## Castro County Citizens Attend Dalhart Erosion Conference

## Local Lambs Carry Off Top Honors At Fat Stock Show

### CASTRO CITIZENS ATTEND MEETING

LEGISLATION WILL LIKELY PROVIDE METHOD TO CURB FIELD EROSION HERE.

Headed by County Agent E. W. Thomas and County Commissioner, J. A. Acker a delegation of interested Dimmitt and Castro County citizens, including E. C. Burks, Otis Burton and Temple Rogers attended the wind erosion conference Monday afternoon at Dalhart. Approval of the Fennell Plan for controlling wind erosion which is destroying the fertility of farm-lands over the Southern High Plains region was voted unanimously.

Attending the gigantic conference were 900 agricultural experts, farmers, chamber of commerce officials and other from approximately 51 counties in five states.

The Fennell, or Dalhart plan, provides for protection of about three million acres of land. Approximately 710,000 acres are under AAA contract and without marketable crops; 140,000 acres have been abandoned by owner or tenant at least temporarily, while estimates hold that from 636,000 to 1,907,000 acres of land may be denuded through wheat failure this year.

The plan approved asks that the

### Lions Club Accepts Three Cubs Tuesday

At the regular weekly meeting of the Dimmitt Lions Club Tuesday noon at the First Methodist Church three applications for membership were voted upon and initiatory steps were taken to properly initiate the young cubs into the full wisdom of the older Lions.

After the usual sing-song led by Lion Ed West, tail twister Pete Whitlow was busy attending to the irregularities of Lions Moore, Singer, Strother and Reynolds and the even more playful Lions Webb and Smallwood proceeded to take literally the old adage "one must take the bitter with the sweet". While the Tail twister was ministering his duties with the unruly group the latter two swiped his pie, mixing it with their own so as to avoid suspicion upon Lion Whitlow's return. However to their dismay and to the hilarity of the remaining group the unlucky ones found their loot contained a double dose of quinine which they were forced to eat under the lash of the tail Twister.

The three new members accepted were W. Brown, Attorney Swain Burkett and Sam Braswell, Jr., editor of The Castro County News. Cub Lion Braswell was presented with the Goat medal with due pomp and ceremony and will pass it on to Cub Burkett at the next meeting. After program committees had been named by Boss Lion the club adjourned with the singing of "America."

### HOSPITAL NEWS

Mrs. T. N. Jackson, who has been seriously sick for the past two weeks underwent an operation Monday and is reported steadily improving.

Mrs. Harold Wyer of Muleshoe underwent a major surgical operation last Wednesday and is progressing satisfactorily.

The baby of Mr. and Mrs. C. W. White of Springlake was dismissed Monday after recovering from an attack of pneumonia.

C. W. Armstrong is seriously sick with pneumonia.

### Corn-Hog Officials Visit County Agent

O. G. Tumlinson, District Agent and Mr. Hill a member of the State Corn-Hog Review Board were in Dimmitt Tuesday evening and Wednesday morning for the purpose of instructing the the Committeemen and tabulator in listing the Corn-Hog contracts for transmittal to the Review Board. To date 247 applications for contracts have been signed. The Committee is now engaged checking over the applications for listing by the tabulator. April 1st has been set as the final date for receiving applications for contracts and the checking and tabulating will be completed ready for submission of the Review Board for approval.

### HIGHWAY PLANS ARE FORMULATED

RIGHT-OF-WAY TO BE SECURED AND ROUTE PRESENTED TO STATE COMMISSION.

Directors of the newly-created Panhandle 52-89 Highway Association, along with a number of other interested parties, held a meeting at Silverton yesterday to perfect plans for securing designation of a highway from Wellington to Farwell.

A committee composed of A. P. Martin, Tulia, Judge Martin, Silverton Judge Jim Vallance, Memphis, and Judge L. E. Gribble, Wellington, was selected to contact Judge W. R. Ely for a conference on Tuesday, July 26, or at such time as may be convenient in order to put the designation proposition before him.

Later, it is the intention of the association to meet with the highway commission at Austin to press the claims for designation of the proposed route, which would connect Highway 52 at Wellington with Highway 86 at Silverton providing a short and direct route across the lower Panhandle connecting with state and national highways of Oklahoma and New Mexico, leading from the east to the west coasts.

After considerable discussion yesterday, the directors passed a resolution to push the work to secure designation and to lose no time in contacting the Highway Commission.

The delegates representing Dimmitt and Castro County included T. A. Singer, association director; Wade Dent and Judge Percy Estes.

### PASSION PLAY TO BE WEDNESDAY

LIFE OF CHRIST IS ONE OF GREATEST FILMS. SPONSORED BY MERCHANTS.

"The Passion Play," a drama of the life of Jesus Christ will be shown at the Castro County Theatre next Wednesday, March 27th from 2 p. m. to 11 p. m. This great motion picture clearly portrays the aims and devotion of Jesus from His early ministry with its attending trials and disappointments right down to the agonies of death upon Mount Calvary and His subsequent resurrection.

All the impressive and historical Biblical scenes have been painstakingly brought to the living screen by the wonders of the motion picture at elaborate expense and effort on the part of the producers. The film is entirely undenominational and strives only to bring to the masses a reverent, sincere and authentic pictorialization of the true life of Jesus Christ.

Through the co-operation of your Dimmitt merchants who are sponsoring the showing, every one will be given the opportunity to witness the

### A New County Hospital! WHY NOT?

(An Editorial)

While we all appreciate the present hospital facilities which has in the past and is even now serving our surgical and clinical needs so efficiently the idea has been advanced that now is the time when we, as a county, might secure a new better equipped and more convenient hospital.

Dimmitt and Castro County is just on the verge of a great growth, following the lax business energy of the past few years. A growth which will undoubtedly double the population of this little city within the comparative brief interval of only five or six years. With this growth will be increased the need and justifiable patronage for a more elaborate and better located hospital. While this prediction is doubted by ever so few . . . unless the citizens of Castro County unite as a group and conduct themselves in an organized business manner the hospital facilities of our county will be sadly obsolete.

Under the PWA plans this sort of a project will no doubt receive the early and uncompromising aid of the Federal Government. These plans and request will have to be presented from the proper channel to receive the okay from the powers that be, so it behooves us as individuals and integral parts of a united County commonwealth to prepare ourselves for the proper presentation of such a worthwhile request.

Dimmitt and the county needs such an institution, away from the noise and congestion of a busy business district and highway intersection; one which is more accessible for convenience and safety's sake.

If you are in sympathy with such a project, which will absorb a major portion of our unemployed and at the same time bring Castro County an institution which will bear tribute to those dedicated to the easing of human suffering and affliction, at no immediate outlay of expense to the county, why not approach the need to your local commissioner and ask him what would be the most effective method to present such a project for consideration?

### Dimmitt Schools Win Castro County Interscholastic Track Meet Saturday

#### JUMBO IS CLOSE SECOND IN MEET

LEON LILE IS HIGH POINT MAN WITH TWENTY-FIVE POINTS IN FIVE EVENTS.

Dimmitt High School captured the Castro County Interscholastic League Track and Field meet here last Saturday afternoon when they rang up a grand total of 114 points to nose out the surprisingly strong little Jumbo team who turned in an even hundred points. Big Square was third with thirty-six points and the other schools trailing.

Several hundred Castro County athletes tied with one another in one of the most successful League meets in the history of the affair before a fair sized crowd on the wind swept athletic field, as Leon Lile set the pace with a perfect score of five first awards in as many events to cop high point honors for the day in the high school division. Younger Garnett Holland duplicated Lile's prowess with the same total to win the grade-school division while Bob Estes won

(Continued On Last Page)

"Passion Play" at greatly reduced prices. The sponsoring merchants will gladly furnish you with a ticket good for twenty-five cents on a thirty-five cent admission ticket. Don't forget the date, Wednesday, March 27th.

### Sheriff Brown Asks For Car Tax Early

The News has been requested by Sheriff Garland Brown to announce and ask the public to make their plans to drop by his office and purchase their automobile licenses early so as to avoid the last minute rush the end of the month. Nineteen registrations were noted thus far in March.

Rev. Armstrong reports the serious condition of "Grandama" Sames of the Easter community. The old lady who will be 103 years of age this June is with her daughter, Mrs. Jim Smith, and suffered a stroke of paralysis last week. Her friends hope for her a most speedy recovery.

### PIANO PUPILS TO ATTEND FESTIVAL

SEVEN STUDENTS OF MRS. CHAS. DEAN TO PARTICIPATE IN PANHANDLE EVENT.

Seven piano students of Mrs. Chas. H. Dean left yesterday for Amarillo where they will participate this Thursday, Friday and Saturday in the Panhandle Musical Festival, one of the outstanding musical events of the entire Southwest.

Those earning the trip to the affair are Misses Katharin Duree, Waurayne Duree, Lucille Kirkpatrick, Charlene Mapes, Earline Lust, and Helen Anthony. These young ladies are entered in the piano solo, theory, scale playing and keyboard harmony contests, with Miss Mapes participating in the "Bach" Contest, executing three of the well known Bach compositions.

The winners in the Panhandle Festival will inherit the right to go to Carlsbad, New Mexico, April 11-13 to compete in the Tri-State Musical Festival participating against like winners from other divisional contests.

The local pupils have always placed high in Panhandle contests in previous years, and like results are looked for in the Festival this week-end.

Mr. and Mrs. Elvis Burch are the proud parents of a fine baby boy born Monday, March 11. The young man weighed 7 3/4 pounds and has been named Jesse Cleo.

Mrs. J. W. Webb and Mrs. Henry Stalcup were Amarillo visitors Saturday.

### OLD RESIDENT WRITES EDITOR

RECALLS INTERESTING INCIDENTS OF OLD TIMERS IN CASTRO AND DIMMITT.

Enclosing a clipping telling of the recent change in the management of The Castro County News, the editor received a letter from B. Y. Sharp of Uvalde, Texas, the fore part of the week in which the writer recalled interesting incidents in the pioneer days of the county and city. Believing some of our readers might be amused and even remember some of the happenings referred to the letter is reproduced for your pleasure. The letter:

Uvalde, Texas, March 16, 1935  
Sam Braswell, Jr.  
Editor Castro County News  
Dimmitt, Texas,  
Dear Sir:

The enclosed clipping was cut from a San Antonio paper. When I read it, my mind was recalled to an incident that happened about 1891. The Dimmitt Signal was at that time published by a Mr. Ezzell, who was brought out from Fort Worth by the company promoting the townsite, and the

### WALTON WINS AT FT. WORTH SHOW

CASTRO FARMER'S LAMBS REPEATS LAST YEAR'S HONORS WITH GRAND CHAMPION.

Colin Walton, Castro County Farmer living six miles south of Dimmitt repeated his last year's performance Monday when he was awarded first prize on fifty head of fat wether lambs under six months of age, and grand champion carload of lambs. Mr. Walton also won first, second and third places in the fat wether class and first place in pen of three wether lambs.

As stated above, Mr. Walton won the coveted honor of showing the champion carload of lambs at the 1934 Fort Worth Fat Stock Show, and came back to win the same honor at this year's show. These lambs were dropped last October, and were fed out while suckling their dams. Ninety-eight head of lambs weighed out, when loaded at Hart last Thursday, an average of ninety-eight and a half pounds per head, at an average age of five and one half months. A detailed story of the feeding operations will be found in these columns in the near future. The lambs will be sold at auction at the show possibly next week.

Mr. Walton sold his cut-out lambs, some forty-three, on Monday for 9 cents per pound, an average of 82 pounds saleweight.

### Nazareth K. of C's Initiate 5 Tuesday

William Hochstein of Nazareth was a pleasant caller to the News Office Wednesday afternoon and left an interesting news item concerning the activities of the Nazareth chapter of the Knights of Columbus. Five new members were initiated into the organization Tuesday night at the Nazareth Hall before a gathering of fifty members with the Nazareth team conferring the degree work.

The second third degrees will be given on April 28th at Plainview at a joint initiation including Amarillo, Slaton and Plainview. Some thirty candidates will be present to take the work at this affair.

country in general. Mr. Ezzell printed his paper on an old Washington hand press. He evidently wrote the matter, set up the type and made each days work complete as they came. One week, after saying all of the nice things that are usually said by an editor about his town, he broke down and told the truth by saying "Wind, wind, wind, this undoubtedly is the windiest country on God's green earth. It is headquarters for frijoles and canned tomatoes."

It has been more than 40 years since I was there and helped to elect Dimmitt as the county seat. At that time, there were only 13 girls in the county, ranging in age from 13 years up. All of them were included in the social circle of the younger set.

I remember the shooting scrape between Ira Aten, who was afterwards sheriff, and the McClellan Brothers. I have seen wild mustang horses run across the court house square and carry off gentle horses. I have seen antelope killed on the townsite. At that time, Palmer county had only two inhabitants, and Lamb county about 25. I mention these things to make a comparison. People who were old timers at that time, said that farming could never be a success on the plains. Subsequent events proved that "Old Timers" are not any smarter than newcomers.

I am wondering if Mr. Ezzell's description of that country still holds good. From the dust floating high in the air over this section, I am inclined to believe it is still true.

Cordially yours,  
B. Y. Sharp

The wastebasket at the postoffice had a full day Monday. A big batch of "Box-holder" advertising arrived.—Ilmo Jimplicute. And one never sees the wastebaskets stuffed with local newspapers, now does one?

The News appreciates those who turn in items for publication. More social news, however, could be handled very easily. Those who entertain clubs, or give parties, should have them included in the social events for over the week, and appear in The News.

**MR. JUSTICE HOLMES—A GRAND SPIRIT**

The death of former Supreme Court Justice Oliver Wendell Holmes, on the eve of his 94th birthday, brought to a close one of the most distinguished careers of the past century.

In Justice Holmes, the phrase "public service" found its highest possible meaning his entire life was devoted to the welfare of the nation—every deed, every thought, was actuated by the lofty patriotic ideals. His was an influence that went far beyond the law, to which his abilities of mind and spirit were primarily dedicated, and found its reflection in every walk of life, from Civil War days to the present.

The friends and acquaintances of Justice Holmes have often paid tribute, not only to his brilliance, but to his generosity. Many a man who has risen to high position in public or private life owes his start to encouragement and teaching given him by the great jurist, and his unflinching interest in young men with the potentialities of achievement is well known.

Men such as Justice Holmes are rare in any time—and they seem to be particularly rare in these days when expediency, greed, and the lust for power dictate the actions of so many Franklin, Adams and others are remembered—as a man who unselfishly served his country to the best of his vast abilities, and at the end of life could look back on great and difficult tasks well done.

**THE GREATEST REASON FOR DRIVERS LICENSE LAW**

Down at Austin the legislature has an opportunity to pass a model automobile drivers license law—if they ever quit shadow-boxing over the demand for repeal of the race-track gambling, prohibition repeal, etc.

Texas has before it the greatest reason on earth for the immediate adoption of a drivers license law with teeth in it for last year more people were killed and injured in automobile accidents than ever before in history.

The Travelers Insurance Company has analyzed the record in a graphic, illustrated booklet entitled "Thou Shalt Not Kill." It shows that the fatality total was around 36,000—and the injury total near the million mark. It is a fact that automobile registrations increased but 6 percent, as did gasoline consumption, while the death record soared 16 percent.

The main reason for that ghastly record is excessive speed. Speed is not only responsible for the bulk of accidents—it also tends to make the consequences of each accident more serious. A heavy foot on the accelerator is the best friend that the Dark Angel has.

Last year, automobiles struck 337,000 pedestrians—and 16,000 died. There were 381,000 accidents in which two cars collided—resulting in the death of 85,000 people. Four thousand were killed as the result of cars striking fixed objects—and 1,100 perished in accidents involving cars and trains—a type of accident which is almost invariably the fault of the motorist.

Drivers who speed in improper places, who drive on the wrong side of the road, who usurp the right-of-way, who pass on hills and curves, who fail to give proper signals and who are otherwise reckless, menace the life, health and property of every American citizen. Are we to continue to permit such drivers to make a shambles of the public streets and highways?

Certainly we must have a drivers license law in Texas.

**Castro County  
Snapshots**

We have been asked why the interesting news from the local hospital was discontinued from the columns of The News since our assumption of the editorial duties of the home town paper. Well, sir, we plead guilty of ignorance and without malice of aforethought in the omission of this newsy bit of news. We just didn't know about it.

However with this issue, and with the kind co-operation of Drs. Miller and Cogswell this feature is continued and will appear each week giving you interesting news concerning the condition of your friends who are confined in the local hospital.

Never in any of the cities or towns where I have lived or visited have I found such a marvelous, well arranged and complete high school building as the one which graces the name "Dimmitt High School". The foresight of the board and patrons of the local institution are to be marveled at in that they planned such a complete and spacious building for the education of the succeeding generations of local youth.

Especially were we struck with the wonderful gymnasium and magnificent auditorium of the local school plant. Seldom in communities of triple and even more population of the Dimmitt community can you find any-

thing like a comparison to the two above named units of the building. Hardly less amazing, however, is the splendidly equipped home economics and science laboratories. Both are excellent, as are the other class rooms and offices which greet the visitor to the school.

It was our pleasure to assist in running off the County Track and Field meet last Saturday and we take this opportunity in directing a few bouquets to the ability of Coach O. B. Haas for the smooth and efficient manner in which the entire program was carried out. No dragging time was noted by the fine crowd of spectators who viewed the athletic events between the finest of the county's scholastic youth. To him and his efficient corps of assistants together with the splendid co-operation of the various representatives of the county schools Castro County enjoyed one of the very best meets of its Interscholastic League History.

This week-end the Dimmitt High School Bobbies will be at Plainview battling their hearts out to bring further basketball honors to themselves and the entire community. They perhaps haven't been successful this season as some of the Purple and White sextettes of the past campaigns, but they have shown the same undying grit and fight which have characterized previous Dimmitt teams to overcome overwhelming obstacles and place the home colors floating once again upon championship breezes.

The A. A. U. tournament at Plainview is the supreme test in this sec-

**BAPTIST REVIVAL  
IS BIG SUCCESS**

REV. VERNON SHAW REPORTS  
EXCELLENT RESULTS FROM  
TWO-WEEK SERIES.

The two-week's revival campaign of the First Baptist Church came to a close in a great spirit of consecration and devotion to the Kingdom of God last Sunday evening with splendid improvement in spiritual tone of the community. This attested to by the following results: forty-three conversions, forty-one additions to the church, twenty-five baptisms and forty reclaims.

The fine wholesome messages brought to the folks of this community by Rev. Shaw assisted by Rev. Woodie Smith of Fort Worth who also handled the organization work and music for the meeting had a wonderful effect on the moral tone of the town and county and will be noted for months and years to come.

Special appreciation is asked by the Baptist pastor and members to be extended to the other denominations of the city in their very kind co-operation and help in making the revival such an outstanding success.

**Home-Makers S. S.  
Class To Meet**

The Home-Makers Class of the Baptist Sunday School will meet this Friday afternoon at 3:30 o'clock in the home of Mrs. Pete Whitlow in its regular monthly business and social meeting. All members are urged to be present and all visitors are welcome.

**LOCAL THEATRE MAKES  
ENTRANCE IMPROVEMENT**

Theatre goers of Dimmitt and surrounding communities will notice the improvements recently installed in the entrance and lobby of the Castro Theatre. Manager Phillips points with just pride at the bright silvery entrance to the place and to the newly decorated ticket booth and the lobby. Textone plus a color combination of green and black adds materially to the pleasing appearance the front lobby while a silver paint and black trimmings make a very attractive front. Plans are made to install a washed air cooling system for the comfort of the patrons through the hot summer months.

**DANCE AT WITT HOTEL  
SET FOR SATURDAY EVE**

An advertisement will be found in this issue of The Castro County News inviting everyone to attend the regular dance this Saturday night at the Witt Hotel beginning at 9:00 o'clock. Manager Witt states that this dance will usher in a new deal for the dancers of this section with a brand new dance band which has proved popular with every crowd to which they have played. The new band will be known by the title of the "Plains Fiddle Band" under the direction of L. D. Parker. The public is invited to attend and enjoy this gala occasion.

**News of Cleo**

Mr. and Mrs. C. J. Fowlkes spent Sunday night with Mr. and Mrs. Marvin Boyd.

J. Paul Waggoner was returned to the Lubbock hospital last week after suffering a set-back with the flu.

Mrs. H. N. Waggoner is back among friends after an extended illness in the Wichita Falls Clinic.

Lloyd Rippy, of California, is visiting his brother, Edd of this community this week.

Claud and Roxie Boyd spent Saturday night with Mr. and Mrs. Marvin Boyd.

Several of this community attended the track meet at Dimmitt, Friday and Saturday.

Grandmother Summers is reported very low this week.

Johny Rippy spent the week-end with home-folks.

Mr. and Mrs. H. H. Houtchens made a business trip to Plainview last week.

Miss Elfreda Murphy who is teaching at Rance visited in the Kimbell and Thompson homes here.

Mrs. Ward Golden and Mrs. George Key motored to Plainview Saturday.

tion of the country and with a break or two and the proper sort of encouragement from the fans of this city it might not be an impossibility for the state championship lassies to hail from Castro County's matropolis once more.

**Hart Demonstration  
Club Meets**

Now is the time to plan the garden. Let us plant at last two or three vegetables in our garden this year that we have never planted before. There are a number of vegetables our family would learn to like and that would be helpful to the human body if we would plant and store them for winter use, said Miss Clark in her interesting demonstration on making a garden plan in the home of Mrs. Dinwiddie, March 14.

Those attending the demonstration were Mesdames, Priddy, Brown, Sears Keaton, Johnston, Reed, Hart, Ewers, Whitlow, Pricer, Wash, Stewart, Maples, Boren, Craig, Meyers and the hostess.

The club will meet with Mrs. Miles Cox, March 28th.

**Locals**

Mrs. W. B. Marlar and daughter were shopping in Hereford, Monday afternoon.

Mr. and Mrs. Bryan Sinclair and family of Bethel, attended church at Happy Sunday and were guests of the Rev. and Mrs. M. M. Robinnett.

Mr. and Mrs. J. B. Alley visited in the H. H. Houtchens home Thursday night.

W. J. Jordan returned home from Vernon last week.

The Senior Sunday School class is sponsoring a literary program to be presented at the school auditorium Friday week night.

Elmer Dixon made a business trip to Hereford Tuesday.

**THE PLAINVIEW  
SANTARIUM and CLINIC**

Thoroughly equipped for the examination and treatment of medical and surgical patients. Departments include X-Ray, Pediatrics, Obstetrics, Dental and Eye-Ear-Nose and Throat.

**GLASSES FITTED**

Mr. and Mrs. George Webb left last week for an extended visit with Mrs. Webbs relatives.

Miss Elfreda Murphy of the Rance school was a week-end house guest of Miss Mable Kimbell.

Mr. and Mrs. E. C. Caudle were called to Floydada on account of the death of Mr. Caudle's mother.

Mrs. George Key and little son are spending two weeks with relatives in Winters, Texas.

Mr. and Mrs. Audley McDaniel of New Mexico are visiting in the W. H. Hulín and Lester Cooper homes.

Mr. and Mrs. E. T. McBride of Amarillo spent the week-end in the home of their daughter, Mr. and Mrs. Floyd Reynolds.

Gene and Miss Mable Kimbell were in Hereford Sunday.

Mr. and Mrs. Ed Day of Kress were guests of Mr. and Mrs. Charles Fyles Tuesday night.

Henry Stalcup of Dimmitt and Carl Fry and Jack Grady of Hereford and Mr. Crow of Friona spent the fore part of the week in Fort Worth attending to business and the Fat Stock Show.

## CHURCH OF CHRIST

Interest is shown in all phases of work. We could do much more, however, if every member would attend every service. In the language of another let me tell you what your absence did. "It made some question the reality of religion. It made some think you were a pretender. It made many things that you regarded your spiritual welfare as a matter of small concern. It weakened the effects of church services. It made it harder for the minister to preach. It discouraged the members and therefore robbed them of a blessing. It caused others to stay away from church. It made it harder for you to meet the temptations of the week. It gave the devil more power over lost souls. It encouraged the habit of none church going. Do you think it not dangerous to stay away from church? If so, read Heb. 10:24-25."

Next Lord's Day morning the subject will be "Vision", and at night, "Human Agency in Salvation." Come, let us reason together.

Thos. McDonald, Minister.

## SIDELIGHTS

By Marvin Jones, M. C.

structure, and I have therefore introduced a measure giving the Intermediate Credit Banks, which are the discount banks for farm credit, the same reserve not issuing privilege which the Federal Reserve Banks now have.

This would be done on a perfectly sound basis.

The forty percent reserve would be provided, and the sixty percent farm and ranch paper would be used just as the commercial paper is now used for Federal Reserve notes.

This would do away with the necessity of selling tax-exempt bonds, and would substitute another method just as sound as the Federal Reserve notes—in fact, the same character of notes.

This plan would further reduce the interest rates on all types of farm paper.

### Purchase of Farm Homes

The bill also would encourage small farm home owners by providing loans in limited amounts at a low rate of interest. This provision would apply only to existing indebtedness and purchase money. Any time the borrower transfers to other than an actual farmer-owner, the interest rate would be increased automatically to the regular rate. This would prevent speculation. Many persons not otherwise able would thus be in a position to buy and pay for a home.

### THE EAST SIDE DIMMITT CLUB

The East Side Dimmitt Club met with Mrs. Jack Hawkins Friday, March 15, with nine members present and two visitors, Mesdames Ewing and Dameron told about the meat demonstration, that was given at the last council meeting.

The club will meet with Mrs. R. C. Lay, April 5, with Miss Clark demonstrating cleaning and pressing a dress.

All club members are to answer roll call with a good vegetable or fruit salad receipt.

### BAPTIST W. M. S.

The Elsie Clor circle of the Baptist W. M. S. met march 18th at the church with 10 members present. Bro. Shaw directed the study from our Mission book. Next lesson will be the first chapter.

## ON TEXAS FARMS

By Minnie Fisher Cunningham, Extension Service Editor

Gardening is hot news these spring days even if the weather man is not offering all the cooperation possible. But come rain or shine or hail or blow now is the accepted time if the home table is to be served with "garden sass," according to Extension horticulturist J. F. Rosborough, who adds darkly "just any old fish can swim with the current, but it takes a live one to go upstream."

He's all for Chinese cabbage for "greens" if you don't like spinach. Or even if you do. To grow it plant the seed in a hotbed right now and transplant to the garden March 20. Manure the ground heavily and set the plants about a foot apart. "Best flavor in the world," he claims, recommending the doctor if you don't agree.

Too many folks are having "bad luck" about the carrots coming up. The answer is to cover the seed only a half inch with rotten manure. This will not pack and the tiny carrot plants have a chance to come through.

As for shelled beans he's for them and advises planting a few rows to mature on the vine, harvest and shell for winter use. There is a variety which can be used as a green snap and dried too.

If the family likes cucumber pickles Rosborough says that the gardening partner of the firm had better plant a pickling variety. Two pounds of seed will plant an acre. Three ounces of seed will plant 150 hills and that is the number specified by the home specialist for a pickling demonstration.

Eugene Ballenger of San Antonio arrived here Sunday to attend his father, Mr. John Ballenger who has been very ill. Mr. Ballenger is improving at this writing.

Arthur Leaky of Plainview was transacting business in Dimmitt Tuesday afternoon.

Joe Hastings attended business in Hereford Monday afternoon.

## NAZARETH NEWS

Mr. and Mrs. Everett Braddock and children of Borger spent Sunday with Mrs. Braddock's folks, Mr. and Mrs. W. Litsch.

Mr. and Mrs. Frank Wilhelm and children are ill with the influenza.

Mr. Leon Vinton spent Sunday with his folks at Hereford.

The Knights of Columbus held their regular meeting and 1st degree initiation Tuesday night.

Miss Christine Braddock of Borger spent last week with her folks.

Miss Helen Gerber of Amarillo is home with her folks due to sickness.

Mr. and Mrs. Ralph Stark and Miss Irma Stark returned Friday from Florida where they have been for the past six months.

### Nazareth School News

All the Ancient History term papers have been handed in, and are a credit to the students.

The "Wantonit Club" held a meeting March 14, 1935. We were entertained by a program made by Odella Huesman, James Schmaller and Joseph Schulte. Those taking part in the program were:

Velma Birkenfield sang a song.  
Isabel Gerber, Edvin Pohlmeier and Mildred Kleman dramatized a scene from the drama "Macbeth" by Shakespeare, arranged by Ruth Braddock. Joseph Schulte showed us a few tricks which caused much laughter. Mary and Petronille Birkenfield sang a song.

Arnold Schmuecher read an interesting paper and the new invention "The Lie Detector."

Rose Rickwartz had charge of the "Can you Imagine" list, which read as follows:

Can you imagine, Germaine Benziger with blue eyes. Ruth Braddock the smallest girl in school.

Velma Birkenfield bashful. Odella Huesman with black hair. The next program will be in charge of the sponsor and the officers.

### Listening In

Mary Birkenfield: What shall we do, the enemies, are thick as peas  
Mary Hawkins: Shall them you idiot, shell them.

Odella Huesman: Why did you get

## BETHEL

Mary Jo Smith is still out of school on account of illness. She now has scarlet fever and a light touch of pneumonia.

Mr. and Mrs. Jack Baker were shopping in Hereford Wednesday.

The Bethel club will not meet this week. Next meeting will be the second Friday in April.

Miss Estes and Miss Womble attended the school meeting at Dimmitt Friday and Saturday.

Our school honor roll improved this week as just a few of the pupils who have been out with the mumps are back in school again. This weeks honor pupils were, Houston Lust, Franklin Smith, Hazelle Settle, Dorothy Sinclair, J. R. Blackburn, Jr., Clayton Settle, Ray Baker, and Melvin Blackburn.

Mrs. J. C. Benton and children returned to New Mexico last week.

A large majority of Bethel community attended church services at

thrown out of the glee club?  
Rita Guggenhas: For singing.  
Science Teacher: Name some liquid that won't freeze.  
Raymond Gerber: Hot water.

the Baptist church Sunday afternoon and Sunday night.

Mr. and Mrs. Jack Baker and Mr. and Mrs. Cleo Richardson were visitors in Hereford Saturday night.

Mrs. J. G. Davis gave the annual birthday dinner for Mr. Davis and Mrs. Roberts Sunday March 17. Mr. Wright Davis a cousin of J. H. Sr., also celebrated his birthday with the others this year.

A lovely dinner consisting of nineteen different dishes was served to: Mr. and Mrs. Kay Roberts, Mr. and Mrs. Jim Bagwell, J. A. and Robert, Mr. and Mrs. Jack Baker, Mrs. Albert Smith and Bertie Mary, Mr. and Mrs. Cleo Richardson, Miss Helen Estes, Miss Ethel Womble, Miss Grace Marie Bagwell, Miss Christine Bagwell, and Mr. and Mrs. Davis.

An old school friend of Mrs. Kay Roberts and her husband and two children visited in Mrs. Roberts home Thursday.

Miss Geneva Crawford spent part of the week-end with her parents, Mr. and Mrs. T. F. Crawford.

Mr. and Mrs. Vernon Pylant and little daughter of Colorado City spent last Thursday night here in the home of her mother, Mrs. Lena Dee Thompson.

Born to Mr. and Mrs. Cody Marlar Saturday, March 16, a girl, christened Peggy Joyce.

# BARGAINS

In Used Farm Machinery and Live Stock

We have accumulated a large stock of used farm machinery which we must move out quickly and we are making prices low enough to move them.

Here We Are Listing Only A Few Of Them

ONE K. T. TWIN CITY TRACTOR, Completely rebuilt with same guarantee as new one. **\$595**

ONE 17-28 TWIN CITY TRACTOR in good running condition. satisfaction guaranteed **\$395**

One 22-36 INTERNATIONAL TRACTOR This tractor has been completely rebuilt, a bargain **\$395**

One 20-30 WALLACE TRACTOR In running condition, a bargain at **\$195**

One 10-ft. MOLINE WHEATLAND PLOW Almost like new at less than half price at **\$145**

One 9-ft. JOHN DEERE ONEWAY PLOW With new disc, Price low at **\$98**

One MOLINE TRACTOR POWER LIFT TWO ROW LISTER PLANTER Just like new **\$85**

SEVERAL TWO ROW HORSE LISTERS Reconditioned, Some good as new at \$25 to **\$75**

One OLIVER 8-ft. ONEWAY PLOW At **\$65**

One Model A FORD ROADSTER In good running condition priced for quick sale **\$85**

One Pair 10 YEAR OLD MARES Weight about 1400 pounds, each cheap at **\$175**

One MARE MULE about 10 years old weight about 1000 pounds. Price **\$60**

One BAY HORSE 4 years old, weight 1360 An extra good horse **\$125**

One SORRELL HORSE 8 years old, weight 1400 A good work horse and well worth **\$90**

One PAIR EXTRA GOOD YEARLING COLTS Both Iron Grays, A good Buy **\$100**

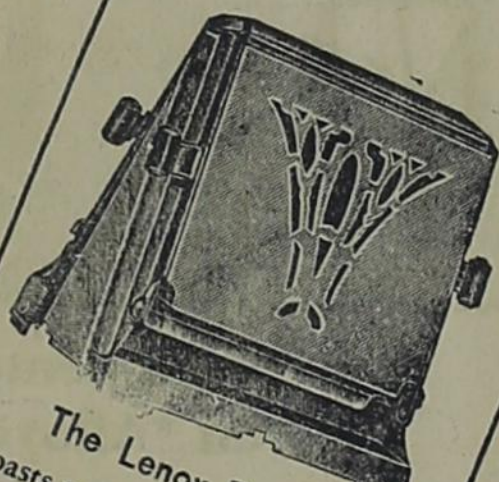

One GOOD MILK COW For Sale **\$35**

We have many other bargains not mentioned and usually have what you are looking for. For We buy and sell and trade any thing anytime.

# Hints for the Household

Through the variety of gay china, delicately tinted glassware and graceful silver for the adornment of the dining table has never been more alluring, it is essential to the health of the family as well as to the appearance of the table that it be thoroughly clean.

No elaborate machinery is needed for the effective washing of tableware. Plenty of soap and hot water will do the work.

### Making The Suds

Plenty of suds in the hot dish water are easily made by putting soap flakes in the dish pan and running piping hot water in to swish into a creamy lather. A soap shaker will do the work but is a wee bit harder to use. Use a brush with a handle or a mop that is really clean for the actual washing.

Place the dishes upright in a wire rack and rinse with boiling hot water. Use no towel unless it is a clean, dry one. Make soap and heat do the work while you enjoy the safety that comes with sanitation and the pleasure of bright dishes and silver.

### Wash Your Furniture

Even the finest furniture can and should be washed occasionally. A soft cloth should be used, lukewarm water and very mild soap. Only a small section must be done at a time and not too much water used.

Wash gently with soap, then wipe off with clear water. Dry carefully with a soft chamois skin. Then rub with a cloth moistened with a little good furniture polish and polish with another cloth.

This treatment will keep furniture in good condition and help it to retain its finish.

### Do You Know That

1. White sauce that is lumpy may be made smooth by beating with a Dover egg beater while cooking?
2. Tapioca may be used satisfactorily as a thickening for gravy?
3. Boiled ham is much more delicious, if after boiling, it is wrapped in buttered paper and baked for an hour?
4. Flour quickly absorbs the order of kerosene and should, therefore, be kept away from it?
5. Dates may be cut easily if wet scissors are used?

### Recipes

#### Ginger Fruit Salad

- 1-3 cup of gelatin softened in 1-3 cup of cold water
- 2 1-2 cups of gingerale
- 1-3 cup of grapefruit juice
- 1 1-2 tablespoons of sugar
- 2-3 cup of grapefruit juice
- 1-3 teaspoon of salt
- 2-3 cup of dates
- 2 apples
- 1-3 cup of preserved ginger Celery

Soften gelatin over hot water and, stirring rapidly, pour into the gingerale and add the sugar and salt. Stir until dissolved. Set aside to cool.

Cut dates into strips; cut celery into half-inch pieces; dice the apple; pour the grapefruit juice over the apples to prevent discoloration. When the liquid begins to set, add the fruit.

Pour into molds which have been dipped in cold water. Serve on lettuce with boiled salad dressing or cream mayonnaise.

This recipe serves twelve.

## JUMBO

Mr. and Mrs. L. E. Beck visited in the home of Mr. and Mrs. Claude Beck of Lubbock this week-end.

Mrs. Mildred Bailey spent the week end in the home of Mr. and Mrs. L. A. Matthews.

Mr. Reese Beck of Lubbock spent Friday and Saturday in the home of his cousin Mr. James Beck.

Lionel Andrew has been ill the past week.

Miss Irene Hurst of Canyon spent the week-end in the home of Mr. and Mrs. J. J. Wilder.

John Hacker was a guest of Mr. and Mrs. Jim Berry Sunday.

Mr. and Mrs. J. J. Wilder gave a surprise dinner Sunday for Miss Athalie Wilder and Mr. Wilburn Axe in honor of their birthdays, several young people were present and an enjoyable time was had by all.

Mr. and Mrs. L. A. Mathews Sunday afternoon.

Miss Neila Harrell spent Sunday afternoon with Miss Billie Dyer, Lloyd Neill and Clara Jo visited Winston and Hope Adams Sunday.

Miss Pauline Matthews who has been out of school for the past two weeks is back in school and we are all very glad to have her with us again.

Miss Helen Wilder of Canyon spent the week-end with her parents, Mr. and Mrs. J. J. Wilder.

Miss Billie Dyer lost the blouse of her dress Saturday on the streets of Dimmitt some where between the school house and court house. It is rose plaid print with white buttons, if found will the finder please notify Billie Dyer, Hereford, Texas. I don't believe any one else can use the blouse without the skirt and as she can't use the skirt without the blouse its finding will certainly be appreciated.

Mr. L. A. Matthews went to Muleshoe Thursday on a business trip he returned Saturday.

Mr. and Mrs. M. G. Laymon and family paid a visit to Ernest Laymon and family of Muleshoe.

Mrs. W. A. Hunter spent Sunday in the home of her daughter, Mrs. M. L. Simpson.

Mr. and Mrs. Coral Hunter, Mr. and Mrs. Finis Hunter and children were Sunday dinner guests of Mr. and Mrs. Sam Hunter.

Mr. Edmon of Tulia visited Mr. and Mrs. Clem Gilliam Sunday.

Mr. Robert Pinkert was badly sick all day Sunday.

Mr. and Mrs. C. D. Pinkert visited in the home of Mrs. Jesse McGinnis Sunday.

Mr. and Mrs. Johnny Stark and family visited Sunday in the home of Mrs. Starks parents, Mr. and Mrs. L. A. Matthews.

Jacob Waggoner of Hereford.

Lloyd Neill, Clara Jo Winston and Hope Adams visited Mr. Chas. McGinnis Sunday.

Mrs. Mildred Bailey visited her mother in Canyon Sunday.

Mr. Jr. Woolery, Chas. McGinnis, Homer Battles and Winston Adams attended the show in Hereford Friday night.

Miss Barbara Anne Hunter spent Tuesday night in the home of Miss Mary Gene Dyer.

L. A. Matthews made a business trip to Amarillo Monday.

Miss Virginia Stark spent Wednesday night in the home of Miss Billie Dyer.

## FLAGG

Mrs. Lois Fautrot and little daughter Nancy, Mrs. Fred Harding and Grandmother Simpson came down from Amarillo recently for a visit with the J. G. Binswanger family. Mrs. Fautrot and Mrs. Harding have gone to Oklahoma City but Grandmother Simpson and Nancy will visit in Flagg for a while.

Mr. and Mrs. Otis Woods and family also Earnest, are visiting in Wellington.

The Misses Mundell and Lynden Scarbrough visited in the Jim Bell home at Erath, Sunday.

Mr. and Mrs. Newt Armes visited Mr. and Mrs. Earl Lust Sunday.

Misses Lucille Hughes and Grace Garrett were Sunday afternoon callers in the A. Kanady home.

Pete Coke of Mountainair, New Mexico is visiting his brother, Lewis Coke.

Malcom Blanton of Dimmitt attended church here Sunday.

Mr. and Mrs. Olin Ivey visited Mr. and Mrs. Gene Ivey Sunday.

Mr. and Mrs. Horton and Mr. and Mrs. Harold Strickland were Sunday dinner guests of Mr. and Mrs. Cryer. Mr. and Mrs. Clifford Jacques have moved to the Big Square community. Joe Dunn left last week for California.

Grover Frasier is up again after having had a seige of mumps.

Mrs. W. A. Senter is still improving.

Mr. and Mrs. Audie Lawson have moved to Plainview to make their home.

Mrs. Otis Woods entertained with a musical last Thursday evening.

Mr. and Mrs. Sam Jones from Springlake were Sunday visitors in the Ernest Jones home.

Mrs. Elizabeth Herring, of Amarillo was in Flagg one day last week.

Rev. Weathers filled his appointment here Sunday morning and Sunday evening.

It was voted that we have services Saturday evenings, beginning with Saturday before the first Sunday in April. Everybody is cordially invited to come to these services.

Subscribe for the Castro County News

## METHODIST CHURCH ANNOUNCEMENTS

All services Sunday will be at their regular time, 9:45 for Sunday School, 11:00 for morning worship, 6:45 for the Leagues and 7:30 for the evening service.

The Sunday School is growing in every way and the interest in it is certainly gratifying. Perhaps the credit is due to our most efficient superintendent, Carlos Reynolds and his good staff of teachers and officers. You will enjoy the Sunday School hour along with the church hour. Come and take part in both.

The choir will bring a beautiful anthem at the morning worship and a mixed quartette will sing at the evening. Other special numbers are also being planned. We extend a most hearty welcome to all who will come worship with us.

Joe Strother, Pastor.

## KISSES

Kisses are the connecting link between the wife and the pocketbook, or the divorce court depending upon whose wife it was. Prior to marriage, kisses denote affection; afterward, duty. They usually start with a warm smack in the parlor and end with a cold smack in the kitchen.

Kisses are caused by shy sensitive microbes which inhabit darkened cor-

ners and secluded places where the lights are turned low and the moon gently percolates through the vines overhead, but once they get a foothold they will bring unexpected results.

There are many kind of kisses among which are the duty dab; the soul kiss, which is a sort of serial hardly ever finished; the political kiss such as candidates give babies; the double-barreled kiss which bewitched French generals bestow upon heroes, and the inimitable kiss which results when a wad of chewing gum gets tangled up with an embryonic mustache.

## The "liquid test"

... It ENDS bowel-worries for many people

This is a test that tells you whether the system needs a cathartic agent. If you have constant sluggish bowels or bilious attacks, liquid laxative is necessary to make things worse. It would be wise to try this. Stop all use of any laxative that does not encourage variation from a "fixed dose" (which may be entirely too large a dose for your individual need). Use instead a liquid laxative that you can measure and regulate as to dose. An "obscure" remedy is not smaller doses, less and less often, until the bowels are moving without any help at all.

Doctors use liquid laxatives, and a properly prepared liquid laxative containing natural laxative agents like senna and cascara is a joy and a comfort; a real help in establishing regularity. Ask your doctor about this (Doctor use liquid laxatives). You can get Dr. Caldwell's Syrup Pepsin, which is a most dependable liquid laxative, at any drug store.

## YOUR LAUNDRY

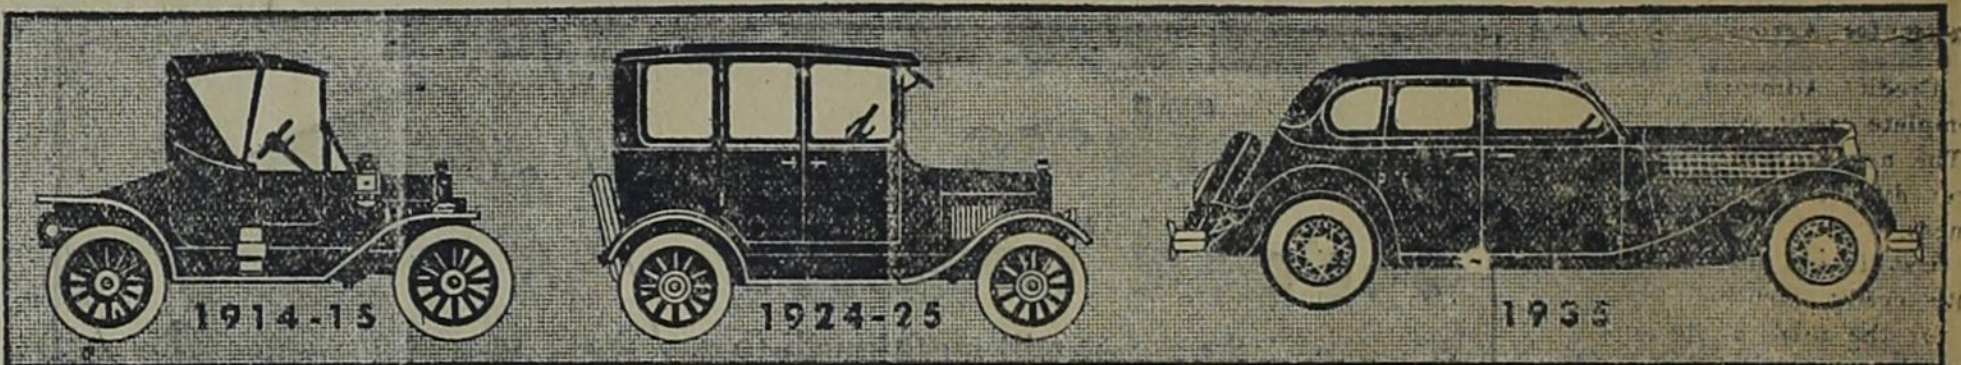

Whether you have it finished or use the Handy-Andy method, see us for prices and service.

# We are in A New Automobile Era!

Cars built since 1931 have twice the power and speed of ten years ago!

Continental offers you better lubrication for modern cars — an \*Alloyed Oil with twice the film strength of other oils.

IT'S hard to realize how improved cars of the '30s are over those we drove ten years ago. We are in a new automobile era! Power and speed have almost doubled in a decade, with little increase in motor size.

Increased power has brought enormous increases in bearing pressures and crankcase temperatures. In making motor parts that will stand up under these severe conditions, car manufacturers have turned to new alloy metals of extra strength and durability. For the same reason, you must have oil with enough extra oiliness and film strength to protect your motor under extreme pressures!

Yet motor oils generally have no more oiliness and film strength now than they had ten years ago. New refining methods have recently come into use to make oils free from carbon and sludge. But these new refining processes have actually lowered instead of increased oiliness and film strength!

There is one exception—Conoco Germ Processed Motor Oil.

It, too, is free from carbon and sludge troubles, as its users know after millions of trouble-free miles of driving. But more important, Timken machine tests prove that the new Germ Process\* puts into this oil 2 to 4 times the film strength of any straight mineral oil! That extra film strength protects your motor under the most extreme pressures and heat.

Germ Processing gives other valuable advantages. Because Germ Processed Oil penetrates and combines with metal surfaces, a "Hidden Quart" stays up in your motor and cuts down starting wear. Germ Processed Oil gives longer mileage with greater motor protection, as proved by the famous Indianapolis Destruction Test.

Plain mineral oils were all right ten years ago—today they are becoming obsolete. Say "O.K.—Drain"—fill with Conoco Germ Processed Motor Oil and drive with the comfortable assurance that your oil meets your motor's needs!

★ Alloyed by the Patented Germ Process

Just as the metallurgist adds small amounts of other metals to make special alloy steels, so we add small quantities of concentrated oily essence to highly-refined, paraffin-base motor oil. This Germ Processing, discovered and patented by Continental scientists, gives Conoco Germ Processed Motor Oil lubricating qualities no other oil has.

CONTINENTAL OIL COMPANY • Est. 1875

# CONOCO GERM PROCESSED MOTOR OIL

From the diary of a couple who had a grand time—

"The Conoco Travel Bureau at Denver sent us a complete plan of our trip—everything we needed and all of it free."

"There were road maps of every state with road conditions and best routes marked, and booklets about scenic and historic points. Hotel and camp directories, too."

"Friendly Conoco service wherever we stopped made it a grand trip, too. You can apply at any Conoco station for this free Travel Bureau service."

Bobcat Tales

The official publication of Dimmitt High School Published Each Thursday

Editor-in-Chief George Musick Associate Editor Buck Tate Social Editor Sybell Nell Waggoner Literary Editor Buell Ayres Sports Editor L. A. Ricketts Reporters La Delle Lantham Florette Meek Lois Mae Cox Katherine Smith

Musick-al Notes

Well, well another week has come around and we are still striving for a better paper. What we need is some co-operation, if each and everyone in school would contribute to our paper it would grow, but just a few can't get any-where. Of course every-one wants a bigger and better paper so so that other town readers will sit up and take notice to what the students of Dimmitt High School can do. Let's all get in there and hustle and work together and progress. We can do it—you bet.

Miss Coper received a letter the other day from the editor of the school paper at Canyon. He seemed to think our paper was all right and wished us lots of luck, we appreciate it and want to thank you Bill old kid.

There was some hot debating going on up here the other morning when the Tulia debating teams came over, I don't think these teams know who has the best team, but only time will tell. The boys sure did have a tough one. I thought for a while they would almost come to blows, but the quick wit, and smooth tongue of L. C. Gatewood stopped that. You were good Tulia, call again.

Well, you know we have been asked to join the Panhandle High School Press Association with offices at Canyon. Now wouldn't that be great because we could enter contests in different fields of journalism and by getting the papers of other High Schools could compare and get new and better ideas to make a more interesting paper for the local school.

Last Thursday the entire school went camera wild I think from the smiles that were put on the faces of the more dignified seniors, and the

DIMMITT BOBBIES DEFEAT HAPPY COWGIRLS 30 - 16

grins on the faces of the freshmen when Mr. Chism from Littlefield snapped a few pictures of life around the campus. These pictures are very good each student in school should have one, they're only a quarter.

The seniors sold quite a bit of candy, fruit, hamburgers and pie Friday and Saturday and we appreciate the patronage given us. You know a class is just one big family, and it has to live just like any other family, and it also has to have money to live on; So anytime any of the classes put on or sponsors anything well you help them, they'll appreciate it.

These sports events in school are getting hotter and hotter as the season rolls on to a conclusion. I am referring to the girls basket ball team. They went to Happy the other night and what they did to Happy was terrible that Happy bunch just can't keep up with Dimmitt.

On with the Bobbies to the A. A. U. at Plainview. We'll give you two reasons why Stratford can't win the tournament.

- 1. Dimmitt Bobbies. 2. Dimmitt Bobbies. Yea team fight.

School Paper Complimented

The following letter was received last week by Miss Cooper:

Canyon, Texas, March 15, 1935

Miss Margaret Cooper Sponsor School Paper Dimmitt High School,

Dear Miss Cooper:

I wish to congratulate you and your staff on your new school page; it is one of the best school pages we have seen this year. If you would like to exchange papers please write our Exchange Editor, Jack Oldham, co. Canyon High School.

The staff of the "Bobcat Tales" is eligible for membership in the Panhandle High School Press Association, an organization started here last year to encourage high school journalism in the Panhandle. The organizations convention is to be held in Pampa, April 27, this year. A very lively and constructive program is being planned for this year's convention; a number of contests with trophies for the winners is being planned in addition to a number of talks on different problems of high school journalism. If your staff would like to become a member of the organization, write Miss Elsie Johnson, secretary of the

KEY HOLE KELLY

Here this pastweek I've sure been wearing these key-holes pretty thin but Sunday night I was peeping through a key-hole in a car door, and this is what I saw: The girl who made the all district ball team, guard I believe it was, and the little boy from Sunnyside, who wears the big hat and boots. I'll give you three times to guess.

Through the key-hole at Hyatts and I saw a sick boy. Pat has missed over a week of school. We sure miss him.

Miss Cooper was speaking to Jack the other evening and this is what she said, "Jack, what is your ambition" Jack, "To be a president of some railroad company. Miss Cooper, "That's strange, I want to learn to be a good driver so I cantalk and drive at the same time."

I've been wondering why so many of our basket-ball girls are so sweet, well Carl Baker started a candy store in the school house.

Notes!

We have one man in High School we should be proud of, he is Leon Lile who took five first places in five events he entered, thus making 25 points single handed. Leon is expected to win several events in the district.

No School Friday

There will be no school Friday because of the teachers meet to be held at Canyon Friday and Saturday. School continue Monday as usual.

Seniors Make Good Profit On Sales

For the past two week-ends the seniors of the High School have been selling candy, hamburgers, pie and fruit at the school building to secure funds to take a trip at the end of school. For the past two week-ends the net profit is about \$30.00.

It is a hard matter to decide about where the seniors will spend their vacation because so many have been to Carlsbad Caverns that they don't want to go again.

BELIEVE IT OR NOT

We notice in Ripley's "Believe It or Not" about the scoring ace from Happy who has an average score of 25.5 points per game for 11 games. In the five games against the Bobbies she would not have scored but 17 points per game, had she made all the tallies for the Happy team. Due credit is accorded the outstanding work of the guards for the Dimmitt Bobbie.

Dimmitt joins with the Panhandle in congratulating the happy team on their excellent playing and sportsmanship.

Power to you Miss Sutton.

P. H. S. P. A. for details. Sincerely yours, BILL CONE Vice Pres. P. H. S. P. A. Editor of "The Eagles Tale"

We want to thank Mr. Cone of Canyon for the recognition of our paper. We are planning to enter the P. H. S. P. A. hoping to better our publication.

WORSE DEFEAT HAPPY HAS EXPERIENCED DURING THIS SEASON.

On Saturday the Dimmitt Bobbies journeyed to Happy and defeated the strong Happy team by a score of 30-17. The game was played fast and was interesting to the last whistle.

Happy was somewhat handicapped by one of their best players being sick with the measles. However they played a good game. Of all the games Happy has played this year this was the worst defeat they had experienced.

The starting lineup for Dimmitt was:

- Waggoner—Forward. Merritt—Forward. Meek—Forward. Wright—Guard. Rothwell—Guard. Ramey—Guard.

The Bobbies Promise

The Dimmitt Bobbies give this promise to their coach, faculty and fans just before they enter the State A. A. U. Tournament at Plainview this week-end.

We're gonna try to play the game. And play it hard and play it fair. We may not win but just the same.

We're gonna try to do our share. We may not always meet the test.

As well as some more clever team. But while our hearts beat in our chests.

We're gonna try.

—THE TEAM

Can You Imagine

Three high school girls setting under Arthur Webb's window, listening to him play his guitar and sing.

Claudie Waggoner being heart-broken over a love affair???? No!!!

Last weeks edition was published by the English class. The following is the staff for the rest of the year.

Editor-in-Chief George Musick Associate Editor Buck Tate Sports Editor L. A. Ricketts Social Editor Sybell Nell Waggoner Literary Editor Buell Ayres Reporters La Delle Lantham Florette Meek Katherine Smith Lois Mae Cox

Miss Marie Hulin, a popular student of Dimmitt High School, has moved away from the city. She will make her future home and continue her studies in Raton, New Mexico.

Sam Kirkpatrick is leaving Wednesday, for the Fat Stock Show at Fort Worth. He also plans to visit his grandparents at Haskell.

KNOW 'EM

Last week this column was dedicated to the members of the Senior class. The boy described was Robert Singer, and the girl was Dugan Hardy.

This week we dedicate this column to the members of the Freshmen class.

The girl is small, she has blue eyes blond hair, and has a light complexion. She has many friends, especially the son of one of our teachers. She is well liked in all the classes as well as the Freshmen class.

The boy that we shall describe is also a Freshman. He likes to play basket ball and football. He is heavy set and is of average height. He has dark hair and light colored eyes. He is very popular in the Freshmen class, and is slightly pigeon-toed.

Guess who these Freshmen are. If you cannot in the next issue of the Bobcat Tales you'll find out.

Not Quite So Serious

By—(I. Notice)

I suppose spring time is really here and we are all wishing that we could go places and see things. Only yesterday I saw Mr. Haas standing at the window looking out with a lonesome look on his face.

Well you know I have heard about the fellow "Keyhole Kelly" we all wonder who he is. The only way I know to find out is look for a fellow that has chalk dust over his eye just the shape of a keyhole and then we will know that someone hit the key-hole that he was looking through with an eraser. That will be sufficient evidence.

Mr. and Mrs. J. ... Flana in ... moving to Fort Worth where they will make their home on a ranch there.

Three Simple Steps to Ease a Sore Throat in Three Minutes

1. Crush and stir 3 BAYER Aspirin Tablets in 1/2 glass of water.

2. Gargle Thoroughly—throw your head way back, allowing a little to trickle down your throat. Do this twice. Do not raise mouth.

3. If you have a cold, take 2 BAYER Aspirin Tablets. Drink full glass of water. Repeat if necessary, following directions in package.

Modern Scientific Method Wonderfully Easy

REMEMBER PICTURES HERE

Here's a safe, modern and effective way to relieve sore throat. A way that eases the pain, rawness and irritation in as little as two or three minutes. Many doctors advise it and millions are following this way. Try it. All you do is crush and stir 3 BAYER Aspirin Tablets in 1/2 glass of water and gargle with it twice—as pictured here. (If you have signs of a cold, take BAYER Aspirin and drink plenty of water.)

Get real BAYER Aspirin Tablets for this purpose. They disintegrate quickly and completely, making a gargle without irritating particles.

BAYER Aspirin prices have been decisively reduced, so there's no point now in accepting other than the real Bayer article you want.

(Continued From Page One)

government furnish funds for general contouring of contracted acreage and abandoned land and wide row planting of a stouling variety of sorghum. Seeding labor would also be paid with government funds.

All land so treated at government expense would be held subject to harvesting and grazing restrictions by the government through the spring pasturing season of 1936. The harvesting of grain by heading where produced, would be permitted the operator or land owner unless restricted by AAA regulations, but a high stubble satisfactory to the erosion specialist in charge would be left standing and protected from fire and over grazing until the successful establishment of the succeeding crop had rendered its use for prevention of soil erosion by wind no longer necessary.

The contour listing and wide row planting would not interfere with normal methods of wheat land preparation and would permit a satisfactory partial fallow effect for the benefit of the succeeding crop.

In the case of wheat, however, the government would furnish materials but would not pay for seeding labor.

Those sponsoring the movement say that all remaining cultivated lands in this area will presumably produce a regular crop in which case the stubble and straw residues from the crop will provide the necessary vegetative residue for erosion prevention. An educational effort will have to be carried out in connection with the general program to secure the proper handling of residues on cropped land, thereby providing for the best possible protection of all cultivated lands in the area, it was said.

It was further suggested that while the physical results of this plan would only through the windy season of 1935-36, the demonstration and educational value would be of permanent importance.

Emergency wind erosion control aid would not be recommended, it was said unless 80 per cent co-operation is assured within the county, township or precinct affected.

Those fostering the movement declared that immediate authorization and the active procurement of seed and farmer co-operation is absolutely necessary by April 1 if the program is to be put into effect in time to aid the crop season of 1935-36.

The conference representatives voted a resolution requesting federal authorities at Washington to approve the plan, with such modifications as may be necessary, and allocate sufficient funds to get it under way immediately.

H. H. Finnell, regional director for the U. S. Soil Erosion Service and in immediate charge of the 25,000-acre wind erosion control project near Dalhart, explained methods which are now being successfully followed on the plot.

The huge assembly applauded loudly when Mr. Hill declared that

the High School junior boys division with a total of 19 1-4 points.

The various events and their winners follow:

100 Yard dash—Leon Lile, Dimmitt; Homer Battles, Jumbo; Junior Woolery, Jumbo; Earl Settern, Flagg.

120 yard High Hurdles—Junior Woolery, Jumbo.

880 yard dash—Earl Settern, Flagg.

220 low hurdles—Tommy Marlor, Dimmitt; Truman Redwine, Dimmitt.

440 yard dash—Leon Lile, Dimmitt.

220 yard dash—Leon Lile, Dimmitt; Homer Battles, Jumbo.

1 mile run—J. B. Harlin, Frio.

Running broad jump—Leon Lile, Dimmitt; Homer Battles, Jumbo; Dan Cantrell, Big Square.

Discuss throw—Charles McGinnis, Jumbo.

High jump—Truman Redwine, Dimmitt; Homer Battles of Jumbo and Tommy Marlor, Dimmitt, tied for second; J. G. Davis, Dimmitt and Dan Cantrell, Big Square tied for third.

Shot put—Leon Lile, Dimmitt; Charles McGinnis, Jumbo; Tommy Marlor, Dimmitt, Bill Snapka, Dimmitt.

**High School Girls**

50 yard dash—Larue Beck, Jumbo; Helen Morris, Arney.

Baseball throw—Ruth Morris, Arney; Larue Beck, Jumbo; Lavelle Beck, Jumbo.

Standing broad jump—Larue Beck, Jumbo.

200 yard Relay—Jumbo.

**High School Junior Boys**

Chinning the bar—Robert Pinkert, Jumbo; Bob Estes, Dimmitt; M. L. Simpson, Jumbo.

High Jump—Jack Boren, Dimmitt; Truett Barron, Dimmitt; Junior Stephens, Dimmitt.

Running Broad Jump—Bob Estes, Dimmitt; Truett Barron, Dimmitt; Jack Boren, Dimmitt.

50 yard dash—Bob Estes, Dimmitt; James Beck, Jumbo; Jack Boren, Dimmitt.

100 yard dash—Bob Estes, Dimmitt; James Beck, Jumbo; Jack Boren, Dimmitt.

440 yard relay—Dimmitt—Jack Boren, Junior Stephens, Truett Barron, Bob Estes.

**High School Girls**

High Jump—Celesta Gage, Dimmitt; Florine Stork, Jumbo.

50 yard dash—Florine Stork, Jumbo; Celesta Gage, Dimmitt; Nettie Russell, Arney.

Baseball throw—Hope Adams, Jumbo; Florine Stork, Jumbo; Celesta Gage, Dimmitt.

Standing broad jump—Florine Stork, Jumbo.

200 yard relay—Jumbo.

**Grade School Boys**

50 yard dash—Garnett Holland, Dimmitt; Cecil Beavers, Hart; Doyle Hammonds, Sunnyside; Dent Bradley, Sunnyside.

100 yard dash—Garnett Holland, Dimmitt; J. O. Ayres, Dimmitt; Bob Davis, Hart; Doyle Hammonds, Sunnyside.

440 yard relay—Dimmitt, Hart, Big Square.

Chinning bar—Grady Pillow, Big Square, T. C. Ray, Hart; Andy Axe, Jumbo; Raymond, Walker, Dimmitt.

High jump—Garnett Holland, Dimmitt; Andy Axe, Jumbo; Cecil Beavers, Hart; J. O. Ayres, Dimmitt.

Running broad jump—Garnett Holland, Dimmitt; Cecil Beavers, Hart; Andy Axe, Jumbo and Ralph Cates, Big Square tied for third place; Bob Davis, Hart.

**Grade School Girls**

High jump—Clara Jo Neil, Jumbo; Dimple James, Big Square and Bessie Loftis, Sunnyside tied for second; Marilee Pillow, Big Square.

50 yard dash—Marie Langford, Dimmitt; Bonnie Marlor, Sunnyside; Geraldine Smith, Big Square; Marilee Pillow, Big Square.

Baseball throw—Marie Langford, Dimmitt; Dimple James, Big Square; Bessie Loftis, Sunnyside; Marilee Pillow, Big Square.

Standing broad jump—Dimple James, Big Square; Marilee Pillow, Big Square; Bessie Loftis, Sunnyside; Marie Langford, Dimmitt.

200 yard relay—Big Square, Sunnyside, Dimmitt.

Winners in the Literary events are not found in this issue due to the fact that the official in charge has all the results in his care and they could not be reached, however an attempt will be made to secure them for next week.

**METHODIST CIRCUIT PARSONAGE BUILDING BEGUN**

Construction was started the fore part of the week on the Methodist Circuit Parsonage to be occupied on completion by Rev. and Mrs. Armstrong. The new home will consist of five rooms and bath and will be modernly equipped throughout. The structure will be finished in stucco, adding to the appearance of the home and to the immediate neighborhood.

Miss Ouida Byrnes spent the week-end in Plainview.

**TEMPERANCE IS THEME OF DRAMA**

"WHO'S TO BLAME" WILL BE PRESENTED AT H. S. AUDITORIUM MARCH 26TH.

A temperance drama called "Who's to Blame," and vividly portraying conditions as they are under the new beer laws, will be given at the High School Auditorium, March 26th at 8 p. m. with twenty-five local characters assisted by D. E. Moore, of Lubbock.

This is a new temperance drama, copyrighted in 1934 and attracting capacity audiences wherever presented, the attendance reaching as high as 2,000. It is a part of a campaign for temperance education being conducted by the local churches of Dimmitt.

This drama is in the form of a court trial. Clarence Byrnes will be presiding Judge, and will conduct the court in a dignified manner. James Booth will take the part of Tom Moore, on trial for the murder of a total stranger, Walter Evans, at the "Blue Goose" dance hall.

Mr. B. O. Haas will prosecute the defendant and D. E. Moore will defend him. Mr. Joe Strother will take the part of the clerk of the Court and Bill Webb the part of Sheriff.

The State will summon witnesses as follows:

Mr. Tom Bice as deputy sheriff, Mr. B. C. Barron who will serve as Coroner, and La Dell Lamson who was an eye witness.

The defense will put on the witness stand the defendant himself, and his mother, which part is to be taken by Mrs. Roy Lamson. It will also offer Hans Schlitz, the beer seller at whose beer joint the defendant got drunk. This part will be played by Carlos Reynolds.

A striking testimony will be given by "Dr. Kraepelin", the world's greatest authority on what beer will do for those who drink it.

He will be represented by H. H. Colley.

Mrs. Chas. Dean will preside at the piano.

Mr. C. W. Booth will be foreman of the jury.

**BTU TO HOLD STUDY COURSE**

REV. B. N. SHEPHERD OF HEREFORD WILL CONDUCT SERIES OF COURSES.

The Baptist Training Union Study Course will begin Monday evening

with the Rev. B. N. Shepherd, pastor of the Hereford church conducting the study periods. Rev. Shepherd comes to Dimmitt with the full knowledge of the various points of the study work, prepared to give the members of the local group the benefit of his specialized study and education in this worthy teaching. He will conduct both the senior and adult classes, bringing instructive and interesting thoughts to each group.

All members and those interested in the work are urged to be present Monday evening at the church where the regular monthly Business and Social meeting will be held to usher in the initial session of the schedule. It is the hope of the local church that under the supervision and organization of Rev. Shepherd the various departments of the B. T. U. shall be standardized. A most urgent invitation is extended to all to attend any or all the meetings and assist in the successful conclusion of the work at hand.

G. A. Bradley and W. E. Louder of the Sunnyside community journeyed to Kress the past week and defeated the crack croquet players of that place, handing them the first defeat in over two years.

**WITT HOTEL**

**Only \$615 for the most beautiful thing on wheels**

Next time you see Pontiac's famous Silver Streak Six remember that the car America promptly christened the most beautiful thing on wheels is one of the easiest cars in the world to buy. And never has \$615 bought so many things you want and need. A solid steel "Turret-Top" Body by Fisher . . . triple-sealed hydraulic brakes . . . the stamina and long life of silver-alloy bearings and a completely sealed chassis . . . incredible economy . . . performance as smooth and lively as that of the average eight—these are just a few of the reasons why America's shrewdest buyers agree—you can't do better than a Pontiac in 1935!

PONTIAC MOTOR COMPANY, PONTIAC, MICHIGAN
