Bronte Newspaper Carrier Boy Wins Trip To Caverns

There is one proud boy in Bronte—and he justly has cause to be proud. For, through diligent effort of his own, he has won a trip to Carlsbad Caverns. This lad is Billy Joe Wylie, who is Bronte agent and carrier boy of the Abilene Reporter-News. The Reporter-News inaugurated a contest among its carrier boys throughout this section. The contest was on securing new subscribers to the Abilene paper. Billy Joe entered. He rolled up his sleeves (so to speak) and went in to win—and win he did.

As a result of Billy Joe's diligent effort he is to leave Sunday the 16th, with a group of other winners from other towns and will return Tuesday the 18th. In the group with Billy Joe will be Curtis Hartin of Blackwell, 3 winners from Sweetwater, and 20 winners from Abilene.

Mark S. Nichols of Sweetwater, territory supervisor of this district of the newspaper's circulation department was in town Tuesday perfecting plans for Billie Joe's trip.

Congratulations to you, Billy Joe.

Kickapoo Baptists Begin Annual Meeting Tonight

Pastor Charles Carroll of Richland Springs and the congregation of the Kickapoo Baptist church, begin their annual summer evangelistic meeting this Friday night.

Elder John Hallford of Winters, pastor of the Crews Baptist church, will do the preaching and direct the meeting. Elder Hallford is a capable and earnest preacher and his messages always stimulate those who hear him to more earnest efforts in life.

The meeting will continue through to Sunday night, July 23. Everyone is cordially invited to attend the services, which will be held both morning and evening throughout the meeting.

Coke Song Meet To Be At Sanco Next Sunday

The Enterprise is requested by E. A. Burgess, president and J. C. Jordan, secretary of Robert Lee, of the Coke County singing convention to announce the annual convention gathering will be held at Sanco next Sunday, July 16, beginning at 10 o'clock in the morning and will continue to 4 o'clock in the afternoon. Dinner will be served on the ground, but everyone is expected to bring a well filled basket. The editor gratefully acknowledges a personal invitation to be present.

U. F. Taylor returned Wednesday afternoon from a trip that took him to Evant in Mills county, where he and Mrs. Taylor visited relatives. Then they went to Stephenville where Mr. Taylor left Mrs. Taylor who will take treatment from a doctor there for a month. Their friends will wish for Mrs. Taylor speedy recovery of her health.

HOME FROM SCHOOL IN CALIFORNIA

Miss Sybil Wynn, one of Bronte's young ladies who went away to school last year, has returned home for the summer vacation. Miss Wynn attended High school at Portersville, California. She is a graduate of the 1938 class of the Bronte High school. Miss Wynn's many friends are glad to have her home again.

Church Of Christ Meeting Begins On July 21

The annual meeting of the Bronte Church of Christ is scheduled to begin, Friday evening, July 21.

Evangelist J. E. Fitzgerald of San Antonio will do the preaching and direct the meeting.

The members of the local congregation are looking forward and expecting a successful meeting, as Evangelist Fitzgerald is a most capable Bible scholar and an interesting and pleasing pulpit speaker.

Leaders and other members of the local congregation join in an invitation to each and all to attend the meeting.

Bronte Wins From Oplin Wednesday, 12-2

Bronte's scrapping ball club swamped Oplin by 10 scores in a game played on the local field Wednesday.

Getting off to a good start by scoring one of their total of two runs in the first inning, the Callahan boys lost their rabbits foot and failed to make even a fair showing against Bronte for the remainder of the game.

The Oplin club has chalked up 25 wins for the season and were considered a tuff ball club, but their reputation proved stronger than their ability when they came to Coke county.

Play was stopped by a heavy shower in the first inning, but the game was continued and was played on a muddy field. A light rain falling through most of the remaining innings was a great hindrance to the players.

Marvin Corley and Luke Scott handled the pitching duties for Bronte with Dan Scott receiving.

All the Bronte boys were hitting. D. W. Williams collected 3 doubles and a single to lead in batting while Dan Scott came up with 3 hits.

Jr. Cumbie taking over first base for Jack Corley played an exceptionally good game in that position.

Mr. and Mrs. C. W. Bannowsky and Mrs. J. L. Stephenson were week end guests of Mr. Bannowsky's parents, and other relatives, at Junction.

"Uncle White" Turner Dies, At Norton, Saturday

"Uncle White" Turner died at the family home, three miles north of Norton, Saturday afternoon, July 8, 1939. His death was due to heart attack, following an illness of several months.

D. W. Turner was a native Texan. He was born at Hillsboro, April 15, 1864, making him to be 75 years old when death called him from the walks of life. He came West in 1907 and settled in Runnels county, where for 32 years he was one of the county's fine and substantial citizens. He was a man with aggressive ideals as to community life and public affairs.

When a bank was organized at Norton some years ago Mr. Turner was elected president of the institution in which capacity he served until the bank was liquidated. For fifteen years he was a director of the Farmers Gin Company, which was a strong gin organization until the plant was destroyed by fire in 1937, at which time it was decided by the stockholders to sell the remains of their plant and business and not rebuild. Always, everywhere, deceased was for the better things of community life. He was a member of the Christian church and was also a member of the Norton lodge after it was organized, and was associate patron of the lodge at the time of his death.

December 31, 1885, in Ellis county deceased and Miss Nancy Jane McCrary were united in marriage. They celebrated their golden wedding anniversary about a year before the death of his companion which was February 16, 1937.

Funeral services were held at the Norton school auditorium Sunday afternoon at 4 o'clock. A great number of people from over Runnels county and other places gathered to pay tribute to their old time friend. Elder W. C. Cantrell of Cisco, an old friend of deceased from boyhood, who also conducted religious services of the companion of deceased, conducted the religious services, paying tribute to the memory of his long time friend. Following religious services the Masonic Lodge took charge of the body and carried to Winters and there put it away for its last sleep.

He is survived by seven daughters and four sons, Mrs. W. E. Gully of Norton, Mrs. G. R. Forbus and Mrs. Tom Lollar of Happy, Mrs. S. M. Williams of Norton, Mrs. C. B. Taylor of Alpine, Mrs. John Bass of Ballinger, Mrs. Emil Scherbe of San Angelo, R. L. Turner of Maverick and D. E. Turner, Marcus Turner and D. W. IN MEMORY OF MR. D. W. TURNER OF NORTON

Another soul has gone to the home above,
To join those who are already there.
Another soul whom we all loved,
Has left a vacant chair.
He will be missed by the great and small,
For his friends were many and true.
His statue may not stand in a famed hall,
But will live in the memories of me and you.
The hearty handclasp, the cherry smile,
Will live on down through the years
And the deeds he did will seem more worth while,
After we have dried our tears.
I know that he is so happy now
To have joined his mate again,
And I can see them at a large window, somehow,
Waiting to bid those who follow, come in—
Oh, what a happy home coming that will be
So we must prepare to have patience and wait;
And our loved ones faces again we'll see,
When we meet at the pearly gate.

Tennyson Lady Dies After Long Illness

Death came Monday, July 10, 1939, and relieved the sufferer. Mrs. Annie Edith Myers of Tennyson, of the suffering she had endured patiently for eighteen months. The source of her suffering was the result of burns she accidentally suffered twenty-seven years ago from which she never did fully recover and from which she suffered very much in the last months of her life.

Deceased was the daughter of Mr. and Mrs. J. E. Buford of Bronte. She was born at Lampasas, July 18, 1902, making her to be 36 years, 11 months and 12 days old when death came and relieved her of all pain.

J. M. Myers and deceased were united in marriage at Tennyson April 20, 1919, and during five years they resided elsewhere they have made their home since their marriage at Tennyson. To the union three children were born, who with their father, survive to sorrow over her going. The children are J. M. Jr., Charley Edward and Beatrice LaVerle. Besides the husband and children, the parents, Mr. and Mrs. J. E. Buford and 9 brothers and sisters survive. The brothers and sisters are John Buford, Lubbock; Burl Buford, Los Angeles, California; Bill Buford, New Mexico; Blaine Buford, Gatesville, and Ernest and Clyde Buford, and Misses Jewell and Doris Buford, Bronte and Mrs. Gladys Gilbert, San Angelo.

Funeral services were held in the Baptist church at Tennyson, Tuesday afternoon, conducted by Elder G. Frank Smith, minister of the Church of Christ at Robert Lee, assisted by Rev. J. E. Eldridge, pastor of the Bronte Baptist church. Interment followed in the Mule Creek cemetery.

Deceased was a faithful wife, devoted mother, loyal friend and a consecrated Christian, and those of her family circle and friends will miss her as they go along life's pathway without her. The Enterprise joins in deepest sympathy to all who sorrow.

Mr. and Mrs. Arthur Hendry of Blackwell were brief visitors in the editor's home, Wednesday afternoon. Mr. Hendry reported that the Methodist meeting at Blackwell is making good progress.

daughter died in 1918.

Thus the end of another long and useful life has come and friends and loved ones sorrow over the passing.

Government Man To Discuss Farms At Club Meet

H. O. Whitt, president of the Bronte Community Service Club, requests The Enterprise to announce that H. L. Landers, government farm man, will be in Bronte next Wednesday and will speak at the luncheon of the club, on the Government New Lending Farm Program. The government is becoming still more earnestly interested in aiding the farmers to finance their farms.

Hence it is urged that everyone who possibly can, to come Wednesday and hear this discussion. It is suggested that if there are those who do not care to be at the luncheon, they come and when the luncheon is over, then, come into the hall and hear this discussion. And The Enterprise insists on this, too, for, as we understand it, this is a vitally important question before all the farmers just at this time.

Lawn And Garden Aid Is Offered

Findlater's at San Angelo is doing a fine and excellent thing for the ladies of West Texas in its services offered to any who desire with reference to their lawns and gardens.

C. F. Wyatt, an expert gardener and lawn man, is in charge of this department at Findlater's. Mr. Wyatt is thoroughly versed as to the needs of lawns and gardens. So anyone who is having difficulty of any kind with either lawn or garden can go to Mr. Wyatt and he will cheerfully and gladly give advice relative to the matter in question.

Misses Katie Sue Good and Doris Snead of Robert Lee took passage here on the Santa Fe Thursday morning, en route to Lubbock where they will visit for a time.

Born to Mr. and Mrs. H. A. Fitzhugh, at San Antonio, July 2, 1939, a baby boy who has been christened Henry Allen Jr. Mrs. Fitzhugh will be remembered as Miss Della Higginbotham before her marriage to Mr. Fitzhugh. Their host of friends all over this part of West Texas extend congratulations to the proud parents, as well as to "Gran'pa" and "Gran'ma" Higginbotham; and all will wish the young man victory in every conquest he undertakes to make in life.

CANCER

Dr. J. E. Powell has specialized in the treatment of cancer for several years, and uses the only successful method of treatment known to medical science.

Come to San Angelo Cancer-Clinic, Roosevelt Hotel, where he will give you free examination, and will tell you if you really have cancer or not. Then advise you what to do. Dr. Powell uses an Antitoxine which is painless and harmless even to the weak or aged. This treatment requires no hospitalization. Therefore you can take treatment and remain at home with your family and friends thereby greatly lessening the trouble and cost of treatment. You will find that his treatment is far less costly and much more satisfactory in every way than going away from your home to some distant cancer hospital for treatment. Dr. Powell has practiced medicine in West Texas for over forty years, and is now permanently located in San Angelo Texas. So you are not trusting your life to some one of whom you know nothing except what you hear over the radio or through their highly colored literature. Dr. Powell has, probably, successfully treated more cases of cancer than all the physicians of Texas combined.

Dr. Powell, also treats hemorrhoids or piles, which often terminate in the worst forms of cancer, by a mild non-surgical method, which is practically painless and does not interfere with your work. He has numbers of cured cases all over West Texas. Come in for your free examination. It costs you nothing and might be the means of saving your life.

Always Dependable

About the finest thing that may be said of a man is to say that he is dependable under all circumstances. He does the things that are expected of him at the right time and in the right way. When you entrust a task to him, you may be sure it will be well performed, and that he will get as much satisfaction from doing the thing properly as you derive from having him do it for you.

In an institution such as a bank, dependability is also important. This applies not only to its financial strength but also to its daily relationships with depositors. The management of The Winters State Bank has, first of all, tried to make this a dependable institution. We believe you will find it to be so. Your business will be welcomed and is cordially invited.

TAX MEASURES THE MAN

The man who is careful, keeps down expense,
Who uses in business good common sense,
May never be rich as they call men today,
But he never misses to have tax to pay.
The man who to business pays little heed,
Keeps buying things he does not need,
Is a man very likely pays little tax.
He accumulates nothing; his methods are lax.

Who pays no tax better change his plan.

"WASH DAY" AT OUR HOUSE

"Wash Day" at our house
Comes once every week,
It matters not whether 'tis summer,
Or winter with days cold and bleak;
And always it is the same old thing;
"This 'washin' must be done," mother's sure to sing,
"For, we can't wear our clothes soiled with dirt,
An' this 'washin' must be done," she's sure to blurt.
And what a day "wash day" used to be,
'Twas a day the whole family dreaded to see—
With the fires to build and the clothes to scrub,
Oh, how our backs would ache as we bent over the tub!
But, now, it's fun since we have begun
To go to Pairish laundry to have our "washing" done.

Bronte Defeated By Lakeview Sunday, 4-3

Although the three rookies used in Sunday's game played with Lakeview Sunday at Lakeview, played good ball, Turner, Williams and Buford were sorely missed from the line-up and Bronte lost their first game of the second half of the season to the Lakeview nine 4-3.

Jack Corley, starting pitcher for Bronte, had trouble with his control, issuing three free passes and filling the bases during the first inning; but retired the side when Ethridge of Lakeview hit into a double play. Corley issued 6 walks and got 3 strikeouts and allowed 3 runs during the innings he worked.

Luke Scott, taking over the

pitching duties in the 5th, got 5 strikeouts, allowed no walks and 1 score.

Dan Scott handled the receiving for the entire game. Stephenson rookie third baseman, for Bronte, looked promising at fielding the ball and worked hard at the bat but had difficulty in hitting a fast ball.

Cumbie another rookie worked well both in fielding and batting and played a brand of ball that was equal to the efforts of a seasoned veteran.

Bagwell, the other rookie used in Sunday's game performed well in the field but was weak in batting.

LeRoy Scott, Walton, M. Corley and Lambert, all veterans, played a steady game.

D. Spoons, taking over the pitching duties from J. Probst of Lakeview during the latter part of the game was really on and his fast ball had the Bronte boys practically in his power

during the innings he pitched.

Lowe of Lakeview got the best hit of the game when he lined one out to center field for a triple.

Box score:

BRONTE	AB	H	R
Scott, LeRoy ss	4	1	1
