Now the president tells us that the rate of unemployment will be in the neighborhood of 4 1/2 percent in 1972, and that inflation will be going at about 3 percent, all of which augers well for the overall economy.

I have mentioned here several times that I don't know anything about money or economics. I just never did get into the business. But there are a few simple facts of life that I have picked up through good times and foul. I found out through experience that when I was unemployed, the rate of unemployment was 100 percent as far as I was concerned. This was one of the imponderables that caused people to wonder when the republicans advocated more unemployment as a cure for our economic ills during the last presidential election campaign. The unemployment rate has gone up as planned, but the rate of inflation hasn't gone down as was anticipated.

The simple solution would be to slap on some wage and price controls until people and corporations come to their senses about the value of money, or what the value of money should be.

According to information intercepted through daily newspaper stories, which I read during television commercials, we learned that Prince John Connally, formerly governor of Texas, received some \$225,000 from the Sid Richardson Foundation during the time he was governor. Prince John says that this little old pittance was in payment for services rendered before he became governor. It might be possible that the Sid Richardson Foundation didn't have enough money to pay its labor bills on the first and fifteenth, so had to pay their top hand by installments after he became governor. The ex gov says that the whole thing was just a tax dodge and that he was just trying to swindle the federalists out of their just share of withholding taxes on his miserly wages. Oh boy.

Also, now, Charles Guy of the Lubbock Avalanche-Journal staff tells us that Franklin D. Roosevelt is to blame for all of the crime now being committed in Washington. He says that he knows the accusation is a fact, because he was in Washington when he was five years old and there wasn't any crime in the nation's capitol at that time. I will wager one thing, and that is that Editor Guy's logic was better when he was five years old than it is now.

This same Charles Guy is the author of a recent article in the Lubbock paper that more or less justified the payola, currently in the news, received by state officials because Billy Sol Estes contributed to Senator Ralph Yarborough's campaign fund. Again, Oh Boy! In all fairness to Senator Yarborough, it should be pointed out that Billy Sol didn't get any bills passed through the congress as was the case in the state legislature, as revealed by the current investigation.

## Voter total down to 2,950

For the first time since the poll tax was abolished, voter registration in Castro County has dropped.

**COUNTY TAX** Assessor Kent Birdwell reported that the total stood at 2,920 Tuesday, and that applications remaining to be processed will hike the total to approximately 2,950. This is 241 voters less than last year's record of 3,391.

The total may continue to edge upward before the May party primaries as more 18-year-olds register for the first time. Birdwell said. Any person may register when he or she becomes 18, and will be eligible to vote 30 days after registering.

## Robbery suspect given 25 years

Billy Ray Johnson of DeKalb was sentenced to 25 years in the state prison after pleading guilty to an assault charge Friday in District Court.

**JOHNSON** was charged with the Nov. 10 armed robbery of Mrs. Charles Springer on an unpaved county road in the Easter area. The Castro County Sheriff's Office traced him to DeKalb by his use of Mrs. Springer's cancelled credit cards.

## Mayor conducts regional meet

Dimmitt Mayor George Bradford, president of Region II, Texas Municipal League, presided at a regional meeting last Thursday in Amarillo.

**ATTENDING** the dinner and business session with Mayor and Mrs. Bradford were Commissioner and Mrs. Troy Kirby and City Mgr. and Mrs. E. B. Noble.

**EARLY SPRING?**—Springtime seemed so near Friday and Saturday that kites sprouted in the warm, gentle breezes above the rooftops. Here, Bobby Crozier, 8-year-old son of Mr. and Mrs. Bob Crozier, 702 Oak St., gives his "Baby Bat" kite a workout. The false spring didn't last, though—a new cold wave passed through Saturday night, and on Monday the mercury hit a high of only 37 degrees. And Tuesday morning, the legendary groundhog saw his shadow before the clouds obscured the sun, so it may be six more weeks before we have good kite-flying weather again.

## Gin owner faces 17 theft counts

The Castro County Grand Jury returned 17 theft indictments against a Dimmitt gin owner last Wednesday, charging that he had unlawfully sold cotton not belonging to him.

**CHARGED** in the indictment was Gene Ellis, owner of the Ellis Gin Co.

## Cats, Bobbies rout Lockney

Dimmitt's Bobcats and Bobbies collected a pair of lop-sided conference victories at Lockney Tuesday night, with the Cats winning 89-57 and the Bobbies earning a 43-23 victory.

**IN THE boys' varsity game**, every boy on Coach Kenneth Cleveland's squad saw action—including three B-squad boys—as the Bobcats creamed the Longhorns.

The Cats jumped to a big 25-9 lead in the first period, and were out front by 42-26 at halftime and 63-41 at the end of three.

Kent Bradford scored 20 points, Mark Wolgemuth and Danny Ebeling collected 17 each and Jerry Matthews chalked up 10 for the Bobcats.

**IN THE girls' varsity bout**, Dimmitt's guards held the Hornets to three points in the first period and two in the third to pave the way to a 43-23 victory.

Meanwhile, the forwards were passing the scoring honors around as Karen Baldridge sank 18, Cynthia Henderson 10, Nancy Tisdale 9, Terrie Newton 4 and Diane Dyer 2.

The Bobbies collected 35 rebounds to choke off Lockney's scoring. Of the five Bobbie guards who saw action, four collected five or more rebounds apiece. LeeAnn Merritt and Ann Lust led the way with seven each, while Sarita White and Sandra Robertson grabbed five apiece. In addition, Lust made four steals and Merritt three.

**THE BOBBIES** will play in Amarillo Civic Coliseum Monday night, facing the Canyon Eagletes at 5:30 in a prelim bout before the West Texas State University game.

## Man sentenced to three years

Henry Bledsoe was sentenced to three years in the state prison by District Judge John T. Boyd Friday after pleading guilty to a charge of driving while intoxicated, subsequent offense.

The indictments alleged that in January Ellis sold cotton to buyers without the permission or knowledge of the cotton's owners-producers.

Fifteen of the gin's customers were mentioned in the separate indictments as having lost cotton through the alleged unlawful sales. They were Howard Scoggins, Wilma B. Scoggins, Joe Drerup, Ed Drerup, George W. Book, George H. Book, Earl Backus, Henry A. Cooper, Curt Glenn, Lawrence Acker, Francis Acker, Travis Hampton, Clyde Hoelting, A. P. Helting and Earl James.

**VALUE** of the cotton was not disclosed in the indictments, except that it was over \$50 in each case.

The gin—which was the Five Point Gin until Ellis bought it in 1969—was sold by bid in a trustee's sale Tuesday. The original Five Point Gin partnership resumed the mortgage on it.

## Morton, Tuesday

It will be "do or die" for Dimmitt's Bobcats Tuesday night as they travel to Morton for the District 3-AA showdown.

**GAME TIME** is 8 p.m., following a boys' B-team bout at 6:30. An overflow crowd is expected in Morton High School Gym, which has the same seating capacity as Dimmitt's home court.

The two superb quintets now sport identical 25-2 records. Morton's only losses have been to Levelland and Ralls. Dimmitt has lost only to Phillips and Morton. Both teams have mowed down Class AAAA opponents.

**THE first Dimmitt-Morton tilt** was a heart-stopper. Playing before a standing-room-only crowd here, the Indians eked out a 60-58 victory over the Bobcats.

That victory gave Morton the first-half championship in District 3-AA. So if the Indians win again Tuesday night, they'll be headed for the playoffs again this year. But if Dimmitt wins the Tuesday night showdown, a tie-breaking game will be required to determine the district championship.

Dimmitt has won the district title every year for more than a decade, and this year sports one of the finest quintets in the school's history. But Morton has all six boys back from the team that went to the state tournament from District 4-AA last year.

**SO THERE** may be more than a district championship involved Tuesday night. A possible trip to the state tournament could also be at stake.

"I think our boys are looking forward to it," Coach Kenneth Cleveland said. "We're ready to go—I hope."

## Drug probe underway here

A District Court Grand Jury indicted two youths for alleged narcotics violations last Wednesday, and will go back into session Monday morning to study the extent of illegal drug traffic here.

**LAST WEEK'S** felony indictments resulted from an investigation by District Attorney Tom Hamilton's office.

"The investigation is continuing," Hamilton said, "and the Grand Jury will convene again at 9:30 Monday morning. I don't know at this time whether additional indictments will be returned."

In last week's Grand Jury action, Jimmie Ray Coleman, 20, was charged with two narcotics violations—possession of a narcotic drug and selling narcotic drugs. The Grand Jury set his bond at \$2,500 on the possession charge and \$25,000 on the selling charge.

Teena Proffitt, 18, was indicted on one count of possession. Her bond was set at \$2,500.

**STATUTORY** sentences on the charges are imprisonment from two years to life for possession and five years to life for selling.

Hamilton said the charges against both youths date back to Dec. 17, when Coleman allegedly sold marijuana to an undercover agent in Miss Proffitt's presence. The alleged transaction took place within the city limits, Hamilton said.

When the Grand Jury goes back into session Monday, the district attorney said, "additional individuals will be questioned with regard to their knowledge of the sale or use of narcotic drugs in Castro County."

**HAMILTON** said he will turn over to the Grand Jury all evidence which his office has compiled on illegal drug traffic here, and that his office "intends to follow the recommendations of the Grand Jury."

## Maxwell to talk to Young Farmers

The Dimmitt Young Farmers will hear a discussion of potato production, processing and marketing at their meeting tonight (Thursday) in the Dimmitt High School vo-ag building.

**ALBERT MAXWELL**, of La Mantia, Cullum, Collier & Co. will present the program.

The meeting is open to the public.

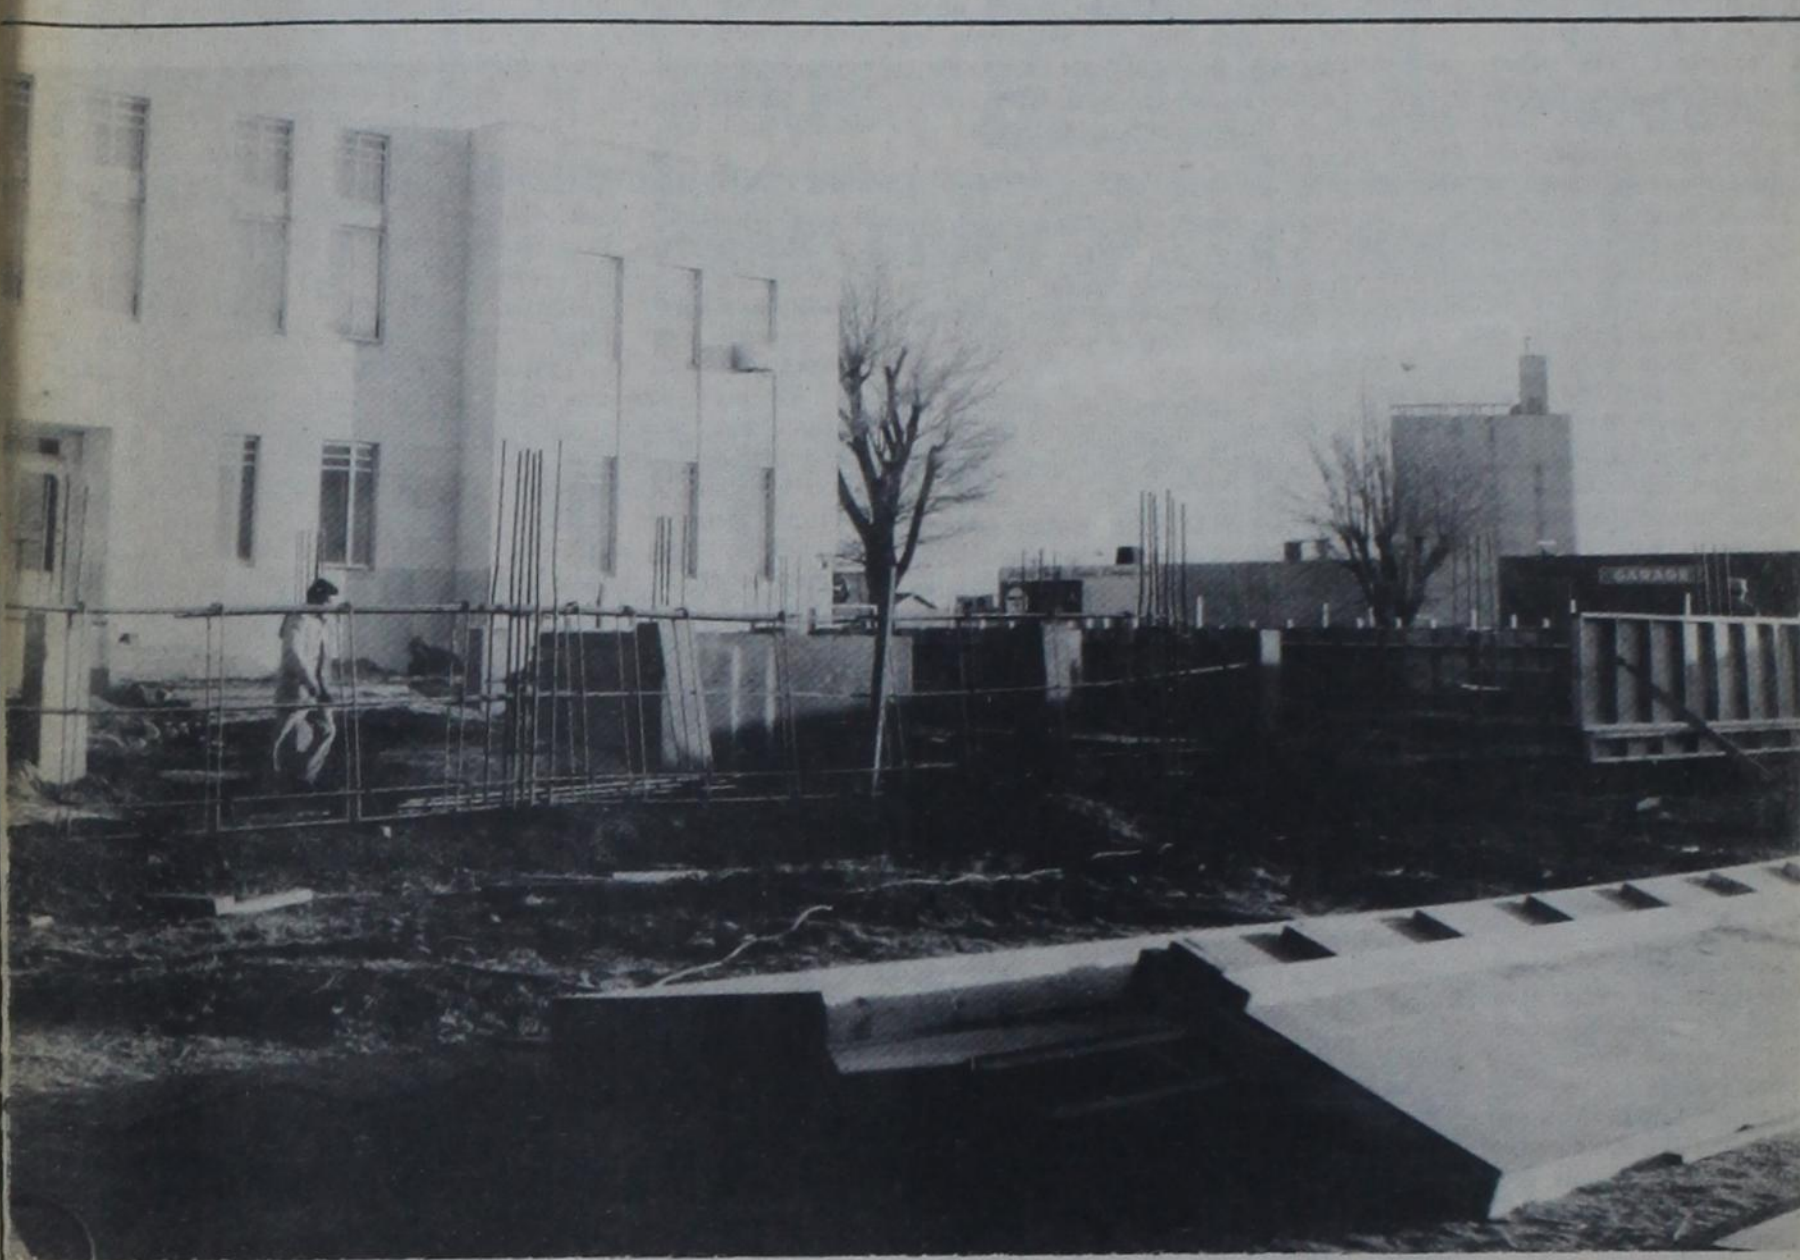

## Hart taxpayers to play faculty

An evening of fun is in store Feb. 12 in Hart when the school faculty plays the "Hart Citizens" in a benefit basketball game.

**SPONSORED** by the Hart Booster Club, the game will be played in the high school gym. Admission will be \$1 for adults and 50 cents for students. Proceeds will go to help pay for the annual athletic banquet.

**EXCHANGE STUDENT RETURNS**—Gary Huntingford of Melbourne, Australia, who was an American Field Service exchange student at Dimmitt High School in 1961-62, returned to his "American home town" Sunday with his wife, Gael, and his American family, Mr. and Mrs. Carl Easterwood, who now live at Sulphur Springs. They were guests of honor at a reception Sunday afternoon in the home of Mr. and Mrs. Russel

**CONSTRUCTION** is progressing well on the courthouse expansion project. This was the scene Monday morning as workers surrounded the new floor-level abutments with reinforcement steel and started putting up the stem-wall

forms. The wood and steel framework outlines the boundaries of the addition, which will double the above-ground size of the courthouse, but blocks the south entrances, making the main north doors the only way in or out.

## Cancer dangers and hopes told

Cancer, sooner or later, will strike in two of every three homes in the county.

**THIS chilling statistic** was reported to the Dimmitt Rotary Club Friday by Mrs. Laurence McLain of Hart, chairman of the new Castro County unit of the American Cancer Society.

Mrs. McLain is currently conducting a one-woman crusade before local civic and social clubs to gain public support for the new county unit, which will provide services to local cancer victims.

Terming the American Cancer Society as "the only business that's in business to go out of business," Mrs. McLain said cancer can be conquered, but that it will take a nationwide "crash program" requiring an expenditure of a billion dollars a year through the mid-1970s.

**SHE** commended President Nixon for his proposal in his State of the Union message to appropriate funds for such a crash program against cancer.

Texas gets \$1.11 back for every \$1 it sends to the American Cancer Society, Mrs. McLain said. This is because the state has 13 hospitals performing cancer research.

Of every \$1 donated to the ACS, she said, 38 cents goes for research, 15 cents for pro-

fessional education, 21 cents for fessional education, 21 cents for service to cancer patients, five cents for program development and administration, and nine cents for campaign purposes.

Of the more than 15,000 cancer deaths in Texas last year, 5,000 could have been avoided, she said.

"Our immediate goal is to get the message into every home and before every club in Castro County, so our people will know to recognize the seven warning signals of cancer and know to go to a doctor if the symptom persists."

**SHE ADDED**, "The problem is to detect cancer before it spreads in the body—while it's

## TB program set next week

The family living committee will sponsor a program on tuberculosis next Thursday at 2:30 p.m. in the assembly room of the courthouse.

**CHARLES McIntosh** of Amarillo, executive director of the Top of Texas Tuberculosis Association, will show a film and answer questions.

The meeting will be over by 4 p.m.

still localized." One of every four Americans alive today will become cancer victims, she said. 335,000 people will die of cancer in the US this year—more than 900 per day.

"And as many as half of these people could have been saved if the disease had been detected soon enough," she said.

**BECAUSE** of the recent formation of the Castro County unit of the ACS, many services are now available to cancer patients in the county, she explained.

"Lubbock has one of five American Cancer Society service centers in Texas, with hospital equipment to loan free of charge," she said. "In addition to this service, we already have three organizations in the county working on dressings, Johnny coats, nylon-filled pillows, draw sheets, cloth wipes, and so forth."

"We could use more used shirts and nylon hose," she continued. "In fact, there are many things that we take for granted and throw away every day that could be used by the American Cancer Society."

**MRS. McLAIN** noted that April will be Cancer Crusade Month across the nation, and described the various phases of the Crusade.

**County gains 102 in count**  
Castro County gained 102 residents in the final count of the 1970 Census.

**THE official population figure** for Castro County now stands at 10,394. The original count was 10,292 in the preliminary Census figures.

The figure means Castro County's population increased by 15 1/2 percent from 1960 to 1970. The 1960 Census figure was 8,923. Statewide, Texas enjoyed a 17 percent increase in population during the decade. However, the Panhandle area as a whole showed a slight loss.

## Defendant gets probated term

Jimmy Walker was placed on two years' probation by District Judge John T. Boyd Friday after pleading guilty in District Court to a theft charge.

**WALKER** was charged with having taken money, wrenches, booster cables and tools belonging to John L. Spencer last Feb. 21.

## On the Go

**TROY HONEA** and his uncle Herman Honea of Warsaw, Mo., and Bonita and Cont Jones of Pleasant Grove, Utah and their children attended the funeral of Boyd Honea in Amarillo. He was the father of Troy and Bonita.

"We plan to form an IQ Club, with lapel badges meaning 'I Quit'—smoking."

"Another program especially appealing to children is the 'Send a Mouse to College' campaign, with envelopes for 27-cent donations—the cost of buying a research mouse for a medical college laboratory."

"**AND I'M** also looking for some men who will say, 'I'll take care of some of the business during the Crusade,'" she said.

Mrs. McLain said she hopes to speak before every civic, service and social club in the county before Crusade time, to explain the goals of the American Cancer Society and to distribute literature giving cancer information for men and women.

"It has been very heartwarming to see the immediate response in Castro County so far," she said.

## Last rites held for R. L. Calhoun

Funeral services were held Friday afternoon in the Lee Street Baptist Church for Robert Lee Calhoun, 72, who died last Wednesday in Plains Memorial Hospital.

**MR. CALHOUN**, a long-time resident of the Dimmitt area, was a retired farmer. Born March 15, 1898, in Sulphur Springs, he was a veteran of World War I.

Officiating at the funeral service was Rev. Bill Wadley, pastor of the Lee Street Baptist Church, assisted by Rev. Jim T. Pickens of the First United Methodist Church.

Burial was in Castro Memorial Gardens, under the direction of Dennis Funeral Home.

**MR. CALHOUN** is survived by a daughter, Mrs. C. A. Wood of Dimmitt; a son, Edward P. of Dimmitt; a sister, Mrs. Ella Parker of Palestine; nine grandchildren and two great grandchildren.

Active pallbearers were Ronnie Cantrell, Troy Langford, Lester McDermitt, Delbert Scott, Jim Layman and Joe Wall. Honorary pallbearers were Howard Cook, Ned Smith, Jack Ebeling, Archie Bussey, Bud Griffin and Leonard Dempsey.

Sheffy's chatter

Morans host reception for 1962 AFS student and wife

By MYRTLE SHEFFY
Gary and Gael Huntingford of Melbourne, Australia, were the honor guests at a coffee and open house at the Russel Moran's Sunday afternoon.

GARY was our foreign exchange student several years ago. He lived with Mr. and Mrs. Carl Easterwood when they were at Flagg, Gary's wife Gael is a buyer for a big import store and had this good trip to Europe, Italy and Paris. They stayed five days in San Francisco and will get to see New York City before flying out.

Mr. and Mrs. Carl Easterwood of Sulphur Springs in northeast Texas were here for the coffee and a visit. By the way when you go see the Easterwoods, their phone number is in the Como Exchange out of Greenville. They are also visiting with son Rex and Shirley at Hereford.

Mr. Alvis Fuquay was at the party. They live in Olton now. Both are with the school system. The Fuquays were Sunday guests of Bill and Kathryn Birdwell. Mr. and Mrs. Fuquay were with the Dimmitt School System for several years.

KENT AND Mary Gabel and children will be moving to Amarillo very soon. Kent will be with the Amarillo National Bank. I believe the Ware and Jay Taylor families are owners. He has been farming with his father George Gabel, and besides the Flagg farms they managed Mrs. Pearl Sheffy's place northwest of town.

Mr. and Mrs. Charles Davis of Andrews were Sunday dinner guests of his sister Mrs. Bill Graham Jr. and the family. Going to Ruidoso to ski this past weekend were Mr. and Mrs. George Gabel, Mrs. Jim Hamilton and three daughters Shelia, Mary and Jeanie, Clay Gabel and another teacher Miss Gwen Lovett. I hear they need much more snow there.

Nick Gonzales was host at a dinner at the Colonial Inn Restaurant Sunday for his employees - Mr. and Mrs. James Slough (Ruth is bookkeeper), Mrs. Kenneth McDermitt, Mrs. Jerome Durbin, Mr. Fuentes, Amelia Fuentes, Joe Hernandez, Lorna Stavenhagen and Mary Agueron. Nick is manager of Anthony's. All the stores, Cobbs, the Village Shop, Harmans and Anthony's have had big sales. Why not check this paper for the good buys?

DR. AND Mrs. Bill Lee left here Friday for Galveston where the Doctor will attend classes at the American Medical Academy

FACTORY EXECUTIVE CARS

Sale Price \$3,588.88

for general practitioners. They will be there for several days. They went by Claremore, Okla., on business. Mrs. Lee teaches nurses classes at Plains Memorial Hospital as does Kathy Lindley. Oh, yes, Kathy took a Texas drivers course and says she passed with honors! Hope I don't have to take that test.

I talked with Juanita Bruegel and she said daughter Sandy is home from Dallas until after the wedding in March. Sandy got a leave of absence from her job till then. Just now heard about their son Mike breaking his leg on the ski slope at Santa Fe a while back. He and friend Rodney Hutto went up for some skiing fun.

Roy (Shotgun) and Florene Stafford of Tulsa, Okla., and Mr. and Mrs. Joe Baber of Canyon were weekend guests of Dora Houtchens. Florene is a daughter and Mrs. Baber is a sister of Dora's.

Bob Lindsey is in Houston for a checkup. Good luck Bob, you will be playing golf real soon.

MARTHA Pearl Sadler is home from Abilene where she visited her sister Mrs. J. H. Christian, who is recuperating from recent surgery. She says she saw several other relatives while there and then Thursday Mrs. Sadler visited a cousin Mrs. W. B. Ballard in Tulsa.

Earl Brock has been quite ill in Plains Memorial Hospital. His out of town guests are son Dr. Bob and Patricia Brock and boys, Rebby and Shea from Mesa, Ariz., Earl's brothers Ralph and Charles from Lubbock, Mr. and Mrs. Arthur Brock of Hereford. Bob, Pat and boys are also visiting her parents Judge and Mrs. R. E. Wilson.

Herbace and Ceal Carlile spent a week in South Texas visiting and sightseeing. They stayed in Harlingen most of the time. They say the weather is nice and warm.

Mrs. Goodwin Miller was hostess at a dinner at the Colonial Inn Restaurant with bridge later at home on Thursday. Guests were Virginia Gilbreath, Edith Ramey, Ceal Carlile, Pearl Sheffy, Maxine Tidwell, and Anita Morris. I believe Edith and Maxine were the high score winners that day.

Mr. and Mrs. Goodwin Miller went to Israel this week to visit brother Bob who is not very well.

BENNY Hastings received his discharge from the US service Jan. 28. Benny served a year in Vietnam and has served as a helicopter instructor at Mineral Wells for two years I think. He is the son of Mr. and Mrs. Odus Hastings. Nice to have him home.

Claude and Dora Johnson are the great grandparents of twin girls who arrived Jan. 28. Parents are Carol and Don Dennis of Stratford. The grandparents are C. J. and Omega Johnson and Cecil and Trudy Dennis. The babies have been named Carla Dawn and Darla Lynn.

D. H. (Mollie) Malone went to Lawton, Okla., Thursday to be with his father who had surgery. Hope he is better now. D. H.'s wife Diana has a birthday one day and her friends, the M. J. Reeds and Pete Stewarts and the three Malone daughters baked her a cake and came for a party. Diana is with the gift department at Parsons now.

LOUISE KEMP visited her brother Pete Whitlow last Sunday at Happy. Louise's daughters have gone back to work after a visit here. Ginger and friend Joe Lynn of Dallas (she is in the children's department at a hospital there) and LaDawn who is in San Francisco teaching in a school of special education for children.

Durward Strickland was the speaker Sunday at the First Baptist Church and Cecil Jones was the song leader. These young

men are 19 or 20 years of age and Jetti tells me they did a fine job at the Youth Sunday Services. Durward is the son of Mr. and Mrs. Butch Strickland and Cecil is the son of Mr. and Mrs. Woodrow Jones who live near the street and west of us on Bedford. We need to hear more of this kind of youth work instead of the negative.

Joe Benson is home from a Lubbock hospital a little improved from a nerve pressure in his legs. He doesn't walk good yet. Mrs. Jimmy Jack Butler had surgery in Amarillo one day last week. Send cards to your friends. They probably do not need visitors just yet.

MR. AND MRS. Luanie Bell, Mrs. Polly Bell, Jack Gregory and Mr. and Mrs. Don Gregory attended the memorial service at the Olton Church of Christ one day recently for Mrs. C. M. Owens, who was the mother of Ellen Gregory. She was 80 years of age and was a very good friend of Polly Bell.

Lorrie and Janice Bell and children went to Abilene last weekend to visit son Mike and his new bride Michelle, who are in school at ACC.

Mrs. Burl Bradford visited a few days with her mother Mrs. Watson at Midland. Mrs. Watson is not well.

Jack Gregory made a flying trip to Deming, N.M. over the weekend. They have milo farming interests there.

Mrs. Claude Johnson says she went to the Sunday afternoon singing at the Lee Street Baptist Church. Rev. Bill Wadley reports the largest attendance since the singing started. Why don't you go?

Mr. and Mrs. Barney Green of Bovina were guests of her sis-

ter Mrs. Rex Sheffy and family Saturday. The girls brothers are Hubert and Delbert Smethe-man.

MRS. OSCAR WYLIE has been visiting her parents Mr. and Mrs. Earnest Lovel at Plainview. They have been on the sick list but are better now.

Mrs. Norman Cleavinger visited Saturday with her daughter Norma and Ed Dawson at Earth. They all went on to Lubbock where Ken and Nancy Dawson had cooked a good birthday supper for his dad Ed. They went out to listen to the all-regional band concert. Some of their kids were in it as were Lonnie Markley, Laura Harsh, Jan Giles, Leisa Huckabay and Susan Patish from Dimmitt.

Ten Sunday Mrs. Cleavinger was a dinner guest of her brother Ray and Mattie Axtell in Earth.

Jack and Mary Flynt went to Wichita Falls, where Jack was the main speaker at an American Legion meeting and presented a new charter to the Sons of the Legion. They visited friends the Clayton Manns while there. Jackie, their son, a student at Tech, came home for the weekend. He is flying in the ROTC Air Force and has the rank of captain too. He was also elected president of his fraternity.

CALVIN and Tommie Sue Petty, the Dick Reinhardt and the Shirley Garrisons are home from a jet trip to Caracas, Venezuela, South America. This was a tour sponsored by the Hereford, I guess Castro, for better feed and fertilizer use. They made several good trips around the country and report the weather nice and warm, and flowers everywhere.

Virginia Sheffy and her parents went to Amarillo Monday. Dr. Hyde removed the pin holding a broken piece of shoulder bone. Virginia is doing fine and her broken bones are mending from the car accident in November. She is back in school again.

Mrs. Ruby Maples, Mrs. Lois Bartlett, Mrs. Birdie Neill, Mrs. Lorena Cates and Maggie Boren went over to Kress for the fish dinner on Friday.

Barney and Thelma Whigham of Lubbock were here Sunday to visit her sister, Ollene Williams and.

Jo Kirkpatrick and daughter, Meri, are here from Arlington, visiting the W. E. Kirkpatricks and other relatives. Meri will stay here and attend school this semester.

Jerry and Carol Cluck have been with her mother, Mrs. Frank Monzingo, who has had major surgery. She was able to go to her home in Memphis Sunday.

MR. AND MRS. Sandy Parsons II have been staying here with Sandy and the boys. They returned to their home in Wellington Sunday.

Butch Strickland preached his second sermon at the First Baptist Church Sunday morning. Cecil Jones led the singing. Butch attended Texas Tech and Cecil attended Wayland College and both boys are working now but plan to return to college. We are so proud of these fine young men.

Kate Beecher has returned from Dallas where she went to market for Cobbs Department Store. She also visited with her daughter, Beth.

Mrs. W. A. Lowrance is visiting with her daughter, Judy and Norville Birdwell. She lived at Hobbs, N.M. until the death of her husband recently, but plans to move here in a house near Judy that Mr. Lowrance had bought before his death. The Lowrances used to live here.

MRS. J. C. Williams attended funeral services at Hereford last week for her brother-in-law, Steve S. Williams. Mr. Williams was 79 years old and had been a rancher there for many years.

Elyada Funk of Okmulgee, Okla. is visiting her parents, Leonard and Zelma Smith. Her sis-

Bible Thoughts
'A PLEA'
By RONNIE PARKER
Sincere Christians are making an appeal to return to the first century religion of Christ. It is a plea for a restoration of the ancient order of things as fully set forth in the New Testament. The church built by Christ is his divine kingdom... his spiritual body... his bride.
The relationship of the church to the Bridegroom is expressed: "Wherefore, my brethren, ye also were made dead to the law through the body of Christ, even to Him who was raised from the dead, that he might bring forth fruit unto God" (Rom. 7:4). The bride must remain pure in doctrine and manner of life. "For I am jealous over you with a godly jealousy; for I espoused you to one husband, that I might present you as a pure virgin in Christ" (II Cor. 11:2).
The plea for restoration calls for sowing of the seed of the kingdom. When the seed falls into the good ground of an "honest and good heart," it brings forth fruit (Luke 8:15). Christ said, "The seed is the word of God" (Luke 8:11). When the same seed is sown in any century, only Christians make up the harvest. "Of his own will he brought up forth by the word of truth, that we should be a kind of first fruits of his creatures" (James 1:18). "Receive with meekness the implanted word, which is able to save your souls" (James 1:21).

from Dallas where she went to market for Cobbs Department Store. She also visited with her daughter, Beth.

MRS. J. C. Williams attended funeral services at Hereford last week for her brother-in-law, Steve S. Williams. Mr. Williams was 79 years old and had been a rancher there for many years.

LOOKING BACK...
There is a need to look back occasionally to get our bearings for the future. Past experiences often guide future action. What has proved good and profitable in the past will often prove to be the same in the days ahead. Serving God and our country through our churches and through civil and community service has always elevated us as a people and contributed to our image as a free and just country. We will not go wrong in adhering to these practices.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE
The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
Coleman Adv. Ser.

**SHERRI BURROUS** fires a layup for Dimmitt in the consolation game of the Dimmitt Freshman Tournament Saturday afternoon. The freshman Bobbies lost the consolation title to Muleshoe, 43-40.

**SHEFFY'S**

(Continued from Page 2)  
 ter, Zella Vee Wilson, has returned to her home in Dallas. Leland has been ill, but is able to be at home now.  
 Hazel and Ivor Bagwell have been to Tulsa, Okla., to visit their daughter, Nelda and Marion Falwell. They went to help Nelda celebrate her birthday.  
 Mr. and Mrs. Clinton McCormick of Lubbock are visiting their daughter, Oma Dee and Dan Heard.  
 Mrs. Bill Wadley is in West Texas Hospital in Lubbock. Her room number is 610.

**IRENE CARPENTER** went to visit her aunt and uncle, Mr. and Mrs. H. O. Bigham.  
 Mrs. R. W. H. Hamilton of Comanche is here visiting her daughter, Alice Cowen and Joe. Mrs. Hamilton is 84 years old, but looks much younger.  
 Charles and Betty Vaughan and Sherri went to Dallas for the weekend. They visited David and Sue Vaughan and the new grandson, Larry Brent, also Betty's brother and family, the Eldon Hewetts and Charlene Vaughan. They returned by Abilene where they visited Charles' sister who is ill.

**DELORES** and Ronald Golden and baby, Ronald Craig, of Canyon, were here for the weekend with the Walter Wilkes and the Ward Goldens.  
 A. L. and Topsy Conner and children visited his mother Mrs. William Stradley in Springlake Sunday.  
 Harlan and Anita Jernigan moved Tuesday to a ranch be-

tween Fort Davis and Toyahvale. We are sorry to see these young people leave Dimmitt. Bill and Margaret Whitten and daughter, Rhonda, are moving in their house on Cleveland. The Whittens are former Dimmitt residents and have been living in Lubbock. Bill is with Western Ammonia.

Sunday the Mack Keatings came over from Olton and went to Amarillo with Max, Irene and Katrina to the Boat and Ski Show in the afternoon.

**EVERYONE** is invited to the Book Club meeting Feb. 10 at 4 p.m. to hear Mrs. Jim Pickens review "If I Were King," by Justin Huntly McCarthy. This romantic story of Francois Vielon, the vagabond, madcap poet of old France, presents the love tale of rare charm which has become one of the great literary successes of this century. The short lyrics and ballads introduced are delightful. It is a story that will long hold its popularity with all lovers of romance.

Mrs. Pickens has a BA degree in Music and Drama from McMurry College in Abilene and a masters degree from the University of Texas.

The meeting will be in First State Bank Community Room.

**Mike Nino gets 'Conduct' medal**

Army Sp-4 Mike Nino Jr., son of Mr. and Mrs. Mike Nino Sr., 710 W. Andrews St., Dimmitt, recently received the Good Conduct Medal in Vietnam.  
**THE MEDAL**, established in 1941, is awarded on a selective basis for those who distinguish themselves from among their fellow military personnel through exemplary conduct, efficiency and fidelity during their active military service.  
 Sp-4 Nino received the award while assigned as a medic with Headquarters and Headquarters Battery, Division Artillery, Americal Division. He entered the Army in August 1969 and completed basic training at Ft. Lewis, Wash.

## 15—LEGAL NOTICES

NOTICE TO CONTRACTORS  
Sealed bids for seal coating and paving certain city streets for the City of Dimmitt, Texas, will be received by the City Manager at the City Hall, Dimmitt, until 7:30 P.M., February 15, 1971, and they at said place publicly opened and read aloud.

All proposals shall be accompanied by a cashier's or certified check upon a national or state bank in the amount of five (5 percent) percent of the total maximum bid price payable without recourse to the City of Dimmitt, Texas, or a bid bond in the same amount from a reliable surety company, as a guarantee that bidder will enter into a contract and execute performance bond within ten days after notice of award of contract to him. The bid security must be enclosed in the same envelope with the bid. Bids without check or bid bond will not be considered.

The successful bidder must furnish performance and payment bonds upon the forms which are attached hereto in the amount of 100 percent of the contract price from an approved surety company holding a permit from the State of Texas to act as surety or other surety or sureties acceptable to the Owner.

The right is reserved to reject any and all bids and to waive any informality in bids received.

Plans, specifications and bidding documents may be secured from the office of the City Manager, City Hall, Dimmitt, and Bill R. McMorries & Associates, Inc., 6500 Canyon Dr., Amarillo Texas 79119, on deposit of Twenty-five Dollars (\$25.00) per set, which sum so deposited will be refunded, provided: (1) All documents are returned in good condition to Bill R. McMorries & Associates, Inc. not later than 48 hours prior to the time for receiving bids, or (2) The Contractor submits a bid and all documents are returned in good condition to Bill R. McMorries & Associates, Inc. not later than five (5) days after the time that bids are received.

Lots 1, 2 and 3, Block 162; of the Original Town of Dimmitt.

LEGAL NOTICE  
Take notice that a public hearing will be held at 2:00 P.M. on February 22, 1971, before the City Commission of the City of Dimmitt, in the City Hall of Dimmitt, Texas, for hearing the recommendation of the Zoning Commission to re-zone the following described property, to D-1 Retail:

Lots 10, 11 and 12, Block 125; Lots 7, 8 and 9, Block 126; Lots 4, 5, 6, 7, 8, and 9, Block 135;

Lots 1, 2, 3, 10, 11, and 12, Block 136;

Lots 1, 2, 3, 10, 11, and 12, Block 151;

Lots 4, 5, 6, 7, 8, and 9, Block 152;

Lots 4, 5 and 6, Block 161; and

Lots 1, 2 and 3, Block 162; of the Original Town of Dimmitt.

## 15—LEGAL NOTICES

CITATION BY PUBLICATION  
THE STATE OF TEXAS  
TO: BEDFORD TOWN AND LAND COMPANY, a co-partnership, and if same be dissolved, to the surviving partners of Bedford Town and Land Company:

G. M. EITNER, A. R. ANDREWS, E. S. JONES, R. R. DULIN, R. L. BELSHER, H. G. BEDFORD, Wm. H. BEAN, W. C. DIMMITT, E. F. HALSELL, J. B. STINSON, J. W. HINTON, RUFUS BEDFORD, J. C. COPE, V. A. COPE, MABEL LYNCH and husband, HERBERT LYNCH, DORIS WEBB and husband, RILEY WEBB, LUCILLE LOONEY and husband, JAMES LOONEY, B. B. COPE, B. C. COPE, E. L. RAMSEY and wife, EMMA RAMSEY, OLIVER RAMSEY, I. E. PRITCHETT, J. H. RAMSON, J. F. RAY, J. H. THOMPSON, and BLAIR AND HUGHES CO., and if ever married, their spouses, and if any or all of the above named parties or their spouses are deceased, their heirs, their unknown heirs and legal representatives of each and all of them; their unknown spouses and any and all persons owning or claiming any interest in the property hereinafter described, all of whom are DEFENDANTS, GREETING:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Castro County, Texas, in the Courtroom thereof in Dimmitt, Texas, at or before 10:00 o'clock A.M. on the first Monday after the expiration of 42 days from the date of issuance of this citation, same being the 1st day of March, 1971, then and there to answer in writing Plaintiff's petition filed in said court on the 11th day of January, 1971, in this cause numbered 3526 on the docket of said court and styled JOE BERT ANDREWS vs. JERRY WAYNE ANDREWS vs. BEDFORD TOWN AND LAND COMPANY, ET AL, a brief statement of the nature of said suit being as follows:

Suit in statutory form of trespass to try title, and for costs by Joe Bert Andrews and Jerry Wayne Andrews, Plaintiffs, against those persons who are first named in this Citation and to whom it is directed, as Defendants, and the unknown spouses and heirs and legal representatives of the said named persons and each of them, the names and residences of whom are alleged to be unknown to the Plaintiffs, the Plaintiffs suing for title and possession of the following described real estate lying and being situated in Castro County, Texas, to-wit:

All of Lots Number One (1), Two (2) and Three (3), and all of Lots Number Ten (10), Eleven (11) and Twelve (12), in Block Number Eighty-nine (89), in the Original Town of Dimmitt, in Castro County, Texas, as shown by recorded map and plat thereof.

Plaintiffs allege that they are entitled to the title and the possession of said property, claiming under the five, the ten and the twenty-five year Statutes of Limitation, and Plaintiffs further pray that the cloud cast on the title to the property above described and said title vested in the Plaintiffs, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly serve the same according to law and make due return as the law directs, and if this process be not served within ninety days from the date of issuance, it shall be returned unserved.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF SAID COURT at office in Dimmitt, Texas, this 11th day of January, 1971.

-s- Zonell Maples  
Clerk of the District Court,  
Castro County, Texas  
15-14-tfc

Castro County, Texas.  
WITNESS my hand and seal of office this the 2nd day of February, 1971.

## 64 area women attend meeting

The Home Demonstration Club women were excellent hostesses at the District I THDA training meeting here last Thursday. We had 64 women from 19 counties attending. The decorations were beautiful and the food delicious.

WE NOW have the decoupage instructions printed for those who want them.

Those of you who want to take the home furnishings home study course be sure to get your enrollment in by Feb. 12.

THE WEATHER has been so nice here lately, except for the lack of moisture. Here is this month's garden calendar.

1. Continue to plant trees and shrubs.
2. Don't neglect the recently transplanted landscape plants. Dry winter winds can soon dry out the soil and damage plants before they become established.
3. Prune established hybrid tea and floribunda roses. Delay pruning climbing roses until after the peak of spring bloom.
4. Spring flowering trees and shrubs should not be pruned until after they have bloomed. All necessary pruning of summer flowering trees and shrubs as well as most evergreen shrubs should be completed this month. Be sure to have a specific reason before pruning. Unless the removal of plant parts can be justified, it should not be done. Consult B-977, "Modern Pruning Methods," for more information.
5. Clean up lawn area removing any fallen leaves and dead grass before fertilizing.
6. Fertilize lawns in late February or early March just as new growth starts. In the absence of a Soil Test use a complete fertilizer, applying 1 to 1 1/2 pounds of actual Nitrogen per 1,000 square feet. This would mean 8 to 12 pounds of a 12-12-12 fertilizer or equivalent per 100 square feet.
7. If flower buds are prepared, the following seeds may be sown directly in the beds at this time:

## Shower honors Mrs. Kim McGill

Mrs. Kim McGill of Brownfield, the former Linda Ellis, was honored with a bridal tea Sunday from 2 to 4 p.m.

# Industrial seminar in Austin to 'think ahead to year 2000'

Industrial development over the next 52 years will be the key subject Feb. 18-19 during a special advanced seminar co-sponsored by the Lyndon B. Johnson School of Public Affairs and the Texas Industrial Commission.

ONLY THE First 25 industrial development executives from around the state will be accepted for the blue-ribbon seminar to be held at the Joe C. Thompson Conference Center on the Austin campus of the University of Texas.

State and national economics, manpower development and governmental responsibility are among subjects to be discussed by leading authorities in the fields of planning for the future.

"The unique conference will challenge the professional developer to think ahead to the year 2000," Jim Harwell, executive director of the Texas Industrial Commission, explained. "We have assembled a list of speakers who will explore areas of industrial development that we won't even reach in the near future."

Dr. Wilbur Thompson of Wayne State University in Detroit, will discuss the "Change in the National Economic-Industrial Mix," and Dr. David Carley, president of Inland Steel Development Corp. of Madison, Wis., will speak on the "Government's Role in Economic Development."

OTHER speakers are Dr. George Kozmetsky of the University of Texas at Austin, discussing "The Change in the Texas Economic-Industrial Mix," and his University of Texas colleagues Dr. Ray Marshall, speaking on "Labor and Management Power Demands," and Dr. Stanley Arbib, moderator of a panel at the close of the session to provide an overview of the meeting.

## The view from your library

By MARY EDNA HENDRIX  
Again, I would like to thank the members of the Book Club for helping in the library while I was babysitting. I have only a partial list, so if I omit your name, let me know because I do appreciate all the Book Club has done for me. Jack Miller, Ina Cleavinger and Esta Vandiver did the radio program for me. Marilyn Hardison took charge of the Children's Story Hour and the following helped in the library: Shirley Wise, Ina Cleavinger, Mrs. Little, Mildred Bradford, Gaynell Minnick, Reta Welch, Esta Vandiver, Maxine Tidwell, Mena Merritt, Shirley Stephens, Sue Merritt, Reba Touchstone and Jane Blackburn.

**HAVE YOU** read the book, "Love Is the Answer," by Robert Orzmet? Love is the answer to the "million little things" that crop up in our daily lives. "As long as a man hangs on to faith in God, he can face anything life brings him," Robert Orzmet tells those who bear heavy burdens, face anxiety, and experience deep sorrow.

Five steps can lead toward a better life: Be cheerful, encourage others, be kind, forgive those who hurt you, live your faith. "The world is full of sick people. The No. 1 disease in this country is selfishness," writes the minister who has been called a "doctor of philosophy with the human touch."

We can "move out of the house of self-pity and away from the road of selfishness toward a life of happiness and service" if we take a look around, ask God for help, let God help us, and are willing to start.

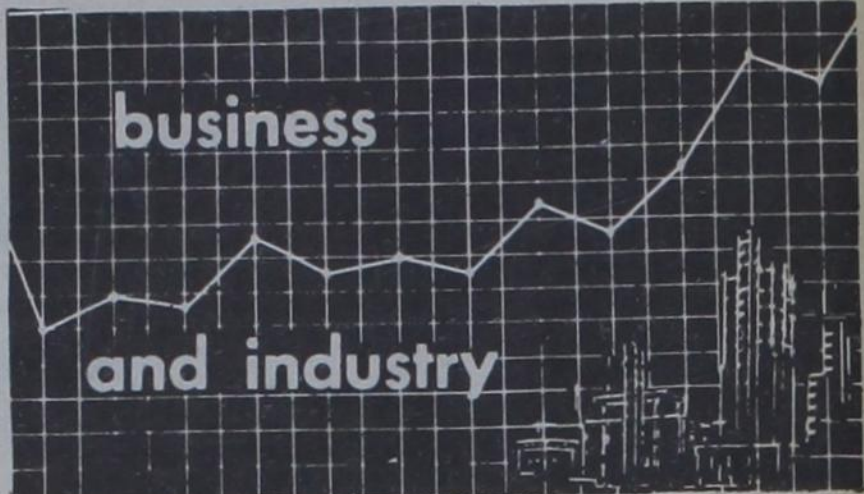

When life's load gets heavy, don't give up; grit your teeth, ask God to help you — let love be the answer.

And may I add, come to the library and read a good book!

IT IS much easier to use machinery and labor on smooth level land. Because of this, if other things are equal, it is cheaper to produce crops on level lands than on more rugged land. Erosion is more likely to be serious on hilly land if cultivated crops are grown. Rolling, erosive soils should never be bare of vegetation for any long period of time. —Larson and Teller, "What Is Farming"

# Big water meet set for Friday

What's what with water — in Canada, the United States and specifically in West Texas — will be reviewed Friday for those attending the ninth annual West Texas Water Conference in Lubbock.

THE conference is sponsored by the West Texas Water Institute, representing 30 West Texas organizations which have a special interest in water resources. Several hundred are expected to register when the conference opens at 8 a.m. at the Red Raider Convention Center.

Sessions will include discussions of the Canada Water Act, water planning in the Mississippi River basin, water planning by the federal government and the findings from special water related studies on the Texas High Plains.

PROVIDING research results will be representatives of Texas Tech University, Texas A&M University and the USDA Agricultural Research Service at Bushland.

Peter J. Reynolds, head of the

General Studies Section, Water Planning and Operations Branch, Government of Canada, will open the meeting. He will discuss "Canada Water Act: A Vehicle for Action," outlining the nationwide water resources program adopted by Canada.

Water planning by the US government will receive special attention at the luncheon session when Executive Director Bill Clayton of Water, Inc., will be presiding.

FRED H. BAYLEY III, who has spent 18 years with the US Army Corps of Engineers in Mississippi, will talk about water planning in the Mississippi River Basin during Session I. He is assistant chief of the Corps' planning division at Vicksburg.

Moderator of this session will be Jack W. Fickens, acting executive director of the Texas Water Development Board.

Interim Dean Sam E. Curl of the College of Agricultural Sciences at Texas Tech University will moderate Session II devoted to two discussions. Dr. J. R. Johnson, chief of the Southern Plains Branch, Soil and Water Conservation Research Division, USDA-ARS, will review "Some Water Options for the Southern High Plains."

Texas Tech agricultural economists James E. Osborn and William C. McCray will describe "Interindustry Effects from Water in the Texas High Plains." Dr. Osborn is program chairman for the conference.

AFTERNOON sessions will be devoted primarily to research results.

Texas Tech Agronomist Eugene A. Coleman will talk about "Feedlot Runoff for Crop Production: Promise with Problems." From Texas Tech's Department of Civil Engineering, Tommy Ray Knowles and Dr. B. J. Claborn will present a paper on the "Development of a Computer Model for Groundwater Management."

Representatives of the Texas A&M University Agricultural Research and Extension Center at Lubbock will describe the "Effects of Irrigation Methods and Fertilizer Techniques on Potential Pollution Groundwater by Nitrates and Other Solutes." They are Dr. C. W. Wendt, soil physicist; Dr. A. B. Onken, specialist in soil fertility, and Dr. O. C. Wilke, agricultural engineer.

"GROUNDWATER Recharge Research for the Texas High Plains" will be shared with participants by Arland D. Schneider, USDA-ARS agricultural engineer.

Dr. George McBee, resident director of research for the A&M research and extension center in Lubbock, will moderate that session.

Moderating the final session will be Director Tom Longnecker of the High Plains Research Foundation at Halfway. Three papers will be presented.

Dr. Raymond E. Meyer, Texas Tech soil physicist, will discuss "Subsurface Asphalt Barriers as a Water Conservation Measure." Wilke will talk on "Potential for Harvesting Water in the Texas High Plains." Director Dan M. Wells of the Texas Tech University Water Resources Center will describe water research at Texas Tech.

## Holly to close plant in Montana

Holly Sugar Corp. has announced that it will not process sugarbeets at its Hardin Mont. factory for the 1971-crop season.

"THE decision not to process sugarbeets at the Hardin plant for the 1971-crop season is necessary under present economic conditions because of the plant's limited capacity and limited local sugarbeet growing area," President John B. Burkler said.

"Management is presently conducting a study to determine whether the Hardin plant should be permanently closed," Bunker continued.

"In the event the Hardin facility is permanently closed during the current fiscal year as the result of the management study, certain substantial nonrecurring closing costs would be reflected in the financial statements for the fiscal year ending March 31, 1971. An accurate estimate of these closing costs cannot be made at this time," Bunker said.

COMPANY officers announced and explained the decision last Wednesday to Hardin employees, to the directors of the local sugarbeet growers' associations and to union officials.

Bunker emphasized that none of the company's other nine factories would be affected by the Hardin plant decision.

The company anticipates that the processing of the 1970 crop at the Hardin plant will be completed by mid-February.

## What's cooking at the schools

Here's the school lunchroom fare for the coming week in South Elementary School cafeteria. The menu is essentially the same in Dimmitt High School cafeteria, according to Mrs. Sarah Blackwell, lunchrooms supervisor.

TODAY (Thursday) — Pizza hominy, green beans, fruit cup, milk.

Friday — Chicken a la King, green peas, fresh cranberry salad, rolls, butter, milk.  
Monday — Burritos, whole kernel corn, tossed salad, prune cake milk.

Tuesday — Beef stew with vegetables, cabbage and pineapple salad, cinnamon rolls, cornbread, crackers, milk.

Wednesday — Hamburgers with lettuce, onions, pickles, French fries, banana cake, chocolate milk.

NEXT Thursday — Frito pie, green beans, carrot sticks, applesauce, rolls, butter, milk.

Friday, Feb. 2 — Heavenly meatballs and spaghetti, arrow and dart spinach, Jello salad, white cake with pink icing, kitchen made bread, milk.

"PRACTICES of land use which work against the good of the whole must be regulated, whether by law or public opinion, to maintain individual initiative and to safeguard the integrity of resources." —Dr. Walter Lowdermilk

# Amarillo civic leader outlines 10 commandments of leadership

"Being a good citizen isn't easy — you've got to work at it. But it can get to be fun and exciting," the public relations director of Pioneer Natural Gas Co. told the Dimmitt Jaycees last Thursday.

BOB MILLS, Amarillo civic leader, gave the "Ten Commandments of Good Citizenship" which he said should be passed on and explained to America's youngsters. The commandments are:

1. Know and defend the rights guaranteed by our Constitution.
2. KNOW your government, its functions, its officials, and the issues confronting it.
3. Insist on the loyalty and integrity of all public officials.
4. Endorse candidates who will enact laws you believe to be sound and equitable.
5. Support and work for the issues you believe in.
6. BE ACTIVE in affairs of your local, state and national political organizations.
7. Advise your representatives in government of your views on important issues.
8. Oppose those who seek unfair benefits from your government.
9. Seek public office to serve your community and your country.
10. Qualify, register and vote your convictions in every election.

"WE'VE GOT to give our children an understanding of why we're proud to be Americans, and why they should be; why our country became the strongest in the world in the shortest period of time," Mills told the Jaycees.

Complacency, he said, is one of the nation's worst enemies. He noted that 70 million Germans allowed Hitler to take over their government with a small organization, and that in Russia, the Communists came to power with an organization of only 2,500.

"The attitude that it can't happen here is dangerous," Mills said. "Let's speak up — let's defend this country against those who would destroy it."

HE SAID it isn't difficult to take a positive approach toward America: "Last year, more than

97 million men did NOT commit a crime, more than five million college students did NOT take part in campus riots, more than 200 million people did NOT get into trouble with drugs," he said.

"Don't turn off our young people," he urged. "Listen to them, then ask them to listen to you. I've tried it and it works. We've got to keep our lines of communication open. . . Don't put down kids just because of the way they wear their hair — it means they like a different kind of haircut than we do. Listen to them."

An indication of our youths' real make-up, he said, came after the Lubbock tornado last May, when youths throughout the city went into the streets with flashlights to help guide traffic through the storm-ravaged city.

"THE AVERAGE age of our troops in Vietnam is just 19," he said. "I talked recently with a young man just home from Vietnam, and I expected him to be bitter. But he said, 'We've got a job to do over there, Mr. Mills — we've got to do it.'"

"He told how his company had adopted a Vietnamese orphanage. 'This young man later went back to Vietnam. While over there he participated in the dedication of 80 schools and numerous hospitals which have been built with US help.'

"In 1966, Vietnam had 2,000 college students," he continued. "As a result of the US helping build new universities, the country now has 40,000 in colleges."

MILLS SAID the young soldier also told him how rough a village election day can be in Vietnam.

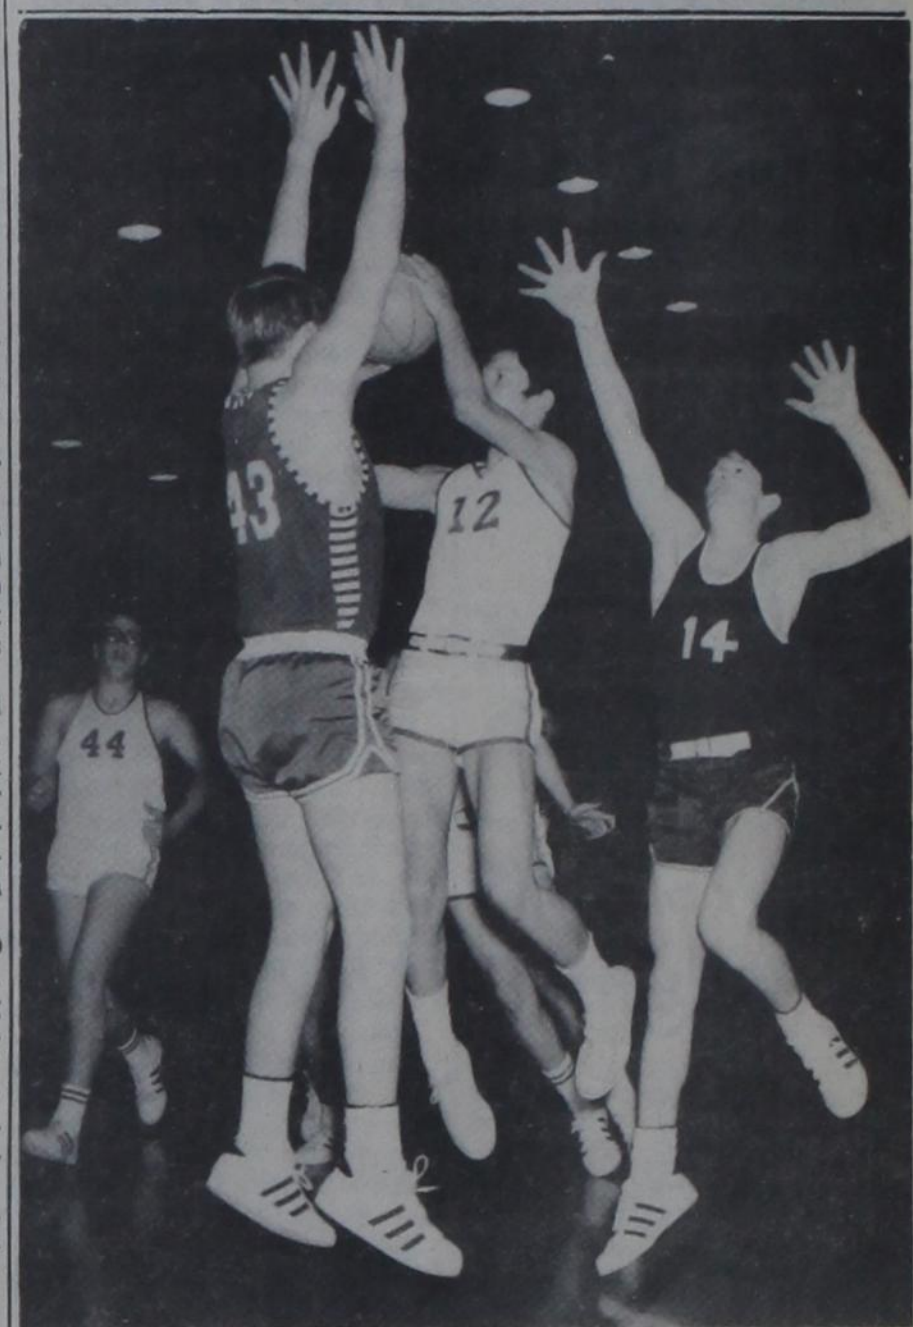

"The Viet Cong opened an artillery attack on the village during election day and this boy said he thought, 'Well, that's it.' But after they got up and cleared away bodies and debris, 85 percent of those people voted."

"IN THE Texas Water Plan election, only 25 percent turned out in several Panhandle cities whose very future is tied to water," he said. "If only 75 per-

cent of the qualified voters had gotten out up here the Texas Water Plan would be in effect now. We let Harris County (Houston) beat us."

Anyone who is disenchanted with the progress of America need only compare the US with the Soviet Union, Mills said.

"If we want to make America equal with Russia, we need to tear down six million of our homes, rip up 60 percent of our railroads, tear out nine out of 10 of our telephones, and take out enough bathtubs so that we'll have one for every 18 people," he said.

OBSTACLE COURSE—Despite the bramble-like defense thrown up by Hart's Dwayne Clevenger (43) and David Armstrong (14), Dimmitt's Florence Acevedo slips sideways and scores a basket in the four quarter of the consolation semifinals in the Dimmitt Freshman Tournament Friday afternoon. Following Acevedo's shot at left is Dimmitt's Kyle Broderick (44). This basket gave Dimmitt a 59-24 lead. The Bobkittens went on to win the game, then captured the tournament's consolation championship the next day.

**Four from here make '200' club**

Four Castro County growers have been entered in the DeKalb 200 Bushel Club. Each of the entries was mechanically harvested and was verified by an impartial third party. Yields are calculated on the basis of No. 2 corn.

C. C. HANES posted a yield of 170.24 bushels in a field planted April 12 at a seeding rate of 29,000 in 30-inch rows. His fertilizer program included 300 pounds of nitrogen, 140 pounds of phosphate and 60 pounds of potash. Weeds were controlled with chemicals and two cultivations.

Bob DuLaney recorded a yield of 222.29 bushels in a field planted April 6 at a seeding rate of 33,000 in 20-inch rows. His fertilizer rate 212-40-24 and he applied Atrazine and oil on weeds.

W&C Farms had a yield of 183.19 bushels. Their field was planted April 15 at a seeding rate of 32,000 in two 20-inch rows on 40-inch beds. They applied 184 pounds of nitrogen. For weed control they used Atrazine.

of 34,000 in twin 16-inch rows on 40-inch beds. His fertilizer program included 224 pounds of nitrogen, 62 pounds of phosphate and 62 pounds of potash. Weeds were controlled with Atrazine.

The purpose of the DeKalb 200 Bushel Club, now in its 10th year, is to promote idea exchange, stimulated by friendly competition, among the nation's leading corn farmers. Each entrant in the program provides detailed information on his own corn-growing practices. These data are organized by program officials and a composite of results is tabulated.

Through the sharing of this information, the program attempts to encourage practices which will help farmers gain the maximum amount of net profit from each acre of corn.

**ASCS notes**

**Many still haven't furnished '70 cotton production records**

By CHARLEY E. HILL  
Executive Director

We still have a number of producers who have not furnished their 1970 cotton production records as previously requested. If you are one of these producers, please take care of this at your earliest convenience, because it is necessary we have this information before establishing your 1971 cotton yield.

**1971 BASE ACREAGE ALLOTMENT NOTICES**  
Form ASCS-378, Cotton Base Acreage Allotment Notices, were mailed Jan. 20. The notice contained your base acreage allotment, which is approximately 67.28 percent of the 1970 allotment, and conserving base acres. A second notice will be issued later which will show your yield and preliminary price support payment rate.

**SET-ASIDE ELIGIBILITY FOR 1971 CHANGED**

We have been notified that for 1971 the requirement that set-aside acreage must be cropland which has produced a crop for harvest during 1968, 1969 or 1970. Set-aside acreage must be average productive land for the farm. Two normal rows out in a skip-row planting pattern will qualify as set-aside acres.

The following land is not eligible for designation as set-aside acreage: Turn rows, drainage ditches, wet low lying areas, droughty knobs or banks, other areas which normally would not produce a crop, and strips of less than two normal rows in skip-row planting patterns.

**TRANSFER OF COTTON ALLOTMENTS**  
1971 cotton allotments may be transferred to farms outside the county. Transfers will be made on the 1970 projected yield. Payments will be made on the 1971 payment yield.

Transfers can be made as soon as allotment notices are mailed. The receiving farm must have a current cotton allotment (except by owner) and temporary transfers executed in 1971 cannot exceed three years.

The last day to request a transfer, release, or request additional acreage is May 3, 1971.

**THOUGHT:** If you don't have a goal in life, any road will get you there.

"WHEN lands are impoverished, peoples lower their standards, both physically and spiritually."  
—Dr. Walter Lowdermilk

**Cottonseed will have no support**

In view of prospects for this year's cottonseed crop to move into markets at prices above the support level used in 1970, the US Department of Agriculture said this week it does not plan to announce a support program for 1971-crop cottonseed.

**THERE WAS** no support activity under either the 1969 or 1970 cottonseed programs, as market prices were above the support levels. The average market price received by producers for 1970-crop cottonseed was \$55 per ton, compared with a support level of \$37 per ton.

A continuing upward trend in demand for US vegetable oils and protein meals is expected, and should enhance the market situation for cottonseed and its products.

USDA officials also pointed out that because cottonseed cannot be stored and placed under loan by individual producers, the support program has been operated indirectly through the oil mills. In years when market prices have been above the support level, as expected for the 1971 crop, there has been no activity in the support program. Thus, the support program would not benefit cottonseed producers directly.

**Four local men to attend ASCS state conference**

County committeemen and executive directors of the Agricultural Stabilization and Conservation Service of the USDA from all Texas counties will attend a state conference in Galveston Feb. 9-10.

**JIM ELDER**, chairman of the Castro County Agricultural Stabilization and Conservation Service, said that the meeting in Galveston is especially timely because of vital new farm legislation passed by the last Congress and recent announcement of the new Rural Environmental Assistance Program by Agriculture Secretary Clifford M. Hardin.

Elder said that group discussions with committeemen from other counties on farm programs and environmental problems will be an important part of the program.

In addition to Elder, others attending the conference from Castro County include Melvin Barton and Edd Bennett, county committeemen, and County Executive Director Charley E. Hill.

**Greenbug control research findings released by A&M**

The key to keeping greenbug damage in grain sorghum to a minimum is to keep the insect population below damaging levels until natural enemies of the greenbug can take over.

**THAT'S BEEN** the finding of research conducted by James R. Cate Jr., research entomologist at the Texas A&M University Agricultural Research and Extension Center north of Lubbock. Cate is working with other entomologists at the center in a long-range research program on greenbug control.

"Generally, greenbug infestations occur in grain sorghum about two to three weeks before populations of beneficial insects can build up to ward off the aphid pests," explains Cate. "So, producers often have to resort to insecticidal control to prevent crop damage. However, we've found that the use of reduced rates of certain insecticides when greenbug numbers reach damaging levels not only controls the greenbug but also allows the buildup of beneficial insects."

Materials used in test plots included demeton (Systox), trithion, ethyl parathion and disulfoton (Di-Syston). Demeton and trithion were applied at one-fifth the normally used rate while the other two insecticides were applied at one-half the normal rate.

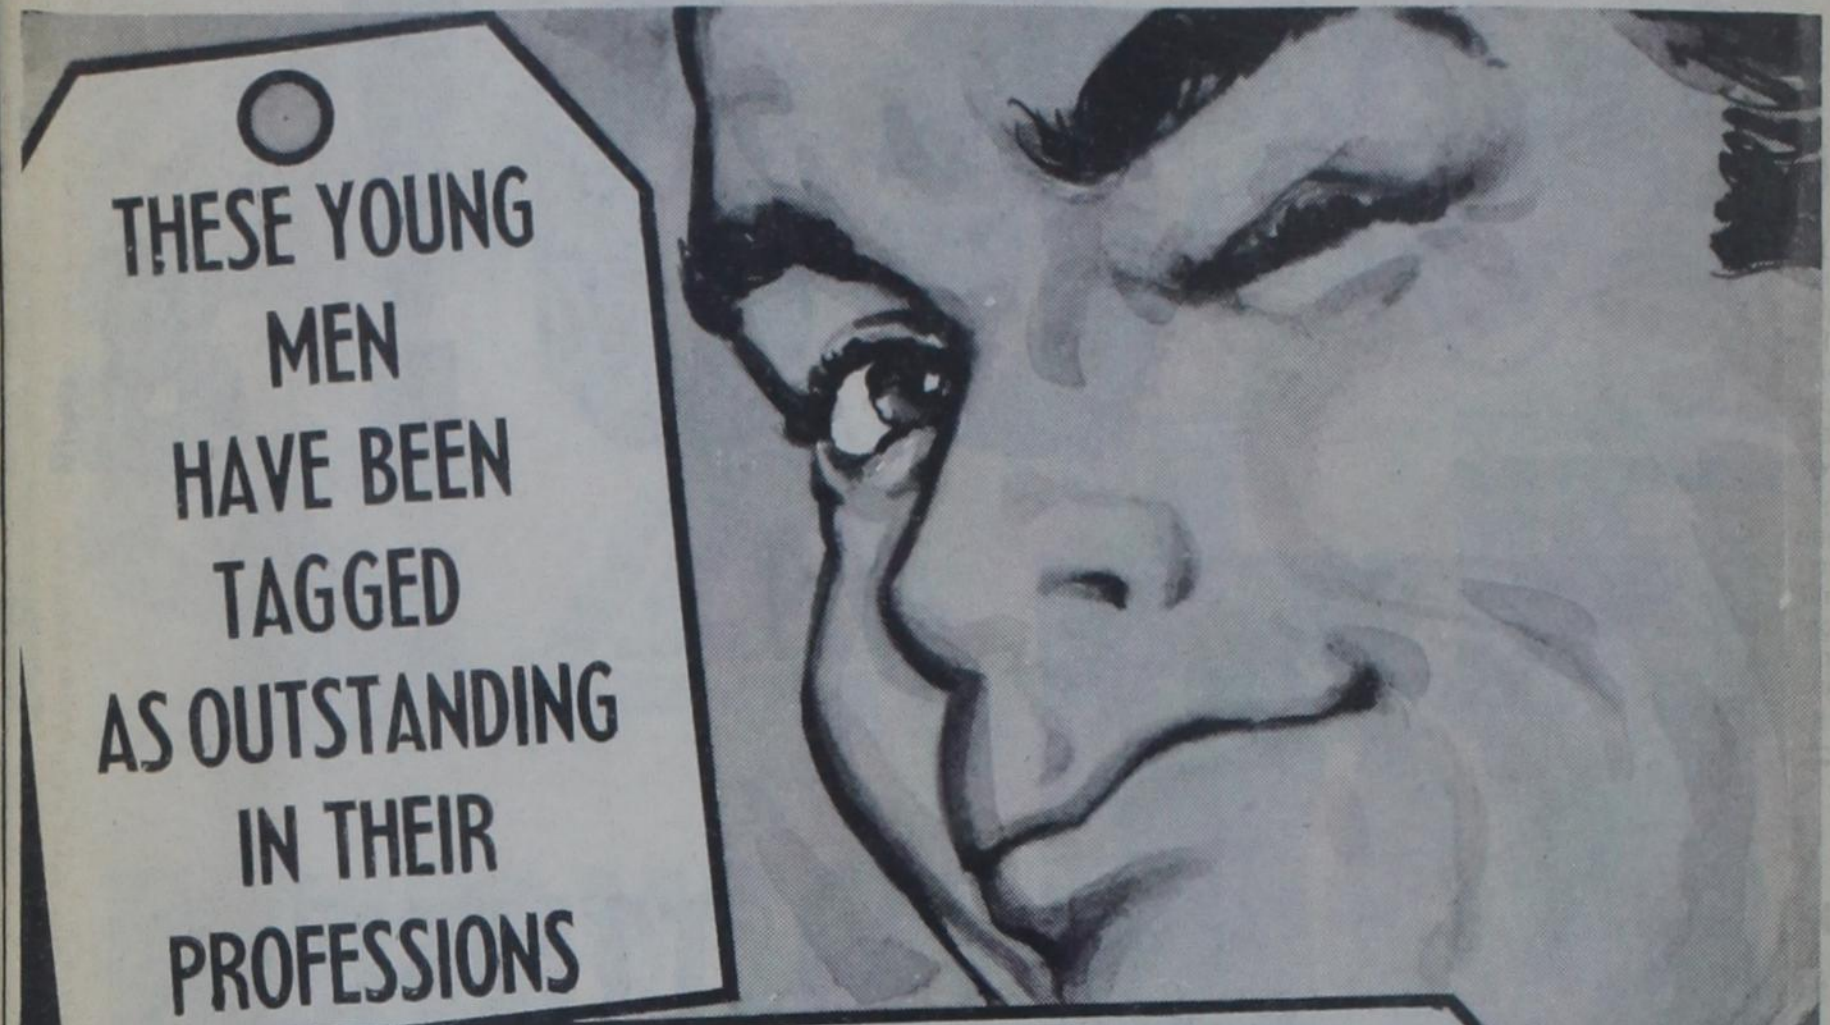

**THERE WAS** no reduction in the degree of greenbug control with these reduced rates," points out Cate. "In fact, the four materials provided 95 percent or more control for three weeks after application."

Of special interest in the tests was the selectiveness of the insecticides. Demeton, in particular, had only a slight effect on two types of lady beetles, a green lacewing, the major predators of the greenbug in grain sorghum. Parasitic wasps also survived the treatment of these low rates of insecticides.

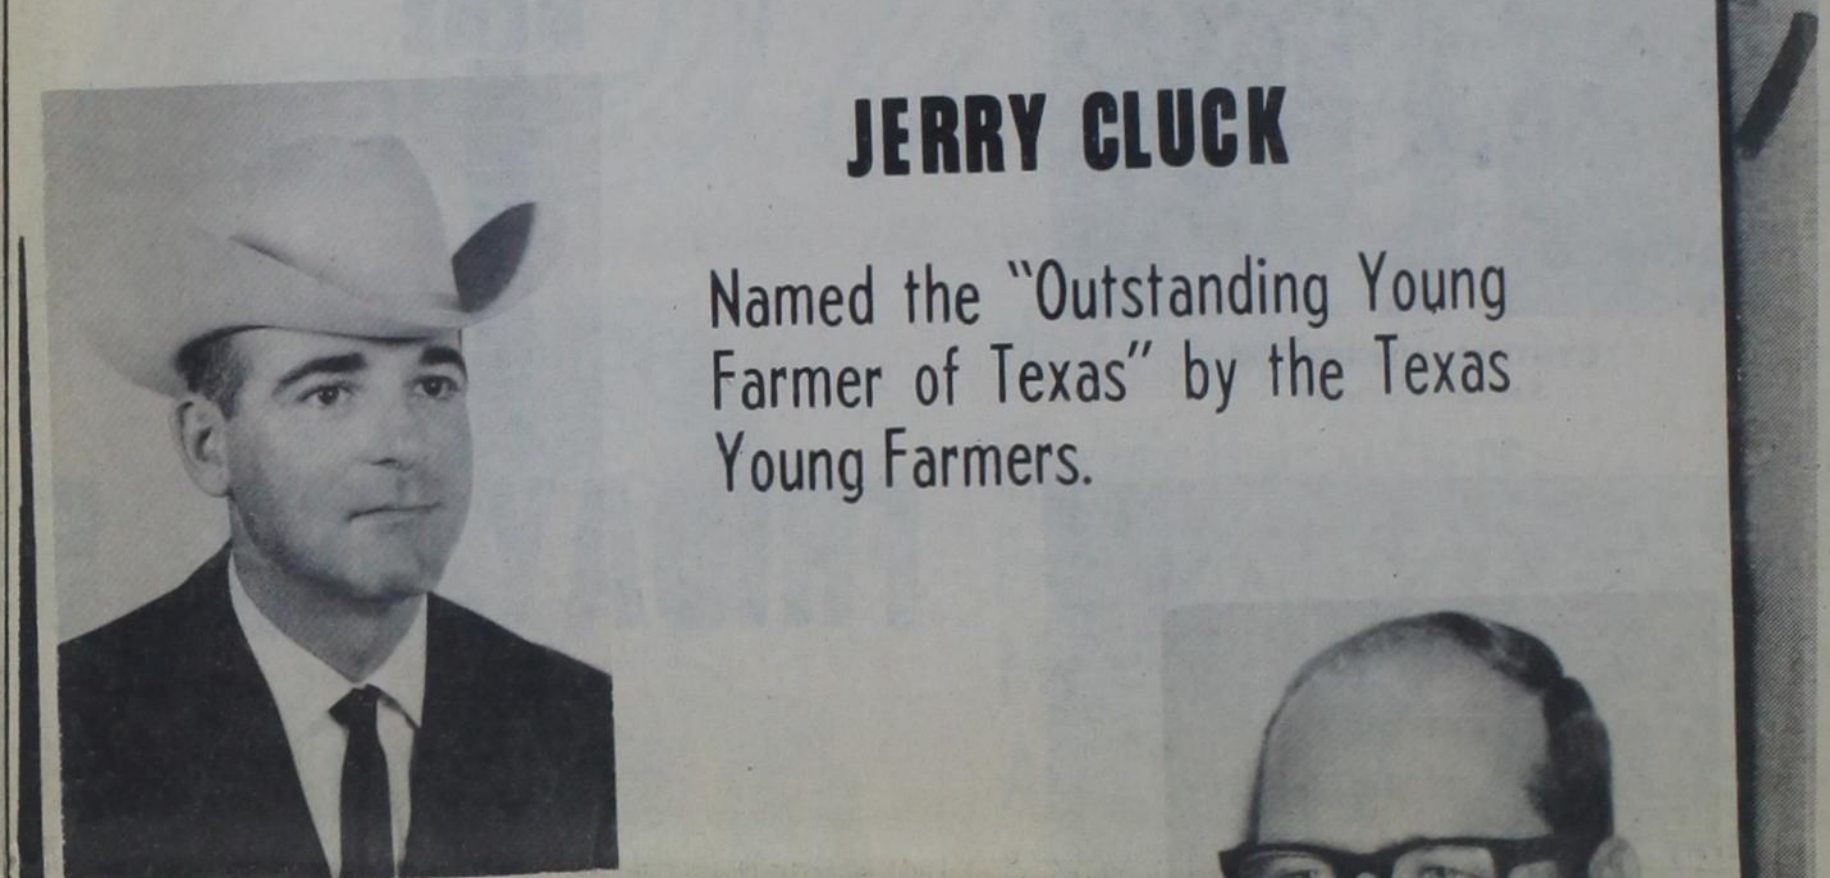

"The key to using these low rates of insecticides is proper timing," the entomologist emphasizes. "In all the tests, insecticides were applied to sorghum in the preboot stage (18 to 24 inches tall) only after enough greenbugs were present to kill more than the two lower leaves of the plant. Last year, this occurred on July 18 in our field tests."

**ACCORDING** to Cate, greenbugs present in the sorghum before spraying did not affect the plant enough to reduce yields. Furthermore, by delaying treatment until greenbug numbers were approaching damaging levels one treatment provided sufficient protection until the beneficial insects could eliminate the pests.

"WHEN land productivity decreases, the city resident is the first to tighten his belt." —H. Graham Netting, "The Scientists Bookshelf"

# Newest craze: Clackers

**JIM GLENN, 14**, makes an easy, careful start with his Clackers, holding the center ring and making the two epoxy-plastic balls bounce off each other in opposite arcs. Jim is the son of Mr. and Mrs. Bill Glenn of Dimmitt.

**CLACK—CLACK!**—Now, Jim starts whipping the two balls up and down, forcing them to "clack" against each other with direct hits at the top and bottom of their arcs. The trick is to see how long you can keep them clacking.

## Nazareth news

### Four-Flushers and Exes will play benefit games

By Mrs. Florance Albracht

If you want to have a lot of fun and help a very good cause — the American Cancer Society — come out to see the basketball games Saturday night starting at 7 p.m. The KGNC "Four Flushers" and "Flusnerettes" will play the Nazareth Exes and Excites. All proceeds will go to the good cause. Refreshments of Frito pies, candy, etc., will be served. Prices are \$1 for adults and 50 cents for all school children.

★ **MR. AND MRS. Vincent Pohmeier** left Sunday morning to visit their daughter and family, the Les Boyles, at Lawton, Okla. He is stationed at Fort Sill after their three year stay in Germany.

Mr. and Mrs. Clarence Birkenfeld, Mrs. Ralph Albracht and children, Raef and Stacie spent Sunday in Lubbock with the Dennis Gerbers.

Kyle Rodney, son of the Rozzer Shillings, was baptized in Holy Family Church by Rev. Father Stanley on Sunday January 31. Sponsors were the uncle and aunt, Mr. and Mrs. Kenneth Schulte.

★ **MR. AND MRS. Frank Hoelting** and Leonard spent the weekend in Plainview with their daughter and family, the Bayard Keys.

Mrs. Bob Steffens spent a few days with her daughter and family, the Greg Venhuses in Enid, Okla., the past week.

Members of the Order of Martha met in the Florance Albracht

### 'Adam and Eve' to be performed

Castro County residents will have the opportunity of watching the nation's most active repertory theatre group in performance when the Alpha-Omega Players present "The Diary of Adam and Eve," adapted from the short story by Mark Twain, on Feb. 21 at the First United Methodist Church, Dimmitt.

The Alpha-Omega Players are a young company, established in the summer of 1967. In the past three years, they have staged some 1,500 performances for large and small groups in churches, schools and military bases, covering over 400,000 miles in their travels to 45 of the 50 states.

This fully staged production, with music by the composers of "Fiddler on the Roof," was first presented on Broadway in 1966. The talented young actors of the Alpha-Omega Players intersperse laughter with moments of reflection, joy with sadness, and respect with satire in this evening designed for the entire family.

Ticket information may be obtained from the Methodist Church office at 647-5306.

**Under New Management**  
**JERRY'S RADIATOR SHOP**  
Temporarily Open from 6 p.m. to 9 p.m. daily. All day Saturday, 100 Block West Etter. 647-5268.

home Jan. 26. The National annual report books were given to all members. A "Spanish auction" was held on some material with the profit going to the missions. Members voted to donate and make some new surpluses for our church. After the meeting, games and refreshments were enjoyed.

★ **MRS. Robert Verhamp** spent several days in the Canyon hospital for medication.

Eddie Birkenfeld is in the Veteran's Hospital in Amarillo. Rodeo fans from here enjoyed the Amarillo Stock Show rodeo last week.

★ **REV. CYRIL LANGE** died in Corpus Christi Jan. 21 after surgery. He was the pastor at Snyder before he became sick.

### Nazareth girls model garments

"Fashion Trends for 1970" was the theme of a style show presented last Thursday by Nazareth High School's Future Homemakers of America.

**JUNIOR** and freshman girls modeled dresses and pantsuits which they had made themselves in class or home projects. Sophomore members baked chocolate and vanilla pound cakes, which they served with cherry-lemon punch to a large number of mothers, grandmothers and friends.

Victi Wilhelm narrated the show.

Lucy Maurer announced during the show that Veronica Lange has won this year's "Betty Crocker Homemaker of Tomorrow" title in NHS.

### Cage schedule

**DIMITT**  
Today (Thursday) — 7th, 8th and 9th grade girls at Friona.

Today, Friday and Saturday — 7th, 8th and 9th grade boys in Hereford Tournament.

Friday — Littlefield Wildcats vs. Dimmitt Bobcats, here; Wayland Queen Bees vs. Dimmitt Bobbies, here. Girls' game at 5; boys' B-team game at 6:30; boys' varsity game at 8.

Monday — Hereford Stanton Jr. High vs. Dimmitt 7th, 8th and 9th grade boys, here.

Tuesday — Dimmitt Bobcats vs. Morton Indians, at Morton. B-team boys' game at 6:30; varsity boys' game at 8.

**HART**  
Friday — Hart vs. Happy, at Hart. Girls' varsity at 6:30; boys' varsity at 8.

Monday — Sudan Junior High vs. Hart Junior High, at Hart, 5 p.m.

Tuesday — Hart vs. Bovina, there. Girls' varsity at 6:30; boys' varsity at 8. (Final game of season.)

### NAZARETH

Friday — Nazareth at Lazbudie. Varsity girls at 6:30; varsity boys at 8.

Tuesday — Nazareth vs. Spade, at Nazareth. Varsity girls at 6:30; varsity boys at 8. (Final game of season.)

### McElroys attend family reunion

By MRS. JACK RISTER

Mrs. Audery McElroy of Levelland had all of her children home last weekend — Mr. and Mrs. Wayne McElroy, the Ronnie McElroy family, the James Osborn family, the Bud McElroy family, the Floyd McElroy family, Dorothy Oden and children, Irene Pickett, Velma, Gale and Steve Duncan. The Bud McElroy family also visited Atza Bradley in the Levelland Hospital.

★ **MR. AND MRS. Bud McElroy** were Saturday dinner guests of his brother and family the Joe McElroys of Lubbock, and also visited in Levelland with Mrs. Audery McElroy and Laura McElroy.

Mr. and Mrs. Reenie McElroy and family, Mrs. Audery McElroy, and Mrs. Velma Duncan, Gail and Steve were Sunday dinner guests of Mr. and Mrs. Bud McElroy and children.

Golden Atrihry and Cecial Ede-man of Fort Worth, a cousin and a friend, visited Mr. and Mrs. George Bagwell and visited other relatives also.

Mr. and Mrs. Elbert Smith visited in Hereford Sunday afternoon with Mr. and Mrs. Homer Thomas and Mr. and Mrs. John Higgins.

★ **LAST Saturday Milton Bagwell** and Elbert Smith took the eighth grade boys of the First Baptist Church to Hereford.

Leland Smith was in the Lubbock Hospital this week. He is home now and doing fine. Mr. and Mrs. Elbert Smith visited with him Tuesday.

Mr. and Mrs. Jack Rister spent the weekend in Abilene. On Sunday they attended the birthday celebration for L. C. Dunn. He was 86 years old. He is an uncle to Mrs. Gene Ivey of Dimmitt.

Mr. and Mrs. Claude Moore and Gary visited Saturday night with Mr. and Mrs. Jack Rister.

### Congressman's wife has surgery

Mrs. Marty Price, wife of Panhandle Congressman Bob Price, entered a Virginia hospital last Thursday for surgery which was expected to keep her hospitalized for a week to 10 days. She will be convalescing at home for approximately six weeks after release from the hospital.

Mrs. Price's mother, Mrs. Carl White of Oklahoma City, will be with her daughter during her hospital stay.

"WE THINK of our land and water and human resources not as static and sterile possessions but as life-giving assets to be directed by wise provision for future days. We seek to use our natural resources not as a thing apart but as something that is interwoven with industry, labor, finance, taxation, agriculture, homes, recreation, good citizenship. The results of this interdependence will have a greater influence on the future American standard of living than all the rest of our economics put together." — Franklin Delano Roosevelt

### Freshman girls make good start in local tourney

Dimmitt's Freshman Bobbies advanced upward in the first round of the Freshman Tournament Thursday night by beating Kress, 46-27.

Elizabeth Murphy was the leading scorer for the Bobbies with 19 points, followed by Sherri Burrous with 15. Also helping out were Rena Baker with six, Lisa Simpson with three and Flo Lust with three.

HOWEVER, the Freshman Bobcats were not so lucky as they were beaten by Kress, 35-44. Leading scorer for the Cats was Joe Keamore, with 10, followed by Paul Langford with eight, Kyle Brodersen with six, and Bill Gregory with three, while Gary Wise, Jim Glen and Darral Buckley had two each. Jeff Lantz and Jerry Baldrige each scored one.

In other games played Thursday, Bovina's girls lost to Muleshoe, 32-31, and the Bovina boys beat Muleshoe, 51-45.

KENNETH RINGO (left), D.H.S. counselor, and George Burns, Clarendon College publicity director, chat after the senior class assembly Friday.

### Counselor's corner

## Seniors hear representatives of Clarendon and South Plains

By KEN RINGO  
 We are happy to have Mrs. Marolyn Hardison working with us in the counselor's office this semester. Mrs. Hardison is doing her practice counseling here as she finishes up her Masters Degree and Counselors Certification at West Texas State University this spring. Mrs. Hardison is remembered by most upper classmen as the American History Teacher at Dimmitt High School for the past several years.

FRIDAY, Jan. 22, the seniors heard Nathan Tubb, Dean of South Plains College tell of types of higher education available to the high school graduate. Don Melton, counselor at South Plains, then described the programs available, both academic and vocational at South Plains College.

This past Friday Mr. Burns, representative from Clarendon Junior College, met with the seniors to describe what Clarendon College had to offer.

Both representatives cited contributions former Dimmitt students were making to their colleges this year.

NOTE — Seniors who have not taken College entrance exams yet. The time is getting short, come by the Counselor's office for details.

ATTENTION JUNIORS — The National Merit Scholarship Qual-

ifying Test will be given Tuesday Feb. 26, 1971. The fee for taking the test is \$1.25. It would be to the advantage of any student in the top one-third of the junior class to take the test. Two of our last year Juniors won semi-final berths and are still in contention for valuable college scholarships.

ATTENTION — Parents of Freshman Students — The Counselor handed out and explained the Achievement tests results to all freshmen students one day last week. The students were then asked to take the tests results home and explain to the parents. So parents, if your freshmen son or daughter did not bring home their test results, please ask them, I'm sure they just forgot.

### TEXAS VEGETABLES

The value of commercial vegetables (fresh marketing and processing) produced in Texas during 1970 totaled \$141,422,000 reports the Texas Crop and Livestock Reporting Service, up 16 percent from 1969. Leading crops in value of production were onions, carrots, potatoes, cabbage and watermelons. Nationally Texas ranked third in harvested acreage, production and value of fresh market vegetables behind California and Florida.

### Player of the week

## Max Newman

By DAVE MUSICK  
 Max Newman, senior forward for the Bobcats, is this week's Fourth Hour Player of the week.

MAX HAS played basketball for six years and said he would play in college if he gets the chance.

Morton once again casts a heavy shadow on Dimmitt's schedule. Newman states, "We can beat Morton if we play the way we are capable."

Newman also comments, "District is tougher this year than it has been in quite some time." Max had this to say about it. "I feel district is harder because Olton, Morton, and Floydada all have good teams. There is more than one or two tough teams in district."

"WE HAVE one of the biggest winners in the South Plains in Coach Cleveland." Coach Cleveland seems to always have the teams to beat, but Newman seems to find something more in his coach. "He has helped me a lot, especially in basketball. He helps anyone he can, not just the basketball players."

We, the Fourth Hour Publications Staff, wish to congratulate this Fighting Bobcat.

### Top hits and who they hit

Easy Rider — Laura Harsh.  
 Draft Resister — To George Acevedo.  
 Celebration — To Pat Barrios, Andrew Garza.  
 We're for the Dark — To Robert Woolbright.

 Stoned Love — To Sandy Ochoa from Joe Ruiz.  
 We've Only Just Begun — To Nicola Conner and Larry Moore.  
 Leave Me In Peace — To Joe Hernandez.  
 5-10-15-20-25-30 Years of Love — To Frank Crespin from Diana Garcia.  
 Cross My Heart That I Love You — To Arnold Garcia from Rosa Ortiz.  
 This Is The Way We Wash Our Clothes — To Kent, Clyde, Andrew, Kenny and Steve.

### U.S. MAIN NICKEL USER

The United States continues to be the main consumer of the metal nickel. During 1969, the country used some 310 million pounds of a free world total of 820 million pounds in the fabricating consumer and industrial products.

"I got the raise, but I was worried for a while. First, Dad said no."

### Student of week

## John L. Thomas

John L. Thomas, DHS senior, is this week's student of the week. Thomas was born in Hereford in 1952 and moved to Dimmitt at the age of two. Thomas began his education in Dimmitt by attending Kindergarten in South Grade Elementary. Thomas, whose hobbies are girls, swimming, and various weekend activities, plans to major in Journalism at Texas Tech.

Thomas stated, "I'm in favor of 18 year olds voting. If you are old enough to fight you are old enough to vote. Things need to change and our generation is going to inaugurate these changes."

Thomas also commented, "I think the war is a waste of time and effort. It is not really our war. We should spend the money at home. Pollution is a tremendous issue."

Lots of luck in the future to John Thomas.

### Seven win berths in regional band

Lubbock was the scene of the annual All-Regional Band concert held Thursday and Friday. Several members of the Bobcat Band participated in the contest.

THE BAND members were Laura Harsh, Leisa Huckabay and Jan Giles who received first chair berths, while Lonnie Markley and Susan Parish sat eighth chairs.

Alternates from Dimmitt for the band were Deana Hargrove and Beverly Hill. The events ended with a concert Saturday night.

## Sports Afield

By Ted Kesting

The Rocky Mountain goat is a terrific scrapper if he decides to fight. There is at least one report of a goat having killed a grizzly bear.—SPORTS AFIELD.

A trained oceanographer or ichthyologist needs only glance at the map of Panama to know that it is a remarkable place. The tiny S-shaped republic is almost surrounded by water. In the seas on either side are more species of fish than have ever been properly cataloged.—SPORTS AFIELD.

It is not true that owls cannot see during the day. In fact, on dark, cloudy days the great horned owl is usually abroad. But most do see better at night because their eyes, especially adapted for night hunting, are sensitive to light. Scientists say they are particularly sensitive to green, yellow, orange, red and infrared rays invisible to man.—SPORTS AFIELD.

For many years, the waters around New Zealand were reputed to be the best in the world for marlin fishing and in 1949, more than 1,300 billfish of various types were caught on rod and reel. In 1965, after Japanese commercial fishermen had decimated the area and moved on, R. B. Doogue of Wellington reported that "it will be doubtful if we take 100 this year."—SPORTS AFIELD.

### Campus Chatter

## Bobcats prepare to beat Morton

By PAT BARRIOS  
 Hi out there, sports fans. Here is the authentic Campus Chatter Column from the halls of DHS. It's been a rough week for a few of our students. We've had a couple of bouts, such as Danny Ebeling vs. Floydada and Luther Perez vs. a mysterious note writer.

Have you noticed that Mrs. Alexander always has to be eating or drinking something, even if it is just iced water?

I BET that nobody has told Jerry Matthews that he can get in trouble by putting his arm around somebody else's woman. I hope somebody tells him before he finds out the hard way.

First period American History class has a clown in Lee Summers. The only problem is he isn't funny. Oh well, he tries.

Wonder why all the Field House boys are having so much trouble running those wind sprints? They probably haven't read the label on the pack.

I thought you might like to know who some of the couples of DHS are. Felton Issacs and Nancy Tisdale are still sticking it out in spite of their disagreements. The same goes for Jay Stanton and Sandra Robertson. Henry Rivera and Santos Gonzales are back together, Cindy Williams and Ronnie McKay are still going steady.

Linda Malone sure enjoys going to Weatherford, Okla. Wonder if it is because of two guys that go to college there.

Robert Washington enjoys watching the boys smoke, or is it that he wants one too?

Wow! Mrs. Alexander's tests are real "Bummers."

By PAXTON  
 We wonder how many saw the Notre Dame—UCLA game on national TV? Notre Dame's, Austin Carr was "out of sight." The man is fabulous. Carr, a 6'3" guard, proved that it isn't always a big man's game when he out played Sidney Wicks and Curtis Rowe who is around 6'8".

ALTHOUGH Carr's scoring average is extremely high, his superb teamwork is something to behold. It seems now, Austin Carr may receive the biggest contract ever offered to a pro.

It seems that our Cats want their chance with Morton to come up just as soon as it can. The Cats feel that their first meeting made them realize that Morton can be beaten, just like anyone else. If the Cats win the second half, then there will be a playoff, either at Muleshoe or at the Dome in Levland.

WHICHEVER team wins, will have their work cut out for them at Bi-District and regional. The winner of this district will most likely meet Ralls in Bi-District. Then if faith provides, Phillips at regional. It's a long hard road, but the Cats feel as though they have as good a chance as any.

"SINCE society as a whole depends absolutely on the produce of the land for its present and future existence, society as a whole must share in the responsibility and cost of maintaining land in a productive state." —Dr. Hugh H. Bennett

### Freshmen win consolation

Dimmitt's Bobkittens won the consolation title in the Dimmitt Freshman Tournament, scoring victories over Muleshoe and Hart after dropping their first-round game to Kress.

**KRESS** won its first victory en route to the finals by downing the Bobkittens, 44-34, in the first round of the eight-team tourney last Thursday. Joe Kenmore was Dimmitt's top scorer with 11 points.

The Kittens bounced back in the consolation semifinal bout, slapping Hart's Shorthorns, 63-29. Three Dimmitt players scored in double figures as Kyle Broderick and Joe Kenmore chalked up 12 each and Paul Langford 10. Gary Wise, Darrell Buckley and Roger Underwood were credited with good defensive games against the Shorthorns.

Dimmitt's freshmen captured the consolation trophy Saturday afternoon by defeating Muleshoe, 37-33. Bill Gregory led the way for Dimmitt with 13 points, while Paul Langford added 11.

**BOVINA** won the tournament championship by defeating Kress in the title game, 69-42, Saturday night. Canyon defeated Olton for third place.

The Bobkittens extended their win string to three in a row Monday when they won a 44-43 cliff-hanger from Canyon Purple. Gregory sank 12 and Langford 10 to lead the Dimmitt scoring.

Today (Thursday) the freshmen go into the Hereford Tournament, playing Muleshoe at 3:30 in the first round.

**FOUL!**—Dimmitt's Elizabeth Murphy converted this play into a three-pointer as she made her shot despite being fouled by a Muleshoe guard, then bucketed a free throw. The play came in the third quarter of the third-place game in the Dimmitt Freshman Tournament Saturday afternoon. Muleshoe won the game, 43-40, to capture third-place honors in the tournament.

### Freshman girls finish in fourth

Dimmitt High School's freshman girls finished in fourth place in the eight-team Dimmitt Freshman Tournament last week, with an easy victory and two narrow losses.

**THE** freshman Bobbies routed Kress, 44-27, in the first round game Thursday as Elizabeth Murphy sank 19 points and Sherri Burrous 15 for Dimmitt.

But in the second round, the tournament hostesses dropped a close 37-36 decision to Olton. Lisa Simpson was Dimmitt's high scorer with 19 points.

The second-round loss sent the Bobbies into the third place game against Muleshoe Saturday morning. The hard-fought contest ended in a 43-40 victory for Muleshoe. Top scorers for Dimmitt were Murphy with 15, Burrous with 13 and Simpson with 8.

**PLAINS MEMORIAL HOSPITAL** It's a girl for Mr. and Mrs. Joe Angel Lsalla of Hereford. She was born Jan. 25, weighed 6 pounds, 3 ounces, and has been named Daisy.

Mr. and Mrs. Ruben C. Casas of Dimmitt became the parents of a 6-pound, 7-ounce boy Jan. 27. They have named him Juan.

An 8-pound, 4-ounce boy was born Jan. 26 to Mr. and Mrs. Donald L. Moke of Dimmitt. He has been named Coby Pyne.

Mr. and Mrs. Sotero V. Ramos of Dimmitt are the parents of a 7-pound, 5-ounce girl born Jan. 29. They have named her Rosalinda M.

### Letter to the Editor

#### 'Taxpayers uninformed'

Dear Editor: I have been wondering for some time if the people who are making their living off the taxpayer had ever thought they are the servants of the taxpayer and not the master.

I've been thinking about writing the attorney general to see if our Castro County Courthouse crew ever have the county books audited, since they never want to give us a report on what is going on in the courthouse. Every action taking place in the courthouse should be published in our county paper... like every other county around.

The taxpayer in this county is the most uninformed in the world...

**TRAPPED**—Hart's W. A. Scott (41) finds himself entangled in other players' arms and legs as Dimmitt and Hart freshmen scramble for a rebound in the third quarter of the consolation semifinal game in the Dimmitt Freshmen Tournament. Also

trying to grab the loose ball are Hart's Jerry Swindle (23) and Dimmitt's Bill Gregory (22), Gary Wise (40) and Joe Kenmore (right). Dimmitt won the game, then went on to capture the consolation championship.

### Boys get a chance for glory in 'Little Dribblers' program

National basketball champions first Dimmitt residents to express an interest in establishing here. The local league will begin play the middle of February and continue through April.

**PROBABLY NOT** too many would give much consideration to such a question. But a realistic assessment of Dimmitt's new Little Dribblers basketball program shows that a possibility for a national championship does exist.

The Little Dribblers basketball league in Dimmitt, organized last spring, is an active part of the youth activity, Little Dribblers, Inc.

This season, Little Dribblers basketball leagues are operating in over 50 Texas communities and in 12 other states. And people in 29 other states are interested in organizing teams.

**A FEW** years ago, in Levelland, local citizens decided they wanted to boost the city's sagging junior high basketball program. What they did is now on its way to becoming basketball's equivalent of Little League Baseball.

Helping Levelland was the original idea in creating basketball leagues for boys 9, 10, 11 and 12 years of age. The idea caught on so well that less than two years ago, Little Dribblers, Inc. received its charter. Expansion followed and last year teams from Arizona, New Mexico and Texas participated in the First Annual National Little Dribblers Basketball Tournament.

All towns, regardless of size, have a chance to win a national championship designation. Regional playoffs will determine the 16 teams — eight from each division — that will meet in this year's second national tournament, scheduled for April 20-May 1.

**LDB** rules call for two divisions of play — the American Division for towns with less than 5,000 population and the National Division for cities over 5,000 population.

**DIMITT** is one of the Texas towns that will have an active Little Dribblers league, and local officials are shooting for a national title in the American Division.

One of the best things about the program, supporters say, is that every team member must play at least one full quarter of each game. Every team member is a playing member. Besides teaching fundamental basketball skills, participation encourages leadership abilities, cooperation in team play and physical fitness.

Jim Ratcliff was one of the

### Alexander named to OU honor roll

Ted R. Alexander of Dimmitt has been named to the 1970 fall semester honor roll at the University of Oklahoma.

**HE WAS** one of 5,150 students at the University of Oklahoma to compile an overall grade average of B (3.0) or better with a minimum of 12 credit hours during the fall semester, according to Dr. Pete Kyle McCarter, OU interim president.

### Cats grab 76-63 win over Olton in 'best game so far this year'

In what their coach termed "one of the best games we've played all year," the Dimmitt Bobcats captured a 76-63 conference victory over the determined Olton Mustangs Friday night.

**PLAYING** in Olton's gym, the Bobcats found themselves with a scrap on their hands from the opening whistle. But four Cats came through with double-figure scores to help Dimmitt pull steadily away from the upset-minded Ponies.

The score was tied 12-all at the end of the first period, but the Bobcats worked their way to a 37-30 lead by halftime.

Max Newman came through with 13 of Dimmitt's 21 points in the third period to increase the Bobcats' lead to 10 points, 58-48. Teammates Keat Bradford, Danny Ebeling and Mark Wohlgenuth helped keep up the Bobcat barrage in the fourth to give Dimmitt the important 76-63 win.

**BRADFORD** finished with 21 points, Newman 20, Ebeling 16 and Wohlgenuth 11 in the well-balanced attack.

Wohlgenuth was credited with an outstanding game, both on offense and defense. He collected 11 rebounds, and was credited with feeding his teammates 15 assists to help keep the Bobcats out front.

"We played better as a team than we have all year," Coach Kenneth Cleveland commented after the game. "The boys have played well together and have helped each other real well all

year, but that game was the best they've done."

### Bobbies defeat Fillies, 39-29

Dimmitt's Bobbies jumped out front early and stayed there for a 39-29 victory over the Olton Fillies Friday night in Olton.

**THE BOBBIES** put together a well balanced attack with Karen Baldrige scoring 13, Terrie Newton 10 and Cynthia Henderson and Nancy Tisdale 8 each.

The first-quarter buzzer found the Bobbies out front, 11-5, and at halftime they led by 25-12. After a low-scoring third period, the Bobbies went into the final frame with a 28-18 advantage and the two teams swapped baskets in the fourth.

Ann Lust was Dimmitt's top guard as she grabbed 11 rebounds, stole eight passes and had only two of her own passes intercepted while committing no fouls or turnovers. Teammates LeeAnn Merritt and Sarita White were credited with good games, too, as Merritt grabbed three rebounds and five steals while White got three rebounds and four steals.

The victory evened the Bobbies second-half conference record at 2-2.

**THE LORD** placed men in this vineyard to care for it. What are you doing?

### Correction

The annual Hart Bridge Tournament, sponsored by the Xi Mu Iota chapter of Beta Sigma Phi society, will be held March 5 and 6 instead of Feb. 5 and 6 as reported in last week's News.

of Texas and Ted Owens of Kansas. And numerous high school coaches (who can see future results) also provide expert advice on program administration. National basketball champion in Dimmitt? Could be!

Lions plan for Scout drive

By MYRT LOMAN

Eight members of the Hart Lions Club met with Boy Scout officers Tuesday morning to plan the annual Boy Scout sustaining membership enrollment in Hart.

Richard Franks is the community chairman of the drive, which will be launched at the next meeting of the Lions Club Monday, which is the 61st birthday of Scouting in America.

Meeting with the local men were Glenn Nickel of Plainview, enrollment chairman for the six-county Haynes District; Jerry Stevens, district Scout executive of Plainview; and Warren Green of Lubbock, who is program director of the South Plains Boy Scout Council.

Hart has both a Cub Scout Pack and a Boy Scout troop. Both are sponsored by the Hart Lions Club.

"Because Scouting teaches respect for the law, because it builds character, because boys learn self-discipline through Scouting, it helps a boy distinguish between right and wrong," Franks said. "If we had twice

as much public support, it is possible we could have twice as many boys in Scouting."

THE THREE Cub Scout dens met Tuesday and Wednesday of last week and completed their January projects for display at the pack meeting.

Mrs. Leo Alexander and Mrs. Mary Ponce met with Dea 1 in the home of Mrs. Leonard Griswold, den coach, and completed their cabins and planetarium projects.

Mrs. Glen Gleghorn and Mrs. Weldon Jones met with Den 2 Wednesday after school at the bank and completed their project of telescopes.

Mrs. Lyndall Warren and Mrs. Wister Clevenger met Wednesday after school at the bank with boys of Den 3, who completed their space project.

Duane Clevenger, Sonny Mancias and James Warren, den chiefs of Troop 246, completed trophy awards from three sets of deer horns for use at pack meetings.

THURSDAY night some 64 Cub Scout members, leaders, den mothers, assistants, parents and special guests met for the first pack meeting of the new year.

A new Webelos den was formed, with Bill Shelby accepting the job of den leader.

Receiving the Bobcat award were Ronnie Alexander, Ronaldo Longoria, Isias Ponce Jr., Leon and Luther Jaaguire, Kyle Gleghorn, Bill Warren, Marlin Marble, Russell Clevenger, Tracy Rich, and Matt King.

Keith Newsum received his Wolf award and a Gold Arrow; Kelley Jones received his Bear award; and Russell Davis received his Bear award, a gold arrow and a silver arrow.

Deniers are Russell Davis, Kelley Jones and Bill Warren. Assistant deniers are Keith Newsum, Pat Six and Marlin Marble. Receiving two-year service stars were Kelley Jones, Pat Six and Russell Davis.

Den chiefs are James Warren, Sonny Mancias and Duane Clevenger.

New members are Larry Marble, Bruce McAdams and Leslie Reed. Mrs. Leonard Griswold is the den coach and Max Marble is the Cubmaster.

Refreshments were furnished by the Brotherhood of the First Baptist Church.

The Blue and Gold Banquet will be held Thursday night, Feb. 25, at 7:30 in the Hart School cafeteria.

THE HART P.T.A. recently hosted the Bi-county P.T.A. Council meeting in fellowship hall of the First Baptist Church.

Coffee and rolls were served at 9:30 to members from Nazareth, Kress and Hart.

A short business meeting was held with members voting to sponsor a school book and supply drive for a school in Vietnam. The building is under construction by US soldiers, and they are in need of all school supplies.

Mrs. Jack Flynt of Dimmitt gave a demonstration on flag dis-

play and etiquette.

Guests had lunch at the Hart School Cafeteria.

Hart P.T.A. members present were C. C. Hanes, president; Mrs. Lyndall Warren, secretary; Rev. C. T. Cunningham, treasurer, and Mrs. Ben Kennedy, Bi-county secretary.

Nazareth will host a Bi-county Procedure Course Feb. 23.

HART YOUTHS will meet at the First Baptist Church Saturday from 6:30 to 6:45 p.m. to go to Plainview to attend a youth rally at the First Baptist Church in Plainview. Larry Hargrove, running back for the Texas Tech Red Raiders, will be the featured speaker.

Mrs. G. R. Bennett will host the members of the Goodneighbor Club at her home Thursday. All members are urged to be present for a covered dish luncheon and program.

REV. AND Mrs. T. H. Taylor and family were in Roby last Thursday for the funeral of her mother.

Mrs. Eleanor Jane Morton, 81, a longtime resident of Roby, died last Wednesday morning in a Dublin Hospital.

The funeral was held at 3 p.m. Thursday in the First United Methodist Church of Roby with Rev. Mexner of Claude and the Rev. Homer Salley, pastor, officiating. Burial was in Roby Cemetery, under the direction of Weathersbee Funeral Home of Roby. Mrs. Morton had been a resident of Fisher County since 1905. Her husband, M. J., a Methodist minister, preceded her in death in 1959.

Surviving are two daughters, Mrs. T. H. Taylor of Hart and Mrs. J. E. Bruce of Longworth; three sons, Allen of Roby, Robert of Dublin and Ira of McAllen; two brothers, Boyd Cooper of Arlington and Charlie Cooper of Arnett, Okla.; 19 grandchildren and 11 great grandchildren.

Another son, Carl Morton, died in 1910.

ALTA CAMPBELL, R.N., of Plainview, was the guest speaker at the Golden Onions luncheon Friday in the community room of the Farmers State Bank.

Following the luncheon, Miss Campbell gave a talk pertaining to the West Texas Home Health Agency Service.

She explained the home services that are available for any and all senior citizens who need nursing care. This project is under the supervision of the Medicare program and any person qualified for Medicare is eligible for this free service within a radius of 30 miles of Plainview.

IN THE January meeting of the city commission it was agreed to let the Cub Scouts have a Cleanup Day, with the time and date to be set by the den coach and leaders.

The afternoons of Feb. 13 and 20 are the dates tentatively set. This will be a money-raising project for the boys.

MEMBERS of the Zealot Club met in the home of Mrs. Jack Dyer Tuesday afternoon of last week with Mrs. Warren Lemons and Mrs. C. T. Cunningham serving as co-hostesses.

Mrs. Manuel Ayers of Plainview gave a demonstration on cake decorating.

In the business meeting the old officers were given special recognition and the new officers were installed. New officers are Mrs. Charles Nelson, president; Mrs. Jerry Kittrell, vice-president; Mrs. Garlan Crosby, secretary; Mrs. Howard Mitchell, treasurer; Mrs. C. T. Cunningham, parliamentarian; Mrs. Ted Averitt, reporter and Mrs. Lawrence McLain, assistant reporter.

Mrs. Barry Hughey and Mrs. Don Lloyd were special guests.

HERE'S THE Hart school lunch menu for next week:

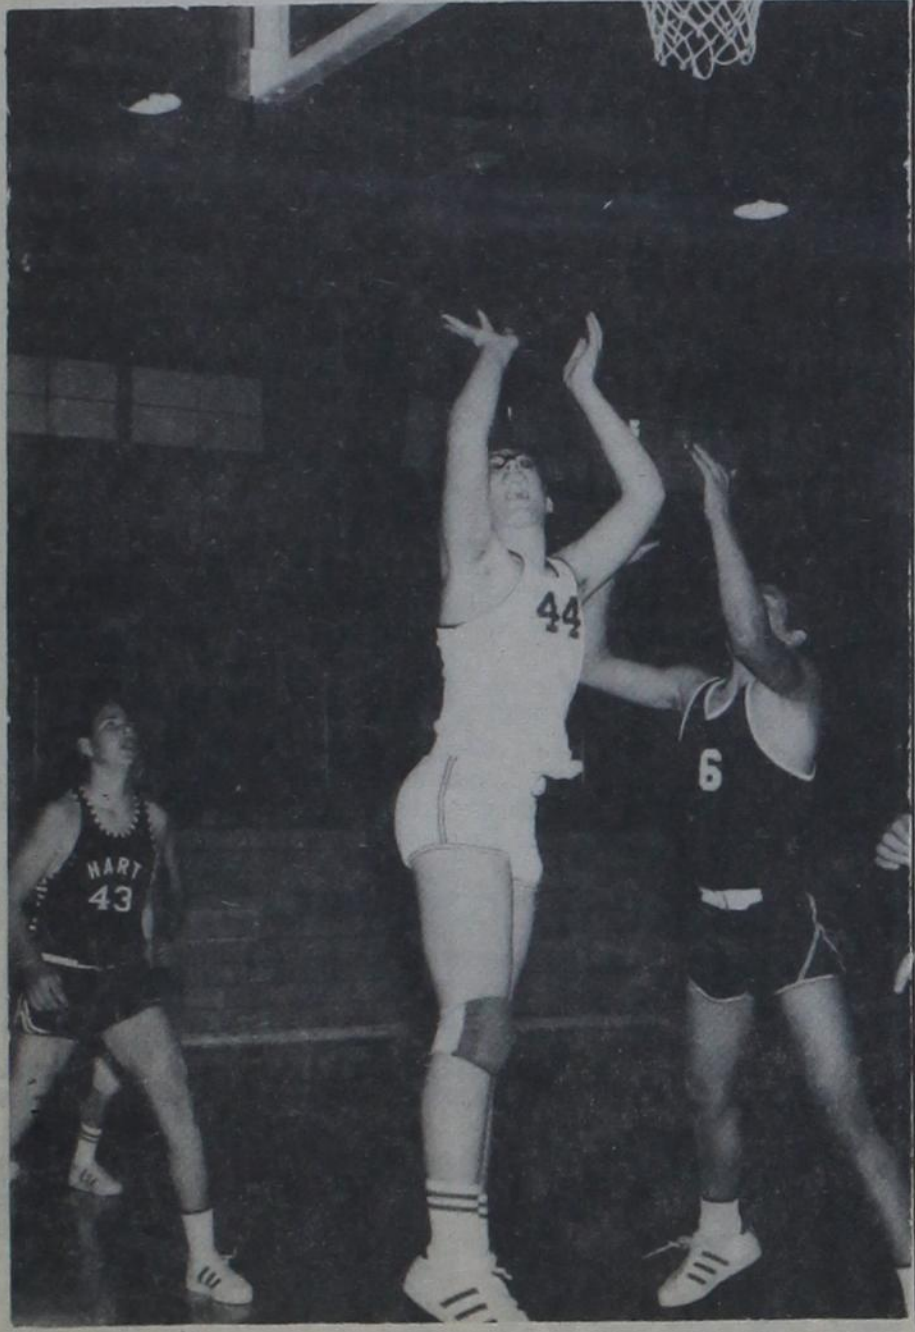

Monday - Salmon loaf, candied sweet potatoes, seasoned green beans, hot rolls, cherry cobbler, milk and butter.

Tuesday - Chili beans, whole kernel corn, onion slice, cornbread, pineapple cream pudding, milk and butter.

Wednesday - Pork patties, potato salad, cabbage slaw, hot rolls, orange sheet cake, milk and butter.

Thursday - Frito pie, seasoned white beans, whole pickle, hot rolls, apple crisp, milk and butter.

Friday - Sloppy Joes, French fries, catsup, lettuce and tomato, coconut cake, milk and butter.

KYLE BRODERSON sinks a basket for the Dimmitt Bobkittens while Hart's Tony Montemayor (6) tries to stop the shot and Dwayne Clevenger (43) follows, in the consolation semifinals game of the Dimmitt Freshman Tournament Friday.

Castro Lodge AF & AM 879, Regular meeting, 3rd Monday. Practice every Thursday. Murray Hall, Worshipful Master, Ira E. Brown, Secretary, Visitors Welcome.

Financial Facts by Willis A. Hawkins, Jr. The foreign exchange market defies description in a physical sense, for it exists wherever a buyer and seller of foreign exchange can be brought together.

Foreign exchange is a central aspect of international banking. WATCH NEXT WEEK FOR "CORRESPONDENT BANK RELATIONS". Sure hope the long range weather forecast is correct—a wet month in February.
