NUMBER 1

4-H CLUB BOYS WIN HONORS

Three Castro County 4-H Club boys won high honors in recent contests, judging of which was completed last week and announced by J. W. Potts, State 4-H Club Specialist.

Floyd Acker of the Nazareth 4-H Club and son of Mr. and Mrs. Jacob Acker was winner of one of the coveted Santa Fe awards. Floyd's award will be an all-expense paid trip to Chicago to attend the National 4-H Club Congress and International Livestock Show November 30 through December 6th. Floyd won his trip because of the well-balanced 4-H Club program he has carried during the past four years. Starting his 4-H Club program in 1943 with a Sears gift that was given him he has been an outstanding club boy since.

Demonstrations have included swine, both breeding and feeding for show. Dairy cattle, crops of grain sorghums and wheat, and this year in addition to these Floyd is feeding a beef calf for show.

Dennis Acker, son of Mr. and Mrs. Phillip Acker, was state winner in the garden contest sponsored by the Texas Seedsmen Association. His award will be an all-expense paid trip to the Seedsmen Association at Dallas November 17, and a \$35.00 cash award. Dennis has been an outstanding garden demonstrator the past few years and in addition to his garden work has been feeding calves and pigs for a number of years.

Doyle Davis, son of Mr. and Mrs. T. R. Davis, and member of the Hart 4-H Club was winner of a \$25.00 War Bond in the Dairy production contest. Doyle has been one of the leading 4-H Club boys of the county having won the Santa Fe Award in 1945 and numerous other prizes in 4-H Club work.

County awards have not been announced as yet but will be as soon as they are received from the State 4-H Club offices.

BROWNIE TROOP IN REGULAR MEETING

Brownie Troop No. 4 held its regular meeting Monday, November 10. Songs were led by their leader Mrs. Gene Kenmore and assistant leader, Mrs. Johnnie Goodwin. Plans were discussed for making Christmas cards for the contest held at the Lubbock office. Members present were Genell Preston, Wilma Jo Noble, Elaine Meyers, Nancy Neumayer, Sue Bagwell, Gail Cooper, Nelda Bagwell, Myrna Thompson, Mary Kay Kelly, Shirley Stalcup and Jo Francis Schooler.

METHODIST CHURCH

"Oh that I might have my request; and that God would grant me the thing that I long for."—Job 6:8.

Strange indeed would be the turn of events if God were to grant to man those things for which he longs. If man should be granted those things which he had requested of God. Often in rash moments man has requested God to destroy his brother, to visit iniquity upon him. Man has been known to long for sin and damnation to be upon all the peoples of the earth.

God takes into consideration all requests of man, like a good father who gives unto his children as he sees they need and will benefit them and humanity the most, God grants to man those things he requests and longs for. The trouble is that men seldom request God to help unless there is dire peril. There are so many doors completely closed to Him today that it would seem as though He never hears the requests of man.

Attend Church Sunday. You are invited to worship with us.

DIMMITT BOBBIES TO PLAY FRIONA SQUAWS TUESDAY

The Dimmitt Bobbies, girls basketball team, will play the Friona Squaws in the local gymnasium Tuesday night. This should be a thriller as the Squaws and the Bobbies are always among the strongest contenders in the district.

This will be the Bobbies second game this year, they defeated a strong Nazareth club last week by a score of 41-33.

Corky Renfro, Frank Martin, and Dee Arnold are on a deer hunt in New Mexico.

BOBCATS STAMPEDE WHITEFACES 27-0

Striking with all the viciousness of the animal whose name they bear, Coach Blaine's Bobcats won a clear-cut victory over the Hereford Whitefaces before some 1200 shivering fans last Friday evening. With the victory Coach Blaine's jinx against Whiteface Elevens will hold for another two years at least.

This victory was sweet revenge for three successive humiliating defeats suffered at the hands of Hereford lads the past three seasons. Who knows but what the memory of this had something to do with the vicious manner in which the Cats blocked and tackled. Every member of the team played a respectable game, with Fulfer, Brannan, Miller, Davis, Howell, Jowell, Martin, Damron, Taylor, and Parks carrying the burden for the line, and with Rice, Ziegler, Warren, Thompson, Wilkinson, and Hodges chief guardians of the secondary. Thompson, 140 pound fullback, distinguished himself as the hardest hitting footballer seen on the local gridiron this season. Brannan, Miller, Fulfer and Thompson were consistently mauling up Hereford's plays. Rice's 40 yard pass to Warren near the end of the second period set up the first touchdown which started the Cats on their way. Co-Captain Ziegler and Thompson added their offensive sparks to keep things going.

This Friday night the Cats journey to Canyon for the final game of the season, with the high-flying Eagles of that city. By comparative scores the game should be a thriller, but the Eagles have a big advantage in experience and maturity with practically the entire squad from last year playing again. It will be a battle of speed and enthusiasm against brawn and experience.

LOCAL MEN ATTEND N. F. L. A. CONFERENCE

A greater volume of Land Bank loans was close in Texas during 1946 than in any year since 1935, according to W. W. Branscum of Muleshoe, president of the Dimmitt National Farm Loan Association, and Secretary-Treasurer Harold Stephens who attended a conference of NFLA leaders held in Lubbock this week.

"This increase in loans indicates a desire of landowners to put their financing on a long-term basis and tie down today's low interest rates," Mr. Branscum said. Reports showed that the Land Bank has practically completed its program of decentralizing loan servicing functions begun 5 years ago. The result is that today most of the ranchers and business farmers have with the Land Bank can be transacted with their own home association. Operations of the local association and plans for the annual stockholders' meeting of the Federal Land Bank of Houston in February were discussed.

The Federal Land Bank of Houston is completely owned by Texas farmers and ranchers through the 143 local national farm loan associations, Mr. Branscum said. The Land Bank, with no government funds of any kind invested in it, now has combined capital, surplus and reserves amounting to more than \$43,000. This is in addition to approximately \$6,000,000 in reserves and surplus of the associations in their own local accounts.

These people paid tribute to Mr. and Mrs. Dwight G. Axtell Sunday. The couple, pictured with Danny Price, Kenneth Palvadore and George Jordan, gave their 1,500-acre farm to Boys Ranch Inc. last year to be turned into a home for boys. The house was erected by residents of Plainview and community and area youth boys, the three with Mr. and Mrs. Axtell and two other Price and two other Palvadore brothers, are making their home there. Nearly 2,500 persons attended the dedication barbecue. County Judge Ernest Tibbitts of Plainview made the dedicatory address.—Courtesy Amarillo News.

DIMMITT NATIONAL FARM LOAN ASSOCIATION ANNOUNCES MEETING

Elsewhere in this issue of the News is a formal announcement of the regular annual stockholders meeting of the Dimmitt National Farm Loan Association. According to Harold Stephens, Secretary of the Association, the meeting will be held in the Rio Theatre building Friday night, November 21, at 2:00 p. m. Included in the program will be a free picture show entitled "Beginning of the End," a story of the atom bomb. A number of prizes will also be awarded.

All stockholders of the organization are urged to attend the meeting.

NOTICE

Maples, Sr., Mrs. W. A. Wright, Mr. and Mrs. W. A. Kirkpatrick, Mrs. H. Alldredge, Mrs. Nettie Graham, Mrs. Ernest Jones, Mrs. Freeman Curtis, Mrs. B. D. Woodlee, Mrs. J. E. Burch, Royce Dowell, Mrs. Tom Tate, Mrs. Edwin Ramey, Mr. and Mrs. W. T. Gollehon, Mr. and Mrs. Lester Gladden, Mr. and Mrs. E. L. Ivey, K. E. Turner, Elmer Dixon, and others whose names were not secured.

An hour of work on the farm now, as compared with 1920, results in about a third more milk, a half more corn, and more than twice as much wheat.

"Frost-proof" vegetables simply means that the seed has been planted in open field plant-beds and as the weather becomes colder, the plants become "frost-proof" or toughened to cold weather.

MEXICANS ARRESTED FOLLOWING THRILLING FOURTEEN MILE CHASE

Three Mexicans, T. L. Arrendon, Juan Marquez and Catarin Madriad, all of Lubbock, were arrested one night last week after a thrilling headlong chase by City Marshal Woodie Sullivan and Sheriff Peck Weyer. The tip-off came immediately following the servicing of the Mexicans' car by a Dimmitt filling station attendant who notified the Sheriff's office which corresponded with the number of a car, on file, suspected of being used in the illegal transportation of liquor. The officers immediately gave chase, overtaking the Mexicans near Running Water Draw on Highway 51, and where they forced the suspects to stop by shooting a tire off their car. The first Mexican to alight from the car attacked Sullivan with a knife, but was quickly subdued. After being lodged in the county jail for several days the Mexicans paid fines in the amount of \$268.15.

ROYAL AMBASSADORS OBSERVE FOCUS WEEK

The Royal Ambassadors of the Baptist Church observed "Focus Week" November 2 to November 8 in a very interesting week of activity.

Sunday, November 2, the Royal Ambassadors were seated in a reserved section of the church for the worship service. They served as ushers in the service. The Royal Ambassador song, "The Kings Business" was sung, and the Intermediate R. A. leader, Royce Dowell, read the Royal Ambassadors in giving their watchword and their allegiance.

One hundred and ninety pounds of clothing and thirty-one pairs of good shoes were gathered and packed Monday and Tuesday for European world relief by members of the Royal Ambassador Chapters, assisted by the Royal Ambassador Leaders, community mission chairmen and Young People's secretary.

There were twelve Royal Ambassadors observing their missionary program Wednesday. Brother C. E. Sewell, of Tulia, was the main speaker at the Father-Son Banquet that the Missionary Society gave the Royal Ambassadors and their fathers Thursday night. Those attending were: Boyce, Royce and Lester Dowell, Benny Bob and Noel Gollehon, Jimmie and T. A. Singer, Don Loy, Jerry Dale and Ester Noble, Milton and Ivor Bagwell, Bobbie and Ernest Jones, Jess and Elvis Burch, Farren and John Broadstreet, Thomas, Edward and J. E. Robertson, Billy Ray, Kenneth and Lester McDermitt, Norman Law and J. O. Strother, Ronald Cook and Rev. M. J. Lee, Donald Cook and Elmer Youts, David Bull, Roger Buckmaster, Ronnie Powell, Edgar Douglas, and Morgan Dennis, and Rev. Sewell.

The activity for Friday for the Royal Ambassadors was the football game.

Fifteen Royal Ambassadors and four members of the missionary society visited the Boys Ranch Saturday. The chapters gave the Boys Ranch a book shower. They took twenty-seven books, a set of Encyclopedia and a subscription to the Royal Ambassador Magazine, "The Ambassador Life." They enjoyed a picnic lunch at the noon hour.

Truly Ambassador Focus Week was a success. The purpose of "Focus Week" was to focus the attention of every member of a Royal Ambassador chapter that they are ambassadors for Christ, and to focus the attention of the church on the importance of having Royal Ambassador chapters in the church.

Mr. and Mrs. R. D. Northern of Amarillo were last week-end visitors in the home of her mother, Mrs. Etta Brashears.

Mrs. Etta Brashears visited in the home Mr. and Mrs. E. A. McCollum at Friona last week-end. She was accompanied home by Mr. and Mrs. McCollum Monday who remained here until Tuesday.

Mrs. Ulys Davis visited her mother, Mrs. J. R. Hastings, and other relatives in Amarillo last week-end.

BOYS RANCH FARM DEDICATED SUNDAY

Dedication services were conducted Sunday for the Boys Ranch Farm in Castro County south of Dimmitt, with Cal Farley, chairman of the board of directors of the Boys Ranch at Old Tascosa and the local Boys Ranch Farm, serving as master of ceremonies. The occasion was a joint dedicatory service for the recently completed boys home building, constructed primarily by funds contributed by Plainview citizens, and the 1,500 acre farm given by Mr. and Mrs. Dwight G. Axtell to the organization.

An estimated 2,500 people attended the dedicatory services, they were from all sections of the Panhandle, and many favorable comments were uttered in praise of the vast undertaking which is primarily designed for the rehabilitation of underprivileged youth.

Refreshments and other arrangements for the dedicatory services were under the supervision of Castro county citizens who contributed the supplies.

MISCELLANEOUS SHOWER HONORS BRIDE-TO-BE

On Friday afternoon, October 24, Miss Beatrice Ferguson of the Sunnyside community, and bride-elect of Willard McCloy of Morse, Texas, was honored with a miscellaneous bridal shower in the home of Mrs. E. R. Sadler.

Mrs. S. M. Taylor presided at the brides book and register. There each guest was presented a corsage of fern and a variety of small flowers with blue and pink streamers from it bearing the names "Si" and "Sis" on two small hearts.

The napkin on the refreshment plate revealed the date—December 7. It also bore the name "Si" and "Sis." The appetizing plate consisted of open face ritz crackers with cheese spread, olives, individual cakes and coffee.

The many lovely and useful gifts were given by Mesdames: H. R. Loyd, Clovis, N. M.; H. L. Davis, R. W. Dent, Plainview; M. H. Fowlkes, Bert Benton, C. A. Hestand, Willie Waggoner, and C. J. Nash, Dimmitt; Alfred Smith, Hereford; and T. J. Bridges, Weatherford.

Gems of Thought

What is defeat? Nothing but education. Nothing but the first step to something better.—Wendell Phillips.

When everything seems lost, noble souls find their opportunity.—Lacordaire.

The highest reward for man's toil is not what he gets for it, but what he becomes by it.—Ruskin

Boom or Depression?

Figure it out for Yourself

GOOD OMENS

1. Employment at all-time high. More than 60,000,000 Americans working for "pay or profit." Fully 1,000,000 women have gone back to jobs since Jan. 1—many to help husbands "make ends meet." Skilled workers still scarce.
2. Income payments to individuals more than double prewar in first half although purchasing power of dollar sadly shrunk.
3. First half retail sales (in dollars) 2½ times as large as in 1939. Unit sales drag.
4. No signs of decline in demand for "durables" (hard goods) such as motor vehicles, refrigerators, railroad equipment and machinery, although machinery orders have been slipping.
5. Record-breaking agricultural income has made farmers rich. Total estimated assets of \$100,000,000,000 four times prewar.
6. Exports zoomed to annual rate of \$18,000,000,000—six times 1939—but overseas dollar supply is drying up fast and June exports fell off 15 per cent. Import controls already imposed by Mexico, Argentina, Brazil and India. Most countries awaiting U. S. loans. Exports crumbled in 1921 for lack of foreign cash.
7. Retail stores have started cautious rebuilding of stocks but policy of purchasing agents is mainly hand-to-mouth or 60 days.
8. Production per factory employe rising gradually in most industries.
9. Volume of necessitous repair work—residential and non-residential—has expanded substantially, calling for use of more materials.

BAD OMENS

1. Broadening of inflation spiral, checked temporarily, restarted by steel-coal settlement and virtual certainty of higher costs, higher prices, for most consumers' goods.
2. Administration's program to "stop Russia" in western Europe, Asia, Africa, threatens U. S. with impoverishment if carried through.
3. Congress extended government controls over exports and imports. This included petroleum. Exports to Russia will continue.
4. Savings by individuals fell in first quarter to lowest level since 1940. Cash and deposits dropped \$1,800,000,000 but holdings of U. S. bonds rose \$1,900,000,000. This was caution signal.
5. Manufacturers' inventories of finished goods of numerous types increased somewhat alarmingly in the first half.
6. Residential, business and industrial construction has fallen far below expectations because of fantastic costs.
7. Some commodities slipping as pipelines fill. Despite sheet dearth all steel companies have surpluses of some products. Hardest hit are rubber and copper. In Akron there is considerable unemployment.
8. Production of non-durables, particularly textiles, dropped slowly but steadily throughout first half.
9. High prices, fear of future, have led many families to defer buying.

BOYCE HOUSE

Those who have the most to say about the dignity of labor and the nobility of man's earning his bread by the sweat of his brow are usually orators or writers.

The most cheerful man I have ever known was an invalid. His body was slowly turning to stone.

And the most cheerful girl I ever saw was a paralytic. They smiled and laughed and said gay things. The visitor, calling to cheer them up, found that they cheered him up. The very room was brightened by their presence.

The human spirit is a marvelous thing. At its brave best, it can not be crushed. It rises above disease and suffering, even as a skylark soars above a battlefield and, soaring, sings.

A friend of mine writes that he read clear through my newest production, "Cub Reporter", after supper one night. I'm slipping—my other books always put 'em to sleep by the time they had read 10 pages.

Just two or three years ago, "A Tree Grows in Brooklyn" was at the top of the best seller list—now it's on sale at 49 cents. So passes the glory of this world.

Finley Peter Dunne (as famous, back around 1900 under his pen name of "Mr. Dooley," as Will Rogers was during his lifetime)

was a reporter. He started on the smallest of the Chicago dailies, the Express. One day, he and another reporter were looking out the news room window when a funeral procession went by. Dunne said, "I hope it's not the Express' subscriber."

Mark Twain declared that, of all creatures, man is the only one that can blush—or needs to!

Austin, Texas—Commenting on the food conservation program now being stressed throughout the nation, Dr. Geo. W. Cox, State Health Officer today emphasized the importance of including the proper food requisites in the daily diet, as being important to the maintenance of health.

"Food conservation is an absolute necessity and all Texans are eager to assist in the program; but eliminating needful basic foods, will only result in undernourishment and illness, which can be avoided by observing the Texas Food Standard in daily meals," Dr. Cox said. This food standard will enable Texans to utilize available foods, eliminate waste, cooperate in conserving food and spend their food dollar wisely."

The Texas Food Standard, recommended by Dr. Cox, provides all necessary food elements, and for each individual includes daily servings of: 1 pint to 1 quart milk; 1 egg or substitute; 1 serving meat, fish, or poultry; 1 serving potatoes; 1 serving green or yellow vegetables; 1 serving citrus fruit or tomatoes; 1 serving other fruit; 1 serving whole grain products; other enriched cereals or breads; small amount butter or margarine with vitamins added; some sweets or desserts in moderate quantities.

"Good nutrition is based upon the observance of good food habits, practiced every day," Dr. Cox declared. "This is important at any time, but especially now, when it will not only maintain good health but assist in the conservation of food supplies."

GET THOSE FRUIT CAKES MADE

(Mattie Lee Seago)

Do you plan to make fruit cakes this year—if so about now is a good time to make them in order that they will have ample time to ripen before the holiday season. Cooking the fruit cake in the pressure cooker according to these instructions should be very successful. Usually cake in the pressure cooker are more moist than those baked in the oven. Using your favorite recipe do as follows: When batter is well mixed pour into greased No. 2 cans or loaf pans; place wax paper over top and tie securely. Place on rack in cooker which has 2 quarts of water in it and steam 20 minutes with lid to cooker on and petcock open. After 20 minutes close petcock and process cake for 60 minutes at 12 pounds pressure. Let indicator return to zero and remove cakes. You may want to place cake in oven for a few minutes to dry some moisture.

Austin, Texas November 4—Experiments with a new sulfa drug to combat Bangs disease in cattle and undulant fever in human beings will soon be made at the University of Texas.

In the Clayton Brucellosis Laboratory, directed by Dr. V. T. Schuhardt, the new drug, sulfamethazine, will be tested on infected cattle.

Tests already made show that the drug will come through the mammary gland in high concentration, Dr. Schuhardt said, and other sulfa drugs tested in the laboratory did not kill all bacteria in the mammary gland.

Panhandle Farmers Know The Value of LEVEL LAND
• They Make Irrigating Easy — Save Water — Cut Labor Costs — Increase Efficiency of Modern Farm Equipment

MODEL 25—Width 12'10", length 32', cutting blade length 9'3", depth 22", requiring 38 H.P. (drawbar).

MODEL 12—Width 12', length 21', cutting blade length 9'3", depth 16", 3 plow tractor. Model 9 shown at top of page slightly smaller for 2 plow tractor.

MODEL 35—Larger, longer, more dirt capacity than Model 25. Both 25 and 35 have main frame spliced for converting in field to maneuverable dirt mover.

Here's a machine that makes LAND LEVELING easy. The automatic action of the EVERS-MAN planes off the high places, fills in the low ones as the machine moves along. While automatically leveling it also breaks clods, mulches the soil, forms a firm, well pulverized seed bed.

Makes possible "table top" land for irrigation farmers, saving time, labor and water, eliminating spots that drown out or high places that burn out. The EVERS-MAN, by producing smooth, level fields saves wear and tear on cultivators, combines, mowers and balers, makes harvesting faster, results in better yields and better recovery. Also efficient dirt mover operated from the tractor seat.

Here's a 3-purpose machine for land leveling, dirt moving and seed bed preparation—a machine you'll need year after year. One man and your present tractor operates it.

The EVERS-MAN is inexpensive to buy. Comes in four sizes to fit your tractor power. Come in today and get full details on all EVERS-MAN models.

A Horsemanship badge was presented to Helen Benton and Decima Dennis.

Weaving badges were awarded to Carolyn Bagwell, Carolyn Rothwell, Yvonne Bearden, Helen Benton, Mitzi Wilson, Decima Dennis, Martha Noble, Sandra Neumayer, and Katie Coke.

The group then sang "Merry-go-round" and "Big Bale of Cotton."

The program was ended with the girls forming a friendship circle and singing "Day is Done."

CHAPEL PROGRAM
Mrs. Howe and Troop 2 of the Girl Scouts were in charge of the chapel program November 5. First the troop gave the pledge of Allegiance. Next "The Beautiful Banner" was sung and the Girl Scout Pledge was given.

Then Helen Benton recited "One Day at a Time."

Those who received the Tenderfoot Badge presented by Mrs. Howe were: Jimmy Hyatt, Mary Ann Witt, Annette Griffith, Louise Simpson, Monette Kenmore and Gwendolyn Smith. They repeated the Girl Scout Law and had the Investiture Service.

Those who were awarded Brownie Wings were Mitzy Wilson, Katie

COMMERCIAL DEPARTMENT
If you have been wondering where that music comes from every morning, you can set your mind at ease because it's the typing class. They have been learning to type to the accompaniment of music.

The economics class has been discussing the economic problems of today. During the past six weeks the students and Mr. Graham have learned much about the problems discussed.

The bookkeeping students have been handicapped because of the lack of workbooks. The workbooks

arrived after eight weeks of delay. The students will now be able to get down to business.

Write! Figure! Add! What a job! The junior business class members have been working on their workbooks for the past few weeks.

WHO'S WHO
Laquita Johnson is a member of the Honor Society, F. H. A., Press Club and Senior class. She is 5 feet and 4 inches tall, has green eyes and black hair.

Laquita is a very outstanding student. Due to illness she had to miss three months of school her freshman year, but it only taking her three years to finish high school.

Her favorites are: Food, fried chicken; sport, football; subject, Algebra II, Actor, Alan Ladd, Actress, Lana Turner.

Orrin Howe is one of the many handsome boys in the Senior class. He is a member of the Press Club, and the F. F. A. He is 6 feet tall, has green eyes and brown hair.

His favorites are: Food, fried chicken; Sport, basketball; Subject, Economics; Actor, James Stewart; and Actress, Hedy Lamarr.

The second half was more successful as the Bobcats pounded the center of the Hereford line for 20 more points. The drives were spurred by the hard running Wade Thompson, who also stood out well defensively.

I'D LIKE TO KNOW
Harold: I'd like to know, period.
Wanda: How to pick a Best Beau (Eney, meeny, miny, moe.)
Junior: Where my next dollar is coming from.
Lonnie: Why people think I'd like to know anything.
Tiny: How to make a hit with a certain senior boy.
Johnneen: How to relight an old flame.
Carroll: Why Lamesa is so far away.
Charlotte: How to get rid of those spots called "Freckles."
Patsy Rae: How to seem more dignified.
Jessie Jo: Whom Wanda will invite to the Best Beau Party.

SWEET REVENGE
After three years of rankling defeat, the Dimmitt Bobcats beat the Hereford Whitefaces in a 27-0 grid battle here Friday night.

The first half proved to be a hard game for both teams, ending with a seven point lead for the Bobcats. Lonnie Rice succeeded in breaking the line to make these seven points.

HEREFORD DEFEATED TWICE
The 120 pound division of the Bobcat grid teams marched to their fifth straight victory by defeating the 120 pound Hereford eleven by a score of 13-0 last Monday afternoon.

Dimmitt made both touchdowns and the extra point in the first half. The first touchdown was made by Gene Easley. Junior Cluck accounted for the other seven points.

The last half was a scoreless duel. The Whitefaces never threatened to score.

BE YOUR AGE
The test of an educated person is his ability to adjust his behavior to the occasion. Conduct which would be grand on the football field or on the playground may be decidedly out of place in the halls of our school or in assembly. Your ability to make a powerful flying tackle or to sweep your opponent off his feet may be a great asset on the gridiron, but doesn't necessarily endear you to all and sundry in the school building. After all, we aren't playing football. Similarly, gum chewing, whistling and noise, while quite acceptable on the playground, brand you as an untaught boor with an I. Q. on the kindergarten level, when practiced in assembly or in a classroom.

Our chapels, which are the only formal, general assemblies of the whole student body, should find us on our best behavior. Then, if ever, we have visitors. When we do, are you proud of the atmosphere of the school in general, and your own conduct in particular?

Are we really capable of responsible behavior, or do we have to be kindergartners all of our lives? Let's be our age.

BOBBIES CLAW NAZARETH
In the first basketball game of the season, the Bobbies defeated the Nazareth team 41-33.

The girls receiving suits were: Forwards—Johnneen Bice, Pat Tate, Cleta Fay Newton, and Floyce Carpenter. Guards—Lavelle Conard, Charlotte Cowan, Mona Simmons, Novelle Miller, Elouise Greathouse, and Helen Brashears. The new suits that were ordered haven't arrived so everyone didn't get a suit but the others suited out in white. They were Jo Ann Godfrey, Betty Wright, Twila Kirby, Zelma Hershey, and Betty Sue Jones.

All 15 girls of the squad took part in the game. Cleta Newton was leading scorer with 14 points. Floyce and Johnneen were close behind with 12 and 11 points.

The Nazareth squad showed good sportsmanship and played a good hard game.

Next Tuesday night the Bobbies play Friona. Let's back them up with our presence.

BOBBIES ELECT OFFICERS
The basketball girls met in the gym Wednesday and elected their officers. Johnneen Bice was elected captain; Charlotte Cowen, co-captain, and Ruth Sheffy manager.

"Daylight Saving" Electrically

Means more Farm products

It's widely known that more hours of light will increase egg production. Good farm lighting increases other farm production, too.

The efficiency and dependability of low cost farm lighting makes working conditions more favorable in the barns, tool house, work shop and feed room.

We'll plan a lighting system especially for your farm. No obligation, of course.

I'LL COME TO YOUR HOME OR PLACE OF BUSINESS

A Public Service Company lighting specialist will come to your home, office, or place of business to give you recommendations as to how to obtain the best in lighting. There's no obligation. Just call or write your nearest Public Service office.

We have nothing to sell but good electric service.

EDITORIAL

During the month of November there is a Requiem High Mass almost every morning. It is the custom of the High School Glee Club to sing the Requiems. It would be nice to have perfect attendance of all the members of the Glee Club every morning. If everyone waits for the other one to do the singing, it will end up without having anyone's being there. The Masses are for the Poor Souls, Let us all go to Mass and sing for this purpose, and by doing so we help them, and perhaps someday they will help us.

SCHOOL ACTIVITIES

The Seniors started their Literature books this week. The Seniors are also reviewing a play for the annual senior play, but have not decided on the play they are to give.

The Freshies have been washing windows and cleaning the Seniors den. They planted some seed during the Science period.

The Sophomores have been cleaning up the Science room. They have been studying the animal kingdom in their Biology.

Some of the Juniors have gotten their O. A. T. tests in typing. (Kenneth has his—and Rita Brorkman is sending hers this week. The rest of the class are trying real hard to get theirs. They are taking some spelling lessons in English.

If the Freshies and Sophomores keep cleaning up the school, it will really look nice. Thanks a lot Freshies and Sophomores.

JUST CHATTER

"Stop or I'll shoot—Anybody want a treat?" This was given once Friday night. It seems as if everybody Friday night went around on padded shoes, hushed voices, and very quietly did their

Halloweening.

Eddie, if a barbed wire fence costs fourteen cents a rod, how much will a large window cost? Rosmary may loan you half of the half.

Jerome had to do quite a bit of walking Saturday morning. He didn't mind because his horse had been fed well during the Halloween night and had had a warm stall too. Jerome went to church next morning, and where did he find it? It wasn't dead either.

Dust was flying for a little while Friday night. Not only that but the blowing of a whistle. The stopping of a pick-up. The explanation by - - - - - For further details, ask Althea and Rosemary. Rosemary likes Junior's bow tie because she can see his face a lot plainer. Rosie, solve the problem by getting you one too. Not a bit out of style.

Seen together Sunday night were Catherine and Deanie, Florene and Bert, Jo Ann and Walter Kern, Emily Ann and Walter Kleman, and Evelyn and Hank. They all liked the "Golde Boy."

Does anybody want to take any music lessons? We've got two pianos, so take your choice. I don't think anybody should have a wavy voice because of the cold in the gym. We now have a piano in our study hall, because it is warmer in there.

Calista and Ray Sheffy, Jr., were seen together all day yesterday. Calista has been seen writing letters quite frequently the past week also. I wonder what she writes in those letters and to whom?

Eddie was seen without Hilda last night. Don't get gray hairs over her, Eddie, because she'll be back in a few days. Also, Eddie, do you like to hold hands while driving? I mean with Deanie. Isn't the highway wide enough for you?

Ida Marie and Elmer were seen marching down the road after the basketball game Sunday "feuden' and fighten'."

Margaret would rather work in Hereford than go to school. She's been out of school for the last three days. Helping her sister though.

The question of the week is "Have the Senior Pictures come in?" Our discouragement is about at the breaking point.

I hope Eddie likes Literature better than English IV. We started on our Literature today. I hope he won't find memorizing poems as hard as studying spelling.

Althea has come trebling to the English IV class after our Book-keeping class for two days. I wonder why Althea? (May the poor souls rest in peace).

"Just Chatter" continued next week.

SPORTS NEWS

Well, kids, it seems as though nothing new or exciting has happened in sports this week. Sunday afternoon the Exes played the American Legion. The score was 26-36 in favor of the Exes.

The school girls and boys have been so busy trying to make every goal count to make anything exciting happened. So, I will close by saying, "Just keep making those balls go in the basket."

CULLING YOUR HENS? THEY MAY BE CANNED OR FROZEN

(Mattie Lee Seago)

Yes, culling those hens is important, especially from feeding costs, production, and usage. Often the culls are nice fat hens that may be canned or put in frozen food locker to be used later. Hens may be cooked from bone and canned to be used in soups, chicken A la king, creamed, chicken souffles, salad, sandwiches or croquettes. They may be canned by packing meat raw, steaming and processing in pressure cooker—again being used in various ways. Putting culls in food locker according to proven methods renders them useful as a nourishing, appetizing and economical meat substitute. Any help

SHIPMENTS OF LIVESTOCK

Austin, Texas, November 4—Livestock shipments in Texas totaled 8,912 carloads in September to exceed August shipments by 34 per cent, reported The University of Texas Bureau of Business Research. At the same time last year, shipments slid 18 per cent between August and September.

Shipments of cattle soared to 5,559 carloads during the month to tally a 41 per cent hike. Calves registered a 28 per cent gain, hog shipments were up 18 per cent during the month and sheep shipments advanced 22 per cent.

Interstate shipments (plus Fort Worth) rolled forward 37 per cent between August and September, with most of the gain resulting from the 46 per cent jump in cattle shipments.

Interstate shipments (minus Fort Worth) turned in a 16 per cent monthly increase to total 878 carloads, 538 of which were cattle.

ALLIS-CHALMERS STARTS PRODUCTION ON WORLD'S LARGEST CRAWLER TRACTOR

Comparison with smaller HD-5 Diesel indicates unusual size of new Allis-Chalmers HD-19.

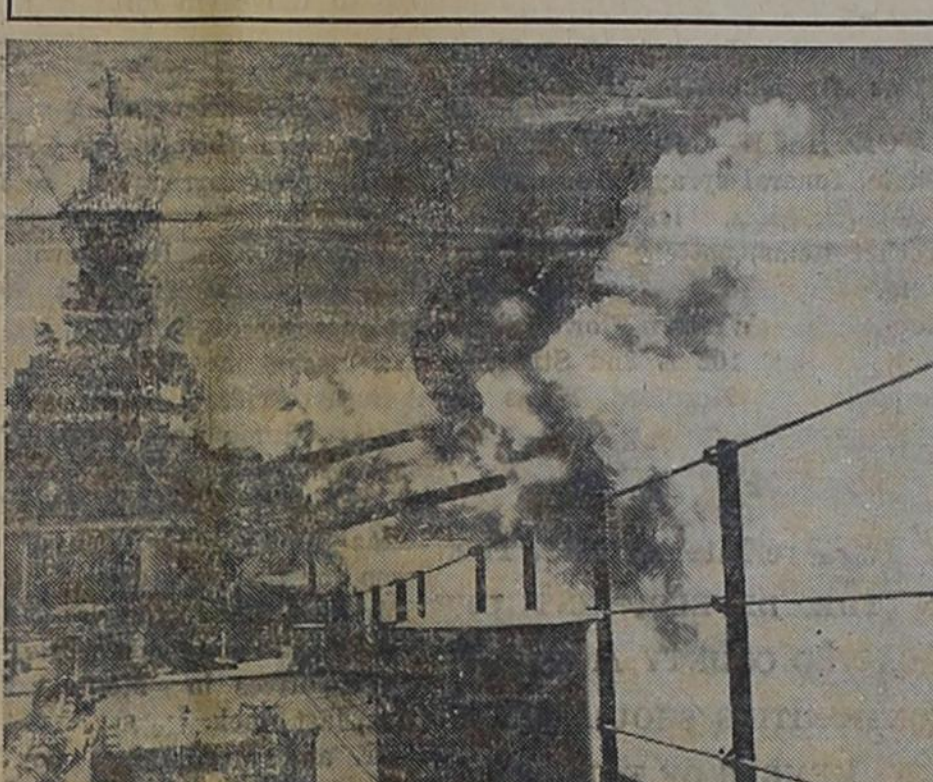

MILWAUKEE, Wis.—Production of the world's largest, most powerful crawler tractor, the 20-ton Allis-Chalmers HD-19 Diesel is now underway at the company's Springfield, Illinois Works. Engineered completely new throughout, this tractor has been designed and built as rugged, simple and dependable as possible.

Operating adjustments, maintenance points and major assemblies are so located and designed that the care, maintenance and repair of the tractor can be accomplished with the least possible effort and loss of time. By means of a three stage hydraulic Torque Converter introduced into the power train of the tractor the capacity for doing more work than conventional tractors is greatly increased. Application of the liquid drive principle to crawler type tractors originated by Allis-Chalmers, permits horsepower output of the engine to be held constantly near the maximum.

Fluid Power of the Torque Converter drive is the most outstanding factor contributing to smoother operation, because it eliminates so much gear shifting common to conventional tractors. The HD-19 transmission has only two forward speeds (0 to 3.0 low gear, 0 to 7.0 high), and one reverse (0 to 5.5). Thus a minimum of gear shifting and consequently more accurate control provides not only stepped up tractor performance but increased operator efficiency.

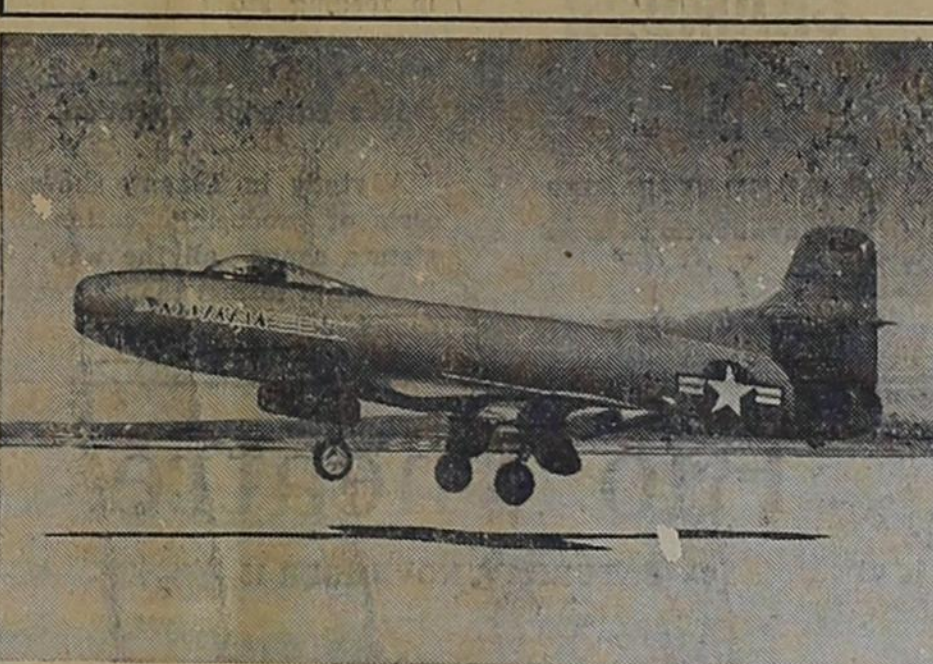

An A-frame track stabilizer design eliminates twisting strains, 84" of track tread and 8'10 1/2" of ground contact provide the HD-19 with excellent balance and reliable traction, easy accessibility of clutches, fewer adjusting and greasing points, are all additional factors which help make the Allis-Chalmers HD-19 the largest, and one of the most dependable, economical and efficient tractors in the field today.

BIG GUNS SPEAK FOR RESERVISTS

With hundreds of Naval Reservists aboard for a two-week cruise, the USS Wisconsin, Pacific veteran of World War II, demonstrates the might of her rifles as she plows over a seascape Atlantic in the Navy's ceaseless program of personnel training. A participant in all the Pacific operations of 1945, the "Wiskey" has been one of the principal units employed for the schooling of Reservists since the end of the war. (Official U. S. SKYSTREAKS TO RECORD

The Navy captured the world's speed record in August, 1947, and, five days later, broke it with the jet-propelled "Skystreak," shown above. Piloted by Comdr. Turner E. Caldwell, Jr., USN, the plane flew 640.7 miles per hour in the first test at Muroc Field, Calif. Within a week Maj. Marion Carl, USMC, set a new mark of 650.6 miles per hour in the same plane. Mr. George Graham, Superintendent of Hereford schools gave a very interesting and instructive address in the afternoon on "Better Understanding Between Parents and Teachers."

The weather is cold and dry and

some days very dusty. Temperature at night is in the twenties.

DOWN, PLEASE??

It looks like skirt lengths are coming down, in spite of all the hemming and hawing that's going on about it.

So, for the girls who have decided to stop the fight and let their hems down, here's what might be some helpful information.

Mattie Lee Seago, local Home Demonstration Agent, has an answer to the girls' question: "How am I going to lengthen a skirt without giving it that telltale, let-down look?"

If it is a wool skirt that's being let down, and if the fabric is shiny on the underside of the hem, rip the hem and steam-press it on the wrong side of the fabric—that is, if the wool is light weight or has a raised pattern in the weave. If it is a thick wool, Miss Seago advises steam pressing on the right side.

In steam pressing, cover the fabric with a dry wool press cloth, then with a cotton cloth dampened in warm water. You may use a warm iron, but set it down, then lift it. Don't slide it back and forth, warns Miss Seago.

If the shine is still showing after that operation, there's another trick you can try. Take a clean brush or a rubber sponge—the kind used for suede shoes—and try raising the nap of the wool with it.

Conspicuous and stubborn hemline creases can often be erased by wetting the crease on the wrong

side, says Miss Seago. Then turn the goods over on the right side and roll the crease back and forth in your finger to work it out. Then press on the wrong side afterward.

Mr. and Mrs. Leeman Cole and children, Jimmie Lee and Rebecca Ann of Dalles, Mr. and Mrs. A. H. Smith and Patricia of Wilson, Mr. and Mrs. C. E. Green and Sue of Welch were recent visitors in the home of their sister, Mrs. Raymond Hance and family.

GEMS OF THOUGHT BOOKS

Books are true levelers. They give to all, who will faithfully use them, the society, the spiritual presence, of the best and greatest of our race. W. E. Channing

There is a choice in books as in friends, and the mind sinks or rises to the level of its habitual society.

Guests present were Mr. and Mrs. Julius Stehr and children, Mr. and Mrs. Fate Shannon and sons, Mrs. Billy Brooks Sinclair and Paulette, Marlene Rothwell, Mary Elizabeth Givan, Grace Louise Lust, Bobby Warren, Albert Sinclair and Loy Dean Stone.

Mr. and Mrs. Harry Rothwell entertained Saturday night with a surprise birthday party for their daughter, Marlene. Present were Grace Louise Lust, Mary Elizabeth Givan, Herbert Howell, Albert Sinclair, Bobby Joe Warren, Loy Dean Stone and Mr. and Mrs. Bryan Sinclair and Ivan Earl.

Mr. and Mrs. Jim Givan were called to Hannibal, Mo., last week by the death of his sister. Their daughter, Mary Elizabeth, is staying with the Vern Lusts while her parents are away.

Mr. and Mrs. Houston Lust of Dimmitt were hosts at a dinner party Sunday honoring his parents, Mr. and Mrs. Vern Lust, on their wedding anniversary. Other guests were Grace Louise and Glen Lust, Mary Elizabeth Givan, Mr. and Mrs. Earl Lust and Lloyd.

Franklin Smith and Billy Brooks Sinclair made a business trip to Galveston last week.

Mr. and Mrs. R. M. Warren and family moved last Friday to Dimmitt to the house which was for many years the Carlos Reynolds home. Mr. Warren had sold his farm at Bethel several months ago to Mr. and Mrs. Ira Brown, long time residents of Floyd county but recently of Dimmitt. Mr. and Mrs. Brown moved to their farm at Bethel Friday.

Miss Winnie Ross visited her brothers Saturday and Sunday. Lloyd Lust, student at West Texas State College, Canyon, was home for the week-end.

Mr. and Mrs. Charles Henry Howell and baby made a brief visit with relatives in Monte Vista, Colo., last week.

Mr. and Mrs. James Cox and sons of near San Jon, N. M., were week-end visitors in the Fred Bruegel home.

Mr. and Mrs. Vernon Williams of Hereford are visitors in the J. C. Williams home this week.

"Make maximum use of pasture" is a good general rule to follow in feeding stock, whether beef or dairy cattle, hogs or lambs. It will save badly needed grain as well as reduce costs of operation.

A study in Texas shows that costs of producing cotton in the atstate range all the way from 19.4 cents to less than 4 cents per pound.

NAZARETH

Mother's Meeting
The Christian Mothers meeting was called to order by the president, Mrs. Frank Huseman. Plans were discussed for the Thanksgiving dinner which is being given by the Mothers Society. The menu will be as follows: Roast chicken, baked ham, mashed potatoes, gravy, dressing, cranberry sauce, string beans, waldorf salad, homemade pie, and hot coffee. There will be bingo and a fish pond for the children. Another announcement was made of the Day of Recollection on December 4. Father gave a short spiritual talk at the close of the meeting.

Mr. and Mrs. John Stork accompanied Mr. and Mrs. L. R. Davis November 2 on a trip to Laredo, Texas, for the State Convention. They returned home November 7.

Mr. and Mrs. Edward Hoffman and family of Hereford were here over Sunday visiting with Mrs. Guggemos.

Mr. and Mrs. Raymond Annen left November 2 for Laredo, Texas, to attend the State Convention. They will return home the latter part of this week.

Mr. and Mrs. Henry Cooper and children of Hereford were here Sunday visiting with Mr. and Mrs. Philip Acker.

Children of Mary Meeting
The Children of Mary met November 2. There were fifty members present for the meeting at which Tony Acker presided. Minutes were read and roll call led by Lola Jean Stork. A financial report was given by Alphonse Kleman. The Children of Mary asked by the Very Reverend G. A. Boeckman, will sponsor the Catholic article in the "Tulia Herald" during the months of November and December. A committee to get new members for the sodality were appointed and they are Catherine Schaker, Rosemary Schulte, and Vernon Braddock. The nominating committee was also appointed. They are as follows: Edward Ramackers, Florence Huseman, Jo Ann Heiman, Floyd Acker, and Verna Acker. The Very Reverend Father Boeckman gave a short talk on "Sodality Rules." He announced the Retreat would be on

December 7 before the reception of new members. An "All Saints Quiz" was given by Jo Ann Heiman. Reports were also given: "People Who Try" by Etta Mae Heiman; "Movie Stars" by Alvina Schumaker; "Apply Prayer to Your Personality" by Florence Huseman; "Snap Judgment" by Betty Jo Guggemos. It was decided to start putting up posters for the Bingo Party, November 16. Attendance prize was won by Corrine Huseman. The meeting was adjourned with a prayer.

Knights Hold Special Ceremony
At the last meeting of the Knights of Columbus, the following received their twenty-five-year emblems, which means that they have been members of the Knights of Columbus for twenty-five years or more. The emblems were presented in a special ceremony, conducted by the grand knight, Mr. Alvin Schmucker. The recipients of the emblem were the Very Rev. G. A. Boeckman, John Bellinghausen, Andrew Acker, G. H. Dietz, John Stork, and Matt Gerber. John Bellinghausen is also an honorary member. The honorary membership will be presented to him at the first meeting in December.

Mother Superior Visits School
Rev. Mother Jane Frances of St. Scholastica's Convent, Fort Smith, Arkansas, visited the Nazareth schools during the past week. It is customary for Mother to visit all the schools of her order sometime during the school year. She was pleased with the work that she saw going on in the various departments. While she was in Nazareth, Mother visited with her parents, Mr. and Mrs. Frank Brockman. On her return trip to Fort Smith, Mother Jane Frances will stop over in Fort Worth to visit with a brother and two of her sisters for a few days.

Picnic Given By Forsters
The Catholic Order of Foresters sponsored a picnic on the afternoon of November 9 for the Juvenile Forsters and their fathers and mothers. Refreshments of sandwiches, pie, cake, candy, soft drinks, and ice cream were served during the afternoon. A dance, which was attended by a large crowd, was given in the evening.

Children of Mary Are Sponsoring Party

The Children of Mary are sponsoring a Bingo Party and Dance on November 16 in the Community Hall. Everyone is cordially invited. Lunch will be served during the dance.

BROWNIES ENJOY OLD FASHIONED HAYRIDE

The Brownies of Troop No. 5 enjoyed a hayride out to D'Aun Carrell's home. After games, playing on the slinky slide, and swings, hot dogs were prepared at the outdoor oven, followed by a real marshmallow roasting. The Brownies were then presented bird whistles. The serenade from the whistles was beautiful. Games and songs were led by the leader, Mrs. Floyd Smith. Punch, suckers and apples were served between games.

As the shadows lengthened 18 little Brownies were transported to their homes over the district by Mr. and Mrs. Carrell. Those present were Charlotte McElroy, Judith Dyer, Joy Walker, Patricia Lindsey, Linda Brown, Sandra Rainey, Ann Cummins, Ann Gollehon, Jonalyn Alldredge, Karwl Waggoner, Crystal Burch, Marilan Howell, Judith Boothe, Charlotte Mears, Deanna Byrnes, Wynona Duke, Jane Ann Smith (mascot to the troop), the hostess D'Ann Carrell, Mr. and Mrs. Sawnie Carrell, Mrs. Floyd Smith, Leader, Mrs. E. C. Caudle, helper, Mrs. Fred Waggoner, troop mother.
