

The Bronte Weekly Enterprise

VOLUME 21.

BRONTE, COKE COUNTY, FRIDAY MAY 26, 1939

NUMBER 20

Opens Butane Gas Business In Bronte

Otis Smith announces in this week's Enterprise that he has established a butane gas business in Bronte, and will operate his business under the business name of Butane Service Company.

Mr. Smith has bought him one of the latest and best butane gas trucks with which to haul gas from the oil fields and distribute in the local gas systems of those who buy gas from Mr. Smith.

The Butane Service Company will handle and install butane gas plants and appliances as well as distribute gas to consumers. Mr. Smith being a mechanic is well qualified for installing gas plants as he is familiar with the work necessary to the installation of butane gas plants.

Mr. Smith is already in the field at work and has sold gas plants already and is busy installing them. And in his announcement Mr. Smith bids for all the business in his line in Coke county and surrounding sections of country.

The Butane Service Company is another business added to the business life of Bronte and Coke county. The Enterprise wishes Mr. Smith success in his business venture. Read his ad and if interested in a butane gas system see Mr. Smith.

RAINS DRIVE THE

BOY SCOUTS HOME

Scoutmaster B. B. Covey and eleven of the local scouts hied themselves away bright and early Wednesday morning to Christoval for a two days outing on the shady banks of the Concho at Christoval.

But, Wednesday night there came a heavy rain and hail storm in the Christoval section. So, the scouts thought they would play safe and broke camp and came home Wednesday night. The scouts report that they were "all set" for a really good time.

Exit, sweet girl graduate—enter June bride. God bless you both, for it is difficult to tell which of you is the happier. However, it seems that usually the odds are against the June

Bronte Schools Close A Most Successful Year

The 1938-1939 session of the Bronte schools is now history and a memory in the minds of the teachers and the pupils.

The baccalaureate sermon was delivered Sunday morning in the school auditorium by Rev. R. C. Hardy, pastor of the Bronte Methodist church. It was a most happy occasion as the 34 members of the graduating class sat and heard the words of advice from the speaker.

Monday evening the commencement exercises were held. Dr. C. R. Hooten, presiding elder of the Sweetwater district of the Methodist church, delivered the commencement address before the graduating class and a great company of their friends.

Supt. B. B. Covey presented diplomas to the members of the class.

And—so the curtain falls and the teachers turn in their several vacations and activities and the pupils also go their ways, some planning to enter college next fall, while others do not know yet what they will do.

Y. W. A. MEETS WITH MRS. ROBT. COLEMAN

The Y. W. A. of the Baptist church met Monday afternoon with Mrs. Robt. Coleman.

Members of the Y. W. A. are interested just at this time with their theatre party which they are sponsoring at the Texas theatre next Thursday night June 1. So, tickets were placed with different members to be sold for the show.

Those in attendance were Virginia Youngblood, Mrs. J. E. Eldridge, Mrs. Otis Smith, Geraldine Bell, Mrs. C. N. Baker, Mrs. J. M. Rippetoe and the hostess.

Mrs. J. M. Rippetoe was elected reporter, taking the place of Miss Fay Lowry who has moved away.

Yes, we do job printing—try us. Satisfaction always guaranteed.

bride—at least, she is without glamor after she passes the altar.

AN APPRECIATED LETTER

Two weeks ago the editor appealed to each and all of our readers to adjust their subscription accounts due to the fact that we have had and are still having undue heavy expenses on account of the illness of Mrs. West.

The response has been fine, but not one-fourth enough to take care of our increased unexpected expenses. Letters with remittance have come from everywhere, all of which we appreciate. Following is a letter from Mr. and Mrs. R. H. Herron at Eunice, New Mexico, which we appreciate and which is a sample of many such letters we have received:

Eunice, New Mexico
May 22, 1939

Dear Bro. West:

We are enclosing M. O. for \$3.00 to apply on our subscription, to keep "the old home town paper" coming, which we are always glad to receive.

We regret to learn of the illness of Mrs. West and hope she is much improved by this time.

It is very warm and dry here. We hope it has rained there so that everyone can make a good crop.

Your friends,

Mr. and Mrs. R. H. Herron.
We print the above not only because we appreciate the fine, good spirit of the letter, but also to remind you, dear reader, that, if you have not adjusted your subscription account, you can now in the same way as Mr. and Mrs. Herron, prove your loyalty to "the old home town paper" and to the editor who really and deeply needs every cent that is justly due him.

Won't you, please, give this matter your immediate attention?

THANKS in advance for your immediate attention.

Mr. and Mrs. Bo Pierce from Iraan were week-end visitors of Mrs. Pierce's parents, Mr. and Mrs. B. F. Gilreath, and other relatives. They came to attend the graduation exercises of the Bronte schools. Mrs. Pierce's sister, Miss Clarene Gilreath was a member of the graduating class.

Mrs. R. E. Cumbie who is ill in a San Angelo sanitarium is reported as recovering only very slowly—some days she is improved.

FORMER BRONTE BOY TO MARRY

Dr. and Mrs. R. A. Collins of Abilene announce the forthcoming marriage of their daughter, Charlotte, and R. I. Collier. The happy event is to be consummated June 1, on which day the bride graduates from Hardin-Simmons University.

Mr. Collier is a former Bronte boy, the son of Mrs. Cova Collier. Mr. Collier is a graduate of the Bronte schools and of Hardin-Simmons University, and is band director of the Anson High school.

"Dick," as his many boyhood friends here at Bronte, call him, is another of Bronte's boys who has gone out from "the old home town" and has made good. And all these friends extend congratulations to "Dick" on his good fortune in winning the one he has chosen for his life's companion and all will wish him and his bride bon voyage as they set sail upon life's high seas together.

Bronte Beats Wall By Score Of 23-7; Sunday

Batting around and knocking two pitchers out of the box the hard hitting Bronte ball players collected 6 hits and 6 runs in the first frame of the game played Sunday vs: Wall at Wall.

Bronte never lost their lead gained in the first inning and scored in every inning except the 6th.

The Bronte nine combined well placed and timely singles, doubles, triples, and home runs to run up a total of 24 scores to 7 for the opponents.

D. W. Williams pitching most of the game for Bronte performed well both on the mound and at the bat getting 6 hits out of 7 times at bat.

LeRoy Scott, Bronte short played a mighty good game, featuring in a number of double plays and getting two home runs and a two bagger.

Bagwell, playing right field for Bronte got 4 hits out of 6 trips up and did some of the best base running ever witnessed in the Concho Basin League.

D. W. Turner taking over the catching duties in the 5th inning looked mighty good behind the bat.

Lambert getting but one hit proved to be the champion at getting on base and scored 3 runs.

M. Corley playing first; as usual played a good game, parking some long drives over the outfielders, but due to the fact that a leg injury has hampered his running, he was unable to circle the bases for a home run.

J. Corley taking over the pitching duties in the latter part of the game shut the Wall boys out in the last innings of the game and did equally as well at the bat.

Dan Scott collected two hits out of 4 times up and handled his catching duties well.

Buford hit well as usual, but was a bit off on his fielding.

Wall opened up in the 3rd and 4th inning getting 3 runs in each to count 6 of their total of 7 runs.

Wheeler of Wall got a homer in the 3rd inning with two men on. With the bases loaded in the 4th, Edwards of Wall hit to center field for a double. Wheeler's single scored the other run in the 4th.

Score at the end of the game: Bronte 23; Wall 7.

Bronte Lineup:

	Ab	H	R
L. Scott	7	3	4
Buford	7	3	3
Lambert	7	1	3
D. W. Williams	7	6	5
M. Corley	7	4	1
J. Corley	4	2	4
D. W. Turner	6	2	2
D. Scott	4	2	0
Bagwell	6	4	1
Stephens	2	0	0
Total	57	27	23

Mrs. D. M. West who has been ill for some weeks is now recuperating at Glen Rose, where she will spend some time. Thus far, since going to this health resort town, she is doing well as could be expected. Both Mrs. West and myself appreciate the kindly interest shown with reference to her condition, in the many daily inquiries by friends as to her condition.

Miss Lottie Ivey who teaches in the Holding Institute at Laredo is home for the summer vacation. Miss Lottie's friends are always glad to see her.

Y. W. A. Sponsors Theatre Party

Members of the Y. W. A. of the Baptist church are sponsoring a theatre party Thursday night, June 1, at the Texas theatre. The Wojtek brothers, owners of the show in the generosity of their hearts, give the Y. W. A. a good per cent of the proceeds of the evening.

The show for that evening is said to be one of the best, "They Made Me A Criminal."

The Y. W. A. at that time will give away a Friendship quilt which has been quilted by members of the Y. W. A.

A cordial invitation is extended to each and all to attend the show on this evening, which will be very much appreciated by the young ladies who are directing the entertainment.

Don't forget the date—Thursday night, June 1.

Much Interest In Misspelled Word Contest

Beginning last week and running through four consecutive issues, The Enterprise inaugurated a Misspelled Word Contest. The plan is that of carrying the ads of different business houses out of Winters, Ballinger and San Angelo, and in each ad there is one or more misspelled words.

The contest offers \$1.50 each week to the first one who brings the nearest correct answer to the misspelled words—giving the name of each advertiser, the misspelled words and then giving the misspelled words correctly spelled. The contestant must bring or send his answer to The Enterprise office not before eight o'clock the following Saturday morning after the paper is printed Friday morning and not later than six o'clock the same Saturday.

The contest has excited far more interest than even we had dreamed it would. Therefore the answers were pouring in all day Saturday and kept one man busy listing the contestants and their answers.

There was not a bad answer turned in. Winner of first prize each week, gets \$1.50 cash and 5 others get a Texas Theatre ticket. Bronte's Texas theatre, through its owners, the Wojtek brothers, are cooperating with The Enterprise in a great way in the contest and they are supplying the 20 tickets necessary to give each of five contestants each week a ticket to the show. The winners last week were as follows:

Leslie Woullard—this gives Mr. Woullard 1st prize for the week, which is \$1.50.

Robert Rudd
W. R. Hester
Jess Scott
Ethel Hallmark
Pauline Sanderson.

Let the above 5 call tomorrow, Saturday, and we will issue each of them a ticket which will entitle them to attend the show at the Texas theatre.

Get in, folks—get in early and have your answers waiting at The Enterprise office at 8:00 o'clock Saturday morning, May 27—no entries received after 6 o'clock in the afternoon.

Watch next week's paper for the winners in this weeks contest.

The editor came into his office and found the following note on his typewriter the other afternoon: "13-year old girl who lives west of Bronte wears an 8½ shoe—believe it or not."

FIRST TELEVISION PICTURE

NEW YORK—Amos 'n' Andy, famed blackface comedians, made television history at the New York World's Fair when they played the stellar roles in the first experimental television pickup of a commercial

radio program. This is how they appeared on the television screen. Incidentally, that's Amos on the left. Later Mr. Whalen was interviewed on the national broadcast of the comedians.

Equine Encephalomyelitis Or Sleeping Sickness In Horses

(Continued from last week)
is inoculated with the eastern virus, it promptly develops the disease and dies. That same thing is true with the eastern virus. An animal recovered from the eastern type of the disease cannot be reinfected with the eastern virus, but if the western virus is inoculated into that animal, it succumbs with the disease. So that we do not have what we speak of as a cross immunity.

This has a very practical application in the matter of vaccination. It is very important that the proper type of vaccine be used in an area. It would not do to use an eastern type vaccine in a territory or country where the western virus is operating. No immunity could be expected from such a procedure. We have been paying particular attention during the past year and also in previous years to the location of the disease as it appeared in the various states, with particular reference to determining the type that was present in the state, and to date the viruses have remained quite distinct as far as this geographical location has been concerned. The western virus has remained in the west, although approaching eastward, and the eastern virus has been found along the Atlantic seaboard. This outbreak of encephalomyelitis in horses that occurred in Massachusetts in August and September of this year was of the eastern type, which is what we would expect to find.

During August and September, 1938, an outbreak of sleeping sickness occurred in Massachusetts involving the eastern and southeastern counties. Our investigation revealed the cause to be the eastern encephalomyelitis virus. At this time a number of cases of encephalomyeli-

amongst children and a virus was recovered from the brains of some of the children who died. This virus was studied by the Bureau and found to be indistinguishable from the eastern equine virus in that a horse immune to eastern virus withstood an inoculation with the human virus while a normal horse and a horse immune to western type equine virus died of sleeping sickness following such inoculation.

About the same time cases of encephalomyelitis in humans were occurring in California and investigation showed that this human disease was caused by a strain of the western type equine virus.

The question of the source of the virus infection in humans has by no means been settled. In the light of our present knowledge, it seems altogether probable that there is a common source of infection for man and vice versa. As has been stated, many mammals and birds are susceptible to the virus.

While it is believed that once the disease appears in horses, further spread may occur from horse to horse, there are many points to indicate that there may be a reservoir of the virus other than the horse from which biting insects may draw to start up an initial infection. The fact that the disease occurs during the insect season and subsides after killing frosts and that no cases occur until the following insect season brings up the next, and whether or not the virus exists in some carrier animal. While it is possible that the horse may be a carrier, experimental work so far has failed to indicate this. On the other hand, immune bodies are quite constantly found in the blood of the recovered horse. In addition, during the past five years large numbers of horses have been shipped from the western area, where encephalomyelitis has been epizootic, to the East and in no case has the western virus which is immunologically distinct and easily differentiated

(To be continued)

GOVERNMENT RESEARCH shows that 90 per cent of sickness is caused by CONSTIPATION. We have the most modern COLON THERAPY equipment with which to correct CONSTIPATION.

COMPARE Firestone CHAMPION TIRES

FOR Value! Safety! Price!

TIRE	SAFETY-LOCK CORD BODY	GUM-DIPPING	2 Extra Layers of Safety-Lock Cords Under the Tread	GEAR-GRIP TREAD	Speedway-Proved for Highway Safety
Firestone CHAMPION	✓	✓	✓	✓	✓
ANY OTHER TIRE					

For Your Decoration Day Trip

protect your life and the lives of your family by equipping your car with a set of new Firestone Champion Tires. Compare this amazing tire with any other tire on the market in safety, in value, in price! Then you'll know why car owners everywhere acclaim it the sensation of 1939. And you'll realize why motor car manufacturers enthusiastically adopted it for their 1939 models. Only in the new Firestone Champion Tire do you get these patented and exclusive construction features:

- ✓ **Safety-Lock Cord Body** is made by more tightly twisting together the fibers in each cord providing far greater strength—and greater strength means greater safety. **Another exclusive Firestone safety feature.**
- ✓ **Gum-Dipping**, a new and advanced Firestone process, safety-locks the fibers, cords and plies together, counteracts internal friction and heat and gives greater protection against blowouts. **Another exclusive Firestone safety feature.**
- ✓ **Two Extra Layers of Safety-Lock Cords Under the Tread** provide greater protection against punctures and more securely lock the Gear-Grip tread to the Safety-Lock cord body. **Another exclusive Firestone safety feature.**
- ✓ **Gear-Grip Tread** has more than 3,000 sharp-edged angles which grip the road with a sure-footed hold to prevent skidding. It is so deep, so tough, so long-wearing that it is setting sensational new non-skid mileage records. **Another exclusive Firestone safety feature.**
- ✓ **Safety-Proved on the Speedway for Your Protection on the Highway**—Firestone Gum-Dipped Tires hold all the outstanding records for safety, speed, mileage and endurance. In fact, for 19 consecutive years, Firestone Tires have been on all the winning cars in the annual 500-mile Indianapolis Race. **Another exclusive Firestone safety feature.**
- ✓ **Price**—All of these extra advantages are yours at a price no more than you would pay for an ordinary tire and Firestone Champion Tires are backed by the Firestone Lifetime Guarantee—no time or mileage limit. **Another exclusive Firestone economy feature.**

FLOYD ROBERTS
1938 National Race Champion
More champion race drivers select and buy Firestone Tires for their racing cars than all other makes of tires combined. These men, whose lives depend on tire safety, know tire construction and they refuse to risk their lives or chances of victory on any other make.

Butane Gas Service Announcement

To the people of Coke County:
I take this way of announcing that I have established a butane gas business for the people of Coke county and surrounding sections of country. I will handle BUTANE GAS PLANTS, APPLIANCES AND SERVICE.

I Am Prepared

To install you a butane gas plant that will give you most satisfactory service. Ask anybody who has butane gas as to the satisfactory service butane gas always gives.

My Gas Truck

Is A-1 and is sufficiently large always to supply your butane gas needs on quick notice. Folks, I am right here to serve you any time.

Your Patronage Appreciated

I will appreciate figuring with you on a butane gas system, if you do not have a system already. If you have butane gas I will appreciate supplying you your gas. I will make no charges for adjustments on your plant or minor repairs, regardless as to from whom you bought your plant.

BIG SONG MEET TO BE HELD AT MILES, SUNDAY

There will be a Big Song Festival at Miles Methodist Church Sunday afternoon from 2 to 4:30, May 28, 1939.

Singers are expected from San Angelo, Ballinger, Winters, Miles, Robert Lee, Bronte, Maverick, Wingate, Norton, Tennyson, Verithest, Wall, Eola, Mereta, Harriett, and other towns and communities.

Stamps new song books will be used in connection with other books.

ranch. He has arranged for the rodeo, with grandstand and arena equal to the best and usually for two or three days that the rodeo is on, the fun is fast and furious.

Mr. Cox has bought a herd of buffalo now and will have them at the round up in August. Mr. Cox also has a herd of brahmas that he uses in the wild steer riding—and they are wild and vicious. The herd of bucking horses likewise are the "rough-stuff" that can be found.

Mr. Cox intends to make this year's rodeo eclipse anything he has ever had in his annual roundup.

JUNIOR STUDY CLUB VACATIONS FOR SUMMER

Mrs. Otis Smith was hostess to the Junior Study Club, in its last meeting before going into vacation for the summer, Thursday afternoon.
 It was the first business session of the club since the district meet at San Angelo recently, so, a full review of the district meet was had.
 Roll call was answered with "My favorite childhood teacher and why."

"THEY MADE ME A CRIMINAL"

'Tis education forms the common mind;
 Just as the twig is bent, the tree is inclined."—Pope.

An interesting talk was made by Mrs. Mildred Thompson of Maverick, on "Parents go back to school."

The Human Laboratory: "They find out what you are fit for," was given by Mrs. O. R. McQueen.

Edison and the Ford Institute, Mrs. C. N. Baker.

The club adjourned for the summer and will have no regular meetings. But, a committee for each of the three summer months was appointed, whose duty it is, to provide entertainment once each month, of some kind, for the club.

A salad plate with bottled coke was served to Mesdames James Glenn, C. N. Baker, D. K. Glenn, Cumbie Ivey, W. H. Maxwell Jr.,

WHEN YOU'RE HUNGRY AT THE WORLD'S FAIR—

NEW YORK—More than 80 restaurants at the New York World's Fair 1939 will serve its millions of visitors. Their combined seating capacity at once will exceed 42,000. At top is the Turf Trylon Cafe with searchlights in full play. In center is the Rheingold Inn and Terrace where patrons will witness an ice carnival. Below is the Casino of Nations which will have a corps of waiters able to take orders in a dozen languages.

Bull at the Fair

NEW YORK—One of the most striking sculptures at the New York World's Fair 1939 is pictured above. It represents Europa riding Jupiter, the white swimming bull. The sculptor was Gleb Derujinsky.

tion of the Amusement Area; games of every kind another, while still another section will hold exotic villages.

In the Cuban village, covering three acres, the atmosphere of Havana's cafes will be recaptured. Here the rumba and danzon will be danced to native orchestras and arroz con pollo will be on the menu.

In Merrie England visitors will watch Elizabethan games on the village green, eat ample slices of roast beef and walk the streets of Old London.

Old New York will be another village. Here the Bowery of the mauve decade will live again.

Admiral Richard Byrd's "Penguin Island" and "Sun Valley," a winter wonderland with a daily blizzard will bring a dash of frosty fun to the scene.

Thrills for the Kids

It is estimated that 2,000,000 children between the ages of 3 and 14 will visit the \$1,000,000 Children's World. Admission to this zone will be free, although modest charges will be made for special entertainments including the diminutive restaurant.

In the "thrill section" will be found a parachute leap where visitors will experience all the excitement of "bailing out" without risking broken bones. An automatic, "fool-proof" mechanism will release the 'chutes' in such a manner that folding up will be impossible. The landing will be gentle. While this is one of the latest hair-raisers, the play center will be replete with coasters, wheels and rides of all varieties.

And to quote Grover A. Whalen, President of the Fair Corporation: "The World of Tomorrow" exposition will display the marvels of science, industry and art, and at the same time provide fun and gaiety for everyone."

O. R. McQueen, Mac Powell, Geo. Thomas, Roe Williams, Miss Nell Lowry and the hostess, with one visitor, Mrs. Mildred Thompson.
