NUMBER 13

## Fort Worth Man Found Dead In Car, Near Bronte

A man, whose name was learned to be Chama Lacey, was found dead in his car, two miles north of Bronte, on highway 70, Friday morning.

A hose was attached to the exhaust pipe of his car and the loose end of the hose was in the car where the man was. Cullen Clark found the man, who had stopped his car, not far from the residence of Justice H. M. Robinson. Constable Walker Good went out and investigated and found the man dead.

The body was brought to the undertaker's morgue at Frank Keeney, Bronte undertaker. The man's belongings were inspected. Several cards of identification were found on his person. One was an expired deputy sheriff's commission from a former sheriff of McLennan county at Waco, and also a recommendation from the present sheriff of Waco, commending him as an excellent and trustworthy man; also cards showing that he was an ex-service man.

Through the cards he carried it was decided he made his home in Fort Worth. The officers communicated with the sheriff at Fort Worth and through this way the man's wife was located. A funeral car came out from Ft. Worth Friday night, embalmed the body and returned it to his wife in that city.

Far as The Enterprise could gather, there was no reason assigned by the man for his rash act.

## Planters Gin Makes Repairs On Gin Plant

A crew of men were engaged most of the week making repairs on the gin plant of the Planters Gin Company. The repairs included making over the roof on the building, a general cleanup and overhauling.

A. F. McQueen, manager of the gin, said that that were getting ready in time for the fall ginning season, and that every part of the gin machinery would be gone over and put in ship shape before time for ginning to begin.

## Bronte Livestock Judging Team Makes Record

Vocational Agriculture instructor of the Bronte schools, Prof. J. T. Henry, and the livestock judging team of the school, attended the livestock judging contest at Texas Tech at Lubbock last week. The Bronte boys made good. They placed third. They placed 5th in cattle and 3rd in all classes.

The livestock judging team is composed of Percy Suggs, Joe Rawlings and Edward Williams. In 1937 the Bronte team placed 12th; in 1938, they placed 5th and in 1939 they placed 3rd. So, it is seen that gradually the Bronte team is forging its way to 1st place.

On April 17 the team will go to A & M College for the judging contests there.

## Easter Revival At Blackwell Methodist Church

The pastor of the Methodist Church, Blackwell; announces beginning Sunday morning, (Easter) a series of revival messages will begin, continuing through the week, with visiting pastors bringing the messages.

The speakers will be Rev. Smallwood, pastor Highland Heights Sweetwater; Rev. Joe E. Eldridge, pastor Baptist Church Bronte; Rev. J. H. Dean, Baptist pastor Blackwell; Rev. Reginald Hardy, Bronte; Rev. Wheeler, Methodist pastor Nolan Texas.

Special musical numbers and great chorus and Congregational singing will be a special feature of these services.

A cordial invitation is extended to one and all to attend—make it a deep resolve now to be in every service, remember, one WEEK ONLY. The services will begin at 7:15 each evening.

I. T. Huckabee, pastor.

## Home Ec. Girls Serve Lunch To Service Club

Wednesday noon was another "high noon" for the Bronte service club members and a few invited guests.

The occasion was the semi-monthly luncheon of the club. The Home Ec. girls, with Mrs. Marie Wilson, their tutor, directing, served the lunch. The occasion was held in the sales room of the Home Motor Co. The attendance was not quite as usual.

The hour was given over to entertainment, directed by prof. B. B. Covey, superintendent of the Bronte schools, and chairman of the entertainment committee. The Choral Club of the little folks of the Bronte schools directed by Prof. John Hamblen, rendered a few numbers which pleased all.

Marjorie Percifull and Alma Jane Cumbie appeared in a little skit entitled, "The Mumps," that was well rendered and entertained the guests.

Alma Jane Cumbie and Katharine Whitt appeared in a tap dance with Prof. John Hamblen furnishing the music on the guitar. And as usual these young ladies pleased their audience.

Prof. Hamblen brought several vocal numbers, playing his own accompaniment on the guitar. Prof. Hamblen always delights his audience.

A business session was held hurriedly, with Chairman H. O. Whitt presiding.

Ulmer Bird with the Abilene Times was presented. Mr. Bird discussed with reference to the Golden Jubilee of Coke County. R. L. Hall representing the Robert Lee Observer, was present. Mr. Hall was introduced but declined to make an address. Mr. Bird brought out that The Observer was going to issue a Golden Jubilee Edition of The Observer, celebrating the 50th anniversary both of the county and The Observer. The undertaking was given endorsement of the club.

Prof. J. T. Henry spoke with reference to raising a fund with which to furnish a loving cup to the stock breeder in Coke county whose calf should win each spring in the Bronte livestock show of the FFA boys. The pro-

## LAMARR CHAPMAN IS ON COLLEGE CONCERT TOUR

Spc. to The Bronte Enterprise: Denton, Texas, April 8—La Marr Chapman, sophomore student from Bronte, is a member of the picturesque North Texas State Teachers College A Cappella Choir which is making its annual tour this year in Oklahoma, Texas and Louisiana from March 31 to April 21 under its director, Dr. Wilfred C. Bain, head of the music department at the Denton Teachers College.

The picturesque vested choral group, one of the outstanding a cappella organizations in Texas, will make at least 21 appearances during the tour. On April 5 the choir will return to the Teachers College auditorium in Denton for a fine arts appearance at 8:15 p. m. This program will be open to the public without charge. In Austin on April 21, the group will sing before the Southwestern Music Education Conference and at the Governors mansion.

## P. T. A. Meeting Program For Next Tuesday

The regular meeting of the Bronte Parent-Teachers Association will be next Tuesday, afternoon.

The theme for the program is "The Church". The program follows:

Sacred Musical Numbers—directed by Mrs. Irving Cumbie. President's Message—Miss Mary Roach.

Devotional—Mrs. D. Hull. The Church as a Molder of Youth—Mrs. R. E. Cumbie.

Round Table Discussion—led by Rev. J. E. Eldridge.

## Coke's Best Play To Be Given Here

"Elmer"—the One-Act play which won in the Interscholastic League meet at Robert Lee will be presented at the Bronte school auditorium, next Wednesday evening, April 12. The play is directed by Mrs. Geo. Thomas.

The characters in the play are:

Elmer Collier—Bill Baker.

Janie Collier, 17 year old sister—Clementine Parker.

Jearne Collier, her twin—Kathryn Whitt.

Susan Collier, 16 tomorrow—Marjorie Percifull.

Mrs. Collier—La Verne Williams.

Miss Pinney, a seamstress—Goldie Gray.

Fannie Bell, the cook—Bettie Jo Glenn.

Hubert Brown—Fred McMullan.

Press Jameson—J. B. Parker.

Pony—the dog.

The players compete against San Angelo, Ballinger, Sonora and other prominent West Texas towns, April 14-15. Places have been drawn and "Elmer" is to be presented Saturday, April 15.

Admission to the play Wednesday night will be 5 cents.

ject met the approval of the club.

At this juncture the editor was forced to leave the meeting and what else was transacted we are not advised.

## Easter Services At The Methodist Church, Sunday

Have you noticed the cars around the churches the last few Sundays? The finest thing that is going on in Bronte is the renewed interest that is being manifested in church school and services recently.

There were thirty cars around the Methodist Church last Sunday during church school and there were 108 folks inside the church, and it was just a regular session of the school. Next Sunday will be a special day with special programs, so we have set our goal at 150. If the goal is reached, it will not be a victory for just the pastor or superintendent, but a victory for the 150 folks who come.

A special Easter program will be given for the opening period of church school at 10:00 a. m.

Easter music will be the special feature of the morning service with specials by the choir, a vocal solo, and congregational singing. The pastor's Easter message will be short, followed by the reception of members into the church. The salvation of souls and additions to the church are the major and primary tasks of the church, and we are glad to be able to say that our church will see some of the fruits of its labors in this Easter Sunday morning service. The Sunday evening service will be from 8:00 to 8:50.

## School Bus Drivers Feast The Trustees

Tuesday night was another occasion at the school house. It was an entertainment for the trustees of the school by the bus drivers. And though it was altogether unexpected to the trustees, yet it is said that they did full justice to the barbecued kid, "coke," tank water, coffee and other liquid refreshments that the bus boys supplied abundantly to their guests.

## Kickapoo Baptist Bible School This Week

Members of the Kickapoo Baptist church are enjoying a Bible school and evangelistic services this week.

Rev. E. O. Stewart of Dallas is leading in the work and many kindly things as to his work have come to us this week from those who have heard him. Due to unfavorable conditions the attendance has not been what was hoped for but those attending report that much good is coming from Rev. Stewart's work.

## COLLEGE BOYS HOME

Among the boys away at college who have come home for Easter holidays we note Jimmie Eubanks and Farris Mackey from the Oklahoma State University, and R. T. Caperton from A. & M. College at College Station.

As we go to press this Thursday night, it seems that a freeze is inevitable—the biting cold northeast wind, with the clouds, indicate a freeze tonight.

## H. O. Whitt Barn Destroyed By Fire Tuesday

The barn at the H. O. Whitt residence, in the south part of town, with its contents, was destroyed by fire, early Tuesday afternoon.

The origin of the fire was accidental. Trash had been burning in the alley for some time. The winds became terrific and carried the fire to the barn before anyone suspected there was any danger.

Bronte's volunteer fire department did good work and subdued the fire notwithstanding the high winds. They prevented the fire igniting the car shed of Mrs. Carrie Williams just across the street which was in danger for awhile.

Mr. Whitt had considerable loss as he had the building filled with feed.

Mr. Whitt estimates his loss at about \$200.00, with no insurance.

## Church Of Christ Bible Study Class Organized

The ladies of the Church of Christ met Tuesday, April 4, and organized a Bible study class with Mrs. Bob Covey as teacher, Mrs. J. B. Johnson as first and Mrs. A. M. Wynn as second assistants and Mrs. Bill Braswell as secretary-treasurer. Committees were appointed and the organization made ready to begin a comprehensive study of the New Testament, April 11, at three o'clock.

The study is to be extensive and topical, beginning with Matthew and taking the books consecutively, at the rate of two books per month.

You are welcome to begin this study with the class. Come.

## TRUSTEE ELECTION

The school trustee election Saturday was just another election with only a very small vote. Cumbie Ivey and W. H. Maxwell Jr. were elected.

The board now consists of F. S. Higginbotham, Noah Pruitt, Cumbie Ivey and W. H. Maxwell Jr. It is the intention at present of H. O. Whitt who was elected last year but who did never qualify and R. R. Ash, to qualify and thus make the board personnel complete.

G. A. Best, and his guest for the week, H. M. Warford of Lawn were callers at The Enterprise office Tuesday afternoon. Mr. Warford is a splendid Christian gentleman and we always enjoy meeting him and it was a genuine pleasure to have these friends call the other afternoon.

CANCER, A DREADED,  
BUT IS NOT AN  
INCURABLE DISEASE

Austin, Texas, April 6.—“The  
fact that cancer ranks second as  
a cause of death in Texas, that  
4370 Texans died of cancer last  
year and that the death rate has  
increased 172 per cent in the last  
fifteen years makes cancer one  
of our greatest medical and  
health problems,” states Dr.  
Geo. W. Cox, State Health Offi-  
cer.

“Cancer is not a hopeless, in-

curable disease. It is not conta-  
gious or in itself hereditary.  
There are thousands of men and  
women in this country who have  
been successfully treated for  
cancer. Yet the death rate con-  
tinues to rise year after year.  
The important thing in curing  
cancer is to discover the disease  
early and begin treatment dur-

ing its early stages. Cancer an-  
nounces itself by symptoms that  
are frequently painless and ap-  
parently trivial, thus giving the  
disease an unseemly advantage.  
Early diagnosis is the one pow-  
erful antagonist.”

Doctor Cox lists cancer danger  
signals as: any lump in the  
breast or other part of the body;  
any persistent sore, particularly  
on the face or mouth; any un-  
usual discharge or bleeding from  
part of the body, such as vomit-  
ing of blood, passage of blood  
from the bowels, or unusual  
bleeding of any bodily passages,  
especially after middle-age.  
These symptoms may be from  
some other cause but should be  
diagnosed by a physician.

“Two fundamental rules should  
be followed in cancer treatment.  
First, have an annual physical  
examination by a reputable  
physician. In this way incipi-  
ent cancerous conditions can be  
discovered and by proper treat-  
ment the disease can be con-  
quered. The second rule is to  
steer clear of ‘cancer quacks’  
and ‘amazing cures.’”

The month of April has been  
proclaimed Cancer Control  
Month by Governor W. Lee O’  
Daniel in a proclamation issued  
at Austin. The Women’s Field  
Army for the Control of Cancer  
and the Texas State Department  
of Health are collaborating in an  
intensive campaign of education  
against the disease, the control  
of which depends above all else  
on an intelligent and alert pub-  
lic.

## THE ETHICS OF SAVING

The wisdom of ages we have for our guide,  
 Showing how men have lived and how they have died.  
 From Solomon's Proverbs to the wisdom of now,  
 We are taught the ethics of saving and how;  
 But it makes little difference by whom they are taught,  
 These lessons by many are all put to naught.  
 Saving is simple, it has no complex plan;  
 Just store for the future whenever you can.  
 The FIRST NATIONAL BANK is a good place to store  
 Your money while you are making some more.

## New York City Brushes Up for Fair of Century

NEW YORK—While the New York World's Fair 1939 speeds toward its opening on April 30, the city is preparing to receive 15,000,000 guests. The Fair will be the greatest party this town has ever thrown.

Grover A. Whalen

Thousands of workmen, artists and technicians are now engaged in finishing-up the vast spectacle and large crews are at work on Manhattan Island, grooming hotels, apartment houses, theatres, and public buildings for the date when The World of Tomorrow will steal the show from The City of Today.

"Going to the Fair" this year will mean two shows for the price of one so far as the out-of-town visitor is concerned. New York's Broadway, amusement center of the nation, will not rival, but will supplement entertainments at the Fair.

Extending in a broad arc beyond the New York State Marine Amphitheatre and along the eastern shore of Fountain Lake is the 280-acre Amusement area where gaiety will rule.

### Million Dollar Show

At the amphitheatre, Billy Rose, Broadway's master showman, will present Eleanor Holm in his \$1,000,000 extravaganza in which 300 dancing and swimming girls will take part. A curtain of water will shield the stage from the audience between the acts. The theatre will seat 10,000 persons.
