The world today is going in high
 With radios, flivvers, and ships that fly.
 A lot of good roads now lead to town;
 The merchant advises his prices are down.
 The payment plan seems now at its peak,
 One dollar down and a dollar a week.
 But the time, we know, is sure to come
 When business stops its prosperous hum.

GOOD SPORTSMANSHIP

... is a fine thing to practice, and we regret news about the recent Oklahoma-Texas football game, where the fans attempted to conk the referee with pop bottles. It's a sad state of affairs when spectators so forget themselves and the rules of good sportsmanship that they have to resort to such tactics.

But on the other hand, we're glad to see such fine sportsmanship as exists between Bronte and Robert Lee, whose elevens will square off tonight in a game that should be widely attended.

Sports rivalry between these two fine towns is at a peak, and we're glad to see that it is carried on with fine examples of sportsmanship, which should prove to be no exception tonight.

The dope bucket means little when these two teams clash, the same as it is when Texas and A&M fight it out come next Turkey Day. And we're glad that, for it makes for a good game, enjoyed by both players and spectators.

THINGS LOOK BAD

... on the international front. The Soviet Union continues to pepper away at the United States and the United Nations. Western Europe is in danger of going under the Communistic hammer and sickle, a hungry man isn't going to inquire too much about where his food comes from.

That's why we've been asked by President Truman to try to save food, and to cut down on our usage of certain kinds of food. The idea is that a surplus must be made, for our crops and other crops fell short, and there's simply not enough to go around as it should.

If we and others save, the difference needed to feed or not to feed Europe, or some of it, may be obtained. If not, and if all of Europe goes Communistic, the next Red jump could be made even closer.

We haven't and we can't say too much about it, but during three years of war, we served as a member of the Army General Staff Corps, as well as a political analyst for the Department of State. Our access to documents during those years taught us something of the Soviet aims and purposes, not only for this hemisphere but the world as well.

If the President then says that saving of food may avert crisis and war later on, then we're for it.

After all, isn't it easier to do without a little food than it is to fight another war, this time with the Soviet Union?

CHALK DUST

... is off to a good start this year, and we want to take this means to salute the sponsor, staff, and contributors. The staff is learning a lot about the problems of putting out a weekly news column, they're having a lot of fun as well, and they're doing a good job.

Give them credit for doing as well as they are, help them along with their news, and encourage them in every way you can.

'Tis quite true that they'll be the leaders of tomorrow, for youth has a disconcerting habit of aging a little each year. The lessons they'll learn now they'll put to use later on, as city officials, business men and women, and poll tax paying citizens.

Youth marches on, and Chalk Dust is a fine manifestation of that advance.

 Tell us what we put in you could get along without.

Courthouse News...

The Commissioners' Court met last Monday, October 13, for its usual monthly session, when the routine bills were presented and allowed.

A delegation consisting of Finnell Smith, Bert Blaylock, H. G. Wendland, Alton Roberts, Chester Harwell, S. E. Lee, and Joe Cannon appeared in behalf of the Court's repairing the Lometa road which goes by the Wendland farm, and after the court adjourned, members did take a trip to the roadway involved to see for themselves the extent of repair work needed.

Affairs of Precinct 2 were also discussed, including the possibility of disposing of old and worn out equipment, which it is hoped can be replaced by new machinery.

An inspection of county school buses was made last Tuesday, the day following the Court's meeting, which was attended by County Judge Bob Davis and Commissioners T. R. Harmon, Otis Smith, Ben Brooks, H. C. Varnadore, and G. S. Arnold, county attorney.

County Clerk Willis Smith reported a wedding license was issued to Daniel Mendez and Miss Lupe Velez last Monday, October 13.

WHAT GOES ON

Mr. and Mrs. Jimmy Keeney and son, Tommy Ed, left Sunday for Odessa, where he will be employed as bookkeeper for the Oilwell Drilling Co. of that city.

Jimmy reports they'll have a practically brand new house of three rooms, located about two miles out of town on the Andrews highway, and he was to have started work Monday morning.

According to Jimmy, his brother-in-law, Jimmy Irwin of Hamlin, in the Kaiser-Frazer business there, was burned out last Sunday night a week ago. The fire damaged five cars and a dump truck, and totally destroyed one. Prior to the fire, Irwin's place, along with three other business firms, had been burglarized, but the culprits were later caught. Mrs. Irwin is the former Miss Fay Keeney of Bronte.

Patsy Luckett celebrated her 17th birthday anniversary last Sunday, October 12, and before the day was over, said she'd had enough excitement to last her for a long time.

Mr. and Mrs. W. B. McShan and Miss Ella Clyde Black attended the Abilene-Odessa football game last Friday night. They were met in Abilene by Miss Peggy Jo McShan who also attended the game and came home with them to spend the week end. She returned Sunday night to Fort Worth, where she is attending school.

Joe Satterwhite of the Runnels County Implement Company, agents for the Ford Tractor, was in Bronte last Monday to give a round of demonstrations of his new Ford, and noted that he'd been allocated quite a few of them for sale in Coke County. Think of it, says Joe, no standing in line, no waiting, no nothing, we have the tractors, and the first ones over can get them then and there, no priority, no lists, just tractors for the taking!

CO-OPERATION ON PARTY LINE

To you high school young people, it probably seems ages since you started to school. But, if you will think back, you'll remember that one of the first things you learned on the play-ground was to TAKE YOUR TURN. You learned the important lesson that everyone could have a good time if each took his turn. The same is true in using your party line telephone. By making only your share of calls, you can help everyone enjoy good service. You can also help by making your calls brief ... allowing time between calls ... and being sure to replace your receiver. Your telephone company thanks you for your teamwork in taking your turn on your party line telephone.

WSCS ENDS CONTEST

Eighteen members of the Methodist WSCS met last Monday with Mrs. B. E. Modgling, at which time the contest between the two sides was ended.

It had been under way for some time, and was designed to raise money for use in furnishing the kitchen in the Educational Building.

The side led by Mrs. Alvin Mauldin was pronounced the winner, having raised the sum of \$44.50, while the other side raised \$30.50, or a total of \$75 to be used in the kitchen fund.

Names of Sunshine Pals were revealed, Mrs. R. C. Lasswell led the study on world affairs, and Mrs. Jeff Dean, president, was in charge of the business session.

The losers are to give a party for the winning side, and it is to be held in the home of Mrs. Brooks Browning in November, at a date to be announced later.

MRS. LAMMERS NAMED HEAD OF UNION CLUB

New officers for the coming year were elected last Monday, Oct. 13, for the Union WHD Club.

Mrs. Nettie Mae Lammers was named president, Louise Tuoy, vice-president, Mrs. Edna Butner, secretary-treasurer, Mrs. John Coalson, delegate, Mrs. Johnnie Pearl Beavers, alternate, and Mrs. Altha Best, reporter.

STANOLIND PICNIC TOMORROW

Quite a few employees and their friends will be guests at the semi-annual picnic held by the Stanolind Oil and Gas Company which is scheduled for tomorrow afternoon in the Bronte City Park.

The company schedules two picnics a year for its employees, and company officials, looking around for the site this year, selected the City Park as a fitting place to have their fun and frolic.

Bronte folks, of course, are glad to welcome this group to town, and hope they'll return more often.

—BUT THE UNION LEADERS WANT 15 EXTRA "SITTERS" ON THIS TRAIN . . . 3 ENGINEERS, 3 FIREMEN, 6 BRAKEMEN AND 3 CONDUCTORS . . . TO GO ALONG FOR THE RIDE AT FULL PAY!

It's to your interest to know about this proposed **feather-bedding!**

For sheer feather-bedding, this mock work proposal takes the cake. But it is only one of 44 "rules" demands filed by the leaders of the operating unions. If all these demands were granted, they would cost the railroads an added BILLION DOLLARS A YEAR.

Increased Wages, Too
On top of these "rules" changes, the leaders of the operating unions have filed an additional demand for a wage increase of over 30 per cent. If granted, this would be an added cost to the railroads of \$400,000,000 a year.

\$468,000,000 To Non-Operating Employees
In addition to this, an Arbitration Board has just granted a wage increase of 15½ cents an hour to the million employees represented by the 17 non-operating unions. This will cost the railroads \$468,000,000 a year.

Where Will The Money Come From?
Where will all the money come from to pay these increases? They total several times as much as the railroads made in 1946 or will make in 1947.
In July, the railroads filed an application for increased freight rates to close the gap which then existed between wage and material costs, and railroad revenues. Since then it has been necessary, because of further increases in wages and material costs, to supplement that petition and to ask for an additional freight rate

increase. No other course is open. **Railroads Do Not Run For Employees Alone**
Railroads are operated for the benefit of not one, but several groups—shippers, passengers, employees, stockholders, and the general public. The interest of all must be served—and that cannot be done unless the railroads can operate efficiently and economically, and unless they are allowed to earn sufficient revenue to provide the kind of transportation service this country MUST HAVE.

KICKAPOO WMU NOTES
By Mrs. Mary Spencer

We met at the church at 2:30 with Mrs. Maudie Clark in charge of the program, and she taught the lesson on Luke 20, while the meeting was closed with a prayer.

Present were Mmes. Maudie Clark, Opal Beavers, Leotha Wrinkle, Ella Pruitt, Johnnie Pearl Beavers, Ester Warner, Mary Spencer, Miss Mary Pruitt, and Dorothy Scott.

We also had one visitor, Mrs. Kiefer of San Antonio, and these children: Richard Spencer and Juanita Wrinkle.

The next meeting will be held tomorrow, and we will study the 21st chapter of Luke.

We are also sponsoring "Old Ministers" this quarter.

MRS. CLARK HOSTESS TO BRONTE, JR., WHD

AUCTION SALE TOMORROW

All Coke County is invited to the livestock auction sale which will be held tomorrow, October 18, at Robert Lee, with starting time set for one o'clock.

Show place will be the permanent grounds and barns at Robert Lee, which are the property of the Coke County Livestock Association.

The directors met last month to set the date, and the purpose of the show will be to raise prize money for the spring show, tentatively set for March 10, as well as to aid in defraying its expenses.

R. T. Caperton is president of the Association this year, and he notes that the proceeds will go to the 4-H and FFA activities in the county, hence a big turnout is urged.

Other officers include J. B. McCabe, Jr., vice-president, and Edward Cumbie, secretary-treasurer.

MRS. WALDROP HEAD OF HAYRICK CLUB

Mrs. Glenn Waldrop was named president of the Hayrick WHD Club at its meeting on October 9, and will serve for one year.

Around About Town

Sheriff Paul Good is rather wistful these days. . . seems his colleague over in Tom Green County, Sheriff Buck Bryson, recently received as a gift a nice, new \$25 10-gallon Caxton hat from the Esquire Men's Shop in San Angelo, and maybe Paul is wondering if some kind friend will remember him in the same way. Paul was a Bronte visitor this week, coming over last Tuesday.

Judge Bob Davis was an office visitor last Tuesday morning, and we enjoyed quite a "bull session."

Mrs. Winston Modgling of San Angelo was a Sunday guest of Mr. and Mrs. Barney Modgling.

Mrs. Tuffy Sims is now working for Nathan's in Angelo, where she reports she surely does enjoy her work.

The editor's mother, Mrs. E. L. Nunnally of San Angelo, was a Bronte visitor during the week.

R. E. Cumbie and O. W. Chapman were strolling along the walk Tuesday morning, looking quite happy and gay.

J. B. Mackey came along, with an arm full of bundles.

Mildred Thomason says the cafe business is really rushing. She came down Sunday morning at 10:30, and when they closed Sunday night they had to—had sold out of everything, and nothing was running but the water.

Mr. and Mrs. Travis Hicks were Angelo shoppers Saturday, as was Mrs. Vetal Flores.

Anne Franklin was home over the weekend from San Angelo College, where she is a sophomore student.

W. C. Shamblin and Bro. Anthony of Blackwell were Bronte visitors last Saturday afternoon. Both were looking fine as they ambled along greeting friends around town.

Miss Katherine Rawlings, home making teacher in the Ballinger High School, was a weekend visitor in Bronte, where she was a guest of her parents, Mr. and Mrs. Albert Rawlings.

Pete Taylor, son of Mr. and Mrs. Alfred Taylor, was home over the weekend from San Angelo, where he is attending the college and playing on the Ram squad.

Vera Ann Baldwin of San Angelo was in Bronte last Sunday, as a guest of Mr. and Mrs. George Thomas.

The Fellowship Class of the Methodist Church will have its monthly social next Monday night at 7 o'clock in the church educational building. Formerly taught by H. O. Whitt, the teacher at this time is J. T. Henry.

We enjoyed a visit last Sunday from Loretha Wrinkle and Dorothy Fay Scott, who dropped in the office for a chat. Same goes for Buddy Kirkland who was in to pass the time away.

Rev. Glenn Flinn was guest speaker at the Bronte Methodist Church last Sunday morning, when he spoke on the need of establishing and enlarging the Wesley Foundations located on the various college campuses. They are the young people student centers, which fill a real need for Methodist young folks attending the state colleges and universities.

Anne Mullen of Snyder was a weekend guest of Bobbie Lee Miller, and both report a lot of fun and sight-seeing.

Rev. Alvin R. Mauldin announced

this week that Hayrick had raised half of its budget for the Wesley Foundations to be established or enlarged on the campuses of the state colleges and universities.

"This is a fine thing," Alvin declared, "and we're happy to say that half of Hayrick's goal has already been reached when the drive has just started."

Notice in this week's issue another of the series of ads run by the Home Motor Company which urge the traveling public to be careful while using their autos. It's better to be safe than sorry, as they see it.

L. T. Youngblood of Bronte, chairman of the UCRA, has just been named a director of the Texas Water Conservation Association, which is now meeting in Austin.

Rev. and Mrs. C. R. Blake left last Friday morning for Lemitar, N. M., where they will visit for at least two weeks with his parents, Mr. and Mrs. W. E. Blake. Reuben is reported to be recovering satisfactorily from his recent nervous trouble, and intends to have a good and quiet restful time.

JANE KEEPS BUSY
 Jane writes that her activities in Miami now are enough to keep her busy and then some.
 She saw the Baylor-University of Miami football game recently, and notes that Dave's teacher said he made one of the highest I. Q.'s in his class. (He's enrolled in school while they're there, as Florida has a lower age limit on beginning youngsters).
 She's also a member of the P-TA board, and is chairman of her room's activities, besides taking a part in the church circle as well.
 Nothing like keeping busy, says Jane.

LOCAL GIRL NAMED ON "B" AVERAGE LIST
 Denton, Tex., Oct. 17 — Mrs. Betty Higginbotham Hughes, daughter of Mr. and Mrs. F. S. Higginbotham of Bronte, has been named on the "B" average list at Texas State College for Women, on the basis of grades she received at the college last semester.
 Two hundred and sixty-four girls, approximately twelve per cent of the total enrollment at the college, were included on the list.
 Having a "B" average entitles a student to exemption from all regulations pertaining to class attendance, with the exception of attendance at laboratories, examinations, student teaching periods, and college assemblies.
