2nd Anniversary Celebrated By Humble at Fort Chadbourne

SAFETY FIRST—The motto of the 63 employees of the Winters District of Humble Oil & Refining Company is "safety first." They have rounded out two years, or approximately 200,000 man hours, without lost-time accident. District Superintendent Frank Jewel commended district staffers for their fine record at an elk barbecue held Saturday. Jewel also outlined the achievements of the district since it was established Dec. 1, 1949. Three new fields and six new pays in established fields are included among these achievements. Many of the 300 people who attended the barbecue are shown above.

The Winters District of the Humble Oil and Refining Company celebrated its second anniversary Saturday with a barbecue at the Fort Chadbourne Assembly Hall.

District Superintendent Frank Jewel served some 300 servings of barbecued elk meat, plus the trimmings of beans, salad, pie, cake and coffee to employees and guests.

Supt. Jewel, in a brief address, commended district staffers for their safety record. Since the district was formed December 1, 1949, the district staffers have worked approximately 200,000 man hours without a serious accident or injury.

POSTMASTER GIVES SUGGESTIONS CONCERNING CHRISTMAS MAIL

"Mail your Christmas packages early" is the plea of Mrs. Carrie Williams, local postmaster, and other local postal employees. Mrs. Williams announced Thursday that Christmas mail had already started coming in and that packages to distant points should be mailed immediately.

She stressed the fact that packages should be wrapped and packed securely with both the address and return address printed plainly. Fragile articles should be packed and put in corrugated boxes, and marked "fragile."

Although it is too late to send packages overseas by parcel post for delivery by Christmas, overseas packages may still be mailed via air mail.

Greeting cards may be mailed to a local boxholder for one cent, but all route and out-of-town cards require two cents. Mrs. Williams has asked that everyone buy stamps early to avoid the last minute rush. She also stated that

The fourth test, according to talk in town, will be either on the property of Dr. R. J. Warren or J. A. Percifull, both of whom have land leased to Hickok & Reynolds.

COOPERATION

The merchant puts a price on his goods;
The huckster does the same with his foods;
The doctor says what his bill will be;
And the lawyer names the price of his fee.
No wonder it's hard for the farmer to live;
He sets no price, just takes what they give.
And then in turn, when he wants to buy,
He gives what they ask, be it low or high.
THE FIRST NATIONAL BANK is strong in the belief,
Co-operation is the farmer's relief.

WE'll put it up to you! There must be plenty of good reasons why more people buy Chevrolets than any other car.

Here are some things to think about. There's the way Chevrolet looks. Nice clean, curved lines—like cars in the high-price field! Chevrolet's Body by Fisher sets the pace among low-priced cars.

There's the way Chevrolet rides and handles. The smoothness and big-car comfort of Uni-

tized Knee-Action. Bigger brakes—biggest in the field—for safer, surer stops. Finest no-shift and standard driving at lowest cost with Power-glide or Synchro-Mesh transmission.

There's the way Chevrolet saves. Chevrolet is the lowest-priced line in the field and the savings go on and on with low operating costs.

There are plenty more reasons why Chevrolet is America's favorite. Come in and let us show them to you.

**Chevrolet's time-proved
POWERglide
automatic transmission**

Finest no-shift driving at lowest cost. Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

NEWS NOTES

Every person has an invitation to attend P-TA next Tuesday night, Dec. 11. The intermediate grades of the Bronte School will present a Christmas program.

The Bronte Band received a beautiful trophy for participating in the Christmas parade in San Angelo last Saturday, Dec. 1. Brenda Sharpes and Betty Scott are new students in the fourth grade. Mrs. Iva Newman sponsors the class.

The fifth grade is sponsored by Betty Sanderson. The students of this class have organized a "Good Citizenship" club. Good citizens for this week are Joan Neel, Linda Smith, Jettie Lou Kirkland and Ida Ray McKinney.

PERSONALITY RIDDLE

(Ans. to last week—Bobby Jo Clark)

This person is five feet, seven inches tall and weighs 135 pounds. He has brunette hair and blue eyes and a friendly disposition. He has earned three letters in football, two letters in basketball, and he plays softball, volleyball and runs track.

This fellow is a junior and has not decided where he will go to college. He wants to be a rancher. Deep-fried trout, hunting and photographing and athletics are his favorites. He hates snobs, and people with fickle characters. As a matter of fact, they are his pet peeves.

When asked what he thought of the rare species around BHS he laughed and said, "Well, there are very few girls around here but the ones we have are all right!"
