Plans Being Made For Dimes Drive

Local officials of the Coke County Chapter of the National Foundation for Infantile Paralysis are already making plans for the annual March of Dimes campaign, which is scheduled for January 15-30.

Dr. John R. Harris, new chapter chairman, announced this week that he has secured Mrs. Charlie Boeck-

ing to serve as fund campaign chairman during the annual drive.

Dr. Harris said that he hopes the people of Coke County will cooperate to the fullest, not only in contributing, but also in working at the fund drive.

Coke County has had a high percentage in the past few years and has received a large amount of money from the National Foundation to care for the local victims of polio.

Most of the money collected in the March of Dimes drive, Dr. Harris explained, is spent on caring for polio victims, but some of it is spent on research in an effort to find a cure or preventative vaccine for the dread disease.

Dr. Harris urged that Coke counties make their plans now to contribute liberally to this worthwhile cause.

After the program the group honored Mrs. F. O. Key with a shower of gifts. The occasion for the shower was Mrs. Key's 82nd birthday which will be on Dec. 3.

There were 28 members and two visitors present for the meeting.

Bronte Gridders Are Honored on All-District Team

GERALD SANDUSKY

Two Bronte Longhorns received the high honor of being named a member of the all district 6-B squad. Gerald Sandusky who was the district's most feared back was an easy first team choice, while guard John Rusk received an honorable mention from the voting coaches.

Sandusky was the district's leading ball carrier with a net gain of 1,133 yards from scrimmage and was also the leading pass receiver with 42 catches. He was outstanding throughout the season as a punter and was always a terror on defense. This is the third consecutive year that Sandusky has been chosen for an all-district slot.

John Rusk was hampered by a foot injury the first part of the season but was able to play his best in most district games. He proved hard to block and always stood out as a top defensive performer.

The team was disappointed because Marlin McCutchen was not named on the all-district eleven. Coach Price's Longhorns had the leading passing attack of the district. McCutchen and his right arm was the life of the locals' pass offense.

Legionnaires Out For Thanksgiving Morning Breakfast

About 30 members of the local Legion post were out at 7 a.m. last Thursday to attend the Thanksgiving breakfast at the Legion hut.

After a hardy breakfast of bacon, eggs, toast, coffee and jelly, the group listened to a talk on Thanksgiving by Mayor H. O. Whitt. He pointed out many of the things for which everybody should be thankful and also said that Legionnaires over the country had a big job to do in preserving the rights and liberties of the American people. After Whitt's talk the group sang "America."

Cooks for the occasion were Matthew Caperton, Royce Fancher and Norman R. Kiker. Kiker, who is post commander, said that plans are being made to have an early morning breakfast every year either at Thanksgiving or Armistice.

LOCAL PEOPLE WARNED TO MAIL PACKAGES AND CARDS EARLY

Bronte Postmaster Mrs. Carrie G. Williams issued her annual appeal this week for correct addressing and early mailing of Christmas greetings and gifts.

"Handling this year's volume of Christmas mail will tax post office facilities to the limit," she stated. "But we will get everything delivered by Christmas if we receive the full cooperation of the public."

Christmas packages for distant points should be mailed by Dec. 5, the Postmaster advised. Christmas gifts for nearby points should be at the parcel post windows by Dec. 9. Christmas cards destined for out-of-state should be deposited by Dec. 15, and cards for local delivery at least a week before the holiday.

"Please don't hold up your mailings until these dates, however," the Postmaster pleaded. Mail packages, especially, as soon as you have them ready.

"Please stop in by the post office in the next few days and purchase the stamps you need for your Christmas cards and letters," Mrs. Williams asked. She urged purchase

of three-cent stamps for mailing greetings first class. Cards may then be sealed, contain messages, and can be forwarded or returned without additional charge.

She also suggested: "Get a few air mail and special delivery stamps, too, for speeding your greetings to friends you may remember at the last minute."

"Buying stamps is one part of your Christmas shopping that can be completed really early. It will save you valuable time later in December when the holiday rush begins and the post office lines are long."

Mrs. Williams advised early purchase of heavy fiberboard, sturdy wrapping paper, strong cord, and printed fourth class labels for parcel post. She pointed out that fragile items must be individually cushioned in a strong shipping carton such as a fiberboard box. Packages are limited to 70 pounds in weight and must not exceed 100 inches in length and girth combined.

Christmas seals and "Do Not Open Until Christmas" stickers should be placed only on the backs of packages. "Some packages carry more stickers and labels than an overseas steamer trunk," Mrs. Williams said. "Please keep the face of your packages clear for the address and mailing instructions if you want to speed delivery."

STANTON TO PLAY MEADOW IN BI-DISTRICT GAME

The Stanton Buffaloes will carry the 6-B flag into a Bi-District battle tonight against the 5-B kingpin, Meadow. The game will be played at Brownfield. The winner will tangle with Rochester, 20-13 victors over Clyde, for the Region II-B championship.

Stanton went through their conference games undefeated. The local eleven finished fifth, one notch above the cellar dwellers, Loraine.

Final 6-B standings are:

	Won	Last	Pct.
Stanton	6	0	.1000
Hermleigh	5	1	.833

Robert Lee Steers Romp on Longhorns in Turkey Day Game

By BOBBY FRANKLIN

The Robert Lee Steers blossomed into early season form to take Coach Price's spirited but outmanned Bronte Longhorns 24-12 in the annual Thanksgiving game which was played at Robert Lee.

The Steers' big forward wall and the powerful running of fullback Donald Hamilton ruined the Longhorns' hopes for the Coke County championship.

A gallant Bronte line withstood the Steer onslaught for the entire

first quarter but the Rabbit Towners clicked on a double reverse that saw end Norman Roberts take a handoff from Wilton Robertson, who in turn had taken the oval from Hamilton, and sprint 28 yards around right end for the Steers' initial touchdown. Ronnie Baker climbed over the right side for the extra point to make the Steers lead 7-0 at the half.

As the second half began, the Steer center Wilson Davis intercepted a pass on the Longhorn 46. Ronnie Baker bumped his way to the 44; Donald Hamilton picked up 6 to the 38, then Wilton Robertson was stopped for no gain. Hamilton went back in punt formation, spun, faked a handoff and crashed over the left end and carried 38 yards to a Steer touchdown. Extra point try failed.

The Longhorns made a desperate try for paydirt but were forced to punt and the Steer machine began to click again. This time they rolled 86 yards on a sustained drive to paydirt. Starting on the 14, Hamilton went for 4 to the 18; Robertson bucked to the 19, then Hamilton galloped

all the way up to the 45. Baker carried to midfield, Havins plunged to the Bronte 47; Hamilton was good for 3 more to the 44; then he hit for 2 more to the 42. Then came the scoring play. Hamilton went in to the same old act, a spin and a fake handoff. But this time he passed to end Norman Roberts who had streaked by the Longhorn secondary. Roberts scored on this 42 yard pass and run to put the Steers up 19 to 0.

Robert Lee's kickoff was touched and bounded across the Longhorn goal; however, Sandusky did some fancy stepping to get the ball out to the 5 yard line. Then the inspired Longhorns began to move. Sandusky powered to the 8; fought his way to the 16; and it was Sandusky again on a 4 yard carry to the 20. Then the "Bronte Bomber" took a short pass from McCutchen and raced to the 47; a screen pass from McCutchen to Gentry netted 8 yards. But the Longhorns were penalized back to the 32 for sending out illegal pass receivers. McCutchen flipped another short one to Sandusky that carried

to the 48. Then McCutchen carried for 5 to the Steer 47. Sandusky was then stopped for no gain but the Steers were ruled offside and penalized 5 yards to the 42. Sandusky then started off the right side, found no hole, cut back to the right, ran parallel with the line of scrimmage for 5 yards, worked his cut, ran over two or three hopeful tacklers and then outran the Steer secondary 42 yards to paydirt.

The third period ended with Bronte trailing 19-6. Robert Lee took the kickoff and marched 76 yards to another touchdown. After taking the kickoff on the 24, Baker ripped to the 37; then Hamilton bucked to the 44. An end around double reverse with Roberts carrying netted 7 more to the Longhorn 49; an incomplete pass was next, but Bronte was ruled off sides and penalized to the 44. Hamilton picked up 4 to the 40. A personal foul was ruled against Bronte, however, and Robert Lee had a first on the Bronte 25. Robertson ran to the 23; Hamilton drove to the 16; then Baker went to the 13. Bronte was penalized 5 yards to the 8 yard line.

Then Hamilton carried within inches of a touchdown. From there Ronnie Baker scored to give the Steers a 25-6 advantage. The Longhorns, after playing nip and tuck, with the heavier Steers through most of the last stanza, scored from the Steer 32 when Sandusky took a short pass from McCutchen and made a beautiful 65 yard sprint to paydirt. However, the play was called back.

Later, after three passes failed, McCutchen found Lyndon Waldrop in the end zone on the last play of the game. The final score read 25 to 12.

Defensive standouts for the Longhorns were Sandusky, Brown, Rusk and McCutchen. This was Sandusky's last game of high school football, but the remainder of the Longhorn squad plus some added strength will be back for the 1951 season.

ANTI-FREEZE QUIZ FOR MOTORISTS

MOST ANTI-FREEZE LOSSES IN WINTER DRIVING ARE CAUSED BY

- (A) EVAPORATION
- (B) OVERFLOW

ANSWER: (B) Tests show the average car loses between 1 and 2 quarts of anti-freeze solution every 1000 miles, when using the proper thermostat, most of it through overflow. Less than one-half pint of volatile type anti-freeze is lost through evaporation.

NEXT SPRING YOUR ANTI-FREEZE SOLUTION SHOULD BE

- (A) THROWN AWAY
- (B) SAVED AND USED AGAIN

ANSWER: (A). Throw away your old anti-freeze. During use, it can become contaminated and cause serious damage if left in your car indefinitely. The chemical test to determine if it can be used again costs more than new anti-freeze.

TIMELY WARNING

Now that all the leaves have been raked and those that haven't benefitted from this kind of treatment have blown away, the youngsters are in for a season of falls and accidents that have the same net result as those of the summer, even though they spring from somewhat different causes.

It's a good idea to warn your bundle of youthful energy and enthusiasm to have a wholesome respect for the slippery qualities of ice, whether caused by a frozen puddle on the sidewalk or by a frozen pond.

It's also highly desirable to explain to him that the big-time college and pro football players carry out their activities on gridirons whose turf has been carefully screened and treated, and to acquaint him with the hazards of engaging in this manly pastime on a lot or field which may have such accident-hazards as a piece of broken glass, an old tin can, or a thorny bush.

All too often, tomorrow's college halfback has no hesitancy in making a thrilling end-run across a lot in such condition that it would throw an adult gridiron star into a frenzy of fear.

And, if your young All-American-to-be does come home with an assortment of cuts and scratches, don't let it worry you unduly. Give him the same treatment millions of mothers use successfully each year. Cleanse the wound and cover it with an adhesive bandage—one of those ready-to-use dressings with the gauze pad already attached to the adhesive tape—and the chances are you'll never hear of it again—until he plays football again. That is.

Intercepted Pass

A college football star, who had failed an examination, was disqualified just before the big game. There was great weeping and wailing and gnashing of teeth, and the distressed president of the school came to the professor who had given the fatal grade. "This is terrible!" he said. "We can't win the game without him."

"But I had to give him zero," said the teacher. "You see, he cheated. 'Cheated! Did you see him!'" "No, I didn't." "Does he admit it?" "No, he denies it," said the teacher. "But he—a poor student—sat next to the best student, and their answers were almost identical." "Do you think that proves cheating?"

"In this case I do. The good student replied to the last question, 'I don't know the answer.' And the football star wrote, 'I don't know the answer either.'"

Win Watch Awards for 4-H Work

HANDSOME gold-filled watches were awarded club members for achieving highest rating in Texas for work in the 1950 national 4-H dairy achievement, frozen foods and leadership programs. A review of their records indicates they were active all-around 4-H'ers.

T. G. Herring, Jr. Achievement in dairy production and management has earned state honors for T. G. Herring, Jr., 19, of Crosbyton, in the 4-H Dairy Achievement program. Dairy practices and care of animals learned in the project have given him an understanding of the principles of sanitation and animal health. Young Herring also has learned the value of teamwork and sportsmanship. A 4-H'er for eight years, his unusual record includes 176 dairy exhibits and a substantial dairy income. Herring has won seven grand, eight junior, and five senior champion awards at three major shows, one of the second largest dairy shows in the world. He was high point man in dairy judging at the 4-H Round Up, 1950, and served as director of the Plainview Dairy shows for 1949 and 1950. Judges have named him Star Dairy Farmer of Texas, Southern Region. With two years' junior leader experience, young Herring now has part interest in his father's herd and helped to make his home a grade A dairy farm. Lederle Laboratories has provided his award.

There's no fuss or muss to serve a tasty meal on short notice in the Schmidt family of New Utm, since daughter Ruby, 15, has learned how to freeze all kinds of food. Proof that she did a first rate job is not only in the eating, but also in the fact that she won top state honors in the 4-H Frozen Foods program. The award, a handsome gold watch inscribed with her name, was presented by International Harvester. A club member for six years, Ruby is leader, has All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA co-operating.

Howard Altenhof held several offices and is the current president. With money earned from 4-H projects she and her brother purchased a home freezer. At that time they had 12 turkeys and six geese ready for market. Since the market was low, Ruby dressed and froze them. The freezer now is always filled with pork, beef, poultry, fresh vegetables and fruits which makes good eating all year round.

Outstanding leadership in club and community brought state honors to Howard Altenhof, 21, of New Braunfels, and Carolyn Curry, 15, of Sweetwater. A 4-H'er for 11 years, Howard has been Leader or Junior Leader of his local club during the past six year period. He was elected recently to head the County Fair program, and is already chairman of the County 4-H Club Council and vice-president of the District 4-H Council. Howard served on a discussion panel before some 400 County Farm and Home Agents at the A. & M. College recently, again proving his ability to lead in thought and discussion.

Miss Curry has been a club member five years. With both her parents 4-H leaders, Carol can look back on a record of outstanding leadership herself. She has held all the offices of her 4-H Club at various times, and is now vice-chairman of her County 4-H Committee. Her leadership qualities were recognized when she was sent to the State 4-H Leadership Laboratory during 1950. A handsome gold watch appropriately inscribed was presented to each by Edward Posa Wilson, president of Wilson and Co., Chicago.

Mrs. Jack L. Price was called to the bedside of her grandfather, W. P. Hubbard, this week. Mr. Hubbard, who lives at Little River, Kans., is ill in the Huffman Memorial Hospital there.

Mr. and Mrs. O. S. Kiker of Rottan and Mr. and Mrs. J. E. Powell of Vancourt visited in Bronte on Thanksgiving Day with Mrs. Mary Phillips.

Texas Venture
In Education • 1876-1951
Our first state college—Texas A. and M. is now in its seventy-fifth year

Many and ingenious are the ways Texas boys have found for earning all or a part of their college expenses in order to secure an education. The old standby jobs of janitor and mess hall waiter have long been popular with working students at the A. and M. College of Texas, while others have found new and novel ways of their own after the standard jobs were filled. One of the Southwest's leading auctioneers today worked his way through school as a student auctioneer at A. and M. A present member of Congress divided his working time between the horse barns and mail delivery. Many biology students have earned extra money catching poisonous snakes for study or to "milk" them of their poison for sale to manufacturers of medicines. One enterprising lad raised beavers on the campus and sold their pelts. Records of working students at A. and M. show that on the average their grades are as good, if not better, than those of boys who do not have to earn a part of their own expenses.

A Weakling

Hal Block recalls when strong man George Atlas guested on Milton Berle's radio show. During rehearsals Atlas was very nervous. "Let me take off my shirt," he begged. "I'll feel less nervous." They went on the air, and when Berle gave Atlas his cue, Atlas remained "frozen." Another cue, and still Atlas couldn't utter a word. Finally Berle sighed. "What kind of a strong man are you?" he asked. "You can't even pick up your cue."
