Humble Starts Test On Will Gideon

In the Bronte Field, Humble has moved onto Will Gideon's farm, southwest of town. The McQueen & Stout rig was moved from Humble No. 8 R. E. Hickman. No announcement had been made Wednesday as to the possibilities of this test.

Stanford No. 1 Emma C. Nicholas was swabbing this week after having moved off rotary tools.

Dan Auld of Kerrville has staked location for a wildcat seven miles north of Bronte.

Projected to 6,350 feet Auld No. 1 Moore and others will be 660 feet from the north and east lines of N. L. Anderson survey 3.

Nearest production to the test is the West Fort Chadbourne Field. It is 1 1/2 miles east of the Nicholas test.

A wildcat has been spotted in Nolan county four miles east of Blackwell.

ROBT. LEE MARINE KILLED TUESDAY

Word was received in Robert Lee Wednesday of the death of Marine Sgt. James Mac Taylor at the Marine Air Base at Cherry Point, North Carolina, where he has been stationed. He was the son of Mr. and Mrs. Roy Taylor of Robert Lee.

Only information available on the accident was that he was cleaning a gun when it accidentally discharged. Funeral arrangements are pending the arrival of the body to Robert Lee. In addition to his many relatives in Coke county, he is survived by his wife and two daughters of Cherry Point.

Farmers Urged to Grow Feed Grains; Government Goal Is 10 Million Acres

Farmers in areas where the wheat crop has failed are requested to consider the planting of grain sorghums. It is hoped that farmers will not plant grain sorghums at the expense of cotton because cotton is vitally needed in our defense effort. However, where growing cotton is not feasible the planting of grain sorghums will help out greatly in the drive for needed feed grains.

With continued strengthening in consumer demand in prospect and with military requirements increasing there will be need for all the livestock, dairy and poultry products that can be produced from the feed supplies that are expected to be available in the next few years. Feed is the essential factor in maintaining livestock for the present high level of production of meat, dairy and poultry products and must be maintained for several years.

While feed is available at the present time, the rate of feeding is at record levels and this constitutes a heavy drain upon the supply of feed. Requirements may be expected to be

WORK BEGINS ON CHURCH PROJECT

Work began on tearing down the Bronte Methodist church Monday. Rev. J. E. Fuller announced that Sunday School will continue to be held in the educational building at the church but that adult classes and preaching services will be held in the Full Gospel church down town.

Rev. Fuller said that he was well pleased with the ground-breaking services last Sunday. Dinner was served at the church before the services, in the afternoon.

PTA MEETING WILL BE TUESDAY NIGHT

Mrs. D. K. Glenn, newly-elected president of the Bronte PTA, has announced that the last meeting of the year will be held Tuesday night.

Regular business will be attended to and the primary department will be in charge of the program. The first grade will present "A Boy and His Three Billy Goats" and the second and third grade rhythm band will give some numbers and an operetta, "Goldie Locks and the Three Bears."

The meeting will begin at 8 p. m. in the high school auditorium and everyone is urged to attend.

NEW WELL AT RIVER IS DRY; WATER SITUATION WORSE

The new well which the city has been drilling on the highway right-of-way near the Colorado River, south of town, was dry. Mayor H. O. Whitt said Thursday afternoon that the well was drilled to a depth of 69 feet and that no water was found.

He indicated that the well might have been drilled deeper, but that after going through several feet of gyp, the water, if found, would not have been fit to drink.

The Mayor said he did not know what the city would try next in their efforts to alleviate the grave water situation here.

Water now being used by Bronte residents is coming from the river and if a big rise should come down the supply would be useless, leaving the city without any supply of water, Whitt said several days ago.

Building Permits Must Be Obtained For New Houses

Mayor H. O. Whitt said Wednesday that a number of persons who have built houses or moved houses into town recently have neglected to obtain building permits.

Whitt said that permits are available at the city hall and the cost is only \$1.00. He urged that everyone who has moved in a building or erected a new one and not obtained a permit to do so at once.

A City ordinance states that the permits are necessary and the Mayor said that he did not like to "get hard" with anybody in enforcing the matter. However, he said, the ordinance must be observed.

Jones Freed After 11 Days in Jail

K. P. Jones of Abilene was given a pardon this week by Governor Allen Shivers after serving 11 of his 30 day jail sentence in the Coke County jail. Jones' attorney presented the petition for pardon to the State Board of Pardons on the grounds that Jones was a disabled veteran and requires frequent medical attention.

Jones was convicted in County Court on a charge of transporting liquor in a dry area. His case was appealed to a higher court. He lost his appeal. He paid his fine of \$500 in the county and began his jail sentence on April 25.

Joe Favor Killed In Accident Wed. In Chicago, Ill.

Mr. and Mrs. Will Gideon received word Wednesday night of the sudden death of their son-in-law, Joe A. Favor, 32, in Chicago, Illinois. Favor was killed instantly Wednesday afternoon in an automobile accident while driving home from his work there at Sears, where he has been employed since his discharge from the army.

Mr. and Mrs. Gideon and possibly their son, G. W. Gideon and his wife, will leave San Angelo this morning, Friday, for Montgomery, Ala., Favor's former home, where funeral services will be held on Saturday. All of them will return Sunday except Mrs. Gideon, who plans to return to Chicago with her daughter.

The family here is being flown to Alabama in the private plane of the San Angelo Sears store. The plane will wait for them and return them home.

Funeral services for Favor will also be held in Chicago today before his body is taken to Alabama.

Mrs. Favor is the former Jeanne Gideon. They have two children, Joey, 6, and Robbie, 3.

Sgt. and Mrs. Gaylord Bernard and son, Zane, of Fort Worth were in Bronte last weekend visiting Mr. and Mrs. J. M. Rippetoe and Nona.

Grade School Chorus Rated Tops at Angelo

The grade school chorus, composed of pupils from the fifth and sixth grades, came back with the highest honors from the San Angelo Elementary School music meet, held last Saturday, May 5.

This was the first experience for the chorus in music competition and they carried away first place in every division entered and they entered all the divisions open.

The group entered the concert chorus, ensemble, duet and solo divisions. The group is directed by Miss Bettye Sanderson and Mrs. Chet Holcombe with Mrs. Holcombe as accompanist for the group.

In the concert chorus division, the group rated first division on "Father, Hear Us As We Pray," "Ah, Lovely Meadows" and "Sundown." A plaque was awarded the chorus for their first division rating.

In the ensemble group, first division rating was given Angela Anderson, Carolyn Kemp, Jo Ann Gentry, Frances Gutierrez, Glenda Littlefield, Nancy Pierce, Joy Lynn Wilkins, Patsy Brock, Patricia McGutchen and Wanda Kirkland. They sang "Heart Divine" by Dvorak. Each member of

the ensemble will receive a medal.

First division rating was also given Carolyn Kemp and Glenda Littlefield in the duet competition. They will receive individual medals for their duet, "Song of Peace" by Sibelius.

"The Lord Has Given Me A Song" was Carolyn Kemp's winning song in the soloist division. Carolyn received much praise and favorable comment on her excellent soprano voice.

At the end of the day, the group of Bronte youngsters had won a placings and 13 individual medals at the meet. The group has been very popular here and in surrounding towns for performances before civic and church organizations and should be highly commended for their excellent work at the San Angelo meet.

Other schools entered in the competition included Mertzon, Robert Lee, Wall and Melvin. The meet was held in the San Angelo college auditorium.

NOTE: Cuts of some pictures of the chorus were ordered and were to be run in this week's paper. For some unknown reason they didn't show up. We'll run them next week.

Public Invited To See Operetta-Johnny Appleseed

Students in the Bronte fourth, fifth and sixth grades will present an operetta, "Johnny Appleseed," tonight, Friday, at 8 o'clock in the high school auditorium. The performance will be free and the public is cordially invited to attend.

"Johnny Appleseed" is a play in dialogue and song written by Mildred Kerr and E. J. Lorenz. It is based on the life of John Chapman, who is credited with having planted the first apple orchards in the West.

Pupils with speaking parts include: Johnny Appleseed, Richard Rees; Mrs. Rice, Angela Anderson; Mr. Rice, Jack Gray; Sam Rice, Gene Walker; Emily, Carolyn Kemp; Silas, Jimmie Royce Brunson; Timothy, Robert L. Moore; Nell, Jo Ann Gentry; Young Rose, Linda Smith; Teen-age Rose, Mattie McKee; Chief Black Hawk, Joe B. Luttrell; Red Fox, Johnson Parrish; Kate, Barbara Kiser; Sadie, Patsy Brock; Deborah, Aletha Murtishaw; Ezra, Robert L. Moore; Steve, James V. Andrews and Daniel, Joe Wilkins.

Also included in the cast will be braves, squaws, and dancers. The entire grade school chorus will give background music and story in song for the operetta. About 16 songs, including solos, comprise the background music for the play.

The first grade will do a dance number to "Pickin' Up Apples" and Beatrice Cannon will give a toe dance number to "Apple Blossom Time." Between act numbers will feature members of the Bronte Band.

In the second act, the fourth grade comprises the entire cast with the setting in an Indian camp. Several Indian dances and songs are to be given.

About 120 students will take part in the operetta. They have been working hard on the play and the public is urged to attend for a full evening of entertainment.

Citizens Against, Phone Men For Raise in Rates

People who were contacted by The Enterprise this week, as a whole were opposed to the proposed rate hike which was outlined in a San Angelo Telephone Company ad in last week's paper.

Most persons said they would not object to some raise in the phone rates, but they thought the proposal made by the phone company was too sharp an increase.

Others said they would not object too strenuously to the price jump if service at the local exchange could be improved.

Mayor H. O. Whitt said that the city council has not decided whether or not to grant the raise and that he could not say how the city's governing body would vote on the matter. He did say, however, that it was his personal opinion that the entire amount of the raise asked by the phone company would not be granted by the council.

John E. Robbins, Jr., traffic manager for the telephone company, said Wednesday that his company cannot be expected to operate under a lower rate than the one proposed. He said, "Even after we place the new rate into effect we will still lose \$1,122.80 on the Bronte exchange." This loss figure is based on the number of phones and amount of business which the phone company is doing here now.

The proposed rate hike, Robbins said, would decrease the company's loss from \$4,722.50 in 1950 to the \$1,220.80 mark in 1951. Estimated revenue for 1951 if the rate raise is approved would be \$17,556.20 as compared with \$10,746.20 in 1950. Expenses for 1950 amounted to \$15,468.70 and expenses for 1951 are estimated at \$18,679.00. Operators' salaries alone, Robbins said, will amount to \$10,159.13 in 1951. He said that in addition to raising salaries along, the addition of 24-hour service at the Bronte exchange had increased expenses considerably.

LIIONS MEET AT LEGION BUILDING

A handful of members of the Bronte Lions club met at the Legion Hall Tuesday night to discuss the club's plight in not having a place to meet for their weekly luncheon meeting.

H. A. Springer, Bob Wilson and Ben Oglesby were appointed by President C. E. Bruton to investigate the several possibilities which have been presented to the Lions.

Edward Cumbe was appointed on a one-man committee to arrange some of the details for an outing of the local boy scout troop. The Lions club is sponsor of the troop and J. L. Carroll is scoutmaster.

The regular Wednesday noon luncheon was not held this week but members were hopeful that arrangements for regular meetings could be made by next Wednesday.

Here on a twelve day furlough is Sylvester Martinez, son of Mr. and Mrs. Antonio Martinez. He is stationed at Camp Chaffee, Arkansas but will report to Seattle, Washington at the end of his leave.

Pvt. Marvin E. Lowrance is home with his parents, Mr. and Mrs. E. T. Lowrance, for a ten day furlough. He is being transferred from Fort Sill, Oklahoma to Fort Lawton, Wash.

Pvt. Cecil Coalson is home on a 13 day leave from Fort Knox, Kentucky. He will leave Sunday to return to his base.

Mrs. Thomas Is Book Reviewer For Club Members

Mrs. George Thomas reviewed "Time for Taproot" by Charlotte Stryker before members of the Junior Study club, the Progressive club, the Diversity club and the mothers and guests of Diversity club members. The review portrayed the true story of an American suddenly transported to Java, bringing out the customs and queer laws of the island.

Members of the Diversity club were hostesses to the affair held in the American Legion hall last night, as a special Mother's Day observance.

Following the review refreshments of angel food cake and lime sherbert punch were served by Mrs. Robert Forman, Mrs. Clifford Clark and Mrs. J. M. Rippetoe. Favors were pink and white mint cups.

NEW CHEVROLETS

Caperton Chevrolet Co. announced Wednesday that during the past week they have delivered a new passenger car to F. S. Higginbotham and new pickups to R. R. Merrill and J. M. Rippetoe.

Mr. and Mrs. J. L. Rogers, Jr. spent the weekend with Mr. and Mrs. J. L. Rogers at Rochelle.

JURY SERVICE EXCUSES NIXED

Jury Service Month is being sponsored, in May, by the Texas Press Association and the American Citizenship Committee of the State Bar of Texas. Discussing the project with Fred Massengill, Jr., Terrell Tribune publisher and president of the press association, are

Earnest E. Sanders, left, Fort Worth attorney, and Secretary of State John Ben Sheppard. Prime objective of the program is that no Texan will ask to be excused from jury service during the month of May.

Have You Been Killing Any Snakes Lately

Along about this time of the year the deadly Texas rattlesnake crawls forth from his winter quarters to become a menace to all that gets in his path. Hundreds are killed each year, and are usually left on the spot. If he is a real large one the horny interlocking joints at the end of the tail, known as rattlers, are sometimes cut off and displayed as trophies of the kill, and sometimes as proof of the size of the snake.

This week, to the editor's desk, came a plea for the rattlers. Miss Eudora Hawkins, popular public service employee of the West Texas Utilities company and who is well known here, needs them—hundreds of them!

Miss Hawkins will take the rattlers as souvenirs to the delegates at the annual national convention of the General Federation of Women's clubs which will convene at the Shamrock hotel in Houston on May 13. There will be delegates from every state of the union and many foreign countries—many of whom know rattlesnakes only from stories.

Anyone who has any of the rattlers is asked to take them to the Bronte or Robert Lee West Texas Utilities office. Miss Hawkins has been of much public help to both communities many times and she will appreciate the help.

SQUARE DANCERS TO MEET

There will be an organizational meeting of the Summer Square Dancers club tomorrow night, Saturday, at 8:30 p. m. at the Ivey platform. A spokesman for the group said that everyone who is interested in square dancing is invited to attend and join. It was also said that beginners will be welcome and will be given special attention.

ARE YOU GUILTY —

Of Doing
Things Like
THESE?

- Spend three hours bargain hunting to save 25c?
- Waste a day's travel in time and expense in order to catch some 'out of town' bargain which may not be a bargain at all?
- Drive miles to buy an item for a few cents less than you can get it your local store?

Most of us are guilty on one or more counts and we thereby exhibit an excellent example of false economy. In most cases we spend twice as much in actual cash, time and shoe leather as the few pennies we are supposedly "saving."

Bronte Seniors Are On Trip This Week

The Senior Class members are away this week on their annual Senior trip. The group left Bronte Wednesday morning and plan to return Saturday. The main points where the class will visit are San Antonio, Houston and Galveston.

Nineteen members are in the party. Members making the trip are Gerald Sandusky, Neal Woods, Gypsy Blalock, Doyle Adair, Bill Hipp, Charles Blue, Woodrow Howell, Joe Whalen, Vance Winn, Don Daniel, Mary Brown, Dean Beavers and Juanetta Coalson.

They are being accompanied on the trip by room mothers, Mrs. T. E. Blaylock, Mrs. W. Hipp and Mrs. Austin Sandusky; class sponsors, Mr. and Mrs. J. T. Henry; Linda Henry, and Supt. J. L. Carroll.

D. W. SIMS IN DALLAS HOSPITAL

D. W. Sims, 9 year old son of Mr. and Mrs. R. W. Sims, was admitted to the Scottish Rite Hospital in Dallas last Friday, May 4. His parents took him to Dallas.

He underwent surgery there on Monday and reports from Dallas on Tuesday night said that he was doing fine. He will be hospitalized in Dallas for about 14 days.

The hospital was founded 27 years ago by Texas Masons to provide treatment for Texas' crippled children.

Since that time the Scottish Rite Hospital has treated over 16,000 children in the wards and 68,000 clinical patients. An expert staff of doctors, nurses and therapeutic technicians carry on the best surgical and corrective treatment by means of contributions from the general public.

Longhorns Win Over Divide, 6-2

Behind the one hit pitching of Merlin McCutchen the Bronte Longhorns trounced Divide 6 to 2 last Friday afternoon for their second triumph of the season.

McCutchen, though wild at times, was steady in the clutches. A single through the infield in the frame was the only hit yielded by the Bronte team.

Paced by the power hitting of Bobby Lasswell Bronte collected eight timely hits. Lasswell blasted a double and a home run while scoring half of the Longhorn tallies. McCutchen and Caudle each connected for three baggers.

Mr. and Mrs. Leon Sharp returned this week from a ten days visit with their parents and other relatives. Their parents live in the Fort Worth-Dallas area.

A WOLF GETS HIS REWARD

New York, N. Y. — For three weeks Dorothy Campbell (above) was annoyed by a wolf whistle that greeted her every time she made a move in the office where she is a secretary. She finally called the law and told them that someone across the street was the culprit. They investigated and in the apartment of explorer Carveth Wells, they found the "wolf" a feathered one. The "wolf", a Mynah Bird, and Miss Campbell are now good friends — so good that Miss Campbell lets the bird perch on her knee — a real reward.

Brookshire Men Are Guests of Purina Co.

Livestock and poultry feeders from this locality, including W. L. Caudle, M. L. Nixon, H. J. Holland and Red Keeling were recent visitors at the Ralston Purina Research Farm at Gray Summit, Missouri.

The 738-acre farm demonstrates normal, average conditions and the visitors were shown how grade animals and poultry can be raised profitably under typical farm conditions. Among the practical operations inspected were the hog farrowing and fattening units, the dairy cattle project, dry lot and show calf feeding, broiler installation, laying flocks, ducks, turkeys, rabbits, dogs, goats, game birds and fur bearing animal units.

Following the day long farm tour, the visitors were entertained at the general offices of the Ralston Purina Company in St. Louis and the next day toured the Research Laboratories and saw how various types of chows are manufactured in the St. Louis Purina Mill.

Shower Honors Mrs. Vaughn

Mrs. Boby Vaughn, the former Marlene Arrott, was the honoree at a come and go wedding shower given Saturday afternoon in the home of Mrs. Taylor Emerson.

Guests were greeted at the door by Mrs. Emerson, the honoree and her mother, Mrs. C. E. Arrott, and Mrs. Homer Vaughn. Mrs. LeDrew Arrott registered guests.

The entertaining rooms were decorated in an orchid and white color scheme and the serving table was centered with an arrangement of orchid carnations and silver bells. The centerpiece was flanked with orchid candles.

Refreshments of lime fruit punch and cake were served by Mrs. Pritch Brown, Miss Pauline Box, Miss Norma Jean Gentry and Mrs. Bobby Clark. Plate favors were silver bells tied with orchid ribbon.

Hostesses for the affair were Meses Taylor Emerson, R. S. Walton, Clifford Clark, Bobby Clark, Beal Tomlinson, J. A. Percifull, Floyd Modgling, W. W. Millikin, Chester Harwell, Connell McAulay and Miss Pauline Box.

About sixty guests were registered during the afternoon.

HERE'S BLACKWELL

By MRS. CHARLES RAGSDALE

Mr. and Mrs. Coy Raney and children of El Paso are visiting his parents, Mr. and Mrs. Berry Raney.

Mr. and Mrs. Robert English and daughter of Fort Worth spent the weekend with the Roy Sandersons and the Henry Raneyes.

Mrs. Daisy Henderson received word that her grandson, Billy Brice, was wounded in the left hand while fighting in Korea. Billy is the son of Mr. and Mrs. Earl Brice of Deming, New Mexico.

The PTA met Monday night at the school house with Mrs. Vernon Copeland, president, presiding. Mrs. Copeland read the by-laws and constitution and gave a review of the years work. Mrs. Charles Ragsdale was elected vice-president. The installing of officers will be held at the next meeting since all the new officers were not present Monday night.

Mmes. Reece McCarley, Ed Kinard, Carlos Kinard and Charles Ragsdale served coffee, punch and cookies to the group.

Mrs. M. B. Maxwell and son spent last weekend in Clyde while Mr. Maxwell was sponsoring the seniors on their trip.

Mr. and Mrs. Nosh Pruitt returned Tuesday from a trip to Waco, Fort Worth and Dallas. They were marketing for new dry goods items for their store. They reported plenty of rain down in the part of the state where they have been.

Mother-Daughter Banquet Given by Blackwell FHA

By MRS. CHARLES RAGSDALE

The Blackwell FHA girls held their mother-daughter banquet last Friday night, May 4, at the Town and Country Cafe in Abilene. The girls were assisted in the annual banquet by their home economics teacher, Mrs. Rena Rendall.

Red roses and miniature May poles were the table decorations. Anna Bell Hurt, president, presided. The FHA prayer was said by all of the girls and Miss Hurt gave the welcome address.

Mrs. Josie Hipp gave the response. Ronnie Jo Buckner, Edwina Stevens, Dorothy Richards, Nina Jean George and Betty Self sang "Mother."

Dorothy Hollowell, Ida Pearl Lilly and Virginia Lanier gave a skit on "Getting Ready For Mother's Day." Miss Katherine Skylstad, senior HSU student from Norway, gave the main speech of the evening.

Present were Ronnie Jo Buckner, Mrs. J. B. Buckner, Sue Copeland, Mrs. Frank Youree, Nina Jean George, Mrs. J. S. George, Emma Lou Hipp, Mrs. Josie Hipp, June McCrea, Mrs. McCrea, Dorothy Richards, Mrs. Kelly Richards, Betty Sue Self, Mrs. Self, Edwina Stevens, Mrs. Ed Stevens, Shirley Talley, Betty June Christian, Virginia Lanier, Mrs. Abe Lanier, Jean Crain, Mrs. Cecil Crain, Janie Herron, Mrs. Ed Kinard, Dorothy Hollowell, Mrs. Monroe Hollowell, Anna Bell Hurt, Mrs. Albert Hurt, Ida Pearl Lilly, Mrs. Lilly, Mrs. Rena Rendall, Miss Skylstad and Miss Maud King, dean of women at Hardin-Simmons university.

Club Members Play Canasta

Mrs. Luther Reeger was hostess to members of the Junior Study Club Friday night for a canasta party. A short business meeting was held before the games began. Mrs. Reeger and Mrs. Lewis Bridges were high scorers for the evening.

Three guests, Mrs. Don Sims, Mrs. Arnold Ball and Mrs. Sterling Speake of Austin, were present. Club members present were Meses. Joe Rawlings, Royce Lee, Charlie Phillips, Noel Percifull, R. T. Caperton, Norman Kiker, Roy Robinson, Lewis Bridges, Sam Richards, R. H. Sims and the hostess.

A refreshment plate of congealed salad, tomato puffs and coffee was served.

E. A. Bell of Monahans and Allen Bell of Artesia, New Mexico flew to Bronte for a visit with relatives and friends Wednesday and Thursday. The weather is bad!

Mrs. Sterling Speake of Austin visited in the home of her sister, Mrs. Arnold Ball, the last of the week. Mr. Speake came Saturday and spent the weekend with the Balls.

QUESTIONS AND ANSWERS ABOUT THE TELEPHONE COMPANY'S REQUEST FOR HIGHER RATES IN BRONTE, TEXAS

- Q. WHY IS THE TELEPHONE COMPANY ASKING FOR HIGHER RATES IN BRONTE?
- A. Because Bronte rates are too low to bring in enough revenue to pay the cost of furnishing service.
- Q. IS THE TELEPHONE COMPANY OPERATING THE BRONTE EXCHANGE AT A LOSS?
- A. Yes. Last year, expenses of operating the Bronte exchange were much higher than revenues collected for service here.
- Q. HOW ABOUT TELEPHONE COSTS—ARE THEY UP MUCH?
- A. The Telephone Company payroll in Bronte is more than five times as high as it was six years ago. The growth of Bronte, with the increased telephone usage and improvement of telephone service has made it necessary for us to employ more people; also, in addition, operating costs have gone up.
- Q. HOW LONG HAVE BRONTE TELEPHONE RATES BEEN IN EFFECT?
- A. Present rates for telephone service were established in 1931. At that time Bronte had about 199 telephones as compared with more than 310 today. The scope, value and usage of the service has increased greatly in the past twenty years, with no increase in rates.
- Q. WITH SO MUCH MORE BUSINESS, ISN'T THE COMPANY'S REVENUE MUCH HIGHER THAN IT WAS A FEW YEARS AGO?
- A. Telephone revenues have increased, to be sure, but expenses have increased much faster. Since 1940, local telephone revenues have increased approximately 164 per cent, but expenses during the same period have gone up approximately 209 per cent. Despite the fact that we have more telephones than 1940, and are handling a greater volume of calls than ever before, the telephone system here is being operated each month at a loss. Rates established twenty years ago simply will not bring in enough revenue to pay present costs of furnishing service.
- Q. WHAT DOES THE RATE INCREASE AMOUNT TO?
- A. Briefly, the new rates represent an increase of six cents a day for residence customers. Business telephones will cost about eleven cents a day more. Charges for various auxiliary telephone services will be increased in relation to higher costs for furnishing them.
- Q. WOULD IT BE POSSIBLE FOR THE TELEPHONE COMPANY TO CUT CORNERS AND REDUCE EXPENSES?
- A. The telephone Company takes advantage of every possible operating economy to keep rates low without affecting the quality of the service. Through these economies and advances in the telephone art, we have been able to furnish more and more telephone service here without increasing rates. The telephone Company is proud of its record of not having increased rates during the past twenty years, and the cost of everything that goes into the furnishing of service has risen sharply.

MORE HEADWAY EVERY DAY

Telephone service is growing both swiftly and surely. Although material shortages have handicapped us and continue to plague us, we are increasing our progress each day. More telephones are in service, more local and long distance calls are being made now than ever before. We know and appreciate that telephone service has become a "must" for homes, farms and business. Our expansion program is making rapid strides toward our one goal: Efficient telephone service for all who want it.

THEO BLUE WILL GRADUATE SOON

Clarence Theo Blue, graduate of Rankin high school and the son of Mr. and Mrs. T. H. Blue of Bronte, is a candidate for graduation from the junior college department of Schreiner Institute. Commencement exercises are set for Tuesday, May 29, when 86 Schreiner students will receive diplomas or certificates from the high school and junior college departments.

A lieutenant in the Schreiner cadet corps, Blue is active in many phases of student life. He is secretary of the Schreiner chapter of Phi Theta Kappa, national scholastic honor society for junior colleges. He is majoring in business administration.

He was salutatorian of his class at Rankin, and lettered in basketball and football. For four years he served as president of his class.

He was recently listed as one of fifty-nine students on the fifth sixth Weeks period honor roll. He plans to enter SMU at Dallas upon graduation from the Kerrville school.

SCS NEWS

Marvin Simpson and C. M. Byrd, of Robert Lee, and J. E. Davis and Walter King, of Blackwell, completed ranch plans on their ranches last week on 12,871 acres of land. The plans were developed to treat each acre according to its needs and to use it according to its capabilities.

Range Improvement was the principal practice considered; because grass on the range is about the only feed that will make the ranches an economic return.

"If the ranch operator has lots of grass on the range, he can go a long way toward carrying his stock through a drought," King said. "I have learned the bitter experience that heavy stocking and bucking a drought will put the rancher out of the ranching business. If a rancher cuts off his grass, the feed bill will be more than he can make," King added.

Contour farming, seeding of cover crops, protecting crop stubble, seeding of range and pasture grasses, development of hay and meadow, construction of terraces, establishment of a water spreading system, soil management, development of livestock water, eradication of cedar, and spraying of mesquite were other practices that were planned.

A farm pond was completed last week on Jacob Morrow's farm located 6 miles northeast of Bronte. The pond was located and designed to give better distribution of livestock water. The pond is a part of Morrow's complete coordinated soil and

water conservation plan that he is applying as a district cooperator with the Coke County Soil Conservation District and as a member of the Kickapoo Conservation group. 1,100 feet of diversions were completed last week on B. R. McCorley's ranch located 6 miles southeast of Blackwell. The diversions were designed to divert water from overfalls in severely gully eroded land and to spread the water on a good grass flat.
