Bronte Soldier Participating in Caribbean "War"

Pfc. Richard Bell, of Bronte, is training at the U. S. Naval Amphibi- ialist from Texas A&M Extension deous Base, Little Creek, Virginia, prior partment will be the guest speaker. to taking part in exercise Portrex, a joint airborne-amphibious training for five weeks, are planned. Fire maneuver to be held in the Caribbean | Chief Bon Spoonts said that local area during late February and early March.

A member of Company "B", 78th Combat Engineer Battalion, Pfc. Bell will be trained in amphibious tactics by marine corps and navy veterans of by marine corps and navy veterans of wartime Pacific landings, after which Myers Funeral his company along with other organizations from all branches of the armed forces will sortie forth for Vieques under the command of Lt. General John R. Hodge, invasion commander.

For the purpose of the exercise, Vieques, an island located six miles southeast of Puerto Rico, will be defended by the "aggressor" force, the newest type training aid used by the armed forces. Climax of the maneuver will be a land, sea and air assault on this tiny isle.

Exercise Portrex is planned to test new amphibious and airborne techniques and equipment, to accumulate knowledge and data concerning the principles governing a joint operation, and to indoctrinate army, navy, air bits hunting. Womack himself called force and marine corps personnel in Constable C. L. Fox following the joint operations for increased efficiency of the armed forces as a fighting

Upon completion of the exercise, Pfc. Bell will return with his company to Fort Benning, Georgia, permanent station of the 78th combat engineer battalion.

County Agent's Column

Robert Lewis Jay and Morgan Russell showed their lambs at the Socthwestern Livestock Show last week. Robert Lewis' three crossbred lambs weighed in at 132, 123 and 120 and placed third in their class. Morgan's fine wool lambs weighed 120, 105 and 98 and placed fourth in pens of three. This was their first time to show at any show. Terry Frank Bryan sent along three 4-month-old pigs that weighed in at 183, 182 and 172. These were shown for Terry Frank by

Only Servel the GAS Retrigerator STAYS SILENT - LASTS LONGER

Look at both types of refrigerators. One uses motor, machinery, moving parts to make ice and cold. The other-the famous Servel Gas Refrigerator-operates with a tiny jet of gas flame. Not a single moving part to wear or make noise. So Servel alone stays silent, lasts longer. Come see the new Gas Refrigerators today.

Statement of a North Texas banker on file at Humble Oil & Refining Company, Houston, Texas.

Esso Extra is the best

gasoline l ever used"

You may have heard those words yourself. Not once, but over and over again, users have pronounced Esso Extra gasoline the best they ever used. They've noticed the extra anti-knock performance of Esso Extra, they've noticed the extra power. And there's a patented solvent oil in every gallon that keeps your motor extra clean.

Join the thousands of Texans who praise the extra performance of Esso Extra gasoline. Stop today-and fill up at any Humble sign.

"It's something extra for your money"
