This Is Last Day to Enter City Election

"We're still looking for candidates," were the words of Mayor H. O. Whitt when asked if anybody had filed for the city jobs which are to be voted upon on April 1.

Today, Feb. 29, is the deadline for entering the candidates' names for the positions. A Mayor and three Councilmen are to be elected in the April election.

Whitt said again Wednesday that he would "certainly like to see somebody" enter the races for the four jobs. Terms of Mayor

Whitt and Councilmen Joe George Wilkins, J. P. McGuire, and J. B. Mackey expire this year. The terms of councilmen H. A. Springer and Sam Spruell have another year to run.

A person may put his own name on the ballot or friends may do it for him, with his consent.

School Program Monday Night

The public is invited to attend the presentation of the high school annual—The Longhorn—at the school auditorium Monday night, March 3. Verhall Smith is in charge of the program and it promises to be an interesting affair.

The high school favorites will be presented and a group of students named "Whos Who" will be revealed. There will also be a vocal number by Mrs. Jeff Dean of Robert Lee and a tap dance number by Mrs. Jack Price. The 5th and 6th grade chorus, directed by Mrs. Chet Holcombe, will also present several musical numbers.

W. N. Gaddy will serve as the Master of Ceremonies. There is to be no admission charge.

MRS. JOHN WRIGHT BURIED HERE SAT.

Mrs. John Wright, 55, of Caddo, Oklahoma, was buried in the Fairview cemetery here last Saturday.

A former resident of the Bronte area, Mrs. Wright was taken to the Sherman hospital about 12 hours before her death, which followed a brain hemorrhage.

Mrs. Wright was married to John Wright in Eastland in 1912, and from that time until they moved to Caddo about a year ago, they lived near Bronte.

She is survived by her husband, three sons, two daughters, three brothers and three sisters.

SNOW HERE AGAIN

Snow flurries filled the air here Monday afternoon. It all melted as it hit the ground but very little moisture resulted.

A norther blew into the area Sunday evening bringing freezing temperatures, but the usual balmy weather had returned by Wednesday.

SELLING FLOWERS

Mr. and Mrs. A. E. Bell, Jr., announced this week that they are now Bronte representatives for the City Flower shop of San Angelo. Their ad appears on another page of this paper, telling of the floral merchandise which may be obtained through them.

County & District Courts Open In Robert Lee

Judge John F. Sutton will preside over the March term of District Court for Coke County, which will open next Monday in Robert Lee.

Petit jurors will not be called until Monday week, but the following men have been selected for the grand jury: Charlie Capps, Ralph Garvin, Fred McCabe, F. C. Clark, Fred Jameson, Fred McDonald, C. N. Webb, J. B. Glenn, W. C. Duncan, Preston Davis, Lum Lasswell, O. R. McQueen, N. C. Pentecost, Sherman Anderson, Austin Sandusky, and L. B. White.

COUNTY COURT

Several cases, both criminal and civil, are on the docket for County Court which will open next Wednesday, March 5. Jurors have been chosen and court will open at 10 a. m.

The following names appear on the jury list: T. E. Tidwell, Steve Badley, Robert Forman, Chester Derrick, B. R. McCarley, W. H. Robertson, Calvin Wallace, David Key, Boone Richardson, Tom Rives, Frank Smith, Mildard Meek, H. E. Rogers, Freddie Lee Roe, Victor Wojtek, Paul Killam, W. C. Clark and J. Q. Counts.

GIRLS START VOLLEYBALL PLAY

In a practice game Saturday night, the Bronte girls team lost to Mertzon 29-25. The game was a preliminary opener to the game played between the Mertzon and Bronte boys.

Mary Ann Gray capped high scoring honors for Bronte, making 10 points. Rita McCutchen made nine and Kitty Sue Gaddy followed with six. Kitty Sue Gaddy and Cora Beth Whatley were game captains.

The Bronte lassies will enter a volleyball tournament in Sweetwater this weekend. Their first game is at 9 p. m. tonight with Merkel.

New Pay Strike Makes 442 Bbbs.

Hickok & Reynolds No. 1 McQueen-Forman, in the midst of producers from the Palo Pinto of the Strawn in Coke County's Bronte field, has been fined as the discovery well from the Goens lime with a daily flowing potential of 441.84 barrels of 45 gravity, pipeline oil.

Production was through perforations from 4,840-60 feet with top of pay logged at 4,861 feet. Tubing pressure was 22 pounds and casing pressure was 25 pounds; 5 1/2-inch casing was set at 4,861 feet. Gas-oil ratio was 567-1.

OFFSETS GASSER

No. 1 McQueen Forman is 660 feet from the south and 330 feet from the west lines of lease in section 450-1A-H&TC, 1,500 feet north of Humble's No. 1 Bronte Gas Unit, completed in November as a Strawn Sand gasser. The Humble well indicated production in the Goens lime in October when it ran four drillstem tests on the lime and on the third test

flowed 30 barrels of 50.5 corrected gravity oil hourly. However, the well deepened to 5,126 feet and completed from the Strawn.

M & M Production Co. and Lester L. Rice No. 1 J. D. Luttrell, west of Bronte, was waiting on cement after setting surface casing at 730 feet. D. L. Rose & Son has the contract.

On the Brunson lease southwest of Bronte Humble was drilling below 1,200 feet. McQueen & Stout is the contractor.

Grade School Teams Enter Tournament

Both the boys and girls entered a basketball tournament for grade school students at Eola last weekend. The boys beat the Miles team 26-20 in a preliminary game but lost to Eola B 22-18. Johnny Smith was high point man for the Bronte boys in both games.

The girls lost a preliminary game to Miles and then lost to Robert Lee.

GI TRAINEES MUST REPORT EARNINGS

Veterans in West Texas taking GI Bill institutional on-the-farm training were reminded today by the Veterans Administration reports of their 1951 earnings must be submitted to the regional office at Lubbock not later than March 1, 1952.

Failure to submit the reports by the deadline may result in discontinuance of GI subsistence payments until such time as the reports reach the Veterans Administration, stated Robert W. Sisson, manager of the regional office.

This year, in addition, farm trainees must send in a second report—a certification of time they may have been engaged in employment outside the farming activity. This, too, must go to the VA before March 1.

The earnings reports—covering only income from productive labor for the calendar year 1951—serve a double purpose, Sisson said. First, they are used by the VA as a basis for adjusting each veterans subsistence for the current year 1952. And, second, they are part of the veterans course of instruction in farm accounting, thus giving him the opportunity to put into practice what he has learned in the classroom.

Farm trainees received the necessary VA forms for both reports earlier this year. They will receive assistance from their instructors in closing their books for the past year, and in transferring data to the VA forms.

Elaine Luttrell Honored On 8th Birthday

Elaine Luttrell, daughter of Mr. and Mrs. Cullen Luttrell, was the honoree at a birthday party Saturday in the home of her parents. Elaine was eight years old on February 21.

Muffins and punch were served to Dana Eubanks, Rex and Ann Harris, Tommy and James Luttrell, Tommy Boecking, Jimmy Forman, Eddie Glenn, Bob and Nita Herring of Miles, Boyce Parrish, Jan Wilkins, Nona Rippeo, Jimmy Ed Mackey, Barbara Rosser, Windora Kirkland, Aletha Murtishaw, Joe Bailey Luttrell and the honoree.

RED CROSS STARTS DRIVE

H. A. Springer, county chairman of the American Red Cross, has announced that there will be a meeting of Red Cross drive workers this morning. They will meet in the Home Making Department at 9:30 a. m. to discuss the forthcoming Red Cross drive. Springer and the (and chairman, George Thomas, urged that anyone willing to help in this annual drive be present at the meeting. Springer added that, if possible, they would like to have all those who helped last year again this year.

Coke county has a quota of \$700 this year, somewhat lower than last year. 40.4 percent of this amount will be kept for the local chapter and 59.6 percent will go to area headquarters. Any money raised above the quota is divided half to the local chapter and half to the Red Cross headquarters.

The Red Cross drive begins officially March 1 and continues until the quota is reached. Further information on public activities will be announced in next week's paper. Springer said that the workers appreciated the help and cooperation given the drive last year.

Bronte Tractor Co. Finishes Remodeling

Charlie Boecking, manager of the Bronte Tractor Co., said this week that he is just about finished with the remodeling job which has been underway on his building.

Display space for merchandise has been doubled and the interior has been repainted. Boecking said that it will be several days before he gets everything straightened out and merchandise in the new display area of the building.

Kenneth Hester left last Monday morning for Great Lakes, Illinois where he will receive his basic navy training. He is the son of Mr. and Mrs. Buster Hester.

Bronte Takes 2 Out of 3 To Win District Pennant

The Bronte Longhorn basketball team came from behind to win the district championship by defeating Mertzon in two games out of three. The local basketeers lost the first game to the Mertzon Hornets in a close 38-36 match February 15 in the Mertzon gym.

Last Thursday night the Bronte boys gathered full steam and de-

feated the Hornets in an easy 46-35 game on the Bronte floor. A capacity crowd watched the boys keep the ball out of Mertzon's hands. Coach Jolley praised the rebound work of Bobby Lasswell and said that team cooperation was perfect throughout the game.

The local team played without the aid of a first string center,

Lerbert Brigman, who had an ankle injury. The reserve strength helped pull through what would have been several rough spots, had there not been ample experienced substitutes.

In the third game of the play-off, Bronte outshone Mertzon on Saturday night 46-38 on the Mertzon court. Many Bronte fans attended the game to see J. O. Bagwell, Marlon McCutchen and Bobby Lasswell shine on the rebound work. J. W. Caudle was high point scorer in all three of the games for the Longhorns.

Saturday night's game looked like an easy cinch for the home team, despite the fact that Mertzon gained the lead in the second quarter. The halftime score of Bronte 22, Mertzon 20 lasted only a few minutes and Bronte got a ten point lead early in the third quarter. Only in the last ten seconds of the game did Mertzon cut this lead by two points.

Bronte was presented the district championship trophy by the superintendent of the Mertzon schools. This is the third consecutive year in which Bronte and Mertzon have played in the district playoff, with Bronte winning the championship two of these years.

PLAY IN BROWNWOOD
The Bronte team journeys to Brownwood today for the first round of the regional tournament. The local team plays the team from Alexander at 2 p. m. today (Friday) in the Howard Payne College gymnasium.

Public School Week Scheduled Mar. 2-8

Bronte will take its part in the second annual observance of Texas Public Schools week to be held March 2 to 8, according to J. L. Carroll, superintendent of schools.

Public Schools Week was instituted two years ago in order to provide opportunities for parents and others to visit their schools and acquaint themselves with the work being done. The Governor proclaims the week and both local and state school authorities join in the undertaking. More than 900 citizen committees over the state this year are cooperating with local school officials in the observance.

It is the work of the citizen group to develop public interest in the local school programs in order that the fullest possible attendance on the part of the public may be registered. According to Carroll, the details of a program for the week is as follows:

People are invited to visit the school throughout the week, and there will be someone to register each guest at the door.

The teachers will attend a county-wide teachers meeting at Silver. Carroll also said that he has completed his thesis on "The His-

tory and Facilities of the Bronte School" and would give the thesis to any interested group at the school anytime during the week.

There will be a school program at the auditorium Monday night with free admission. This program will include school talent as well as some outside entertainment.

In connection with the Week, the Bronte schools are fully credited for students desiring to enter college. The school is properly affiliated and offers 27 credits for students to choose from in selecting the 16 credits necessary for graduation.

The superintendent said that there is a community survey being planned soon to discover and study the school needs. Plans will be completed in the near future.

Teachers in the Bronte schools and the subjects they direct are: J. L. Carroll, superintendent; W. N. Gaddy, high school principal and science; J. T. Henry, vocational agriculture; Mrs. Royce Fancher, Homemaking; Verhall Smith, band and social studies; McAfee Daniels, English; Frank Miller, bus driver and math; Jack Price, grade school principal, history, math and assistant boys coach; Mrs. J. T. Henry, high school commercial and 7th grade; H. A. Jolley, 8th grade and boys coach; Mrs. Chet Holcombe, 6th grade; Miss Bettye Sanderson, 5th grade; Mrs. Iva Newman, 4th grade; Miss Norma Turner, 3rd and 4th grade; Mrs. Homer Phillips, 3rd grade; Mrs. George Thomas, 2nd grade; Mrs. Vetal Flores, 1st grade; Mrs. Frank Miller, 1st and 2nd grades and high school girls coach and Mrs. H. A. Jolley, school clerk.

Other school employees include Monroe Alexander, custodian; T. G. Gleghorn, bus driver and bus custodian; Mrs. Monroe Alexander head cook; Mrs. Mary Walker, lunch room employee; Mrs. T. E. Tidwell, lunch room and bus driver; Mrs. T. G. Gleghorn, lunch room; Mrs. W. B. McShan, lunch room and bus driver and Mrs. Pete Gentry, bus driver.

School trustees are Jesse Parker, Matthew Caperton, W. S. Evans, C. R. Brown, G. M. Powell, Aubrey Denman and W. W. Millikin. Visit your school this week and get acquainted with these people.

BLACKWELL SCHOOL PLANS PROGRAM

In cooperation with Public School Week, the school at Blackwell is planning a program for the benefit of the public. The program will be at the high school auditorium Monday at 2:30 p. m. and all are cordially invited to attend.

Wednesday will be visitation day in the Blackwell schools and everyone is invited to visit the school and the various classes.

SANTA FE TRAINS RUNNING AGAIN

Santa Fe again started running trains from San Angelo to Sweetwater Wednesday. The railroad bridge being constructed on Oak Creek was completed last week. Until that time, the Santa Fe had run a train from San Angelo to Bronte, but there were no train connections to Sweetwater.

CARLISE & CO. REMODELING

The Carlisle Store in Blackwell is being remodeled, rearranged and changed. The grocery department is being discontinued and many changes are being made in the dry goods department.

Back in September of 1908, even before the Orient railroad was built into Blackwell, the Bolin and Carlisle general store was established in the old rock building now occupied by the Raney Motion Picture Theater. In 1919, Mr. Carlisle built a building on the corner of Main and Elmo where he still continues to operate his dry goods and variety business.

Mr. Carlisle has the distinction of owning and operating continuously the oldest mercantile business in Nolan county. Some of his present customers are the fourth generation of some of his first customers.

Sam Richards In Butane Business

Sam Richards, who has been employed by the Bill J. Cole Butane Co. of Sterling City for the past several weeks, has moved back to Bronte and with Cole as his partner, has gone into the butane gas business.

Richards, who has lived in the Bronte area all of his life, is well known here. He was employed by Capehart Chevrolet Co. before moving to Sterling City.

In addition to selling butane gas, Richards said he would install butane gas systems and gas appliances. An ad elsewhere in this paper announces the opening of the business.

Doyle Adair Is On Tech Honor Roll

Doyle Adair, freshman at Texas Tech and son of Mr. and Mrs. J. I. Adair, was one of the 240 students listed on the fall semester honor roll of the college. The information was released this week by the registrar's office. About 4,900 students are enrolled at the Lubbock school.

Also on the fall semester honor roll was George Faulk, son-in-law of the Adairs. His wife is the former Doris Adair.

THE WORLD IS PROGRESSING

A sign of old age is looking behind,
Of reviving old methods of every kind,
Of believing the world will go on the rocks
Unless children mind and wear different frocks;
But the fact really is the world's moving on
As it always has done since earliest dawn;
And the way to keep young is to keep in the race,
And move with its progress, not backward face.

The world is progressing, will not come to grief.

WHAT IS AN AMERICAN?

In the 1930's Adolf Hitler began to persecute the Jews and other people in Germany. He said he was going to make the German people into a race of pure-blooded "Nordics." He ridiculed America because it had mixed population of all races and all

nationalities. To Americans, however, that is one of our strengths, not a weakness. In our "melting pot of nations," America has blended the best features of people from all over the world.

Dorothy Thompson, a newspaper writer, had that in mind when she wrote: "What is an American? — An American is a fellow whose grandfather was a German forty-eight who settled in Wisconsin and married a Swede, whose mother's father married an Englishwoman, whose son met a girl at college, whose mother was an Austrian and whose father was a Hungarian Jew and their son in the twentieth century right now is six

A PROUD JUNIOR

A Junior, as it seems to me, is quite a wonderful thing to be. Your years in school have numbered ten, And now the eleventh year begins. Your'e not the "Fresh" you used to be. That Sophomore year has passed with glee. And if this year you chance to pass, You'll be within the Senior class. There is nothing that makes men rich and strong but that which they carry inside them. Wealth is of the heart, not of the hand. ly. Certainly the taxpayer has a right to be angry when he reads of one service paying substantially more than another service for the same supply item.
 This expression and the attendant recent publicity was a result of a committee display of various items, picked at random, purchased by the various services at prices that in some instances were far from uniform, even though the things bought were practically identical.
 For a year now, the subcommittee, headed by Rep. Herbert of Louisiana, of which I am the ranking member, has been exposing waste and inefficiency wherever it could be found. As a result, multiplied millions have been saved, new centralization procurement methods have been set up, and procurement officers have become more economy-conscious. All three of the services have cooperated with the committee in this revamping operation.

Of major importance has been the Committee's drive for a uniform catalogue system for all supply items. The Munitions Board has the task of unifying procurement between the services. Already, some 15 million separate catalogue items have been reduced to 1,500,000. This is a painstaking process. In some instances, one item has been found to have as many as 50 different listings.

We are assured that once this catalogue system is perfected, cases of excessive charges will no longer result. And there will no longer be any excuse for the "chamber of horrors."
STRAW IN THE WIND
 Whether we like it or not, ever since our government was founded, politics plays a big part in lawmaking and in party policies, particularly on Presidential election years. Evidence of politics is often bad in legislating, because too much attention is given by some Members to votes in November rather than to what should be done in some instances.

It is no wonder, therefore, that early elections and primaries are watched with eagle-eyes by Party Bigwigs, watching for indications of how the voters may line up in November when the chips are down. A special election in New York City last week grabbed Washington headlines because an anti-Truman Republican defeated a pro-Truman Dem-

ocrat in the election of a Congressman from a normally Democratic District. The vote was light, and it might not mean much. But it was a "straw in the wind" as both Party leaders put their interpretations on it.

Some Dopesters, who get paid for using crystal balls and writing out theories and exploding others, think the "straw" indicates a swing toward more conservatism as opposed to Fair Dealism and excessive spending. If that is true, the trend bodes well for Southern conservatives who have been outspoken against many of the Truman Fair Deal policies and nonessential spending in recent years, and who have not gone along with the leadership which has been smitten with a pro-labor complex on issues where the Big Brass in the unions have favored excessive spending and many "Welfare State" measures.

Then, there are the crystal gazers who figure the South might revolt this year and thereby throw the election of a President into the House of Representatives for the first time since 1824. If, they reason, the South should refuse to accept the Democratic or Republican candidate for President, and favor their own choice, the election would then go to the House of Representatives.

The last time the House decided an election was in the contest between Andrew Jackson and John Quincy Adams. Jackson got 99 electoral votes in the election and Adams got only 84. However, Adams won in the House balloting when Henry Clay threw his support to Adams and as a reward was named Secretary of State.

In the house elections (if an impasse should occur and neither candidate get a majority of electoral votes in November) the voting is by states. Each state has one vote. The vote is cast by the State's Congressional delegation after a caucus. Bitter wranglings could be expected within the various delegations. In the case of Texas, most of the Members are considered conservative and through a coalition consistently oppose extravagance and socialistic measures despite the Party leadership and Administration overtures.

Wish good luck to
 Sergeant Hun Toon of Vermont
 Rifleman, U.S. Infantry
 -and 54 years old his next birthday!

FIRST WORLD WAR . . . SECOND WORLD WAR . . . KORRA—these are milestones in the career of this sturdy Vermont volunteer. A true son of America's original Minute Men, his whole life has been devoted to battling in defense of the land all of us love! Men like this are rare. And they deserve all the respect the rest of us can give.
 Here's an idea. Today stop at your pay office—if your company has the Payroll Savings Plan—or else stop at your bank. Buy yourself an extra United States Defense Bond. And tell yourself you're showing an old soldier—a good soldier—that you appreciate what he's doing for you.
 For your bonds, and other forms of saving, put a strong American economy behind a strong American army. They protect you, your family, and our servicemen overseas. Because they help create the productive strength that keeps us at peace today—when peace is only for the strong!
 So how about wishing good luck to Sergeant Hun Toon—and more security to the family you love? How about buying an extra United States Defense Bond for them—today?

The U. S. Defense Bonds you buy give you personal financial independence
 Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you buy automatically goes on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$17.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

Governor Shivers Sets 4-H Club Week

Gov. Allan Shivers has designated March 1-9 at 4-H Club Week in Texas.

In issuing the proclamation,

he said, "aggressive and trustworthy citizens are vital to the future of the world today, and we take great pride in these characteristics of the 116,000 Texas 4-H club boys and girls.

"Organized through county agricultural and home demonstration agents and assisted by volunteer leaders, 4-H club members are learning and demonstrating to others better methods of home making and farming."

Texas 4-H boys and girls will join with nearly two million other 4-H club members of the country in observing National 4-H Club Week, March 1-9.

It's Clean-Up, Paint-Up, Fix-Up Time Again

Well, with Spring just around the corner, it's time to pitch in and clean-up, paint-up and fix-up. It's time to "dress up" the town in her "Sunday Best." A big job? Sure it is but the folks here in Bronte have a lot of pride in their homes and other property, so the task will probably be done in short order. With cooperation like this a community can't help progressing. That's Bronte—a great place in which to live and trade.
