The Hayrick HD club women and their families met in the home of Gladys Waldrop Monday night of last week. They made candy and pop corn balls for the concession stand at the stock show. All present enjoyed the get-together.

Mr. and Mrs. John Koeny are visiting their daughter, Mrs. J. A. Calpepper, in Lometa, Texas. They plan to be gone about two weeks.

Mr. and Mrs. David Word of Kermit visited her parents, Mr. and Mrs. T. E. Tidwell this week.

GOING IN HIGH

The world today is going in high
With radios, flivvers, and ships that fly.
A lot of good roads now lead to town;
The merchant advises his prices are down.
The payment plan seems now at its peak,
One dollar down and a dollar a week.
But the time, we know, is sure to come
When business stops its prosperous hum.

Chalk Dust

By CAMILLE MARTIN
The Sophomore class, sponsored by Gordon Creel, enjoyed a class party at the home of Bobby Evans last Friday night. Games were played and refreshments of sandwiches, cokes, potato chips and cookies were served. There were several "Twirl Dates" present.
We want to commend the second grade on their paper, "The Longhorn Dogie." They published their first copy containing news, Easter puzzles and other interesting facts. If you haven't seen a copy, look one up. You'll enjoy it.
The FHA girls enjoyed a trip to Abilene Saturday. They attended the Area III meeting and enjoyed many talks. The theme was to promote international good will. Rene Repond spoke on "Home Life in Europe." Rosalyn Wilson told about the mid-century White House youth convention.
Dear Mr. Gaddy:
I have the sad news of our 32 to 27 first game loss to Mertzon. Hope we can come through with two straight now. Cagle Hunt would die if we did. He almost did last year. I'll probably be home in April so

expect to put up with me at school a few days. I sure do miss the place. I might get to do a little journalistic work for the "Scott Broadcaster," the base newspaper, if my basic doesn't interfere. We aren't through with basic yet. I take basic a half day and work in a warehouse a half day.
Give my regards to Mr. Carroll and the whole faculty. And although it may be too late, good luck to Mr. Price and his basketball team.
Tell your economics class hello for me. It must be full of Seniors.
I went to St. Louis today and didn't get lost, so be sure and tell Mr. Henry; in fact you can have it put in the paper if you want.
Tell all the young boys with whiskers and civilian clothes that it's not so bad. This Army life I mean.
I am proud of our "B" team. Maybe Bagwell, Stephenson, and Kiser will put some fire into the team next season. Having from 7 to 10 good boys after five positions could cause a little hustle next year.
It's getting late now and I must close. The lights go out in 10 minutes.
Respectfully yours,
Bobby Franklin

Recent photograph of a Texas primary highway

\$115,282,344

Damaged highways, such as the Texas highway shown in this picture, are a hazard to the safe operation of automobiles, farm trucks and other motor vehicles.

It costs three times as much to build roads that will withstand the loads of big trucks now being operated over them than it does for the smaller trucks and automobiles.

Latest records show \$115,282,344 was spent on Texas highways for the year ending August 31, 1950.

A bill sponsored by the big truck operators is before the Texas Legislature. This bill proposes . . .

- (1) to increase the load limit from the present 48,000 pounds to 72,000 pounds, and
- (2) to increase the maximum truck length from 45 feet to 50 feet.

Recent official highway tests at La Plata, Md., sponsored by the U. S. Bureau of Public Roads, the highway departments of eleven states and the District of Columbia, effectively demonstrated that as trucks increased in size and loads, roads cracked up and "died" more quickly.

We need to safeguard our highways for Civilian and Military use. "Increased heavy loading might seriously disrupt the effectiveness of essential routes in the event of an all-out war," according to T. J. Kauer, director of the Ohio Highway Department and Chairman of the La Plata road test committee.

The big truckers want the taxpayers to continue providing expensive highways for them to use as "rights-of-way" for their own, selfish, personal gain.

THIS IS A TUG-OF-WAR BETWEEN THE BIG TRUCKERS AND THE TAXPAYERS OF TEXAS!

Automobiles and small trucks do not require extra strong, extra costly highways. The truth is, that the big truckers are putting the "pinch" on the pocketbooks of the Texas taxpayers.

Get the facts. Mail the coupon below for your copy of "The Case of the One Per Centers," and for a reprint of the article published in TIME, January 22, 1951, about the La Plata highway tests.

WHD Council Will Have Training School Mar. 13

Regular monthly meeting of the Coke County home demonstration council was held last Friday with four clubs represented. The meeting was called to order by the chairman and Mrs. C. E. Arrott gave the THDA prayer.

Business consisted of adoption of the 1951 county recommendations. Bills were approved and paid for the concession stand at the stock show. It was reported that the stand was a success and that most of the food was donated.

The council will sponsor a training school Tuesday, March 13, from 9:30 a.m. until 3 p.m. Parliamentary procedure will be the study subject for the morning session and Judge Jeff Dean will speak on "The Studying of Distribution of County Funds" at the afternoon session.

Following adjournment of the business meeting, County THDA chairman, Mrs. A. D. Fields, conducted the election of delegates to be sent to the district 7 THDA meeting in

Brady on April 7.

Delegates elected were Mmes. Fields, C. E. Arrott and L. C. Robbins. Mmes. O. B. Jacobs, Taylor Emerson and J. W. Labenske were elected alternate delegates. Three delegates will go as voting delegates. The council pays expenses for the three delegates and the council chairman.

Mother-Daughter Banquet Given By FHA Members

The annual Mother-Daughter banquet was given February 21 at 7 p.m. by the girls in the Bronze Future Homemakers chapter. The banquet was held in the homemaking department. Mrs. Royce Fancher is homemaking teacher and sponsor of the Bronze chapter.

Before the banquet, freshmen members were given membership cards and a program was held installing new officers. Hattie Jane Snead was installed as president. Other officers installed were: Camille Martin, vice president; Joyce Wrinkle, secretary-treasurer; and Cora Whatley, reporter.

A salad plate was served at the banquet. About 40 mothers and the members were present.

OUR WASHINGTON NEWSLETTER

By Congressman O. C. Fisher

Still marking time until committee hearings are concluded on important measures, the House attended to routine business last week and listened to a special message from President Truman calling for cuts in the huge annual post office department deficit by increasing and adjusting postal rates.

The House tackled that problem last year and succeeded in passing a bill in part modernizing postal rates as recommended by the Hoover Commission. The measure, if it had been finally enacted, would have raised revenues by \$130 million annually to partially meet the \$550 million annual post office deficit, the largest deficit in postal history. That bill, included no increases for first-class letter mail, air mail, weekly newspapers of less than 5,000 circulation, daily news papers of less than 10,000, religious publications, bulk mailings of seeds, plants, etc., and money orders.

It costs the department 2.6 cents per piece to handle penny post cards, causing an annual loss in that item alone of \$57 million. The House bill upped the post card rates to 2 cents. Rates on second class mail were increased by \$15 million, and third and fourth class matter were hiked moderately. Other adjustments are overdue, and a new bill on the postal rate subject will probably be before the House before long.

It's easy to preach economy in general terms but it is quite another matter to get specific where particular groups are affected. Not long ago I announced that, in an effort to more nearly balance the budget and pay as we go for national preparedness, I favored cuts on all non-essentials, including retrenchment on payments to farmers and ranchmen for certain range practices such as drilling wells, brush eradication, etc. However desirable these splendid practices are, this Federal help can be reduced and much of the program can be carried on by individuals and state agencies.

Following my announcement I have received scores of letters from farmers and ranchmen commending me for my stand. The Farm Bureau directors of Tom Green county unanimously endorsed my position.

This is but one instance where savings can be had. There are many other non-essentials that Uncle Sam can cut or reduce during this emergency when we are faced with higher taxes and a need for more preparedness funds. Unless and until new taxes are voted, a federal deficit

School Talent Show Is Held Wednesday

The Arthur Godfrey Talent show that was held in the school gym on Wednesday afternoon turned out to be a complete success with about fifteen entrants taking part. The contest was sponsored by the student council who awarded cash prizes to the top three winners.

First place went to a rendition of "The Perils of Little Nellie" which was given by Don Bagwell, Jimmy Lee, Gene Walker, and Letha Murtishaw. Second place was "Mona Lisa" played by Kenneth Scott, Rudolfo Gutterrez, and Jimmy Basquez. The third best number was "Peter Cottontail" sung by Gay Percifull and accompanied at the piano by Tommy Ellen Thomason.

Among other leading talent was: "The Tennessee Waltz" by June and Jane Moore; "Quicksilver" by Linda Gaston; "Mansion on a Hill" by William Franklin and Vernon Greenwood; "Winter Wonderland" by Linda Smith and Patsy Coppedge; "Shine on Harvest Moon" by Johnny Holcombe; a tap number by Patsy Buchanan; "Harbor Lights" by Patsy Blue; and "Chocolate Ice Cream Cone" done by Woody Carroll.

Bobby Evans was master of ceremonies for the program. Judges were J. T. Henry, Mrs. W. N. Gaddy and Miss Betty Sanderson.

FITZHUGH VISIT HERE

Mr. and Mrs. H. A. Fitzhugh and children of San Antonio visited her parents, Mr. and Mrs. F. S. Higginbotham, several days last week. The Fitzhughs attended the San Angelo Fat Stock show where Fitzhugh showed both the champion bull and champion female in the Hereford division of the show for the Straus Medina Hereford Ranch of San Antonio. He is manager of the ranch and this was the second straight year that the ranch has won these honors at the Angelo show.

Kickapoo Church Wins Attendance Award

The Kickapoo Baptist Church of Bronte won an attendance banner last Sunday for having the most people at the District Baptist Training Service. The meeting was held last Sunday at the Bethlehem Baptist Church in San Angelo. This banner was given away for the first time.

The banner will be given away on each first Sunday to the church having the most representatives at the meeting. The program is sponsored by the young people of the churches of the Fairland Missionary Association.

75 ACRES BURNED ON WYLIE RANCH NEAR HERE

C. H. Wylie, manager of the Odom Estate northeast of Bronte, reported that he lost about 75 acres of grass in a fire Tuesday.

Bronte's Volunteer Fire department rushed to the fire and with the aid of some oil field equipment owned by the DS&R Construction company were able to bring the fire under control. Fire fighters feared awhile that the fire would spread to the dense brush which lies along Oak Creek.

BAND PROGRAM MARCH 16

The Bronte High School will perform on March 16 as part of a musical program that is being given on that day. Aside from various numbers by members of the band, a negro choir is scheduled to be on hand.

Mrs. Jim Reeves from Wynnboro, Texas is visiting this week with son and family, the W. A. Reeves of Bronte.

"The bonds Mae and I bought for our country's defense will provide retirement for us!"

MR. AND MRS. FRED E. DIETRICH OF CLARKS GREEN, PA. CAN TELL YOU—IT'S PRACTICAL AS WELL AS PATRIOTIC TO BUY BONDS FOR DEFENSE

"Retirement with financial security is more than just a dream to me," says Fred Dietrich, route man for the Burschel Dairy. "I've a real start toward it now, with 115 U. S. Savings Bonds bought through Payroll Savings."

"Since I joined the Payroll Savings Plan in 1941," says Mr. Dietrich, "I've saved over \$3,000 in bonds out of my \$75-a-week salary. If you don't save regularly, you never save at all."

"I'm planning to continue buying bonds till the day of my retirement. They give me that comfortable feeling that I'm on my way to carefree security in the years that follow after I quit working!"

You, too, can save successfully—just as the Dietrichs do!

You, too, may reach your goal, as the Dietrichs are doing, and easily. Start now! It takes only three simple steps.

1. Decide to put saving first, before you even draw your pay.
2. Save a regular amount systematically, week after week or month after month.
3. Sign up today in the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

You'll be providing security for yourself, your family and our free way of life.

U. S. SAVINGS BONDS ARE DEFENSE BONDS—BUY THEM REGULARLY!

"I got the story on 50,000 Miles-No Wear and changed to New Conoco Super Motor Oil"

says J. D. Gladwin, Pontiac Dealer, Clinton, Iowa

"50,000 MILES - NO WEAR!" - PROVED HERE:

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence... in fact, an average of less than one one-thousandth inch on cylinders and crankshafts.

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that new Conoco Super, with OIL-PLATING, can make your car last longer, use less gasoline and oil.

THE LOWEST OPERATING COST IN 12 YEARS in the Yellow Cab business—that's what we got when we changed to new Conoco Super Motor Oil," reports J. O. Jackson, Owner-Manager, Tyler, Texas. "Our operations are day and night the year around—a tough job for a motor oil. I recommend Conoco Super."

Here's How A Soldier Back From Korea Feels About The Red Cross

Many Louisiana
1 January 1951

Mrs. C. A. Hart
Sabine Chapter, American Red Cross
Many, Louisiana
Dear Mrs. Hart:

I have meant to write before this to express my appreciation for the wonderful way in which the American Red Cross has handled my own personal problems. However, you do know the circumstances under which I was brought home, wounded in Korea, frostbite on both feet, and the period of waiting for recovery in a hospital in Japan. It was there that your wire through the American Red Cross reached me to inform me that I was needed at home at once. Mrs. Hart, from the day you sent that wire until I arrived at the house where my wife was staying was just SEVEN days. In that time I had flown from Japan to Shreveport, Louisiana.

Since that time I have been able to be with my family when my son was born and even now I am writing this from the hospital where my wife is recovering from pneumonia along with my youngest girl. To be able to be with them at this time, I can truly say, was due only to the untiring efforts of the Red Cross and its staff of workers. Words either written or spoken cannot tell of the gratitude which is mine. I know that to the Red Cross, I was one of many; but to my family, I am, of course, the only one.

During the last war as a company commander in the Pacific I had numerous dealings with the Red Cross; these contacts were from telling some lonely GI that he was a father, to the sending of a boy home because of death in the family. In all of the variety of cases that came across my desk I have yet to find that the Red Cross did not help to the fullest extent possible in their regulations.

I would like to tell you, if I am not taking too much of your time, of the things that I have seen the Red Cross do in Korea. Korea, as you have probably heard by now, is a land of filth, desolation, mountains that are straight up and straight down, dust when it is dry and mud when it is wet, and now of the all prevailing cold and death. In this area the Red Cross is doing its job and doing it well with the armed forces.

I have actually had to chase a field worker out of the front lines. He came up there to tell a man that his mother had died.

He didn't have to come there and I asked him why he did, and he replied that it was because he didn't want the boy to receive word of that nature from a field phone and also that he wanted to take the boy back to get him on the first available plane for the States. By the way, the boy was able to attend his mother's funeral four days later in California.

When we were surrounded and had to fight our way out of the trap, we were taken into the aid station. We had lost all our personal belongings. From the aid station we were taken to an evacuation and there flown to the field hospital, Ascon City. The first person that I saw in the field hospital was a Red Cross worker. She went among us on the litters and gave us cigarettes, candy, and toilet articles, soap and towels, but even more important she talked to us and helped us in a hundred ways; she arranged our bandages, fixed our blankets, and made us feel like people again.

Later, when we were flown to Japan the first thing we saw when we arrived at the air base was a mobile unit of the Red Cross. I don't know how many cups of coffee I drank or how many sandwiches and donuts I put away but it was a lot. Cigarettes and candy were there also. At the hospital in Japan the Red Cross again was the first thing I saw. Again we were treated as though we were kings. I realize now that it wasn't so much what we received as the way in which it was given. Every day we had a visit from the Red Cross worker in the hospital; she furnished us everything from magazines to writing letters home for those who couldn't write. I could go on for pages, but it still wouldn't do those people justice. They were always cheerful and seemed to want to go out of their way to help you.

When I returned to the United States it was the Red Cross who furnished the money for my plane from San Francisco to Shreveport. They understood that in Korea a man may not get paid for months. I myself have not been paid in full since last July. Mrs. Hart, my gratitude knows no bounds for what I have received from the Red Cross and I know of others who have had the same wonderful treatment. I have also heard those who tell of the bad things that the Red Cross does. It may be true that some Red Cross workers are not what they should be. In every large organization there is usually some percent who give the organization a bad name. All I know is what I have actually seen and experienced myself. Never have I had to pay for one thing that I have received from the Red Cross and I have no knowledge of the Red Cross ever trying to sell anybody anything.

You will find enclosed my contribution for the Red Cross for the year 1951. While I realize that it is small, if everyone in the parish would contribute the same amount it will go a long way. If they could see with their own eyes what I have seen the Red Cross do, I know they would help also.

Yours truly,
(Signed) DAN A DELANO

The writer of the accompanying letter is a master sergeant temporarily assigned to Camp Polk, La. During World War II he was a captain. The background facts are these: Delano's wife was living in the country with her mother. They have three children. The youngest girl, 18 months, had an eye ailment which threatened her sight. She had to be taken to Shreveport several times a week for treatment. His wife was pregnant, became ill and was bedridden. His mother-in-law also became ill. It was at this point that word reached him to come home.

Officers of the Coke County Chapter and those in charge of the 1951 Fund Drive for the American Red Cross, feel the public should read this letter which shows what the Red Cross is doing for our boys at the fighting front.

**Miss Hawkins
 Speaker on Texas
 Day Program Here**

Miss Eudora Hawkins, of the West Texas Utilities company in Abilene, was the speaker for a Texas Day program given Friday night by the Junior Study club. Each member brought a guest to the meeting held in the American Legion Hall.

Miss Hawkins spoke on "Early US Forts in Texas" and showed a film on the "Siege of The Alamo."

Guests were registered at the door on a large map of Texas and miniature Texas maps, tied with red, white and blue ribbon, were used as corsages. Mrs. R. T. Caperton presided at the registration.

The serving table was decorated with a centerpiece of red, white and blue carnations and a two tiered cake topped with a gold star. Mrs. Noel Percifull and Mrs. Norman Kiker served cake, ice cream, salted nuts and coffee. Mrs. Ben Oglesby assisted at the table.

Present were Miss Hawkins and Mmes. Raynell Whitaker, Nancy Lee Sims, Charlie Phillips, Luther Reeger, Roy Robinson, Juanita Gideon, A. N. Rawlings, Fred McDonald, Jr., Joe Rawlings, Matthew Caperton, Bill McKown, Sam Richards, John Harris, Arnold Ball, Boyce Lee, Jack Price, E. F. Glenn, Vernon Glenn, Clark Glenn, Marie Brigman, R. T. Caperton, Noel Percifull, Norman Kiker, and Ben Oglesby.
