**LIFE AND DEATH**—Critically wounded by UN forces mopping up on the outskirts of Pyongyang, the fallen red captain, a Communist soldier lies on the hood of this jeep. Sitting in the jeep, an unidentified British soldier shields a North Korean baby from the grim sight before him.

## Oil Tests in Bronte Area Drilling Ahead

Oil developments in the Bronte area were drilling ahead this week. No sensational developments were recorded but most all of the tests were going down according to schedule.

Humble No. 4-B J. L. Brunson, test in the Bronte Field southwest of town, had reached 2,000 feet Wednesday night. This field test is scheduled to drill to the Palo Pinto pay section.

A daily potential of 1,342.16 barrels of oil has been announced for Union Oil Co. No. 4-B Daisy McCutchen, the largest producer in the McCutchen Field. The oil tested 44.6 gravity.

Gas-oil ratio was 203-1. Production was from a perforated section from 3,940 feet in the Cisco sand. The producer is located 1,320 feet from the north and west lines of section 445-1A-H&TC survey.

King No. 1 Brookster Estate, wild-cat five miles east of Bronte was drilling this week at 4,850 feet. The operation was held up for some time this week due to a breakdown. Some oil and salt water were recovered on a drillstem test of the Palo Pinto last week.

In the Coke County sector of the Fort Chadbourne Field Humble No. 10 Sallie Odom was drilling Wednesday at 4,132 feet. Humble No. 7 Odom was drilling below 4,250 feet.

C. W. Strake has made two locations in the Fort Chadbourne Field. No. 3 Mary L. Stubblefield will be 30 feet from the north and 2,196 feet from the west lines of section 282, H. W. Baylor survey. No. 3 Elo Michaelis will be 2,196 feet from the north and 330 feet from the west line of Hiran Friley survey 448.

Burdell Oil Co. No. 3 Z. Sowell will be 467 feet from the northwest and 1,400 feet from the southwest lines of C. C. Phillips survey 18.

A rig reportedly was going to be moved in on the W. A. Hickman place Thursday. The block is just south of the Colorado River and approximately five miles southwest of Bronte.

Humble No. 1 E. H. Schuch, wild-cat in south-central Coke, was drilling this week below 6,655 feet in shale and dolomite. Several tests have shown no oil.

Webb said that the money is used by the soil conservation district to buy seed or equipment or anything else needed in carrying on the conservation work.

A check received earlier this year was used to purchase four grain drills complete with attachments for sowing grass seeds.

Webb said that this money is furnished by the state and has no connection with payments which the cooperator receives from the federal government for his soil and water conservation work.

The plans included such practices as range improvement, construction of level terraces, contour farming, protecting crop stubble and maintaining on or near the surface of the soil, seeding range and pasture grasses, and seeding of winter and summer legumes to enrich the soil and increase the soil organic content.

W. C. Shamblin, member of the board of supervisors, completed a ranch pond last week. The pond was constructed to give better distribution of livestock water and to reduce trampling by livestock and to control soil erosion around his watering places. The constructing of the ranch pond is a part of Shamblin's conservation plan that is being applied on his ranch located three miles southwest of Blackwell.

District cooperators should make plans to protect their crop stubble, is the statement made by D. K. Glenn who is a district cooperator with the Coke County Soil Conservation district. Protecting crop stubble and maintaining it on or near the surface of the soil will give greater and more lasting results for expense and effort expended on any practice applied, Glenn said. "I find crop stubble will increase the rate of intake of water during rainfall, controls excessive soil temperature, controls wind erosion, reduces evaporation, retards rate of runoff, and breaks up the rain drop impact," Glenn explained.

## LET'S PICK UP THE TRASH

(An Editorial)

Bronte's streets looked mighty good the other morning after they were swept by the highway department's machine. Everything looked spic and span—but not for long.

In the next day or so the usual accumulation of paper and other debris had gathered at the curbs, making it difficult to tell that the street sweeper had come along that way.

Members of the Bronte Lions club, in their meeting Wednesday, discussed the purchase of trash cans for the main street. This is an excellent idea and should stop a lot of trash from being thrown in the street. It's particularly a good idea if the people of Bronte would throw their trash in the cans.

Regardless of the action of the Lions club in this matter, if the people of Bronte would refrain from disposing of their garbage until they have access to a trash can, our town could experience a face lifting. The old gal could be made to look as pretty as a 16-year-old maid.

It would take so little from everybody to accomplish so much.

## Former Resident Buried at Ralls

Last rites were read at the Ralls Methodist church Sunday afternoon for D. E. Prewitt, 82, who passed away Saturday in a Crosbyton hospital. He had entered the hospital Thursday for surgery after being in ill health for several years.

Officiating at the services were Rev. Uel D. Crosby of Lubbock and Rev. W. R. Beard, church pastor. Interment was in the Ralls cemetery with Marr funeral home directing.

Prewitt, a native Texan, was born July 30, 1868, in Milan county. He was married to Miss Blanch Gideon in November, 1893, and lived in Bronte many years, moving to Ralls from here. He had served in many official capacities in the Methodist church and was an active member until the time of his illness. He was in the grain and feed business until he retired and turned the business over to his son, Ira Prewitt. Mrs. Prewitt preceded him in death about three and a half years ago.

Survivors include one daughter, Mrs. W. D. Gollier, Ralls; three sons, Ira Marvin and V. B. Prewitt, all of Ralls; one half-brother, Ed N. Kinney of Canyon; three sisters, Mrs. Dora Chenault, Paducah, Mrs. Grace Vitrop of Dallas, and Mrs. Alice Jobe of Thackerville, Okla.; nine grandchildren and six great-grandchildren. Mr. and Mrs. T. M. Wylie and Milton Wylie of Robert Lee and Will Gideon of Bronte were among the out-of-town relatives and friends attending the funeral services.

## VALUATIONS UP IN BRONTE SCHOOL DIST.

Tax valuations for the Bronte school district are up some one million dollars over last year, according to figures released this week at the local school. Total valuation in the school district this year is \$2,918,349 compared to \$1,841,819 for 1949. This means some \$29,000 in school taxes will be paid, with the taxpayers paying one dollar on each hundred dollars of tax valuations.

The school district this year is using the same figures as the county in their valuations. Between five and six thousand dollars in taxes have already been collected, which is behind the usual collections for this time of year according to B. D. Sneed.

School taxes must be paid by February 1, 1951. Humble Oil Company is the largest tax payer in this school district, paying a total of \$6,121.10 in school taxes. Hickok & Reynolds are the second largest tax payer and have been assessed \$2,150.80 in taxes.

## WRITES FROM KOREA

Mrs. M. A. Scott received a letter this week from her grandson, S. Sgt. J. W. Athey, who is with the United Nations forces in Korea. The letter was written Oct. 17 and Athey reported that he was well at that time. Mrs. Scott said he gave the following address in case any of his Bronte friends would like to write to him: S-Sgt. J. W. Athey, R A38346-757, Tank Co., 21st Inf., APO 24, c-o P.M., San Francisco, Calif.

## No Immediate Shortage Seen But Water Conservation Urged

### LORIS GILREATH AND KENNETH COOK ARE WED IN NORTON RITES

Miss Doris Gilreath, daughter of Mr. and Mrs. Murry Gilreath of Bronte, became the bride of Kenneth Marion Cook last Friday, October 27, when the couple was united in marriage. The double ring ceremony was read in Norton at 4:30 p.m. by Rev. T. P. Patterson, pastor of the First Baptist Church there.

The bridegroom is the son of Mr. and Mrs. C. E. Cook of Hartfield, Arkansas.

Matron of honor was Mrs. Merle Proctor of Wilmett, Texas and best man was Merle Proctor.

The bride wore a royal blue crepe dress with blue shoes and purse. She also wore white gloves, a white hat, and a corsage of white carnations.

Mrs. Proctor wore a grey suit with tangerine accessories and a corsage of salmon colored carnations.

Following the wedding ceremony

a wedding party was given by Mr. and Mrs. Merle Proctor in San Angelo. Twelve guests were present for the party.

For their wedding trip the couple went to Hobbs, New Mexico where they were entertained by Mr. and Mrs. Doyle Campbell and Mr. and Mrs. Bill Campbell with a luncheon and supper. Mrs. Vaughn Manager of the Walker Hotel in Hobbs also entertained the couple while they were away.

For her traveling attire the bride chose a grey suit with blue accessories.

The couple is now at home in Bronte where the groom is employed by Morgan Drilling Co. and the bride is employed as a clerk in the Bronte Pharmacy. Miss Gilreath has been a resident of Bronte all of her life and Mr. Cook has lived here for one year.

The water supply of Bronte is becoming somewhat short, but there is no cause for immediate alarm over the situation, Mayor H. O. Whitt said Wednesday.

### ELECTION TO BE HELD TUESDAY

A general election will be held Tuesday, Nov. 7, all over the nation. Some places not dominated by the one-party system, will have heated battles at the polls for positions from U. S. Senator to local and precinct offices.

However, in Coke County, the election will only be a token one. As this is not a presidential election year, there is very little interest being shown by local voters.

Some of the state offices are being contested by Republicans, but their chances for election are less than slim.

The election here will be held at the city hall.

The two lakes east of town are getting low, but it is believed that sufficient water can be pumped from the wells at the river south of town to keep townspeople supplied with water.

One of the wells is caved in at the present time, but city officials are doing everything possible to get it repaired, the mayor said.

Whitt said, "I feel that we have plenty of water to do during the winter months, but certainly we must waste no water." He added, however, that unless there is plenty of rainfall next spring, the city is likely to suffer from lack of water next summer.

With more and more people moving into Bronte all the time, present facilities are inadequate, Whitt said. At the same time, he said, city officials feel it a waste of money to set aside any large amount of money for improving the present water system, when they are hopeful that the city will be able to obtain water from the big Oak Creek project when it is completed.

The city water supply is obtained from two lakes, one east of town across the Kickapoo Creek, and the other southeast of Bronte, on the Ballinger highway. The lake supply is supplemented with water from wells near the river south of the city.

The main problem in obtaining water from the wells is not getting the water, Whitt said, but in getting it pumped through the four inch main to the city standpipe in sufficient supply to keep up with the consumption.

### Saddle Thefts Solved En Masse

Thefts of four saddles, three in Coke county and one from just across the line in Sterling county, were solved this week. Three of the saddles were stolen at one time last week, and the other was stolen several weeks ago.

Jessie (Red) Martin, 20, of Phoenix, Ariz., and Bob Sezymarek, 22, who is from Wisconsin, but who has his address as Phoenix, are in the Coke county jail, charged with the theft of the three saddles from the Ed Bynum ranch which is located on the Coke-Sterling county line. Two of them were stolen in Coke and one in Sterling county.

Paul Good, sheriff, said that both of the men had made statements admitting the theft. They were apprehended with the saddles in Post. In addition to the saddles, two blankets, two bridles, and a pair of chaps were stolen.

Neither Martin nor Sezymarek has been able to make bond.

The other theft, which occurred a few weeks ago, was solved this week when a saddle which was stolen from Willis Smith was found at Kilgore. L. B. (Shorty) Ruth, former Coke county resident, is charged with the theft of this saddle. He has been released on a \$1,000 bond.

He, too, made a statement admitting the theft, to Sheriff Good.

The next session of the grand jury, at which the cases will come up, will be the last of February or the first of March, 1951.

## Longhorns Best Loraine, 20-13, In Game Here Friday Night

Coach Jack Price's Bronte Longhorns displayed a lot of fire and team spirit last Friday as they edged the Loraine Bulldogs 20-13 in a district 6-B conference battle, played at the local field.

Both teams have been having dismal seasons; each team had won only one game each before Friday night's game.

Like lightning, the fiery Longhorns struck early to build up a 13 to 0 lead after only 18 plays had elapsed.

Loraine received the opening kickoff but couldn't move. They were held for downs on their own 42 by a determined Bronte line.

Gerald Sandusky skirted right end for 24 and a first down on the Bulldog 18. Marlin McCutchen crashed off tackle to the 17; then Sandusky went for 2 more to the 15. From that

point, McCutchen heaved an aerial to Sandusky in the end zone for a Longhorn score. McCutchen then rattled across the right side to make it 7-0.

The Bulldogs were halted again and were forced to punt. The Longhorns took possession on the Loraine 49; Sandusky lost a yard to the 50, then tossed a long one to McCutchen who was hiding out on the right side line. After McCutchen had latched on to the pigskin he ran 50 yards to the goal to give Bronte a 13 to 0 advantage.

The Bulldogs came back strong. They drove to a first down and goal to go on the Bronte four yard line. Then the Longhorn line dug in and held. Sparked by John Rusk, Bobby Laswell, Bobby Clark, Billy Paul Thomason, J. W. Caudle, and Melvin

Brown they were the "Solid Six". The Bulldogs advanced as far as six inches away from pay dirt but they could go no farther. Backed by Sandusky and McCutchen the Longhorns held the bewildered Bulldogs for downs and took possession of the ball on the four yard line.

After 15 plays the Longhorns drove 96 yards to pay dirt. Sandusky carried to the 7, then to the 13, and then to a first on the 22. McCutchen lost 2 back to the 20, then gained to the 23. A McCutchen to Sandusky pass then gained another first on the 50. Sandusky went to the 44, then after an incomplete pass he raced to the Bulldog 29. Gentry hobbled the ball and lost 7 yards to the 36. Sandusky bucked to the 31 and then chucked an incomplete pass. McCutchen took over the deep slot and his "old reliable" passing arm found Sandusky within inches of paydirt and then finished his journey to put the Longhorns on top 19-0. Sandusky added the point and Bronte led 20-0.

Loraine took to the air to reach paydirt. After taking over on the 10 yard line, the Bulldogs passed to the 44, ran to the 48, passed again to the 17, then another aerial carried to the 12. Lowell Richardson hit Doyle Nix on the 5 and he in turn carried four neck high tacklers across the double stripe. Don Martin added one more and the Bulldogs were down 20-7 at the half.

The second half saw Loraine outscore the Longhorns 6-0. Bobby Price did the scoring.

Gerald Sandusky carried the ball 21 times and picked up 161 yards for an average of 7.7 yards per carry. He has gained 934 yards and caught 25 passes this year in 7 games.

Sandusky and John Rusk sparked the Longhorns on defense.

The Longhorns have an open date for this week.

### Felma Brunson and Linda Lasswell Are Named Hallowe'en Queens at Carnival

Felma Joyce Brunson was crowned Hallowe'en Queen of Bronte high school and Linda Lasswell was crowned Hallowe'en Queen of Bronte grammar school at the annual carnival held at the school Tuesday night. Miss Brunson was escorted by William Franklin and Miss Lasswell was escorted by Albert Gentry.

The pair were seated and crowned by their escorts on a throne surrounded by autumn decorations.

### Mrs. Kate Good Honored on Her 80th Birthday

Children, friends and relatives of Mrs. Kate Good made quite an occasion of her 80th birthday Sunday, October 29, when they gathered at her home. Mrs. Good received many lovely and useful gifts from her well-wishers and expressed her appreciation to all who helped to make her birthday a success.

Present for the day were her children, Mr. and Mrs. Paul Good of Robert Lee, Mr. and Mrs. Walker Good and daughter, Sammie Lee, of Weatherford, Texas, Mr. and Mrs. Homer Good and family of Ozona, Mr. and Mrs. Charlie Baker of Fort Stockton, Mr. and Mrs. Ben Meyer of Shreveport, Louisiana, her grandson, Mr. and Mrs. Bill Baker and daughter of San Angelo; her sister, Mrs. Maude Good and her son, Charlie, of Clyde, and her sister-in-law, Mrs. Venie Hearrell of Abilene.

Matthew Caperton, E. L. Caperton, Jess Percifull and Gerald Sandusky attended the Baylor-Texas A. & M. football game at Waco last Saturday.

Mr. and Mrs. Ervin Elam of Chickasha, Okla., are visiting her parents, Mr. and Mrs. H. T. Sims.

**TACKLES EMBROIDERY**—Six-foot-four Jack Trebilcock, 306-pound right tackle for DeAndreis high school in St. Louis, relaxes with embroidery before kick-off time. Engrossed with a "Lazy Daisy" stitch, the husky grid star says, "I do a little work before each game. It calms my nerves." You can bet that he takes plenty of needling from his team mates.

### THE FALL OF ROME

The pomp and power of Rome is gone,  
While other nations carry on.  
Rome was wasteful and would not save;  
To idle pleasure her time she gave.  
Though she was rich, she lived too high,  
Decay set in, and she passed by.  
And so with man who lives too fast,  
He, too, will fall; he cannot last.  
THE FIRST NATIONAL BANK on the fate of Rome  
Sees a lesson we should all take home.

Jones Cafe and Station to Be Open 24 Hours a Day

Mr. and Mrs. L. M. Jones, owners and operators of Jones Cafe and Station, are announcing this week that in the future they will keep their place of business open 24 hours a day.

The cafe, which is located on highway 277, just north of the Bronte Tractor Company, will be open around the clock to accommodate transient as well as local customers who work at night. The Jones' have been closing each day from 2 a.m. to 5 a.m.

Mrs. Jones said that they hope to better serve their customers by staying open all night.

Working at the cafe will be Edna and Jack Smith, H. E. Rhodes, Lloyd and Norene Alexander, who are all new employees. Miss Myrtle will remain as daytime cook. Others employed by the Jones' are Mrs. Jack Sharp and Mrs. Edna Phillips, who both work days. Mrs. Wilson Sharp will work part time when a fill-in is necessary.

CARD OF THANKS

We sincerely appreciate the fine business which you gave us during the time we operated the City Cafe in Bronte.

That's Why

A woman in a grocery store was shocked by the high price of apples. "They're high all right, me'am," said the clerk. "But that's because they're so scarce."

"Why," protested the woman, "just this morning I read in the paper that there was such a bumper crop of apples that they're rotting on the trees."

"That's just it, me'am," the clerk replied. "That's why they're scarce. It doesn't pay to pick them."

THE DRIVER WAS UP FOR NEGLIGENT manslaughter. He had been in court seven times before. "This is your eighth offense," said the judge. "The court has been lenient before, but I hope you understand what your situation is now?" "Yes, your honor," replied the driver, meekly. "Where's your lawyer?" asked the judge. "I don't have one, your honor," replied the hapless driver. "This is so serious, I decided the best thing to do would be to tell the truth."

ATLAS SAND AND GRAVEL STARTS OPERATION HERE

The Atlas Sand and Gravel plant began operation last Saturday and it was opened for business last Monday, according to Cecil H. Barnes, San Angelo attorney and former state representative.

The plant is located four miles southwest of Bronte on the river on the property of O. L. Johnson.

Home office of the plant is at 350 W. Sixth St. in San Angelo and deliveries will be made from both the home and plant offices.

Richard F. Day, formerly of St. Louis, is the San Angelo office manager and B. A. Lightfoot, formerly of Abilene, is the plant foreman here at Bronte.

The new plant will utilize a 305-W Pioneer Washing Unit. Barnes said the new plant will produce all grades of sand and gravel for sale at retail and wholesale prices.

About 15 men will be employed on the project, according to Barnes.

Women Everywhere like Electric Cooking because it's CLEANER... COOLER and SAFER!

Some day you will COOK ELECTRICALLY why not NOW?

- Here are a few of the reasons Women prefer Electric Cooking It's Fast! Electric "speed units" now cook faster than any other method! It's Automatic! Electric cooking's automatic features save you time, labor and money! It's Cool! Electric ovens are insulated on 3 sides. Heat goes into food and not into the kitchen. It's Safe! No matches, no flame, no fumes to bring hazards into your kitchen! It's Healthful! Foods cooked electrically retain the golden-fresh flavor and food values which are often lost when cooked by old-fashioned flame methods. It's Economical! Low-cost electric rates and faster cooking bring operating costs way down. It's Labor Saving! Automatic features save you work; free you from much kitchen drudgery. It's Modern! Once you cook electrically, you'll wonder why you stayed so long with hodge-podge methods as old-fashioned gas flame lamps. It's Convenient! Designed for modern kitchens, the special features of Electric Ranges mean extra conveniences for you!

The clean flameless heat that comes from an electric coil frees you from the grime... soot... and dangerous fumes usually caused by old-fashioned flame methods of cooking. The flameless heat of an electric range will keep your kitchen bright and fresher longer with a minimum of repainting and upkeep... and pots and pans will stay shiny bright, too! The modern electric range is not just a better range—it's a better method of cooking!

THERE'S A NEW ELECTRIC RANGE FOR YOU See your Electric Range Dealer TODAY!

It's the Best! West Texas Utilities Company

He will tell you more about the wonderful electric ranges... tell you of the ease, convenience, and economies that only modern electric cooking can bring. He'll also tell you of many, many other modern electric appliances that make your work easier, your home more comfortable, and your family happier.

**We're making tracks in the right direction**

We have made much progress toward our goal of providing telephone service for all who want it. This has been done despite continued material shortages and slow deliveries of sorely-needed equipment. We are hopeful that equipment difficulties will ease up before too long. When they do, you may be sure we'll be going "all out" to speedily serve everyone still waiting.

**Flag Pole Erected At Court House**

By TRAVIS HICKS, County Agent

The United Nations Day Anniversary observance was conducted in all the schools and towns of Coke County on October 24. Programs were prepared and rendered in Bronte, Silver, and Robert Lee schools. WHD ladies made U.N. flags and presented them to the schools and one to the county judge for the court house.

The boys' 4-H Club purchased the material for making the flags. The county agent in cooperation with the respective schools and the county judge prepared programs to be carried out at the various places. These celebrations were so timed that the county agent could attend each program. Pictures were made at each place. At Bronte and Robert Lee the American Legion had charge of raising the flag with due ceremony.

There has been no flag pole at the court house for more than fifty years. The Lions Club erected a 60-foot flag pole, painted aluminum and equipped with rope and snaps. The U.N. flag was first to be raised on the new flag pole.

We feel that the Extension Service was fortunate to be able to take an active part in this United Nations program.

By BILLIE TOUNGET

Mr. and Mrs. Melvin James and baby visited Mr. and Mrs. Bert Cornelius Sunday.

Bro. Smith of Carlsbad was a dinner guest Sunday of the R. B. Caldwell.

Mr. Bud Bell of Bronte visited Mr. and Mrs. Irv Little Sunday.

Congratulations to Mr. and Mrs. birth of a son, born recently in a St. Elton McGinnis of Eldorado on the Angelo hospital. Mr. and Mrs. Claude Ditmore of Tennyson are the maternal grandparents.

Mr. and Mrs. Ed Harrell of Sonora spent the weekend with the L. Y. Harrell and W. T. Green families.

Shirley and Chester Roy Derrick spent Sunday with Mr. and Mrs. C. D. Derrick.

Mr. and Mrs. Clifford Hegaman and family of Bronte visited Mrs. Sudie Brown Sunday evening.

**SENIORS HAVE WEINER ROAST**

The Senior Class was entertained with a weiner roast Monday night at the home of Mr. and Mrs. J. T. Henry, class sponsors. The group enjoyed hot dogs, cookies and punch, which were prepared by the room mothers.

Members of the class who were present are: Gerald Sandusky, Dean Beavers, Marian Griffith, Joe Blake Whalen, Don Daniels, B. D. Franklin, Woodrow Howell, Charles Blue, Doyle Adair, Vance Winn, Gypsy Blalock, Gwen Earnest, Mary Brown, Juanetta Coalson, and Billy Wayne Hipp.

Mr. and Mrs. Gene Keeney and children, Cynthia Ann and Gene Price of San Angelo visited with relatives in Bronte last weekend.

Mr. and Mrs. Charlie Phillips and Mr. and Mrs. B. W. Waldrop returned from Huntsville recently where they attended the Prison Redo.

**BACK WITH BEARD**—Red-headed Jim Williston, a senior at Beloit College in Wisconsin, came back from a three-month tour of Europe with an impressive beard and a hilarious story. While in Paris, the freckled collegian was forced to attend the opera in white tie and shorts because his trousers didn't get back from the cleaners in time.

**FIVE GRAND CHAMP**—"Jug," voted Grand Champion Steer of the 52nd annual American Royal Livestock Show at Kansas City, Mo., brought his 16-year-old owner, Sim Reeves, Jr., of Fort Stockton, Tex., nearly \$5000 when Eddie Williams, left, purchased him at the fair auction for \$4.10 per pound. Sims says the money his 1185-pound yearling Hereford brought will be used for education.

**PRINCE WALKS OUT ON WOMEN**—Showing little respect for the fair sex and a royal occasion, Prince Charles heads for parts unknown immediately after the christening of his sister, Princess Anne, at London's Buckingham Palace. Like most grandmothers, Queen Elizabeth smiles indulgently as she tries to restrain him. Princess Elizabeth appears to be taking a sterner view of her son's unscheduled exit as she holds the newly christened baby.

 Mr. and Mrs. Herbert Holland attended church services at Tennyson Sunday night.

**SHOWER FOR MRS. EASTMAN**  
 Mrs. Clinton Eastman was honored with a layette shower Saturday afternoon in the home of Mrs. Herbert Holland with Mrs. James Holland as co-hostess. Games were played and gifts presented to the honoree. A pink and white color scheme was carried out.

Fruit punch and cake squares were served the guests. Out-of-town guests included Mrs. Ash and Johnnie Ash of Norton and Mrs. D. B. Gartman of Big Spring.

### ART CRAFT CLUB IS ORGANIZED

Seven local women met Wednesday afternoon in the home of Mrs. Barney Modgling for the purpose of organizing a club to study and enjoy artistic work. The club will be called the Art-Craft club and will meet at 2:30 p.m. on the second Wednesday of each month.

Mrs. V. E. Beasley was elected president of the new organization. Other officers elected were Mrs. Bar-

ney Modgling, vice-president; Mrs. J. D. Leonard, secretary; Mrs. Charles Keeney, treasurer; and Mrs. J. L. Keeney, reporter.

A program committee was appointed to work up programs for the following year. The programs will be designed to be both enjoyable and beneficial to the members.

One visitor, Mrs. O. W. Chapman, and the following members were present at the meeting: Mmes. V. E. Beasley, Chester Kiker, J. D. Leonard, Charlie Keeney, J. L. Keeney and Barney Modgling.

The club will meet with Mrs. Beasley on November 8.

### BRONTE GIRL ADMITTED TO SCOTTISH RITE HOSPITAL

Shirley Jean Smith, 10 year old daughter of Mr. and Mrs. Archie D. Smith of Bronte, was admitted to the Scottish Rite Hospital for Crippled Children in Dallas on Wednesday, Oct. 18.

Serving Texas crippled children for over 27 years, the Scottish Rite Hospital is supported entirely by contributions from interested individuals.

The best of medical care is available to those children admitted for treatment.

**BACK WINS BACKERS**—Dolores Ruth Medlin was way out in front when judges at the 36th annual chiropractic convention in Miami Beach, Fla., finished tabulating their votes for "Miss Perfect Back of 1950." In picking Miss Medlin, the vertebrae experts proved they need no boning up in their specialized lines.

**FLASHLIGHTS USED IN BAND DRILL**

Another unique performance was given by the Bronte high school band last Friday night as the half-time show at the Bronte-Lorraine football game.

Members of the band marched forward to the forty yard line from the east end of the field. The three lines formed into two lines and the two lines crossed each other making a four pointed star.

At a signal band members stooped down, the field lights were turned off, and the group turned on flashlights. They played "Twinkle, Twinkle, Little Star." Following the number, Roman candles were set off at each point of the star. The lights came on and the band marched to

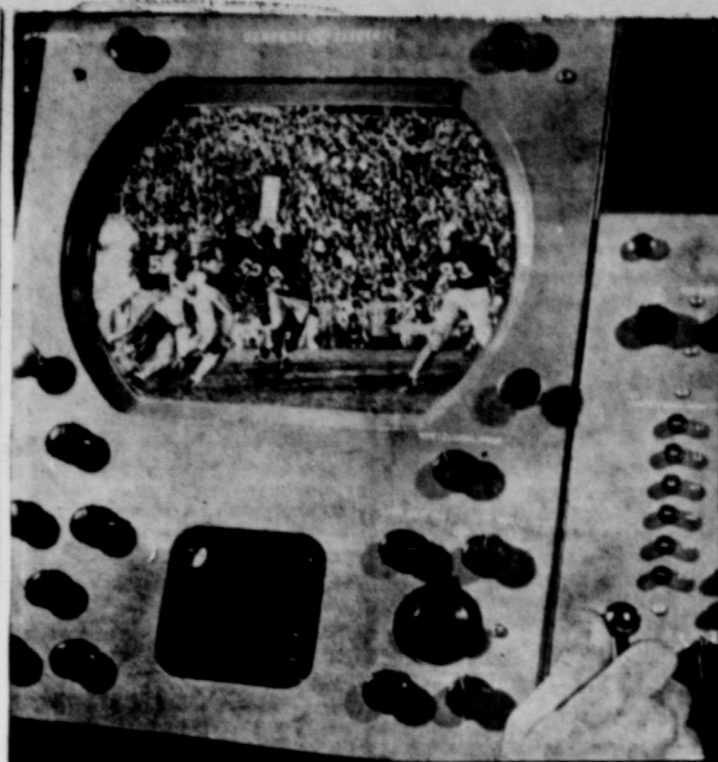

the end of the field, countermarched and marched back down the field. At fifth, a signal was given and the band did their "hep step."

**Bruton's Celebrate Fourth Anniversary In White Auto Store**

Mr. and Mrs. C. E. Bruton this week are celebrating their fourth anniversary as operators of the White Auto Store in Bronte.

They opened their store on the Main Street of Bronte November 1, 1946. Prior to that time they had operated the Cosden wholesale and retail business here.

Bruton said Wednesday that he was very well pleased with the patronage the people of Bronte have given them in their store.

**POINTER AIDS TV SETTERS**—Wizards in General Electric's Syracuse laboratory have devised an electronic pointer (vertical bar of white on screen above) which will be used to spot ball carriers on television screens. By following the back or white arrow on his set, the video viewer will know who's plunging with the column unless the commentator isn't on the ball.

**Membership Drive**

The local post of the American Legion is now having a membership drive, according to Norman R. Kiker, post commander.

Kiker said that everybody who has been honorably discharged from any branch of the service and saw service during wartime is eligible for membership.

The Legion post has 70 members this year and approximately 40 mem-

bers have already signed up for next year. Kiker said anyone who is interested in joining the Legion should see him or Royce Fancher, post adjutant.

The local post is in need of a butane tank and Kiker said that if anyone has a used tank which they care to donate to the post, it would be greatly appreciated.

Kiker also said that rules and regulations regarding the conduct of the Legion post are posted on the bulletin board. He urged that all members read them.
