VOL. 20.

BRONTE, COKE COUNTY, JANUARY 21, 1938.

NUMBER 3.

Hon. Harry Hines Favors Paving 158 to Robert Lee

The best news The Enterprise carries in this issue is that Hon. Harry Hines, member of the State Highway Commission, "came to town" Monday, "put the sun to shining," and "the birds to singing" for the citizenry of Bronte, Coke county, and all this part of West Texas in the good news he gave out with reference to the county's needs of highways and the committee of himself as a member of the highway commission to the task of paving Highway 158 from Bronte to Robert Lee, thus giving the traveling public an all-weather road to Robert Lee, the county seat, and at the same time give Robert Lee and all the western part of Coke county an all-weather road through Bronte to San Angelo on the South and to Sweetwater on the North.

Mr. Hines was on a tour of inspection of the highways through this part of West Texas. As to highway 158, Mr. Hines stated that highways from county seat to county seat is one of the policies of the highway commission, and he felt that this piece of paving to Robert Lee meant more and would serve more people than any other piece of road construction in this part of West Texas, at this time, and, therefore, he felt that this piece of paving should be done.

The Enterprise assures Mr. Hines and the other gentlemen of the Commission that the view of Mr. Hines with reference to the imperative importance of this paving is well founded and the Commission will do no piece of paving for this good year of 1938 that will mean so much to as many people as the paving of this piece of highway, if they see fit to do it.

Rev. and Mrs. A. V. Bradley of Bronte and Rev. and Mrs. Fred De Lashaw of Robert Lee are in Fort Worth this week attending a Sunday School meeting of their church. Rev. Bradley is pastor of the Bronte Baptist church and Rev. DeLashaw is pastor of the Robert Lee Baptist church.

Due to stripping the motor pinion of our typesetting machine, which greatly delayed us, this issue of The Enterprise will reach the readers late which we regret.

San Angelo Fat Stock Show Is Set, March 4-8

Dates for the San Angelo Fat Stock Show and Rodeo have been set for March 4-8. Everything is swinging into shape and the prospects are excellent for the show this year to exceed those of all former years.

Entries in the past shows have run as high as 132 and facilities were crowded, but this year 185 animals are expected to be entered. More space in the cattle barn, resulting from construction of a new building, will afford plenty of room this year.

Show authorities are arranging for a varied entertainment program and plan to make it the best of expositions held there. Attendance at the rodeo performances have been increasing yearly and this year indications are for even greater throngs at the afternoon performances. Night shows are not scheduled.

Mr. Deal is now working on a plan to have a dozen of the first four days participate in the final afternoon program for added prize monies. The arrangement has not been definitely determined.

D. B. Horn, on route one, becomes a subscriber to his "home town paper." Mr. Horn and family have recently moved to the Bronte section of country from Miles. Mr. Horn bought the Tom Brown and Albert Davis farms near Fort Chadbourne. Mr. Horn and family are very much pleased with their new home and the Bronte country in general. Only Mr. and Mrs. Horn make up their family now, the youngest son is a student in Hardin-Simmons University. The Enterprise bids, welcome to Mr. and Mrs. Horn and we trust that they shall continue to be pleased with their new home and that they shall always enjoy the weekly visits of the paper.

Mr. and Mrs. J. C. Carter of Norton, were brief but pleasant callers at The Enterprise office, Monday morning. They were en route to San Angelo.

Due to the breaking of our typesetting machine we have to omit the Political Announcement Column and several other items of local interest as we do not have time to set the copy.

Geo. H. McCuiston Dies Suddenly Sunday Morning

The sudden death of Geo. H. McCuiston Sunday morning, not only greatly surprised everyone, but brought deep sorrow to the old-time neighbors and friends of deceased and family.

Stricken with heart trouble, death came within a short time and brought relief to the sufferer.

Following religious services at the family home, Monday afternoon, interment was in Fairview cemetery, beside his wife who preceded him in death some twenty-eight years ago. The Masons conducted the burial with the accustomed ceremonies. Deceased had been a Mason for many years, being a charter member of the Bronte Masonic Lodge.

The religious services were conducted by Rev. A. V. Bradley, Baptist pastor, and pastor of the family, assisted by Rev. R. D. Dewese of Anson, a former pastor of the local Baptist church, Rev. J. H. Thompson, pastor of the Bronte Methodist church, and Rev. John Wallace, Baptist minister from Franklin who is related to the family by marriage. A large number of the friends of deceased and of the family from Bronte and other towns and cities, gathered at the home to pay tribute to the memory of their friend. Rev. Dewese, a close friend of deceased when Rev. Dewese resided here, delivered the address. Rev. Bradley directed the services. Rev. Thompson led in prayer and Rev. Wallace offered the closing prayer.

George Herndon McCuiston was born at Richmond, Missouri, June 28, 1859, and departed this life January 16, 1938, making him to be in his seventy-ninth year when death claimed him.

September 1, 1885 deceased and Miss Jo Ella Rogers were united in marriage. To the union two children were born, only one of whom survives, Mrs. R. E. Cumbie. The companion of deceased departed this life April 5, 1910. Besides the daughter, deceased is survived by two grandchildren, Mrs. J. B. Mackey and Edward Cumbie Jr.; and a brother, A. L. McCuiston, and a nephew and niece in Missouri; also a sister of his wife's brother, Mrs. Johnny Rogers, and her daughter and husband, Mr. and Mrs. Robert Walker, all of Austin, who were in attendance at the funeral.

In 1906 deceased came to Bronte and entered the drug business and continued in that business until his death. Mr. and Mrs. Cumbie are operating the drug store until it is determined permanently the disposition to make of the business.

Following the death of his companion deceased made his home with Mr. and Mrs. Cumbie who had married only a few months before the death of Mrs. McCuiston. And through the years—almost three decades—he and they were as one family. Hence it fell heavily on Mr. and Mrs. Cumbie and children to give him up, as they were daily together over the long period of time.

Upon going into the private papers of her father Monday, Mr. and Mrs. Cumbie found in his "keepsakes," the obituary of his mother, Mrs. S. S. McCuiston, printed in "the old home paper" in Missouri. The date of his mother's death was Sep-

Cow Frightened by Train Whistle Wrecks Auto

A frightened cow between here and Tennyson near West Kickapoo Creek was the cause of a badly damaged automobile, and a collision that, except for luck, could have proven fatal, late Monday afternoon.

A locomotive whistled, starting the cow, which jumped onto the highway in the path of the approaching car. Besides the driver, Mrs. Charlie Garrison, of Blackwell, three adults and five small children were in the automobile returning to Blackwell from a trip to Southwest Texas. Other than smashing in the front of the car and killing the cow, no serious injuries were reported. The automobile is in the Home Motor Company here for repairs.

SWEETWATER FURNITURE MAN VISITS BRONTE

Cecil Barrow, member of the Barrow-Haney Furniture Company of Sweetwater, was a visitor in Bronte Tuesday afternoon.

Mr. Barrow and Prof. Holmes, member of the Bronte school faculty, are old friends. They were neighbor boys in Abilene, and attended school together. Mr. Barrow was visiting Prof. Holmes and incidentally scouting around for business in his line.

Messrs. Barrow and Haney have been in business in Sweetwater only a short time, but they are "putting over" their business in a good way. They are both young men and hustlers; both know the furniture business. Mr. Barrow's father is one of Abilene's outstanding citizens and has been in the furniture business many years. Hence young Mr. Barrow has been brought up in a house furnishings establishment. He is a pleasing young gentleman and made friends for himself and his business while here. The Enterprise acknowledges a pleasant call from Mr. Barrow.

ROBERT LEE SENIOR CLASS PLAY

"The Girl in the Fur Coat," a three act Girard-Else comedy will be presented by the senior class of the Robert Lee High School in the new auditorium, Thursday night, January 27 at 7:15 o'clock.

The performance promises laughter in abundance for a fun-loving audience, with a cast which includes Doris Simpson, Gene Roberts, Lorene Fikes, James Smith, Ed Hickman, Joyce Green, Bryce Stewart, Dick Grambling, Bobbie Lee Davis, Patsy Haywood and Beatrice Wojtek. "Hiram Blows In," with Lawrence Higgins is the feature attraction. Mrs. McNeil Wylie directs the play.

An admission of ten cents for grade school pupils, fifteen cents for high school pupils, and twenty-five cents for adults will be charged. You may purchase advance tickets from any senior student. Proceeds from the play will be used in defraying numerous class expenses at the close of school.

Gives Large Order For Last Week's Enterprise Issue

Last week The Enterprise carried a page advertisement for the West Texas Butane Gas Company of San Angelo. Mr. Copeland, manager, and Mr. Mills, advertising manager of the Company, were pleased with the quality of the advertising service that The Enterprise rendered them. Hence, they placed an order with us for a reprint of last week's issue of the paper for a large number of copies.

Now, indeed, that is a compliment to us as to the kind of service we render in our advertising columns,—for, when the advertiser "planks down the plunk," as did the West Texas Butane Gas Company in this instance, it shows that he believes deeply in the virtue of the service rendered—for, men generally do not throw their money around promiscuously, when it comes to matters of business. The gas company desires the copies of the issue in question to distribute throughout the other sections of the San Angelo territory in which they are selling butane gas systems and appliances, where The Enterprise does not circulate.

Mr. Mills, the advertising manager, is a newspaper and publicity man—he wrote the page spread in our last issue, which shows that a man who "knows his stuff" drafted the copy. And by the way, it is a matter of unusual (?) satisfaction to us that it was our privilege (?) in the years past to "abuse" Mills, as he somewhat learned the printer's trade in our shop, where we taught him about "type lice" and "press handcuffs." That was at Rosebud, away back in 1915. We were both "young and green." However, Mills has grown much older now, while we still remain young and "green"—especially "green."

Thanks, to you, gentlemen, for the good order of the last issue of our publication—we trust both of you shall become "bloat-billionaires" from selling butane gas and appliances to the people of West Texas, who generally know a good thing when they see it.

BIG SONG FESTIVAL AT MILTS

There will be a Big Song Festival at Miles Methodist Church Sunday afternoon Jan. 23, from 2 to 4:30 o'clock. Stamps new 1938 song books, "Guiding Star" will be used in connection with other song books.

The Winters-Hatchell Male Quartet of Winters, the V. L. Horner Quartet of San Angelo, the Weaver Quartet of San Angelo, the Robert Lee Quartet, and the Jennings-Forehand Quartet of Wingate, and other good quartets will appear on the program.

A. B. Seabern, song writer and teacher, of Houston will be present, and with him the entire singing school from San Angelo. The public is cordially invited.

One Minute Sermon

BY REV. A. V. BRADLEY

LIMITING GOD

"They limited the Holy One of Israel."—Psalms 78:41. Sometimes we fall into the sin by limiting God to time and make Him fit into our plans and not us into His plans. Too many of us think of the Lord only in time of trouble; we forget Him in the hours of peace and happiness.

The children of Israel limited God in the wilderness and grieved Him in the desert. Yea, they turned back and tempted God, and limited the Holy One of Israel.

We, today are very apt to limit God in regard to human instruments He uses. Many times He wants to use us but we ask Him to use someone else as Moses did. We say that we are uneducated and cannot do the work.

Again are we not often tempted to limit God in the matter of our prayers? We confine Him to one expected answer. What if our Savior had done that? Perhaps, He would never have drunk that bitter cup of death for us.

And, too, we are tempted to limit God sometimes in regard to the way in which He speaks to us. We confine Him to certain preconceived ideas all of our own.

Lastly, are we not prone to limit God in regard to the compass of His power? And say there is no use, it is too late now.

God keep us, who are praying for a revival, and for the coming of His Kingdom in the world, from "Limiting the Holy One of Israel."

TEXAS THREATENED WITH SMALLPOX EPIDEMICS, NOW

Austin Texas, Jan. 20. "Texas is faced with the probability of local smallpox epidemics if precautions are not immediately employed," declared Dr. Geo. W. Cox, State Health Officer. "Last year there was not a single death from smallpox in Texas, while last week over thirty cases and two deaths were reported.

"Smallpox epidemics would never occur if everyone, and especially children, could be effectively vaccinated. The lack of vaccination causes the present menace of this disease. Modern safeguards have removed every legitimate objection to vaccination. The virus is made from calves and, consequently, is incapable of transmitting human blood diseases.

"A primary vaccination with one successful re-vaccination will, as a rule, protect throughout life from the milder forms of smallpox, but this is not true in the severer types of this disease. Therefore, be vaccinated and revaccinated at least every seven years, so that you will have the greatest protection possible and the least chance of being sick. Revaccination should also be done after each time you have been near a known case of smallpox, for you know that the old vaccination protects if the new fails to "take." Vaccination is not to be feared but rather to be sought as the only safe, positively harmless and absolutely certain safeguard against smallpox. See your family physician today and be sure that you are protected.

FOR COUNTY COMMISSIONER, PRECINCT 4

To the voters of our Precinct: I hereby announce my candidacy for County Commissioner of Precinct No. 4, which is the Tenyson precinct.

I do not have much to say in making my announcement except that I want the office, and I can only promise to serve our precinct and Coke county at large in a straightforward, business-like way, if you see fit to elect me.

The voter knows as well as myself, that the Commissioners' office is one of great importance for the commissioners' court handles the business affairs of the county.

I favor the most rigid economy consistent with the best interests of our county and our precinct. I pledge my best endeavor at all times to the affairs of our county and precinct, if elected.

I will greatly appreciate any favorable consideration you may give my candidacy.

Sincerely,
W. T. Green

FOR COUNTY AND DISTRICT CLERK

In this issue in the political Announcement Column of The Enterprise is the announcement of Willis Smith to succeed himself as county and district clerk of Coke County.

Anything The Enterprise might say regarding Willis Smith as to efficiency, his satisfactory management of the county's affairs in his office, and his pleasing, smiling way of meeting and greeting those whom he meets would be superfluous—for, all those things are known and commented on by the voters of Coke County.

Hence, voters of Coke County, without further comment we submit the name of Mr. Smith for your consideration.

The Enterprise acknowledges a pleasant call from this good friend of many years. It was "well nigh on to forty years ago" that we first met E. W. Smith, and through the years the ties of friendship, if possible have grown stronger. Though, getting up in years, with the exception of his eyes bothering him, Mr. Smith is hale and hearty and as jovial as ever. We truly enjoyed this brief visit of this long-time, loyal friend; we wish for him yet many peaceful, happy years as he journeys here.

FOR COUNTY COMMISSIONER, PRECINCT NO. 4

In announcing my candidacy for reelection to the office of County Commissioner for Precinct No. 4:

I first wish to express my thanks and appreciation for your support in electing me to the office, and your splendid cooperation during my tenure in office.

I have no other pledge than that with which I started out, and which I have tried consistently to carry out. That pledge is "a political promise to no one, but fear treatment to all."

I have tried at all times to work out the problems of my precinct for the best interest of the people of this precinct and at the same time realizing that I am a County Commissioner as well as a precinct Commissioner; I have tried to use economy in handling the funds of the County under trying conditions that have faced the Commissioner's Court the past three years; I believe that I have made a fair showing and if reelected, I will be able to continue the service without interruption.

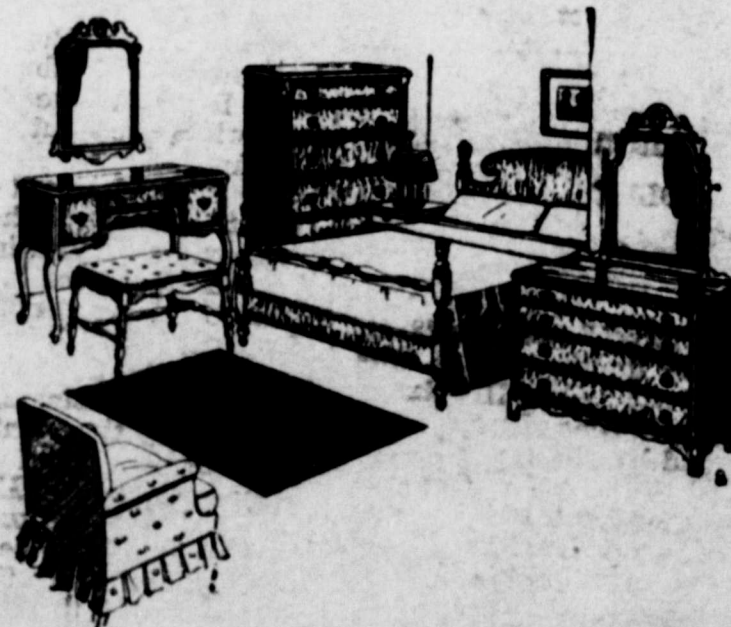

I will appreciate your vote and influence this coming election, and thanking you for your past support, I am,

Sincerely yours,

And THE ONE QUESTION with every farmer is with reference to farm machinery and equipment with which to farm. Let us suggest to you that you investigate, before you settle the question, with reference to the superior Qualities of

THE OLIVER ROW CROP "70"

Here is the tractor thousands of farmers had the good judgment to buy at first sight—that other thousands bought when they learned what they wanted in a tractor. For two years this Oliver "70" has been showing the world how good a row crop tractor can be.

It's more enduring than the toughest mule, faster than the finest plow span, more powerful than the best six-horse team. This Oliver "70" has smoothly sailed into the hearts of thousands of farmers by what it does for them and how it does it. Now, that famous performance and endurance have been given the beauty of a fine thoroughbred. Today, when you buy your Oliver "70", you get the neatest, sweetest performing power plant that ever turned a furrow PLUS looks that are worthy of its mechanical perfection.

The Oliver "70" literally has everything that you want in a tractor. Smooth, unfaltering power from six husky cylinders. Performance that all tractor manufacturers know is ONLY possible with an engine designed especially for the fuel used. The "70" is nimble as a polo pony, handsome as a thoroughbred, as easy to drive and steer as the family automobile and rides just like a hammock on the road or in the field.

Come to see us and let us explain to you this unexcelled Tractor—if you can't come, write us, or telephone, and we will come to see you.

NOTICE

The legislature of this State has enacted Article No. 1371-a and this Article is now the law of this State, and said article provides among other things that all those owning or controlling a dog or dogs must register same and pay the prescribed dog tax.

The citizens of Coke County have by a majority vote decided to make this law apply to Coke County; therefore now it is in violation of law for any person or persons to have or control an unregistered dog.

I have tried to explain all the phases of this law through your local newspaper, but I again state that you are violating the criminal laws of this State by not registering your dog and that I will prosecute any person in this County upon complaint that you have or control an unregistered dog.

All dogs must be registered and each day you put this off you violate the law.

Our criminal laws are just as strong as you citizens make them; My duty is finished when

I have taken the complaint and prosecuted that complaint before a jury. And I want you to report to me the name of any person owning or controlling any unregistered dog, and if you will come to my office and file a complaint, I promise you that I will prosecute each complaint filed and do my very best to obtain a conviction.

THE LAW HAS BEEN VIOLATED BY THE PERSON FAILING TO REGISTER HIS DOG, and any person failing to register his dog is guilty of an offence against the Criminal laws of this State.

So please register your dog, and in event you get caught or a complaint is filed against you for not having your dog registered, then don't come to me for any favors, as I shall prosecute all these dog cases regardless of who you may be.

Thanking the people of Coke County for your cooperation during my tenure in office as your County attorney, I am,

Respectfully yours,
W. C. McDonald,
County Attorney.

(Continued from page one)
September 28, 1870—more than 77 years ago. The clipping is yellow with age, but otherwise is perfectly preserved, and the print is clear and readable as it was the day it was printed.

After giving the name of the deceased and the birth and death dates, the paper carried the following beautiful tribute to the memory of the one who had departed:

"Her death was to her a happy release from intense suffering. She bore her afflictions with Christian fortitude. She joined the Christian Church in her youthful days and lived a faithful, consistent life, adding to her life all the Christian graces which made her lovely to all who knew her. In her death her husband has lost a tender, faithful, devoted companion, her children a kind and devoted mother, her relatives an affectionate and dutiful daughter and sister. To her sorrowing relatives and friends there remains a sweet memory and love unmarred by any bitterness, for she was eminently a good and lovely companion, daughter, and sister. When she was informed of the near approach of death, she spoke calmly in regard to the

future. Forgetting nothing, she said she had desired to live to see her children grown, but was ready if it was the Lord's will, bade each one present a last farewell, calling them by name, asking all to help watch over her children, and comfort her bereaved husband. The parting was very sad but our meeting, if we hold out faithful to the end, as she has done, shall be one of everlasting joy in the presence of our Lord and Redeemer. And now loved one you are done with trials and sufferings here below and we can say farewell, but not forever. If faithful, we shall meet you again in that land where beauty never dies and love becomes immortal."

Following the religious services Monday afternoon, the body was carried by the Masonic brothers of deceased to its quiet resting place, out there, where the others of the dead, sleep and take their rest, and beneath the embankment of flowers was left beside the companion of his youth.

Mrs. Callie Bennett, local supervisor of WPA work in Bronte attended the district WPA institute of District 19, in San Angelo, the first three days this week.

Mrs. Bennett reports a most profitable and instructive as well as enjoyable session of the institute. There was a large attendance, and Miss Mary Williams of San Antonio, with the state department of WPA work, was present and lectured the supervisors with reference to their work.

On Tuesday the group enjoyed a banquet in the Virginia room of the San Angelus hotel. A three-course luncheon was served and an after dinner program followed. Mrs. Mary Barry district supervisor was toastmistress. The group sang, "The Eyes of Texas" and "Home on the Range." A playlet was staged, entitled "Gossip," which Mrs. Bennett says was a scream for hilarity and laughable features.
