Worth Thinking About...

Fact: A dirty air filter can cost you an extra \$100 on your electric bill.

Tip: Clean permanent air filters or replace disposable ones at least once a month, vacuuming away lint and dirt. Make sure vents aren't blocked by furniture, drapes, or rugs.

Congressman Stenholm to be at Rock Hotel Friday, Aug. 16

A reception honoring Congressman Charles Stenholm will be held Friday, August 16, at the Rock Hotel Heritage Center at 300 W. Dale in Winters. The Congressman will be meeting the public from 10:00 a.m. to 11:00 a.m.

A complete list of the host committee may be found on page 7.

This event is free and open to the public. Contributions to Stenholm for Congress Committee are welcome and appreciated.

All-you-can-eat...

Winters VFD to host Annual Fish Fry Sunday

The Winters Volunteer Fire Department will host their Annual Fish Fry on Sunday at the school cafeteria. The meal will be served from 11 a.m. to 1 p.m.

The all-you-can-eat dinner will include fish, french fries, beans, hush puppies, dessert, and tea. Tickets are \$6 for adults and \$3 for children ages 10 & under.

Takeouts will be available and may be ordered in advance by contacting Teresa Davis at 754-5422 after 5 p.m.

All proceeds from the meal will help maintain fire trucks and purchase needed equipment.

ONE GROUP OF THE 2002 BLIZZARDS listens to Coach Acevedo as coaches Houston Guy (left) and Chuck Lipsey prepare to send players through another round of 2-a-day practices. The Athletic Booster Club will host "Meet the Blizzards" Friday at 8 p.m. at Blizzard Field. Saturday, August 17, the Blizzards will scrimmage at home against Stamford beginning with the JV at 6 p.m., followed by the varsity around 7:30.

WISD Trustees approve tax increase

During their regular meeting Monday evening, WISD Trustees approved a \$6.1 million budget for the 2002-03 school year.

This budget is \$113,000 less than last year's budget. In spite

of this cut, a 3-cent tax increase was also approved by the Trustees. The tax increase is needed to not only balance the budget but to maximize State revenues for the coming year.

According to Business

Manager Jimmy Butler, the increase will mean \$27,579 in local tax money and will also result in \$73,848 in State money.

The new tax rate of \$1.46 per \$100 valuation means the taxes of the average resident

whose home cost \$30,000 will increase by \$4.50.

The budget was calculated on an average daily attendance (ADA) of 685 students. The ADA has been declining at the Winters School District at a

See TRUSTEES, page 8

WHS SENIOR KIRBY MEYERS looks over his class schedule handed out by Secondary School Principal David Hale. Classes at WISD begin Monday, August 19, at 8 a.m. Assisting Mr. Hale is Dottie Loudermilk.

"Meet the Blizzards" planned Friday night

The Winters Athletic Booster Club will host their annual "Meet the Blizzards" on Friday, August 16, at Blizzard Stadium beginning at 8 p.m.

The junior varsity and varsity football teams will be introduced as well as the coaching staff and cheerleading squad.

An ice cream supper will be served to all Blizzards fans following the introductions.

The Booster Club will also be on hand to sell Blizzard spirit items and register new members. Memberships are only \$10 per family and are encouraged for families and friends of any athlete in the Winters Secondary Schools including junior high, junior varsity, and varsity players and cheerleaders.

In a meeting on Monday, August 5, the Booster Club elected officers for the 2002-03 school year. Those elected were Phil Colburn, president; Kim Jackson, vice-president; Belinda Schwartz, secretary; Teresa Davis, treasurer; and Sherri Mikeska, reporter.

The Winters Athletic Booster Club supports all Winters ISD athletic/cheerleading programs through spirit projects and training/athletic equipment purchases.

Volunteers are needed Fund-raiser meal set for August 25 for NRH

Another fund-raiser meal for North Runnels Hospital has been set for Sunday, August 25, from 11:00 a.m. - 1:00 p.m. in the school cafeteria.

The meal will consist of chicken fried chicken breast, mashed potatoes, gravy, green beans, rolls, dessert, and tea. Cost will be \$6.00 per plate. Takeout and delivery are available.

Also, the Hospital Auxiliary will be selling chances for a quilt and an afghan which will be given away August 25. Chances are \$1.00 each or 6 for \$5.00, and can be purchased from any Auxiliary member or at the door. Auxiliary members include Theresa Patterson, Cheryl Sneed, Teresa Davis, Martha Pinkerton, Betty

Pinkerton, Shelia Paschal, Becky Hays, Elaine Miller, and Melanie Wade.

Proceeds from the meal are used by the Auxiliary to purchase needed equipment for the hospital, ambulance, and North Runnels Home Health Agency. Within the last few weeks, the Auxiliary has purchased eight new mattresses, supplies for Home Health, and a new computer for the nurses to use in their continuing education.

Auxiliary President Melanie Wade says, "The Auxiliary would like to thank the community for their support in the past and hope you will come dine with us August 25."

Volunteers are needed, so please call Melanie Wade at 754-5025 or 754-4385.

Parents need to note a few changes at start of school

Schools now dismiss ten minutes earlier at 3:15/3:16 p.m.

Winters ISD wants parents to be aware of a few changes for the 2002-03 school year. Classes begin Monday, August 19, at 8 a.m.

Times of dismissal for all campuses have changed from last year. Pre-kindergarten and kindergarten students will be dismissed at 3 p.m. daily. Students in the first through sixth grades will be dismissed at 3:15 p.m. Secondary students will be dismissed at 3:16 p.m. Winters Elementary Princi-

pal Brilla Magee notes a change in the drop-off and pick-up points for first grade students. First graders are to enter and leave the building daily from the northwest entrance (doors nearest the Old Gym). Siblings of first graders may also enter the school through these doors.

As a reminder for safety purposes, Jones Street from Heights Street to the WHS Tennis Courts, will be closed

to traffic from 11:00 a.m. to 1 p.m. Monday through Friday. This is the secondary schools' lunch hours, and a time of increased student pedestrian traffic in this area.

Winters Elementary will host "Meet the Teachers" tomorrow evening from 6-7 p.m. Parents are students are asked to assemble in the cafeteria at 6 p.m. for a brief orientation and to pickup pre-ordered school supply packets.

Opinion

Oil Bidness

by Reg Boles ©2002

As fields in this part of the country mature, overall produced water rates continue to increase. Now, some researchers think they have an idea of how to make better use of this oil patch by-product.

The magnitude of the water produced in Texas oil and gas fields is probably more than you might have imagined. How much? Over half a billion gallons of produced water every day!

Most of the time, produced water is salty and stinky. And, more often than not, it is injected back into the ground as fast as possible.

Now, there are plans on the table to build compact processing modules that will turn that salty water into fresh-water injectant for coalbed methane projects, irrigation feedstock for farmers, and even water for wildlife ponds.

The modules will use reverse osmosis, that dependable method used in most home water-clarifying devices. Combine this methodology with special new filtration technology and you have some pretty clean water once you're done with it.

But, you may ask, what is so new about reverse osmosis and fancy filters? After all, they have been around for a while, haven't they?

You would be correct in your assumptions--to some extent. What is new is the compact nature of the modular systems, the throughput capability of the systems, and the efficiency of the overall systems in cleaning the water.

The new systems will be on skids and can be connected in parallel to add capacity and efficacy. And, they will easily fit on a pad with a tank battery

or a producing well.

One of the limiting factors for any type of water cleansing effort is the solids that plug pre-filters (filters fluid prior to the reverse osmosis device). The newest designs incorporate layers of filtration specially designed for the size (small, medium, large) and substance (oil, dirt, bacteria) being removed. This actually increases throughput by decreasing the amount of plugging and reducing downtime for the system.

The final part of the puzzle is the increased ability of the reverse osmosis system to work more efficiently. In this process, pressure is key, but often there is a lot of wasted energy in the process. Recent refinements in design of osmosis devices have greatly reduced energy consumption and increased the ability of the pumps to handle more volume.

If this new idea is proven successful in field tests, it could lead to operations more harmonious with farmers and the environment. It will also lead to more widespread application of injection without requiring supply wells that may take water from freshwater sands. It may even allow projects to proceed where they couldn't before due to lack of water supply.

Keep your eyes open for this new technology.

Letter to the Editor

City Manager reminds business owners of property laws & penalty

Dear Editor:

I have lived and worked in different cities, in different countries, and in different parts of the world. After a long time of thinking and planning, I made Winters my home.

Since I manage this city, life, health, safety and the security of this community are my top priorities and responsibilities. For these responsibilities the law has given me a strict and steep prescription. Most of these federal and state laws are summarized in the city's Code of Ordinance. Keeping the city properties sightly in residential and commercial areas are law — not a choice.

We live like a family in this town. If we can communicate without legal language and code enforcement, I prefer that.

While I am writing this the city crew is cleaning along Main Street and in other parts of the city. I hope that some of our businesses that have cluttering will notice this work and clean up the front of their businesses. I have received complaints about and taken notice of the cluttering in front of some of our businesses.

If the business owners read this and clean their properties, I will certainly appreciate it; if they don't I will be forced to enforce the law. One other issue is the appearance and facade of the buildings. It takes only a few gallons of paint and one week-end of work. Some of these unsightly buildings are vacant; I will locate the owners, write them a letter giving them 10 days (by the law) to make proper repairs and changes. If the property owners do not comply, the problem will be remedied in compliance of the law. The property owner has to pay the expensive cost, and if a citation is issued, they have to face the consequences.

Sincerely,

Aref Hassan, Ph.D., CMC, LPI

City Manager, City Secretary/Fire Marshal

Obituaries

Oscar "Butch" Ummelmann

WINTERS—Oscar "Butch" Ummelmann, 86, died Friday, August 9, 2002 in a local nursing home.

He was born March 30, 1916, in Shiner. He married Alice Inez Richardson. He worked in the restaurant/steak house business for 26 years. He owned and operated Lowake Steak House for 18 1/2 years, retiring in 1975.

He served in the United States Army during World War II. He was a lifetime member of the VFW and was a member of the Son of Herman Lodge.

He was baptized and confirmed in the Dr. Martin Lutheran Church in Shiner.

He was preceded in death by his wife in July, 1966.

He is survived by two daughters, Brenda Anderson and husband Wendall of Winters and Bonita Robertson and husband Hubert of Houka, Mississippi; a brother, Arnold Ummelmann and wife Marie (Mary) of Danevang; a sister, Irene Leslie of Sun City; a step-daughter, Emma Dee "Sandye" Bauer of Fairfield, California; six grandchildren, Kendra and Jeremy Hope, and Brooklyn Anderson, John and Wayne Robertson, and Vicki Stafford; five great-grandchildren; and several nieces and nephews.

Graveside services were held Monday, August 12, 2002, at 10:30 a.m. at Lawnhaven Memorial Gardens Cemetery in San Angelo, under the direction of Winters Funeral Home. Reverend Glenn Dittmer officiated.

Buford Baldwin

GEORGETOWN—Buford Baldwin, 89, died Saturday, August 10, 2002, in a Georgetown nursing home.

He was born March 14, 1913, in Winters and was a lifelong resident. He graduated from Winters High School in 1931 where he was the first four-year letterman, lettering in football, basketball, track, and tennis. He later attended Abilene Christian College where he also played sports.

He served in the United States Air Force during World War II. Following his discharge he returned to Winters where he married Margaret Barnes, September 12, 1945.

He was a coach for five years. He and his father and brother owned and operated City Grocery for 22 years. He served one term on the Winters City Council. He served as City Secretary for 16 years, retiring in 1986, and was municipal judge for a number of years.

He was a member of the Winters Volunteer Fire Department for 20 years and was a longtime member of the Lions Club. He was a 50 year member of the American Legion and the Masonic Lodge.

He was a member of the First United Methodist Church for more than 75 years.

He was preceded in death by his wife on September 25, 1996.

He is survived by one son, Bill Baldwin and wife Kristen of Tyler; a daughter, Barbara Pearce and husband Richard of Georgetown; a sister, Pauline Johnston of San Angelo; five grandchildren, Sara Pearce Sullivan and husband Joe, Amber Pearce, and Alex, Matthew, and Kevin Baldwin; and many nieces and nephews.

A memorial service was held at 2 p.m., Tuesday, August 13, 2002, at the First United Methodist Church with Reverends Travis Franklin and Georgia Orr officiating. Services were under the direction of Winters Funeral Home.

HIGHLIGHTS OF AREA DRILLING ACTIVITY

Note: Due to a change in information supplier, stakings and completions will be unavailable until September.

In Appreciation

Card of Thanks

For each and every act of kindness, cards, prayers, visits, and calls, we thank you for all during my hospital surgery.

We feel so blessed to have so many friends and family who care.

Community

From The Well

by Pastor Jim Hanson

Pastor Jim Hanson

Yesterday afternoon my son Nathan and I went to a Lutheran Church in north St. Paul. To hear an Assemblies of God preacher by the name of Francis Frangipane. He preached a whale of a sermon! One hour and forty minutes

long! But it was truly inspired, and well worth the listening. I am going to share with you in this column some of the great teaching that he gave us.

His opening line was "God wants to do something with America!" He agreed that America is a sick nation, and that there is a lot of things that need to be changed. But, the fact that it is sick does not qualify it for destruction. God can still use it and wants to use it. Just like He did in World War II. America was not spiritual then. We had just gone through a "great depression". There were gangs all over the country. Gangs owned Chicago. The mafia ran Miami. We were a dark place. We did not understand our place.

There were two great "superpowers": Germany and Japan. Both thought themselves to be superior. A superior race. And both were bent on conquering the world. To dominate. To control. If we hadn't entered the war, we would be speaking German today. We would be celebrating the birth of Hitler rather than the birth of Christ. But God used us. And, at the beginning...with Pearl Harbor in the East and Normandy in the West...we were losing the war. But God did not want these 2 super powers to dominate the world. And He raised up the U.S. and its allies. And America rose up. We became "One nation under God". And we all got into the war effort, and we all sang "God Bless America". And the churches were filled. And the people prayed, "God be with our men and women. Help us to win the war." And, we did. Because God does not want this world to be dominated by people who believe in a Hitler or their emperor as God.

After the war there were 2 super powers: the U.S. and Russia. Russia was bent on world domination under the banner of communism. We had the Cuban missile crisis. And many of us thought "this is the end" for us. (I was in Milwaukee, Wisconsin, at that time, attending a national church convention. Every day we prayed. And I was not sure that I would ever get back to my family. And I was not alone!) It wasn't the end. And every Sunday, in church, people prayed. For Russia.

Krushev said, "There is no God". The cosmonauts from Russia, first into "outer space" reported, "We saw no angels." Atheism was their official religion. The cold war continued. But God's people prayed. And down went the curtain...first in Poland, and then in Easter Germany, and then in Russia. "God stood up and said, 'There is no Soviet Union'." And, on Christmas Day, communism was declared officially dead. Godless communism buried. And God is springing up in Russia.

Now it is a time of globalism. It scares many. But the U.S. is involved. And whereas it does not promote Christianity as such, it does promote openness. Not dominance. Not world domination by us. The Gulf War. Kosovo. And then 911. We suffered a great wounding. Terrorism. And a kind of fundamental Islam that is out to dominate the world. 911 is a wake-up call. To America. And to the people of God in America to pray. And to pray like we did before. For Russia. "When the church begins to cry out to God, nothing is impossible". To pray for the President of Pakistan. Nothing is impossible when the church begins to cry out to God. "Why should we not believe that God could appear to Osama bin Laden?"

It is for a time like this that we were born. And a time like this is to be a praying church. That the God who made us and saved us and empowers us would use us to bring about the harvest He has planned for all people and all time. If we really and truly believe He is Lord of the Nations, why not? We need to cancel our appointments to be miserable, and make the ones for intercession. And step out of the dark room of fear "where we develop our negatives" and step into our prayer rooms where we develop our faith". In God. In His plan. For the harvest.

2002-2003 WINGATE MASONIC LODGE 1042 OFFICERS are (l-r) James Abernathie, master; Troy Hensley, junior deacon; Jerry Sims, member; Hank Bourdo, senior warden; Ronnie Poehls, tiler; Jim Wyche, junior warden; Bill Walker, senior deacon; "Red" Self, junior steward; Bob Williams, senior steward; and George Mostad, treasurer. Not pictured are Bob Webb, secretary, and Grady Coulter, chaplain. Installation was conducted Friday, July 19, 2002.

Commissioners approve routine agenda items in brief meeting

Runnels County Commissioners approved making the August 15 payment on the Runnels County Jail at their regular meeting on Tuesday. According to County Treasurer Margarette Smith, the payment will be \$85,000 for the principal on the bonds and \$61,437.56 for interest on the bonds.

Commissioners also approved County Tax Assessor-Collector Robin Burgess' annual report showing \$132,912.53 in delinquent taxes for the County and a total of \$336,949.00 for all taxing entities in the county.

Other items on the agenda and action taken in the 25-minute meeting were:

- The Statement of Agreement with West Texas Centers for MHMR and Runnels

County was approved.

- Approval was given for reporting no changes in the County's retirement plan to the Texas County & District Retirement System.

- Accepted an increase in the net rate per unit for congregate meals (those eaten at county senior citizen centers) from \$1.57 to \$1.85 per meal.

- A Procedure Policy for COBRA was approved.

Commissioners heard a report from several 4-H members on the "state of the 4-H program in Runnels County."

Following the regular meeting, commissioners participated in a health insurance workshop with Blue Cross Blue Shield and Texas Association of Counties representatives.

Back-to-School Health Tip

Sleep essential for classroom concentration

Getting plenty of sleep will help children concentrate in the classroom.

Missing sleep causes most of the day's experiences to be stored inefficiently in the brain," said Dr. Bruce Perry, a child psychiatrist at Baylor College of Medicine in Houston. "Interactions with teachers, book chapters and lectures are harder to remember if a child is sleep deprived."

Perry adds that students should study a little bit at a time, instead of cramming for tests. Resting for a while after studying will help them process the information properly in the brain.

Fair housing law— Be aware of rights

This year marks the 34th anniversary of the National Fair Housing Law. To promote fair housing policies, the West Central Texas Council of Governments encourages potential homeowners and renters to be aware of their rights.

Title VII of the Civil Rights Act of 1968, as amended, prohibits discrimination against any person on the basis of race, color, religion, sex, age, handicap, familial status, or national origin in the sale or rental of units in the housing market.

For more information on fair housing or to report possible fair housing discrimination, call the U.S. Department of Housing and Urban Development's toll-free hotline at 1-800-669-9777.

Elementary "Meet The Teacher Night" set Friday, August 16

Winters Elementary School will host its annual "Meet The Teacher Night" on Friday, August 16, from 6 to 7 p.m.
 Elementary Principal Brilla Magee asks parents and students to assemble in the school cafeteria at 6 p.m. for announcements and to pick up the prepaid school supply packets ordered last spring. Students and parents may then visit the campus and find their classroom and homeroom teacher. Students who did not purchase the packets are encouraged to bring their school supplies to "Meet the Teacher Night" to make the first day of school a little less bulky.
Meal tickets will be available for purchase during this time. TIPS registration will also be held in the library.

Junior High information for parents and students

Winters Junior High School will operate in accordance with the secondary bell schedule, as seventh and eighth graders begin the fall semester.
 Parents are asked to drop off and pick up students on the Rogers Street entrance to the school. There are parking lots in front of the building as well as on the north and south sides.
 Student lockers are located in the junior high building. Chuck Lipsey, Dean of Students, and Charlotte Lancaster, junior high secretary, are the administrative staff housed in the facility. Their phone number is 754-5518. All junior high related calls should be made to this number.
 Students should only need to enter the high school to use the library, and for convocations in the auditorium, unless otherwise summoned. They will share common facilities such as the cafeteria, gymnasium, and band hall, with the high school students.

TIPS registration at "Meet The Teacher Night," Friday Aug. 16

Terrific Intermediate and Primary Students (TIPS) is a before-school and after-school care program provided by Winters I.S.D. and funded by grants, donations, and registration fees.
 The primary focus of the program is to provide a safe environment (outside of school hours) for the children of this school district, while at the same time providing a nutritional snack, homework assistance, tutoring, and enrichment activities.
 Parents must register their children prior to attending the program. All students attending TIPS will be required to pay a fee. Families will be charged in accordance with the chart shown below.
TIPS registration will be held during the "Meet The Teacher Night" on Friday, August 16, from 6 to 6:45 p.m. in the elementary school library. Payment is expected for at least one week in advance.

2002-03 TIPS FEE REQUIREMENTS Free or Reduced Lunches

1 child	\$9/wk.	\$54/6 wks.
2 children	\$12/wk.	\$72/6 wks.
3 or more children	\$15/wk.	\$90/6 wks.

Regular Lunches

1 child	\$15/wk.	\$90/6 wks.
2 children	\$20/wk.	\$120/6 wks.
3 or more children	\$22.50/wk	\$135/6 wks.

SCHOOL BUS

Bus Routes

Route	Bus	Driver	Area
1	1	Jerry Chambliss	Norton Wes-T-Go #1 and #2 Family Dollar
3	10	Horice Brown	Pumphrey, Wingate Wingate, Happy Valley Lutheran Church
4	15	Dana Chambliss	Bradshaw, Drasco Child Development Ctr.
5	11	Betty Grenwelge	Novice Hwy, Northeast area in-town, Belaire St. Hwy 835
7	5	Barbara Danford	Senior Citizens Center Cap School-A.M. State St., Lutheran Church
8	9	Phillip Esquivel	P.M.-West Dale Wingate, Winters
Handicap	12	Gloria Lujano	

Notes of Concern for Bus Routing

For in-town designations, buses will pick up at approximately 7:30 a.m. and unload in the afternoon at about 3:40 p.m. All buses make 2 stops—one at the elementary bldg. and one near high school. Students load and unload at their building of attendance. High school students are not to load/unload at the elementary loading zone and elementary students are not to load/unload at the high school loading zone. Buses will always be in the same order. Do not run at any time when approaching a bus. Elementary students are not to move past painted line until the bus arrives, STOPS, AND THE DOOR IS OPENED! The elementary loading ramp is a one-way drive. CARS ARE NOT TO ENTER DRIVE.

WINTERS ELEMENTARY MORNING DROP OFF & AFTERNOON PICK UP POINTS

NORTH-EAST ENTRANCE	Pre-Kindergarten Kindergarten
SOUTH-EAST ENTRANCE	Third Grade
SOUTH ENTRANCE	Fourth Grade Fifth Grade
SOUTH-WEST ENTRANCE	Sixth Grade
NORTH-WEST ENTRANCE	NEW First Grade Second Grade

After the morning bell, all doors to Winters Elementary will be locked during school hours except for the south entrance doors (facing the cafeteria). Parents and visitors may use the south entrance only, and must report to the elementary office upon their arrival.

Speed Limits in School Zones

- 7:30 a.m. - 4:00 p.m. or When Flashing**
- 15 MPH**
Heights Street (in front of elementary school & administrative offices)
- 15 MPH**
Rogers Street (behind elementary; near tennis courts, bus loading zone, & activity bldg.)
- 20 MPH**
Novice Road (street running east & west by football field)
- 20 MPH**
Main Street

Note: Vehicles are required to stop AT ANY TIME for any pedestrian using the crosswalk on Main Street near Dairy Queen.

Prices unchanged for lunches

Prices for school meals for 2002-03 are unchanged from last year. Any number of lunches may be paid for at a time. If your child is eligible for free/reduced lunches, you must fill out an application. Your child will come home with an application the first day of school. Fill it out and return it as soon as possible. The school must have an application on file for every child in the eligible household. Once again this year, no snack bar items will be sold, however, students may purchase additional servings of daily menu items for a nominal fee. A salad bar will be offered beginning the second week of the school year.

Football tickets on sale now

Sale of 2002 season tickets for the Winters Blizzards football games began Monday, August 12. Last year's season ticket holders have been given the option of purchasing reserved seats again this season. Sales for fans who did not have season tickets last year will begin on Monday, August 19. These tickets will be sold on a first come, first serve basis. Season tickets will be sold as a book of six tickets to include all home games. They can be purchased at the school business office between 8 a.m. and 4 p.m. on the specified dates. Price per book is \$30. Advance tickets for students and adults will be available at the business office from Wednesday morning until Friday at 3:30 p.m. for that week's game. Tickets will also be sold in the secretary's offices of the elementary and secondary schools. Advance tickets are \$3 for students and \$5 for adults. All tickets at the gate will be \$5. The first home game of the season will be against Menard, in a good natured rivalry with former Blizzard Coach Robin Byrd, on Friday, August 30, at 8:00 p.m.

Lunchroom Meal Prices

Elementary	\$1.50
Secondary	\$1.65
Reduced	\$.40
Faculty/Staff	\$2.15
Guests	\$3.25

REMEMBER—Jones Street, from Heights Street to the WHS Tennis Courts, is closed to traffic from 11:00 a.m. to 1 p.m. Monday—Friday.

Winters School District/Charter School
LETTER TO HOUSEHOLDS (Multi-Child)
NATIONAL SCHOOL LUNCH/BREAKFAST PROGRAM
SCHOOL YEAR 2002-03

Dear Parent/Guardian:

The Winters school offers a choice of healthy meals each school day. Children may buy lunch for \$1.50/\$1.65, breakfast for .00, and after school snacks for .00. Children who qualify under U. S. Dept. of Agriculture guidelines may get meals free or at a reduced-price of \$.40 for lunch, 0.00 for breakfast and 0.00 for after school snacks. All meals served must meet nutrition standards established by the U. S. Department of Agriculture. If a child has a disability, as determined by a doctor, and the disability prevents the child from eating the regular school meal, the school will make substitutions prescribed by the doctor. If a substitution is needed, there will be no extra charge for the meal. Please note, however, that the school is not required to make a substitution for a food allergy, unless it meets the definition of disability. Please call the school for further information; telephone number 915-754-5574 x122

Your children can get free school meals if you get food stamps or Temporary Assistance for Needy Families (TANF). Depending on your income, your children may be eligible for either free or reduced-price meals.

How do I get free or reduced-price school meals for my children? You must complete the Application for Free and Reduced-Price Meals Form and return it to the school.

- Households getting food stamps or TANF.** You only have to include your children's names and case numbers, and an adult household member must sign the form.
- Households that do not get food stamps or TANF.** If you do not have a case number, you must include the names of all household members, the amount of income each person received last month and where the income came from. An adult household member must sign the form and include his or her social security number, or indicate that he or she has no social security number.
- Households with a foster children.** You must include the children's names and the amount of "personal use" income the children received last month, and an adult must sign the form.

Will the form be verified? Your eligibility may be checked at any time during the school year. School officials may ask you to send written evidence that shows that your children should get free or reduced-price school meals.

Can I appeal the school's decision? You can talk to school officials if you do not agree with the school's decision on your form. You also may ask for a fair hearing by calling or writing to:

Jimmy Butler, Jr., Business Manager Phone: 915-754-5574

Mailing Address: 603 N. Heights, Winters, Tx 79567

Must I report changes? If your children get free or reduced-price meals because of your income, you must tell us if your household size decreases, or if your income increases by more than \$50 per month or \$600 per year. If your children get free meals because your household gets food stamps or TANF, you must tell us when you no longer get these benefits.

Will information on my form be kept confidential? We will use the information on your form to decide if your children should get free or reduced-price meals. We may inform officials with other child nutrition, health and education programs of the information on your form to determine benefits for those programs or for funding and/or evaluation purposes.

Can I apply for free and reduced-price meals later? You may apply for free and reduced-price meals at any time during the school year. If you are not eligible now but have a change, like a decrease in household income, an increase in household size, become unemployed or get food stamps or TANF, complete another form then.

We will let you know if you are approved or denied.

Sincerely,
Janet Cason
Food Service Director
Winters I.S.D.

Winters School District/Charter School
CARTA A LAS FAMILIAS
PROGRAMA NACIONAL DE ALMUERZOS ESCOLARES/PROGRAMA DE DESAYUNOS ESCOLARES
2002-03

Estimados padres/apoderados:

Winters School ofrece comidas saludables para escoger todos los días de clase. Los niños pueden comprar almuerzo a \$1.50/\$1.65 y desayuno a 0.00, y merienda después escuela 0.00. Los niños que califican de acuerdo a las pautas del Departamento de Agricultura de los EE.UU. pueden obtener comidas gratuitas o al precio rebajado de \$.40 para el almuerzo, y a 0.00 para el desayuno y a 0.00 para merienda después escuela. Todas las comidas que se sirven deben cumplir con las normas de nutrición establecidas por el Departamento de Agricultura de los EE.UU. Si un niño tiene una discapacidad, según lo haya determinado un médico y la discapacidad no permite que el niño coma la comida escolar regular, la escuela hará las sustituciones prescritas por el médico. Si se necesita una sustitución, no habrá costo adicional por la comida. Sin embargo, por favor tengan en cuenta que la escuela no está obligada a hacer una sustitución por una alergia a un alimento, a menos que cumpla con la definición de discapacidad. Por favor llamen a la escuela para solicitar mayor información.

Su hijo puede obtener comidas escolares gratuitas si usted recibe cupones para alimentos, o Asistencia Provisional para Familias Necesitadas ("TANF"). Si el ingreso total de su grupo familiar es igual o inferior al monto en el Cuadro de Ingresos, su hijo puede recibir comidas ya sean gratuitas o a precio rebajado.

¿Cómo consigo comidas escolares gratuitas o a precio rebajado para mi hijo? Sólo tiene que completar el Formulario de Asistencia para Comidas y devolverlo a la escuela.

- Los grupos familiares que reciben cupones para alimentos, "TANF".** Sólo tienen que incluir el nombre de su hijo y el número del caso y un miembro adulto del grupo familiar debe firmar el formulario.
- Los grupos familiares que no reciben cupones para alimentos, o "TANF".** Si no tienen un número de caso, deben incluir los nombres de todos los miembros del grupo familiar, el monto del ingreso que cada persona obtuvo el mes pasado y de dónde provino el ingreso. Un miembro adulto del grupo familiar debe firmar el formulario y debe incluir su número de seguro social o indicar que no tiene uno.
- Los grupos familiares con un niño a cargo de los servicios sociales.** Deben incluir el nombre del niño y el monto de ingreso para "uso personal" que el niño recibió el mes pasado y un adulto debe firmar el formulario.

¿Se verificará el formulario? En cualquier momento durante el año escolar se puede comprobar su elegibilidad. Los funcionarios escolares les pueden pedir que manden evidencia escrita que demuestre que su hijo debe recibir comidas escolares gratuitas o a precio rebajado.

¿Puedo apelar la decisión de la escuela? Puede hablar con los funcionarios escolares si no está de acuerdo con la decisión de la escuela sobre su formulario. También puede pedir una audiencia imparcial llamando o escribiendo a:

Jimmy Butler, Jr., Business Manager Teléfono: 915-754-5574

Dirección: 603 N. Heights, Winters, Tx 79567

¿Debo notificar los cambios? Si su hijo recibe comidas gratuitas o a precio rebajado debido a su ingreso, debe decirnos si el tamaño de su grupo familiar disminuye o si sus ingresos aumentan en más de \$50 al mes o \$600 al año. Si su hijo recibe comidas gratuitas debido a que su grupo familiar recibe cupones para alimentos, o "TANF", debe avisarnos cuando ya no reciba esos beneficios.

¿Se mantendrá confidencial la información en mi formulario? Usaremos la información en su formulario para determinar si su hijo debe recibir comidas gratuitas o a precio rebajado. Podemos informar a los funcionarios encargados de otros programas de nutrición infantil, salud y educación sobre la información en su formulario para determinar los beneficios para esos programas o para propósitos de financiamiento y/o evaluación.

¿Puedo solicitar más adelante comidas gratuitas o a precio rebajado? Puede solicitar comidas gratuitas o a precio rebajado en cualquier momento durante el año escolar. Si no es elegible ahora, pero tiene un cambio, como una disminución en el ingreso del grupo familiar, un aumento en el tamaño del grupo familiar, queda casante u obtiene cupones para alimentos, o "TANF", complete un formulario en ese momento.

Le haremos saber si se aprueban o niegan los beneficios.

Atentamente,
Janet Cason
Food Service Director
Winters I.S.D.

WISD chain of command for concerns & complaints

Danny Clack, WISD Superintendent, has issued the following statement: "Winters I.S.D. will be responsive to the concerns of the constituents. The following plan is to be used when students and/or parents have concerns about some aspect of our school district.

The first step of this chain of command plan should be to confer directly with the school personnel involved in the situation of incident. Most problems are resolved at this step. If it is not resolved, the building principal should be contacted, especially with matters concerning the operation of that campus. The principal will explain and document the school's position according to the local policy and state law.

If a matter remains unresolved, the superintendent may be contacted. Concerns brought to the superintendent or a local trustee as a first step may result in being asked to follow the above procedures. After following these steps and the concern still has not been settled, persons may wish to address the Board of Trustees.

An agenda item at each regular monthly meeting of the Board of Trustees of the Winters Independent School District allows individuals and/or committees to speak to Board members on any school issue. Local policy related to concerns and complaints may be found in sections FNG and GF in hard copy at the Administration Building and on the internet at wintersisd.org. Currently, regular board meetings are scheduled for the second Monday of each month at 7:30 p.m. Daylight Savings Time, 6:30 p.m. Standard Time, at the Administration Building at 603 North Heights Street."

Last day for Winters' YMCA fall football registration is Saturday

Volunteers needed or program can't operate!

The last day for YMCA Youth Football registration is Saturday, August 17, 2002. Games will be played in San Angelo for seven consecutive Saturdays beginning in mid-September.

The deadline is just two days away for league sign-up and volunteers are desperately needed. Each division needs four to five volunteers to coach the team and only three volunteers have shown an interest at this time. Winters coordinator Jimmy Ripley said, "We need to get these kids signed up and we need volunteers. If we don't have the volunteers there won't be a program!" Ripley also noted that if the local program does not get off the ground, there will not be space in the Ballinger football program for Winters kids.

Three age divisions are set for students entering the third/fourth grades, fifth grade, and sixth grade.

Registration forms are available at Video Hut in Winters or by calling Jimmy Ripley at 754-4435 or 660-5729. No child will be denied the opportunity to play YMCA football due to finances. Financial assistance may be obtained by those who qualify and payment plans are also available.

Be a Blizzard Backer!

Moms...Dads...Grandparents...Friends & Business Owners

Call NOW, 754-4958 to reserve your space and support your hometown teams.

Can you spare just ONE hour a week?

Winters Elementary is... Searching for Mentors

The mentoring program focuses on the future...one child at a time.

What is a Mentor?

Possibly the only adult to ever read a book to a child...just for fun.

For information call Mary Wilkerson at 754-5577.

WINNERS IN THE CHILD PROTECTIVE SERVICES Coloring Contest were (front, l-r) first graders Joanna Perez (3rd), Bernice Garcia (2nd), and Hannah Johnson (1st); kindergartners Kara Kraatz (1st), Taylor Salazar (3rd), Vicki Madrid, Alanna Cooper (2nd); (back) third graders Bianca Carrillo (1st), Haleigh Edge (3rd), and Haley Haczyk (2nd); and second graders Sara Lara (1st), Cameron Bean (3rd), and Caitlin Kurtz, (2nd).

OTHER WINNERS IN THE Child Protective Services Coloring Contest were (front, l-r) fourth graders Juan Rameriz (3rd), Paige Sanders (2nd place), and Kathleen Mills (1st); (middle) fifth graders Julie England (3rd), Sandy Esquivel (2nd), and Sonja Armendariz (1st); and (back) sixth graders Susan Sneed (2nd), Wiley Guy (3rd), and Addison Bergman (1st).

WJHS gives top honors to Justin Fenwick & Paige Geistmann

Named Most Representative Boy and Girl at Winters Junior High School for the 2001-02 school year were eighth graders Justin Fenwick and Paige Geistmann.

Justin is the son of Gordon and Regina Fenwick. Paige is the daughter of Duane and Saam Geistmann.

Physicals required before playing school sports

State law says Juniors must be re-examined

Winters ISD Athletic Director Chuck Lipsey reminds all 7th grade, freshman, and junior boys and girls who plan to participate in athletics that they must have a physical before participating in any sport.

A recently passed Texas law states that Junior students who plan to participate in sports be re-examined.

Physical forms and medical history forms can be picked up at the WISD Administration Office. Both completed forms must be turned in to Coach Lipsey or Coach Whittenburg before a student can practice or play any sport.

Wee Care Preschool of the First United Methodist Church

is now accepting applications for children ages 3-5 for enrollment in the 2002-2003 school year.

Classes will be held every Tuesday and Thursday, beginning August 27th, 9:00 a.m.-12:00 p.m.

"Meet the Teacher" is Sunday, August 25, at 6:00 p.m.

FMI call the church office at 754-5213 or Rhonda Bahlman at 754-4049.

Deadline for registration is Tuesday, Aug. 20

Applications may be picked up at the church office 9:00 a.m.-12:30 p.m.

Classes start Aug. 19 at CAP High School

Classes will begin at CAP High School on Monday, August 19, 2002, at 8:30 a.m.

Students attending CAP from Coleman will need to call the school 915-636-4355 to arrange bus transportation. All other CAP students may call the home district's Superintendent's office to arrange transportation.

On-site day care services will not be available at CAP this year. Students and parents may call the school office 915-636-4355 regarding this and other issues.

Life

Former Winters woman shares special friendship and kidney

by Jean Boles, editor

"Greater love has no man than to lay down his life for his friends..." reads John 15:13, and one former Winters resident doesn't just talk the talk — she walks the walk.

On March 12, 2002, Keva Harrison Green donated a kidney to her good friend, Barbara McDowell. Here is their story.

Barbara and Keva met in the early 1980's when they were both in a networking organization, Women's Business Support Network, of Houston. They served on the Board together and enjoyed doing things together. As life happened, things got busy, Barbara and her husband Joel moved to Lake Livingston in 1992, and the two women lost touch with one another except by Christmas cards and an occasional phone call.

This past fall was the beginning of seminary for Keva, who now lives in Dallas, and although most of her classes were on the SMU campus, she chose to take one class in Houston. Most of the time she flew to Houston but the last Saturday in October, she drove to Houston. Class ended around 4 p.m. and she planned on driving back to Dallas. Instead, when class was over Keva says she had a strong feeling that she was not supposed to leave Houston yet. She ended up killing time reading at the park until around 6 p.m. when she remembered there was an Emmaus Walk (a spiritual retreat) that some special friends from her former church were working.

She decided to go there and then drive to College Station afterwards to spend Saturday night with her son Kevin prior to her return to Dallas on Sunday.

While at the retreat the workers prayed for name for each of the 'pilgrims' on the retreat, and they called out the name of Barbara McDowell. She thought that was cool since she had a friend with that name but she thought it probably wasn't her since she lived so far away. Later they saw the pilgrims and it really was Keva's friend Barbara.

Keva says, "I was so excited to see her but didn't get to talk with her then so I decided to find some way to stay in town until her retreat was over Sunday afternoon."

She planned to stay in a motel but before she mentioned it to anyone, a young

couple from her church asked her if she would spend the night with them so she could see their new home and be there when their children awoke in the morning.

"I spent the night with them and the following day was full of neat things like helping serve communion in my home church, seeing many of my friends from church and the area, and even running into some biking friends at IHOP," Keva explains. "It seemed everywhere I turned God was blessing me with wonderful surprises."

On Sunday, Keva went to the close of the retreat and was finally able to visit with Barbara. For some reason, one of the first things Keva asked her about was her health. Barbara had had kidney problems for over 26 years and had been able to control it most of the time by her healthy life-style, but she mentioned that her health had taken a turn for the worse lately.

She was excited, though, because she said that after the first of the year, Joel was giving her a kidney. Keva told her she didn't think it would work out for Joel but that she would be glad to give her one. Barbara laughed and told Keva she didn't understand how much testing Joel had gone through and that he was an approved candidate and a match, so everything was pretty well set. Keva wished her friend the best of luck and offered again if things didn't work out with Joel.

About two weeks later Barbara called Keva to report that additional testing revealed a high insulin level in Joel and he was no longer a candidate.

Keva simply asked her who to call to get started on the process of being a donor.

That was the beginning of several months of testing to see if they matched and if Keva was a suitable donor. Some of her screening included many blood tests, urine tests, electrocardiogram, chest x-ray, kidney x-rays, a spiral CAT scan using 3D images to identify the blood vessels to each kidney and to check the urinary tract, and possible arteriogram where a long, thin catheter is placed with a needle into an artery in the groin.

Once the test results were gathered and interviews were completed, the information was presented to the Transplant

KEVA HARRISON GREEN (right) and her good friend, Barbara McDowell, rejoice in their good health and blessings about two weeks after Keva donated a kidney to her friend in March.

Committee. Once the Transplant Committee approved the donor and recipient, the transplant surgery was scheduled.

As with all surgeries, Keva faced potential risks and complications such as anesthetic complications (death or brain injury), pneumonia, collapsed lung, wound infection and bleeding.

But Keva had no qualms or doubts, and on March 12, she gave Barbara a healthy kidney.

Keva was hospitalized from March 11 until March 17; Barbara stayed about four more days. Then they were both in a hotel near the hospital. Keva stayed a little over a week in the hotel and Barbara was there for about a month.

Keva's dad, Lee Harrison of Winters, was present at the surgery and for a few days after. Of the donation, he says, "It scared me, but Keva felt strongly that she was doing the right thing. I'm just so thankful everything worked out okay."

absolutely no side effects to giving up a kidney, she now has an increased risk for high blood pressure and must have this checked regularly for the rest of her life. She must also get a physical examination every year to make certain there is no stress on her remaining kidney; however, the ability of one kidney to do the work of two should be almost 100%.

According to the National Kidney Foundation, about 20 million Americans are affected by kidney and urologic diseases and approximately 50,000 people die each year from kidney disease. More than 35,000 patient are waiting for kidney transplants, but only about 11,000 will receive transplants this year because of a shortage of suitable organ donors.

She says matter-of-factly, "God gave us two kidneys; I think that was so we could share."

She laughingly responds that the only two changes for her is that she had to give up "contact" sports so she can "no longer play pro football."

"And since I have a nice scar I probably won't be wearing a bikini any more. But being a seminary student and at my age, I probably shouldn't be wearing one anyway," she chuckles.

Regardless of potential risks, Keva never faltered in her belief that "it was just something that I knew completely from the very first moment that I was supposed to do and so I have been at peace with this from the start."

She insists there was "nothing brave or special" about the donation. She says she knew up front that if she had misread God's direction to offer her kidney that she and Barbara would not have matched and that would have been the end

of her effort.

Keva further says, "I truly believe that God put Barbara and me in the same place at the same time for a reason, and the fact that I thought to ask about her health at that time and knew immediately that it was supposed to be me was not something from me, but definitely from God."

"Barbara and I have both seen God at work in some very special ways. In fact, we were constantly calling each other amazed at the next 'God thing' that popped up in preparation for this. We both feel truly blessed by all the events that have happened and also by every one of our friends and family and even some wonderful individuals whom we had never met who have called or written saying they were praying for us."

She concludes, "Praise God for the amazing way He works in our lives. There is nothing more exciting than having a daily relationship with our Lord and seeing how magnificently He works in our lives if we will only allow Him."

Keva is the daughter of Lee Harrison of Winters and the late "Tooter" Harrison. She is a 1972 graduate of Winters High School and a 1976 graduate of Texas A&M University.

For more information about kidney disease or becoming an organ donor, contact the National Kidney Foundation at 1-800-622-9010.

Non-living donations can also benefit many people. Organs and tissues that can be transplanted include kidneys, corneas, heart, lungs, liver, pancreas, heart valves, bone, bone marrow and skin. You may become a donor by signing the donor declaration on your driver's license or you may sign a Uniform Donor Card. The family members of the deceased must, however, still sign a consent form before donation can take place even if the person has indicated the desire to be a donor by signing the Uniform Donor Card or the driver's license declaration.

Town Criers

Avery Laren Ridder

Colin Schwartz is happy to announce the birth of his sister.

Avery Laren Ridder was born Saturday, June 22, 2002, at 4:27 a.m. in Delaware, Ohio. She weighed 6 lbs., 10 oz. and was 19 inches in length.

Proud parents are Randy and Angie Ridder of Delaware, Ohio.

Maternal grandparents are Wayne Schwartz of Winters, Texas; Mary Lynn Bedford Jessie of Lewis Center, Ohio; and Craig and Jenny Jessie of Waldo, Ohio. Paternal grandparents are Dan and Sharon Ridder of Urbana, Ohio.

Maternal great-grandmothers are Virginia Schwartz of Winters, Texas, and Peggy Jessie of Waldo, Ohio. Paternal great-grandparents are Rheba Ridder of Springfield,

Ohio, and Alba Cotrell of Urbana, Ohio.

Maternal great-great-grandmother is Addie Spraberry of Abilene, Texas.

Country Club Corner

by Sharon Kennedy, Ladies Golf Association President

Congratulations to Tina Smith for being voted **Golfer of the Month**.

Tuesday Ladies Winning Team: Betty Watson, Joan Hightower, and Sharon Kennedy.

Wednesday Mixed Scramble Winning Team: Lynn Gentry, Armando Tamez, Mel, and Sharon Kennedy.

Closest to the Pin: Armando Tamez.

The lady golfers went on a two-day trip to Fredericksburg. They had a great two days of shopping, eating wonderful food, swimming, and of course golfing.

Those making the trip were Jan Sims, Brenda Clough, Tina Smith, Lavelle Killough, Mary Ellen Moore, Linda Dry, Jane Bourdo, and Sharon Kennedy. Plans are already underway for next year's trip.

DANNY PRADO (left), Service Coordinator for the local West Texas Center for MHMR, gets a helping hand from Jack Parr as they load equipment last Friday to be moved to the new location of the MHMR offices at 126 State Street (formerly the old post office building). The facility has been completely remodeled and opened for regular business hours on Monday, August 12.

Sema'Jae Trae'lon Louis Jackson

Zachary and Shena are proud to announce the birth of their son, Sema'Jae Trae'lon Louis Jackson.

He was born on Tuesday, May 7, 2002 at 12:25 a.m. at Community Hospital in San Angelo. Sema'Jae weighed 5 pounds 4 ounces and was 18 inches long.

Proud grandparents are Jerry Mac and Trisha Jackson of Winters and Leo and Domingo Manley of Ballinger.

Great-grandparents are Dominga Gonzales of San An-

Sema'Jae Trae'lon Louis Jackson
May 7, 2002 5 Lbs. 3.9 Oz.

gelo, Fannie B. Valentine of Winters and Thelma Jackson of Granite Shoals.

Enrique Alejandro Palacio IV

Enrique and Amada Palacio of Pflugerville are proud to announce the birth of their son Enrique Alejandro Palacio on Tuesday, July 23, 2002, at 12:22 p.m. in Round Rock Medical Center.

He weighed 10 lbs. 1.2 ozs. and was 21 inches long.

Grandparents are Fred and Mary Cortez of Winters and Jinoveva Trevino of Austin and the late Enrique Palacio, Jr. of Durango, Mexico.

Great-grandparents are the late Mr. and Mrs. Jake Cortez, Sr. of Winters and Mary

Mendiola of Ballinger and the late Ellis Mendiola.

TRUSTEES, continued

rate of about three percent for the past three years. Last year's ADA at the close of the school term was 696; the year began with an ADA of 721.

Secondary School Principal David Hale and Elementary Principal Brilla Magee reported preliminary enrollment figures that would total approximately 707 students to start this school year.

A lower ADA means less money from the State to support the local school district.

The budget cuts were made in all areas. No teacher or aide positions were eliminated but there are seven less positions this year through retirements and resignations.

Trustees also approved a Robin Hood Agreement with the Crockett County Consolidated Common School District (CCCCSD). This district is made up solely of the Ozona school system. By signing this agreement, Winters schools will receive \$78,473, to be used for instructional technology. In the Robin Hood Program, a property-rich district (oil and gas properties) such as CCCCCSD, is required by law to share tax money with prop-

erty-poor districts such as WISD.

Winters ISD is just one of several property-poor districts in Region 15 to receive money from the CCCCCSD, which is required by law to give away \$2.86 million.

Phillips and Company, L.L.P. was approved as auditor for the fiscal year 2001-02. Business Manager Butler explained that the cost for this year's audit will be between \$12,000 and \$16,000. Butler also said that new state laws are requiring more detailed audits and that accounting firms do not have practical experience in this type of audit, making them unable to estimate more closely the number of hours required to do their job.

A tuition policy for non-qualifying pre-kindergarten students was also approved by the Trustees. This policy states that a tuition of \$35 per week will be charged for students entering pre-K who do not meet certain criteria.

Present for the August 12 meeting were Trustees Larry Walker, Jerry Sims, Manuel Vera, Shelia Paschal, Cheryl Bryan, and Bob Prewit. Allen Andrae was absent.

4-H Back-To-School Bash set for Friday, August 16, in Ballinger

Back to school time brings 4-H Party Time! Mark your calendars now for **FRIDAY, AUGUST 16**, for the Rannels County Back-to-School Bash. This year's Bash will be from 7:00-10:00 p.m. and will be held in the Ballinger High School Cafeteria.

The 4-H Council is providing pre-dance recreation to be followed by dancing music by a local DJ. All family members and prospective members are invited to attend. There will be a \$1 gate admission charged each 4-H'er. Four-H families are asked to help by bringing refreshments according to the following list:

- ROWENA—large bag of chips or dip
- BALLINGER (A-N last name)—large bag of chips or dip
- BALLINGER (O-Z)—3 liter soft drink (1 per family)
- NORTON—Paper goods/ice (club will provide)
- WINTERS—homemade cookies (2-3 dozen per family)
- MILES—Sandwiches (club will provide)

At 7:30 p.m., after the recreational games, adults leaders will meet with an opportunity to discuss the 4-H program. After this adult leader meeting, club managers will meet with the County Extension Agents for a short meeting to discuss the chartering of their 4-H clubs.

The Back-to-School Bash service project will be the "Sock It To Me" project. Participants are asked to bring new socks (any sizes, any colors, for any family members) which will be given to community clothes closets in the county. Underprivileged families will benefit from 4-H'ers desire to be of service.

TexCare Partnership: connecting Texas families with children's health insurance for \$18 a month or less.

Bank Repossessed Cars to be Sold Directly to the Public

San Angelo Dealership Disposing of 90 Bank Repos and Other Used Vehicles for Only \$59 Then Start Making Payments*

SAN ANGELO, TX - Bank repossessed cars and trucks are among the most hunted-for bargains in the automotive industry. Unfortunately for John Q. Public, they're also the hardest to come by.

Banks often unload repossessed vehicles to car dealers at rock-bottom prices - allowing dealers to re-sell them for retail value. But bargain-seekers can take heart: This week, Mitchell Buick Pontiac GMC is going to change that.

This Wednesday, August 14th through Saturday, August 17th, Mitchell Buick Pontiac GMC will offer 90 bank repossessed, lease return and other used vehicles for thousands below normal values, and pass the savings on to their customers.

"These vehicles have been acquired at incredible savings from banks (repos), auctions, and other sources," Alvin Beatty of Mitchell Buick Pontiac GMC said. "We have been asked to sacrifice this inventory immediately - regardless of loss of profit. And if that means selling these vehicles for thousands below

normal values, then that's what we'll do."

Every bank repossessed and other pre-owned vehicle will be available for just a \$59 possession fee* then start making payments. Payments start as low

and the best finance terms possible. Mr. Beatty said. "We'll have over \$4 million in financing available for this event, so chances are we can arrange financing for just about anyone who is employed, regardless of past credit history."

Trade-ins will be accepted, and customers should bring their title or payment book to expedite

"The opportunity San Angelo area bargain hunters have been waiting for is back! Customers may never see savings like this again."
ALVIN BEATTY, MITCHELL BUICK PONTIAC GMC

as \$79 per month* "It's that simple," said Mr. Beatty. "To make these bargains even easier, we'll mark the payments right on the windshield. Just pick your vehicle and pick your payment. You won't find a faster, easier way to get a great deal on a pre-owned vehicle."

Almost every type of vehicle and price range will be available, from luxury 4x4s to basic transportation. Many are still under warranty. "With our pre-owned inventory near an all-time high, chances are we have what you're looking for in stock and ready to drive home," Mr. Beatty added.

Extra sales and finance staff will be on hand to assure customers prompt, quality service

delivery.

The opportunity San Angelo area bargain-hunters have been waiting for returns this Wednesday through Saturday at Mitchell Buick Pontiac GMC. Every bank repo is just \$59 then start making payments.* Customers may never see savings like this again," said Mr. Beatty.

After the \$59 SuperSale ends at 8:00 p.m. on Saturday, August 17th, many of these vehicles will be sent to auction. Any questions can be directed to (915) 949-1811. Mitchell Buick Pontiac GMC is located at 4105 Sherwood Way in San Angelo.

*With approved credit. \$59 plus tax, title & fees. **Down payment may be required for credit approval. See dealer for details. **For example only: '99 Ford Escort, stk=U1900, Sale Price \$3731, \$79 mo for 48 mos. @ 10.5% APR. \$59 possession fee, \$0 down payment for a total of \$59 down plus tax. Total amount financed \$3672 plus tax. Subject to credit approval. Subject to lenders final approval. ©G&A Marketing, Inc. 2002.

Pest Management News

by Richard Minzenmayer, Extension Agent-Entomology

General Situation

Cotton continues to progress rapidly with the hot sunny temperatures we are currently experiencing. Grain sorghum harvest has begun in some areas with good yields and bushel weights being reported.

Insect pressure has remained light with no problems early in the week. Reports late in the week indicated bollworm activity increasing significantly in Veribest, Mereta, and Miles communities.

Much of the cotton in the Concho Valley is at physiological cutout or rapidly approaching cutout. Unfortunately, northern Runnels County and southern Tom Green County are still short on soil moisture and many cotton fields in these areas are blooming out the top right now.

With cutout and limited soil moisture comes fruit shedding. Plants will unload small squares and small bolls in an effort to bring a balance between available nutrient resources and energy drains. This natural shed is not insect related.

Bollworm egg counts ranges from 0-22 bollworm eggs per 100 plants with the higher numbers being in the Veribest, Mereta, and Miles communities. This is also where moisture conditions are best. Miles and Mereta communities have an above average cotton crop set and cotton looks great in these areas.

It is very important to monitor these cotton fields closely for bollworm egg-laying activity the next weeks or so. We are due another bollworm flurry soon. Larval counts remain very low,

as of Wednesday, and no program fields have required insecticide treatment for worms to date.

If insecticide treatments are necessary the next week or so for worm infestations, you will probably need to consider a pyrethroid. They are very economical to use, very effective against bollworms, our plant canopy is large, and aphid populations are very low at this time.

If Tracer®, Larvin®, or Steward® is used, make sure you're getting good coverage and the spray application is penetrating the plant canopy. (This is very important for any treatment.) It is recommended to run 3-5 gallons/acre by air and at least 10 gallons/acre by ground rig. The economic threshold for bollworms during the blooming period is 10-12 treatable worms per 100 plants for 5,000 or more treatable worms per acre.

It is much more accurate to base your treatment decisions on larvae per acre and not on percent per 100 plants.

Many cotton fields across the area have reached cutout, the 4-5 Nodes Above White Flower (NAWF) point. This plant development was discussed in previous newsletters. At this point in time, the growth of the mainstem is severely reduced or ceases growth, and the vertical flowering rate overcomes the rate of terminal growth, thus the cotton "blooms out the top." We have a lot of fields exhibiting physiological cutout fairly early this year, especially dryland fields in the drier areas of Runnels and Tom Green Counties.

PLEASE SLOW DOWN reminds Texas Department of Transportation employees as they install new pedestrian crossing lights and signs along North Main Street. Motorists are encouraged to drive no faster than 20 MPH from 7:30 a.m. to 4 p.m. or when lights are flashing within this particular school zone. School starts August 19 so be cautious and watch for kids who are crossing the streets!

Pray for rain for the farmers & ranchers who are still in need!

Wheat conference set August 22

The Big Country Wheat Conference has been scheduled for Thursday, August 22, 2002, at the Civic Center in Abilene.

Registration begins at 7:30 a.m. Several speakers are scheduled throughout the day. The following are only a few of the topics to be addressed.

Dr. Mark Waller, professor and Extension economist-grain, will give the price/crop outlook at 8 a.m. At 1:15 p.m., Dr. Chris Sansone, assistant professor and Extension entomologist, will address insect

management. Soil borne diseases will be discussed at 2 p.m. by Dr. Greta Schuster, assistant professor IPM and Extension specialist-plant pathology and entomology.

The meeting will conclude with the wheat impact survey at 5 p.m. by Dr. Billy Warrick, associate professor and Extension agronomist, and Gary Bomar, Taylor County Extension agent.

For more information, contact Rick Minzenmayer, Runnels County Extension agent, at 365-5212.

Lamb & goat tag orders due by Friday, August 16

Winters area sheep and goat exhibitors for the 2002-03 stockshow season are asked to turn in tag orders by Friday, August 16. Validation is scheduled for October.

Cost of the tags will be \$7 each for all wethers, lambs,

and goats, and \$2 for all ewes or does. Tags should be paid for at the time of ordering.

Feeders should contact the Runnels County Extension Office at 365-2219 or WHS FFA Advisor Roy Shackelford at 754-4612.

Producers requested to tell TBWEF about spray activities

Cotton producers use several insecticides to control pests in their fields, such as Furadan for aphids, so Texas Boll Weevil Eradication officials request that growers contact their district office with information on when a field has been treated with any chemicals and what chemicals were used.

Although fields that have been treated must be posted, contacting eradication personnel will help ensure that employees take the necessary pre-

cautions to protect their health and safety when working in these fields. The Foundation also wishes to avoid unnecessarily treating fields, as some of the pesticides growers use provide control of boll weevils.

For more information, growers may contact their local eradication office.

The Texas Boll Weevil Eradication Foundation is a nonprofit grower-initiated and funded organization dedicated to eliminating the cotton boll weevil from the state in the most cost-effective and environmentally responsible manner possible.

Hunting license scheduled to go on sale today

Texas hunting licenses go on sale today at more than 2,000 locations statewide, seven of those in Runnels County.

Locally, licenses will be available at Alderman-Cave Feeds in Winters, Wal-Mart, Star Stop, Shoppin' Basket IGA, Rough Country, and Short Stop in Ballinger, and Shots in Miles.

The state hunting and/or fishing licenses are in effect September 1 through August 31 of each year.

The best license value for hunters is the super combo package. For \$49, the resident gets hunting and fishing licenses and seven user-fee stamps that permit such activities as archery and

muzzleloader seasonal hunting as well as white-winged dove, turkey, and state waterfowl hunting.

The license this year will have a significant new feature on the back, the White-tailed Deer Log which must be filled out by the successful deer hunter. They will be required to log each deer killed in addition to filling out and placing the normal tag on each harvested animal.

The new deer log will allow for the use of generic deer tags and eliminate some of the confusing language in the license system, according to David Sinclair, chief of wildlife enforcement at the Texas Parks and

Wildlife Department.

According to Sinclair, the log will assist in maintaining the integrity of the county bag limits. "If you have a generic deer tag and no log, then an unscrupulous hunter may take three bucks in a one-buck county," he said.

The penalty for failing to maintain the log will be a Class C misdemeanor with a fine of \$25 to \$500.

Any hunter born on or after September 2, 1971 is required to successfully complete a state-certified hunter education program. According to Lane Pinckney, TPWD Game Warden-Region 7, plans are being made to offer a Hunter's Education course in Ballinger later this month.

Dove season opens Sunday, September 1, in Runnels County.

Tommy L. Russell, D.D.S.

announces his retirement on September 1, 2002.

Dr. Russell wishes to express his appreciation to his patients for their loyalty and support these 41 years in practice.

Police Beat

The following are cases from the Winters Police Department. Some cases may still be under investigation. Information, reported through Crime Stoppers, leading to the close of any case could result in up to a \$1,000 reward.

The following information comes from Winters Police Department reports received and/or investigated from Sunday, July 28, 2002, through Saturday, August 10, 2002. Winters Police Officers:

received report of a domestic dispute in the 300 block of Tinkle Street. A 19-year-old Winters female reported that a 26-year-old Winters male made threats against her life and shredded her clothing during an argument over money. The male left the scene prior to officers arrival, but returned a short time later. The female alleged being assaulted by the male and injuries were observed to the female. The male had left the scene again before officers arrived. This case has been referred to the County Attorney's office for review as Terroristic Threat, Criminal Mischief and Assault Causing Bodily Injury.

received report of a domestic dispute in the 100 block of Spill Street. A 24-year-old male and female of Winters were found arguing, but both parties stated no assault had occurred. Both subjects were checked for warrants and the male was found to have an outstanding warrant out of Zapata County for Damage to Property. The male, Casey Niedecken, was taken to Runnels County Jail.

a 20-year-old Winters male reported that he was being threatened and harassed by a 21-year-old Winters male. After investigating the incident the matter was deemed unfounded. The victim later reported that the suspect male confronted him at his residence and again threatened him for notifying the police on the earlier matter. This is under investigation as Burglary of a Habitation and Retaliation.

received report of a burglary in the 500 block of Roberts Street. A 33-year-old Winters female reported that a window to her home was found open and a check of the residence revealed an item of jewelry was missing. Witnesses were located and a possible suspect named. This is under investigation as Burglary of a Habitation.

officers observed a male subject in the 100 block of East Dale Street who appeared to have difficulty walking. An odor of alcohol was detected on the male who, after being checked, was deemed a danger to himself due to his intoxicated state. The male, Gerald Mays of Winters, was taken to Runnels County Jail and booked for Public Intoxication.

officers observed a 1998 Plymouth passenger car commit numerous traffic violation. The vehicle was stopped and an odor of alcohol was detected on the driver who exhibited signs of intoxication. The driver was offered and subsequently failed several field sobriety tasks. The driver, Joe Luevano, Jr. of Winters, was taken to Runnels County Jail and booked for Driving While Intoxicated and a blood specimen was taken.

received report of a domestic dispute in the 500 block of Bowen Street. A 29-year-old Winters female alleged being assaulted by a 28-year-old Winters male after an argument over alleged infidelity. The victim didn't pursue charges for assault, but the suspect was found to have an outstanding warrant for a felony Driving While Intoxicated. The male, Jose Banuelos, was arrested and taken to Runnels County Jail.

Runnels County Crimestoppers offers a cash reward for information which leads to the grand jury indictment or conviction of offenders and the caller does not have to give his or her name. To give a Crimestoppers tip, call your local law enforcement agency at:
 Winters Police Department—754-4121
 Ballinger Police Department—365-3591
 Sheriff's Department—365-2121

Organizations must reserve cafeteria through director
 Any organization wishing to use the school cafeteria for fundraising events must contact Janet Cason, WISD cafeteria director, at 754-5574, Ext. 122. This includes all organizations hosting annual fundraising dinners held before home football games.
