### Red Cross Drive Starts March 1

Last Monday, March 1, the Coke county chapter of the American Red Cross began its annual drive for funds, along with an estimated 2,000,000 volunteers in communities throughout the United States. Coke county's quota for this year has been set for \$708, a small part of the \$60,000,000 which has been set for the entire country.

H. A. Springer of Bronte is the county chairman of the Red Cross and other volunteer county workers are

Pictured above is Mrs. W. Dwain Tucker, who was Miss Bessie Mae Clark before her marriage February 19. The wedding vows were read in San Angelo by the Rev. B. H. Bohmfalk. The couple plan to make their home in Bronte.

### SMITH AND MORGAN PURCHASE STATION FROM BON SPOONTS

Blacky Smith and Malcolm Morgan announced this week that they have purchased the Cosden station, located on highway 277, from Bon Spoonst. Smith and Morgan leased the building housing the business. They have purchased the retail sales of the business and Spoonst will retain an office in the building and will conduct the wholesale business which he has handled the past several years in addition to the station.

Smith and Morgan announced that they will open a garage in connection with the shop and will have first class mechanics at work very soon.

Listen for Mister X over KGKL or KRUN. He will be heard soon.

### Bronte Boys Make Good Showing Stock At County Livestock Show Tuesday

Bronte boys took a large number of prizes with animals they had on exhibition at the county livestock show in Robert Lee Tuesday. The show was a great success and a large number of entries were made despite the rainy weather on that day.

Wayne Arrott, 16-year-old 4-H Club boy and son of J. P. Arrott of Tennyson, showed the champion and reserve champion barrows. All of these barrows were of his own breeding.

Bobby Hood, 16, son of Jett Hood, Robert Lee, took top honors in the lamb division with his two Southdown crossedbred lambs. The two lambs were

### TRUSTEE ELECTIONS WILL BE APRIL 2

The Bronte board of trustees has set the school trustee election for Saturday, April 2. The terms of Mack Powell and Cecil Kemp are expiring this year and according to Supt. J. L. Carroll, the two men are on the ballot for re-election.

The trustees said that any person who wants to run for the office should contact County Judge Jeff Dean and have their name placed on the ticket by March 23, or at least ten days before the election. The terms will run three years.

H. O. Whitt, Bronte, home service chairman; A. J. Kirkpatrick, Robert Lee, publicity chairman; Ben Oglesby, Bronte, fund raising chairman; Frank Keeney, Bronte, disaster chairman; B. D. Snead, Bronte, secretary-treasurer and Dr. J. K. Griffin, Robert Lee, health and safety chairman.

Pointing out that the 1949 campaign goal is materially less than last year's, National Red Cross President Basil O'Connor said the reduction was made possible by rigid economy in operation and by use of uncommitted surplus funds.

"Today, in the 68th year of its existence," Mr. O'Connor said, "the American Red Cross is still 'on the scene' everywhere in the United States. Its 3,746 chapters provide Red Cross service in every county and every community in our country."

Of the quota set for this county, \$390 will be retained by the county chapter and \$318 will be sent to the National headquarters.

Chairman Springer said that although the drive extends through the month of March, he hopes the quota will be raised in the next few days and shorten the drive in this county. He urged that everyone respond promptly and generously to the drive.

### CAPERTON CHEVROLET REMODELING FRONT

The Caperton Chevrolet Company is busy remodeling the front of their building this week and are enlarging the parts department of their garage. R. T. Caperton said that they will handle genuine Chevrolet parts and that they are installing several steel cabinets in the parts department to take care of them.

The Chevrolet company, formerly Caperton Motor Co., was made the Chevrolet dealer for this territory a few weeks ago. To date, they have received several new Chevrolets and Chevrolet pick-ups.

### CONSOLIDATION VOTE CALLED SOON FOR BRONTE-BROOKSHIRE

Coke County Judge Jeff Dean and Runnels County Judge E. C. Grindstaff have called for an election to be held soon in both the Bronte and Brookshire school districts. The elections would determine whether or not the districts would be consolidated. Bronte is in Coke county and the Brookshire community is in Runnels county.

### Hearing Results Unknown At Press Time Thursday

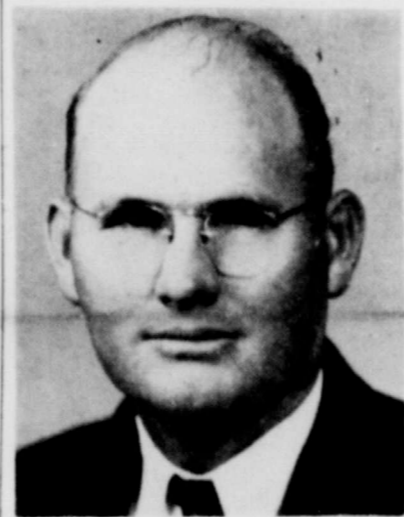

The right to drill on each separate tract in each block of the city limits of Bronte was asked at a hearing before the Railroad Commission Thursday afternoon at 2 o'clock.

Quite a number of Bronte citizens, including the city council and Attorney Carl Runge were on hand for the hearing, which was held in the Tribune Building.

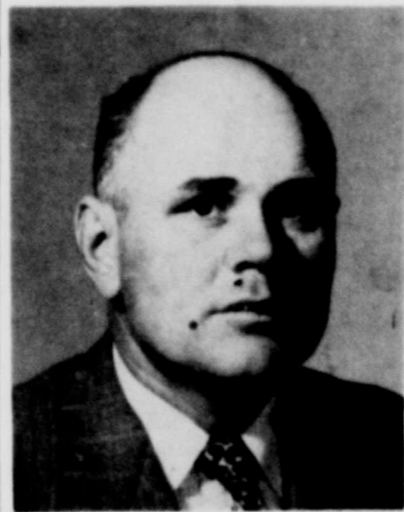

The local delegation ran into stiff opposition from the major oil companies which have leases in the area around the city. The majors recommended that all townsite drilling be strictly vertical (that is, that the bottom of the hole be directly underneath the top of it, as determined by electrical survey).

The group also opposed any mini-

### Carroll, Gaddy and Henry Reelected to School Terms

SUPT. J. L. CARROLL

PRINCIPAL W. N. GADDY

Superintendent J. L. Carroll, High School Principal W. M. Gaddy, and Vocational Agriculture Teacher J. T. Henry were reelected to their posts for another year at a meeting of the Bronte school board last Wednesday, February 23.

Carroll and Gaddy are completing their first year's work in the Bronte schools. Carroll was elected to the superintendent's post here last year to fill the vacancy created by the resignation of Jeff Dean. He came here from Water Valley where he had been superintendent since 1945. Gaddy was elected last year to replace H. R. Gassiot, who moved to the Silver schools. Gaddy is serving in the capacity of principal and coach.

Henry has been teaching vocational agriculture in the Bronte schools for several years. This past year he has had three courses in vocational agriculture and his students have distinguished themselves in the work. Outside activities of the department during the past year were exhibits at the State Fair in Dallas, exhibits at the San Angelo fair and exhibits in the Coke county and San Angelo livestock shows as well as participation in several livestock and dairy judging contests.

Carroll stated Monday that the Bronte school has had an overall increase of about 30 students since the beginning of school last September.

mum area limitation, and sought to have commission restrictions confined to proration of the oil to be produced.

A spokesman for the group said that the striking of water in the Palo Pinto has not erased hopes for drilling in the city limits, as prospects for production in the Strawn and Ellenburger below the Palo Pinto are good.

Placid Oil Co. No. 1 Robert Forman was drilling ahead Wednesday after running a drillstem test at 4,374-4,407 feet in the Palo Pinto lime. Recovery on the test was 3,500 feet of oil and water. Reports are that drilling will continue until the Strawn formation is reached, about 5,100 feet. This formation showed a tremendous blow of gas and some distillate in the field discovery well.

Hickok & Reynolds and Dan Auld No. 1 R. J. Warren has been put on a pump in an effort to reduce the amount of water that has been encountered. Recovery in 24 hours ending Wednesday was 140 barrels of water.

Humble No. 1 Nannie Ash was drilling Thursday at 3,780 feet in shale. No report was available on Yarborough & Son No. 1 Addie Fletcher, as it was being drilled tight.

Union Oil Co. No. 1 Jack Frost was pulling the swab twice an hour after treating the Ellenburger between 6,567 and 6,639 feet with 1,000 gallons of acid. After swabbing out most of the acid load and residue the hole was filling up at the rate of about 100 feet per hour. This fluid consisted of 50 per cent oil, 30 per cent acid water and 20 per cent drilling mud. No. 1 Frost is located four miles west and slightly south of Blackwell.

### LEADERS ANNOUNCED IN ATHLETIC TESTS

Billy Jack Gentry, Wayne Cafvey, Jimmie Gray, Bobbie Tucker and Eddie Roy Braswell are the top five boys in the seventh and eighth grade athletic contests now going on at the Bronte Schools. In the fifth and sixth grade division, Arbie Phillips, Leslie Caperton, Harold McCutchen, Stanley Phillips and Billie Alexander are the top five, in the order named.

The contests are aimed at choosing the best all-around athletes in the groups and the boys are participating in 23 different athletic contests. Points are given according to the number in each division and the scores made on the contests. The three boys in each division who make the highest total scores will be awarded a medal.

Points for the leaders were as follows: Gentry, 18 1/2 points; Caffey, 17 1/4 points; Gray, 17 points; and Tucker and Braswell each have 16 1/4 points in the 7th and 8th grade group. This group is judged on a basis of 22 points.

In the 5th and 6th grade group, judged on a basis of 31 points, the boys have individual scores as follows: Phillips, 26 points; Caperton, 25 1/2 points; McCutchen, 25 points; Phillips, 24 1/4 points; and Alexander, 22 1/2 points.

Leaders in the contest will be announced each week, in this paper.

### AREA RECEIVES TWO INCHES OF MOISTURE

Bronte and Coke County have received about two inches of rainfall during the past week, and some farmers say that the long drought which has enveloped the area the past two years is broken. Moisture has penetrated as much as 36 inches in some spots.

All of the rain has come slowly and runoff has been negligible. Wheat and other winter pastures are looking good and prospects for a good row crop are improving every day, say the farmers.

### BABY DAUGHTER

County Judge Jeff Dean and Mrs. Dean are the parents of a baby daughter, Della Katherine, born March 1 at 9:30 in Shannon hospital in San Angelo. The little girl weighed 8 pounds and 14 ounces.

### Plans Complete For X-Ray Survey; Unit Here Tuesday, Through Thursday

Most of the plans are complete and final work is being done in getting ready for the TB X-ray unit which is scheduled to be in Bronte March 8, 9 and 10, from Tuesday through Thursday of next week. The X-rays will be made at the City Hall here.

The survey, which is being made under the sponsorship of the Bronte Diversity club, is free to everyone in Coke county over 15 years of age. Officials stressed that the X-rays are not charity but a part of an extensive

survey being made over the entire United States.

Supt. J. L. Carroll, chairman of the drive, and Mrs. Charlie Boecking, co-chairman, urge that everyone take advantage of this opportunity to determine, free of cost, whether or not their lungs are healthy. The X-rays may also show the existence of cancer, heart disease and other ailments.

At the school this week, school children have been making posters on the subject and the best poster in each class will be awarded a prize by the local Parent-Teachers association.

The Mister X identification contest is due to start March 5 with radio stations KGKL and KRUN playing recordings of Mister X's voice at various times during the day from March 5 through March 9. Every person will be given a chance to guess at the identity of Mister X at the time they are X-rayed. The prize will be a \$25 savings bond and in case of a tie, the winner will be selected by drawing. The recording will also be played from the White Auto Store in Bronte at various times during the day.

The local Lions club, Junior study club, Progressive club, H. D. clubs and other organizations are assisting in the drive. Transportation will be provided for anyone who needs it during the time of the X-rays. Any person who needs transportation should write a card to Mrs. Charlie Boecking, Bronte, Texas and specify the date the transportation is wanted, or call at the city hall at any time while the X-ray unit is here, and cars will be sent out.

The X-ray unit will be in Robert Lee March 11 and 12 for the purpose of surveying that side of he county.

### BRONTE JR. WHD CLUB HAS WED. MEETING

The Bronte Jr. W. H. D. club met Wednesday, March 2, in the home of Mrs. O. R. McQueen with Mrs. Hollis Stevens as hostess. The president, Mrs. Arrott, presided over the business meeting.

The roll call was answered with the name of each member's favorite flower. Miss Verneema Freeman, home demonstration agent, demonstrated how to hem a dress. The group enjoyed a game for recreation and Mrs. Taylor Emerson won the prize.

A salad plate, carrying out the St. Patrick's day theme, was served to Mmes. Arrott, Taylor Emerson, Clark, Gentry, Glenn, Hipp, McAulay, McQueen, Springer, Rainer, Hester, Walton, Whalen, Rawlings, Miss Ella Clyde Black, one visitor, Mrs. Harold Sims, the home demonstration agent, Miss Freeman, and the hostess.

The next meeting will be on March 16 at the home of Mrs. Alfred Taylor.

Mrs. S. H. Dittmore of Water Valley visited last weekend in the home of her brother, L. W. Beaty.

### UCRA OFFICIALS TO GO TO GALVESTON

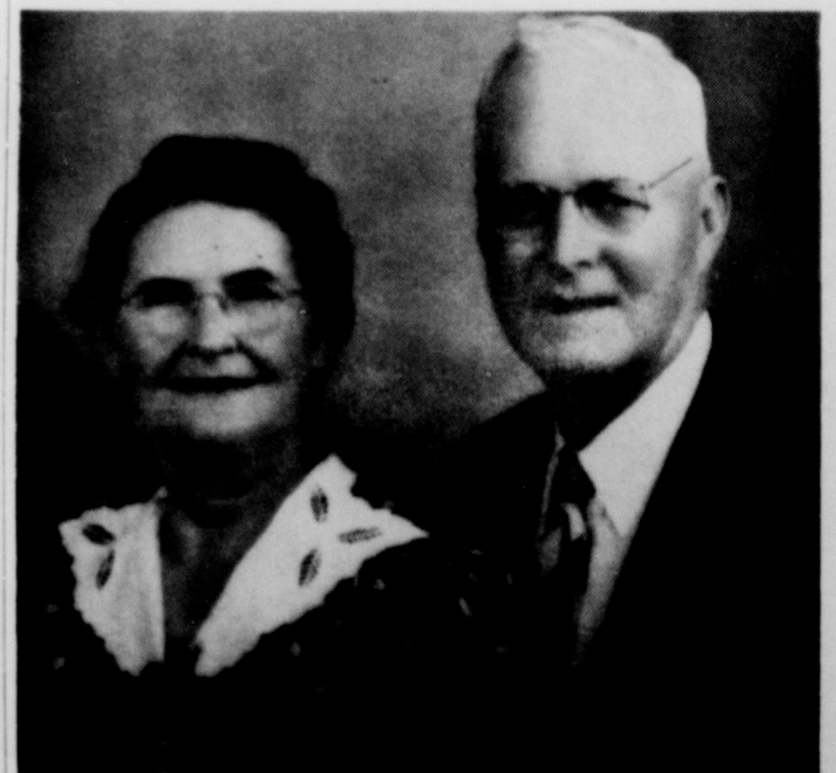

L. T. Youngblood, chairman of the UCRA, and other UCRA officials will meet in Galveston Monday. They will leave San Angelo Sunday night on a special pullman car.

The group will open bids for the construction of the dam west of San Angelo and let the contract. This will be the final contract on this particular project.

Mr. Youngblood will return to Bronte Tuesday.

Bud Kirkland carried his mother, Mrs. Dora Kirkland, to a Winters hospital Saturday where she is undergoing treatment. He says that she is pretty sick.

E. L. Richards of Blackwell was a Bronte visitor Monday. While in town he subscribed to The Enterprise.

Mr. and Mrs. J. D. Bernard, who celebrated their golden wedding anniversary Sunday, February 20, are pictured above. Five of their children were present for the occasion and about 75 guests called during the day.

## MAKE YOUR WORD GOOD

The man who looks the whole world in the face,  
Whose creditors never 'round after him chase,  
Is a man to whom we are willing to lend,  
Because on his word we can always depend;  
But the man who quits work to fish or to play  
And when the sun shines seldom makes hay,  
May for a time even wear better clothes  
Than most of the people to whom he yet owes,  
THE FIRST NATIONAL BANK has kept tab on his case,

## THE DEMAND...

for new farm machinery still greatly exceeds the supply, and it will still be some little time before the flow of new implements will be available to meet this great demand. Because of this it's the wise farmer who takes good care of the machinery he now has. We can help too... Our repair department has a good supply of parts, and our skilled mechanics have kept many machines in operation.

By all means don't let your farm implements deteriorate... Let us inspect them regularly, and keep them running efficiently until new machinery is available.

If you need a new tractor, drop in and talk it over with us. We'll do our best to supply your needs. See us for Graham-Hoeme Plows, too.

### IS THIS YOUR RED CROSS (Editorial)

For 67 years, the American Red Cross has meant sympathy, compassion and help in time of need to the people of the United States and of the world. During that span of time, it has become a vital part of American life — a powerful symbol in this country of man's humanity to man, of his universal compulsion to aid the suffering and the distressed.

The Red Cross is not a thing apart, but an essential section of the fabric of America. It is as truly of and by and for the American people as our government itself.

The broad activities of the Red Cross — for disaster victims, on behalf of members of the armed forces and veterans, with the hospitalized — in teaching safety and health to hundreds of thousands of people — and through the Junior Red Cross — are dependent upon the volunteer efforts of the millions of men, women and children who make up its membership.

Its ability to help, instantly and effectively, the family across the street, or across the nation, or across the sea, is founded in the broad network of Red Cross chapters which reaches into every community in the United States. And it exists only to serve, to do what you would do if you were on the scene.

In truth, the American Red Cross is your agent for the complicated task of meeting human need wherever it exists in this modern world. That is a heavy responsibility. Each individual American must bear his share of it!

Mr. and Mrs. John Leathers of Odessa were in Bronte this week visiting friends and attending to business.

## HERE'S BLACKWELL...

By Mrs. Charles Ragsdale

The Blackwell senior class will sponsor a box supper March 15. Everyone is invited to come and bring a box.

The Blackwell sophomores will sponsor the Gabbard boys from Wichita Falls on March 12. They say this is a different group from the ones that "stood them up" in their last attempt at entertainment. Everyone is invited to attend and the admission is 25 and 50 cents.

The Blackwell school library has added several new books during the last month.

Mr. and Mrs. R. I. Spence and daughter were called to Roscoe Sunday to be with Mr. Spence's father who underwent surgery in the Young hospital there.

Mrs. Ollie Modrall underwent surgery last week at the Sweetwater hospital.

The Blackwell boys have started baseball practice and the girls have started playing volley-ball.

Mr. James Little, vocational agriculture teacher, will take Tom V. Copeland, Bob Ragsdale, Cecil Clay Thorn, James Ware, Bob Sanderson, and Dink Lanier to San Angelo to attend the stock show. All the boys except Edmond Lanier will show sheep. Edmond has a hog to show.

Mr. and Mrs. Luther Sanders and daughter of Roscoe were Blackwell visitors Tuesday.

### BALLINGER WOMEN CONDUCT SCHOOL

A glove making leadership training school was conducted February 26 at the County Agent's office by Mrs. B. M. Batts and Mrs. Harold Routh of Ballinger.

The meeting began at 10 a. m. with twelve leaders and two visitors present. The training school was conducted to train two leaders from each club and enable those leaders to take the information gained back to their respective clubs.

The visiting demonstrators cut a pair of gloves from white doekin, stressing the importance of care and thought in the cutting phase of the process. After the gloves were cut, the stab stitch was demonstrated and each leader present was given a piece of leather on which to practice the stitch.

Proper fitting was demonstrated and the fact that gloves can be made to fit a person's fingers when made at home was a definite advantage because commercially made gloves very often do not fit properly.

One glove was finished and another almost completed. The meeting ended at 4:30 p. m. with each person going home to prepare to demonstrate glove making to her club members at the second meeting in March.

## THE MERLE NORMAN HOME COMPLEXION TREATMENT

Apply Merle Norman Cold Cream on the face and throat each night, leaving on for fifteen minutes. Remove with a tissue or soft cloth. Do not pat, rub or massage the Cream when applying or during the fifteen-minute period. No soap is to be used in connection with the Cold Cream as Merle Norman has found that her Cream is a far better cleanser for the skin — not only cleansing, but lubricating, soothing and softening at the same time. Regularity in the use of the Cream is a vitally important point.

In the morning, dash the face and throat with cool water, drying well and applying Powder Base. Your usual make-up accessories may be applied then or later.

When applying Powder Base, dot the face with small quantities, spreading evenly over the complexion area and throat. Do not rub or massage. Take time to gently smooth the Base evenly over the skin, not using too much or too little. There should be no streaks or heavy and thin patches, but a satin-smooth effect when you are finished.

**SENIOR NEWS:** Alvin is coming out for ready-writing. Seniors coming out for debate are Bobbie, Loretha, Nola and Wayne. Waydell has been in the hospital, but is home now. Hurry back to school, Dinker!

Alvin and Jean tied for the X-ray poster prize in the senior class. Bobbie, did they call the roll at Robert Lee? Anyway, did you answer? Report cards will be coming out next week and the seniors are inventing excuses. Charles, were you the only boy in Speech class Tuesday?

Everyone was busy this week working on the football banquet. Mr. and Mrs. BHS will be announced next week along with the top ten students, according to high points. These points are calculated according to grades and activities.

**SOPHOMORE NEWS:** Are the Bronte high boys bashful or something? We didn't have many dates for the banquet, did we, boys? There is a rumor going around school that

Tina is going steady. Is it true, Tina? Gerald Sandusky is still the pin-up boy for the sophomore girls — well, those who have pictures. Everyone was anxious to see if Colleen would get another corsage.

Wonder who Juanetta is taking out on dates? She surely does keep him a secret. The sophomore clan is really longing for a skating party. It was a girls' school Tuesday when the boys went cow-punching at Robert Lee. Do it again, boys, it's so quiet! Don Daniels and Mary are really friendly on the bus but they put on a front in class.

Everyone is anxiously awaiting the arrival of the report cards — to see how many A's and D's they made.

Ah! Cupid strikes again, but this time he aimed at lowly eighth graders. Such sighs and longing glances! Don't let it get you down for those hope chests can wait several years. Charles Westbrook visited one day with us this week. Why doesn't anything ever

happen to Billy Wayne so it can be put in the paper? The sophomores really wish Doyle wasn't so smart — he makes them all look stupid!

**FRESHMAN NEWS:** Since all the boys went to the Fat Stock Show, the girls have had a good time. They got out of classes. The girls are about to get their blouses and skirts done and are they glad! The Freshman girls playing on the B team are Hattie, Felma, and Kitty Sue.

The Freshmen girls and Mr. Flores had an interesting talk about oil wells while the boys were gone. Does Juanell like ghost stories? Felma, don't you like to dance any more? Ouida Fay took a day off to go to Ballinger. Any cute boys around, Ouida?

Jo, who is so interesting in the hospital at Angelo to keep you up until two o'clock? Hattie is lonesome since Jack Neal took a trip. Bobby, did you have fun the other night? How about it, Eddie Sue? Bob, how did you get that beautiful shiner? John, how does that paddle feel in the office?

**EIGHTH GRADE NEWS:** Joyce and Eddy Sue were dancing at Billy Joe's Saturday night. Who would Camille like to go to the banquet with? Peggy is still wearing that RLHS class ring. Are the initials B. H.? Who is Sue Foster's current beau? Where has Earl been, Joyce?

Does Eddy Sue have a new heart throb? Does crime pay, Bobby Evans, such as using carbon paper? Billy Jack, Billy Paul and Bobby E. are busy writing lately. Having fun? Joe Reid seems rather woe-be-gone lately. No dates! How are those math grades, eighth grade?

Janelle seems to like her hair rolled up. Johnny Williams family has a new Oldsmobile. Does papa trust you, Johnnie? Everybody seems to want to take a trip this week. Report cards! Carlene sure has a cute red suit.

Current talk is of formal now. To have or not to have a new one, that is the question. Three girls are entering declamation. Good luck, girls!

### WORKING POSTPONED

The cemetery working which was scheduled to be held on March 3 has been postponed until Tuesday, March 15. Everyone is urged to make their plans to be present on that date.

Mr. and Mrs. Pat Duffy of Andrews were here last week on business.

Mr. and Mrs. Charlie Brown and children were in Ballinger Saturday.

### HOSPITAL NEWS

Feb. 24: Mary Reyes dismissed. Tommy McCamey, Truman Welch, L. B. Thompson and Waydell "Dinker" Webb, son of Mr. and Mrs. C. N. Webb, admitted.

Feb. 25: Mrs. W. D. Latham dismissed.

Feb. 26: Tommy McCamey and Margaret Oglesby dismissed.

Feb. 27: L. B. Thompson dismissed. Mrs. Walter Phillips and Mrs. Otto Finck admitted.

Feb. 28: Mrs. J. C. Strickland, Ira Coppedge admitted. Truman Welch, Waydell Webb and Mrs. Will Fikes dismissed.

Mar. 1: Patricia Fowler, Mrs. Walter Phillips and Irvin Cumbie dismissed. Mrs. Sam Jay admitted.

### POSTER WINNERS ARE ANNOUNCED

Poster winners at the Bronte school were announced Wednesday. The PTA awarded a prize of fifty cents for the best posters, depicting the TB X-ray survey, in each room. A prize was awarded for the best poster drawn by a boy and the best poster drawn by a girl in each class.

**SOIL CONSERVATION PRACTICES ARE PUT TO WORK IN COKE**

A. B. Sheppard, T. M. Wylie, Jr., Fred McDonald, Jr., and J. I. Williams met last Tuesday night to discuss conservation treatment recommended by the Coke County Soil Conservation District. A. V. Sheppard, work unit conservationist with the Soil Conservation Service discussed treatment of cropland according to the soil capabilities. The group saw the collection of native range vegetation that has been collected in the district. They saw three classes of vegetation and where each grass fit in the scale of range grasses.

The county equipment began construction last week on five miles of terraces on M. B. Wardlow's farm located one mile west of Edith and is a member of the Green Mountain groupe. Wardlow, The Texas Highway Department, and Commissioners Court is cooperating with the Coke County Soil Conservation District in collecting, moving and using all of

the runoff water on the Green Mountain watershed. By use of a diversion terrace the water will be diverted onto a waterway and by use of the terrace system the water will be trapped above each terrace. After large rains, each terrace will trap six inches of flood water.

B. D. Gartman, Sam Fowler, and T. M. Wylie, Jr., developed soil and water conservation plans on their farms last week. Soil Conservation Service personnel assisted the land owners with the development of plans. The board of supervisors of the Coke County Soil Conservation District will look over the plans; and if they agree with their program and plan of work, the plans will be approved. Once the plans are approved all resources of the district will be made available to apply conservation on the ground.

Construction was started this week on a 1,800-foot diversion terrace on C. N. Webb's ranch located two miles southwest of Tennyson. The diversion terrace will be used to protect his terrace system and divert water into a waterway. The water will be spread on a field by use of level closed end terraces.

\$8,000,000 to the state school funds and about \$22,000,000 to the rural roads program in the state. Of this amount Coke county would receive \$44,000 for rural roads or about \$2,000 for every million dollars collected in taxes. According to Judge Dean, this would be a tremendous help to the county and it is to every one's interest to see that it is passed.

**LIONS DISCUSS OIL HEARING IN MEETING**

Bronte Lions Club, meeting Wednesday at noon in the Bronte Cafe, discussed the hearing that was held before the Railroad Commission of Texas Thursday.

Mayor H. O. Whitt emphasized the importance of the hearing and said that everyone who possibly could should be at the meeting. Whitt said that he believed it more important to be at this hearing than the one which was held February 2.

One visitor, Bill Dennis, was present. Lions present were Charlie Boecking, H. O. Whitt, L. T. Youngblood, Taylor Emerson, Ben Oglesby, H. A. Springer, Alvin R. Mauldin, Sam Spruell and J. B. Mackey. Several members of the club were not there because they had already gone to Austin for the hearing.

**HEARING IS MARCH 7 FOR HOUSE BILL 59**

Judge Jeff Dean has called the attention of the voters of the county to house bill No. 59, a proposed tax of 1 cent per 1,000 cubic feet of gas produced, and urges that they write or wire their senator and representative to vote favorably on the bill. It is scheduled for a committee hearing at 7:30 a. m. on March 7. If passed the new tax would give

## SPRING PLANNING

In planning for busy days ahead, the farmer finds his telephone a convenient means of saving time and effort. A quick, convenient call on the telephone will save him hours of needless travel and effort in ordering supplies or attending to other town business. We know that our plans for increased rural telephone service will be welcome news to all progressive farmers.

## FORWARD, MARCH!

- March is here again, the month that heralds spring—and spring housecleaning!
- In Grandma's day, housecleaning—and housekeeping, too—meant endless rounds of back-breaking drudgery. But today, thousands of wise West Texas homemakers call on their low-cost electric servant, Reddy Kilowatt, to help take the work out of housework—to cook and clean, wash and iron, sweep and sew.

- For less than you'd pay for a daily pack of cigarettes, electric service makes life easier, healthier, more comfortable. What other item in your family budget gives you such great living value—at such little cost?

## Change to OIL-PLATING!

### FRESH!

... Get your car out of its "heavy-underwear" winter oil and into fresh summer-grade Conoco N<sup>th</sup> Motor Oil ... and OIL-PLATE your engine.

### BRISK PERFORMANCE!

... because husky Conoco N<sup>th</sup> stubbornly fights power-robbing sludge and carbon.

### SLICKER STARTS!

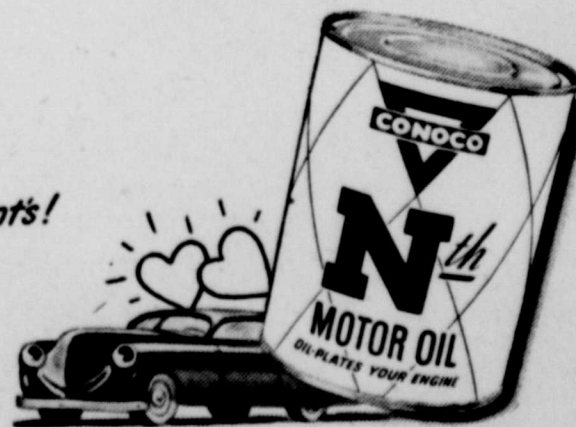

... because an exclusive additive in Conoco N<sup>th</sup> fastens a shield of lubricant to cylinder walls. No "dry-friction" starts with an OIL-PLATED engine!

### SAVES MONEY!

... because rugged Conoco N<sup>th</sup> is made from carefully selected paraffin-base crude oil. It stands up ... takes less oil between drains.

## "WHAT THINK YE"

By W. L. Fry

Can a child of God so sin as to be eternally lost? We know that many reliable people are divided on this subject. If it is true that a child of God cannot be lost, then it is a comforting doctrine indeed. But if it is not true, it is a very dangerous doctrine and is capable of sending souls to torment eternally. I feel sure that the Scriptures are not obscure on this subject and that God's will is plainly taught. You are most cordially invited to hear this subject discussed at 10:50 a. m. next Lord's day at the services of the Church of Christ. The subject will be, "CAN A CHILD OF GOD SO SIN AS TO BE ETERNALLY LOST?" You ought to be vitally interested in this question.

You are cordially invited to attend the following services of the Church of Christ:

Sunday Bible Classes 10:00 a. m.  
Sunday Worship Services 10:50 a. m.  
Evening Classes 7:00 p. m.  
Evening Worship 8:00 p. m.  
Ladies' Bible Class, Tues. 2:00 p. m.  
Mid-week Services, Wed. 7:30 p. m.

## CUMBIE HOME SCENE OF CUMBIE-GARRETT WEDDING FRIDAY

Miss Mary Beth Cumbie, daughter of Mr. and Mrs. I. M. Cumbie of Bronte, became the bride of Richmond Dewain Garrett, son of Mr. and Mrs. R. A. Garrett of Sterling City, last Friday evening, February 25, in a ceremony read at the home of the bride's parents.

The single-ring ceremony was read by the Rev. Alvin Mauldin, pastor of the Bronte Methodist church, before an improvised altar at the fireplace. The altar was banked with palms, fern and white gladioli. At each side of the fireplace were candelabra holding white cathedral candles beside baskets of gladioli.

The bride was given in marriage by her father and was attended by Mrs. Vincent Hanna, her cousin, as matron of honor.

The candles were lighted by Miss Fern Garrett of Sterling City. Mrs. Morris Varnadore played "Because" and "I Love You Truly" as the pre-nuptial music, and the traditional wedding marches. Mrs. Alfred Taylor sang "At Dawning". "Clair De Lune" was played during the ceremony.

The bride wore a street-length two-piece dress of French vanilla in Maygoshell linen and Balenciaga faille. The skirt was made with fullness which extended into a bustle back. The jacket was long-sleeved and had inserts of heavy lace in godet designs to form a roll collar and also a pephum. Her accessories were in Balenciaga. She carried a white Bible, topped with white rosebuds and white satin ribbon streamers. For something old, she carried a handkerchief which

was 50 years old and which was given to her by Mrs. J. N. Walker. Mrs. Hanna wore an aqua dress of linen with navy accessories. Her corsage was made of yellow daffodils.

A reception was held immediately following the ceremony. The table was covered with a cloth of white organdy and white satin, with a ruffle extending to the floor. The table was centered with white candles surrounded by fern and pink carnations.

Mrs. Robert Foster, sister of the bridegroom, presided at the silver coffee service and Mrs. W. H. Maxwell, Jr. served the three-tiered wedding cake which was decorated with pink and white frosted flowers and stairs leading to a miniature bride and groom on the top layer.

The couple left for a short wedding trip and for traveling, the bride chose a navy and white suit with accessories of the same colors.

Mrs. Garrett is a graduate of Bronte high school and attended Hardin-Simmons university.

Mr. Garrett is a graduate of Sterling City schools and received his degree from A&M college in chemical engineering. He is now employed by the Permian Mud Service in Robert Lee.

Out of town guests included Mr. and Mrs. Frimon Revell, Mr. and Mrs. Robert Foster and Jacqueline, Mr. and Mrs. Taylor Garrett, Mr. Darrell Garrett and Mrs. Lennie Mae Hall, all of Sterling City; Mr. and Mrs. A. R. Garrett and Mrs. Bill Cushing and Margaret Gale of Nottrees; Mr. and Mrs. Irving Cumbie, Jr., Mr. and Mrs. Gene Balch, Mrs. Cova Collier and Miss Donner Balch, all of Abilene; Mr. and Mrs. Earl Barr, Mr. and Mrs. Buck Underwood, Miss Loretta Garrett and Mrs. Dan Jackson of Balingier; and Mrs. A. M. Tubb and Mr. and Mrs. S. B. Cragin of Robert Lee.

Prior to the wedding date, the couple was honored with a rehearsal dinner in the home of Mr. and Mrs. E. N. Ivey. Twelve guests were served a salad course.

A Memo from  
General Dwight D. Eisenhower  
President of Columbia University

Columbia University - Photo by Warren

Organizations and institutions—educational, social, humanitarian—supported financially by voluntary individual contributions are characteristic of our way of life... evidence of our people's readiness to help each other. In their forefront is the American Red Cross.

Once a year the Red Cross calls upon us all to help carry on its work.

Each of us has his own personal reasons for answering this call. These are mine:

To men in the Armed Forces, the Red Cross is a prompt, efficient friend in personal emergencies.

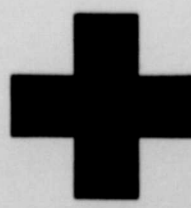

To war veterans—particularly those confined to

beds and wheelchairs in Veterans' Hospitals—the Red Cross remains a constant friend and counselor.

And to all of us, the Red Cross is the recognized civilian disaster relief agency. It has the know-how to meet human needs growing out of a large-scale national emergency.

For all these deeds and for the other services it performs, the Red Cross deserves our continuing support.
