Winters wins district opener against Goldthwaite 20-13

Blizzards hang tough in real nail-biter

With all the elements of a blockbuster action movie, the Winters Blizzards outlasted the Goldthwaite Eagles 20-13 in the first outing for both teams in the new district 25-2A.

Billed as THE game of the Big Country, the Blizzards traveled to Eagle stadium with two major thoughts: a #3 state ranking and a memory of a 55-0 "whuppin'" the last time the two teams played in Goldthwaite.

The year was 1992, and Coach Robin Byrd had just taken over the helm as head football coach in Winters. The Blizzards just happened to be a stepping stone for the Eagles on their path to a state championship that year.

So Friday night's victory for Coach Byrd and the Blizzards was even sweeter.

And perhaps the tables have turned and this year, the Blizzards will be the team to go all the way.

Tension was high, both on the

field and in the filled-to-capacity stadium. Not much happened during the first quarter, with the exception of a severely sprained ankle for Blizzard receiver Larry Hoyle who sat out the remainder of the game.

Most of the first quarter was gone before the Blizzards were finally able to set up the score. With 11:40 on the clock in the second quarter, the Blizzards hit pay dirt with a 48-yard pass from quarterback Kenny Whittenburg to Lee Woffenden. Josh Minzenmayer's PAT kick was good and Winters held a 7-0 lead.

With both defenses digging in, both teams traded punts. A good high kick by Minzenmayer gave Blizzard Jeremy Alvarado enough time to hustle downfield and snag the ball with an over-the-shoulder catch, putting the ball on the 12-yard line.

On the first play from scrimmage, the Eagles fumbled and

Minzenmayer recovered. With 6:58 in the second quarter, the Blizzards were again threatening.

Lee Woffenden got the call and gained a couple of yards, and with a face-mask penalty against the Eagles, the Blizzards had the ball on the 7-yard line. The Eagle defense stiffened and held the Blizzards for two downs. But on 3rd and 5, Wes Calcote managed to weave his way through the defenders for the score.

The 2-point conversion run by Whittenburg failed, but the Blizzards and their fans enjoyed a 13-0 lead with 5:16 left in the first half.

But a very determined Eagle offense was not about to throw in the towel, as the Eagle runner took the kickoff and zipped past Blizzard defenders before being brought down on the Winters 43-yard line. On 3rd and 6, Blizzard Barrett Brown picked off the

See BLIZZARDS, pg. 5

JEREMY ALVARADO #20 heads for the end zone for the winning touchdown with only 1:07 left in the game Friday night. The Blizzards' 20-13 victory over the tough Goldthwaite Eagles gives Winters a 4-0 record for the season and 1-0 for district play. The Big Blue will meet the Bangs Dragons this Friday in Blizzard stadium at 7:30 p.m.

West Texas remains under extreme fire danger

Runnels County still under burning ban

While rain continues to fall in east Texas, the fire danger in west Texas remains extreme.

The weather pattern in the Big Country-Abilene area has not changed greatly and the predicted forecast calls for rising temperatures and lower humidities which will increase the potential for new fire starts and rapid spread.

A cold front recently moved through the Rolling Plains-Big Country-Trans Pecos regions which produced numerous lightning-caused fires. The Double X Ranch fire burned 15 acres and the Everett Ranch fire consumed 150 acres. Both of these fires, fought by 10 engines, 2 helicopters, and 2 dozers, are now under control and in the mop up phase.

Other reported lightning strikes from the storm are being investigated by Texas Forest Service field observers.

Recent fires were also reported

in Palo Pinto, Armstrong, Cooke, Parker, and Cottle counties. The Cottle County fires were located in Paducah with the largest one consuming 40 acres and being caused by lightning.

Other causes of fires in the state continue to be improper use of power tools in grassy areas, improper disposal of smoking materials, arson, and trash burning.

Approximately 25% of the counties in Texas have burning bans in place, including Runnels County, and Texans are urged to consult their local fire department to see if a burn ban is in effect in their area.

Residents are encouraged to establish a defensible space around their homes and buildings to help reduce the risk of a wildfire consuming those structures. Defensible space can be developed by removing vegetation

within 30 feet of buildings.

Also keep roofs and gutters free of debris, do not store flammable material like firewood near buildings, and have a hose attached to outside faucets ready for use.

The Texas Forest Service and Big Country Firefighters Association appreciate the fire prevention efforts that have been and continue to be practiced by all.

Since May 1, 1998, more than 9,229 wildfires have burned over 383,884 acres in Texas. Five hundred sixty-three firefighting personnel from 30 states are still located at key fire suppression staging areas in Amarillo, Abilene, and Decatur.

The serious drought conditions throughout west Texas that have caused 95-year-old wells to go dry will keep the western half of the state under an extreme fire alert until adequate rainfall is received.

Auxiliary to host supper this Friday evening

The Winters Volunteer Fire Department Auxiliary will host a chicken fried steak dinner prior to the Bangs football game this Friday.

Serving will be from 5:00 p.m. to 7:00 p.m. in the school cafeteria.

The menu consists of chicken fried steak, mashed potatoes, gravy, green beans, rolls, dessert and tea.

Cost is \$5.00 for adults and \$3.50 for children.

Proceeds from this fundraiser will go toward purchasing much needed supplies and equipment for the fire department.

CHANDA HOPPE (left) was a double winner in the Junior Simmental Show at the recent West Texas Fair in Abilene. She is shown with her Champion Simmental heifer, "Holly," while her brother, Chris Hoppe, holds her reserve champion Simmental, "Dream Catcher." More fair results may be found on page 12.

City council renews contracts and leases

During the regular meeting of the Winters City Council and the Mayor on September 28, the main agenda item was the renewal of several contracts as follows:

- D'Ann Perrie, \$250 per month for office cleaning services.
- Oscar Torres and Louis Esquivel, \$225 per month, cleaning services for Community Center,

- Mike Dillard, \$400 per month for meter reading,
- Jack Davis, Sr., \$5, lease for house,
- Brad Eggemeyer, \$120 per year, lease for airport land,
- Airport hangar land lease, \$60 per year,
- Bill Lafair, \$40 per month,

lease for bait house at lake, • Jack Gray, \$60 per year, lease for airport hangar.

In other action, the council voted to name *The Winters Enterprise* the official newspaper for the City of Winters.

The council discussed the See COUNCIL, pg. 2

Oil Bidness

By Reg Boles ©1998

This past week was the time for an annual gathering of petroleum engineers, and clouds were gathering in more ways than one. The weather was a fitting metaphor for the other storms the industry faces.

The Annual Technical Conference of the Society of Petroleum Engineers International is normally held in late September or early October. It usually rotates between several cities, including Houston, Dallas, Denver, San Antonio, and New Orleans.

This was the year for New Orleans, the Crescent City, the Big Easy. The oil business and New Orleans have had a mutually beneficial relationship for many years. Beyond just hosting conventions, New Orleans is the home for many major oil companies and is also the home of many service companies.

Typically, producing and service companies go to New Orleans expecting to learn a little and live a little. This year, if you made it to New Orleans, the living part became a little more important.

The hurricane with the French name, Georges, threatened to swamp the whole city, taking the convention with it. Getting out was imperative, and, after great effort, those that wanted out got out.

While the hurricane wiggled just a bit and apparently spared New Orleans from the worst of its power, the industry may not be so lucky.

But, in speaking to some of those that were prepared for a happier time in New Orleans, I am surprised at the optimism. And, it's just that optimism that may allow the petroleum industry to weather the storm.

The metaphor extends further. Companies are preparing for the worst by conserving capital, staying lean, and looking for bargains on the acquisition market. Just as those in New Orleans prepared for the worst, the oil and gas business is girding itself to withstand the storm and make a successful

return.

And, some may say that those with the upbeat outlook are being rewarded as we speak. Prices have rebounded some, mainly due to fear over disruptions caused by weather (hurricanes). Prices have reached into the high teens as OPEC production has dropped to near their target levels.

So, we may have missed our good time in New Orleans, but maybe we will get better industry conditions for Christmas, instead.

HIGHLIGHTS OF AREA DRILLING ACTIVITY

COMPLETIONS

Taylor County

The Townsend Co. has completed the Hobbs-Young Unit #1 in the Casady Field (5 miles NW of Merkel) at an initial rate of 22 BOPD & 60 BWPD in the Millican (Depth 6600). Loc. is 1230 FWL & 100 FNL of the Strawn (perms 4708-12). Loc. is 330 FEL & 3450 FSL of Sec. 26, Blk. 18, T&PRR Sur., A-989.

STAKINGS

Coke County

Abraxas Petroleum has staked the Millican Reef Unit #6P in the Millican Field, 12 miles W of Robert Lee (Depth 6600). Loc. is 1230 FWL & 100 FNL of Sec. 158, Blk. 2, H&TC Sur., A-1611.

Concho County

The Pickens Co. has staked three wells. The Fritz #4-125 is in the West Millersview Field, 4 miles W of Millersview (Depth 2200) and is loc. 2387 FWL & 2410 FNL of Sec. 125, Blk. 72, T&NO Sur., A-890. The Hendricks-B-#1 is a Wildcat, 1 mile E of Eden (Depth 1900) and is loc. 467 FNL & 467 FEL of Fisher & Miller Sur. No. 2840, A-163. The Stansberry Heirs #2 is another Wildcat, 5 miles N of Eden (Depth 2200). Loc. is 2600 FNL & 467 FWL of Sec. 11, IRR Sur., A-504.

R.G. Scholl has staked the Slaughter #1 as a Wildcat, 4 miles NW of Millersview (Depth 2500). Loc. is 660 FSL & 660 FEL of B. Unger Sur. No. 351, A-920.

Nolan County

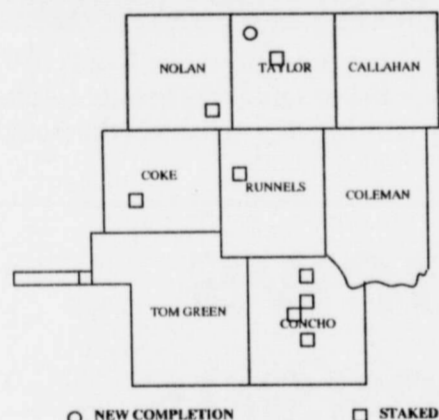

Patterson Petroleum, Inc. has staked the Alexander Heirs #2 in the South Lake Trammel Field, 2 miles NE of Maryneal (Depth 5400). Loc. is 563 FNWL & 2910 FSWL of Sec. 115, Blk. X, T&PRR Sur., A-507.

Runnels County

Hopewell Operating has staked the Schaefer #2-G in the West Norton Field, 12 miles SW of Winters (Depth 5100). Loc. is 753 FEL & 3925 FSL of W.H. Smith Sur. No. 40, A-599.

Taylor County

Hollywood Petroleum has staked the Farmer #2 as a Wildcat, 7 miles S of Trent (Depth 6000). Loc. is 2728 FEL & 147 FSL of Sec. 1, Blk. 6, T&PRR Sur., A-347.

DAWSON MCGUFFIN was honored with a retirement party on Sept. 11 at the Senior Citizens Retirement Home. Director Joanmarie O'Conner presented McGuffin with a plaque for his service and dedication as maintenance supervisor for the past two years.

Big Country Hospice to begin free volunteer training class

Hospice volunteers are the sparkle that makes hospice so special. Volunteers bring light to patients and their families at a time when it is most needed. The willingness to make the most of each day and to share talents with hospice families makes them a very unique part of the hospice team that families never forget.

Although most volunteers are not medical professionals, each one has had twenty-four hours of special hospice training. During their training, they learn about and become comfortable with issues

that face patients daily. These include questions about spirituality, death, symptom control and pain management as well what to do in a crisis.

In response to the need for hospice volunteers, Hospice of the Big Country will begin a free volunteer training class in Abilene at the hospice office, 3113 Oldham Lane on, Tuesday, October 6, 1998.

They are scheduled each night from 6:00 p. m. — 9:00 p. m. on the following dates:

- October 6, and October 8;
- October 13, and October 15;
- October 20, and October 22;
- October 27, and October 29.

For further information, contact Cathy Keith or Hollie Ivie at Hospice of the Big Country 677-1191 or (800) 588-0300.

Obituaries

Dorophene Anderson

WINTERS—Dorophene Anderson, 73, died Wednesday, September 23, 1998, in a San Angelo hospital.

She was born March 30, 1925, in Ranger, Texas, and lived in San Angelo most of her life.

Ms. Anderson moved to Winters in 1988 after retiring from Fabric Mart in San Angelo. She was a member of the North Main Church of Christ in Winters.

Survivors include one sister, Jacqueline Cochran of Abilene; and three brothers, Kenneth Anderson of Amarillo, Monte Anderson of Artesia, New Mexico, and Jimmy Anderson of Carlisle, Arkansas.

Graveside services were held at 2:00 p.m. Saturday, September 26, in the Evergreen Cemetery in Ranger with Brett Anderson officiating. Burial was directed by Winters Funeral Home.

Eduvijos Ruby Alfaro

BALLINGER—Eduvijos Ruby Alfaro, 93, died Sunday, September 27, 1998, at San Angelo.

She was born October 17, 1904, in Monterrey, Mexico. She married Galo J. Alfaro.

Mrs. Alfaro was a cook at the Texas Grill in Ballinger and a member of St. Mary's Catholic Church in Ballinger.

She was preceded in death by her husband Galo J. Alfaro; a son, Estacio Dela Cerda; and a daughter, Mary Ornelas.

Survivors include three daughters; Angelita Jalomo and Yolanda Jalomo both of Ballinger, and Louisa Herrera of Laredo; six sons, David Alfaro of Ballinger, Estevan Dela Cerda and Richard Alfaro, both of Lubbock, Tano Dela Cerda of Delano, Ca., Juan Dela Cerda of San Angelo, Martin Gomez of Amarillo; and one sister, Maria Estrada of Laredo.

Rosary was held at the Rains-Seale Funeral Home Chapel, Tuesday, September 29, 1998, with Father Hubert Wade officiating. Burial was in the Latin American Cemetery in Ballinger.

Flu immunizations to be given at Senior Citizens Center Oct. 12

The Runnels County Field Office of the Texas Department of Health will hold a Flu Immunization Clinic on Monday, October 12, 1998, from 10:00 a.m.-12:00 noon and 1:00 p.m.-3:00 p.m.

Location is in the Senior Citizens Activity Center, 601 Wood Street, Winters.

For more information, call 754-4945 between the hours of 9:00 a.m.-12:00 p.m. Monday-Friday.

COUNCIL, continued

problems with the newly distributed phone books from General Telephone Exchange (GTE). City manager Aref Hassan explained that he had been in contact with GTE officials, and that the books were being corrected and reprinted.

Hassan also presented to the council information from a semi-

nar he attended, sponsored by the Texas Municipal League, regarding Small Cities Problems.

Council members present were Joe Gerhart, Mike Meyer and Tommy Russell; Mayor Dawson McGuffin, City Manager Aref Hassan, and City Attorney Kenneth Slimp.

TPA MEMBER 1998
TEXAS PRESS ASSOCIATION

From The Well

By
Pastor Jim Hanson

Pastor Jim Hanson

Ramona and I just got back from a seven day tour of Montana. It really wasn't a joyride, but it surely was full of a lot of joy. It was a time of celebration and reunion. With friends and congregations, we had served the first sixteen years of our ministry at

First Lutheran Church in Havre, Montana; First American Lutheran Church in Hardin, Montana; and Zion Lutheran Church in Glendive, Montana. In those seven days, we managed to spend some time in each place with some of the folks we lived with and served together with. We drove 1,200 miles over the plains, following the Yellowstone River and then into the mountains of Montana.

As a young boy, I dreamed and fantasized about living in Montana some day. As a cowboy, of course. One who rode the ranges under a big blue sky. It was when I was 23 years old, a student at Luther Seminary in St. Paul, Minnesota, that I stepped off the train, the Great Northern, in Havre, Montana, to begin my year of internship. It was one of the best years in my life. And it was a good year for the folks at First Lutheran. I was their first intern, and we made a good match. So good that when they celebrated their 85th anniversary as a congregation on September 20 of this year, they invited me to be the one to preach at the two services. It was a real privilege and the kind of honor that humbles a person. After 45 years — to be so remembered.

It was a three-day celebration, including an open house, a banquet, worship services, and a concert. And, in between times, high school homecoming, a big-time town parade, and a cowboy poetry and singing gathering. Ramona and I stayed with Vic and Verlie Hanson, some dear friends who ranched about 10 miles out of town, and, who, almost every Saturday took me in, fed me, and furnished me with a horse and saddle and a chance to "help out." Vic is now 85, but still ranching in the foothills of the Bear Paw Mountains, and has taken up the fiddle and conned me into singing with him at the cowboy poets gathering. You can sit in their living room and look out into the eternity of the hills and mountains.

We made some stops on the way. Hardin, Montana. Where Ramona and I began our ministry together. Came into town on July 1, 1954, and had our first service there on July 4, 1954. It was 105 degrees. There was no air-conditioning. And the service lasted one and a half hours. Afterwards, we drove up into the "Pine Hills" for a picnic. The shade was so welcome—the food was great, and we had 4 good years there. Beautiful little brick church, holds about 120 when filled. Still going on. Had a potluck dinner in our honor. Folks, who were 10-15 years old then, are now serving the congregation with good leadership and lives committed to Jesus Christ. Hardin is located just 19 miles from the "Battle of the Little Big Horn" and Custer's Last Stand.

Our two oldest children were born there, Nathan and Kathryn. In a little old hospital that is now an apartment house. So good to be remembered and loved after 40 years.

Then, on to Glendive, Montana, where we spent 10 years of ministry. John, Paul, and Timothy were born there. The town of 10,000 and church of 800 members is located near the Yellowstone River and Makosika State Park—a stark "bad lands" kind of place that has a beauty all of its own. They had a reception for us there, and, like Hardin, it was so good. Two and one half hours of visiting friends and fellow-members of the household of faith. So good to be remembered and loved after 30 years.

Our hearts are filled with joy, at being part of the family of God, the communion of saints. To experience a fore taste of the reunion that will be there in the everlasting kingdom. And to return home to Winters and the family of God here. The circle is unbroken, thank God!

Immunization Clinic set for Thursday, Oct. 1

The Winters office of the Texas Department of Health has scheduled their October Immunization Clinic.

The clinic will be conducted Thursday, Oct. 1, 1998, from 9:30 a.m.-12:00 noon and 1:30 p.m.-3:00 p.m.

Location is in the Professional Building, Suite 108, on Grant Street Entry.

For more information, call 754-4945 between the hours of 9:00 a.m.-12:00 p.m. Monday-Friday.

MRS. JOYCE KRAUSE will be checking out of the Winters Public Library when she retires as librarian on Oct. 15. She began her duties in April, 1994, after retiring from 25 years of teaching with the Winters Independent School District. She says she plans to enjoy extra time being a grandmother and spending time with family and friends. During her tenure, the library has seen several major improvements such as computers with internet services, expansion and remodeling of library facilities, and grant funds allowing fixture, furniture and books geared for children.

Police Beat

The information below is taken from reports on file with the Winters Police Department. Some of the information is provided to police by citizens, and in some cases, police have not finished investigating the reports. These reports make up a small percentage of the total calls the Department receives and responds to each week.

Winters Police Department reports received and/or investigated from Sunday, Sept. 20, 1998, through Saturday, Sept. 26, 1998. Winters Police Officers:

- arrested Cyneka Lee Ramirez, 21, of Winters for making alcohol available to a minor.
- issued a citation to Amanda Nicole Ware, 17, of Ballinger, for minor in possession of alcohol and minor in consumption of alcohol.
- received a report of an attempted suicide in the 600 block of N. Main. MHMR was contacted to speak with the person attempting suicide.
- received a report of harassment on the 200 block of S. Main.
- received a report of a graffiti in the 400 Block of N. Arlington.
- received a report of a criminal mischief in the 1000 block of N. Rodgers.
- arrested Raymond Frank Teague, 35, of Abilene for outstanding DPS warrants out of DPS in Abilene. He was also charged with driving with no insurance, expired registration, and expired vehicle inspection.
- arrested Estella Vara, 23, of Winters, for warrant out of Runnels County.
- arrested Jose Martinez, 38, of Winters for driving while intoxicated after a traffic stop in the 400 block of S. Main.
- arrested Gayle Ilene Hunter, 47, of San Antonio, for driving while intoxicated, in the 400 block of N. Main.

Runnels County Crimestoppers offers a cash reward for information which leads to the grand jury indictment or conviction of offenders and the caller does not have to give his or her name. To give a Crimestopper's tip, call your local law enforcement agency at:

- Ballinger Police Department—365-3591
- Sheriff's Department—365-2121

Greetings from the Brewers

Four years ago, we moved to a town called Winters. Our hopes and expectations were high, along with our anxiety level! We were moving to a place where we didn't know anyone, and our nearest relatives were six hours away.

How could we know that this town called Winters, and its people, would hold such a special place in our hearts four years later? We have made many lifelong friends in Winters — from students in our classrooms, to their parents, to the Wes-T-Go crew, to tennis buds, to close friends who have a special place in our hearts. We think of all of you quite often, and miss each of you terribly.

We are now back in the Panhandle, closer to family and places we grew up with. We know the Lord has brought us back to this area, but we also know he placed us in Winters for reasons too many to name individually. We love you all and want to keep in touch with each of you.

In closing, we want to leave a special verse with you, found in I Corinthians 1:9-12.

Michael & Heidi Brewer

Applications taken through Oct. 27 for early voting by mail

The County Clerk's Office is now accepting applications for early voting by mail for the November 3 General Election.

A qualified voter is eligible for early voting by mail if the voter has a disability, is 65 years of age or older or is confined in jail.

A qualified voter is also eligible for early voting by mail if the voter expects to be absent from the county on election day and during the regular hours for conducting early voting.

The County Clerk's office will be accepting applications through October 27, 1998.

Any qualified voter will be eligible for early voting by personal

appearance in the County Clerk's Office beginning October 19, 1998, through October 30, 1998, from 8:30 a.m. -12:00 noon and 1:00 p.m.-5:00 p.m., Monday through Friday.

Early voting will also be conducted Sunday, October 25, 1998, between the hours of 12:00 noon and 5:00 p.m. at the County Clerk's Office in Ballinger and also at the Runnels County Tax Branch Office in Winters.

For further information or to request an application for early voting by mail, please contact the County Clerk's Office at 365-2720.

Articles received after Monday will be printed the following week

The Winters Enterprise reminds all individuals, clubs, and businesses of submission deadlines. Any news turned in after the deadline will be printed the following week.

Noon Monday is the latest date to turn in news articles and retail advertising. Classified ads will be accepted until 5 p.m. Monday.

The Winters Enterprise would like to encourage everyone to turn in information as soon as possible to ensure adequate time for typesetting and reservation of space. Thank you for your cooperation.

CHRIS YANEZ #82 goes up high for the pass during junior varsity action against Goldthwaite.

7th grade flies by Eagles 14-0

With big defensive plays led by Michael Roman, Arturo Reyna, John Heathcott and Tim Fenwick, the 7th grade Breezes clipped the Eagles 14-0 last Thursday at Goldthwaite. Reyna scored for Winters on a toss sweep with 4:15 in the first quarter, giving Winters a 6-0 lead. Josh Cavanaugh ran the wedge play for the touchdown with less than two minutes left in the third quarter, pushing the score to Winters 12-Goldthwaite 0. The 2-point conversion by Eric Lopez was good and the Breezes came home with all the marbles 14-0. The offense was led by Joe Jackson, Rey Torres, Michael Roman, Jonathan Lujano, Eric Lopez, and Richard Sanchez. Coach Robert White said, "I want to give credit to the entire 7th grade team. Each player played with heart and determination." Coach White was substituting for Coach Shane Mobley whose wife was giving birth to their first baby on Thursday. By the way, it was a boy — Hunter Shane Mobley!

JV falls to Goldthwaite in district opener

by Kayla Colburn, WHS correspondent

This was the first district ballgame, and Goldthwaite being 3-0, the Blizzards knew they were going to have a tough game. The defense controlled the first quarter with both teams punting twice. When Goldthwaite's third punt was shanked, we got the ball on the 45. Two first downs, and momentum came to our side. But on a 3rd and 8, quarterback Jeremy Hope was hit by a blitzing linebacker causing a 70-yard touchdown interception. Goldthwaite converted the two points midway through the second quarter. The offense continued to work and finally scored on a 51-yard touchdown pass to Chris Yanez from Hope. The two-point conversion failed and we trailed 6-8 at halftime. The third quarter ended without further scoring but the Eagles came up with another touchdown interception changing the fourth quarter score to 6-16. Needing to score twice quickly, the Eagle defense picked off another pass and scored in three plays, making it 6-24. Fortune still didn't smile on the Blizzards as yet another pass was picked off for the score, making it 6-30. With only two minutes to go, you might have thought "ENOUGH" but the Blizzards were still playing hard. Zeke Martinez caught a 45-yard touchdown pass from Arthur Martinez, and Jeremy Hope kicked the extra point to put the score at 13-30. The on-side kick failed and Goldthwaite ran out the clock. Coach Biff White said, "It was a tough loss but I told them that someday, because they never gave up, they would win a big ballgame like the varsity did Friday night." Back the Blizzards as they travel to Bangs to meet the Dragons at 6:00 p.m.

8th Breezes blast past Eagles 36-12

The 8th grade Breezes got on the scoreboard quickly in their duel with the Goldthwaite Eagles last Thursday night, and decided to stay on top of the scoring. With 6:20 in the first quarter, Alvaro Rodriguez ran a sweep right for 28 yards for the score. Mark Moreno's PAT kick was good and Winters led 7-0. Four minutes later, Michael Flores ran a sweep left for 12 yards and into the end zone. Moreno was on target again, and put the Breezes up 14-0. Moreno caught a 10-yard pass from quarterback Shane Colburn to score a touchdown with less than a minute to play in the first half. Colburn's QB sneak for the extra point was good and Winters dominated the game 22-0. With 2:15 left in the third quarter, Goldthwaite finally got on the board with a quarterback counter run for 62 yards. The PAT run failed and the score stood at 22-6. The Breezes answered the challenge when Jose Vega took the swing pass 54 yards for the touchdown with 2:02 remaining in the third quarter. Moreno's kick was good and Winters led 29-6. Rusty Jackson, who normally plays guard, played fullback and took the pigskin 40 yards for the score with 6:09 in the 4th quarter. "Magic Toe" Moreno split the uprights again, boosting the Breezes to a 36-6 lead. In a last-ditch effort with one second left to play, the Goldthwaite quarterback sailed a fly pass to the waiting split end who took it in for a 60-yard score. The extra point run failed and the game ended with Winters 36, Goldthwaite 12. Coach Chris Bearden said, "This was a total team effort. With the exception of two plays, we totally dominated the Eagles. Leading tacklers included Michael Flores, Alvaro Rodriguez and Brian Pritchard, all with five each." "The boys played extremely hard and it was a very enjoyable game," continues Bearden. "This week a very good Bangs team rolls into town and we need great fan support." The Breezes play in Blizzard stadium this Thursday at about 6:30 p.m.

COACH ROBIN BYRD displays a rare emotion of excitement as he celebrates the varsity win, 20-13, over the Goldthwaite Eagles during an extremely tense, exciting showdown of two very good teams last Friday night.

BLIZZARDS, continued

Eagle pass and Winters took over on their own 17-yard line with 3:40 left in the half.

Unable to move the ball, the Blizzards lined up for Josh Minzenmayer to punt. And punt he did — for 74 yards. With both defenses being in control, the half ended with Winters leading 13-0.

The first-half momentum had generally belonged to Winters but that gift quickly changed hands. Again Goldthwaite refused to buckle, and turned the game in its favor on the opening possession of the second half, driving 81 yards in 11 plays.

A quick pass to the Eagle receiver seemed to surprise the Blizzard defense who watched as the Eagle ran 42 yards down the right side for the score. The PAT kick was good and tension mounted as the score narrowed to Winters 13, Goldthwaite 7.

In a sort of one step forward, two steps back situation, a series of good runs by workhorse Wes Calcote was hampered when Whittenburg was thrown for losses on two subsequent downs, forcing the Blizzard punt.

With two minutes left in the third period, Goldthwaite caught the punt on their 27-yard line, and tried a couple of long passes, the second of which was almost intercepted by Whittenburg who tipped the ball. Facing a 4th and 9, the Eagles punted.

Blizzard Oscar Luz, perhaps feeling a little of the obvious pressure, bobbled the catch but then managed to return it to the Winters 32-yard line.

Again Calcote carried the ball, gaining only one yard. With 2.5

seconds left in the third quarter, a Whittenburg-to-Minzenmayer pass put the ball on the 37-yard line.

But just as the West Texas weather can change on a dime, so did the momentum of the game on the first play of the final quarter. With an Eagle interception and a face mask penalty against the Blizzards, Goldthwaite possessed the ball, and most of the energy, it seemed, as they were handed a 1st and 10 on the Winters 23-yard line.

Defensive tackle Eric Tekell was not at all happy and chased down the Goldthwaite runner for a 9-yard loss, presenting the Eagles with a 2nd and 19.

Facing a 3rd and 16 after a short pass, the Eagles called time out to gather their troops.

But the Big Blue Wrecking Crew had a few plans of their own, and on 4th and 17, Whittenburg intercepted the Eagle pass in the end zone for the touchdown.

With 10:14 left, Winters took possession on their own 20-yard line. A series of runs and an incomplete pass forced the Blizzards to punt. Minzenmayer's punt off the side of his foot went only to the Winters 43-yard line, putting the Eagles in good scoring position.

Sure enough, only two plays later, a wide-open Eagle receiver caught the pass and scampered into the end zone, tying the score at 13-13, with 7:56 left in the game.

In one of those, "I can't believe this" moments, fans from both sides watched anxiously as the ex-

tra point kick hit the left upright and fell short, leaving the score in a tie.

A good run by Lee Woffenden on the kickoff was shortened by an illegal block penalty, putting the ball back to the 11-yard line. An incomplete pass brought a 2nd and 10 situation, then Calcote carried to the 21-yard line for the first down. A quick pass to Minzenmayer from Whittenburg gained the Blizzards 17 yards and another first down.

The next run went nowhere, then a fumbled snap initially looked costly but Whittenburg picked up the ball and scampered to the Winters 40-yard line. An incomplete pass forced the Blizzards to punt, and Goldthwaite took over on the 27-yard line.

On 2nd and 6, Blizzards Chris Hoppe and Michael Prewit stormed the runner, stopping the drive. A clipping penalty moved the ball back to the 21-yard line. Two plays later, the long pass was complete, but was nullified due to an illegal motion penalty against the Eagles, posing a 3rd and 20 situation.

The Eagle quarterback sailed another long pass, but Whittenburg stepped in front of the receiver and knocked down the ball.

With 3:02 left in the game, Winters received the punt on Goldthwaite's 47-yard line. On a 2nd and 11, another Whittenburg-to-Minzenmayer pass connected, and Minzenmayer raced down the sideline for the score. But the Winters celebration was short-lived, as the ball was brought back due to an illegal motion by a Blizzard.

An incomplete pass put the Blizzard offense in a 3rd and 16 situation. On the next play, a quarterback keeper put the ball on the Eagle 34-yard line.

Facing a 4th and 7 crisis, Winters called time out with 1:12 left to play.

A poised Whittenburg connected with Jeremy Alvarado who bobbled the catch for probably ten yards before racing all the way to the end zone for the score. The PAT kick by Minzenmayer was good and Winters led 20-13.

Showing some of their state playoff characteristics, the Eagles came roaring back.

The attempted squib kick on the kickoff hit the Goldthwaite player on the leg, and he fell on it at the Eagles' 45-yard line. After a penalty moved the ball to midfield, the Eagle quarterback hit his receiver for a 31-yard gain to the Winters 19.

Goldthwaite gained nine more yards on a quick pass, giving the Eagles a 2nd and 1 at the Winters 10. Two incomplete passes followed, setting up a 4th and 1, and with 45.2 seconds left, the cliff-hanger play of the game was about the unfold.

Whittenburg arrived early on the play and met the runner on a sweep right at the line of scrim-

mage, and with his Wrecking Crew teammates, squashed the play along with the Eagles' chances for the upset victory.

The Blizzards took over with 37.5 seconds left in the game and chose to down the ball, run out the clock and celebrate a major victory over a very tough team.

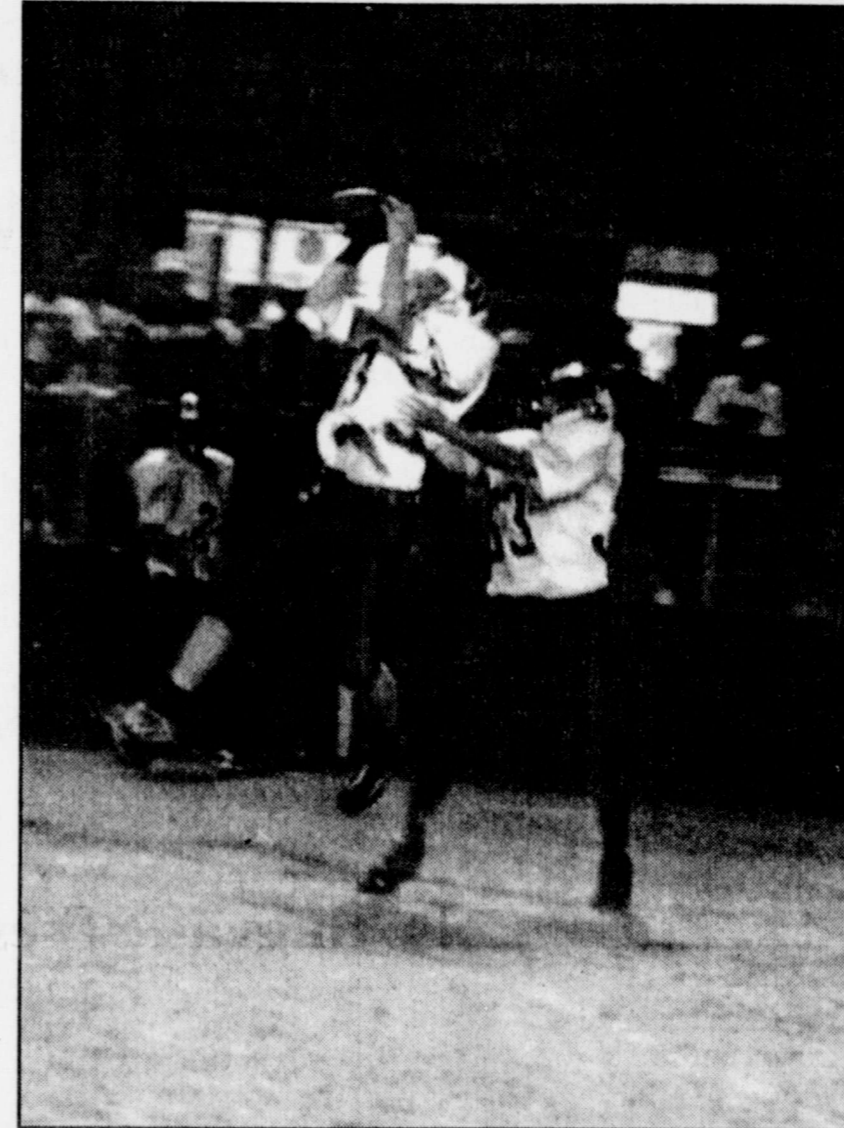

Winters, now 4-0 for the season and 1-0 in district, will face the Bangs Dragons this Friday in Blizzard stadium. Kickoff is at 7:30 p.m.

Directions to Bangs Field

Football fans traveling to Bangs in support of the Winters teams may find the following information useful.

At the caution light in Bangs on US 67, proceed approximately 1/2 mile then turn left. You should turn between a Food Plaza and the Bangs School Administration Building. Follow this road a short distance to the stadium.

As a final reminder, of course, if all else fails: Look for the high stadium lights.

BARRETT BROWN, of the varsity Blizzards, intercepts the ball in front of the Goldthwaite Eagle to stop the offensive drive.

Karen Mills Third Grade

Karen Mills was employed by Winters Independent School District in August 1998, as a third grade teacher.

She is a graduate of Hardin-Simmons University with a Bachelor of Education degree. Her field of study was elementary education.

Mrs. Mills has eleven years of experience as a third grade teacher, seven years at Pecos, and four years at Monahans.

She is married to Jeff Mills, a science teacher at Bronte. They have one daughter, Kathleen, age 6, and one son, Archie, 4. They are Methodists.

As hobbies, Karen enjoys quilting and sewing.

She says, "I am really glad to be in Winters. My husband's family has been in this area for many years and it feels as if we've come home."

Athletic Boosters plan Parent Night for October 2

The Winters Athletic Booster club met Tuesday, September 22, at the Blizzard field house.

Parent night will be held Friday, October 2, at 6:00, and pictures of the players and parents will be made at this time.

A motion was made to sponsor the Homecoming football programs again this year, with pictures and write-up of the players.

The upcoming Halloween carnival was set for Saturday, October 31, with Donna Pritchard and Deb Whittenburg as chairpersons.

The booster club meets each Tuesday at 7:00 p.m. in the Blizzard field house and all members and interested persons are invited to attend.

Cross-country varsity girls take fourth, J.V. third at Coleman

The varsity girls placed fourth at the Coleman meet on Sat., September 26.

Team points included: Coleman, 65; Hawley, 91; Merkel, 92; and Winters, 97.

Coach Deb Whittenburg says, "Our girls times are good and have improved. In order for the girls team to come through at district our five, six, and seven runners will have to step it up."

The junior varsity team placed third, with Coleman and Zephyr placing one and two.

Team points include: Coleman, 39; Zephyr, 61; and Winters, 64.

Varsity individual places and times included:

Kelli Slimp, 3rd, 12:25
Cassandra Johnson, 5th, 12:42
Mandy Pritchard, 19th, 13:20
Kendra Hope, 21st, 13:29
Sonya Vega, 49th, 14:24
Tassi Hopson, 54th, 14:28
Kourtney Cathey, 58th, 14:37
Junior varsity team points and times included:
Isha Lara, 5th, 14:06
Juanita Armendariz, 8th, 14:28
Lucero Vega, 11th, 14:39
Tracey Burns, 18th, 15:14
Jackye Dexter, 22nd, 16:05
Lori Bredemeyer, 23rd, 16:07.

Boys C-C team places second at Coleman

The boys teams placed second at the Coleman meet on Saturday, September 26.

The times are hard to compare as the courses differ. The course this week was 5,000 meters.

The Eula team won with 29; Winters was second with 57; and Coleman had 110 points.

Individual places and times included:

Jimmy Rodriguez, 1st, 18:09
Felix Portilio, 4th, 18:59
V.J. Santoya, 14th, 20:18
Tony Aguerro, 15th, 20:26
Richard Esquivel, 23rd, 21:05
Jason Esquivel, 24th, 21:16
Chris Santoya, 26th, 21:21
Ruben Garcia, 29th, 21:31
Ezequiel Martinez 31st, 21:33
Juan Santos, 33rd, 21:37
Kenny Green, 34th, 21:51
Artemio Lopez, 44th, 22:56
Steven Cavazos, 48th, 23:28.

Poe's Corner

By Charlsie Poe

A big tea party

Perhaps you are wondering what happened to the travelers whom we last heard of in New York — no they didn't get lost again. They were on their way to Boston for a tea party — the likes of which you have never heard.

We drove down Newberry Street and were told it was the Black Bay area and originally under water, but now reclaimed. The people live here in town houses in the winter and at Cape Cod in the summer.

At one time, Boston was all red brick buildings because they had clay pits, but they also discovered granite quarries and copely square of granite. We passed the Boston Common, the oldest park in America which covers 48 acres. It was once a pasture where cows grazed and troops went to train. There is a graveyard in the center. The Trinity Church was pointed out as the place where "O' Little Town of Bethlehem" was sung. It was written by the pastor.

Boston is a city of colleges and we saw many students with book bags. Two main schools are Harvard and Boston College. Some important places in the new part of Boston are the Prudential Center, John Hines Convention Center, Lord and Taylor and Dartmouth.

The bus made three stops on the tour. We trod the wooden decks of Big Beaver 11, a Tea Party Ship,

Charlsie Poe

and felt history come alive. We walked the red brick Freedom Trail to see Paul Revere's house and the Old North Church. We shopped at Feniul Hall surrounded by Quincy Market.

This combination town hall and produce market was built in 1742, it is called the "Cradle of Liberty" because fiery town meetings held here helped start the Revolutionary War.

The market place surrounding Feniul Hall is the busiest point of interest in the city. The building is a part the Boston National Park. Since it was Sunday, we saw many families out for the day enjoying the shops and hot houses as well as sidewalk shows and entertainment.

The Paul Revere statue and home are in a small park dedicated to the patriot who warned the countryside that the British were coming. The famous signal lanterns were hung from the Old North Church steeple on April 18, 1775. Paul Revere lived in the frame house from 1770 to 1800.

After viewing a slide presen-

tation of the Boston Tea Party, we could protest anything, we were told, and throw a box of tea overboard from the Brig Beaver 11, of course, the box had a string tied to it and was hauled back. We began to remember our history and to feel very patriotic.

And we should, for the Boston Tea Party is one of the best known incidents in American history, ranking in fame with Columbus' voyages and the landing of the Pilgrims. The fame is well deserved, for the Tea Party of 1773 was the catalyst that precipitated the American War of Independence says Benjamin W. Labaree, director of Williams College.

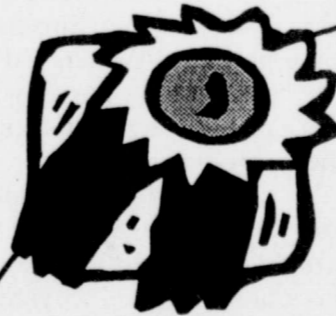

"The Boston Tea Party" resulted from the interplay of four historical factors: the social fact that American colonists drank tea and in large quantities, the political fact that the British Parliament taxed the tea, the economic fact that the East India Company had difficulty selling the tea at home and in the colonies, and the human fact that the men charged with governmental responsibility during the tea crisis of 1773-1774 made unwise decisions.

With both sides more willing to fight than to compromise, the armed clash became inevitable. In April 1776, just 16 months after the Boston Tea Party, the American War for Independence began on Lexington Green.

"This is were it all began."

MENTORS and FRIENDS who worked together during the last school year were recently treated to a reception at the Winters school cafeteria. Left to right are Ann Baldwin, Judy Biddix, Rene Woffenden, Jonathan Lujano, Gordon Fenwick, Melanie Wade, Max Harrison, John Paul Medina, James Boisse, Nancy Thompson, Kenneth Slimp and Jean Boles. The mentoring program, Save Our Students (SOS), is kicking off the new year and volunteers are needed. Anyone interested in sharing some time with some special students is asked to contact Terry Wyatt, curriculum director, at 754-5574, or the elementary school.

Calling all Students...
The Secretary of State and
this newspaper want
your opinion!

Fewer and fewer Texans vote on election days in Texas. Two of the lowest election turnouts in state history have taken place this year.

The situation greatly concerns your hometown newspaper and Texas Secretary of State Alberto R. Gonzales, the state's chief elections officer. His job is to encourage voter participation in Texas. While you may not be old enough to vote, Secretary Gonzales wants you to tell him why you think your parents should vote this November 3rd. Secretary Gonzales asks that you join other Texas students in writing an essay entitled: "Why My Parents Should Vote." Winning entries will be displayed in the Capitol through the November election and announced in a news release and at a media event. Students who write the winning essays will be invited to appear at the Capitol media event.

Please think about this important topic and send Secretary Gonzales your essay. And, if you need help writing your essay, talk to your mom or dad about the importance of voting!

Entry Divisions: Grades K-5(100-300 words), 6-8(400 words or less) and 9-12(500 words or less)

Due Date: Entries must be postmarked by October 9th 1998

Letters to the Editor

Do you want radioactive waste coming through this area, then left in Texas?

To the residents of Winters and West Texas:

Do you want "low level" radioactive waste from other states dumped in Texas? No! Well, you are going to get it!

A dump site has been approved near Sierra Blanca for Vermont and Maine to store their radioactive waste. The waste will be transported through Abilene to the site. How do we know it is "low level?" We don't!

President Clinton signed the agreement earlier this week and now the TNRCC Commissioners will meet Oct. 22 to vote on the

agreement which will be the final step.

In my opinion, Texas needs to take care of their own waste and all other states need to store, in their own state, their waste.

TNRCC Commissioners to meet Oct. 22 are as follows:

Barry R. McBee, chairman

John Baker

Ralph Marquez.

Address comments to:

United Nations proposes un-American treaty

Dear Editor,

Coming soon will be the greatest un-American treaty ever conceived by the United Nations (UN). It calls for the U.S. to approve a treaty with the UN so that the International Criminal Court (ICC) will have jurisdiction over citizens of any country in the world. This will result in the next step toward one-world control which the UN wants.

The ICC would be made up of a kangaroo court with its members being appointed by the UN. The ICC judges and prosecutors might be from Cuba, Russia, or Red China. They would not be accountable to anyone and they would have unlimited power.

Therefore, the mock court would not necessarily have a representative from the U.S. The ICC would also have final sentencing without allowing the accused to defend himself.

This would completely take away our freedom of trial by jury, as guaranteed by our constitution; American service men serving in the UN "peace keeping ventures" would be at risk to be arrested and tried under laws not our own.

Citizens of any country in the world could be arrested and then moved to any other country, tried and sentenced, and then imprisoned in a secret place so that friends, relatives, and attorneys would not know their locations.

There is only one solution: GET US OUT of the United Nations and get the UN out of the United States!

Please contact your senators to oppose the ICC Treaty.

Sincerely,

Jim Hicks

Clyde, TX 79510

Central Texas Rural Transit District to operate City and Rural Rides

The Board of Directors of Central Texas Opportunities, Inc. has approved the formation of Central Texas Rural Transit District. CTRTD will operate independently and separate from Central Texas Opportunities, Inc. and will administer all transportation related services formerly operated by CTO's City And Rural Rides.

According to Coleman County Judge Sherrill Ragsdale, chairperson of the board of directors, "City And Rural Rides had been providing rural public transportation services since September 1989, and the Board passed a resolution in August designating the existing rural public system (CARR) as a rural public transit district/political subdivision."

He added, "CTRTD initially will administer approximately \$1,000,000.00 in funds received from the Texas Department of Transportation and the Texas Department of Health and employ 25 to 30 employees in the eight county service area with the administrative office in Coleman, Texas."

Ragsdale stated "CTRTD's management team will include William Evrard as general manager. Mr. Evrard has been employed with the Transportation Department since 1991 and has supervised City And Rural Rides since 1993. Joe Guajardo will be business manager. Mr. Guajardo has previously served as assistant executive director since 1995, and has been employed with CTO since 1987.

"J.R. Salazar will be the operations manager. Mr. Salazar has been employed with CTO's Head Start program since 1995, and has

served as operations manager since January of this year."

CTRTD will continue to provide public transportation, medical transportation, and related services for the residents of Brown, Callahan, Coleman, Comanche, Eastland, Runnels, Shackelford, and Stephens counties.

William Evrard, general manager of the newly formed Transit District stated, "In 1995, during the 74th regular session of the Texas Legislature, House Bill 2588 was passed which established rural transit districts. The definition of a rural transit district means a political subdivision of the state which provides and coordinates rural public transportation within its boundaries."

He added, "We are one of the first transit systems in the state of Texas to be officially formed, and we believe very strongly that this move will strengthen our ability to provide the best possible transportation services. CTRTD will continue to operate as City And Rural Rides because that is the name that our customers have gotten accustomed to."

At this time, CTRTD will continue to be located at 1200 S. Frío, Coleman, Texas. City And Rural Rides provides transportation service Monday through Friday from 7:30 a.m. to 5:30 p.m.

If you would like to schedule a ride, please call 1-800-710-2277 or locally in Coleman call 625-4167 Monday through Friday between 7:30 a.m. and 6:00 p.m. Appointments are scheduled on a first come first serve basis due to limited vehicles and capacity and must be scheduled by 4 p.m. the preceding business day.

Corrected phone books to be distributed beginning Oct. 12

According to Mr. Bruce Condit, Manager of Marketing Communications for General Telephone Exchange (GTE) in Irving, the corrected phone books are being reprinted and are scheduled for distribution beginning October 12.

"We hope to have at least 90 percent of the distribution completed by October 30," said Condit in a telephone interview last Friday. "So some folks will receive their books later than others."

FAVORITE BLIZZARD FOOTBALL MEMORY

Editor's note: The following story was submitted by a former Blizzard in response to my request for memories of a special game, season, play or player. If you would like to participate, please send your story in 500 words or less to The Winters Enterprise, 104 N. Main, Winters, Texas 79567. Stories submitted become the property of The Winters Enterprise.

Coach Wood and the 1950 Blizzards

In response to your request for Blizzard football stories, here are some. I was a Blizzard on the 1949 Tommy Ellis and the 1950 Gordon Wood teams.

This is about the 1950 season, but I'll digress a little on the 1-8 1949 team first.

Ellis was fired and Wood was hired for the 1950 season. Ellis was later athletic director and head coach at McMurry, an assistant at Texas A&M, and later on Darrel Royal's staff at Texas. So I don't think it was Ellis' coaching, but his lack of talent that got him fired.

There was one talent on the 1949 team, H.O. Abbot, quarterback. H.O.'s older brothers were tough football players too, and they nicknamed him the Toe. They should have dubbed him Arm. If he had played in the 1960's or 1970's, he could have been in Namath and Jorgensons league. Toe could fire the football, he just didn't have any receivers that could get open and catch it on the same play. Also, in the 1950's offense was 3 yards and a cloud of dust, so he only got to throw 6 to 8 passes a game.

But this is about 1950. A.C. Green said Snyder and Albany were first and second or vice versa, I forget which, in 1950 area football. We had them first and second on the schedule coming off a 1-8 season.

Gordon Wood was pretty sharp even in his early years, and he learned fast. Wood taught the four S's: Speed, Spirit, Skill, and Poise. One S was a P, and it was most important. He said, "I don't care if we are losing 41-14, come out of that huddle like you want to play some football." Coach taught image before image was cool.

Thanks to Melvin's and Wayne's running, we sacked Snyder 18-6. It could have been 36-6. Coach held us back so as to not get Albany's attention. We didn't. Coach told Jimmy Mc to pop Snyder's QB on every play. "That's your only job in this game. I don't care if he goes to get a drink, pop him." Jimmy did.

We shocked Albany 28-7. Albany had a young HB named Jimmy Allman. I won't say young Jimmy had a violent, uncontrollable temper, just say he played with reckless abandon and wild enthusiasm.

Although a starter, I was probably the weakest link on the 1950 team. However, on this play my job was to block the DHB. I popped him good. The first to hit the ground was the back of his neck and shoulder pads. Young Jimmy took serious offense to this and took a few swings at me. Unfortunately for Jimmy, the ref was close and threw a flag. Yel-

low in those days, I believe. Ref turned to the crowd to give the unnecessary roughness signal when Jimmy booted him solid in the rear. Lifted him about a foot off the turf. That was my contribution to victory that night, getting their star evicted. Jimmy later matured, and made all state.

We beat Merkel and former Blizzard coach Tommy Ellis 6-0.

Coach had us at the top of the pyramid at 3-0. A.C. Green says we might win them all. However, somebody forgot to tell Colorado City.

Maybe they didn't read A.C.'s column. Rumor was we fumbled 17 times. I know for a fact, we lost it to Colorado City 7 times.

Old timers will remember that in the 1950 Blizzard field was also a rodeo ground with a 6-foot chain link fence.

Colorado City's bus had a cage with bars on the window in the back. This was Booger Red Thompson's seat. Booger Red was about 5'6" tall and wide. Also, he was red headed. Reminded you of Tommy Nobis, but Nobis wasn't even born yet.

Like Nobis, Booger Red tended to make RBs nervous. When Colorado City went on defense, they let Booger Red out. When they got the ball back, Coach took sticks and whipped Booger Red back to his seat.

I think Booger Red had a lot to do with our RBs fumbleitis that night. We lost 41-14, and it was worse than that. Maybe I stretched the facts a little on the cage and sticks but that was to note the type of linebacker he was. Besides, I think we played at Colorado City that night anyway.

Roscoe fell 24-19, thanks to Alton Ray's interception and 50-yard walk back for a TD.

Eastland, we beat 35-2.

District started with Coleman. They edged us 20-12. Except for holding on long passes, and, according to Coach, my not blocking Sherrill Hazelwood on trick play BB-1, we would have won.

Personally, I think C.R. holding on Texas Tech pass to Lester was worse.

Billy K. wrote in my annual to remember Sherrill. Yeah, Billy, even after 48 years I remember Sherrill. We couldn't figure how he could be so quick off the ball.

In those days, you had to wash your own uniform, buy your own socks and stuff. Also, visitors and the home team showered in the same room.

In the game, Sherrill wore a Darth Vader type face mask so we couldn't see his face. This was before even

bars. The helmet was open in the front. Seeing Sherrill without his face mask, we could see why he was so quick. He had a special ability to keep one eye on the ball and the other eye on the QB. Also, he came to play and he was the best.

Lakeview was next. Early on C.R., Minor, and Alton Ray opened a hole for J.B. at our 10-yard line. By the time Ole Whitlow reached the 30, he was 10 yards ahead of everyone. J.B. stuck it in overdrive and when he crossed the Chiefs' goal 90 yards away, nobody was within 30 yards of him, including the referee.

Scared the Chiefs so bad, they keyed on Whitlow the rest of the game. Gayland, Zane, Melvin, and Wayne ran wild. 45-0 Blizzards.

Brady outweighed us 20 pounds, to the man when we went down there in 1950.

Also, it hadn't rained since 1948, so Coach Wood didn't bring any mud cleats. That was a bad mistake; he should have. Brady had scrounged up some water from somewhere and watered the field to hog pen condition.

They had the mud cleats and the 20 pound advantage.

Coach was boiling at half time when he saw a Brady janitor in our dressing room. Coach told him to leave. The guy says, "I've been here 30 years and nobody ever asked me to leave. I'm not going." Even in his early years, nobody said no to Coach Wood. It was YES Sir.

Coach says, "I'm not asking, I'm telling," and proceeded to manhandle him out the door.

We lost 14-6. We didn't get to eat or shower until we got back to Winters that night.

Coach said that no Brady cafe would serve us. I don't know if that janitor was on the City Council or if Coach just wanted us mad, with Ballinger coming up.

In 1950, Winters hadn't beat Ballinger in 13 years. The year 1950 made 14. They had Harold Merrifield. We lost 19-13. Should have won anyway, as we had 1st & 10 at their 6-inch line with 2 minutes to go. Three plays later, we fumbled it away.

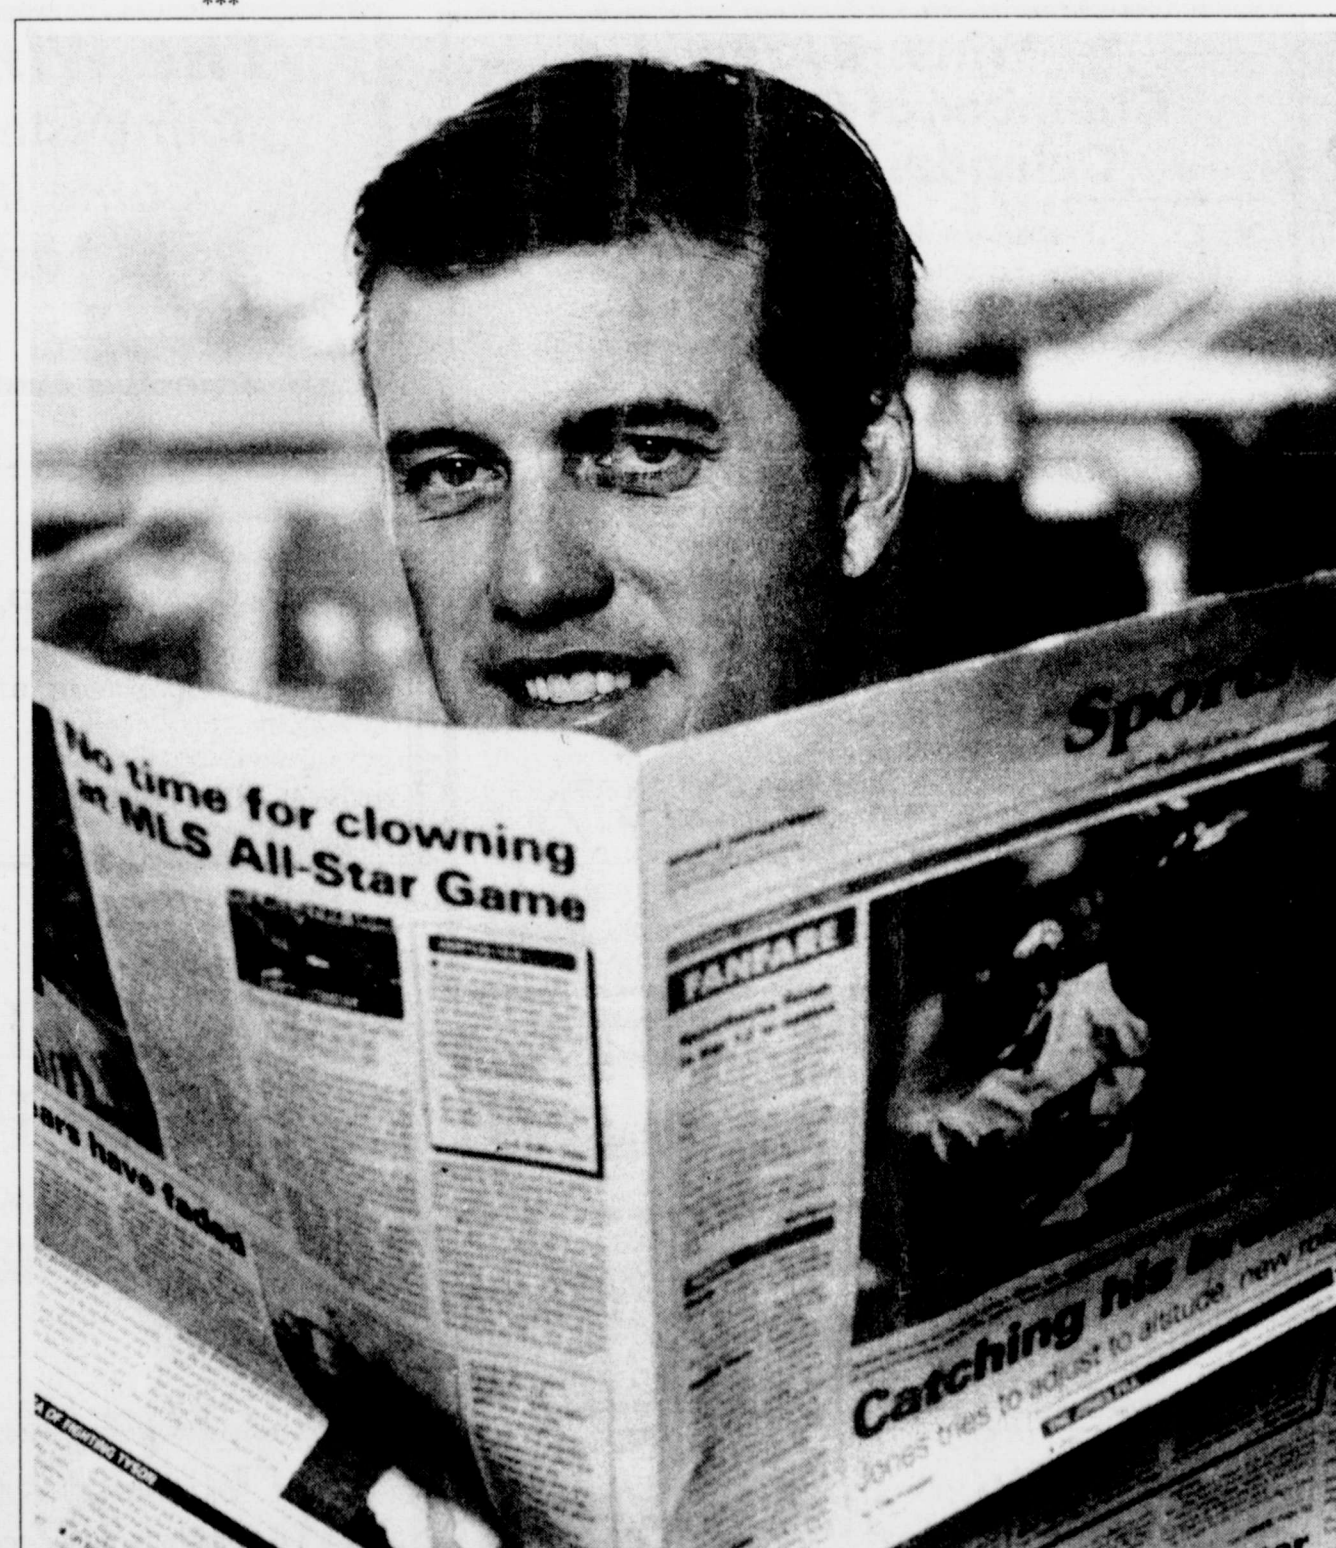

However, Patsy Jean walked with me off the field that night and suddenly it was spring.

In 1950, we should have been 9-1. We lost three games by a total of 22 points. We were short a little luck and a few breaks.

Forget Colorado City, the Cowboys would have had trouble with the Wolves that night.

This is the way it was in 1950, from an eye witness.

James Little, Class of 1951

"Encourage your children to read a newspaper every day. It will make them stars in the most important game of all—the game of life."

John Elway, Quarterback

The Winters Enterprise

It all starts with newspapers.

THIS MESSAGE IS BROUGHT TO YOU BY THIS NEWSPAPER AND THE NEWSPAPER ASSOCIATION OF AMERICA

4-H Happenings

It's bike-a-thon time for 4-H Kids

National 4-H week kicks off with the annual Runnels County 4-H/Wal-Mart Bike-a-thon on Sunday, at 3:00 p.m., October 4, 1998.

Wal-Mart has been a big supporter for this 4-H fund raiser. Wal-Mart matches the money 4-H programs raise, up to \$2,000.

Without the pledges, contributions, and help from Wal-Mart, our county's 4-H programs would not be as successful as it is in developing the youths' potential.

For those of you not familiar with the annual Bike-a-thon or need to be refreshed, here's how it works.

Each 4-H club member will be asking individuals for pledges and donations.

The pledges may be based on the miles that the club member rides. An example is one dollar per mile.

If the club member rides ten miles, the Runnels County 4-H Club has raised ten dollars. Also, a contribution of any amount will be greatly appreciated.

The money raised will go toward the support of the Runnels County 4-H youth.

This includes sending the youth to district and state competitions, helping with livestock supplies, banquets, and other educational events beneficial to further the education of America's future, our youth.

So, if you are approached by a Runnels County 4-H'er, remember—your help will go to a worthy cause.

Thank you for your support.

First GED class set for Oct. 12

The Winters Independent School District announces that the first class for the 1998-99 GED classes will be on Monday, October 12.

This class will be held in the High School computer lab. Enter the front door of the High School and follow the signs to the class. The class will start at 6:00 p.m. and go to 9:00 p.m.

You can call to register for the

class by calling Terry Wyatt at 754-5574. You may also just come to the first class session.

All classes are free of charge. The classes prepare you to take the GED exam.

When you pass the GED exam you earn a high school equivalence degree.

This degree is recognized by trade schools, colleges, and employers as equivalent to a high school diploma.

Billups, Kizer announce November wedding plans

Mr. and Mrs. Lynn Billups of Winters are pleased to announce the engagement and approaching marriage of their daughter, Lynda Sue to Mark Philip Kizer, son of Mr. and Mrs. Philip Kizer of Tulsa, Oklahoma.

The bride-elect is a 1989 graduate of Winters High School and a 1993 graduate of Texas Tech University in Lubbock. She is employed with the Owen Group Advertising Agency in Lubbock.

The prospective bridegroom graduated from Plano High School in 1986 and is a 1991 graduate of Texas Tech University. He is employed with Merck Pharmaceutical Company in Lubbock.

The couple will marry November 28, 1998, at 2:00 p.m. in the First United Methodist Church in Winters.

Banister, Bentrup exchanged wedding vows at Ballinger

Dana Elizabeth Banister and Eugene Weldon Bentrup were united in marriage on Tuesday, September 8, 1998, in the home of Lahoma Trammell of Ballinger. Reverend T.H. Harding performed the ceremony.

The bride is the daughter of Betty Banister of Winters and Jimmy Banister of Odessa. She is the granddaughter of Mr. and Mrs. Emuel Newsom of Winters and Ethel Banister of Midland. She was given in marriage by Wesley

Ogle of Ballinger.

The groom is the son of Mr. and Mrs. Herb Bentrup of Winters. He is the grandson of Barbara and Raymond Ueckert of San Antonio.

Matron of honor was Sondra Perkins, aunt of the bride.

Best man was Henry Hartley. The bride is employed by Taylor's Restaurant and the groom is employed by M&M Packing.

Hale Museum forms new committees to promote heritage

The directors of the Z.I. Hale Museum have added several new committees in order to preserve and promote our unique heritage in this area.

If you would like to be involved on one of these committees, please come to the Rock Hotel on Tuesday, October 6, at 5:00 p.m.

The committees are Educational Programs, Ethnic Culture Events, Arts and Music Events, Senior Citizens Activities/Oral History, Area Heritage, Community Relations, Rock Hotel Restoration, Veterans Exhibit, Hornsby Exhibit, Agricultural Exhibits, Business Affairs, Financial Planning, Landscaping and Grounds, Building Maintenance, Kitchen, and Membership.

Anyone who has an interest in the Museum activities is invited to attend.

The next noon meal at the Rock Hotel will be Thursday, October 22. A quilt show is planned for November 14-15 and a Tour of Homes is scheduled for December 6 (contact Kay Colburn).

The next brick order will be placed Tuesday, October 20, so that they can be laid by Christmas.

If you would like to place an order, please contact Marlene Smith at 754-4961 or drop by Farmers Seed and Supply.

If you would like to reserve the Rock Hotel for an activity, contact Marlene Smith 754-4961.

If you would like to become a member of the Museum association, contact Edna England or send your \$15.00 family membership to Z. I. Hale Museum, P.O. Box 42, Winters, TX 79567.

City Manager attends seminar

Aref Hassan, City of Winters manager, attended an educational seminar on quality management services and conflict management held in Plano, Texas. The two-day workshop focused on the human relations skills of providing client-friendly, cost efficient service to citizens and external and internal conflict management.

Judy Z. King and Jana Hesser, Quality Management Services, instructed the classes. QMS provides high impact methods and tools in organizational improvement and people development for the achievement of desired results.

The Texas Municipal Clerks Certification Program located at the University of North Texas, Denton, sponsored the seminar.

Hassan is enrolled in TMCCP's educational and professional development program. He received the Texas Municipal Clerk Certification in 1989.

To stay current with legislative and administrative procedures,

municipal clerks must renew the certification every five years. Attendance at this workshop fulfills part of the requirements for Hassan's second recertification.

Hassan is a member of Texas Municipal Clerks Association, Inc., a statewide, professional organization of approximately 780 city secretaries and municipal clerks.

WHS Class of '51 to hold reunion October 17

Winters High School Class of 1951 will have a reunion at Mt. Carmel Catholic Hall, 119 West College, in Winters, on October 17, 1998.

Registration will begin at 10:00 a.m. A "Cowboy Meeting" coffee, with visiting and entertainment, follows. A photographer will be on hand, so join in the theme and wear your boots and jeans.

A cowboy lunch will be served from 12:30-1:30. A business meeting and an auction will follow.

Plans include a cowboy break and more visiting for the afternoon.

An address for Claude Hall is needed. If you know where he can be contacted, please call Mary Kurtz at 754-5182.

WANTED

10 People to try a fitting process that may replace the need for traditional hearing instruments

We're looking for 10 people to try a fitting process that may replace the need to wear In-the-Canal, In-the-Ear or Behind-the-Ear hearing aid.

This fitting process is completely painless. A tiny electro-acoustic hearing instrument will be inserted deep within the canal of your ears. This tiny little device is so small it hides from sight.

Significant hearing benefits are delivered by this tiny little device!

Benefits:

- Use the telephone comfortably to hear and understand conversations.
- Use the natural acoustic process of the outer ear to assist in locating sound direction.
- Avoid the aggravation of wind noise.

Judge for yourself! Try this device. Be one of the first to respond!

Call to make an appointment. 1-800-549-9074

*Due to the anticipated response to this offer, we prefer to work with clients individually, restricted to ten clients in a fitting group. Because the fitting process may be service intensive, we will accept new clients when we feel they will be adequately serviced. The term fitting process is an entire procedure using specialized otoscopy, fitting, and modification equipment as well as techniques specifically designed for modifications and working close to the eardrum and bony portion of the ear canal by a qualified, trained specialist.

Lone Star Hearing Services at North Runnels Home Health Agency 106 N. Main, Wed., Oct. 7, 9 AM-4 PM

JACKA N. MURRAY (right) displays her plaque commemorating more than 30 years of government service. The award was presented by Ted Ahrens, acting supervisor of the Winters post office.

Jacka N. Murray honored for 30 years of government service

During a short ceremony at the Winters post office, Mrs. Jacka N. Murray was presented a plaque to honor her more than 30 years of government service. Ted Ahrens, acting supervisor, made the presentation to Mrs. Murray.

She began her career on Jan. 9, 1968, as a substitute carrier on route 3, Winters, then transferred to route 2. She transferred to Santa Anna on July 9, 1983, and re-

ceived two Superior Achievement Awards during her tenure there.

Mrs. Murray then transferred to the Lawn/Ovalo region on July 11, 1992, before transferring back to route 2, Winters, on Jan. 8, 1994, then to route 1, Winters/route 2, Wingate, in May, 1994.

In a letter address to Mrs. Murray from R. C. Payne, district manager of the Fort Worth District, he writes, "The good repu-

lation the Postal Service enjoys is built upon the loyal service of persons such as you, and I am happy to commend you for your contributions to our efforts toward continued improvement."

He continues, "I extend my warm personal greetings along with this honorary recognition, and thank you for your efforts on behalf of the United States Postal Service."

Runnels Soil and Water Conservation District to elect two directors

An election of two soil and water conservation district directors to serve in Zones one and two on the Runnels Soil and Water Conservation District is scheduled for Wednesday, October 7, at the Rowena VFW Hall announced Fred Wilde, chairman of the board. The election will be held at 8:00 a. m.

Breakfast will be served at the Rowena VFW Hall on October 7, at 7:30 a. m. Following the election at 8:00 a. m. will be a seminar on Ultra Narrow Row and 30 Inch Cotton Production.

The breakfast and program will be sponsored by the Runnels Soil and Water Conservation District, the Natural Resources Conservation Service, and the County Ag Extension Service.

State law decrees that to be eligible to vote in a soil and water conservation district director election, a person must own agricultural land within the district where the election is being held. The person must also live in a county all or part of which is in the district and the voter must be 18 years of age or older.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the subdivision he represents, be 18 years of age or older and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the district. Soil and water conservation district directors serve four-year terms of office.

Zone One of the district includes an area beginning at the southeast corner of the Runnels County line and following the Runnels County line in a westerly direction to a point of intersection of U. S. Hwy. 83; thence north

along U. S. Hwy 83 to the point of intersection of U. S. Hwy. 67; thence in an easterly direction along U. S. Hwy 67 to the point of intersection with the Coleman County line; thence in a southerly direction along the Runnels-Coleman County line to the point of beginning.

Zone Two of the district includes an area beginning at a point where U. S. Hwy 83 intersects the Runnels-Concho line and running west along the county line separating Concho and Tom Green Counties from Runnels County to the southwest corner of Runnels County; thence north long the west Runnels County line to a point of intersection of the Colorado River; thence east and south along the meandering of the Colorado River to the point of intersection of U. S. Hwy 83; thence south along U. S. Hwy 83 to the point of beginning.

Current members of the board of directors of the Runnels SWCD are Ed Bredemeyer, Winters; Fred Wilde, Ballinger; David Ocker, Rowena; C. J. Robinson, Jr., Norton; and Don Davis, Winters.

The purpose of the Runnels SWCD, with headquarters in Ballinger is to promote sound soil and water conservation programs on agricultural lands within the district and to serve as a voice for farmers, ranchers, and local community entities on conservation matters.

The district board of directors coordinates the conservation efforts of various local, state, and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

Kimberly Craig

Craig graduates UT as Physician Assistant

Kimberly Craig, daughter of Sarah J. Craig of Winters, graduated from The University of Texas at Southwestern Medical Center at Dallas with a Bachelor of Science Degree in Physician Assistant Studies.

She is a 1984 graduate of Ballinger High School and a graduate of Angelo State University.

Kim is employed by the International Craniofacial Institute in Dallas.

Live action heroes race at San Angelo Speedway

Drivers from the Southwest compete October 4 at Race City USA, San Angelo Speedway. Races begin at 3 p.m.

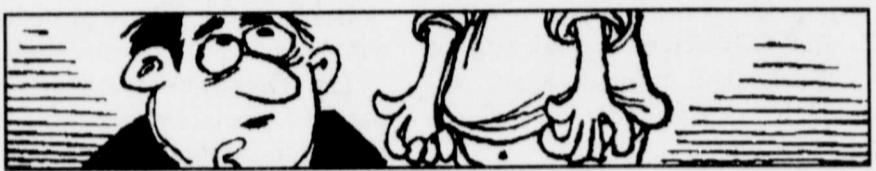

Classes include Mini Stock, Street Stock, Super Stock, and IMCA Modifieds at the one-quarter mile, banked dirt circle track. The track is located at 3613 E Farm to Market 2105, one mile west of Highway 277 on FM 2105.

For information on rules call Troy Stout at (915) 365-2391 or Jim Sherman at (915) 655-5688.

San Angelo Speedway is paying a total purse on Street Stock of \$700.00 with \$200 to win and a total purse on Super Stock of \$920.00 with \$300 to win.

Total purse on IMCA is \$1,775.00 with \$500 to win. Pit gates open at noon. Pit/insurance passes are \$18.00.

The spectator gate opens at 1 p.m. Admission is \$8.00 for adults \$2.00 for children 6 through 11, and free to those 5 and younger.

From 1876 to 1976, the average height of 18-year-old males in the U.S. increased by about four inches.

The great thing in the world is not so much where we stand, as in what direction we are moving. — Holmes

Financial Focus

By Jimmy Newsom

Hurricane season is here. With modern technology, meteorologists can predict storm paths and strengths, ensuring no one is caught off guard. Unfortunately, no one predicted the storm that slammed into the stock market August 31, causing the market to plunge 512 points, more than six percent. Investors were left shaken, wondering if the worst is over and what they should do to prepare for what lies ahead.

The one-day dive is an extreme example of what the market has experienced over the past 12 months. Last August, the market hovered around 7600. Since then, it has experienced its largest one-day drop, its largest one-day gain and an all-time high when it reached 9337.97 on July 17. No wonder investors feel as though they're being tossed about by a raging sea!

Spawning a Storm
The storm raging within the stock market has actually been spawned by events in other parts of the world. Although the United States continues to enjoy an unusually favorable economic climate, other nations are facing financial turmoil. The Asian financial crisis has plagued the market for more than a year now, and Russia is in political and economic upheaval. This has raised fears among investors and has shaken their confidence in emerging markets such as Latin America.

To make matters worse, this is the first time many investors have had to deal with such a market. The last bear market, defined as a decline of at least 20 percent, occurred in 1990 when the United

States entered the Persian Gulf crisis. The majority of today's investors have entered the market then.

Battening Down the Hatches
Whether you're a seasoned veteran of the market or a new investor, here are five investment rules that will help you "stay the course" and survive even the most turbulent turns of the stock market.

1. Stay Invested
Resist the temptation to sell your stock because the market has dropped. If your financial objectives haven't changed and the quality of your stocks hasn't changed, then stay invested.

No one knows where the market is headed. Even in a worst-case scenario, the average bear market lasts only eight months and typically takes just 13 months to recover its losses.

2. Stay with Quality
Use a falling market to your advantage by buying quality stocks at bargain prices. Quality investments are issued by companies with solid growth histories. These stocks have not only survived market downturns, they've gone on to grow in value. Quality investments are often not the most glamorous investments, but their reliability makes them some of the most attractive investments available.

When choosing a stock, focus on market leaders in strong industries. Consumer staples, health care and financial-services stocks offer attractive investment opportunities.

3. Stay Diversified
Diversifying your investment

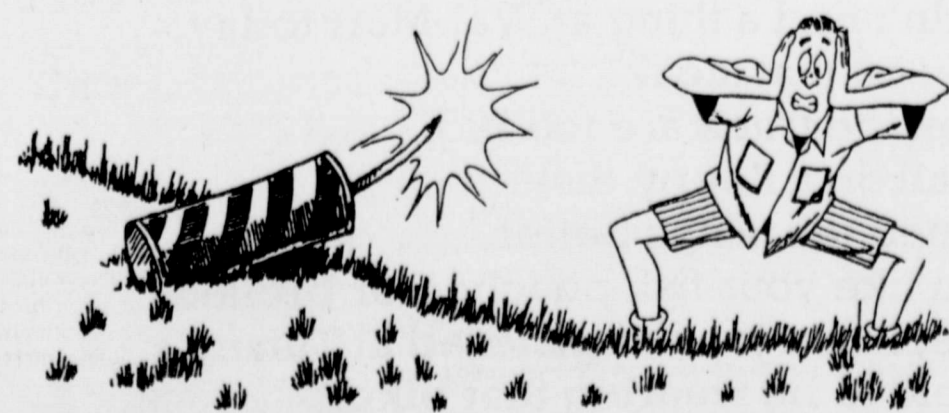

dollars among a variety of fixed-income and growth investments is one of the best ways to reduce risk. As stocks fall, bond values usually rise. Building a portfolio that contains many different types of investments will help you weather any market.

4. Stay Focused
Hopefully, you've charted a specific investment course designed to reach your long-term financial goals. The current market is a temporary detour, not a permanent road block. Instead of dwelling on short-term market losses and gains, stay focused on your long-term investment goals. Don't ignore the performance of your investments, but do keep them in perspective. If you've invested for the long term, short-term results are incidental.

5. Stay Calm
Perhaps the most crucial, and the most difficult, rule to follow during turbulent market times is to stay calm. It's not easy to stay calm when others are jumping ship and cutting losses, but the survivors—the investors who will actually benefit from this market—are the ones who keep calm and base their investment decisions on long-term needs and goals rather than emotion.

If you are worried about your investments, contact your investment representative. His or her service shouldn't end with the purchase of an investment. Express your concerns, ask questions, and then follow his or her advice. By working together, you can stay the course and weather this and other turbulent markets.

Crews News

By Hilda Kurtz

Hilda Kurtz

Surgeon to patient: We'll need you unconscious for the operation. To put you asleep, would you prefer a peek at your bill?

Sunday morning visitors at Hopewell Church were Leona and Jayce Nance from San Angelo, Chris Shields from Abilene, and Bernie and Jeff McCoy from Abilene.

Ladies attending Misson Study on Monday, Sept. 28, were Melvena Gerhart, Selma Wilkerson, Doris Woods, Fairy Alcorn, Carolyn Webb, Juanita Shields, Ramona Akins, and Nila Osborne.

*****CORRECTION***** Crews potluck supper is Saturday, October 3, at 7:30 p.m. Please come and help decide if we want to have a Halloween Carnival. What do you wish?

Doris Woods' weekend visitors were nephew Brett Walters and his friend of Oledo, as well as Frances Mincey of Big Spring.

Melvina and Marvin Gerhart spent Sunday at Menard with her mother, Myrtle Wright.

Enjoying potluck Sunday dinner in the home of Margie Jacob were Sharon and Jerry Engler; Jody, Justin, and Bryce Busenlehner; Corey and Brad VanZandt; Carol, Mike, Scott, and Kathryn Kozelsky; and Sybil Waller.

Audine McBeth had a nice phone visit from Marqué Mathis out at Bryan, Texas. They have

everything settled in and are back at work and all are okay. Marqué says, "hello everyone."

Juanita Shields attended Disability Resources at the Civic Center in Abilene on Monday night. Grandson Chris Shields from Abilene spent the weekend.

Helen Alexander's cousin, Jammie Detrick of Troy, Ohio, came by for a visit.

Selma and Viron Wilkerson were in Abilene and visited Sam Faubion at Hendrick Hospice.

Jimmy, Frances, Garrett, and Katie Chapman ate supper with the Wilkerson's Sunday night.

Dennis McBeth killed one big rattlesnake and two baby rattlesnakes during the week.

I'll add my two bits. I killed three baby rattlers this week too.

On September 13, 1998, Kasey Sterling Rives was baptized at St. John's Lutheran Church in Winters. She is the daughter of Chris and Kris Rives, grandchild of Wanda and Windell King, and great-granddaughter of Adeline Grissom.

Around Wanda and Weldon King's supper table Sunday evening enjoying bird and the trimmings were Jessica King of Ballinger; Joe Sims of San Angelo; and Kris, Chris, and Kasey Rives of Ballinger.

Joe came down Saturday to help his mom clean-up and do yard work.

Chris, Kris, and Kasey came to visit Sunday evening and dove hunt.

Visiting with Harvey Mae and Noble Faubion during the week were Walter Pape, Gladys Cotton of Ballinger, Margie Jacob, Eileen Cartwright, and Bernie and Jeff McCoy of Abilene.

Pat and Earl Cooper were in San Angelo Thursday for Pat's doctor appointment at Community Hospital. They ate out later. Pat's brothers, Lanny Lacy of Grandbury Lake and B.B. Lacy of New Mexico, called and had a nice phone visit.

Those attending the Winters football game Friday night at Goldthwaite were Margie and Brenda Jacob; Sharon Engler; Bryce Busenlehner; Beverly and Corey VanZandt; and Carol, Kathryn, Scott, and Jeanna Kozelsky.

All ate out at Underwood's Cafe in Brownwood and saw lots of Winters fans there.

Joe and Carolyn Webb spent Thursday in Austin with their son Gene and granddaughters Jennifer, Stephanie, Ashley, and Amanda Webb. They returned home on Friday.

Bernie and Jeff McCoy visited with Nila and Therin on Sunday.

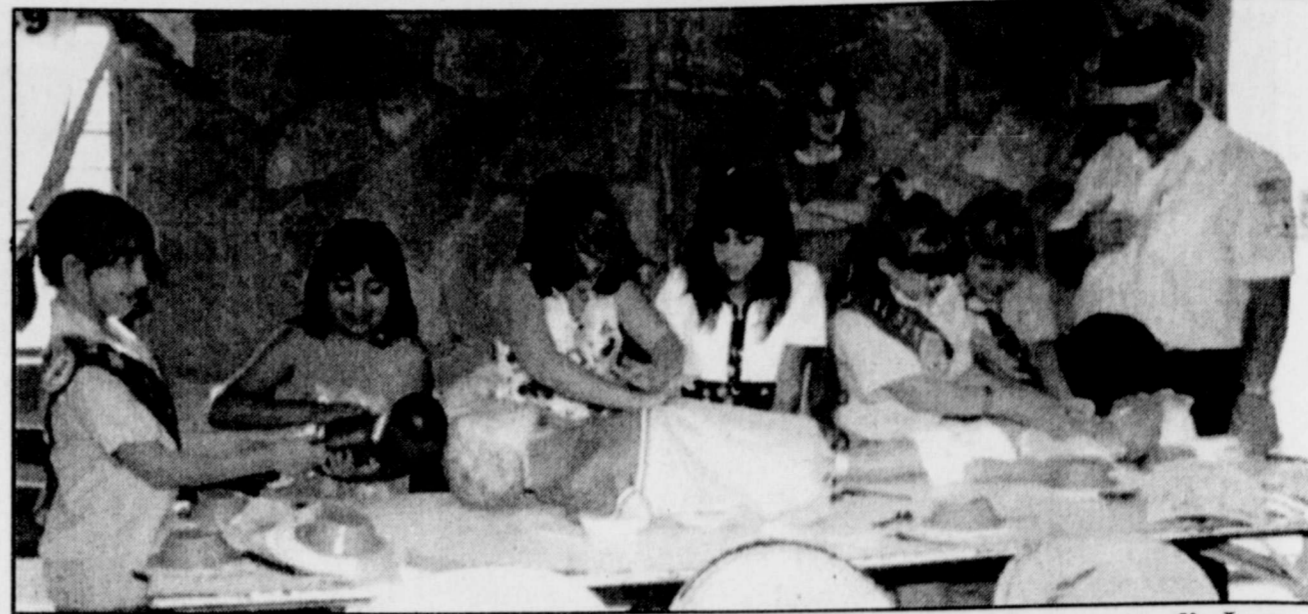

The Osbornes attended the Baptist Association meeting at the Southside Baptist Church.

Elby Miller enjoyed Sunday fish dinner. He visited Sunday with Josie Hoppe. She really enjoyed his visit. Albert and Alta Mae Spill came in the afternoon.

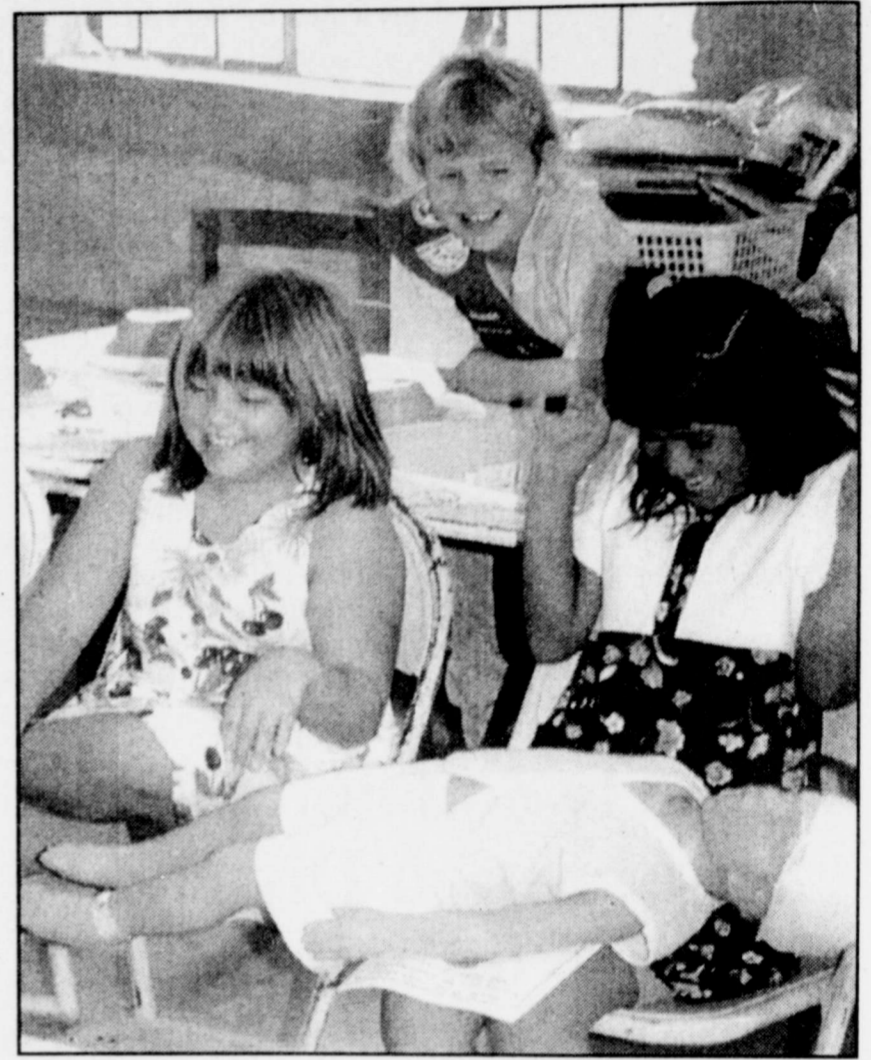

Jessie and A.L. Collom had all their family out. Larry's birthday was this week.

Many more of these birthdays Larry. Happy Birthday!

Coleman Foreman attended the O.Z. Foreman reunion in Brady. Forty-nine attended. Sister Imogene Ruth was the oldest; Diveda Newell of Abilene was the youngest; and coming the farthest was sister Joyce Yaney of Tennessee.

GIRL SCOUT TROOP #181 recently received some first aid training from paramedic Larry Collom of North Runnels EMS. Practicing their CPR techniques, left to right, are Jennifer Smith, Francis Reyes, Adrienna Montgomery, Marya Stout, Tudy Cangolosi, Juanita Simpson, and Toni Hagle.

"YIKES, THIS IS TOO WEIRD," says Marya Stout as she works up the courage to try practicing CPR on the dummy in her lap. Fellow Girl Scout members, Adrienne Montgomery (far left) and Toni Hagle seem to delight in Marya's squeamish display.

Applications available for CIA home repair

The Christmas in April Board of Directors announces that applications for CIA house repair are now available.

Applications may be picked up at WTU, the Chamber of Commerce, *The Winters Enterprise*, Bahlman Jewelers, and Lawrence Bros. Please return applications to one of these same locations.

The CIA Board would like to thank these businesses for assisting in this way.

The CIA Board would also like to announce that the workday has been scheduled for April 10.

Recently elected board mem-

bers are Terry Wyatt, president; Mark Goetz, vice-president; Danny Prado, vice-president; Mary Wilkerson, secretary; Gordon Fenwick, house scope and selection; Audine McBeth, volunteer recruitment; and Joyce Weems, babysitting.

Continuing board members are Teresa Davis, Dale Montgomery, Mike Harris, Jimmy Butler, Aref Hassan, and Nell Ballard.

If you have any questions about applying for CIA home repair, please contact Terry Wyatt at 754-5783.

45th Annual Calf and Steer Roping Fiesta to be Nov. 7-8 in San Angelo

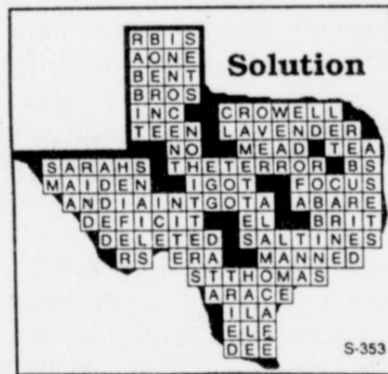

The San Angelo Stock Show and Rodeo Association will host its 45th Annual Invitational Calf and Steer Roping Fiesta in the Fairgrounds Arena on November 7 and 8, 1998. The fiesta is sponsored by Coors, Copenhagen Skoal Pro Rodeo Program, Jim Bass Ford, Shannon Health System, The Hat Shop, and Vehicle Accessories.

Forty of the world's top calf ropers will compete on Saturday for a purse of \$18,000 and a championship saddle donated by Coats Saddlery. On Sunday, 35 of the best steer ropers will compete for a purse of \$35,250 and a championship saddle donated by Tim Piland Custom Saddles.

In conjunction with these two fun packed days of the best roping in the world, the Stock Show and Rodeo Association will host the 8th Annual Cowboy Collectables Show in the coliseum. Admission to the coliseum is free to the public.

Saturday night, Nov. 7, KGKL and the San Angelo Stock Show and Rodeo Association will sponsor a dance in the fairgrounds exhibit building from 9 p.m. to 1 a.m. featuring Jody Nix and the Texas Cowboys from Big Spring.

For further information, contact the San Angelo Stock Show and Rodeo office at 200 West 43rd Street or call 653-5622.

HSU to host youth groups on Oct. 10

Hardin-Simmons University will hold its annual Big Country Youth Day on Saturday, Oct. 10.

Youth groups, Girls Auxiliary and Royal Ambassadors from Baptist congregations have been invited to the campus, according to Bruce Ayres, director of church relations.

Registration begins at 10:30 a.m. in front of Moody Student Center on the campus.

Highlights will be a free noon meal for the youth and sponsors, and a pre-game program, including testimonies from HSU athletes, beginning at 1 p.m. in Behrens Chapel.

At the conclusion of the program, the visitors are invited to attend the football game between HSU and Mississippi College.

Information may be obtained by calling Church Relations, 915-670-1262 or 670-1278.

Farmers Union applauds \$7.1 billion administration farm relief package

The Texas Farmers Union (TFU) is commending President Clinton for a \$7.1 billion administration farm relief package unveiled Monday, September 21, 1998, to assist the nation's struggling farmers.

The package includes approximately \$5 billion to uncapping marketing loan rates and \$2 billion for disaster assistance nationwide.

The proposal comes on the heels of the meetings the week of September 14 at which President Clinton and Agriculture Secretary Dan Glickman addressed nearly 200 Farmers Union members in Washington to lobby lawmakers on the marketing loan cap proposal and other measures. Both leaders promised an adequate federal response to the growing farm crisis, and reiterated their support for uncapping the loan rates.

"We thank President Clinton, Secretary Glickman, and members of Congress for their support of action to respond to the deepening farm crisis," said Texas

Farmers Union President Wes Sims.

"The administration has shown a solid commitment to lifting America's producers out of the collapsing farm economy," added Sims. "With commodity prices falling beyond 20-year lows, any federal response must recognize

suffering losses due to disastrously low prices. "We have never faced the kind of disaster that we are facing right now," said Sims. "It's a disaster for the banks, and the businesses that depend on agriculture, as well as farmers and ranchers. We believe Congress must pass the disaster

"With commodity prices falling beyond 20-year lows, any federal response must recognize the fundamental problem of depressed prices." — Wes Sims, Texas Farmers Union President

relief and also take action to improve commodity loan rates, which are currently capped at 1995 levels," said Sims.

"The administration clearly recognized the magnitude of losses incurred because of the farm crisis, and is willing to provide adequate resources to address the economic damage," Sims said.

TFU has been a leader in advocating the removal of marketing loan caps to better protect producers from falling commodity prices. A study conducted by the research arm of Farm Journal Inc. shows that 73% of the nation's farmers want Congress to uncapping the loan rates.

Club Pig Sale is October 5

The eighth annual Club Pig Sale benefiting West Texas Rehabilitation Center is set for Monday, October 5, 1998, 7:00 p.m. at the Wylie FFA Showbarn located behind the football field on Antilley Road in Abilene.

Don Richburg and Jimmy D. Smith of Roscoe are serving as co-chairmen for the sale. Only pigs purchased during this sale are eligible for the WTRC Jackpot Show which will be Saturday, December 5, 1998, at the Wylie FFA Showbarn.

Last year, there were 130 pigs donated to the sale, which raised over \$17,000 for the Rehab Center. Pigs have already been pledged this year by John Chumbley who donated the highest selling pig at last year's sale and by Salt Branch Farms of Merkel who donated the pig that won the Grand Champion at the Rehab Jackpot Show.

Richburg and Smith are asking everyone to make plans to attend the sale and come early for beans and cornbread and look over the pigs. They are expecting the same high quality of pigs again this year.

For more information about the sale or to donate pigs, call the West Texas Rehabilitation Center at 915-793-3507 (Abilene) or 915-223-6300 (San Angelo).

Benefits suspended to prisoners

From March 1997 to April 1998, the Social Security Administration (SSA) suspended Supplemental Security Income (SSI) payments to 44,376 prisoners who are ineligible to receive them. For that same period, 4,059 facilities received incentive payments for providing information that resulted in the suspension of SSI to prisoners.

Federal law prohibits the pay-

ment of SSI to recipients who are confined to jails, prisons, and certain public institutions for more than 30 days. For confinements beginning March 1997 and later, the law also provides for incentive payments to penal institutions for timely reporting of inmate data to SSA that leads to the suspension of SSI payments.

The incentive payments are designed to help offset some of

the costs that law enforcement offices incur in collecting the date. State and local penal facilities that want to participate in the incentive payment program must sign reporting agreements with SSA. Participants are required to transmit information electronically to SSA's headquarters in Baltimore, Maryland.

About 90 percent of all fabrics produced in the United States are made by weaving or knitting.

The saving grace of humor: If you fail, at least you don't have anyone laughing at you. —A. Whitney Brown

A cheerful look brings joy to the heart, and good news gives health to the bones. Proverbs 15:30

"Financial Management Tools and Taxes" seminar to be October 5

"Financial Management Tools and Taxes" is the condensed session that Dr. Hayenga will teach on Monday, October 5, at 7:00 p.m. in Ballinger's First Baptist Church Fellowship Hall at 400 8th St. His presentation will be directed toward families interested in exploring income generating and tax saving opportunities.

Dr. Hayenga believes in helping families realize the importance of planning ahead and using estate planning tools wisely. The program will address how a living trust fits into an estate plan, and, according to Hayenga, how it can work for you during life and after your death.

Most commonly, a trust is used as a tool to save income and estate taxes for families. He will also

discuss the legal documents important to sound business management and health documents that serve families during difficult times. New tax laws will be reviewed.

Keeping family money within the family and wise business management are part of Dr. Hayenga's philosophy. Many may remember Dr. Hayenga's excellent seminars here in the early 1990's or may see media announcements of seminars he conducts statewide. According to Patricia Hohensee, County Extension Agent-Family & Consumer Sciences, "We are fortunate to have Dr. Hayenga in our area."

The general public is invited and there is no charge for the Monday evening program.
