## Assurance Of West Texas' No. 1 Irrigation Dam Project, Below Robert Lee, 'Now Up To the People' Of Area

### Opposition at First, Disappearing Now, Says Youngblood

Directors of the Upper Colorado River Authority and U. S. Bureau of Reclamation officials had a meeting at San Angelo Friday night.

The government officials were outspoken as to the physical aspects of the project, stating, it was feasible from every angle, far as the Bureau was concerned.

"It is now up to the people of the area as to whether or not the dam becomes a reality.

In this connection, L. T. Youngblood expressed the belief that whatever opposition to the project that may have existed in the past, is passing, since it has become a U. S. project.

When we see two women kissing we always think of two boxers shaking hands before the fight starts.

**THEY HOLD THE KEY TO UPPER COLORADO PROSPERITY**—Federal, state, sectional and local interests which must co-operate if such economically progressive enterprises as the UCRA dam below Robert Lee are effected, are represented in the picture above. Seated, left to right, are UCRA Director W. D. Holcombe, BCD President Frank Cannon, Engineer Paul Sharkey of the U. S. Bureau of Reclamation; Lt. E. S. [unclear], new member of the State Board of Water Engineers; Assistant Regional Director A. N. Thompson of the Reclamation Bureau; W. P. Barnes, former BCD president. Standing, left to right: C. S. Coleman of Miles and Henry Ragsdale of San Angelo, UCRA board members; Sen. Penrose B. Metcalfe, whose legislation established the river authority; C. L. Green of Winters, Secretary Gerald C. Allen of Robert Lee, UCRA Chairman L. T. Youngblood of Bronte; and Vice Chairman H. G. Wendland of San Angelo.

### Capt. R. T. Caperton of Bronte Was Director of the First Annual Rodeo In Burma, Which was Held Recently

Mrs. R. T. Caperton of Robert Lee has received a newspaper clipping from her husband, Capt. R. T. Caperton, son of Mr. and Mrs. Emmett Caperton of Bronte, who enlisted at Bronte, telling about the first annual Burma Rodeo over there. The clipping also shows that Capt. Caperton was director of the rodeo. The clipping follows:

The Wild West coupled with a wilder monsoon featured the first annual Burma Rodeo here recently.

Fifty-four G. I. cowboys rode the amphibious brones and bulls and roped the flying calves at the specially constructed ARC Ace of Clubs rodeo arena before a large crowd that braved the rains to witness the unusual event.

The star of the show, voted (Continued on last page)

### Woman's County Council will Hold An Encampment

The H. D. Council was called to order by Mrs. O. W. Chapman of Bronte, vice-president of the Council.

Fourteen members and 3 visitors answered roll call. Nine clubs in the county were represented.

The finance committee reported to the Council that \$44.63 was earned from the Bazaar. The Council has \$96.55 in the treasury.

The Council voted to have a one day encampment at the Bronte American Legion park. Committees were appointed to (Continued on last page)

### Baptist Bible School Closes with a Picnic

The Baptist Bible school closed this afternoon, with a picnic at the park.

There was an enrollment of 68, with a daily average attendance of 50.

"The school has been a success everywhere," said Pastor C. R. Blake. "Both the attendance and interest have been good, and our corps of teachers have been wonderful in their work—for all of which I am deeply appreciative."

### Congressman O. C. Fisher Broadcasts Tuesday Evening

H. O. Whitt has received a letter from Congressman O. C. Fisher at Washington, advising that he will be on the air next Tuesday evening, July 3, from 9:30 to 10:15 p. m. (EWT). Debate: "American Forum of the Air" over the Mutual Net Work.

Congressman Fisher has been a consistent and persistent opponent of the FEPC all the way through. The discussion Tuesday evening is with reference to that question.

Congressman Fisher will also speak, Tuesday July 10 10:30 to 10:45 p. m. (EWT) over CBS.

### Dr. Fred Hamner at M. E. Church Sunday Morning

Rev. A. Hanson, pastor of the Bronte Methodist church, requests that announcement be made of the coming of Dr. Fred Hamner, district superintendent, who will preach at the Methodist church Sunday morning. Following the sermon communion will be administered.

All are cordially invited to attend.

Harley Sadler, of Sweetwater, widely known West Texas show man, and member of the legislature, was in Bronte Monday night, attending the initial performance of the Plunkett show in Bronte. The whole Plunkett family was in the employ of Mr. Sadler for two years.

T-Sgt. Lloyd Hudman left Tuesday morning for Strawn, after a brief visit at home with his uncle and aunt, Mr. and Mrs. E. W. Hudman, and other relatives and friends around Bronte. He was happy to be home again after twenty-five months and two weeks in the Pacific.

### THE PLUNKETTS WERE IN TOWN THIS WEEK

To the Plunketts—a family of stage artists.

The Plunketts were in town this week—  
"Pa," the boys and all the "little girls"—  
And did the old town have fun!—  
Oh, Gee!—its giddy head still swirls!—  
The whole group is just an aggregation  
Of "funny actin'" folks, and conversation—  
The old town "roared" at the jest and fun,  
As the players gave amusing pun after pun.

There was not a dull moment,  
From "curtains up" to the close—  
Either the "funny men" were "doin' stunts,"  
Or the "little gals" were on their toes,  
Dancing, posing, like fairies, most fair—  
They were all about the same size,  
But some with black, some with blonde and some with  
auburn hair—  
But all their steps were in rhythmic time,  
As they danced and swirled and sang,  
And their music was gladsome as a merry Christmas chime.

The Plunketts are gone now—  
And, Oh, My! Oh, Gee, how sad!  
The old town is not laughing today,  
But, it seems like everybody is mad,  
Or else are just lonely—and wishing,  
The Plunketts were here always, to play.

So, bye bye, Plunketts, one and all—  
You are gone from us now, it is true,  
But, we will keep on laughing in memory,  
At every thought of you—  
For, you know how to bring laughter,  
And drive away the cares of life,  
And put the sparkle of sunshine,  
In every heart and life—  
So, we'll be right here "at home,"  
And waitin', whether happy or "blue"—  
Just waitin' and waitin' and waitin'—  
Just waitin' only for you.

The Enterprise—in behalf of the Plunkett fans in and around Bronte—and that's everybody.

"One little, two little, three little Plunketts,  
Four little, five little, six little Plunketts,  
Seven little, eight little, nine little Plunketts—  
Ten big and little Plunkett "kids." \*

\* With apologies to the "kids."

PURINA PASTURE HOG CHOW

Take it from Curly Fox, the national champion old-time fiddler on "Checkered Fun-Fest"—pasture plus corn and a good supplement produce more rapid gains than corn alone or shorts.

Purina Pasture Hog Chow is a special-fault supplement for this time of year. Highly palatable. Built to make hogs eat enough of it to put on fast gains at a time when they're apt to turn down more substantial feed in favor of fresh greenstuffs.

FLOWER WITH W. H. D.  
C. AT MRS. CHAPMAN'S

The W. H. D. Club met Wednesday, June 20, in the home of Mrs. O. W. Chapman, with Mrs. Chapman acting as hostess for Mrs. Fred McDonald. Mrs. McDonald was unable to attend because of the serious illness of Mr. McDonald who is in a San Angelo hospital. The roll call was answered by each member giving her favorite flower. The rose by quite a large vote was the favorite flower.

The program at this meeting was on salads and beverages. Mrs. J. D. Leonard led the program with a very instructive and interesting talk on vitamins.

Each member gave her favorite salad recipe. A good collection of salad recipes was collected by all who cared to copy them.

The Finance Committee reported \$2.10 received from the grab bag held at the last meeting. This money will be held in the club treasury for current expenses.

During the social hour Mrs. Chas. Keeney had charge of the program, and in keeping with the canning program that is being carried out by the H. D. Clubs, she gave a canned goods contest.

**The proudest title in the Army**

It CONSISTS of two simple words. Yet every soldier who's worth his salt wears it. This title is simply: "Good soldier." It isn't just happenstance that so many women in the WAC have earned this title—the proudest in the Army. Wherever Wacs are working, both here and overseas, there you will find a job well done. And done with a spirit so smart and fine that high Army officers everywhere say of the WAC... "They're soldiers. Good soldiers!"
