

BRING HOME THE BACON

The man who always comes home with the bacon knows what he's about, is seldom mistaken, He may not live in the greatest of style. But he gets what he needs that's really worth while. He always has money saved up in advance. Keeps his eye open, looks for the main chance. Some people may wonder how he gets along. It's saving his money, not doing things wrong. THE FIRST NATIONAL BANK now has his account. It runs into figures, is quite an amount.

Our Washington News Letter

By Congressman O. C. Fisher

Of particular interest to the farmers and ranchmen of Texas, as well as other states, is the negotiations now going on in Mexico City between Mexican officials and the American State Department relative to a renewal of a labor agreement. The confab began on January 25 and is due to last for two or three weeks.

The treaty that has been in operation has been unsatisfactory. It has been bogged down in red tape and in many respects has worked an unfairness and hardship on the employers. As it has been, the employer has had to make a bond to deliver the laborers back at a given time, but the employees have been under no obligation to remain. This unilateral arrangement has been unfair and unjust to the ranchmen and farmers.

A House agriculture sub-committee, headed by Rep. Bob Poage of Waco, has been probing this subject and is observing the Mexico City proceedings in an advisory capacity. The Texas Farm Bureau Federation,

the Sheep & Goat Raisers' Assn., and the Cattle Raisers have all urged an improved and more workable agreement.

Heading the State Department negotiators is Dick Ruebottom of Brownwood. A native of Corsicana, Ruebottom is thoroughly acquainted with the practical problems of farmers and ranchmen. He will strive for the best agreement that can be obtained from the Mexican representatives.

Preceding the Mexico conference, a dozen Texas Farm Bureau men came to Washington to plug for a simplified, common sense treaty to replace the old one. Sam Allen of Lamesa, formerly of Christoval, took a leading part in the Washington talks. The Texans urged entry of agricultural workers upon work permits, then to be processed at recruiting stations on this side of the border. No unilateral bonds would be required to assure the return of the Mexican worker, and "wet-backs" would, when apprehended, be taken to recruiting stations for processing if they desired. These were among the points emphasized.

Incidentally the Farm Bureau spokesman also conferred with legislators about possible amendments to

The More He BREAKS The More He MAKES

Texas motorists, Texas highways and Texas taxpayers should be protected against the ONE PER CENTERS.

ONE PER CENTERS are truck combinations weighing, loaded, 20,000 pounds or more. Only one of every 100 vehicles registered in Texas pays a license fee for 20,000 pounds or more. FEWER than three out of every 1,000 are registered for more than 40,000 pounds.*

Our highways should be SAFE for ALL the people - individuals, commercial users and the military alike.

Texas highway tax dollars should be conserved and used wisely. This can be done

- (1) by limiting the weight (gross load and axle load) that may be transported legally by the ONE PER CENTERS and
- (2) by enforcing the law against those who persist in overloading.

Texas highways are paid for by and belong to ALL THE PEOPLE. Highways adequate for 99% of Texas users - individual and commercial - can be constructed and maintained for about ONE-THIRD of the cost made necessary by the weight of the ONE PER CENTERS.*

This is your problem. Send for your copy of the booklet, "THE CASE OF THE ONE PER CENTERS," which tells you, among other things, why

THE MORE PAVEMENT HE BREAKS, THE MORE PROFIT HE MAKES.

SCHOOL OPENS CLASS IN SAFE DRIVING

Bronte High School this week began a Driver's Education course with Principal W. N. Gaddy as instructor. Twelve students have enrolled for the course which is being taught here for the first time this semester. Plans are being discussed about the possibilities of obtaining a dual control car for the purpose of teaching. Primary interest of this new course will be to teach and encourage safer driving.

McAfee; Ham, Eddy Sue and Felix

How's the love affair between you and Don Fields progressing, Eddy Sue?

Mrs. Fancher is beginning to wonder if the Freshmen will ever accomplish the task of sewing.

Carolyn, was it a nightmare or did Darwin get hurt?

Hat seems to be getting along pretty good on crutches.

Charles Bule seems worried about taking his report card home since he only has 98 in algebra. Dan Blue enjoyed a vacation Monday.

Kitty Sue, what's your latest's name?

Royce Lee, how about taking a trip to Arizona?

Jimmy Best, were you down in front of Jean Timmons' Sunday, or was it just your car?

WISTFUL THINKING

Bobby Clark—Gosh, I wish I didn't have to go to school.

Bob Lasswell—Wouldn't it be grand if we could get our lessons without studying?

Marlon—I wish we could win regional in basketball.

Bob Evans—A couple of million dollars would be okey.

Joe Blake—I wish to be as good an English teacher as Mr. Daniel.

Rita—Knowledge.

Eddy Sue—Wouldn't it be good to be out of school?

Joyce—I wish the girls could have a football team.

Don Daniel—College, looks tough, wish I were already through.

Carlene—it would be wonderful if I could just pass.

Lynodn—I wish I were a professional athlete.

Billy Jack—Ten out of 70 isn't bad for spelling.

Gerald & Vance—Wish it didn't get so late so early.

Attendance Increases At School Lunchroom

Attendance in the school lunchroom is increasing due to better lunches and a different method of serving, according to Supt. J. L. Carroll.

Carroll said, "The administration wishes to thank the lunchroom workers for their splendid cooperation and good lunches. We also wish to express our appreciation to the parent for prompt payment for lunches. We hope with the good lunches that even more students will choose to eat in the lunchroom. We invite you to visit our lunchroom and eat one of the splendid meals."

Bronte Girls Topple Over Norton, 20 to 11

By CAMILLE MARTIN

The Bronte High girls basketball team under the direction of Mrs. George Anderson, blasted Norton, 20 to 11, Friday night.

Performing as guards were Felma Brunson, Cora Whatley and Joyce Wrinkle.

On the offensive side for the local lassies, Eddy Sue McAulay made a total of 12 points. Kitty Sue Gaddy tallied for 6. Rita McCutchen was the other member of the trio of forwards.

Girls who are coming out for basketball this year include Eddy Sue McAulay, Hattie Jane Snead, Kitty Sue Gaddy, Rita Beth McCutchen, Joyce Wrinkle, Cora Beth Whatley, Felma Brunson, Jimmy Joyce Raney, Carolyn Gentry, Shirley Tomlinson, Rena Singleton, Fayrene Brice, Jo Walton, Camille Martin and Tiny Proctor.

School Heating System Prove to Be Adequate

Bronte schools new heating system has proved very adequate during this Coldest spell of the season, according to Supt. J. L. Carroll. Temperatures in all classrooms have remained warm and comfortable, he said.

The new system now in use is a steam heating system using natural gas.

Carroll said absentees have been high due to illness and the bad weather. Eighty absentees were reported for Monday and Tuesday of this week. Lack of confidence in the heating system was blamed for part of the high numbers of absences, Carroll said.

"It will be necessary for all children to attend school all of the time that they are not sick if we are to maintain keep the children warm at school," the school we are entitled to have. If it is cold at home, remember you the superintendent stated.

Mary Dean Cresap of Abilene spent part of last week in the home of her parents, Mr. and Mrs. W. G. Cresap.

the Railroads **RESPECT...**

What is the **TRUTH?**

the Labor Unions seek to **REPUDIATE** this agreement!

At various states in the present dispute with the brotherhoods of railroad operating employees . . . the railroads agreed to arbitrate. The union leaders refused. . . the railroads accepted the recommendations of President Truman's Emergency Board. The union leaders refused. . . the railroads accepted the White House proposal of August 19, 1950. The union leaders refused. Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement. The railroads stand ready to put the terms of this Agreement into effect immediately, with back pay at the rates and date indicated. The Agreement is given in full below.

MEMORANDUM OF AGREEMENT

Washington, D. C. December 21, 1950

- Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.
- Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.
- Settle rules for 40 hour week and 6 day week.
- Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.
- Settle following rules: Initial Terminal Delay (Conductors and Trainmen) Interdivisional Runs Pooling Caboose (Conductors and Trainmen) Reporting for Duty More than One Class of Service Switching Limits Air Hoses (Conductors and Trainmen) and Ton-Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories)
- Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.
- Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1/4 per hour. First adjustment April 1, 1951. Base to be 176).

8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.

9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.

Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.

10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:

No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote and the employee representatives shall have one vote and the referee shall have one vote.

11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitrators, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.

The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

SCHOOL ATTENDANCE SHORT

Supt. J. L. Carroll Thursday issued a plea to all parents to keep their children in school during the cold weather whenever possible. He said that to turn schools out would mean that they would have to run longer next spring. He also said that high absences might possibly cause the school to lose a teacher for next year. Carroll said that 80 were absent Monday and Tuesday of this week and 100 were absent on Wednesday. He expressed his appreciation to the parents in the country for bringing their children in when the buses haven't been able to run.

HERE'S BLACKWELL

By MRS. CHARLES RAGSDALE

There will be a benefit dance for the March of Dimes at Tad Richards barn Saturday night, February 3. The barn will be well heated and there will be seats. The floor will hold 40 square dancers. Tom Michaels band from Sweetwater will furnish the music. The place is 2 1/2 miles south from the Y on the Sweetwater highway. There will be flares to direct the way. Everyone is invited.
Mr. and Mrs. Bobby Joe Smith and sons of Sundown, Mr. and Mrs. Shy Thompson of Denver City and Mrs. Mary Matthews of Sweetwater have been visiting Mrs. Joe Smith who has been ill.

Ester Bryant has been ill in the Shannon hospital in San Angelo, but is home now and is much improved.
Tom Payne was painfully injured one day last week when his horse ran under a limb and dragged him off.
L. H. Montgomery is improved, but not out of danger, from the head injury he received one day last week when he fell while working on the Raney Theater.
Rita, daughter of Mr. and Mrs. B. R. McCarty, broke her collar bone one day last week when she fell on her way home from the bus line. She was carried to the Shannon hospital in San Angelo.

Ross Reaves attended the funeral of his uncle, Bob Wagon, at Rising Star Monday. Wagon is a brother of Mrs. R. H. Reaves of Austin, formerly of Blackwell. Mr. Wagon was well-known in Blackwell as he lived with Mr. and Mrs. Reaves for several years. He died at Hot Springs, Ark. He was a veteran of World War I.

Mrs. Ernest Ware is in Snyder to be with her brother, J. W. Ainsworth, who is ill.
Everyone is busy fixing water pipes and carrying water this week—all the result of the freezing weather we have been having.

Billie Millikin visited in Bronte with her parents between semesters. She is a student at San Angelo College.

Nothing Better Than Good Food, Says Ohio Man

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way Joseph N. Damillet, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damillet found that taking HADACOL helped his system overcome a deficiency of Vitamins B, B₁₂, Niacin and Iron.
Here is Mr. Damillet's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at nights. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at nights. Thanks to HADACOL I will never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

THINK A MOMENT

By Leon Sharp, Minister, Bronte Church of Christ

Keeping one's mouth shut keeps a lot of ignorance from leaking out. "Don't worry" is a better motto if you add the word, "others". He who toots his own horn soon has everybody dodging him. Success comes in "can" - but not the tin ones.

The bigger a man's head gets the easier it is to fill his shoes. You can't tell by the sound of the horn how much gas is in the tank. If you want attention, do something worth attention.

Drinking water neither makes a man sick, nor in debt, nor his wife a widow.

Alexander Pope said: A man should never be ashamed to say that he has been in the wrong, which is but to say in other words that he is wiser today than he was yesterday.

Mr. and Mrs. B. W. Waldrop and Lyndon, Mrs. J. A. Waldrop and Gladys are spending this week in Houston where they are attending the Fat Stock show. Lyndon is showing a calf at the show.

Davis Haley of Oregon has been visiting with his mother, Mrs. Bob Haley, here this week.

FAMILY INFORMATION

The Texas Education Agency is making a study of all high schools of less than 100 students. The information will be used by the agency to improve standards for the smaller schools and can be used locally to find the courses for the community. Information on the blank below is necessary to complete the study. It is important that every person in the community cooperate by supplying the information asked for on this printed form. The teachers and students of the Bronte school will be calling on each of you soon for this information. The more accurate the report, the better the study will be. Items 14a and 14b will serve as a school census for this year, provided they are signed by the parent or guardian rendering the form. Item 13 will serve as a census for pre-school children. After all information is in, there will be a committee of 16 persons chosen to study the findings and make recommendations to the agency, under the direction of J. L. Carroll, Supt. The printed questionnaire will help you have the information ready when the census taker comes by.
