

GUS McLAIN IN HIS HOME-MADE AIRPLANE, THE DENNY II ... \$800 worth of material and a year's work in the garage

McLAIN STARTS ENGINE FOR BOB VILAS TUESDAY AFTERNOON ... Just after its first flight by Buster Tidwell

VILAS LANDS HOME-MADE PLANE AFTER TEST HOP ... "It's a real jewel," he said

Home-Made Plane Takes Maiden Flight Tuesday

It flew. Gus McLain thought it would, or he wouldn't have built it. Buster Tidwell knew it would,

or he wouldn't have gone up in it Tuesday afternoon.

IT'S THE Denny II, a little one-seat, open cockpit airplane that McLain built in his garage over a year's time.

The turquoise fabric-covered Denny II passed its FAA inspection Monday. Tuesday it made its maiden flight and passed that test, too.

With the faith of an Orville Wright, Buster Tidwell climbed into the open cockpit Tuesday afternoon, strapped himself in, gripped the single control stick, and lifted the plane off the ground while a cluster of 35 at the Dimmitt Airport watched in silent awe.

The maiden voyage lasted 15 minutes. After getting the "feel" of the homemade plane, Tidwell carefully climbed, banked, dipped and buzzed it with the professional touch of a cropduster pilot.

The little aircraft looked and sounded A-O-K as it buzzed easily overhead, its turquoise fuselage and white checkered wings catching the afternoon sun. Tidwell's landing was perfect.

"It handled real good," Tidwell said. "The left wing keeps trying to come up a little bit, not much. The nose is real good. It ought to trim up nice."

McLain was all smiles.

DID TIDWELL have any apprehensions about making the first flight in a home-made airplane? "Nope," he said.

Then the plane spent 45 minutes more in the air as Bob Vilas, who is also with Tidwell Spraying Service made three more passes in it.

"The air sure is fresh up there," Vilas grinned as he climbed from the open cockpit.

"It's an easy plane to fly — you have to work at it a little,

McLain was obviously elated Tuesday as his little plane buzzed over Dimmitt airport.

"IT TOOK ME about a year to build it, and I enjoyed every minute of it," he said. "There were times when I didn't know if it would ever fly or not."

He'll be flying it himself soon. He has graduated as an aircraft builder, but he hasn't yet graduated as a student pilot. There were no regulations restricting him from taking his plane up, but common sense told him to let a more experienced pilot give the Denny II its first workout.

McLain is a member of Lubbock's Chapter 19 of the Experimental Aircraft Association—and he'd like to see a few other plane builders get started here.

"THE PLANE wasn't too hard to build, and I wish there were more interested in homebuilt aircraft," he said.

The plane's construction became a family project for McLain, his wife Gladys, and their four youngsters.

"The plane has been in the garage for a year, so it's sort of a member of the family," McLain said. "The kids want to fly it."

Then he added: "I'll tell you one thing — you can't build an airplane without a very, very understanding wife."

Flame Queen candidates are Raelene Schulte, senior; Sheila Birkenfeld, junior; Connie Abernethy, sophomore; and Lorene Brockman, freshman. Vying for Flame King are senior Claude Anen, junior Mark Gerber, sophomore Bernie Welch, and freshman J. C. Pohmeier. Winners will be crowned during the pep rally tonight.

THE HOMEcoming game between Nazareth and Hart will start at 7:30, but fans should be at the football field a half hour earlier if they want to see the crowning of the Homecoming Queen.

Queen candidates are senior Stephanie Birkenfeld, junior Sandra Gerber, sophomore Erlene Birkenfeld and freshman Jackie Book. Pre-game coronation ceremonies will begin at 7 p.m. Friday.

After Friday night's game, a public dance will be held in the community building, with music by the Chanters.

The homecoming dinner of southern baked ham will be served in the school cafeteria from 11:30 to 1:30 Sunday. Cost will be \$1.25 for adults and 75 cents for children 12 and under. Preschoolers will eat free.

PROCEEDS of the dinner will go to the athletic fund. Football boys are selling advance tickets now, but tickets may also be purchased at the door Sunday.

An open house throughout the school system Sunday afternoon will wind up the homecoming activities.

Hart Riders will compete in the national finals at 8 a.m. Saturday in Dallas.

RIDERS and their parents will leave Hart Friday morning and return Sunday. Also attending will be Cleve McLain, parade marshal; F. A. Smith, club director; and Mrs. F. A. Smith, club secretary.

Boys and girls who have earned the right to compete in the national finals are Jerry Smith; Jim, Jerry and Margaret Swindle; Danny Carson; "Buttons" Sanders; Rex and Nelda Henderson; Harley Malone; James, Dana and Carey McLain; David Dalton; and Larry and Don Sanders. Another eligible rider, Retta Henderson, is a freshman at South Plains Junior College and won't be able to attend.

Mr. and Mrs. Franklin Latimer and family spent last weekend in Amarillo where they met two of her sisters, for a visit.

40th Year — No. 2 Dimmitt, Texas, Thursday, Oct. 27, 1966 14 Pages

By 2-1 Voters Nix Bond Issue

Dimmitt's voters set an all-time record Tuesday as they voted the city power and light plant proposal by more than 2-to-1.

THE HOTLY debated issue drew a whopping 86 percent turnout of eligible voters.

Final count was 512 against the revenue bond issue and 243 for it. Election Judge Noel Gollehone reported that 19 other ballots were mutilated and couldn't be tallied. Total turnout was 774.

Although only 900 of the city's 1,200 voters were eligible for this election as property tax payers, they still surpassed by 200 the biggest number of votes ever cast in any city election here.

Voters averaged casting a ballot of every 50 seconds during the 11-hour election day.

"THE CITY HALL was crowded nearly all the time during the election," Gollehone reported. "It was a steady stream from 8 until 7, and it kept five of us going all the time to keep up with it."

The voters' big-ballot decision ended a 19-day public argument over the pros and cons of establishing a \$2.5 million city electric generating plant here. Southwestern Public Service Co. led an intensive campaign against the proposition.

"We feel that it was a vote of confidence for the people of Southwestern Public Service," said local SWPS Manager Earl Brocks, "and we want to thank the voters for their support and promise that we'll continue to give the best service we can to Dimmitt."

"THE GREAT PUMPKIN" came to town Saturday, much to the delight of these Halloween-ready youngsters. But it didn't come out of the sky — it came from the garden of Tulon White, who operates White's Elevator 12 miles west of Dimmitt. The huge pumpkin weighed a whopping 103 pounds and measured six feet around — and it wasn't the largest of White's pumpkins this year. He had another that scaled 120 pounds. The pumpkin gathered this crowd of youngsters as it stopped at the Phillips 66 bulk plant Saturday en route to a state fertilizer convention in Austin. Gathered around, from left, are Hector Ramos, Edward Nino, Dudley Wilcox, Jo Dawn Wilcox, Dusty Wilcox, and Gilbert Nino.

Nazareth School Homecoming To Start With Bonfire Today

Nazareth will launch its annual school homecoming today (Thursday), with three days of festivities on tap.

RECEIVING a special tribute during homecoming activities today, Friday and Saturday will be the Nazareth High School classes of 1926, '36, '46, '56, and '66, along with all who graduated from 1927 through 1935.

Highlighting today's activities will be a bonfire, pep rally and the crowning of a Flame King and Queen. School partisans will gather at the high school at 6:30 and the Swift Band will lead the march to the bonfire site.

Fewer Farms, Big Sales Recorded In '64 Census

Castro County's farms are fewer and bigger than they were seven years ago, and they're producing 62 percent more in dollars and cents.

The comparisons were released this week by the Census Bureau through a complete statistical report on its 1964 Census of Agriculture.

THE CENSUS turned up 645 farms in Castro County in '64, a 107-farm drop from the 1959 total of 753.

Average farm size in Castro County in 1964 was 933.8 acres, the bureau reported. The average farm in this county (land and buildings) was valued at \$292,530 in 1964.

Other important county statistics in the report are:

1. VALUE OF all farm products sold by farms in the county in 1964 was \$37,013,735, up 62 percent from the 1959 total of \$23,043,426.
2. Value of all crops sold by county farms in 1964 was \$29,538,698, compared with \$19,421,044 in 1959.
3. Value of all livestock and livestock products sold by county farms in 1964 was \$7,475,037, more than twice the 1959 total of \$3,622,382.
4. Of Castro County's 636 farm operators, 483 live on the farm they operate and 153 do not.
5. ALL OF Castro County's farm-owners, part owners, managers and tenant farmers are white. Nonwhites were recorded in any of the categories in the 1964 census.
6. The county's farmers include 156 full owners, 211 part owners, seven managers and 271 tenant farmers. The 1951 totals were 207 full owners, 188 part owners, three managers and 355 tenants. Forty-two percent of the county's farm operators are tenants, where

as 47.1 percent were in 1959.

7. Almost half of the county's farms had sales of \$40,000 or more in 1964. These Class I farms totaled 309, a big jump from the 1959 total of 186. Of the remaining 331 commercial farms, 194 posted sales of \$20,000 to \$40,000 in '64 while the other 137 had sales of less than \$20,000. In 1959, the great majority of Castro County farms had sales between \$20,000 and \$40,000.

A CENSUS of agriculture is conducted by the Dept. of Commerce every five years, in years ending in 4 and 9, to gather information on the nation's agricultural resources and production. The report on Castro County contains more than 500 facts about agriculture here.

Single copies of the tabulated report are available for 10 cents from the Bureau of the Census, Washington, D.C. 20233, or from any field office of the Dept. of Commerce.

More Candy Needed for GI's

LADIES WRAP AND LABEL CANDY FOR COUNTY SERVICEMEN IN VIET NAM ... Vi Morrison, Glenda Rickerd, Irene Keating and Reta Welch

Castro County's "Candy for Viet Nam" project drew a quick response over the weekend, but the candy's all gone now and twice as much is needed to fill out the county's GI mailing list.

Lady volunteers wrapped and mailed four-pound Christmas candy packages Monday to 11 Castro County servicemen overseas. Most of our servicemen in Viet Nam have now been mailed candy.

"BUT THERE are still 24 boys addresses on the list that we don't have candy for," Nelda Tuttle at the Farm Bureau office said. "They aren't all in Viet Nam. The boys in Viet Nam are being given priority, but the ladies hope they'll get enough candy to send to Castro County boys at other overseas posts."

So far, 24 ladies have taken 50 pounds of home-made candy to the Farm Bureau office and 14 contributors have given money to help pay postage. Mailing cost is about \$1 per package, County HD Agent Irene Keating said, and the postage fund is running short, too.

"The response was really good at first," Mrs. Keating said, "but now some of the girls are worried that there won't be enough candy or money."

DEADLINE for turning in the candy for Christmas is Monday. Candy should be packed in one-pound coffee cans with plastic lids.

Visits Sisters Mr. and Mrs. Franklin Latimer and family spent last weekend in Amarillo where they met two of her sisters, for a visit.

Hart Riders Off to Dallas

Hart's Junior Riding Club will compete in the national finals at 8 a.m. Saturday in Dallas.

RIDERS and their parents will leave Hart Friday morning and return Sunday. Also attending will be Cleve McLain, parade marshal; F. A. Smith, club director; and Mrs. F. A. Smith, club secretary.

Boys and girls who have earned the right to compete in the national finals are Jerry Smith; Jim, Jerry and Margaret Swindle; Danny Carson; "Buttons" Sanders; Rex and Nelda Henderson; Harley Malone; James, Dana and Carey McLain; David Dalton; and Larry and Don Sanders. Another eligible rider, Retta Henderson, is a freshman at South Plains Junior College and won't be able to attend.

Voters: You Can Sign Up Free Now

Attention, voters: FOR THE first time this century in Texas, you can now register free.

This is the first year you can vote without paying a poll tax, and County Tax Assessor-Collector Kent Birdwell urges you to register now. Forms are available at Birdwell's office in the courthouse.

If you are a county and state property tax payer, you received a small voter registration form on the back of your tax bill. You can either use this small form or pickup a standard form at the courthouse.

"Registration is different now than when voters registered through the poll tax," Birdwell cautions. "A voter can now register only in person or as an agent for husband, wife, mother, father, son or daughter."

Deadline for registering is Jan. 31.

LEGIONNAIRES of the 18th District will pay special tribute at their fall convention in Memphis next week to Jack and Mary Flynt of Dimmitt, the husband-wife leadership team of the Texas American Legion and Auxiliary. Before their election to the top state Legion posts in July, they served two-year terms (1962-64) as district commander and district auxiliary president.

Stovall Earns Early Promotion

Glen D. Stovall, 19, son of Mr. and Mrs. C. L. Stovall, Route 2, Hereford, received an early Army promotion to Pvt. E-2 on completion of basic combat training at Ft. Bliss.

HE WAS awarded the promotion two months earlier than is customary because of his score in firing the M-14 rifle, high score on the physical combat proficiency test and his military bearing and leadership abilities.

The early promotion program is an Army policy providing incentive for outstanding trainees.

Bible Thoughts

"DEATH"

By Ronnie Parker

Death is God's unalterable decree since Eden. "So death passed unto all men, for that all sinned" (Rom. 5:12). "It is appointed unto man once to die, and after this the judgment." (Heb. 9:27).

Death, the grim reaper, is coming for you. His finger will strike, and you cannot escape him. He will snuff out your life. Life with its blessings and opportunities will be over. Death seems so morbid and unreal. It is dark, gloomy, horrible. It is always associated with sickness, sorrow, unhappiness, suffering, and pain.

But the grave is not the end. There is a majesty, a grandeur, in the thought of immortality that sends a thrill to the very heart of man. Empires, kingdoms, and republics rise, and fall, and pass away; but man — immortal man lives on. Here we are living and moving among the dying and the dead, and yet conscious that there is something within that will survive. Paul reminds the Christian of his victory in Christ in 1 Cor. 15:54 ff. "So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory . . . Thanks be to God, which giveth us the victory through our Lord Jesus Christ."

Childhood PLEASURES

"Even a child is known by his doings, whether his work be pure, and whether it be right."

A mother only has to glance at her child to know if his play is pure, or if it is leading to mischief. Our Father in heaven can as easily look on our hearts and judge our ways. "A good man out of the good treasure of the heart bringeth forth good things: and an evil man out of the evil treasure bringeth forth evil things."

Seek the Lord in his house, so that your heart will be right with God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

The Ladies of the Wesleyan Guild of First Methodist Church met Monday night at the church for a special "Week of Prayer" program. This is one of the most important annual observances of Methodist women throughout the United States.

Theme of the program was "These My Brethren," led by Mrs. Bill Bell.

Other ladies participating in program were Mrs. T. B. Cox, Mrs. Buster Aven, Mrs. Andy Gardenhire, and Mrs. Douglas Gossett.

The Woman's Society of Christian Service will meet at the Church Thursday for "Week of Prayer" program, with a salad luncheon. Mrs. Ed Bennett has charge of the program at 11 a.m.

MR. AND Mrs. R. J. Murray and family were in Dalhart Tuesday to attend the funeral of her grandfather, William Barrow, 82, who died Saturday at his home.

On Thursday of last week Mrs. Douglas Gessett, Mrs. H. H. Parker and Mrs. E. E. Foster attended the district meet of WSCS in Plainview for an all-day meeting.

Troop 246 Boy Scouts met Monday evening with five new members — Bill Bates, John Guana, Roy Gonzales, Stanley Dyer and Theron Hawkins.

A board of review was held for Duane Clevenger and Dirk Rambo, who had completed First Class requirements, and Ike Graves, who had completed Star Scout requirements.

Other boys worked on first aid, lashing and signaling.

Hart, showed four lambs in the Junior Lamb Show at the State Fair in Dallas, Oct. 17-21. One of their Hampshires placed 34th, a Southdown cross placed third, and two Southdowns placed 36th and 44th. The boys showed under heavy competition in each class.

The boys returned home by plane, their first ride in the air. They brought home two of the lambs for further showing in county and area shows.

Mr. and Mrs. Rod Roland are the proud parents of a baby girl born Monday at 12:55 a.m., weighing 6 pounds, 15 ounces.

Grandmother is Mrs. A. M. Roland of Plainview.

Edgar Varner was guest of honor Sunday for a birthday dinner in his home. Helping to celebrate were their three children and

eight grandchildren — Mr. and Mrs. Jerry Varner and children, Mr. and Mrs. Gene Varner and children and Mrs. Buster Hacker and children.

HART SCHOOL LUNCH MENU OCT. 31 to NOV. 4, 1966
Monday — Breaded steak fingers, new potatoes in sauce, tossed salad, hot rolls, orange cake, milk and butter.

Tuesday — Meat Balls and spaghetti, candied sweet potatoes, seasoned green beans, hot rolls, peanut butter brownies.

Wednesday — Ham shanks, pin-to beans, whole kernel corn, onion slice, cornbread, peach cobbler, milk and butter.

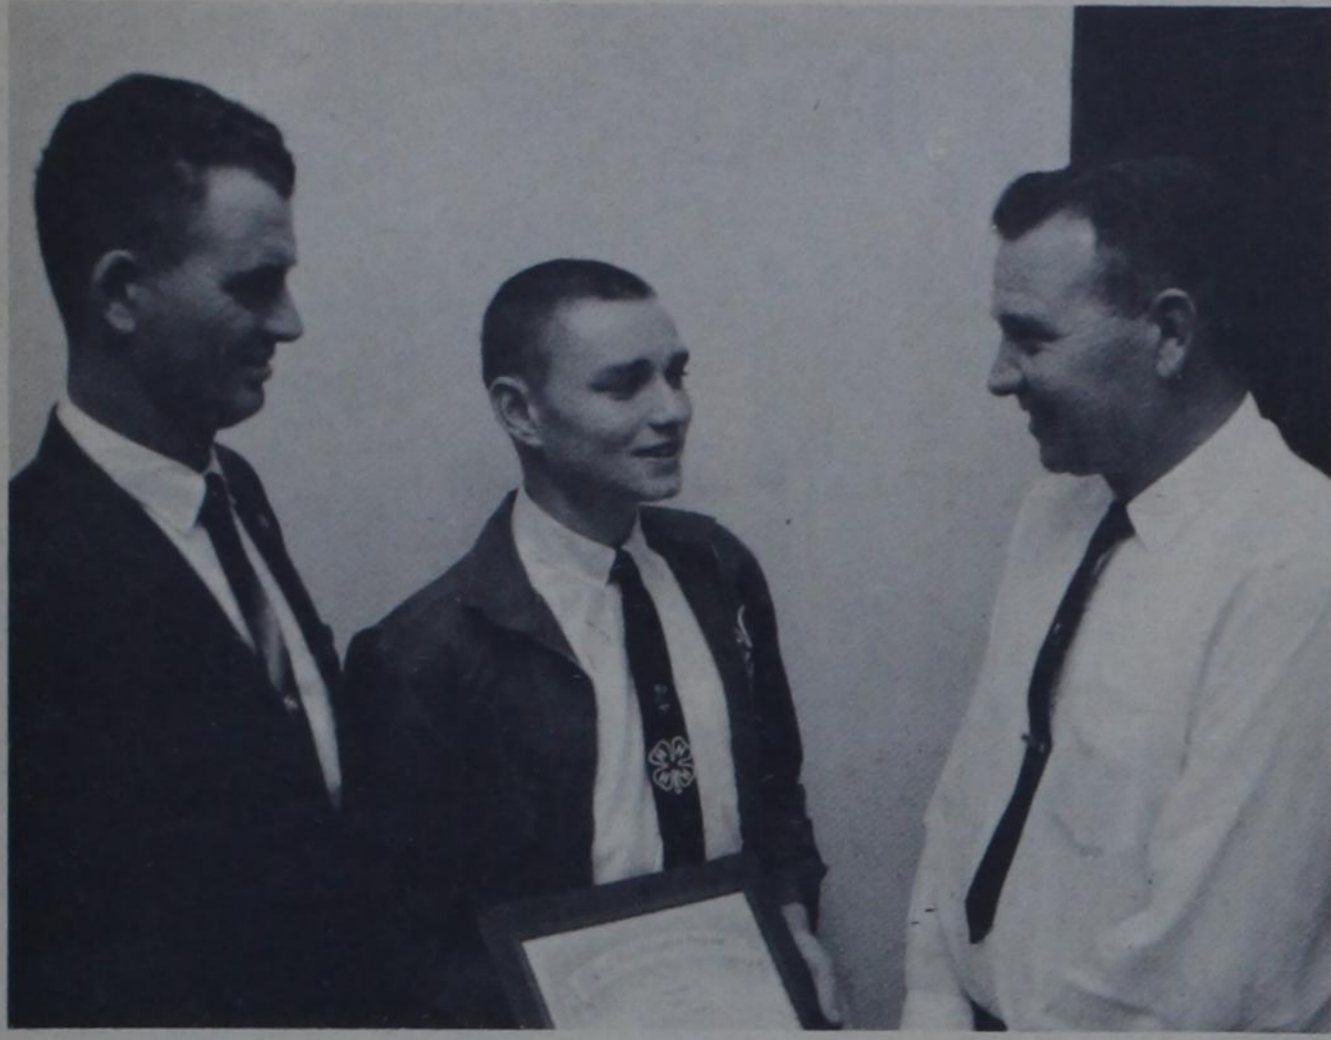

Thursday — Hamburgers, mustard, onion, pickle relish, potato chips, lettuce and tomato, fruit cup, milk and butter.
Friday — Cheese and macaroni wieners, frozen chopped broccoli, hot rolls, plain jello, milk and butter.

TERRY'S local adult leader has been David Acker, who is vice-president of the state insurance association. Acker started the group out by taking them to his own farm for a fire hazard hunt. He found seven hazards on his family's farm and soon eliminated those which could be easily corrected. He later inspected other farms and pointed out to the owners fire hazards which should be corrected. Reinspection showed that most had been removed.

Mrs. Willis Observes 89th Birthday Sunday

BY MYRTLE SHEFFY
Mrs. G. L. Willis, Sr., was honored at an open house in her home Sunday afternoon and a birthday party celebrating her 89th year. Her children were hosts. G. L. Jr., and Allie Mae greeted the guests as they came. Mrs. Leland Lee, Mrs. C. L. Morris and Mrs. G. L. Willis, Jr., assisted in guiding the folks. There were 200 registered by granddaughters Carolyn Copeland and Kay Willis.

Another party was the Elephant Birthday group that had dinner honoring Mrs. Maggie Gollehon, Tuesday at the Colonial Inn Restaurant. Attending were Ruby Maples, Maggie Boren, Eunice Fowlkes, Birdie Neall, Lena Ramey, Lois Bartlett, Mae Boothe and Kirk Kirkpatrick.

SHARI WILLIS and Jean Morris served cake and coffee from silver appointments from a table covered with aqua blue satin overlaid with blue maline draped at the corners with pink roses. The centerpiece was an imported English chine antique vase or ornament. Helping the Willis girls with hostess duties were Jerry and Larry Morris, Nancy Upton, Jan Willis, Mrs. Goodwin Miller, Mrs. Jim Golding, Mrs. Jack Cowser and Mrs. J. C. Gilbreath. Mrs. Bradford and Mrs. Cunningham took the flower arrangements.

MRS. A. O. Gregory is spending a few days with her daughter, Mrs. Hez Wright and family at Lamesa. Mrs. Tina Mae Fulcher of Stephenville is here with her father, E. B. Wright, who is seriously ill in the Plains Memorial Hospital. I talked with Aural Davis. She went to Lubbock Friday for the Tech homecoming events. She was with her brother, Roderick Shaw and daughter, Suzie. Jan Story and Janie Vick came down on Saturday and they all saw the show, "Dr. Zhivago" and attended the big dinner and the games, one between the fraternities, ATOs and SAE's, and the big game. She saw Peggy and

Allan Webb. They visited Kristi and Steve Wesson and attended the events. Also James Bradford and Bill Birdwell were there. I was told by several folks that the oyster and shrimp supper Saturday night, sponsored by the VFW in the new hall was a big success. More than 70 couples bought tickets. I heard that Fred Bruegel furnished the shrimp — you can ask him. Mrs. Keith Howard played organ music sorry we missed that party.

TRY THE WORLD'S TOUGHEST 2-DOOR

This new Chevy pickup looks so good you could call it a 2-door. (You could also call it the toughest Chevy pickup ever built!)

This Fleetside pickup's got a lot more than good looks going for you. It's got new construction to bring you more durability, working ease, comfort and safety. Check that new all-steel pickup box, for example. New full double-wall side panels and tailgate keep your load from leaving its mark on Chevy's good looks. And new measures have been taken to help keep out rust and corrosion. Like the one-piece wheelhousings that now protect sheet metal against tire splash. Inside, the color-keyed cab looks and feels like a pleasant place to work. There are a number of new safety features, too: an energy-absorbing steering wheel and a dual master cylinder brake system, to name two. And here's another thing the new Chevy pickup's got going for you: it rides better than some cars. Choose from 26 Fleetside and Stepside models now at your Chevrolet dealer's.

Best Buys In Markets Include Turkeys, Pork

To help offset rising food costs, plan more of your menus around items slightly lower or about the same in price as this time last year.

THE HALF-DOZEN foods tagged plentiful this November by the US Dept. of Agriculture show up well under such price comparisons, points out the Texas Agricultural Extension Service. These plentiful include the traditional favorites of the season — turkey, pork, pears, grapes, raisins and dry beans.

Farm prices of turkeys and hogs have been running slightly below a year ago, according to market reports of USDA's Consumer and Marketing Service.

Turkey production hit a record high for the fourth consecutive year and is up about 11 million birds from last year.

PORK production is increasing more than it usually does in the fall, reflecting the 10 percent larger spring pig crop now coming to market, so fresh pork prices are a bit lower as supplies increase. Boston butt roasts and shoulder steaks are good values. Attractive prices will be seen on some brands of bacon and sausage.

Features in the beef department include some of the popular steak cuts, boneless and chuck roasts. Ground beef, very versatile, is still a good value.

Fryer chickens continue to be an excellent value. Turkey roasts, turkey rolls or turkey parts are excellent for menu variety.

IF YOU NEED to stretch your milk money, do it by purchasing non-fat dry milk and evaporated milk to supplement the whole milk for your family. Remember that skim milk and buttermilk are lower in price than whole milk, and both can be a pleasant change.

Mrs. Gwen Clyatt, Extension consumer marketing specialist at Texas A&M University, reports that bananas now cost less per pound in our markets than they

did 10 years ago. Vegetable counters are well stocked, although none are exceptionally abundant, she said.

Carrots, soft and hard shell squash, green peppers, sweet potatoes and dry onions are among more attractively priced items. Cauliflower quality is good although some are rather small.

About 47 percent more pears were produced than last year, and 22 percent more dry beans, so these items should be good buys now, she said.

Also, fresh grapes and raisins are 20 percent above average output.

4-H Leadership Meeting Planned; Four Counties Will Participate

BY IRENE KEATING
Hofe Demonstration Agent
Tuesday morning I was in Hereford with the district agent and home demonstration agents Argen Draper, Kate Gamble, Cricke Taylor and Rita Sue Huckert. We discussed plans for area 4-H leader training.

WE WILL HOLD a 4-H leader symposium in Hereford Thursday, Nov. 17 at the Community Center Ballroom from 10 a.m. to 2 p.m. Leaders and prospective leaders from Deaf Smith, Randall, Farmer and Castro Counties will attend. Leaders, mark this very important date on your calendar.

Let's remember the farm sale Thursday at the North Gin. It is Mrs. J. G. Davis's sale and the Home Demonstration Club women are serving lunch.

Wednesday I went to Bethel Home Demonstration Club. Flagg Club gave a very interesting style show about fashions of the farmer's wife. It was very humorous.

Friday I was at Flagg and gave the program to the Home Demonstration Club. I sure enjoyed the girls there.

YOU MAY BE interested in preserving fall foliage so it can be used later in the year for arrangements. Fall is an excellent time of year to gather items. Things that are dried or coated are magnolia leaves, colorful fall leaves, and other foliage.

The National Florists Institute recommends the glycerin treatment to preserve foliage. Use two parts water to one part glycerin. Mix enough to be four inches deep in your container. It is best to use a non-metallic container.

To preserve foliage, wash it in cold water to remove dust and defective leaves. Then stand it in the glycerin solution with the stems upright. Leave it in this solution until full absorption has taken place. This is quite easy to determine — when the

new color reaches the leaf margin, it is ready. It takes from two to five weeks for this.

The container should be placed where it has good air circulation, otherwise the foliage may dry before complete absorption takes place. Occasionally wipe the leaves with the glycerin solution. The preserved leaves may be used with anything and last indefinitely.

TO DRY flowers and preserve their natural color, they should be cut when they first bloom, or when just showing color. Foliage should be stripped to prevent continued growth, and they should be tied into bunches and left to hang upside down in a dark, dry place, so that the moisture may evaporate quickly.

Clayton Named To House Group

Speaker Ben Barnes Friday announced the appointment of Representative Bill Clayton of Springlake to serve as a member of the House interim committee on the feasibility of establishing a group insurance plan for state officials and employees.

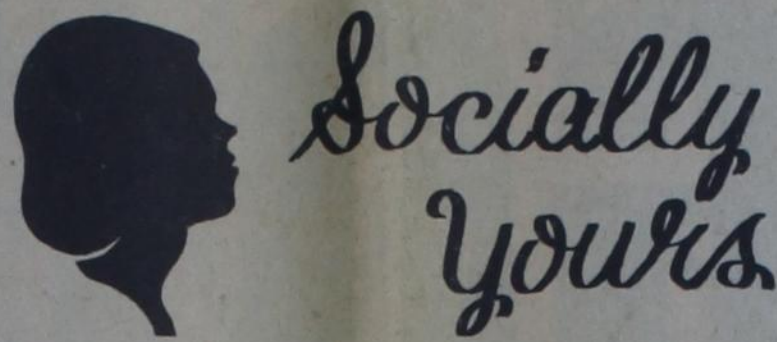

CLAYTON was elected to the Legislature in 1962 and is now chairman of the Aeronautics committee and a member of the committees on conservation and reclamation; municipal and private corporations; public health; and state affairs.

Garden Club Takes Film Tour Of Hawaii

"A Trip to Hawaii" via the color slide program was enjoyed by the Dimmitt Garden Club Wednesday of last week, in conjunction with a buffet luncheon at the Colonial Inn Restaurant.

Mrs. J. C. Gilbreath discussed points of interest in the 50th state as Mrs. J. R. Brown showed slides. "IT IS THE most beautiful, and the most different country I have ever seen," Mrs. Gilbreath said.

Hawaiian plants shown in the slide program included multi-colored orchids, the ginger flower, the fragrant white plumer (used in the traditional leis), and the "sausage tree" that produces inedible sausage shaped fruit 14 to 36 inches long.

The hostesses, Mrs. Roberta Stokes, Mrs. Merle Smiley, Miss Allie Mae Willis and Mrs. Brown, wore colorful mu-mus and presented each person with a lei. Tables were decorated with fruit and driftwood.

Mrs. Iris Touchstone conducted the business meeting. Mrs. Raymond Wilson presented plans for the club's Christmas decorations on the courthouse square.

THE DISTRICT meeting will be at the Koko Inn in Lubbock Monday. Local members are urged to attend.

Ladies were reminded that now is the time to plant tulips, jonquils and other spring blooming bulbs.

The Garden Club urges local residents to be more careful with

their litter — too much paper is blowing around the city's streets. School children with paper cups and bear drinkers with bottles and cans should put their "empties" in barrels, not yards and bar ditches.

Twenty-five members were present at last week's meeting, plus a guest, Mrs. Bill Dannevik.

'Garage Sale' By Milady Club Moves Downtown

Milady Garden Club has moved its "garage sale" out of the garage and downtown.

To accommodate public demand, the sale will be held in the Froehner Building Saturday from 9:30 a.m. to 5 p.m.

ALL DONATIONS or consignments are welcome, and your items will be picked up if you phone 647-4425 or 647-4235.

Included in the sale will be "garage" items for budding creative artists, collectors, antique enthusiasts and bargain seekers. There will also be a table of special baked goods prepared by members of Milady Garden Club.

Adamses Have Visitors

Mr. and Mrs. Mayes Mitchell and son Michael Jaye, and Mayes' young niece, Suzanne Cox, visited with the Walter Adams family Tuesday night of last week.

Methodist Women Will Take Part In Worldwide Observance Tonight

Members of the Woman's Society of Christian Service of Dimmitt's First Methodist Church will take part tonight (Thursday) in one of the most important annual observances of Methodist women. "A CALL to Prayer and Self-Denial," first observed by Methodist women in 1887, focuses on guided mission study, a much-needed offering for special mission projects and a deepened spiritual life.

The program will be held at 7:30 p.m. tonight in the First Methodist Church sanctuary with

Mrs. H. Weldon McCormick as leader.

Throughout the US, more than 1.6 million women in 36,000 societies and guilds will join in the observance.

THEME OF the program will be "These My Brethren," taken from Matthew 25:40 and emphasizing brotherhood in missions work. All women of the church are invited.

Library Displays Children's Books

An Exhibit Collection of 30 children's books is now on display in the Castro County Library. The exhibit has been sent on a loan basis from the state library for observance of National Children's Book Week, Oct. 30-Nov. 5.

THESE BOOKS are furnished to the state library free of charge through the cooperation of the American Library Association, Children's Book Council, Inc., Joint Committee and the publishers. The books are the selections of publishers and these titles do not necessarily carry the recommendations of the state library.

It is the rule of the sponsors that the books are to be used for exhibit purposes and as an aid in book selection, but are not to be checked out.

The exhibit will remain on display in the library until Nov. 19, when it will be returned to the Texas State Library.

Ball Finishes Vehicle Course

Army Private Darryl E. Ball, 20, son of Mr. and Mrs. Florence J. Ball, Route 2, Dimmitt, completed a vehicle mechanic course recently at Ft. Ord, Calif.

During the course, he was trained to repair internal combustion engines and vehicle chassis components. Instruction was also given in the fundamentals of electrical and transmission systems.

MRS. SAMMY KIRK ... Nee Donna Carmichael

Marriage Revealed

Mr. and Mrs. Dale Carmichael have announced the marriage of their daughter, Donna Nilene, to Sammy Kirk, son of Mrs. Fern Law of Amarillo and G. P. Kirk of Hobbs, N.M.

The wedding took place Oct. 14 in the bride's home.

Naomi, Ruth Circles Study 'Being, Doing'

Mrs. Weldon McCormick continued the Bible study on "Christian Being and Doing" Monday when the Naomi and Ruth Circles of Women's Society of Christian Service met at First Methodist Church.

Thirty-two ladies were present. **THE CIRCLES** will not meet this Monday. A general meeting will be held Nov. 2 in the church with Betty Campbell Circle as hostess group.

The public is invited to attend the special Week of Prayer program Thursday at 7:30 p.m. at the church.

Now Is The Time To -- Beat Abernathy!

Well, here I am again this week with quite a bundle of news. First of all, we need to go out and back the Bobcats in their journey to Abernathy this week. This is going to be a tough game and the Cats are going to need all the support the fans can give them. As most of you know, there is quite a bit of rivalry between Dimmitt and Abernathy and it would really be a feather in our cap if we could beat them. Let's get out and support the Cats. Beat Abernathy!

LAST TUESDAY, Oct. 18, if you walked down the halls of DHS after third period, you could hear talk — not small talk, but big talk — about the P.S.A.T. test that most of the juniors and three seniors took. If you did hear this talk, you probably heard something like this: "Did you get the meaning out of that paragraph?" or "Boy, those vocabulary words were hard!" or "Could you figure out number 42 on the math section?" These were a few of the statements that could be heard after this test. The purpose of the test was to compare the juniors on their scores on the S.A.T. That is, it pretty well determined the way that the final test would come out. It also helped the juniors decide what their weakest point was so they could prepare for the S.A.T. test between now and their senior year.

If this isn't school spirit in its finest form, I don't know what is, but we have a new type of sign in the halls of DHS. Instead of all of the signs having just words on paper, the pep club has come up with some marvelous ideas. Some of the signs are still written on paper, but they are illustrated. Many bright colors are used, as well as extras such as glitter. These things add to the beauty of the signs. Also, new in the way of signs, are the ones made with letters out of construction paper. These letters are mounted on the wall. They are very attractive and quite interesting. One of the cute ones last week was about the mirror on the wall. It was really eye-appealing.

THE SHOWCASES have really spruced up the appearance of our school this past week. In the Home Ec showcase, there is a beautiful display of colors and their use in decoration. In the library showcase, there is a really cute display on Halloween. It has the Halloween colors — orange and black — little owls, and a little urging students to read scary stories because they just go along with Halloween. Really, if you haven't read any of the works of Edgar Allan Poe, you should try. If you like scary stories, these will make your hair stand on end. They are really great.

Also, on Tuesday, Oct. 18, Mr. Smith, Paralyn Render, Sue Lust and Carolyn Dunn took a trip to Clarendon. Mr. Smith was judge at a marching festival there. Five bands participated to obtain sample ratings and criticisms. The judges, Mr. Smith and Mr. Dean Killion of Texas Tech gave the directors pointers on how their bands could improve between now and contest. The marching contest for that region will be Nov. 1.

Our band goes to marching contest on Nov. 22. The band is hard at work to gain a first division in Lubbock. The marching contest is one-third of the Sweepstakes Trophy. The other two-thirds lies in Concert contest and sight-reading contest, which

will be held in the spring. Some of our better dressers of the week were: Linda Bennett, who wore a very stylish ensemble consisting of a black pleated skirt with a black knit top with brown, beige, and white stripes. To set the ensemble off, Linda wore socks to match the stripes in the blouse. Paralyn Render wore a very pretty and very feminine turquoise dress last week. It was empire style and had white lace around the cuffs and down the front from the neck to the waistline. Very pretty, Paralyn! Martha Nitsa wore a beautiful suit of plaid wool with navy crocheted sleeves. I understand her mother made the sleeves for it. Sue Lust had on a cute black and white checked dress with a low-slung waist. It was belted at the

B Team Falls To Muleshoe

Last Thursday the B team journeyed to Muleshoe to take on their B team. In the first quarter it seemed to be Muleshoe's ballgame as they scored on three long runs. The result of this was a score of 18-0 in Muleshoe's favor at the end of the first quarter.

THIS CAUSED our boys to buckle down and the rest of the game was evenly matched. At one point, our boys were on the five-yard line and about to score but they lost the ball on a fumble. Other than the first quarter, the entire Bobcat defensive squad turned in an excellent game. The only other score was a touchdown in the last few minutes of the game.

Louis Rendian recovered three fumbles and did an outstanding job on defense for the Bobcats. Richard Jackson and Glenn Mundell were other outstanding defensive players.

ON OFFENSE Ronnie Prather moved the ball well for Dimmitt. George Nelson completed six passes, two to Steve Faulkner, who made outstanding catches. Although our boys fought to catch up, the game ended in a score of 24-0 with Muleshoe victor.

THE FRESHMAN team, coached by Mr. Hedrick and Mr. Hunter, won over the Muleshoe freshmen by a score of 14-6. The high point of the game was when quarterback Jerry Birdwell ran 45 yards for a touchdown. We are very proud of our B and Freshman teams and urge all DHS students to come out and support them.

waist and had a skirt with just a little flare. Beth Moore wore a very style-packed shift made of bright blue velveteen. It buttoned all the way down the front. Poppy Byrnes wore a dashing hot pink blouse accompanied by the new flowered jeans. Mary Hays wore a cute cranberry skirt and a white sweater with cranberry designs of triangles in it. Vickie Powell wore a beautiful soft peach skirt and sweater set. As you can see, the colors of the fall are being worn widely on our campus and maybe things will change this year. I mean by this

Students Give Radio Program; Discuss DHS Annual and Paper

"Hello, this is Speech III class for KDHN. Today we have with us some of the journalism class and we are going to discuss the annual and Bobcat Tales."

MIKE BAILEY, as moderator of the program, directed several questions to both students and the sponsor, Miss Bernice Littlepage. These questions pertained to the annual and the Bobcat Tales.

The students were Tommy Stafford, senior assistant business manager for the annual and sports editor of the school paper, Carolyn Dunn, co-editor of the annual and society editor of the Bobcat Tales, Peggy Godfrey, co-editor of the annual and feature writer for the paper, Sandra Coffman, business manager for the annual and feature writer for the paper, Garland Jarvis, Bobcat Tales, Editor and faculty editor for the annual; Kita Struve, girls sports editor and assistant editor for the paper, and Carolyn Simpson, photographer and feature writer.

Mike opened the program by asking Carolyn Dunn if there were going to be any changes in our annual this year. Carolyn said that for the first time we would have an annual devoted entirely to the high school, and in addition to this we would have a supplement containing all spring activities from February until May 28. Sports, banquets, and all senior activities will be included. The cost of the annuals this year will be \$4.10 without plastic cover or supplement, \$4.60 with supplement, and \$4.85 with plastic cover.

Annuals went on sale earlier this week. **GARLAND** explained the delay in our annual sales: The high school annual was a major problem and the Board of Education voted to have this, and also the supplement had to be investigated. The cost and size had to be approved by the Board.

The question of how we finance the annual was asked. A small portion of our fund comes from our annual sales; however, the largest part comes from selling advertising space in our annual to the various businesses in Dimmitt and surrounding communities.

The Bobcat Tales was discussed and Garland gave the purposes and Kita Struve explained how we were trying to present these purposes to our readers. Carolyn Simpson explained how we ob-

tain stories, how assignments are made, and she stressed the responsibility of the staff for gathering the facts and writing it into newsworthy articles.

The program was concluded when the group sang "Happy Birthday" to Miss Littlepage, who with "Smith" and Jack Benny claim to be "39."

Organizations FTA Selling Record Books

The FTA met Tuesday, Oct. 18. Members were further informed on the campaign of A'llan Webb, the club president, for recording secretary in District FTA.

Also, the club is selling school record books of kindergarten and the twelve school years for one dollar each.

THE NATIONAL Honor Society reorganized, Monday, Oct. 17, and took an oath in order for business to be legally carried on.

The following officers were elected: President — Paralyn Render Vice-President — Garland Jarvis Reporter — Debra Summers Recording Secretary — Elaine Davis

The club also discussed a formal initiation, and voted on two amendments to the constitution.

THE STUDENT Council met to discuss the State Convention. It was decided to run a candidate for state office of parliamentarian.

A decision to clean up the bon fire site was made, and the election of class favorites was discussed.

THE TEENAGE Library Club met Wednesday to discuss the Nov. 5th District I Convention. Dues were set at one dollar per year and dues were sent to the state organization in order for the DHS club to become a member.

A committee was appointed to draw up the bi-laws and to write a constitution. Prascilla Rodrigues, who is a new member of the staff, was given honorary membership.

THE SPANISH Club met Thursday, Oct. 20, to discuss money-making projects. The deadline for paying dues was set as Friday, Oct. 28.

SPONSORS AND class officers of the sophomore and junior classes met during the first activity period Wednesday, Oct. 19 to plan the powderpuff football game. Because of other activities it is postponed until spring. Money making projects were discussed by members of both classes. Both classes met again second activity period to discuss a dance for Saturday, Oct. 29.

doesn't it? Well, that's about all for now. Be watching for me in the halls. If you have anything you want discussed in the way of fashion or fad, just drop by the Journalism department. We are open to all suggestions. See ya!

FFA Boys Go To State Fair

Last Friday night after the ball game 17 of the FFA boys, Mr. Otte and Mr. Monceballez boarded a school bus at 10 p.m. and headed for Dallas and the State Fair.

THEY ARRIVED at 7 a.m. Saturday morning. Immediately the boys took off for the Midway to see what excitement they could find while Mr. Otte and Mr. Monceballez set out to view the livestock and educational exhibits. After this they ventured back to the bus to get some rest.

Besides enjoying themselves on the Midway, some of the boys did see the auto show and other exhibits. About 4 p.m. most of the boys began to come back to the bus with their pockets in a state of emptiness. The group was scheduled to leave at 12:00, but about 10:30 everyone decided that enough was enough, so they left a little early.

THE BOYS qualified for the trip by selling a certain amount of magazine subscriptions. The group goal was \$1,750, but this was exceeded by selling \$2,300 worth. The FFA boys would like to express their appreciation to Mr. Hilburn and the school board for granting them the use of the bus and to the people for buying the magazines that made this trip possible.

Bobcat of the Week:

John Hays

The Bobcat of this week is a top junior and it so happens that he has a twin sister. This aspiring young athlete is proud to say that he is older than his sister by a few minutes.

In case you haven't guessed who our fighting Bobcat is this week, we present John Hays. He is the son of Mr. and Mrs. Charley Hays. Yes, his parents can truly be proud of their son as he is not only a great asset to the team, but to DHS as well.

JOHN PLAYS quarterback on offense and halfback on defense. He does a very fine job at both positions.

He is taking chemistry, American history, algebra II, English III, band and sports.

After high school John plans to attend Baylor University in Waco and is much interested in the field of business.

This title is well deserved, and we would like to salute you, John Hays, our Bobcat of the Week.

Senior Boy of Week: Stanley Byrnes

Stanley Byrnes, our Senior Boy of the Week, is a friendly person, who is making the most of his senior year. He is cooperative in every way and is willing to work hard for worthwhile goals.

He enjoys reading the newspaper and listening to country and western music. Another hobby he finds quite interesting is water skiing.

STANLEY is on the varsity football team of DHS and does a great job of supporting both his team and school.

When he graduates from DHS he plans to go to college and study law. Stanley wants to be a lawyer so that he can participate intelligently in politics.

A FELLOW STUDENT had this to say about Stanley. "He's a very serious person. He takes all his projects seriously and does well on them and can be very proud of them when he is finished."

MODERN AGRICULTURE

Most of Area Cotton Increase Believed Due to 'Sale-Lease'

Total base allotment for the 23 High Plains counties represented by Plains Cotton Growers, Inc., in 1967 comes to 2,165,872, compared with 2,122,770 in 1966. Except for Motley County, all counties in the area received slight increases in base acreage, and Motley County dropped only 126 acres.

MOST OF the 43,102 acre increase is believed to have come from acres purchased by Plains producers in other parts of the state and brought to this area under the "sale and lease" provision of the Agricultural Act of 1965.

That provision was effective for the first time in 1966 and remains in effect in 1967. Producers may buy allotments, or lease them, from any of 77 Texas counties that voted either in 1965 or 1966 to permit out-of-county transfers.

Leased acres do not show up in base allotments on the Plains. These remain a part of the base allotment in the counties from which they were leased, and there is no record of how many acres may have been leased to the Plains either in 1966 or 1967.

SALES OR leases under the law must be completed between June 1 and Jan. 1 of each year.

Projected yield for the 23 counties, on a weighted average basis, increased 29 pounds per acre, from 513 pounds in 1966 to 542 pounds in 1967. Projected yields are set by the US Dept. of Agriculture on the basis of "average" production for the previous three years and other factors such as changes in cultural practices and trends in yields.

And these are important to farmers because both price support payments and acreage diversion payments under the current cotton program are based on projected yield.

In 1966, producers were paid 9.42 cents per pound times their projected yield on each acre of their "domestic" allotment, which is 65 percent of each farm's total allotment. In addition, a payment of 10.5 cents per pound times the projected yield from diverted acreage, up to 35 percent of the total allotment, was made in 1966.

The domestic allotment for '67 has again been set at 65 percent.

Hoelting Gets Early Promotion

Thomas E. Hoelting, 19, son of Mr. and Mrs. Edward G. Hoelting, Route D, Nazareth, received an early promotion to Army pay grade private E-2 on completion of basic combat training at Ft. Bliss.

HE WAS awarded the promotion two months earlier than is customary because of his accuracy in firing the M-14 rifle, high score on the physical combat proficiency test and his military bearing and leadership abilities.

The early promotion program is an Army policy providing incentive for outstanding trainees.

But the Dept. of Agriculture has yet to announce the rate of payments for price support or diverted acreage.

In 1966, farmers on the Plains signed up to plant only 1,451,407 acres of cotton. They were required by law to reduce allotments by 12.5 percent, and had the option of diverting up to 35 percent of their acreage. Average diversion for the 23 counties was 32.7 percent.

AND THIS picture is not expected to change greatly in 1967, since payment rates for diversion will likely be as high or higher than in 1966.

So, assuming the same average rate of acreage diversion, planted acreage in 1967 should be about 1,457,600 acres on the Plains, plus whatever acreage may be leased or bought for the area.

Braddock Herd Top Texas Entry In Pan American Show, Dallas

The dairy herd owned by Vincent Braddock of Dimmitt was named the best Texas herd entered in the recent Brown Swiss dairy cattle show at the Pan American Livestock Exposition in Dallas.

BRADDOCK'S Brown Swiss cattle earned 10 prizes at the exposition, which was held in the conjunction with the Texas State Fair.

His herd placed fifth in the

show behind herds from New Jersey, Wisconsin and Ohio. Braddock's was the only Brown Swiss herd from Texas to place in the exposition finals.

His herd also placed fourth in the Get of Sire class.

Braddock cows took four of the top 11 places in the Aged Cow class at the exposition. His individual winners were Brad-Lou Kayak's Hilda, which placed seventh; Brad-Lou Kayak's Sally,

which placed eighth; Brad-Lou Kayak's Irene, ninth; and Brad-Lou Kayak's Pauline, 10th.

In the Junior Yearling Heifer class, two Braddock heifers placed in the top nine. They were Brad-Lou F. Becky, owned by Vincent Braddock, and Brad-Lou F., owned by Gerald Braddock.

Brad-Lou B.B. Phyllis placed seventh in the show in the Four Year Old Cow class.

Wisconsin walked off with the top state herd honors, followed by the Texas state herd in second place.

NEW FEEDER PENS for lambs, hogs and calves are being built south of the city limits by Dimmitt High School's FFA boys. Here, an all-day work crew smooths concrete Friday for the walks of the hog and lamb feeder shed, which will have 40 pens to accommodate up to 120 project animals for vocational agriculture students

living in town. This is the first of a series of constructions on the two-acre leased site, financed jointly by Dimmitt Public Schools and the FFA chapter. To be added later are calf pens and a feed mill. Supervising the project are vo-ag instructor E. Otte and FFA advisor John Quinby.

GSPA Seeks 25-Cent Increase In Loan Rate on Feed Grains

"An increase in the price support loan rate of 25 cents per hundred in the 1967 feed grain program is the surest way to assure farmers that their income will be maintained and strengthened," Elbert Harp, president of the Grain Sorghum Producers Association, told Secretary of Agriculture, Orville Freeman in a letter last week.

HARP POINTED out that this action would provide the grain producer with a stronger credit base as well as protect him from declining markets at harvest time as USDA seeks to bring many of the diverted acres back into production.

Freeman had earlier indicated that the 1967 feed grain programs when announced will be administered in such a manner as to attract from 15 to 18 million of the 30 million acres now diverted from corn and grain sorghum back into production.

Harp went on to indicate that he, along with other officers and staff of GSPA, in recent months have served on various committees and councils charged with

assisting in the development of the new feed grain program laws.

DURING THESE sessions, GSPA has worked for four basic principles:

(1) That increased producer income be the number one objective of the 1967 feed grain program.

(2) That the loan rate be increased from the current \$1.52 national average to \$1.77.

(3) That the combination of the diversion payments and the direct price support payments be retained at their current levels.

(4) That payments be made on the total acres on which the farmer produces rather than just one-half of the acres as in this year's program.

The Abernathy farmer and GSPA head pointed out that these four principles may not necessarily be incorporated into any new program which may be announced in a matter of days, but that he feels it important that farmers as members of the association know the principles for which their association has been working.

Almanic Editor Outlines Impact Of Proposed Bill

(Editor's Note: This article, outlining the impact of Dimmitt Wheat Growers' proposed grain sorghum mill on Dimmitt and the entire state, appeared on the editorial page of Friday's Dallas Morning News. The author, Walter B. Moore of the Morning News staff, is editor of the Texas Almanac.)

BY WALTER B. MOORE
Editor, Texas Almanac

DIMMITT is one of the few rural Texas towns worried about booming growth. But the North-west Texas community is unique also in having a \$20,000,000 plant under consideration.

New jobs associated with the plant ultimately will total about 500 and amount to a 20 percent increase in Dimmitt's present population.

"We don't want any boom-type development," Aaron Isoacs, general manager of the cooperative establishing the plant, recently told the Lions Club there. He stressed the need for orderly expansion of housing, schools and recreational facilities to accommodate the new residents.

Dimmitt's new industry is a wet grain sorghum milling plant. It is designed to process 7 million bushels of Castro County grain yearly. The plant itself will employ 75 to 125 individuals, with a million-dollar payroll. Several hundred other jobs are anticipated for associated businesses.

Seven hundred members of the

Dimmitt Wheat Growers, Inc., own the plant cooperatively. Castro County News reports that it will be the most modern automated grain processing plant in the world today.

Farms owned by members of the cooperative are expected to supply all of the grain the plant can handle initially. Castro and nearby counties are leading producers of grain sorghums. Texas leads the nation in this crop but has only one other comparable processing plant, located near Corpus Christi.

Building is scheduled to start in December and to be completed in 1968. The plant capacity can be doubled, with only one third more investment, if business warrants.

Union Starch and Refining Co. will supervise construction, manage the plant and market its products. These will be numerous. Basic products, out of which many derivatives will come, will include starch, sugars, dextrose, glucose, vegetable oils and a variety of livestock feeds.

This new operation has more than local significance. It is a milestone in many years of effort by West Texas Chamber of Commerce, utilities and farmers to obtain a major grain sorghum processing plant in that region.

It is interesting that this plant is near the other largest West Texas agribusiness industry of recent years, the beet sugar mill at Hereford, in adjoining Deaf Smith County.

Noteworthy also is the fact that this is a cooperative. More and more farm cooperatives, aided by federal funds, are developing the state's largest merchandising and processing operations in their field.

Viewed solely from its economic impact, what Castro County has achieved is needed by scores of other Texas counties. Whether it is a small pinto bean processing plant, such as that now operating in Sherman County, or

something else, rural Texas needs more industries to use its produce and to give jobs to the people no longer needed for farm work.

Recent years have seen huge concentrations of plants and people in urban Texas. Dallas and other metropolitan areas have attracted far more than half of the new industries locating in Texas. People, of course, have flowed where the job opportunities are.

But Texas needs people and industries all over the state, from the New Mexico line to the boundary with Louisiana, from the Red River to the Rio Grande. Dimmitt's gain is a gain for Dallas, too, an economic step upward that benefits the entire state.

US Hydrologist Added to List Of TT Symposium

Dr. Luna B. Leopold, senior research hydrologist of the United States Geological Survey, is the latest speaker booked for a Symposium on Arid and Semi-Arid Lands to be held at Texas Tech Oct. 31.

Interior Secretary Stewart L. Udall and Dr. John W. Gardner, Secretary of Health, Education and Welfare, will be among participants in the symposium which will precede the Nov. 1 inauguration of Dr. Grover E. Murray as Tech's eighth president.

Other Symposium speakers include Dr. William T. Pecora, director of the US Geological Survey, and Dr. S. Dillon Ripley, secretary of the Smithsonian Institution.

Dr. Leopold's subject will be "Man and Climate."

DR. CAREY CRONEIS, chancellor of Rice University, will present the principal address at the colorful inaugural ceremonies scheduled in Lubbock Municipal Coliseum. The symposium is scheduled for the Lubbock Municipal Auditorium.

Dr. Leopold joined the US Geological Survey staff in 1950 and was chief hydrologist from 1957-68, directing scientific studies of water, including river measurements, ground water studies, investigations of water quality and general hydrologic relations.

Dr. Leopold has co-authored a book on flood control policy entitled "The Flood Control Controversy, 1954," and with M. G. Wolman and John P. Miller published a book entitled "Fluvial Processes in Geomorphology."

Golden Spread Rest Home

BY DORIS GRAY

This will be a regular article written each week about the patients, their visitors and their activities.

Mrs. Viola Griswold, owner and manager, invites any church group or clubs to visit the home with any kind of activity they may have. The people there enjoy it very much. Anything to make the patients' holidays more enjoyable is greatly appreciated. If you would like an appointment for your group, call Mrs. Griswold at 647-2465 or Doris Gray at 647-4322.

On the sick list at the home this week was Addie Miner of Hereford. She spent the night in the hospital Saturday night but was released Sunday, and was reported doing fine. Mrs. Sara Pearson has been in the hospital since Oct. 20.

Visiting Friday with Mary Klemman was her daughter, Mrs. Florence Ball and children, Sheryl and Kyle from Nazareth.

Visiting Friday with Annie Venhaus was her granddaughter, Mrs. Frances Backus of Nazareth. On Thursday Mrs. Charles Book brought Mrs. Venhaus' granddaughter and great granddaughter to visit with her.

Visiting with Mr. and Mrs. Frank Conrad were their daughter and her husband from Hart, Mr. and Mrs. Carl Godfrey, and a daughter from Amarillo, Ella Higdon. Visiting also last week from Snyder, Okla., were some old-time friends, Mr. and Mrs. Walter Stephens.

Dr. H. J. Harvis and Dr. N. L. Tedford of Plainview and N. O. Tedford of Tulla visited with the Tedford's sister, Miss Nannie Tedford, Sunday.

Mr. and Mrs. Monty Clayton from Tulla visited with Miss Nannie Tedford and Blaine Barnes, also in the home.

Sunday guests of J. O. Kantrell was a friend here in Dimmitt, Mrs. Jack Anderson, and also his daughter, Mrs. H. M. Morrison, Dimmitt.

Mrs. Annie Brown enjoyed a visit last week with a number of Dimmitt folks such as Mrs. Neol Gollehon, Mrs. Edna Lippard, Mrs. A. O. Gregory, Mrs. George Gabel, and her niece, Mrs. Swain Burkett, and a niece and her husband, Mr. and Mrs. Dow King of Pampa.

John Helman and Mary Klemman were able to go to church Sunday. They attended services at Immaculate Conception Church in East Dimmitt.

Northside Church of Christ held services at 11:45 for 15 minutes at the home. The patients enjoyed it very much.

Mr. and Mrs. Freeman had a visit Friday from their daughter, Mildred Childress, Tulla. Also visiting this past week was their granddaughter and great granddaughter from Dallas.

Mr. and Mrs. Carl Louis, Berger, visited his brother and sister-in-law, Mr. and Mrs. Elam Louis, Saturday.

Visiting with Mrs. Susan Brown were her son and daughter-in-law Mr. and Mrs. Belvia Brown from Dumas.

John Simmons spent Friday night with his daughter, Mrs. Frank Henderson.

Mrs. Carl Moore had a visit from her niece, Mrs. Gladys Ward of Houston.

Mrs. Albert Schulte of Nazareth visited with Mary Klemman and Annie Venhaus. She was an old-time neighbor to Mrs. Klemman.

Mr. Irvin Dies In Oklahoma City

Mr. and Mrs. W. L. Bennight and family of Hart left for Oklahoma City Sunday night to attend to funeral arrangements for her father, Craft Irvin, who died there Sunday.

MR. IRVIN had been in a convalescent home in Oklahoma City for two years, and had been in poor health.

Mr. Irvin was also the father of Charlie Irvin of Dimmitt and the grandfather of D. L. Irvin of Hart.

Canfield Takes Marine Training

Marine Private Van M. Canfield, son of Mr. and Mrs. D. S. Canfield of Dimmitt, has completed four weeks of individual combat training at Camp Pendleton, Calif.

He is now taking four weeks of basic specialist training to prepare him for a specific job in the Marine Corps.

Art Gallery Perspective

BY ALICE COWEN

Painting assignments were displayed Monday night at the meeting of the Art Guild, and members had fun viewing the exhibit and talking over their problems in producing an assigned painting.

The usually quiet and unobtrusive Elizabeth Huckabay had much to say — and not without its complaining undertones — about trying to paint an abstract. It was quite a worthy abstract even if it wasn't easy.

BY WAY OF explanation, as the last meeting members drew slips of paper on which were written different types of paintings. It was good practice — several had to paint types of paintings with which they hadn't had much experience. Alice Anthony displayed a striking still life on velvet, her first velvet painting. Helen Richardson had a lovely landscape which she did in two hours; but then Helen is an old hand at landscapes.

The Guild considered the possibility of having an exhibit and sale in Hereford. More on this later.

They also voted to display in Dimmitt a "Painting of the Month," but as yet it has not been decided where to display it. The Painting of the Month will be selected from those brought by Guild members to the meeting each month. It will be announced later where this painting will be shown. But look for it — it should be in some prominent place in town by Nov. 1.

THEO Campbell discussed the symmetry and will continue his discussion at the next meeting. G. B. Duncan seems to be the only Dimmitt artist who attended the outdoor exhibit of the High Plains Art Galleries in Amarillo Sunday.

Hart Launches Yule Greeting Benefit Drive

HART — The 1966 "Operation Christmas Card" campaign has started, to benefit Hart Cemetery.

EXCEPT FOR family memorials, the cemetery's only source of income is the Christmas project. Last year, "Operation Christmas Card" yielded \$400 for the cemetery fund.

Instead of sending cards to local friends and relatives, Hart residents may make checks payable to the Hart Cemetery Fund. Their names will be printed in a big Christmas greeting to friends, to be published at Christmas time in the News.

At present, the cemetery consists of four acres — three that were purchased and one that was donated. Funds are needed for a parking area, water lines, other improvements and additional space.

TRUSTEES of the cemetery are O. D. Dinwiddie, T. R. Davis and Tump McLain.

Checks made out to the Hart Cemetery Fund may be mailed to the Postmaster, Hart.

Tech Symposium, Inauguration Set For This Weekend

Gov. John Connally heads a list of state and national leaders to Lubbock Oct. 31-Nov. 1 attending the inauguration of Texas Tech President Grover E. Murray.

GOV. CONNALLY will speak Monday at the symposium concerning arid and semi-arid lands. His topic at the noon luncheon will be "Resource Development in Texas."

Rep. George Mahon will introduce the governor and State Senator H. J. Blanchard will serve as master of ceremonies at the luncheon.

Symposium participants will include the former Mexico President Sr. Lic. Emilio Portes Gil; Secretary of the Interior Stewart L. Udall, Dr. John W. Gardner, Secretary of Health, Education and Welfare; Smithsonian Institution Secretary S. Dillon Ripley; Dr. William T. Pecora, director of the US Geological Survey, and Senior Research Hydrologist Luna B. Leopold.

The symposium will focus attention on the new International Center for Arid and Semi-Arid Land Studies recently established at Tech. They symposium in Lubbock Municipal Auditorium will be open to all interested persons.

Three Qualify For Regional Punt-Pass-Kick

Three Dimmitt boys have qualified for the regional punt-pass-kick contest Saturday in Oklahoma City.

THE QUALIFIERS are Keith Crum, 8, Dudley Wooten, 9, and Daniel Frierson Jr., 13, who scored in the Oklahoma City zone.

Boys winning first place in the Oklahoma City "playoffs" this weekend will go to the national finals in Washington, D.C. Brockett Ford, Inc., which conducts the contest locally, was notified of the three local winners Tuesday by Ford Motor Division in Detroit, national sponsor of the contest. The boys' score sheets were compared with others in the Oklahoma City area to determine regional finalists.

CARD OF THANKS

We would like to take this means to thank everyone for the kindnesses shown us in our recent sorrow.
May God Bless each of you.
Mr. and Mrs. Jimmie Chapman and family

CARD OF THANKS

To our friends, neighbors and business associates here in Dimmitt, we owe a debt impossible to pay but may we say "Thanks" from the depths of our heart for the prayers, cards, letters, flowers, visits, calls of concern, useful and willing hands and any deeds of kindness rendered during the illness of our husband, father and grandfather. May we in the future try in some way to repay you.
A special thanks to our pastor and wife, Rev. and Mrs. Sewell, also for a doctor like Dr. Blackburn.
May the Lord bless each of you.
Mr. and Mrs. Bill Kitchens
Mr. and Mrs. John Gray and family
Mr. and Mrs. Marvin Anderson and girls

CASTRO COUNTY CATTLE being inspected

A county-wide scabies inspection of cattle started Tuesday and is expected to take two or three weeks.

County Agent Charles Hottel said the inspection was to start in the southwestern part of the county and that all Castro cattle will be inspected. He added that he hopes the inspection can lead to the lifting of a federal quarantine that has been in effect here since early spring.

Castro is one of 38 Northwest Texas counties that are under quarantine, requiring extensive cattle dipping to "clear" livestock before shipping. The county has approximately 50,000 cattle.

Conducting the inspection will be Oliver Pratt and Dennon J. Burns of the Texas Animal Health Commission. Hottel said cattlegrowers here can reach either inspector through the Sands Motel.

Castro Lodge AF & AM 879, Regular meeting 3rd Monday. Practice every Thursday, Bruce Wood, dell, Worshipful Master, Ira E. Brown, Secretary. Visitors Welcome.

Mrs. McDaniel Gives Party

The intermediate Sunday school class of the Assembly of God Church was given a Halloween party Friday night by their teacher, Mrs. Robert McDaniel.

Special singing and games were enjoyed by those attending. Mr. Sandlin, CA president, directed the games and aided in making the party enjoyable to the young people.

The Halloween theme was carried out in all decorations. Cold drinks, candy and cookies were served.

MRS. SUE MERRITT and Esther Vandiver accompanied Mrs. Nettie Graham to Fort Worth this week. They were guests of Mrs. A. J. Kemp and family, and went to hear the Fort Worth Symphony while there.

Mrs. John Crum visited her brothers in Dallas recently. Her daughter, Mrs. A. J. McJimmey and family of Silvertown, spent the weekend with her.

Dinner guests Sunday in the home of the Raymond Crums were Mr. and Mrs. Gus Barron, Clyde Blocker of Tulia, and Mr. and Mrs. J. B. Jordan and family of Amarillo.

Flagg Ladies Visit Bethel, Give Program

The Bethel and Flagg home demonstration clubs had a "mutual entertainment society" last week.

The Bethel ladies hosted the Flagg club at its regular meeting, and the Flagg ladies presented a comical program.

Thirty-four ladies attended, 14 from Flagg and 21 from Bethel, plus County HD agent Irene Keating.

The Flagg club's program was a hilarious style show depicting the "well dressed farm wife" in the early morning, carrying the children to school helping hubby, running errands, during the minister's visit, a day in town, the farm teenager, out-of-season specials and correct unmentionables for today's fashions.

A Halloween theme was used in the decorations.

NEXT MEETING of the Bethel group will be a covered dish luncheon Wednesday in the community building.

... about dimmitt will be a very light vote in the upcoming election. Many people couldn't care less insofar as the outcome of the U.S. Senate race is concerned. The race in this Congressional District will create a little interest, but whether it will be enough to get people to cast a ballot, in large numbers is doubtful. If this predominantly democratic district doesn't want to be represented by a republican in the Congress they had better get out and vote. We will see what we will see come November 8.

THE VICTORY BELL rang loudly and often from its new chariot perch Friday night as Dimmitt's Bobcats walloped the Friona Chieftains 35-6. In charge of the bell Friday night were Ricky Hunter, 7, and 8-year-old Max Buchanan — who's poised and ready to give the clapper another tug.
