Grain Harvesting Is In Full Blast In Bronteland

The song of "home, happy home, happy harvest home," is appropriate in Bronteland these May days, as the hum of the binder and combiners is heard on the grain farms all over the country.

L. T. Youngblood, president of the First National Bank in Bronte, estimates that the largest acreage ever planted to grain in this section is being harvested. The yield, according to Mr. Youngblood's estimate is from 20 to about 27 1-2 bushels to the acre for oats, while for wheat, of course, the yield is not so heavy.

Another committee was appointed for standing rules for our council, they are Mrs. Arrot Ester Louise Allen, and Eula Pate Smith.

The girls played a game and sang some songs. Twenty-one were present.

REV. AND MRS. GRADY PETERS

Rev. Grady Peters To Lead Local Methodist Meeting

Rev. A. Hanson, pastor of the Bronte Methodist church, and his workers and other interested members announce that everything is in readiness for the annual revival meeting is scheduled to start next Sunday.

Rev. Grady Peters, pastor of the Methodist church at Eden has been secured by Rev. Hanson to lead the meeting and do the preaching. Because of other engagements Rev. Peters will not arrive until Monday afternoon and will be in the local pulpit Monday night and assume charge of the meeting.

Rev. Hanson in requesting The Enterprise to make the announcement of the meeting, said, "You can say to the people for me that I assure them they will appreciate Rev. Peters

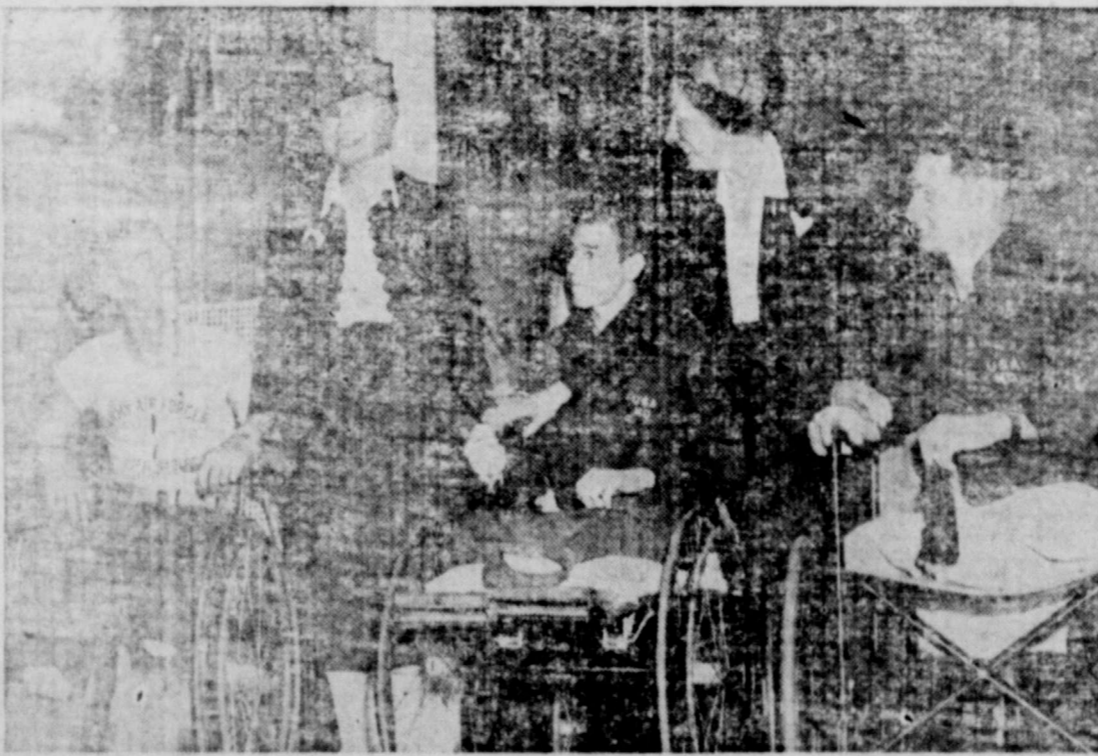

both as a fine genial-spirited Christian gentleman, and also as a preacher of pleasing address. He preaches the "old time gospel" with force and power. We are praying for a great spiritual awakening which our entire town and community need. We want the meeting to be felt for good in every home in our community and therefore we invite all to attend and cooperate in every way possible." "Bro. Peters cannot reach here until for the Monday night service. I will preach Sunday morning and evening. There will be no worship Monday morning. Beginning with Monday evening's service there will be worship twice daily, at 10:30 in the morning and 8:45 in the evening."

"Mrs. Irvin Cumbie will be at the piano in the song services and Mrs. Alfred Taylor will direct the choir. This, with all our good singers from all the churches who will aid in the singing insures that the song services will be helpful and inspirational."

W. C. Walton made the clock of time strike again for us, he has paid his subscription which he does regularly. Thanks.

TWO BRONTE BOYS
PRAISED BY LT. GEN.
JAMES H. DOOLITTLE

Eighth Air Force Station, England—Among the 185,000 men and women of the Eighth Air Force congratulated after VE-Day by Lt. Gen. James H. Doolittle, their commander, were Master Sgt. Archie Pittman; Pvt. Leroy Ellis.

"I wish to extend my personal congratulations and my heartfelt appreciation to every one of you for the magnificent job you have done," Gen. Doolittle said in a message to all personnel.

"Each of you," he continued, "may be proud of your part in the defeat of Germany. I am proud of you. The world is proud of you."

The Eighth Air Force was the world's mightiest strategic bombing force. Its personnel of 185,000 was the equivalent of 12 infantry divisions, and it could send 21,000 airmen in 2,000 four engine bombers and 1,000 fighters over Germany at one time, a combat effort possible only through the support of tens of thousands of non-flying specialists.

Since August, 1942, when combat operations began, Flying the Eighth dropped more than 700,000 tons of bombs on enemy targets. Fighter pilots shot down 5,250 Nazi planes and destroyed 4,250 others on the ground. Bomber gunners

14 Graduates of the
Blackwell School
Exercises Tonight

The Blackwell schools have their graduating exercises for the 1944-1945 session Friday evening. There are 14 graduates.

The baccalaureate services were held Sunday evening, with Dr. L. T. Ball, pastor of the First Baptist church in Sweetwater, delivering the sermon.

In the commencement exercises this evening, Dr. R. N. Richardson, president of Hardin-Simons University, Abilene, will deliver the address before the class.

Prof. Arnold Richards who has been superintendent for several years will remain with the school for the coming year. He has done good work there in the affairs of the school.

J. D. Denson of Marynes subscribed for The Enterprise some time ago. He traveled with us some distance on the highway and gave us his subscription when we parted. We lost his name. The other day he and Mrs. Price met, he gave Mr. Price his name and asked that he remind us that he had never received his paper. Here "she comes," Mr. Denson, we regret the delay, but hope you may enjoy the weekly visits of the paper.

CARD OF THANKS

We want in this way to thank our friends and the good people generally of Bronte for their many kindnesses and help since I became ill and have been in the hospital. Our friends and neighbors who came last week with their tractors and put our crop in good condition, and all others who helped us with their donations of money. Friends, we shall always cherish these kindly deeds on your part and we pray God's blessings on all of you.
Mr. and Mrs. Clayburn Webb.

George Wrinkle and family went to Long Beach, California two weeks ago. A letter from Mr. Wrinkle enclosing cash for a subscription to "the old home town paper" has been received, in which he says they are hungry for some news from home. He is working in the U. S. Navy dry dock, and says there are lots of ships there. Mr. Wrinkle has been ill, but was o.k. when he wrote.

E. H. Waddle whose ranch home is between Bronte and Robert Lee, which was destroyed by a cyclone on May 29, at which time both he and Mrs. Waddle were seriously injured was in The Enterprise office Tuesday. He stated that Mrs. Waddle had returned to consciousness only that morning.

Grand Barbecue
By Sweetwater
Livestock Company

Things at the sales grounds of the Sweetwater Livestock Auction Company are beginning "to hum." This progressive and growing livestock auction company under the direction of Oscar Jones is growing all the time. They are seeking to enlarge their acquaintance and good will with all the people of West Texas. Hence, they are announcing that they want to be host to everybody throughout this area at a grand barbecue at their sales yard next Wednesday, June 6.

Speaking to The Enterprise editor with reference to the matter Mr. Jones said that the owners of the auction company, with himself as manager, appreciated very much the business accorded them since they opened their doors as a livestock auction company. "Our business has grown; our volumes of sales have wonderfully increased and the number of our clients, both buyers and sellers has constantly increased. Therefore we want to express our appreciation in a real way for the business accorded and, therefore, we are giving this barbecue and inviting everybody to come and be guests. We want to know all the people of our trade territory, especially those interested in buying or selling livestock. So, we want everybody to come."
