BRONTE, TEXAS, JUNE 3, 1949

No. 22

First Rig Is Raised on Youngblood Property

depth is 5,200 feet, which is believed to be through the Strawn formation. The wildcat is located about one mile northeast of the nearest producer in the Bronte field, the Humble No. 2 R. E. Hickman.

J. K. Wadley No. 1 Sam Gray was treated with acid this week and a good blow of gas was developed; however, salt water broke in and the latest plans for this wildcat, located two miles north of Bronte, were not learned.

Hickok & Reynolds and Dan Auld No. 1 J. L. Keeney recovered oil cut mud on a drillstem test this week.

Humble No. 1 J. L. Brunson, wildcat 1 1/2 miles southwest of Bronte, was drilling at 1,700 feet Thursday after setting surface casing at 989 feet.

Southern Minerals and Seaboard No. 1 Albert N. Rawlings was drilling below 6,292 feet. This wildcat is located across the river, 5 1/2 miles southwest of Bronte.

Badley To Head Local Lions Club

Steve Badley was elected president of the Bronte Lions club for the coming year at the club elections held Wednesday at noon. Inauguration ceremonies and installation of officers will be held June 15.

Other officers elected were Norman Kiker, 1st vice president; H. A. Springer, 2nd vice president; R. W. Rees, 3rd vice president; Ben Oglesby, secretary; T. F. Sims, jr., tail twister; Cecil Kemp, Lion tamer; Edward Cumbie and J. B. Mackey, two-year directors; and Taylor Emerson and J. T. Henry, one-year directors.

The club also voted to award scrolls of merit to Instructor Henry and the boys on the judging team that won third place in the state judging contests. Henry and the boys will be guests of the club for luncheon at next week's meeting.

The club also went on record as endorsing the recommendations of the city health officer and necessary action by the City Council to clean up the town.

HAYRICK NEWS

By Mrs. Aubrey Denman

Mrs. R. S. Crum of Robert Lee, mother of Mrs. B. W. Waldrop, was recently in the hospital under treatment for arthritis.

Mrs. Vara Modrall visited recently in the home of Mrs. J. A. Waldrop.

Mrs. E. B. Fletcher recently returned from an extended visit with her son, Frank Fletcher, and family and other relatives in Fort Worth. The Frank Fletchers returned with her for their vacation.

Mrs. J. R. Cockburn and children are visiting her parents, Mr. and Mrs. L. C. Robbins. She is the former Maxine Robbins. Her husband is in school at Plainview where he is studying for the ministry. They plan to make their home in San Angelo this summer.

Mr. and Mrs. Glenn Waldrop and three children from Edith visited here last Thursday.

Mary Dean Cresap is in Abilene working. She plans to reenter college this fall.

Mr. and Mrs. J. W. Labenske plan to move into their new rock home soon.

Miss Gladys Waldrop spent Wednesday night with her sister, Mrs. T. E. Rives, and family in Robert Lee. She enjoyed a nice chicken supper.

Mr. and Mrs. Bill Braswell were San Angelo shoppers Friday. The Denmans were in San Angelo Saturday.

The community is proud of Doyle Caulder, who was one of the Coke county boys to receive a Sears pig last Saturday.

Aubrey Don Denman spent the weekend with Jerry McShan on Oak Creek.

The Hayrick WHD club met with Miss Gladys Waldrop. Seven members and the following visitors were present: Mrs. Glenn Waldrop and children; Mrs. T. E. Rives, Jr. and daughter from Robert Lee; Grandmother Waldrop, Mrs. Bill Braswell, Mrs. J. R. Cockburn and children and Jeanna Kay Denman.

The club voted to sponsor the community news for the home paper with Mrs. Aubrey Denman as reporter. Waistline dues were paid and a program on corsage making was given by Miss Waldrop and Mrs. B. W. Waldrop. A council report was given by Mrs. Robbins. Cookies and drinks were served. Next meeting will be with Mrs. W. G. Cresap on June 2.

Two Light Cases of Polio Reported Here; Clean-up Campaign Planned

Everyone MUST Help

(An Editorial)

Poliomyelitis has been declared epidemic in San Angelo. In the neighboring city, 56 cases had been reported Monday with two resultant deaths. In our OWN TOWN, two cases were hospitalized this week. DO YOU NOT AGREE THAT EMERGENCY MEASURES ARE NOW NECESSARY?

It is not easy, in a town where we are all neighbors, to point out the places that must be cleaned, must be fly-proofed, must be eliminated. We are all guilty and must work together to rid the town of such places.

Dr. J. R. Harris, city health officer, in commenting on the gravity of the situation, said, "This thing is really serious. It has taken a large toll in San Angelo and if we are not careful, the whole area will be swept by an epidemic." This statement should be enough.

We appeal to the citizenry of Bronte to search their own premises for offending spots that breed and attract flies. We appeal to the city council and to the civic organizations to step in beyond the property lines to take care of the situation. Working together we CAN and MUST launch the health protection measures which have already been delayed too long.

Secretary Speaks Favorably Of Dam On Colorado River

In a meeting in Houston last Friday Secretary of the Interior Krug spoke favorably on the Robert Lee dam project on the Colorado River. The cabinet member said the water supply on the high plains of Texas is being withdrawn at a rate 20 times as great as it is being replaced.

In considering possible solutions for the water problem Secretary Krug said: "The cities in the southern part of the area can best be served from the reservoir of the proposed Robert Lee Reclamation Project and we believe the cities in the northern part can be taken care of from a reservoir site on the Canadian River near Amarillo."

Rev. Alvin Mauldin Returns To Bronte

Rev. Alvin R. Mauldin was re-assigned to Bronte this week at San Antonio, where the annual Southwest Texas Methodist conference took place. Rev. Mauldin attended the conference and the appointments were read Sunday. This will be Mauldin's third year as pastor of the Bronte Methodist church.

Rev. R. T. Dyess was named as pastor of the First Methodist church at Blackwell. The Blackwell church is in the Northwest Texas conference and Dyess was appointed from that organization which met in Amarillo.

Rev. Ross T. Welch was returned as the pastor of the Robert Lee Methodist church.

BUFFET LUNCHEON ENDS CLUB YEAR

(Left from last week)

A buffet luncheon last Friday in the home of Mrs. Norman Kiker was the last meeting of the Junior study club for the current year. The luncheon was held at 1:15 p. m.

A course of baked ham with raisin sauce, pickled peaches, asparagus, pineapple and cottage cheese salad, pickles, potato chips, hot rolls, iced tea and strawberry shortcake were served to the members and two guests, Mrs. Jim Cloudt and Mrs. Matthew Caperton. The dining room was decorated with roses and a centerpiece of wild roses centered the table.

A short business meeting followed the luncheon and Mrs. R. T. Caperton discussed table setting. Mrs. Louis Bridges won the Chinese auction.

Hostesses were the year book committee, Mmes. Bon Spoons, Earl Glenn, Clark Glenn and Binks McCutchen.

Members present were Mmes. R. T. Caperton, James Allen, Louis Bridges, Earl Glenn, Clark Glenn, Norman Kiker, Binks McCutchen, Ben Oglesby, Noel Percifull, Charlie Phillips, Frances Pruitt, Roy Robinson, R. H. Sims and Bon Spoons.

Visiting Mr. and Mrs. Arnold Ball this week are his parents, Mr. and Mrs. Frank Ball, and his niece, Peggy Hollis, from Stafford, Kansas. Mr. and Mrs. Sterling Speake from Austin visited them on Monday of this week.

GLEGHORN CHILD DIES WITH POLIO

By Mrs. Herbert Holland

Billie Doyle Gleghorn, 7, of Miles died Monday night in a San Angelo hospital, reportedly a victim of polio. The child was the daughter of Mr. and Mrs. Doyle Gleghorn of Miles and the grandchild of Mr. and Mrs. T. C. Gleghorn of Brookshire. She was taken to the hospital Sunday morning.

Funeral services were held in Miles Wednesday afternoon.

JEAN SMITH FETED AT AFTERNOON PARTY

Miss Jean Smith, bride-elect of Harold Sheppard, was the honoree at a bridal shower given yesterday afternoon in the home of Mrs. D. K. Glenn. The shower was a come and go affair from four until six p. m.

Guests were greeted by a receiving line composed of Mrs. Delmir Sheppard of Robert Lee, Mrs. Otis Smith, the honoree and Mrs. D. K. Glenn. Pink rose corsages tied with silver wedding bells, white tulle and pink ribbon were pinned on guests as they arrived. Mrs. Bob Fields, aunt of Miss Smith, registered the guests.

Recorded music appropriate to the occasion was played throughout the afternoon.

Misses Dorothy Walton and Joyce Littlefield presided at the punch bowl. Pink and white ribbon sandwiches, decorated cookies and punch were served from a table centered with a heart-shaped arch fashioned from white lace paper doilies and pink crepe paper. It stood on a pink crepe paper base with a miniature bride and groom in the center of the heart and silver wedding bells suspended from the top.

The honoree's colors, pink and white, were carried out throughout the decoration's theme and bouquets of white gladioli decorated the entertaining rooms.

Hostesses were Mmes. Rome Richards, D. K. Glenn, Charlie Boecking, Robert Hickman, J. M. Rippetoe and Arnold F. Ball.

HERE FROM HAWAII

Lt. and Mrs. William DeRiemer and daughter, Beth, arrived in Bronte Tuesday night for a two weeks' visit with her father, H. A. Springer, and Mrs. Springer. The DeRiemers have been stationed in Honolulu and are on leave before reporting to their new station in Macon, Ga. The flew to San Francisco from Honolulu and visited in Detroit, Kansas City and Dallas before coming to Bronte. Mr. Springer said that his little grand daughter was born in Honolulu and that this is her first visit in the continental United States.

BRONTE HAS DELUGE FRIDAY NIGHT

A driving rain amounting to 3 3/4 inches fell at Bronte late Friday afternoon and Friday night. The larger part of the moisture fell in about two hours, sending creeks and the Colorado on a rise. No extensive damage was reported in the area.

George Rosser, formerly of Bronte but now of San Angelo, was a visitor here Wednesday.

Two cases of polio were reported here this week by Dr. John R. Harris. Belva Rippetoe and Mrs. J. D. Luttrell are hospitalized with the disease in the local hospital. Dr. Harris said that both are light cases and that Belva is being transferred to San Antonio where she will be under treatment from Dr. Walter Stuck, a polio specialist.

At the Wednesday noon meeting

4-H CLUB GIRLS ATTEND ENCAMPMENT

Miss Vernemna Freeman, Coke County Home Demonstration Agent, and Mrs. James Scott of Bronte, adult 4-H leader, took Nelda Sheppard, Melva Dean Gartman and Esther Allen to a district training encampment in Ballinger. Purpose of the camp was to train girls and a leader to come back to the county and help conduct the county encampment which will be held the 29th and 30th of June. Location of the camp will be announced later in the month.

About 65 girls, leaders, and agents were present. Since this was an experimental camp for this part of the nation, the recreation specialist from A & M, Miss Dorothy Brightwell, was present to help supervise the camp. Two counties were grouped together as separate camping units. They did their own cooking, program planning, keeping their camp grounds and the setting up of the camp equipment. Advantages of this type of camp is the fact that each girl present had a chance to take part in every camp activity. Had the whole group been put together this would not have been possible. The whole camp did come together for the evening meal and a camp fire following the evening meal. Nelda Sheppard was selected as head of the cowboy campfire which was a very interesting campfire program.

Since this camp experiment was of interest to the whole state, Miss Gladys Martin, Assistant State Home Demonstration Agent from A & M, and Miss Frances Arnold, Assistant Editor from A & M, were present. Plans are now under way to conduct the county camp in a similar fashion to give the children the advantage of learning how to live in the out-of-doors and close to nature.

FORMER POSTMASTER DIES AT SNYDER

It was reported Thursday morning that W. L. Hayley, who was postmaster here for several years, died at his home in Snyder Wednesday.

Mr. Hayley was a Coke County resident for many years, having recently moved to Snyder. Funeral services will be held today (Friday) at 4 p. m. at Snyder.

He is survived by several relatives here in Bronte.

JR. HD CLUB MEETS IN ARROTT HOME

The Bronte Jr. WHD Club met Wednesday, June 1, in the home of Mrs. C. E. Arrott. The roll call was answered by Mrs. Arrott, Miss Ella Clyde Black, Mrs. Taylor Emerson, Mrs. A. E. Gentry, Mrs. A. C. McAulay, Mrs. Hollis Stevens, Mrs. O. R. McQueen, Mrs. R. S. Walton and Mrs. C. G. Word.

Mrs. Arrott presided over the business meeting. Mrs. Emerson gave a report on a training school on simplification of work, held at Robert Lee.

Mrs. McQueen gave a demonstration on belt making and buckle covering. Next meeting will be June 15 in the home of Mrs. Emerson.

VACATION BIBLE SCHOOL POSTPONED

The Vacation Bible School at the Bronte Baptist Church has been postponed until the last of June, due to the threat of a polio epidemic and a busy harvest season, according to the Baptist pastor, Rev. V. D. Price. Time of the school will be announced later.

NEW CHEVROLETS

New Chevrolets delivered recently by the Caperton Chevrolet company were to J. D. Blair of Edith, Miss Williams of Robert Lee, Otis Richmond, J. B. Farris and a pickup to Clint Wilkins.

of the Bronte Lions club, Dr. Harris outlined the serious need for preventative steps and a committee was formed to meet with the city council at the earliest date possible to press a city-wide clean-up campaign.

Dr. Harris, city health officer, and Sam Spruell, city sanitation commissioner, said that the following recommendations would be made to the council as measures against further spread of polio: The draining and spraying of all open ponds, pools, and low places where stagnant water stands; the removal of weeds, tall grass and trash from around houses and vacant lots about the city; the proper disposal of garbage, including requiring each home and business to have a properly covered garbage can; regular spraying of stock pens, lots and proper cleaning of same; fly-proofing all outhouses in town and seeing that they are equipped with doors and lids, and are closed from behind; and the last recommendation

DR. STUCK CONFIRMS DIAGNOSIS OF HARRIS

Dr. John R. Harris reported Thursday that the Rippetoes have arrived in San Antonio with their daughter, Belva, and Dr. Walter Stuck, well known polio specialist there, has confirmed his diagnosis that the local child does have polio.

Dr. Harris said Dr. Stuck told him in a telephone conversation that the case was light, but that Belva actually does have the disease.

to be made will be the spraying of the entire city with DDT.

Symptoms Outlined

Dr. Harris also outlined some of the symptoms of polio and asked that everyone watch for these symptoms. He stressed that it is very important to catch the disease in its earlier stages and said that common symptoms are: 1. temperature, usually low, around 100 degrees; 2. nausea; 3. muscular pain in any part of the body; 4. dizziness; 5. loss of energy and 6. (in the later stages) inability to walk.

Recommendations Made

The health officer made the following recommendations to the city parents: Keep children under 15 out of crowds and public places; avoid fatigue; keep regular hours and get plenty of sleep and rest; observe personal cleanliness in every respect; and, most important, take any measures necessary to keep premises free of flies.

TRAINING SCHOOL HELD ON MAY 23

Miss Gladys Darden, Home Management Specialist from A. & M., conducted a leadership training program on work simplification in the home demonstration agent's office May 23. Each county Home Demonstration Club was represented and the leader made plans to carry back to their respective clubs the information given them by Miss Darden.

Simple, easy and energy-saving methods of cutting and sewing garments were discussed and demonstrated by the specialist.

Since the Home Demonstration Clubs are planning to take up the study of landscapes in the fall, Miss Darden gave a discussion on simplification of the landscape. This program will be given by the leaders to their clubs in June as an introductory program of landscaping.

CEMETERY NEEDS TO BE WORKED

Several persons have come by The Enterprise office this week and called attention to the fact that the local cemetery is in dire need of working.

One lady said that the weeds are getting more than waist high and that she would be willing to help pay the wages of someone to clean up the cemetery.

Mrs. T. B. Dye of Olive Branch, Mississippi, cousin of Mrs. Fred McDonald, Sr., is visiting in the McDonald home. Mrs. W. J. Robinson of Graham, who has been visiting them, returned home this week after an eight-day visit here.

THE KEY TO SUCCESS

The man who achieves high honor or fame,
After all is just human; you are the same.
The man who becomes a millionaire, too,
Is merely a man and so are you.
We develop our talents by what we do;
Great men may have less talent than you.
But unless in yourself you surely believe
You will in this world very little achieve.
THE FIRST NATIONAL BANK has found a man
Seldom does more than he thinks he can.

National Advertising Representative
AMERICAN PRESS ASSOCIATION
NEW YORK - CHICAGO - DETROIT - PHILADELPHIA - BOSTON

Prospects for inclusion of mohair in the revised long-range agricultural program appeared brighter last week after hearings were concluded on the subject. The House Agriculture Committee is expected to report an overall measure in the near future.

Appearing with me before the Committee last week to plug for the mohair producers were Ernest Williams, Secretary of the Texas Sheep and Goat Raisers' Association, along with Jake Mayfield of Del Rio, Casey Jones and Byron Wilson. The latter two represent the National Wool Growers' Association.

Briefly, we requested that mohair be given the same or comparable treatment with wool, cotton, etc. and that it be defined in the new law — if one is passed — as a form of wool.

Representative Bob Poage, of Waco, a Member of the Committee, was particularly helpful in developing our case and announced that in his judgment mohair should be included in the program.

We also testified before the Subcommittee of the House Interstate and Foreign Commerce Committee in support of my bill to amend the Wool Products Labeling Act so as to require labels of fiber contents to be attached to all upholsteries.

The law now exempts upholsteries from the labeling requirements and this loophole has been taken advantage of by some furniture manufacturers and dealers. Some of them advertise furniture as being "mohair" which actually contain but a small content of mohair. This practice hurts the reputation of mohair, permits unfair and fraudulent competition in the trade, and is obviously misleading to the consuming public.

I feel confident the bill will be favored by the Committee.

Among our Texas visitors last week were two Air Force officers enroute to Europe. Captain William P. Riddling of San Angelo, who helped bomb the Nazis into submission and who was formerly Personnel Officer at Bolling Field here, is going to Frankfurt where he expects to be stationed for three years.

Captain Riddling was more recently stationed in Oklahoma and also at the Air Base in San Marcos. His wife and two children will join him later.

Heading for an assignment in Greece was Lt. Curtis Lloyd Utterback of Bracketville. He will be senior officer of an Air Force contingent to be stationed at Salonica and will be attached to the United Nations there. His tour of duty will last for one year. Mrs. Utterback, the former Dottie Goble of Waco, will likely remain in Texas because of the unfavorable living conditions in Greece at present.

Lt. Utterback, who left Baylor Medical School to take a permanent Air Force commission and embark on a regular army career has flown 3,700 hours and for the past two years has

been an advanced instructor at Randolph Field.

Among others in the Capital last week was Reserve Lt. Breuts Kenley of San Angelo, who concluded a two-week "refresher" course for the Navy in firearms research.

Mrs. Maud Dabney, also of San Angelo, came by to see us. She is enjoying a visit with relatives and friends on the Potomac.

A gem of thought was included in a letter from a constituent the other day. After commending the stand taken by the Democrats who refuse to vote for certain legislation sponsored by the party leadership where it is not good for the country, he insisted it is the duty of loyal Democrats to vote against such measures. Right-thinking Democrats should think of the country's welfare first, he said, and help hold the party in line. In fact, he said he endorsed the thought contained in this verse:

"Things have come to a wondrous pass
When a man can't wallop his own jackass."

HERE'S BLACKWELL . . .

By Mrs. Charles Ragsdale

Mr. and Mrs. Roy Young of Big Lake spent the weekend with Mr. and Mrs. Eddie Dawson.

Mrs. D. T. Hunt has gone to Tyler to be with a brother-in-law who is seriously ill.

Mr. and Mrs. E. Alley of Roscoe spent the weekend with Mr. and Mrs. R. T. Spence.

Mrs. Will Whiteside is visiting in Dallas and Longview. While in Longview she will attend the graduation exercises of her granddaughter, Lenore Whiteside, who is graduating from North Texas State College in Denton.

Rev. and Mrs. E. N. Goode are leaving Tuesday for Amarillo to attend the Methodist conference. They will then go to Trinidad, Colorado to be with Rev. Goode's brother, who is seriously ill.

Mr. and Mrs. Frank Youree will attend the graduation exercises of their son, Jack, who is graduating from Hardin-Simmons University in Abilene.

Funeral services for Charlie A. Jones of Sacramento, California were

held at the First Methodist church in Sweetwater yesterday. Mr. Jones is the father of Mrs. W. C. Shamblin, Sr. of Blackwell. He passed away in Sacramento Sunday afternoon. His wife and daughter accompanied the body from California. Interment was in the Blackwell cemetery under the

direction of Wells Funeral Home of Sweetwater.

Mr. and Mrs. O. S. Kiker recently spent a couple of weeks in Rotan with relatives.

Bronte School Classes Summarize Work And Activities For Last Year

(Editor's note: These summaries of each class were written for the Enterprise by students or teachers and are intended to give the readers an idea what their children have accomplished during the past school year.)

FIRST GRADE: Our first year in school has been fun — we have learned to read, to write, to spell, but most

of all, we have learned to get along with each other. We are learning to make good citizens of the future. We have lots of classmates and hope to move on throughout our school life as the largest class this school has ever had.

We wish to thank the PTA for giving us so many new books. We have enjoyed them and will leave them behind for the classes who will follow. Our mothers and our teachers have given us a Christmas party, Easter egg hunt and other socials this year. We have enjoyed them all.

We are looking forward to the end of school when we can play and play. But it won't be long before we will be

back as great, big second graders.

SECOND GRADE: Our enrollment has stayed about the same all year. Seven of our class did not go to school in Bronte last year and one of them had his first year in California.

We had happiness as our aim this year — happiness for ourselves and others. We enjoyed our Holland and Chinese units more than any others.

Epsie Jo Hageman, Juanita Wrinkle, Jettie Lou Kirkland, Cecil Earnest, Sue Thorp and Linda Smith have read more than twenty library books each since mid-term. Most of our class has started scrap book hobbies for the summer.

THIRD GRADE: We had 37 pupils enrolled during the year and now have 30 on the roll. The third grade pupils wish to thank the room mothers for the parties which the pupils enjoyed so much. We especially enjoyed the units on Holland, China and Birds.

Those having a perfect attendance record for this year are: Aletha Murtishaw, Billy Gene Mitchell, James Arnold Tidwell and Aubrey Don Denman.

FOURTH GRADE: Thirty-three students are now enrolled in the fourth grade. Devilla Pointer is a new pupil from Big Spring. Janette Matthews, Genoviva Garcia, Margie Hillard and Charles Hilliard have withdrawn recently.

James Vernon Andrews is the only student in the fourth grade with a perfect attendance record for this year.

FIFTH GRADE: Thirty-seven pupils have been enrolled in our grade this year. Bobby Webb is the only student with a perfect attendance record. Rickie D. Hester and Pinky Gentry recently had the mumps. Mary Jane Powell won second place with a skirt she made in the 4-ft club. The girls modeled their garments.

SIXTH GRADE: Seventeen boys and sixteen girls made up the enrollment of 33 for the sixth grade this year. Our room is small but we managed to find seats for all, even though some pupils practically had to sit on the blackboard.

Sixth graders who have moved away from Bronte are David Ortiz, Kenneth Garrett, Shirley Scott, Mary Reyes, Mozelle Mayo and Glenda Gillan. New pupils who have joined us are Barbara Singleton of Sweetwater and Jimmy Thorpe of Coleman.

The sixth grade has been active in school affairs this year. Highlights of

the year include the following: Judith Anderson and R. J. Millikin were crowned grade school queen and king of the Halloween Carnival; Judith Anderson and Bill Maxwell entered spelling contests in the Interscholastic league and the winning team, of which Judith was a member, won second place in district contests; Mary Ann Gray won over nine opponents in the grade school declamation contests and chose as her declamation "I Know Something Good About You". The following sixth graders received state reading certificates for having read ten recommended books during the school year and will receive their awards at the eighth grade graduation exercises — Mary Ann Gray, Judith Anderson, Donnie Ray Braswell, Bill Maxwell, Frances Ann Carlton, Kenneth Scott, Deenie Hester, R. J. Millikin, Harold McCutchen, Jo Ann Rusk, Oleta Hurt and Joyce Seymour.

The sixth and seventh grades sold candy to buy an unabridged dictionary.

Two sixth graders have not been absent or tardy this year. They are Bill Maxwell and Harold McCutchen. We are proud of our class spirit, ability, ideals and sportsmanship. We have enjoyed the past year and hope to do even better next year.

SEVENTH GRADE: We've had lots of fun this year and particularly have we enjoyed Mrs. Fancher as our home room teacher and Mrs. J. O. Raney, Mrs. R. S. Walton, Mrs. S. Best and Mrs. V. C. Lammers as our room mothers.

Officers of our class the past year were: Jimmie Joyce Raney, president; Eddie Roy Braswell, vice-president; Shirley Marie Tomlinson, secretary-treasurer and Eddie Roy Alexander, reporter.

We have had many parties this year that were most enjoyable. We had a Christmas party with a Christmas tree, candy and fruit bags, picnic plates and cokes were served at the city hall. We had heart-shaped cookies and cokes at school on Valentine's Day. Another big event was a skating party at Robert Lee. The fifth, sixth and seventh grades all attended. Sandwiches and cokes were served. We are hoping for an end-of-school party.

New members this year include

For June 3, 1949

Page Three

Peggy Griffith, Rena Mae Singleton, Corena Manos, La Jean Word and Ronnie Howell.

Bobby Tucker and Harold Denton have moved away from Bronte. Now on the roll are Eddie Roy Alexander, Jimmy Best, Eddie Roy Braswell, William Fletcher, Oneta Brown, Wayne Caffey, Doyle Caulder, Jimmy Foster, Carolyn Gentry, Peggy Griffith, Ronnie Howell, Wilma Nell Hester, Gail Lammers, Corena Manos, Donald Mauldin, Rita McCutchen, Jimmie Joyce Raney, Billy Ray Scott, Rena Singleton, Jean Timmons, Shirley Tomlinson, Jo Dell Walton, Shirley Ann West and La Jean Word.

EIGHTH GRADE: The eighth grade graduation into high school was held last Wednesday night, May 25. Mrs. Chet Holcombe played the professional and recessional marches and

J. T. Henry gave the invocation. Eddie Sue McAulay was the salutatorian of our class and Jimmy Gray the valedictorian. Mayor H. O. Whit made the graduation address. W. N. Gaddy presented the awards and diplomas and Clifford Clark gave the

WHEN A KITCHEN IS PRACTICAL and PRETTY

... OF COURSE—IT'S *Electric!*

There was a time when you had to choose between a pretty kitchen and a practical one, but not nowadays. An All-Electric Kitchen is both practical and pretty. It is practical because you base your plans on an Electric Range, Electric Refrigerator, Electric Dishwasher, and plenty of electric outlets for the convenient use of electric mixers, waffle irons, toasters and many, many other electrical appliances. Around these appliances you build "Electric Time-Saving Centers." This equipment does so much of your work for you automatically that you'll have more time for leisure. And it's pretty, because there's practically no limit to what you can do decoration-wise with an All-Electric Kitchen. If you plan to build or remodel, our Home Service Department will be glad to help with your kitchen plans. When a kitchen is both practical and pretty...

OF COURSE—IT'S *Electric!*

A MODERN KITCHEN INCLUDES

Refrigeration Center, built around your electric refrigerator which provides ample food storage and large freezing capacity. Adjacent work surfaces provide space for food preparation.

Dishwashing Center, featuring electric sink with automatic dishwasher and garbage disposal unit. The Electric Dishwasher handles not only dishes and silver, but pots and pans as well—washes them shining clean, and dries them without wiping.

Cooking Center, with electric range as central unit. The Electric Range provides safety, better meals—due to controlled heat—coolness, easier cleaning, durable, reliable simplicity, and beauty plus economy of operation.

ADAPTED WIRING: This simply means: 1. Large enough electric wires. 2. Enough circuits. 3. Plenty of outlets and switches.

Company

YEAR'S ACTIVITIES

(Continued from page 3)

benediction. Bill Maxwell played a violin solo, "Carnival in Venice." Ushers were Jo Dell Walton, William Fletcher, Carolyn Gentry, Jimmy Wayne Best. W. N. Gaddy was our home room teacher.

SOPHOMORES: Sophomore class officers for 1948-49 were Gerald Sandusky, president; Billy Wayne Hipp, vice-president; Juanetta Coalson, secretary; and Peggy Culp, reporter. The most popular boy was Gerald Sandusky and the most popular girl was Colleen Arrott. Colleen was also the sophomore candidate for Halloween queen. Bobby Franklin was elected most likely to succeed by acclamation.

New students this year were Colleen Arrott, Doris Mayo, Marian Giffets, and Gwendolyn Earnest. We had four parties this year given by our room mothers, Mmes. Sandusky, Wherland, Huffaker, Adair, Culp and Vaughn. J. T. Henry was the class sponsor.

Doyle Adair, Woodrow Howell and Don Daniels were on the judging team that won first place at Abilene in livestock judging and terracing.

JUNIORS: Nineteen members are enrolled in the class this year. Room mothers are Mmes. Millikin, Clark, Hester, Walton, Scott and Arrott. The

class activities were financed by class dues. Officers of the class are Bobby Clark, president; Kenneth Hester, vice-president; Norma Gentry, secretary-treasurer and Billie Millikin, reporter. Mrs. J. T. Henry is the class sponsor.

Marlene Arrott and Kenneth Hester were elected the most popular girl and boy and Norma Gentry was elected as the most beautiful girl. The most handsome boy was Bobby Clark. Billie Millikin was elected as the high school Halloween queen. Bobby Clark accompanied her to the throne.

Junior representatives in typing at the interscholastic league were Billie Millikin and Dorthey Scott. Dorthey was elected queen of the Bluebonnet Belle Relays in San Angelo.

The happiest event in the year was the Junior-Senior banquet and prom. It was a lot of hard work for each member and each mother but we enjoyed every minute of it. The class took a trip to Christoval on May 14 and 15.

SENIORS: The seniors of 1948-49 have had their share of fun and thank our room mothers and our sponsor, Mr. Vetal Flores, for making this possible. As we draw near the end of the senior year, let's look back at the entertainment we have had.

On the night of October 2, we enjoyed a lawn party at the home of Mr. Flores and we enjoyed a party a little later with the Juniors at the Tidwell's house. We had as much fun as if we had not had an English test the next day.

On the night of Dec. 22, the Seniors went to Wayne Arrott's house for a Christmas party. The house was deco-

rated with a beautiful Christmas tree and card tables filled with food were in the living room. After dinner, the group exchanged presents on the tree and made our last Christmas together as a class a merry one.

The seniors enjoyed an Easter egg hunt in Ballinger park in April and on Saturday, April 30, attended senior day at Hardin-Simmons in Abilene. The group enjoyed the cowboy band and the cowgirl band and everyone imagined that the Abilene food supply would be low the next day. That evening, the group stayed through wind and dirt to see the rodeo but the class will never forget their senior day.

The Juniors entertained the Seniors later with a picnic in Ballinger park and a show there afterwards. Our thanks to the Junior class for showing us a good time.

And then, of course, we enjoyed the Senior trip. The group stayed three nights in San Antonio and if they missed any kind of amusement, they did not know what it was. The places they visited included the Alamo, Buckhorn Saloon, Brackenridge park and many other historical points. Saturday morning, the group went to Austin and spent some time climbing the winding stairs to the top of the capitol. After a night in Austin, the Seniors went through the Longhorn Caverns and visited the Buchanan Dam. Everyone arrived home safe and sound.

As for the future, the Seniors plan to eat lunch in the Cactus Cafe after the Baccalaureate services and also plan to march down the aisles with smiles on their faces to receive their diplomas. We are all looking forward with a great hope of success and happiness and making a better generation.

Speech Department

Eleven members were in the 1948-49 speech class. Each member gave at least one speech. On Feb. 2, the class attended "Arms and The Man", given at the San Angelo city auditorium by the Barter Theatre group of Virginia. The class also gave two one-act plays, "What Grandma Knows" and "Blue Beads" on March 18. On April 29, "Don't Be Bashful", a three-act comedy, was produced by the class. We, as a class, have enjoyed sharing the experiences, entertainment and work with each other.

Music Department

Besides the regular work of the department, the students have made several public appearances. The group entertained the PTA and gave numbers between acts at the senior plays. Mothers were entertained with a Christmas recital and tea. Mrs. Phillips took the class to San Angelo to a concert and she attended a lecture given by the son of John Thompson, publisher of some of the graded books studied in the class. The class and Mrs. Phillips express their appreciation to Lamar Chapman and to Bill

Maxwell for the help given them. Mrs. Phillips plans another music class next year and students and parents interested in this work should contact her.

Boy Scouts

The troop was organized in 1947 and started out with 12 members. Rev. Alvin Mauldin is scoutmaster and the troop now has 20 members with three patrols. The senior patrol leader is Alvin Mauldin, Jr. Among the many activities of the scouts this year were hikes, tests and regular meetings. Any boy over the age of 12 is eligible for the troop and welcome to join.

4-H Club

Joyce Wrinkle was elected president of the 4-H club at its organization on Feb. 9 of this year. Jo Dell Walton was elected vice-president, Jimmie Joyce Raney, secretary-treasurer and Eddy Sue McAulay, reporter. Camille Martin was named recreational leader and Mrs. H. A. Springer and Mrs. James W. Scott are the leaders. Most of the members made garments for the county 4-H dress revue. Eddy Sue McAulay won second place in the county on her dress. The girls will attend a 4-H encampment this summer.

Meetings are held on the second and fourth Wednesdays of each month at the school at 10:30 a. m.

Latin-American Students

We owe much to our Latin-American friends and students. Through them, we are learning the principles of democracy, something we cannot learn from books. Many of our best students have come from this segment of society. We are proud of these students. Every day we try to prove to ourselves and to the world that race, color or creed has nothing to do with one being a good citizen. We need more of this understanding and cooperation if we are to live and survive this critical age. We are achieving this within our school and it can be made world wide if only we become worthy leaders and followers of tomorrow.

BROOKSHIRE BROWSINGS

By Mrs. Herbert Holland

Miss Gene Fletcher of Yuma, Arizona, returned home Friday after a two-weeks' visit here.

Mr. and Mrs. Irving Horton will take their son, Ted, to Dallas Friday for further treatment of his broken arm.

San Angelo shoppers Friday were Mr. and Mrs. James Lee, Mrs. James Holland, Mrs. Floyd McCarty, Mr. and Mrs. Hurlen Lee, Mr. and Mrs. A. J. Essary and Mrs. Jim Clark.

Mr. and Mrs. Chris Doose visited in Eldorado Saturday. Jodie and B. V. Hedges and J. C. Boatright went fishing at Lake Brownwood last week.

Mrs. Jodie Hedges visited Mrs. James Holland Wednesday.

Mr. and Mrs. H. C. Hedges visited Mr. and Mrs. A. J. Essary Thursday night.

Mr. and Mrs. Ellis Wade and son spent Sunday with the Bill Alexanders.

Mary Lou Alexander is visiting her sister, Mrs. James Harris, and family in San Angelo this week.

Norben Alexander spent Friday night with the Henry Boatrights in Miles.

Mr. and Mrs. Bennie McMurry, Mrs. Earl James of San Angelo visited Mr. and Mrs. Jim Clark Monday. Mrs. Homer Clark of San Angelo visited them Wednesday and Mr. and Mrs. Cecil Lowry of San Angelo were their Sunday guests.

All-day services at the Baptist church were well attended last Sunday with about 115 present in the

morning and 75 present in the afternoon. Rev. Van Gladen of Abilene, pastor of the Maverick Baptist church, delivered the morning sermon and Rev. Vernon Price, pastor of the Bronte Baptist church, delivered the afternoon sermon. Rev. C. B. Baker, pastor of the Tennyson Baptist church, brought the evening message. Rev. Charles Hedges of Midland and Rev. Lee Roy Stuckey of near Sweetwater also attended the services. Theme of the meeting was "Field White Unto Harvest." Special music was rendered by Mr. Bruce Brooks and Miss Mary Curee of Hardin-Simmons.

Mr. and Mrs. Melvin Teague of San Angelo visited the Franklin Thomas home Saturday.

Miss Lola Mae Holloway spent Sunday with Dorothy and Iva Lee of Hrtton.

Nila Fay Holden visited Mary Brown in Tennyson Sunday.

**BRONTE JR. CLUB
STUDIES CORSAGES**

Members of the Bronte Junior home
demonstration club studied corsage
making at their Wednesday meeting
in the home of Mrs. James W. Allen.
About twenty were present and each
one made a corsage.

Two new members, Mrs. Dee Estes
and Mrs. Collin Sayner, were intro-
duced to the members. A refreshment
plate of chicken salad sandwiches,
angel food cake and cokes was served.

**BLACKWELL WSCS
NAMES NEW OFFICERS**

By Mrs. Charles Ragsdale

The Blackwell WSCS met Monday
in the Methodist church parlor with
Mrs. Austin Jordan presiding over the
business meeting. Mrs. Jordan was
elected as president of the organiza-
tion for the coming year and Mrs. H.
C. Raney was named vice-president.
Secretaries elected were: Mrs. W. Y.
McRorey, recording; Mrs. D. T. Hunt,
corresponding; Mrs. P. G. Dabney,
missionary education; Mrs. Cecil
Smith, spiritual life; Mrs. J. W. Leach,
Christian relations; Mrs. Charles Rags-
dale, supplies; Mrs. F. S. Youree,
publicity; Mrs. Roy Sanderson, status
of women; Mrs. L. W. Sweet, stu-
dents' and children's work; and Mrs.
Raymond Dyess, youth work. Mrs.
T. A. Carlisle was elected treasurer of
the group.

Plans were made for a zone meet-
ing which will be held in Blackwell
on June 7. Mrs. P. G. Dabney gave
the lesson on the 5th chapter of
"China - Twilight or Dawn."

Present for the meeting were Mmes.
J. W. Leach, T. A. Carlisle, C. B.
Smith, Charles Ragsdale, P. G. Dab-
ney, Austin Jordan, R. B. Kirk and
W. Y. McRorey.

Dr. J. R. Harris returned last Fri-
day from a medical meeting in
Rochester, Minnesota. He left Bronte
Sunday and made the trip by plane.

TENNYSON MEN PLAN FARM, RANCH WORK

C. N. Webb and a group of his neighbors met at the Tennyson school house for their second planning meeting May 18, 1949. Treatment recommended by the Board of Supervisors in their program and plan of work on cropland and also rangeland was discussed by A. V. Sheppard, Work Unit Conservationist with the Soil Conservation Service, assisting the District. The group was organized last November and eleven landowners made application for assistance in planning and applying a complete coordinated program. The district is now rendering land owners assistance in developing their plans and staking any work that they plan to apply immediately. Each land owner in the group scheduled a date with Sheppard to receive planning assistance.

While studying range grasses, Frank Sayner, a member of the Mule Creek Group and a district cooperator, has decided that the only way to whip bitterweed is to choke it out by growing more and better grasses through better range management. "I am convinced that there is no mechanical or chemical treatment that will control bitterweed," Sayner said. "Bitterweed was put here by nature when man interfered with nature and nature will take it away if man does not interfere with nature's balance," Sayner added. J. I. Williams, J. P. Arrott, and Frank Sayner are three land owners

who completed a plan on their farms and ranches last week. These plans will be submitted to the Board of Supervisors of the Coke County Soil Conservation District, at their next regular meeting. If the plans meet the standards of work as outlined in their program and plan of work, the Supervisors will enter into an agreement to furnish the land owners with technical assistance in applying the plans just as fast as the land owners can get conservation put on the land.

Here's Blackwell

By Mrs. Charles Ragsdale

Following the graduation exercises Friday evening, the Blackwell seniors were entertained with a coke party in the C. B. Smith home. The class "bashed" over old times and old pictures, and new pictures were made of the group. Cokes, sandwiches and cookies were served.

Mr. and Mrs. Bud Caruthers have as their guests, Cpl. and Mrs. Jack Caruthers of Mt. Clemons, Michigan, Mr. and Mrs. B. E. Caruthers, Sr. of Tulsa, Oklahoma, and B. N. and Mel-

vin Caruthers of San Francisco, California.

Mr. and Mrs. Robert Reaves of San Angelo spent the weekend with Mr. and Mrs. R. H. Reaves.

Mr. and Mrs. R. T. Whitehead attended a singing in the Pleasant community Sunday.

The Roy Sandersons and H. C. Raneys had as their guests, Mrs. Harvey Glass and son of Sterling City, Rev. and Mrs. Bob Harris and daughter, Jonila, of Dallas and Miss Bettye Sanderson of Snyder.

Mr. and Mrs. F. S. Youree have as their guest, her father, Mr. Gillespie, of Jerman.

Mr. and Mrs. Arnold Richards and children of Abilene visited relatives and friends in Blackwell Sunday.

Miss Maritha Reynolds of Dumas is spending the summer with her grandparents, Dr. and Mrs. J. W. Reynolds.

Mr. and Mrs. Granville Lilly and Mr. and Mrs. Bobby Davis of Spear-

man were weekend guests of Mr. and Mrs. C. M. Ratliff. Mrs. Lilly was formerly Ruby Pearl Hunt. They were married May 15.

Mrs. Louis Rosser and children of Bronte visited Mr. and Mrs. Everett Bryant Sunday.

Mrs. D. T. Hunt has as her guest, her sister, Mrs. Lizzie Bateman, of Okaloma.

Mr. and Mrs. H. C. Raneys are visiting in Dallas.
