

# It's girls' turn in regionals

Nazareth's Swiftettes and Dimmitt's Bobbies, fresh from big-margin bi-district victories Tuesday night, will move into the regional tournaments again this weekend.

Eight bi-district champions will gather at the Texan Dome in Levelland Friday for the first round of the Region I-B Tournament. And guess who's favored?

Coach Joe Lombard's Swiftettes—state champions the past two years and the state's No. 1-ranked team this season with a 30-3 record—will be seeking their fourth regional championship.

The Swiftettes will meet Three Way (26-5) at 8:30 p.m. Friday in the final game of the first round. Earlier games will pit Dell City against Groom (28-6) at 2:20, Greenwood (22-6) against Follett (29-3) at 4 p.m., and Sands (32-5) against Motley County (20-7) at 7 o'clock.

Saturday's semifinals will match the Dell City-Groom winner against the Greenwood-Follett victor at 9:30 a.m., and the Nazareth-Three Way winner against the Sands-Motley County winner at 11 a.m.

The championship game will be played at 7 p.m. Saturday. The Swiftettes bombed Sudan 63-27 in bi-district Tuesday night, but they're going into the playoffs not at full strength. Sharpshooter Doretta Ramaekers is out of the lineup with a knee injury.

The Region I-AA Tournament will be a one-day marathon in the Lubbock Municipal Coliseum. Coach Jimmy Hoyle's Bobbies (28-3) will open the Class AA action when they meet Henrietta (19-5) at 11 a.m. Saturday in the semifinals.

Slaton (32-2), defending state champion and tourney favorite, will play Crane (20-8) at 12:30 p.m. in the other semifinal game. The championship match is set for 8:30 p.m.

Last year, Slaton defeated Dimmitt 66-51 in the finals, en route to the state championship. Two of the Bobbies' three losses this year have been to Slaton, but they played the Tigerettes to two points on one of those outings—and they're hoping to break the "Slaton jinx" if they get a chance Saturday.

In their 53-42 bi-district win over Lockney Tuesday night, the Bobbies gained some valuable bench strength in Janice McLaughlin. Brought up from the JV squad for the playoffs, the sophomore lass sank 13 points and grabbed a good share of rebounds Tuesday night to fit into Hoyle's player-rotation system and balanced scoring attack.

The Region I-A Tournament also will be played in the Coliseum Saturday, with Phillips (22-6) meeting Hale Center (26-3) at 8 a.m. and Whiteface (28-3) going against Crowell (27-2) at 9:30. The Class A title game will be played at 7 p.m.

Winners of this weekend's regional tournaments will advance to the three-day state tourney starting next Thursday in the "Super Drum" at UT-Austin.

15' Per Copy

RIM-HIGH—After a double fake that leaves Perryton's defenders on the floor, Dimmitt postman Mark Summers goes rim-high to loft the score-tying basket with 1:40 remaining in the Region I-AA semifinal game in Lubbock Municipal Coliseum Friday night. This basket knotted the score at 29-all, and teammate Kelley Hill sank three free throws in the last

41 seconds to seal a 32-29 victory for the Bobcats in the surprisingly low-scoring game between the two state-ranked teams. In the championship tilt Saturday, the Bobcats lost a 46-45 cliff-hanger as Seminole's Indians snapped District 3-AA's eight-year domination of the northern region.

## Gasohol race accelerates

A gasohol plant for Dimmitt is a distinct possibility, according to local men who were in Austin over the weekend talking with legislators and Reagan Brown, Texas Secretary of Agriculture.

Carl King, president of the Texas Corn Growers Association as well as state Democratic committeeman for the 31st Congressional District, also met with the legislative council of the State Demo Executive Committee, and on

Monday with a special committee on agriculture-derived fuels chaired by Brown.

Doug Lapins, manager of the Amstar Corp. corn processing plant here, and Bill Clark, Dimmitt Agri Industries manager, conferred with Brown and other Agriculture Department officials, also legislators who have proposed bills to encourage the production of gasohol, and with Speaker of the House Bill Clayton.

Gasohol is an alcohol manufactured from corn or other grains, for use in a mixture with gasoline as a motor fuel. It is being produced in some sections of the Midwest and the fuel is on sale in service stations.

Brown has said that the Amstar plant here and a cane sugar plant in the Rio Grande Valley could be converted easily to produce the alcohol.

Lapins told the agriculture secretary that Amstar's Dim-

mitt plant has "real good economics" for use as a pilot plant. He told the News Tuesday that it would be necessary to erect another building and add new equipment, but the project is entirely feasible.

If this were done, Lapins explained, it would be in addition to the present production of corn syrups and starches in the plant.

The big problem in making the project successful, Lapins said, would be transportation and marketing of the finished gasohol. The Amstar Corp. and Dimmitt Agri Industries are working on that phase of the project.

The first hurdle to be cleared, King said, is the Texas law that makes manufacture of alcohol illegal in the state. Amendment of this law, or new legislation to legalize

gasohol manufacture, is one of the three pieces of legislation Clayton was convinced to back, King said.

Others are action to assure matching state grants for research and for actual building of plants, and repeal of the state sales tax on gasoline in the gasohol mixture, so it can be competitive in price with high-grade gasoline.

At present gasohol is more expensive, although it has anti-knock qualities, better horsepower and better mileage than straight gasoline. But proponents of gasohol are looking toward the expected rise in fossil fuel prices that would leave gasohol prices no higher than gasoline.

Lapins said Amstar officials and engineers have talked with those in midwestern [See GASOHOL, Page 8]

## 'We've done some good,' returning farmers feel

Castro County farmers are coming home this week from their Tractorcade with a feeling that they accomplished something by their long trek to the nation's capital.

The tractors in Washington, D.C. apparently forced Secretary of Agriculture Bob Bergland to set a meeting with farmers in March at the Lubbock Civic Center, county farmers say.

"He will discuss and see what he can do about this distressed area that has to irrigate crops, and to help farmers in their economic stress," according to Hershel Wilson.

During a hearing with the agriculture committee in Washington, Wilson said the farmers were told that since they had made the big effort of driving their tractors to the Capitol, it had become evident that the farmers were in

need of a better plan.

About 2,500 tractors are still in Washington, Wilson said, and more are still coming in, even though the Castro County farmers are coming home this week.

Much of the news media reports of violence in the capital city, according to Wilson, were exaggerated and actually there was a minimal amount of trouble. In fact, he added, Washington police said the farmers were the best demonstrators they had ever had in the capital city.

"The six weeks we spent both on the road and in Washington were not a picnic, but we felt that all of the hardships the farmers in the tractorcade encountered were for the cause of agriculture," Wilson said.

During the farmers' stay in the capital city they were of

great help to the people of the city during a heavy snowstorm. Tractors helped pull cars out of the snow, transported doctors, nurses, kidney patients and expectant mothers to hospitals.

The tractors and combine burned on the streets, Wilson reported, were not new machines they were "junkers" that were hauled there for that purpose.

"The people in D.C. and all along the way were great. Sundays were always set aside to worship and sing praises to the Lord," Wilson said. "It made the day a lot brighter for everyone."

Castro County farmers went through the proper channels in Washington and got an office set up in the USDA building, Bob DuLaney said.

The area farmers have gained an even greater re- [See Tractorcade, Page 2]

## Dimmitt schools open to visitors next week

March 5-9 has been set for Public Schools Week in Texas, an annual statewide observance.

"Texas Public Schools Week was born out of a great need," said Commissioner of Education M. L. Brockette. "Twenty-eight years ago a group of public-spirited citizens began to look at the relationship between their schools and communities. They were disturbed by the general apathy now considered typical of the 1950 period. They decided to do something about it. The result was Texas Public Schools Week."

Dimmitt citizens are encouraged to visit any or all school buildings from 8:30 a.m. to 3:30 p.m. on school days during the week. Civic clubs have been invited to have lunch at school on designated days of the week. Each school has specific building plans.

At Richardson Elementary School parents will be invited to visit on designated days. Invitations will be sent to each parent. Parents will be invited to have lunch with their children.

Teachers will be available

### Correction

Under the photo of Vic Hart with his Grand Champion lamb in last week's issue, the News stated that this was the second year in a row for Hart to exhibit the Grand Champion in the County Junior Fat Stock Show.

This was an error. Hart showed the Reserve Champion lamb in last year's show, and Brad Brock of Dimmitt exhibited the Grand Champion.

for conferences at designated times during the day. Textbooks that are being used by [See SCHOOLS, Page 2]

NOBODY ELSE in the house had better try to lay a hand on the ball as a grimacing Jeff Schmucker gets the rebound for Nazareth in the Swifts' game against Sands Friday in the first round of the Region I-B Tournament at the Texan Dome in Levelland. Others in photo are Nazareth's Kenny Gerber [11] and Gary

Book [10], and Sands' Van Gaskins [12] and Jessie Gomez [10]. Schmucker scored 19 and Book 10 to pace the Swifts to a 46-38 victory. In the semifinals Saturday the Swifts lost a 50-48 heartbreaker to Whitharral, eventual regional champion. [Photo by Brenda Durrett]

## Seminole snaps 3-AA's North Texas domination

For the first time in eight years, it won't be Dimmitt, Morton or Friona representing Region I-AA in the state basketball tournament this weekend.

It was the Seminole Indians who snapped District 3-AA's long domination of the northern region Saturday with a 46-45 victory over Dimmitt's Bobcats in the regional championship game.

A field goal by substitute Tommy Herring with eight seconds remaining lifted the Indians of District 5-AA to the regional title.

Seminole was a state contender many years in Class AAA before dropping to AA enrollment. Another former Class AAA power—generally seeded as the pre-tourney favorite—Perryton, fell to

Dimmitt in the semifinals Friday, 32-29, in a weird game in which neither team could get its high-powered offense in gear.

Defending state champion Whitehouse will face Rice Consolidated and Seminole will tip off against Boling in the state tournament today (Thursday).

And in Class B, it will be Whitharral representing the northern region in the state tournament today, instead of Channing, or Greenwood, or Nazareth, or Sands, or . . .

Most basketball handicappers in the area figured the regional finalists at Levelland would come from the Channing-Greenwood and Nazareth-Sands opening-round games. Channing had gone to the state tourney 11 times in

the past 15 years; Greenwood was undefeated; Sands sported a 30-4 season mark; Nazareth had a well-balanced scoring attack and a tough defense.

But Whitharral's Panthers, starting with a 23-8 record, downed Motley County 46-38 in the first round, then upset Nazareth 50-48 in the semis (their first win over the Swifts in three meetings), then went on to stun Channing, 49-42, in the championship bout.

Joining Whitharral in the Class B state tournament today will be West Lamar and two playoff perennials, Krum and Snook. Whitharral will face Snook today at 10 a.m., after Krum and West Lamar play in the curtain-raiser at 8:30.

## Grievance body lacks quorum for meeting

A meeting of the Castro County Grievance Committee scheduled for Tuesday was postponed to 9 a.m. Monday when a quorum failed to materialize. The meeting was called for the purpose of hearing County Clerk Zonell Maples.

In the Castro County Commissioners' Court meeting Monday the court moved to increase the salaries of Bedford Smith, county veterans' service officer, and Marshall Young, Prec. 2 justice of the peace, by \$32 a month each.

The commissioners also voted to grant an extension on Small Business Administration loans which are due March 6.

## Nell Ingram, Claude Annen are conservation honorees

The Conservation Farmer and Conservation Homemaker of the Year in Running Water Soil and Water Conservation District will be honored at the district's annual awards banquet at 7:30 p.m. Saturday at the County Expo Building.

Claude Annen, who farms six miles northwest of Dimmitt, has been named 1979 Conservation Farmer, and Nell Ingram of the Bethel community is the Conservation Homemaker.

The banquet, open to the public, will feature a barbecue dinner catered by The Plantation, and a slide presentation by District Conservationist N. A. Bryson. The slides show results of a resource study of the 1977 Resource Conservation Act.

Anyone wishing to attend the banquet may make reservations by calling the Soil

Claude Annen

Conservation Office, 647-4324.

In addition to the two major

honorees, student winners in essay and poster contests will also be recognized on the program.

Winner of the Conservation Farmer title, Annen owns 360 acres of land and also farms land owned by his father, Raymond Annen.

On the advice of his father, a long-time conservation farmer in this area, he asked for assistance in developing a Great Plains conservation program on a farm he bought in 1976.

The program includes waterways and parallel terraces. A critical gullied area was shaped and cotton burs applied before it was seeded to grass. An area of steep slope was seeded to alfalfa to be used as hay. Another area was seeded to side oats grama for pasture. [See Conservation, Page 2]

# Few candidates seek city, school posts

Filing deadline for candidates in city and school district elections this spring will fall next Wednesday, and by mid-week little interest has been shown in any of the races in Castro County.

Elections will be held April 7 for board members in Dimmitt, Hart and Nazareth Independent School Districts, for mayor and city judge in Dimmitt, mayor and two city commissioners at Hart and one city commissioner at Nazareth.

Jim Killingsworth's candidacy for a place on the Dimmitt ISD board has been announced. Both Charles Wales and Jimmy Cluck, the two members whose terms expire this year, are seeking reelection.

Two vacancies will also occur in the Nazareth ISD board and one incumbent, Marvin Jones, is asking to be returned to his post. Cyril Brockman is another candidate there. The term of Dan Schmucker is also expiring at Nazareth.

Mike Reed and Manuel Sanchez Jr. have filed for places on the Hart school board, where there will be three vacancies this spring. Wamon Foster, Bill Rich and J. D. Myrick are due to leave the board and have not yet announced whether they will ask new terms.

Deadline for filing in school board races and also for city offices will fall on March 7.

In Dimmitt city elections the mayor and city judge offices will be filled for a new term. Neither Mayor Elmer Youts nor City Judge L. G. Manning has made an announcement yet.

Gilbert Guzman Sr. has announced that he will be in the race for a city commission seat at Hart.

Posts of Mayor Frank

Barnes and both the Hart city commissioners, W. T. King and Bob Bowden, are up for election at Hart.

Voters at Nazareth will elect one city commissioner this year. No candidates had filed for the office by Wednesday.

DISD trustees set the election date at last Thursday's meeting and appointed Noel Gollehon election judge, with Gene King and Andrea George as absentee clerks.

March 7 is the last day for candidates to file for a place on the ballot, with March 8 set for the drawing of ballot positions. Absentee voting begins March 19 and lasts until April 3.

Candidates' first statement of campaign contributions and expenditures must be filed March 8, with the second such report being filed April 2.

## Rail crossing victim is kin of city woman

Funeral services are pending with Blackburn Shaw mortuary of Amarillo for Furma J. "Frosty" Morris, 26, granddaughter of Lois Harris of Dimmitt.

Mrs. Morris was killed Tuesday when a train struck her car east of Amarillo.

She was employed by Iowa Beef Processors of Amarillo.

She is survived by two daughters, Nicki Morris and Kim Ashton; her parents, Mr. and Mrs. F. R. Steakley of Amarillo, a brother, Randy Steakley of Virginia and her grandmother, Lois Harris of Dimmitt.

## More about Schools ...

[Continued from Page 1]

the children and samples of students' work will be on display.

Dimmitt Middle School will extend written invitations to pupils' parents and grandparents. Visitors will be encouraged to have lunch in the East Cafeteria of Richardson Elementary School.

Each classroom teacher will extend an invitation to a business person to visit a classroom and to have lunch with the class. Student Senate members will be present to direct visitors to the rooms of their choice.

Dimmitt High School has Monday set aside as Career Day for juniors and seniors. A special schedule for these students will be followed and parents will be invited to attend Career Day sessions with their son or daughter.

Each student will be asked to invite his parents to visit one class. Each second period teacher will contact parents of students he has that period and issue a special invitation to visit sometime during that week.

The counselor's office will welcome visits from parents at any time during the last four days of the week to discuss financial aid, entrance requirements to colleges, or any other subject they wish to discuss.

Student aides will be stationed at each of the main entrances to the building on Monday, Tuesday and Wednesday to register and assist visitors.

Kiwanians will have their lunch Monday at Richardson Elementary East Cafeteria, the Noon Lions Tuesday in DHS Cafeteria, United Lions Wednesday and the Masonic Lodge Thursday at Richardson, Rotary Club Friday at DHS.

## Stock Show profits pay FFA's debt

Proceeds from the recent Junior Fat Stock Show and Sale, donated to the Dimmitt FFA by the Young Farmers who sponsor the event, plus a donation from the Kiwanians almost wiped out the debt on the Dimmitt FFA Chapter Stock Farm.

The chapter received approximately \$4,300 at the County Show to go with \$1,700 donated by the Dimmitt Kiwanis club.

The Dimmitt Kiwanians' donation represented one-half of the net income from their pheasant hunters project.

FFA chapter advisor Larry Gray said the FFA owed about \$6,000 on the building and the donations will come close to wiping out the debt.

"It doesn't look like we will have the new steer barn planned this summer," Gray said.

[Continued from Page 1]

spect for Congressman Kent Hance during the demonstration in the capital city, they report.

"Kent Hance is really working for us and is not taking no for an answer," DuLaney said, adding that Hance told the farmers, "you put me here and I'll work for you."

Both Wilson and DuLaney commented on the closeness between all the farmers from Castro County.

"Not one cross word was said among the Dimmitt people the whole time," DuLaney said. "We left friends and returned even closer friends."

The farmers did not go to Washington to cause trouble but to gain 90% of parity and to benefit America as a whole, both men commented. If the farmers had gone to cause trouble they would not have taken their families with them, DuLaney added.

## More about Conservation

[Continued from Page 1]

Annen is now completing a system of parallel terraces which will finish all phases of the program except for the management period.

Mrs. Ingram actively assists her husband, Jack, on the farm where they raise mostly cucumbers, corn, hay and cotton. They have peach, apricot and apple trees and sell the fruit when there is a good crop.

She often operates a tractor or changes irrigation water, and she helps in busy times by making trips to town for parts or whatever is needed to keep the farm machinery moving. The Ingrams are both conservation-oriented and Mrs. Ingram helps her husband farm to make the best use of their major crop, using water effectively and conserving energy.

Practicing conservation in her home also, she cans food for her own family and for her father and sisters. She freezes and dries other food, is an excellent cook and enjoys sharing recipes with friends.

Sewing is another of her skills and she helps 4-H Club girls with sewing projects.

## Bobbies top Lockney in bi-district

Dimmitt's Bobbies combined a full-court press, a well-balanced scoring attack and their patented third-quarter blitz to overpower Lockney 53-42 for the bi-district championship Tuesday night.

Playing before 2,000 fans in Wayland College's Hutcherson Center in Plainview, the Bobbies followed a slow first half with a 23-point outburst in the third period to put the championship on ice.

The game had a Cinderella in sophomore Janice McLaughlin, who was brought up from the district champion JV squad for the playoffs. McLaughlin came off the bench to sink four free throws in the second period,

then scored eight of the Bobbies' 23 third-quarter points and added a basket in the fourth to finish with 13.

Lori Dyer led Dimmitt's well-balanced scoring attack with 15 points, while Becky Andrews swished 12, Vicki Cleveland 9 and Christina Salinas 4.

The two teams were uptight in the first quarter, settling for a 4-4 deadlock after trading turnovers and missing their shots. But the Bobbies sank 15 in the second period while holding the Lady Longhorns to eight to take control, 19-12, at halftime.

By the time the Bobbies finished their third-quarter blitz, they were up by 38-28, and they

stayed ahead by nine to 12 points the rest of the way.

Coach Jimmy Hoyle rotated his top 10 freely, and felt that was the key to the Bobbies' victory.

"Our bench did a good job, gave us a chance to get some rest, and I think that was the key on the turnovers—why they had more (25) than we did," Hoyle said. "They had to go with the same girls all the game, and when you get tired you make more mistakes."

## UT Exes set meeting Friday

University of Texas Ex-students Association will meet at 2 p.m. Friday at the City Hall community room to update the membership list and to make plans for the fall.

All former students of the university are invited to attend the meeting on Texas Independence Day, the traditional annual meeting day for Texas Exes.

# Garner of Waco Midway is new DHS grid coach

Wayne Howard Garner of Ralls has been chosen as Dimmitt High School's new head football coach and should start by March 19 according to School Superintendent Robert Ryan.

The school board spent six hours interviewing four finalists who were chosen from the 35 applications submitted before deciding on Garner.

"We're pleased to have a man of Wayne's background and caliber to be with us," Ryan said. "Although any of the four finalists would have been a good choice, we think we picked the best."

Garner has a masters in education from Prairie View A&M, a BS from McMurry College where he majored in physical education and minored in biology. He attended Texas Tech University after graduation from Ralls High School.

Garner, 37, and his wife, Donna Gail, have two children, Sky Dean, 11, and Guy Wayne, 8.

He is certified to teach physical education, biology,

health and driver education. In high school athletics he played in the Greenbelt Bowl his senior year, was in the regional meet in his senior year in track, earned three letters in basketball and was all-district for two years in addition to receiving two letters in football and making all-district.

He played on the freshman football team at Texas Tech and played two years at McMurry College.

In 1964 he coached 8th grade football and basketball at Tulia Junior High School; in 1965 he coached 9th grade football and basketball. In 1966 he coached 9th grade football and basketball at Plainview High School.

From 1967-1969 he was the varsity line coach, assistant track coach and taught physical science at Estacado High School in Lubbock.

From 1970-71 Garner was varsity line coach and assistant track coach, taught driver education, physical science and world history in high school at Andrews.

He was a varsity line coach and taught biology and health at Lubbock's Coronado High School.

From 1974 to the present he was a defensive coordinator of the varsity football team at Midway High School at Waco.

Garner and his family have been active in the Baptist Church at Tulia, Plainview, Lubbock, Andrews and Waco.

## Area students on honor roll

Teresa Elaine Bruegel of Dimmitt and R. L. Davis of Hart were named to the 3.5 honor roll at North Texas State University.

Miss Bruegel is the daughter of Mr. and Mrs. Carl Bruegel of Dimmitt. Davis is the son of Royce R. Davis of Hart.

# Retired ASCS Career Day scheduled at DHS March 5

## director to be honored

Dale Carter of Plainview, who retired in 1970 after almost 20 years as ASCS director of the High Plains District which includes Castro County, will be honored Friday at dedication ceremonies for a new building in Littlefield.

It will be named the Dale Carter Building in recognition of his many years of service to the ASCS. He began at the age of 20, working during summer months measuring crop acreages under the old AAA program while he taught and then was school superintendent at Burleson.

Born on a farm in Brown County, he graduated from Howard Payne College at Brownwood and did graduate work at the University of Texas.

After serving as ASCS office manager in King County, then in Wilbarger County for a three-county area, he was promoted to district director in the Panhandle District and later to the High Plains District, comprising 19 counties. He was awarded the Certificate of Merit for outstanding work and was nominated for the Superior Service Award.

His wife is a retired home economics teacher at Plainview.

"Career Day" for Dimmitt High School juniors and seniors will be held on March 5 as one feature of Texas Public School Week. Parents will be invited to attend "Career Day" with their son or daughter. Each student is required to select a conference in one area in each time he desires to attend, following this schedule:

From 1:35 to 2:15 p.m. — Secretary, agribusiness, TV commentator, medical technicians, diesel mechanics, engineering, real estate sales, teaching, business administration, psychologist.

From 2:20 to 3 p.m. — Pilot, photography, auto mechanic, agriculture engineering, law enforcement, airline stewardess, dentist, cosmetology, accounting, electronics.

From 3:05 to 4 p.m. — Auto body work, drafting, optometrist, military, interior decorating, industrial lab technician, coaching, computer science, lawyer, child care, court reporter.

**Too Late to Classify**  
FOR SALE: 1974 Kawasaki motorcycle, 400 cc, 3 cylinder. \$500. 647-2646 after 5 p.m. 6-22-78

**DALE BROADSTREET** of Dimmitt will be discharged from the US Navy Friday. Broadstreet joined the Navy April 2, 1975. He is the son of Mr. and Mrs. Harold Broadstreet of Dimmitt. He and his wife, Janet, have a three-year-old son, Chris.

# Clark president of Texas co-op

Bill Clark, general manager of Dimmitt Agri Industries, was elected president of the Texas Federation of Cooperatives at its annual meeting held in Dallas last week. The Texas Federation of Cooperatives is an affiliation of all types of cooperatives in the state with a membership of 337.

Others attending from Dimmitt were Deanne Clark, Mr. and Mrs. John Walker, Mr. and Mrs. Charles Axtell, Mr. and Mrs. Charles Summers,

and Mr. and Mrs. Dan Petty, all representing Dimmitt Agri Industries, Inc.

Also Mr. and Mrs. Ernest Sammann representing Dimmitt Consumers.

Also Mr. and Mrs. Earl Chaney, Mr. and Mrs. Bill Glidewell, Mr. and Mrs. Frank Wise, Mr. and Mrs. Don Moore, M. and Mrs. Lloyd Vaughn representing the Castro Coop Gin.

Chaney was re-elected to another term as a director of the Texas Cooperative Ginners Association.

In addition to Clark's duties as president of the Texas Federation of Cooperatives, he is currently serving as chairman of the board of Producers Exchange Cooperative, a Dallas-based insurance marketing cooperative serving the needs of cooperative organizations in Texas, Oklahoma, Kansas and Mississippi.

The purpose of the federation is to provide non-economic service that affects all cooperatives such as membership education, public relations, legislative and director and employee training.

Federation staff and officers spent much time mon-

itoring proposed legislation, locally and nationally, that affects agriculture and the general welfare of farm and ranch people.

## More phones in service over county

Telephone connections in Dimmitt show a gain of 68 for the year 1978 over the previous year, and Hart and Nazareth also have more telephones, according to records of the Continental Telephone Co.

Dimmitt had 3,654 telephone connections in December of 1978 compared with 3,586 a year earlier.

Connections in Hart totaled 739 last December, 15 more than the 724 of the previous date.

Nazareth showed a gain of 11 connections, from 306 in the last month of 1977 to 317 in December of 1978.

The Sunnyside exchange had a small decline in the number of connections, from 151 to 148.

**ART WINNERS**—Six Dimmitt High School art students won 1979 Regional Scholastic Art Awards in competition last week in Amarillo. In top photo are Ricky Rickerd, Carla McRee and Jesse Garibaldi. In lower photo, Elias Perez discusses his award with Judy Lumpkin. Another DHS winner, not pictured, was Beth Maxwell. Rickerd will travel to New York to compete against other regional high school winners in textiles.

## Art awards are won by 6 DHS students

Dimmitt High School, the smallest school in the Panhandle to compete in the 1979 Regional Scholastic Art Awards, came back with six certificates of merit, two keys and one finalist.

Ricky Rickerd was chosen as a finalist, which means his work will go on to New York to be judged against all other finalists in textiles in the United States.

Certificates of merit were awarded to Carla McRee and Elias Perez for work in acrylics, to Beth Maxwell and Jesse Garibaldi for pencil drawings.

Keys, the highest regional award, were presented to Judy Lumpkin and Ricky Rickerd.

Approximately 1440 en-

tries were received, 420 were selected and around 150 were given awards," said Sue Broderson, Dimmitt High School art teacher.

All Dimmitt entries were on display at Amarillo's Western Plaza from Feb. 10-26.

## ASCS Notes

### Foreign land-owners required to register

By CHARLEY E. HILL  
County Executive Director

Foreign Investors — Any foreign persons owning agricultural land are required by law to register such ownership on or before the 90th day following the acquisition or disposition of any tract of agricultural land on or after Feb. 2, 1979 or on or between Aug. 2, 1979, where a foreign person owned any interest in agricultural land on Feb. 1, 1979.

If the above applies to you or anyone you know, please contact the Castro County ASCS Office, Dimmitt.

Oats - Baled for Hay — Oats, wheat, barley and rye are all NCA crops. If one of these crops is planted and is mechanically harvested after it reaches the "dough" stage, it is considered to be a mature crop and will count as an NCA crop planted on the farm.

This is a change from last year and from what we have been telling you all winter. All small grains that are grazed out are ineligible for program benefits, and would not be an NCA crop.

Sign-up for Set-Aside — The sign-up period is open now and will end April 30. We still do not have the county yields and the county NCA as of this date. We hope that we will have them soon, so that we can mail you your yields and NCA for your farm before you sign up in the program.

At the time you sign up, you will need to certify your wheat acres and also your set-aside, if wheat is the only crop you plan to plant.

Measuring Acreages — Some of you really "goofed" on this in 1978, and it cost you a pretty good bundle of !! In 1979, it will be worse if you mis-measure your acreage by more than 5%. You will be ineligible for all program benefits.

We have measurement service if you have a farm that you want us to measure. The rates are in the February newsletter.

Non-grazing Period — The

acres that you designate for set-aside under the 1979 program may be grazed up until May 1. You may resume grazing this acreage Nov. 1.

## Guest speaks to chapter

April Lawrence of Canyon presented the program to the Dimmitt Beta Sigma Phi Chapter at its February meeting.

Mrs. Lawrence discussed fashionable ways to accessorize clothes for spring. She also gave tips on the latest styles in makeup and hairstyles.

Mary Jo Brown and Bonnie Futrell were hostesses for the evening.

## Here's Hart's school menu

Here are the school menus for Hart schools for the week of March 5-9.

**MONDAY** — Breakfast: Bacon, toast, jelly, milk. Lunch: Oven fried steak, wheat rolls, green peas, creamed potatoes, cake, milk.

**TUESDAY** — Breakfast: Cold cereal, banana, milk. Lunch: Beef stew, cornbread, tossed salad, peaches, peanut butter cake, milk.

**WEDNESDAY** — Breakfast: Donut, juice, milk. Lunch: Fried chicken, creamed gravy, homemade sliced bread, green beans, whipped potatoes, peanut butter brownies, milk.

**THURSDAY** — Breakfast: Buttered toast, jelly, juice, milk. Lunch: Cheeseburger on homemade bun, tossed salad, buttered corn, fruit, milk.

**FRIDAY** — Breakfast: Hot cereal, buttered toast, juice, milk. Lunch: Fried fish with tartar sauce, cornbread, pinto beans, cabbage salad, peach cobbler, milk.

Now taking applications for assistant manager, must 18 or older. Apply in person.

# Lockett 77

## Cotton like you've never seen!

This great new variety was introduced for wide-area planting only one year ago. And already it's becoming one of the most popular cotton varieties in the Southwest! Farmers who've seen it are excited about its performance. Here's what they liked about Lockett 77:

- "Disease was not a problem." Multiple disease tolerance includes protection against the fusarium wilt-nematode complex.
- "It came out of the ground real fast." Excellent seedling disease escape and cold tolerance provide good early-season vigor.
- "It fit my conditions exactly." Early maturity makes Lockett 77 a good choice for short season production.
- "The lint tested out real well." Fiber qualities are outstanding with good strength and uniformity ratings.
- "Lockett 77 was a beauty in the field." Foliage is sparse on short- to intermediate-size plants. Short, close-fruiting branches make Lockett 77 ideal for stripper harvest.
- "The field looked white with my narrow-row planting." An excellent stripper cotton.

If you weren't among the farmers who planted Lockett 77 last year, talk to your ginner. If he doesn't have a supply on hand, he can get it for you. You're going to be really excited about the first field of Lockett 77 you see. It might as well be yours.

## Lenten season services set by church

Lenten services are being conducted in St. Thomas Episcopal Church at Hereford, which has a number of members who reside in Dimmitt.

Beginning Wednesday, meetings for evening devotions and classes for adults and children are scheduled at 7:20 p.m. each week until Easter, preceded by a potluck supper at 6:30. A study concerning world hunger, titled "Let It Begin With Me," will be conducted for adults and youth of high school age.

Inquirers classes are also offered during Lent to any who wish to learn more about the Episcopal Church and its beliefs.

Rev. Charles Threewit announces that all interested persons are invited to these special services in addition to regular services of the church.

## Funeral held for brother of residents

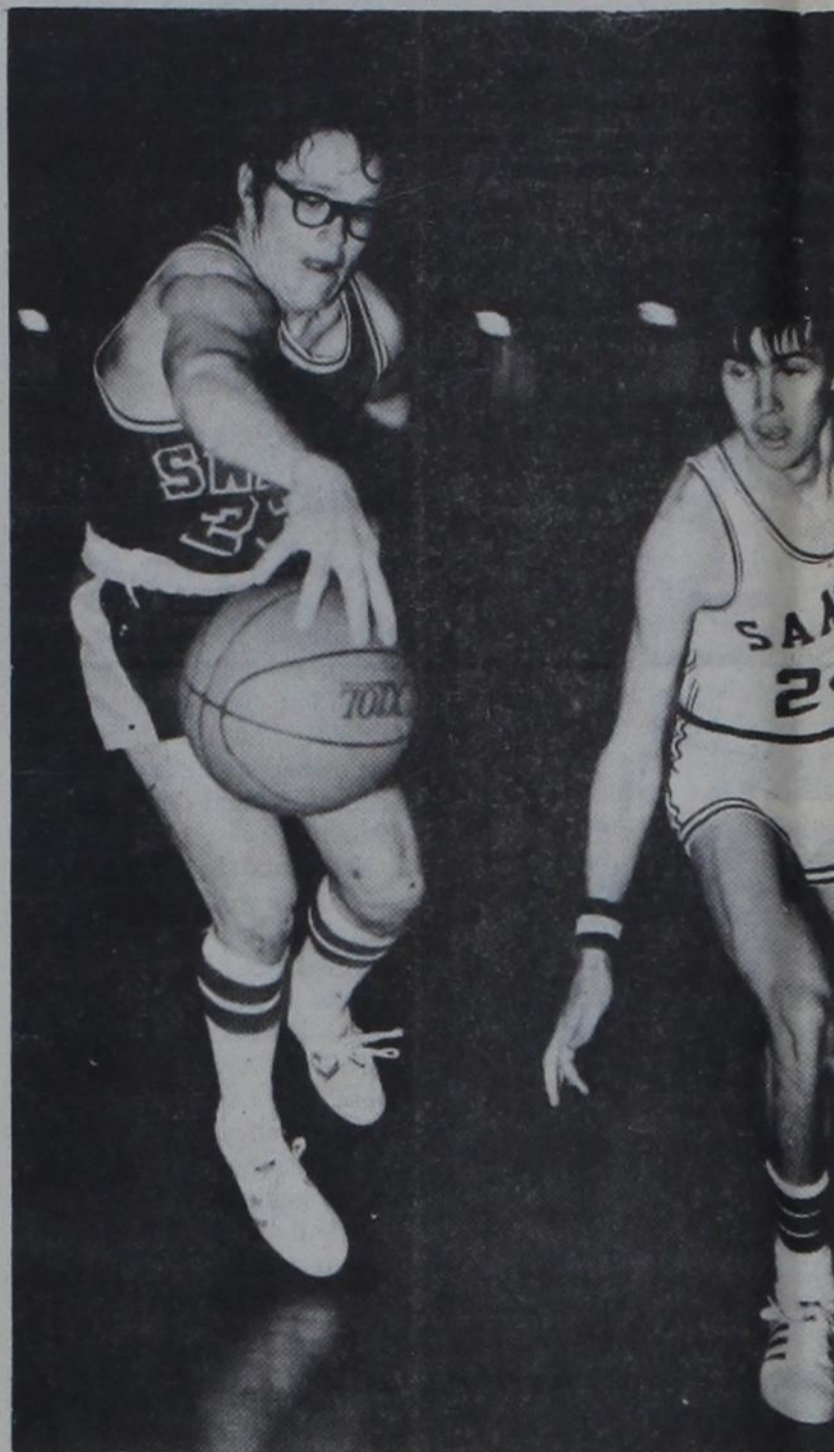

Funeral services were held Friday in Quitaque for Bruce W. Eddleman, 71, of Silverton, brother of Bailey Eddleman, Neva Hickey and Mrs. Era Heckerson of Dimmitt.

Mr. Eddleman was born in Memphis and had lived in Briscoe County 50 years.

He was a retired farmer and a member of the Church of Christ.

He is survived by his wife, Helen; two sons, Richard of Amarillo and Randall of Silverton; a daughter, Thelma Waters of Clarendon; three brothers, Bailey of Dimmitt, Bryant of Silverton, and W. C. of Eureka, Calif.; four sisters, Neva Hickey and Era Heckerson of Dimmitt, Ruby Cushenberry and Johnnie Morrison of Quitaque and eight grandchildren.

THE FIRST commercial combs were made from flattened animal horns.

BRYAN HUSEMAN of Nazareth beats Sands' David Mosley to a loose ball during their first-round game of the Region I-B Boys' Basketball Tournament at Levelland Friday. The Swifts won the game, 46-38, to advance to the semifinals against Whitharral Saturday. [Photo by Brenda Durrett]

## Letter to the editor

### PS Week visit urged to parents

Dear Editor: To the residents and parents of Dimmitt ISD:

As you know the State of Texas and Dimmitt ISD are observing Texas Public School week March 4-10. I am asking each of you to assist us by setting aside some time from your busy schedule to visit your school during this most important week.

Encourage your child and the children of this community in their education NOW. Visit with him in his classroom during Texas Public School Week, March 4-10. Let him show his work . . . and show him you are proud of it. Visit Dimmitt High School. It's your duty. I trust it will be your pleasure!

If you have a student at Dimmitt High School, he or she will personally invite you to visit during this week. Support the young people of Dimmitt and visit Dimmitt High School this week.

Thanks,  
D. W. HARKINS,  
Principal, Dimmitt High School

KENNY GERBER, Nazareth's playmaking guard, looks for an opening as post forward Jeff Schmucker (left) keeps a hand out during the Swifts' game against Whitharral's Panthers in the Region I-B Tournament semifinals Saturday morning. The Panthers, who

had lost twice to Nazareth during the regular season, upset the Swifts by a 50-48 count and went on to topple Channing in the regional championship game. [Photo by Brenda Durrett]

### Older Worker Week is set for county

Judge M. L. Simpson has designated March 11-17 as Older Worker Week in Castro County to endorse the efforts of the federal government to eliminate discrimination against older job applicants.

"I am urging all employers of this area to give special consideration to the skills and qualifications of those men and women 55 years of age and older," Judge Simpson said.

Many people 55 years and older have worked hard and gained invaluable experience and have come to appreciate a good job and to be proud of doing a good job. There are 45 million Americans who have worked hard to get where they are and to get their own communities and the nation where it is today, the proclamation said.

These same people are having a difficult time finding work for no reason other than a prejudice against older workers, Simpson brought out in his proclamation.

The proclamation also asks public officials who are responsible for job placement to help older workers find suitable jobs and training opportunities.

### What cooking at the schools

MONDAY — Spaghetti and ground beef, candied sweet potatoes, green peas, fruit, rolls, butter, milk.

TUESDAY — Corn dogs, buttered corn, tossed salad, fruit cobbler, milk.

WEDNESDAY — Barbecue on a bun, blackeyed peas, pickles, temptation, dessert, milk.

THURSDAY — Fried chicken, creamed potatoes, green beans, peanut butter cup, rolls, butter, milk.

FRIDAY — Pinto beans, spinach, pickled beets, peanut butter cake, cornbread, milk.

### School menus at Nazareth

Here are the lunch menus for Nazareth schools for the week of March 5-9.

MONDAY — Chicken pie, peas and carrots, cranberry sauce, hot rolls and butter, peanut butter chews, milk.

TUESDAY — Lasagna, corn, tossed salad, hot buttered bread, peaches, milk.

WEDNESDAY — Fried chicken, scalloped potatoes, green beans, buttered bread, applesauce, milk.

THURSDAY — Chili dog, pork and beans, cole slaw, chocolate pudding, milk.

FRIDAY — Fried fish, macaroni and cheese, green peas, hot buttered bread, pear halves, milk.

### Hart girl is all-star game choice

Stacy Averitt of Hart High School has been selected to be in the East-West all-star high school girls' basketball game on the West team, at 7:45 March 17 at the Amarillo Civic Coliseum.

This is the third year Hart has had a girl chosen for the all-star game.

In 1977 Sharla Carson was chosen and in 1978 Melanie Upshaw played as an all-star. Miss Averitt had led Hart girls in scoring during the just-completed season for the Class A team.

### Spelling bee for county is scheduled

Castro County's Spelling Bee, a preliminary to the regional event which leads to a national spelling bee, will be held at 2:30 p.m. next Wednesday in the courthouse basement.

Students from Dimmitt, Hart and Nazareth schools will try their spelling skills with Paul Matney of West Texas State University pronouncing the words.

The county winner will advance to the regional bee to be held at Amarillo April 28. Each school holds contests to select its representatives for the county bee.

**HERO TIME**—The numbers on the Lubbock Municipal Coliseum's scoreboard tell the whole story as Kelley Hill, Dimmitt's 5-5 senior playmaker, lofts the first of two free throws to ice the Bobcats' victory over the towering Perryton Rangers in the semifinals of the Region I-AA Boys' Basketball Tournament Friday night. Half a minute earlier, Hill had sunk his first free throw to give Dimmitt a one-point lead. Final score: Bobcats 32, Rangers 29. [Photo by Joe Ramirez]

## Bethel 4-H Club gives two 'honors'

By LAURIE SIDES

The Bethel 4-H Club held a meeting Monday at which two great honors were awarded—one to a very deserving future member, and the other to a young man who is a present member.

The first honor was given for this person's willingness to work, tremendous amount and dedication and persistence at the Castro County Junior Fat Stock Show. We are referring, of course, to Mr. Britt Boozer who, on his own, volunteered to help our organization in cleaning up the tables at the Expo Building this past weekend.

You should have seen him work. He scurried around the tables like Superman. He filled up one trash can after another and wiped the tables so clean that a fly would have had a hard time finding something to eat. One time he picked up this little old lady and threw her in the trash can before he realized his mistake. When he realized it was Kyla, his sister, he decided to put her back at the table.

For his diligent and persistent effort the Bethel 4-H awarded Britt Boozer the honor of being the "1979 Bethel Cleaner Upper."

The second honor was given to a young man who obviously had great sorrow in parting with his lamb when he had to sell it. He showed more than the usual amount of tenderness for his lamb (more than using his mother's hair dryer to dry his lamb after bathing it, and using the

best sewing scissors to clip its hooves).

In the show ring an abundance of love and care was witnessed by many. Ben Benton, it seems, hugged his lamb so hard that it tried to get away, but Ben just kept holding on. When he did get the lamb back in its rightful place, he gave it a very affectionate pat on the back. Ben hugged his lamb so close during the sale that the man who had bought the lamb thought he had bought Ben also. In fact, when he went to pick up the lamb he asked where the other half was. For this great show of affection, Ben Benton was awarded the honor of being the "Best Lamb Hugger" in the Bethel community.

Our 4-H members are 9 to 16 years old. Gary Moore helped us at the stock show and at the business meeting.

—LAURIE SIDES

## Club search for park land

The Dimmitt Rotarians are looking for land on the west side of town for a new city park, George Lamberth announced at the Rotary Club's

Friday noon meeting. Anyone interested in making land available for this purpose is asked to contact any Rotary Club member, he added.

A spring style show was given by the Village Shop with Gail Bruegel acting as master of ceremonies. Light weight fabrics in salmon, melon, rusts and blue predominated in most of the dresses modeled. Shoes for the style show were furnished by Nellie Jane's.

A board of directors meeting will be held today (Thursday) at 6:30 a.m. at the Colonial Inn Restaurant.

Attendance at last week's meeting was 88.36%, Bill Behrends announced.

The Rotarians will have lunch at the High School March 9 in Public School Week.

IN 1759 the first commercial comb factory appeared in West Newbury, Mass.

# Bobcats live and die by free throw at regional

Dimmitt's Bobcats lived by the free throw, then died by the free throw in the Region I-AA boys' basketball tournament Friday and Saturday in Lubbock.

In the Bobcats' opening game against the towering Perryton Rangers Friday night, 5-5 senior playmaker Kelley Hill sank a charity toss with 41 seconds remaining in the game to break a 29-29 tie, then netted two more free throws just six seconds before the buzzer to seal a 32-29 victory for Dimmitt.

Hill got a free ride off of the Lubbock Municipal Coliseum floor on the shoulders of his teammates for his last-minute heroics.

But the free throws wouldn't fall when they needed to in the Bobcats' championship game against Seminole Saturday, and it cost them a trip to Austin.

Leading by 45-44, the Bobcats got two one-and-one opportunities in the final 42 seconds of the game as the Indians fouled trying to get the ball. But both of their first shots rimmed out, and Seminole's Tommy Herring—who had just come off the bench—sank a 25-foot jumper from the corner with eight seconds remaining to lift the Indians to the regional championship with a 46-45 victory.

In the Dimmitt-Perryton semifinal game Friday night, the state's fifth and sixth-ranked Class AA teams resembled a pair of boxers sparring in the first round to get the timing of each other's moves. But the sparring never ended, and in the later rounds they couldn't land their punches.

"No, I don't think the defenses were that superior to the offenses," Coach Ken Cleveland said. "Both teams were just tight as a drum—I think we had just talked about each other so much that it had an effect on both teams. . . . we just kept watching each other, and kinda psyched each other out, I guess."

The two high-powered offenses that had been having their way with nearly all their opponents this season settled for six points apiece in the first quarter. Even their tip-ins were rimming out.

Except for two opening free throws by Johnny Merritt, a layup by Robin Ryan and a pair of charity tosses by Dennis Veals, Mark Summers carried the scoring load for the Bobcats in the first half with 10 points. Dimmitt owned a 16-15 halftime lead.

Veals, Summers and Randy Roberts outrebounded the taller Rangers, who boasted three starters towering 6-7, 6-6 and 6-4.

But Dimmitt's shots refused to fall in the third, and Perryton took the lead, 23-21.

After Veals swished two long jumpers to knot the count at 25-25, Perryton's David Reynolds banked a pair of 12-footers off the board to give the Rangers a seemingly big four-point lead, 29-25, with 3½ minutes left in the game.

But Summers retaliated. After making a dramatic steal on Perryton's end of the court, the 6-5 senior sank a

turnaround jumper from eight feet with 2:40 remaining. And a minute later he used a double-fake and a high leap to net the tying shot.

Dimmitt's aggressive defense forced Perryton into a crucial turnover, and the Bobcats regained possession with 1:33 remaining. They stalled the clock down to 54 seconds, then called time.

The rest of the game was Hill's show.

Meanwhile, Seminole had little trouble dispatching Kermit in the other first-round game.

In the championship match Saturday, the Bobcats leaped to a 4-0 lead in the first

minute on jumpers by Veals and Hill, but the Indians came back to take control of the first half.

The Indians used quickness to break Dimmitt's full-court press, and countered the Bobcats' 2-3 zone defense by whipping the ball around fast enough to leave an open man. Scoring from both outside and inside, the Indians built a 15-11 lead in the first quarter, then stretched it to 30-21 at halftime.

Meanwhile, Veals committed his fourth foul with 49 seconds left in the half, and went to the bench.

Then came an electrifying third quarter that saw the Bobcats display the best basketball of the tournament.

Summers got the tip and Hill opened the second-half scoring with a corner shot just 15 seconds into the third. Summers, Johnny Merritt, Robin Ryan and Randy Roberts followed with long jumpers to close Seminole's lead to six at 37-31.

Then Ryan was fouled as he sank a 20-footer, and was awarded a one-and-one plus the basket. His first shot rimmed out but Summers made a beautiful one-handed follow shot, and Seminole Suddenly owned only a two-point lead, 37-35. Summers erased that with a 10-footer with 25 seconds remaining, and the third quarter ended with the score knotted at 37-37.

Dimmitt fans gave the Bob-

cats a standing ovation at the quarter break.

With Veals back in, Dimmitt continued its scoring surge early in the fourth, charging to a 43-37 lead with 4:42 remaining after field goals by Veals and a pair of charity tosses by Roberts. On defense, the Bobcats kept Seminole off-balance with their aggressive ball-spearling tactics.

But the Indians regrouped and, starting with a free throw by Kirk Cristy with 4:36 remaining in the game—their first point of the fourth quarter—they netted seven unanswered points to take a 44-43 lead with 2:40 remaining.

Meanwhile, Veals fouled out with 3:45 left.

Merritt put Dimmitt back into

the lead with a 20-ft. jumper at 2:31, then came a series of Seminole rim-outs, Dimmitt rebounds, Seminole fouls and Dimmitt free throws. But the Bobcats, with three chances to put the game away stumbled at the charity line.

Herring sank Seminole's winning shot from deep in the corner with eight seconds remaining.

The Bobcats set up for a long play, but blew a pass, and that was the ball game.

"We've been to Austin four times, and every one of those times I can lay our playoff wins and losses right back on the free-throw line," Cleveland said. "Last year we could have won state at the line, and we certainly could have gone back

to Austin this year at the free-throw line. That's nothing against our kids—that's just part of the game."

He added, "I don't discredit Seminole for a minute. They have a good team. . . . They had as good a passing ball club probably as we've played."

"Looking at this score book, I see all kinds of zeros across the line," the coach lamented. "Those are free throws. . . ."

Despite the loss, Cleveland said, "I believe these kids played probably up to their potential as much as any team we've had," and that they were supported by fans who "are just the greatest anywhere."

"I'm just sorry we couldn't take them to Austin this year," he said.

## Swiftettes flatten Sudan in bi-district

Moving another step nearer their goal of a third state championship, the Nazareth Swiftettes won a decisive Class B bi-

district victory over Sudan Tuesday night in Texan Dome at South Plains College in Levelland.

Slow in starting against the team they had soundly beaten in a former meeting this season, the Swiftettes led by only one point as the quarter ended 7-6.

They found the weakness in the Sudan defense in the second period and with a series of outside shots ran the score up to 27-10 at the half.

Coach Joe Lombard's Swiftettes used a full-court press to advantage, forcing the Hornet girls to play at Nazareth's pace instead of in their own rhythm.

The Swiftettes were able to break through Sudan's defense in the third quarter and capitalize on inside shots as well as the longer tosses.

Lori Gerber ran up eight points in each half for the Swiftettes, hitting free throws, long shots and inside shots impartially.

Glenda Gerber's three long-range tallies in the second quarter led in the Nazareth rally that period, and she went on to a total of 12 points for the game. Marlene Huseman also got into the double-figure column with 10 tallies.

The Nazareth girls will enter the Region I-B tourney at Levelland Friday against Three Way, which eliminated Meadow Tuesday.

## Cats dominate all-3-AA team

Mark Summers, 6-5 Dimmitt senior, was named District 3-AA's Most Valuable Player in the all-district selections at the annual coaches' meeting last Wednesday night in Muleshoe.

Summers was joined on the all-district first team by Dennis Veals, 6-1 Dimmitt senior.

Randy Roberts, 6-2 senior, was named to the second team and Kelley Hill (5-5 senior) and Johnny Merritt (6-1 senior) earned honorable mention as the Bobcats dominated the dream-team balloting.

Summers and Veals also were named to the all-regional tournament team Saturday, along with Seminole's Albert Villalva and Danny Wrenn and Perryton's David Reynolds.

Here's the 3-AA all-district squad:

First Team—MARK SUMMERS, 6-5 Sr., Dimmitt; James Johnson, 6-1 Sr., Morton; Kevin Kothman, 6-2 Sr., Friona; DENNIS VEALS, 6-1 Sr., Dimmitt; Charles Briscoe, 6-1 Sr., Muleshoe.

Second Team—Keith McCain, 6-2 Sr., Littlefield; Mike Northcutt, 6-0 Jr., Muleshoe; Kelly Cox, 6-3 Sr., Olton; Joe Bob Wynn, 6-2 Jr., Morton; Kevin Pope, 5-10 Sr., Friona; RANDY ROBERTS, 6-2 Sr., Dimmitt.

## More about Gasohol ...

[Continued from Page 1] plants and are sure that gasohol production is practical here. The proposed project would boost the use of corn by about 5,000 bushels a day, he added.

King said he pushed a resolution in the Demo executive committee's legislative council to launch a study on marketing, storage and transportation of gasohol.

A previous recommendation recommends that state agencies such as the Department of Transportation use gasohol in their vehicles. Such a requirement is in force in Nebraska, King noted.

The TCGA president said Brown at a press conference mentioned the Amstar Dimmitt plant as one already in operation, and so a strong possibility to be among the first to make alcohol in Texas.

The agriculture secretary said he expects a gasohol plant to be in operation in the state within a year.

"The potential is here, and Dimmitt has the best possibilities if Amstar can work out the details," King said.

King attended the Monday meeting as a member of the Texas Energy Advisory Council appointed by Lt. Gov. Bill Hobby. Robert Soleta, administrator of the National Gasohol Commission, was a speaker, outlining the present need for gasohol to augment the nation's fuel supply and reporting on research for developing it with lower cost.

HOW IT LOOKED HERE—Gale Sadler of Sunnyside shot these photos of Monday's solar eclipse at the Don Harrington Discovery Center in Amarillo. These views are actually projections of the eclipse through the Discovery Center's new solar telescope and heliostat, which were unveiled Monday for area newsmen and photographers. Sadler and his

daughter, Cindy, a junior in mass communications at Texas Tech, both attended the eclipse viewing and shot pictures. These four photos, with exact time recorded above each, show the progression of the two-hour eclipse to its maximum state in this area—75%—as the moon traveled from east to west at 2,160 mph across the sun's light-path.

Tractorcaders home

By TEENY BOWDEN

Hershel and Lonnie Wilson and Gerald Elkins returned home from Washington, D.C. Friday night. Gerald testified before the Agriculture Committee Wednesday as a member of the Farm Bureau as well as a member of the American Agriculture Movement. Hershel chaired several meetings in the USDA building. He and Lonnie worked 18 hours a day most of the time, mostly in the USDA trying to help correct the idea that farmers are getting rich, as many in Congress seem to believe.

Rev. and Mrs. Raymond Jones attended the 58th annual Panhandle Pastors and Laymens Conference at Wayland Baptist College Monday and Tuesday. Dr. Fred Swank brought the messages and Dr. Joel Gregory had charge of the Bible studies. There were many other speakers and a lot of special music for all three

sessions each day.

Jeanne Haydon won first place and Champion with her pig in the Spots division in the Springlake-Earth Junior Livestock show last Thursday and Friday. Pat Fulfer showed the first place and reserve champion medium weight Duroc pig and sixth place medium cross. Kim Haydon showed the fourth place medium Hampshire and sixth place heavy cross pigs. Jodie Riley showed the first place light weight medium wool lamb, Jeff Jones fourth place and Kevin Riley six in the medium weight of the same division. Kevin also won fourth place in a second division of light weight medium wool lambs.

Dr. Dan Kent of Plainview, Bible professor at Wayland Baptist College, brought the message Sunday morning and began the study of the book "Mark: the Savior for Sinners" Sunday night. He was a dinner guest of Rev. and Mrs. Raymond Jones.

A trace of snow was received Saturday morning, a little less than a ground cover and it melted quickly.

Daneen Wilson was home from Tech for the weekend with her parents, grandparents, Mr. and Mrs. Grady Epperson of Wolforth.

Cindy Sadler was home from Tech for the weekend with her parents and M.J. Roark.

Kevin Riley was elected Mr. Irresistible at Springlake-Earth High School recently. Seven couples played "42" in the home of Mr. and Mrs. R. V. Bills Thursday night.

Mrs. Howard Cummings and her mother, Mrs. Mary Schults, and Mr. and Mrs.

Ezell Sadler visited Saturday afternoon with Mrs. Pearl Sadler in South Hills Manor.

Mr. and Mrs. Thomas Parson and children took her mother, Mrs. Ellis Wilson, back to her home in Azel Saturday and returned home Sunday.

Mr. and Mrs. Gene Ross, Tammy, Rhonda and Chanin went to Albuquerque Thursday to visit with her family and attend the wedding of her brother, Shawn Noonan.

Mrs. Charlie Jones of Olton, mother of Phillip Jones, was admitted to the Littlefield hospital Wednesday. Mr. and Mrs. Phillip Jones have visited with her several times.

Mrs. Martin Lefevre of Brownfield spent Tuesday and Wednesday with Mr. and Mrs. Gale Sadler, Susan and M.J. Roark.

Bob Clatt of Lubbock visited Sunday afternoon with Mr. and Mrs. Gale Sadler.

J. B. Henslee of Hale Center visited Sunday evening with Mr. and Mrs. E. R. Sadler, Mr. and Mrs. Gale Sadler and girls and Larry Sadler and Carrie.

Gale and Cindy Sadler went to the Discovery Center in Amarillo Monday to see the solar eclipse and to take pictures of it.

Your chances of dying from a heart attack or stroke are 50-50.

**MAYOR CLIPS DURING ECLIPSE**—Dimmitt Welding & Electric's new Surplus Store at 206 E. Etter was officially opened at 10:15 a.m. Monday, during the solar eclipse. Here, Chamber of Commerce President Jerry Marvin and CoC Manager Shirley Hall hold the ribbon while Mayor Elmer Youts wields the scissors. In background, from left, are Mr. and Mrs.

Mike Patterson, owners; Ken Shannon, store manager; Police Chief Alan Newman; and CoC Director Al Jackson. The Surplus Store carries new and used furniture for home and office, new and used tools, bicycle and motorcycle parts, trailers, government surplus items and used steel.

**Clayton announces mobile office stops**

Dates for visits by Rep. Bill Clayton's mobile office to Castro County cities have been announced for March by Bill Sarpalus, who operates the mobile office in a schedule that takes him to all parts of Clayton's district.

He will be at the Farmers State Bank in Hart from 1:30 to 3:30 p.m. March 15, at the Nazareth school from 9 a.m. to 12 noon and at the courthouse in Dimmitt from 1 to 4 p.m. March 26.

**County's gross sales reported**

Gross sales in Castro County for the third quarter of 1978 totaled \$26,900,113 from 202 reporting outlets, according to a report just issued by the state comptroller's office. Gross taxable sales for the county totaled \$21,163,816. Deductions were \$16,463,920, use tax purchases totaled \$44,240 and the amount subject to tax is \$4,744,136, the report said. No figures were given to compare 1978 sales with those of the previous year.

**On Wall Street**  
By Bob Hill  
A.G. Edwards & Sons, Inc.

Twenty five years ago, a landmark legal decision upheld the right of corporations to give money to colleges and universities.

All colleges and universities are faced with widening gap between income and outgo. If the gap cannot be closed by drawing support from the private donors, the schools will have to turn to the government for grants, student aid, research subsidies and other help. When colleges take government money, it means strict compliance with government rules and restrictions. These eventually destroy the independence of the institution that is taking the federal money.

The major corporations have a vital interest in the independent, privately financed, privately administered higher educational system. This is the source of scientists, engineers, managers and future executives. It is the means by which the corporation continues to renew its staff continuously.

For many years college educational institutions have been "dually financed" with the government and private business both contributing to the costs. Now the relationship has gotten out of balance. According to HEW, a typical large state university will receive 62.2 per cent of its operating budget from federal, state and local government and 37.8 per cent from tuition, fees and private gifts. Privately endowed colleges average 21.2 per cent from federal, state and local government; 78.8 per cent tuition, fees and private gifts.

State universities rely on government funds for capital improvements. Private colleges and universities rely on private financing for almost 90 per cent of their capital spending. There is an occasional request for a government matching grant a major construction project, but this is rare.

Corporate support of higher education is still far short of what is could be. Total corporate giving in 1977 was a record high: \$1.7 billion. But corporate income before taxes in that year was \$172 billion. Total giving could have been

four times bigger and still have come in comfortably under the 5 per cent ceiling for charitable deductions.

**Vaccines offered at free clinic**

A free clinic offering vaccines to give protection against several childhood diseases is scheduled in Hart from 9-11 a.m. March 28 at the Hart Elementary School.

Vaccinations will be given for polio, diphtheria, lockjaw, whooping cough, measles, rubella and mumps.

**Continental Telephone shows revenue boost**

Continental Telephone Corporation has announced increases in revenues, net income and earnings for the 12 months and fourth quarter ending Dec. 31, 1978.

Net income for the year was \$97.6 million, up 21 percent from \$80.5 million for 1977. Revenues and sales for the 12-month period were up 17 percent, to \$913.7 million from \$781.2 million the year before.

Earnings per common share also increased 17 percent, to \$2.03 from \$1.73. All 1977 results have been restated for companies acquired on a pooling of interests basis.

For the three months ended Dec. 31, net income increased 24 percent, to \$26.1 million from \$21.1 million for the comparable period in 1977.

Revenues and sales for the fourth quarter rose to \$243.7 million from \$206 million for

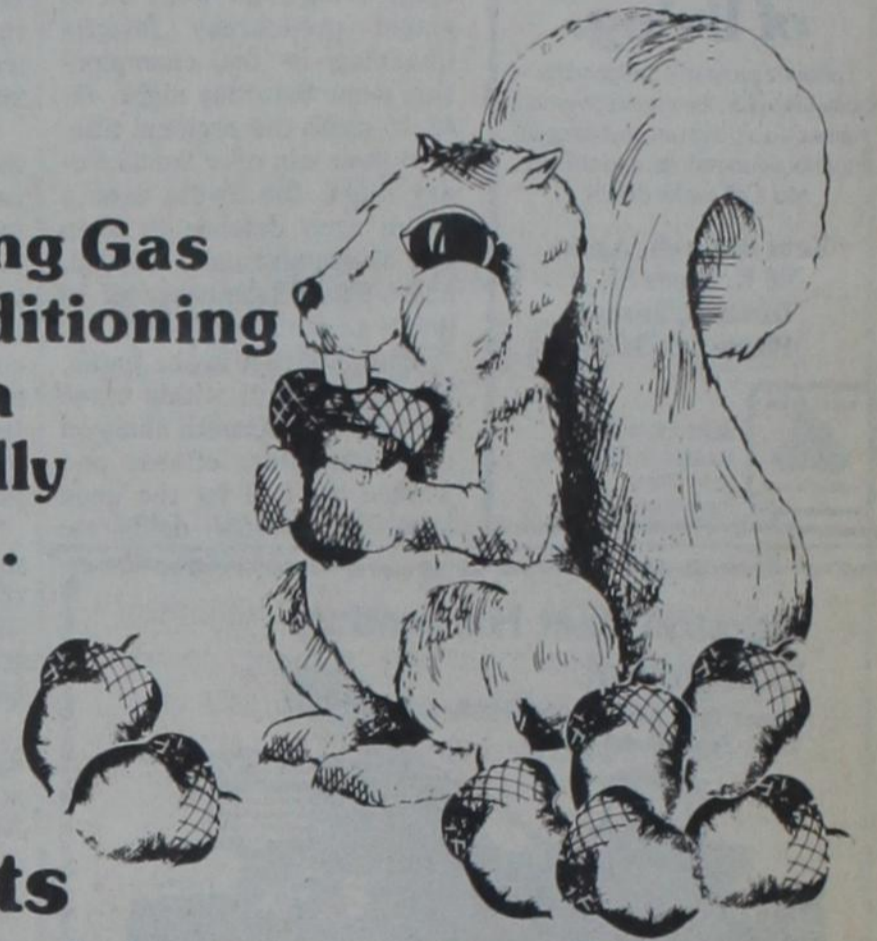

the last quarter of 1977, a gain of 18 percent. Earnings per common share were up 20 percent, to 53 cents for the quarter from 44 cents.

Continental attributed its 1978 improved results mainly to internal growth and net acquisitions, which brought its total telephones served to nearly three million—a 10.7 percent increase over last year.

Continuing improvement in Continental's share of toll revenues was another factor in 1978 results. The number of domestic long distance calls increased more than 14 percent during the year, to 363 million.

# Whitharral upsets Swifts, wins regional

By BRENDA DURRETT

"They got hot, and we got cold," said Nazareth Coach Bud Birks. That summed up Nazareth's 50-48 loss to Whitharral last Saturday in the semifinals of the Region I-B Boys' Basketball Tournament at Levelland.

Whitharral's Jimmy Avery, who led all scorers with 29 points, paced a third-quarter charge which gave his team

control of the game. The 6-4 senior scored nine of the Panthers' 15 points, and the Swifts were only able to connect on 2 of 13 field goals in the third quarter, which was the turning point in the game. The Panther win avenged two earlier losses to Nazareth (58-57 and 64-48).

Nazareth, in its first appearance ever in the regional tournament, downed Sands in first-round action Friday night, 46-38, while Whitharral advanced with a 67-58 win over Motley County.

After downing Nazareth in the semifinals Saturday morning, Whitharral went on to topple pre-tourney favorite Channing in the championship game Saturday night, 49-42, to claim the regional title.

In their win over Sands Friday night, the Swifts used a tough zone defense to keep the Mustangs under control, and 6-3 Jeff Schmucker hit 19 points to lead the Swifts.

With 3:08 left in the game, Sands pulled to within three (39-36), but Nazareth changed to a four-corner offense and worked the ball for the good shot. The Swifts' deliberate

play aided them in pulling away for the 46-38 win.

"I was pleased with the way they played against Sands," Birks said. "We wouldn't let them inside and we hustled all night long on defense."

"Once Schmucker got the ball inside, I knew they couldn't handle him."

In the Whitharral game Saturday, the Swifts jumped ahead early in the first quarter and retained a three to eight point lead until early in the third quarter. Schmucker was benched most of the second stanza because of foul trouble, but the Swifts worked for the good shots and held a 26-23 halftime lead.

In the opening minute of the third period, Avery popped a 10-foot jump shot, was fouled and added a free shot to tie the game at 26-all. He then rebounded a Nazareth shot, raced back down the court and hit another 10-foot jumper to give Whitharral its first lead, 28-26. The third quarter ended with Whitharral ahead, 38-35.

The Panthers led by a narrow margin (ranging from three to seven points) until, with 3:42 left, Nazareth's Kenny Gerber sank a 20-foot shot to tie the score at 45-45.

The Swifts went ahead again (their only time in the second half), at 3:26 when Neal Wilhelm sank the first of a one-and-one free throw to make it 46-45.

That lead was short-lived, however, as Avery rebounded a Nazareth shot, took the ball down and pushed inside to hit a three-foot jumper with 2:16 left. The Panthers led again, 47-46.

With 1:17 left, Kenny Gerber fouled going for the ball as Whitharral was trying to run out the clock. Avery hit both ends of the one-and-one.

Nazareth hit one more shot and the Panthers led 49-48 with 52 seconds remaining.

Whitharral continued to

★				
NAZARETH 46, SANDS 38

stall, and Jimmy Huseman fouled with 29 seconds left. The Panthers' Jimmy Polk missed the free shot, Schmucker rebounded and Nazareth set up for the last shot.

Schmucker, who led Nazareth with 15 points, took the last shot with seven seconds left—a turnaround jumper from about 10 feet. It bounced off the rim, and Gerber and Avery tied the ball on the rebound. Avery, six inches taller, tipped to teammate Polk, and with two seconds left, Book fouled him. Polk hit the first shot to make it 50-48, but missed the second. Schmucker rebounded and passed downcourt, but the buzzer sounded just as the ball reached Jimmy Huseman.

"That shot that Jeff took right at the end just didn't go," said Birks. "It was a good shot and it could have gone, but it just didn't."

The Swifts ended the season at 25-7.

"I'm pretty satisfied with the year," said Birks. "Coming from last place in the district last year, to one of the two or three best teams in the region... That's a pretty good improvement."

STYMIED—Sands' David Long [40] finds himself in an unyielding Nazareth trap as he tries to shoot in the first-round game of the Class B Regional Tournament at Levelland Friday. While the Swifts' Jeff Schmucker [24] puts a perfect block on the ball, with help from Neal Wilhelm [25], Kenny Gerber [11] plants himself and tries to draw a charging foul against Long. The Swifts won the game, 46-38, to advance to the semifinals against Whitharral, the eventual regional champion. [Photo by Brenda Durrett]

## DSEC annual meeting set for Saturday

Deaf Smith Electric Cooperative will have its annual meeting at 5 p.m. Saturday, at the Hereford Bull Barn. This co-op services a number of members in Castro County. Capital credit checks for approximately \$400,000 will be paid back to members of DSEC who purchased electricity during 1966-67. The Catholic Daughters Society of Nazareth will serve a barbecue dinner.

The business meeting will be directed by Sloan Osborn, president of the board. Noel Gollehon of Castro County, secretary-treasurer, will present the minutes of last year's annual meeting.

Gollehon and Donald Wright, both of Castro County, will have their names submitted for re-election.

## Hart woman's mother dies

Funeral services for Mrs. Joan Johnson, 46, mother of Ginger Lynn Irons of Hart, were held Friday in Muleshoe.

Mrs. Johnson was born in Conroe, moved to Lazbuddie in 1961 from Hale Center, and to Muleshoe in 1965.

She is survived by her husband, J. R.; three daughters, Ginger Lynn Irons of Hart, Marsha Joe Mahaurin of Lubbock, and Keisha Ann Johnson of the home; a son, James of Muleshoe; her mother, Geneva Williamson of Roscoe; a sister, Emily McFall of Roscoe, and two grandchildren.

Performance proves...

## The top 8 corn hybrids on the Irrigated Plains are all from Pioneer.

That's a pretty bold claim, we admit. But in farmer's fields, county agent test plots, wherever they're grown, these Pioneer brand corn hybrids consistently out-perform competitive hybrids year after year. Each hybrid has its own particular strong points that make it especially well suited for certain environmental and management conditions. When thoughtfully selected and properly managed to meet the conditions, each of these

hybrids delivers top performance... winning performance that's head and shoulders above the competition.

Don't take our word for it. Ask your Pioneer dealer about yield data in your area for the last several years and see for yourself. The consistent performers... the top 8 performers are all from Pioneer!

Short Supply 3195

NEW 3183

3305

Short Supply 3184

3780

NEW 3311

3541

3360

High-yielding, full-season powerhouse! 3195 gets off to a good start with high seedling vigor, then makes the most of High Plains growing conditions. High test weight grain is hard textured and dries down fast. Ideal for grain or silage.

Contest winning yield potential with excellent disease tolerance makes 3183 an ideal companion for 3184. It also has excellent seedling vigor plus good standability and stay-green qualities.

A silage grower's dream come true (even if your plans change mid-season)! Tall with good standability and a high grain-to-stover ratio. Adapts well to the high plant populations required for top silage yields. And if your plans change, excellent grain yields make it a profitable grain crop, too.

Steady corn maker, popular for excellent yields and consistent performance. Strong stalks, good roots provide outstanding standability.

The corn you can manage almost like sorghum. Total fertilizer, water and insecticide requirements similar to sorghum. Maximum water use period makes it an ideal companion crop to cotton. Yield average of more than 7,800 lbs./A in four years of High Plains production at 96 locations.

A new hybrid you can trust like an old friend! It delivers top yields and is an outstanding companion for 3195. It silks earlier than 3195 and performs better under stress.

Very early silking, a long kernel fill period, and fast drydown help 3541 produce extremely high yields for its maturity. Give 3541 the management it needs, and it could easily be your top income producer. Excellent standability, ear retention and head smut tolerance.

Plant this one for your banker! It has the consistency to be the high-yielding workhorse hybrid you can rely on. Outstanding early season vigor. Excellent for silage on the Irrigated Plains.

Ask your Pioneer dealer about them **NOW.**

PIONEER BRAND SEEDS

PIONEER HI-BRED INTERNATIONAL, INC. Southwestern Division Plainview, Texas

The limitation of warranty and remedy attached to each bag of Pioneer brand seed is part of the terms and conditions of the sale thereof.

### Annual FHA meeting set at Lubbock

Kris Altman of the Nazareth FHA and Area I vice-president recreation, will serve as mistress of ceremonies at the recognition banquet, a feature event of the Future Homemakers of America annual meeting March 9 and 10 in Lubbock.

Kim Bourland of Nazareth is one of the FHA chapter advisors who will receive a distinguished service award at the banquet. Outstanding chapter members will also be recognized.

Approximately 2,000 are expected to attend from the Panhandle-South Plains Region.

The theme of the meeting is "Today is the Beginning of Tomorrow."

### Town-Country club quilts

Dimmitt Town and Country Extension Homemakers spent last Thursday's meeting time working on a quilt. Anyone who would like to volunteer help may do so by contacting Bea Acker.

Margaret Waggoner will give the program for the March 8 meeting.

Recipes and calendars are due in March. Members are urged to bring cash register tapes to the meetings.

### Correction

The address of newly-married Diane and Charles Copeland was given incorrectly in last week's report of their marriage, as 767 Wymore Road, Umatilla, Fla.

The street number is correct, but they live at Altamonte Springs, zip code 32701. They were married at Umatilla, home town of the bride, who is the former Diane Ericson. Copeland, former Dimmitt resident who is the son of Carolyn Copeland, is stationed at the US Naval Base at Orlando.

**FORMER A.F.S. STUDENT HONORED**—Susan Ryan Hildebrandt and her husband, Dale, were honored with a reception and shower Sunday afternoon in the fellowship hall of the Bedford Street Church of Christ. Mrs. Hildebrandt, a native of New Zealand, attended Dimmitt High School in 1975-76 as an American Field Service exchange student, living with the Lonnie Bell family. The couple, who were married Dec. 9, will make their home in Winnipeg, Canada, where Hildebrandt attends agricultural college.

### Public School Week to be marked at Hart

The Hart School district will observe Texas Public School Week beginning Monday by inviting parents and the public to visit the high school, junior high and elementary school during the week.

Both the high school and junior high invite parents to visit with their children and the teacher in the classroom during the week and if possible share the noon meal with them.

Cost of the meal for adults is 80 cents per person.

Hart elementary school physical education department will present its second annual music program at 9:30

a.m. March 8 in the gymnasium. The program will include square dancing, folk dancing and the jitterbug.

The kindergarten class will start at 9:30 with the rest of the classes following.

All attending are invited to eat at the cafeteria and visit classrooms afterward.

Serving hours in the elementary school are from 11:10 a.m. to 12:20 p.m.

Remember to clean the lint screen on the clothes dryer. Lint restricts the flow of air in the dryer and requires the machine to use more energy in drying.

### Annual contest in arts slated

An art exhibit with cash awards, open to all area artists 18 years of age or older, will be held April 8-23 in Llano Estacado Museum on the Wayland Baptist College campus at Plainview, sponsored for the 19th year by the Plains Art Association.

Original sculpture, graphics, oils, watercolors, acrylics, pastels, mixed media and ceramics may be entered. Entry fee will be \$3 for members and \$6 for non-members.

Cash awards will be given, only one per person, and citations will be awarded according to merit. Danny Gamble, a well-known West Texas artist, will be the judge.

Interested artists may get information from Patsy Payne, 1100 Jefferson, or Mrs. Randall Heye, 1114 Zephyr, Plainview.

### Night out is planned for club

Dimmitt Young Homemakers will meet at 6 p.m. today (Thursday) at Dimmitt High School for Members' Night Out.

The club will go roller skating in Plainview and eat out. The club will pay the skating fees. This will be for members only.

[Compiled from the Community Birthday Calendars of the County Home Demonstration Council and the Nazareth American Legion Auxiliary.]

MARCH 2 - Dale and Marie Winders.

MARCH 4 - Kenny and Lynn Wagner.

MARCH 5 - Nelson and Lola McDaniel.

MARCH 6 - James and Sandy Baker.

MARCH 7 - Alfred and Jeannie Sammann.

### Revival slated in Hart UMC March 4 to 7

Revival services in Hart United Methodist Church, beginning Sunday morning, will be climaxed by Youth Night

### Film is shown in Tops Club

The film "Johnny Lingo" was shown to the Dimmitt Tops Club at their Monday evening meeting.

The film brought out the point that a person who is ugly and shy can be made beautiful with a friend's help, and that people can help an obese person who doesn't care about himself.

Dale Wells was Male Tops of the Week, losing 12 ounces. Kops of the Week was Karon Moss with a five pound weight loss.

A total of 18½ pounds were lost by the 27 members weighing in.

### 15—LEGAL NOTICES

**LEGAL NOTICE**  
The City of Dimmitt, Texas will accept bids on one each police car. Bids are to be at the City Hall no later than 6:30 P.M. on the 5th day of March 1979. The following minimum specifications are provided:

One Each-Standard Production 4 dr Sedan in the models of Chevrolet Impala, Ford LTD or Chrysler Newport.

All models should include but not be limited to the specifications and options listed. Vehicles selected will be taken from available stock of dealers, thereby dictating optional equipment found on Automobile.

Paint Color Not Important.  
GARNETT F. HOLLAND  
Manager, City of Dimmitt  
15-21-2tc

Wednesday with Ron Reeves, Texas Tech Red Raiders quarterback, as the speaker.

Rev. Kerry Hurst, pastor of First UMC at Sudan, will be the evangelist for the four days of services, and Norman Hemphill of Lubbock the song leader.

Rev. Lanny Wheeler, pastor, invites the public to attend all the meetings, at 7:30 p.m. daily and breakfast at 7 each weekday morning. The Sunday morning service is at 11 a.m. and an all-church covered dish dinner will follow.

A special youth meeting is set for 6:30 p.m. Wednesday when Reeves, who was named

"Newcomer of the Year" in the Southwest Conference for the last football season, will be present.

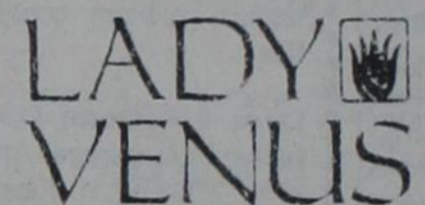

Rev. Hurst is a West Texan who graduated from Lorenzo High School, attended Texas Tech and McMurry College and graduated from Asbury Theological Seminary at Wilmore, Ky.

The song leader is lay associate pastor of Oakwood UMC at Lubbock. He attended schools in Olton and Plainview, earned a bachelor's degree from Tech and MA from West Texas State University, then taught band in public schools 20 years before entering the ministry.

### 14-CARD OF THANKS

**CARD OF THANKS**  
 American Agriculture would like to thank each and everyone in Castro County for their support in our efforts in Washington. We may not get what we want for, but I believe we made it known to the people of the U.S. that rural America and the family farm are in jeopardy if something is not done about our problem.  
 AAM has been fighting this battle not only for the farmer but for all people in this great Nation. All history shows that continued low farm prices seed and feed a depression. It is not a secret that our country is itself on the brink of bankruptcy. But with the help of true Americans such as our rural people, not only here but all over America, we have started something that we hope will wake up the people of our country.  
 Once, one of our great leaders said our country and way of government will be the best as long as the people fight for it. The money and all other support you gave AAM was an investment for all our futures. AAM may not win it all, but we will never give up as long as the very backbone of our country, "the farmer" is being treated at will. It will take the grass roots people like us here in Castro County to get back what they have been taking away from us for the past few years.  
 So Castro County, we are proud of you. We will get what we all deserve—a strong agriculture and a free country—as long as we continue to work together.  
 One again, thank you for your support and your prayers.  
 BILL YOKUM  
 American Agriculture Movement

 Probably the No. 1 cause of slips and falls on floors is moisture on a freshly waxed floor. Clean up spills immediately to prevent slipping injuries.

**14—CARD OF THANKS**  
**CARD OF THANKS**  
 American Agriculture would like to thank each and everyone in Castro County for their support in our efforts in Washington. We may not get what we want for, but I believe we made it known to the people of the U.S. that rural America and the family farm are in jeopardy if something is not done about our problem.  
 AAM has been fighting this battle not only for the farmer but for all people in this great Nation. All history shows that continued low farm prices seed and feed a depression. It is not a secret that our country is itself on the brink of bankruptcy. But with the help of true Americans such as our rural people, not only here but all over America, we have started something that we hope will wake up the people of our country.  
 Once, one of our great leaders said our country and way of government will be the best as long as the people fight for it. The money and all other support you gave AAM was an investment for all our futures. AAM may not win it all, but we will never give up as long as the very backbone of our country, "the farmer" is being treated at will. It will take the grass roots people like us here in Castro County to get back what they have been taking away from us for the past few years.  
 So Castro County, we are proud of you. We will get what we all deserve—a strong agriculture and a free country—as long as we continue to work together.  
 One again, thank you for your support and your prayers.  
 BILL YOKUM  
 American Agriculture Movement  
 14-22-tfc

Parsons Drug presents Jovan Wrinkles Away™ Temporary Wrinkle Smoother

Now you can smooth away in minutes, the wrinkles it took years to get. A tiny drop of Jovan Wrinkles Away works remarkably fast. To help smooth away deep wrinkles, circles under eyes, and other unwanted lines all over your face. You can actually see it happen right before your eyes. This wonderful cosmetic discovery can help keep your face looking virtually line-free most of the day or night. You'll be amazed at the difference. Come in and see for yourself. Because looking younger is better than looking older.

For a free demonstration, see Adair Brock in our Cosmetics Dept.

# Senior Citizens, with new director, meet for dinner

By MYRTLE SHEFFY and BERL HANCE

The Senior Citizens had a big dinner Tuesday evening. Each lady brought her favorite dish. The men carry the food in and eat too. Games of "42" and bridge were played by 50 people anyway. Twelve ladies came from Hereford, and Myrtle played with Leilah Grubb, Peg Hoff and Bernice Witherspoon. She says she is not the lawyer's family. Others from Hereford were Claudia Rountree, Lodie Leisure, Maria Sears, Ky Lawrence, Hattie Gallagher, Christine Jesk. Driving the bus for them was Rosemary Arellano and her son Chris Arellano. You are invited to the Tuesday evening parties at 7 p.m., next time cake and coffee.

And Peggy West is the new director of Senior Citizens. She has worked with the school here. Her husband is Richard. He is with Steere Tank lines. Ruth Coleman quit as director as she substitutes teaches most of time.

The Calhoun reunion was in Amarillo last week in the home of Mozelle and Bob Slay. Going from here were Nub and Hazel Calhoun, Keith and Deanne Calhoun and two daughters, Leora Calhoun and probably 30 more from different towns.

Vera Webb was the 85-year-old birthday girl Thursday, Feb. 22. So to help celebrate, daughter-in-law Peggy Webb asked several of her friends to the Hereford Country Club for lunch. Guests were Nettie Graham, Rachel Graham, Dorothy Blaine, Myrtle Sheffy, Ruby Webb, Sue Miller, Faye Byrnes, Grace Lust, Mildred Bradford, Ouida Willis, Irene Blanton, and Cletha George.

The group gave her a money gift and cards and grandson Johnny Webb gave her a beautiful grandmother clock handmade by Ted Sheffy. Vera told how in the early days she helped these fellows get birthed by helping Dr. Mayes Miller, no hospitals or nurses. Jimmy Junior Cluck, Merton Powell, J.R. Brown, Dorothy Graham Sheffy and Billie Graham, maybe more.

Betty Huckabay was hostess to her bridge playing friends Thursday. She served a very good dessert and coffee

to Anita Morris, and Jeannie Miller both high score winners, others Ruth Jackson, Edna Riley, Reba Touchstone, Dorothy Elder and Maxine Tidwell.

Bobby and Beth Jones and son Craig went to Abilene last week for a visit with their daughter Mary and husband David Gregory. Both are students at Abilene Christian College. They did some sight seeing while there.

Mr. and Mrs. Clayton Graef went to Littlefield Thursday to visit her mother Mrs. Valley Williams. Mrs. Graef went with a few friends on the Caribbean cruise. She can tell you all about it later.

Cheryl Glidewell was hostess to her bridge playing friends with a party Thursday evening. Guests were Don and Carlee Warren, Jerry and Meri Killingsworth, A'llan Bradley and Dad Allan Webb, Beverly and Kent Lindsey. This was a supper.

I was chatting with a local fellow who does car inspections and he says be sure and check your safety sticker, and get one at once if needed, a few folks have had to pay a big fine. Just a warning from Myrtle.

David and Ann Hays are in Chicago attending an XL Convention for International Dealers. They are staying at the Chicago Marriott. The first night there will be a reception and dinner and Dr. Norman Vincent Peale will speak. Dr. Joyce Brothers will speak the second night after the awards banquet. The last night will be the grand ball and the entertainer will be the singer Carol Lawrence. 1500 International dealers and their wives will attend the convention.

Decimae Beene of Friona and her father, Edwin Ramey, went to Big Lake to visit their friends Dale and Vicky Fisher and children. Vicky is a former Friona teacher.

I visited with Iris Ballard and she was telling me that her grandson, GeDon Berryman of Hereford, is a freshman at the University in Las Cruces, N.M. and Kathy, Maxine and Joe Ballard's daughter is a sophomore at Clarendon College.

Mary Edna Hendrix and her sister, Lynna Cloer, hosted a birthday party for their mother, Mrs. O. B. Kelley, in the Kelley home in Tulia Saturday. This was her 94th birthday. Friends and neighbors came in the afternoon for birthday cake and refreshments. Mr. and Mrs. Kelley, both 94 years old, live in their home and are interested in the news and are active in their church. Their pastor, Bruce Parks, and his wife Mary attended the party. Mary is a cousin of Mr. Kelley. Bro. Parks is pastor of the First United Church in Tulia.

The Howard Bridges' grandson, Brad Bridges, was married Saturday in the Methodist Church in Olton. His bride, Sharon Quigley, is a senior at Texas Tech. They will live on the farm at Sunnyside and she will commute to Lubbock. Brad is the son of John and Evelyn Bridges of

Earth.

Zay Bradley, son of Gene and Shari Bradley, was honored at a luncheon in Hereford last week by the Hereford CowBelles for his showmanship award won at the stock show. The Bradleys live on a ranch northwest of Hereford. His Dimmitt grandparents are the Dent Bradleys and the G. L. Willises.

Correction from last week: Mrs. Ida Pearl Smith is a Tulia resident instead of Sunray. She is the mother-in-law of Mrs. Darrell Smith.

Karen Markley spent the weekend with Kay Ballard in the Joe Ballard home.

Saturday 27 hostesses were present in the home of Ann Hays for a shower for Kimmie Hollums, bride-elect of Boyd Moyers. Serving refreshments of punch and cookies were Tonya Fry, Kyrene Collins and Sherry Wiseman. The table centerpiece was of apricot and white silk roses and was presented to Kimmie after the party.

John and Evelyn Bridges of Earth visited Sunday in the home of his parents, the Howard Bridges.

Lena Allen had a birthday party for her husband, Louie, Sunday afternoon. Coming over from Tulia were the Robert Devins, Mrs. Mattie Devin, the Tom Devins, Mrs. Catherine Sprawls, the Roy Devins, the Albert Devins, the Jim Carltons, the Clayton Devins of Happy, Mrs. Thelma Axe of Canyon and the R. L. Devins of Dalhart. Of the Devin children, Lena is the

only one who lives outside of Swisher County.

Brick Autry, county librarian, went home to Norman, Okla. recently to visit his father and his aunts. While moving some boxes from a house he had sold that had been in his family for many years Brick found some heirlooms of his people, the Creek Indians. He found a spoon made from a buffalo horn and arrows and a bow. Ballsticks, a game using a large ball was found. The game was quite different from the ball games we have today. The spy glass he found was used by his great-great-grandfather, who was an officer in John Jumper's Seminole Regiment in Indian Territory during the Civil War. Brick's family were originally moved from Georgia in 1830 to Oklahoma by the government.

A concert Sunday evening at the First Baptist Church in Amarillo is of interest to Dimmitt people. Janis Davis, daughter of Bob and Phyllis Mooney, was the pianist and Rick Land was organist. This was an hour concert before Dr. Winfred Moore preached. Each played two solos and there were two duets. One of Janis's solos was her own arrangement of "My Jesus As Thou Wilt." Her parents were there, also her grandparents Elmer and Mauzee Youts, Judy Moore and boys of Sunray, Carrie and Bob Lee of Amarillo. Carrie is the daughter of Pat Greathouse. Susie Bell, Debbie Matthews, Berl Hance and Mary Edna Hen-

dricks, and of course, Janis's husband Gerald Davis. Janis's relatives all stayed for the reception after the service. Berl and Mary Edna went to Mary Edna's daughter's home and had refreshments with them, Mary Lynn and Bill Lankford and Lauren. Their lovely home is in south-west Amarillo near the new high school.

Attending the annual Disaster Meeting at the Hilton Hotel in Austin last week were Mayor Elmer Youts and Mauzee, Judge M. L. Simpson and Polly and Guy and Pauline Waldrep. The Youts also saw two of their granddaughters who live in Austin, Julie and Debbie Greathouse.

Dimmitt was almost deserted Saturday afternoon. The game between Dimmitt and Seminole caused almost everyone to go to Lubbock. We have great teams of both boys and girls in Castro County.

Did you look through a white paper Monday morning to see the eclipse of the sun? I remember there was a total eclipse in 1917 or 1918. All the neighbors came over and we didn't know what was happening when it turned dark. We lived in Arkansas at that time.

I hope you heard Bob DuLaney on KDHN Monday morning. He told of the tractorcade to Washington.

David and Sandra Honea, Lisa and Sheri of Dumas spent last weekend with her parents, C. A. and Leada Hance.

Seth Ralston, former Dimmitt resident, is county Extension agent in Parmer County and he writes a news column. He writes "Container gardening fits right in with today's mobile lifestyle. Plants and flowers in transportable containers can enliven any home or garden, regardless of size. All kinds of plants from petunias to pine trees can be grown in movable containers. Plants in containers will need to be watered more frequently than those growing in the ground. Suitable containers are wooden boxes, tubs, barrel halves and large clay pots. An advantage of container gardening is in being able to place plants in the spotlight when they are looking their best and placing them out of sight when they go into a decline."

Seth adds, "Allow soil to dry before moving plants. Set on a small wagon, a dolly or a piece of canvas to move around in the yard."

Seth, Anita and the children, Danna and Wesley, live in Farwell.

Donald Ray and Keri Carmichael, Amber and Michelle bought the Joe Young house at 807 W. Youts and have been redecorating it. They moved in this week.

Donna and Larry Hendrickson and Amber were here Monday from Lubbock visiting Donna's family, J. B. and Oleta Raper and Joe.

Clara and Clyde Vick were in Austin attending a seminar

with Chicago Title Insurance Friday and Saturday. They had a nice time and the weather was beautiful. They stayed at the new Marriott, and the grounds are beautiful. Saturday night they went to a melodrama theater and saw "Dracula"

IT TAKES 20 seconds to reduce a marshmallow to ashes, holding it over red-hot coals.

## MOUNTAIN TOP

"MOUNTAIN TOP EXPERIENCES" . . . It is not yet vacation time, however that time is approaching and we start remembering the wonderful feelings and experiences of our last trip to the mountains, and now we can start to plan new adventures.

That closeness, and the exciting feeling when worshipping the Lord is often referred to as a "MOUNTAIN TOP EXPERIENCE." We invite you to come worship the Lord in his house, and receive the joys of being close to God. Attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Nazareth Three win regional KC contest

By VIRGIE GERBER

Rhonda Hoelting, Cheryl Hoelting and Johnny Schmucker were regional winners in their age division of the Free Throw Contest held in Lubbock. They will go to San Antonio March 10 to compete in the State Free Throw Contest sponsored by the Knights of Columbus. Rhonda shot 22 of 25, Johnny 20 of 25 and Cheryl 19 of 25. Good luck at State.

Warren and Diane Norris and son Jeff of Dallas were here for the Hoelting-Birkenfeld wedding on Saturday. Sunday they left for Red River to ski for several days.

Gerald and Sheila Brockman and family of Midland, Tony and Erlene Fritz and family of Yukon, Okla. and Jimmy Birkenfeld of Denver City were here over the weekend for the wedding of their sister Vera.

Marvin and Carol Hoelting and family of Denver, Colo. were here several days visiting parents, the Albert Schultes and Greg Hoeltings.

Rick Gerber, Robbie Albracht, Paul Clover and Sharon Ingraham, all of Lubbock, spent the weekend with the Albert Gerber family and the Wert Albrachts of Hereford. Rick also had his "little brother", Ted Benson of Lubbock, here.

**SPEECH AWARD WINNERS**—Dimmitt High School's speech team came home with third place sweepstakes honors Saturday from the Levelland Speech Tournament. David Montiel placed second in prose and Ricky Rickerd

placed second in poetry, both bringing back trophies, and Junior Mendez made the finals in prose. From left are Montiel, Kevin Ginn, coach Brenda McClellan, Norma Trigo, Mendez, Denya Tuttle and Kevin Spinhirne.

**BACK AGAINST ODDS**—Steve Garcia returned to Dimmitt High School Friday after being out for almost one year. Garcia, 16, was involved in an automobile accident Easter Sunday 1978 that left him paralyzed from the neck down. Back in full swing in his wheelchair, Garcia is taking English I, Health, Biology, World History, Art, and Algebra I. He uses an electric typewriter and a tape recorder to assist him in his school work.

## View from the Library

By BRICK AUTRY

This is about another library problem. The problem discussion today is the younger patrons commonly known as other people's children.

One of these days I am going to be promoted to a job where I don't have to work much with other people's children. On occasion the work is pleasant and even enjoyable. However, it is so only on occasion.

Other people's children can really be screwball. It is most amazing to see how they behave when they are out from under the watchful gaze of their parents.

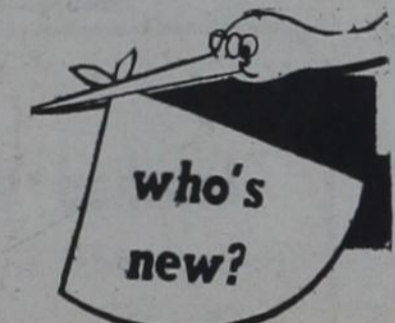

Other people's children can be difficult to work with when they are teen agers. Through no fault of their own, they have become too big to act cute and frisky and require special discipline. Thank heaven, too, that library furniture is so sturdy. Their sense of humor also can be very irritating. For the life of me, I

can not think of why hiding the tape players somewhere in the book shelves is so funny.

Other people's children can also exhibit some very good behavior. They can be almost poignant. Take the other people's child who helps tidy up the library (and you may); he tries so hard to do a good job. The other day, though, he just had done a perfect job sweeping the foyer when he ran into the cigarette stand with his big feet and spilled the sand. I should have known it would happen. He can hardly go through the room without running into something.

Then, there are the other people's children who are real hard to put up with. It makes you happy that the other people themselves don't come to the library. If their kids are so bad what are they like?

THE Great Wall of China runs 2150 miles and has 1800 miles of branches and spurs.

**PLAINS MEMORIAL**  
Mr. and Mrs. Torbio Davila Jr. are the parents of a girl. Named Mary, she was born Feb. 20 and weighed 7 pounds, 6½ ounces.

## Tech coach talks about prospects to Kiwanians

Jim Bates of the Texas Tech coaching staff was the speaker for Dimmitt Kiwanis Club at its lunch Monday in the Colonial Inn Restaurant, introduced by Carl Bruegel.

He spoke briefly and showed a film of grid game highlights of the "Cinderella season" of 1978, when Tech's surprising record resulted in first-season Head Coach Rex Dockery being named Southwest Conference Coach of the Year.

Bates said Tech is looking forward to an even better season in 1979, as he ran over a list of recruits and reviewed prospects. Texas University has already been picked to win the conference title, he said, and SMU has added

super-talent in a good recruiting season, but Tech still expects to make things rough for any team in the SWC.

Bates said he "jumped at the chance" to come to Tech last year, as he had previously been associated with Dockery, and he hopes to stay since he and his family like living in West Texas. A native of Michigan, he attended school in Tennessee and coached in high schools and colleges in several states.

Kiwanis President Gene King announced that the club will meet next Monday for lunch in Richardson Elementary School Cafeteria as a part of the observance of Texas Public Schools Week in Dimmitt.

## 15—LEGAL NOTICES

### LEGAL NOTICE

The Texas Parks and Wildlife Department is proposing changes in the hunting, fishing, and fur-bearing animal regulations for 1979-80. Before regulations can be changed, a public hearing must be held in the county to be affected as required by Section 61.101, Texas Parks and Wildlife Code. In certain counties the authority of the Parks and Wildlife Commission under the Uniform Wildlife Regulatory Act is limited by statute.

A public hearing concerning these changes will be held Monday, March 12 at 7 p.m. in the Castro County Courthouse in the courtroom on the first floor.
