

Jaycees Plan Easter Egg Hunt

Dimmitt Jaycees have completed plans for the annual city Easter Egg Hunt, to be held in the City Park. The hunt will begin at 2:30 p.m. Sunday and continue until all eggs have been found, according to Jaycee officials.

The following age groups are invited to participate in the Easter Egg Hunt: 2 years old and under; 3 years to 6 years, 7 to 10 years, and ten through 12 years. The park will be divided in areas to segregate the age groups.

The Jaycees plan to hide 50 prize eggs. All eggs will be wrapped in cellophane and are candy.

All children must conduct their own egg hunt, as mothers, fathers, brothers or sisters will not be allowed to assist the youngsters in their search for eggs.

"LIVE MODERN"

By Ronnie Parker

The apostle Paul announces a fact that our modern world is overlooking. In Romans 6:23 he states, "the wages of sin is death." Regardless of how pleasant sin may seem, the result remains the same, death. Of course Paul is speaking of spiritual death. It is easy for one to talk of how narrow and strict the demands of Christianity are upon him, but that does not lessen the demands of God's word in the least.

To "live modern" is the theme of the age in which we live. It is thrown into our faces at every turn. Social pressures insist that we conform. Our young people are beset on every side to "go with the crowd." To drink a little, to dance a little, to generally lower their standards.

Too many churches are breaking down under the stress of worldliness. Each follower of Christ must dare to do right. We must do God's will rather than what our fleshly appetites demand. To live modern is to live a life that is certain to end in ruin. To dare to live right is to live forever.

Students Corner

Let me spread the news that I just received; a great compliment has been paid to D.H.S. Mary Lou Tate, a new freshman from Tulsa, Oklahoma, says she just loves Dimmitt, the school, the students, and the teachers, and she says that the students are very friendly. This compliment reflects upon the character of the person giving it; Mary Lou is a friendly person.

Miss Tate, residing at 611 West Dulin, is the only child in her family. Her father is the manager of the Tam Anne Gin and her mother is a housewife. Several times Mary has wished for brothers and sisters, for she says it gets lonesome and it would be more fun with some others. Swimming and bowling fall into the category of hobbies for this hazel eyed, brown haired little girl. Her favorite subject is geometry; but, since she changes frequently, it may not be for long.

In order to share some enjoyment with us Mary Lou has given us a poem from the "Whitney Snapper" (the school newspaper of Eli Whitney Jr. High in Tulsa) which was sent to Mary from her friends.

SIX FULL HOURS

Some people say a teacher is made out of steel. Their minds can think, but their bodies can't feel. Iron and steel, hickory tea, Frowns and gripes from nine to three. You teach six full hours, and what do you get? Another day older and deeper in debt. You pay your dues in this and that and then for 29 days your billfold's flat.

I was born one morning when it was cloudy and cool. I picked up my register and headed for school.

I wrote 84 names on the home-room roll. And the principal said, "Well, bless my soul!" You teach six full hours and what do you get? Cuts and bruises and dirt and sweat.

I got two black eyes and can hardly walk. I turned my back and then came the chalk.

I got 84 kids and 42 seats. 60 are talking and 24 asleep. I can hardly get them all through the door.

And if I don't watch out they'll send me some more. You teach six full hours to 84 brats, And all of them yelling like dogs and cats. They're cutting on seats and writing on walls. Hugging and kissing in the upstairs hall.

My last bell rings and I start for the door. My head's a-ringing and my feet are sore. I taught six full hours, my day

FHA Students Hold "Twirp Week"

"What, the girl's asking the boys for dates?"
 March 27 through April 2, the Dimmitt Chapter of the Future Homemakers of America held their annual Twirp Week activities. This is always a sponsored week of terror for the boys of the school, but the girls find out how expensive it is for boys to date. The girls are obligated to cater to the every wish of the boys. The boys bought "special privilege" books they presented to the girl or girls of their choice.

On Sunday, March 27, the F.H.A. girls attended church together at the First Methodist Church. The afternoon was spent in the installation of new officers for 1966 and 1967.

Monday, March 28, was red and white day. Each member of the F.H.A. was to wear red and white clothing. The day started off with a rally in which the members sang the F.H.A. songs known to all. All this day the girls could buy the privilege books. This is the first time girls have ever tried to dodge boys!

Tuesday the girls sold cook books after school. After spending a successful sales campaign everyone went to the homemaking department for a salad supper.

Wednesday the F.H.A. girls were hostesses to the teachers for a coffee. The teachers were honored with "Teacher's Appreciation Day." The members of the Future Teachers of America took the third period classes.

Thursday the girls were pledged to silence. If one spoke to a boy, she presented him with a red ribbon with "Mr. Irresistible" written on it. The boy with the most ribbons at the end of the day was named "Mr. Irresistible." David Seale was named Mr. Irresistible for 1966 and 1967.

Friday was "Best Dressed Boy and Girl Day." The teachers chose the best dressed couple. They were Keith Ann Howard and Mike Bruegel.

Saturday night the F.H.A. girls were hostesses to an 'All School Party. Entertainment consisted of playing games and listening to various types of entertainment.

So ends another successful "Twirp Week." The girls and boys both will remember this week of fun and frolic for a long time.

Seniors Guest At Pizza Party

Mr. and Mrs. W. H. Fuller, Mr. and Mrs. Ben Hill, Mr. and Mrs. Bud Giles, and Mr. and Mrs. G. L. Willis were hosts to a pizza supper for the seniors in the Rawlings Hotel at 7:00 p.m. on Friday, April 1. The delicious homemade pizzas were made by Mrs. Rawlings.

As one entered the building, the words "Pizza Parlor" were written across the windows. The tables were of various sizes and decorated with red and white checked table cloths and candles. At the back of the room, everyone was greeted by the smiling face of an Italian Chef. As a treat, a special group of serenaders sang to the guests as they ate. Following the meal there was a party dancing and games.

is made, But I still have 300 papers to grade. You teach six full hours and what do you get? Another day older and deeper in debt. I'll go to St. Peter, but I can't stay. I gotta come back for the P.T.A.

Our World Is What We Make It

April is a month in which many teenagers often feel a letdown. Winter is over and spring has not quite caught us in its expectant air. We tend to blame the world for being dull and unexciting. We decide that our parents and grandparents lived in a world where a person could do exciting things like prohibition and gang wars, gold rushes and oil strikes were when inventions like airplanes, radios, and automobiles were changing the face of our country. We begin to think that everything worth doing has already been done.

How blind are we to our world! We were born into an age of discovery far beyond anything imagined by our grandparents. Few of us are old enough to remember not having television and TV dinners. We have lived during part of the lifetime of great men such as Churchill, Stevenson, Albert Schweitzer, John F. Kennedy, and Robert Frost. We have seen the highest mountain in the world, Mt. Everest, conquered by Sir Edmund Hillary and his men in 1953. The very next year the Salk vaccine was discovered, and there came a declaration against racial segregation in public schools. We were about eight years old when Sputnik opened the door to space. And what a door that was! Since that time we have seen astronauts circle the world and Major Edward H. White walk in space.

Home Economic Teachers From TT To Meet Here

We are once again privileged to have two Home Economics practice teachers from Texas Tech. They will be in Dimmitt until the end of this semester.

Short brown hair, and devilish brown eyes are outstanding features of Beth Baker. Beth is from Quanah, Texas and is one of three children. Her older brother is married, and her younger one is a senior in high school.

Beth lists her fiancée, M. L., as her number one hobby. Her other interests, include sewing, horseback riding, water skiing, and cooking.

When Beth finishes practice teaching, she will report back to Tech for final conferences; she will graduate from Tech this May. This summer Beth plans to be married and work near Lubbock next year.

Beth's comments on D.H.S.: "A beautiful school. Nice, friendly students and teachers. Everyone is so helpful and patient."

Beth has this advice to offer to the inhabitants of D.H.S.: "To the students: I would advise learning how to study and manage one's time, money and energy. These are tremendous assets in whatever one does in the future."

Five-foot-five, eyes of blue; oh, what those blue eyes can do. Has anybody seen Pat Simons?? Pat is the other of the student teachers. She is from Burkburnett, Texas; and has one older sister.

Pat is the outdoors type, as one can easily see from the freckles across her nose. Pat is also engaged; Wendell, is her number one hobby! Other hobbies are swimming, water skiing, cooking, sewing, dancing, and having a good time. She especially enjoys being with students.

Pat's future plans include furthering her education by entering nurses training or going back to Tech and getting a degree in foods and nutrition. In January or May of 1967, Pat plans to be married and then teach high school homemaking or science.

"The students are very friendly as well as the teachers. I think that the school is beautiful and that you have a program that you should be proud of and should greatly benefit from."

Pat has this advice to give to the students of D.H.S.: "As you have heard all your life, 'you are only young once,' so take advantage of all that is offered to you. Since you have the opportunity to go to school, study hard, because an education is something that no one can take away from you. If you are planning on furthering your education, college is nothing more than a continuation of high school; so study hard and you will not regret it."

The Shadow

Spring has sprung. All the birds and the bees are coming out. The jonquils are blooming and the fruit trees are loaded with pink and white blossoms. The butterflies are emerging from their brown cocoons. I am such a butterfly. I am small and white and I am very curious about the human race. All during the winter while I sat in my snug cocoon and wondered about humans and wished that I might become one. I resolved that when spring came I would observe a typical human and really find out all about them. Since I am a girl type butterfly, I decided to follow a girl type human.

I found my girl quite by accident. One day I was testing my new wings and I flew by a big building and since the door was open I just flew in. Then "WHOOOSH," that ole March Wind blew the door shut, but that was the least of my worries, because then out of nowhere bells began to ring. Doors banged open and hundreds of humans began to pour out of the doors. I didn't know what to do! I was completely bumfuzzled and I began to wildly look for some place to hide. In my frantic search I flew into an attractive girl who was chattering away just like a magpie. She sounded friendly, so I settled on her shoulder and there I stayed for one week while I carefully observed her habits and activities.

That was on Thursday. On Friday my subject celebrated. She kept shouting "T.G.I.F.!" whatever that means. That night she went to the moving pictures to see "That Darn Cat," and I was awed by the picture that I forgot the names of the girls who were with her; I think one was Chris, another was Paula, and another was Peggy — I thought poppies were flowers? My humar had a good time that night "dragging Main" and drinking Cokes.

Saturday night we went to a surprise party for the girl called Poppy and I met lots of other humans at the party. There was Ronnie, Chris, Paula, Jay, Gene and Kenneth. After this party, I thought my girl would stay home and rest, but she didn't. Sunday night she went to another surprise party. This time it was for the boy called Ronnie Kenmore. There were many people there and they all went to a city called Hereford to eat supper. My human was again with the one called Kenneth and I finally decided he was the one they referred to as a "plusser." Humans have a strange vocabulary and some of their words are not in the Butterfly-English Dictionary.

Monday we went back to the big building, which I found was called a school, and there we talked to Kenneth and then went to FHA Rally. From conversations I overheard, I learned it was TWIRP Week and during this week the girls asked the boys for dates. FHA seemed to consume most of my girl's time, for on Tuesday, she sold cook books with Chris after school and then ate salad with a bunch of other girls at the school.

The rest of the week we stayed home and studied and helped around the house. We bought groceries and lots of other things and made ourselves generally useful. The activities of this last week have been carefully written in my diary and I have decided that I would like very much to be a human in Dimmitt High School, because then I could be Rochelle Johnston's friend and not just her butterfly.

WATCH OUT!! YOU COULD BE NEXT!! WHO KNOWS???

Junior Class Holds Meeting

Tuesday, March 29, the junior class met with their sponsors, Miss Weaver and Mr. Hunter, to discuss the Junior - Senior Banquet and money making projects. It was decided to have a car wash Saturday, April 16. The price is \$2.00 per car. The car wash will begin at 8:00 a.m. and continue until 6:00 p.m. The locations for the car wash are as follows:

- Harley's Gulf Station
- Seeley's Enco Station
- Carolyn Dunn's Home — 1012 W. Lee
- Genita Aldridge's home — 736 Pine
- Kent Lindsey's Home — 719 W. Maple.

The junior class is also sponsoring a bake sale Saturday, April 16. The baked goods will be on sale at Super Save, Piggy Wiggly, and Taylor & Sons from 8:00 a.m. to 3:30 p.m. If advance orders are wanted, call Carolyn Dunn, 647-5370, or Rita Sue Weaver, 647-4546. All types of cakes and pies will be sold.

After discussing this business, the meeting adjourned.

Random Rambling

"Conscience," said Rodney Hutto, "is a three-cornered thing in my heart that stands still when I am good, but when I am bad, it turns around and the corners hurt a lot. If I keep on doing wrong, the corners wear off and it does not hurt any more."

Upon giving my physical science class a lesson magnets," said Mr. Cooper, "as a follow-up I passed out mimeographed sheets with this question: My name starts with 'M', and I pick up things." What a surprise he received when on Doricelle Oldham's paper, he found this answer, "Mother."

Mrs. Hart to Internal Revenue Agent: "Nonsense, the whole world isn't against you. The people of the United States, perhaps, but not the whole world."

At the first P-TA meeting of the spring, one of the mothers introduced herself to a teacher, "I am Jackie Dunns mother," she said. Then she remarked, "Just tell me — am I bragging or apologizing?"

Charles Tomas, (sitting on the bed and staring out the window) to his mother: "Darn it! It looks like it's going to be another day."

Bill Hunt (surveying his dilapidated car) to his father: "I want to improve it's pickup, Dad. How about staking me to some nice seat covers?"

When you flee temptation, be sure you don't leave a forwarding address.

Thoughts For Week

Lose an hour in the morning and you will be looking for it the rest of the day.

The most important thing a man can know is that, as he approaches his own door, someone on the other side is listening for the sound of his footsteps.

The greatest undeveloped territory in the world is under your own hat.

It is spending oneself that one becomes rich.

What Is The True Meaning Of Easter To The Different Countries?

Easter is a convergence of three traditions. Pagan, Hebrew and Christian. According to the Venerable Bebe, English historian of the early 8th century, the word is derived from the Norse Ostara of Eastert meaning the festival of spring at the vernal equinox, March 21 when nature is in resurrection after winter. Hence the rabbits, notable for their fecundity, and the eggs, colored like rays of the returning sun and the northern lights or aurora borealis. The Greek myths convey the idea of a goddess returning seasonally from the nether world of death to the beauty of the earth.

In Exodus XII we read of the night in Egypt when the angel of death passed over the homes of the Israelites, so sparing their

first-born. Hence, the Passover or Jewish Pesach celebrated during Nesan, the first month of the Hebrew year. It was at the feast of the Passover in Jerusalem that Jesus, a Jew was crucified and rose from the dead bringing the promise of eternal life of the soul of men and the survival of the individual personality beyond the grave. In the United States, Easter is celebrated by many children and adults enjoying painting and dyeing eggs. Some children paint faces on their eggs and dress them in funny paper hats. School children may make large baskets and fill them with colored eggs to present to their parents on Easter morning.

Many Americans attend outdoor sunrise services on Easter morning. In some towns, the church choir calls the people to service before dawn.

Masses of white lilies, symbolizing purity, decorate the altars of churches throughout the country. People usually wear new spring clothes, to church, supposedly to greet their risen Lord. Young people often have parties on Easter afternoon featuring Easter egg hunts. On the Monday after Easter, the President of the United States welcomes thousands of children to the White House lawn in Washington, D. C., for an egg-rolling contest.

Campus Chat

Tweet, tweet, tweet! These familiar sounds, of course, represent birds singing in the springtime, but they also represent Twirp Week in Dimmitt High School. This is the week in which the girls find out how troublesome, embarrassing, and expensive it is for boys when they attempt to get dates. But, it is fun.

It all began Sunday morning when the FHA girls attended the First Methodist Church. Brother McCormick said that now he knew why the hearts of DHS boys went flutter, flutter. That afternoon brought the formal installation of officers in the auditorium. Each chapter presented a charm and flowers to Miss FHA. — Johnnie Holcomb, Big Sister Chapter; and A'llan Webb, Little Sister Chapter. The old folks, watching in awesome wonder as the girls did all the things that boys usually do, remarked, "Why, they never did that when I was young! This generation is definitely going to the dogs!" With all the tweeting going on, they should have said birds rather than dogs. Really adults, this practice, is quite usual during Twirp Week.

Monday morning the FHA girls, dressed in red and white, rallied in the hall by singing their songs and presenting lovely paper elephant tags to the girls who didn't wear red and white. Monday afternoon the tweeting abated long enough for the senior prophesy committee to meet in the band hall, the business of the meeting remains a secret.

Tuesday afternoon, the juniors met to discuss their usual secret business, the Junior - Senior Banquet. The FHA girls once again gathered — this time to sell cookbooks and have a salad supper. Mass confusion prevailed in most third period classes Wednesday while the teachers were being honored with a Teacher Appreciation Tea in the Home Ec Department. Their classes were "taught" by FTA members. National Honor Society met Wednesday also to discuss going to Texas Tech's NHS Day, April 23. The members will tour the campus, visit classrooms, dorms, and other campus buildings; the purpose is to give them a larger view of college life.

Thursday any girl who talked to a boy had to give him a little red ribbon; at the end of the day each boy turned in his ribbons, and the one who had collected the most was dubbed Mr. Irresistible. Also on this day each class took intelligence tests, which, among other things, proved that D.H.S. students know a fish from a cow or a horse.

For those of you who missed out on Twirp Week this year, don't forget it next year; it is great! Happy Easter!

Mr. Parker spoke about Paul's witness to the idol worshippers in Athens, Greece. The Athenians had erected a monument to the unknown God, and Paul told them about his God who was unknown to them. "The Greek idols were lifeless," said Mr. Parker, "but the real God is the giver of life, breath, and all things." He also said that the human race is one family; God created the whole human race from one man and scattered them all over the world. We are the children of God. His offspring, and we are capable of knowing him. Since we will stand before God on Judgment day, it is necessary to repent and do His will. In closing Mr. Parker said, "Keep your lives so that He will be proud of you, and keep your faith." The assembly ended after Bill Hunt gave the benediction.

"The Greek idols were lifeless," said Mr. Parker, "but the real God is the giver of life, breath, and all things." He also said that the human race is one family; God created the whole human race from one man and scattered them all over the world. We are the children of God. His offspring, and we are capable of knowing him. Since we will stand before God on Judgment day, it is necessary to repent and do His will. In closing Mr. Parker said, "Keep your lives so that He will be proud of you, and keep your faith." The assembly ended after Bill Hunt gave the benediction.

Mr. Parker spoke about Paul's witness to the idol worshippers in Athens, Greece. The Athenians had erected a monument to the unknown God, and Paul told them about his God who was unknown to them. Sport News

Terry Hill took first place in the 880 yard run at the High Plains Track and Field Meet at Wayland Baptist College in Plainview, Saturday to gain ten points for Dimmitt. A. D. Schreck took third in the event to gain another six points.

Tommy Coleman placed fourth in the 100 yard dash, with Jackie Matthews and Mike Bruegel placing fifth in the 440 and discus, respectively.

In the Freshman track meet at Friona, Jimmy Coleman finished second in the high hurdles and third in the low hurdles. He placed fourth in the 100 yard dash. Larry Gamble took first place in the high jump.

Saturday, April 2, the varsity track team will travel to Kress to compete in the Kress relays. Coach Anderson, Terry Hill, A. D. Schreck, Tommy Coleman, Jackie Matthews, Mike Bruegel, Larry Hobratchek, John Howell, and Rodney Hutto will make the trip.

The freshmen, who will compete in the Springlake meet, will be Jimmy Coleman, Larry Gamble, Lee Buchanan, David Bellinghausen, and Steve Hunt.

The tennis teams are getting into action as they have competed in many tennis meets. We wish the teams the best of luck in District, which is Monday, April 4, in Dimmitt.

Janice Baldrige, Pam Buchanan, with Paralynd Render, alternate, make up the girl's doubles. Tommy Stafford and Kent Lindsey team up for the boy's doubles. Donna Summers and Bill Hunt make up the singles.

Now that the Volleyball Tournament is over we see that the coaches team came out on top in the boys' division. The Faculty team won the girls' division and Allan Webb's team took second.

News Roundup

Indian Premier Visits

The Prime Minister of India, the late Nehru's daughter, visited this country this week to promote relations between the two countries. She came at the invitation of the President, and they discussed problems common to both countries, including Vietnam. The President, at a special meeting, proposed that we grant India money for schools and other places of higher education.

Red Split Grows

The strongly worded rejection of Red China to Russia's invitation to the World Communist Party Congress in Moscow beginning March 29, is considered by most diplomats to formally split the two Red nations, after ten years of dispute.

Score New Gains

U. S. and allied military troops reported new and impressive victories over the enemy, but the political situation continues to cause concern. Buddhist students continue to clamor for the removal of Ky's military regime. The Buddhist are doing this not because they dislike the military government, but because they believe in changing the government

Scientific Test

Given DHS Students

The Experimental Scientific Research Associates Test was given Thursday to nearly every student in D. H. S. from the age of fifteen through nineteen. This is an experimental test which is given throughout the United States and Canada. It is designed to test a person on his general ability.

The SRA intends to produce a test providing a measure of general ability of persons from different backgrounds, whose potential for training and employment due to reading difficulties cannot be reliable and valid by measured by verbal instruments.

Only a few schools in Texas will give the test. Dimmitt school students were chosen to take the test on the advice of Dr. Clarence, daughter of the SRA test staff Director.

Do not be alarmed, this is an experimental test only. The score will be used to set up the normal standard for the final edition of the test.

Sight 'Saucers'

An Air Force team is investigating reports by scores of people that they saw "ghost ships" near Ann Arbor, Michigan. This is the latest of more than ten thousand unidentified flying object investigations this department has conducted since 1947, at least 627 of these incidents are unexplained.

Quakes Reported

A severe tremor, in western Uganda, caused the worst quake in Africa's history, killing at least twelve persons.

Heavy shocks continued to shake Peking, capital of Red China, and they caused loss of life and damage to the northern Chinese province of Hpei. Although the latest tremors are reported to be the strongest that have been recorded, communist officials said precautionary measures held down the death toll.

A thirty-minute series of shocks rocked buildings on Formosa's eastern coast for the second time in ten days.

Seeks Contacts

The U. S. and the United Arab Republic may improve ties because President Johnson informed Nasser that he wanted to maintain high level contact with that nation. The U. S. has always been denounced by this country for providing arms to Israel.

Two More Registration Days

The justice department filed a suit, Wednesday night, in the federal court at Austin, asking for two more voter registration periods to be set up this year, one before the May seventh primary and one before the general election in November.

An investment in Your Future ATTEND CHURCH

LOOKING HER BEST FOR

Easter

Easter is a day of conquest... a day of new life... a day of beginnings... This is the day that our Saviour arose in a mighty triumph over the grave. This is a day of joy... a day to remember... a day to attend services in the church that our Lord loved so much, but even though we all want to dress up and look our best for this special day it is not the most important part, for God does not look on outward appearances, but looks on the heart.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Books Donated To Hospital For Library

Thirty-five books and a large number of children's books and magazines were presented to the library of Plains Memorial Hospital last week by Mr. and Mrs. Bruce Taylor.

The books are being classified and processed by the library committee at the present time and will be on the shelves for use in the near future.

According to the committee, the library operates on the honor system which makes it necessary to replace books from time to time. They appeal to all persons using the library to check out the books rather than just taking them from the shelves. This way the committee will know where the books are, which books have been lost and which books are used most. They need our cooperation if the honor system is to work for the hospital library.

Other donors of several books have been Miss Bea Hawkins, Mrs. Gene Kenmore and Mrs. W. E. Kirkpatrick. Several others have donated one or more. All donations are gratefully received.

Garden Club Talk

Mrs. Walter Myrick attended the District Garden Club meeting at the Koko Inn in Lubbock last Wednesday. She reported that the Dimmitt Garden Club was commended for its Therapy work with Mrs. Edna Porter's Class. We give the class \$10.00 per month to buy cloth and material to sew with. Individuals serve refreshments to the children once a month.

Mrs. Lee Coil of Lubbock was nominated as District Governor and will be ratified at the state convention in Dallas, April 13. Mrs. O. G. Hill of Hereford is the present Governor. Mrs. Hill presented plans for landscaping The Girls Ranch at Whiteface. These plans will be studied.

Mrs. Dale Smith, Big Spring was guest speaker and flower arranger. Her topic was Liberating materials — using what you have or using the unusual. She made several abstract and contemporary things.

The next District meeting will be in Big Spring. Mrs. P. L. Cunningham and Mrs. Jay Lee Touchstone will be delegates at Dallas, April 11-13.

HOME FROM TOUR
P. H. Dyer, with a number of friends from Hereford, returned home Thursday last week from San Francisco, California, and other points of interest on the West Coast.

VISITING RELATIVES
Mr. and Mrs. Nolan Froehner and children left Wednesday for a visit with relatives at San Antonio and Kingsville.

NEW TRUDAN 2 IS HERE!

Trudan 2, Northrup King's new true hybrid sudangrass, is an exciting forage. Unlike sorghum-sudangrass hybrids, Trudan 2 produces fast growth without coarseness... the fine-stemmed, highly palatable plant yields high TDN. Trudan 2 grows back fast with lower prussic acid content. Great for grazing, hay or haylage. Trudan 2 can mean more beef or milk per acre. In tonnage trials, Trudan 2 has out-yielded sorghum-sudangrass hybrids.

Order NEW Trudan 2 now. Supplies are limited.

Art Gallery Perspective

The Art Guild is sponsoring an exhibit of paintings in oil by Carolyn Osborne of Amarillo on the 16th and 17th of April at the Dimmitt Art Gallery. Miss Osborne is the amazing young person who, on account of paralysis, paints by holding the brush in her teeth. Hers is a story of courage and determination which is a tremendous inspiration.

Her paintings will be for sale — about thirty of them. She is a pupil of Larry Hilburn, who is bringing the paintings down for her. Carolyn may attend the exhibit herself on Sunday afternoon. Dimmitt's pro, Theo Campbell, took twenty-two oil paintings Sunday to Ruidoso for a One-Man Show in the Chaparral Inn, where his pictures will be on exhibit till May 1. Most of these, palette knife, brush and washes, will be for sale.

This is an invitational exhibit and quite a compliment to Theo's ability. He was interviewed by the Ruidoso paper for a story while he and Mrs. Campbell were

there Sunday. They report a good crowd of viewers Sunday afternoon.

The Chaparral Inn keeps paintings on exhibit all year on the mezzanine, which is beautifully adapted to show them off. The mezzanine can be seen from the lobby and is flanked by stairways, a dramatic setting for original paintings.

Theo recently exhibited two paintings at the Municipal Gardens Art Center in Lubbock where 250 to 300 paintings by area artists were shown. This exhibit was sponsored by the Lubbock Art Association.

Watch Theo — you may see something.

Easter At First Christian Church

"The Power of the Resurrection" will be the 10:50 a.m. sermon topic at First Christian Church on Sunday April 10. Minister Bedford W. Smith has also announced his 6:00 p.m. service sermon topic to be "When the Doors Were Shut." Last Sunday morning his Palm Sunday sermon on "Strange Conqueror" was preached to a congregation equal in number to the resident membership of the church. Included in this number are those living as far north as Hereford and 27 miles to the south and southwest of Dimmitt but who attend and support the church actively. On Sunday March 20, the attendance exceeded the membership.

Minister Smith also wishes to report that a new young Adult Class, the N-W's (the newly-weds nearly-weds, and never-weds) are now meeting for Bible study at the 9:45 a.m. Bible School hour. This class is designed for young adults who have not been married long enough to have children of school age, and for single adults and older youth a-

there Sunday. They report a good crowd of viewers Sunday afternoon.

Theo recently exhibited two paintings at the Municipal Gardens Art Center in Lubbock where 250 to 300 paintings by area artists were shown. This exhibit was sponsored by the Lubbock Art Association.

Watch Theo — you may see something.

Sheffy's Chatter

I hope you heard the beautiful Cantata, "No Greater Love," Sunday afternoon. The combined choirs of the Methodist and Baptist Churches presented it. Mrs. James Horton directed with Mrs. Keith Howard as organist and Mrs. Bob Mooney as pianist. Several beautiful solos were sung and a big chorus helped. An unusual thing was that three generations of Bradfords sang in the Cantata — granddad, George, Father James, and grandson Bob. We all went over to the community room at the Bank after the Cantata to help Mr. and Mrs. Fate Shannon celebrate their 25th wedding anniversary. Shirley Leinen and Kathy Shannon helped register the hundreds (seems like) of guests. Mrs. Houston Lust, Mrs. Florene Leinen served fruit punch and white cake from a table covered in white linen cloth applied with dainty flowers. This cloth was bought in Hong Kong by Mrs. George Bagwell. The appointments were silver. The gift money tree was "growing silver coins". Other nice gifts were presented to the Shannons. Relatives were there from all around the country; Plainview, Amarillo and around. Hostesses were Mesdames Loyd Veasey of Amarillo, George Bagwell, Monty Booser, George Sides, Tommy Stanton, James Welch, Houston Lust, Doyl Underwood, Moss Howell, Florene Leinen.

Several other fun parties I heard about were one at Mr. and Mrs. Dale Winders farm home south of Flag. Food and bridge was enjoyed by Messrs and Mesdames George Sides, Roy Dale Underwood, Charles Wales, Dale Winders and Maxie Horton was hostess at a girl party Thursday afternoon, pickup foods and coffee were served to Kay Stafford, Darlene Dowell, Sandra Potts, Carol Bryant, Ann Touchstone, Pat Anthony. Bridge was the game.

INCOMING OFFICERS of the Mikrai Ald-ephi Homemaking Chapter of America are Janice Mooney, pianist; Karen Birdwell, historian; er; Juanelle Conard, song leader; Paula

Suzanne Merritt, song leader; Darla Underwood, treasurer; Patty Simpson, president; Diane Webb, vice-president; Doricell Oldham, secretary; and Sharon Flynt, reporter.

Sandra won high score. Martha Dannevik (Mrs. Bill) was hostess Tuesday with a luncheon and bridge party. She used the spring theme in her decorations. Jonquils and other blossoms were used. Her guests were Nancy Ross, Roberta Stokes, Peggy Prather, Jane Pollard, Millicent Bennett, Joy Baker, Ruth Jackson, Beth Jones, Mary Jo Brown, Dorothy Gilbreath and Jane Blackburn. Mrs. Swain Burkett was hostess at dinner at the Colonial Inn and bridge at home Thursday. Margaret Wilson received high score. Jennie Miller, Virginia Gilbreath and Edna Riley were given special Bon Voyage gifts for their planned trip to Europe. Guests were Mesdames Edith Ramey, Ann Carpenter, Margaret Wilson, Myrtle Sheffy, Virginia

Gilbreath, Bettye Huckabay, Jennie Miller and Pearl Sheffy. Mrs. Elmo Bell was hostess at a surprise birthday party for Elmo (husband) Saturday night. The group had supper in Hereford at the Red Carpet Cafe, then "42" later at home. Guests were Messrs and Mesdames Floyd Copeland, Burl Bradford, J. M. Birdwell, H. C. Nelson, Sarah Blackwell and Lola Griffin of Lubbock. Don and Karen Sheffy and daughter of Canyon came down for Elmo's Sunday dinner. Mr. and Mrs. Truett Boothe and Mr. and Mrs. Cecil Vandiver spent the week end in Salida, Colorado visiting friends the Elvis Burch's, Ted Woods and Bernard Erown's.

Attending the funeral of Frank Monzingo in Memphis Friday at the Baptist Church were Mr. and Mrs. Roy Cluck, Mr. and Mrs. Jimmy Cluck, Billie Cluck, Jerry and Carol Cluck. Carol is the daughter of the Monzingo's, Mr. and Mrs. George Bradford, Mr. and Mrs. Burl Bradford, Mrs. Tom Davis, Goldman Dyer, C. W. Morris. Mrs. Grace Monzingo is visiting a few days with her daughter, Mrs. Carol Cluck and family. Mrs. Margaret Boren visited a few days recently with her son, Jack and his wife, Betty and Bo in Lubbock. Mrs. Grace Winters and Mrs. Pearl Sadler visited friends and attended to business in Tullia Thursday. Oh Yes! Do see the flowering peach in Pearl Sadler's yard — it is a thing of beauty and joy forever. I met Mrs. Carl A. Truly; her name is Mary — in the grocery store. She and her family have moved to Dimmitt recently from Memphis. They have two boys and own and operate Precision Body Works. They go to the Lee Street Baptist Church. Welcome to Dimmitt. Talked with Louie Allen. He and Lena are taking their first plane trip this week to Beaumont to visit a few weeks with their daughter, Tommie and her husband Bob Almond. Bob is with the Dupont Chemical Company. They all plan to go to Houston and see the big league ballgames in the Astrodone — and go see the astronaut plant at Houston and on to Galveston. He wants to see Texas. Mr. and Mrs. J. T. Gilbreath, Virginia and Sam Gilbreath went to A & M College at Bryan last week to attend the thirty-fifth year class reunion, while there they visited the boy's sister, Mrs. G. M. Kirby and family. Gene and Connie Ivey took the grandsons home and visited their daughter Wilton and Carl Clayton Graef, Jr. in Texhoma last week. Mr. and Mrs. Don Shackelford visited his sister Mrs. R. C. McCarrol and family in Clovis Sunday. Mr. Shackelford is maintenance engineer at Western Ammonia. J. G. Davis and Bill Bennett

have returned from a flying Ammonia business trip to Mississippi. Leslie Singer, a student at home for a few days visit with her parents, the Elton Singers and brother and grandmother Ann Singer. I was chatting with Oleta Gollehon. She and Noel were in Austin last week attending the Rural Electric Meeting. They had a short visit with Kent Hance who is in school at the University. They missed Nancy Carol. She and Noel also went to Canyon Saturday for the Groundbreaking of The Entrance Way to the College as a gift from WTSU ex-students. Wayne Thomas of Hereford is president of ex-students. He made the welcome speech. They all toured the fine Kilgore Research Center. It is atomic, also cancer and medical research. It is a wonderful addition to the University. Mrs. Gollehon is one of the Advisory Board of ex-students. Louise Mears was still excited about her and F. J. (Jr's) trip to Memphis, Tennessee to see their children, Charlotte and Zay Gilbreath and two boys. She said Oklahoma and Arkansas were solid flower gardens — Dogwood, peach, redbud and the roads were bordered with creeping phlox. They all saw their first hockey game. Louise said it looked like polo on skates — fun to see and appeared to be a rough game. They had lunch in one of the big beautiful parks and saw games in the new coliseum. Mr. and Mrs. E. B. Wright are going to Stephenville this week to visit a few days with his daughter Tina Fulcher and her family. They will go by Big Spring for a check-up for Mr. Wright. Mr. and Mrs. B. L. Moore have been to El Freida, Arizona to visit their son, Gary and his wife, Judy, baby Gavin. They have a farm there. Rev. Weldon McCormick is preaching a Pre-Easter Revival

this week at the Methodist Church in Petersburg. W. W. (or Punk) and Pauline Gilbreath of Hereford were here Sunday visiting her parents Mr. and Mrs. P. L. Cunningham. I just heard that our friend Ed Wilson and Johnny Horton of Tullia were married in Lubbock Saturday evening. Best wishes to both of you. Mrs. Horton has three children, a girl eleven, two boys 9 and 7 years. Ed has one daughter Debbie, 13 years. Ed says they will have a trip when school is out. Mrs. Ruth Wilson, Ed's mother will move back to her house on 6th Street. Mr. and Mrs. James Slough and her father Fred Huston of Perryton are spending a few days in Kingsville visiting their daughters Joyce and Edna. Joyce is teaching Math in Texas Art and Industrial College and Edna is a student there. Mr. Earl Parker of Abilene, father of Church of Christ Minister Ronnie Parker was driving through town, when some hoodlum boys stopped him and beat him up, broke his glasses and hurt him, but not seriously. The Parkers plan to visit him soon. Mrs. June Parker is going to school at WTSU, majoring in Education and English. Minister Parker received a friendly letter from Waggoner Carr for the pleasure he received at the Chamber of Commerce Banquet. Mr. and Mrs. Carlos Calvert and son are visiting their son, Stanton who is at Texas University at Austin, Michael at ACC, Abilene, their daughter Carlane and her husband, Don Flynt and little grandson Mark at A & M Bryan. They will visit her parents, the Campbells and Carlos' sister Mrs. Dodd at Waco. Mr. and Mrs. Pete Aguirre and children are visiting relatives in Denver, Colorado this week. Pete is Market Manager at Ben's Food. Mr. Hopson is working there this week only.

NEW TRUDAN 2 IS HERE!

Trudan 2, Northrup King's new true hybrid sudangrass, is an exciting forage. Unlike sorghum-sudangrass hybrids, Trudan 2 produces fast growth without coarseness... the fine-stemmed, highly palatable plant yields high TDN. Trudan 2 grows back fast with lower prussic acid content. Great for grazing, hay or haylage. Trudan 2 can mean more beef or milk per acre. In tonnage trials, Trudan 2 has out-yielded sorghum-sudangrass hybrids.

Order NEW Trudan 2 now. Supplies are limited.

HART FHA
The Hart FHA Chapter will sponsor a community drive to aid the boys in Viet Nam.

The Chapter has received letters from Viet Nam and one complaint they have is that the water is so bad they need Kool-Aid to put in it to help the taste, also they would like to receive hard candy.

We would like to urge everyone in the community to take part in this. If you would like you may leave your donations at the school, but if you cannot do this leave it at any grocery store in Hart and the FHA girls will pick it up by April 15th.

This is to be sweetened Kool-Aid or hard candy - with no nuts in it. Make your donation anytime between now and April 15th. Postage will be paid by the Hart FHA.

There is one boy from Hart in Viet Nam. Here is a word from him.

You know since I have been here in Viet Nam, I've received from people in Hart letters of best wishes, which really help make it clear why we're over here. And knowing that they are thinking of us makes all worthwhile.

With these letters it makes you feel you're not only defending these people but also our own although they are so far away, yet not that far. I don't know how to explain it further, but Thanks to All.

Thanks for the letters, they are so refreshing.

Castro County Represented In First Governor's Conference On Libraries

Representatives of Libraries in Castro County attended the First Texas Governor's Conference on Libraries in the Municipal Auditorium at Austin, Wednesday, March 23.

The one day conference consisted of two sessions. The morning session was concerned with "What are our Problems?" The afternoon session was concerned with "What Can We Do?"

Governor Connally's Address was titled, "Library Excellence: Today's Necessity." In his speech Connally said that the leadership of educated man is books.

Connally reported in his address that in Texas, there is less than one book for each person presently living in Texas. With regard to this statement, Connally questioned, "Can Texas prepare its citizens with less than one book per person?"

Connally also said that today there is less demand for the light and mediocre books, and more de-

mand for factual materials in books.

According to Connally, 9,000,000 books are needed in Texas to bring the state libraries up to standard.

In the Presence of the convention crowd, Connally signed a proclamation proclaiming the week of April 17-23, National Library Week in Texas.

Dr. Harry Ransom, Chancellor of The University of Texas, in an address before the Convention body said that Texas is presently in an Era of Non Librarian and in the Era of the Non Book.

Ransom said that there are three qualifications for a librarian: (1). Love for information and knowledge, (2). Love for books, and (3). Love for readers. Ransom said that libraries in Texas enjoyed an era of interest and growth, but in 1900, interest in Texas libraries dropped and has been on a steady decline ever since.

Robert Vasper, President of the American Library Association and University Librarian at UCLA in Los Angeles, California, said that library support should be a shared responsibility on the National Level and the State Level. He said that local support alone was inadequate.

During his address, Vasper said that automation would never be a substitute for librarians.

Mrs. Weldon Lynch, Past President of the American Library Association, in an address concerning Investments in Education said that \$5,100 is paid by Texas for each child for twelve years while he is being educated in Texas Schools. After he graduates from high school, and for the next 50 years of his life, Texas pays only \$42.00 through libraries to help further his education.

Price Daniel, former Governor of Texas, and member of the Texas Library and Historical Commission delivered an address to the convention body during the afternoon session concerning "Library Financial Sources."

Daniel said in order to get the money necessary to build Texas Libraries, the sources must come from our City or County Government, and from the Texas State fund, however, there is not presently a fund set up in Texas for libraries. He said that state funds for libraries in Texas must come about by future legislation.

Daniel also said, "We may be able to get a substantial help to boost us onward to our goal of better service if we awaken our citizens and our officials to our need for better library development."

"We must examine our local resources carefully and determine whether we are contributing our fair share," he said, "If we are doing our part, then we can look for matching help. But the primary criteria, in virtually all aid

FLB Officers Attend Meeting

Wade Mills has just returned from Houston where he attended the Annual Stockholders Meeting of the Federal Land Bank. All 73 Federal Land Bank Associations in Texas were represented at this meeting.

Mr. Mills represented the Federal Land Bank Association of Dimmitt at the two-day meeting at which plans were discussed for observing the 50th Anniversary of the Land Bank System in 1967. The Anniversary will be dedicated to American farmers and ranchers, in a program to achieve public recognition and appreciation of the contributions of agriculture to the National economy.

Hal Weatherford, President of the bank in his annual report, stated that the \$94,000,000 loaned in 1965 was the largest in any one year in the bank's history and that the volume of loans outstanding

programs, is how much the local community is doing itself."

The Governor's Conference on Libraries registered 2500 people including architects, school superintendents, mayors, county judges, college presidents, county commissioners and lay people who are friends of the libraries.

Persons attending from Castro County were Mr. Paul Hilburn, Mrs. Charles Vandiver, Mrs. Steve Taylor, Mrs. John Merritt and Miss Hazel Merritt.

Slim & Trim Meeting Held

The Slim and Trim TOPS Club met at North Elementary School Monday at 7:30 p.m. with six members and two visitors present.

During the meeting, the members weighed and their weights recorded. The official rules and regulations of TOPS Club Inc. were read, and the prayer and pledge were said. The members also sang some songs together.

Following a general discussion, refreshments of Dietetic Dr. Pepper and Tab were served.

The Club cordially invites women who are overweight to join them in their next meeting which will be Monday, April 11, at 318 N. W. Eleventh Street at 7:30 p.m. For more information concerning the club, call 647-2206 or 647-5217.

The latest word from the Gift Shop is that there are still some Easter Tallies and Easter gifts for the kiddies. Combine the pleasure of giving a gift from the "Easter bunny" with the pleasure of contributing to the support of your

Hospital Auxiliary.

And speaking of "your" Hospital Auxiliary: New schedules will be made out soon. Let your choice of hours be made known. If there is anyone within reading distance of this paper that would like to be a member of the Auxiliary please don't just sit there and raise your right hand. Call Mrs. Jimmy Butler, our new membership chairman after the 13th of this month. Her phone number is 647-4494. You may call her now.

Next Wednesday, April 13th, new officers will be installed at the regular meeting in the Social Hall of the Methodist Church at 10:00 a.m.

LUBBOCK VISITORS

NOTICE

I would like to take this opportunity to thank all of the people who supported me in the last School Board Election. I am glad to see so many people interested in their school and community. I hope you will continue to voice your opinion like this by showing up at the polls every year.

Again I thank you.
