"Bryan" Glenn Dies in Angelo; Interment Here

J. B. Glenn died in a San Angelo hospital, Monday afternoon, January 15, 1945, after a lingering illness of some weeks. Interment was in Bronte cemetery Tuesday afternoon following religious services at the Bronte Baptist church, with the pastor, Rev. C. R. Blake in charge, assisted by Rev. A. Hanson, pastor of the Bronte Methodist church, and Rev. J. E. El-

J. B. GLENN

dridge of Sonora. Rev. Eldridge spoke the funeral message, speaking of the Certainties on which the Christian can rely in all of life's tragic hours.

The following biographical sketch was read at the religious services:

John Bryant Glenn was born in Hood County, Texas near Grandberry, August 30, 1889; died January 15, 1945. He was 55 years, 4 months and 16 days

Dr. W. F. Hamner At the Methodist Church, Sunday

Dr. W. F. Hamner, district superintendent of the San Angelo district of the Methodist church, will preach at the Bronte Methodist church, Sunday morning at 11 o'clock. Following the worship Dr. Hamner will hold quarterly conference. It is the first quarterly conference of the Conference year. Hence, Pastor A. Hanson is looking forward to a good conference.

Dr. Hamner will preach at Tennyson in the afternoon at 3 o'clock. All are cordially invited to attend any and all of these services.

old at the time of his death.

He came to Coke county with his parents in 1903 and settled near Bronte.

February 27, 1909, he and Miss Mattie Elizabeth Snyder were united in marriage. To this union were born seven children: D. K., J. H. Jr., Clark and Dale of Bronte; Cadet Vernon, stationed at Victoria, Texas; and Lt. Earl F. Glenn, somewhere in Belgium; one daughter, Mrs. T. F. Sims Jr., San Angelo.

He is survived by his wife, and children, father and mother, Mr. and Mrs. D. K. Glenn, Odessa, Texas; and two brothers and three sisters.

He united with the Bronte Baptist church in February 1915 in which he has remained through the years.

Deceased was known to all as "Bryan Glenn." Having been here many years he was widely known throughout this section of the West, and had many friends who sorrow at his passing.

Having engaged in farming and stockraising Mr. Glenn was

4-H CLUB WORK IN COKE FOR 1944 IS REVIEWED BY COUNTY AGENT

The 4-H Club program as outlined by the county agent for 1944 was one of profit by education, demonstration and recreation. It would be difficult to compose even a summary of the many accomplishments of Boy's 4-H Club work in 1944.

A few of the more outstanding include:

1. A good beginning: The Bronte 4-H Club was host to the Tennyson Club in a 4-H Round-UP, Wednesday evening, December 15.

Mr. C. E. Arrott, adult leader, conducted the meeting. About 60 4-H Clubbers were present for a turkey dinner with all the trimmings.

Despite drouth and the shortage of feeds the 4-Hers are doing a bigger and better job this year. They are increasing their projects to help our boys on the firing line.

2. 4 H Clubs "Feed-A-Fighter in '43."

4-H Club Members of Coke County went ALL OUT to "Feed-A-Fighter in '43." Not all food and fibers production is available, but from the records turned in, principally from sales and not counting feed stuffs on hand or consumed by the family, we find that 21 4-H Clubbers produced 25,114 pounds of meat which would supply the meat diet of 40 soldiers, or the total food equivalent for 20 men in the armed service. These figures represent principally those 4-H Club Members who exhibited animals at the Coke County Junior Livestock Show on March 6, but do not show production of the 120 others who had various demonstrations. However, we do have many reports like the following which are taken from the files representing other phases of production:

"You wrote me about a record of my project. I had twenty hogs and I showed one hog at the Fat Stock Show in March. I still have the other nineteen on feed and I will ship them when they are ready." Ralph Walker.

Eleven 4-H Club boys and girls together with four sponsors, attended the Feed-A-Fighter Day at Goodfellow Field, October 7, 1944. A tour was made through the field, seeing the points of interest, such as the machine shops, the flight line and the parachute department. At lunch time the youngsters were treated at a G. I. dinner served in the mess hall.

Those attending were: Nelda Ann Sheppard, Elna Avis Jameson, Floyd Sheppard, Weldon Schooler, Harold Gene Sheppard, Paul Burns, Ralph Walker, Le Drew Arrott, Dolan Mackey, J. B. Arrott, Junior Hipp.

Sponsors attending were: Mrs. Sam Powell, Mrs. Allen Jameson, Mrs. C. E. Arrott, Miss Carleen Clark.

Each clubber was very proud of his "Certificate of Apprecia-

successful in his undertakings. He was a man, somewhat reserved and modest in his mien, and hence never sought public leadership. Yet he always stood for the things he conceived to be right, and for community progress, and was a man who appreciated his friends. Genial in his nature it was a pleasure to know him and have conversation with him.

Frank Keeney, funeral director, was in charge of arrangements.

Christmas Card "Put a Lump In His Throat"

Capt. R. T. Caperton, son of Mr. and Mrs. Emmett Caperton, who is in Burma, was one of Bronte's boys in the service to receive a community Christmas card. The thought was conceived by Mr. and Mrs. J. M. Rippetoe to make a Christmas Card available and for all who cared to do so, to call at their store and sign the card. Many dozens of cards bearing scores of names went out to the Bronte boys on all the battlefronts of the world.

Capt. Caperton did not receive his card until the New Year had begun. But he appreciated it none the less.

Writing his parents about receiving the card, he said, "it sure made a lump come up in my throat—the thought that so many at home thought of me."

Capt. Caperton requested his parents to come to The Enterprise office and have "the old home town paper" express for him his deepest appreciation and sincerest gratitude for their kindly thoughtfulness.

Waste Paper is Much Needed; Truck Is Coming

Mayor R. E. Cumbie requests The Enterprise to insist that the people—everybody, big, little, old and young—save their paper and boxes of all kinds and tie them in convenient bundles. Paper is one of the great essentials of war and the paper and boxes are needed very much.

Mayor Cumbie says that truck out of San Angelo will come for the paper soon as he advises them that there is enough for them to come for.

The Enterprise will give storage space in the front of our office for the bundles of paper and boxes that are brought. But, you must tie them in convenient bundles, else we would not have room for storage—besides we could not afford to place the paper loose in our office. Some

ation" that was presented to him.

3. Improved Quality in Sheep from 4-H Demonstrations.

Coke County boys, Le Drew Arrott and Weldon Schooler again carried off their part of the honors at the Sonora Wool Show, June 20-21. The show was larger and the competition greater than in prior years. A marked improvement in general quality was shown, but the most noticeable improvements to be seen are back at home on the ranches of these boys wool staple improvement by selection of breeding ewes has resulted in a higher yield in pounds per animal, and a more uniform clip throughout. This, together with improved methods of handling, has netted these ranches a premium in price.

4. Adults Get Behind 4-H Club and F. F. A. Show.

For the past two years the Junior Livestock Show sponsored by the Coke County Livestock Association has offered premiums on the basis of commercial feeding and finish rather than the competitive type (Continued on page three).

Miss Clementena Parker Enlists in the Waves

Another Bronte girl has heard the call of her country and has given up civil life for a place in the woman's military life and work. Miss Clementena Parker now of Norton has enlisted in the WAVES and will leave Balingier January 23 for New York City where she will take a seven weeks course and then she will be assigned a place.

Miss Parker was reared in

MISS CLEMENTENA PARKER

Bronte, coming here when a little girl, with her aunt, Mrs. Janie Hull, now of Norton. She attended the Bronte schools and graduated in 1939. She is also a graduate of TSTC at Denton. She has taught in the Decatur schools and was teaching in the Ozona schools when she resigned and made application for and was accepted in the WAVES.

A cultured and gracious young woman, her many friends in and around Bronte and at Norton know that she will meet every call of duty regardless of circumstances, fearlessly and courageously—and as she goes, the best wishes of all her friends will follow her, with a prayer that shortly she and all others of our girls in service, and our soldier boys as well, may return home.

weeks ago Mr. and Mrs. C. C. Holder brought in their car full of magazines and periodicals they had read and then saved. They are stored in The Enterprise office.

AD GOT QUICK RESULTS

Mrs. Lizzie Davis of Robert Lee inserted an ad in last week's week's issue of The Enterprise, offering a house for sale. We received the letter below from Mrs. Davis as to the quick results she got from the ad:

Mr. D. M. West, Editor Bronte Enterprise, Bronte, Texas.

Dear Mr. West: You will find enclosed check for which please advance my subscription to The Enterprise. Quick work—you printed my ad in your paper one evening, which went out to your readers the next morning and I sold my house the next day. So, thank you.

Sincerely, Mrs. B. E. Davis.

Mrs. Pink Eaton advances her subscription to The Enterprise for which we thank her.

NATIONAL PUBLIC
HEALTH NURSING DAY
TO BE CELEBRATED

Austin, Texas, January 18—Hundreds of communities throughout Texas are planning to celebrate the first National Public Health Nursing Day on January 26 as proclaimed by Governor Coke R. Stevenson.

The purpose of the day, according to Dr. Geo. W. Cox, State Health Officer, is to focus attention upon public health nursing as a service for everyone and to increase public understanding of the part played by the public health nurse in helping to build better health in family, community and na-

tion. Many communities in Texas are planning to give special recognition on this day to the value of the public health nurse in the community.

From the beginning thirty years ago, public health nurses have been concerned with the total health situation of the family including sickness, care of disease, prevention, and health protection.

In setting aside January 26 as Public Health Nursing Day for America, health administrators and all other friends of nursing should dedicate themselves to the extension of public health nursing services so that there will be enough qualified nurses to meet the needs of the people.

PROCLAMATION

by the
Governor of the State of Texas

To All To Whom These Presents
Come:

Whereas, public health nurses
ness and injury; and,
are of first-line importance in
the ceaseless fight against sick-
ness and injury; and

Whereas, these nurses, wheth-
er employed by private visiting
nurse associations or by health
departments—city, county, and
state—or whether they are em-
ployed in schools of industry,
are performing a great service
to the State; and

Whereas, all the people are not
familiar with the fact that these
nurses are helping to protect
the health of each and everyone
so:

Now, Therefore, I, Coke Stev-

enson, Governor of Texas, do hereby designate Friday, January 26, 1945, as

Public Health Nursing Day in Texas, and urge that all citizens join in the observance of this day so that they may have a better understanding of the services which guard the health of their communities.

In Testimony Whereof I have hereunto signed my name officially and caused the Seal of State to be affixed hereto at Austin, this the sixth day of January, A. D., 1945.

Coke Stevenson,
Governor of Texas.

By the Governor:
Sidney Latham,
Secretary of State.

show. This has proven very satisfactory since the boy is given premium on the basis of how good a job he had done. This type of show tends to teach a boy to feed for profit in the animal rather than for the prize he might gain by having the fattest animal in the show.

Coke County Livestock Association, an organization sponsoring 4-H Club and F. F. A. livestock activities in Coke

County, held the annual sale on Saturday, October 7. Generous contributions were brought in and bidding was lively. Total proceeds amounted to more than \$800 which will be used to pay premiums for 4-H Club and F. F. A. prizes at the Coke County Livestock Show which will be held February 28. The Association has purchased grounds for a permanent home for the show. However, the next show will be held at Bronte. Plans are being made for the largest show ever held

in Coke County.
 5. Not All is Work for the 4-H Boys of Coke County.
 The 4-H Club boys of Coke County under the adult leadership of C. E. Arrott and A. B. Sheppard, put on a July 4th rodeo with all the trimmings. The event was attended by a large and enthusiastic crowd. The 4-H girls had the cold drink stand and sold out everything that would do to drink.
 The boys netted about \$75.00 and the girls about \$40. This was invested in War Bonds which are earmarked to be used after the war to help purchase a sound projector for Visual Education among rural folk in the county.
 The 4-H Boys also got behind the War Effort to furnish food and munitions for their brothers in the service. From the sale of
