

The Castro County News

Case may force jail changes

NEW COURTS NEAR COMPLETION—Workers for Dimmitt Ready Mix smooth out the second pour on two new tennis courts being built next to the school courts at Dimmitt High. Builders expect to finish the concrete work this week, aiming

for an Aug. 1 completion date. Meanwhile, Henderson Foundations, Inc., is building two more public courts across the street east of the old junior high building. All the new public courts are being built on school property at city expense.

A federal suit filed against Castro County three years ago by a former jail inmate may force major changes in the operating procedures of Texas jails.

The US District Court in Amarillo has set Aug. 7 as the call date on the three-year-old civil rights suit filed by Buford Lennell "Joe" McDonald, a convicted sodomist who is now serving a 15-year sentence in the state prison at Huntsville.

McDonald was an inmate in the Castro County Jail from September 1971 until the fall of 1973 while awaiting trial. He was convicted of sodomy by a jury in 1973 and was sentenced to 15 years in the State Dept. of Corrections. He filed his suit in January 1975, after doing much of his own legal research.

Defendants in the case are Jack Cartwright, Jim Cooper, Rex Cowart, Raymond E. Wilson, Dale Winders, Ed Bennett, Jimmie Howell and Al Maurer.

Cartwright was the sheriff while McDonald was in jail here, and Cooper and Cowart were deputies. Wilson was the county judge, and Winders, Bennett, Howell and Maurer made up the commissioners' court at that time.

Castro County, as a governmental entity, also is listed as a defendant in the suit.

McDonald charges that he was kept in jail here an unreasonable length of time without bond or trial, that he was subjected to verbal abuse by law officers while in jail, that the jail's facilities were not proper and adequate, that he was not allowed adequate exercise, that food and sanitation facilities in the jail were substandard, that medical and dental care was not adequate, that the sheriff's office censored his mail and denied him adequate use of the phone, that he was not allowed enough visitors, that he was not given sufficient access to law books and journals while in jail to study the law pertaining to his case, and that the county took privileges away from him without a proper hearing procedure.

McDonald is seeking \$10,000 punitive and \$20,000 actual damages plus attorney's fees, in addition to the large number of changes in the operating procedures of the jail.

A major proposal in McDonald's suit is to restrict the amount of time a prisoner can be kept in a county jail before being transferred to a federally approved facility. McDonald argues that no prisoner should be required to serve more than 90 days in a county jail during any two-year period if accused or convicted of one or more misdemeanors; and no more than 180 days in any one-year period if accused or convicted of a felony.

The County Commissioners' Court agreed Monday on a proposed settlement, provided that the Federal District Court certifies the case as a class action to prevent a refiling of the same or similar suits in the future.

In their proposed settlement, the county commissioners agree to the 90-day and 180-day limitations on county jail imprisonment, but emphasize that "nothing in this should be construed as an attempt to prescribe sentences to any court; it only applies to the actual holding of prisoners in this jail" before their transfer to a federally approved facility.

The county's proposed settlement also would require the Sheriff's Dept. to operate a work-release program for prisoners; to have the jail rules and regulations conform to state law and posted in a place accessible to prisoners; to provide a reliable means for prisoners to communicate with their attorneys, the county or district judge and the prosecuting attorney without these communications being read or censored by the sheriff or his

SOME LIKE IT HIGH—As work progressed on the new two-tiered press box at Bobcat Stadium Monday and Tuesday, Dimmitt football fans bought up all but 46 season reserved tickets in the new 279-seat stadium addition the first two days they were on sale.

The new high-rise section has aluminum bench-back seats. The press box will have separate rooms and facilities for local media, visiting media, filmers, visiting coaches and home coaches, with a deck on top to allow open-air filming in good weather.

New section fills up fast

Football fans were standing in line at 6:30 a.m. Monday when reserved seat tickets for the new section of Bobcat Stadium went on sale, and a steady stream of ticket buyers had claimed 221 of the 279 seats that day.

"There were eight or ten cars waiting when I got to the

building at 7:25," school district business manager Gene King said. Jack Edwards headed the line and got the first ticket.

By Wednesday morning only 46 of the tickets were left. These will remain on sale until Aug. 4 or until they are all gone, then seats in the lower center reserved section

will go on sale with previous ticket holders having the opportunity to renew options until Aug. 18.

Remaining reserved seats in the two center sections will go on sale to the public Aug. 21. General admission tickets will be available at the gate before each game.

Senior Citizens move into own building

Castro County Senior Citizens are in a new home, roomy enough for their varied activities, after a weekend move.

The organization has bought the downtown building formerly occupied by the Dimmitt Super Market, SW 3rd and Jones Sts. from Raymond Wilson.

Remodeling and refurbishing of the interior has already been started by members of the Senior Citizens, who expect to do most of the work themselves and be kept busy into the future as they adapt the building for their use.

Since its organization the Senior Citizens have had their center in a temporary location in the former American Legion Hall, SE 3rd and Lee Sts. They have accumulated

equipment, which was moved to the new location, and more will be added. The main need just now is for a refrigerator, a spokesman said.

About twice as much floor space is available in the present building, and adequate paved parking space. Its location in the downtown section is another asset.

Portable partitions will be used for a time at least to divide the floor space into areas for games, crafts and quiet spots for conversation. The partitions can be moved to make space for serving meals such as the occasional benefit dinners given by members.

M. A. Pennington is president of the CCSC this year. The center will continue to be open each weekday.

C of C membership drive pushed ahead

A membership drive for the Dimmitt Chamber of Commerce which began at a slow pace early in July, gets up steam this week and teams of board members will call on prospects before Aug. 1.

Letters and brochures concerning the Chamber's role in the community have been mailed to prospective members in the first phase of the drive, and Chamber Manager

Shirley Hall said a number of new members have already been enrolled as a result.

Personal visits will be the next step. Six teams comprising two board members each have been formed to see the residents listed as prospects for membership. Walt Hansen is chairman of the membership committee which is spearheading the drive.

Not only those on the list, but any others interested in the Chamber's purpose of community promotion are invited to become members, Mrs. Hall emphasized. She said her office will be happy to answer any inquiries about membership.

Results of the membership drive will be reviewed at the Chamber directors' breakfast Aug. 3, Mrs. Hall said, and follow-up contacts will be made where they are needed.

Weekend rains add moisture, cool area

"An ideal rain—worth lots of money to farmers around here," County Agent Charles Hottel said of the slow, soaking showers which have fallen generally over the area the past week.

Weekend rains added from 1 to 2 inches in most places over Castro County, after falls from a half to one inch Tuesday of last week.

Dimmitt's rainfall report, from Radio Station KDHN four miles north of the city, was .35 Saturday and .27 Sunday, a total of 1.23 for last week when the .61 of last Tuesday is added.

In spots there was heavier moisture Sunday, with 3.5 inches reported from Taylor's feedlot two miles north of Sunnyside and also by Danny Bruton, who farms the Herring place two miles south of Flagg.

Only the far northwest part of the county has failed to get its share of the recent showers. At Easter, where only a sprinkle dampened the ground Tuesday, the weekend total in the Easter Grain gauge was .60 inch.

Directly north of Dimmitt and to the south at Sunnyside, where the Tuesday rain was very light, generous amounts fell Sunday. Ricky Byars at Sunnyside Grain reported 1.5 inches there.

Flagg Grain west of Dimmitt recorded 2.25 inches over the weekend after the .60 inch earlier in the week. Nazareth, with one of the better showers Tuesday, got another inch.

A cooling trend that followed the showers was the most noticeable effect to heat-weary residents after more than a month of temperatures reaching the high 90's or over 100.

Cooler weather is a help to crops also, Hottel said, especially in aiding the pollination of corn. The rain is also slowing the mite damage and can check the spread of greenbugs, according to Mark Powell, Extension Service entomologist.

"We've still got a long way to go to make a crop, but this certainly was a timely rain and a big help," Hottel added.

Hart cemetery entrance, park are damaged

Damage to the ornamental entranceway at the Hart Cemetery and to playground equipment in the city park there is being investigated by Hart City Marshal Vernon Ellis and the Castro County sheriff's department. It occurred late Friday night or early Saturday.

The wrought iron sign over the main gate of the cemetery, and brick pillars on either side were knocked down. A spokesman from the sheriff's office said a vehicle, probably a truck, had been driven into one of the pillars to cause the damage.

In the park adjoining the Hart American Legion Hall a slide, swings and merry-go-round were overturned or taken apart by someone who removed bolts, according to Ellis.

The damage at the cemetery gate was discovered about 1:30 a.m. Saturday by Ellis when he made a routine check there. He learned of the park damage when it was reported about noon Saturday.

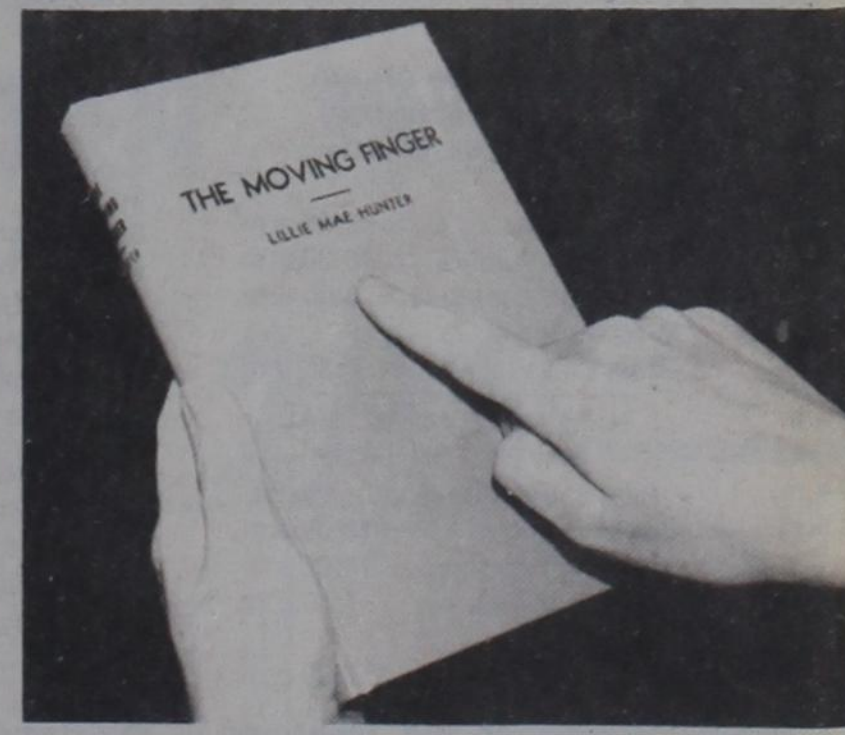

No arrests have been made and officers said clues are scarce.

Pickle crop being picked

Harvest is underway for a vegetable crop sometimes overlooked in Castro County—cucumbers grown for pickles. Gathering the crop began about a month ago and will continue into September, according to Lee Kimball, manager of Western Vegetable Corp.

Kimball said between 250 and 270 acres are planted to cucumbers in the county this year under contract to Western Vegetable.

They are all shipped to a Colorado plant for processing, he added.

NOW ON SALE AGAIN—More than 200 copies of "The Moving Finger" by the late Lillie Mae Hunter are now on sale at the Castro County Historical Museum. The first history book about Castro County, "The Moving Finger" was published in 1956. The books sell for \$15 each.

Museum Association schedules meeting

Castro County Museum Association directors and members will have their July meeting at 8:30 tonight (Thursday) in the museum building on West Halsell St.

The meeting is open to anyone interested in the museum. A new year is starting for the association, with officers headed by Jim Elder as president.

Invitations on way to county oldtimers

Old settlers of Castro County who now live elsewhere will receive invitations soon to their annual reunion, to be held here this year during the County Fair Sept. 9.

The Dimmitt Chamber of Commerce, which is helping the Extension Service stage and expand the fair this fall, is sending invitations for the informal reunion, to be held at a time changed from previous August dates.

Headquarters for the oldtimers will be at the Senior Citizens Center in its new location, the former Dimmitt Super Market building. They will also be invited to County Fair activities at the Expo Center and its grounds, and to open house at the Castro County Historical Museum.

No formal program is planned since former residents always enjoy most the time for simply visiting with old acquaintances—those who still live in the county and others who come as visitors. Local oldtimers will act informally as hosts to welcome the out-of-towners, arrange for cold drinks to be served with the noon basket lunch

and otherwise see to hospitality.

The Senior Citizens will have the building ready with tables and chairs for the meal, registration and casual conversation. Board members of the museum have planned to be on hand to welcome visitors, show them around the buildings and serve lemonade.

No increase foreseen in DISD tax rate

No increase in the tax rate for the Dimmitt Independent School District is expected when the board of trustees meets Aug. 1 to adopt a tax rate for the coming year, according to Gene King, business manager.

The present tax rate is \$1.73 per \$100 of assessed value, the same rate which has been in effect the past few years since the DISD's last bond issue.

A legal notice has been published by the school board, announcing a public hearing when the board meets at 7 a.m. Tuesday to set the 1978 tax rate. King explained that this notice is required under a new state law, passed in the last session of the Texas Legislature, which is not expected to have any effect on the DISD tax rate for the coming year.

This law, relating to so-called "truth in taxation," is complicated and difficult for the public to understand, King said. Briefly, he said it means "Anytime the school district takes in more revenue than it did the prior year, it must hold a hearing when it sets the tax rate."

Under the law, King's office was required to take the 1977 tax roll and calculate how much more revenue is expected in 1978 because of increased valuation, then publish a rate that would bring in the same revenue in 1978, King said.

It has been determined that this rate in DISD would be \$1.69 per \$100 valuation. The four cents difference in this figure and the current \$1.73 rate will be necessary to meet higher expenses in the schools' operation due to inflation, he added.

The Tuesday meeting to set the 1978 tax rate is not anything unusual for the school board, King said, but the prior legal notice was a change in the norm, issued only to comply with the new law.

Fire calls

Dimmitt volunteer firemen responded to a call July 19 to a car fire on Hwy 385 three miles north of the city. They found that the blaze was in a junk car.

HHS class reunions planned on Hart Days

Reunions for the Hart High School classes of 1958 and 1968 will be held in conjunction with the annual Hart Days celebration Aug. 4 and 5 it was announced this week by Kim Williamson, general chairman of celebration plans.

Graduates of 10 years and 20 years ago are being contacted by class members who still live in the area, and invited to attend Hart Days activities as well as enjoy a reunion with their classmates.

Plans for the two-day event are virtually complete, Williamson said. To be held in downtown Hart this year instead of on the school grounds, the community celebration has several new features including a watermelon feed to start the festivities Friday and a barbecue Saturday night.

Miss Hart will be picked in the pageant Friday evening, from a field of 19 pretty girls. The name of Connie Beavers was added this week as an entrant. A preliminary to that contest is the parade of younger contestants from whom Little Miss Hart is selected.

They will have honor spots in the parade at 10 a.m. Saturday when Mr. and Mrs. Percy Hart will ride just behind the color guard as they

Shelley's Chatter

Dimmitt residents home from Teton, Yellowstone trip

By MYRTLE SHEFFY

Robert Boozer and Greg Sides, with their granddad George Bagwell are home from a fun trip by camper to the Teton-Washakie Wilderness Mountain Country. They made a 10-day pack trip by horseback in that area. Came home by way of Yellowstone Park and stayed a couple of days in Idaho. Robert says, "I only saw one bear, since the Rangers are catching them and moving them to the interior away from people. Saw many deer and did some trout fishing." They saw the Grand Canyon and Petrified Forest, stopped off at Bryce National Park and other scenic places. A good time was had by the boys.

Gerd Bruegel of Nuremberg, Germany is here for a 6-week visit with his great uncle, the Fred Bruegels and all the cousins. And Sunday Jpanita cooked up one of her famous German dinners for the clan. Fred Jr., Carl, Mike and Donna and all the family descendants were there, Sandy and James Baker and two girls, Gail, Bobbie, all of them were there.

Little Kelly Burkhalter of Hart celebrated her fourth birthday with a party and ice cream and cake at the home of parents Jackie and Valda and guests were the grandparents Jack and Ann Burkhalter and Owen and Sybil Jones of Olton and the Hart kid came by for a visit.

Jo Nita Smith and Leslie Gordin were married Friday evening at the Presbyterian parsonage with Dr. Ed Manning performing the service. Their attendants were Claude and Cleo Forson. They will live at his place at the El Paso Gas Station after a holiday trip to Red River and other mountain spots. Jo Nita has been with the Colonial Restaurant for several years. She has one son, Mike, and a married daughter. Leslie has children but I didn't get names.

Sunday the Gordins were the recipients of a reception and gifts and a money tree at the Colonial with Adelle Fell as hostess and assisted

by Dutch Bleeker, Nora Martinez, Beth Cook, Mickey Dee LaCruz, Binnie Didovina, Gloria Laird and Elaine Fewell. The ladies served cake, coffee and punch.

Richard and Ruth Wooten, Jesse and Ruby Wooten went to Hye near LBJ Lake to attend a summer gathering of their church. The group usually meets one time a year in the Hill Country.

Bill and Deanne Clark went to Albuquerque last Friday to attend uncle Fred Haggard's funeral service. Then back to Lubbock for daughter Tanya's birthday party. They visited many friends there. Came back by the John Knox retirement home to visit Otto and Charlotte Triplett. They say it is a fine place. Many activities, not a nursing home. Then Sunday to Amarillo to visit Bill's grandmother, stopped in Vega where they attended church with the Methodists, also to hear Rev. Gene Wisdom preach. He was a student preacher here a few years ago. They visited with his wife Ellen and Michelle.

Nancy Hays was hostess to the needlepoint club last Friday at her pretty new home in Hereford. She took the girls to the Country Club for dinner, such good food there. Guests were Carole Dyer, Shirley Stephens, Esta Vandiver, Myrtle Lois Moran, Sue Merritt, Ann Sheffy Webster from near San Francisco and Dorothy (Ted) Sheffy was unable to come as she has a new granddaughter.

Joe and Linda Burkett and sons Andy and Todd have been here from Scottsdale, Ariz. for a two-week visit with parents Swain and Katy Burkett. They took them to the plane in Amarillo Sunday for home, then got back to Dimmitt and Katy's sister Sue and L. G. Cox came by from Houston enroute to Pampa. L. G. is with an oil company.

Fred and Virgie Moulton have moved to the house at the East Housing Complex where Fred is manager. And they have had company, niece Sarah Robinson went home to Charlotte, N. C. and Mary Newell has been here from Council Bluffs. Recently Virgie and Clarabel Adams went to Mangum to attend a class reunion at East View School, also visited Edith Adams.

Seems the past week was family time. Mr. and Mrs. Creighton have moved to their place a mile north of Flagg from Center. They and family Sue and Sandra Jolene and son Robert attend church with the people at the Church of Christ on Bedford.

The Charles Carters of 713 Maple St. were hosts on a recent Saturday evening with a backyard supper and Mexican Fiesta with homemade ice cream and cake for the O'Brian clan. Most of the O'Brian descendants live in a five-mile area of the old home place west of Tam Anne. Charles and Karen and children, Rusty from Wolforth, Jennifer of the home and the grandson Jason Grussom of Bovina. Here are a few of the family here for the reunion: Russell and Nora O'Brian, Floyd and Linda Chesher and children Cathy, Christi and Charles, Kenneth and Nadine O'Brian, Leta Eustace, Brit and Kim, Burke and Loretta

Hand and Tawnya, Dwight and Gayle O'Brian, Sherri, Terresa, Tom and Noreen, Tom and Barbara Mason Jr., Jan, Deena, Jeana and Rena, Roy and Paul O'Brian, Celia, Shelia and Edward, Hap and Julia Fairchild, Tammy and friends Jeff and Vicki from Adrian, Larry and Paula Fairchild, and guests not family were Dee and Connie Willard, Deena, Tina and Gina of Friona, and Bonnie Conley of Houston.

Becky Gregory flew up to Colorado Springs last Wednesday to visit her grandparents Mr. and Mrs. E. C. Jones for a two-week stay. Becky is the daughter of Don and Ellen.

Brock and Susan Merritt have had company this week, Susan's friend Paula Conley from Houston. She is a school teacher there and the girls were high school friends.

Was chatting with Sharla and Danny Vaughn. Seems they have one of those sporty little Corvettes. They love gadding around in that car. Guess we all love a new car.

Darrell Woodard of Vernon was a Sunday guest of friend Cindy Quiett. She is the daughter of minister Howard and Frances Quiett. The Methodist men fried many fish Sunday evening with the ladies bringing salads and desserts. That is where I saw these people.

Joe and Ida Sanders and son Scott were here from Duncanville to visit her sister Frances and Robert Duke.

They had been on a tour and vacation in Colorado, came by here enroute home. Friday the Dukes went to Lubbock for a picnic and swimming at an area meeting and the social hour with other business people.

Frank and Shirley Wise and family joined the other Wise families at Possum Kingdom Lake last weekend for a reunion.

Vernell Dyer of San Rafael, Calif. near San Francisco, has been here for a visit with her parents Elzie and Sarena Teague. She also visited Mr. and Mrs. T. B. Dyer, former Sunnyside residents but now living at South Hills Manor.

Family coming to the Teagues to visit were Lavell or Mrs. Bob Mapes of Walsenburg, Colo, Linda Padgett, a niece from Hereford, George and Laura Jones from Childress and Faye and Clyde Damron of Flagg. Vernell went on to Boston where she attended a Basic Food Seminar, heard many good talks. Then she went on to Maine to see a sister, Della Gay Dow and family.

Marie Tate has been in Houston for two weeks helping daughter Pat and Ken Truelove move back to Amarillo. Seems both were tired of so much traffic. Next week Marie will be in Amarillo with grandson Tal while Jim and Judith Tate have a vacation in Las Vegas. Curtis looks after the home place. Oh, yes, Marie went to church in Houston and heard the fa-

mous Dr. Charlie Allen, who has written several books. She says he is a fine speaker.

Joe and Mallie Baber of Canyon are in Dimmitt visiting nieces Florene and Shotgun Stafford and Mary and Charlie Hestand and her sister Dora Houtchens. Mrs. Baber had eye surgery to remove cataracts last week. She seems to be doing fine.

Charlie Finch of Elk City has been here visiting Shotgun and Florene Stafford and friend Ceal Carlile. Mr. Finch was with Carl Kemp Chevrolet years ago, as was Stafford, who took Mr. Finch home. He took quite a few fresh onions and potatoes home with him. The farmers have been harvesting a few weeks.

Al and Dorothy Jackson have had company this week, his sister Opal Minor from Levelland, Lomita Schafer, a niece from Levelland, and their friend Lilly Johnson from Bakersfield, Calif. All were at South Hills Manor to visit Al's dad Earl Jackson.

God's Purposes

If you were having a picnic at the lake at approximately this spot, you might say, "Well, why did the engineers leave those trees in the water when they made this lake? They create such an eyesore. I can see no purpose in it." Yet, fishermen tell us that the fish love those old tree stumps and roots and that you can almost always find fish swimming in the dark recesses around and between these trees.

So many times we question God's wisdom in allowing some things to be and other things to come to pass. But God is good and his purposes are wise. The very thing that seems useless to us, might make us marvel if we could see with Heaven's eyes.

As Isaiah reminds us, "For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts."

But he also wants us to know that his thoughts are many toward us and that everything works toward our good and our salvation. If we had no conflicts, and no questions, we would never have the opportunity to step out on faith.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

DISTRICT SALES MANAGER

Exciting opportunity with the world's largest manufacturer of maintenance welding equipment. You will be in charge of 60 to 80 distributors in your district who handle our products which are needed by every farmer and businessman. Your job will be to help them make greater profits by selling our products. If you have been successful in selling, but haven't had a real opportunity to progress, this is the chance you've been waiting for. You'll operate your territory as if it were your own business. No investment necessary. We require a willingness to travel, honesty, hard work and a late model pickup or van. First year potential is \$16,000 to \$18,000 per year, plus paid vacation, insurance benefits and profit sharing.

Write today, detailing your background. Your inquiry will be handled confidentially and you will receive a prompt reply if you are qualified. Write:

15—LEGAL NOTICES

NOTICE TO THE FORMER PRISONERS IN THE CASTRO COUNTY JAIL:

On the 16th day of January, 1975, a lawsuit styled BUFFORD LENNELL McDONALD, et al, vs. JACK CARTWRIGHT, et al, and numbered CA 2-75-7 was filed in the United States District Court for the Northern District of Texas, Amarillo, Division. This lawsuit is a class action filed in behalf of all the prisoners and former prisoners in the Castro County Jail, alleging that the conditions existing in this jail fall below those standards guaranteed by the Eight Amendments of the Constitution of the United States which provides that no person shall be subjected to cruel and unusual punishment.

As a former inmate in this jail you may:

- (1) Take no action;
- (2) Express your specific complaints to the Court;
- (3) Have your name specifically excluded from participation in this lawsuit.

If you have specific complaints which you wish to express to the Court, you may do so by writing directly to the attorney for the Plaintiff, Robin M. Green, Box 12063, Amarillo, Texas, 79101. Should you wish to have your name excluded from consideration in this lawsuit you may do so by writing directly to the Clerk of this Court at the address listed below.

You are hereby given notice that it is a violation of this Court's order for any of the agents of either the Plaintiffs or Castro County to give or withhold any privileges or make any threat for your participation in this litigation. Your participation in this matter is strictly up to you.

FINNISH GIRLS Tiina Tapanainen (left) and Anne Gronlund try their hand at the pool table with Daneen Wilson (right) in the Herschel Wilson home in Sunnyside. Anne, 17, is staying

with the Wilsons and Tiina, 18, is the guest of a Levelland family under the Lions International Youth Exchange Program.

'It's beautiful'

'Twang' fascinates Finnish girls

"Your language is so beautiful the way you speak it—the higher and lower inflections. You put more feeling in it."

How's THAT for a different viewpoint on our "West Texas twang"?

The compliment came from Anne Gronlund, 17-year-old Finnish girl who is visiting here under the Lions International Youth Exchange program.

Lions Clubs throughout the world help youths enjoy low-cost visits to foreign lands by organizing group youth-fare charters and lining up host families. Anne is a guest of the Herschel Wilsons of Sunnyside, who participate regularly in the Lions International Youth Exchange.

Another Finnish girl, 18-year-old Tiina Tapanainen of Helsinki, is spending a week with the Wilson family, although her official hosts for her month's stay in Texas are the Wayne Wards of Levelland.

"Tiina, a tall blond, is a senior in high school. Her mother owns a drugstore, and her father is an engineer who comes to the US fairly often. She made the Helsinki-New York-Dallas-Lubbock flight with a group of Finnish students whose trip was organized by the Lions Clubs in the Helsinki and Panhandle Plains areas, and will leave Texas Aug. 7 with the same group.

But Anne made the Helsinki-New York flight a day later with her father, a travel agent and interpreter who was coming to the US with a Finnish investment group. She'll be

here until Aug. 10 as a Lions International exchange student, then will return to Finland by herself.

Anne, a trim, brunette high school junior, lives in Harjavalta, which is "just a little bigger than Dimmitt." Her mother works in a family-owned factory that makes manhole-covers.

The girls' first impression of North Texas was the heat, which they welcomed.

"It's very cold in Helsinki this summer," Tiina explained. "The days have been about 10 degrees Celsius (56 Fahrenheit). Our average this time of year is usually 24 degrees (75F)."

That's in spite of 18 hours of sunlight each day in Harjavalta and 22 hours daily in Helsinki.

"And in Lapland (in the extreme northern region of Finland) there is no darkness at all now," Tiina explained.

Another quick impression was the friendliness of Texas people.

"The people here are very friendly—very friendly," Anne said.

Then the girls noticed the "beautiful" way we West Texans talk. Both girls are language-oriented; Anne speaks five tongues and hopes to be a language teacher someday, and Tiina speaks four languages.

"But we don't use the inflections so much in Finnish," Anne explained. "We just say it with a level tone. But here, you put so much more feeling in your words."

DYH slates summer party

A summer social will be held by the Dimmitt Young Homemakers at 7:30 p.m. today (Thursday) in the home of Susan Hanners, 720 Cleveland St. The club is not meeting regularly during the summer.

Planning for fall activities will begin at this meeting, and all members are urged to be present.

"(And, boy, have we goofed them up with this Texas slang," Wilson commented.)

The girls find a few US customs puzzling, of course.

"It's funny that you advertise so much the medicines—the aspirin, sleeping pills and so forth—because this can be dangerous," Anne commented. "In our country you can't even advertise cigarettes or alcohol, much less medicines."

The girls won't have a chance to study America's public school system while here, but the Wilson's daughter has explained it to them.

"I think our school system is very much harder than here," Anne said. "You have very much athletics; we have only two hours a week of physical education. We have no study hall—we have to take everything home."

In a Finnish public school, the girls said, a student must choose between a curriculum that is heavy in languages or one that concentrated more on math and science.

School hours and the school year are approximately the same in Finland as in the US, they said.

The Finnish girls, dressed in the international teenagers' uniform of blue jeans and shirts, are moving about freely in their new environment. So far, they've attended a music-recording session in Lubbock with Daneen and Herschel Wilson; they've visited the Ranch Heritage Museum at Texas Tech; they've attended the Earth Rodeo; they've swum and sunbathed at the Wilsons' pond; and they've played tennis at the Springlake courts.

Miss Moore feted with bridal shower

Melissa Moore, bride-elect of Lance Barrow, was feted recently with a bridal shower in the home of Mrs. Don Carpenter.

Greeting guests in the receiving line were Mrs. Carpenter, Miss Moore, Joan Moore, the future bride's mother, Dorothy Barrow, mother of the prospective bridegroom, and Lillian Pollard, Miss Moore's grandmother.

Frosty strawberry punch and strawberry cake roll were served from a table covered with a white tulle cloth with floor length ruffle over white crepe. An arrangement of pink and white carnations, baby's breath and greenery in a silver epergne completed the table setting.

Out of town guests included Mrs. Dwight Franklin, Amy and Tommy, and Jerry Oliver. Mrs. Carpenter was assisted by 23 co-hostesses.

Huseman-Braddock vows exchanged

Marriage vows were spoken by Lenora Huseman and Cecil Braddock, both of Nazareth, in an afternoon ceremony at the Holy Family Catholic Church Saturday.

Rev. Stanley Crocchiola, pastor, celebrated the nuptial mass after a prelude of wedding music by Bernice Hoelting and Tricia Gerber, vocalists, and Mrs. Leonard Conrad, organist.

Parents of the couple are Mr. and Mrs. Arnold Huseman and Mr. and Mrs. Vincent Braddock. Her father gave the bride in marriage.

Family members were in the wedding party, with the bride's sister, Emaline Pohlmeier of Yukon, Okla., as her matron of honor and the groom's cousin, Bruce Braddock, as his best man.

Another sister of Miss Huseman, Marlene, and the groom's niece, Kelly McNeely, were bridesmaids. Brothers of the couple, Darrell

Huseman and Danny Braddock, acted as groomsmen.

The bride's brother Bernie was the reader in the ceremony. A sister, Anita, and the groom's nephew, Ricky Backus, brought the water and wine to the altar. Ushers were Dewayne Schulte, Ted Huseman and Derwin Huseman.

Wanda Huseman, sister-in-law of the bride, registered guests at the church, where the altar decorations were bouquets of sunny yellow chenille flowers fashioned by the bride's mother.

A bridal gown of organza over taffeta was chosen by Miss Huseman. Bands of lace circled the high neckline and the puffed sleeves and formed cuffs at the wrist. Similar bands outlined a yoke effect on the bodice and headed a wide flounce on the skirt.

Flower motifs of the lace were scattered over the full skirt, which spread into a chapel train that was also finished with the lace-edged flounce.

Multiple tiers of illusion made her waist-length veil which was gathered to a head-piece of flowers and lace.

Bridal attendants wore sunny yellow crepe halter dresses with sheer ruffled jackets in matching color, and carried some of the handmade chenille flowers in baskets.

More of the flowers ornamented tables in Nazareth Community Hall where the

MRS. CECIL BRADDOCK
... Formerly Lenora Huseman

wedding reception was held. A tiered cake made by the groom's aunt, Lucille Schacher, graced the bride's table.

After the reception the couple left for a Colorado honeymoon. Mrs. Braddock wore for travel a pantsuit in sky blue.

The newlyweds will be at

home after the trip on a farm near Nazareth where the groom is associated with his father in farming and dairying. The bride is employed by Taylor & Sons Market in Dimmitt. Both are graduates of Nazareth High School, she with the class of 1977 and he in 1975.

On the go

Sandra and Shari Hones of Dumas spent last week with parents and grandparents Mr. and Mrs. C.A. Hance. David and Lisa came on Saturday and all returned to their home in Dumas Sunday. Visiting with the family on Sunday were Paul and Opal Wilson of Clovis. Mrs. Wilson is David's mother.

There is a flood of Americans going to Europe this summer. The decline of the dollar against other currencies was thought to put a real strain on overseas travelers, making it almost impossible to take a trip to the European countries. Not so.

The airlines have come up with innovative fare schedules which make an overseas trip not only attractive but affordable. Americans are setting off in droves across the Atlantic and European tourist operators expect them to spend more than the \$31.8 billion spent last year.

Laker Airways, a no-frills transatlantic airline is running at 85% of capacity on its flights since American colleges let out. Other major airlines are reporting record traffic. Air France is hauling more passengers to Paris than

Kiwanis president's award given Nelson

Joe Nelson, past president of the Dimmitt Kiwanis Club, was presented an award at the club's lunch Monday, citing him as one of four local Kiwanis Club heads in Division 33 who fulfilled the requirements of "Distinguished President."

Charles Zeeck of Tulia, retiring lieutenant-governor of the division, was present to deliver the award as the final official act of his administration in the Dimmitt club.

Members who will go to Amarillo for the Texas-Oklahoma District convention Aug. 3-5 met after the lunch to plan participation in the meetings.

Pat Kilpatrick of the South Amarillo Kiwanis Club spoke briefly, urging Dimmitt members to attend some sessions and bring their families since the program is designed for entire families.

With Weston Hervey and Howard Scott, he was a guest at the lunch. Mrs. Zeeck accompanied her husband. David Montiel, Key Club lieutenant-governor, was another guest and announced a division council meeting for Key Clubs to be held in Dimmitt late next month.

The speaker was Jim Killingsworth, owner of the Ruskin Racquet Club who discussed tennis as a sport which has grown in popularity in the past few years. He announced a tennis tournament at the Racquet Club this weekend, which will bring numerous players from other cities.

Dimmitt student receives degree from UT Austin

Stacy Dawn Koeninger of Dimmitt was among students in the University of Texas who were awarded bachelors degrees in spring commencement exercises this year.

A student in the school of business administration, she received the bachelor of business administration degree.

Happy birthday!

Field day scheduled at TAES station

The 69th annual edition of the Texas Agricultural Experiment Station Field Day for Lubbock and Halfway, highlighting a variety of crop research programs on the Texas High Plains, will be held Tuesday, Sept. 12.

The experiment station at Halfway, located 14 miles west of Plainview on US Hwy. 70, will be host this year. Dr. Bill Ott, resident director of the TAES Lubbock experiment station, said. The annual program alternates between the locations at Lubbock and Halfway, in cooperation with the High Plains Research Foundation.

A five-stop field tour of research sites and facilities at the Halfway station is planned, said J. Joe Wright, field day chairman. The stops will illustrate the research being conducted in weed control, mobile trickle irrigation systems, labor management, corn irrigation, and cotton varieties and disease control.

Additional features will include machinery and equipment displays by area implement dealers and other tests being conducted at the station, Wright said.

The field day program is a cooperative presentation of TAES, the High Plains Research Foundation, the Science Education Administration of the US Department of Agriculture, the National Weather Service and the Texas Agricultural Extension Service.

Professional staffs of these participating agencies will be on hand to answer questions and discuss problems with agricultural producers, home owners and gardeners, Ott said.

Mrs. White to campaign here soon

MRS. MARK WHITE

Mrs. Mark White, wife of the Democratic candidate for Texas attorney general, will include Dimmitt on a tour she will make the first week in August in behalf of her husband's candidacy. A definite date is not yet fixed.

She has scheduled stops in 23 counties after flying from Austin to Amarillo, and will be introduced to voters in each town by county coordinators for the Mark White campaign.

Mrs. Larry Lindsey, the former Donna Joyner of Littlefield, will accompany Mrs. White on the four-day tour of this area.

This will be the first of several campaign trips she plans to make to visit voters in various parts of the state before the general election Nov. 7. Mrs. White actively campaigned for her husband before the May primary in which he was chosen at his party's nominee.

Linda Gale White has taught in Austin and Houston schools and been active in civic and church affairs of both cities while White was assistant attorney general and then in private practice. They are the parents of a daughter and two sons.

Girls participate in SAU band camp

Jean Schulte of Dimmitt and Vera Ramaekers of Nazareth participated this week in the fourth annual Angelo State University Band Camp which attracts high school students and band directors from across Texas.

Over 500 persons are attending this year's camp which offers clinic sessions in band twirling, ensembles, stage bands and drum majoring. Experienced musicians and band directors from across Texas are in the band camp faculty and give special instruction in various instruments.

On the go

Florene Leinen recently visited her son and his wife, Dale and Linda, and their two sons at Oklahoma City. She went with them to Kansas City, Mo. and St. Louis for sightseeing and took the Robert E. Lee steamboat tour up the Mississippi River. In their hotel at Kansas City were 200 different stores featuring products, food and costumes of various countries. They also enjoyed the Nelson Gallery and the Country Club Plaza with its famous fountains. At St. Louis they had a helicopter ride over the city and went to the top of the noted Gateway Arch to see the city from windows at its top, 630 feet above the ground.

Increase your grain profits every year.
All it takes is grain management.

Every year, for the last 30 years, farmers who've stored their grain have made more per bushel profit.

That is a fact. And the reason why you should invest in a Chief Grain Management System. The Chief System is complete, expandable and costs much less than you might expect. Especially now, when many dealers are offering big winter discounts.

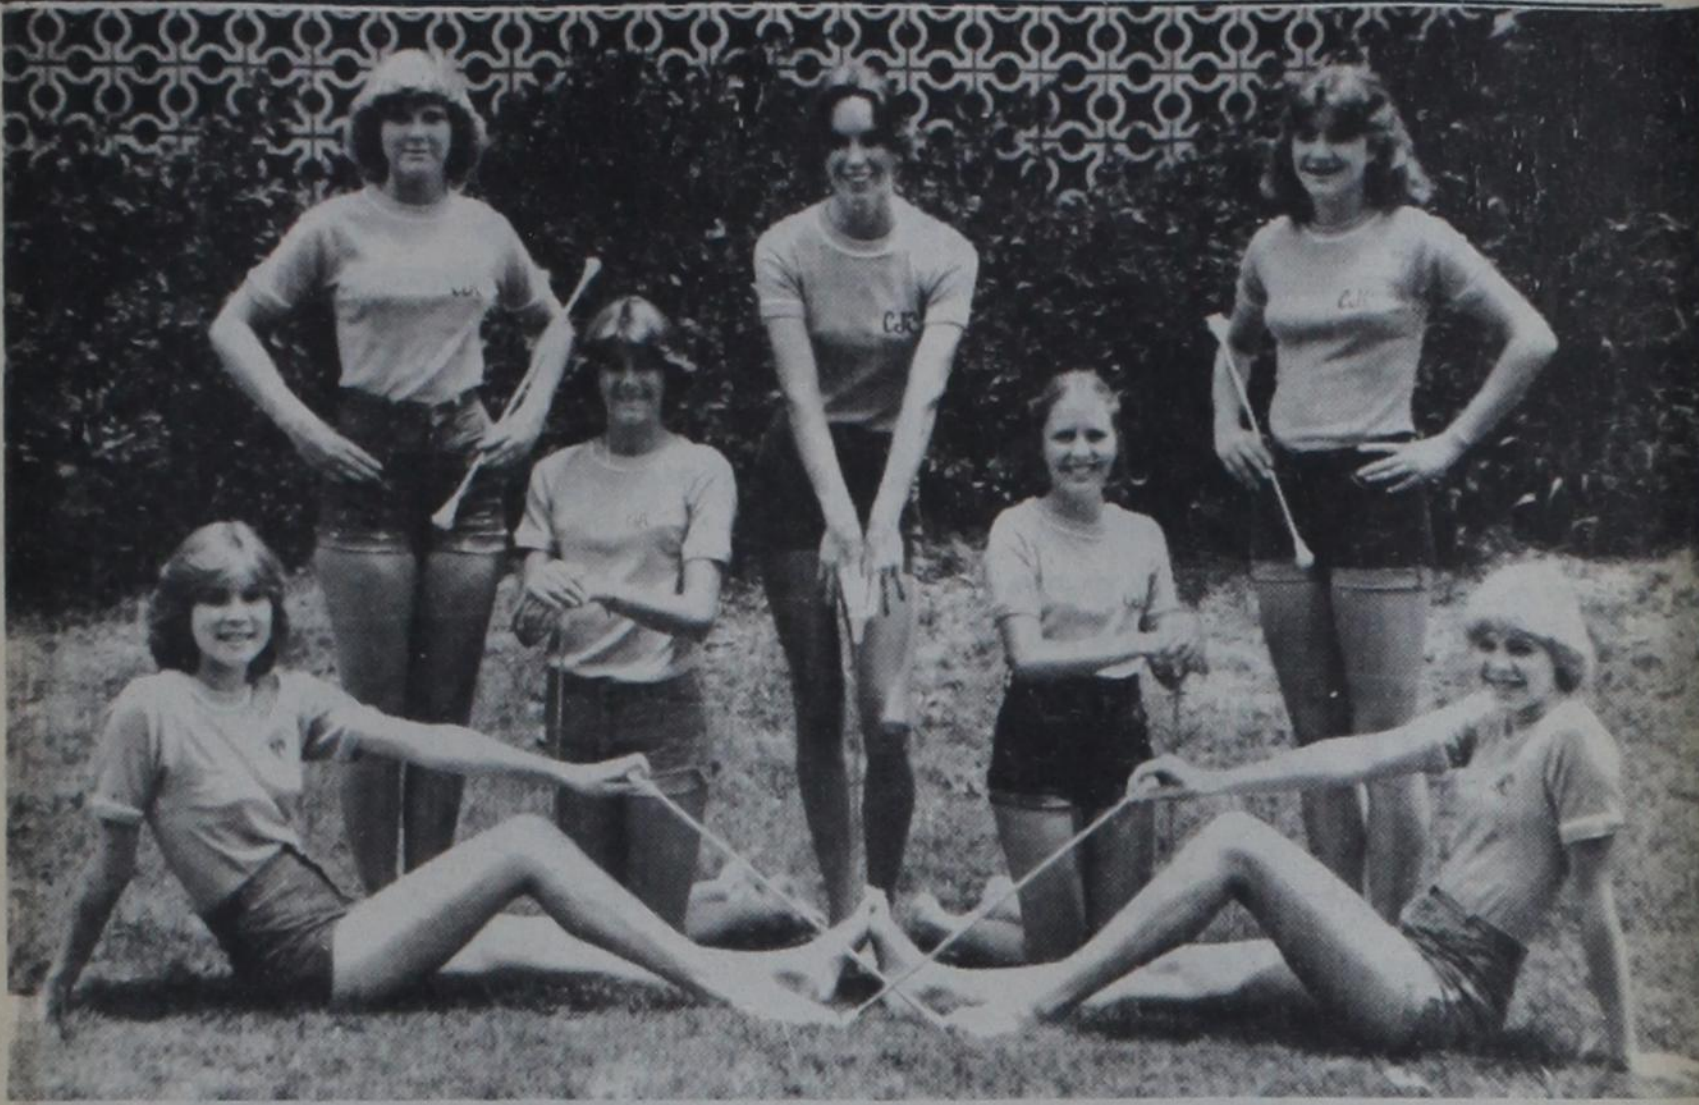

With a Chief Grain Management System going for you, you harvest when you're ready. And sell when the price is right. There's no downtime at the elevator, while expensive combines and operators wait in the field. You make the decisions. You reap the profits.

Write today for our free Chief Grain Management Systems kit. It'll convince you with facts and figures.

More about SHEFFY'S

Chatter

(Continued from Page 2)

Dick and Lewella Sullivan celebrated their third wedding anniversary July 16 with an ice cream supper. Guests were Mr. and Mrs. Bob Manning, Mr. and Mrs. L. Johnson (all of Hereford), Mr. and Mrs. M. L. Cline, Corene Burk and daughter Liz, Mr. and Mrs. Levi Bennight, Elsie Mae Moore and daughters Dorenda of Ruidoso, Terri and Tracy, Dale Maxwell and sons Edwin, Brian and a friend Susette. (Lewella, sorry I am late with this.)

John and Charlene Reed are home from their trip to Phoenix, Ariz. where they visited an aunt, then on to Coronado Island off San Diego. Picked up their son David who is in the Navy. He, David, spent six months on the Marshall Islands. They all went to Modesto, Calif. to visit the Elliott family who did live here.

Last week the John Reed family and Charlene's dad John Cox went to Pauls Valley, Okla. to attend John's mother Anna Lou Cox's mem-

orial service. John you will see at the Shell Station.

Mildred Bradford, Ruth Coleman, Ina Cleavinger, Oneida Hutto and I spent three days at Chitwood Dorm at Texas Tech in Lubbock. We were there for studies on missions and Mildred and I took the course on the Bible Book of Revelations, a most interesting and hard study.

Oneida visited her twin kids. Ladies were there from as far south as Midland, the Oklahoma line at the north, Wellington, Quannah and Crowell that way.

Bob and Mildred Sheffy and Clyde and Clara Vick are grandparents of a pretty red-haired baby girl whose name is Jennifer. The parents are Johnny and Janie Vick. The baby was born at the Palo Duro Hospital at Canyon with Dr. Moore doing the honors. Janie stayed in the hospital for a week and when I visited I met Dr. Moore, who is the father of Gary and Paula Moore of here.

June Parker spent a few days at their place at Kingsland, near LBJ Ranch. Now

she is in Carlsbad visiting her mother and also helping to redecorate the house.

Don Sheffy and daughter Kristi came by Saturday and took me out for a steak dinner and the other daughter, Karla, will visit grandmother Polly Bell a few days.

Jo and son Sean Gallagher are here from Shreveport, La. for a weeks visit with cousin Walter and Wade Maynard, and the little boy, Wyette, says "me too."

David and Patsy Dalton joined the Thomas Davises of Hart at a family reunion at the shelter house in Plainview. Patsy says there were 50 people there for the get together. You know that David is a deputy sheriff here.

I was chatting with Myrt Loman of Hart. You know she did write for this paper. Anyway she has had company, her cousins Mr. and Mrs. Roy Self from Cushion, that is near Nacogdoches, have been here, then on to Tulia to visit a niece, Mrs. Don Christian. All went to Palo Duro Canyon to see "Texas."

"Pop" or Henry Hendrix of Hart had cataracts removed from his eye Monday at Methodist Hospital in Lubbock. Pop is the father of Mrs. Archie Bussey of here. We wish him well.

Mr. and Mrs. Arno Cox came over from Hobbs, N.M.

to visit all the Hart kin last weekend and he and brother Miles visited their 96-year-old mother Ellen Cox at South Hills.

Liz Murphy is on a campaign in Argentina and Brazil with a Herald of Truth group. Liz is the daughter of Dr. Bill Murphy and a niece of the Truvis Campbells. This is a good missionary trip for her and Mr. and Mrs. Pennington were in that area last year on a mission tour.

Doug and Cheryce Pybus are building a new house out on Sunset Circle and will move here soon from Plainview. Doug is store manager for Walt's Super Market. They have one little girl, name is Carla. They will probably attend church with the Baptists. Cheryce has been teaching a Presbyterian pre-school group at Plainview.

Marvin and Gwen Bryant and son Bruce went to Eagle Nest, N.M. for a vacation. Her parents Mr. and Mrs. Ben Arthur of Gruver will join them there. Gwen says she is going to just sit and sleep, no fishing or anything. Bruce will join the Dimmitt Scouts at Tres Ritos. Probably Nathan Nelson's dad Don will tell you all about that.

Lonnie and Barbara Keel attended the family reunion of Lonnie's folks. Barbara says, "Remember the nurses' graduation Aug. 13."

The Dunn Brothers, Coy Joe John and Herbert, and friends Weldon and Grace Findley from Littlefield, A. H. and wife Elen Howell and Dutch LaRue and Glen Dunn came up here to make music out at South Hills Manor Saturday. And Zetha Blackburn of Lubbock and little girls, Ellene and W. E. Butler of Levelland, Sarah and Adrian with Connie and Gene Ivey, Alvin and Frances Frazier and Mary Lou Frazier went to Ann's Steak House for Mexican food after the music.

Sandra Bagwell had a birthday Sunday so all the Bagwells took her out to the steak house for dinner. Parents Ivor and Hazel Bagwell and Clara Neumayer were guests also, and I am just now meeting Roger Edwards, the choir director of the First Baptist Church. He was a guest of the Bagwells. Milton says Sandra is now as old as he, he beats her by three months.

Keith and Bryan Gregory (cousins), Lisa Davis and Julia Mann attended Band Camp at ACU in Abilene last week. Fred Allen was one of the instructors at this camp. You remember Fred did such a good job with his band group at the concert. He is junior high director in Dimmitt.

Mr. and Mrs. Glenn Morrow of Odessa were Sunday dinner guests of their daughter Michele and Mike Bell and the important member, young Zachary.

I met Lou Nuttall at the News office. Lou is from Bovina and is working for vacation relief. She will be going to Albuquerque for a softball tournament this weekend.

You can have a **CENTRAL VAC**

installed in your present home!

CENTRAL VAC is the original "built-in vacuum system." It is more powerful, will clean better, faster, and easily reaches those previously inaccessible places. It slips your cleaning gear down to a featherlight wand with attachments, and a flexible hose that plugs into the wall. All dust and dirt is drawn through a sealed pipe system to a collection center mounted in your garage, basement or utility room.

We can install CENTRAL VAC in your home in less than a day, without removing walls or damaging your wallpaper or paint.

FORMULA 2 IS A NEW CONCEPT IN MAKEUP.

This new makeup is truly contemporary, and its formulation as unique as only a product developed by Revlon Research Group can be. It is:

SKIN ADJUSTED
For All Skin Types
Uniquely balanced to moisturize and blot oil where needed, Formula 2 will give you a perfectly natural skin finish. And it's pH-adjusted—to be compatible with your skin's normal pH balance.

COLOR ADJUSTED
For Maximum Color Fidelity
Formula 2 is specially processed to prevent color change from morning application to end-of-day's wear. Plus—its natural, semi-matte finish absorbs and softly diffuses light. So unlike many makeups, it maintains a truer color in any light.

CLIMATE ADJUSTED
For Longer Wear
Formula 2 gives you consistently beautiful coverage. Special ingredients resist humidity, repel surface moisture. Emollients and humectants protect against dry spells. And a sunscreen helps protect against harmful ultra-violet rays.

Parsons Rexall Drug

New 155-hp 4640

Lots more than power from a big-job tractor

Big-power jobs demand something equally important—big-job strength. And strength is the 4640's strong point. Evidence is everywhere... a bigger engine, longer wheelbase, more weight, new 4-pinion differential, bigger final drives, bigger drive axles. Even the drawbar is bigger and heavier than on the model it replaces. Now, bigger cooling systems are used for both engine coolant and transmission/hydraulic oil. Stop by the store for more details on the big-job strength of a 4640.

C & S EQUIPMENT CO.

Chinese are 'curious, friendly,' teacher says

PAST AND PRESENT—Decimae Dennis, a Dept. of Defense teacher in the South Pacific, holds a copy of an ancient Chinese Empress cigarette box which she purchased at Communist China's "Friendship Store" in Hong Kong on a recent tour of the Chinese mainland. The delicately decorated box is made of gold-plated silver encrusted with

birds, trees and flowers made of inlaid enamel, turquoise and coral. In background is a typical revolutionary poster, a symbol of present-day China. Miss Dennis, daughter of Mr. and Mrs. Morgan Dennis of Dimmitt, spoke to the Dimmitt Rotary Club Friday on her impressions of Communist China.

Communist China has an extremely structured "workers' society" with no gambling, no night clubs, a low crime rate, small homes, few conveniences, a declining birth rate, and very few pets. China's people are surprisingly open and friendly. They have a spartan determination to help their country achieve its long-term goals. And they consider the Soviet Union as their No. 1 enemy.

These were the main impressions gleaned by Decimae Dennis, a Dept. of Defense teacher in the South Pacific, during a recent "exciting" 15-day tour of the Chinese mainland.

Miss Dennis has spoken to the Rotary, Kiwanis and Lions Clubs about her tour, and gave a slide program at the First Baptist Church Wednesday night. She is visiting here with her parents, Mr. and Mrs. Morgan Dennis, and with her brother, Edgar, and family.

During her 10 years as a Dept. of Defense teacher in the Philippines and Okinawa, Miss Dennis has toured nearly every country on the Asian continent, including the Soviet Union. She is one of the relative handful of Americans who have traveled on the Chinese mainland since the "bamboo curtain" was lifted seven years ago.

Her main stops in China were Hong Kong, Canton, Shanghai, Shenyang and Peking.

"The people were extremely friendly and curious, except in the Peking area, where they've become accustomed to foreigners on their streets," she said.

"They were surprisingly open about many things that I thought they would try to keep secret—such as their extensive system of underground tunnels, to be used in case of attack.

"They kept emphasizing to us that their philosophy is not one of aggression, but only defense. I got the impression that they meant it, that they felt they had all they could do to build their own society, economy and culture."

Displaying the familiar portrait of Chairman Mao Tse-Tung and several popular Chinese posters depicting happy revolutionaries, she explained, "Everything they do—their operas, acrobatic performances, ballets, concerts—carries a revolutionary theme."

Although the Chinese people are indoctrinated from childhood up in Communist

philosophy and a strict work ethic, only a relative few Chinese belong to the Communist Party, she said.

"Children start in the 'Young Pioneers,' then advance to the Communist Youth League, where they have to prove themselves in academics, athletics and political knowledge. One must earn the right to be a party member, and party membership is actually small," she said.

During a question-answer session, Miss Dennis compared China with the Soviet Union, which she toured in 1975.

"The Soviets are more businesslike; the Chinese are friendlier, warmer, more open.

"The Soviets had small stores for foreigners, in which items were limited. In China's 'Friendship Stores,' there were a great many more items.

"The Russians didn't ask any questions; they didn't seem to want to know anything about the outside world. The Chinese were much more inquisitive, questioning, curious.

"In the Soviet Union, there was an attitude of superiority—'We are right.' In China, the attitude is more of humility—'We know we don't have as good a standard of living yet as other countries, but we're trying.'

"In the Soviet Union, consumer goods are short. In China, they're plentiful.

"In the Soviet Union, we felt we couldn't trust anybody because THEY don't trust anybody. In China, they didn't even issue keys for our hotel rooms—the society maintains an attitude of trust. Anyone who breaks the code or the law can be ostracized by the state very effectively through its program requiring self-criticism.

"In the Soviet Union, the people seemed more somber. In China, they seemed openly happy.

"In the Soviet Union, we were treated as tourists. In China, we were treated as guests—and I mean to the point of little children applauding us from the roadside

as our bus passed by.

"The Chinese told us, 'The Soviet Union is our No. 1 enemy.' The two countries may both be communistic, but there are major differences in the ideologies of the two peoples. Mao believed more in 'people power,' and in the substance rather than the form of Marxist theory.

"Also, the founders of the Communist Party in China had no connections with the Soviet Union—they didn't speak Russian, they hadn't visited in the Soviet Union, they had no cultural or language connections with the Russians."

She described the typical family home in China as "small, two to four rooms, with little or no refrigeration, no hot water, with just a hotplate for cooking."

"China's goal is to be completely mechanized by the year 2000," she said.

"They're a long way from accomplishing it, but they are determined. They have an extremely structured society, with communes organized into production brigades, work brigades, etc., and the brigades and communes compete with each other for honors."

She added, "In the US, we consider five years a long time in our national goal-setting. But the Chinese are thinking in terms of 400 years from now."

15—LEGAL NOTICES

PUBLIC NOTICE

I, GENE KING, Tax Assessor-Collector for the Dimmitt Independent School District, in accordance with the provisions of Section 20.03 (c) of the Texas Education Code have calculated the maximum tax rate which may be adopted by the Board of Trustees of the Dimmitt Independent School District without holding a public hearing as required by Section 20.03 (d) of the Texas Education Code. That rate is as follows:

\$1.69 per \$100

Services held Tuesday for Claude Wells

Masonic graveside services were conducted Tuesday morning of this week in Anson for Claude "Bud" Wells, former Dimmitt resident. Mr. Wells, who died Saturday, July 22, in Anson, had moved to Merkel from Dimmitt about five years ago. He had been employed by the Texas Highway Department for 20 years.

Survivors include his wife, Bertha; one daughter, Mrs. Betty Jo Rogers of Merkel; two sons, Don Wells of Tishomingo, Okla., and Melvin Wells of Antlers, Okla.; and several grandchildren.

Dimmitt artist plans showing

M. Loys Raymer, local artist, will have a showing of her Americana and portrait paintings Aug. 1 and 2 at Hereford State Bank.

The artist moved to Dimmitt from Houston about 10 months ago.

small talk from south hills manor

Saturday night the Dunn Brothers gave the program. They had the largest audience ever and everyone seemed to enjoy the program.

Sunday morning the program was given by Rev. Ed Manning from the Presbyterian Church. Helping him were Nita, Doyle and Betty Hoover. Mrs. McMurry played the piano and Joe Dunn conducted the song service, leading the favorite songs of the residents of the Manor, including "How Beautiful Heaven Must Be", "Heavenly Sunlight" and many others.

Mrs. Jouett is out of the home for a short visit with her children at Parnell.

J. O. Vaughn and his wife Essie are two of our residents. J. O. was born in 1892 at Milford and Essie was born in 1892 in Italy. They married at Reed, Okla. in 1914. They have two daughters Ruey McKinney and Joye Breedlove, two sons, Loyd and LaVerne, eight grandchildren and two great grandchildren.

They moved to Earth in 1947 and farmed near Flagg until 1962 when he retired. They moved to the Manor in 1974. J. O. is one of our bed patients. Essie is able to get up and around. She loves to visit and have company, so come by to see her.

Mrs. J. L. Webb and grandsons Franklin and James were out to visit Velma Tucker. They were good friends at Estelline before moving to Dimmitt.

Luda Lindsey had company Sunday, her daughter and husband, Irene and Ross Lethan and great granddaughter.

We have two new residents, Katie Waggoner from Sunnyside and Latrell Hoyer from Dimmitt.

Behrends family host for 4-H Japanese youth

Dimmitt, Japan and the South Plains of Texas may have little in common in many ways, but this summer they will share 13 citizens.

As part of the 4-H International Exchange, 12 Japanese youths will become for a month, the sons, daughters, brothers and sisters of 12 area families. The young people, between the ages of 12 and 18, arrived Tuesday, accompanied by two Japanese tutor-chaperones.

One of the Japanese young-

sters will stay with a family in Castro County, Irene Keating, county Extension Agent, said. The family of Clarence Behrends of Happy Helpers 4-H Club will host Nanae Ona.

The visitors are among 68 Japanese youths coming to Texas under auspices of the Labo Foundation, said Dr. John Pelham, state 4-H and youth leader with the Texas Agricultural Extension Service. Over the past several years, the foundation has sent several thousand Japanese youths to the United States, primarily the western states.

This is the first year Texas has been included in the program, Pelham said. It is one of 18 states which will be hosts to 1,700 Japanese youth this summer.

"The Labo Foundation program is to help young people to learn another language and to become familiar with another culture firsthand," Pelham said.

Families in five of the 14 extension districts in Texas will be hosts to the visitors this year. In District 2, host counties are Bailey, Castro, Floyd, Gaines, Hale and Lamb.

"We hope to host more youths next summer and be able to include additional districts," Pelham said. "Also, next summer we hope to join the reciprocal program and send Texas 4-H'ers to Japan for a month's stay with Japanese host families."

By BRICK ATRY Librarian

This article is entitled Libraries and Proposition 13. I am in a particularly morbid mood today, so this subject seems appropriate.

I got a circular from the American Library Association that stated that because of the tax cuts in California, several libraries across the state would be closed permanently and that dozens of branch libraries would be phased out and that service hours for all libraries might have to be cut. Of course, ALA deplored this state of affairs and pointed out that California was dumping hundreds of unemployed librarians on an already glutted job market. ALA maintains that there are no shortages of library positions; its just that state and local governments won't fund libraries enough to have adequate staffs.

If various communities around the country would come to West Texas to see how the people here get libraries, there wouldn't be so much consternation. They'd probably find that the "new idea" of community support of library service isn't exactly new here. People have helped pay for the service here at Rhoads Library since it was opened four years ago. Naturally, most librarians

view Proposition 13 with some anxiety. However, a great many admit that even if it means the loss of their jobs, they'd vote in favor of the tax cut because if they didn't have a job, at least they could pay the property taxes on their houses.

As the question of tax cuts goes from state to state, we're liable to see a lot of libraries caught between rising costs and lowered income.

Although it has been an old tradition, free library service may come to an end in many places to be replaced by subscription libraries or renting libraries. If you were here in Dimmitt and Rhoads Library started a fee charge for checking out books, would you continue to use the library?

Rains helping control crop insects threat

Recent rains have helped in checking the threat of crop insects in Castro County fields, according to Mark Powell, Extension Service entomologist here.

His weekly report on current conditions follows:

Cotton — Cotton continues to make good growth. Fields are beginning to bloom and one field southwest of Dimmitt has some bolls in it already. The insect situation is favorable, few pests and beneficials are building up.

Corn — The time is now upon us to check the fields for Southwestern corn borer. The black light trap catches have increased significantly in the last couple of days as shown on the black light trap catch graph. Check fields to determine if there are cornborer eggs present before treating.

Another consideration before treating for corn borer is the time of harvest. If corn is going to be harvested in early September or is going to be cut for ensilage then spraying for corn borers may be avoided, since borers don't start girdling the stalks until mid-September.

The rain should have an adverse effect on spider mites. Mites get washed off leaves in rains and with the rain came some lower temperatures. These factors will either lower mite populations or hold them stationary for a while.

So far this summer there has been success in controlling mites with Comite[®], Cygon[®] and MSR[®]. Cygon and Conite have been applied with 4 and 5 gallons of water per acre, respectively.

Sorghum — Greenbugs have been building up in sorghum but as of yet I have not seen sufficient numbers to warrant treatment. The beneficials are also increasing in sorghum fields which will supply some natural control. The rains will also wash greenbugs off sorghum leaves and reduce populations.

Sunflowers — For sunflowers blooming from this week till the end of the season, there is the probability of sunflower moth infestations. Treatment should be applied when 20% of the field begins to bloom and moths are found in the field.

Fields should be checked 3-4 days later for moths, larvae and eggs and treated again if necessary.

Birthplaces of two US presidents are in Texas. Lyndon B. Johnson was born and maintained a home throughout his life in the hill country west of Austin. Dwight D. Eisenhower's birthplace at Denison, in North Texas, is open to visitors.

ROTARY DISTRICT GOVERNOR Lewis Rochester (left) and his wife, Lois, visit with Rotary Club President Ron Montgomery (center) and Mayor and Mrs. Elmer Youts following Rochester's visit to the Dimmitt Rotary Club Friday. The district governor

noted the signs of progress here, commended the local Rotary Club on its goals for the coming year, and listed water importation as a project that all Rotary Clubs in the West Texas district should support.

Rotary hosts district governor

District Governor Lewis Rochester of Odessa made his official visitation to the Dimmitt Rotary Club Friday and in his talk had several favorable comments about the community and local Rotary organization.

"We were impressed by the cleanliness of your community, this shows pride," he commented. "You have nice homes and five manufacturing companies which will help keep your children here."

"I'm impressed with your progress, but I'm impressed also with the challenge your club has set for itself in signing up a significant number of new members during the coming year."

Rochester was accompanied by his wife, Lois.

The District Governor told the Rotarians and their wives, who were guests at the luncheon meeting, that they were to be commended on the club's flag project; for participating in the NOW program; for including wives

once a month at the meetings; for supporting the Rotary Foundation; and for sending two boys each summer to Rotary camp in New Mexico.

Rochester told of attending the international convention in Japan in May and also the District Governor's training conference in Boca Raton, Fla., which drew District Governors from 92 countries. He also explained the Rotary Foundation international exchange program for young people.

"The most important issue in West Texas is water," Rochester said in discussing future projects. "Since District 573 encompasses most of West Texas, I am asking each club in the district to establish a water committee."

"Eventually West Texas will have to have help on such a huge project as water importation, probably from the federal government."

In his concluding remarks, Rochester said, "You as Rotarians have joined with 850,-

000 Rotarians in 153 countries throughout the world. Think about what a big corporation could do with that many salesmen throughout the world. We can do things that even the United Nations can't do."

"We must have a global view in our perspective and a high standard for our services... for dignity and freedom of mankind throughout the world."

Rochester then explained this year's international program theme of "Reaching Out." "This means to reach out across your desk, across the room, across the street and across the world to serve."

ROY E. CHILDERS has been named by the Texas Agricultural Extension Service to the position of cotton ginning and mechanization specialist. He assumes the position formerly held by Dr. Calvin B. Parnell, and will have statewide responsibility.

VETERAN'S SERVICES

By BEDFORD W. SMITH, County Service Officer

Because veterans of the Vietnam War may lose educational benefits by postponing starting them, the VA is putting on a campaign to reach them. They must complete their 45 month entitlement within 10 years from the time of discharge.

Jack Coker, Director of the Waco VA regional office, reminds prospective GI Bill recipients that acceptance by a school is the first step veterans must take on the path to valuable education benefits.

"The Veterans Administration is anxious to help veterans understand and use their GI Bill," Coker said, "but first they must help themselves by enrolling in school or a program of training."

Coker said that to receive benefits an eligible veteran may enroll in a school or

college, take farm cooperative training, enter other programs which combine school and job training, train on-the-job, take flight training or correspondence courses.

Single veterans who are full-time college students receive a monthly benefits check of \$311. Monthly payment for veterans with one dependent is \$370, and for veterans with two dependents, \$422 monthly.

THE Mandarin language is spoken by 650,000,000 persons as compared with 358,000,000 who speak English.

Dedicated Personnel

It takes more than fancy equipment to provide good phone service.

The best equipment in the world isn't worth much unless you have qualified, well-trained people to keep it working properly. And Continental Telephone is second to none in the quality and knowledge of its personnel.

Linemen, technicians, installers, business clerks, and managers: we select them for their knowledge, experience, capabilities and eagerness to see a job done right.

Then, because of the growing sophistication of telephone communications equipment, we provide seminars and special schools that help our employees broaden and improve their skills.

Most of our employees know the intricacies of more than one job. Thus, instead of having to wait for a particular specialist that can solve a particular problem, we have a company of specialists that can solve most of the problems they encounter.

It speeds up our reaction time when bad weather strikes, or when you simply want a malfunctioning phone back in working order.

Doing our best to attract and keep the highest quality employees is one of the ways we're doing our best to do more for you.

Continental Telephone of Texas Doing our best to do more for you

Thank You, Friends...

The folks at Corn Saver Manufacturing Co., Inc., wish to thank our friends for making the opening of our new building an enjoyable occasion.

Our thanks to the Dimmitt Chamber of Commerce for its help in our opening; to those who sent the beautiful flowers and potted plants to decorate our new offices; and to all those who attended and took part.

Our special thanks to the farmers who have made the Corn Saver a success. The entire growth of our business and the construction of our new building have been made possible by your acceptance of our product.

We want the Corn Saver Manufacturing Co., Inc., to be a credit to Dimmitt and Castro

County. We intend to pass on the goodwill you have shown us by serving our customers, our neighbors and our community to the best of our ability.

Again, please accept our sincere thanks.

HEREFORD WRECK—Driven by David W. Reed of Dimmitt, who is visiting his parents here on leave from the US Navy station at Coronado, Calif., this 1976 Dodge pickup was heavily damaged about 9:30 p.m. Sunday when it was in collision with a 1978 Ford pickup driven by Inez Armando Castro of Hereford at 500 E. Park Ave. in Hereford. The street was wet from a rain, the Hereford Police Dept. said, and Reed was attempting to pass another vehicle when he lost control of the pickup and it struck the Ford almost head-on. Reed and his passenger, Phillip Robison of Dimmitt, were taken to Deaf Smith General Hospital for examination and released the same night. [Photo by Roger Reed.]

Rawls to compete in All-Star game

Rocky Rawls, Dimmitt's concensus all-state basketball star, will be participating in the North-South All-Star game at 7:30 p.m. Friday in Hofheinz Pavilion at Houston. Rawls is the first Dimmitt player ever chosen to play in the classic.

The all-star basketball and football games Friday and Saturday nights will end the 46th Annual Texas High School Association Coaching School, billed as the world's largest.

Coaching the North All-Star team, of which Rawls is a member, will be Odessa Permian Coach Al Oglesby. The South All-Star coach will be Bob Latham of Houston Westchester.

The teams began two-a-day practice sessions Monday in preparation for the Friday night game.

Mr. and Mrs. Larry Rawls and Scott plan to attend the game.

Before he left for Houston Sunday morning, Rawls stated that he was looking forward to the experience. "I was really pleased to be selected to the team and I'm going to work hard so I may represent Dimmitt well in the game," Rawls said.

The lanky 5-10 guard's statistics and honors for his senior year at Dimmitt High School include the following: most valuable Bobcat and most valuable District 3-AA player, all-district, all-regional, two all-state teams, all-state tournament team, all-regional tournament team, All South Plains player of the year and the Panhandle Plains Super Team. He was Dimmitt's leading scorer with a 15.6 point average, connected on 242 of 465 field goal attempts for 52 per cent, sank 101 of 121 free throw attempts for 84 per cent, and scored a total of 578 points during the past season. The statistic that established Rawls as one of the premier guards in the state was his "credits"—defensive steals, offensive assists and extra-effort plays, averaging 20 credits per game.

Rawls will attend Howard Payne Junior College this fall on a full athletic scholarship.

Rocky Rawls

Rawls will attend Howard Payne Junior College this fall on a full athletic scholarship.

Hartman scores 11 points in all-star tilt

Nazareth's Cheryl Hartman contributed 11 points and Canyon's Merry Johnson 10 points in the 66-57 Texas victory over Oklahoma Saturday night at Plainview in the ninth annual all-star girls basketball game between the two states.

This year's game may mark the end of the inter-state rivalry with Texas switching to the five-player game next year and Oklahoma deciding to stay with the six-player system.

Oklahoma, if the series does end, will come up the winner with a 6-3 record in the event.

Dean Weese, coach of Wayland's Flying Queens, coached the Texas squad.

Other players from the West Texas area included Lynn Webb of Slaton, who scored 15 points in the contest, and Carla Wojtek of Robert Lee, a guard.

Debbie Polk of Palacios topped the Texas squad with 17 points.

Miss Hartman, one of the mainstays of the Nazareth team which has won two consecutive state Class B championships, plans to attend the University of Texas this fall.

Hart couple honored in new home

A housewarming for Mr. and Mrs. Johnny Clark, who have lately moved from their farm home north of Hart to a residence in that city, was given by numerous friends Sunday afternoon.

Hostesses for the informal party were Mmes. Robert Brooks, Paul Brooks, Harvey Davis, Myrt Loman, Harold Bass, Garland Crosby, Stewart Newsom, Lorenzo Lee and Charles Black.

The hostesses presented the honorees a serving tray and candelabrum in gold finish, and guests presented various gifts for the house.

Grid hopefuls reminded to get physicals

Prospective gridders at Dimmitt High School should have their physicals by Aug. 9 and be ready for workouts later in the month, Head Coach Jerry Vance has announced.

Vance reminds players that a student may not start workouts until the form for his physical examination is completed and turned in. The forms may be picked up at the DHS office or the fieldhouse.

Shoes and shorts will be issued to the prospective 1978 Bobcats Aug. 9, when coaches will pass out the equipment to upperclassmen in the morning and freshmen in the afternoon.

Workouts will begin Aug. 14, one-a-days for freshmen and two-a-days for others in separate sessions, Vance said.

Krueger will bring campaign to Dimmitt

US Rep. Bob Krueger, Democratic candidate for the US Senate in November in opposition to incumbent John Tower, Republican, will be in Dimmitt Friday, one stop in a campaign swing through this area.

Voters of Castro County are invited to meet him at a reception from 11:30 a.m. to 12:30 p.m. Friday in the Dimmitt City Hall assembly room. Krueger will come here from Tulsa and go on to Friona for an afternoon reception.

Agriculture will be his topic at a press conference in Lubbock today (Thursday) at 2:15 p.m. It will be held in Parlor

B of the Lubbock Hilton Inn. Visits to 10 cities in the area are scheduled by the candidate and he will attend a meeting at 7:30 p.m. today of the West Texas County Judges and Commissioners Association, also at Lubbock's Hilton Inn.

Krueger, a New Braunfels resident, entered politics in 1974 and after winning his first race was named "Rookie Congressman of the Year" in 1975 by the Texas Monthly. Previously, he was an associate professor and dean of the college of arts and sciences at Duke University.

He says he is an independent Democrat, "independent of power politics and party factions," and adds that he listens to differing points of view and then votes the way he believes will benefit Texas and the entire nation.

He favors deregulation of gas and oil prices and development of new energy sources.

Pastor describes SA mission work

By MRS. OWEN ANDREWS

Rev. and Mrs. Johnny Tims and family left Sunday afternoon for Paisano Encampment, near Alpine, for a week's camp. Cliff Hargrove preached Sunday night and gave some of his experiences while with the Southern Baptist Church group preaching in South America for two weeks earlier this month.

Mrs. Billy Warrick and Rosie Holbert and son Tony visited Mrs. Warrick's niece, Mrs. Robert Ensley and family at Terral, Okla. over the weekend.

Mr. and Mrs. Rocky Andrews and Hal and Lynn Andrews, all from Carthage, came Sunday morning to spend a few days with family—Rocky and Vivian with their parents, the Clark Andrews and LeeRoy Burges and Hal and Lynn with grandparents, Mr. and Mrs. Owen Andrews and others of the family. Hal and Lynn are sons of the Glenn Andrews. The other son, Clint, was off to Washington with a FFA group from their school in Miller, Mo. Clint is a senior here this year, Hal is a sophomore in Missouri State University at Springfield and Lynn is a junior in Miller High School.

Mr. and Mrs. Glenn Andrews of Carthage, Mo. came Saturday to attend the high school class reunion held at the Hereford Country Club that evening. Glenn was a

member of the class of '53. More than 60 of the class of over 90 members were estimated to have attended the gathering, along with many of the husbands and wives. The Andrews visited his parents, Mr. and Mrs. Owen Andrews, and others of the family, including the Herbert Bruns of Corsicana, who were also here visiting. Glenn Andrews and Kevin Sparkman went to Missouri Monday night. Kevin going for a visit with the Rocky Andrews there. Mrs. Glenn Andrews remained to visit until Friday. She also went to Canyon to visit her relatives and to Amarillo to visit her brother, Troy Burrus and family. At Stinnett she visited the Austell Burrus family, her other brother.

Mrs. Jim Brooks, Mrs. D. O. Benson and her daughter, Mrs. Virginia Cruse, attended a family reunion recently at Nocona. Their family, the Mitchells, and their off-spring were the ones attending the gathering with various others of near kin. They also celebrated Mrs. Benson's 81st birthday while there.

Recent visitors of Mrs. Jim Brooks were nephew Elton McClennen and Mrs. McClennen of Comanche, Okla. They were returning home after a vacation in the Colorado mountains.

Mr. and Mrs. Leon Hokett of near Dallas were visiting the Olin Parrises and D. F. Yandells and Mrs. Grace Parker this week. They also attended Wednesday evening church service at Frio. He has been music director for quite a number of revival meetings at Frio over the years.

The Walker Parrises went to Colorado for Walker to have a conference with Dr. L. B. Barnett at his clinic at Del Norte this week.

ANDREW Carnegie, US industrialist and philanthropist, never graduated from grade school.

Shipping snafu delays project at phone office

Installation of a new electronic generator in the Dimmitt office of Continental Telephone Co. has been held up because of a shipping delay. Manager Reeford Burrous reported this week.

The generator arrived Monday, is now being assembled, "and if everything tests out okay on it, we hope to phase it in Tuesday," Burrous said.

When it goes into service, the new generator will give telephones in the 647 exchange a different sound in dial tone and ring-impulse signal. It will carry twice as much telephone traffic as the present generator.

Mr. and Mrs. Ronnie Griffith are the parents of a boy, Justin Wayne, born July 17, 1978, weighing 7 lbs.

OUT OF TOWN
Jennifer Lee Vick was born July 18 at Canyon to former Dimmitt residents, Johnny and Janie Vick of Amarillo. She weighed 5 pounds 13 ounces. Grandparents are Bob and Mildred Sheffy of Canyon, formerly of Dimmitt, and Clyde and Clara Vick of Dimmitt.

Mr. and Mrs. Charles Summers of Dimmitt are the parents of a baby boy who was born July 14 in Amarillo. He weighed 7-pounds, 1-ounce and has been named Coby Charles. He has a big brother Casey who is 4. Grandparents are Mr. and Mrs. Houston Lust and Mr. and Mrs. Melvin Summers. Great-grandparents are Mr. and Mrs. Vern Lust and Rachel Summers.

Happy anniversary!

Tops members invite guests

Members of Texas Tops Club 386 will invite their spouses as guests at a "fun night" after the meeting Monday in the American Legion Hall. The regular meeting will begin at 6:30 p.m. with Vivian Pigg, leader, presiding.

At this week's meeting 27 members weighed-in and registered a total weight loss of 15 pounds, 4 ounces. Those who had earned awards but were not present at the awards banquet Saturday night, received their citations.

More about:

Jail case ...

[Continued from Page 1] deputies; and to develop a procedure whereby prisoners can have either registered nurses or physicians make ultimate medical decisions regarding their illnesses or health problems.

The proposed settlement also calls for a \$1,500 cash payment to McDonald, plus 9% interest from Aug. 1, 1976; payment of a "reasonable sum" for McDonald's attorney's fees; and payment of attorney's fees for Cartwright, Cooper, Cowart and the county if the case should go to trial.

Cartwright, Cowart and Cooper have the option of joining in the county's proposed settlement or severing their individual defenses.

Also, McDonald and his attorney, Robin Green of Amarillo, can either accept or reject the proposed settlement. If they reject it, the case will go to a jury trial before Judge Halbert O. Woodward in the US District Court in Amarillo on Aug. 7 or later.

After hammering out the proposed settlement Monday, the commissioners' court voted to authorize their attorney in the case, Frank Gaston of Plainview, to sever the county's and the former commissioners' defense from the defense of Cartwright and his former deputies only if the proposed settlement is not accepted and the case is set for trial by jury.

Present during the commissioners' discussion of the proposed settlement Monday were Gaston, Cartwright, Winders, Bennett (the only defendant who is still a county official), and County-District Attorney Jimmy Davis, who is representing Cartwright and his former deputies.

Sleeping sickness danger seems past

A horserace for vaccinations began after the recent death of an animal from equine sleeping sickness in this county, but no further outbreak of the contagious disease has occurred.

Most horse owners are having their animals vaccinated and the fear of an epidemic has lessened, but the disease can in some instances develop slowly so that danger is not entirely past for about 60 days, local veterinarian Dr. Charles Atchley said.

Sunnyside

Week's rain totals 2.35

By TEENY BOWDEN

Rain for the week totaled 2.35 inches, with .25 of an inch received Monday night, a trace Friday, 1.40 Sunday morning and .70 Sunday night. There was less at Sunnyside and to the south.

Mrs. Sam Ogan of Amarillo conducted a Prayer Retreat at the church Monday afternoon, assisted by her daughter. Thirteen women attended.

Mrs. Ogan was almost burned to death while her husband was pastor of the Frio Baptist Church. It took almost a year to recover from the injuries, and she shares her testimony every time she has an opportunity.

Rev. and Mrs. Lee Gwin of Kinta, Okla. visited Wednesday with Mr. and Mrs. Milburn Haydon and attended the Wednesday night church services with them.

Lynn Brown attended the Southwest Athletic Trainer's course in Waco Wednesday through Saturday to prepare himself for the job of manager in the Springlake-Earth athletic program this fall.

Michael Graham returned home from his Heritage Tour to Washington, D.C. Tuesday night. Mr. and Mrs. Gerald Graham and Tommy met his plane in Lubbock. The tour left Dallas by bus and he flew from Dallas home.

Shuta Ueda of Nayota, Japan will be a house guest of Mr. and Mrs. Ray Riley, Kevin and Jodie. Another student will be a house guest of Mr. and Mrs. Gerald Graham, Tommy and Michael. His name is Hirota Shibuya and he is from Sendai, Niyagi where the earthquake struck recently. He is 17 years old, a junior in high school. The program is designed to help them learn English while they are on their school break.

A church-wide dinner was held Sunday as an emphasis in the cooperative program for the month. Due to the heavy rain just before church time the attendance was small, however.

The Sunnyside Uppitts gave a performance for the Vacation Bible School of the Hart Church of Christ Monday. Those participating were Mrs. Cliff Brown, Mrs. David Sadler, Mrs. Bruce Bridges, Tammy and Rhonda Ross, Susan Sadler, Carrie and Stacy Sadler and Ginny Guy. Also attending were Mrs. Glen Smith of Springlake, Erin and Robin Bridges, Anne Guy and Lynn Brown.

The community meeting will be postponed a week because of reunions and vacations. We will meet Aug. 12 instead of the 6th.

Mr. and Mrs. Ricky Little and Lacey moved back into the community Saturday. They are living in the house just west of the community building. He works for Earth Oil and Gas.

Mr. and Mrs. Bobby Moore of Dallas visited Sunday with Mr. and Mrs. Roy Phelan.

Mr. and Mrs. David Sadler, Melody and Karla had dinner in Hereford Sunday with her brother, Karl, who is home from the service in Georgia for a visit. Mr. and Mrs. Jake King and Mr. and Mrs. Tim Dawson.

Ray Lynn Owens left last Thursday for Seymour to visit with Mr. and Mrs. Jerry Hampton and children and to go to Six Flags with them.

Jill, Jennifer and Jason Shive of Lubbock came home with their grandmother Saturday to spend a few days with Ruth and Noah Spencer and Lyle Shive.

Mrs. Alan Jackson of Midland spent last weekend with her mother, Mrs. Eules Waggoner.

Mrs. Eules Waggoner visited in Plainview Friday with Mrs. Robbie Lindsey and Mark to help him celebrate his first birthday.

Mr. and Mrs. Mickey Waggoner, Jason and Julie of Houston arrived Tuesday and spent Tuesday night with Mr. and Mrs. J. Paul Waggoner. Mr. and Mrs. Mickey Waggoner left Wednesday morning for a week's vacation in California. Jason and Julie will stay with their grandparents while they are gone.

Mrs. Katie Waggoner of Dimmitt had dinner with Mr. and Mrs. J. Paul Waggoner, Jason and Julie and Mr. and Mrs. Jimmy Waggoner, Stacy and Jana Sunday to celebrate her 92nd birthday.

Mr. and Mrs. Hershel Wilson and Daneen have entertained Ann Grandlun of Finland in several different ways this week. Last Sunday they took her on a picnic at Lubbock and they made a tour of the Ranch Heritage Museum on the Tech campus. Tuesday night they hosted the Foreign Exchange Students from La-

mesa, Levelland, Lubbock and Shallowater and their host families with a hamburger cookout with 32 present. Tapan Nan, the student staying in Levelland, spent Tuesday through Friday with them. Mrs. Wilson took the girls shopping in Lubbock Wednesday. Thursday the girls watched as Hershel and Daneen worked on tapes in Lubbock starting a new record album. They also visited in Ropesville with relatives. Thursday night Daneen took the girls to see their first rodeo at Earth. Friday they played tennis in Dimmitt and were interviewed by Don Nelson. Friday night they all attended a watermelon feast hosted by the Shallowater hosts. Sunday the host families and the students made a tour of Carlsbad Caverns. There were 24 on this excursion.

Mr. A. E. Davis of Lubbock has been visiting with Mr. and Mrs. E. R. Little for the past 10 days.

The Treasure Hunt Reading Club Pirate Party will be Sunday night in Fellowship Hall at the church at 6. We will be finding that buried treasure and determining who will receive it. All boys and girls in the community three years through seventh grade are urged to attend. All you little Pirates bring your logs so we can double check to see if you have all your X's on the map before we make the treasure hunt.

King attends National Corn Growers meeting

Carl King of Dimmitt, president of the Texas Corn Growers Association attended the annual convention of the National Corn Growers Association last week in Lincoln, Neb.

King, who is on the board of directors of the national association was the only Texan delegate at the convention. Among the speakers were Sen. Bob Dole of Kan., Gov. James Exxon of Neb., and several experts from the University of Nebraska who explained the state's gasohol research and production programs.

King submitted a resolution amendment seeking sanction for the action of the National Energy Committee for exempting farmers from incremental pricing on gas used for irrigation purposes. However, the amendment was defeated.

"Farmers in the mid-west are interested in getting gas - period. They'll worry about the pricing of it later," King said.

"We don't know whether the final version of the energy

GOSPEL CONCERT SINGERS—Jerry Jordan and the Jordans will present a gospel concert in Dimmitt High School Auditorium at 8 p.m. Friday, sponsored by the Church of God of Prophecy. Tickets priced at \$3 for adults and \$1.50 for children 6-12 may be purchased at

the door or in advance at Alvin's Cleaners or Dimmitt Printing. A family Bible valued at \$49.95 will be given as a door prize according to Donald Price, pastor. Jerry Jordan is well known for a recent record, "Phone Call From God."

Nazareth

Sisters visit from Michigan and California

By VIRGIE GERBER

Gordon and Bonnie Golder and children of Big Rapids, Mich. and Dolores Geisler and daughters Wendy and Rebecca of Modesto, Calif. spent a week with their mother, Rose Warren.

Evelyn and Tammy Hill of Lubbock visited with Mrs. Meta Stork and other relatives on Sunday.

Chell Pohlmeier is recuperating from knee surgery at a

hospital in Dallas. She is staying with her sister and family, Linda Kendrick. Mrs. Dorothy Pohlmeier and Monette Callling flew to Dallas to be with her after surgery.

Lisa Pohlmeier went by bus to Colorado Springs to visit her sister, Brenda Conrad and family. From there she will go to Center, Colo. to visit her sister, Pam Bogle and family. Brianna Bell of Fort Worth and her cousin from Lubbock spent Sunday visiting Brianna's grandmother, Mrs. Meta Stork.

Dale Albracht, his wife JoAnn and daughter Tanyi of Modesto, Calif. visited here with the Pohlmeier relatives.

Gene and Suzie Gerber and family of Odessa were here for the Braddock-Huseman wedding. Natalie and Jenny will be spending a couple of weeks here with grandparents while their mother has surgery in the Odessa hospital.

THE FIRST tennis shoes showed up the United States 108 years ago.
