ALL ABOARD FOR MUSIC AND MERRIMENT-Members of the Faithful Friends Choir sing and wave at the crowd from their float in the Nazareth Labor Day parade Monday. The children and their

sponsor, Bernita Hoelting, captured first place honors with their float, which featured a boat and "sailors", a whale, rainbow and clouds featuring each choir member's name.

An international milling company is looking at Dimmitt as a possible site for a corn masa meal plant that would employ approximately 150 and use 250 million pounds of com per year.

The Chamber of Commerce is calling on local residents to join a letter-writing campaign to help Dimmitt land the new industry.

In an advertisement on Page 12 of this issue, Ray Bain, chairman of the chamber's Industrial Development Committee, asks local residents to write letters "in your own words, on your own stationery or paper," to help support the committee's bid.

Bain said four other Panhandle cities are competing with Dimmitt for the new plant. Hereford, he said, has launched an intensive campaign and is compiling letters from potential contract growers in

"We need community support on this," Bain said. "The attitude of the community could be a key factor in whether Dimmitt gets this

Delores Heller, executive director of the chamber, said top officials of the milling firm visited here in mid-August with members of the Industrial Development Committee, city and county officials and managers of local industries and utilities.

Working with Southwestern Public Service Co.'s Area Development Dept., the High Plains Underground Water Conservation District, Energas, local industries, city and county officials, the Chamber of Commerce has provided the milling company with several packets of technical data and proposals, Heller reported.

The company plans to make its decision on its new site in late September, Heller said.

The company would grind food-grade corn into a high-quality corn masa meal to sell to food processors that produce corn chips, taco shells, nacho chips, tortillas and related products, Heller said.

"This food market is well established and growing in the Southwest, and a mill to serve this market would be an important and stable industry for Dimmitt," Heller said.

The Industrial Development Committee is asking local residents in all walks of life-and especially com growers-to write personal letters to "Mr. Rodriguez," c/o the Dimmitt Chamber of Commerce, telling why they think the company should pick Dimmitt as the site of its new plant, and why they personally would welcome the new industry here.

The committee is asking that letters be written by Monday, to be included in a publicity packet being prepared as a follow-up to earlier proposals.

## County seeks 27% tax hike

Castro 'County plans to raise its property tax rate by 27%.

The County Commissioners' Court has scheduled a public hearing on the proposed rate increase next Thursday at 10 a.m. in the commissioners' courtroom.

The new rate would be 30.67 cents per \$100 of assessed property value, an increase of 6.49 cents over the present rate of 24.18 cents.

According to Chief Appraiser Jerry Heller, the county tax bill on a home assessed at an "aver-

The board approved the amended budget for the 1987-88 school year with expenditures set at \$2,560,-252.10 and revenues at \$1,938,-335.65. The 1988-89 budget was set at \$2,554,562 for expenditures

and \$2,321,269 for revenues. The board set a new policy for

non-school use of the school cafeteria. The county property-tax hike comes in the wake of a 10% increase by the Dimmitt Independent School District, a 19% decrease by the City of Dimmitt and a 55% drop by the City of Nazareth. There will be no change in the property tax rates for the City of Hart or the Hart Independent School District, and "virtually no change" in the rate set by the Nazareth Independent School District.

County operating costs are going up faster than revenue, and the income from the new 1/2% county sales tax isn't enough to stem the tide, officials

The new tax rate, coupled with the sales-tax income, is expected to increase county revenues by 40% next fiscal year. Heller estimated that the county's first-year sales-tax income will be \$92,000.

"If the county didn't have the sales-tax income, the property tax rate would have had to go up by 40%," Heller said, "so the sales tax is saving us 13% on the property tax rate."

He added, "The county needs the 40% increase in revenues maybe not this year; they're not broke yet — but definitely the following year and in future

"We've worked harder on the budget than in any recent year, and have cut every way we know how," County Judge Polly Simpson said. "We had Brown-Graham (county auditors) and Jerry Heller here to discuss the situation with them, and there's just no way out of it except to raise taxes.

"We've been using up our surplus, and now we have no more surplus, especially since we don't have federal Revenue Sharing income anymore," Judge Simpson added. "The revenues just aren't increasing as much as the costs."

She said the commissioners' court anticipates a county budget "a little bit larger" next year "because of the extra law en-

forcement personnel that the

Next Thursday's hearing will be followed by a second public hearing Sept. 22, then the commissioners' court will vote on the proposed new rate at its regular meeting Monday, Sept. 26. The rate would take effect Oct. 1, the beginning of the 1989 fiscal year.

#### **Lions Club will** serve barbecue dinner Saturday

The Dimmitt Lions will fire up their barbecuer and set up their cooking pots Saturday for their

annual Beef Promotion Day. The club will serve a full-course barbecued brisket dinner on the courthouse square for "everybody who wants a fantastic meal," according to chairman Fred Bruegel

Tickets at \$4 for adults and \$2 for children under 9 are available from any Lions Club member and also may be purchased at the site Saturday.

The meal will be served from 10:30 a.m. to 7 p.m., with tables set up on the courthouse lawn. Takehome plates also will be available, and sliced, packaged barbecued brisket will be available for \$7 per two-pound package and \$10 per three-pound package.

In addition to barbecued brisket, the meal will include beans, potato salad, onions and ice tea or soft

The Lions conduct their Beef Promotion Day every September by preparing a low-cost meal to call attention to the importance of beef to our local economy.

#### Swifts at Hart

### Horns hope to avenge last year's loss to Naz

The Hart Longhorns will get a chance to avenge last year's 43-0 defeat at the hands of the Nazareth Swifts when the two teams square off Friday night at Longhorn Field.

Both teams are breaking in new head coaches this year and have to get used to a new system.

The Swifts had a slow start Friday night, losing to Petersburg 19-0, while the Horns had an easy time against Anton, winning 31-0. The Longhorns enter Friday night's game favorites over the

Swifts, but ratings don't mean a lot to Horn Coach James Mireles. "We were picked to win last year, and they really beat up on us," said Hart's first-year mentor. "We're not taking them lightly. We've been preaching to the kids that they have to play every Friday night. Just because they won one game, doesn't mean they can win them all without working hard."

"We won it last year, and Hart is going to be out for blood," said Nazareth's first-year coach Les Goad. "The guys are definitely up for the game."

"Hart's big and physical," Goad said. "They've got a couple of 290-lb. linemen. Offensively, they've got a 240-lb. running back (Junior Washington) that can really run. They'll run the veer and option on offense and set up in a 5-2 defense. To win, we're going to have to shut down their veer and we're going to have to be more consistent and cut out our mistakes. Everyboy's healthy, we just have to keep improving."

"Nazareth will run out of a wing-T and power-I formation and 5-2 defense," said Mireles. They're a little down this year; it's a rebuilding year for them."

"We've got one win under our belt," Mireles said. "Hopefully we can add another one Friday."

NEW, YES. STRANGER, NO-Hector Nolasco of Honduras may be a new face in Nazareth High School this year, but he isn't a stranger -at least, not for long. The outgoing young man is an American Field Service exchange student this year at NHS, and is shown with his American parents, Julene and Fritz Gerber. By coincidence, Hector is from the same city (La Ceiba) and the same school as NHS's last AFS student, Yocasta Reina.

for - all fight early Sunday and booked six young men into jail to cool off.

Police received three phone Sheriff Lonny Rhynes said. complaints shortly before 2 a.m. Sunday that a disturbance was going on in the 400 block of Northwest Second Street. The third caller reported that shots had been fired.

Three city officers arrested the six men, aged 17 to 23, "for causing unreasonable noise in or near a private residence that they had no right to occupy."

The six were jailed on charges of disorderly conduct. All of them posted bond by Sunday afternoon, police reported.

The Sheriff's Dept. arrested 23year-old Valentin Guevara of Hereford last Thursday on a charge of theft of livestock. He was still in jail Tuesday afternoon.

Dallas Moore, 30, who is serving an armed-robbery sentence in the Missouri Training Center for Men, was brought here by sheriff's officers Monday to face trial on a charge of burglary of a habitation.

Dimmitt police broke up a free- He is a co-defendant with Jimmy Landrum-who also is in jail here -in the burglary of the Dudley Aven home near Hart last October,

The wallet had been in her purse in the kitchen, she told officers. The missing wallet later was recovered from a nearby dumpster with the cash missing. The case is still under investigation.

Jerry Thomas at Dimmitt Equipment Co. reported to city police Saturday that he had seen two men steal a handyman jack belonging to the company. Thomas told police that the two men put the jack into a blue Pinto car outside the building and drove off. Police are still investigating the case.

Local officers jailed three on DWI charges, one for public intoxication, one for petty theft and one for violation of probation during the week.

class and members met at Ysleta Ball's home Tuesday, Aug. 30, for a salad luncheon. Everyone brought their favorite salad and relishes and enjoyed food and fellowship.

The class members had recently named the class and hope to live up to the name and also be of service to the community.

Those present were Bobbie Baldridge, Oma Dee Heard, Charlene Howell, Darlene Dowell, Norma Smith, Sandra Bagwell, Frances King, J'Lynn Ryan, Frances Smith, Joyce King, Roxie Loudder, Phyllis Mooney, Billie Kirby, Ruth Hackleman and Loretta Hucks.

Micky, Lois and Jason Waggoner arrived last Saturday from Middletown, Ohio for a week's visit with J. Paul and Gertie Waggoner. Julie came a week earlier so she could have a longer visit. They are enjoying living in Ohio.

Bill and Joan Ballentine recently spent a week in Decatur, Ala., where Bill attended a business meeting. He and Joan enjoyed a breakfast picnic and visiting and dining with family and friends while there.

They were too busy to be bothered by the hot and humid weather. It turned cooler the day they left.

A farewell party honoring Jim and Faye Tilley, Debbie, Jimmy and Becky, was held in the home of Rev. Ken and Roberta Cole Monday, Aug. 29. Several women brought cakes and served them with tea and coffee. The Tilleys

will be moving to the Dallas area where Jim will be associated with the Schwan's Company. Jim showed some of his slides from his recent missionary trip to Brazil.

Jim Tilley gave me this report of his trip to Brazil on July 28.

"I boarded a lane in Amarillo for Campinas, Sao Paulo, Brazile. We flew from noon until 8 the next morning when we arrived in Rio, Sao Paulo.

"I went with the Paramount Baptist Church group from Amarillo. Rev. Shad Rue led our group and 80 pastors, laymen, women and young people. We preached in 30 churches in Campinas. The Lord blessed our campaign with between 3500 to 4000 people praying to receive Christ as their Lord and Savior. God blessed our group with a General accepting Christ, a vice mayor and many other notable people. My two revival teams led 230 people to Christ. Some of the pastors who went were Rev. Albert Green with Chaperell Baptist in Amarillo, Brother Lee from Dalhart and others. Also along were Mr. and Mrs. Morris Cobb of Amarillo, who were a great help to me. Many others went on this partnership missions trip. If anyone is interested in partnership missions, contact Morris Cobb at High Plains Baptist Hospital in Amarillo."

Walsenburg, Colo., visited with her parents, Elzie and Serena Teague recently. They all went to Lubbock

to attend the Medlock family reunin and to celebrate Elzie's 85th birthday. They served a big birthday cake that was decorated with a lake and a fishing boat.

The Thursday bridge club met at the Senior Citizens Center. Johnny Vannoy won high score and Emily Clingingsmith was second high.

Out of town visitors at the Brazil. From there we went on to museum recently were Brant Quintneild from Lamesa, Eddie Guffee of Plainview, Bill Lankford of Amarillo, Darlene, Crystal and Miranda Walker of Fort Worth, Mary Lou Ballman of Lockney and Derrell Hale of Canyon.

> Roger and Geneva Malone entertained their family over Labor Day. Family members enjoying the long weekend were D.J. and Cindy Lewis, Britainy and Bethany of Fritch; Dusty Dobbs and his friend, Trudy Lagerberg of Duluth, Ga.; Johnnny and DeNise Merritt of Amarillo; and Nathan Malone of Dimmitt.

Decimae Dennis of Midland spent Labor Day weekend here with her parents, Morgan and Geneva Dennis.

The pretty wedding of Brian Gunzelman and Beth West was held at the First United Methodist Church Saturday night. The bride's dress was beautiful and the ceremo-Lavelle and Bob Mapes from ny was very impressive. As the guests came out of the church they were given a white balloon and bird seed to throw at the bride and

groom. As the bride and groom left the church, hundreds of white balloons were released into the sky. It was a beautiful sight.

The reception was held in the backyard of the bride's parents' home (Betty and Truman). The gala affair featured music, a beautiful bride's cake in three tiers covered with pastel flowers, a delicious German chocolate cake for the groom and three long tables laden with fruit, vegetables and pick-up

Randy Morgan and Renise Blair recently returned from a trip to the Ozarks. They enjoyed a day at Silver Dollar City in Branson, Mo., where the annual National Quilt Festival was being held. A drive in the rain took them to Eureka Springs for the Great Passion Play.

The highlight of the trip was a day trout fishing on the White River in a small john-boat, guided by a local expert. They ended their vacation with a two-day stay at the

### Dinner, dance planned Saturday

Shirts and Skirts will sponsor a dance and barbecued dinner Saturday at the home of Wayne and Billie Pearson, 709 SE Second Street in Tulia.

The dinner and dance are part of the club's annual fundraiser. The barbecued dinner and all the trimmings will be served at 7 p.m. Cost for the meal is \$5 per person.

All area dancers are invited to

native grasses which can serve as a new habitat for weeds and pests. Archer will discuss a research program studying impct of these lands on agriculutre and the integrated pest management programs. Lands registered in CRP have both potential benefits and detrimental effects on High Plains agriculture, said Archer.

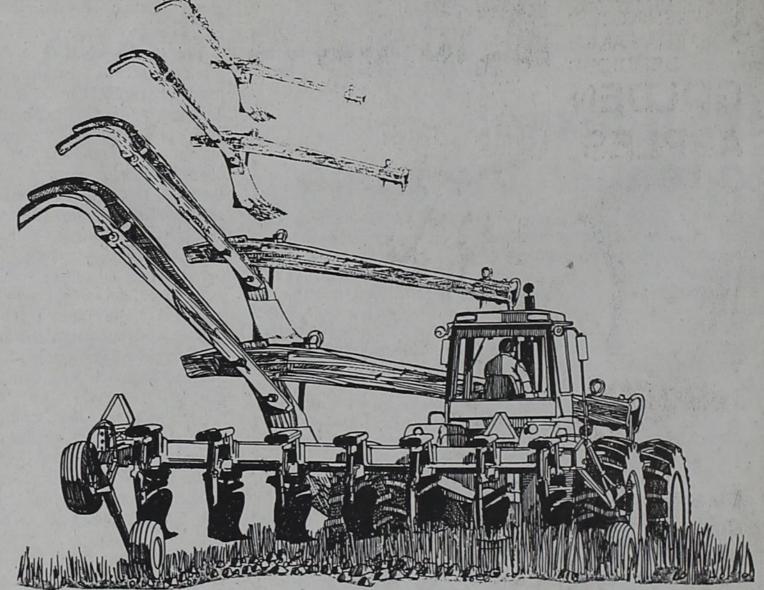

Other stops along the tour will feature cotton developed for high fiber quality, sorghum breeding, oilseed improvement and a stop at a vineyard demonstrating rootstock effects on adaptability, winter survival, yield and quality.

The field day will also feature displays of equipment, farm supplies and information booths, said Dr. Gary Patterson, assistant professor with the Experiment Station, who is field day chairman.

The Texas Forest Service will present red oak trees to 300 land owners who take the field tours.

The program is a cooperative presentation of TAES, the Texas Agricultural Extension Service, the High Plains Research Foundation, the US Dept. of Agriculture, Agrigultural Research Service and the Texas Forest Service.

the waters of the State is authorized by this

The feedlot is immediately east of US Highway 385 and approximately 15 miles south of the city of Dimmitt in Castro County, Texas. This location is in the drainage area of Running Water Draw, which flows into the White River and White River Lake in Segment No. 1240 of the Brazos River Basin.

The Executive Director of the Texas Water Commission has prepared a draft permit based on the application submitted by the applicant and other information present-

ly available. Legal Authority: Section 26.028 of the Texas Water Code, as amended and 31 TAC Chapter 305 of the Rules of the Texas

Water Commission. No public hearing will be held on this application unless an affected person who has received notice of the application has requested a public hearing. Any such request for a public hearing shall be in writing and contain (1) the name, mailing address and phone number of the person making the request; and (2) a brief description of how the requester or persons represented by the requester, would be adversely affected by the granting of the application. If the Commission determines that the request sets out an issue which is relevant to the permit decision, or that a public hearing would serve the public interest, the Commission shall conduct a public hearing, after the issuance of proper and timely notice of the hearing. If no sufficient request for hearing is received within 30 days of the date of publication of the notice concerning the application, the permit will be submitted to the commission for final decision on the

Requests for a public hearing and/or requests for further information concerning any aspect of the application should be submitted in writing to Claire P. #### Marcella Birkenfeld

Marcella Birkenfeld, 67, of Nazareth, died Aug. 30 at St. Anthony's Hospice in Amarillo after a lengthy illness.

Rosary was recited last Thursday in Holy Family Church.

Mass of Christian burial was celebrated Friday in Holy Family Church with Rev. Brendan Sherry, pastor, officiating. He was assisted by Msgr. Harold Waldow, pastor of St. Lawrence Cathedral in Amarillo and Rev. Darryl Birkenfeld, assistant pastor of San Jose Catholic Church in Hereford.

Burial followed in Holy Family Cemetery under the direction of the Wallace Funeral Home of Tulia.

Miss Birkenfeld was born in Nazareth and was a US Army Veteran of World War II. She was a member of the Catholic Daughters, Third Order of St. Francis, Order of Martha and Holy Family Church.

Survivors include four sisters, Mary Hoelting of Olpe, Kan., Petronilla Birkenfeld and Dora Pohlmeier, both of Nazareth and Julianna Birkenfeld of Lubbock; and two brothers, John of Hereford and Thomas of Center Point.

Her nephews were pallbearers.

The family requests memorials be made to St. Anthony's Hospice, P.O. Box 950, Amarillo, Texas 79176.

#### William Brooks

Services for William "Bill" Brooks, 61, of Hereford, formerly of Dimmitt, were held Tuesday in the First Baptist Church at Earth with Rev. Joe Burns, pastor, officiating. Burial followed in the Earth Cemetery under the direction of Rix Funeral Home of Hereford.

He died Sunday.

Born in Hereford, Mr. Brooks lived there for 24 years, moving from Dimmitt. He married Betty Barrett in 1947 at Muleshoe.

He was a building contractor. He served in the US Army during the Korean Conflict. He was a member of the First Baptist Church and the Texas Panhandle Builders Associa-

#### NOTICE OF PUBLIC HEARING ON TAX INCREASE

The Castro County Commissioners Court will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1987 by 40 percent. Your individual taxes may increase or decrease, depending on the change in the taxable value of your property in relation to the change in the taxable value of all other property.

The public hearing will be held on Sept. 15, 1988 at 10 a.m. in the Castro County Commissioners Courtroom, Courthouse.

**FOR** the proposal:

Curtis Snitker, Commissioner, Precinct 1 Dale Winders, Commissioner, Precinct 2 Jeff Robertson, Commissioner, Precinct 3 Vincent Guggemos, Commissioner, Precinct 4

AGAINST the proposal:

None

PRESENT and not voting: Mrs. M.L. Simpson, Jr., County Judge

ABSENT:

None

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on July 21, 1988. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

Average home value	\$30,000	\$30,000
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's		
exemptions)	0	0
Average taxable value	\$30,000	\$30,000
Tax rate	24.18¢	30.67¢
Tax	\$72.54	(proposed) \$92.01 (proposed)

Under this proposal taxes on the average home would increase by \$19.47 or 27 percent compared with last year's taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$.0649 per \$100 of taxable value or 27 percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

# Sports Cats 26, Eagles 0

The Bobcats beat the oddsmakers by five touchdowns as they blanked the Roosevelt Eagles, 26-0, in their season opener at Roosevelt Friday night.

Dimmitt took advantage of seven Roosevelt turnovers as the Bobcats unveiled a stubborn defense and a consistent offense against the sputtering Eagles.

"Our defense forced a lot of turnovers. In fact, I think they played inspired football," Coach Army Salinas said after his victorious Dimmitt debut.

The Bobcats scored in the first, second and fourth quarters, and kept the Eagles off-balance all

Dimmitt had to go only 21 yards for its first TD of the season after tackle Prentiss Washington recovered Roosevelt's first fumble-his first of two recoveries on the night.

The Bobcats moved to a firstand-goal inside the Roosevelt 1 in four plays, then tailback Chad Davis punched it across the left side with 5:18 remaining in the first quarter. Kelly Howell's extra-point kick was wide, leaving the score at 6-0.

Dimmitt turned fancy on its following three TD's. For instance, the Emilio Arce Show:

On the first play of the second period, with Dimmitt facing a thirdand-goal from the Roosevelt 25, the speedy senior halfback headed right on a sweep, found himself boxed in, reversed his field, got a good clearing block from halfback Oscar Velasquez and raced to the opposite corner of the end zone for the TD. Arce ran almost 40 yards to gain 25, although the clock showed only four seconds elapsing on the play. A two-point pass attempt fell incomplete, leaving Dimmitt with a 12-0 lead.

That's where it stayed until the third play of the fourth quarter, when the Bobcats-facing fourth and long at the Roosevelt 25—went to the air for only the fifth time of the night. Quarterback Clay Lytle lofted a perfectly placed pass to Kevin Petty on a post pattern, and Petty - although well covered took it over his shoulder at full gallop and stepped into the end zone. Howell kicked the extra point, making it 19-0 with 11:14 left in the game.

Less than five minutes later, Dimmitt faced a fourth-and-17 at the Roosevelt 30 when Howell raced left from his fullback position and sped past the Eagle defense for the Bobcats' final TD with 6:24 remaining. Howell kicked the extra point again to make the final score

Howell finished with 116 yards on 14 carries while Davis was 17for-47 and Arce gained 40 yards on

TOUCHDOWN!-Senior halfback Kevin Petty gathers in a pass at full speed from Clay Lytle to complete a 25-yard touchdown play early in the fourth quarter of Dimmitt's season opener at Roosevelt Friday night. Petty's TD gave the Bobcats a 19-0 lead after Kelly Howell's extra-point kick, and the Cats went on to win, 26-0.

just three totes.

In the passing department, Lytle completed three of four for 50 yards, including Petty's 25 - yard TD catch. Josh Gonzales caught a 10-yarder on a critical third-down play and Leo Castro caught a 15-

"We played it pretty conservative," the coach said. "We could have thrown the ball more, but when we got ahead 12-0 and our defense was handling them, I didn't see any need."

In addition to Washington's two fumble recoveries, Jason Griffith recovered two and Rene Enriquez pounced on one. Howell and Arce also had an interception apiece, "and we should have had three more," Salinas said.

In addition to his TD catch, Petty averaged a hefty 33.7 yards on four punts and paced the defense with 12 tackles from his linebacker spot.

"Our coaching staff did a great job preparing the team and getting them ready to play," Salinas said, "and we had really good fan support-it was a good crowd, and we appreciated it.

"It was a typical first game," he added. "We anticipated mistakes, and they cost us. It was a good start for us, but we need to improve a lot in all phases of the game. We did a

lot of things wrong. Roosevelt has a good ball club, but you can't turn the ball over seven times and hope to stay in the game. On the other hand, we've got to correct a lot of things if we hope to achieve our goals. We can't survive in the league we're in if we keep making the mistakes that we've been mak-

# Swifts fall, 19-0

By LORELEA ACKER

Fumbles, penalties and blown assignments marred Nazareth's play Friday night as the Swifts lost their season opener, 19-0, to Peter-

The visiting Buffaloes recovered a Swift fumble and intercepted a pass in the contest, and Nazareth had to back up 70 yards via penalties.

"I felt like we just made too many mistakes," Nazareth Head Coach Les Goad said.

Petersburg's touchdowns came in the first, second and third quarters. Dustin Carr scored two of them to pace the Buffalo offense.

The first quarter was a series of fumbles and incomplete passes until, with 2:53 left to play in the period, Petersburg's Carr ran 11 yards for the first touchdown of the game. The extra point by Lee Roy Martinez made it 7-0.

Martinez intercepted a Swift pass late in the first quarter at the Nazareth 37. However, two penalties against the Buffs kept them from capitalizing on the Nazareth turnover.

The Buffaloes erupted early in the second quarter when, at 9:20, Carr ran the ball in for six points, giving Petersburg a 13-0 lead. The extra-point attempt failed.

The Swifts ate away at the clock, using 5-1/2 minutes to advance the ball to the Petersburg 36. However, a series of penalties and incomplete passes forced Nazareth to punt the ball away.

Petersburg also failed to move the ball and had to punt. The Swifts blocked the punt and got possession at the Buffs' 35, but time ran out before they could capitalize on

The Swifts opened the third quarter by punching the ball to their own 41 before a delay-of-game penalty against them brought up a fourth down and forced them to punt away again.

With 6:18 left in the third, Petersburg's Joe Maralez ran 13 yards

The Anton Bulldogs pulled out two points if a fumble, blocked of town with their tails between their legs after the 1988 Hart Longhorns won their season opener by a convincing 31-0 score.

ton turnovers and finally capitalized in the fourth quarter to put the visitors away. Both teams committed many first-game mistakes, but Anton was not able to capitalize and get on the scoreboard.

The Bulldogs took the opening kickoff and, on their second play, a strong pass rush forced an interception by defensive tackle Alex Urbina. But Hart could not capitalize and turned the ball over to Anton with a fumble on the Bulldog 19yard line—Hart's only turnover of score stood at 12-0. the night.

three plays later when Longhorn tackle Roger Avila recovered a fumble. After moving the ball to Hart linebacker Robert Garcia rethe 14-yard line, Junior Washington missed a 31-yard field goal attempt and the Longhorns were turnover count grew to six when roar was heard from the home back on defense.

After an exchange of punts, the first quarter ended with Washington recovering an Anton fumble to set up Hart's first touchdown, which came on a three-run plunge by Washington early in the second.

The point-after attempt brought some excitement as Jay Davis tried to turn a bad snap into a two-point conversion. As he rolled out and threw, a Bulldog defender picked off the pass and started rambling toward his own end zone.

A new high school rule this year allows the defending team to score kick or interception is returned to the other end zone.

"I thought we were going to be the first team in the state of Texas Hart's defense forced eight An- to allow this to happen," Hart Coach James Mireles said.

But fortunately for Hart, David Rodriguez took an angle across the field and tackled the Anton runner at about the 8-yard line.

After the ensuing kickoff, Anton gave the ball back to Hart again when David Rodriguez returned an interception 15 yards to set up the Longhorns' second score. Rodriguez carried the ball in from 10 yards out with 8:03 left in the half. The PAT kick was wide and the

On Anton's next possession, Anton's second turnover came Hart helped the Bulldogs out with back-to-back face-mask penalties. The drive stopped, however, when covered another Anton fumble.

> Later in the second, Anton's Jay Davis picked off a halfback pass to give Hart the ball on its own

The next Longhorn drive appeared to have stalled until a fake punt moved the ball 15 yards on a run by Washington. The Longhorns were still ahead 12-0 and driving when the half ended.

The third quarter was scoreless. Highlight plays in the quarter were a big sack by Danny Reyna that forced an Anton punt, and a fine interception by Erasmo Mata-the

seventh Anton turnover. As the fourth quarter opened,

Hart linebacker Andres Marin jumped on an Anton fumble and the Longhorns started a long scoring drive. Washington and Danny Reyna — subbing for the injured Rodriguez-gained big yardage on the drive, then Davis connected with Mata on a screen pass for a 21 - yard touchdown play. The Longhorns tried a two-point conversion but failed, leaving the score at 18-0.

Hart's next opportunity came when a bad snap by the Bulldogs and a recovery by Albino Garza put the hometown boys on the visitors' 3-yard line. Danny Reyna did the honors this time, scoring from a yard out. Again, the PAT attempt was no good, and Hart led, 24-0.

Andres Marin scored Hart's final touchdown to cap a rapid-fire drive in the fourth. His TD run came three plays after a 43-yard run by Rey Velasquez was wiped out by another penalty.

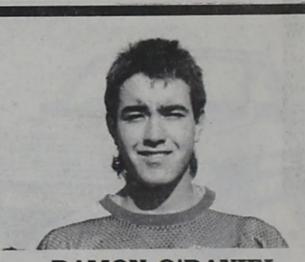

After Marin's touchdown, a big crowd when Washington kicked the first extra point of the season to finalize the score at 31-0.

"We must execute better and improve our special teams play," Coach Mireles commented.

### DPS gives area stats

Capt. Bob Russell, District Supervisor of the Amarillo Highway Patrol District, comprised of 31 counties, reported that during the month of July, DPS troopers investigated eight fatal accidents, 85 personal injury accidents and 103 property damage accidents. Eight persons were killed and 146 injured.

Of those numbers, there were no fatalities in Castro county. Two personal injury accidents resulted in injuries to three people, and three accidents resulted only in property damage, according to Sgt. Billy D. Scott of Hereford.

Doug Wilhelm, a 1967 Nazareth High School graduate and a 1971 Texas A&M University accounting graduate, has recently been hired by the newly formed National Bank for Cooperatives (NBC) in Denver,

Wilhelm had been serving as vice president of financial reporting and bank administration for the Farm Credit Banks of Texas, a \$3.6 billion agricultural lending institution covering the entire state, and headquartered in Austin.

In his new capacity as vice president and manager of financial planning at the NBC, Wilhelm will be responsible for financial administration and tax and financial planning. The position represents the number two role in NBC's finance department.

#### Book Club to meet

The Dimmitt Book Club will meet Wednesday at Rhoads Memorial Library, with Susie Bradford presenting a review of "Extraordinary Origins of Everyday Things," by Charles Panati.

The book explores the stories behind the origins of selected everyday items, expressions and customs, such as Kleenex®, Barbie® dolls, Mother Goose, nail polish, honeymoon, potato chips, the bikini, and Uncle Sam.

The public is invited to hear the review at 4 p.m. It will be preceded by the club business meeting at 3:45 p.m. A social hour will follow

### Cats to host Slaton

"Watch out for Gaylon Davis. And also those other two guys in their backfield."

That's the advice Dimmitt's scouting coaches had for the Bobcats this week as they prepared to host the Slaton Tigers, defending bi-district champions, in their first home game of the season.

Kickoff time will be 8 p.m. Friday in Bobcat Stadium.

"They've got three guys who can break it on you," Dimmitt's scouts reported. "Their main man is Davis. If he ever gets a step on you, you can't catch him. Shallowater hit him hard all night but never slowed him down."

Davis, a 145-lb. junior running back, rushed for 198 yards and two touchdowns as the Tigers defeated Shallowater, 20-10, in their season opener Friday. The week before, the Bobcats bested Shallowater

three TD's to none in their final pre-season scrimmage.

Based on the two teams' performances against that common opponent, the home opener here

shapes up to be a doozy.

Slaton lost Head Coach Steve Parr, who took the Tigers to district and bi-district championships last season, and are now guided by Coach Steve Culwell, who uses a multiple offense built around the I formation.

"They work out of multiple sets and keep you making adjustments all the time," Coach Salinas said. "They throw a lot of different looks at you, and they know how to do a lot of things.

They've got good size and a LOT of speed," Salinas added. "They've got an excellent team and we're going to have to play our best game to beat them."

the key to a

Dimmitt is one of five Panhandle cities being considered as the site for a large new corn masa meal milling facility.

(Masa meal is a high-quality corn meal used to make corn chips, taco shells, tortillas, nacho chips, etc. The demand for masa meal is growing steadily in the food industry.)

The proposed mill would employ approximately 150, and would use up to 250 million pounds of corn annually. Think what that would mean to all of Castro County.

The Industrial Development Committee of the Chamber of Commerce has been in contact with the top officers of this company, has hosted them in a visit with key people in local governments and industries, and has provided them with information and technical data on our corn production and quality, water availability and analysis, utilities, labor force, projected costs, financing, tax structure, business climate, etc.

We are continuing to work with them, to answer any questions they may have, and to let them know that their plant would be very welcome in Dimmitt.

Now, we need your help.

Many communities can provide favorable technical data. And when the competition gets close, community support becomes a vital factor.

We're asking a simple favor of you.

WRITE A LETTER.

Write it to Mr. Rodriguez, c/o Dimmitt Chamber of Commerce, 115 W. Bedford St., Dimmitt, 79027. Write it in your own words, on your own stationery or paper, in your own way.

Tell him why, as a resident of Dimmitt or Castro County, you would welcome the establishment of his company's corn masa meal plant in Dimmitt, "the corn capital of Texas."

Tell him about our schools, your church, our crops, our ample supply of quality water, anything you can think of. Tell him what you like about Dimmitt, why you live here, and what a new industry would mean to you and your family.

If you're a corn grower and would be interested in growing food-grade yellow or white corn for such a mill, please say so and indicate how many acres or pounds you would be willing to contract.

They've seen the technical data. Now, we want them to hear from our people.

You may be able to provide something we've overlooked.

YOU could be the key.

This major company plans to pick its plant site later this month. So please write your letter BY MONDAY, SEPT. 12 so we can include it in our promotional packet.

I can thank you now for your support. And perhaps hundreds of local families will thank you in the future.
