his football career in the seventh grade, and now is working on his second varsity letter.

He lists his favorite pro team as the Dallas Cowboys and the University of Southern California Trojans as his favorite college team.

Barrios has gone to school at Dimmitt all his life, and is presently a junior. Pat is uncertain about his college plans, but says if he goes he would like to major in journalism.

Inexperience may hurt Cats

If the old saying that inexperience is going to cost you is true, then the 1970 edition of the DHS Bobcats may suffer a few setbacks in the coming grid campaign.

GONE from last year's team, which compiled a 7-3 record, are Nelson Chavers, Roy Thomas, Jerry Cartwright, Gary Langford, Bill Sanders, Loy Wylie, Danny Newton and All State Randy Schumacher.

Captains Mark Wohl-gemuth and Andrew Garza will lead the Cats, with Jay Stanton, Daniel Frieron, David Niro, Henry Rivera, Hoyt Hestand, Robert Woolbright, and Pat Barrios following the leaders.

THE BOBCATS are confident as is their Head Mentor Brown L. Smith. "We will take one at a time," says Smith. It is very possible that the Cats will win one at a time.

Students give views on code

The following DHS students were questioned concerning the recent dress code issued by the school board.

Kirk Hansen — "If the school board would let us decide our own dress codes, it would satisfy a lot more of the students."

Bo Meyers — "It is up to us (the students) to decide what we want to wear."

Steve Brown — "I don't like the section about the hair. They should let you wear your hair as long as you want it so long as it is neat and clean."

Robert Acevedo — "It is okay in some parts."

Rex Alsop — "Boys should wear their hair long if it is okay with the parents."

Andrea George — "Students should decide how to dress."

Pat Barrios — "I don't care because it doesn't affect me anyway."

Mary Cardenas — "The dress code is okay because someone has to make the rules."

Lonnie Markley — "It's the best we've ever had but they went about it the wrong way."

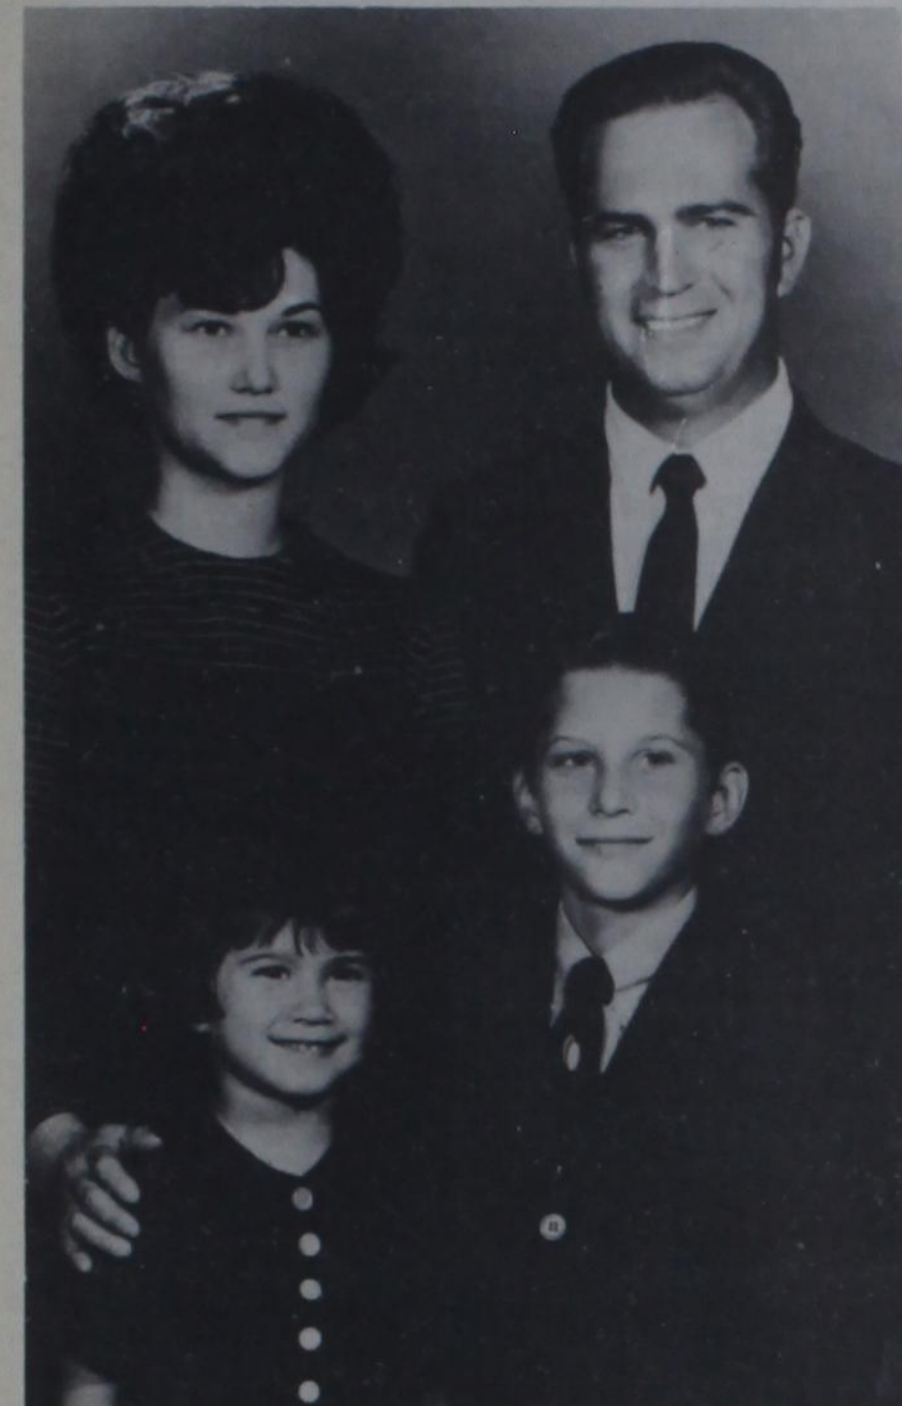

Linda Presas — "I don't like the part of the rules about the shirt tails."

Sunnyside news

42 families photographed

By TEENY BOWDEN
Forty-two families had photos made at the Sunnyside Baptist Church Saturday afternoon. Those in charge were very pleased with the turnout and cooperation. Renee Jones and Debra Ball helped Mrs. Mack Turner and Mrs. L. B. Bowden with the hostess duties. Eighteen families were booked who had to cancel for various reasons. We will try to get another booking, but it is almost impossible unless some other church nearby will also need pictures soon.

recently, instead of their 50th, as reported last week.
Forty-four attended Sunday School with 29 in Training Union Sunday. The week of prayer for state missions started Sunday. Our local goal is \$375. The nominating committee met after the evening service.
Sunday night, a group of young people from Tulia will present a musical sermon following Training Union. Invite everyone to attend this special program. The fall revival will start Sunday, Sept. 27.

Louder and Mr. an Mrs. L. B. Bowden at the W. E. Louder home. They visited with the same group and Mrs. Larry Sadler and girls Saturday afternoon.
The Lions Club had a chili supper and played volleyball at the community building Monday night. Mrs. Ray Joe Riley and other parents from the community attended the Springlake-Earth P-TA meeting Monday night.
Mr. and Mrs. J. W. Carr, Darrell and David visited last Saturday and Sunday with his brother and family near Hereford.

STEVE MORGAN suffered multiple fractures of his foot in a football game Thursday, and was sent to a bone specialist. He underwent surgery in Methodist Hospital Friday for placement of a bone pin.
Mr. and Mrs. Eldon Lilley spent the Labor Day weekend in Celcrao, at Taylor Lake and making sight-seeing tours.
Larry Sadler took his ensilage cutter to the Dalhart area Monday. He spent Saturday night with his family here and returned Sunday morning.

Frio news

HD Club makes plans for year

By Mrs. Owen Andrews
Frio Homemakers Club met Tuesday afternoon of last week in the home of Mrs. Eugene Baldwin for a tea to begin the fall program. At the business meeting, conducted by Mrs. T. L. Sparker Jr., the ladies told of summer vacations and discussed club plans. A guest at the meeting was Mrs. Leland Shelton. Ten members attended.
Time for future meetings was changed to 3 p.m. The next one is scheduled for Sept. 22 at the First National Bank community room, and will feature a guest speaker.

Also visiting the Lindleys and Warricks recently was a cousin, Harry Kabrich, of Yuma, Ariz.
MR. AND MRS. Clark Andrews and Mrs. Charles Krupp went to Hammon, Okla., Tuesday to attend funeral services for an aunt, Mrs. Earnest Lowery. Other relatives, Mrs. Clalia Jones and Mrs. Howard Lowery of Amarillo, accompanied them from Amarillo.
The family of Adolph Knabe reports that he is now in Veterans Hospital at Temple, being transferred there from Hot Springs, S.D.

JERRY James and Doug Louder left last Sunday with the ensilage cutters for the Adrian area. Their families joined them Friday night for the weekend.
Mr. and Mrs. Carl Bradley became the parents of a 7-pound, 14 1/2-ounce boy born in Plains Memorial Hospital Tuesday morning. They named him Kyle Dixon. He was born on the birthday of his great grandfather, Elmer Dixon.
Mr. and Mrs. Noble Armstrong spent the Labor Day weekend with her only sister, Mrs. Roy Griffin, in Brownwood. The Griffins once lived in our community, and she is very ill.
Mr. and Mrs. Ernie Waggoner of Kerrville arrived Tuesday to visit with his sons, J. Paul here and E. R. of Dimmitt and their families. They and Mr. and Mrs. J. Paul Waggoner left Thursday morning for Branson, Mo., to visit with her son and his family. He performs in the drama, "The Shepherd of the Hills," and has written a book along the same theme of the hill country.

A TRACE of rain was received over the community Tuesday of last week.
The WMS Bible study group met Wednesday night with Mrs. Alton Louder in charge.
Rev. Bill Burton of Olton visited Tuesday afternoon with Mr. and Mrs. Edd Duke. He is their pastor.
Mr. and Mrs. Wendel Payte and family of Big Spring spent the Labor Day weekend with her grand-parents Mr. and Mrs. Edd Duke, and the Robert Duke family.
MR. AND MRS. Ed Townsend spent the weekend in Durant, Okla. with relatives.
Rev. Mack Turner was fitted with a back brace Thursday in Amarillo, with the hope it will correct his back problem without surgery being required.
The painting class was revived Saturday afternoon with Bonnie Swinney of Lubbock as the instructor.
Mrs. Vernon Scott visited with Mr. and Mrs. Weldon Bradley Tuesday. Ken and Kelly Bradley went home with her and stayed until Friday.
MR. AND MRS. JAMES POWELL of Dimmitt visited Friday afternoon with Mr. and Mrs. W. E. Louder, Mrs. Ezell Sadler, Mrs. L. B. Bowden and Marie Lewis.
Mr. and Mrs. Chuck Lay of Levelland spent the weekend with Mr. and Mrs. Noah Spencer.
Mr. and Mrs. Arthur Wilson visited this week with his sisters and brother in Coleman, Hamlin and Seymour.
Truman Touchstone got his head caught in a corn dryer belt Friday evening, and was treated at Plains Memorial Hospital and transferred to Amarillo for further treatment.

CONDUCTING REVIVAL services now at the First Assembly of God Church in Dimmitt are Rev. Douglas Jones and his family of southern California. Rev. Jones is a well-known evangelist, and he and his family also are gospel recording artists. Services are being conducted nightly at 7:30 through Sunray, and are open to the public.

Mrs. Baker's dad dies in Oklahoma

Funeral services were conducted at Delhi, Okla., Saturday afternoon for Carl Burrows, father of Mrs. Bob Baker of Dimmitt.
MR. BURROWS, 59, died of a heart attack last Thursday in Sayre, Okla.
Last rites were conducted in the Delhi Baptist Church by Rev. Laverne Swaggerty and Rev. James Perkey. Burial followed in Delhi Cemetery, under the direction of Moore Funeral Home.
Born July 4, 1911, in Havana, Ark., Mr. Burrows was a long-time farmer in the Delhi area.
HE IS survived by his wife, Ruthie; two daughters, Mrs. Joy Baker of Dimmitt and Mrs. Frances Bonham of Abilene; four sons, Jerry of Cordell, Okla., Vernon of Oklahoma City, Gary of Sayre and Forrest Joe of Amarillo; his father, Dee Burrows of Havana, Ark.; a sister, four brothers, and 10 grandchildren.
Attending the funeral services from Dimmitt, in addition to the Bakers, were Mr. and Mrs. Dan Heard.

Sava's brother, 24, dies Friday

Richard Wayne Sava, 24, of Texarkana, brother of Bill Sava of Dimmitt, died of an accident at 2 a.m. Friday in the family home in Texarkana.
ROSARY was said Friday at 8 p.m. and requiem mass was recited Saturday at 10 a.m. in the Sacred Heart Church of Texarkana. Officiating was Rev. Michael Sheen, pastor. Burial was in Holy Cross Cemetery in Texarkana.
Born Nov. 14, 1946, Sava was a graduate of Texarkana High School and attended Texarkana College and West Texas State University. At the time of his death he was enrolled at Southern State College in Magnolia, Ark.
Survivors, in addition to his brother here, are his parents, Mr. and Mrs. Fred R. Sava, and his grandparents, Mr. and Mrs. W. F. Massey, all of Texarkana.

Young Farmers convention-bound

Dimmitt's Young Farmers will attend the Area I Young Farmers convention Saturday at the Hereford Community Center.
Registration will begin at 12 noon, and the general session will get underway at 1:30 p.m.
DANNY BRUTON of Dimmitt, Area I vice-president, will take part in the general session, giving a report on Young Farmer activities throughout the area. Also on the agenda is James Beavers of Fluvanna, president of the Texas Association of Young Farmers.
While the Young Farmers' convention is being conducted at the Hereford Community Center, the Area I Young Homemakers will be holding their convention in the Hereford High School auditorium.
Climax of the convention will be the Young Farmers' and Young Homemakers' joint awards banquet Saturday evening at 6:30 in the Hereford High School cafeteria.
TAKING part in the awards banquet will be Mrs. Ben Holcomb of Dimmitt, state vice-president of the Young Homemakers, and Glenn Odom of Dimmitt, state Young Farmers vice-president.

Teacher of Week is Lewis Crider

This week's "Teacher of the Week" is Lewis C. Crider. His family includes his wife Virginia, who teaches fourth grade in North Elementary, and two sons.
THIS IS Mr. Crider's third year to teach here in DHS. He is a graduate of Texas Tech. He came to Dimmitt High from Stanton. He teaches Physical Science and Related Math II.
Mr. Crider's pet peeve is students who refuse to study when told.
AMONG Mr. Crider's many hobbies are reading articles and fictional accounts. When asked his opinion of our school Mr. Crider replied, "I find the students and faculty friendly and usually quite nice. I like the students and people here better than any other place that I have lived."

PLAINS MEMORIAL HOSPITAL

It's a girl for Mr. and Mrs. Arturo Velasquez of Dimmitt. She was born last Thursday, weighed 4 pounds, 8 3/4 ounces, and has been named Yolanda.
Mr. and Mrs. Donnie Lee Presley became the parents of a 7 pound, 14 1/2-ounce boy on Sept. 8. They have named him Tony Lee.
A 7-pound, 14 1/2-ounce boy was born Sept. 8 to Mr. and Mrs. Carl Dixon Bradley of Dimmitt. He has been named Kyle Dixon.
Mr. and Mrs. Nicolas Reyes Gonzales of Dimmitt became the parents of a 6-pound, 15 1/2 ounce girl on Aug. 28. They have named her Ann Marie.

TOP SEAMSTRESSES in the junior division of the County Youth Fair Saturday were Agnes Acker (left) in linens and Patti Hochstein in clothing. Agnes, 14, is the daughter of Mr. and Mrs. David Acker, and Patti, 13, is the daughter of Mr. and Mrs. William Hochstein Jr. Both girls are members of the Nazareth 4-H Club.

Punt-Pass-Kick sign-ups open

Boys, Sept. 26 is the deadline for registering for this year's Punt, Pass & Kick Contest.
THE LOCAL contest, open to all Castro County boys 8 through 14, will be conducted Oct. 3 and 4 by the Castro County Jaycees. Bobcat Stadium in Dimmitt will be the contest site.
The contest is sponsored nationally by the Ford Motor Co. and the National Football League, and locally by Bob Goss Ford.
Boys will register at Bob Goss Ford this year, instead of in their local schools as they did last year. Each boy registering should be accompanied by a parent to verify the boy's age and clarify the contest rules. Boys will compete in six age groups.
FIRST place winners in the local contest will compete in the district EPK contest in October. District winners will get to go to Oklahoma City to compete. Eliminations will continue until national champions are determined in each age group. The six national champs will receive furs of Washington, D.C. and trips to the Super Bowl game in January.

What's cooking at the schools

Here's next week's menu for students who eat in the South Elementary School cafeteria. According to Mrs. Sarah Blackwell, lunchroom supervisor, the menu at Dimmitt High School will be essentially the same:
MONDAY - Ground beef and spaghetti, green beans, cherry cobbler, rolls, butter and milk.
TUESDAY - Beef stew with vegetables, tossed salad, chocolate cake with icing, cornbread, crackers and milk.
WEDNESDAY - Hamburgers with lettuce, onions, pickles and sliced tomatoes, French fries, banana cake, chocolate milk.
THURSDAY - Baked ham, sweet potato patties, blackeyed peas, jellied cranberry fruit salad, rolled wheat rolls, and milk.
FRIDAY - Macaroni and cheese, carrots, apple crisp, kitchen made Vienna sausage, green peas with bread and milk.

Letter to the Editor

Fish hobbyist now 'shrimper'

Dear Editor: Seventeen years ago, you and I had quite an exchange over our tropical fish. (I still think my mollies outdid yours.)

IT'S QUITE another "fish story" now. We are in the middle of the shrimp season here on the coast. We live a couple of miles from Sabine Lake. It "opened" Aug. 15 for the fall shrimp season. These Cajuns really go for that shrimp. It keeps us busy supplying them. Ray does the catching and I do the selling.

The first week, we caught and sold 1,659 pounds. We are small-time shrimpers — and our catch is just a drop in the bucket compared with the large boats. We use a small 19-ft. boat and 70-hp outboard motor.

On Labor Day I sold to a lady from West Texas — found out she was from Lockney.

I always look forward to Fridays, when I get the latest news from home (Then I get to tell Gene Rutledge all the news. He's with the post office here.)

IMOGENE MCKINNEY (Editor's Note: Sounds like you're having a ball down there in Cajun country, Imogene. We'll swap you some frying potatoes for some shrimp. We could send the spuds through Gene Rutledge's establishment, but would appreciate it if you'd send the shrimp by some faster and colder carrier and not wrapped in a Castro County News!)

CRAFTS CHAMPION in the Castro County Youth Fair Saturday was Steve Acker, 15, a member of the Nazareth 4-H Club. Here, he shows his four crafts projects that won blue ribbons to give him the sweepstakes award. His first-place projects include an

outdoor double chair, a decoupage light-house scene of plywood and print, a scare-crow picture of cutwork and water colors, and a model sailing ship, the "Sea Witch." Steve is the son of Mr. and Mrs. David Acker.

PTA to serve ice cream at get-acquainted party

By Mrs. Florance Albracht The Nazareth PTA will have its first meeting of the year Monday at 7:30 p.m. in the school cafeteria. An ice cream social, get-acquainted party for teachers and parents will be the main feature. All parents are invited to come.

MR. AND MRS. John Stork spent the weekend in Fort Worth with their daughter and family, the Jim Bells. They also went to see the Lawrence Welk show. From there they went down to Waco to visit their grandchildren and family, the Chet Webers.

Mr. and Mrs. Math Albracht of Amarillo and Mrs. Louis Neibur of Minneapolis visited relatives here Friday.

Kaye Braddock, daughter of the Charles Braddock, flew to Minneapolis Wednesday, where she will start training as an airline hostess.

Mrs. Monica Mote returned from Hawaii Wednesday after a week there with her husband, Felix, on his R&R from Vietnam. They, with many other couples, enjoyed seeing Hawaii. After she came back she went downstate to visit his folks, near Fort Worth.

Mrs. Blanche Birkenfeld is in St. Anthony's Hospital in Amarillo for medication and tests, and probable surgery. We pray she will soon be well again.

THE NAZARETH Swifts played their first football game against the Hereford "B" team here Saturday night and lost, 8-0.

THE CHRISTIAN Mothers held their regular monthly meeting Monday night in the community hall. Mrs. Kneton gave an educational talk on the new approach to teaching Christian doctrine.

Mrs. Glenda Rickerd of the Bethel community spoke on the duties toward senior citizens in Castro County, and members filled out questionnaires which she presented.

Mrs. Florance Albracht gave a report on the Catholic State Le-

gue Convention in San Antonio to which she was a delegate. The president urged the ladies to sign up for the study groups which will be held soon.

LONNY WAGNER, son of the Lawrence Wagners, finally arrived safely home from Thailand, where he was stationed the past year. He was more than a month late in coming home, having been confined to a hospital over there for hepatitis for 36 days.

Linda Wagner was home over the Labor Day weekend from Lubbock, where she is taking courses at the Commercial Business College (and not Draughn's as was stated in last week's news).

Neighbors of the Clay Andersons, who are moving to Stinnett, this week, attended the farewell party for them at the Baptist Bible School in Hart Sunday evening. Attending from here were Mr. and Mrs. Florance Albracht, Mr. and Mrs. Jerome Brockman, Mr. and Mrs. Arnold Brockman, Mr. and Mrs. Francis Gerber, Mr. and Mrs. Ed Ramackers and Cyril Brockman.

Corn harvest has just gotten underway here the past week. It's still dry as ever here. Some

rain fell Sunday night, but it was very spotted.

Art lessons for anyone interested are being held in the church basement on Thursday evenings from 7 to 10. Father Stanley is conducting these classes.

MRS. HELEN BACKUS and Agnes Brockman had supper with the Bud Steirts Sunday evening.

Mrs. Helen Burt is spending a few days in Plainview helping take care of her sister-in-law Mrs. Margaret Stultz.

Mrs. Lee Meeks is home after having had surgery in the Deaf Smith County Hospital.

Louie Schacher is home from the hospital and doing quite well. The Sonny Hochstein family had supper Sunday evening for a group of friends and relatives. Enjoying the supper were the families of George Book Jr., Thelma Wethington, Brigitta Dobmeier, James Wilhelm, Mrs. Helen Burt and Sue, Mrs. Gerie Acker, Mrs. Max Acker and Mrs. Agnes Brockman.

Mrs. Agnes Brockman and Mrs. Lucy Leinen spent Sunday afternoon with the Pete Steiert family at Hart.

The Vincent Ramaekers family of Umlinger had supper and visited the Albrachts Sunday.

Bethel news

Watermelon supper hindered by Saturday's thunderstorm

By MRS. JACK RISTER The Bethel community had a watermelon supper Saturday night. Not too many were there. The nice rain and clouds kept a lot away.

THE Home Demonstration Club will meet Sept. 23 at 2:30 p.m. in the Bethel community center. Glenda Rickerd is in charge of the program on the Governor's Committee on Aging. Everyone is invited to attend. If any club, church or organizations want to hear Mrs. Rickerd, you can contact her at 647-4247 at night.

Visitors in the Earl Lust home this week were Mr. and Mrs. Lloyd Lust of Littlefield, Mr. and Mrs. James Bradford and Mrs. Roy Haberer.

Mrs. Earl Lust fell and broke her leg last Wednesday.

SUE LUST and a friend, Mary Ann Stockdale of WTSU, were home to visit her parents, the Houston Lusters. Joe and Rex Lust were also home for the weekend. Mr. and Mrs. Orville Finck and family of Tulsa visited his sister and family, the Houston Lusters.

Nell Ingram, Hattie Howell Mrs. Shawnee and Jean Gilreath all left Monday morning by bus to go to the THDA state convention.

MRS. A. T. Morgan and Mrs. Jim Hays visited with Mrs. Betty Boothe, Lonnie Joe, and Mrs. Janie Hastings in Dimmitt last Monday morning.

Mr. and Mrs. A. T. Morgan visited Mrs. Kay Roberts of Dimmitt last Sunday afternoon.

Mrs. A. T. Morgan and Mrs. Wesley Barnes of Lazbuddie visited with Mrs. Jimmy Ivy last Thursday afternoon.

ren of Friona visited with her parents, the J. T. Stehrs, last Sunday afternoon.

SUNDAY night supper guests in the home of the Jack Risters were his brother and family, the W. C. Risters and Calvin of Abilene, and Mr. and Mrs. Claude Moore and Gary of Frio. The W. C. Rister family were weekend guests.

Mrs. Bud McElroy visited in Morton Wednesday with Mrs. L. H. Morton, and in Levelland with Mrs. J. D. McElroy and Wayne, and Mr. and Mrs. James Osborn and family.

Mr. and Mrs. Stovall of Hereford and Mr. and Mrs. Jim Bagwell of Dimmitt visited the Moss Howells Sunday afternoon.

GLENDIA Rickerd attended funeral services for Dean Bingham of Dalhart. He was Glenda's former employer.

Football season is here again. Several families attended the colorful game. Of course, everyone is happy when Dimmitt wins.

Visiting Mr. and Mrs. Jack Rister after the game Friday night were Mr. and Mrs. Claude Moore and Gary of Frio, and Mr. and Mrs. Bud McElroy, Sharon and David.

MR. AND MRS. James Welch and family attended a Welch family reunion at the Charles Packard home in Hereford.

The Dimmitt Book Club met last Wednesday. Those from Bethel attending were Mrs. George Bagwell, Mrs. Earl Lust and Mrs. Reta Welch.

OLDEST known night club was founded in Paris in 1843.

DINING cafeteria style originated in New York City in 1885.
