Home Ec Girls Entertain PTA with Mock Wedding

It was a hilarious and laughable occasion, the first regular meeting of the Bronte Parent-Teachers Association, which was held in the school auditorium, Tuesday afternoon, January 11. The entertainment feature that provoked much laughter was that by the home ec girls. They staged a mock wedding, which was said to be full of fun and laughter from beginning to end.

The program subject for the meeting was "Freedom from Want." Mrs. B. F. Kirk was leader.

Mrs. Alfred Taylor called the business session to order.

The Association adopted a recommendation of the executive committee to add \$50 to the amount remaining from an appropriation made last year with which to rebind the books in the library, which amount was \$50, making a total of \$100 to be used in buying new books for the library. Mrs. Taylor appointed as a book committee Mrs. B. F. Kirk, Mrs. Geo. Thomas, Mrs. Lynn Coleman, and Miss Gladys Lehman.

The Association passed a motion to pay Mrs. C. E. Arrott \$4 for the turkey which she supplied at the benefit party held just before the holidays.

The Enterprise office was graced Tuesday afternoon with the presence of Mesdames W. F. Caede and Arnold Richards of Blackwell. Mrs. Caede is the wife of Rev. Caede, pastor of the Blackwell Methodist church. Rev. and Mrs. Caede were assigned the Blackwell pastorate in November. They are very much pleased with their new field of work and with the Blackwell people. Mrs. Richards is the wife of Prof. Arnold Richards, superintendent of the Blackwell schools—well, just how long they have been in Blackwell, "the memory of man runneth not to the contrary," hardly. The ladies were pleased to tell the editor just how much they did not know about the art of printing, and they were interested in having us show them the workings of a modern typesetting machine in casting type slugs. The ladies were in Bronte in the interest of the Year Book of the ladies society of the Methodist church at that place.

R. A. Perry of Miles moves up his subscription figures to The Enterprise into 1944. Mr. Perry stated that he subscribed for the paper some years ago and enjoys reading it. While he gets a good many papers, yet he has time to read The Enterprise. Thanks to you, "Ab." Mr. Perry is county commissioner of the Miles precinct and has been for many years and has made his precinct and the entire county of Runnels an efficient commissioner. He is public-spirited and fair-minded in his policies as to the affairs of his county. In fact, Runnels county has a good commissioners court, according to the estimate of The Enterprise of the gentlemen who make up the personnel of the court.

Mrs. Carrie Williams, postmaster, is confined at her home with the flu. In her absence, Mrs. Verna Allen is assisting Mrs. Pearl Boynton in the post-office.

Mrs. L. H. Reed Dies at Family Home, Near Bronte

Mrs. L. H. Reed died at the family home, seven miles south of Bronte, Saturday morning, January 8, 1944. Interment was in Mule Creek cemetery, Sunday afternoon, following religious services conducted by Rev. Roy Stuckey, pastor of the Norton Baptist church.

Deceased was born at Hallettsville, Lavaca County, in 1858, making her to be 86 years at her death. She was preceded in death by her husband in 1941.

The two came to Coke county in 1905, with their children, and made their home here since that time.

To them four surviving children were born. They are Mrs. J. A. Nichols, San Angelo; Phil Reed, Foraker, Oklahoma; Kirk Reed of Bronte; and Ben Reed of Arizona. Two sisters also survive, Mrs. W. L. Carlton of Gonzales, and Mrs. H. C. Eckert, Yorktown; eighteen grandchildren and nine great grandchildren.

Thus, another of the aged ones of Coke passes, and also one of the later pioneers.

Tennyson School News

To The Bronte Enterprise:

At the end of our first semester, those on the honor roll are as follows: Sixth grade: Buford James, Louise Burleson; Second grade: Leon McCarty; Fifth grade: Betty Chamberlain; Eighth grade: Lela Gibson, Lela Anne Brooks and Billy Burleson.

The Tennyson school regrets to report that Martha Anne Weddle has been confined to her bed, with the flu, since Friday. But, we are glad to report that she is much better now.

Grace Irene Green, an eighth grade pupil, returned to her home, after a visit in Dallas.

The girls of eleven and twelve and over are planning to have a Girls' Scout Club. Mrs. Floyd McCarty is to be the leader. The girls are well pleased with their leader.

Tennyson school had visitors Monday. They were Mrs. May Baker and Carolyn Gale of San Angelo.

Mrs. Dunn to Leon McCarty: "Leon, what do you mean by running to the back of the room like that?"

(Pete Thomas stands over by the stove smothering a giggle.)

"Pete, what did you do to Leon?"

Pete: "Nothing—he just stuck his finger in that bucket of water to see if it was hot."

The Primary room is making a cactus bed. Little Eddie Westbrook, age 5, who does not come to school, is champion collector, having brought about two dozen cactus.

Editor's note: Thanks to the Tennyson school for this fine newsy letter about their school. Prof. Leslie Woullard and Mrs. E. D. Dunn are the teachers. They promise The Enterprise weekly letters regularly—The Enterprise appreciates this, as we desire to serve the communities throughout this section—and surely we have no interests more important and far-reaching than are our schools.

L. T. YOUNGBLOOD GETS CORALS FROM SOUTH SEA ISLANDS

L. T. Youngblood, president of the First National Bank, received a box of coral formations from the South Sea Islands the other day, which he very much appreciates.

The corals were sent him by Dick Suggs, a Bronte boy who has been in the South Pacific for some time. The formations are of many different forms and colors, and are quite beautiful.

"Dick" wrote Mr Youngblood that he had been on that island for a year and had not seen a woman of any race, creed or color and that there was but one tree on the island.

Heaviest Snow Storm in 25 Years Covers This Section

The heaviest snow storm in 25 years, believed by many, came to this part of West Texas this week. The snow began falling Tuesday night, and fell slowly until Wednesday. Then it fell almost in sheets, and continued until up in the morning, Thursday. It is said to have been a fall of at least 12 inches.

It is said to be the largest snowfall since 1918. The snow melted a little Thursday but began to freeze again in the early afternoon and is frozen this morning. Different degrees of temperature as revealed by different thermometers ranging from 12 down to one half, were reported.

Traffic has been greatly interfered with. The bus service in all directions was belated Thursday. Travelers in cars were stranded here and there and several were compelled to remain indefinitely in Bronte, as they could not travel.

Stock are suffering considerably, yet the snowfall will offset all the damages by the fine season it will put in the ground which will bring the weeds and the early spring grass, and it will also greatly aid small grain.

Ballinger Rotary Club Sponsors Post War Institute

The Rotary Club of Ballinger has undertaken the most far-reaching program, perhaps, ever scheduled for that city.

The club, made up of Ballinger's progressive and far-sighted business men, has perfected arrangements by which "an institute of international understanding" will be conducted in Ballinger.

The club has paid the price, and secured four of the country's outstanding writers and travelers, to come to Ballinger on the agreed dates given below and deliver the lecture assigned each speaker.

The general theme of the four speakers for the institute as a whole will be "Contributions to a New World Order." The four speakers and their specific topics will be:

The first speaker is Dr. Guy Inman, of Bronxville, New York, who will appear Tuesday, February 1. His topic will be: "The Americas as Contributors."

The second speaker is Dr. Yong Park of Kirksville, Missouri, who will speak on the evening of February 15. Dr. Park is a nationally known Chinese and his topic will be: "Oriental Nations as Contributors."

The third speaker on the program is Simon M. Davidian, of Luna, Ohio who will appear Tuesday, February 29. He will discuss "The Russian Republic as a Contributor." His subject is of particular interest at this time.

The last speaker is Lt. Col. E. F. Lascalles, of London, who will discuss "The British Commonwealth as a Contributor."

Through the courtesy of members of the sponsoring club several of the Bronte citizens will receive complimentary tickets, and those who receive the tickets are cordially invited to attend. The tickets will be for the entire series of four addresses. It behooves all who can, to attend lectures—for, there is going to be a postwar situation that will demand the sympathy and hearty cooperation of all and the above discussions will give a far-reaching insight into the questions involved and will be a great aid in supplying needed information essential to intelligent and careful procedure.

DENTAL HYGIENE IS URGED BY STATE HEALTH OFFICER

Austin, Texas, January 13.—The fact that dental decay is likely to occur in the mouth of the average person, despite proper home care given the teeth, does not lessen the importance of brushing the teeth and massaging the gums daily, nor does it minimize the need for a cleaning and inspection of the teeth twice a year by the family dentist. Dr. Geo. W. Cox, State Health Officer, says that the lack of these measures gives added power to germs that attack the enamel of the teeth and gum tissues.

"If, despite the proper application of such procedures, decay is suspected or teeth are injured in any way, the thoughtful person will seek the dentist's office promptly for the necessary corrective work," Dr. Cox said.

"It is surprising, though, even in these days of comparatively painless dentistry, that so many persons neglect to make good their dental defects, inevitable or otherwise, because they foolishly fear the discomfort they might experience in the dentist's chair," said the State Health Officer. "There are others who having lost a tooth or several teeth, make no effort to obtain replacements. Apparently they believe they can get along without them. Reduced masticating power, the annoyance and sometimes actual discomfort of chewing hard substances of gaps in the teeth."

Dr. Cox advised those who are interested in experiencing the best dental and bodily health, possible, to give daily attention to their mouth and visit the dentist twice each year, and promptly seek the dentist's services should decay or other conditions arise between the periodic visits.

"In short," Dr. Cox declared "successful mouth hygiene means not only intelligent personal daily application of prophylaxis but complete and timely cooperation with the family dentist as well."

(MRS.) RUBY L. PETTIT IN TREASURER'S RACE

In submitting my candidacy for County Treasurer of Coke County for the consideration of the voters in the Democratic Primaries, I wish to say by way of introduction, that I have made my home in this county for nearly 30 years and have been educated here. During this time I have always been devoted to the social, economic and intellectual interests of the people.

For some years it has been my lot to earn the living for my family and educate my children, and the employment I have been able to obtain has given me adequate experience in a line of work similar in many respects to the duties of the office I am seeking. My record in that work will show that I was so fortunate as to secure and maintain for some time, the first place of honor in efficiency of service in a 29 county district.

Those who know me best will vouch for my general character and reputation.

If I am elected, I shall spare no effort to perform the duties of the office with the highest degree of efficiency possible. I shall deeply appreciate your support.

Sincerely,
(Mrs.) Ruby L. Pettit.

FOR COUNTY JUDGE

In announcing my candidacy for the office of County Judge and School Superintendent of Coke County, I place before you my record of the past. I am mindful of the responsibilities that will fall on this Office in the Post War Period as well as I have in the past and am at present.

I take this opportunity to thank all of you for your past co-operation and the consideration that you have given me. It has been my desire to serve you and I assure you that it has been a pleasure that I will always remember.

I will appreciate your consideration and support in the coming election. Thanking you again, I am,

Sincerely,
McNeil Wylie.

Do you feel "left out of it"?

Are you missing the chance to share in this war—missing an experience you'd value all your life?

MARRIED AT BLACKWELL

At the Methodist parsonage, in Blackwell, Monday afternoon, December 10, 1944, at 2:30 o'clock, Rev. W. F. Gaede officiating, Miss Dorothy Maples became the bride of Raymond Walls. The bride is one of Blackwell's popular young lady. The groom is a young farmer of the Blackwell community.

Mr. and Mrs. A. J. Compton were here this week, visiting Mr. Compton's grandparents, Mr. and Mrs. S. A. Kiker. Mr. Compton is in service in New Foundland. He is in the ground air corps in the depot department, and will return to his post next week.

FOR COMMISSIONER OF THE BRONTE PRECINCT

I hereby make my announcement as a candidate for the office of County Commissioner of the Bronte precinct, Coke county, subject to the 1944 democratic primaries.

I do not feel, friends, that any extended statement is necessary. My record speaks for itself. Our paved highways in every direction, and our improved lateral roads and school bus routes are some of the things I have accomplished with your aid and cooperation. I now want to express my sincere thanks to each and all for your kindly consideration in the past.

If you see fit to elect me again I pledge you the same faithful service and fair treatment to all, as always in the past.

Again asking your support and thanking you for all past favors, I am,

Sincerely,
S. A. Kiker.

FOR COMMISSIONER OF PRECINCT NO. 4

To the people of Precinct No. 4, Coke County:

This is to announce that I am a candidate for re-election as your County Commissioner.

If you see fit to give me the job again, I will continue to give you the best that I can for your money and to try to deal fairly with every one.

Thank you.
Ben Brooks.

Flying Artillery

"Pistol Packin' Memma," in the form of a North American B-2 Mitchell bomber equipped with a 75 millimeter cannon, is a smash hit in the West Pacific, where this plane and others have been recently hitting the enemy with the "flying artillery." A "The Dispatch" announcement has revealed that the North American Mitchell is the first plane to be equipped with this type of cannon. It has been a great success in smashing Japanese shipping and repair centers.
