

Congressman's poll pinpoints opinions of district's voters

Most residents of the 18th Congressional District apparently oppose immediate withdrawal of all US troops in Vietnam, but would like to see the federal government gradually withdraw from the farm program.

THESE ARE two trends of public opinion that came out in Congressman Bob Price's recent poll of the district on key issues facing the district and nation.

District residents showed strong feelings on such issues as farm and order, campus disorders, tax reduction, welfare, water importation, prayer in public institutions and obscene mail. They were less definite on the tax structure, expansion of the space program, the draft system and postal service.

In releasing the poll results, Congressman Price said, "I think the response showed widespread interest in national issues as well

as very definite trends in the thinking of those who responded."

HE ADDED "The results will be most helpful to me in representing the thinking of my constituents. All those who sent in their responses have my heartfelt thanks."

The questionnaire was sent to every postal patron in the congressional district in July, and Price said his tabulations are based on "a significant portion" of those mailed out.

Men's and women's answers to the poll questions were tabulated separately, and Price noted that percentages may not total 100 percent in some cases, due to lack of response to specific questions.

about dimmitt and castro county by b. m. n.

This has been an unusual year in many respects, weatherwise and otherwise. Following one of the hottest summers of record we were clobbered with a record-breaking freeze in the early fall and to put the finishing touches to a screwball year, the Amazing Mets are in the process of winning the World Series. We are never surprised by whatever is produced in the way of weather, but the Mets . . .

Have talked to a few farmers, not many, just a few, and it is difficult to get them to say much about the effect the early freeze will have on the cotton crop. I am reasonably certain that they will have preferred a few more weeks of hot dry weather, but apparently the general opinion is that it will be a good cotton crop regardless.

It's Spirit Week at Dimmitt High

"Spirit Week" at Dimmitt High School will build toward its climax tonight (Thursday) with a big bonfire, pep rally and crowning of the 1969 Flame King and Queen.

THE HIGH SCHOOL will dismiss early today, at 2:05 p.m., to enable students to build the bonfire in the six hectic hours before torch time. The bonfire will be located east of the high school.

Bobcat co-captains Bill Sanders, Gary Langford, Roy Thomas and Danny Newton will light the bonfire at 8 o'clock while the students cheer and the Bobcat Band plays lively march music.

The 1969 Flame King and Queen will be announced and crowned during the pep rally. Each DHS class has a king and queen candidate.

PRINCIPAL Ike Moore urged all DHS students to wear their "work clothes" to school today so they will be ready to start building the bonfire when school dismisses.

"Spirit Week" will reach another high pitch with a pep rally at 3:25 p.m. Friday in the high school gym. Then, in the main event of "Spirit Week," Dimmitt's Bobcats will meet the Abernathy Antelopes Friday night in a District 3-AA game in Bobcat Stadium. Kickoff time is 7:30.

The 1969 Spirit Queen will be announced and crowned at the stadium before game time.

At Nazareth '69 homecoming ignites tonight

Nazareth High School's 1969 Homecoming activities will begin tonight (Thursday) with a hot dog supper and a big bonfire pep rally.

STUDENTS are building the bonfire west of the Nazareth American Legion Hall, and will put the torch to it at 8 o'clock. As the fire gets hotter the pep rally will get louder.

Climaxing tonight's rally will be the crowning of the 1969 Flame King and Queen.

To get students, parents and exes in the mood for the rally, the Nazareth PTA will serve hot dogs and chili in the Legion Hall beginning at 6 o'clock. The ladies will continue to dish up hot dogs until the bonfire and rally are over.

THE Homecoming game Friday night will pit Nazareth's Swifts against Alamo Catholic High School of Amarillo. It will be the road-weary Swifts' first home game of the season. Kickoff time is 8 o'clock.

The Homecoming Queen will be crowned at the football field in pre-game activities, starting at 7:15.

Sunday, the annual Homecoming dinner will be served from 11:30 a.m. to 1:30 p.m. in the Nazareth school cafeteria. The PTA will sponsor the roast-beef dinner, which is open to the public. Prices are \$1.50 for adults, 75 cents for children and 25 cents for preschoolers.

NAZARETH Public School will hold open house Sunday afternoon, with all parents and visitors invited to visit the school facilities and meet the teachers.

The classes of 1939, 1949, 1959 and 1969 will be honored throughout the Homecoming weekend.

Counter-protest Flags fly here Wednesday

Flags flew in front of most businesses and many homes in Dimmitt Monday in counter-protest to a "national confrontation" by college students who oppose US involvement in the Vietnam war.

THE FLAG flying campaign here was spurred by the Castro Memorial Post, Veterans of Foreign Wars, to show individual support for the government's policy in Vietnam in the face of the nationwide student protest.

Dimmitt's Jaycees, who provide the downtown flag service, set out the flags Wednesday morning after determining which of their customers did and did not want their flags flown as a symbol of their feelings on the controversial issue.

Jaycee President Don Nelson said "all but two or three" of the club's flag customers wanted their flags flown as a symbol of support for President Nixon's policy on the war.

NIXON HAS ordered a gradual reduction of US troops in Vietnam, with the pulled-out troops to be replaced by US-trained South Vietnamese soldiers. Since his troop reduction plan was launched, approximately 40,000 US troops have been pulled out of Vietnam, with more than half a million still on duty there.

The nationwide protest against the war and the government's policy was coordinated by the Vietnam Moratorium Committee Movement for Student Protest Throughout the Nation. The committee urged the nation's college students, professors, congressmen and senators to launch one-day protest demonstrations to try to force a moratorium of the war.

At many colleges, students conducted protest rallies. On other campuses, they wore black armbands as symbols of protest. Many US servicemen in Vietnam also wore black armbands on patrol. Protest rallies were being staged by students in Paris, France, also.

PRESIDENT Nixon, meanwhile, announced that he would pay no attention to the nationwide protest movement, and that he "will not allow government policy decisions to be made in the streets."

To counter the protest movement, the VFW urged flag-flying Wednesday by the nation's "silent majority."

In ordering the flag-flying campaign nationwide, VFW Commander in Chief Ray Gallagher said, "There have been many proposals as to how the 'silent majority' of patriotic Americans can counter the demonstrations in a dignified manner without inadvertently adding to the publicity which has already given prestige to actions of treason and shame."

HE ADDED, "The symbol of patriotism, loyalty and courage has always been the flag of the United States. By displaying it prominently before our homes, our places of business and on the streets, we can show our support for our country and demonstrate that the 'silent majority' still has confidence in our government and is willing to show it publicly."

Those supporting the government's Vietnam policy didn't remain silent in many cities across the nation, however. They organized parades and anti-moratorium rallies of their own, in addition to flying flags, driving with their headlights on and leaving their porchlights on all day.

ONLY GOLFERS AND DUCKS seemed willing to brave the 30-degree weather Monday. These four undaunted golfers — and 36 others from Texas and New Mexico — bundled up and took part in the Castro County Country Club's pro-am golf tournament Monday afternoon in freezing weather. Lining up a putt is Mrs. Ola Mae Trimble. In background, from left, are her teammates, James Bradford, Bob Lindsey and Harry Hauf.

Clovis sweeps tourney

Clovis golfers slammed and putted their way to all the top prizes in the Castro County Country Club's pro-am tournament Monday.

THE TOURNEY, conducted in freezing weather by the West Texas chapter of the Professional Golfers Association, drew 40 bundled-up entries — five professionals and 35 amateurs. Club Pro Bud Posey said he expected at least 50 entries, and blamed the weather for the small field.

Wilson Winney, club pro at the Colonial Park Country Club in Clovis, was the low professional golfer in the low-ball tournament, touring the nine holes in 73 strokes. Tying for second place at 78 were Babe Van of the Morton Country Club and Jerry Mobley of the Muleshoe Country Club.

Clark Colson of Clovis was the low amateur, scoring an impressive 74. Second place went to Cliff Cook of Dimmitt with a 76.

COLSON ALSO led the winning foursome, all of whom were from Clovis. He and Corky Horton, Clyde Vernon and Gail Kenyon compiled a low-ball score of 65 to capture the team championship.

Three teams finished in a tie for second and third place with scores of 66. They were the team of Dale Weaver of the Littlefield Country Club, Jimmy Butler of Dimmitt, Judge Baldrige of Dimmitt and Doris Turner of Clovis; the team of Cotton Renner of the Friona Country Club, Jay Claborn of Friona, Kay Renner of Friona and Pat White of Clovis; and the team of H. B. Thomas of Dimmitt, Orville Hicks of Canyon, Bob Vilas of Dimmitt and Bobbie George of Dimmitt.

Individuals and teams that tied for second place split the second and third place prize money.

Mrs. Coventry's rites held here

Funeral services were conducted in Dimmitt Tuesday afternoon for Mrs. Josephine Coventry, former resident of the Flag community.

MRS. COVENTRY, who would have been 92 in January, died at midnight Sunday in Dumas, where she had been a resident of a nursing home several years.

Last rites were conducted at 1:30 p.m. in the First United Methodist Church with the Rev. Jim T. Pickens, pastor, officiating. Mrs. Coventry was buried in Castro Memorial Gardens, beside her late husband, Dennis Funeral Home was in charge of arrangements, and Mrs. Coventry's grandsons served as pallbearers.

SURVIVORS include three sons, Dwight and Clem of Saint Jo, Mo., and Dr. Vaden Coventry of Dumas; and two daughters, Mrs. Gladys Bales of Washington state and Mrs. Evelyn Harris of Austin.

Parents' Night slated at DHS

Dimmitt High School will hold its annual "Parents' Night" Tuesday.

AFTER A general assembly in the auditorium at 7 o'clock, parents will follow their students' classroom schedules through the school to meet the teachers. During their "lunch period," they will be served coffee, soft drinks and homemaking students' cookies in the cafeteria.

Two special features have been added to this year's event. Parents may visit a band rehearsal in the band hall, and in the industrial arts building they will be given free picture easels and shown how the boys in wood-working classes used the assembly-line process to produce the gift items.

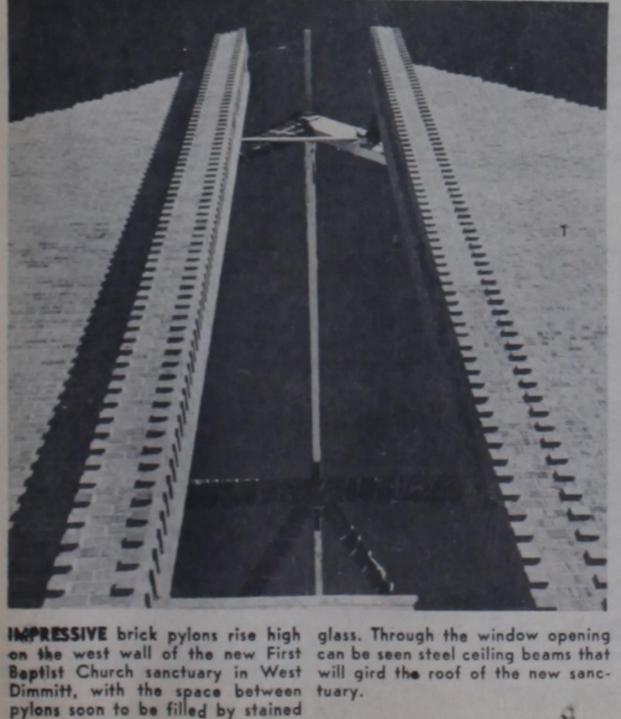

Parents' Night is sponsored by the PTA. Members of Future Teachers of America will serve as ushers.

'A' students strip orchard

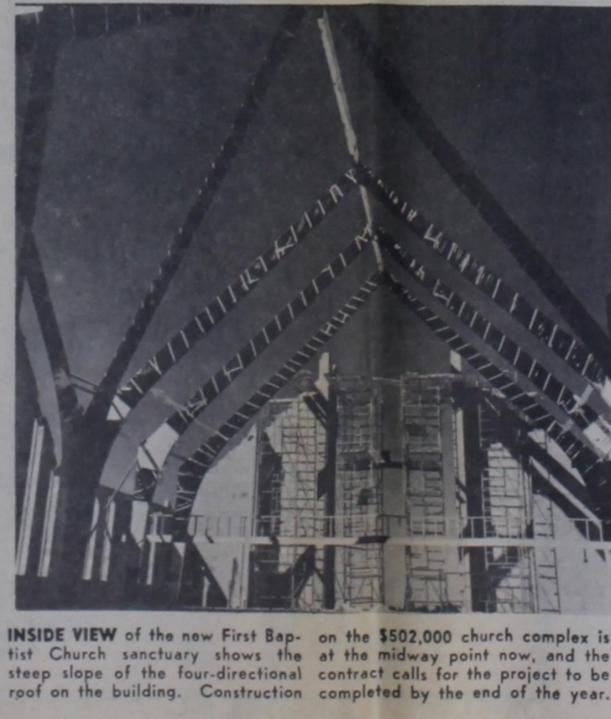

About that "Apple for an A" promotion conducted for elementary students last week by Dimmitt Foodway:

STORE Manager Emmett Watkins and Produce Manager Elvie Williams reported this week that 182 students collected 1,064 apples — one for each A, S or HS on their report cards.

Leading the apple parade were 31 second graders, who collected no less than 331 apples, Watkins said.

IMPRESSIVE brick pylons rise high on the west wall of the new First Baptist Church sanctuary in West Dimmitt, with the space between pylons soon to be filled by stained glass. Through the window opening can be seen steel ceiling beams that will gird the roof of the new sanctuary.

INSIDE VIEW of the new First Baptist Church sanctuary shows the steep slope of the four-directional roof on the building. Construction on the \$502,000 church complex is at the midway point now, and the contract calls for the project to be completed by the end of the year.

Dimmitt couple returns from Alaskan tour

By MYRTLE SHEFFY
Hugo and Dottie Beyers are home from a good trip north to Alaska. First they flew up to Denver, stayed three days with daughter Donna and Wayne Meacham, on to Reno, Nev., where they visited with Vicki and Joe Wright, and also saw the air races, flew on to Seattle, Wash. They took a luxurious boat trip or cruise to Ketchikan, Alaska, on to Juneau, took another boat to Scagway, then flew back over the most beautiful sight — that was the sun shining on the big ice fields and glaciers. They had to fly back to Seattle, then back to Anchorage, Alaska, then to Fairbanks for a visit with the Bill Culpeppers. They then flew back to Denver where they had to circle the airport for a long time because some teenagers had stolen a plane and there was 14 inches of snow there. Quite a trip I would say.

Oh, yes! They saw a Mr. Turpin of Fort Worth and Richard Christian of Jacksboro, who are friends of A. J. and Jean Kemp. Everyone up there brags that Alaska is bigger than Texas. But we are prettier.

EVA AND Gary Morrison and son are here from Atlanta, Ga., to visit their parents, the Gene Morrissons and the Bud Giles. Gary is a pilot for Eastern Air Lines. The Ed Brocks were hosts to their children last weekend—Troy and Pat Warren of Lubbock, the Jim Brocks and boys of Plainview.

All the Houtchens families were in for the big birthday party Sunday for Mrs. Dora Houtchens. — Doyle and Betty Houtchens of Gravette, Ark., the Charlie Hestands, the Percy Merritts, Charles of Alaska, the Marvin Boyds of Clovis and the grandchildren, Roy and Florene Stafford of Tulsa, and their son Tommy and Donna Stafford and Dondra of Woodward, Okla., who visited the Houtchen families and the Rex Shelly family of Van Horn, who visited his folks, too. Donnie and Janice Hestand of Odessa were here. I, with a hundred others, went by the bank community room for Mrs. Houtchen's 75th birthday party. Beautiful baskets of fresh flowers were all over the room. Cake and fruit punch were served by friends.

Many gifts were brought. These parties are fun, you see so many people.

ALL THE folks went on to Ben and Bernice Hills home for the big party Sunday afternoon for Mr. and Mrs. G. B. Duncan's golden wedding anniversary. Their sons Bob and Lynn greeted the guests. Bob's son registered the hundreds of guests who called, bringing gifts and good wishes. Granddaughter Evelyn Heins of New York and Eva Giles Morrison served cake, punch and coffee from a table covered with handmade lace over gold satin. Big bronze mums with gold candles decorated the table. I saw Kathryn Hill of Amarillo and her sister Bertha Savage. Kathryn lived in Dimmitt a few years ago. She also visited friend, Louise Kemp.

I HAD company Sunday, our son Rex and Dorothy and boys of Van Horn were here, so I missed seeing a lot of the guests.

We went to Olton Friday evening with the rest of Dimmitt — what a game! Well we only lost by two points. Better luck Friday. Let's go folks and lend support. Sid and I visited his niece Mrs. Frank Struve and Frank. Aural Davis visited folks and was a guest at the homecoming dinner there. Aural went to school at Olton.

Bert Wilde, who has been in a Plainview hospital for several weeks is home now. We hope he is much better. Mr. Wilde is the father of Shirley Hammond. Her husband Glen is manager of Dimmitt Wheat Growers.

Mr. and Mrs. Francis Jackson are home after a month at Truth or Consequences, N.M.

HARLEY and Linda Daniel and little son Casey are moving to Amarillo, where Harley will be an insurance adjuster. He has been manager and news announcer for two years at KDHN Radio. Seems Red Hill is the new manager and Sandy Warren is the secretary and bookkeeper, taking Linda's place. We wish the Daniels good luck. Red Hill is home from a recent visit with his mother in Milwaukee, Wis. That is on the shore of Lake Michigan.

Opal and Clarence Bearden went to Hollis for the weekend to visit her sister Naomi Ruth Patton and family. Also to see a nephew play football and attend a bridge party with friends and a meal with relatives.

MRS. BEAULAH Wright has moved to Plainview, where she will live at the Villa Apartments. A group of friends hosted a supper at the cafe for Beaulah and Mrs. Marjorie Erskine who returned to her home in Pacific Grove, Calif. Heins of Plattsburgh, N.Y. is a guest of her parents Bernice and Ben Hill and her grandparents Mr. and Mrs. G. B. Duncan. Mr. and Mrs. Earl Brock and and his sister-in-law, Mrs. Arthur Brock of Hereford left this week for South Texas, stopping off in Sweetwater, and Kerrville. They plan to go fishing someplace. Mrs. Arthur Brock went on to Laredo to visit her son.

PROBABLY more than 50 ladies heard Mrs. Jack Newsom review the book, "The Chosen Ones," at the regular meeting of the Book Club. Nancy Hays presided at the business meeting and introduced the 23 guests. Mrs. Frank Wise and Mrs. Buster Tidwell served coffee and cakes. Jon Pollard and Bill Langford who are business men in Dallas were having dinner at a cafe here Sunday. Mrs. Langford is Mary Lynn, daughter of Mary Edna Hendrix. Margaret Wilson, Virginia Gilbreath, Jo Gregory, Ceal Carlile, Nolan Froehner, Noel and Oletha Gollehon, Carolyn Jones and children, the Bob Joneses, the George Bagwells, the George Sidese, Edna Riley and Anita Morris were among the many who attended the Mexican Festival

Concert at Plainview Sunday. The program was Javier De Leon's "Fiesta Mexicana" starring Julieta Cano, dancer, Charro Valencio, floredador, and Victor Manuel Ibarra, singer.

GRETA and Stan Liles, both students at WTSU in Canyon, were weekend guests of her parents Roy and Margaret Nelson, and Margaret's sister Pat Hammond and sons Mark and Mike of Canyon were here for a few days.

Jim and Mary Ann Pickens and two little ones had a few days at Ruidoso to see the colored leaves and he says they all rode two horses up the hills. Pickens is pastor of the First United Methodist Church and attended a pastor's school at ENMU at Portales before going on to the mountains. Mrs. Don Gregory and her mother Mrs. Carroll Jones of Colorado went to Dallas for a few days visit with Ellen's sister, Paula who teaches school near there.

Waymon and Dorothy Birchfield and children of Sedan, N.M. were weekend guests of his parents Jess and Velma Birchfield.

THE TOWN went in two directions Saturday evening — some to West Texas State University at Canyon to see the Buffaloes and California Aztecs of San Diego play and two or three hundred

went from Dimmitt to Lubbock to see Tech play Aztec. A few I heard of that went are the Jim Butlers, the John Quinbys, the Ralph Smiths, the James Bradfords, the Sam Gilbreaths, the David Hardisons, the Ike Moores, the Glen Ratcliffs, the Robert Bentons, the Don Nelsons and many more.

Sandy Hilger, a freshman at A&M, one of the "Agendas" was there. She stayed with Darla Kay and Sharrn Barker at Tech and attended the game.

Several teachers went to McAllen to Sul Ross University for a workshop. Going from here were Evie Froehner, Erma Walker, Karen O'Brian, Mrs. Ike Moore, Linda Hellins, and maybe others. Why don't you call me about it? Mrs. Charley White was called to Rotan to be with her brother Snider Murphy, who had a severe heart attack. Mrs. White's husband is superintendent of schools here.

THE FRED Annens and her mother Ethel Lowe were hosts to the family Sunday. They were Peggy and husband Bo Bryan of Amarillo, Mr. and Mrs. Leroy Fisher and Missy of Sudan, Rhea Cotter and Rickey of Amarillo. Keith Lowe couldn't come. He and Dera Kay are the parents of twins. Keith is at Idalou and is with the John Ethridge Insurance Co. Demana Annens says she won the trophy at a pool tournament at the Shadow Play place in Amarillo. Ten ladies were involved, and she is just a beginner too. Keith and Eamcy Mills came to the Annen party also.

Mrs. Frances Hatla and Mrs. Christine Bariek of Littlefield were here Wednesday to visit the Glen Hatlas and to be here for

little Tracey's first birthday party. The Hatlas went to Littlefield to visit her parents Mr. and Mrs. J. B. Davis. Mr. Davis is very ill.

I FAILED to tell you that Marie Tate has a most beautiful red and gold leaf maple tree over on 16th and Grant Street. We, the Garden Club, plan to have a home tour and flower show in spite of the cold. We may have to have dried arrangements. This will be Saturday, Oct. 25.

Mrs. Jim Bagwell is home after a long stay in an Amarillo hospital with a broken hip, then with her daughter Mrs. Dudley Holland at Midland for a few weeks. Grace Maria brought her home Saturday. She manages to get around with the help of a crutch. JoAnn Burkham and children Robin and Jamie have been visiting her parents Mr. and Mrs. L. V. Cole this week. Mr. and Mrs. Clarence Hamilton of Clarendon were Sunday guests of their daughter Mrs. Bob Bryant and family. Mrs. Hamilton stayed over to attend the autograph party at Plainview Monday for Lovella Grace Erdman, who has written many books about people of this area. Her latest book is "A Time to Write."

At one Jessie Bradford served a pretty and good salad plate to some bridge players who were Grace Monzingo of Memphis, Cletha George, who received high score, Reba Touchstone, Myrtle Shelly, Ann Singer, Maggie Barren, Retta Cluck and Opal Bearden. Our friend and bridge member

She received two plastic valves in her heart, and is recovering nicely. She will remain there in the hospital approximately another week. Her surgeon was Dr. Denton Cooley, along with the team of surgeons of from 20 to 30 surgeons during each operation. This hospital and research center is something for each one to be proud to have in Texas. People from all over the world were there to have the same type surgery. Some did not speak any English at all, but there are lots of interpreters in the hospital as well as doctors from the different countries in the world.

Bible Thoughts
DIVORCE
By Ronnie Parker
God wills that marriage be a lifetime union. Men smile at divorce and justify it on the grounds of incompatibility or one of the other fifty two legal reasons for divorce. But the Lord condemns it save for one solitary cause — fornication. Christ said, "Whosoever shall put away his wife, except for fornication, and shall marry another committeth adultery: and he that marieth her when she is put away committeth adultery. (Matt. 19:9).
Marriage is divinely instituted and is to be divinely governed. The union of marriage is made in heaven as well as by the state. Therefore the scriptures teach: "What God hath joined together, let man put asunder" (Mark 10:9). Eighty three couples were married in Castro County last year. During that same period, twenty three divorces were filed and nine were granted. The breakdown of the home will be the breakdown of our society.
Zacharias and Elisabeth, parents of John the Baptist, furnish a great example of the home as God would have it. In Luke 1:6 we are told that "They were both righteous before God, walking in all the commandments and ordinances of the Lord blameless." There you have it! The secret of successful marriage.

A NEW BIBLE... for ME!
She really is delighted because her church is presenting her with a new Bible. She understands and appreciates this gift, because in earning it she has committed many verses to memory, and thus learned to value God's word. The churches desire that all would study and learn to love God. Plan to attend church and share in this knowledge and joy.
EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE
The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

It's apple time

By IRENE KEATING

This is apple season, so let's take advantage of it and prepare our family some apple dishes. Mrs. Dewey Wright makes a delicious apple cake and she has given me the recipe to share with you.

APPLE NUT PUDDING

- 2 cups sugar
- 1 stick oleo
- 2 eggs
- 2 teaspoons vanilla
- 1/2 teaspoon Adams Butter flavoring
- 2 cups flour
- 2 teaspoons soda
- 2 teaspoon cinnamon
- 1/2 teaspoon salt
- 2 tablespoons water
- 4 diced fresh apples
- 1 cup chopped pecans

Preheat oven to 350 degrees. Cream together in bowl: sugar, oleo, eggs, vanilla and the butter flavoring.

Sift together flour, soda, cinnamon, and salt. Add to creamed ingredients.

Add water and beat for two minutes. Stir in apples and pecans.

Grease and flour a 2 x 9 inch aluminum pan. Pour in mixture. Bake for one hour.

SAUCE

- 1 cup water
- 1 stick oleo

- 1 cup sugar
 - 2 tablespoons flour
 - 1/2 teaspoon salt
 - 2 teaspoons vanilla
 - 1/4 teaspoon butter flavoring
- Bring to a boil in medium saucepan, water and oleo. Sift together in a medium size bowl sugar, flour, and salt and add to oleo and water mixture. Add vanilla, butter flavoring and let cook until it bubbles. Serve hot, pouring over individual servings of Apple Nut Pudding. Serves about 10.

IN ADDITION to this recipe, you can use apples for pie, cooked, or apple crisp.

When you're buying apples, keep in mind that there are several kinds of apples available.

Apples are available in many forms such as dried, canned, or fresh. When we buy fresh apples, we need to remember there are about three medium-sized apples in a pound, about 40 in a peck, and about 150 in a bushel. One pound of unpared apples yields about 3 cups pared, diced or sliced.

The eight most popular varieties of apples are Winesap, McIntosh, Rome Beauty, Stayman, Jonathon, Red Delicious, Golden Delicious, and York.

Mrs. Killingsworth will take part in District 8 PTA workshop today

P.T.A. OFFICERS, parents and teachers from throughout the Panhandle area are expected to attend the district workshop.

The workshop will last from 9 a.m. until 2 p.m., and will include the first general session with note address and a special demonstration.

Coffee and rolls will be served.

in Bowie Junior High at 9 a.m., and the first general session will get underway at 9:30.

Cassel of Dumas, James Thompson of Vega, Principal Huie Stanley of Dalhart and Principal Floyd Hemphill of Olsen.

Oct. 25 date set

Mr. and Mrs. Isom Walker announce the engagement and approaching marriage of their daughter, Sandra, to Darrell Lay, son of Mrs. Kathryn Shadow of Springfield, Ohio.

THE WEDDING will take place Oct. 25 at 7 p.m. in the Lee Street Baptist Church of Dimmitt. Friends and relatives of the couple are invited to the wedding and to the reception which will follow.

Specialist lists week's best buys

One good way to save time and money while grocery shopping is to keep an up-to-date shopping list, suggests Gwendolyn Clyatt, Extension consumer marketing specialist.

INCLUDE on the list items which are in good supply and are featured in food stores. For example, this week look for best beef values on round steaks and roasts, short ribs, ground beef and chuck roasts and steaks.

Pork values include hams, picnics, shoulder roasts and steaks and end cut loin roasts and chops. Flyers present a good buy in most retail meat departments and Mrs. Clyatt adds that grade A large size eggs generally offer the most economy and quality.

APPLES, bananas, tokay and Thompson seedless grapes, sweet potatoes, white potatoes, head lettuce, celery, cabbage, cauliflower, eggplant, carrots, dry yellow onions and tomatoes are in best supply at the most economical prices.

Olton refuses to believe it; stuns Bobcats in 28-26 thriller

By JIMMIE CHAPMAN

A fired-up herd of Olton Mustangs kicked highly favored Dimmitt out of the District 3-AA lead Friday night as they handed the state-ranked Bobcats their first loss of the season, 28-26.

IT WAS a sweet homecoming victory for the sky-high Mustangs, who were the last team to defeat Dimmitt — last year in Bobcat Stadium, 10 games ago. The game also gave Abernathy and Floydada the lead for the 3-AA marbles.

The defeat, however, may not have been as disastrous for the Bobcats as the one last season. The Mustangs have already lost a conference game to Abernathy, the Bobcats' next foe. Abernathy and Floydada are the only two teams left undefeated in the district race.

Steve Stockdale, a 158-pound sophomore quarterback, paced the determined Mustang attack with a sensational performance, both in the air and on the ground.

STOCKDALE was confident that he could beat the Bobcats in the air, and he showed this confidence on five different occasions when he either ran or passed the ball on fourth down to keep drives going. If he had failed on any of these crucial fourth-down plays, it would have left the Bobcats in good field position.

The Mustangs did a thorough job of stopping the long runs that are the Bobcats' trade mark. The farthest the Bobcat offense had to go on any touchdown play was a two-yard smash by Thomas in the first quarter. Dimmitt's longest strike, however, came on a blocked punt when linebacker Randy Schumacher picked up the loose ball and ran 42 yards for a score.

Danny Newton was the Bobcats' most damaging runner of the night. The power-running halfback gained 105 yards on the ground in 12 carries and he caught a Bill Sanders pass with seven seconds left and rambled 34 yards before being hemmed in on the Olton 20-yard line as the game ended.

THOMAS gained 79 yards in 20 carries. Nelson Chavers ran with the ball 17 times for 62 yards, and Sanders gained 27 yards in four carries to account for all of the Bobcat yardage on the ground. Olton's line did a fine job of keeping the fleet-footed Thomas from cutting the corner for a long touchdown run. It was the first time the Bobcats' famous "long strikes" have been stopped this year.

Both teams held each other on the first series of downs with Olton

running with the ball only twice — the first two plays after receiving the opening kickoff. The rest were passes by Stockdale, who gambled from the start on his deadly throwing arm.

The Bobcats held on the second series of downs and forced the Mustangs to punt. Then, for the fifth time this season, Dimmitt's defense came up with a big play. Loy Wylie broke through and blocked the punt by Stockdale on the Olton 42, and Schumacher grabbed the ball and rambled 42 yards for the score. Mark Cleavinger kicked the extra point and Dimmitt led, 7-0, with 7:21 left in the opening period.

PETE RIVERA returned the ensuing kickoff from the Olton 15 to the 40 before being hauled down. From there, it took Stockdale only six passes to move the upset-minded Mustangs 60 yards for their first score.

Stockdale was thrown for a four-yard loss on one of his plays, but he bounced right back to hit Alonzo Springer with a 13-yarder that went to the Dimmitt 11-yard line. On the next play, he hit end Luis Rey with a pass that went for the touchdown. Stockdale booted the extra point, and the game was tied at 7-7 with 4:46 left in the opening frame, as the Olton stands roared.

Olton tried an on-side kick, but the ball only went to the 50-yard line, where Loy Wylie fell on it to give the Bobcats possession at mid-field.

CHAVERS gained six on the first play, then Thomas and Sanders alternated to move the ball to the Olton 2-yard line. Thomas went over left guard for the score and Cleavinger again kicked the point to give the Cats a 14-7 lead with 46 seconds left in the first quarter.

Olton took the kickoff on its own 27 yard line on a squibbler kick by Chavers that Springer could not pick up. On the first play, Carlos Talamantez gained 13 yards through the middle of the Bobcat line, and after that every Olton play was a pass by Stockdale that eventually got the Mustangs to the Dimmitt 19. But on fourth down, Danny Newton plunged through the left side of the Olton line and threw Stockdale for a 10-yard loss and gave the Bobcats the ball on the Dimmitt 29.

Olton held the touted Bobcat offense, and Cleavinger punted to the Olton 30. On first down, Stockdale erased the Bobcat effort when he hit Springer on a pass that went for 41 yards, back to the Dimmitt 29 again. After one

ground play that gained three yards, Stockdale laid a pass into the arms of fullback Pete Gonzales on the goal line, but the Mustang fullback let the ball go through his arms incomplete. Stockdale lost a yard on the next play, then Thomas batted down a pass in the end zone to give the Bobcats the ball again on their own 27.

THE NEXT score of the game came with 3:45 left in the second quarter. Olton started a drive from its 40-yard line that ended with Stockdale passing to end Mickey Crowder for 10 yards and a touchdown. Stockdale had set up the score on a pass to halfback Carlos Talamantez that was good for 41 yards before Cleavinger brought him down on the 10-yard line. Stockdale booted the extra point to knot the score, again, 14-14.

Linebacker Gary Langford recovered a fumble on the Olton 16-yard line to set up Dimmitt's third touchdown. The big play in this drive came when Thomas gained eight yards on third down. Then Chavers gained two yards on fourth down to give the Cats a first-and-goal on the Mustang 6. Thomas went to the 1, then Sanders failed to gain and the Bobcats were penalized back to the 6-yard line for illegal motion. Thomas went wide to put the ball back on the 1-yard stripe. Thomas then went straight over left tackle for the score to cap the drive against the rugged Olton defense. Cleavinger's try for the extra point was wide.

THE HALF ended nine seconds later with Stockdale passing incomplete. This made the score 26-14 at halftime 20-14 with the Bobcats in the lead.

After trading the ball twice in the third period, Dimmitt began its next scoring drive from its own 25 after Stockdale had punted the ball a booming 70 yards. The big plays in this drive were a 34-yard gainer by Newton and a pass interference penalty that was called when Cleavinger was tripped trying to haul in Sanders' pass on the Olton 4.

Chavers blasted to within a foot of the goal line, then he went over the middle for the TD. Sanders and Cleavinger tried a fake-kick pass play for two extra points, but the pass went incomplete. This made the score 26-14 with 3:38 left in the third quarter, and it seemed the Bobcats were finally on their way to the expected victory.

BUT THE unruffled Stockdale started passing immediately after Olton took the kickoff on its

own 30, and it took the Mustangs only nine plays to move the ball to Dimmitt's 5-yard line.

In this drive, Olton twice made first downs on fourth down tries. The Bobcats turned the tide briefly when Gary Langford intercepted a Stockdale pass at the 5-yard line. The big center ran it back to the 29, but he was hit hard and fumbled. The Mustangs recovered and Stockdale passed to Talamantez for 15 yards to put the ball on the Dimmitt 14 at the end of the third period.

Stockdale kept and went 12 yards to the 2-yard line to open the hectic fourth quarter.

HERE WAS the biggest test of the year for the Bobcat line, with the Mustangs on the 2-yard line with a first and goal to go.

Three times Stockdale tried to go through the Bobcat line but was stopped short each time. Finally, on fourth down, tailback Ronnie Sanders burst through the line for the score. Stockdale kicked the extra point and the score was now 26-21 in the Bobcats' favor, with a little over 10 minutes left in the game.

Cleavinger fielded the kickoff on Dimmitt's 30-yard line and ran it back to the 37, where he was jolted loose from the ball. Olton recovered the fumble on Dimmitt's 37 yard line, and this proved to be the turning point in the game.

AFTER ONE Olton pass went incomplete, Dimmitt drew an expensive penalty to the 19-yard line for holding. Newton batted down a pass from Stockdale that would have gone for a touchdown, but on the next play Stockdale hit Rey in the end zone, and the 151-pound junior end literally took the ball away from Cleavinger and Newton — who also had their hands on it — and fell in the end zone for the score. Stockdale kicked the point after to put Olton ahead for the first time, 28-26, with 9:38 left in the game.

Dimmitt's determined race-horse offense started a determined downfield march. With Sanders and Newton leading the way, the Bobcats moved the ball to the Olton 20. There, Sanders tried a delayed pitchout to Thomas, but Olton's Gary Durham stepped between the two and stole the ball to stop the Dimmitt threat.

Olton stayed in command until the final minute, then the desperate Bobcats went down fighting. Dimmitt took over on its own 23-yard line with 33 seconds left in the game after stopping Olton's last threat, and Sanders launched an aerial attack.

FANS ON both sides of the stadium came to their feet as Sanders hit Newton with a pass that carried 34 yards before a determined Mustang tackler hauled Newton down at the Olton 20 as the clock ran out.

Olton gained 118 yards to Dimmitt's 273 on the ground, but Stockdale hit on 21 of 40 passes for 340 yards. In the air, the Mustangs got 114 yards passing in the first period, 138 in the second, 69 in the third and 19 in the final frame.

The Bobcat line got to Stockdale on only four occasions, but only once when he was trying to pass. Dimmitt could stop the running plays, but as one fan said after the game in tribute to Stockdale's tremendous passing performance, "There was too much No. 12."

Hart Longhorns explode for 36-6 win over Dogs

After a scoreless first half, Hart's Longhorns exploded for five touchdowns and a safety in the final 18 minutes to take a 36-6 victory over the Amherst Bulldogs Friday night.

The non-conference bout was played at Amherst.

THE Longhorns and Bulldogs played tug-of-war between the 20-yard lines throughout the first half, with neither team able to generate a scoring drive. The two squads were in a scoreless deadlock when they went to the locker rooms at intermission.

Midway in the third quarter, Hart's defensive line finally broke the ice when it trapped Amherst quarterback Eddie Moates in the end zone for a two-point safety.

This 2-0 spark lit the fuse for the game looked like a July 4 celebration as the Hart lads rang up more than two points per minute on the scoreboard.

LATER IN the third, after Amherst punted from its own 20, Landra Brington raced 47 yards for Hart's first touchdown, aided by a key downfield block by Greg Crosby. The kick was good, and the Longhorns held a 9-0 lead.

Moments later, Jimmy Robinson set up at the slot-left position and ran a reverse around right end for Hart's second TD. Andy Rogers cleared the path for him.

with a good downfield block. The point-after kick was good, giving Hart a 16-0 lead at the end of the third period.

The desperate Bulldogs took to the air in the fourth period, but the Longhorns blunted the attack with four interceptions — three of which they converted to touchdowns.

JERRY HELLER set up the third Longhorn TD when he intercepted an Amherst pass early in the fourth. A few plays later, quarterback Harold Bennett hit Denric Black with a 20-yard scoring pass. The extra-point kick was good, hiking Hart's advantage to 23-0.

Andy Rogers was the next Longhorn to pick off a Bulldog pass, and his interception set the stage for a nine-yard touchdown run by Johnny Ethridge, tilting the scoreboard to 29-0.

Quincy Hawkins speared another Amherst aerial, and a few plays later Heller connected with Ethridge on an 18-yard touchdown pass. The point-after kick was good, and Hart held a 36-0 lead.

FINALLY, Amherst launched a successful aerial drive, capped when Moates connected with end Mickey Johnson for the Bulldogs' only score.

Amherst tried to repeat the act through the air, but Donnie Black put a stop to it with Hart's four-

th interception as the clock ran out.

The victory put Coach Doug Higgins' Longhorns back on the victory track after a temporary sidetracking the previous week by Class A Vega. Hart now stands 4-1 for the season.

It was Amherst's fifth straight loss.

PACING Hart's offensive attack were Ethridge, Brington, Rogers and Bennett.

Rogers doubled as a defensive standout, also, and was joined on the defensive honor roll by Danny Smith, Quincy Hawkins and Donnie Black.

Larry Cox, 14-year-old son of the Kenneth Coxes of Lazbuddie,

Larry was driving the pickup while helping his father and others move a combine outfit from one field to another. He received more injuries than anyone else involved, and spent that night in the Friona hospital. His injuries were mostly about the head, with several deep facial cuts. He is formerly from this community and is the brother of Mrs. Charles Self.

The Martins have only recently arrived in California to be stationed for duty in the Navy, the family having been in Hawaii over three years, while Martin has been in Vietnam most of the time. Going from here to attend the Talley funeral were Mr. and Mrs. H. D. Robbins, Mr. and Mrs. Gary Mason, Frank Robbins. The Weldon Stephens went to see the family Tuesday.

Mrs. Gene Duvall of Irving is here to visit for a few weeks with her parents, the Frank Robbins.

The view from your library

By VIRGINIA NEWSOM
The weeks seem to be flying by once again. The library was a behemoth of activity the Saturday before six weeks tests. Everyone seemed to be working on reports of one kind or another. Some of our ambitious students have already started work on term papers and we have been getting help from the Amarillo Library once again. The Interlibrary Loan System has been of real benefit to us and the people at the library in Amarillo are so very helpful. It is impossible to thank them enough.

THE OVERDUE notices sent out have been of some benefit. About 20 books have been returned this week and one lost book paid for. We appreciate all of the people who are kind enough to respond this way. If the book you are charged with has been lost please let us know about it. No one who has an overdue book or a lost book will be able to use the library until they have come in and discussed the matter with me. This may seem unfair but something must be done to remedy this situation as it has really become a problem.

OUR SECOND Story Hour had an attendance of 16 this week. We had 15 girls and one boy. Our lone boy would surely appreciate the company of others next week. We saw some new faces this week and welcome them all. Jane Ann Butler brought one of her records to share with us and we all enjoyed hearing it. The weather was so beautiful that day, that we played a few games on the court house lawn. The youngsters always enjoy that. A passing thought for the week: Life is hard, by the yard. But by the inch, life's a cinch. —Anonymous

TANE' speakers to appear Sunday at four churches

Representatives of Texas Alcohol Narcotics Education (TANE) will speak in four local churches Sunday.

CHURCHES here that have scheduled TANE speakers Sunday are the First Baptist Church of Dimmitt, Sunnyside Baptist Church, Lee Street Baptist Church and the First Assembly of God Church.

TANE speakers — ministers and laymen of several Christian denominations — speak in some 2,500 churches in Texas each year. The organization is dedicated to the prevention of problems that arise from the use of alcohol, narcotics and other dangerous drugs. TANE programs include public school assembly programs, publishing, production of audio visual aids, legislative information service, free film lending library, and an annual school on alcohol and narcotics studies, sponsored jointly by TANE and Baylor University.

TANE'S books and film strips, geared to prevent alcohol and drug problems, have been distributed throughout the English-speaking world. Some are being translated into other languages for use in the Far East and South America. A non-profit, educational organization, TANE is supported finan-

Pohlmeier in Americal unit

Army Private First Class Thomas J. Pohlmeier, 20, son of Mr. and Mrs. Vincent H. Pohlmeier of Nazareth, was assigned last month as an infantryman with the Americal Division in Vietnam.

On the Go

MR. AND MRS. Dee Neumayer are home from a trip to Europe. They flew over, then took a bus at Amsterdam, Holland. They and 37 others made a 3,000 mile tour of Germany, Austria, England, Italy and France. They went to Monaco where Princess Grace and Prince Ranier live. It is a beautiful place. Clare says they liked Switzerland best of all, but the Pompeii ruins was a most interesting place. Much of the ancient city has been dug out that was covered when the volcano erupted more than 200 years ago.

cially by Texas churches of 19 denominations.

"The speaker's purpose in visiting a church is not to reach drunks and narcotics addicts, but to report to the church on alcohol and drug problems, what can be done, and what is being done about them," said Rev. Albert F. Tucker, TANE executive director.

Approximately 125 persons from Amarillo, Lubbock, Midland, Odessa, El Paso, Albuquerque, Santa Fe, Dallas and Clovis registered for the workshop and banquet, which were held in the Holiday Inn in Clovis.

1-REAL ESTATE, HOMES & LAND

IF YOU ARE LOOKING

For a ranch that will run 400 to 500 cows you will probably spend many thousands of dollars and still depend on rainfall. Let us show you 1,129 acres, 969 deeded acres, approximately 775 acres in cultivation with good allotments, 50 acres of Midland Bermuda and the balance in native grass, conveniently located 15 miles southeast of Dimmitt on Running Water Draw in a strong water area. This is well improved including a nice 3-bedroom, 2-bath home, a large steel barn, several small houses, 4 irrigation wells on natural gas, some underground tile, REA, telephone, school bus and mail routes.

From a tax standpoint your accountant can set you up an attractive water depletion and depreciation schedule while you are developing this into a large cattle operation. Good terms can be arranged for a qualified purchaser with as little as \$30,000.00 cash down payment. One-half minerals go with sale of deeded land.

Catholic Daughters hold anniversary celebration

By Mrs. Florance Albracht

The Catholic Daughters of America began their 25th anniversary of the founding of their court in Nazareth with a Mass, celebrated by Rev. Father Chen of Dimmitt, at 5 o'clock, in Holy Family Church. This was followed by a banquet in the community hall, which was served by members of the P.T.A. Clergy came from Dimmitt, Bovina, and Hereford and visitors from Herford and Plainview enjoyed the banquet with members from the court and members of the Knights of Columbus.

Our pastor, Rev. Father Stanley was the main speaker at the banquet. Mrs. Lucille Drerup, one of the charter members, read the history of the court for the past 25 years.

Eighteen charter members of the court were recognized and received 25-year pins. Four were unable to attend. Following the banquet, the Knights of Columbus sponsored a dance celebrating Columbus Day.

MR. AND MRS. Raymond Annen from Here, Gene Hull, manager of R.E.A. from Hereford, Mr. and Mrs. Sloan Osburn of Friona, Mr. and Mrs. Noel Gollehon of Dimmitt flew to Phoenix, Ariz., for the Tri-State Meeting (Arizona, New Mexico and Texas), of the R.E.A. held Oct. 6 and 7.

Mrs. Cornelia Annen and Mrs. Raymond Annen spent Monday and Tuesday in Amarillo shopping and seeing the doctor and visiting the Larry Spencers.

Dorothy Gerber of Enid, Okla., visited her family, the Tony Gerbers, over the weekend of the 5th.

Mr. and Mrs. Greg Venhaus and baby of Enid, Okla., spent the weekend here with their families, the Bob Steffens and Paul Venhaus. They also visited his brother Joe, who is in Methodist Hospital in Lubbock, where he had major back surgery last week and also Bob Steffens in Plains Memorial Hospital.

Home over the weekend from Texas A&M College were Marvin Hoelting, Douglas and Kevin Wilhelm and Dean Wilhelm and eight of their friends from the college. They came to see the Aggie vs. Tech game played Saturday night in Lubbock. Tech won 17-14.

AN APOLOGY
During the last six weeks since I have been home from the hospital, the door bell has rung a great many times that it wasn't answered. I hope neighbors and friends that may have called to see me didn't think we just didn't want to answer. I was staying strictly in bed under doctors orders and no one else was there. I had my family leave the door open, hoping you would come on in.

Now that I'm up part time, please repeat your visits.

WELFARE BENEFITS

According to Welfare Commissioner Burton Hackney, 509 Texas families may be affected by a San Antonio Federal court ruling requiring the State Department of Public Welfare to pay retroactive welfare benefits not paid since March under the now defunct one-year residency requirement.

Hackney said that if the department had to pay off all the back benefits, it would average about \$75 a recipient per month for that six month period. And, if all applicants on the list were qualified, this would exceed \$250,000. However, he stressed that some of the applicants would be disqualified for other reasons. He said no appeal of the decision was being planned.

Also, Hackney has asked the Texas Medical Association to help his department settle questions of "misuse" or "over-utilization" of Medicaid services and benefits.

USED CAR WARNING

Texas automobile buyers have been warned against purchasing so-called "bargain" autos now being offered for sale in South and East Texas.

H. C. Pittman, executive vice-president of the Texas Automobile Dealers Association, says many of these cars were "severely damaged by salt water submergence during the frightful ravages of Hurricane Camille in Mississippi and neighboring states" in August.

"This same sort of fraud on the car-buying public occurs following almost every hurricane in the Gulf Coast area," he pointed out, urging used car buyers to check the bill of sale to determine the origin of the vehicles.

ATTORNEY GENERAL RULES

An employee of a county or hospital district does not have to be a resident of the county, the district, or even the state, says Atty. Gen. Crawford C. Martin, in a new opinion.

In other recent expressions Martin held that:

- Condemnor in a condemnation case should pay the initial court-cost-deposit when objections are filed by either party to a special commission award. He may recover if the county court judgment is for the same or a lesser amount of damages than offered before proceedings commenced.
- A Valley cable TV company which sponsors a bingo-type game over its facilities is not engaged in a forbidden lottery.
- Changes in an individual holding of a wine and beer "on-premise" license must be reflected on the license or permit, showing name and photograph.

COURTS SPEAK

A Supreme Court hearing has been set for Nov. 26 on Mobil Oil Corporation's suit to get back \$386,893 in gas production taxes

paid under protest since 1966.

Same court has held that Wilson Radio Dispatch, with offices in McAllen, Brownsville, Harlingen and Rincon Camp, owes the state more than \$10,000 in back taxes from its car-telephone service.

A decision by the Corpus Christi board of adjustment to allow radio station KCCT to build a transmitter in a residential area was upheld by the high court.

APPOINTMENTS

Gov. Smith named Richard Lee Penn, 39, of Austin to the Texas Industrial Accident Board. Penn is the husband of Fay Penn, Smith's secretary.

A long list of other appointments included the following:

Board of Regents, West Texas State University: Dr. Theron C. Hawkins of Kerrville, Donald Robert Curry of Fort Worth, Arthur Eugene Quest Jr. of Lubbock, Irby B. Carruth of Austin, James Jenkins of Amarillo, Patrick Richard Rutherford Jr. of Houston, Cloyce Kennedy Box of Dallas, Thomas Boone Pickens Jr. of Amarillo and B. Raymond Edans of Tulla.

Texas Optometry Board: Dr. N. Jay Rogers of Beaumont, Dr. John William Davis of Dallas, Dr. Salvador S. Mora of Laredo, Dr. Jack Burton of Cleburne, Dr. —a—c—c—b— M. Cohen and Dr. Nelson F. Waldman of Houston.

State Board of Medical Examiners: Dr. McKinley Homer Crabb of Fort Worth; Dr. Glenn Garland Porter of Lubbock and Dr. Jose Gammara Rodarte of Temple.

WORKMEN'S COMP TO COUNTIES

Tony Koriath, member of the Industrial Accident Board says counties which do not have workmen's compensation insurance may face a "serious problem."

Noting that county employees went under workmen's comp coverage on September 1, Koriath said that uninsured counties face open-end liability in lawsuits arising from the death or injury of their personnel.

Most major counties, he said, have not yet acquired insurance coverage and have no "common law defenses."

BREAKFAST IN SCHOOL

Texas Education Agency says school breakfast programs in Texas public schools are expected to pass the 350 mark in 1969-1970, doubling the 172 total set during the last academic year.

TEA also announced that the State Board of Education has al-

located \$10,400,000 in vocational-technical funds to Texas' public junior colleges for the present school year. Funds were provided by the Legislature.

REPUBLICANS ACTIVE

Promising themselves at least 35 more state representatives, four more state senators, three more congressmen and a second United States Senator, Texas Republicans are setting their election targets on areas where the minorities comprise a large portion of the population.

They outlined plans to start now, reaching for the Negro and Mexican-American voters, instead of waiting until election time 1970.

Republicans aim specifically at the 15 state senators who made the majority when the food tax bill was passed by the Senate.

Republican District Committeeman Winston Winkle of Big Spring, who heads the party's Legislative Committee, says they plan to use the recent "184-day Donnellybrook" (the three legislative sessions) and the tax increases, as additional ammunition.

Texas Federation of Republican Women announced that Mrs. Spiro T. Agnew will be in Austin Oct. 31 to present the second annual "N" Texas awards for community service by women.

Board studying 'Longhorn Band' prospects

By ELSIE BLACK
After meeting with a Lions Club committee Monday night, the Hart School Board authorized a school-wide survey that could become the first step toward organizing a school band.

The Lions Committee explained to the board that the club is interested in raising funds to help organize a school band if the school trustees thought a band program was possible or feasible.

The board voted to survey all students who will be in junior high or high school next year, to determine the number of students who would be interested in playing in a school band next year.

THERE WILL BE AN organizational meeting for adult education Tuesday at 7:30 p.m. in the Title I reading room.

THE SCHOOL BOARD has employed Mrs. Reba Ogden as custodian for the elementary school.

THE HART Lions met Monday Oct. 13 for a regular meeting in the community room of Farmers State Bank.

THE FTA chapter's next meeting will be Nov. 3.

A SKATING party was held Tuesday last week as one of the fund-raising projects for Hart Parent-Teachers Association.

Mr. Reed especially recalls the good grain crop of 1938. It took six men unloading a truck and they did about three or four trucks a day; if they worked harder they got more unloaded," he said.

Some of the teachers in 1938 were Lily Hubbard, Lema Mae Jennings, Nanny Mae Russell, Mrs. Conrad who married Glenn Maples. Mr. Lowell was principal.

School board members were Otto Dinwiddie, Frank Brown, Percy Hart, Tempel Rogers, Sam Swopes, Ray Bennett and Hubert Austin.

The following boys designed buccancer and pirate hats — Glenn Black, Jackie Davis, Robert Lacy, Kelly Jones, Russell Davis and Brett Avens — to be worn at the October pack meeting.

The boys are learning as much as possible about pirates. Jackie Davis told the boys a story on a pirate. Piracy has been going on in the Mediterranean, African and Asiatic waters since the beginning of written history.

In actuality, the buccancers were homeless wanderers hiding from the Spanish and were on the verge of starvation before they took their first Spanish ship and became pirates.

The boys were reminded of Fire Prevention week, and were warned that careless habits cause fire hazards, that fires start when cleanliness steps, and that great destructive fires start small.

Mrs. Bob Lacy and Robert served the boys ice cream.

THE ROYAL Ambassadors of the First Baptist Church met last Thursday afternoon with their sponsors, Harold Smith and Jim Averitt.

Harold Smith told the story of

search, disease control, market development and export expansion for grain sorghum. The money and programs will be administered by the newly elected board.

THE FEE will technically be voluntary, in that any producer who does not want to participate in the program may have his fee returned by applying for it.

Others elected to the new Texas Grain Sorghum Producers Board, in addition to Barton, Gilbreath and Heck, were A. W. Anthony Jr. of Friona, A. R. Dillard of Hereford, Ralph P. Mabry of Petersburg, Don Marble of South Plains, C. C. "Pap" Reed of Kress, C. P. Smith of Hale Center, E. C. Witten of Kress and Larry Witten of Olton.

The new board met for the first time Monday at the Grain Sorghum Producers Association headquarters in Lubbock. The board elected officers, drew for length of terms, and voted to initiate the nickel-a-ton check-off, effective immediately.

Antelopes throw, too

Dimmitt's Bobcats will have to win Friday night to stay in the District 3-AA championship race, but they'll have their work cut out for them when the big Abernathy Antelopes invade Bobcat Stadium.

THE BOBCATS will be trying to rebound from their electrifying 28-7 upset of the hands of the gritty Olton Mustangs. And they've got a formidable opponent to do their rebounding against.

The Antelopes have already beaten Olton two touch-downs, 21-7, they outweigh the Bobcats 15 pounds per man — and, yes, they can throw the ball, too, as well as run with it.

Weight? The Antelopes have it — their front four — on the defensive line averages 190 pounds per man, and their team average hovers at 175, compared with the Bobcats' 160-pound average.

SPEED? The Antelopes have that, too. Consider halfback Charles Johnson, No. 20, a speed demon who can click off 100 yards in 10 seconds flat.

Passing? Yes, you'll see plenty of it Friday night by Antelope

quarterback Bobby Klatt, a 6-ft., 170-pound senior.

"Klatt is just as good a passer as the quarterback you saw at Olton Friday night," Bobcat Coach Brown L. Smith said, "and he can run with it, too. If he ever gets forced out of the pocket, he's a real dangerous runner."

Klatt's main target is Ronald Harkey, a 6-2, 195-pound senior end who is hard to knock down after he catches the ball.

SO THE Antelopes are, in a word, dangerous. Their season record is identical to the Bobcats' — four wins and one loss — but they are undefeated in district play and are tied with Floydada for first place.

"The word downtown last week was that our boys were going to beat Olton by 20 points or so," Smith said. "They heard it so much they started believing it. I guess, we can't get to thinking that this week or we'll get beaten again."

It all depends on how well the Bobcats can rebound from a week that saw them fall from the seventh-ranked position in the

state to second place in the district. It was a tough jolt to take, but not a fatal one. A big victory Friday night would show that the Bobcats still have their eyes on that gold football trophy, and that they have the true grit needed to win it.

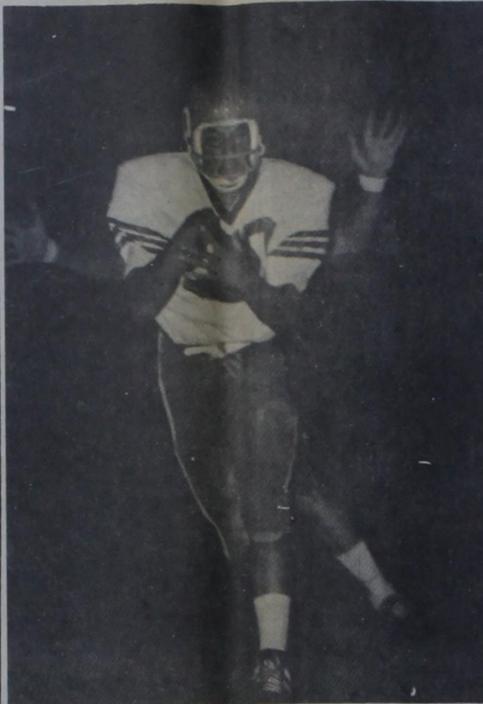

Had come to think of it, Abernathy had better be worrying a little about Friday night, too.

CATCHERS' BATTLES — That isn't a four-armed monster in the left photo — it's Olton's Carlos Talamantez gathering in a pass from quarterback Steve Stockdale for a Mustang first down on the Dimmitt 20 Friday night, with Dimmitt's Mark Cleavinger preparing to haul him down from behind. In photo at right, Cleavinger tries to stay

in bounds while stretching for a Bill Sanders pass on the Olton 30, in the fourth quarter of the District 3-AA thriller. Trying to spear the ball is Olton's Mike Parsons (10). Olton threw more than 40 passes Friday night, completing 23 of them and upsetting the favored Bobcats, 28-26.

Sanders named 'Bobcat of Week'

Senior quarterback Bill Sanders was announced as the "Bobcat of the Week" by Coach Brown L. Smith at Monday night's meeting of the Dimmitt Athletic Booster Club.

ALTHOUGH the high-flying Bobcats were upset by Olton Friday night, 28-26, Smith lauded Sanders for the way he moved the team against Olton.

"We were pretty pleased with our offense, overall," Smith said.

"Bill did his usual good job of inspiring and leading the team. We scored four touchdowns; we just got beaten by a team that was really fired up for us."

Sanders was a guest of the Dimmitt Lions Club Tuesday at noon. Assistant Coach Don Parker, who introduced him there, said, "Bill didn't play any of the defense this game, but on offense he played a real fine game and kept the team moving real well."

SANDERS, a 135-pound senior, is one of the team's four co-captains. He is in his second year as a starter.

Booster Club members also heard reports of other games during the past week at their Monday night meeting. The Bobcat B Team lost a 22-16 decision to Tulia, the freshman team lost a 24-10 bout to Tulia's frosh, the eighth grade lost 24-0 to Olton, and the

seventh grade team defeated Olton 16-6.

The Bobcat Boosters voted to help decorate as many cars as possible for Dimmitt High School "Spirit Week." Mrs. Gloria Isaacs, Andy Schumacher, Mrs. Nell Kelly and Dr. James Sims were appointed to be judges at Friday afternoon's pep rally at DHS. The Booster Club will give a \$10 prize for the best-decorated car.

ASCS manager tells features of new 'Form A' cotton loan

Full understanding of the new features of the "Form A Cotton Loan Program" is needed by cotton producers, their marketing agents and others participating in loan transactions, Charely E. Hill of the Castro County Agricultural Service Office said this week.

NEW FEATURES of the program are designed to reduce cotton marketing costs, speed up redemption of loan cotton, permit cotton to move more freely into trade channels, and reduce government costs, Hill said.

"Leaflets explaining the program have been mailed to cotton producers and will be available to others in the industry," he said.

"It is more important that the program details be fully understood," he added. "The folks in the county ASCS office will be happy to answer any questions about them."

FORM A is used for cotton price-support loans by the Commodity Credit Corporation (CCC) to individual producers. For approved cotton cooperative marketing associations, a Form G is used and a different administrative procedure is followed. Loan rates are the same for both Forms A, and G and G programs, Hill said.

A new feature in the Form A Cotton Loan Program permits a producer's agent to pool loan cotton with other producers' cotton for marketing purposes and to distribute marketing proceeds on a pro rata basis.

Another provides that after a producer has put his cotton under price-support loan, he can contract to sell the loan equity at a set price with the buyer redeeming the cotton at a later date. A producer may not first sell or agree to sell his cotton and then

place it under loan.

A THIRD new provision sets a 30 day period in which cotton may be redeemed by authorized persons after the cotton producer signs a release.

"I can only outline the general

procedure and the new features," said Hill. "But once again I urge all interested persons to obtain the leaflet explaining the Form A Cotton Loan Program, and if more information is needed, to inquire at the county ASCS office."
