One Minute Sermon BY REV. A. V. BRADLEY

"CHRISTIAN CONDUCT"

what sort of men ought ye to be in all holy living and godly conduct, expecting and helping to hasten the coming of the day of God, by reason of which the heavens, all ablaze, will be dissolved, and the elements will burn and melt?"-II Peter 3:10,11. (Weymouth)

Christian conduct is very essential to the winning of the lost to Christ. The proper kind of conduct will influence the loht to accept Him as Saviour.

Careless living on the part of church people will help to send more lost people to Hell than any other thing.

Gambling today in many quarters with cards or otherwise is the rankest sort of sin. Gambling is gambling if it is on a ball game, for a soda pop or for money raffled off at a picture show. No doubt, there are some pictures shown on the screen that leave no harmful effects on one's life, but the show business knows good and well if they were to leave off vulgar shows and Money night they would go under. They are not going to quit these two evils, so the logical thing for church people is to quit them. They are in for money. Any Bank or Money night conducted today is in open violation of the laws of the State of Texas, and yet many will patronize an unlawful practice.

Proper Christian conduct at the bridge table is unthinkable. Even if there are no prizes up, the time that is wasted in this manner will have to be accounted for at the Day of Judgment.

A warm Christian heart and a dancing foot are never found in and on one person. When the foot, or feet, are dancing to the tune of jazz music the heart is cooling off. You have to be light-hearted to dance. You never saw a dancing soul winner or a soul winning dancer. You never saw a dancer faithful to his church; they will invariably "lay out;" the church does not interest him; he is afraid the pastor or teacher in his class will hurt his feelings. To the many church members of all denominations let me say: "Live for Christ and His cause and you will find all the joy you need. You will always be cramped when you go to God's House."

ROY BREY FOR COUNTY JUDGE

The last word to the voters in Coke county from Prof. Roy Brey of Robert Lee, candidate for county judge and ex-officio county superintendent of schools, is in the Enterprise Candidate' Page in this issue of The Enter-

The qualifications of Mr. Brey are in the fact of his training for the work the office involves. Mr. Brey holds a B. A. degree from the East Texas State Teachers College at Commerce. In his school work Mr. Brey majored in industrial education and commercial law. Hence, his training qualifies him for the duties of the office to which he

aspires. Mr. Brey was out of school two years while he was in the World War. He served as a machine gunner and went with the Army of Occupation to Germany. While in Germany Mr. Brey taught school for a time. The school was for the American soldiers in the Army of Occupation. Prof. Brey has been a teacher for a number of years, and the last seven years he has taught in the Coke county schools-four years at Bronte and three years at Robert Lee.

Prof. Brey is well qualified to fill the office accepatbly, if the people see fit to elect him.
